

Scandinavian Mission to Present Musical Program Tonight

The Scandinavian Mission Ladies Aid of Grosse Pointe will present a big musical program Thursday, April 21, at 8 p. m. in the Defer school auditorium, corner Kercheval and Nottingham avenues.

The program consists of: The Conservatory Orchestra; Norwegian Male Chorus; Charles Anderson, baritone; and several other well known artists take part in the program.

Last January meetings were started every Wednesday at the Defer school music room and the attendance has so increased that before long it will be necessary to get a larger place.

Several Scandinavian families have from time to time expressed a desire for a home church out in Grosse Pointe,

as it is at least 20 miles to the Norwegian and Scandinavian church on the west side, so Mrs. Wahlborg and Mrs. Simonsen were asked to canvass the Grosse Pointe neighborhood for Scandinavian people that did not have a home church.

Mr. Knudson received a call to go to the Alaska Mission for the summer. We will miss him and his wonderful leadership. Thomas Knudson is loved by all. God bless him in his work in Alaska, and we look forward to having him with us in the fall.

It is desirable that all the Scandinavian churches work hand in hand with this new church work, as it needs the support of everyone.

Come and visit our meeting on Wednesday—everyone is heartily welcome.

The Rocketship Soars—At New York World's Fair

NEW YORK — (Special) — The dream of the mechanical age and perhaps the commonplace event of the World of Tomorrow—a trip to Mars in a rocketship—will be produced in a tangible form in steel and glass when a model working rocketport is placed into operation at the New York World's Fair 1939.

A free, focal exhibit in the transportation section of the Fair. More than a thousand visitors will be able to see the show at one time. After an interesting, activated display of transportation from the day of the cave man to the present, illumination in the auditorium will be shifted to spotlight the rocketport.

Light is Cheap! You can operate this 100-watt lamp 2 hours 47 minutes for 1 cent (at average residence rates) a penny provides over 2 1/2 hours of good room-wide KITCHEN LIGHTING WHAT a difference good lighting makes in the average kitchen! A bright, cheerful room is so much more desirable—it speeds work along so much faster and makes the surroundings so much pleasanter—that it is a wonder any woman will consent to be without it. Very few of them would be, if they realized how little it costs! A 100-watt lamp in the ceiling fixture, for example, will provide good room-wide kitchen lighting—and you need not worry about leaving it on! The cost for two-and-a-half hours is less than a penny. A 60-watt lamp over the range is a great help, too—and one over the sink. Both of them together cost less than a penny for two hours' operation. A bright, attractive kitchen is NOT a luxury—you can enjoy it for the price of a postage stamp! Why put up any longer with a drab, dreary room? Remember that LIGHT is one of the cheapest things you buy... use it for a cheerier, more inviting kitchen. THE DETROIT EDISON COMPANY

Grosse Pointe Post Activities

The roundup for the "last thousand" members is now in full swing. How about you comrades who are eligible, swing along.

The Friday night parties will be re-

sumed this week. We feel that the Lenten season being over, they will draw bigger and better crowds. We're located at St. Paul and Neff in the City of Grosse Pointe.

Comrade Mart Nielsen, our 1938 poppy chairman, is very much interested in knowing who the volunteer salesmen will be.

Our post regrets the passing of Mayor John Fee, who passed away after a short illness.

Due to the lack of trousers several comrades are unable to earn a livelihood. Want you pack 'em up. Call Niagara 5555 or mail them to the Legion Club, Detroit. Hope none of our boys are in these circumstances.

A large crowd of veterans are expected to attend the giant (stag) rally at St. Ambrose Hall, April 27, where Father Gabriel's talk on "Communism" will be very enlightening to all in attendance.

Still looking for several red-blooded huskies to join the Transfusion Corps (maybe I'm wrong).

Plans are well underway for Memorial Day services for our deceased comrades. Now that spring is in the air, how about our annual summer picnic?

Comrade Baker's post-sponsored Boy Scout troop are exhibiting their wares at Convention Hall.

Comrades Henry and Zarb report lots of spring practice among the baseball enthusiasts.

Comrades Lingeman, Whately, Raven and Besso are scheduled to put on their show Friday night at headquarters, entitled "The Rampage of the Cootie—Or Betcha Don't Know How It's Been Riding (free) for so Long."

Comrades Lingeman, Whately, Raven and Besso are scheduled to put on their show Friday night at headquarters, entitled "The Rampage of the Cootie—Or Betcha Don't Know How It's Been Riding (free) for so Long."

