

Titans to Clash with Catholic University On Friday October, 7

With expectations of a much smoother working machine than has been in evidence in the two games already decided, the University of Detroit will play its first intersectional contest of the season, with Catholic University of Washington, D. C., as the opponent. This game will be played on Friday evening, October 7, and will be the last night game of the home season.

Detroit beat Catholic University by a score of 30 to 0 last season, but is not taking anything for granted this time. The Washington contingent is said to have improved considerably, due largely to the fact that the promising sophomores of last year have acquired added experience. It is a heavy, powerful eleven and one that can play better football than the score of 1937 would indicate.

The Titans' victory a year ago was due largely to the fine performance of "Anvil Andy" Farkas, who made one run of 97 yards for a touchdown and several other sensational dashes culminating in, or leading up to, scores. Andy is now playing with the Washington Redskins and his place has not been even approximately filled by the Titans.

The Detroit team is strong defensively, but so far has not uncovered a ball-carrier of big league caliber. This deficiency may be overcome before the season is over, but it probably won't be in time for the Catholic U. battle. Coach Dorais has high hopes of some of his sophomore backs, particularly Al Ghesquier, but that youngster will need several more games under his belt before he is ready to do his best work.

St. Ambrose Softball Team to Give a Dance

The St. Ambrose Holy Name softball team, 1938 champions of the Grosse Pointe Board of Education Senior Softball League, wish to announce their "victory celebration dance" to be held at St. Ambrose Hall this Friday, October 7. The boys extend a cordial invitation to all of their faithful followers to again be with them at what promises to be a real evening of fun and entertainment for both young and old. A special invitation is extended to the members of all teams that they opposed during the past season.

The dance will feature the inimitable rhythms of Costa Rica and its orchestra, the band that has won such high acclaim from local critics. Dancing will start promptly at 9:30 p. m. and continue until —?

New England Women Conference at Cleveland

Attending the Mid-West Conference of the National Society of New England Women from Detroit Colony, Tuesday and Wednesday, October 11 and 12, at Hotel Cleveland, Cleveland, Ohio, will be Mrs. Edward J. Savage, national councilor; Mrs. H. B. Loveland, president of Detroit Colony; Mrs. H. M. Booth, first vice president; Mrs. Alfred Veazie, financial secretary; Mrs. H. S. Christian, and Mrs. William R. Walter.

Cleveland Colony will be hostess at this regional meeting to twenty or more Colonies, within driving distance, in Ohio, Illinois, Michigan, Pennsylvania, West Virginia, and New York. Mrs. Parlan Semple, Jr., of Montclair, N. J., president general, will conduct a national board meeting at ten o'clock Tuesday morning. Luncheon will be served at the Cleveland Museum of Art. A trip through the art museum will be followed by a drive about the city. Hon. Harold Burton, mayor of Cleveland, will be the speaker at the banquet at 6:45 o'clock that evening.

On Wednesday morning, October 12, at ten o'clock, the District Conference, for all members, will open with a round-table discussion on "The Trend of Modern Books and Its Influence on New England Traditions." After the one o'clock luncheon, Mr. I. T. Frary will speak. Mrs. Carl Kette'eman, of Cleveland Heights, is in charge of luncheon and banquet reservations. Stay-at-home members of Detroit Colony will go, at ten o'clock, on Wednesday morning, October 12, to the home of Mrs. Clifford Reynolds, on Griggs avenue, to see upon articles for the November bazaar, and dresses for the Goodfellows.

Mr. and Mrs. Harold Ellerby, of Vendome road, left the Pointe early Saturday morning in order to witness the Michigan-Michigan State game in Ann Arbor. They returned to the Pointe immediately following the game however to get back to their three-month-old daughter, Katherine.

Mr. and Mrs. Harry J. Bostwick (Helen Schumaker), of Lincoln, announce the birth of a daughter, Barbara Drake, on September 24.

Catholic University will outweigh the Titans on the line, but this is nothing for Dorais to worry about. His team demonstrated against the powerful and hard-running Purdue backs that it cannot be pierced consistently from tackle to tackle, the Boilermakers doing their best work around the ends, where Detroit was crippled. From tackle to tackle the Titan forwards outplayed the Purdue people in spite of giving away considerable weight.

