

SCHOOL ELECTION MON.

Clark Seeks Re-Election To School Board At Election June 13th.

A resident and property owner of the school district for 15 years is a candidate for re-election as trustee of the Grosse Pointe School Board at the school election Monday, June 13.

He has served the school district for the past six years, the last five years as secretary of the school board.

Having three daughters attending our schools, he is naturally interested in

maintaining an efficient, economical school system. He has no relatives on the staff, despite reports to the contrary.

RALPH M. CLARK

Mr. Clark is a world war veteran, 50 years old. He has helped to keep our schools operating on a ten months' basis during the past six years, at the same time definitely improving the financial position of the school district by reducing the school budget, retiring a \$250,000.00 bond issue, building the new Mair school, a \$300,000.00 project on which there was a grant from the government of \$149,000.00, and placing the school district in a position of operating during the year without it being necessary to borrow money for operation from July 1 to January when tax monies are available, the case six years ago when about \$200,000.00 was borrowed for this purpose. This was accomplished despite a very rapid growth in the school enrollment.

Dr. Brownell Was Honored at Banquet Last Thursday Night

Tribute to the achievement of 11 years of service was paid by 284 guests to Dr. S. M. Brownell, retiring superintendent of public schools, at a banquet given in his honor last Thursday evening in the high school cafeteria by parents and school staff members.

Speaking for the Board of Education in appreciation of Dr. Brownell's work, Mr. Charles A. Parcells, president, outlined some of the developments in the public schools of the last 11 years: the completion and equipment of the high school building; the erection of five elementary schools; the increase of enrollment from 978 to 4,110; the graduation of 1,579 students from the high school; the preparation of 475 students for college; the development of the guidance system and the placement bureau which has found jobs for

Grosse Pointe To Have Additional Sewer Outlets

The agreement between the City of Detroit and the Village of Grosse Pointe Park for additional sewer outlet facilities and future use of the Detroit Public Sewer System and sewage treatment plant, was executed by the proper officials of both municipalities on June 6, 1938 and is now in effect.

The agreement for storm water relief calls for the City of Detroit deepening Fox Creek from Jefferson avenue to Lake St. Clair, and also to construct a relief arm sewer to the village limits in Jefferson avenue at their expense. The Village of Grosse Pointe Park is to construct a storm water relief sewer in Jefferson avenue and to provide a pumping station at Maryland and Jefferson avenues on the Municipal Building property. This will enable the village to pump and discharge excessive storm water directly into Fox Creek without the necessity of depending upon the City of Detroit pumping stations at Connors Creek and Jefferson avenue, and also at the foot of Parkview avenue. The village storm water relief sewer and pumping station will be operated as an independent unit and can be placed into immediate operation when the emergency arises, thereby eliminating the delay which has been the cause of storm water backing up into basements in Grosse Pointe Park.

With outlet facilities secured, the Village of Grosse Pointe Park has ordered the Village Engineer to prepare plans and specifications and estimate of cost of a complete storm water relief sewer system for the village. It is the intention of the Village Commission to submit the proposition to the proper government officials for the purpose of ascertaining as to whether or not the village can secure government aid in the financing of the project, and the residents can rest assured that no effort will be spared toward this end. Until proper storm water sewer outlet facilities were assured it was impossible for the village commission to take any steps toward providing relief. Now that the outlet facilities have been secured, it is the intention of the Village Commission to carry the entire project forward as quickly as Statute and Village Charter requirements will allow the Village to proceed.

Grosse Pointe Police Defeat Detroit Police in Golf Tournament

Brilliant golf by Grosse Pointe enabled them to defeat the Detroit police golf team by a complete shutout. Highlights on the match: the defeat of Stan Hancock by Harold Beaupre, the latter carding a 68, two under par to give the Pointe team a perfect start. Jim Beaupre, Russ Hilgendorf, Sergeant Allard, Sergeant Trombly, and Art Louwers carded scores in the 70's.

Vic DeBaekke, owner of Beverly Hills where the match was played, had the course in perfect shape. Many thanks, Victor!

Here's a tip to anyone wanting some easy money: Play Chief Trombly. We heard he had an eighteen hole 130. Easy picking.

Vacation Service for Your Curtains

When you leave on your summer vacation, if you wish you can send your curtains and drapes to the Russell Curtain Laundry, 14727 Kercheval avenue, for cleaning and at no extra charge they will store them for you until your return.

Then upon two or three days notice they will hand finish and deliver them. Many Grosse Pointe residents found this service very satisfactory last year.

Kerr Candidate for School Board Favors Administrative Economy

Harry W. Kerr, candidate for one of the vacancies on the Grosse Pointe School Board in the election to be held Monday, June 13th, was born in Detroit in 1893. He attended Detroit pub-

lic schools, Detroit Central High school and University of Michigan, class of '16. Following graduation he attended the First Officers Training Camp at Fort Sheridan and served with the 85th "Custer" Division and the 41st Division and 2nd Army Headquarters A. E. F. After several years in the steel business with Roehm & Davidson, he became

Supreme Court Rules Against Built-in Garage in Pointe

Subdivision restrictions calling for garages at the rear of lots were upheld by the State Supreme Court Tuesday in a Grosse Pointe suit where a built-in garage was planned in the Harvard road subdivision.

Wayne Circuit Judge Guy A. Miller had ruled the built-in garage would not violate the restrictions. The high court held it would.

Marie Arndt Recital Attracted Large Crowd to Grosse Pointe High

By MARY JANE STOETZEL
Grace, color, beauty, charm, rhythm, youth and perfection were displayed Monday and Tuesday evenings at the Grosse Pointe High school when Elaine Marie Arndt presented her pupils in a brilliant dance recital.

