NO PRIMARY ELECTION MARCH 7th

DESPERADO SEIZED BY CITY OF GROSSE POINTE POLICE

On February 18th at 2:30 a. m., Officers John Manning and James Reno upon investigating a parked car on Washington Road near Mack arrested Charles Tolas, age 22 of 14160 Tacoma upon whose person was found two 32 calibre revolvers and a sawed off shotgun.

The boys mother disclosed the names and addresses of several accomplices who were also arrested for questioning. Upon the confession of his accomplices Paul Heilar and John Gaydas Tolas confessed to a number of robberies in Grosse Pointe and vicinity.

It is a Federal offense to have a sawed off shot gun in your possession without it being registered. Tolas has been turned over to the Federal authorities for prosecution. Five years imprisonment and a fine of \$2,000.00 is the penalty for this offense.

Officers Manning and Reno are to be commended for the splendid manner in which they arrested this desperado who was awaiting an opportunity to rob several stores on the corner of Washington Road and Mack avenue.

Charles Tolas was questioned from time to time as to where he had obtained the guns found in his car. He told that he had found them in a field. On the following morning he was advised that he was in a bad spot and it was a Federal offense to possess a sawed off shot gun which was not registered in his name and if he wanted to help himself to confess all he knew. He then told that he had broken into a beer store in East Detroit and had stolen the three guns. Sergeant Van Becelaere and Officer Reno while questioning Paul Heilar and John Gaydas at the Connor station obtained the information in which they admitted the breaking and entering of the following places:

A dwelling at 1252 Yorkshire Road on January 16, 1938, which was owned by Mason Boardman. All three took part in this. Articles stolen were a Hoover vacuum cleaner, linen and silverware. Articles were valued at \$150. This stolen property was recovered at the Nottingham address.

Gasoline station at Harvard and Mack on January 16, 1938. Entrance was made by Paul Heilar. Tolas also entered for a short time.

Griati and Nine Mile in East Detroit, on February 6, 1938. Charles Tolas was alone.

St. Paul School in Grosse Pointe Farms on February 8, 1938. A telephone and \$12.00 was taken. All three took part.

15211 Mack avenue, beer garden on February 15, 1938. John Gaydas and Charles Tolas were together. Entrance was gained by skylight.

When Tolas was confronted with the confessions of Heilar and Gaydas he also admitted his guilt.

Boys Band Being Organized Locally

A meeting will be held at the Lincoln Mire School tonight at 7:30 for the purpose of organizing a thirty piece band for Grosse Pointe. Mr. Kalembar who is leader of the Grosse Pointe High School Band will devote considerable time to development of such a project. All boys desiring to become affiliated with such a band must be eighteen years of age or over. If interested be sure to attend tonight's meeting and signify your desire to become a member of Grosse Pointe's band.

Mrs. Ralph W. Simonds and her son, Dickie, of Lewiston road, and Mrs. William G. Russell, of Mt. Vernon avenue, left Sunday by motor for Miami Beach and other points south.

INDIVIDUAL CURTAIN CLEANING PROCESS

The Russell Curtain Laundry have attained fame through their individual methods of cleaning curtains. Each order is handled distinctly separate from the time it is called for at the home until it is delivered. During the process of starching, washing, tinting, stretching and finishing it never comes in contact with the curtains of anyone else.

That is the secret of their success and explains why your curtains always look like new when they are returned. The utmost care is used in handling yet the cost is quite reasonable, while the workmanship is far superior to that of most curtain-cleaners.

Grosse Pointe Park Election March 14th

Grosse Pointe Park will hold its annual election on Monday, March 14th, at which time the voters of Grosse Pointe Park will go to the polls to signify their approval of the present administration, there being no opposition.

Alfred J. Garska is a candidate to succeed himself as President; John B. Renaud, William P. Shoemaker and Louis A. DeHayes are candidates to succeed themselves.

These men have been conscientious in their desire to increase the advantages and benefits to be derived from residing in Grosse Pointe and as an expression of confidence go to the polls on that date and express your appreciation of a capable economical administration.

Marygrove College Program on WWJ Beginning Tonight

Marygrove College inaugurates a series of weekly broadcasts on W8XWJ, the Detroit News ultra-high frequency station, Thursday, February 24th at 5 P. M. These broadcasts will depict the work being done by students at the college. Featured on this first program will be two piano solos by Marion Larson. She will play Chopin's "Nocturne in F Major" and "Tango American" by John Alden Carpenter. There will also be a song recital by Joan Clapp and vocal selections by the Marygrove trio composed of Ruth Kraepelner, Elizabeth LaRose, and Ida Rose Scharf. Hahn's "Green Cathedral" and "Marie Antoinette's Song" by Myron Jacobsen are the selections to be sung by the trio. Joan Clapp will be heard in Percy Kahn's beautiful "Avia Maria". News commentaries on the activities of the college will be included in the broadcast.

Lutheran Young People To Hold Patriotic Meeting Sunday Eve.

The Young People's Society of the Grosse Pointe Lutheran Church will meet at the home of Messrs. George, Thomas and Pat Beard, 278 Touraine Road, next Sunday evening, February 27th, at 7 o'clock. The program calls for a short devotional service, a study of a religious or educational topic and ends with a social hour in celebration of Washington's birthday. There will be election of officers at this meeting. The present officers are Dorothy Neff, president; David Eyre, vice-president; William Canup, secretary and Elizabeth Hoima, treasurer.