One of the things that has given the coaching staff a lot of encouragement this season is the fine performance of the second team. Forced to play over half the game against the Boilermakers because of the excessive heat, the second-stringers gave a fine account of themselves, not only holding Purdue scoreless but setting the stage for Detroit's only touchdown.

The end situation is still somewhat unsettled and probably will remain so until Captain Al Chesney and Bill Schauer, the starting flankers, who have been troubled by bad legs return to condition. Progress made by Jim McMillan, Negro flanker, indicates that he will qualify as one of the first alternates. He is the fastest man on the squad with victories in the 440 yards run in several track meets to his credit. His weakness so far has been in holding forward passes.

The Catholic University game will be the last home appearance of the Titans until November 5. Meanwhile they will play Boston College, Villanova and Duquesne on the road.

Dr. E. R. Van Kleeck Addresses Mothers' Club

Dr. E. R. Van Kleeck, new superintendent of schools, spoke briefly concerning current school problems following his introduction to the Grosse Pointe High School Mothers' Club at its first meeting of the year last Monday evening at the high school.

Dr. Van Kleeck's remarks preceded an informal discussion by Mr. Nicholas Wreden of Doubleday Doran Co. of new fall books.

Home economics instruction which helps teach girls many of the phases of domestic living instead of concentrating on foods and clothing, "cooking and sewing," will be stressed in the new Grosse Pointe Junior High School, Dr. E. R. Van Kleeck said.

Beginning his discussion of books with a consideration of business of books from the point of view of the author, the publisher, and the bookseller, Mr. Wreden explained the arrangement whereby advance advertising schemes make it necessary for the bookseller to make his orders almost sight unseen. Almost the new books which he has read Mr. Wreden likes these novels: "Dynasty of Death," by Taylor Caldwell, "Rebecca" by Daphne Du Maurier, "Fathers by Allen Tate, and "All This and Heaven Too" by Rachel Field.

Recommendations of general works included: "Hall Caine's Life of Christ," Irving Stone's "Sailor on Horseback," Carl Van Doren's "Benjamin Franklin and Anne Lindbergh's Listen to the Wind."

In the business meeting preceding the speeches the Mothers Club elected Mrs. Barton Wood and Mrs. Martin Castricum as representatives to the Council of Parent-Teacher organizations. The gift of life membership to charter members was also voted by the organization.

INDIVIDUAL CURTAIN CLEANING PROCESS

The Russell Curtain Laundry have attained fame through their individual methods of cleaning curtains. Each order is handled distinctly separate from the time it is called for at the home until it is delivered. During the process of starching, washing, tinting, stretching and finishing it never comes in contact with the curtains of anyone else.

That is the secret of their success and explains why your curtains always look like new when they are returned. The utmost care is used in handling yet the cost is quite reasonable, while the workmanship is far superior to that of most curtain cleaners.

Mrs. Thomas A. Coleman entertained at a dinner party Sunday in her home on Lincoln road, in honor of Ruth Hermann and her brother Walter. After the dinner everyone, Mrs. Coleman and her sons, Carl and Tom, and daughter, Beedie, and the two Hermanns went for a walk around the streets of the Pointe in order to work off their dinner.

Mr. and Mrs. E. Lloyd Ecclestone (Clara Strickland) of Buckingham road, announce the birth of a daughter on September 29.

Parent-Teachers Appreciate Review's Co-Operation

Mr. Leon B. Oldham, Editor Grosse Pointe Review 15121 Kercheval Grosse Pointe, Michigan

Dear Mr. Oldham: In behalf of the Parent Teachers Council of the Grosse Pointe School District, I want to both congratulate and thank you as a result of the overwhelming victory in our Tuesday election to get a new junior high school. I congratulate you because you did so much in this crusade to give us adequate school facilities for our district. We know that this overwhelming victory following your wholehearted support gives you much cause to rejoice at this time.

I thank you because the parents of children in our schools fully recognize the value of your most active cooperation in our behalf. Through the Grosse Pointe Review, the dire need to correct our present crowded conditions was made apparent to everyone in the entire district. The soundness of the proposal on which we voted was made so clear through your columns that even before the election, there could be little doubt but that we would be successful.

