Like it never even happened.®

W elcome to the 2024-25 *Insider's Guide to the Pointes and Grosse Pointe Chamber of Commerce Membership Directory!*

As you flip through these pages and explore all of the unique opportunities, incredible organizations, distinctive communities, exceptional education system, boundless array of shopping, dining and arts and culture, I hope you feel renewed appreciation for our community.

The Grosse Pointe Chamber of Commerce is proud to partner with Pointe Media in our 10th edition of the *Insider's Guide*. Our sincere appreciation goes to Terry and John Minnis and Lauren McGregor.

The Guide has changed and evolved since its beginning, this year in a new format with expanded features on the places and businesses Pointers love, as well as a hand drawn map by Lily Koss.

Just like this Guide, the Chamber has also grown and changed, most notably in our waitlist for networking event hosts, our larger than ever Grosse Pointe Art Festival, Santa's new sleigh and in our new annual meeting, now a breakfast! — Just to name a few.

I hope you enjoy this annual guide and celebration of Grosse Pointe!

Jenny Boettcher
President
Grosse Pointe Chamber of Commerce

Wow. It's hard to believe we are working on our 10th edition of the *Insider's Guide to the Pointes and*

Grosse Pointe Chamber of Commerce Membership Directory.

I remember talking to Jenny at the Chamber in 2014 about our plans to publish an annual *Insider's Guide to the Pointes*. She loved the idea and asked if the Chamber could be a part of it. Being a supporter of the Chamber since its founding in 2006, I readily agreed to partner in the endeavor.

The publication has evolved over the years, reacting to suggestions from readers, advertisers and Chamber members. The biggest changes are evident with this issue of the *Insider's Guide*. First, we reduced the "footprint" to half an 8 /12 x 11 sheet, making the Guide more portable and convenient.

Editor and layout designer Lauren McGregor has added her special touches in both the editorial content and colorful, contemporary magazine features.

All in all, we hope you enjoy this totally revamped issue of the *Insider's Guide to the Pointes and Grosse Pointe Chamber of Commerce Membership Directory* and find it a useful resource throughout the coming year.

Mack Avenue grille

By John Minnis

When the new “Mack Avenue Grille” opened a dozen years ago now, we reported the former diner defied classification.

The new owners, who live here with their families, their children attending Grosse Pointe schools, bought the then 25-year-old Mack Avenue Diner and closed it for a three-month interior renovation. However, the grand opening in June 2012 lasted only five days before the brick facade of the adjoining store fell off. The businesses were closed for three months while the building was rebricked.

The wait was worth it. The new eatery is bright, with windows added to the south. The interior is upscale but family-friendly. The parquet floor and granite table and counter tops are complemented with modern, whimsical art pieces on the earth-tone walls.

“The look ties in with Grosse Pointe architecture,” owner Louie Ropotos says.

The interior was not the only thing revamped — so was the menu. It’s “fine dining at diner prices,” Ropotos says.

Mack Avenue Grille continues to defy classification. It’s not a diner. And, yet, it’s not “dress-up fancy.”

Since its opening, Mack Avenue Grille has acquired a full liquor license and along with a full-service bar and is now offering premium wines by the glass — such as Napa Valley’s Quilt cabernets and chardonnay and Caymus Vineyard’s cab and zinfandel, just to name a few — as well as craft beers.

But the real crowd-pleasers are Mack Avenue

Fresh squeezed mimosas are among Mack Avenue Grille’s many brunch and fine dining options, along with bloody marys, premium wines by the glass and craft beers.

Grille’s bloody marys and fresh-squeezed mimosas that make brunch a celebratory event. “I don’t know of anyone else on Mack offering fresh-squeezed mimosas,” Ropotos says.

The key to Mack Avenue Grille’s success: freshness. Everything is homemade daily. That includes chili and three soups daily, 31 different salads and many specials, such as meatloaf and fish. “We don’t use frozen fish,” Ropotos says.

“The neighborhood is finally discovering this as a good place to eat with a fine adult beverage,” he says. He’s right. Mack Avenue Grille is not just a diner, it’s a destination.