Organized two months ago by Mr. Dewey Kalember, high school band instructor, Grosse Pointe now has a civic band. It is composed of adults of the community who already play an instrument.

The band plays purely for mutual satisfaction and is not conducted as a class. The group plans to play at the various Grosse Pointe parks this summer, Mr. Kalember says.

To gain an understanding of French pupil's ideas and practice in writing letters in French, the students of the French III class of Grosse Pointe High school are arranging to correspond with French girls and boys who are studying English.

The students write their first letters in their own language, and then in the foreign language if they desire.

All the fraternities and sororities in Grosse Pointe High school were asked recently to disband by June or to reorganize under school supervision by Dr. S. M. Brownell, superintendent of schools.

Dr. Brownell explained the state law which makes such organized groups illegal. He also stated that the school is subject to a fine of from \$25 to \$100 for each offense.

If local groups do not follow the suggestions offered by Dr. Brownell, the school can withhold credits, and no state university can accept any student knowing he is still a member of a high school group.

On the six Sundays after Easter the pastor will deliver a set of six sermons having the general theme: "Women of the Bible." The first of these sermons is to be given on the coming Sunday, April 24, at 11:15 a. m.

The Young People's Society will celebrate its twenty-fifth anniversary next Sunday, April 24. Due consideration will be given this event in the service in the morning, while an anniversary banquet will take place in the evening at 6 o'clock.

For local events of interest consult Review.

Allied Youth Spring Dance Friday, April 22

The Allied Youth spring dance to be held this year in the Arctec Tower of the Union Guardian building on April 22 is to benefit the athletic fund. Music will be furnished by Al Hutchinson's Highaters for dancing from 9 to 1.

Miss Virginia Smith is the general chairman. She will be assisted by Llewellyn Groff, chairman of the floor committee; Alex Tunstall, chairman of tickets; John Peace, chairman of location; Jeanne Lechner, chairman of music; Genus Benson, chairman of entertainment; and Rosemary Boyles, chairman of hostesses.

On this occasion, a silver cup will be presented by the Detroit Automobile Club to the winner of the Detroit Intermediate school essay contest on the topic, "The Increase in Accidents Resulting from Alcoholism."

This year the dance will have some special features: If the young people care to have photographs of themselves taken during the evening, this will be done by a reliable concern and without any obligation to them.

There will also be presented at intermission, a Swedish dance team which has received considerable recognition.

Tickets may be purchased at the Allied Youth office in the Central Y. W. C. A., Detroit.

Local Scouts Give Life Saving Exhibit

Last Thursday noon, Hugh Ben Orr, Boy Scout Troop No. 25, and James Krause, Troop No. 96, gave an exhibition of the various methods of release and carry before the D. A. C. Beavers, the swimming organization of the Detroit Athletic Club.

After the demonstration Clifford Lockwood, Boy Scout district commissioner for Grosse Pointe, talked on "Scouting." He told not only about the "first aid activities" of the Boy Scout movement but also about the vocational guidance work.

Richard Degener, a D. A. C. Beaver and a resident of Grosse Pointe Farms, who was the 1936 Olympic champion diver, gave a diving exhibition before seventy-eight Grosse Pointe Boy Scouts at the Grosse Pointe High school recently.

Swimming and life-saving instructions are now given every Thursday night to registered Grosse Pointe Boy Scouts at the Grosse Pointe High school by Red Cross Life Savers James Vandervell, Austin Ball and Charles Kasler.

There have been three meetings so far. Fifty-three boys swam the first meeting, 78 the second, and 35 the third. The fourth meeting will be Thursday night, April 28.

Boys belonging to Troops 156, 44, 86, 259 and those who do not know how to swim from any troop will be admitted at 7 p. m. No boys will be admitted to locker room after 7:15 p. m.

Boys belonging to Troops 25, 79, 96 and 290 will be admitted dressed to the exhibition or talk mentioned above at 7:45 to 8 p. m.

To be admitted a boy must belong to a Grosse Pointe boy scout troop and show his 1938 registration card.

Last year 1,157 Detroit Boy Scouts were taught to swim at Boy Scout swimming centers and camps.

Judge Jeffries to Address Townsendites

A special invitation is given to all clubs, labor unions, professional and business men, citizens and students, to attend the meeting of Townsend Club No. 7 on Tuesday, April 26, at 8 p. m., in St. Columba Episcopal Parish building, 1021 Manistique at East Jefferson avenue.