Largely due to the distribution of your paper, this effort to get adequate school facilities in the west end of our district met with wholehearted support throughout the entire district, even to the eastern limits. Everyone was fighting for this cause even though their children would never attend the school. We trust that when the same expansion becomes necessary in the other end of the district, through you we can gain equal support from the west end in order to make possible the same school advantages farther east where new homes are being built so rapidly.

It is indeed gratifying to all the parents who have children in our schools to know that when our needs are fully recognized, the time is right, and the proposition is sound, that we can count on you for your valued co-operation. As a result, Grosse Pointe will maintain its position as the finest place to live and raise children in the entire Detroit metropolitan area.

We are indeed grateful to you for what you have done to help us.

Very truly yours,
J. RANDOLPH KENNEDY,
President Parent Teachers Council of School District.

The bride was married in an afternoon frock of teal blue velvet with which she wore wine accessories and a shoulder corsage of gardenias.

Her only attendant was Mrs. Joseph Mehrkamper, of Detroit, and Mr. Mehrkamper was best man. Wilbur Uproft also attended the rites.

Grosse Pointe High Gridders Upset Ann Arbor by Score of 6-0

Jack Schriever's recovery of a blocked punt gave the Grosse Pointe High school's Blue and Gold eleven its first grid victory over an Ann Arbor team in Saturday's game at the high school gridiron.

Grosse Pointe's lone score came in the first period when James punted to Ann Arbor's own 21-yard line. The Blue Devil team tightened and held Ann Arbor for two plays. Then on the third down Schneider's punt was blocked and rolled into the end zone. In a mad scramble between Beever, Schneider, and Schriever, Schriever finally pounced upon the elusive pigskin giving Grosse Pointe its only score.

Ann Arbor was a continued threat to Grosse Pointe. Three times the purple and white eleven worked the ball down to the Blue Devil's 10-yard line. Grosse Pointe moved the ball back into neutral territory by recovering a fumble, by intercepting a pass, and by nailing the opponent for a 25-yard loss.

Grosse Pointe is a much stronger team defensively than it was last week. The team is not clicking so well on the offense, but its strong line enabled it to hold the margin and emerge victorious.

Royal Oak High school will provide the opposition when the two teams meet on the Royal Oak field next Saturday. This game will open the Border Cities League competition for the Blue Devils. Royal Oak took a beating from Mt. Clemens last Friday, 43 to 0.

The Blue Devil eleven trounced the Royal Oak team in last year's contest by a score of 37 to 6. The Blue and Gold team scored in each of the four periods and completely buried the

.. IN CASE OF FIRE ..

1. Do you know exactly what to do in case of fire?
2. According to Henk-Garska Co., local representative of the Aetna Casualty and Surety Company of Hartford, Conn., and numerous other insurance companies, building fires are one of the most common destroyers of life and property. Once a minute on the average there is a building fire somewhere in the United States. Despite these facts, he states, many persons have never been called upon to report a fire, or to accept responsibility in seeing that it is properly dealt with.
3. As a co-operative measure during National Fire Prevention Week, October 9-15, Henk-Garska company urges every man, woman and young person to familiarize themselves with the exact procedure to be followed in case it becomes necessary to report a fire. Given below are some of the rules suggested by him:
4. Plan what you intend to do if fire comes, then do it calmly and sensibly.
5. Make up your mind beforehand that you are not going to become excited,
6. Learn the location of your nearest fire alarm box. Make sure that you know how to operate it.
7. Write the telephone number of your fire department where it can be found quickly by any member of the family.
8. Use the most convenient of these methods to call the fire department.
9. Learn the correct operation of hand fire extinguishers.
10. When using a hand extinguisher the fire should be attacked at its base.
11. If the clothing catches fire, tear off burning portions if possible. Attempt to smother the flames by wrapping victim in a woolen cloth.
12. Do not allow the victim to run or move about.
13. When sleeping in a strange building, learn the location of the nearest exit before retiring.
14. If caught in a burning building, remember that smoke is thickest near the floor. Make your way to safety by crawling or crouching.
15. When inside a burning building, close as many windows and doors as possible in order to keep the fire from spreading.
16. If it is necessary to jump from a window, first throw out mattresses or bedding to break your fall.
17. If fire breaks out while you are in a crowded room, give the alarm quietly and unobtrusively so as not to create a panic. It is unwise to shout "Fire!"
18. When reporting by means of an alarm box, remain near the box until the firemen arrive so as to direct them to the fire with the least possible delay.
19. When the firemen arrive, remember to stay out of the way. Give them the best possible chance to work.
20. Remember that life always comes before property.
21. Remember that death rides with the fireman in his race to reach a fire. Don't handicap him by thoughtless acts.
22. When you hear the siren or gong stay safely on the sidewalk.
23. If driving a car, do not race after fire apparatus or park in the vicinity of a fire.
24. Never under any circumstances park your car in front of a fire hydrant.

