Garska Speeds Aid for Meyer, Lanstra Families

Park President Leads Quest for Funds; Sum in 'Widow's Fund' Same

Alfred Garska, president of Grosse Pointe Park, Police Commissioner William Shoemaker, and other members of the Park council continued this week to direct their efforts to speed the payment of the legal compensation due to the families of Patrolmen Erhardt Meyer and Claude Lanstra, the two Grosse Pointe Park policemen killed in action by gangsters' bullets recently.

The compensation which the Park officials are assisting in the collection of, is to come from two sources, Insurance funds and the Workmen's Compensation fund as provided by State law. Their investigation is now concerned with the extent each patrolman was contributing to the support of the respective families and with this point ascertained in each case, to facilitate by reason of their official position the amount then found to be due to each family.

In the case of Patrolman Meyer, it is definitely known that his widow is without any means of support and full compensation is expected to be gained there, but in the matter of Patrolman Lanstra, there being no widow and his mother and father having means of support by reason of two other adult sons and a daughter, it is necessary to know to what extent Lanstra was contributing to their support before his death.

"There is no need of worry on the part of Park residents as to the future means of support of the Meyer and Lanstra dependents," said President Garska, "as Park officials, in this instance as they have in past and as they will continue to do so in future instances have pledged themselves to do everything in their power to provide for the families of patrolmen and firemen killed in service."

POLICE RADIO STATION HERE TO BE OPERATING JULY 1: VERNIER

Grosse Pointe's police radio station will be in operation by about July 1, Edmund C. Vernier, Township Supervisor, and member of the committee of police and village officials which was organized to obtain a license from the Federal Radio commission, stated early this week. The committee was effective in having its petition granted at a hearing in Washington and now awaits the commission's formal approval.

The operation of the station, however, will not be delayed pending the arrival of the official sanction, Vernier said, but will be pressed into service at the earliest possible date, which is expected to be about July 1.

The transmitting station from which the police reports will be broadcast to police scout cars on the streets has been completed. It is located at the rear of the Township hall, on Maumee avenue, near Roosevelt place. William A. Neff is to be in charge of the transmitting station.

SAMPLE PETITIONS

HONORABLE GROVER C. DILLMAN, STATE HIGHWAY COMMISSIONER, LANSING, MICHIGAN. DEAR SIR: The undersigned, being residents and/or taxpayers of Grosse Pointe Township, hereby petition for the following relief in connection with the proposed widening of Mack Avenue under assessment district road No. 489:

- 1. That the proposed widening of Mack Avenue be limited to a width of 120' throughout, instead of a central portion thereof being made 204' in width, as now planned and laid out. 2. That the special assessment district extend an equal distance on each side of Mack Avenue, rather than further into the Grosse Pointe villages than on the opposite side of Mack as now planned. 3. That because the widening and paving is not necessary at this time in Wayne County, and because the greater portion of the cost is to be borne by the taxpayers of Wayne County and Grosse Pointe Township, that the entire project insofar as it affects Wayne County, including the confirmation of the assessment roll, be abandoned, or if not abandoned, held in abeyance until the present business depression is passed.

Village "Nine" Rallies to Scalp Vapor Stove; Prepares for Sunday's Battle

By JOHN E. ALLARD

The Grosse Pointe Village Baseball Club annexed their annual game of the season from the Detroit Vapor Stove Co. by taking advantage of six untimely errors which happened particularly with Villagers' position to score. Figuratively speaking the two clubs divided the hitting honors evenly. However, Van Baesler delivered a very handy three-bagger in the second to rescue two of his mates who were waiting, from whence he registered one of Henie (Manush) Kaatz's three handy wallops.

Roche, left fielder for the Stove Company, duplicated this feat in the fifth inning, with his triple and none out. Miles immediately took the situation in hand by striking out Barnhouse and forcing Samuel James to hit weekly, and had two strikes on Mills. Miles, who has a habit of going through a contortionist act, preparatory to delivering his pitch, found the fleet Mr. Roche well on his way home before he could unravel himself, but fortunately his delivery was a perfect strike, and Mills, the batter, re-

came to the plate standing was forced fusing to swing his bat, as the runner to bunt, to prevent a casualty, fouled his third strike, then there was nothing more for Umpire Crandall to do but call the batter out.