BOY'S CAMP DIRECTOR SPEAKS AT LIONS DINNER

Lewis C. Reimann, director of Camp Charlevoix for boys was the guest speaker at the Grosse Pointe Lions Club, Father and Son banquet last Thursday noon.

He gave a very interesting talk on boys activities and the advantages of camp life for boys during their summer vacations. Mr. Reimann's Camp Charlevoix is a popular place with the boys during the summer.

THE MAYFAIR REDUCES PRICES ON LIQUORS

In order to establish the Mayfair as a leading place of entertainment and home of fine foods and liquor the Mayfair has reduced prices substantially on all liquors, wines, beer and cocktails. Local brands of beer will be on sale by the bottle at only fifteen cents.

The same high type entertainment will be presented, which reminds us that Judith Johnson that famous mindreader re-terminates her engagement here with Sunday's performances. Don't miss this remarkable treat. Take your friends to the Mayfair, for the finest foods, drinks and entertainment.

Rabaut Addresses Congress As Friend of the Alien

On last Friday afternoon in the House of Representatives the great body of Congress heard Louis Rabaut in a brilliant address in which he pleaded for the spirit of humanity in the immigration law.

It was during the reading of the Appropriations Bill on the four Departments of State, Justice, Commerce and Labor wherein a clause had been written restricting the members of the immigration and naturalization service from advising an alien to leave the country and to reenter from Canada.

Mr. Rabaut, himself a member of the Subcommittee, protested concerning the language placed in the Bill, which language read as follows: "No part of any appropriation contained in this act for the Immigration and Naturalization Service shall be expended for any expense incident to any procedure by suggestion or otherwise, for the admission to any foreign country of any alien unlawfully in the United States for the purpose of endeavoring to secure a visa for readmission to the United States, or for the salary of any such alien without visa."

Mr. Rabaut was overridden in the Subcommittee and in the full Committee, but his brilliant address in the House changed the tide and the entire section was stricken from the Bill.

Rabaut said, "take for instance a family consisting of a husband, who is an alien, a wife and several children. Under this law and under the custom of the Department of Labor for many years such an alien has been permitted to leave the country voluntarily and come back with the proper visa under a previous arrangement with the Department."

"What will happen if this provision is stricken from the law? Those people will be placed in the hands of a lot of racketeers in obtaining the information desired. A bootleg situation will be created whereas today the honorable custom of the alien appearing and taking counsel from the Department who has a fault to find with him will be thrown into the discard should this legislation be written upon the statute books. Let us have a little humanity about us! Let us think about this proposition. It all depends on whose ox is being gored. If one of your children were in such a situation you would not favor this proposition. We cite the case of some individual who happens to be an alien and breaks our laws but most aliens are law-abiding citizens. I sometimes wonder how many descendants of the Indians hold seats in this House? We hear the alien question but we are unmindful of those from whom we came."

Tars Training for Battle

Gas-masked pupils shown during a six-inch gun drill aboard H. M. S. Calcutta at Chatham as part of the training of Britain's newly recruited naval personnel. Shortage of shore training establishments because of the size of the rearmament has made it necessary to use battleships for training.

Taxpayers Oppose Pension Proposal

The Taxpayers of Grosse Pointe Park attended the public hearing on the proposed charter amendment to provide for a pension for municipal employees including policemen and firemen, in substantial numbers to voice their opinion on the proposed amendment.

The opposition to the proposed amendment was so great that it was decided by the Council to abandon the movement as impractical and too heavy a burden upon the taxpayers shoulders at this time, consequently the voters will not be called upon to vote upon this question at the election Monday, March 14th.

14th District Democrats Meeting, March 4th Tuesday Evening

With Margaret Abernethy presiding the regular meeting of the Fourteenth Congressional Democratic organization was held last Friday night.

Geo. Dingeman, County Drain Commissioner and Judge Wm. Cody were the speakers. Mr. Fred Sutton, of Sheriff Wilcox's office supplied the entertainment. The next meeting will be held March 4, at which time, Civil Service will be discussed. Miss Ann Davidson, prominent attorney and Casper Lingeman County Clerk will be the guest speakers.

The organization wishes to announce an Easter Dance and Frolic will be held on April 16, at Knights of Columbus Hall, Philip and Mack avenue.

Mothers Club Tea Monday Afternoon At High School

Heirloom Tea celebrating 10th Anniversary, Monday, February 28th, 3 to 5 o'clock in the library of the Grosse Pointe High School.

There will be a display of antiques loaned by members in charge of Mrs. John Pear.

The Cass Technical Dinner Ensemble will play during the afternoon. Mrs. William Marhoff, first president of the club and Mrs. Charles Waddell present president will pour. All friends of the Mother's Club as well as Mothers of Grosse Pointe children are invited.

Mrs. John B. Ford Jr., entertained 10 friends at a luncheon last Thursday at the Little Club for two specific reasons. One was to welcome Mrs. Ford back into town after her trip to the west coast; while the other was to bid Miss Elizabeth Hamby "farewell," since she left for her home in New

Township Primary Election Cost Saved, Incumbents Unopposed

The necessity of holding a Grosse Pointe Township Primary election on Monday, March 7th was eliminated with the withdrawal from the race of John Allard, who filed for Treasurer on the Republican ticket. The regular election will be held in April to elect the officers for the ensuing year.