Christian Science Church

"Probation after death" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, April 24.

The Golden Text (I John 5:25), is: "Verily, verily, I say unto you, The hour is coming, and now is, when the dead shall hear the voice of the Son of God: and they that hear shall live."

Among the Bible citations is this passage (I Cor. 15:19, 20): "If in this life only we have hope in Christ, we are of all men most miserable. But now is Christ risen from the dead, and become the first-fruits of them that slept."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 427): "If man is never to become death, why do the Scriptures say, 'The last enemy that shall be destroyed is death?' The tenor of the Word shows that we shall obtain the victory over death in proportion as we overcome sin."

GIRL SCOUTS

Troop 156 has succeeded in earning enough money to buy an American and troop flag by the selling of occasion cards, stationery and wrapping paper.

A name for the play to be given at the PTA meeting at Defer school by Troop 156, has been chosen. It is "Mr. Everyman Finds a Wife."

Mt. Olive Lutheran

Grosse Pointe Lutheran Church

"The Old Testament Sabbath or the New Testament Sunday?" will be the subject of the sermon at the Grosse Pointe Lutheran Church, worshipping in the Richard school auditorium, Kercheval and McKinley, next Sunday morning, April 24, at 11 o'clock, preached by the Rev. M. Luther Canup, D. D., pastor.

Sunday will determine how many members in the school have memorized the Ten Commandments in the Memory Honor Roll contest carried on since January 1st.

Every child is entitled to religious education. If your children are not attending religious instruction, we shall be happy to have them come to our Sunday School. Bring them yourself and remain for the adult Bible class.

THE WRONG-SIDE-OF-ROAD ROBBER

Even though he is content with only half of the road—the middle half — the Middle-of-the-Road Robber is one of the highway's most unpopular—and dangerous—users.

By driving down the center of the road he takes something that doesn't belong to him.

The good driver has not forgotten the Golden Rule and gives the others users of the highway the same consideration that he expects of them.

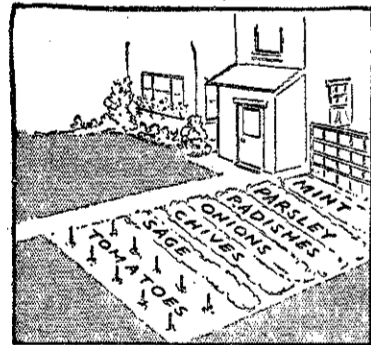

The Man With the Hoe Says

MARROWS SHOULD BE PICKED WHEN ONLY A FEW INCHES LONG.

The vegetable marrows make a delectable dish for the gardener who grows them. They are best cooked when very young. Pick them when the skin is so tender it breaks with a slight pressure of the thumb. They like a rich soil, good cultivation and plenty of moisture during dry spells. Destroy bugs as you would on squash or cucumbers. The bush type marrow should be picked when only 2 inches long. Start indoors for early crop, and outdoors for late summer crop.

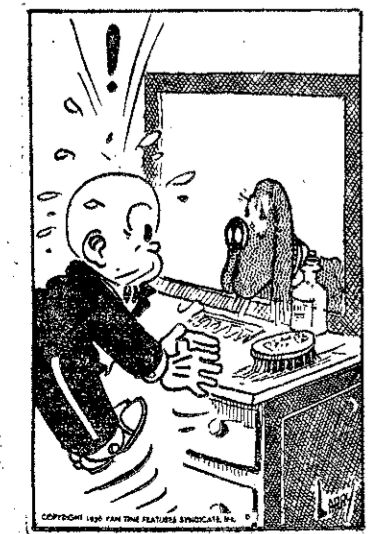

The Man With the Hoe Says

Grow a vegetable garden no matter how little space you have. Even a 10 foot square will produce as much radishes, lettuce, spinach and carrots as a family of four can consume, and twice this area is large enough to take seriously.

Plan for succession crops (one after the other in the same row) and companion crops (sown in same row, one to mature and be eaten before the other). This procedure will double and even triple your yield.