Quickness was the key to Elaine Marie Arndt's recital's success. Every dancer was ready to come on the stage when the preceding dancers had left, thereby keeping the program moving at a rapid pace.

Varied indeed were the dances and scenes presented by approximately 150 young dancers. An interesting scene was a fantastic preview of the World's Fair, Francis Schneiders dressed as a porter did a skillful tapping solo; while the Ensemble went through the intricate steps of the "Big Apple" for the audience. The Fair's Midway was complete, even to having Sally Rand with her pink and blue fans taken off by petite Norma Furneaux.

associated with Detroit Trust company as trust officer. Since 1929 Mr. Kerr has been a partner in the investment firm of Crouse and Company, with offices at 1800 Penobscot building, Detroit. He has lived in Grosse Pointe, City and Farms, for 12 years and has been actively interested in the Parent-Teachers Association at both the Richard and Kerby schools.

Mr. Kerr has been a careful student of the Grosse Pointe school system and its requirements. He has been an active member of the Parent-Teachers association for many years, always interested in the advancement of the Grosse Pointe students.

His experience and desire to operate efficiently with a minimum of expenditures, with the taxpayers problem receiving first consideration, his candidacy should be given consideration and support at the polls Monday, June 13.

Mr. Kerr is a thorough believer in the maintenance of a highly developed school system operated on an efficient basis with a minimum of expense to the taxpayer. It is his desire to have a program for a junior high school developed to an early conclusion.

Trades Eye for Her Life

Nestling in the arms of Nurse Betty Patkin is little Helaine Judith Colan, Chicago, victim of glioma, a dread eye disease. A debate of days to decide whether to operate at the expense of blindness, or permit the dread disease to take little Helaine's life was settled when after a conference of scientists, the left eye was removed. An attempt is being made to save the right eye.

One little satin gowned cupid found herself on the wrong side of the curtains at the close of the Midget Village number. After a bewildering minute or so some one came to cupid's rescue and pulled the curtains apart for her. Cupid was in the St. Valentine Day scene and it was her tiny arrow that brought Joan Domine, clad in a red satin dress trimmed in white, to fall in love with Arthur Molitor. Of course the wedding followed with Ann Chandler and Suzanne Miesch acting as flower girls. Red-haired Shirley Jean Davis didn't seem to mind the hardness of the floor as she turned, tumbled and twisted in her acrobatic solo. Joyce Hartung did a graceful toe dance as she twirled a pink umbrella about. Fascinating indeed was the Electrical Bldg. Display dances, which took place in a room dark save for a few flash lights borne by the tapping tappers. Gretchen Brandt in a white ballet dress with electric lights on her skirt showed the beauty of grace in her ballet dance. It was hard to look at the twirling ribbons of the Radiant Ribbons dance and not become dizzy.

Kitty Stabile with her long curls falling about nimbly went through her acrobatic waltz solo. Elaine Marie Arndt did a beautiful and breath-taking dance titled "Toe Classic" in a pale pink flowing dress. Formally attired Jeanne Betzing and Frances Schneiders showed the older members of the audience the type of dancing that the younger sets do when out at a dance.

Frankie Connors, of the Fox Theater, and guest artist at the recital, enthralled the audience with his singing of "I Simply Adore You" and "Good Night Angel." As encores he sang "When Irish Eyes Are Smiling" and "You're a Sweetheart."

The prettiest scene in the entire recital was that titled "Horticultural Garden." The pale green skirts and rose colored bodices of the rose maidens and the lavender and yellow gowned flower maidens as they danced about a human-statured fountain blended in perfectly with the forest background.

Billy Konkle did some fast stepping in his Harlem swing; while soldier-dressed Arthur Molitor and Edward Wasner did some tall tapping with toy trumpets. Miss Arndt came back at the end of the program and danced a fast moving rhythm tap selection.

The Hall of Nations brought the recital to a brilliant close. Not only was it brilliant as far as color and dancing went, but also in the lesson and bit of advice that it gave. As Betty Trombly, portraying the Princess of Peace, sang the words to the song "Keep It Over There," following the scene of a Clash of Nations, which was a new and unique way of showing the horrors of war, no one could help but realize the uselessness of fighting.

America, Ireland, Poland, Greece, Holland, Austria, Hawaii, France, Sweden, Russia, Cuba and the Orient were the places depicted by dance. Geraldine Hewson did an impressionistic slave dance thereby displaying the Orient; while Russia was presented by Francis Schneiders, who really can do the Russian dance. Social dancing followed the program in the gymnasium of the school.

Elaine Marie Arndt is an active member of the Dancing Masters of America, the Chicago Association of Dancing Masters and the Dancing Masters of Michigan. She teaches private and class lessons for beginners and advanced children and adults in all types of dancing in her studio located at 919 Barrington road. Jo Ann and Bela Cusgan of Elaine Marie Arndt's dancing class will be featured Monday at 8 p. m. at the Scholarship Fund Benefit given by the Denby Mother's Club at Jackson Intermediate.

Elementary Band Presents Program

Friday evening, June 10, the Trombly school beginners' band of 25 pieces will present their first program in conjunction with the Saxette class demonstration. The band is made up of fifth and sixth grade students who had completed one semester of Saxette and have been studying band instruments during this semester. The Trombly band is one of six bands now organized in the Grosse Pointe schools. The program starts at eight o'clock. There will be no admission charge. The program will be presented in the Trombly school auditorium.