Mr. Allard's withdrawal was the means of saving the taxpayers about \$3,000 and he is to be commended for this public spirited move.

The present incumbents have performed the duties of their offices faithfully and well, and the taxpayers as an expression of confidence have voiced their approval by offering them no opposition in the primary election.

The candidates on the Republican Ticket are Norbert F. Denk, Supervisor; Carl Schweikart, Clerk; Adolph L. Damman, Treasurer; Kenneth M. Thomas, Justice of the Peace; John W. Travis and Frank W. Defer, Constables, and Edward C. Parker, Member of the Board of Review.

Harry C. Hanley candidate for Justice of Peace is the only candidate on the Democratic Ticket.

A. GINSBURG MAKES ATTRACTIVE OFFER

For a limited time only A. Ginsburg is tailoring ladies suits at a very low price. This extraordinary offer will not be in effect long according to a statement made by Mr. Ginsburg well known ladies tailor of the Grosse Pointe area for the past quarter of a century.

Both old and new clients are urged to take advantage of this special and order their Easter suits early. It is advisable to hurry while these special prices prevail. His shop is located at 1014 Chalmers, north of Jefferson avenue.

Cecyl Wilcox Book Review March 1

The Cecyl Wilcox Martin Book Review and Current Events meeting for March first will occur at the home of Mrs. Robert C. Tomb, 60 Moross Road, instead of the residence of Mrs. Joe Fee as announced. This change is necessitated by the illness of Mr. Fee.

Resuming her talks on what is new in the events and literature of the world after a three weeks vacation in Florida, Mrs. Martin will summarize the novel, "Bow Down to Wood and Stone" by Josephine Lawrence. "Anything written by the author of 'Years Are So Long' and 'If I Have Four Apples' is bound to be worthy of our attention," explained Mrs. Martin and she went on to say that this new book deals with people and problems with which we are all familiar.

The non-fiction book chosen for this meeting is "Assignment in Utopia" by Eugene Lyons. It is the critical though sympathetic story of what happened to the ideas and pre-conceived notions of a newspaperman who spent six years in the Soviet. One critic has said of the book, "Lyons writes brilliantly, with deep conviction and humor, in terms of living men and women."

In lighter vein will be the discussion of "Winter in April" by Robert Nathan, a delightful, subtle, and altogether entertaining love story, much of which is done in witty dialogue. The characters of this short tale are as human and real as our friends and acquaintances according to the Nathan fans who are proclaiming it equal to "Road of Ages," by the same author, which was a Book-of-the-Month choice.

The meeting on Tuesday will begin at 2 p. m. and is open to those women interested in world affairs and books.

Scandinavian Church Services Wednesday

The Scandinavians invite you to attend services in Defer School, Kercheval at Nottingham every Wednesday evening at 8 p. m. Pastor Knetsen conducts services in English.

County Reflections
By JACK SABIN

We see by the papers that the city "hull" has gotten under way for 1938. This time for a mere pittance of some \$23,000.00 or more. The aspect of the case that is most baffling in the frank statement that "it was easy." Surely no taxpayer who has any sense of business management can readily swallow such a statement unless any apparently quite evident, the system of accounting and auditing in the city treasurers office is antiquated and inefficient.

For many years the cashiers have been collecting taxes over in the county building, but we have no record of their being able to divert the county funds to their own uses. In fact, the accounting system, as supervised by Benjamin B. Pelham for the past forty years is so perfect that it is possible to give an accurate accounting at any hour they so desire.

For the past few years the public have been astounded by the speculations and irregularities as evidenced by the Lewis Welfare scandal; the Tyler case

and now this latest insult to civic government. It was thought the remedy had been accomplished by the newly created office of Mr. Engle's auditing staff, and with due regard to his capabilities and sincerity, it might be well for the city to take a few lessons from our county officers in supervision of the taxpayers funds.

At a meeting in Lansing this past week comprised of representatives from various counties, the following reasons were given for the adoption of the proposed amendment for four year terms four county officials:

1. Greater efficiency in office. Under present two year regime, the county official has to spend practically an entire year campaigning for his office thus leaving a limited period of time with which to devote full attention to the duties of his office.
2. Economy in administration of government: The four year term is a step in the right direction for the elimination of an enormous election expense to the taxpayer.
3. Stabilization of government: For years, a term of four years or more for

the Judge of Probate, Circuit Judge and County School Commissioner has worked to the very great advantage of the general public and to the increased efficiency of those in office. Therefore, the citizens of Michigan should have the full benefit of a county government composed of officials of equal terms of office, thereby granting to other county officers the same opportunity to increase the efficiency of their offices.

4. The four year term in many other states have proved successful.
5. The average time in office of any county official is more than four years. Therefore, the public itself, has already indicated its desire by continuing its county officials in office for longer periods of years.

6. By the terms of this petition, the proposed term would begin January 1st, 1939. Therefore, this amendment, when adopted, will not effect the term of any official now holding office.

7. Frequent turnover of personnel or clerical force of a county office retards the service, and is very likely to add considerable additional expense in operation of the office due to the employment of inexperienced help.

8. If, in remote instances, incompetent officials should be elected, a recall may always be resorted to; also, the great bulk of the people throughout Michigan should not be penalized on account of, incompetency or in isolated cases.

