Ed. Vernier Carries Mack Widening Fight to Lansing, Friday

A delegation of officials from the Township and the various villages were to join a group of residents, and under the leadership of Edmund C. Vernier, supervisor of Grosse Pointe Township, appear before the State Highway commission at Lansing, Friday, to formally protest the widening of Mack avenue within the Township limits.

On his mission to the State capital, Vernier will have in his possession petitions bearing the names of several hundred taxpayers and residents in the Township asking the State Highway commissioner to delay the widening because of its unnecessary and the current general industrial and business depression.

The petitions were circulated in the Township for the past five or six days under the direction of the presidents of the respective villages comprising the Township.

The major objection to the widening program in addition to its unnecessary, is the failure of the commission to apportion the assessment for it, equitably, the proposed assessments being so designated as to have the "lion's share" paid by the Grosse Pointe communities, particularly Grosse Pointe Village.

Ask for License

Residents in the Park should demand all canvassers and solicitors to obtain a permit or license from the Village clerk, Alfred Garska, president, stated early this week.

"Door to door canvassing is becoming a nuisance because of the large numbers of solicitors working in this territory and to stop this practice, residents should request these canvassers to show a permit from the Village clerk," President Garska said.

Tell President Garska you want a "Waterfront Park in the Park"

With the torrid summer weather gripping the district of late, Alfred Garska, president of the Park, has been besieged with requests from residents of the Park to do something to the end of obtaining a "Waterfront Park in the Park." This, Mr. Garska desires to assure the residents, is what he will gladly do and as a matter of fact is doing, but the Park President also expressed the principle that he must act in accordance with the will of the majority of the residents and it is on this score, that he urges residents in favor of a "Waterfront Park in the Park," to say as much to him in writing. It will be only by obtaining an expression on this subject from a representative number of residents that anything substantial can be done, President Garska stated. So write him, now.

JESSIE BONSTELLE SUCCEEDS IN CIVIC THEATER SCRIP CAMPAIGN

After nearly three weeks of intensive campaigning, the Detroit Civic theater closed its scrip-book drive for next season on Monday, June 16th, with satisfactory results. Acting upon the express desire of many of the workers, and following the advice of the committee, the sale of scrip-books will be continued during the summer and in the fall to better insure the future of the theater.

A permanent committee will be organized, similar to the committee for the Detroit Symphony Society subscription sales, and will function all the year around. The final report meeting on June 16th showed a rapid increase of sales over the previous meetings and the workers and chairmen agreed that they wanted to continue to work even though the preliminary campaign was over.

With this splendid and active interest on the part of the men and women of Detroit, Miss Bonstelle and the Trustees feel that the Civic Theater can go ahead and formulate its plans for the fall season. The theater will probably close for a vacation about the middle or end of July, reopening about the middle of September. Miss Bonstelle, Jefferson Webb, and Victor Kolar plan if possible to give a few outdoor performances of "A Midsummer Night's Dream" on Belle Isle, with the Civic theater in conjunction with the Symphony Orchestra. If this plan goes through, the definite announcement will be made later on.

MILITARY FORCES RE-ENACT BATTLE OF CHATEAU-THIERRY AT CHICAGO

A reproduction of the Battle of Chateau-Thierry, one of America's great battles on the Western Front in France, is the headline of the great Military Tournament and Exposition which opened today at Soldier Field, Grant Park, and continuing each evening until June 29th. Afternoon performances will be given on June 2nd, 28th, and 29th. "This will give residents of Chicago and visitors to the City a chance to see the greatest military spectacle ever witnessed in the

Middle West, if not in the entire United States," said Major J. W. N. Schulz, in charge of publicity for the Sixth Corps Area of the Army. The tournament will feature infantry, cavalry, artillery, tanks and aircraft in spectacular action and maneuvers, according to Major Schulz, while the exposition will display the arms, equipment and supplies of all branches of our Army, from the Revolution to the present time.

Compensation Due to Meyer, Lanstra Kin Expected Any Day

Collection of legal compensation for the Meyer and Lanstra families, dependents of Patrolmen Meyer and Lanstra, the two Grosse Pointe Park police officers killed by gangsters' bullets last month, is being delayed pending the report from State authorities as to the amount to be paid from the State Workmen's Compensation Fund, Alfred Garska, president of the Park, and who is directing the efforts to collect the compensation, stated this week.

"This report," said President Garska, "is expected daily and with its receipt, immediate steps will be taken to collect the compensation coming from Insurance funds."

The "Widow's Fund," started several weeks ago by Fred Sutter, president of the School Board, is at a standstill. "No efforts are being expended to increase the Fund, which now totals \$40," said Mr. Sutter, "as it has been thought advisable to know first the definite amount both families will receive from legal sources so that a definite amount can be fixed as the goal of the 'Widow's Fund.'" In having this definite goal, I feel satisfied that little or no trouble will be encountered in accomplishing it, as the contributions will be an expression on the part of the residents making them, of their appreciation of the heroic self sacrifice of these two Grosse Pointe Park patrolmen.