J. R. Kennedy Heads Richard P.T.A. for the Coming Term

Mr. J. R. Kennedy of the Richard school district was elected president of the Parent-Teacher Council of the Grosse Pointe public schools for the school year 1938-39 at a meeting of the council Monday evening at the Board of Education offices. Mr. John McPherson is retiring president.

Mr. R. G. Grylls of the Kerby district was elected vice president. Mrs. Randall Mitchell, Maire school district, secretary, and Mrs. Donald Machum of the Trombly district, treasurer. The council voted unanimously in favor of a resolution commending the Board of Education in its action in inaugurating proceedings to obtain the site at Kercheval and Somerset for a junior high school building. Dr. S. M. Brownell, superintendent, reported progress in that undertaking.

A resolution expressing congratulations and regret to Dr. Brownell, who will this summer conclude his term as superintendent here before becoming a member of the Yale University faculty, was also passed by the council.

The secretary was instructed to make inquiry of the Wayne County Road Commission concerning plans for the widening of Jefferson avenue with a view to the possible preservation of shade trees along that street.

Historical Convention Opens Here June 9th

College and University professors and historical societies in Michigan and Ontario will participate in the Michigan-Ontario Historical Convention to be held in Detroit, Windsor, and Ann Arbor June 9-11. Among the institutions and organizations represented will be Wayne University, University of Detroit, Marygrove College, University of Toronto, University of Michigan, Detroit Historical Society, and Michigan Historical Commission.

Convention speakers will include Governor Frank Murphy; former governor Chas S. Osborn; President Frank Cody of Wayne University; President Alexander G. Ruthven of the University of Michigan; William J. Cameron, public relations council of the Ford Motor Co.; representing Henry Ford; the mayors of the various cities in which meetings will be held; and other prominent civic and religious leaders.

Meetings will be held in Windsor Thursday, June 9; in Detroit, Friday, June 10; and in Detroit and Ann Arbor, Saturday, June 11. General theme of the convention will be the common historical background of Ontario and Michigan, with emphasis on the long period of "peace and amity" which has prevailed between Canada and the United States.

Chairman of the committee on arrangements is Dr. M. M. Quaffe of the Detroit Public Library, professional lecturer in history at Wayne University. Other committee members from the Wayne University faculty are C. C. Barnes, professor of social studies, and Dr. Winfred Harbison, assistant professor of history. Dr. Raymond C. Miller, professor of history at Wayne will lead a symposium on projects for historical research in Michigan.

Sausages in Two Groups
Dry sausages may be divided into two groups: cervelats and salamis. Salmis are more highly seasoned than cervelats. There are hard and soft types of both.

Genius
Genius is only the power of making continuous efforts. The line between failure and success is so fine that we are often on the line and don't know it. How many a man has thrown up his hands at a time when a little more effort, a little more patience, would have achieved success. As the tide goes clear out, so it comes clear in. In business, sometimes, prospects may seem darkest when really they are on the turn. A little more persistence, a little more effort, and what seemed hopeless failure may turn to glorious success. There is no failure except in no longer trying. There is no defeat within, no really insurmountable barrier save our own inherent weakness of purpose.

Grosse Pointe Candidates for June Graduation

By MARY JANE STOETZEL

Five Grosse Pointe girls graduated yesterday from Marygrove College at the 28th annual Commencement exercises. His Excellency, the Most Reverend Edward Mooney, D. D., Archbishop of Detroit, conferred the degrees. The Reverend George Johnson, Ph. D., L. L. D., of the Catholic University of America, addressed the 82 graduates. The five Pointers are: Rita Smith, daughter of Mr. and Mrs. Thomas Smith, of Wayburn avenue; Jane O'Connor, of Barrington road. Mary Jane Kirchner, daughter of Mr. and Mrs. Edgar E. Kirchner, of Bedford road; Kathleen Kilbride, daughter of Mr. and Mrs. Bernard Kilbride, of Nottingham road; and Hope Foley, daughter of Mr. and Mrs. R. M. Foley, of Hampton road.

Ceremonies for Baccalaureate Sunday held June 5 included the graduates Mass at 9:30, at which a sermon was delivered by the Reverend William D. Henigan, pastor of St. Martin's Church. Before Mass the Reverend John F. Byrne, S. J., Chaplain of the College, conferred the graduates' hoods. All the girls took an active part in the commencement week activities which opened with the annual outdoor play presented May 31 and June 1. The play this year was "Esther," Racine's drama based on the Biblical story, and translated by John Masefield. Mark Travers, of Notre Dame; Martin Hogan, of Detroit; and Bud Payne, of Chicago, were the guests of Miss Kilbride, Miss Smith and Miss O'Connor, respectively at the Sophomore-Senior dance given by the sophomores June 3 in Madame Cadillac Hall.

On June 6 all graduates took part in the Solemn Eucharistic Procession. In the afternoon all five girls attended a luncheon given in honor of the seniors by the junior class. The seniors entertained their parents and friends at a garden party and buffet supper in the fountain quadrangle June 7 at four o'clock. The same evening the entire college took part in the serenade of college songs. Miss Smith, who majored in history, was an active member of the "Prism," "Richard" and "International Relations" clubs of Marygrove; while Miss O'Connor, a home economics major, was president of the So-Bears club. Miss Kilbride was a student of journalism. Miss Foley, also a journalism major, was president of the Quill, and a member of the advertising and press clubs of the school.

The watch bears the inscription: "From the staff of the Grosse Pointe Public Schools, in appreciation of 11 years of far-sighted leadership and sympathetic understanding."

In his acceptance speech Dr. Brownell named two factors which have been most helpful to him in his Grosse Pointe work: the determination of the Board of Education to develop the

school system on the basis of the welfare of the schools rather than on political expediency, and the attitude of co-operation of the teaching staff. He also paid tribute to Mrs. Brownell for her help in his work.

