## Graham McNamee To Visit Sport Shop

### Noted Radio Talker to Meet Public at 'All-American' Shop

Graham McNamee, renowned radio announcer, will appear in person at the All-American Sport Shop, located at 14409 East Jefferson avenue at Chalmers Saturday afternoon and evening, December 20, when he will give a public demonstration on the art of speaking into the "mike" in a special broadcast from the store. McNamee will make this appearance as a result of a personal invitation extended by Mr. Roscoe, manager of the Sport shop, the two men being personal friends for several years.

There is, beyond doubt, no one who has not at some time or other tried to visualize the activities in a broadcasting studio during a program. And there is still fewer who haven't formed some opinion or other regarding the appearance, the personality, and the announcing methods of the famous McNamee. Here, then, is an opportunity to observe all this detail for Mr. McNamee is coming for the express purpose of meeting personally at the All-American Sport Shop residents of Grosse Pointe who can possibly attend the affair. Naturally, there will be no expense involved.

### Notice!

The taxpayers of Grosse Pointe Township who have not received their current tax bills are asked to call the treasurer's office at Lenox 2177 and a bill will be immediately forwarded to them.

Mr. Roscoe made a flying trip to Chicago a few weeks ago to invite McNamee to Detroit. At that time the announcer was in Chicago to put the Army-Notre Dame football game on the air. He turned in a highly successful performance in describing the game but suffered a throat irritation as a result. Confining himself to his hotel room he left orders at the desk (Continued on Page Two)

### 10-YEAR SCHOOL BUILDING PLAN PROPOSED BY THE SCHOOL BOARD

Dr. S. M. Brownell, superintendent of schools in the Grosse Pointe district, prepared a revised program for the Grosse Pointe School district to be carried out during the next 10 years, and submitted it to the School Board, recently. The School Board acted on the program at a recent special meeting as related in adjoining columns.

The building program in full follows: "In October 1927 your Superintendent made a report indicating the need for locating school sites and erecting additional buildings to care for the rapidly increasing school population. Much study of the building and sites problem has followed since that time. "Early in 1928 a further report was submitted outlining more in detail a building program to care for the probable needs for the next ten years. This program was adopted by the Board of Education. Since the adoption of the report the District has grown but not as rapidly as during the years 1927-28. There appears no change in the ultimate future of the District than indicated in the report of 1929. While certain shifts in conditions allow and make desirable modification of the building program the problem of planning the sites and buildings remains with the Board of Education and the fundamental principles and assumptions of planning are unaltered.

Briefly, the major principles and assumptions are as follows: 1. Grosse Pointe school district will probably continue as a high class strictly residential community.

2. The citizens of Grosse Pointe desire a high grade educational system and school plant in keeping with the character of the district.

3. Schools should be located

- (a) Accessible to the children whom they will serve both at present and in the future.
(b) In good environment.
(c) With adequate grounds.
(d) So as to have enrollment sufficient for good educational organization of a economical organization.
(e) On the least expensive property well suited for the school in other respects.
4. Buildings should be built
(a) Of fireproof construction.
(b) With educational efficiency as the prime consideration.
(c) Architecturally in keeping with the community.
(d) In units which allow additions with a minimum of cost as the district grows.
(e) With construction of a flexible type which will allow changes in the building readily as education demands may change.
(f) With sufficient capacity in new buildings and additions to allow for growth in the enrollment for approximately five years before an addition needs to be made.
(g) In an orderly program which will foresee the needs of the district and provide buildings at the time when the need arises and avoid periods of no building, overcrowding with resulting periods of heavy building to catch up.
(h) Considering future appearance, maintenance, operation, insurance and other costs as well as immediate costs.

### "LIONS" TO FEED AND CLOTHE POOR FROM PAPER SALE, "GOOD-FELLOW DAY," THURSDAY, DEC. 18

Final plans have been made by the Grosse Pointe Lions club for the sale of a "Goodfellow Edition" of the Grosse Pointe Review on "Goodfellow Day" here next Thursday, December 18. Fifty members of the Lions club, assisted by the police and fire department personnel of the several Grosse Pointe Villages will take to the streets on that day and in the role of "newsboys" sell for as high a price as it is possible to obtain the special issue of the Review in the cause of charity.