Next Sunday the Village nine will play the Pennington A. C. Club of Detroit at the Neighborhood Club grounds at 3 p. m. Everybody come and get your baseball.

Safety Patrol Boys at Cadieux Awarded Honor Cup for Work

The Grosse Pointe Boys' Safety patrols under the direction of Patrolman Archie Cazabon have been quite active of late.

Last Thursday, the patrols were guests of the Detroit Automobile Club and Frank Navin, president of the Detroit Tigers, at a ball game at Navin field.

On Monday, Mr. Bristol of the Detroit Athletic club presented a silver cup and banner to the Cadieux school safety patrol for efficiency and faithfulness in line of duty. This is the second consecutive year that the Cadieux school has been awarded the cup and banner and is one of only two schools in the state to be so honored.

Again on last Monday, moving pictures of the several safety patrols and bus deputies were "shot" by the Punch and Judy News' camera man and will be shown at an early date at the Punch and Judy theater, Fisher road and Kercheval avenue, Grosse Pointe Farms.

Vernier Directs the Circulation of Two "Protest" Petitions

Edmund C. Vernier, supervisor of Grosse Pointe Township, today was mobilizing township forces in his active fight against the State Highway commission to prevent the widening of Mack avenue within the township limits. Arrangements were being completed by Vernier for the circulation of two petitions in the township. One is for residents and taxpayers of the district and the other for the owners of property fronting on Mack avenue, east of Cadieux road and within Wayne county and property owners within Wayne county at large.

Both petitions are to be presented to the State Highway commission as a formal protest against the widening proposition because of it not being necessary and because of the alleged injustice and unproportionateness of the tax assessments necessary to pay for the improvement. The burden of the tax assessments is to be borne by Grosse Pointe taxpayers, it was pointed out by Vernier.

Howard Colby, attorney for the township, and who is assisting Vernier in his fight with the Highway commission summarizes the widening proposition and its effect on taxes in Grosse Pointe as follows:

"The widening and paving of Mack Avenue, originated through the filing of petitions by property owners requesting the State Highway Commissioner to widen and pave the street under the Covert Act. The petitions were filed in the year 1927.

"A meeting was held in February 1929 at the South Lake High School, at which meeting the determination was made by the State Highway Department to make the improvement under the Covert Act. The improvement is made by the State and the entire cost assessed against the townships and counties through which the road runs and against the private property benefited by the road. In this case the assessment roll, as prepared by the State Highway Commissioner, estimates the cost of the improvement at \$5,946,000 and is paid for in the following proportions:

Table showing proportions: Wayne County 49.3%, Grosse Pointe Twp. 8.6%, Macomb County 9.7%, Lake Township 3.9%, Clinton 6.2%

and the assessment district affecting private property 21.9. This makes a total of 103.6%. It has not been explained why the figures given exceed 100%.

"The estimated cost was originally \$4,698,000, as expressed at a meeting held in February 1929. On April 4th, of this year, 1930, it was estimated as \$5,500,000. The special assessment district, as affecting the private property, extends a great deal further into the Grosse Pointe villages than it does into the City of Detroit.

Ferguson Players at Pillar Temple

The Pillar Temple team promised the show-going public a real treat in the presentation of the Ferguson Bros.

The Ferguson Bros. Co. is a company of real seasoned actors and actresses of sterling worth

A. C. Ferguson as Luther the old sexton gave a character impersonation that kept the audience in roars of laughter from start to finish

E. A. Ferguson as Rev. Frank Curtis gave a strong and masterful performance of the part that stamped him an artist of rare ability

Miss Gertrude Wood as Corine Blair won her audience from her first entrance and carried them with her through to the end

Miss June Nelson as Gussie Chandler was sweet and captivating and added greatly to the pleasing entertainment

Harry Nelson as Nick put a real kick into the part and furnished a lot of the comedy

We only wish we had the space to give each and every member of the cast the special mention they deserve

The Pillar Temple Team say that they are going to have the Ferguson Bros. Associated Players back with us again, here's hoping, for lots of us like to see the spoken drama in the flesh again

LIGHTS of NEW YORK

Avoid Women

When you hear the name, Fria MacDonald, you unconsciously think of the phrase, "photographer of men"

Men who make pictures of women make emaculated pictures of men, says MacDonald, and he will have nothing of it

