and garden supplies. A souvenir plant will be given to located to extend efficient service to prospective purchasers mentioning the Grosse Pointe Review.

### Milestone in Transcontinental Air Service

With inauguration of 15%-hour service from coast to coast by the United Air Lines, the evolution of transcontinental air service in the past decade is pictured above. 1—Pioneer, single-engined mail plane, carrying two passengers, which started first schedule in 1927. 2—Modern air-conditioned mainliner, equipped with two 14-cylinder engines with a top speed of 212 miles an hour.

#### Attention to Contractors and Builders

Chief of Police T. V. Trombley of the City of Grosse Pointe is urging that all builders and contractors co-operate in minimizing the danger created by storing building materials at the curb and near the sidewalk at construction jobs. He states that in many recent instances the builders or contractors have had to remove such material because of the danger caused by materials falling and littering the walks and streets. In many instances children and passersby have been exposed to great danger by insecure piling of material and contractors are warned that, nothing in any permit issued allows the storage of any material upon any public property, street, alley or otherwise. The co-operation of all concerned is requested in reducing the hazard created and certain contractors who persist in repeating the offense after warnings will be subject to a fine.

#### Sam Beaupre, Laurlie Reinbrand Wed Here

Laurlie Reinbrand and Sam Beaupre, son of Theodore Beaupre, of 108 Kerby road, Grosse Pointe Farms, building inspector, were married Saturday morning, April 24, at 8 o'clock, at the Annunciation Church.

They have returned from a brief ioneymoon tripeto Cleveland, Ohio.

#### St. Ambrose Sponsors Mother-Daughter Fete

The mothers and daughters of St Ambrose Roman Catholic Church will eceive Holy Communion in a body at the seven o'clock mass next Sunday,

On May 3 there will be an entertain ment with refreshments in the gymnasium for all mothers and daughters of the parish.

Today (Thursday, April 29), the Altar Society is sponsoring a card party and pie sale in the gyin at 2 p. m. Lieutenant Governor and Mrs. Leo

Nowicki spent Sunday evening at the nome of Mr. and Mrs. Murray Smith on Hillcrest Road, Grosse Pointe.

#### Firemen's Midgets Are Practicing Daily

Members of the Firemen's Midgets are fast rounding into shape, showing that hard serious training does benefit. Ball players must have natural ability to a certain degree and with the type of coaching they are receiving they Chaplin's invocation—Rev. M. Luther can't help improving. After all don't all big leagues go through the same thing. The only difference is that they are able to go down South to go through their training. The Midgets are making the best of the weather however and are now sizing up as real bali players.

> Infielders are now coming in with balls that a week ago would have been base hits. Outfielders are not to be forgotten. To see them shagging flies one can see that they have worked just as 'hard and are just about as ready to go. Did you say what about the pitchers? Well you ought to see them starting to pour them across. The managers are not to be left out for after all it has been through their efforts and hard work that these fellows are about ready to start their league

> Have you fellows taken advantage of your manager's invitation to bring dad along to watch you practice and get acquainted? Dad, why not go along and maybe you can be a big help to your boy. Only a cheer means a lot. Remember when you were the same age how good you felt when you knew your dad was there or how you wished he were like Bill's and Norman's.

> Practice will be held on Saturday at 10 a. m. at St. Clair Field. Watch this

from dozens of kitchens: Electric Cooking is not expensivel

COST OF OPERATING AN ELECTRIC RANGE

This figure is a 4-month's average (October, November, December and January) of actual cooking costs in families of four persons, at the rate of 21/4 cents (net) per kwhr. Special record meters were installed on these customers' ranges, and the above figure is the result. It shows a cooking cost of about half-acent a meal a person. This is an AVERAGE of the cost figures obtained. Some of the actual costs were higher, some were lower.

These figures are obtained under everyday working conditions in ordinary kitchens . . . the ranges are used by women cooking meals daily for families of three, four and five people, or larger. In the survey, 5 well-known makes and 9 different models of electric ranges were included. These tests prove conclusively that electric cooking is not expensive. 10,000 of your neighbors chose electric cooking during the year 1936. SEE THE NEW ELECTRIC RANGES ON DISPLAY AT DEPARTMENT STORES, ELECTRICAL DEALERS, AND THE DETROIT EDISON COMPANY.

#### Christian Science Church

"Everlasting Punishment" will be th subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, May 2.

Among the Bible citations is this passage (Matt. 25:29): "For unto every one that hath shall be given, and he shall have abundance: but from him that hath not shall be taken away even that which he hath."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 262): "Consecration to good does not lessen man's dependence on God, but heightens it. Neither does consecration diminish man's obligations to God, but shows the paramount necessity of meeting them."

