

BINGAY TO TALK AT HIGH SCHOOL

Grosse Pointe High School Graduation Exercises Held Under Blue Skies

By K. KILBRIDE

Joyfulness and solemnity were the two emotions which ran through the graduation last Thursday night, June 18, of Grosse Pointe High School's largest class. An outdoor occasion this year, the program took place on the lawn in the immediate front of the building. Approximately 1,000 seats were placed there in the form of a half circle and arranged so that all of the parents and friends, as well as the 136 graduates, had a good view of the platform which was across the main entrance of the school.

After the Processional-March from "Athalia" by Mendelssohn, which was played by Marion Morris, Dr. M. Luther Canup gave the invocation. Dr. Canup prayed to God that He might shower His blessings upon all who had helped to make the graduation a reality. The close of his fervent prayer saw the stage taken over by Cecil Bailey, Ralph Deuster, Edward Taube, and James Watson, four graduates.

They sang "Jolly Fellows" by Rhys-Herbert. Eugene Trombley then made "A Plea for Character," in which he showed the influence of the school in the growth of character. "The primary function of the school," he said, "is to develop the mind of the student rather than to cram it with knowledge. Character is a growing, not a stable thing," he continued, "and must be guarded and formed."

Mr. Trombley used typical cases to show how character changed in school life because of student opinion and pressure. A vocal solo "O Dry Those Tears" by Saunders was then given by Donald Bliss, who thrilled his audience with his deep voice. Martha Clise followed Mr. Bliss with a speech entitled "Activities and Learning." Miss Clise gave the advantages of a small school as against those of the large school in the city, where the teachers are hampered by lack of time and large classes.

"Students of a small school," she said, "have the advantage of companionship. The answer to the problem of making the city school fun for the student is extra-curricular activities," concluded Miss Clise. "Growth Through Participation," was the subject of the last graduate's speech by John Stone. The part played by students in school management and the system used at the High were summarized by Mr. Stone. The Boys' Quartet again proceeded to the platform and sang "Night Upon the Water" by Roeder. Then John R. Barnes presented the class to Dr. S. M. Brownell who gave out the diploma. (Continued on Page Four).

Grosse Pointe Polo Team Was Defeated Sunday Afternoon

In a fast polo game played on the L. A. Young Field, Nine Mile and Southfield roads, Sunday afternoon, Gold Hats defeated a Grosse Pointe team, 9-5. This was a game played for the consolation trophy in the Southwick Memorial tournament.

Irving Kaufman and Volney Bayley did all the scoring for the winning team Bayley counting five times and Kaufman four. Perry Williams and Moe Lightman of this team played fine defensive polo though neither scored. For Grosse Pointe Dutch Evinger tallied twice. Kent MacGregor and Joel Dobbs each scored once. The Grosse Pointers received one goal by handicap.

A large crowd saw the interesting contest which was refereed by Harold O'Neill and Alf House. Before the game there was a polo pony contest which was won by Volney Bayley riding Slip On.

Mrs. Alger Was Hostess To D. A. R. Chapter

Mrs. Russell A. Alger was hostess Friday afternoon at a garden party at her home on Provencal road for the members of Louisa St. Clair Chapter, D. A. R. Guests strolled about the grounds admiring the new herb garden which is a recent innovation and the beautiful colors of the Canterbury bells, larkspur and foxglove.

At the tea table, which was set inside, Mrs. Truman H. Newberry and Mrs. Henry B. Joy presided while Mrs. D. Dwight Douglas and Mrs. Russell A. Alger, Jr., assisted.

Among the guests were Mrs. Louis J. Flint, Mrs. Fletcher H. Field, Mrs. Charles E. Swales, Mrs. Winthrop Fuller Victor, Mrs. Paul Hale Bruske, Mrs. Lloyd DeWitt Smith, Mrs. Thad S. Varnum, Mrs. Ro DeHart, Mrs. William B. Lowe, Mrs. John Jacob Lamb, Mrs. Gordon K. MacEdward, Mrs. Emma A. Fox, Miss Mrtle Babcock, Mrs. Edward W. Stoddard and Mrs. Charles H. Mooney.

Pointe Republican Women Discuss New Deal At Meeting

By K. KILBRIDE

"To clean out the White House will be our task next fall, for we must keep America a self-governing democracy." So spoke Mrs. Edwin Kriehoff, who presided at the last regular meeting of the Grosse Pointe Women's Republican Club, held last Wednesday, June 17, at the Neighborhood Club. In her speech Mrs. Kriehoff pointed out that the people today would do well to imitate the first founders of our liberty, in their love of the Constitution and independence.

"We know we are headed for stormy times," she concluded, "but this fact should hold no more terror for us than did the sailing of the seas by our forefathers. We have everything necessary for the subduing of these storms. It is up to us to take them in our stride."

Following reports by the secretary and treasurer, Mrs. John M. Stalker spoke. She gave figures to show that there are 13,000,000 women in this country who have the right to cast a vote in the coming election. "If only 60% of this number," she said, "were to vote Republican next November, Landon could be sure of the chair. The women of America," continued Mrs. Stalker, "little realize the power that is theirs. Both parties, recognizing our strength, are looking anxiously for our support."

Mrs. Stalker concluded by saying that the women of the country could, if they would, elect Landon.

Reports by the majors and committee heads on the results of the precinct "anti-New Deal canvas" were next given. All of these reports were favorable, the Republican ticket winning by a majority in most sections.

Mrs. Kriehoff then introduced William B. Cudlip, author of "Steady America." Mr. Cudlip reviewed the national history of the Republican party, showing its gradual growth to the organization it is today. "The problems and situation today are the same as those at the time of Lincoln," he said. "Our party has always recognized the constitution and has always sought to be liberal," concluded Mr. Cudlip.

The remaining majors then accounted for their work in the various sections. Mrs. Truman H. Newberry closed the meeting by voicing a plea to have personal, neighborly gatherings during the summer to keep the spirit of "thinking, talking, and acting for Landon" alive.

A man dug a well in Oregon recently and now when he needs hot water he draws it from the well.

Hoboes will support Roosevelt only if a third party isn't organized.

Is Your Dog Licensed?

After repeated appeals for the co-operation of residents in which they have been requested to work with the officials of the Grosse Pointe communities, have their dogs vaccinated or immunized against rabies and secure a license for the animals, police authorities are about to start an intensive drive to insure the immunization and licensing of all dogs owned or harbored in the City of Grosse Pointe. Beginning July 1, court complaints will be filed against the offenders who have failed or neglected to comply with the law by such time, April 1st being the date dog licenses are due. City residents are again reminded that, as a matter of convenience a registered, competent veterinarian is on hand at the police station, 47145 Maumee avenue.

Coast Guard Service Becomes a Reality

Saturday, June 20, 1936, saw the culmination of an idea which originated several years ago, and which became a fact with the arrival of C. G. 192, a seventy-five foot Coast Guard vessel in command of C. P. O. Richard L. Birn, who received the ship from the pilot who brought it to Trenton, Mich., from New London, Connecticut. That the ship is now here is due to the untiring work of Congressman Clarence J. McLeod, ably assisted by Congressman Louis C. Rabaut in getting the enabling Bill, H. R. 12484 unanimously adopted. It was then taken up in the Senate by Senators Couzens and Vandenberg, who were given great support by Senator Copeland of New York. The local committee, consisting of certain municipal officials augmented by the appointees of Commodore H. S. Walker, Edison Boat Club and Chairman of the D. R. Y. A. whose committee, including Commodores Sheldon, Slocum and Puddiford were responsible in the greatest for some extremely hard and difficult work in securing the passage of the Bill. Commodore Sheldon having made several trips to Buffalo, Washington and New York in connection with details therewith.