9. Many individuals of exceptional ability have refrained from entering public life because of the uncertainty caused by too frequent elections.

10. Due to constantly increasing duties and responsibilities caused by the enactment of legislation broadening the scope of the county office, it is practically an impossibility for any newly elected official to familiarize himself with the duties of the office and the laws pertaining thereto, within the limited time allotted to him in any two year term.

To date the reaction of the general public has proven very favorable to this amendment and numerous endorsements are coming in from civic groups throughout the entire state.

Register of Deeds Harold E. Stoll was given a surprise party by the members of his staff last week on the occasion of his forty-first birthday. Stoll will depart this week for Florida for a well earned vacation.
Auditor Edward H. Williams will return from Miami this week and Judge Robert E. "Bob" Sage will head south Gill Labin was appointed manager of the Highland Park branch of the secretary of State's office this week.

Ty Tyson With Tigers at Camp

Base ball fans in three states and Western Ontario will be able to follow the 1938 campaign of the Detroit Tigers over their radio sets.
All Tiger games at Briggs Stadium will be aired over WWJ and WXYZ, and seven stations of the Michigan Radio Network. Games away from home, except those played in New York, also will be broadcast over the same stations.

This will give Tiger fans a choice between Ty Tyson, WWJ's veteran sports announcer, and Harry Heilman, former American League star and sports announcer.

This will be Tyson's twelfth year of base ball broadcasting over WWJ. His first work at Navin Field was in 1927, when George Moriarity was Tiger manager. Among the players that year were Heilman, Lu Blue, Heinie Manush, Bob Fothergill, Johnny Bassler and Larry Woodall. Charlie Gehringer now the oldest Tiger in point of service, then was in the rookie class.

Tyson announced the World Series in 1934, 1935 and 1936. He does not go in for the hysterical type of base ball reporting, but simply relates what is taking place on the field in a crisp, accurate manner, always emphasizing incidents of human interest. He will leave February 20 for Lakeland to watch the Tigers in training.

Tyson frequently broadcasts football boxing and motor boating. He and WWJ aired every game of the University of Michigan schedule in 1924, the first time an entire season's foot ball games had been broadcast in the United States.

The Lights of Home
... cheery, comforting and kind to your eyes IF YOU FOLLOW THESE 8 SIMPLE RULES:
THE warm glow of light shining through the window extends a welcome that is symbolic of home. The magic of light transforms old familiar surroundings and lends new beauty to rugs and furnishings and draperies. To achieve best results and use light most effectively, here are eight simple rules to remember:
1. Be sure of the decorative fitness of your lamps and fixtures. There is STYLE in lighting just as in dress. Choose your table and floor lamps to harmonize with your furniture.
2. Eliminate harsh contrasts (brilliant light and dark shadows). Do not have bright pools of light in a dark room. Supplement local lighting with general room-wide light.
3. Have enough light for each seeing-task. There are definite recommendations as to the amount of light needed for reading fine print, sewing, mending, working in the kitchen, etc.
4. Avoid bare lamp bulbs... they cause glare. Raw lighting is poor lighting— even if there is plenty of it. Shaded lamps are always preferable.
5. Use the right size lamp in the right fixture. Too large or too small a lamp may cause eye discomfort and fatigue.
6. In your floor or table lamps, choose the type of lamp with a reflector bowl; and— wherever possible— shades with a white lining to provide more light. The bowl helps to diffuse the light and assures a soft, pleasant quality of illumination.
7. Wipe lamp bulbs frequently with a dry cloth— also the reflector bowl of your floor and table lamps.
8. If in doubt about any phase of your home lighting, call in a Detroit Edison Home Lighting Advisor. There is no charge for this service.

MISS EARLY

MR. OTTO

Mr. Otto and Miss Early have been selected co-chairman for the annual University of Detroit Frosh Frolic, to be held Friday evening in the Grand Drill Room of the Masonic Temple. Miss Early is the third co-ed ever to be chairman of a major class dance at the University of Detroit. The dance, an informal affair, will be open to students and friends of the University.

**Grosse Pointe High
School Notes**

"Offers of scholarships from colleges all over the country have been received by the high school," states Mrs. Ruth Flom, dean of girls. Any student with at least a B average who is desirous of obtaining a scholarship will be given full information about any in which he is interested.

The Mothers' Club scholarships are offered this year to students who wish to attend a college or a university, but will not be given for art or business schools. Those who wish to apply for one should see Mrs. Fred Hauck on University Place by May 1.

The Student Association probably will not give scholarships this year.

Sixteen Grosse Pointe students are earning part of their school expenses by doing work under the National Youth Association, a division of the W. P. A.

The work for the boys consists of various jobs around and in the building while the girls do work for the gym, office, library, and student government.

In order to work under the N. Y. A. students must be needing help and doing superior class work, but do not necessarily have to be on welfare. The Grosse Pointe allotment is \$60 dollars monthly. At the present time all the allotment is being used, but in order to give more students an opportunity to defray their expenses, more students an opportunity to defray their expenses, more students can be employed and smaller wages paid.

The guidance program in Grosse Pointe is discussed in two articles by Mr. Charles Leavitt, assistant principal of the high school in "The Nation's Schools" for October and December. A condensation of the October article is published in The Education Digest for February.

