

57th Anniversary of Christian Endeavor Being Commemorated

The fifty-seventh anniversary of the founding of Christian Endeavor will be celebrated during next week in various ways. Michigan Endeavor will again recount the work of Dr. and Mrs. Clark as they outline to hundreds of church congregations the advance that the movement has made down the years; how it has grown and embraced all races, denominations and all nations Dr. and Mrs. Clark were the founders of this youth movement on the evening of February 2, 1881 in the parsonage of the Williston Church in Portland, Maine.

In Michigan the presentation of facts concerning this society's many activities and purposes will take place. Some societies will take complete charge of their church services. Christian Endeavor is one youth movement that particularly stresses leadership training. Five radio stations from the Detroit area will be utilized. On a state-wide hookup, station WXYZ will present

the Detroit Union Choir and a talk by the state secretary, Ernest S. Marks, on Sunday afternoon, January 30.

The morning devotions, from WWJ, conducted by Rev. A. E. Kurth with his choir, will be on the air from Monday, January 30 to February 5. Rev. Kurth is a capable youth leader, and this program is sponsored by Christian Endeavor.

WJBK's youth program on Wednesday evening from 9:30 to 10 will feature Christian Endeavor works.

CKLW, under the sponsorship of the Christian Endeavor Society in the First Baptist Church of Pontiac, will have the Happy Half Hour program from 10 to 10:30. WEXL will possibly have a program by the Western District youth people.

Rev. Axtell, of the Leitch Memorial Presbyterian Church will speak Sunday morning, January 30, on "If I Follow Him." This will be especially applicable to youth. Intermediate Christian Endeavor Society will preside at this service, and the Junior Christian Endeavor Society will present special music. Coral Eorman is guiding the visitation program on Sunday afternoon. On February 6, the Intermediates will give a playlet issued by the Christian Endeavor Union. Cora Spur is the president of this society.

The Christian Endeavor Society is taking complete charge of all church services at the West Jefferson Christian Church, where James White is president.

Rev. J. J. Hollebrandt will conduct the morning service January 30 at the First Reformed Church, where he is pastor. The young people's choir will furnish the music. On February 6, one of their old-time C. E. members will lead the meeting.

The Eastminster Presbyterian Christian Endeavorers are presiding at the morning service on January 30, with Dr. Carl E. Kircher, pastor, giving a special youth sermon. The six youth groups will take charge of the evening service. On February 3 they will have a banquet for the young people in the church, nine different groups of young people's societies will be represented besides friends. On February 6 the evening service will be a memorial service for the late Mrs. Chas. Mills, who was young people's counsellor and a most forceful Christian Endeavor leader for many years.

News Digest

The boys are dipping into the treasury at the Detroit City Hall again.

We understand the street car of the future can ramble at will away from its tracks.

The President's birthday ball is to be held Saturday to aid infantile paralysis victims.

Housing Board members are re-signing in wholesale lots. We wonder what it's all about.

The Senate clamps down on short selling on a declining market.

The life of Rosamond Pinchot who recently committed suicide reads like a fairy tale, yet it ended in sorrow and death.

Hundreds of morbid curious sought admission to the charmed circle that would witness the electrocution of Mrs. Hahn.

Glutted markets, idle funds, and restless labor have retarded progress to such an extent that many feel that a temporary depression, at least, is here.

Funeral Services for Mrs. A. B. O'Connor Were Held Jan. 21

Funeral services for Mrs. Alice Botsford O'Connor, widow of Hugh O'Connor, were held at 2 p. m. Monday in the home, 28 Touraine road, Grosse Pointe Farms, where she died Saturday. Burial was in Holy Sepulchre Cemetery.

Mrs. O'Connor was born in Adrian, Mich., 73 years ago and married in 1888. Mr. O'Connor who died last July, was president, general manager and treasurer of the Michigan Wire Cloth Co. Mrs. O'Connor is survived by a daughter, Mrs. Claude E. Mulkey.

Important Announcement

George T. Freeland, former service department manager of the Hisey-Jeakle company at 15000 Kercheval avenue, is continuing the operation of the service department although the Hisey-Jeakle company has discontinued business at this location.

Mr. Freeland is equipped to extend exceptionally fine service on automobile repairing, bumping, painting and collision work. The establishment is now known as the Kercheval-Wayburn Super Service.

ELAINE MARIE ARNDT DANCE STUDIO OFFERS NEW CLASSES

New classes in ballet, toe, tap and ballroom dancing for children and adults are now opening under the direction of Miss Elaine Marie Arndt, at 919 Barrington road.

There is a definite advantage in beginning with the new classes. Enrollments can be made by phone, Lenox 7639.

Miss Arndt conducts a school of dignity and distinction, a school of the highest standing in dance culture.

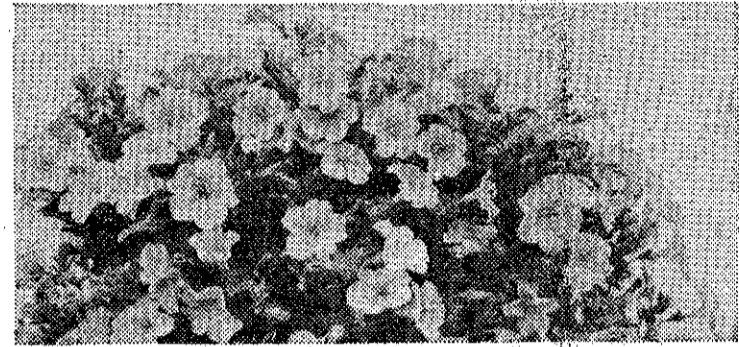

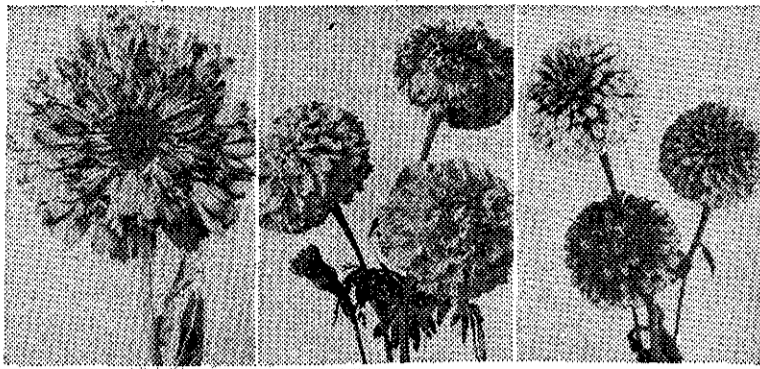

Dr. and Mrs. Sigurd Becker, of Devonshire road, are motoring to Miami Beach on February 11, to be gone for a month. They will stay at the Pancoast Hotel.

Last Thursday, Dr. and Mrs. Becker entertained at a cocktail party in their home and a dinner at the Country Club for eight guests, later returning to their home for bridge.

Mrs. Buell H. Heminway, Jr., of Watertown, Conn., left the end of last week for Washington after a short visit with her brother and sister-in-law, Mr. and Mrs. DeWitt E. Taylor, of Cloverly road. Mrs. Heminway will spend a few days in Washington before going to her home.

They're All-America Flowers for 1938

Winners of high awards in the All-America selections of prize flowers for 1938 are: left, Orange Fantasy Crested Calendula, which received award of merit; center, Golden West Marigold, which received special mention, and extreme right, Navajo Zinnias, which also received special mention. The Navajo Zinnias are a unique type, with flowers of medium size, double and semi-double and composed of long, narrow petals some of which are fluted. Each petal is heavily tipped with white, or creamy yellow.

Salmon Supreme Petunia, shown at left, was adjudged winner of the highest award in the All-America selections for 1938. Selected from a wide variety of other flowers entered in the competitions, the petunia was regarded by the judges as the finest of its type they had ever seen. Garden experts who assisted in making the selections pointed out that petunias are increasing in popularity among amateur and professional gardeners.