Dr. Brownell will be in Grosse Pointe until August 1. He will take up his duties as professor of school administration in the graduate school of Yale University in September.

Vernon Kennedy has shown his ability to advantage under the Tiger banner, which seems to indicate that Mickey did acquire some talent in exchange for the popular Walker. He is enjoying the most successful season of his career.

Precinct No. 2—To include the middle of Mack Avenue, rear lot line on the east side of Three Mile Drive, middle of Jefferson Avenue, the city limits (includes both sides of Wayburn Avenue), voting place at the George Defer School, 15425 Kercheval Avenue, Grosse Pointe Park, Michigan.

Precinct No. 3—To include the middle of Mack Avenue, rear lot line on the east side of Neff Road, Lake St. Clair, rear lot line on the west side of Audubon Avenue, voting place at the Lewis E. Maire School, 740 Cadieux Road, City of Grosse Pointe, Michigan.

Precinct No. 4—To include the middle of Mack Avenue, rear lot line on the north side of Moran Road, Lake St. Clair, rear lot line on west side of Lakeland Avenue, voting place at the Pere Gabriel Richard School, 130 McKinley Road, Grosse Pointe Farms, Michigan.

Precinct No. 5—At present to include all territory between Weir Lane on the north, and the rear lot line of Merriweather on the south, and from Lake St. Clair on the east to the middle of Duffo Road beyond the Farms, voting place at the Kerby School, 64 Kerby Road, Grosse Pointe Farms, Michigan.

Precinct No. 6—To include all territory north of Weir Lane and the County Line and from Lake St. Clair to the east side of Marter Road, voting place at the Vernier School, 36 Vernier Road, Grosse Pointe Shores Michigan.

Precinct No. 7—To include all territory north of Weir Lane and the County Line and from the rear lot line of Marter Road on the east to the middle of Duffo Road, voting place at the Mason School, 1840 Vernier Road, Lochmoor, Michigan.

and that the polls of said election shall be open at the polling places in the several precincts of the District from 8 o'clock A. M. to 8 o'clock P. M. Eastern Standard Time (7:00 o'clock A. M. to 7:00 P. M., Central Standard Time), and that at said election there will be

- (a) voted for and elected two members of the Board of said District for the term of three years and that Ralph M. Clark, Harry W. Kerr and Charles A. Parcels are candidates for said office,
- (b) The approval of Library expenditures for the year 1938-39 in the amount of \$19,300.00, and such other questions and propositions, if any, as are required by law to be submitted to the vote of the electors of the District voting in precincts.

NOTICE IS ALSO GIVEN, that the Annual Meeting of said School District will be held on Monday, the 13th day of June, A. D. 1938, and that the meeting will be opened at 7:00 o'clock A. M., and closed at 10:00 o'clock P. M., Eastern Standard Time, at the Grosse Pointe High School in the Village of Grosse Pointe Farms, Michigan; that at said Annual Meeting between the hours of 8:30 o'clock P. M. and 10:00 o'clock P. M., Eastern Standard Time, there will be submitted to those present and entitled to participate in the business and proceedings of the meeting all questions, propositions and matters upon which action by the voters of the District is by law required, or necessary, or by the Board of Education deemed proper, prudent or expedient to be submitted to the meeting.

Dated June 3rd, A. D. 1938.

RALPH M. CLARK,
Secretary, Board of Education,
Rural Agricultural School District No. 1,
Grosse Pointe Township,
Wayne County, Michigan.

Only taxpayers owning property and living in the School District and/or parents having children between the ages of 5 and 19 years inclusive are entitled to vote for school trustees.

Registration must be on or before 12 o'clock Noon, June 11th. Only persons who have registered may vote at the school election.

But One Question Ready for Ballot

Of six special questions and proposed constitutional amendments slated to go on the November general election ballot, but one is thus far qualified.

The legislature of 1937, by joint resolution, proposed a constitutional amendment increasing the annual salaries of certain state officials, but doubt as to its legal meaning has caused it to be referred to the Attorney General for consideration.

For other proposed constitutional amendments have been approved by the Secretary of State as to form; each of these petitions must bear the signature of 174,977 voters of the state and be re-submitted by July 8, to be placed on the ballot. The number of signatures required is equal to ten percent of the total vote cast for all candidates for governor in the 1936 election.

The four proposed would provide for: appointment, rather than election, of justice of the state supreme court; four year terms for certain county officers; prohibition of deficiency judgments for more than past due installments on purchase contracts; a one percent per month interest rate for loans of \$300 or less.

The one special question thus far certified to the ballot is the referendum on the 1937 statute revising the state's welfare and relief machinery. Operation of this statute has been suspended pending the November election.

Manning the Rail
 In the United States Navy the custom of manning the rail is now an honor accorded only to the President of the United States, the President of a foreign Republic (a Foreign Sovereign, or members of the Royal Families. It

is sometimes known as "manning the Side." Formerly in the days of sailing ships the ceremony, then called "Manning the Yards" was probably more picturesque than now. Imagine how a full-rigged ship of the line would look with its sailors equally and symmetrically spaced along the yards.

Three Grosse Pointe Degrees at U. of D.

Three Grosse Pointe residents received degrees from the University of Detroit at the fifty-fifth annual Commencement exercises in Masonic Temple, Detroit, Tuesday, June 7.

Herbert W. Devine, 1340 Kensington road, received the Bachelor of Science degree from the College of Arts and Sciences. He is a member of Omega Beta Pi, pre-med fraternity, of which he was secretary in his senior year; the Greek Club, the German Club, the Symposium Society and the Gun Club.