In the condensed article Mr. Leavitt declares that the orientation program for 7B's is definitely a part of our guidance plan. He explains some of the ways in which new students are aided in adjusting themselves to high school, such as by having representative 6A pupils visit high school and report back to their schools, sending representative 7B's back to their grade schools to welcome the 6A's who will soon become 7B's, distributing the Pointer to 7B students, and most important of all, by holding homeroom discussions which acquaint pupils with school facilities and traditions.

To head the activities of the June '38 graduating class of Grosse Pointe High School, the 145 members of the 12A class elected Charles Armstrong president last week. William Arnoldy was chosen vice-president. Elizabeth Goodrich, secretary, and Bill Scott, treasurer.

A second vote was necessitated in the election of president and vice president because of a tie between Charles Armstrong and William Arnoldy. It was held in the two homerooms, supervised by Mr. Wm. Mann and Mr. S. A. Shoemaker in 114, and Miss Marie Loughlin and Miss Louise Lovejoy in 215, last Wednesday morning, Charles emerging the victor.

Charles Armstrong has letters in varsity football, is a member of Hi-Y, and has been on the honor roll frequently.

Bill has been in the Forum and has served as a Service Club member. He is a member of Hi-Y and holds a varsity letter in swimming.

Elizabeth has been a Service Club member since the ninth grade, in charge of the Lost and Found department for two years, a member of the Honor Court, member of G. A. A., homeroom president in the ninth grade, library assistant, and a member of the varsity debating team. She is a candidate from Grosse Pointe for the D. A. R. pilgrimage to Washington.

Bill Scott has been a member of the Service Club, is president of Hi-Y, and holds letters in varsity football and basketball.

William Stocum, 12B, has been appointed the editor-in-chief of Proem, Grosse Pointe High Schools literary magazine.

Besides William, Helen Odell, Eric Gottschalk, Geraldine Rowley, Jean Trombly and Harriet Heams will represent the twelfth grade. From the eleventh grade the members will be Barbara Cowe, Jack Mueller, Richard Moore, Alfred Fitt, Marjorie Kaufmann, and Francis Freiwald. Pearce Chambers, John Lucas, Barbara Ferry, Dorothy Castricum, while Betty Lou Albyn will represent the tenth grade, and Ruth Rector, Carolyn Ann Innes, Paul Russell and Anne Eldridge will be ninth grade members.

The Trombly representatives will be Mary Elien Gailarno, Jean Goldnetz, Stephen Baits, Walter Landmesser, Dorothy Gaertner, and Nancy Weadock. This group will hold its meetings at Trombly.

**Tuberculosis Cases
Require Special
Care and Treatment**

Stretching in a unbroken area across three-fourths of the Upper Peninsula, and scattered over lower Michigan are 27 counties needing the attention of every resident of the state, according to the Michigan Tuberculosis Association. The persistence of the tuberculosis menace in these particular localities warrants serious consideration, Theodore J. Werle, executive secretary of the Association, declared this week.

Critical, indeed, is the tuberculosis situation revealed through a study of the map of Michigan showing death rates from tuberculosis in every county, Mr. Werle said. "Excepting the three eastern-most counties, the entire upper peninsula faces a perplexing tuberculosis problem. Iron, Keweenaw, Houghton, Ontonagon, Gogebic, Baraga, Marquette, Dickinson, Menominee, Alger, Delta, Schoolcraft—these are counties where tuberculosis claims a rate of deaths higher than (and in 4 counties more than twice) the state average, 41.3 deaths per 100,000 population," Mr. Werle pointed out. "These are counties where some as yet undiscovered phenomenon exists, keeping

the White Plague from receding in proportion to the declining death rate in other parts of the state."

In striking contrast is the distribution of death caused by tuberculosis in lower Michigan, Mr. Werle said. There, the 15 'danger' counties are well separated, he explained.

In Grand Traverse, Leelanau, Antrim, Presque Isle, Emmet, Iosco, Oscoda, Manistee, Mason, Tuscola, Saginaw, Isabella, Crawford, Wayne, and Van Buren counties tuberculosis is a major disease menace, with the death rates well above these high state average of 41.3 Mr. Werle declared. However many of these high death rate counties of lower Michigan are entirely surrounded by counties with comparatively low rates. Around Van Buren county for example, are Cass whose rate is 19.1, Kalamazoo with 25.1, Barry with 18.2, and Allegan with 15.2. Then, Isabella with a rate of 54.9 is surrounded by counties having rates below 30. And located in an area of consistently low tuberculosis death rates are Saginaw and Tuscola counties, each with 47.1 deaths per 100,000 population. The great question, Mr. Werle asserted, "is WHY?"

Openly challenging the people of Michigan is the present tuberculosis situation, declared officials of the

Michigan Tuberculosis Association. For thirty years they have driven down the high number of deaths caused annually by the White Plague. Their Christmas seal pennies, still the driving force behind the constant efforts of the Michigan Tuberculosis Association to prevent and control the disease, are expected to make possible the concentration of preventive measures in counties having urgent need for such work. Every effort is being made to solve the problem.

**Noted Poet On
Town Hall Program**

Louis Untermeyer, poet, critic, editor, and one of today's most popular platform personalities, will be the Detroit Town Hall speaker in the Fisher Theatre, Wednesday morning, March 2, at 11 o'clock.