Proceeds from the sale on Goodfellow Day will be directed to the Goodfellow Fund of the Lions club. During the year amounts are drawn from it to feed and clothe the poor and needy in the Grosse Pointe community.

In a letter directed to residents of the Grosse Pointe community this week, the "Goodfellow Committee" of the Lions club, consisting of Alfred J. Garska, Edmund C. Vernier, John Kerby, William Wiedbusch and Frank Flumerfelt, said:

"The Grosse Pointe Lions Club is again calling upon the Grosse Pointe Goodfellows to help put across the annual Goodfellows' Newspaper Sale on Thursday, December 18th. Last year a large amount was raised, all of which has been used for the purchase of food, clothing, shoes, and fuel for the needy in Grosse Pointe Township, and for furnishing medical aid to those in need thereof.

"Proceeds from the newspaper sale are used for relief of the needy in the Grosse Pointe district only. This is your opportunity to contribute to a fund expended in your community.

"Papers will be on sale between the hours of 8:00 a. m. and 1:00 o'clock on D

### School Board Plans Unit at Kercheval and Cadieux at Once

The Grosse Pointe Board of Education at a special meeting held last Thursday evening, passed a resolution to construct a new elementary school on Cadieux road, near Kercheval avenue, in Grosse Pointe Village.

Erection of the proposed school at that location is the first step in a 10-year school building program prepared by Dr. S. M. Brownell, superintendent of schools. The School building program is printed in complete form in adjoining columns of this issue of the Grosse Pointe Review.

Preceding the action of the School Board on the school building program, the Junior High school site on Audubon avenue in Grosse Pointe Park, was formally withdrawn as a designated site for a proposed Junior High school.

The School Board in another resolution adopted, stated that it considered that more land than necessary was owned by the School District at Cadieux road and Kercheval avenue for the purpose of an elementary school and recommended the sale of that part of the site fronting on Kercheval avenue which constitutes business frontage.

Fred Sutter, president of the School Board, in urging the adoption of the resolution providing for the sale of the property pointed out that approximately \$225,000 at a minimum or approximately \$600 a foot could be realized from the sale of the property.

This amount he stated would be placed in the Sinking Fund and would

## Football Fans Urged to Buy Army - Navy Radio Tick

In an effort to relieve the horrible conditions of unemployment throughout the entire nation, the Philco Radio corporation has launched a sweeping campaign, represented locally by the All-American Sport Shop, a Philco agency, by the distribution of "broadcast tickets" for the Army-Navy football game to be played in New York, December 13. The "tickets" cost \$1 to be remitted by check or money order only.

The contribution from radio listeners, for the purpose of listening to this great gridiron classic, itself played for the benefit of unemployed, will be turned over to the Salvation Army Relief Fund which in turn will be dispersed to the thousands of hungry and suffering unfortunates throughout the United States.

The game will be broadcast over the entire networks of the National Broadcasting company and the Columbia Broadcasting system with the three greatest sports announcers in the world at the "mike"—Graham McNamee, Ted Husing, and Bill Munday. Philco is sponsoring the program and for the privilege has paid the largest sum ever given for a broadcast. Fifteen thousand Philco merchants located in every part of the country are distributing the tickets to residents in their respective localities by means of which hundreds of thousands of dollars are expected to be given the Salvation Army Relief Fund for the relief of the jobless.

In this district, tickets will be distributed by Mr. Roscoe of the All-American Sport Shop, located at 14409 East Jefferson avenue at Chal-

mers. Coupons are also printed below. The remittance of one dollar (or more, if desired) can be either turned in at the All-American Sport Shop or sent directly to the Salvation Army Radio Fund in care of the Philco Radio corporation at Philadelphia, Pa. Contribution (Continued on Page Two)