Frederick Walter Is Dead at 64; Native of Alsace-Lorraine

Frederic Walter, a native of Strasbourg, Alsace-Lorraine, passed away Saturday, June 14, at his home, 1262 Newport avenue at the age of sixty-four years after a long siege of Bright's Disease. He spent his boyhood and youth in Paris, receiving his schooling at the German Protestant parochial school. At the age of nineteen he immigrated to the United States, living in Cincinnati, Denver, and other cities until he settled down in Detroit twenty years ago.

In his earlier years he was a professional musician playing in a number of well-known bands. Later, he established connections with industrial concerns, being at one time superintendent of the Cadillac Motor Co. For a considerable number of years he lived in retirement.

Funeral services were conducted on Tuesday afternoon, June 17, with the Rev. Armin Haeussler, and members of Oriental Lodge No. 240, F. & A. M. in charge, interment taking place at the Mt. Elliott Lutheran Cemetery. He is survived by his widow, Mrs. Hermine Walter, his son Fred, of Dayton, Ohio; two step-children, Mrs. Paul Dearing, Detroit and Mrs. Irvin Miller, Louisville; a nephew, Fred Walter; and other relatives.

He was a member of Grace Evangelical Church.

GROSSE POINTE SOCIETY

By DOROTHY DEE

Of exceeding interest, Wednesday morning, was the wedding ceremony of Miss Florence Elizabeth Diegel, attractive daughter of Mr. William G. Diegel, St. Clair avenue, Grosse Pointe, and Mr. Arthur Jay Louwers, son of Mrs. Edward D. Pascoe. The Rev. John F. Dowdle, pastor, officiated at the ceremony which took place in St. Paul's church, Grosse Pointe.

Large clusters of daisies and white garden flowers against a background of palms and cydonium ferns adorned the sanctuary of the church and on the altar stood vases of daisies and stately candelabras.

The daisies were selected by the bride because of their being the flower of her sorority, Lambda Tau Delta.

Miss Diegel made a charming bride as she advanced to the altar. Her dress, which was of white satin, extended to the floor and had a train from the waistline in the back. Her tulle veil was caught to her head by orange blossoms and banded by lace. She carried a bouquet of roses and lilies of the valley.

Miss Helen Diegel, who attended her sister as maid of honor, wore white pointed d'esprit frock with short puff sleeves, with which she wore long lace mitts. The skirt was formed by petals which trailed the floor.

She wore a large white balli bunnet hat with daisies, white slippers and carried an armful of shasta daisies.

The bridesmaids, Miss Loretta Des Rocher, of St. Clair avenue, Grosse Pointe, Miss Kathryn Richley and Miss Alacoque Dantzer, both of Detroit, were gowned exactly like the honor attendant and carried the same flowers, the only difference in their costume being in the hats and slippers which were of yellow.

Miss Mary Virginia Gouin, niece of the bride, who assisted as junior bridesmaid, was dressed exactly like the maid of honor.

A brother of the bridegroom, Ralph John Louwers, attended as best man. Seating the guests were Charles Kotcher, Ralph Soden, Richard Tripp and Arthur Reichenback.

Following the ceremony, a wedding breakfast was served to the immediate families at the bride's home.

For going away, the bride chose a smart dress of dark blue printed crepe, with a dark blue coat and hat with accessories to match.

Mr. and Mrs. Louwers left for New York on their honeymoon. While there, they expect to meet the bride's brother, Leo Diegel, who is expected back from England where he played in the recent British Open golf championship.

Earl W. Douglas, son of Mrs. Estelle W. Douglas, of Grosse Pointe, has returned home from school, having graduated last week from Phillips Andover preparatory school. Mrs. Douglas is in order to be near her sons will move this summer to Washington, D. C.

Watkins Introduces Motion in Response to Residents' Plea

To bar adults from using the Defer school playground on Sunday and to restrict the use on weekdays, the School Board in a resolution introduced by Trustee John Watkins at its last regular meeting held Monday evening in the High School building, ordered the closing of the Defer playground all day Sundays and at 8 p. m. daily.

This was done in response to the demands of residents adjoining the playground who were represented at the meeting by a committee of seven and presented a petition containing seven counts relative to the "layout and use" of the Defer playground. The School Board's order, which was to be effective immediately, did not apply to the tennis courts at that location and consequently they will remain open on Sundays.

The petition of the residents, addressed to Dr. S. M. Brownell, superintendent of School, and signed by J. F. Edgar, of 1253 Balfour road, stated:

"On behalf of the residents adjoining the grounds of the Defer school, I am sending you this communication to be presented to the Board of Trustees at their next regular meeting.

"We petition that the following changes be made in the layout and use of the playground at the Defer school; (in summary)

1. Close playgrounds daily at 7 p. m.
2. Close playground all day Sunday;
3. Move fence line back and reduce to five feet in height; (fence is now seven feet in height);
4. Plant shade trees on playground to protect children from sun while playing;
5. Remove fence dividing recess yard from ball field making all of ground available for children;
6. Centralize play in field;
7. Install better drainage facilities, especially on Nottingham side of grounds.

(Signed) J. F. EDGAR.