## **Education Is Only** Political Safety: Dr.

Reiterating the 100-year-old statement by Horace Mann, that "education B. Elliott, state superintendent of in the young democratic nation." public instruction, declared in an address in Lansing recently that the time Naval Veterans has come when America must look to the educational systems and institutions to train people to govern them-

Speaking before the Ingham County Bar Association, Dr. Elliott recalled that on April 20, 1937, Horace Mann, a lawyer and legislative leader in Massachusetts, obtained passage of a law that created the first state department of public instruction of which he was to become the first executive secretary.

"This was the foundation stone upon which our public school system was instituted," Dr. Elliott declared. "Horace Mann will go down in history asthe father of the American public school.' His efforts and devotion to the cause of popular education had a vast influence on the people who were moulding this great union of states." Dr. Elliott declared that the spirit Horace Mann portrayed in his long

career as an educator, should be instilled in the mind of every school child "Educators are confronted today with minds of young men and women, the

idea of accepting the full responsibilites democratic form of government and we must educate the oncoming generations Naval Recruiting Station. Refreshthat have been shifted onto government during recent years. The time has come when individuals must think for themselves and not rely upon gov-

ernment to do it for them.

"This was Horace Mann's theory of government," Dr. Elliott declared. "On Eugene B. Elliott this basis he laid the pattern for public education throughout the United States He was interested in education for everyone and realized that only through is our only political safety," Dr. Eugene education could stability be maintained

## Rally Planned

In commemoration of the beginning of the World War twenty years ago the Detroit Naval Post, Veterans of Foreign Wars of U.S., are sponsoring Detroit's first annual Naval Veterans Rally to be held in the War Veterans Building, 704 E. Jefferson avenue, on Friday evening, April 30.

The purpose of this rally is to bring ogether again many of the thousands of Detroit Naval Veterans who joined the Navy or Marine Corps twenty years

The Detroit Naval Post, Veterans of Foreign Wars have conducted Memorial Day services in memory of the sailors and marines who lost their lives in the services of their country, and plans for observation of the coming Memorial Day will be discussed, according to Hubert Lemon, chairman.

Among the prominent speakers on the program will be the Honorable William P. Bradley, councilman; and the serious problem of instilling in the the Honorable John W. Smith, president of the council of the City of Detroit: Fred Beard, State Welfare Offiof government," he declared. "Cen- cer, Veterans of Foreign Wars. Music tralization of power in Lansing and will be furnished by the Navai Militia Washington is a serious threat to our Band and also motion pictures of the modern navy will be shown by the to accept more of the responsibilities, ments will be served and all Navalveterans and their families are invited to be present. There is no admission

## On and Off the Records

By LEE MONTGOMERY

In spite of labor turmoil, March was banner business month in Wayne County, according to mortgage tax records of County Treasurer, Jacob P. Sumeracki.

The records, reflecting the volume and money totals of new mortgages, are considered important in that they show the extent of borrowing on real

Mortgages for March had a face value of \$4,401,900.00 and meant a tax of \$22,009.50. This amount was the biggest for any month since the depression, except for isolated instances of large corporate refinancing.

In contrast, land contract tax payments were only \$8,859.00, involving a face value of \$1,771,800.00. These tax settlements, with their threat of foreclosure, throughout the depression, averaged three and four times the amount of the mortgage tax payments.

In December, 1933, mortgage taxes were \$1,471.00 and land contract taxes \$11,140.00. The two reached an almost perfect balance in July, 1934, and the following December mortgage taxes rose to \$9,823.00, against contract taxes of \$6,209.00. The markedly favorable balance has continued ever

I have always believed that knowledge concerning any subject was beneficial. Admitting that some types of knowledge may injure a mind too young, it is readily seen what subjects and what phases of these subjects are adopted to certain ages. To absolutely ban the teaching of any matter is ridiculous.

Michigan has, in the past, attempted to ban sex hygiene from the schools. There are few subjects more important to a social unit than sex hygiene and there are few subjects that should be taught with as strict supervision. Banning sex hygiene is as silly as banning education as to eating or law and order.

It was strangely enough left to a woman legislator to attempt to remedy Michigan's situation. She is Elizabeth Belen, of Lansing, who has two of her own sons in public schools and is a member of the Legislature.

The County Building employees will honor Harold E. Stoll, Register of Deeds, with an annual May party at the Statler Hotel on May 15th. Yearly, the party marks a breaking point in the county's work year. It marks the beginning of the slack summer period and all hands let off a bit of steam stored up from the long winter rush | months. It is undoubtedly the best of political affairs.