Grosse Pointe Park Charter Amendment Includes Pension

At a recent meeting of the Village Commission of Grosse Pointe Park it was resolved that a charter amendment be made, to include a pension and procedure for collecting and disbursing same, and to provide a Board of Commissioners to govern the proper distribution of these funds.

The proposal in its entirety is published in this issue of the Grosse Pointe Review, on page six.

The proposed amendment will be up for discussion on February 21 at a public hearing in the Municipal Building at 15115 East Jefferson avenue, Grosse Pointe Park.

Neighborhood Club Activities

The camera group at the Neighborhood Club is busy developing negatives and making contact prints and enlargements. Further improvements in the dark-room and in equipment are aiding in producing better results. A continuing exhibition of the work of the members is maintained in the club lobby. Boys and girls from 15-17 years of age work on Thursday evening from 7 to 9 o'clock and senior members work Friday night. Anyone interested in joining either of these groups may apply at the Neighborhood Club.

The first out-of-town game was played at Roseville by the Junior Neighborhood Club team. The team was made up of the following: Captain, Doris LaRue; forwards, Kit Carson, Elizabeth DeWolf, Dorothy Lee, Della Hollenbeck; guards, Margy Hurbert, Virginia and Beatrice Gieche, Vivian Hendricks. The final score was 16 to 4 in favor of the Neighborhood Club. Kit Carson was again the outstanding forward with five goals to her credit. The next game will be a return game played here Monday night at 7 o'clock. Everyone is welcome.

The Girl Guards entertained a group of girls from Sophie Wright Settlement last Friday. The girls are looking forward to another pleasant afternoon together.

This week marks the opening of the new Franklin Street Settlement. May their years in their new home be as successful and happy as in the past.

Thursday night is initiation plus a special party for the A. O. C. group. Many members are coming in and plans for a great time this year are under way.

The art class meets on Tuesdays from 3:30 to 5:30 p. m. for juniors and from 7 to 9 p. m. for the seniors. Come and see the interesting way the teacher works with the class. Pastels are used and the results are worth coming to see.

FAMOUS MIND READER AT MAYFAIR THIS WEEK

The Mayfair is presenting something new and novel in the way of entertainment this week featuring the internationally famous Judith Johnson, known from coast to coast and throughout Europe for her ability as a mind reader. Don't miss this big attraction which the Mayfair was fortunate in securing for a limited engagement, it's a treat.

The Mayfair, open all winter excepting Monday evenings with its splendid swing band and colorful entertainment, serving delicious meals, fine liquors, wines and beer, is the popular rendezvous this winter. It is located on Mack at the Seven Mile road.

Mrs. Theodore G. Fletcher, of Rivard Blvd., is leaving tomorrow for New York, from where she will sail Saturday, January 29, for Bermuda.

700 Republican Women Attended Banquet Held at The Statler Hotel

Seven hundred Republican women from all parts of Michigan attended a luncheon at the Statler on Friday, January 21, to listen to a message of importance to Republican women.

The principal speaker at the luncheon was Miss Marion Martin of Washington, D. C.

Miss Martin is widely known as assistant chairman of the Republican National Committee, in charge of women's activities, under John D. Hamilton. She is also National Committee Woman from Maine.

The luncheon was under the auspices of the Republican Women's Federation of Michigan. Fifty members of the Women's Republican Club of Grosse Pointe attended the luncheon.

Alger Auxiliary Activities

When the boys in the Tubercular Division at the Wayne Hospital saw the rolling bookcase that our Auxiliary ladies presented to the hospital on Armistice Day, they one and all expressed a desire to have one for their Isolation Division. Christmas saw their wishes gratified as a second bookcase was presented by the Auxiliary at that time.

Our Auxiliary has been greatly honored by Wayne County Auxiliaries on the induction of the Wayne County Council Auxiliary, by the election of one of our members, Sister Agnes Tilton as their first president. For the past three years Sister Tilton has been treasurer of the Alger Auxiliary and is also treasurer of the Alger Drum and Bugle Corps. Our president, Isabelle Mackey, through the courtesy of the Auxiliary, presented to the Wayne County Council, at their initial meeting, the four Color Bearer Flags. A few weeks previous we also presented the Colors to the new Centerline Auxiliary.

On January 12th, we joined with Fort Gratiot and Roseville Auxiliaries in sponsoring a party for the patients at Eloise consisting of cards and refreshments.

Saturday evening we entertained our friends at a card party in our new home, the beautiful Otsiketa Club.

We are now about to sponsor a bridge tournament to begin at 1:30 p. m. on Wednesday, February 2, in our new home at 17145 St. Paul avenue. Any ladies desiring to take part please be at our first session. Anyone else desiring to come to the party and not enter the tournament, come along and play your own choice of cards, as there will be prizes for all such tables. Come on, ladies, make this tournament a worth-while one.

Card party Saturday afternoon, January 29, at 2 o'clock, at 17145 St. Paul, sponsored by the Alger Auxiliary.

U. S. Daughters of 1812

Members of Gen. Alexander Macomb Chapter, United States Daughters of 1812, will meet Wednesday, February 2, for a subscription luncheon and meeting at the Ingleside Club. The luncheon is being arranged by Mrs. Jacob J. Lamb and Mrs. Edward H. Eichler, for 12:30 o'clock; reservations being with Mrs. Lamb.

Speaker of the day will be Mrs. C. Clayton Lanier, who will give a paper, entitled, "Dearborn's Campaign: Wilkinson at Fort Mims."

The president, Mrs. Marvin L. Hoagland, will preside the business session, at which delegates and alternates will be chosen for the 39th annual State Council, to be held Tuesday, March 29, at Hotel Olds, Lansing.

Richard N. Meginnity, of Roosevelt Place, left Wednesday to spend a week in New Orleans.

New Ordinance Passed by City of Grosse Pointe January 17

An ordinance governing the possession and sale of abandoned property was adopted by the City of Grosse Pointe on January 17 and posted January 22.

This ordinance also includes the City of Grosse Pointe Park docks. The police department is now authorized to take possession of such properties and hold for the person entitled to same. Upon notification, if same is not called for in ten days, the City can offer for sale and turn the proceeds over to the general fund of the City.

For detailed outline of this ordinance see ordinance in its entirety in this issue of the Grosse Pointe Review.

Canadian Legion Anniversary Dance Saturday, Jan. 29th

The Canadian Legion Post No. 100 of Grosse Pointe will hold its anniversary dance at the Amaranth Temple on Gratiot at McDougall, on Saturday, January 29th, at 8:30 p. m.

The Post invites their friends of the vicinity to participate with them in the festivities on this momentous occasion. A splendid dance band has been secured and refreshments will be provided.

The committee has arranged a very fine program and a pleasant evening is assured those who attend.

Mr. and Mrs. William Stevens Heigho, of Murland avenue, and Mr. and Mrs. Syd R. Scott, of University Place, left Wednesday for Palm Springs, Calif., where they will visit Mr. Heigho's parents, Mr. and Mrs. George Heigho.

Mrs. Selden D. Burchenal, of Moran road, will return this week from New York, where she is visiting her mother, Mrs. John Hutton.

Caroline Bollinger Funeral Rites Were Held January 21st

Mrs. Caroline Bollinger, widow of the late Dr. William D. Bollinger, Lancaster, Pa., passed away in Grace Hospital, Detroit, after a short illness, January 19. For the past 17 years the deceased made her home with her daughter, Inez Bollinger Canup, 91 East Philadelphia avenue, Detroit, wife of the Rev. M. Luther Canup, D. D., pastor of the Grosse Pointe Lutheran Church. She was the oldest child of George A. Kiehl and Catherine Schmall Kiehl, Lancaster, Pa., both of whom were born in Hesse-Darmstadt, Germany. She is survived by her daughter, Mrs. Canup, William Canup, a grandchild, of the above address, and two sisters and three brothers, all living in the East.