Women, MacDonald claims, wear uniforms, while the men dress distinctively

Then and Now Hunter college, New York's college for girls, has advanced with the rest of the country since it was founded by Thomas Hunter in 1870

Every once in a while personal advertising columns in the New York newspapers carry an inquiry as to the whereabouts of anyone named Leavenworth

Helping the Poor One of the older girls provided as follows: "I have 71 pairs of trousers. They are to be sold to the poor, and the proceeds given to the poor"

Society Chatter The New Yorker has found this item of society chat in the London Daily Express

A Mistake Architects, whom I admire chiefly because they have the knack of figuring out in advance just where the hot water pipe will go in every one of 200 apartments in a building, do make mistakes sometimes

Hit by Conscience New York—Someone with a troubled conscience, sent approximately \$198 in two-cent stamps to the "conscience fund, City of New York, department of finance"

Big Tree Cut Stockholm—A giant spruce, more than 275 years old and measuring 125 feet in height, has just been cut down in Gasborn parish, in Vermland

Reins Choke Farmer as Bolt Hits Horse Strathroy, Ont.—Orville Wadell, thirty, a farmer in Adelaide township, was choked to death while plowing when a bolt of lightning killed one of his horses and caused the reins adjusted around his neck to tighten and strangle him

Vast Waste The area of the Sahara desert is over 5,000,000 square miles

Very Old Stuff Most of the stuff on exhibition is anything but original

20 COUNTRIES TOG WELL-DRESSED MAN

Walking Economic League of Nations Is Homo.

Washington—What will the well-dressed business man wear this summer?

London and New York haberdashers have their own answer to that question; geographically predicts he will wear the products of 20 foreign countries, more or less

"If bright national labels, were pasted on the pieces of masculine wearing apparel wholly or partly of foreign origin, the well-dressed business man would look like a trunk just returned from a world tour of the best hotels," says a bulletin of the National Geographic society from its headquarters in Washington, D. C.

The Matter of Hats. "Take his hat, for example. It may have been made in Italy, Ecuador or the Philippines. If it was made in the United States, the straw probably came from abroad, from Switzerland, Italy, China or Japan

His collar, a trim, gleaming collar that resists wilting, probably owes much of its stability to long staple cotton from Egypt

The silk of the necktie comes from Japan, of course; but if it is one of the cheap variety, sort of stiff, the kind that looks fine the first time it is tied, but the second, terrible the third, then it is probably loaded with tin from Singapore

Even His Coat. "His coat, his light summer coat of mohair, is Turkey's and India's and Ecuador's gift to America

The entangling alliances of this American's feet are indeed wonderful to contemplate

Now for a look in the business man's pocket. That fountain pen with a bright case of casein—where did it come from? From a cow, not an American cow, in all probability, but an Argentine cow, because in Argentina there is a smaller demand for milk for food than in the United States

The yellow pencil in the coat pocket has a lead of American or Mexican graphite, and paint colored by Rhodesian chrome yellow, bound by American or Argentinian linseed oil, and provided with a durable surface by lac from India, perhaps, or tung oil from far up the Yangtze in China, or kauri gum from New Zealand bogs

Paper of his pocket memo pad may be all-American; more probably it is Canadian. Cigarettes are doubtless of American tobacco with a pinch of Turkish tobacco from Greek Macedonia, too, it may be, and wrapped in cigarette paper from France

Man Has Right to Know Where Wife Is Evenings Oklahoma City, Okla.—Because Pledge Judge O. P. Estes believed a man has the right to know where his wife spends her evenings, he dismissed charges of assault and battery and disorderly conduct filed against Alfred G. Pickett

Ohio Woman Gets Ample Cash With Her Decree Reno.—Mrs. Helen Werner Catchings of Columbus, Ohio, granted a divorce on grounds of cruelty, receives a settlement of \$1,000,000, an annuity of \$100,000, and an additional \$50,000 a year for the children

Families Missed in School Census, Call Board of Education

Families which have not been enumerated in the Grosse Pointe school census by Friday of this week are asked to telephone the office of the Board of Education, Niagara 2000

Enumerators will have covered the entire district this week, according to present plans. It is possible, however, that they have missed occasional families, or have been unable to obtain information when the families were not at home at the time the enumerators called

By phoning in the names, places of birth and ages of the persons between five and twenty years in the families, residents will help insure the accuracy of the census