The committee is headed by Roy Moredock, Chief Deputy, and includes Victor Gnau, Laurence Craft, Charles Benoit, Clarence Hicks and Louis Urban. Jack Oakie's band will handle the music and anyone that cares to, will handle the drinks.

There are many of us that think county taxes could be noticeably reduced if Walter Gutman, purchasing agent, and his assistant, James Ritchie, would not insist on sampling all of the county's purchases.

Both conscientious and efficient, they refuse to let the county expend money TU. 2-1866 until the product has been tasted.

Ring, Circle of Eternity Egyptians used the ring for a marriage symbol to represent the circle, or eternity.

#### GIRL SCOUTS

The interest of all Girl Scouts was centered in the Regional Conference which was held in Detroit at the Hotel Statler on April 21-22. The meetings were very inspirational and Detroit was justly proud of her standing in the region and the United States.

The most interesting news in the Pointe is that Dr. Donald Mabley has consented to test the scouts on their second class first aid work. The district committee wishes to thank Dr. Mabley for the giving of his services. The seventh editorial on the girl

scout laws is written by Jean Nagel, scribe of the new Mariner's troop, Northern Light," in Grosse Pointe. A Girl Scout Is Clean in Thought,

#### Word and Deed

Clean in thought, word, and deed is one of the ten great principles of scouting. It stands for everything a girl scout is and brings out her true character and high ideals.

A girl scout can usually be pointed out in a group of girls her own age by these characteristics. Her conversation consists of clean, healthful ideas untrained by immoral exclamations because her mind will not permit such thoughts to ramble. She knows that a clean mind in a clean body is the best equipment upon which clean womannood and citizenship depends.

Her associations are the girls who are dependable and loved by all who know them. Acceptance in such a group guarantees the cleanliness of

She abhors the foul mouth, the obscene, dissipated and immoral young girls who anticipate the years of their girlhood by indulging in habits which leave them weakened in body, enfeebled in mind, and debased in heart and

She must overcome the more insidious faults which surely lead to those 🖺 great moral sins. It is a safe rule for a girl scout

to lead, to discuss, and to do only those things which may be read, discussed, and done by members of a troop all

#### Hannan Y.M.C.A. Notes

The annual reunion of all boys who have attended Camp Ohiyesa will be held at Hannan "Y" Friday, April 30, at 7:30 p. m. Plans have been made for a very interesting evening. Dr. Charles Eastman, known to the boys as Chief Ohiyesa after whom the camp was named, will talk to the boys. Mr. A. E. Dickoff, the camp director for this coming summer, will give some interesting developments as to program and improvements in the camp. Movies of some events at camp last year will

All boys who are interested in attending camp this summer should plan to attend this reunion. Parents are also cordially invited.

Thursday, May 6th has been set for the Mother and Son banquet and program given each year by the boy members of the "Y." A fine program inuding special musical selections, a magician, a short play and movies has been arranged by the committee headed by Graham Crawford who will be toastmaster of the evening.

All those planning to attend are urged to make reservations by Tuesday, May 4. Tickets are available at the "Y." This promises to be one of ] the outstanding events of the year and all "Y" boys and their mothers are urged to attend.

Thirty-two men signed up in the singles handball tournament at Hannan 'Y" which started Monday, April 26. The doubles tournament will start next week when there will likely be as many men play.

The business men's club annual meeting will be held on Wednesday, May 5, starting at 9 p. m. The program is a varied one-Dr. Tyler and Louis Gaylord as captains of the volleybail teams with the losing team acting as waiters at the lunch which follows. Howard Asmus, chairman of the handball committee will run a tournament for those players who prefer to play handball, while John Abbott and Dick Mann will handle the badminton. After the games are over, the members will adjourn to the cafeteria where the business session will be held and a luncheon served. A new board of directors will be elected who in turn will elect officers for the club during the coming year.

#### Social Security Forum to Be in Detroit May 2

How the Social Security Act directly ffects 2,000,000 Michigan residents is explained in a series of conferences in five Michigan cities, which started Monday, April 26 in Grand Rapids and will end in Detroit May 2.

Louis Resnick, of Washington, D. C., Informational Service Director for the Social Security Board, is the principal speaker.

Co-operating with the Federal Social Security Board in holding the conferences are the Michigan Unemployment Compensation Commission, the State Welfare Department and the State Emergency Welfare Relief Commission.

## Kauri Pines 34 Fee! Thick

New Zealand's bigg st trees are the Kauri pines, which grow as large as thirty-four feet in diameter.