In his lecture, "Mother Goose Up-to-Date," a broadly humorous reappraisal of our childhood favorites, Louis Untermeyer shows how the nursery rhymes might be made "modern" for this generation if the jingles were re-written by the living poets. Reading his burlesques and parodies gives him the opportunity to comment on his fellow poets.

Untermeyer's collections and original volumes are in every public library. His anthologies have been adopted as school text books. His critical biography of Heinrich Heine, in two volumes, was published recently.

another, The Book of Living Verse, printed simultaneously in London, Paris, Hamburg and Milan, was hailed as the logical successor to the Oxford Book of English Verse. When the Encyclopedia Britannica was revised he was selected to contribute the articles on modern American poetry.

Peas, petunias, potatoes, parsnips, pansies are almost as interesting as poetry to Louis Untermeyer. In 1928 when he retired from the vice-presidency of a large manufacturing jewelry business, he moved to a trout stream, a mountain of sugar maples, and a farm of 160 acres in the Adirondacks where he lives with his wife (ex-Judge Ester Antin,) his two sons and an accumulation of cats.

Tickets are on sale at Grinnell's Music Store, \$1.10 and \$1.65 including tax.

**Garden Club Lecture
Thursday, March 3**

Thursday, March 3rd. at 2:30 o'clock in the Lecture Hall of the Detroit Institute of Arts.

The Junior League Gardeners of Grosse Pointe and the Little Garden

Club of Grosse Pointe will sponsor a lecture for the Detroit Garden Center. Miss Irma Kharbroff will speak on "Imperial Gardens of Old Russia." This will be a continuation of the lecture given by Miss Kharbroff, last year the same subject with different slides.

Miss Kharbroff is a Russian by birth, a Serbian by marriage and American and Russian by education. She has traveled in many countries, speaks many languages and as all who heard her last year know, has a fascinating personality.

This lecture is of interest, not only to gardeners but to all interesting in hearing first hand life in Russia before the war and at present. Miss Kharbroff belonged to the so called "Untitled Nobility" before the war and returned there an ordinary citizen two years ago, so is well qualified to speak on the life at both times.

All Garden Center lectures are free to the public.

There will be no Garden Center lecture on the third Thursday in March as the Garden Center will have an exhibition at the Flower Show from March 25th to the 27th inclusive.

Mr. M. R. Winkworth who is a member of the Board is designing a beautiful, educational exhibit showing different varieties of ground cover plants and shrubs planted as they might be in any small garden.

Mrs. George I. Bouton is chairman of the exhibition with Mrs. Charles W. Burton as Vice-Chairman.

Grosse Pointe Lutheran

"Love's Dynamism" will be the subject of the sermon at the Grosse Pointe Lutheran Church, worshipping in the auditorium of the Richard School, Kercheval and McKinley, next Sunday, February 27th, at 11 a. m.; preached by the Rev. M. Luther Cauup, D. D., pastor.

"Measuring a Man's Worth" will be the subject taught in the higher grades in the Sunday School at 9:45 a. m. Mrs.

Bernard W. Cruse is now teaching the adult class. She is both a capable and consecrated teacher. Parents are urged to bring their children to Sunday School and remain themselves, entering the adult class, hearing a portion of God's Word explained and taking part in the discussion.

The girls again won in the attendance contest last Sunday over the boys. Also in bringing new scholars. We have new enrollments almost every Sunday.

Come and attend a neighborly church in your neighborhood. We teach and preach the Word of God as found in the Bible.

State Aids Afflicted

Auditor General George T. Gundry, today announced that the number of afflicted children accepted for treatment at State expense has risen perceptibly during the past ninety days. The Auditor General laid the cause for the increase to the present scarcity of employment which has in many instances caused applicants who were formerly able to pay, to apply for aid as indigents.

Mr. Gundry pointed out that the per capita cost for treatment in a satisfactory manner. He said, "Since we have instituted a double-check accounting system, we have been able to eliminate chislers from our rolls. This has aided us immeasurably in conserving our resources and accepting more cases under our present budget."

In checking the files in Gundry's office it was found that an average of 1600 new commitments are made each month on which the entire costs is borne by the State of Michigan. Gundry pointed out the fact that aid now extended to indigents does not release them from an agreement to pay when their financial status improves and that all such aid is rendered with the provision that the State be reimbursed.

It was explained that these costs arise out of hospitalization, doctor's fees an dtransferration, from and to the child's home and the hospital.

**Community Fund
Aids Indigents**

Joyce Schultz, 2 years old, is healthy an dhappy again. She is grateful to the doctors in Grace Hospital. Out-Patient Clinic whose skilled service and treatment saved her life.

One day when Joyce was 15 months old she could not eat her lunch. Her parents discovered that for some unknown reason she was unable to swallow food. Days went by and Joyce developed an incessant cough which kept tears streaming down her cheeks. At first she could swallow liquid food but after a few weeks she was unable to swallow even water. Joyce grew weaker until even her cough became faint.

Finally her grief-stricken mother learned about Grace Hospital Clinic. When she appeared at this Community Fund Agency one morning with Joyce in her arms the baby was dying from slow starvation.

Joyce was immediately put to bed in the hospital and series of X-rays taken. It was discovered that the cause of the trouble was a rubber eraser about the size of a quarter which had become lodged in the baby's throat. Specialists skillfully removed the rubber disc. Within 48 hours Joyce was eating and drinking again. She has now regained her lost weight and is playing again with her toys.