Five of the committee of seven, present at the meeting consisted of the following: Mrs. Virginia Hemming, 1241 Nottingham road, Mr. and Mrs. J. F. Edgar, 1253 Balfour road and Mr. and Mrs. Thomas E. Richey, 1237 Nottingham road. The two remaining members were husband and wife, and the wife refused to permit the use of her name in connection with her appearance at the meeting and for that reason her husband's name is being withheld also.

The plea of the residents in making their demands, was as stated by their acting spokesman, J. F. Edgar, the following: "We are entitled to the enjoyment of our home and property and the use by adults and to some extent by the children of the Defer playground at 6:30 a. m. and at 8:30 p. m. daily, and anytime on Sunday is a disturbance and an annoyance to us and is akin to a nuisance and we want it abated."

Considerable discussion on the part of the various members of the School Board and on the part of the various members of the committee attended

Village nets 7 runs in one inning to Down Rivals, 7-5; Berger Club Next

By JOHN E. ALLARD

The Grosse Pointe Village Base Ball Club annexed another victory to their long consecutive string by combining five hits aided by three errors for seven runs in the second inning of Sunday's game, which was ample to subdue the Pennington Coal Company. Entering the last half of the second inning, Roy Marsack of Pennington was entertaining a nice four-run lead with apparently nothing to worry over as he had gracefully mowed down the top end of the Village lineup with considerable ease, and had two men away, when the local gunners put on the barrage. He was taken from the box after the score was tied and no one on base and Babe replaced him, without warming up.

The Villagers continued the barrage until they had attained a wide enough margin to emerge victoriously, except

for the single counter the Coal Heavers put across in the following inning. The two clubs both settled down and played listless ball behind some high class pitching, and neither side even threatened the tally station thereafter.

In addition to holding the enemy to seven hits, Johnny Desrocher was the leading hitter of the fracas, with three singles in four chances, his first one starting the landslide.

Next Sunday the Village Club will meet the C. F. Berger Club at Neighborhood Club Diamond at 3 p. m. Fans will remember last season the Berger Club put on a very interesting game here, and almost humiliated our boys, with the great Charlie Zahm in the box. This year Charlie is not with us, and regret to say he has given preference to business as a pharmacist. Success Charlie.

First Inning Penn — Paddock fouled to Smith. Tepper walked and took second on a passed ball. Burns doubled to left scoring Tepper. Burns was out stealing. Smith to Berringer. Grimshaw struck out. One run, one hit, no errors.

Village—Cole singled to right, and took second on a wild pitch. King struck out. Marsack threw out Crandall, Cole taking third. Grimshaw threw out Louwers. No runs, one hit, no errors.

Second Inning Penn—Van Baesler threw out Bender. Mendo struck out. Schulz was hit by a pitched ball, stole second and took third. Smith threw high. Gruce walked and took second, Smith refused to throw. Marsack tripled to left scoring Schulz and Gruce, and scoring (Continued on Page Four)

Merging Synods to Celebrate Anniversary

The congregations of Greater Detroit belonging to the Ohio, Iowa and Buffalo Synods which will soon merge into a new body known as the American Lutheran Church will unite next Sunday, June 29th, in the celebration of the 40th anniversary of the Augsburg Confession. This is the confession upon which the Lutheran Church was founded in 1530 at Augsburg, Germany and which has 80 million Lutheran adherents in the world today.

The celebration on Sunday will be an outdoor service and will be held at the Detroit Creamery Grove near Mt. Clemens. At the morning service, beginning at 10:30, the Rev. Prof. J. A. Dell of the Lutheran Theological Seminary at Columbus, Ohio, will be the speaker. At the afternoon service, beginning at 2 o'clock, the Rev. F. B. Hax, D. D., of Massillon, Ohio, will speak. A number of Lutheran pastors of Detroit and vicinity will be in charge of the services. A large mass choir, under the direction of Rev. R. D. Linhart, will sing at both services. The noon luncheon will be in the form of a basket picnic.

Byrd Polar Film at Paramount Theater

The daring flight of Rear Admiral Richard E. Byrd across the South Pole is only one of the feats of daring and heroism captured by the Paramount camera-man who brought "With Byrd at the South Pole," a thrilling picture of adventure, to the United States. The feature film, which will show at the Paramount theater, starting Friday, June 27, is a continuous drama, filled with adventure, humor, thrills and romance.

Maurice Chevalier at Riviera Theater

In "The Big Pond," his newest starring film, Maurice Chevalier becomes thoroughly "Americanized." His earlier films showed the former favorite of the Folies Bergere in the characterizations of a music hall singer, and of an ambassador extraordinaire in a mythical kingdom. But, the "Big Pond," playing week starting Saturday, June 28th at the Riviera theater, shows him as an enterprising "big shot" in a chewing gum factory. He starts "at the bottom" and gains prestige in the business through his novel advertising ideas.

The story deals with a young Frenchman who is employed as a tourist's guide for a group of Americans in Venice. Through the influence of some tourists he is brought to America to take a position in a chewing gum factory. He starts "at the bottom" and gains prestige in the business through his novel advertising ideas.

The Riviera's stage during the same week is resplendent with color and spectacle in a sparkling revue, "Sky-rocket Revels." The rotund comedian-star, Johnny Perkins, holds the spotlight in this production of syncopation hits.