Raymond J. Duffy, 1239 Buckingham avenue, was given the degree of Bachelor of Aeronautical Engineering by the College of Engineering. He is a member of Alpha Gamma Upsilon, general social fraternity, the American Institute of Electrical Engineers and the Society of Automotive Engineers. He has been class secretary, president, vice president and president again, in his sophomore, pre-junior, junior and senior years, respectively. He has been a member of committees for the Soph Snowball, the Thanksgiving Frolic, Senior rings and invitations and a member of the new Faculty-Student Council. He has participated in intramural basketball, baseball and bowling.

William E. Keane, Jr., 1007 Harvard road, received the degree of Bachelor of Arts, from the College of Arts and Sciences. He is a member of the French Club, and served on the Frosh Frolic Committee, the freshman golf team and the hockey team.

Boy Scouts Camp to Open June 26

Information has been issued by Camping Chairman, Dr. William C. Lawrence, of the Detroit Area Council, Boy Scouts of America that Camp Brady, located near Waterford, Mich., is already more than fifty per cent reserved for the 1938 Summer season and that Scouts who anticipate the opportunity of attending had better hurry in their reservations if they not already done so.

"Last year we turned down several scores of Scouts who attempted to make late reservations," said Dr. Lawrence. The capacity of Camp Brady is only 150 Scouts per week. Dr. Lawrence stated, "that our dining accommodations are limited and already the Camp is more than fifty per cent filled." It is expected that all reservations will have been made before the Camp opens for its eight week period on Sunday, June 26.

Many more troops than ever before will do troop camping now that adequate facilities will be offered in the new "Charles Howell Reservation," which is to be dedicated Saturday, June 4. The Howell Reservation comprising 460 acres of rolling wooded territory, adjoins Brighton Lake near Brighton, Michigan and was made possible through the gift of Mr. Charles N. Howell, of Detroit. Extensive plans are being made for the dedication ceremonies which will include a flag raising ceremony, an Indian-lore pageant, a responsive reading, and a drum and bugle corps.

Among other outdoor activities of the local Scout Council is the fourth annual "Camporee" to be held at Rouge Park, Friday, Saturday and Sunday, June 10, 11, 12. Last year over 800 Scouts, in patrol organization, took part.

Our Country

THE constructive citizen has a vital interest in his country. Animated by patriotism and loyalty, he desires to be of service to his country at all times. Recognizing honest purposes and straightforward practices as paramount, he endeavors to push beyond merely sentimental and superficial issues, and to adopt sound views and sound doctrines. Thus his efforts are invaluable. Through systematic right thinking, he aids in accomplishing right results. Said Emerson, "That country is the fairest, which is inhabited by the noblest minds."

The concept of one's country involves not only boundary lines, inhabitants, and countrymen, but also a controlling power or government. Consequently, an aggregation of inhabitants and their government is definitely regarded as a country. But, in order to have a good, responsible country—a country which is noble and fair—there must first be a correct estimate of the qualities which are fundamentally necessary to build up and sustain such a country. In other words, there must be a perception and understanding of that invisible, underlying spiritual force or intelligence which inspires and directs all worthwhile activity—that divine power which provides wisdom and strength both for those who represent the government of the country and for those who are governed.

"The kingdom is the Lord's; and he is the governor among the nations," declares our highest authority—the Bible. This plain, positive statement is the key to the entire situation, the answer to every problem confronting the countries of the world now and always. This supreme fact regarding government demands careful, undeviating consideration on the part of true, progressive thinkers. When practically applied it will work wonders for peoples and governments everywhere.

It goes almost without saying that the progress, harmony, and true contentment of any country are directly proportionate to the individual and collective welfare of its inhabitants. But here is the momentous fact, and it needs to be emphatically stressed: this welfare is primarily spiritual, it is the product of Mind, not of matter. It is born of God, not of man. Therefore, the root and branch of real welfare are primarily in divinity.

The greatest demonstrator of this mighty fact was the Man of Galilee. His works, correctly apprehended, were designed, above everything else, to bring perfect peace and concord not only to individuals, but also to nations; and this sense of peace and bliss was intended to silence and blot out forever the evils of strife and warfare. But on all sides today, even among Christian peoples, there are violent discussions of war, aggressive suggestions of it, and general preparation for it. Can we possibly think or say that this procedure promotes genuine welfare for one's country? Can there be helpful feelings of love and brotherhood behind this attitude? Can any nation be happy and contented, and can it demonstrate the prosperity and success it is seeking without first establishing peace in its own ranks, and then reflecting that peace toward other nations? Is war capable, in any degree whatsoever, of bringing lasting good to one's country? The Master gave the incisive answer (Matthew 26:52): "All they that take the sword shall perish with the sword."

No better method exists for establishing peaceful, harmonious well-being than to adopt and to practice the art of self-government. Why? Because unadulterated democracy has for its chief cornerstone the Golden Rule, which is the best precept yet devised for human conduct. A leading American educator and university president has written: "The future of this nation (United States), as the future of the world, is bound up with the hope of a true democracy that builds itself on liberty."

"True democracy"! That is an arousing thought! Built on "liberty," such a democracy promises real freedom, that is, fairness, justice, equality, security, protection, for peoples and governments. It forecasts safety, satisfaction, and serenity for all the world.

Mary Baker Eddy, the Discoverer and Founder of Christian Science, says on page 106 of "Science and Health with Key to the Scriptures": "God has endowed man with inalienable rights, among which are self-government, reason, and conscience. Man is properly self-governed only when he is guided rightly and governed by his Maker, divine Truth and Love."