Mack Avenue Grille is located at 19841 Mack Ave. in Grosse Pointe Woods and is open seven days a week from 9 a.m. to 8 p.m. Monday-Saturday and 9 a.m. to 3 p.m. on Sundays. Takeouts are available online at mackgrille.com.

WATERFRONT LIVING
LAKE ST. CLAIR AND
THE DETROIT RIVER

Grosse Pointe and the water are intertwined. Access to it, from each private city park to the clubs that dot the coast to the drive along Lake Shore Rd., is iconic to the experience of living here or visiting.

As eastsiders, we also have the convenient pleasure of living a short drive or even bike ride away from the famous Detroit Riverwalk and all the Detroit riverfront has to offer. Here are a few of our favorite spaces on or near the water.

POINTE FITNESS

By Ken Welch

When Pointe Fitness first opened in 1995 it was the only gym in the area. Now, in 2023, there's a host of fitness options throughout the Grosse Pointes to be considered.

What works best for you? Are you new to fitness or have you been working out for a long time? Do you favor cardio activity over weights or the other way around?

If you work out at home, are you satisfied with your routine or are you getting bored and feel limited in the space you have?

A gym, a studio, a home program; is cost/convenience the deciding factor or does value and variety play a part in your decision?

Here's what to know about Pointe Fitness.

Our building was once a distribution center for The Detroit News and is now the largest, privately owned gym in the area. The philosophy has been consistent since its beginning. Focus on the basics of conditioning: equal parts strength and cardio, without gimmicks or being caught up in the latest trends.

Pointe Fitness is not a gym that "sells" the answer to all fitness needs. We don't do weight loss programs or pressure you into personal training contracts.

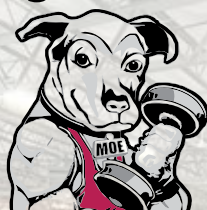

Being privately owned, we're able to offer select, unique pieces of exercise equipment not found in other gyms. Our membership is a club of dedicated and diverse people that respect each other and each other's fitness goals. Everybody's different. We promote and celebrate that.

Our staff has a very down to earth point of view towards keeping in shape. Questions are answered freely. We have a basketball half-court that's a lot of fun and yoga and other fitness classes in our group fitness room. We have two open floor exercise areas and a Detroit Medical Center, Physical Therapy clinic. Easy, free parking.

It's a good time working out here. Could it work for you?

Ken Welch is owner and trainer at Pointe Fitness on Harper south of Allard. Online: pointefitness.com.

OUR Story...

NURSING UNLIMITED
INCORPORATED

Nursing Unlimited, Inc. is a family-owned business that has been providing compassionate home care since 1980. During that time, we've been privileged to care for thousands of people and employ thousands of Nurses and Nurse Aides.

We are able to offer the same healthcare services from the privacy of our patient's home as they would receive in a hospital. We are fully bonded and insured and our employees are carefully drug screened, referenced and given an extensive background check.

Whether we spend a few hours a month or 24-hours per day with a patient, one of our experienced Registered Nurses will design a personalized care plan for each and every patient.

Although much has changed since 1980, our philosophy has remained the same: To treat our patients and employees like family.

At 1.1 square miles, the City of Grosse Pointe has a small-town feel with big-city amenities. Such a small footprint allows us to provide outstanding City services with a personal touch. We also are home to The Village, which serves as the primary downtown for all the Pointes.

The City has made enormous progress on improvements that will benefit residents and

visitors for the long term. The Village continues to become a more vibrant destination as Main Street Grosse Pointe executes its exciting vision for the district. This year, a public art initiative was launched, and the plazas are getting new street furniture thanks to a vibrancy grant from the state. The redevelopment of the old school administration site is nearly complete, and residents approved a bond for a large-scale water and sewer infrastructure project to mitigate future flooding.

These changes along with the City's many assets — Neff Park on the lakefront, Maire School, the Neighborhood Club, Elworthy Field and the Rotary Tot Lot — help foster an environment with tight-knit neighborhoods and a strong sense of community.

Public meetings of the City Council of the City of Grosse Pointe are held generally the third Monday of each month at 7 p.m. in the Council Chambers, 17147 Maumee Avenue, Grosse Pointe. Please visit the event calendar at www.grossepointecity.org for specific meeting dates.