Mrs. Bollinger, who was born of Lutheran parents, was baptized in infancy in the Lutheran faith and later confirmed in the Lutheran Church in Lancaster. Here she attended the Lutheran parochial school also, afterwards becoming very active in church life. She was superintendent of the Primary Department in the Sunday School at Zion's Lutheran Church, president of the Ladies' Aid Society, president of the Women's Missionary Society, leader of the Mission Study groups in the congregation and a member of the altar guild.

When the new Grosse Pointe Lutheran Church was organized in January, 1936, Mrs. Bollinger became a charter member and here made her church home until her death. She was the first communicant member to pass away. Services were held January 21, the Rev. Carl A. Miller, pastor of Christ Church, reading the liturgy and the Rev. F. M. Keller, D. D., pastor of Messiah Church, preaching the sermon. Interment was made in Lancaster, Pa., January 22.

Grosse Pointe Cagers Defeated in Thrilling Game Friday Evening

In a game played at Monroe last Friday night, the Grosse Pointe cagers defeated a Monroe squad by the score of 29-20.

Bob Holahan and Ray Touhey, Grosse Pointe guard and forward, were high scorers of the contest with 10 points each. High point man for the Trojans was Merkle with eight points. In the opening minutes of the first

frame the locals acquired a four-point lead on a long shot by Holahan, and two foul shots, one each by Winters and Hunyady. However, Monroe came back strong to score seven points on three field goals, one each by Jackson, Merkle and Pask, and on a foul shot by the latter. Ray Touhey closed the scoring of the first quarter, when he made good a charity toss, and the score stood 7-5 for Monroe.

Bob Winters started the scoring in the second quarter with a foul shot, and shortly following, Cronin hooped a follow-up shot to give the locals a one-point lead. Aldridge sank a long one for the home team, and Touhey retaliated for Grosse Pointe with two field goals. Monroe accounted for three more points on a long shot by Merkle and a foul shot by Hile. The locals' last score of the period was a foul toss by Holahan. Grosse Pointe led at the halfway mark, 13-12.

The third quarter proved to be very unusual when all but two of the points scored were made by foul shots. The Blue Devils made three, one each by Touhey, Beyer, and Winters, and for the Trojans Pask scored one and Merkle two. Holahan closed the scoring of this period by sinking a push shot, and Grosse Pointe led Monroe 19-15.

In the last quarter the locals out-classed the Trojans and scored 10 points to the home team's five. Merkle started the scoring by making a one-handed push shot for Monroe, but before the Trojans could score again Holahan and Touhey each sank two field goals and one free shot to give the visitors an eleven-point lead. Merkle closed the scoring of the contest by sinking two foul shots, and the game ended with Grosse Pointe on top, 29-20.

The Grosse Pointe High School cagers will meet Wyanotte for the first time this season next Friday night, in the local gym.

In this game, four members of the Blue Devils squad will end their high school careers, either by graduation or ineligibility, under the nine-semester ruling. They are Bob Holahan, Alonzo Marsack, Harvey Hunyady, and Fred Beyer.

Last year Grosse Pointe met the Bears twice and won both games. The contest will begin at 8:15 o'clock and a reserve tilt will precede it beginning at 7 o'clock.

Park Primary Election Feb. 14

Grosse Pointe Park will hold its Primary election on Monday, February 14, from 7 a. m. to 8 p. m. to nominate candidates for the offices of three Village Commissioners for a two-year term, and a Village President for a two-year term.

All voters residing on the south side of Kercheval avenue will vote at the Municipal Building, 15115 East Jefferson avenue, and all voters residing north of Kercheval avenue will vote at the George Defer school on Kercheval avenue, between Nottingham and Balfour road.

The Board of Registration will meet on January 29 for the purpose of registering voters who have not already registered.

Mrs. Carl M. Weideman Passed Away Tuesday

Mrs. Thelma Weideman, wife of Carl M. Weideman, Circuit Court commissioner and former congressman, died suddenly Tuesday afternoon in her home at 1416 Buckingham road, Grosse Pointe Park, of a heart attack.

Mrs. Weideman, who was 38 years old, had been ill for more than a year. She was born in Detroit and was a graduate of Northern High School. She was formerly active in the affairs of the Detroit Social Turnverein, of which her husband is president, and was a member of the glee club and the gymnasium class before her illness.

She leaves her husband, a son, Carl, Jr., 14 years old; her parents, Mr. and Mrs. Frank May, and a sister, Mrs. Jules Hoffman, of Grosse Pointe.

Funeral services will be held in the home at 2 p. m. Friday, the Rev. Francis B. Creamer, rector of Christ Episcopal Church, officiating. The services will be private.

C. W. Martin Book Review to Be Held on February 1st

On Tuesday, February 1, at 2 p. m., Cecyl Wilcox Martin will give her regular semi-monthly program of current events and book reviews at the home of Mrs. S. M. Cadwell, 436 Washington road. The reviews for the day will include the story of Sinclair Lewis' new novel, "The Prodigal Parents"; a resume of "Midnight on the Desert" by J. B. Priestley and "Red Star Over China" by Edgar Snow. Those interested in the news and books of the day are welcome.

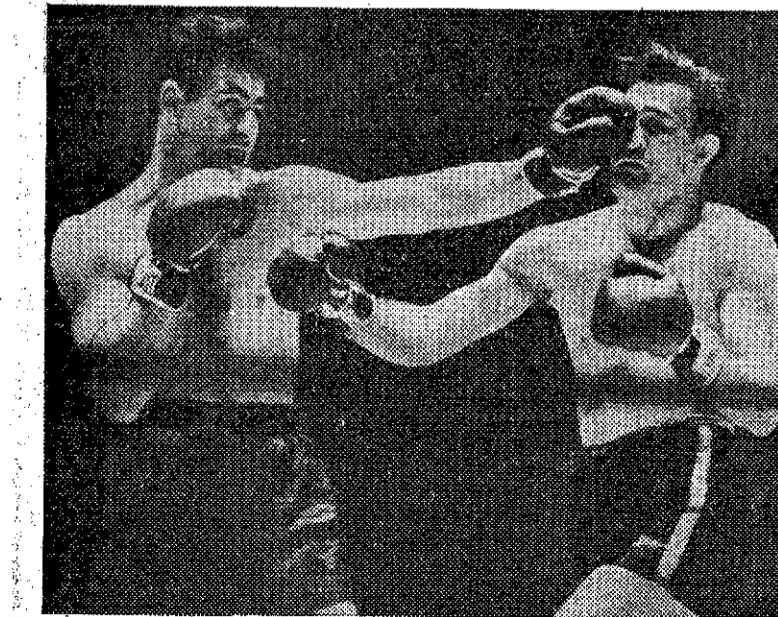

These afternoons with Mrs. Martin are becoming more and more popular with Grosse Pointe women as evidenced by the capacity audience at the home of Mrs. Henry Schoch on January 18. The book most highly recommended by the speaker on that day was the best seller among non-fiction volumes, "The Importance of Living" by Lin Yutang which was described as "A book that gives us the philosophy of living in terms that are gay, simple and yet deeply profound in fundamentals."

Garner Takes a Trimming

Vice President John N. Garner, pictured in the barber shop of the house of representatives as he had his locks trimmed before going to preside at a session of the United States senate. The barber is James Neale, who has done all the whittling on Mr. Garner's crowning glory for the past 21 years.

Champ Takes One on the Nose

Fred Apostoli of San Francisco, claimant of the world middleweight title, sends a left jab kerplunk to the nose of Freddie Steele of Tacoma, Wash., middleweight champion, in the first round of their recent 12-round non-title bout at Madison Square Garden, New York. Apostoli won in the ninth round on a technical knockout when the referee stopped the bout.