Hitler Puts His Grenadiers on Skis

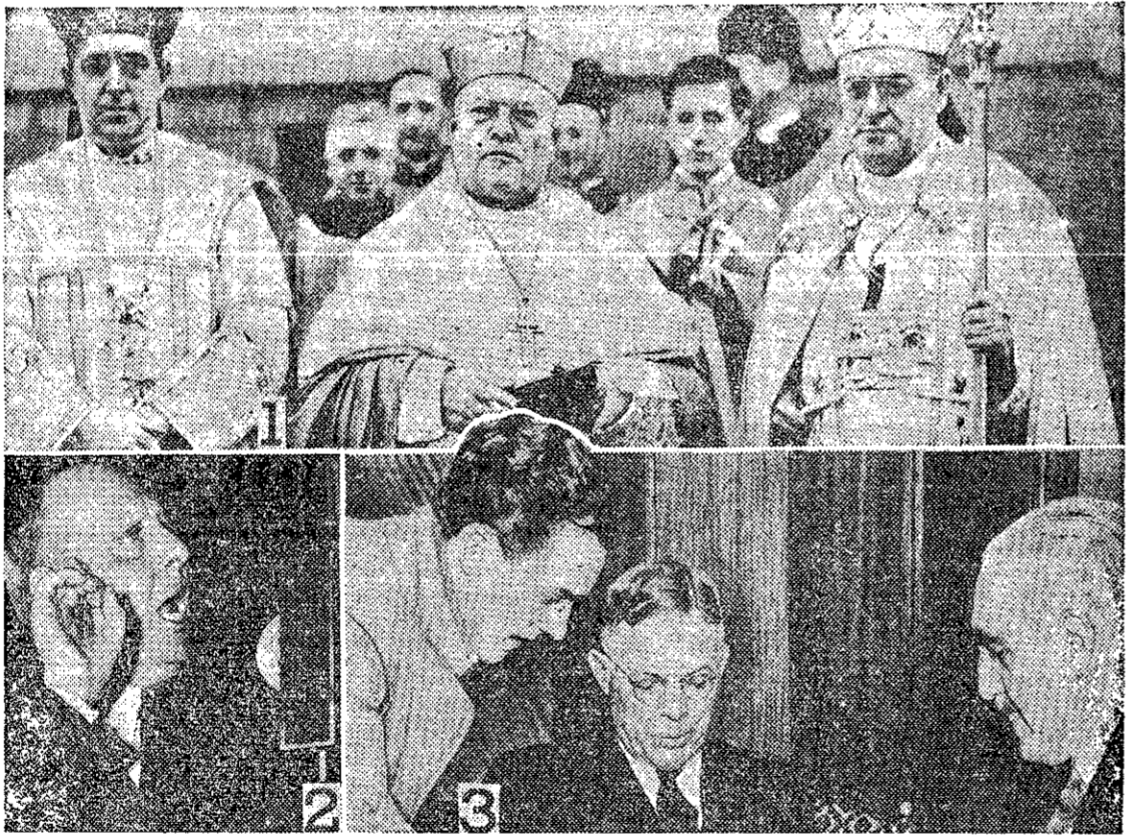

Apparently no phase of fighting is being left to chance by Dictator Adolf Hitler of Germany. Various branches of his armed forces are even now receiving war training on skis as witness this picture made on the snow-covered mountain slopes near Oberwiesenthal. Members of the police force, the army and storm troopers practice grenade throwing on skis, by using small clubs shaped like the deadly weapons. To make the exercises more interesting, the training takes the form of a contest.

New "Dead" Ball Gets Once Over

By RICHARD SONNE, JR. "What's your first impression of Grosse Pointe?" the landlady asked New Pointer after he'd been here several days.

Back in Brayton, a small New England town, where this writer lived, anyone who had been there less than forty years was considered a "furriner," even if he came from the next county.

Except for the families of the first settlers, New Pointer learned that these Grosse Pointes (Park, City, Farms, Shoers, etc.) are filled, or rapidly filling, with newcomers.

But this first impression: what made his eyes bulge, when he drove all over the Pointe looking for a place to stay, was the houses. It wasn't so much the raft of new places, or the size of them, that astonished New Pointer.

For other "furriners" who want to see something refreshing in the building line, New Pointer recommends a trip to the corner of Pemberton and Fairfax streets.

"But Mr. New Pointer, did you enjoy Easter in Grosse Pointe?" asked the landlady. "You went to church of course?"

The difference between Easter in Grosse Pointe and in Brayton seems to be that out here everybody dresses up more than they do in a New England town.

When the landlady asked about going to church again, he had to admit, rather shamefacedly, that he went for a long walk instead and sang hymns to himself to get the Easter spirit.

"The Chinese say that a lot of people dig their own grave with their teeth," said the inscrutable landlady.

The Neighborhood Club, now that it's mentioned, why back in Brayton *** (To Be Continued)