Nestled in just over three square miles, Grosse Pointe Farms has a varied housing stock, nine places of worship, five public schools, two private schools, Grosse Pointe Central Library, The Helm at the Boll Life Center, premier private clubs, The War Memorial and two distinct business districts that boast a variety of restaurants, retail and office spaces.

In 2024, Pier Park saw the resurfacing of tennis courts and the installation of four permanent pickleball courts. Conceptual plans have begun for a new pool and bathhouse with construction

tentatively scheduled for 2025-26. These enhancements are made possible through the generous support of our residents and Grosse Pointe Farms Foundation.

In August, the Grosse Pointe Chamber of Commerce again hosted the Grosse Pointe Art Festival and Racing For Kids within The Hill Business District. These have become highly anticipated events. This fall, the city will again see the annual Concours d' Elegance Car Show and Summer Bash with Fireworks. Both are wonderful events, as is our Winterfest.

In addition to these many wonderful events coming in the next months and years, the city will continue working on infrastructure improvements to secure our future. Stop by and see what is happening in the Farms!

City Council Meetings are held monthly at 7 p.m. See www.grossepointefarms.org for the complete schedule.

GROSSE POINTE PARK

Grosse Pointe Park City Hall

Monday to Friday, 8 a.m. to 4:30 p.m.

15115 East Jefferson Avenue

Grosse Pointe Park, MI 48230

Mayor Michele Hodges

hodgesm@

grossepointepark.org

Grosse Pointe Park is home to two lakefront parks, Windmill Pointe Park and Patterson Park, a marina with a rich sailing history, the Schaaap and Okulski theaters, a boardwalk, dog park, new ADA-compliant playscape thanks in part to the generosity of our Grosse Pointe Park Foundation, After 6 on Kercheval street parties, the amazing Tompkins/Lavins Center and a booming business district that has tremendous charm.

In the upcoming year, you will see the enactment of our capital improvement plan including water main replacement projects on Beaconsfield,

Maumee, Middlesex, parts of Charlevoix, at Defer Elementary, sewer cleaning and road resurfacing in alleys.

A new city website and recreation program software have been utilized. We have also instituted a five district plan for maintenance that includes tree trimming and sidewalk replacement and painting hydrants and street signs.

The City is thankful for three grants awarded including \$1.8 million from SEMCOG for a streetscape project on Charlevoix and \$1.6 million for the EERV thanks to Congressman Shri Thanedar.

The future is bright in Grosse Pointe Park and that is thanks, in part, to our staff and also to the amazing residents that call this community home.

Mayor Ted Kedzierski
(313) 881-6565
tkedzierski@gpshoresmi.gov

The crown jewel of our remarkable city is our municipal park known as Osius Park, named after our first leader, George Osius. We are excited to announce that we are in the process of reviewing plans to replace the park swimming pool which was built in 1966 and renovated in 1995. The plans also contemplate the replacement of the adjoining bathhouse with the goal of improving the views of Lake St. Clair.

Other capital improvements planned for the upcoming fiscal year include road repairs and rehabilitation to seven partial streets. The purchase of a replacement ambulance is also high on the agenda since this is such a critical essential service provided by the City and our existing ambulance is nearing the end of its useful life.

Finally, it is anticipated that we will install a new water meter reading system which will help in the detection of leaks and help reduce our water rates. If funds are available, there are also discussions on a possible relining of the water or sewer mains.

We look forward to these exciting developments and more in the coming year!

Grosse Pointe Shores City Council meetings take place every third Tuesday of the month at 7 p.m. at City Hall, 795 Lake Shore Rd.

GROSSE POINTE WOODS

Robert E. Novitke Municipal Center

Monday to Friday, 8:30 a.m. to 5 p.m.

20025 Mack Plaza

Grosse Pointe Woods, MI 48236

Mayor Arthur Bryant
(313) 590-0301
arthurwbryant@gmail.com

It has been a fantastic year of progressive transformation in Grosse Pointe Woods!

We introduced two social districts enabling people to gather, socialize and enjoy an alcoholic beverage from participating licensed restaurants within a designated outside area. Our convenient city shuttle provides free hop-on/hop-off transportation along Mack Avenue and its social districts.

