Dear Ms. Kitchel,

Thank you so much for your lovely letter! Enclosed are three photos for the libraries. (I get a lot of mail from kids.)

I was an avid reader as a child, so will have trouble narrowing down my favorite books, but I thoroughly enjoyed the following:

Books by: Beatrix Potter
Jean de Brunhoff (Babar)
Marguerite Henry (horse stories)
Roald Dahl
P.L. Travers (Mary Poppins)
Hugh Lofting (Dr. Doolittle)
Frank Baum (Oz)
E. B. White

I also enjoyed: Mr. Popper's Penguins
Harriet the Spy

Winnie-the-Pooh
the Nancy Drew mysteries
the Bobbly Twins mysteries - and more!

Best, Ann Martin