Residents of the City of Grosse Pointe are being urged to take advantage of the present low prices of covered metal rubbish containers, and secure these articles as needed prior to July 1, after which it is expected that an increase in price will prevail due to the increase in price of steel. City officials have urged the purchase and use of these containers as a matter of fire prevention, convenience and cleanliness about the premises. Then too, they have the added advantage of being fly proof and rat proof. Large size, corrugated, metal covered, galvanized containers may be purchased directly through the City Clerk's office at \$1.50 each. It is again urged that orders for these articles be placed before July 1, 1936, in order to secure the containers at the present low price.

City Residents Urged to Secure Garbage Cans

Residents of the City of Grosse Pointe are being urged to take advantage of the present low prices of covered metal rubbish containers, and secure these articles as needed prior to July 1, after which it is expected that an increase in price will prevail due to the increase in price of steel. Donald E. Holmes Appointed Local Packard Sales Manager

The Packard Motor Car Company is pleased to announce the recent appointment of Donald E. Holmes as sales supervisor of their Grosse Pointe store at 15205 E. Jefferson avenue at Lakepointe.

Mr. Holmes has been connected with the Packard Motor Car company for quite a number of years in all branches of the business and is quite widely known in Grosse Pointe. Why not stop in and renew acquaintances? Or, if you do not know Mr. Holmes, we are sure he would welcome your visit and would be delighted to tell you of the merits of the Packard, a car of exceptional high repute, of which he has a thorough knowledge.

Rabaut Addressed Congress on Proposed Coast Guard Station

The following is taken from remarks made by the Hon. Louis C. Rabaut of the 14th Congressional District of Michigan, from the Congressional Record of June 15, 1936:

Mr. Speaker, Ladies and Gentlemen of the House, the establishment of a Coast Guard Station on Lake St. Clair, Michigan, has not only the recommendation of the Acting Secretary of the Treasury but also such legislation is in accord with the program of the President.

A distance of 25 miles spaces the nearest temporary Coast Guard Station at Trenton, Michigan. Detroit with a population of 1,750,000 is second only in size as a Great Lake city to that of Chicago, which latter city has three life saving stations while Buffalo and Cleveland each have one.

Adjoining Detroit to the East are the four beautiful residential villages of Grosse Pointe—Park, City, Farms and Shores—which together with the Village of St. Clair Shores have a combined lake shore line of 15 miles. The United States customs office indicates a boat registration out of Detroit and this aforesaid district in the neighborhood of 15,000 and the necessity for such a station is readily apparent.

The Detroit River and Lake St. Clair are a recreational center for lovers of water sports and the records of drownings since 1931 are in excess of sixty persons. The passage of this legislation will be most deeply appreciated by the people of the fourth largest city in the nation.

Free Press Editor To Address Republican Rally Tuesday Evening

The Grosse Pointe Republican Club and the Women's Grosse Pointe Republican Club have made arrangements to have Malcolm W. Bingay, editorial director of the Detroit Free Press to address a meeting Tuesday evening, June 30, at 8 o'clock, in the auditorium of the Grosse Pointe High School, to which the public has been extended a cordial invitation.

Mr. Bingay has a wealth of information to reveal about Alfred M. Landon, the Republican candidate for President. This will be a wonderful opportunity to get first hand information about the man who was chosen as the outstanding individual of the hour, whose background is comparable to that of Abraham Lincoln.

A great deal of interest has been shown in regards to this meeting. It would be advisable to be on hand early in order to be assured of a seat, as a substantial crowd is anticipated.

The voters will have a serious problem to decide at the polls this fall and that is whether they are satisfied with the present administration, or whether a man of conservative, sound ideas would not be more practical at the helm of our ship of state.

Before you form your opinion be sure to hear Mr. Bingay's historical revelation of Alfred M. Landon.

Kerby School To Have Supervised Play Thursdays

The Kerby School, on Kerby road, Grosse Pointe Farms, will have supervised play at the school grounds every Thursday, beginning this week, from 10 a. m. to 4:30 p. m. and 6 to 8:30 p. m. Parents and children will welcome this opportunity for group play under a capable director which is being sponsored by the Grosse Pointe Board of Education.

The children of the vicinity are invited to participate. This should be one of the most popular spots on Thursdays in Grosse Pointe, under this arrangement.

Fresh Russian Caviar Now Available at Geo. S. Deets

The George S. Deets Fish Market at 15124 Mack avenue is pleased to announce that fresh Russian caviar is now available for their Grosse Pointe clientele.

The caviar is shipped by fast boats from Russia, and as soon as the boats dock the shipment for this market is transferred to planes equipped for the purpose, arriving here about five hours later, thus assuring fresh caviar for your table.

Refrigerator Service Company Successful

Duncan and MacNicol who opened a refrigeration service shop at 14927 Charlevoix at Wayburn a short time ago have made many friends in the vicinity because of their reasonable prices and their remarkable skill in repairing all makes of refrigerators. They have a background of many years of experience which is available to Grosse Pointe residents. Call them for prompt and efficient service.

Reduced Rates at Grosse Pointe Conservatory

The Grosse Pointe Conservatory of Music announce special rates for the summer months. Why not secure the best instructions when it costs no more than ordinary instruction. Every instructor has had specialized training and is highly qualified in their respective fields of endeavor. The school is under the direction of Charlotte W. Partello and is affiliated with the Detroit Foundation Music School, and its location is 14427 Mack avenue.

Special Sale of Ice Cream at Leach Drug Store

The Leach Drug Store at Charlevoix and Lakepointe is featuring Jumbo Ice Cream Sodas at a ridiculously low price on Thursday, Friday and Saturday of this week. And with any sale of ice cream a free coupon will be given which entitles you to a chance on a huge ice cream cake which will be drawn for Saturday evening. All coupons must be in not later than 9 o'clock Saturday night to be eligible. This is a splendid opportunity to get acquainted with the ice cream products handled by this enterprising drug store.

Job Registration Dates Set for Lochmoor Area

A representative of the National Re-employment Service will register unemployed residents of this vicinity Thursday from 9:30 a. m. to 3:30 p. m. in the Village of Lochmoor Municipal building, Major Howard Starret, State Re-employment Director, announced today.

A part of the United States Department of Labor, the N. R. S. registers men and women over 16 years of age who are seeking jobs and refers them to employers who have jobs to fill. The service is free of charge.

Residents of Grosse Pointe and Gratiot townships, including Lochmoor, may also register on July 8, 15, 22, and 29 if the number of registrations warrant an extension of the service, according to Major Starret. This area is under the supervision of the Wayne County District Office in Detroit.

"We established this itinerant service because we know it is inconvenient for many people in this area to travel to Detroit," Major Starret says. "Jules Deporre, village president, has co-operated fully with us in making this service available."

Referrals are made both to private industry and to public works projects including the P. W. A., Bureau of Public Roads, and 60 other Federal agencies. Applications are taken from both non-relief and relief persons for the following classes of work: office and professional, hotels and restaurants, domestic, craftsmen and skilled labor, and unskilled labor and construction.

"We do not promise employment," Major Starret says, "but we do all we can to help the unemployed find work for which they are best qualified."

This Federal job placement agency has sent 144,500 persons on jobs throughout Michigan since Major Starret's appointment last October. More than 27,000 placements were made in private industry including contracting jobs and the balance on the work relief and other Governmental projects, he says.

Interior of Felix Francois Beauty Salon Redecorated

During the past several weeks the Felix Francois Beauty Salon in the Punch and Judy theater building, has been undergoing a change. Mr. Francois has gone to a tremendous expense in the interest of his large clientele.

The entire interior has been completely redecorated, and the new colors blend favorably, which gives the salon a distinct appearance of newness. This is one of the most modern equipped shops in the vicinity, and beauty services of the highest type, and permanent waves of outstanding quality, nationally and internationally famous, are available at this salon. Mr. Francois is the creator of many new coiffure styles.