In partnership with the Grosse Pointe Woods Foundation and its generous donors, we've

installed a nine-hole disc golf course, a tot lot swing area at Ghesquiere Park, and opened a second dog park featuring the Rover Jump Over, Doggie Crawl, Paws Table and Hoop Jump agility structures for our furry four-legged population.

Lake Front Park will soon be home to an all-new splash pad with a state-of-the-art water management system for sustainability. Also at the world-class aquatic facility, we've erected new aluminum bleachers on the pool deck (now with free WiFi) to root on synchronized swimmers and the champion Woods Warriors swim team. Our repainted dual waterslide chutes have been refinished with durable gel coat and we're installing a new liner on the main pool.

Our residents have even more great things to look forward to in 2025 as we're developing exciting plans to celebrate the city's 75th anniversary!

Public meetings of the City Council of Grosse Pointe Woods are held the first and third Mondays of the month at 7 p.m. at City Hall. Visit the city's online calendar at www.gpwwi.com to be apprised of schedule changes.

DR. ANDREA C. TUTTLE

In February 2024, following a unanimous vote by the Board of Education, the community welcomed Dr. Andrea C. Tuttle as the new superintendent of Grosse Pointe Public School System. She brings with her decades of experience in education, including 14 years as superintendent of Owosso Public Schools.

“I’m familiar with the community because my mom grew up here. I am keenly aware of the tremendous public school system and how the community supports its public schools,” says Tuttle, who calls herself a lifelong learner and a relationship builder.

“I appreciate that this community understands that a public school district’s success dictates the success of the community,” she says. “I will work to ensure that I meet the needs of the district and the community, and the expectations of both.”

With an International Baccalaureate background, Tuttle’s goal is to prepare students to be successful in Grosse Pointe and beyond. There are ten learner traits that she wants all students to possess when they leave the district. “All students should strive to be inquirers, knowledgeable, thinkers, communicators, principled, open-minded, caring, calculated risk takers, balanced and reflective,” says Tuttle.

Beyond that, Tuttle is dedicated to offering robust and varied academic opportunities and extracurricular programs that engage students with content that is rigorous and relevant.

“For PreK through 12th grade students, our job is to offer as many opportunities as possible. Students should take advantage of all the tremendous opportunities.”

One of Tuttle’s biggest goals for the school district is a focus on both career and college preparation.

“I want this to be a district of opportunities,

for college- and career-bound students,” she says. “For college-bound students, SAT prep is an important piece of assessment that can dictate their college-bound trajectory.”

Tuttle says she is eager to make a difference and to more deeply embed herself in the community. She and her husband, a school RN (Registered Nurse) have made the move to Grosse Pointe, with two children currently studying at University of Michigan. She shares that in her (limited) free time, she enjoys theater, scuba diving, reading and being outdoors.

“I’ve had an overwhelming welcome from school administrators, students, parents,” she says. “This is one of the most challenging and most rewarding jobs. Nothing gives me more satisfaction than seeing a student succeed.”

WHY CHOOSE US?

Grosse Pointe is one of those rare places that draws generation upon generation back to raise their own children in a community where schools and city services have kept up with the times. Here children grow up within walking distance of great schools and safe parks.

Families live, learn and play together on tree-lined streets. Neighbors chat over the fences, meet for coffee in the shopping districts, and barbecue in the city parks. It is a close-knit community.

Twenty Years of Support

This year, the Grosse Pointe Library Foundation is celebrating twenty years of support to the Grosse Pointe Public Library! Over those many years, community donors have helped fund significant enhancements to our branches, including:

- Creation of Ewald Branch
- Preservation of the Marcel Breuer designed Central Branch
- Preservation of the world class art housed at Central Branch
- Purchase of a van to deliver books between branches and schools
- Construction of an ADA compliant ramp at Central Branch
- Creation of Central Plaza – an inviting and accessible open-air space at Central Branch
- Expansion of youth room at Central Branch

2024 will be another big year for the Foundation. Through your generosity, we'll be supporting multiple projects throughout the branches, including Ewald Branch fireplace restoration, underwriting expansion and enhancement of the Library's digital offerings, technology upgrades to the program rooms at Ewald and Woods Branches, and a much-needed restoration of the Herbert Matter Mural, The History of Writing, at Central Branch.