Light your kitchen like

this one

...for a cheery, more efficient place to work

KITCHEN work sails along faster with good lighting. No energy is wasted in trying to see—there is no fumbling or groping in dark corners, no mishaps due to uncertain vision in shadowed working spaces. Good lighting can make your kitchen bright and pleasant, as cheery as any room in the house. When you spend so many hours in the kitchen, you want the room to be light and attractive—not dark and gloomy and depressing. Good lighting is a great help to speed your work along and conserve your energy.

The average kitchen can be well lighted—like the one above—with one 150-watt lamp in the center ceiling fixture, and 60-watt lamps in small brackets over the range, the sink and the working surface. The cost of lighting your kitchen in this way is only about a cent an hour. If you have a small kitchen, a 100-watt lamp may be used in the center ceiling fixture instead of a 150-watt lamp.

Now in the dark winter months, especially, you will appreciate a well-lighted kitchen. Though skies may be cloudy at midday or pitch black by night, you can work serenely in a pleasant, bright room—speedily and efficiently. For helpful suggestions or advice on your home lighting problems, call a Detroit Edison Home Lighting Advisor. There is no charge for this service.

A Lecture
on
Christian Science

Christian Science: The
Science of Christ-Healing
by

Colin Rucker Eddison, C. S.
of London, England

Member of the Board of Lecturers of The
Mother Church, The First Church of Christ,
Scientist, in Boston, Massachusetts

It is recorded in the Gospel of John that Christ Jesus declared, "This is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent." Life eternal, that abundant life which Jesus said that he came to give, implies more than mere existence. It includes health, freedom, happiness—all that makes life worth having. "This is life eternal," the Master said—not shall be; and what mankind needs, what we all long for, is present salvation from the problems and perplexities that beset us, from sin and sorrow, from sickness and from all the Christian Science teaches and proves that such deliverance is possible here and now through a right understanding of God, as Jesus indicated.

Christian Scientists turn naturally to the Bible to learn about God, for no body of people holds the Bible in greater reverence. It was in the Bible that Mrs. Eddy discerned the truths she afterwards set out in the Christian Science textbook, and her followers find that the Bible grows more and more important to them in their daily lives as they study its pages in the light thrown upon them by Christian Science.

Throughout the Old Testament may be discerned a gradually developing concept of the nature of God; a concept sometimes overlaid with primitive notions of a God of battles, swayed by human passions such as revenge or favoritism; at other times more spiritual and universal in its meaning. Thus we may trace in the Old Testament the thought of God as infinite, as omnipotent, as all-knowing and eternal, the intelligent source and cause of everything that exists.

It is, however, in the New Testament, more especially of course, in the life and work of Christ Jesus, that we find the clearest, the most convincing explanation and demonstration of what God is. Sitting by the well-side at Sychar, Jesus said plainly to the woman of Samaria, "God is a Spirit." And the supreme revelation of God's nature made by our Master, in his teaching, in his works of healing, in his whole life of patient self-sacrifice, was that God is Love.

As a result of her deep and persistent study of the Scriptures and of her spiritual inspiration Mrs. Eddy was able to answer the question "What is God?" in the Christian Science textbook as follows: "God is incorporeal, divine, supreme, infinite Mind, Spirit, Soul, Principle, Life, Truth, Love" (Science and Health, p. 465). This, then, is the God whom Christian Science enables us to know and understand, and to find "forever near," because, being infinite, He is ever present.

Jesus and Christ

The way in which Christian Science enables us to know God is by helping us to understand more intelligently the life and work of Christ Jesus. Jesus once asked his disciples a momentous question. There were current among his contemporaries many different views and theories about him. Some people thought he was John the Baptist, others thought he was Elijah, or one of the prophets risen again. Jesus rejected all such fantastic speculations and said to his disciples, "But whom say ye that I am?" Peter answered, "Thou art the Christ, the Son of the living God." That Jesus approved this answer and regarded it as important is shown by his reply, "Blessed art thou, Simon Bar-jona: for flesh and blood hath not revealed it unto thee, but my Father which is in heaven."

What, then, is the meaning of this title "Christ"? Christian Science explains that there is a distinction between "Jesus" and "Christ." The term "Christ" is not merely a synonym for "Jesus." The human Jesus was the best and greatest man that ever lived. His example remains forever as the standard for Christian living. He is the Way-shower, in whose footsteps Christian Scientists endeavor humbly to follow. It is impossible to exaggerate the debt which the world owes to the Founder of Christianity. He went about doing good—he healed the sick, fed the hungry, raised the dead. He imposed upon his followers that great command to love one another. By his victory on the cross and his resurrection he proved that life is spiritual and eternal.

What was it that enabled him to do all this? Christian Science teaches that it was the Christ, Truth, which Jesus understood in fullest measure. Jesus, as Mrs. Eddy has pointed out, is a human name with the Master shared with others of his race; Christ, on the other hand, is a divine title which refers to the spirituality expressed throughout his life and teaching. In Science and Health (p. 583) may be found this definition of Christ: "The divine manifestation of God, which comes to the flesh, and is incarnate error." That which is manifest is clear, plainly understood. It was, then, the Master's clear apprehension of what God is that entitled him to be called "Christ Jesus," and that healed and saved those who turned to him for help.

It was upon his healing work that Jesus relied to substantiate the truth of what he taught and to confirm Peter's acknowledgment of him as the Christ. And today it is by his healing and regenerating work that Christian Science confirms and substantiates its teachings, and its claim to reveal to this age the Christ, Truth, which made Jesus the Messiah.

The Will of God
It is said of Jesus in the epistle to the Hebrews, "Lo, I come . . . to do thy will, O God," a statement confirmed by many of our Lord's own sayings. His works illustrate and demonstrate the will of God. When with a word Jesus stilled the storm which seemed to threaten the disciples' safety, he proved that the terrible destructive forces of nature are contrary to the will of God. When he fed the multitudes with resources impossibly small from a material standpoint, he proved that material limitation is not in conformity with God's will. He showed by healing the sick that disease and infirmity are not the will of God. By raising the dead he proved that death is not the will of God. What did these works of Jesus prove? Surely the opposite of the conditions which he destroyed; peace and safety, not distress and danger; the absence of spiritual substance, the freedom and vitality of health, life in all its full abundance. He brought these positive realities into men's experience through his knowledge of the Christ.

This leads to another point for consideration. Can there be anything contrary to the will of God? Since God is infinite Mind, the only cause and creator, the sole source of existence, only that which is in accordance with His will can be real. Christian Science holds that sin, disease, disaster, lack of success and all such things are incompatible with the nature of God, who is infinite Life, Truth, and Love. Indeed Christian Science goes further and declares that neither matter nor evil has any real existence, since God is infinite Spirit and is infinitely good. That such a conclusion is not a mere theory is made clear. Our Master said, "It is the spirit that quickeneth; the flesh [that is, matter] profiteth nothing." When he healed a woman who is described as having been bowed together for eighteen years, he said that Satan, the devil, had bound her—and elsewhere he said of the devil, or evil, that "he was a murderer from the beginning, and abode not in the truth, because there is no truth in him." That which has no truth in it cannot be real. Christian Science therefore teaches that evil and all its manifestations are unreal, and that the destruction by Christ Jesus of sin, disease, death—all manifestations of evil—confirms that conclusion.

How are we to explain the apparent reality of evil, of sin, disease, cruelty, and so on? What seems to be true but is not true is a misconception, a false belief. Misconceptions about anything are removed when they are corrected by acquaintance with the true facts. Jesus said, "Ye shall know the truth, and the truth shall make you free." That from which truth sets free is not truth but error, not real but unreal. The Christian Scientist is not so much concerned to wonder where the false belief, the illusion, of sin and disease came from, as to prove their illusory nature by reforming character and healing sickness.