'Yankee Clipper' to Be at Town Hall October 12

Eugene Loring, whose choreography for "Yankee Clipper" was acclaimed by the New York press as the finest of the year, will dance the role of the restless farmer who joins up for a hard trip around the world on a clipper ship, when the Ballet Caravan, Lincoln Kirstein's celebrated New York company of 22, comes to Detroit next week. "Yankee Clipper" will be one of three ballets to be presented at the opening attraction of the Detroit Town Hall in the Fisher Theatre Wednesday, October 12, at 11 a. m.
Music for "Yankee Clipper," written by Composer Paul Bowles, was played by the Philadelphia Symphony Orchestra for the ballet's brilliant debut last year.
"Filling Station," the second ballet—is a modern American theme based on an exciting day in the life of a gasoline station attendant. Virgil Thomson, composer of Gertrude Stein's sensational opera "Four Saints in Three Acts," wrote the music to the choreography of Lew Christensen, who dances the leading role of "Mac," the attendant. The third ballet, "Promenade," is a classical theme to Ravel's waltzes.
The company boasts three other well known dance artists. Marie Jeanne, premiere ballerina, at 17 is one of the youngest ballet stars in the world. Recently her picture adorned the cover of a popular American national magazine. Gisell Caccialanza, one of the leading dancers, was a pupil of the famous Italian ballet master, Cecchetti, who became her Godfather by special dispensation of the Pope. Cecchetti taught many of Diaghileff's stars, including Nijinsky, Karcavina, Massine and Lifar. Another solo dancer, Eric Hawkins, will rush to join the Caravan for its Detroit engagement after appearing in New York October 9, as Martha Graham's partner in "American Document."

Dr. Brownell Runs Into Bad Storm in the East

A graphic description of the storm which devastated Eastern States has been received by Dr. E. R. Van Kleeck, superintendent of Grosse Pointe schools, from his predecessor Dr. S. M. Brownell. Dr. Brownell, now professor of school administration in the graduate school at Yale University, wrote as follows from New Haven, Connecticut.
"We have had quite an unusual experience here due to the recent storm, though fortunately we and our property suffered very little. Two trees on our lot were uprooted, and one beautiful big spruce stands at an angle of about 45 degrees. I hope the tree can be saved, but it will take experienced tree people to do the job.
"Our next door neighbors had their two huge elms uprooted and laid across Bishop street. There were eight such trees lying across the street just in this block, besides the other trees which went down on lawns and in back yards."

I should say that the estimate of 5,000 trees down was a conservative one.