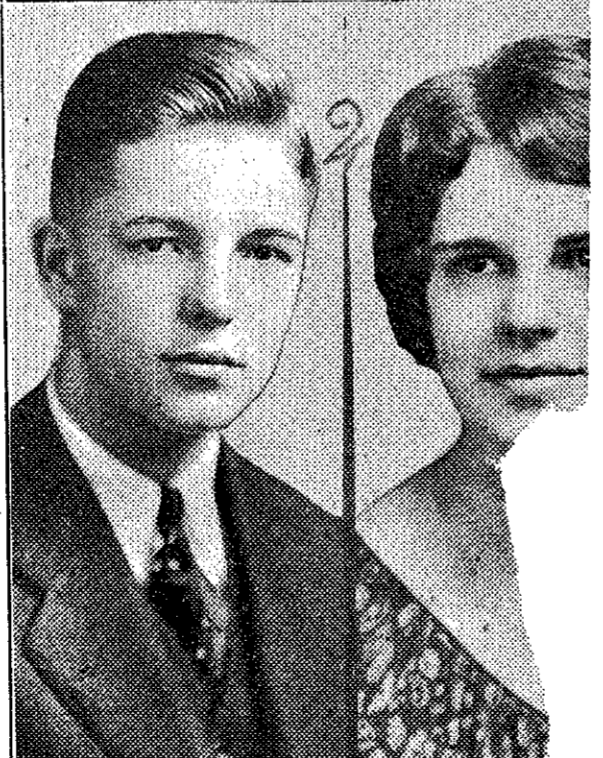

### Alumni, High Stage Basketball Game for Charity, December 23

A basketball game between the Grosse Pointe High school alumni and the present High school quintet will be played Thursday, December 23, at the high school gymnasium, the proceeds to go directly to charity. A preliminary game will be held between two teams of male teachers in the Grosse Pointe schools. Admission charge has been placed at 50 cents.

### Christmas Dance to be Staged by Alumni at G. P. High School

A Christmas dance will be staged by the Grosse Pointe High school alumni in the boys' gymnasium of the High school December 27. The admission price is set at 50 cents. Bob Cruzet's orchestra has been scheduled for the affair and dancing will continue from 9 to 12 o'clock. From the success of previous Alumni dances, the Christmas number is expected to supply an opportunity for another grand time.

## Famous Stars to Appear in Person at Michigan

During the coming season, some of the biggest stars of the stage, including the Four Marx Brothers, Moran & Mack, and others, will appear in person at the Michigan theater. Also special screen features, many of which were scheduled for long-run productions, will be shown on the Michigan screen.

The Four Marx Brothers, those very funny clowns of "Cocoanuts" and "Animal Crackers," will appear on the Michigan stage the week of December 12th. Groucho, Harpo, Chico and Zeppo will combine their jokes!

Moran and Mack, the "Two Black Crows" themselves, will be the stars of the Publix stage show for the week of December 19th. These famous artists are known the world over for their stage, screen, radio and phonograph records.

### "War Nurse" Attraction on the Michigan Screen

"War Nurse," which is now showing at the Michigan theater as a special screen attraction for one week only, is Metro-Goldwyn-Mayer's story of the woman's side of the war and presents one of the most realistic and romantic stories ever pictured.

Rivaling the story interest of "The Big Parade" and "All Quiet on the Western Front," which told of the heroism of men who fought and loved, "War Nurse" shows the part the women played in the titanic conflict. With broad effective strokes, Director Edgar Selwyn, the noted stage producer, has given the most interesting single film document to be compiled about the war.

Anita, Page, Marie Prevost, June Walker, Hedda Hopper, and Zasu Pitts play the leading women roles while their romantic partners are headed by Robert Montgomery, Robert Ames and Eddie Nugent. With this unusually large cast of big names, special attention is deserved by June Walker, playing Babs because it is the first talkie of this popular little stage star. Babs is a role which swings quickly from deft comedy to sheer tragedy, and Miss Walker is entirely adequate no matter which mood is being interpreted.

### Senior Girls Excited Over Deck Tennis

The deck tennis tournament, open to all senior high girls at the Grosse Pointe High school, is the cause of much heated discussion over what girl is to be the all-school champion, the possessor of a school letter and 100 points towards the newly organized Girls Athletic Association.

"It hasn't been that tourney," said Miss Dorris Tefft, physical education director. "Much friendly rivalry has been shown and it looks as though the girls are 'out to get' one another."