The Axminster Rug Weave The Axminster rug weave got its name from the English town of Axminster, where it was first produced in quantity. It permits the use of unlimited number of colors, producing colorful beauty at moderate cost.

erson Avenue Baptist Church

Unusual evening is planned for Sunday at the Jefferson Avenue Baptist Church when, at the observance of the Lord's Supper, the entire congregation of Christ Polish Baptist Church will come over from the west side of the city and join in a united service.

News has just reached the church at Dr. William S. Abernethy of Washington, D. C., has accepted its invitation to conduct a preaching mission during the week of March 20.

GIRL SCOUTS

TROOP NO. 84 Troop No. 84 met at Christ Church chapel Friday, February 11th. Mrs.

Smith (much to our surprise) brought material for making Valentines. She brought paper lace, red paper, silk ribbons and cloth. When the girls finished they played games.

TROOP 140

The test papers that were taken for the photography badge were checked by Mr. Carsten Teideman at Monday's meeting. The items that were uncertain and the parts of the camera were explained by Mr. Teideman.

Photography Badge

For several weeks some of the girls in Troop 140 have been working to earn the Photographers Badge. This is a very useful and gratifying badge to earn as photography makes an extremely interesting hobby.

It is admitted everywhere that more people have photography as a hobby now than any other time in the history of the world.

The Candid Camera craze and the spectacular success of "Life" and other picture magazines has given a tremendous boost to amateur photography.

Photography not only is a hobby but what would the world be today without it? Not only does it furnish an authentic record of past events but is widely used for educational and amusement purposes.

Every Girl Scout can be proud of her Photography Badge!

TROOP 124

Troop 124 recognized International Thinking Day, Tuesday, February 22, in several interesting ways. They played a game during which flag question were answered.

There was a formal opening. They described the uniform of the Girl Scouts of other countries and read a paragraph concerning their work.

The troop contributed pennies for the Juliette Low Trend. Mrs. Low was the founder of Girl Scouting in America.

Martha Buser was invested as a tenderfoot

Excerpts From Sermon of Rev. Luther Canup At Patriotic Services

The following are excerpts from a sermon preached at the Grosse Pointe Lutheran Church, Sunday morning, February 20th, by the Rev. M. Luther Canup, D. D., pastor at a special patriotic service, on the subject: "Nation Founders and Nation Builders."

We are accustomed to looking upon the founders of our nation as those who fought in the Revolutionary War, those who constituted the first Continental Congress, those who signed the Declaration of Independence, who framed the Constitution, the first president and founders of our western civilization.

It is a pretty serious thing to be born a free American to become a naturalized one. That person inherits responsibility which has its liberties, yes, but also which exacts a full measure of citizenship.

Right here many a American citizen is falling down. We are all dead drunk with freedom, living under the spotlight of venture and the noon-day of success.

I am not a pessimist. I am not an alarmist. America has not lost its fighting qualities, it has only ceased to fight. She is not less patriotic in spirit but only let the fires of patriotic die out.

The average American citizen needs to make a fresh study of that fundamental doctrine which is at the foundation of our government, namely, individual rights. This is a God-given right and must be protected because it is God-given.

Christian Science Church

"Christ Jesus" will be the subject of the Lenten-Sermon in all Christian Science Churches throughout the world on Sunday, February 27.

The Golden Text, from II Corinthians 4:5, is: "We preach not ourselves, but Christ Jesus; and ourselves your servants for Jesus' sake."

Among the Bible citations is this passage (Matthew 9:35): "And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing every sickness and every disease among the people."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 131): "The mission of Jesus confirmed prophecy, and explained the so-called miracles of olden time as natural demonstrations of the divine power, demonstrations which were not understood."

Hannan "Y" News

First Methodist Protestant Wins Title In the class "B" division of the Southeastern district inter-church basketball league the First Methodist Protestant won the title and will represent this district in the city play-offs.

The Hannan Y. M. C. A. men's basketball team plays Adams at Hannan Thursday night for the city title. Hannan has been leading the city Y. M. C. A. league for several weeks. Should they defeat Adams who are in second place by one game, they are assured of the city title and the right to represent Detroit in the National Tournament.

This victory would also assure them of an opportunity to go to the state Y. M. C. A. basketball tournament to be held in Port Huron next month.

Eastminster Presbyterian Plays Bethany for Title

Next Saturday in the Southeastern High School girls' gym, the Eastminster Presbyterian Blues will play the Beth-

any Evangelical team for the title in class "A" of the inter-church league. Each team has won eight games and lost one. So it is any ones ball game.

The edge is in favor of Bethany as they hold one victory over the Presbyterians by virtue of having defeated them in an earlier game. There will be two games at St. Mark's M. E. play at Jefferson Avenue M. E. Reds. The first game starts at 7:30 p. m.

Hedley Hepworth, eminent orator and dramatic reader of Mexborough, England, will give a program of literary and humorous characterizations from the best of English literature on Thursday evening, March 3 at 7:30 o'clock at the Hannan Y. M. C. A., Jefferson at Garland. The program will be supplemented by instrumental chamber music and will be under the auspices of the Hannan Y. M. C. A. Business Men's Club. The program is open to the general public.