Christian Science Discovered
Did the Christ disappear beyond the reach of human recognition when Jesus rose above men's sight in his ascension? Christ is Truth and therefore is eternal, ever present, always available to be understood. "Throughout all generations," we read in the Christian Science textbook (p. 338), "both before and during the Christian era, the Christ, as the spiritual idea,—the reflection of God,—has come with some measure of power and grace to all prepared to receive Christ, Truth." Just as the great characters of the Old Testament caught glimpses of the truth about God and man, so also since the beginning of the Christian era men of deep spiritual insight have also perceived something of that same truth, and this perception has enabled them to bring help, comfort, and spiritual progress to the world.

Then in the year 1866 the Christ was revealed to man so also since the time of Jesus, to Mary Baker Eddy, who after half a lifetime of devotion to the things of Spirit, was indeed "prepared to receive Christ, Truth." In her autobiography, "Retrospection and Introspection," and elsewhere in her writings, she has recorded how, after sustaining a severe accident, she was lying in a seriously injured condition and turned to the Bible for help and consolation. She there read the story of the healing of the man sick of the palsy, with the result that she was able to rise from her bed and join her friends in a room near by, where they were waiting for her to pass away. Mrs. Eddy's turning to God in this extremity proved the present operation of that same divine law that was demonstrated in the healing work of Christ Jesus. God had made manifest to her: the Christ had come to her consciousness and it restored her to health. She records a conversation at this time with a friend as follows: "A dear old lady asked me, 'How is it that you are restored to us?' Has Christ come again on earth? 'Christ never left,' I replied; 'Christ is Truth, and Truth is always here,—the Impersonal Saviour'" (Miscellaneous Writings, p. 180).

Mrs. Eddy was not content to leave the matter there. She realized that she must share her discovery with the world. Thanks to her unselfish work, the Science of Christ has been stated in clear and unmistakable language in the Christian Science textbook, "Science and Health with Key to the Scriptures," and in Mrs. Eddy's other writings. Anyone who cares to study those works in connection with the Bible may learn the truth about God and man, and so find that divine Love is manifest in human experience today in the healing of sickness and sin, just as it was in the first days of the Christian era.

Mrs. Eddy was alone responsible for the discovery of Christian Science and for its establishment. She organized The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, founded its periodicals, guided its early footsteps, and safely protected its future growth and development by providing it with its Rules and By-Laws in the Church Manual.

There is little wonder that the

Mr. and Mrs. Addison E. Holton, formerly of Hendrie Lane, moved last week into the home of Mrs. Holton's brother, Frank W. Brooks, Jr., on Bishop road. Mr. Brooks is living on Touraine road.

Mrs. Russell A. Alger, of Provençal road, will entertain Mrs. Thomas H. Simpson, of Burns avenue, in her winter home in Boca Grande, Fla., after Mrs. Simpson's visit in New York.

Mr. and Mrs. George T. Hunter, of Berkshire road, were hosts Sunday at a breakfast in their home, honoring Mrs. Albert A. Allen, of Bedford road, who left Monday for Vero Beach, Fla.

in Detroit and Sunday's sermon is entitled, "In Our Homes."

The young people's group will hold special services Sunday evening as a special contribution toward Young People's Day, which is being recognized throughout the country at all Presbyterian churches.

AN ORDINANCE

RELATIVE To Abandoned Property and the Sale Thereof.

THE PEOPLE OF THE CITY OF GROSSE POINTE ENACT AND ORDAIN:

Section 1. The Police Department of the City of Grosse Pointe is hereby authorized to take possession of any abandoned property found in the City of Grosse Pointe or at the park docks of the City and hold the same in accord herewith for the person entitled to the possession thereof or for sale.

Section 2. Upon taking possession thereof, the Police Department at once shall attempt to determine who is entitled to possession thereof and forthwith notify such person in writing in regard thereto, whereupon the one entitled to possession shall call for such property, and, upon paying to the treasurer of the City of Grosse Pointe the cost of the storage thereof and any reasonable expense incurred in regard thereto, shall be entitled to the possession thereof.

Section 3. If, upon being so notified, such person does not call for the property within ten days after the mailing of the notice to the last known address of such person, or in case the one entitled to possession thereof cannot be found by the Police Department or the Police Department cannot determine who is entitled to possession thereof within thirty days of the Police Department taking possession thereof, the clerk of the City of Grosse Pointe shall advertise the same for sale once each week for two consecutive weeks in a newspaper circulated in the City of Grosse Pointe, the sale to be conducted by the clerk of the City as an auction and at the Police Station.

Section 4. The clerk shall enter upon his records the details of each such sale and shall turn over the proceeds of the sale to the city treasurer who shall deposit the same to the general funds of the City.

Section 5. This ordinance is not applicable to dogs.

NORBERT P. NEFF, City Clerk.

Adopted January 17, 1938. Posted January 22, 1938. Published January 27, 1938.

Lecture on Christian Science by Colin Rucker Eddison, C.B.S.

(Continued from Page Two)

vast number of people who have found health and happiness through the teachings of Christian Science, who have above all found God, a divine Principle on whom they can rely for guidance and protection both in the small and great things of life, are unreservedly grateful to Mrs. Eddy for her work. They recognize that only one who lived close to God, and who expressed throughout her life the purity and nobility of character which come only from unswerving obedience to divine Principle, could have made such blessings available to themselves and to all mankind. In the words of King Lemuel in the book of Proverbs, "Let her own works praise her in the gates."

Repentance and Healing

It must not be thought that the salvation which Christian Science offers is salvation only from physical difficulties and discomforts. Indeed, some of the most far-reaching and beneficent work which Christian Science accomplishes lies in the healing of faults of character, in the destruction of sin. Jesus said, "Repent; for the kingdom of heaven is at hand." There is more in repentance than mere regret. The Greek word translated "repent" means "change your thought." Sor- row for sin is essential; sin will never be abandoned so long as it is not regretted, deeply and sincerely. Regret alone, however, will never destroy sin, for regret does not expose sin's unreality. Unreal it must be, since it is inconsistent with the infinite goodness of God.

Repentance must be more than regret—it must be complete change of thought. As soon as the sinner begins to understand the perfection of God, and His reflection man, he sees that his indulgence in sin means that he has been believing in something that is unreal. When he fully grasps the unreality of the sin that is besetting him he is freed from its thrall. But salvation from sin is not by absolute honesty. To say sin is unreal and willfully to indulge it is dishonest, and can only prolong the belief in separation from God and the consequent suffering inseparable from sin until it is abandoned. Conversely, freedom from sin is only fully gained when the unreality of sin is understood.

That repentance is essential to the destruction of sin is generally agreed. We have not thought, perhaps, that we must also repent of sickness and disease if we are to be free from them. Yet repentance, or change of thought, in connection with physical difficulties, in fact in connection with all ailments, is the only way to their solution.

Let us consider this more in detail. Suppose, for instance, someone suffering from a so-called hereditary disease turns to Christian Science in search of help. He begins to learn that God is the only creator of man, as Jesus recognized when he said to his disciples, "Call no man your father upon the earth; for one is your Father, which is in heaven." The sufferer realizes that, in truth, God is his only ancestor. Then his beliefs about his so-called inheritance begin to alter. He sees that since God is his Father his inheritance is one of god in himself, and that the son of God man can express only that which is sound and pure and Godlike. Instead of thinking of his seeming material inheritance of sickness, he declares, with the Psalmist, "yea, I have a goodly heritage." The fear engendered by a false material belief of heredity is broken, and the sufferer finds himself free.