"On Wednesday afternoon I was unpacking when the storm cut off our electric service. I then noted that it was about time for school to be out, and though the children were due to spend the afternoon with friends only about a block from school I decided to go in the car and take them to save their arriving drenched. I noted the terrific downpour and driving wind as I drove to the school but was more disgusted than alarmed. I saw one or two trees down, too. When I got the children and started to go around the block my path was blocked on Willow street by a fallen tree. I turned around and went back the one block to Canner, and reaching Whitney avenue, the children's destination. Then I could neither go north or south on Whitney for trees were clear across the street on either side. When I got back to Livingston (one block) trees were across that street. At Orange, which had been the street I had come from home, trees across the road had closed it. I started on for State street and suddenly found myself and car enveloped in leaves and branches. A tree had blown over on the car. I was out in about no seconds flat, and sought shelter from the drenching rain and wind in a store building from which we watched several trees blow over.
"When I got my wits together I ventured out to see the state of the car and discovered to my joy that the major weight of the tree was resting on a guy wire, and that while there was a slight current coming through there was no live wire danger, and finally got up my nerve to try backing the car. You may imagine my gratification when I was able to get the car out and found it not damaged!
"All of this time the wind was still blowing and the rain descending in torrents. With a very wary eye on the trees ahead I spent the next half hour trying to discover a route home, for of course telephone service had gone with the wind. I eventually managed to get to State street where there are no trees and thence to Bishop street where I parked the car away from any trees and walked home, where it was a relieving discovery to find that all was safe. The storm subsided about five p. m. and we were able to get the children without difficulty, though of course we and they had to walk. It was an appalling sight to go down Whitney avenue and see the giant trees by the dozen uprooted and lying across the street, and occasionally see them tipped over against a house. Several of those huge elms on Hillhouse went down, one of them crashing over against the front of 28 Hillhouse and smashing out several windows."

In Appreciation

I should like to take this opportunity of thanking everyone in our school district for the fine co-operation they gave us on the school election last week. The boys and girls themselves did a grand job of getting their parents out and it was this spirit that took us completely over the top.
It would be fine to be able to thank you personally, but since this is impossible we extend to you a welcome to be with us on Tuesday, October 18, at an afternoon tea.
Our gratitude also to the Review for the fine help they gave.
Sincerely,
(MRS.) JANE DALE,
President
Geo. Defer Parent-Teacher Assn.

Messiah Lutheran Church

Southeast corner of Kercheval and Lakewood avenues. A. H. A. Loeber, pastor, 1434 Lakewood avenue. Telephone Lenox 2121.

Sunday, October 9: German service at 8:45 a. m.; Sunday School at 10 a. m.; English service at 11:15 a. m.

The Young People's Society will meet Tuesday, October 11, at 8 p. m.

Under the auspices of the Ladies' Aid, a film depicting the work at the Lutheran Deafmute Institute will be shown in the church basement on Tuesday, October 18, at 8 p. m.

Grosse Pointe Lutheran Church

"Why I Like to Go to Church—Because God Speaks to Me Through His Word," will be the subject of the sermon, the fourth in a series, "why I like to go to church," at the Grosse Pointe Lutheran Church, worshipping in the Richard School auditorium, Kercheval avenue and McKinley road, Sunday morning, October 9, at 11 o'clock, preached by the Rev. M. Luther Canup, D. D., pastor.

"Making Worship Spiritual and Real" will be the subject taught in the upper grades of the Sunday school at 9:45 a. m., where we have classes for all grades and ages. Now that you and your family are back in your home, back in business and the children back in school, it is time that all get back in Sunday school and church. To neglect duty in this respect is displeasing to God and very harmful to you and your family. We welcome you to our service and sermon at 11 o'clock and Bible School at 9:45 o'clock.

High School Notes

The first of the all-school dances sponsored by the Student Association of Grosse Pointe High school will be held next Saturday evening in the boys' gymnasium from 9 to 12 o'clock.

Arrangement for the party have been made by a standing dance committee which is to plan other association affairs for this semester. Donald Beaver is chairman. His committee, consisting entirely of boys, includes John Chanler, Eric Gottschalk, Rudolf Kamischke, Robert Lotz, and Charles Stephenson.

Because the Student Association wants to encourage boys to bring girls to its parties, stags will again be charged a larger admission fee than couples. Tickets are fifty cents per couple and seventy-five cents for stags.

Hubbard's swingsters will be the orchestra.

So that parents and teachers may become acquainted the 83 7B students attending the Defer-Trombley annexes will hold open house next Wednesday, October 12 from 7:30 to 10 o'clock in the basement of the Defer school where the junior high school classes are held.

Following a period of informal introductions, parents, teachers and pupils will gather in the auditorium where Dr. E. R. Van Kleck, new superintendent of schools, Mr. P. A. Rehms, high school principal, and Mr. Herbert Hobart, annex director, will be presented.