"That country is the fairest, which is inhabited by the noblest minds." And the "noblest minds" are ever those which are exalted in character and quality—lifted high above the sordid, debasing things of mortal experience, and glimpsing the realm of spiritual things, where goodness, mercy, probity, predicated upon an unbounded love for God and man, are the controlling influences. "Righteousness exalteth a nation; but sin is a reproach to any people."

When our country—every country—finally comes to see that in reality God is the governor in all things; when every country comes to know Him and His government aright, and to understand that man reflects this government, then will individual and collective welfare and security, peace, democracy, judicial procedure, politics, prosperity, and success fall into line with the divine government. Then will the nations, under God march on as never before in the history of the world.—The Christian Science Monitor.

"Henry" Popular Name "Henry" has been the most widely used name of European kings, emperors and princes during the past thousand years, says Collier's Weekly. One family, the dynasty of Reuss, which ruled two former German principalities for hundreds of years, called every male member by this name, one of the last being known as Heinrich LXXXIV, or Henry the eighty-fourth.

Paper Pulp While aristocratic paper is made from rags; soft woods such as spruce, pine and hemlock are used for the pulp from which most of the paper commonly used is manufactured.

On Gandhi's left is Rev. A. M. Dalaya, principal of the college, and on his right is Khan Abdul Ghaffar Khan, who is known as the "Frontier Gandhi."

Czechs Hold Key to European War or Peace

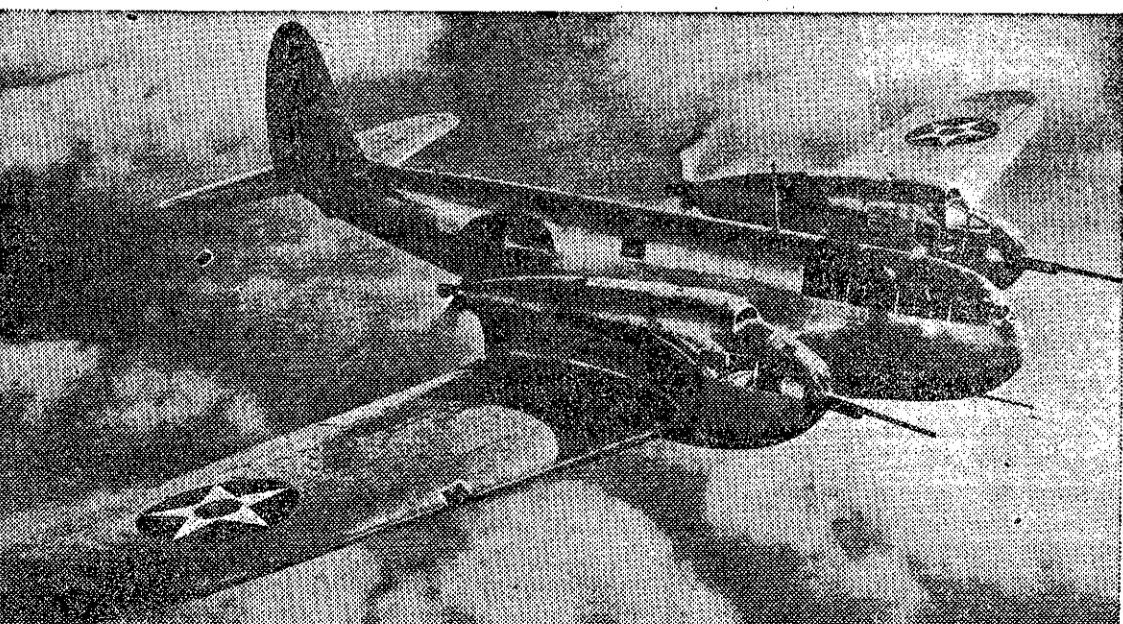

1—War or peace in Europe largely hinges on the future actions of Konrad Henlein, leader of Czechoslovakia's Sudeten Germans whose demand for autonomy precipitated a grave international crisis. 2—Tank corps of the Czechoslovakian army called out to quell disorders during recent municipal elections and to resist possible German invasion. 3—Foreign Minister Kamil Krotka of Czechoslovakia who held peace conferences with Henlein and who has played an important part in shaping foreign policy in the recent crisis.

"Iron Better Than Gold," Says Goering

Field Marshal Hermann Goering (center) inspecting the site of the new Hermann Goering Iron foundries at Linz, Austria, after laying the cornerstone recently. In his dedicatory speech he said, "Let others have gold, we are happy to have iron."