"The Arizona Kid" at the Punch and Judy

"The normal human desire to see something different will always keep Western pictures popular." This, at least, is Warner Baxter's belief—and the man who scored such instantaneous fame with his portrayals in "In Old Arizona," and "Romance of Rio Grande" should certainly know whereof he speaks.

"Western pictures, providing care is taken to place them against the splendid scenic backgrounds throughout the West, can always bring something new, and different to the spectators—something that will temporarily carry them out of themselves, give them a new incentive and a new outlook.

With the advent of the Talkies the Western temporarily took a back seat; the difficulty of handling the then very temperamental and erratic sound recording equipment away from a studio was tremendous. But the ruggedness of the apparatus was steadily improved and today the engineers have perfected the durability of sound mechanism. Meantime, a veritable flood of letters from screen fans and theater owners descended on the producers, all demanding Westerns.

HONEYMOONERS HIT BY DAMAGE SUIT

Wedding Journey Is Full of Troubles.

Seattle.—Two young honeymoon couples who eloped from California arrived in Seattle in time to be served with summonses in a \$10,000 damage action—just 11 days after their double wedding at Reno, Nev.

All the way from Wheeling, W. Va., Albert A. Heimsch motored to Oakland to claim his seventeen-year-old bride, Sylvia. With him he brought his college chum, William B. Dawson of Pittsburgh, Pa., who was to have been "best man."

It was "love at first sight" when Davison met Sylvia's girl chum and the four decided to make it a double elopement and wedding.

Driving to Seattle on their double honeymoon to visit Heimsch's uncle and aunt, Justice of the Peace and Mrs. John B. Wright, the honeymooners were arrested by highway patrolmen at North Bend on request of authorities at Easton.

"We couldn't imagine why we were detained," Davison said, "and then we found that a car we passed Sunday had plunged off the highway immediately afterwards. We were supposed to be responsible."

In the car, which dived down a 30-foot embankment, were Mr. and Mrs. Joe Wilson, their eight-year-old daughter, Katherine, and Mr. and Mrs. John J. Cusworth, Mrs. Cusworth, Mrs. Wilson and her daughter were severely injured.

When authorities decided not to file reckless driving charges against the honeymooners they continued their trip to Judge Wright's home. The Wilsons and Cusworths, however, retained Attorney John J. Sullivan to bring personal injury actions against Dawson, owner of the car.

Beautiful Subway Is Goal of Paris Chiefs

Paris.—The municipal council of the "most beautiful city in the world" is growing worried lest the city fall short of its reputation due to the metro stations. They feel that subway stations be as handsome as any of the museums and monuments of Paris, and to that end they are talking of improving their underground stations by installing ornamental stairways, instead of the present cement and steel arrangement.

The local advertising agencies will doubtless rise in rage against this idea as the walls of the metro stations are coveted for displaying posters which extol the products of La Belle France. However, the council has a good chance of winning out in the end, as the Parisians are devoted to their city and extremely proud of its beauty, and probably will take this chance to enhance it.

Cat's Fur, Afire, Sets Entire Farm Ablaze

St. Omer, France.—The flaming torch of a scurrying tomcat, his fur aflame, caused the destruction of an entire farm here recently.

Warming himself contentedly by the hearth fire in the farmer's house, the cat was awakened by a spark which instantly set his furry body brilliantly afire. Crazy with pain, the little animal dashed out of the house into the adjoining barn, where he darted into the midst of a haystack, which immediately took fire.

The barn was soon a mass of roaring flames which were not long in leaping to the main dwelling. This building went up in smoke and flames in a short time and smaller adjacent structures went with it, completing the demolition of the farm.

Airmen to Photograph Capital's Traffic Jams

Washington.—Perplexed Washington officials have sought army air corps aid in solving the Capital's traffic and parking problems. Army airmen soon will soar over the congested Washington area photographing conditions as they exist in an effort to obtain data which will assist in re-routing traffic when new government buildings housing thousands of clerks are opened for business.

Henry's Lighter Works So Well It Burns Him

St. Louis, Mo.—Henry Humlinghouse, despite the thousands of jokes to the contrary, has a cigarette lighter that works. It works too well, in fact, for it set fire to Henry's coat sleeve and he suffered burns to his hand and arm, necessitating treatment at the hospital.

Not Worried

Morden, England.—Parrot disease brings no fear to the healthy centenarian parrot that has been a pet in the household of Mrs. Mary Martin for more than 50 years.

Lured by Bright Car; Wrecks It; Takes Life

Rochester, N. Y.—Pierre Decker admired a good-looking motor car. Leaping into an expensive roadster parked at his station, he drove it a short distance and crashed into an iron pole. Before spectators could reach him Decker shot and killed himself.

"True to the Navy" on Hollywood Screen

The new Clara Bow, singing and talking from the screen, and back to normal in weight, is the chief attraction on the Hollywood Theater screen four days beginning Sunday. Clara's latest talkie, "True to the Navy" introduces the famous "it" girl as a singing, taking and even dancing comedienne and she looks and acts better than ever before.

The story tells of a vamping soda jerker in a Pacific port town drug store who becomes entangled in her own affairs and almost loses the right man when he comes off the ship to claim her. Harry Green is the drug store proprietor and he gets off many unique comedy gags with his scintillating dialect. Frederic March is the hero and there are several other well known supporting players in the cast.