Hedley Hepworth, now fulfilling his third American-Canadian tour; began his professional career at a very early age. After taking his degree in the city of Sheffield, England, he studied for several years under the direction of

England's foremost dramatic reader, John Duxbury.

The informal reception and tea will follow the program itself.

Grosse Pointe Cagers Score Two Victories

By DON MORRISON

Last week-end the Grosse Pointe cagers won two Border Cities League contests. The first was played at the Pointe gym against Monroe and the locals were victorious 21-17. The second was played with Royal Oak, and the Blue Devils turned back the Acorns 28-17.

The Monroe squad gave the locals a scare when it outplayed them the whole first half, and were leading at that time 12-9.

The scoring for the Trojans in the first half was on six field goals, three by Aldridge, two by Hile, and one by Gordon. Grosse Pointe scored four field-goals; two by Piche, and one each by Winters and Touhey. The locals other score was on a foul toss by Winters.

Grosse Pointe came out on the floor in the second half a very much changed team. The boys showed more fight and played a higher type of ball than they did in the first half, and because of this fact they came from behind and went on to win.

The locals scored 12 points in the last half on five field goals; one each by Cronin, Beever, Touhey, Piche and Winters. Beever and Winters also sank one foul shot each. Monroe made only 5 points in the final half. Aldridge hooped a long shot and a foul-toss and Gordon sank two free shots.

Outstanding performances were turned in by Bob Winters and Warren Piche, Grosse Pointe guards, and Aldridge, Trojan guard, who was high scorer with 9 points.

The game Saturday night started out as if to be a very close and exciting contest with the score tied 5 to 5 at the end of the first frame. However, the locals outplayed and outthought the very determined Acorns in the second quarter and led them at the intermission 13 to 6.

Grosse Pointe made five field-goals in the first half, two each by Cronin and Winters, and three foul-shots, one each by Winters, Beever and Piche. The Acorns sank one field goal by Ladue and four charity tosses, one each by Shaw, Giddings, Ladue and Chamberlain.

The locals accounted for eight counters in the third frame with three field goals by Touhey and one by Lee, while the Acorns were held scoreless.

Royal Oak went on a scoring spree in the final quarter and totaled ten points on three field goals, one each by Shaw, Giddings and Seabright, and foul shots by Shaw and Seabright. Grosse Pointe made seven free shots three by Touhey two by Scott and one each by Winters and Lee.

Ray Touhey led both teams with four field goals and three foul shots for a total of 11 points.

This week the Grosse Pointe cagers will meet Mt. Clemens and Port Huron. The Blue Devils have beaten Mt. Clemens already this season, but the game with Port Huron will be the first this year.

These two games will be the last scheduled games of the season for the locals, but they will play again in the State regionals.

GIRL SCOUTS

The Troop committee of Star Troop 124 gave a Scout Benefit card party at the home of Mrs. E. R. Ross of 869 Barrington Road, Wednesday, Feb. 16. The Scouts made the very attractive tables for the party.

The committee members were, Mrs. Lucille Halliday, chairman, Mrs. Earl Brink, Mrs. George Nichols, Mrs. Wm. Romaine, Mrs. E. P. Robertson.

The troop greatly appreciated the interest the committees are taking in the troop. Three cheers for the troops committee.

A social evening, with plenty of entertainment, is being planned for the Officers, Teachers, Adult class, Parents, of the Sunday School children and interested friends of the Lochmoor Protestant Sunday School, on Friday, Feb. 25th, at 8:00 P. M. in the auditorium of the Stephens T. Mason School. Refreshments will be served.

At the last meeting about ten of the Girl Scouts in troop 140 took a test in order to earn a Photographers Badge. The girls find photography a very interesting and educational subject.

On Friday evening, February 18th, the girls plan to attend the Shrine Circus. Everyone will wear his scout uniform so people will know who they are. Irene Crichton and Mrs. C. O. Chesnut will be in charge.

A Court of Honor was held after the meeting to talk over the activities of the troop.

The horsewoman badge is a round bit of green cloth with a stirrup of leather and iron on it. It would look very nice on your sleeve with your other proficiency badges.

The badges are not hard to win and any wide awake girl would like to win it, of course riding is one of the less accessible sports, now that automobiles are so much in evidence. Usually riding is one of the activities in Girl Scouts camps. It is a very enjoyable sport and is necessary in case a person was chased by wild Indians or such. The joys of jogging through the country in the autumn and the thrill of your first season of fox hunting more than make up for all the learning that is necessary to be physically fit.

TROOP NO. 129

Friday the 11th Troop 129 held their weekly meeting.

They passed the flag test for second class. First Mrs. James Graves, the lieutenant, asked the scouts questions all about "Old Glory" in particular and about flags in general.

Then they played a game called "Sealed Orders" which is much fun. Everyone present passed his flag test. So Cheerio until next week.

Every Girl Scout should be able to be of some assistance if there is any illness in the home. She should be ready to accept any responsibility and to be of any help. If ever she were called upon to take care of the patient it would be quite embarrassing if she was unprepared for it. In this case the home nursing course would be of great help. Some of the things one

learns to do in this course are in of bed with a patient in it and the patient a bed bath. These you with your sister Girl Scouts.

The Home Nursing Badge is a red green one with bright green silk thread embroidered on it. In the center, an embroidered bed. This badge would look lovely on any Girl Scouts uniform and Girl Scouts would love to have it.