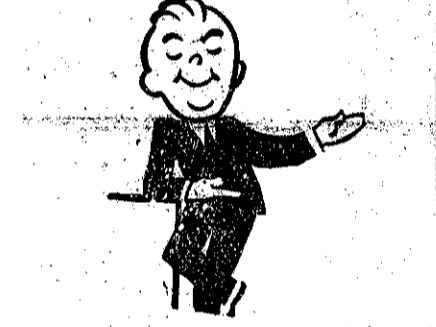

Conservatory Notes

First of Detroit Conservatory of Music's summer concerts, Ethel Little will present several of her piano pupils in a special recital Friday evening June 26, in Conservatory Hall. The public is invited.

News Digest

By JOHN SMITH

Jealousy is the foundation of the split in the Democratic party, some of the oldtimes would like to do a little dictating, don't you think.

Well the Tigers are getting a little fight back into their make up. A few battles like Sunday and Monday's with the Yankees and the Red Sox will soon put them up at the top where they belong.

Lacrosse that game of tossing the ball about in nets, doesn't seem to be the mild sissies game that so many think it is, judging from the manner in which Eddie Pringlemeier knocked out his opponent in last Sunday's game.

Buy American will again be the slogan of the American businessmen to stimulate interest in American made goods, as an aid to the unemployed.

Uncle Sam has just rounded up over a million dollars in gold which was being held by a Swiss company owned by German interests.

Ripley has located a father who is 96 years and is the father of a three week old baby, he has forty-eight grandchildren and twenty-four great-grandchildren, what a record, what a man.

Rioting and good time was had by all early this week in Paris, when factions opposed to government expressed themselves, as unfavorable toward the premier.

When women are arrested for speeding it seems that they smile and get their picture in the paper, wonder if a little punishment wouldn't do more good in reducing traffic accidents.

It appears as though Father Coughlin will retire as head of the National Union for Social Justice.

There were several deaths and numerous fights over the Louis-Schmeling fight.

In Grand Rapids they trade children for furniture at least that is what happened this week.

China is planning on sending out its missionaries to Confucianize the civilized world, and America is on the list.

Great Lakes Exposition Opens Saturday, June 27

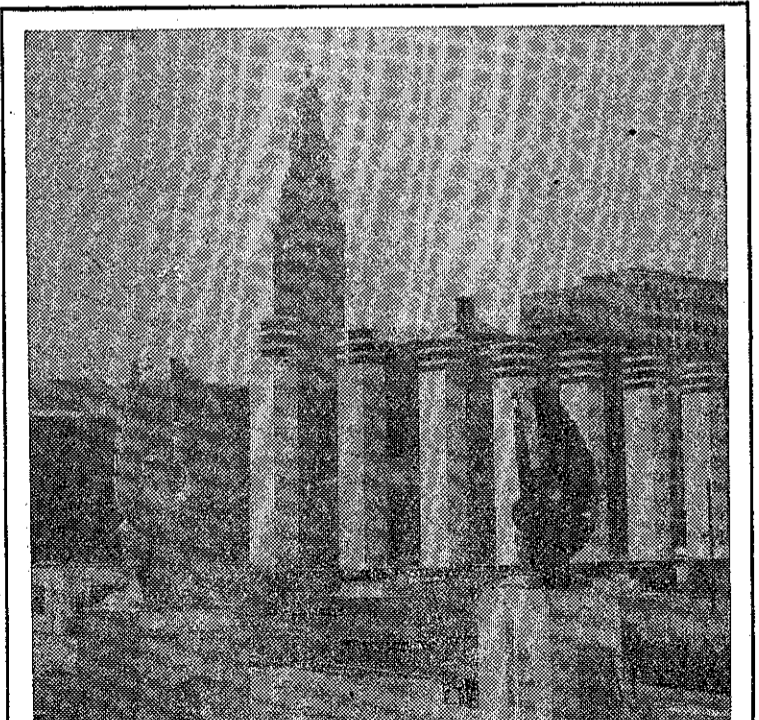

WITH bands playing, thousands of gay-colored pennants whipping in the lake breeze, and with massive exhibit structures shimmering in the sunlight, countless numbers of eager spectators will pass through the towering pylon-entrances of the Great Lakes Exposition when that gigantic 150-acre fair opens its doors on Cleveland's lakefront next Saturday.

Opening day activities at the fair, which celebrates Cleveland's hundredth birthday and one hundred years of progress in the vast trade empire of the Great Lakes area, will be given over to a panorama of colorful festivities and special events. Radio broadcasts in the afternoon and evening will bring to the nation the news of the opening.

At night, the huge Exposition will be a gorgeous fantasy of illumination. These lights will be turned on by the "man in the moon." As the rays of the moon flash on the "eye" of a powerful telescope, an impact of light will strike a photo-electric cell, which in turn transmits the impulse to switches controlling the lights.

For visitors to the Great Lakes Exposition there is a vast variety of free entertainment. From the huge orchestral shell, directly north of the fair's main entrance on St. Clair avenue, will come the melodious strains of concert music played by the Great Lakes Symphonic orchestra of 100 pieces.

Opposite the Plaza and inside Cleveland's beautiful Public Hall, scene of the recent Republican National Convention, will be the Exposition's Radioland. Here, in the largest broadcasting studio in the world, visitors will see and hear the greatest stars and acts on the radio networks. In the Municipal Stadium, the gorgeous Marine Theater built on

This shows the decorative Main Entrance of the Great Lakes Exposition at Cleveland, which will open on June 27 for 100 days.

the lake, and in the two main exhibit buildings, the Automotive Building and the Hall of Progress, visitors will find all types of free attractions, ranging all the way from sports to interesting, educational exhibits.

Following the winding roads that lead throughout the entire Exposition area, spectators will see the marvelous Court of Presidents, its sides lined with golden eagles dedicated to the presidents born in, or elected from, the Great Lakes states.

There is the Parade of the Years, a stirring pictorial drama of transportation, the beauty of the quarter-million dollar Florida State exhibit, the lure and excitement of the 40-acre amusement zone crammed and jammed with arcades, side shows, rides and marine concessions.

Further eastward and terminating the colorful Exposition Midway is the Streets of the World, a complete international settlement of thirty-six separate villages housing more than 165 buildings.

Rupp-Swink Vows Read at Church

The marriage of Mary Jane Swink, daughter of Mr. and Mrs. A. D. Swink, and Elmer William Rupp, son of Mrs. Carrie Rupp, was solemnized Saturday evening in Christ Church chapel. The Rev. Francis B. Creamer performed the ceremony at 6 o'clock.

The bride wore a gown of white lace and a finger tip veil. She carried a white ivory prayer book which was carried by her mother when she was married.

The maid of honor, Betty McCormick, wore a gown of peach chiffon. Mildred Swink, who was bridesmaid, wore purple chiffon. They both carried spring flowers. A yellow chiffon frock trimmed with Irish lace was worn by the flower girl, Suzanne Johnson. She carried a basket of forget-me-nots.

William Cameron Norvell, formerly of Detroit and now of Cleveland, served as best man, and the ushers were Hodson and Archer Swink, Jr., brothers of the bride; William F. Swink, Jr., and Fred H. McCormick, cousins of the bride.

Yeomen of the Guard Yeomen of the Guard consist of old soldiers employed on grand occasions in conjunction with the gentlemen-at-arms as the bodyguard of the British sovereign. These yeomen were constituted a corps in 1485 by Henry VII, and they still wear the costume of that period.

Cut-Throat Finches Cut-throat finches are so called because of the red streak across their throats. Spots on their shells account for the popular name of the leopard tortoise.

Size of Dog's Brain Immaterial

The size of a dog's brain, like that of a human being, bears no relationship to its intelligence. A small terrier with a brain weighing only 30 grams may even be more intelligent than a big St. Bernard with a 150-gram weight brain. But it is feared that, in the case of many toy breeds, centuries of breeding for beauty alone has so elongated their skulls that their brain tissues have almost disappeared.