"True to the Navy" is chock full of fun, brimming with adventure and has thrills that are seldom found outside an out and out melodrama.

The excellent array of big time vaudeville acts for this bill include the Hess and Schultz Revue, a singing and dancing oddity, spiced with comedy surprises in which two men and two women furnish the entertainment; Laypo and Lee in a comedy skit, "How to Be An Actor, in Three Lessons" and Mary Haynes, the famous musical comedy comedienne and songbird in a presentation that is promised as one of the classiest this theater has ever offered.

The Hollywood Merry-makers, popular dance orchestra, will be heard in several new numbers and solos: Bob Clarke will conduct another "sing" at the organ and the short talking subjects include an "Our Gang" comedy and a Graham McNamee news reel.

As usual the Hollywood Theater will give away free two new Ford coupes or tudors, one on Friday and one on Saturday. As an added attraction on Friday night, the Ford Motor Co. is sending the Ford Dixie Eight (Silver singers from the Southland) and on Saturday the American Legion band will play a few numbers and also act as judges for the drawing.

Thursday, Friday and Saturday of this week the Hollywood Theater is presenting as an added attraction The Schmelling-Sharkey Fight. Pictures in sound showing the fatal "foul" and recording the "booming" of the mob.

"Furies" Thriller at Adams Theater

"Furies," the screen thriller coming to the Adams next Thursday, is a fine constructed drama, played superbly by a cast of rare excellence, and with an underlying "something" suggestive of brooding fate which is too intangible to grasp, but which exerts a potent spell over the audience.

Lois Wilson and H. B. Warner do some of the best work in their colorful careers in the featured roles. Miss Wilson is a woman seeking divorce in order to marry a man she believes cares for her. Warner plays the part of a stony-hearted attorney, in love with Miss Wilson. There is a murder, and many persons are suspected of being involved in the affair. The heroine's son, played by Byron Sage, is the moving reason for the final climax which is a startling surprise. He suspects his mother, and in desperation, to prove her innocence to him, she uncovers the real criminal.

The Adams vaudeville program on the stage promises a hilarious entertainment with the unique production, Mirror of Personality, a group of clever people presenting one of the most unusual and colorful acts on the vaudeville stage done in seven gorgeous scenic sets: The Four Eastons in "Fun in the Baggage Room" will bring a riot of laughs; Durand West and Dugand in one of the funniest acts of its kind, "Floradora"; The Three Belmonts presenting novelty marvels and other great Public acts.

"High Society Blues" at Punch and Judy

Janet Gaynor, dainty little audible screen favorite, comes closer to playing "herself" in her role as Eleanor Divine in "High Society Blues," Fox Movie-tone musical romance, in which she is co-starred with Charles Farrell than in any other picture she ever has made.

As the daughter of Horace Divine, enacted by William Collier, Sr., multi-millionaire, she lives in luxury and associates with the best society; and at the same time she is a distinct personality without a trace of "high hat" commonly found in such rarified social atmosphere.

And Eleanor, just as Janet in real life, prefers simple pleasures and activities to the more elaborate functions characteristic of wealth.

In addition to Farrell, others prominent in the cast of "High Society Blues," which will be seen and heard at the Punch and Judy theater next Friday and Saturday, June 27 and 28, include William Collier, Sr., Joyce Compton, Hedda Hopper, Louise Fazenda, Lucien Littlefield, and Brandon Hurst.

David Butler who made the first Gaynor-Farrell musical comedy, "Sunny Side Up," directed this production.

GROSSE POINTE SOCIETY

(Continued from Page One) Mr. and Mrs. William C. Dittman announce the engagement of their daughter, Hazel Marie, to Lawrence H. Werner, Jr., son of Mr. and Mrs. Lawrence H. Werner, of Berkshire road, Grosse Pointe Park.

The engagement was announced at a dinner given in honor of Mr. Werner Jr., on the night of his graduation from the Electrical Engineering school of the University of Detroit.

Miss Dorothy Bohan, daughter of Mr. and Mrs. Frank J. Bohan, 1043 Yorkshire St., left Tuesday to spend the summer at Camp Idyle Wyld, Three Lakes, Wisconsin.

Every summer the ranches out West become more popular with the fashionable set.

Mr. and Mrs. John W. Dyar of Lincoln road, are going out for the month of August to the H. F. Bar ranch in Wyoming as are their two sons-in-law and daughters, Mr. and Mrs. Percival

Bertillon Measurements

Jefferson Avenue Baptist Church

An unusual subject, "A Fair Mitre," is the topic of the morning sermon next Sunday at the Jefferson Avenue Baptist Church. Don't miss this exposition with its penetrating personal application. Eleven o'clock is the hour of worship. Invite a friend and come on time.

"Today" and "Tomorrow" are subjects of companion messages to be brought next Sunday evening and the week following. We believe ourselves to be alive always to the things of "today," therefore the message on this topic next Sunday evening should attract a fine congregation. Both subjects sound interesting. A one-hour gospel service is the order with the usual gospel song fest at the beginning. We start promptly at 8 o'clock.