New "Airacuda" Fights 30,000 Feet Overhead

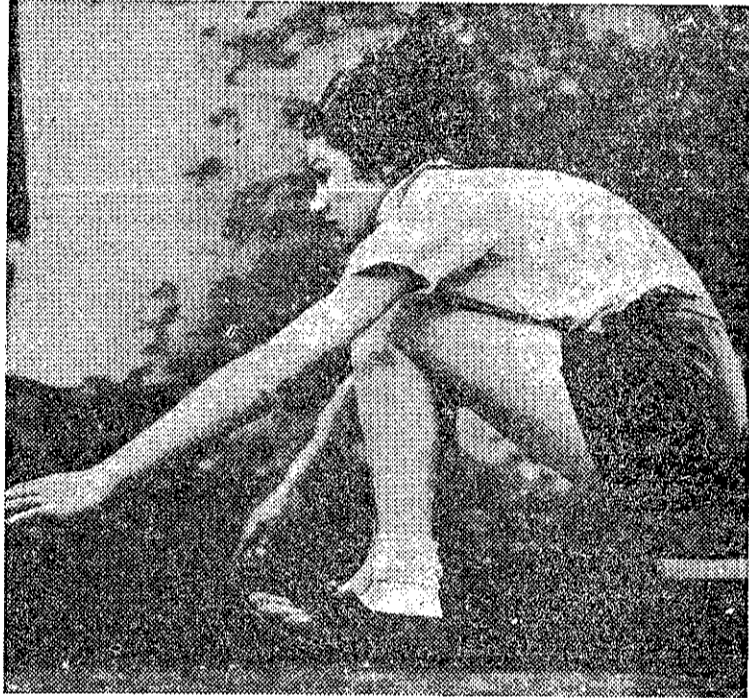

One of the new "Airacuda" fighting planes of which 13 have been ordered by the War department. The plane, of revolutionary new design, has a fighting ceiling above 30,000 feet, has its propellers located behind the wings instead of in front and is equipped with two specially designed engines. The War department states that the speed of the plane "is believed to be sufficient to overhaul any modern bomber now in production or building."

Fresh Flounders in Trees

Belmar, N. J.—It's big business that Lester McDaniels, left, and Bill Martin are carrying on as Mrs. Mildred Winward patronizes these enterprising Monmouth county, N. J., youths who display their fresh flounders on a tree. And it is 100 per cent profit for at this season a fellow can catch this species here about as fast as he can lift them from the bottom of the nearby bay and river.

Soars to New Broad Jump Record

Miss W. H. Mayer, whose leap of 16 feet 9 inches set a new meet record in the women's broad-jumping event in London, England, recently, photographed during her successful attempt which took place at the University of London Athletic Union annual athletic championships at Hopton park.

Good Kids Get Free Sodas

What a kid will do for an ice cream soda was illustrated by the experience of Charles Balaban, druggist at Camden, N. J. Balaban let it be known he would give a free soda to every boy and girl who received an "A" in deportment on their report card. Between 100 and 150 pupils of the Yorkship public schools came in with "A's," Balaban said and the rush got so great he had to withdraw the offer until further notice. Here are some of the good pupils sipping their sodas.

Ready for the Front Line

On the Lunghai line going to the front line battlefield, Chinese troops are shown at the railroad station about to entrain. The stubborn resistance of the Chinese troops to the Japanese invasion is regarded as one of the military miracles of modern times.

ACE JUMPING FROG

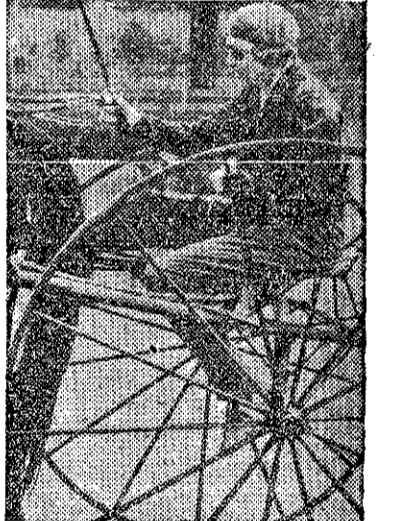

"Zip," the prize hopping frog of eight-year-old Eddie Robinson of Stockton, Calif., showed plenty of zip at the historic Angels Camp Frog Jumping jubilee in Calaveras county recently when it pounced out 15 feet 10 inches to set a new world's record. The jubilee honors Mark Twain, who wrote a story about a jumping frog and other figures of the early days in the Mother Lode gold mining section.

STILL BELTS 'EM

Gene Tunney, who retired undefeated as world's heavyweight champion, drives one from the eighth tee during a golf tournament at Pinehurst, N. C., recently sponsored by Attorney General Homer S. Cummings. The will to win that carried Gene to the top of the heavyweight heap is apparent in the determined expression on golfer Gene's face as he watches the flight of the ball.

Park, City and Farms Sponsor Unique Golf Tournament June 17

All municipal employees within the boundary of Grosse Pointe Township and the City of Grosse Pointe are invited to participate in a Dubbers Golf tournament. The poorer the score the greater the reward.

A perfect riot of fun, plenty of refreshments and prizes of all kinds open only to employees of the Grosse Pointe municipalities. The event will be held at the Ridgmont Golf course on the Eight-Mile road, on June 17.

Don't think you are the poorest golfer in Grosse Pointe, come and let's prove what a real "dubber" is.

Let's all get together and make this a gala day. You pick your own handicap. The Kicker's handicap is between 75 and 85, should your average be 100 you would take a 20-stroke handicap.

How can you loose. Come and take home a box of golf balls, quart of liquor, etc.

The course will be open at 8:30 a. m. You can play any time up until 7 p. m. One of the outstanding features will be a prize for the closest ball to the pin on the ninth green.

Committee members will be on this green throughout the day.

Entry fee will be \$1.00. Please have your entry in before the 12th with one of the following:

City of Grosse Pointe, George Poupard, fire department.

Grosse Pointe Farms, Raymond Snay, fire department.

Grosse Pointe Park, Art Louwers, police department.

Farms Splits Double Header Sunday, Meets Hazel Park Sunday

Grosse Pointe Farms divided a double header with Royal Oak Sunday at Kerby field. Both games were interesting from start to finish.

Norman King of Grosse Pointe, and Frank Bubb of Royal Oak were stingy with base hits. Royal Oak got eight runs, four hits and Grosse Pointe made eight hits for three runs in the first game.

George Potter of Royal Oak tied up with Albert North of the Farms in the second game, Potter allowing the Farms boys only seven hits for four runs. While Nort was hitting in the pinches, he gave up 11 hits for three runs. The Farms are now in third place with seven wins and four losses.