St. John's Day League Outing Saturday and Sunday

International features will appear at the second yearly benefit festival of the St. John's Day League, opening Saturday at Edgewater Park, located on Seven Mile road near Grand River. Various national groups of the Old World will appear in costume at musical programs and dancing competitions at the festival, which is sponsored by 93 blue lodges in Masonry.

Masons in Wayne, Macomb, Oakland and other nearby counties are co-operating with the league to raise funds at the festival for the local Masonic Employment Association, for the Masonic home for the aged at Alma, and for relief work.

On the second day a Scottish concert will begin at 11 a. m., when the Highlanders Bagpipe Band of St. Andrew's Society will play under leadership of Pipe-Major John Carson.

Five silver loving cups will go to the winners of a Highland dancing contest scheduled for 2 p. m. Sunday, Kenneth A. Hull, general chairman, announced. Roy McGregor will direct the contest. A sixth trophy will go to the best dressed Highlander.

Featuring Saturday afternoon's program will be a Ukrainian chorus led by P. H. Sikorsky and an orchestra directed by Sam Milkovich.

In the athletic program arranged by Hubert Johnson and Arthur Hartwig, married men will be pitted against bachelors in a tug-of-war.

In softball games for girls, teams representing Bower Roller Bearing and Budd Wheel plants will play at 2 p. m. Saturday. Harmony Sweet Shop and Rays, two other feminine nines, will clash at 2 p. m. Sunday.

Dancing in Edgewater's semi-open ballroom will be continuous. Floyd Snyder and his Variety orchestra will play. The usual picnic games also will be provided for adults and children. Free parking grounds, for 8,000 cars, will be supervised.

The Edgewater Park busses will meet the Grand River street cars at Lashed road in Redford. Free admission to the park.

Federal Theater Plays Sold to Broadway

"I Confess," by William Beyer, now playing its last week at the Lafayette as a production of the Detroit Federal Theater, will be presented on Broadway next fall under the distinguished auspices of Lee Shubert. Arrangements for the play's New York production were being completed with Shubert today, M. W. Mountjoy, state director of the WPA Federal Theater in Michigan announced.

Beyer, a New York and Hollywood playwright, formerly of the scenario department of Metro-Goldwyn-Mayer, is now permanently attached to the staff of the Federal Theater here as director. Both productions of his play in Detroit were under his direction.

First word that Shubert had agreed to produce the play—a satirical piece on the "true story" confession magazines—came to Beyer from Hallie Flanagan, national director of Federal Theaters, who telephoned him from Washington that she had arranged the terms. Confirmation of the news arrived at the Lafayette Theater two hours later in a telegram signed by Shubert, which informed Beyer that preliminary arrangements to produce the play had been completed with Mrs. Flanagan.

Although the staging of "I Confess" under the Shubert banner compels the cancellation of four projected Federal Theater productions—two in WPA theaters in New York and one each in Los Angeles and Seattle—Mrs. Flanagan graciously released the play for commercial presentation.

Three other plays which had their premieres in Federal theaters had been taken up or are being considered by motion picture studios or Broadway producers. One of them, "A Woman of Destiny," by S. J. Warshawsky, has just been sold to the movies for \$25,000 and a share of the net profits.

SOCIETY (By K. KILBRIDE)

MRS. B. MASON LONG entertained at luncheon in her home on Kensington road, last Tuesday, June 16.

MRS. JOHN J. O'BRIEN has hosted at a tea at her home on Grosse Pointe boulevard, last Friday, June 19. It was in honor of her niece, Elizabeth Webber, and William Tost, whose marriage will take place this summer.

MR. and MRS. GLENDON H. ROBERTS, of Bedford Road, will take a group to the Old Club on their yacht, the Glori Bee, June 26 for the weekend. Their guests will be Mr. and Mrs. George E. Lackey, Mr. and Mrs. Ray E. Day, Mr. and Mrs. Joseph T. Reader, and Mr. and Mrs. Leigh B. Roberts.

MRS. JOHN P. FRAZER and her daughter Jane, of Washington road, returned home last Tuesday, June 16 after several weeks in the East.

MR. and MRS. WALTER SCHWEIKART, Jr., of Grosse Pointe Park, left last Wednesday, June 17, for a short stay in New York. They were to attend the Louis-Schmelzing fight and stay at the Park Lane hotel.

KATHLEEN MORRISON entertained at a surprise dinner party at her home on Washington road, Friday, June 19, to honor her parents, Mr. and Mrs. James E. Morrison on their wedding anniversary. The Morrissions' son, Robert B., is home for the summer from the Phoenix Art School, in New York.

JOHN S. NEWBERRY, JR., of Lake Shore road, sailed on the S. S. Queen Mary, Wednesday, June 24, to spend two months traveling in England and on the continent.

MISS WINIFRED MAE MARSH, daughter of Mr. and Mrs. Ben R. Marsh of Rivard Blvd., who has been the guest of Mr. and Mrs. John Barnington, of New York, since the close of Connecticut Women's College in New London, Conn., returned home last week.

Miss Marsh's brother, Ben, Jr., has also returned home from the University of Wyoming.

MRS. CLARENCE J. CHANDLER, of Somerset road, has returned from Chicago where she attended the board of directors meeting and the commencement exercises at Theological Seminary, and now is attending the general council of Congregational and Christian Churches at Mt. Holyoke College, Mass. For seven years, Mrs. Chandler has been a member of the national executive committee of the council.

MR. and MRS. HENRY B. JOY, Jr., entertained 20 guests at dinner, on Friday, June 19, at their home on Lake Shore road.

MR. and MRS. LOT MORRILL HAMLIN entertained at a dinner party on Friday evening, June 19, in their home on Bedford road.

MR. and MRS. STANLEY REDMOND, of Dallas, Tex., are the guests of Mr. and Mrs. Frank McKenna, of Berkshire road, for two weeks. They will then go to New York where they will sail for Europe.

MR. and MRS. JOHN SHALL-CROSS, of Savannah, Ga., who are visiting Mrs. Shallcross' parents, Dr. and Mrs. Harry N. Torrey, of Lake Shore road, will spend two weeks here before going to Dublin, Mass., to visit relatives of Mr. Shallcross.

MRS. ROY D. CHAPIN and her children left last Saturday, June 20, to spend the summer at Harbor Point.

RUTH ANN CHRISTIANSEN spoke her nuptial vows to Albery P. Teetzel, Jr., at 7 p. m., Saturday, at the home of her parents, Mr. and Mrs. Eugene O. Christiansen, on Kensington road. Mr. Teetzel is the son of Mr. and Mrs. Albery P. Teetzel of Seminole avenue.

RUTH EVELYN EDMONDS, daughter of Mr. and Mrs. Louis R. Hunt, of Yorkshire road, has set the date of her marriage to Joseph P. Rakovan, son of Mr. and Mrs. Joseph T. Rakovan, for June 27. The ceremony will be performed by the Rev. Charles E. Henigan at 9 a. m., in St. Agnes Church.

MR. and MRS. JOSEPH GARDNER STANDART, who have been in the East for a week and attended the graduation exercises at Yale where their son Joseph Jr., was a member of the class, returned to their home on Lincoln Road on Friday morning.

MR. and MRS. WARD H. PECK, of Lakeshore road, returned Sunday from Ann Arbor, where they are spending the week-end attended their class reunion at the University of Michigan and Commencement Saturday.

MRS. GEORGE W. LOWE has returned to her home in New York City after a visit with her son-in-law and daughter, Mr. and Mrs. Charles O. Burdette, Jr., of Lincoln road.

MISS MARIANNE KNAPP, of Rivard Blvd., was hostess at a buffet supper in her home Saturday evening honoring Edward Tenney, of Trenton, China, who is staying at the Hotel Statler.