Fear Eliminated

I said, "The fear is broken." One of the greatest blessings wrought by the repentance or change of thinking which Christ, Truth, brings to us, is freedom from fear. Fear is the great enslaver of mortals. It is proverbial that it is not the evils in human existence, therefore, that are our worst tormentors, but our fear of them. Christian Science shows us that fear lies at the root of all disease, and it gives us that understanding of divine Love which destroys fear.

If fear were eliminated from human consciousness, not only would the main factor in disease be destroyed, but the solution of all social, industrial, and international difficulties would speedily be reached. It is fear, in one or other of its many forms, which underlies industrial upheavals and is the source of international tension and of war. There is only one thing which will finally and fully solve such problems, and that is the understanding that God is Love. "Perfect love," John said, "casteth out fear." Nothing else can or will. As men learn to know that God is Love, and that man is Love's reflection or expression, their fears begin to abate. They begin to realize that infinite Love could not do less than provide all that is necessary for the life and happiness of its children. Then, as fear lessens, thoughts of envy, resentment, competition, and rivalry cease to predominate. Peace of mind and a sense of security take their place. Christian Scientists are proving this to be true in their individual and social lives. In the range of their own daily lives—in their homes, in business, in their several communities. As this individual experience gathers force—and it is doing so daily—it must have its effect in the wider sphere of national and international affairs, until the universal brotherhood of man becomes an accomplished fact. Meanwhile, to think lovingly and truly—that is, to think from the standpoint of divine Principle—about the world's problems is a contribution to their solution which we all can and should, and eventually must, make.

In these days of financial and industrial difficulties it is natural to ask whether Christian Science can help the business man or woman. It can and does, just as it helps in sickness. As it becomes understood that God is Mind and that man reflects that Mind, it is found that there are infinite resources on which we can draw for intelligence, wisdom, perspicacity, and business acumen. As God is acknowledged to be the only power it is found that He governs all things, and governs them well.

Mr. and Mrs. Earl G. Kirby returned the first of last week to their home on St. Paul avenue, after a ten-day sojourn in New York.

God the Only Cause

Since God is infinite, omnipotent, He is the one primal cause of all things, and the understanding of this fact is very helpful in many ways. If God is the only cause, there can be no real effect, except from God, Spirit, Principle. You cannot have an effect from that which is not cause. When our thought about causation begins to turn from a material to a spiritual basis a great change comes into our experience. We begin to challenge the validity of any cause or reason for unpleasant or unhappy occurrences. I will give you an example; again from the experience of an acquaintance of mine. A large roll of paper weighing some 150 pounds fell from a height across his foot and crushed it, inflicting a severe injury. He battled with the difficulty for two days without relief and then had recourse to a Christian Science practitioner. When the practitioner arrived his friend could not put his foot to the ground. They spent an hour together and during that time spoke much of God as the only cause. It was clearly seen that if God, good, is the only cause, the accident which was certainly not a good thing, could not be a cause, and could not therefore have any effect; that it was a false belief claiming unlawfully to be causative. At the end of the hour my friend walked freely with the practitioner to the door, in a day or two he was back at work, and in a short time there was no trace whatever of the accident.

Now similar reasoning is valid in all cases of sickness or disease—whatever seems to be the cause has in reality no power in it. God being the only cause, there can be no effect but that which comes from God, and whatever seems to be existent but comes not from God is causeless—is unreal and untrue, and can be proved to be so. It may be helpful to the Christian Scientist to know what is believed to be the cause of any difficulty with which he is confronted, but only in order that he may bring to bear upon his understanding of the truth stated in the Christian Science textbook (p. 262): "Divine Mind is the only cause or Principle of existence. Cause does not exist in matter, in mortal mind, or in physical forms."

Christian Science Treatment

Such, then, are some of the effects in human experience of the Christ, Truth, as it becomes understood through the study of Christian Science. This is the "divine manifestation of God" coming to the flesh in our day, and so changing thought from ignorance and false belief to the true understanding of God and man, that the dark shadows of sickness, sin, fear, doubt, and sorrow yield to the reality of man in the image and likeness of God.

Let me emphasize one point here. The change of thought that is brought about by Christian Science and which results in healing, has nothing in common with hypnotism or autosuggestion. It is not the result of mental control exercised by the practitioner over the patient, nor of self-mesmerism on the part of one who uses his understanding of Christian Science to help himself. The change of thought comes about just as the change from ignorance or mistaken belief to knowledge and understanding of the true facts comes about in connection with any other subject. As a knowledge of the science of numbers corrects mistakes in computation, and eliminates their effects, so the Science of Christ corrects mistaken conceptions about God and man, and eliminates their effects from our experience. When a Christian Scientist undertakes to give a treatment to himself, or to anyone else, he endeavors to realize that there is only one God, one Mind, one Life, Truth, Love, and that man reflects that one God. He declares, thankfully, that man is governed by no laws save the laws of divine Principle, and that those laws are operative everywhere, and are always available to destroy the beliefs of any existence separate from God. He realizes the power and presence of divine Love in all its infinite perfection, and Love's tender care for every one of its ideas. Furthermore, he denies the reality of all that is unlike God.

The best treatment is that which reflects most faithfully the one God—that has in it most of that "mind" which was also in Christ Jesus. Just as the Master's knowledge of the Christ was potent to free those sufferers who came to him for help, so does that same Christ, Truth, enable us to help our fellow man, in the degree that we understand it and are faithful to it. This is in accordance with our Master's own words, "He that believeth on me—that is, he that understands what Jesus was, he that shares Peter's perception that it was the Christ that enabled Jesus to heal the sick—"He that believeth on me, the works that I do shall he do also." It is the Christ, Truth, that heals in Christian Science treatment.

True Prayer

There is a subject which Christian Scientists regard as deeply important—and that subject is Prayer. The first chapter of the Christian Science textbook is entitled "Prayer," and it contains a clear and inspiring explanation of what true prayer is. A study of this chapter shows how inevitably one's concept of prayer changes as one's concept of God changes. So long as we think of God as capable of human feelings and passions, as one who sends or withholds punishment according to His pleasure, it is natural that we should regard prayer as a means of persuading the Almighty to interfere on our behalf when we are in trouble, or to change His intentions towards us. A very different attitude to prayer comes to us as we lose that false concept of God and begin to understand Him aright as infinite Principle, divine omnipresent Love, the one Mind, Truth, who "saw every thing that he had made, and, behold, it was very good." Does God need to be changed, who is by His very nature infinite good, and can know no evil, sickness, or sorrow? Does man, His image and likeness, the reflection of His infinite

(Continued from Page Five)

Mr. and Mrs. John B. Ford, Jr., and Emory M. Ford left January 20 to spend six weeks in Los Angeles.

Mrs. J. Milton Robb, of Lakeland avenue, is home from her stay in Memphis, Tenn.

Nancy Schaefer, of Grosse Pointe, was a member of the cast of the play, "This Proud Pilgrimage," given by Play Production at the University of Michigan, January 20-22.

Mr. and Mrs. Vernon Charles Geiger (Barbara Allen) who were married January 3, are now at home in St. Joseph, Mo., after a short stay in New Orleans.

Grosse Pointe Lutheran Church

"Storms which rock the ship on life's sea" will be the subject of the sermon at the Grosse Pointe Lutheran Church, worshipping in the Richard school auditorium, Kercheval avenue and McKinley road, Sunday morning, January 30, at 11 o'clock, preached by the Rev. M. Luther Canup, D. D., pastor.

"Ministering to Spiritual Needs" will be the subject taught in the higher grades in Sunday school at 9:45 a. m., where there are classes for all ages and all grades.

Mrs. Bernard W. Cruse teaches the adult class. Bring your children and remain yourself for the excellent instruction in this class.

In the attendance contest last Sunday the girls won over the boys in having the largest percentage of their members present and also in having the most new scholars.