Faith Lutheran Church

There will be no services at Faith Lutheran Church next Sunday morning June 29th. This congregation with about 25 other Lutheran Churches of the Ohio, Iowa and Buffalo Synods has dispensed with their respective morning services in order to attend a large mass meeting at the Detroit Creamery Farm Grove out Gratiot avenue, near Mt. Clemens. This day will be used in celebrating the 400th anniversary of the Augsburg Confession upon which the Lutheran Church was founded in 1530. The morning address will be delivered at 10:30 by Prof. J. A. Dell of Columbus, Ohio and in the afternoon at two o'clock Rev. F. B. Hax of Massillon, Ohio will speak. All are invited to bring their basket lunch and attend this open-air hill-side mass meeting.

The Sunday School will also be closed on this day and the parents are invited to bring the children to the celebration. Activities have been arranged for the children in the afternoon. Church services and Sunday School will be held one week from Sunday, July 6th at the usual time.

Dodge, and Mr. and Mrs. J. H. Alexander Jr. of Glen Head, L. I. Nancy and Douglas Dodge will accompany their parents.

Mr. and Mrs. W. Ledyard Mitchell, Mr. and Mrs. Hiram H. Walker, Mr. and Mrs. Harold F. Wardwell, Mr. and Mrs. Howard F. Smith, Mr. and Mrs. Witter J. Peabody and Mr. and Mrs. Lucian S. Moore Jr., all prominent Grosse Pointers, are all expecting to take their families out to this ranch during August.

Another popular place where a contingent of Grosse Pointers is going for August is the A Bar A ranch near Laramie, Wyoming. Mr. and Mrs. Frederic C. Ford with their daughter, Miss Virginia, and their sons Clifford, Walter and Alfred; Mrs. Roscoe B. Jackson, with her son, Franklin, who has been studying at Yale and the Richard Webbers, with their children, Jean, Mary and Joseph, are planning to make the trip in a special car.

Mr. and Mrs. Henry B. Joy returned today, after a motor trip through Yellowstone Park.

With the largest number of entries ever listed and visitors expected from Pittsburgh, Cleveland, Chicago, Milwaukee, Toledo, as well as from the clubs in this vicinity, the Grosse Pointe Hunt Club horse show will open Friday morning and continue through Saturday, bringing to a close the summer horse show season.

During the week-end several social affairs will lend additional gaiety at the club, including a luncheon Friday noon, a dinner dance that evening and a hunt

dinner Saturday evening for club members and their guests. A polo game Sunday will be the first of a series of handicaps to be played during the summer by local teams.

Among the clubs to be represented at the show will be the Rolling Rock Farm, of Pittsburgh, owned by Mr. Richard K. Mellon, who is coming to the show; Chagrin Valley Hunt club of Cleveland, South Down club of Toledo, the Milwaukee Hunt Club, the Metamora Hunt Club, Bloomfield Open Hunt Club, Detroit Riding and Hunt club, and the Grosse Pointe Hunt club.

Boxholders will include the following: Mr. and Mrs. Jerome H. Remick, Mr. and Mrs. James H. Fliin, Mr. and Mrs. E. B. Henry, Mr. and Mrs. D. M. Ferry, Jr., Mr. and Mrs. William P. Harris, Jr., Dr. and Mrs. Fred T. Murphy, Mr. and Mrs. E. S. Nichols, Mr. and Mrs. James S. Holden, Mr. and Mrs. Jere C. Hutchins, Mr. Bernard Hopper, Mrs. T. R. Donovan, Mr. and Mrs. Howard F. Smith, Mr. and Mrs. J. Deane Rucker, Mr. and Mrs. Joseph B. Schlotman, Mr. and Mrs. Charles B. Warren, Mr. Charles D. Pierce, Miss Margaret Hendrie, Colonel and Mrs. F. M. Alger, Mr. and Mrs. Harold Palmer, Mr. Henry Ledyard Jr., Mr. and Mrs. Walter O. Briggs, Mr. and Mrs. F. J. McDonald, Mr. John D. Humphrey, Mr. and Mrs. John S. Sweeney, Mr. and Mrs. William Hendrie, Mr. and Mrs. Harry Bullock, Mr. and Mrs. E. P. Hammond, Mrs. S. L. Depew, Mrs. Ralph Gilchrist, Miss Ella Henry, Mr. Clark C. Wickey, Mr. and Mrs. John C. Grier, Jr., Mr. and Mrs. Paul H. Deming, Mr. and Mrs. John W. Dyar, Mr. and Mrs. Sidney T. Miller, Jr.,

Mr. Charles H. Oshei, Mr. and Mrs. C. H. Ainsworth and Mr. and Mrs. Walter J. Judd.

On Monday Miss Harriet Root returned to her home in Greenwich, Conn., after a few days' stay at the Whittier, having come on for the wedding of Miss Olive Ann Brown and Thomas Cover III on Saturday, Friday, Mrs. Gerald M. Sorrick (Mildred Parker) entertained at luncheon for the pleasure of Miss Root.

Miss Phoebe Root, who accompanied her sister, will remain for another week as the guest of Miss Shirley Ewald. To compliment the visitor Miss Ewald gave a luncheon at the Bloomfield Hills Country club on Friday.