MRS. GEORGE SLOANE, of New York, will be the guest of her parents Mr. and Mrs. Merton E. Farr, of Cloverly road, for the summer. Mrs. Sloane's daughter Margaret will go to the Pinewood Camp on Burt Lake on July 1.

MRS. CHRISTIANSEN opened her home on Middlesex road to the College Women's Club and their friends for a garden party and musical tea Friday afternoon, June 19, from 3 to 6 o'clock. Assistant hostesses for the afternoon were Mrs. J. L. Asselin, Mrs. Claris Adams, Mrs. George Heideman, Mrs. William Gibson and Miss Thelma Boyd.

Historical Memorial Society Unveiling Friday, June 26th

On Friday morning, June 26, at 11 o'clock, members of the Historic Memorials Society will meet at the Whittier for their annual meeting. The president, Mrs. Charles Horton Metcalf, will preside. There will be annual reports by officers and chairmen, and an election of officers to serve for the coming year. A recess will be taken for luncheon, after which the business session will be resumed, concluding before three o'clock, at which time members will adjourn to the Naval Armory grounds, where an interesting ceremony will take place.

A bronze tablet, with an inscription outlining the romantic history of the U. S. S. Yantic, will be unveiled with appropriate ceremonies on the Yantic's anchor on the Naval Armory lawn, at three o'clock. All have noted this anchor, but few could tell its origin. Mrs. Metcalf will preside over the program. A bugler from the Naval Reserve will blow "Assembly." A detachment from the Naval Reserve and the Marine Corps will be in attendance, as will also a navy band. Rev. Fr. William P. Schulte, army and navy chaplain for this area, will offer prayer. Mrs. George Hunter, flag custodian for the society, will lead the flag salute. Mrs. Malcolm MacQueen, the society's chairman of historic sites, will present the tablet. Lieut. Com. Thornton Brodhead will accept it for the Naval Reserve. The tablet will be unveiled by Christina Newberry, granddaughter of Truman Newberry, and by John Lyster Brodhead, son of Lt. Com. Brodhead. There will be "Yantic Reminiscences" by J. Walter Drake, Dr. Burt Shurly, and by Truman H. Newberry, former Secretary of the Navy, and now, last surviving officer of the Yantic, who

brought it here for a training ship in 1897, a capacity in which it served for 25 years, many prominent Detroiters receiving their naval instruction on it during that period. Intended for President Lincoln's yacht, when built in 1864 in Philadelphia, but never so used, the Yantic had seen several million miles of world-wide cruising from Arctic waters on the Greeley Expedition, to tropic waters in far ports, when brought here. The "Gallant Yantic" had seen varied service in three wars, when it "made its last port" by sinking in October 1929, in Detroit River at the foot of Townsend avenue. Sentiment prompted the salvaging of the anchor, as a reminder of the romantic record of a gallant ship. The public is invited to the ceremony. Any Navy men in the city for the Yosemite Reunion June 27 are especially welcome.

Midget Racing Dates Changed Slightly

The Veterans of Foreign Wars announced today that their midget-race program this week will be staged on Friday night instead of the usual Saturday and Sunday nights.

Conflict with racing dates in Chicago and a special race meet in St. Louis brought about the change, Manager Don Zeiter wishing to prevent his drivers from competing in the other meets.

Another program of at least 10 events will be arranged later in the week.

Grosse Pointe Farms Loses To Ann Arbor

The Ann Arbor Moose Club defeated Grosse Pointe Farms 7 to 1 Sunday at Kerby Field. For seven innings it was a very good game, the score being tied at one run. Carl Van De Pitte pitched for the Farms and although he allowed 11 hits, only four runs were scored as he was throwing with everything he had in the pinches. Vic Telep, who relieved in the seventh with the bases loaded, one man out, induced the batter to hit into a double play—Kovac to Fritchard. In the eighth, he retired the men in order but in the ninth they got to Vic for two singles and two triples for three runs. Nowak, south-paw, pitched for the Moose Club and the Farms will never again meet a pitcher with so much stuff. He had a sweet change of pace and all the control anyone could care to see. He struck out nine men and allowed seven hits but they were so scattered that only one run could score. A rumor claimed Nowak (an assumed name) pitches for University of Michigan. Nowak could easily pitch for any college.

The Farms will again meet the Moose Club, but this game must be played at Ann Arbor. Next Sunday, Grosse Pointe meets Monarch A. C. who bear the Pointers last year in a ninth-inning rally. They then played under the name of Kammer Motor Sales. This will no doubt be a tough game as Monarch A. C. has a good ball team that has been organized for years and improves each year.

Eastminster Presbyterian Church

Sunday School at 9:45 a. m. 11 a. m., the subject by the pastor will be: "When to Pray, When Not to Pray."

Christian Endeavor groups for all young people at 6:15 p. m. At 7:30 p. m. the evening services will be devoted largely to the interest of the Sunday School. The moving pictures of the recent Children's Day services will be shown. This will also be a time of consecration to the 16 delegates, who are being sent by our

church to the various summer conferences. The theme will be: "The relationship of the Sunday School to the Program of the Church."

On Wednesday evening we are considering the "Messianic" songs.

Jefferson Avenue Baptist Church

"Clear Vision" is the eight o'clock evening sermon subject this Sunday when the Rev. Wayland Zwayer, minister of the Jefferson Avenue Baptist Church will conduct a service of Recognition for this June's high school graduates.

Practicing on "Christian Truth," the Jefferson Avenue Baptist minister will introduce the church's fifteenth anniversary season which will conclude with the celebration of the complete organization and incorporation 15 years ago this November. It was in June, 15 years ago that the Jefferson Avenue Baptist people worshipped in the first unit of its buildings. Rev. Wayland Zwayer, minister, has been with the church for the past five years.

The Church School meets regularly every Sunday morning at 9:45 a. m. and the young people at 6:45 p. m.

Camp Fire Girls Activities

One hundred fifteen Detroit Camp Fire girls are enjoying a three-day outing which began Sunday, June 21. Camp Wathana, at Rose Center, Michigan, the official camp of the Detroit Council of Camp Fire Girls, is to be the scene. Miss Catherine F. Stearns, local executive secretary, director of the camp, is in charge.

An interesting program will be carried on. Activities will include swimming, American folk dancing, handicraft and hiking, all under the supervision of trained counselors. The girls tested their culinary skill over open fires and tried out some novel cooking ideas, such as frying eggs on hot stones.

This is the third year that the three day group camping has been conducted and that it fills an important need is evinced by the fact that each year it has been more popular. The girls traveled to the camp in neighborhood groups, arriving at Wathana in the late afternoon. The project was created and carried out primarily for those members whose families find it difficult to send them to camp during the regular camping session.

Pan American Highway To Open July 1st

The long awaited opening of the Pan American Highway has been set for July 1.

First announcement of the date was wired to E. S. Matheson, touring director of the Automobile Club of Michigan, today by Charles Mumm, official representative of the AAA in Laredo, Texas. An extensive celebration with high officials of both nations attending has been planned, Mumm said.

According to the dispatch, the only unpaved stretch is from Matlapa to Jacala, but this distance has smooth gravel and all bridges are erected. Announcement of the opening date will answer hundreds of inquiries from tourists wishing to make the trip this summer, Matheson said.

cently between the hours of 9 and 11 o'clock by hurriedly gathered enrollees of Veteran's CCC Camp Black Lake under superintendent T. W. Wilcox and foreman Andrew St. Amour, Joseph Scheel and Harvey Rands.

Interesting Facts About Milk Products

More than 25 per cent of the 1,500 pounds of food eaten each year by the average American consists of milk and other dairy products according to a survey made by the Milk Industry Foundation.