You can participate in various ways: by donating to our annual fund, designating a gift through our commemorative giving program, or joining us at our fun event, Books & Bubbles at Ford House on October 24! Visit gplf.org or call 313.640.4683 for more information.

THE HELM AT THE BOLL LIFE CENTER

A HUB OF INFORMATION AND ACTIVITY

A Moross Greenway sculpture on loan to The Helm in 2024

The Helm at the Boll Life Center is the only senior community, resource and wellness center for the five Grosse Pointes and Harper Woods. For more than 46 years, The Helm has been the place to turn to for assistance and resources regarding anything aging related. Every month, 120 people seek help with chores or caregiving, rides to medical appointments, answers to Medicare questions or are loaned medical equipment; 70 clients receive friendly reassurance calls or assistance with more difficult aging-related topics; 105 receive Meals on Wheels along with a friendly visit; and 1,300 people walk through our doors to participate in more than 200 sessions of health and wellness, lifelong learning and social activities.

As our population grows older – by 2035, one quarter of Grosse Pointe and Harper Woods residents will be 65 or older – the need for The Helm grows with it.

GROSSE POINTE YACHT CLUB

Following the completion of many major renovations, like the replacement of five docks, a new bridge, new fuel pumps and increased number of slips, Grosse Pointe Yacht Club (GPYC) is focusing on VISION 2026.

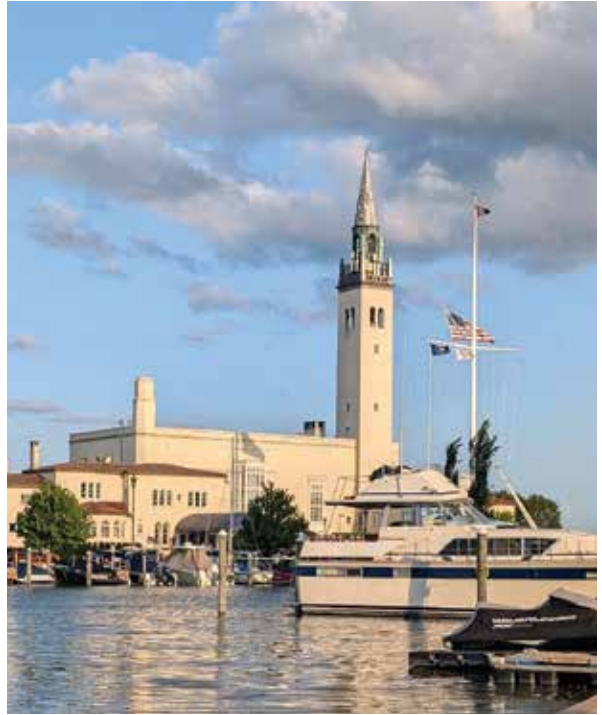

“The GPYC Board of Directors is committed to our VISION 2026, which is a strategic plan to focus on the future of the Club. The Harbor renovations represent a significant improvement to our facilities for our current and future members to enjoy,” says David Schaden, member of the GPYC Board of Directors. VISION 2026 has been the spearhead for the Club’s major capital improvements in the last few years, including the remodeled Spinnaker restaurant, Main Dining Room, foyer and rotunda.

GPYC has truly positioned itself as a “Club for all seasons” by offering activities for its members all year long. Amenities that attract members during the winter months include bowling in the Bowling Recreation Center, the fully equipped Fitness Center, Trap Shooting from Marine Activity Center, an active Platform Tennis program and a variety of continually sold-out social events.

The two-story Marine Activity Center is also home to the junior sailing program and all water sports. Plus, the second floor balcony offers the perfect vantage point for watching races and regattas on Lake St. Clair.

Har-Tru tennis courts, four pickleball courts, two bocce courts, half-court basketball, a playscape and nautical-themed splash pad are more Club amenities.

Annual events, such as the Fourth of July, Blessing of the Fleet,

Fleet Review, Commodore’s Ball and Santa visits, are highly attended by both Active and Socials members.