Mr. and Mr. Burt Eddy Taylor have leased a ranch home at Valley Ranch, Wyoming, for the summer. Mrs. Taylor and her children, Miss Lydia and Burt, Jr., are now touring Yellowstone National Park just prior to the opening of the park for the season.

On Friday Hon. Charles B. Warren and Mrs. Warren with their son, Charles B. Jr., and Robert Warren returned from Princeton, N. J. Robert Warren was graduated from Princeton university with honors. Charles B. Warren, Jr., has completed his second year at the Harvard Law School.

Following a week's visit with her son and daughter-in-law, Mr. and Mrs. John B. Ford, Jr., of Jefferson avenue, Grosse Pointe, Mrs. John B. Ford, Sr., of New York, left Monday for her summer home at McGregor Bay, Canada.

Watkins Introduces Motion in Response to Residents' Plea

(Continued from Page One) The consideration of each count in the petition. While no definite course of action was taken by the Board on the last five counts, the removal of the fence line being held by the Board to be too costly and the other requests being already contained partially in proposed improvements of the playground, the committee seemed well contented with the Board's action in closing the playground on Sunday and the earlier closing hour on weekdays. Before the new order, the playground closed at 8:30 p. m.

The Board's action marked, at least temporarily, a cessation of hostilities between the School Board and the residents adjacent to the Defer school playground. These hostilities have been continuing for the past three years.

That there was no denying the committee in their demands and that they were prepared to fight to a finish to obtain them, is evident in light of the statement of Mr. Edgar, again, that legal counsel had been consulted preliminary to throwing the matter into court in an attempt to force the Board to act. State educational authorities at Lansing had even been consulted by the committee as to the righteousness of their action and demands.

Julius Berns, attending his last meeting as School Board trustee, sought to amend Watkins' resolution by making the closing hour applicable to all school playgrounds in the district, but his amendment being unsupported, was not acted upon. In the poll of the Board all of the trustees, including Fred Sutter, president of the Board, voted in favor of the closing order. Trustee Berns, however, choosing not to vote.

During the discussion, the School Board's attorney, William Fitzpatrick, was asked for an opinion as to the law pertaining to the use of school playgrounds in a district operating under the Rural Agricultural School act, an act under which the Grosse Pointe School District is operating. In his opinion, attorney Fitzpatrick stated that the law relative to the issue on hand contemplates a reasonable use of school property for community and recreational purposes and subject to be used by any or all residents in the district for such purposes.

As a result, the Board was clearly confronted with the question as to what constitutes a "reasonable use." In enacting the resolution that it did, the Board placed on the public records its interpretation of this "reasonable use" by excluding absolutely all residents, boy, girl or adult from using the playground on Sunday, even though that may be the only time all or any of the individuals have an opportunity to use same.

However, the feeling persists among the School Board members, possibly with the exception of Trustee John Watkins, the author of the resolution closing the playground, and who in his self declarations is rabidly and diabolically opposed to Sunday use of playgrounds, that upon protests from the residents and groups that now are excluded from the playground, the Watkins resolution may be abrogated.

WORLD OF LEISURE SEEN BY YEAR 2030

Lord Birkenhead Visions Amazing Progress.

London.—In a new and entertaining book entitled "The World in 2030," Lord Birkenhead, one of England's most original thinkers, plunges deep into the future with prophecies of a world so highly developed as to make the current state of affairs almost unbelievably backward and semi-civilized.

Lord Birkenhead forecasts the coming of a time when there will be a world with plenty of money for all, a world of boundless leisure, synthetic food at ridiculously low prices, weekend sking excursions from Europe to Labrador and Greenland, of the manufacture of artificial human beings, perhaps on the style of the Frankenstein monster, to relieve the burden of genuine humanity.

Synthetic Food Certain. "The perfection of the synthetic diet," Lord Birkenhead writes, "cannot be delayed far into the Twenty-first century; and when the first synthetic food factory begins to undercut the prices of naturally-grown food the doom of agriculture will be sealed. Synthetic foods will be much cheaper, more palatable, more various, perhaps more hygienic, than their natural predecessors.

"Therefore they will drive the products of agriculture off the market and ruin the farmers of the world. By the year 2030 synthetic bread, sugar and vegetable substitutes may be cheaper than water is today."

Lord Birkenhead says the world's development since 1880 has been so tremendous that if the progress continues at the same pace the exploitation of new sources of vast power is certain before the expiration of another century.

Points to Travel Possibilities. He points out that intramolecular energy may transform travel and transport and thus spell the end of the coal age as well as making possible air journeys at 400 miles an hour. He writes:

"The Himalayas are provided by nature with an abundance of waterfalls; capable, when harnessed, of generating vast supplies of electricity. It is probable that before 2030 an intensive industrial life will grow up among the foothills of this mighty range, drawing its life blood in the gorges and ravines of the mountains.

"By 2030 dirt will have disappeared from the ordinary man's experience. Chimneys, blighting vegetation and poisoning the atmosphere with their acid fumes, will be banished from industry. The machine shop and the foundry of 2030 will be as clean as any bakery or dispensary of 1930."

The author believes that in the next century the populations will live in vast blocks of flats, with communal refectories.