Seventh grade students will present a one-act play and musical selections as their contribution to the program. All numbers will be introduced by a student chairman.

In accordance with a policy adopted by the high school several years ago to provide this introductory opportunity for parents of new students, the 7-B group attending classes in the high school building and the old Cadioux school will also hold open house the following week, Wednesday, October 19. This open house will be held at the high school.

An early issue of "Scholastic Magazine," national weekly for high school students, will publish a poem by a Grosse Pointe High school boy, William Slocum of the twelfth grade.

The poem, which is entitled "I Have Been Reading Keats Tonight," appeared in the June issue of the school literary magazine "Proem," of which William was editor-in-chief. It will be used on the Round Table page of Scholastic on which are printed each week outstanding contributions by high school students.

The poem follows:
I Have Been Reading Keats Tonight
I have been reading Keats tonight,
In my darkened room,
With the fading candlelight
Flickering through the gloom.

And the splicing smears of gold
Falling on its pages bright,
Illumine words which beauty hold
Forever and tonight.

The prediction that Charles Hanne-man, alumnus of Grosse Pointe High school, now playing with the Detroit Lions, will be this year "one of the very best ends on the team, and we have the five best ends in professional football" was made by Bud Shaver, public relations counsel for the Detroit Lions, in a speech given in assembly at Grosse Pointe High school Tuesday morning.

Mr. Shaver, former sports writer for the Detroit Times, cited Hanne-man as one of numerous examples of a success in sports resulting from "one hundred per cent effort." Mickey Cochrane and Hank Greenberg he credited with having won out over handicaps through superlative effort and determination.

"To put forth one hundred per cent effort is a pretty good way to go about whatever job you have in life," the speaker told his student audience.

According to Mr. Shaver, it was over-confidence which was responsible for the Lions' defeat at Cleveland. "We had built them up too much," he declared, adding that the lesson learned as a result of the Cleveland defeat will be an asset at Green Bay.

Mr. Shaver described some of the behind-the-scenes organization of the Lions, explaining that committees of players take care of discipline, entertainment, and such matters. The management assists the members, he said, in becoming established in business and in saving a portion of each season's salary.

Advising his young hearers to cultivate the habit of backing good things, Mr. Shaver urged the support of Grosse Pointe High school's football team. "Football is a game in which emotion and spirit provide about fifty per cent of the energy required to play," he emphasized. "There never was a player who didn't do better with encouragement from the stands, and cheering fans have a right to feel that they actually helped when a touchdown is made."

Christian Science Churches

"Are Sin, Disease, and Death Real?" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, October 9.

The Golden Text (Jeremiah 30:17) is: "I will restore health unto thee, and I will heal thee of my wounds saith the Lord."

Among the Bible citations is this passage (Isaiah 33:22, 24): "For the Lord is our judge, the Lord is our lawgiver, the Lord is our king; he will save us."

Correlative passages to be read from the Christian Science textbook "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 206): "Omnipotent and infinite Mind made all and includes all. This Mind does not make mistakes and subsequently correct them. God does not cause man to sin, to be sick, or to die."

Hannan "Y" News

During the last two weeks in October every public elementary and intermediate school in Southeast Detroit will be having hobby shows in their buildings. These shows will be in preparation for the big tenth annual hobby and talent show to be held at Hannan Y the first week in November.

Certificates of recognition will be awarded both at the school shows and district shows. Large certificates will be awarded winners in the talent show to be held at the Y.

A city-wide ping pong league is starting up among the Y branches of Detroit for older Y boys. Already four teams have come forward to compete in weekly home and home matches. Adams, Fisher, Northeastern are fully organized and there is talk of a team from St. Antoine and Northern.

A Hannan team that can compete against those teams is being organized by Dick Hansen and Glenn Whitcroft.

Mrs. Cyril J. Edwards has returned to her home on Rivard Blvd., after spending a week in Cleveland, Ohio, visiting her mother. Mrs. M. S. Lewis. Her son, Cyril, Jr., is now in Wallingford, Conn., where he is a student in the Choate School.