### Cantor in 'Whoopee' Hollywood Theater's Stellar Attraction

The talkies' most beautiful and uproarious farce, "Whoopee," and starring one of the stage's funniest men, Eddie Cantor, is the stellar attraction on the Hollywood Theater's screen. This gorgeous production, all done in color, represents the combined efforts of Samuel Goldwyn, and Florenz Ziegfeld, noted stage and "Follies" producer, and has been hailed as the most unusual achieved by the talkies.

Cantor, as the Hypochondriac who was "too sick to die," cavorts through this feverish romance of the wildest west, and unwilling victim of love at the hands of his nurse, played by the coon-shouting Ethel Shutta. Paul Gregory, the most handsome of Broadway's songsters, shares honors with Chief Caupolican, renowned opera and concert singer. George Olsen and his band set the rhythmic undertone to the piece and there are two score of Ziegfeld's hand-picked beauties in the dancing routines. However, it is Cantor and his inimitable comedy that is always prominent in these gay proceedings.

The Hollywood offers also a splendid supporting stage bill, with Little Peggy Eames, one of the original Hal Roach "Our Gang" movie starlets, appearing in person with her marvelous impersonation act and showing her talents along other lines. Revel Brothers and "Red" are a pair of dancing men and a pretty red-headed dancing girl, coordinating their talents in a lively act is another promising offering. Goody, Oro and Smith supply the bill's big laughs with their comedy skit that entails the services of "Tiger," an acrobatic bear that wrestles, fights and does other amazing and laughable stunts. Eddie Loughton and the Hollywood Merry-makers in new novelties and tunes and Bob Clarke at the organ complete this program.

Each Friday and Saturday the Hollywood gives away a Ford, each night at 8:45 p. m., and each Tuesday and Wednesday night \$300 in cash goes to lucky patrons.

Bathing suits made in the United States are gold in practically every country in the world, and have been shipped beyond the Arctic circle.

### Noted Poet Wrote "Abraham Lincoln"

It isn't very often that the script for a motion picture is proclaimed a work of art and given the rating of a great literary effort, yet this signal honor was paid to Stephen Vincent Benet, the Pulitzer prize winner and 31-year-old poet-author, who dialogued D. W. Griffith's "Abraham Lincoln," coming soon to United Artists theater.

Benet's script was termed no less than a great work of art in a voluntary paean of praise paid him by John W. Considine, Jr., executive production chief at the United Artists studios, and by numerous authors who flocked about Benet during his stay in Hollywood.

"It is by far the finest piece of work it has been my good fortune to read in all the years I have been in the business," said Considine. "It is the perfect scenario."

### "Truth About Youth" on the Fisher Screen

Lovely Loretta Young heads a splendid cast in the motion picture version of the well-known stage success, "When We Were Twenty-One." "The Truth About Youth" is the name of the production which stars such well-known screen actors as David Manners, Conway Tearle, J. Farrell MacDonald, Harry Stubbs, Myrna Loy and Yola D'Avril.

"The Truth About Youth" presents something new in the way of a situation. Phyllis the daughter of Dick's housekeeper is madly in love with Dick. The latter does not know this but thinks that the girl loves the "Imp" whose name is also Dick, and is just returning from college. The "Imp" becomes infatuated with Kara, a night club performer and when Dick's housekeeper finds a compromising note in the house signed Dick, he claims it as his own. In the meantime the "Imp" has married Kara. Dick, in order to carry out the idea that the note was sent to him pays Kara to simulate love for him and a fight ensues between the two Dicks. The "Imp" learns the truth and also that Kara has given him up for the promiscuous gambler boy friend and he tells Phyllis the entire truth. This leaves Phyllis free to declare her love for Dick whom she has always loved and who has always been in love with her but dared not think that his suit would be successful.

### New Bargain Prices Popular at Mad

The new bargain price policy, which is now in effect at the Madison theater, is proving very popular with Detroit movie goers. Admission prices are the same for Saturdays, Sundays and holidays as prevail during the weekdays. Twenty-five cents is the matinee admission every day from 10:45 a. m. to 6 p. m. Thirty-five cents is the evening price from 6 p. m. until closing. Children are admitted for ten cents at all times.