These offerings, along with a stellar management team, historic clubhouse and unbeatable views of Lake St. Clair make the GPYC a special place for many. In addition to top-notch, fresh and seasonal cuisine served all year-round in the Club’s restaurants, the GPYC has a special brunch or dinner buffet for most major holidays.

“I can’t think of a better backdrop for the special — and simple — moments in your life than GPYC,” says General Manager Aaron Wagner.

GROSSE POINTE THEATRE

Grosse Pointe Theatre's mission is to connect, create and inspire communities through theater. Its season includes five Mainstage shows (musicals and plays), along with two Youth on Stage productions and two black box productions.

This past season, Grosse Pointe Theatre's productions reached 15,000 patrons. Although Grosse Pointe Theatre is one organization in a greater Metro Detroit community theater scene, it is also the only community theater in the five Grosse Pointe communities. As such, it prioritizes this position in the community arts landscape.

"Grosse Pointe Theatre considers it a duty to provide excellence in programming as well as find ways to expand its artistic outreach and participation in the community," says Executive Director Linda Zublick. With Youth on Stage classes and productions, the Take Ten Play Festival, the Act 2 Senior Theatre Program and its Sensory Friendly Performance Program, the theater's reach is wide and diverse.

"Grosse Pointe Theatre is immensely proud of its 77-year legacy and looks to the future with a new permanent home at the Schaap Center in late 2025," says Zublick.

ASSUMPTION CULTURAL CENTER

It is difficult to sum up everything Assumption Cultural Center is and offers to the community. Its open doors and varied programming, events and event space are unique to the area.

“Assumption Cultural Center is a family center for all ages,” say Joan DeRonne, church administrator, and Olga Cardasis, church office manager.

Programming focuses on health and wellness, with an Olympic-size gym and a robust schedule of pickleball, basketball and daily exercise classes. One popular program is Kalosomatics, which means “a state of well being through body movement.” For all ages and skill levels, the practice combines traditional yoga and pilates-like mat work.

Other regular classes and special events are language learning (this year, French and Greek), wine tasting dinners, Hellenic cuisine cooking and more. Assumption also hosts regular international and domestic trips. A September tour of Greece sold out in just two weeks.

Annual signature events include the highly anticipated GreekFest and Senior Expo, this year featuring Devin Scillian.

The Cultural Center also boasts a large banquet facility. “We can host anything, from small business breakfasts or lunches to weddings,”

From top, a wedding at Assumption Cultural Center; Devin Scillian & Arizona Son performing at Senior Expo; pickleball in the Olympic-size gym

says Cardasis. “Outdoor dining is available in our beautiful courtyard. And Marchiori Catering’s reputation for food and service is one of distinction. They have been with Assumption for 30 years.”

“Many people don’t realize we have in-house everything, including catering,” says DeRonne. “If you have your wedding or event here, we can take care of everything.”

At its core, Assumption Cultural Center is a celebration of Greek culture and the Greek Orthodox faith. DeRonne and Cardasis invite visitors to tour the church and view its world renowned iconography.

MEMBER BENEFITS

Let's break down the five main benefits of joining the Grosse Pointe Chamber of Commerce.

1. **Networking** — One of the biggest advantages is access to meeting like-minded business professionals. Need a general contractor? Looking to switch insurance? Say you're thinking of planning a team-building event, but you need to find something

fun to do... you always find an answer when you attend Chamber networking events. What better way to generate leads than a personal relationship, where you can meet and answer any questions on the spot?

2. **Credibility** — Consumers are 63% more likely to utilize products and services from businesses that are members of

their local chamber.

As a member, you can utilize the Chamber's logo on your social media, website, in advertising and in your storefront. Organization memberships add to your business's credibility and professional reputation.

3. **Community Involvement** — You'll be in-the-know about new businesses, local events,

Lake, as a member, your business can become a sponsor and show support of your favorite programs while increasing brand exposure.

5. Opportunities for Education & Training

Highlights include the magical Coreander's Children's Bookshoppe, the unique Duffey & Co., the chic Anchor & Olive, and the cozy Shaw's Books.

THE HILL

The Hill business district, on Kercheval between Fisher and Muir, features a row of charming businesses, including the popular bookstore **Flyleaf** and the soon-to-open **Pearl**, formerly **Capricious**. Let's go shopping

THE AVENUE IN THE WOODS

The Avenue in the Woods — Mack Avenue, that is — is home to antique stores, cheese shops, second hand stores, salons, dining, a world renowned jeweler and more.