Mrs. Leonard Schneider's class (girl juniors) had the largest percentage of its members present. Mrs. Stanley Weaver's class of junior boys and girls had the second highest. Miss Dorothy Carr's class of beginners had the third largest percentage present.

We have new enrollments every Sunday. We teach God's Word. We have competent and consecrated teachers. You are cordially invited to attend both the Sunday school and also the preaching hour.

Notice of ELECTION

To the Qualified Electors of the Village of Grosse Pointe Park

You are hereby notified that the Primary Election for the nomination of officers in accordance with the Village Charter will be held in the Village of Grosse Pointe Park on

Monday, February 14, 1938

and that the polls for said election shall be open from 7:00 o'clock in the forenoon to 8:00 o'clock in the evening, Eastern Standard Time.

You are further notified that candidates for the following offices will be nominated at said Primary Election, to-wit:

- 3 VILLAGE COMMISSIONERS FOR TWO YEAR TERM
- 1 VILLAGE PRESIDENT FOR TWO YEAR TERM

You are further notified that the polling places for said Primary Election shall be the following places:

The Voting Booth in the Municipal Building situated on Jefferson Avenue between Maryland Avenue and Lakepointe Avenue in the Village of Grosse Pointe Park for Voting Precinct No. 1 which shall embrace all territory South of the center line of Kercheval Avenue for its entire length in the Village of Grosse Pointe Park.

The Voting Booth in the George Defer School situated on Kercheval Avenue between Nottingham Road and Balfour Road in the Village of Grosse Pointe Park for Voting Precinct No. 2, which shall embrace all territory North of the center line of Kercheval Avenue for its entire length in the Village of Grosse Pointe Park.

You are further notified that if you have not already registered, you may do so by appearing before the Board of Registration which will be in session on Saturday, January 22nd, 1938, and Saturday, January 29th, 1938, between the hours of 8:00 o'clock in the forenoon and 8:00 o'clock in the evening, Eastern Standard Time, at the respective voting precincts, to-wit:

Voting Precinct No. 1, embracing all territory South of the center line of Kercheval Avenue for its entire length in the Village of Grosse Pointe Park, at the Municipal Building, situated on Jefferson Avenue between Maryland Avenue and Lakepointe Avenue in the Village of Grosse Pointe Park.

Voting Precinct No. 2, embracing all territory North of the center line of Kercheval Avenue for its entire length in the Village of Grosse Pointe Park, at the George Defer School, situated on Kercheval Avenue between Nottingham Road and Balfour Road in the Village of Grosse Pointe Park.

You are further notified that registration may also be made with the Village Clerk any time up to and including Saturday, February 5, 1938.

Waldo J. Berns,
VILLAGE CLERK

Lecture on Christian Science by Colin Rucker Eddison, C.B.S.
(Continued from Page Three)

perfection, require alteration or improvement? The answer must be, "No." What does need to be changed is the false material concept about God and man. This change is the object of prayer. Prayer might, in fact, be described as the means whereby repentance is made permanent—it is the method whereby our altered ideas about God become natural and continuous, and are applied to the problems which confront us. Mrs. Eddy writes in the Christian Science textbook, in the first chapter on Prayer, to which I referred (p. 2), "Prayer cannot change the Science of being, but it tends to bring us into harmony with it."

We are not brought into harmony with the Science of being merely by asking that this may be done, but rather by an intelligent recognition and affirmation of the true facts about God's creation. In reality, man can expect nothing which is not in accordance with the goodness of God. Therefore, when a Christian Scientist seems to be faced with conditions such as unhappiness, depression, loss, sickness, or the like, he knows that he is dealing, not with stubborn realities, but with the false suggestions of that carnal mind which Paul defines as "enmity against God." He meets and masters such false suggestions by the positive mental declaration of the truth of being, of the perfection of God and man, God's spiritual idea. Such an affirmative attitude of mind makes his prayers effective and triumphant.

Two examples of the prayer of affirmation and its results occur to me—one from the Old Testament, one from the New. Both are familiar, but their example and inspiration are forever fresh. The first is the story of the Shunammite woman, found in the second book of Kings. When her little son lay dead, and the Shunammite hastened to Elisha for help, we do not read that the mother uttered any plea to God to restore her child, but she answered all questions as to her trouble with that valiant declaration of the truth, "It is well." We know the sequel, for her child was given back to her alive. The second example is that of Jesus at the tomb of Lazarus. Jesus' prayer was: "Father, I thank thee that thou hast heard me. And I knew that thou hearest me always;" and with supreme confidence in the omnipotence of Life he called Lazarus forth from the tomb where he had lain four days. And Lazarus came forth.

The object of prayer is not merely to find relief from some particular difficulty or suffering, but to demonstrate the universal power of divine Love to meet human needs. In her work "No and Yes" (p. 39), Mrs. Eddy writes, "The prayer is not asking God for love; it is learning to love, and to include all mankind in one affection."

We read in the book of Revelation, "Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he will be with me." The Truth, which is knocking today at the portal of human hearts and minds in the teachings of Christian Science. Shall we not open the door of consciousness and welcome in the Christ, the "divine manifestation of God, which comes to the flesh to destroy incarnate error," as Mrs. Eddy has defined it (Science and Health, p. 583)? It was this Christ, Truth, which gave Jesus power to bring Christianity to the world, with all its blessings of health, freedom, happiness, and peace. Throughout the years since the days of the Master, glimpses of Truth have been caught by men and women of spiritual perception. Then, in due time, owing to her life of preparation and to her deeply spiritual character, Mary Baker Eddy discovered this same Truth in its full majesty in the pages of the Holy Bible. She embodied her discovery and its application to human needs in the Christian Science textbook, "Science and Health with Key to the Scriptures," and in her other writings. A study of the Bible in the light of Mrs. Eddy's works brings Christ to the human understanding; it teaches us that God is Spirit, Mind, Life, Truth, and Love; it shows us man reflecting the perfection of his creator. Thus our concept of ourselves and of our fellow man is spiritualized and purified through repentance, or change of thought, and through prayer. In this way, and by these means, Christian Science offers to all mankind health of mind and health of body, peace, freedom, strength, happiness—salvation. In the words of our Leader, Mary Baker Eddy, in her "Miscellaneous Writings" (p. 164): "Abide in His [God's] word, and it shall abide in you; and the healing Christ will again be made manifest in the flesh—understood and glorified."

SOCIETY

By MARY JANE STOETZEL.
Mrs. Charles Marden attended the annual conference of the National Board of Review held in New York January 20-23, as a representative of the Detroit and Grosse Pointe Motion Picture Councils.

Mr. A. G. Brown, of Bloomfield Hills, spoke on the topic "The Pruning and Spraying of Trees," at the regular clinic

E. S. Watko

Jefferson Avenue Baptist Church
Continuing his series of addresses on "Love in Human Relationships," the Rev. Wayland Zwayer, minister of the Jefferson Avenue Baptist Church will speak this Sunday night on "Love and Courtship." This service will be at 7:30 p. m. and will be followed by an informal social gathering for young people in the chapel at 8:30 p. m.

"The Inevitable Christ" will be the subject of the sermon at the 11 morning worship. The church school meets at 9:45 a. m., and the young people's organizations at 6:30 p. m.

If you are without a church home in this vicinity the pastor and members of Jefferson Avenue Baptist Church cordially invite you to be with them in Sunday's services.

Christian Science Church
"Love" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, January 30.

The Golden Text, from 1 John 4:16 is: "We have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in God, and God in him."

Among the Bible citations is this passage (Jeremiah 31:3): "The Lord hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love: therefore with lovingkindness have I drawn thee."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 302): "God is Love. He is therefore the divine, infinite Principle, called Person or God."