Helen Mason is Judged Best Girl Swimmer

The figure of a swimmer in gold, mounted on a marble base was the trophy presented by the Grosse Pointe High School Aquatic Club to Helen Mason judged the best all-around girl swimmer of the year

The club also donated fifteen dollars to the Honor banquet. The remaining funds will be used to buy rubber animals for the pool

"Dveil's Holiday" at Publix-Riviera

New roles for old! Nancy Carroll petite and charming Irish colleen who captivated old and young with her comedienne parts in "Sweetie" and "Honey," is seen and heard in an entirely new type of screen portrayal in "Dveil's Holiday," playing week of June 21st at Publix Riviera theater

In this picture of modern life in America's wheat belt, Nancy Carroll is the gold-digging manicurist who works hand in hand with plotting salesmen of farm implements in putting over their deals with unsuspecting farmer prospects

Much of the action takes place in a big hotel, the rendezvous for wealthy farmers and tricky city folks. Miss Carroll tries her bunco on Phillips Holmes, son of the wheat king of that region, and later regrets her shameful trickery when she discovers that he loves her

Thinking or Dreaming "A silent man," said H. H. Ho, the sage of Chinatown, "may often attain a reputation for thinking when he is only dreaming."—Washington Star

Mrs. Norman Meginnity entertained informally at luncheon at the Grosse Pointe Yacht club on Friday for Miss Marjorie Haight, of Alameda, Cal., who is the house guest of Miss Edith and Miss Winifred Wight at their residence on Lakeland avenue, Grosse Pointe. Mrs. Milby Lloyd was also in the party.

Mrs. John S. Newberry has issued invitations for a garden party at her home, Lake Terrace, Wednesday, for the pleasure of those who assisted in making Symphony Week, sponsored by the women's committee of the Detroit Symphony Orchestra, a success.

A frequent and attractive visitor in town is Miss Betty Reinhardt, of Spokane, Wash., who is the house guest of Miss Elinor Becker, daughter of Dr. and Mrs. Sigurd Becker, of Devonshire road, Grosse Pointe. Miss Elinor and Miss Betty were roommates at the Bennett School, Milbrook, N. Y. Miss Becker honored her guest at a dinner party in her home the other evening. A centerpiece of spring flowers, flanked by green tapers in silver holders, graced the table and about 20 members of the younger set were in attendance.

An announcement of interest to Detroit society was that made Sunday evening at the Grosse Pointe Yacht Club when Mr. and Mrs. Walter Thompson of Cloverly road, Grosse Pointe, were hosts at a dinner. It was at that time that the marriage, April 26, of Miss Margaret Truxell, daughter of Mr. and Mrs. Clyde Waldo Truxell, of Virginia Park, and John Hinsdale Thompson, son of Mr. and Mrs. Thompson, was announced. Only the immediate families attended the beautifully appointed dinner.

Mr. and Mrs. Forman Johnston returned home during the past week from their honeymoon to Bermuda. They are now domiciled in St. Clair avenue, Grosse Pointe. Mrs. Johnston will be remembered as the daughter of Mrs. Agnes Hedrick of Seyburn avenue, and Mr. Johnston is a brother of George O. Johnston.

"Lord Byron of Broadway" at Punch and Judy

"Lord Byron of Broadway," Metro-Goldwyn-Mayer all-talking comedy with music and Technicolor adapted from the novel by Nell Martin, will open at the Punch and Judy theater Sunday and Monday, June 22 and 23.

The picture is distinguished by big names of both stage and screen, the cast being headed by Charles Kaley of "Earl Carroll's Vanities," Ethelind Terry of "Rio Rita," and "Kid Boots," Cliff Edwards of "Ukulele Ike" fame and Marion Shilling, last seen in the screen farce, "Wise Girls." Supporting roles are played by Gwen Lee, Benny Rubin, Drew Demorest, Rita Flynn, Hazel Craven and others.

Inasmuch as the story centers about a song writer who later becomes a vaudeville matinee idol, the musical numbers play an important part in the production. That the songs are of a hit caliber is indicated by the fact that they were written by Nacio Herb Brown and Arthur Freed, composers of the popular "Singing in the Rain," "Wedding of the Painted Doll," and other first-rate melodies.

The story of "Lord Byron" concerns a handsome young song-writer whose attraction for women continually gets him into hot water. It is said the picture brims with hilarious situations but leads up to an emotional climax.