About 30 per cent of the nation's milk supply is used as "fluid milk" for cooking and drinking; about 33 per cent for butter; five per cent for cheese; four per cent for canned milk; two per cent for ice cream and 25 per cent on farms, the survey discloses. The dairy industry must utilize milk from 25 million cows on five million farms, or three-fourths of the farms in the United States every day.

More than a quarter of a million people are needed for the nation-wide daily milk delivery of 45 million quarts and to make butter, cheese, ice cream and other dairy products. Daily milk delivery, often compared with the mail, is a far more complicated problem, the survey states, as milk is highly perishable and must be delivered seven days a week.

Today, milk accounts for approximately one-fifth of all farm cash income contrasted with one-eighth a decade ago. This increase has taken place without any stimulus from benefit payments, direct subsidies, processing taxes or production curtailments, according to the Foundation.

Spray Not Injurious To Cattle Shown

Michigan's first state-wide save-the-trees campaign along the highways was initiated last week.

Murray D. Van Wagoner, state highway commissioner, announced that crews will operate four power sprayers along the trunkline roadsides of 42 counties during the next month to protect walnut, hickory, and butternut trees against forest tent caterpillars. The counties, which are in Districts 5, 6, 7, and 8 of the state highway department, cover the lower part of the state.

In answer to a number of queries by farmers, Commissioner Van Wagoner said that he had been advised by Michigan State College entomologists that the spray will not injure livestock. He pointed out that it consists of a solution of arsenate of lead and water in the proportion of three pounds of lead arsenate to 100 gallons of water. Experiments by the college have determined that a solution of three pounds of lead arsenate to 50 gallons of water is not injurious to livestock.

Week-End Softball Schedule at Mack Park Outlined

The Detroit Softball Association, nearing the end of the first half of its split season in Class AAA and Class A competition, will tackle a heavy schedule this week, which will be featured by the appearance here twice in as many days by the world champion Cleveland Bloomer Girls. All the games will be played at Mack Park.

Today, Thursday, Dixie Oil, world champions men's team, will play White Tower in the Class AAA feature game at 9 p. m. Two class AAA members, will precede the feature with Acorn and Kay meeting at 8 p. m. and Kellman's facing Gaels A. C. at 7 p. m.

Friday the league leading Class AAA Oldbru team will play second place Sir Albert at 9 p. m. while Regal and Ringside, also Class AAA members, will play at 8 p. m. Breitmeyer's and Annis will play in Class A at 7.

Saturday night the Bloomer Girls will make their first local appearance since winning the world title when they play Ray's Girls, Michigan state champions and victors in the open tournament held to select the Bloomer's foe. The game will be played at 9 p. m.

A Class A game is tentatively scheduled between DeSantis and Breitmeyers for 7 while two Briggs teams will probably play at 8 p. m.

Again on Sunday the Bloomer Girls will display their wares when they meet Plymouth Motor Girls, Industrial League champions, at 8 p. m. with Ray's and Oldbru Girls meeting either at 5:30 or 9 p. m.

Two Class AAA games will constitute Monday's card with Regal and White Tower meeting at 9 p. m., Dixie Oils and Ringside at 8 p. m.

Tuesday will be an open date but on Wednesday the men's teams will again invade the park with Sir Albert meeting Ringside at 9 p. m., White Tower will play Dixie Oils at 8 and Kellmans will play DeSantis at 7.

Thursday will be Briggs night and on Friday the first half of the split season will end with Oldbru meeting Dixie Oils in Class AAA at 9 p. m., Ringside facing White Tower at 8 p. m., and DeSantis and Annis, in Class A, at 7.

"The Merciful and Gracious God" will be the theme to be treated in the sermon on the coming Sunday, June 28. The service will take place at 10:15 a. m. The Sunday School session will begin at 9:15 o'clock.

The annual picnic of the Sunday School will be held at Bob-Lo Island on Friday of this week, June 26.

Million and Half Wall-Eyed Pike Planted

One million and fifty thousand Wall-eyed pike fry were planted in Black Lake near Onaway one evening re-

cently between the hours of 9 and 11 o'clock by hurriedly gathered enrollees of Veteran's CCC Camp Black Lake under superintendent T. W. Wilcox and foreman Andrew St. Amour, Joseph Scheel and Harvey Rands.

A careful check was made on the following morning, and a few dead fry were found. Mr. Wilcox reported many favorable comments from cottage owners and resorters around the lake on the facility and excellent results of the re-stocking.

Norse Association Midsummer Festival Sunday, June 28th

From time immemorial it has been the custom of the Scandinavian peoples to celebrate Midsummer Day with appropriate festivities. In their northern latitudes winters are long, black and severe, limiting outdoor activities and depressing the spirit.

The Midsummer Day celebration symbolizes the release from winter's stringent grip, and hails the advent into a world of summer, blossoms and sunshine that lasts practically 24 hours a day.

The people of Norse blood residing in Detroit and lower Michigan will again celebrate this traditional day with a large picnic and get-together at the Nankin Mills picnic grove on Sunday, June 28. The Norse Civic Association of Detroit is sponsoring the event.

Nationally known speakers will appear during the day. Music will be furnished by the Scandinavian Symphony orchestra and the United Scandinavian Singers. Scandinavian food and refreshments will be served. Athletic events, scheduled to begin at 1 p. m., will continue throughout the afternoon. Prizes, donated by members and friends, will be awarded to winners. There will be something of interest to young and old.

Nankin Mills picnic grove is located on the Ann Arbor Trail, two miles west of Middle Belt Road.

Lutherans Have Outdoor Service and Picnic Planned

Faith Lutheran Church, East Jefferson and Philip avenues, will have its annual outdoor service and picnic next Sunday at the Wier Grove on the Fraser-Utica road, which is just beyond the Rambler golf course.

Several hundred people will assemble in this beautiful grove for the service of worship which will begin at 10:45 a. m. The pastor, the Rev. R. D. Linhart, will preach the sermon on the subject, "The Voice of God's Creation." Rev. J. B. Ringle will assist in the service. Trumpeters will lead the singing.

Following the basket picnic dinner at 11:30, there will be a program of games and contests for old and young. At 3 o'clock there will be a concert by a 30-piece band.

The members and friends of Faith Church are cordially invited to attend this great annual event.

Christian Science Churches

"Christian Science" is the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, June 28.

Among the Bible citations is this passage (Psalms 107:20): "He sent his word, and healed them, and delivered them from their destructions."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 146): "Divine Science derives its sanction from the Bible, and the divine origin of Science is demonstrated through the holy influence of Truth in healing sickness and sin."

Rabaut Champions
The Cause of
Forty and Over

(Copy of speech delivered at night session June 18th, in the House of Representatives by Louis C. Rabaut, Dem., 14th District.)
Mr. Rabaut. Mr. Chairman, I move to strike out the last three words.

Mr. Chairman, we are all very much interested in the self-made young man, but how many are mindful today of what the speed-up system in industry has done to the man when he reaches 40 years of age?

Get this in your minds. The spirit of letting a man out of his position because he cannot follow the speed-up of the motor and of the system of manufacturing today is one of the worst things going on in industry in this country. It is the wrecker of the home.

One has an obligation. He has the obligation of home ties. He has the obligation of educating his children. He has a contract to pay upon his home. He has his family to support. He finds himself out in the cold because of discrimination at the early age of 40.

I think the President's speech, at Baltimore, wherein he made reference to this curtailment at both ends of the working period of life, in order that people may have an opportunity to provide for their families, ought to be in the mind of those of you who are about to vote on this legislation.

As a Representative from a great industrial district I am concerned with the workers' welfare. I am concerned in his morale; I am concerned in the preservation of his initiative; and the discrimination against men of 40 and over brings to the mind of the worker in the best age of his manhood a constant worry as to the safety of his position which worry and anxiety places the gnawing worm of fear upon his future economic status.