Montana Canyon Said to Hold Buried Fortunes

Helena, Mont.—The famous Sun river canyon may hold the secret of at least two buried treasures. The pioneer bandit sheriff, Henry Plumer, is said to have buried a large portion of the Wells-Fargo Express company loot near his Sun river honeymoon cabin. And now it appears an unknown bandit gang may have buried \$140,000 in gold within a few miles of the canyon mouth.

Conway Firkins of Fergus Falls, Minn., has come into possession of a map purporting to show the location of a lost treasure.

He said the map came into his possession indirectly from a man who claimed he was the last member of a five-man bandit gang which robbed a guarded gold laden stage in 1882 six miles from the mouth of Sun river canyon. Three bandits were killed, a fourth fatally wounded, and the fifth, according to the story, escaped with the loot which he later buried. To date, authorities have been unable to unearth any record of the holdup.

Boys Free Dog Catchers' Roundup of 19 Canines

Butte, Mont.—"Guess we might as well get that one too," said one dog catcher. "Sure, let's go," answered the other and the pair turned down the street after a slinking cur, deserting their pound wagon in which were 19 yapping, barking dogs all condemned to die unless somebody produced money for a license.

Eventually the weary dog catchers caught their twentieth dog and returned to the pound wagon, but it was empty.

Shrill shouts of juvenile dog lovers and the retreating forms of 19 canines told the tale. Brave little boys had opened the pen and released the captive animals.

Calf Has Two Faces, but Lacks Balance

White Sulphur Springs, Mont.—A little two faced calf on the William Crabtree ranch would be only too willing to trade one for a balance wheel. Apparently healthy in most respects, the animal was born without a sense of balance. Whenever placed on its four gangly legs it topples over. Incidentally, the two faces and almost two heads come in handy at meal time, as the calf can eat equally well with either mouth.

"Rich People" on Punch and Judy Theater Screen

One of the most pleasing announcements theater-goers of Grosse Pointe have received for some time concerns the return of Constance Bennett to the screen.

This charming and talented screen favorite, who retired from the screen three years ago to take up her residence in Europe, has resumed her interrupted career in "Rich People," a Pathe dialogue drama which is coming to the Punch and Judy theater on Tuesday, Wednesday and Thursday, July 1, 2 and 3.

"Rich People" presents Miss Bennett in an exacting role, since her moods throughout the picture range from light comedy to tense, poignant drama. In this difficult characterization she is said to do work of an exceptionally high order.

Playing with the talented Constance is a brilliant cast composed of such stage and screen favorites as Robert Ames, Regis Toomey, Mahlon Hamilton, John Loder, Ilka Chase, Wilson Bengt and Polly Ann Young. A. A. Kline is responsible for the screen story and dialogue of "Rich People," and it was directed by Edward H. Griffith.

Jessie Bonstelle Succeeds in Civic Scrip Campaign

(Continued from Page One) productions at a cost which makes the theater a part of the life of the children of workers as well as the rich; it permits children of talent to participate in the presentation of plays;

"Whereas: Investigations show that less than ten per cent of the children of school age have seen living actors upon an actual stage,

"Be it resolved: That the Board of Education go on record as endorsing the Detroit Civic Theater;

"That: The cooperation of the Board of Education and the teaching staff be assured the Civic Theater in its present Scrip-book Campaign and the further work of the theater;

"That: The usual machinery for co-operation be put in operation by the superintendent to give the present activity as much enthusiasm and support as is possible."

This is undoubtedly one of the most significant moves that has been made in regard to the Civic Theater in Detroit, and will open the way for enormous co-operation between the Board of Education and the Civic Theater next season and in the future.

In the plans for next season Miss Bonstelle includes the establishing of a Children's Theater, as soon as funds are available; the expansion of work with and for children of school age; bringing on more guest stars from New York, and presenting more elaborate productions; and touring more frequently in neighboring towns in Michigan. All this can only be accomplished however as she and the Trustees have said, by the active support of the citizens, for whom the theater exists.

Billie Dove Heard on Fisher Screen

Mingling comedy, drama, and mystery in succession, "Sweethearts and Wives" is now on the Fisher screen, one of the fastest-moving and most amusing light domestic dramas of the year.

Billie Dove, whose forte in her beauty, steps out of that role long enough to take the role of a French maid in a mysterious inn. Billie demonstrates another of her distinguished talents by speaking French perfectly throughout the first two reels.

Clive Brook adds to his laurels by giving a well nigh perfect characterization as an English detective who specializes in fashionable divorce cases. There is nothing of the air of the conventional Sherlock Holmes about him. He carries scene after scene by the sheer brilliance of his acting and his voice.

Sidney Blackmer, who is comparatively new to the screen, but however, well known on the stage, gives a highly convincing performance, adding much to the picture through a dominant personality.

Van and Schenk, that Pennant winning battery of Songland, head the huge Fisher stage show.

Village Nets 7 Runs in One Inning to Win

(Continued from Page One) himself when Louwers relayed to Berringer badly. Paddock singled to left, Louwers errored and the runner took second. Tepper was hit by a pitched ball. Burns flied to King. Three runs, two hits, three errors.