One of our favorites is **Chocolate Bar Cafe**, stocked with every chocolate gift imaginable,

including Alinosi's superfine chocolates and candies.

THE VILLAGE

"The Heart of the Pointes,"

The Village, comprises a multi-block downtown shopping experience including multiple trendy and high end clothing stores, like **Savvy Chic Boutique**, gift shops, like **Small Favors**, markets, salons and dining. The Village is also home to "**The Loop**," Main Street Grosse Pointe's social district, where patrons can purchase alcoholic beverages from participating bars and restaurants to enjoy in the common areas.

Main Street Grosse Pointe has also recently begun work on streetscape improvements, including art installation and seating.

Some of our favorite picks for dinner include **Champs Rotisserie & Seafood's** fall-off-the-bone ribs and salmon and **Pendy's** incredible happy hour specials (you have to try the sliders!).

Now that we're talking sliders, **BluFin Sushi's** Kobe beef sliders are mouthwateringly tender. They're rivaled only by the BluFin Roll, the Las Vegas Roll and the BluFin Vegetarian Roll.

Let's get something to drink

When it comes to drinks in the Pointes, the choices are varied and endless.

There's nothing quite like **Bogart's Food & Spirits'** tower of onion rings with creole aioli paired with tall draft beer.

Irish Coffee Bar & Grill is an institution, with its cozy banquette seating and delicious draft beers.

Speaking of beer, **Someday Brewing** specializes in small batch, hand crafted, quality made mead and beer. The foam on top? Their new outdoor patio!

Ever ordered a rare whiskey shot from the tabernacle at **Cabbage Patch Saloon**? We won't spoil the surprise, but kindly suggest you give it a go.

Seasonal cocktails at **The Continental** at Ford House are special to begin with, but in a to-go cup from **The Speedster** and a stroll around the grounds? That's just magical.

FAMILY FUN DAY

OUR PICKS FOR A SPECIAL FAMILY DAY IN YOUR OWN BACKYARD

VISIT

One of our favorite places to start the day is **Coreander's Children's Bookshoppe** with its two-level bookstore, fairy tale murals, storybook garden and cafe. Tip: the elevator ride is a unique surprise!

Another must is **The War Memorial** and its rolling back lawn, public garden and Les Braves II sculpture.

If you'd like to include some history in the day's activities, plan a visit to **Ford House**. Adults and children alike love exploring Bird Island. Tip: Count how many turtles you can spot on the fallen tree trunks in Ford Cove on the south

From top, **Coreander's Children's Bookshoppe**; **The War Memorial**; **Bird Island**; picnic on **Ford House grounds**

side of Bird Island. Other favorite sites are **Josephine's Playhouse** and the gardens and grounds, where families are invited to picnic. Older children will love touring the historic house and the exhibit at the **Visitor Center**.

EXPERIENCE

Mack Avenue in the Woods is home to two iconic animal organizations - **Lou's Pet Shop**, where visitors are invited to hold rabbits and pet the resident and free roaming tortoise, Holly, and **GP Zoology**, which promotes hands-on education through nature with its public programming and private events. GP Zoology is home to a sloth, Oliver, and a host of scaly creatures.

Further south on Mack, check out **The Storybook Boutique at The Lon Next Door**. The Boutique features storytime, soft play and special events with **Part of Your World Princess Co**. The pampering doesn't end with your little ones. Adults are also invited to enjoy some relaxation with a rotation of spa services.

From top, Donnie Cook, owner of GP Zoology; The Lon Next Door; Chocolate Bar Cafe; Bogart'z; Howlers and Growlers

EATS

We love a family-friendly restaurant for dinner! Some of our favorites include **Bogart'z** with its row of arcade games, **Howlers & Growlers** with its kids specials and wall of board games, and **The Bricks Pizzeria** with its all free arcade room.

Want to treat the family to a sweet treat? Step back in time at **Chocolate Bar Cafe**. The old-fashioned soda fountain features Detroit-made Guernsey Farms Ice Cream and Alinosi superfine chocolates and candies.