There are three changes of program weekly at the Madison. The screen feature, which is augmented by talking shorts, subjects of a comical and musical nature and the latest talking news events, are changed every Sunday, Wednesday and Friday.

### 'Whoopee' With Eddie Cantor at the Riviera

Launching their newly-formed partnership with a production of unparalleled magnificence, Samuel Goldwyn and Florenz Ziegfeld jointly present the renowned comedian, Eddie Cantor, in a picturized "Whoopee," based on the famous stage success which ran for over two years on Broadway.

Eddie Cantor's screen comedy-riot is based on that uproarious farce, "The Nervous Wreck" which later became "Whoopee," is the Publix Riviera screen attraction for the week starting Saturday, Dec. 6th. Cantor, as the hypochondriac who was "too sick to die," cavorts through his feverish romance of the wildest west, an unwilling victim of love at the hands of his nurse, George Olsen and his band set the rhythmic undertone to the piece.

The outstanding note of the picture after Eddie Cantor has his say, is Girls Never in Hollywood's rather girl-conscious history has a group of young ladies been selected with such meticulous care,—face, form, costuming, all combine to give a resplendent and decorative femininity an eye-filling display that pales even the most ambitious of the girl-glorifying "Follies."

### Marlene Dietrich Makes Movie Debut in Feature at Paramount Theater

A new screen star will make her American movie debut in "Morocco" which is coming soon to the Paramount theater. Marlene Dietrich, who is called the German sensation, is the young lady of the film who is cast opposite Gary Cooper in this story of the French Foreign Legion.

at the request of Sternberg, who, while she was appearing on mail stage. Without usual and customary signed her to a P. and east her opinion in the U. F. A. "Blue Angel." Here is an outstanding naturally rushed her gain Hollywood.

That a movement is under way to  
make an alumni game between the  
University of Detroit and the Univer-  
sity of Michigan an annual affair was  
hinted by Garska in his promise to do  
all in his power to bring that about.  
In last Thursday's game, the Detroit  
University grads won, the score being  
12 to 0.

The football played by the alumni  
was just the opposite of that employed  
by the university teams during the  
season in that the Wolverines lacked  
punch in the scoring zone and the Tit-  
ans displayed a versatile offense to  
obtain their two touchdowns.  
A long pass, from Ray Murphy to  
O'Leary, accounted for the first touch-  
down in the opening period. In his  
heyday as a Titan halfback Murphy  
usually was on the receiving end of  
passes, but Thursday morning he un-

leashed one that caught Michigan by  
surprise and O'Leary raced to the goal  
line unmolested.  
Later in the game Michigan marched  
goalward and seemed for a score that  
would tie the count. But the drive  
failed when the Titans held for downs  
one yard from the final stripe.  
Whatever chance the Wolverines had  
of victory vanished early in the third  
period when "Minnow" Harrington  
skirted his own right end for 10 yards  
and the final touchdown.

We are selling the marvelous new

**PHILCO BABY GRAND**

NOW right off our sales floor at  
the unbelievable price of  
**\$49.50** Less Tubes

This is the most amazing radio value offered since man learned how to take voices and music out of the air.  
It's not a toy nor a midget radio set, but a full-toned, distance-getting, 7-tube screen grid receiver, with electro-dynamic speaker enclosed in a fine walnut cabinet—the little wonder of the radio world.  
We want you to see and hear for yourself. You'll be delighted at the demonstration of the PHILCO Baby Grand—its beauty, its selectivity, its full rich tone, its reception, its accurate station control. It has all the features of the big sets in a compact radio only 16 inches wide by 17 1/2 inches high. There's no reason to say, "I'll wait 'til I can afford a big one." Remember Napoleon, Grant and David of Bible times were little fellows who did big things. You can't judge by size. The PHILCO Baby Grand will fill any radio demand you may make. Besides, it fits anywhere, just as its price fits any pocketbook. Don't deprive your family of this rare treat a day longer. Come in today while we still have them. Philco is the fastest selling radio in the world. That's why we urge you to buy at once. Tomorrow you may have to wait for another shipment.