Peggy Brucker, of Moran road, gave an open-house Friday night after the first D. U. S. basketball game at Centerline. Some of the guests were Bob McKee, Palmer Heenan, Tom Fox, John Breitmeyer and Jack Allen, Wanny Scripps, Eveleigh, Uatsay Posselius and Martha Blood, besides lots

Proposed Amendment to the Charter of the Village of Grosse Pointe Park, Michigan

BE IT RESOLVED That the Charter of the Village of Grosse Pointe Park be amended so as to add the following Chapter thereto, to-wit:

CHAPTER XXVI. PENSION.

SECTION 1. A system of pensions and retirements for the benefit of the personnel of the various departments of the Village of Grosse Pointe Park is hereby established to take effect on the 1st day of July, 1938.

SECTION 2. A Pension and Retirement Board is hereby created, hereinafter referred to as the "Board," which shall consist of three members, one of whom shall be selected by the Commission of the Village of Grosse Pointe Park, hereinafter referred to as the Commission, from its own membership; one member to be selected by the employees of the Village at an election to be held under rules prescribed by the Commission; one member to be a resident freeholder of the Village of Grosse Pointe Park to be selected by the President of the Village.

SECTION 3. The members of the Board shall hold office for a period of two (2) years from the date of their confirmation to the Board, except that in event any member shall, prior to the expiration of his term, cease to have the qualifications required, as referred to in Section two (2) of this Chapter, such member's office shall become vacated and a successor shall be appointed by the President of the Village to fulfill the unexpired portion of the vacating member's term.

SECTION 4. The members of the Board shall serve without compensation.

SECTION 5. The Board Member selected by the Commission from its own membership shall be Chairman of the Board. The Treasurer of the Village and/or his representative shall be ex-officio Secretary of the Board.

SECTION 6. (a) The Board shall hold meetings regularly and shall designate the time and place thereof. It shall adopt its own rules of procedure and shall keep a record of its proceedings.
(b) The Board may employ such legal, medical, and other services as are necessary for the proper operation of the System of Pensions and Retirements. It shall fix compensation for such services subject to the approval of the Commission.

SECTION 7. (a) The Village Treasurer shall be custodian of all funds set aside for pensions and retirements and all moneys appropriated shall be deposited in a separate fund to be known as the Pension Fund. The Village Treasurer shall give a good and sufficient bond for the faithful performance of his duties and the safekeeping of all moneys coming into his hands under the provisions of this Chapter of the Charter.
(b) Disbursements from the Pension Fund, referred to in Section seven (7) of this Chapter, for pensions and other benefits payable under the provisions of this Chapter shall be made by the Village Treasurer upon certification of the Board.

SECTION 8. The term "employee," as used in this Chapter of the Charter of the Village of Grosse Pointe Park, shall mean only those employees who render full-time service to the Village and who are on the Village's payroll at least eleven (11) months of each year. Elective officials or employees who average less than eleven (11) full months' employment annually in any three year period shall not be considered to be employees within the meaning of this Chapter of the Village Charter. In cases of doubt, the Board shall determine who is an employee.

SECTION 9. (a) Upon written application of an employee, of the Village of Grosse Pointe Park who has attained the age of sixty (60) years and who has been in the employment of the Village for a continuous period of twenty (20) years immediately preceding retirement shall be entitled to a Retirement Pension, provided that in determining the period of service no deduction shall be made from the employment record of any employee of the Village who shall have discontinued his employment with the Village for the purpose of entering the military services of the United States during the World War or any future war in which the United States may be involved and who shall thereafter return to the employment of the Village after being honorably discharged from such military service.
(b) An employee's Retirement Pension shall be one-half (1/2) of his total compensation received from the Village during the twelve (12) months immediately preceding his retirement from service, provided that such pension shall not exceed eighteen hundred (\$1,800.00) dollars per annum.

SECTION 10. (a) Upon written application of an employee of the Village of Grosse Pointe Park who, by reason of sickness or injury, shall be incapacitated for duty, such employee may be retired provided the Board orders retirement after reviewing a report of the disabled employee's physical condition made by a physician to be designated by the Board. Upon retirement for disability, an employee shall receive a disability pension during his period of disability or until prior death.
(b) An Employee's Disability Pension shall be one-half (1/2) of his total compensation received from the Village during the twelve (12) months immediately preceding his retirement for disability, provided that such pension shall not exceed eighteen hundred (\$1,800.00) dollars per annum.

(c) An employee receiving disability pension shall be required to submit to a physical examination by a physician designated by the Board at least once each year to determine whether or not in the opinion of the Board such employee is able to return to duty with the Village. A disabled employee shall be accorded the right to appeal a decision of the Board to the Village Commission. The Village Commission, when considering an appeal, may in its discretion order further physical examinations of the disabled employee and its decision shall be final. Upon return to duty an employee's Disability Pension shall cease.

(d) An employee who shall be retired because of disability shall, upon order of the Board, return to duty upon the termination of the disability, provided, however, that such employee shall not be required, without his consent, to undertake any employment in the Village of Grosse Pointe Park different from that in which he was engaged at the time of retirement.

SECTION 11. (a) Upon the death of an employee of the Village of Grosse Pointe Park, there shall be paid:
(b) To the widow of the deceased employee, if he leave a widow, a pension of twelve hundred (\$1,200.00) dollars per annum to continue during her widowhood or prior death. If a child or children under age sixteen (16) years survive the deceased employee, each child shall receive an allowance, of twenty-five (\$25.00) dollars each month until he or she attains age sixteen (16) years or until his or her prior death. The total amount of the pension to be paid under this paragraph shall not exceed eighteen hundred (\$1,800.00) dollars per annum.
(c) If there be no widow, or if there be no children under age sixteen (16) years, surviving the deceased employee, there shall be paid to his dependent father and/or mother, as the Board shall determine to be actually dependent upon such deceased employee for a period of five (5) years immediately preceding the death of such employee, the sum of twenty-five (\$25.00) dollars each month to each such dependent parent during their dependency or prior death.

SECTION 12. Pensions and allowances referred to in this Chapter of the Village Charter may be paid in monthly installments as determined by the Board.

SECTION 13. No money owed to any beneficiary under the provisions of this Chapter of the Charter shall be held, seized, taken or detained, or levied upon by virtue of any writ of attachment, execution, injunction, interlocutory or other order or decree of any process or proceeding whatever issued out of any court of this State, for the payment or satisfaction, in whole or in part, of any debt, damage, claim, demand, or judgment, against any beneficiary under the provisions of this Chapter, nor shall any beneficiary have the power to assign his or her benefits hereunder.

SECTION 14. The benefits herein provided shall be in lieu of compensation to be paid under the provisions of the Workmen's Compensation Act, so-called, and not in addition thereto.

SECTION 15. There shall be appropriated annually by the Village Commission, and a tax levied therefor, the following sums of money, which shall be set aside under the provisions of this Chapter for the payment of benefits hereunder, to-wit:
The sum of \$25,000.00 per annum until the assessed valuation of the Village of Grosse Pointe Park shall reach the amount of \$35,000.00, at which time such appropriation shall be increased by the sum of \$1,000.00 per annum for each \$1,000,000.00 of assessed valuation in excess of \$35,000,000.00.

SECTION 16. The Board shall be authorized to invest all surplus funds on hand in the Pension and Retirement Fund in obligations of the Village of Grosse Pointe Park, the State of Michigan, or the United States Government.

SECTION 17. The Board shall require an audit to be made at the close of each calendar year, which audit shall be submitted to the Village Commission, and shall be spread upon the proceedings of the Village Commission at the regular meeting of the Village Commission following the receipt of such audit.

SECTION 18. All provisions of the Village Charter of the Village of Grosse Pointe Park inconsistent with the provisions hereof are hereby expressly repealed, and in the event any section, or part of any section, of this Chapter, shall be determined to be invalid for any reason, such determination of invalidity shall in no way affect the remainder of this Chapter.