The Farms meets Hazel Park Sunday at Kerby field. Hazel Park is leading with nine wins and three lost, and the Farms are out to take two to take possession of the coveted first place. Willard DesRocher will pitch the first game, with Nort working the second.

Grosse Pointe Lutheran Church

"One God but Three Persons" will be the subject of the sermon at the Grosse Pointe Lutheran church, worshipping in the Richard school auditorium, Kercheval and McKinley, Sunday morning, June 12th, at 10:30 o'clock, preached by the Rev. M. Luther Canup, D. D., pastor, in a special service celebrating the festival of the Holy Trinity. In this sermon will be explained the meaning of the Trinity—Father, Son and Holy Ghost.

"Serving Other Races," will be the topic taught in the upper grades of the Sunday School at 9:45 a. m., where we have classes for all ages and all grades. The Young People's club will meet

A Little Beauty Chat with Madam Ida

Whenever a person itches the scalp—she puts her finger on the trouble. That may remove the "tension" for a moment—but never for long. The scalp itches because it is being irritated and there is only one thing to do to save embarrassment and annoyance—and that is to alleviate the cause of the irritation.

Some authorities hold that the irritation is caused by a germ growing in the dead tissue the scalp naturally throws off. Others that a germ creates "dandruff" and this "chocks" the oil glands causing an itchy feeling.

But what a person is most interested in and what the scientific beauty culturist strives to do is to eliminate the cause of trouble. Sometimes this can be done for good. In other cases it keeps on recurring like dandelions in the lawn. Thus "guaranteeing cures" are often disappointing.

You do not have to endure it—and you should not—for every scalp should be at ease—not disease.

at 7 p. m. at the parsonage when the subject will be "Our Place in the Home."

Townsend Club Holds Get Acquainted Night

The public is invited to attend the next meeting of Townsend Club No. 7, on Tuesday evening, June 14, at 8:00 o'clock, in St. Columba Episcopal Parish building, 1021 Manistique avenue at Jefferson, and get acquainted with your neighbors. A membership contest is on between the Blue and the Gold. Which side do you prefer? Come and meet the captains.

After a brief business session, many different games will be used for entertainment; and for those who wish it, light refreshments will be served for a very small fee to help with the expenses. Bring the whole family and help us make merry.

Grace Evangelical Church

The young people of Grace Evangelical and Reformed Church of Grosse Pointe extend an invitation to the public to attend the church service which they are conducting on Youth Day, June 12.

In the absence of the minister, the topic of "Forward Together" will be taken by Raymond Schleicher presenting Youth's standpoint and Mr. S. H. Hall giving the viewpoints of the older generation.

Grosse Pointe High School Commencement Exercises June 16

Weather permitting, Grosse Pointe High School commencement exercises will be held on the lawn with the library pillars as a background on Thursday, June 16, at 8:15 o'clock, for the largest class in the school's history. If it should rain, the program will be held in the auditorium.

The senior class of 140 will march to reserved seats as Joan Reutter plays Mendelssohn's processional march from "Athalia." Dr. Francis B. Creamer, of Christ Church, will give the invocation. Elizabeth Goodrich, Doris Allen, and John Haldeman will be the speakers for the evening. Elizabeth's topic is "Youth and Leisure," Doris' speech is entitled "Youth and Mental Security," and John's subject is "Youth and Creative Citizenship."

The A Cappella Choir under the direction of Mr. William J. Watkins will present two selections. A male quartet will also sing.

Presentation of the class and announcement of class honors will be made by Mr. Paul A. Rehms, principal. Dr. S. M. Brownell, superintendent, will present the seniors with their diplomas.

Joan Reutter will also play the recessional march from Mendelssohn's "Athalia."

An informal reception immediately following the exercises will be given in the cafeteria by the Mothers' Club. Everyone will be invited. Mothers will also decorate the stage.

Drive to Eliminate Slums Is Started

At a signal from Nathan Straus, Administrator of the United States Housing Authority, a tumble-down shack in the slums of Youngstown, (Ohio) was pulled from its foundation

the other day and the nationwide drive to eliminate American slums and blighted areas was officially under way.

Before the dust of the initial demolition of slums had fairly settled, similar attacks on slums of half a dozen other cities were under way. These communities were among the first to receive loans from the United States Housing Authority with which to construct low-rent homes for slum families in the low-income brackets.

Up to date a total of \$334,548,000 has been set aside for 80 communities in 23 States and Territory of Hawaii to carry on their war against the slums. Of this sum, \$53,493,000 was actually assigned in loan contracts to nine cities and the remaining \$281,055,000 is earmarked for communities who are preparing applications for Government loans.

Under the provisions of the Wagner Steagall Act of 1937 the United States Housing Authority is empowered to lend local housing authorities up to 90 per cent of the total development cost of slum-clearance and the low-rent housing projects. The remaining 10 per cent is supplied by the local communities.

Some indication of the spread of enthusiasm for the new low-rent housing programs is seen in the speed with which local communities are establishing housing authorities to participate in the \$500,000,000 authorized for loans.

When the United States Housing Act was passed last summer a mere 46 cities had housing authorities. The list today contains more than 140 names of cities and towns in 25 States which have set up local housing agencies.

Administrator Straus expressed the belief that funds will be put out as loans to cities at the rate of \$50,000,000 a month during the rest of the summer. Funds available for earmarking under the present total authorized by Congress will be depleted before long, Mr. Straus declared, unless Congress votes favorably on pending amendments which would increase the \$500,000,000 to \$1,000,000,000 and double the scope of the program.