128 Mile of Roadway
Project Announced

WPA authorities notified State Highway Commissioner Murray D. Van Wagoner last week that 14 oil aggregate road projects embracing 128.2 miles of hard-surfacing have been approved for early construction.

The new projects involve an estimated total expenditure of \$1,934,918 including the cost of grading and drainage construction already completed. Of this total, the state highway department is contributing \$247,527 as the state sponsor of the projects.

Cleveland Prepares
For Heaviest Out
Of Town Traffic

Cleveland is preparing for the biggest influx of out-of-town traffic in its history. Police, the Cleveland Auto Club, merchants, womens organizations, the Convention and Visitors Bureau and private citizens are organizing their facilities and forces to welcome millions of visitors to the Great Lakes Exposition which opens June 27 for 100 days and the largest number of conventions this summer the city has ever seen.

Five million out-of-town visitors, a minimum estimate, are expected in this city for the Great Lakes Exposition alone. The housing problem has been solved by a carefully planned mobilization of all available quarters in private homes, the smaller hotels and tourists camps. Rooms in private homes throughout the city are registered with the Cleveland Convention and Visitors Bureau, are investigated for sanitation, and listed. A bureau is being set up in Public Square, a block from the main

entrance to the Great Lakes Exposition, to enable these visitors to find the kind of rooms and food they want in terms of what they want to pay.

The Cleveland Automobile Club issued the following statement regarding the extra traffic load, indicating how that one organization will co-operate with the visitors:

The Emergency Road Service Department, with close to 100 official service stations at its call, has augmented its staff to care for the anticipated heavy volume of calls. It is the desire of this department to co-operate with the police department in an effort to keep the streets clear of stalled and wrecked cars by promptly responding to requests for emergency aid from visiting members.

Bugles Opens Two
YMCA Camps for
Summer Terms

The shrill notes of the bugle this week formally opened the two Y. M. C. A. camps for boys maintained by the Metropolitan Y. M. C. A. and its branches.

About 200 under-privileged boys were in camp at Ohiyeva when that "Y" recreational playground swung open to receive the youngsters on Monday morning, June 22.

On Wednesday, two days later, the official opening of Camp Nissokono took place with 125 enrolled for the opening period.

This community will be well represented at both camps during the summer season, just as it has been in previous camping seasons. Reflecting the improved business conditions, the registrations for the camps, this year are heavier than they have been before the depression, however.

The group of under-privileged boys at the opening period at Camp Ohiyeva is comprised of lads whose camp expense is paid by contributions sent the Metropolitan Y. M. C. A. for the express purpose of providing a joyous summer outing to boys who would otherwise not experience the thrill of summer camping. They came from homes where parents could not possibly spare from their frugal earnings the money necessary to send their deserving boys to camp.

Half Price Plates
Go On Sale Soon

On Wednesday, July 1, automobile license plates for 1936 will go on sale at half price, Orville E. Atwood, Secretary of State has announced. The plates will be available from that date on, at the Department of State and all branch offices throughout Michigan.

Cars that have been on the highways with 1935 plates have been equipped with 1936 half-year permits or "stickers." Cars placed in operation on the highways prior to July first must be equipped either with half-year permits or with 1936 plates purchased at full price, it is pointed out.

Owners of cars which have been equipped with half price "stickers" have had at all times the privilege of purchasing 1936 plates upon payment of the balance of the 1936 license plate tax. But in any event, all operated motor vehicles must be equipped with 1936 license plates by midnight, July 31, Atwood warns. No extension of time can be granted without express action by the legislature, and none was granted last year.

New Englanders to
Hold Clam Bake
Sunday, June 28th

Sunday, June 28, former New Englanders, now residents of this city, some 2,000 strong, will pile into their cars and hie themselves to Walled Lake for their third annual picnic and clam bake of the New England Club of Detroit.

Last year more than 1,500 attended the affair and this year, according to Carroll Adams, chairman of the clam bake committee, that number is sure to be exceeded.

Fifteen barrels of clams have been ordered from a Boston, Mass., concern and will be shipped here by express the day before the bake so that they will be fresh and retain their best flavor. They are being shipped in sea water and packed in sea weed just as they are handled for the big New England bakes.

An old time New England clam bake chief has been secured so that all the trimmings that go with a New England clam bake will be assured.

The bake will be served beginning at 12:30 in the afternoon and from then on until everyone has been fed. During the afternoon there will be a program of field and water sports as well as other games.

Richard Lombard, vice president; Miss Jane O'Brien, second vice president; and D. Frank Donsen, secretary treasurer.

Other members of the committee include Charles E. Griffin, vice chairman; Jack Beane, Jack Cullen, Florence Cox, Elmer Scott, Tom Trainor, and other members. Tickets may be obtained from any member.

Feeble-Mindedness
Feeble-mindedness is more than 50 per cent hereditary. Of the remainder about 42 per cent appears to be due to neuropathic ancestry—that is, the families are characterized by such conditions as paralysis and alcoholism. Nine teen per cent is classified as being due to accidental causes, including certain diseases such as meningitis, convulsions and fevers in early life.

Mount Vernon Memorial Highway
The conception of a Mount Vernon Memorial highway originated with citizens of Alexandria in 1886. The idea has been fostered by various national organizations and government officials, but no tangible progress was made toward its fulfillment until an act of congress was passed May 23, 1928, authorizing and directing the United States Bicentennial commission for the celebration of the two hundredth anniversary of the birth of George Washington to take such steps as might be necessary to construct a suitable memorial highway and providing funds for the purpose.

Cook ANYTHING you LIKE in
DUTCH OVEN SUSAN

There is almost no limit to the good things you can cook with Dutch Oven Susan. Here is the most complete cooking appliance of its kind on the market: It will do every cooking operation possible on a small stove. It will roast all cuts of meat to perfection; it will fry eggs, steaks, chops, etc.; it will bake cakes, pies, cookies, biscuits and muffins and it will hold half-a-dozen pint jars when canning by the cold pack, hot water bath method. You simply plug it into any convenience outlet, and it uses only about as much electricity per hour as an electric toaster. And Dutch Oven Susan is so compact that it can be tucked away in a corner almost anywhere.
DUTCH OVEN SUSAN \$4.95 up

On and Off the Records

By LEE MONTGOMERY

For the past two weeks Harold E. Stoll, Register of Deeds, has been working out a new system to speed up the procedure of recording a deed. It will be remembered that four years ago when Stoll took office, it took a minimum of three weeks to get through the entire procedure of recording instruments and the client's business was often held up to such an extent that it not only cost him valuable time but much money.

On taking office Harold Stoll threw out all antiquated systems, with the result that it now takes three days from the time a customer enters his office until the deed is returned to him. Stoll now hopes for twenty-four-hour service on all instruments. Stoll's systems have brought state wide attention not only from other register offices, but also from all government units.

The revelation by Ray D. Schneider, chairman of the board of auditors, that the county had lost about \$150,000 through bond forfeitures, was quite a shock to taxpayers who are hard pressed to meet government expenditures. This money was forfeited legally and in good faith. The county rents property in many places in Wayne County from others and it seems slightly ironical that the county owns property from which they have been realizing nothing for many years.

Schneider's investigation into the matter should mean much to Wayne County financially and will see the end of one more piece of slipshod methods in handling government moneys.

Saw Benny Kroll of the county clerk's office walking down the corridor loaded down with letters. He must have had over two hundred of them, and they were all gun permits applied for by the public. I couldn't attempt to offer a solution to the problem that this incident brings up, but it would be worth some one's time to devise a remedy that would diminish the number of people who carry firearms. Promiscuous shootings lately have filled the newspaper columns and usually the one shooting has a permit to carry the gun he is using. England's laws are stricter on this matter, and has much to do with the small amount of crime existing in the British Isles.

Listening to a lecture by Peter J. Drexilius the other day. Drexilius is an attorney who has had plenty of experience with the D. S. R. and all law that in any way affects the transportation system in Detroit. He mentioned the fact that the law realized that cattle could not travel without injury to their health if they were crowded, and restricted the number of animals in each car. We all know that there is no law restricting the number of people allowed in street cars and busses.

This lecture came back to me this morning when I boarded a D. S. R. bus. The seating capacity of 21 people didn't bother the driver in the slightest, and at one time there were 35 people jammed into the bus. Another Houdini. It came back to me, also, that one of the chief arguments offered against the D. U. R. was that if the city ran the street car system they would limit the number of passengers.

Just an idle thought prompted by Jack Heal, that name is a misnomer. Jack works in Probate court, but in spare moments he and I correct all evils pertaining to government. We throw in a little football and baseball, too. Jack would paint every other street car stop green, and the alternating ones red. He would do the same with the street cars. A car would stop only at its own color. In this way travel would be speeded up with little extra cost, and people would be able to breathe normally while riding to work.

Dick Hogan, who holds forth in the records room, and has watched life roll by for some 70 years, has a sound idea that will wipe out the national debt. Dick suggests a combined government lottery, bookie and sport pool, the proceeds of which would go to the treasury. Hogan is not a gambler and considers anyone who gambles a sucker. He has lived long enough to realize, however, that you can't stop people from gambling any more than you can from drinking. If legalized and run by the government, the money would go to a good cause instead of into the pocket of a racketeer. The gambling would be on the square with none of the petty thievery going on.

LaCrosse Gaining In Favor With Detroit Fans

Flushed with the enthusiasm which greeted their opening game of the season, the Detroit Lacrosse Club will assemble an All-Star team from the three teams in the association to meet an invading Wallaceburg aggregation at Mack Park Sunday afternoon, June 28, at 2:30 p. m.

The invading Canadian squad is one of the strongest in the provinces, having won the Canadian amateur title in 1934. The squad still retains the majority of the championship material

and will be shooting for a victory over the Americans.

If the All-Stars show as much spirit as was displayed in the opening game last week when one player was knocked out in a feud culmination, and five others were sent to the medic for repairs, it is certain the Canadians will learn that Americans can play the game of their Indian predecessors equally as well as the Dominionsites.

Traffic Court for Juveniles Established

On December 21, 1935, there was instituted a new juvenile court function, to-wit: a traffic court for juvenile offenders. Traffic violations and infractions of driving regulations, by boys under the age of 17 are handled by this court. Judge Healy was motivated in the creation of this court by a sincere feeling that the responsibility and duty of safe driving could be best impressed upon juvenile offenders by a formal court hearing at which the offender in person, with his parents, receives instructions, or penalties commensurate with the offense involved.

The practice of parents appearing alone for the children is thoroughly discouraged and the presence of the child himself is heartily advocated.

During the first three months of operation, the court has handled some 300 violations and the penalties imposed may be enumerated under the following classifications:

1. Warnings for first offenders and minor violations.
2. Compulsory attendance at traffic school.
3. Suspension of driver's license.
4. Unofficial probation.
5. Filing of complaints in the Juvenile Court in exceptionally serious offenses.

The value and success of the experiment can hardly be definitely determined at this time. The small number brought in for second offenses indicates that there is a definite value in the undertaking. Words of commendation from other agencies and from parents of the offenders have been most heartening to those interested in the experiment. Judge Healy feels that the innovation offers a distinct contribution to the safety drives now being carried on throughout the country.

The traffic court hearings are conducted on Saturday mornings, thus obviating the necessity of boys losing any time from their school work. There is strict adherence to this policy, except in cases where the violator is employed on Saturdays. Where this condition exists disposition of the matter is made during the week. The policy of the court is to eliminate as much as possible the necessity of violators losing either time from school or from outside employment.

Comments or suggestions to improve the procedure are welcome.

Grosse Pointe United Lutheran Church

"Seeking Christ's Children Lost in Christless Pastures" will be the subject of the sermon at the Grosse Pointe United Lutheran church, worshipping in the auditorium of the Richard school, Kercheval avenue and McKinley road, Sunday morning, June 28, at 11 o'clock, preached by the Rev. M. Luther Canup, D. D., pastor. Miss Grace Davis will be in charge of the music and will also be soloist for the occasion.

Sunday school and catechetical instruction at 9:45 o'clock, with classes for all ages and grades.

Instead of a week-day picnic, the school will close its session next Sunday morning with a social hour when refreshments will be served. All members of the Sunday school, former members, friends and all members of the congregation are cordially invited to attend the Sunday School and social hour.

The following teachers with their classes will take part in the Sunday School program and social hour next Sunday morning: Mrs. Bernard W. Cruse and Mrs. Stanley Weaver, teachers in the beginners-primary departments; Mrs. Frank Mumford, teacher of the girl junior class; Mrs. Stone Enberg and Miss Helen Enberg, teachers of the boy junior and boy intermediate classes; Miss Grace Davis, teacher of the adult class and Dr. Canup, teacher of the catechetical class.

The confirmation class organized last Sunday electing Dorothy Heff as president; David Eyer, vice president; William Canup, secretary; Elizabeth Holma, treasurer. Raymond and Margaret Jacobs were appointed a social committee and Ty Hamalainen and Royal Smith constitute the membership committee. The class purposes organizing a young people's society in the near future.

Mt. Olive Lutheran Church

Synodical Conference church. Radnor at Mack avenue. F. E. Stern, pastor. Residence, 4425 Radnor avenue; telephone Niagara 3023.

Sunday School, 9:30 a. m. Divine service, 10:45 a. m.

Mt. Olive will again conduct a vacation bible school this summer. It will begin July 6 and will continue for four weeks, five days a week from 9 to 11:30 a. m.

League of Catholic Women Luncheon Tuesday, June 30th

The membership chairman of the League of Catholic Women suggest that all those interested in the coming bridge luncheon and treasure hunt that will take place on Tuesday, June 30, at 1 o'clock at Mettewas Inn at Kingsville, Ontario, kindly make their reservations by calling the chairman, Mrs. Albert Cameron, or the League, as the space is limited.

There will be as mass for the members of the League of Catholic Women on Friday, June 26, at 9 o'clock, in the chapel of the league, 120 Parsons street, Reverend Fr. Frank Walsh being the celebrant. It is hoped that all members will make a special effort to attend.

The Normandie left an English Port for France with an airplane which had crashed into its stack as unexpected cargo. The flier escaped injury and apologized, Monday.

Has Highest Death Rate

Highest death rate in the world is in China, according to a survey completed by the national health administration at Nanking. Six million persons die annually in China, their average age being ten. The population of the country is estimated to be 450,000,000.

Tides Once in 24 Hours

According to Russian investigators, tides in the Okhotsk sea, which occur only once in 24 hours, reach a height of 37 feet.

Chief Investigator's Duties

The director of investigation of the Department of Justice has general charge of the investigation of offenses against the laws of the United States, except counterfeiting, narcotics and other matters not within the jurisdiction of the Department of Justice; of the acquisition, collection, classification, preservation and exchange of criminal identification records, and of such investigations regarding official matters under the control of the Department of Justice and the Department of State as may be directed by the attorney general. He also has charge of matters assigned to him by the attorney general.

Largest Rattles on Snakes

The largest rattle on any rattle-snake found had 34 segments. The segments do not indicate the age of the snake because a new rattle is added each time the skin is shed, which may occur three or four times a year. The older and larger snakes frequently lose terminal rattles which are broken off.

The Guilds of St. Luke

The Guilds of St. Luke were medieval associations of painters under the patronage of St. Luke, formed to protect the interests of their members. Engravers, printers and members of other occupations related to bookmaking were later received into the guilds, which had a long existence in Holland, flourishing particularly in Antwerp.

The Kangaroo Rat

A kangaroo rat is a rat of the arid southwestern United States with very long legs and great leaping powers belonging to the family heteromyidae.
