Absentee Resident Voters Attention

The attention of all residents of the City of Grosse Pointe who expect to be absent from the city on election day, Tuesday, November 8, 1938, is directed to the following: If such absentees desire to vote they may do so before leaving the city, or, ballots will be sent them to the out-of-town address provided the lawful application is made in ample time to allow for transit. The especial attention of city residents who are ill or confined at home or in a hospital is likewise directed to this feature of the election laws which allows the Clerk to receive applications for so-called ABSENT VOTERS BALLOTS up to the second day prior to election day. Because of the Sunday intervening the last day for so receiving such applications has thus been interpreted as being at 12 o'clock noon, Eastern Standard time on Saturday, November 5, 1938.

In view of the apparent intense interest being taken in the forthcoming election expectant absentee city residents are urged to co-operate by making application for Absent Voters Ballots at as early a time as possible in advance of their departure from the city.

In Case of Fire

During the past week the members of the Grosse Pointe Park Fire Fighters Association have been distributing cards to residents and business houses of the Park giving instructions as to who to call in case of fire. Be sure to put the card in a handy place for reference and save the confusion of looking through the telephone book. Every minute counts in case of fire.

Did you know that on Monday Mrs. M. Morrison Whitney left her home on Rivard boulevard for a ten days' motor trip in the East.

Proclamation

Whereas, Navy Day will be observed throughout this nation on Thursday, October 27th, for the purpose of honoring the personnel and officers of our country's sea forces who stand ready to defend our land and institutions against invasion and aggression by unfriendly powers and influences, and to pay tribute to the memories of those who, since the establishment of our Navy by Act of Congress in 1775, have ever been ready in the national defense, many of them laying down their lives in the performance of their patriotic duties; and

Whereas, that day will also be nationally observed as the anniversary of the birth of "The Father of our Modern Navy," Theodore Roosevelt, who brought sharply to our people the need for an adequate defense by sea; and

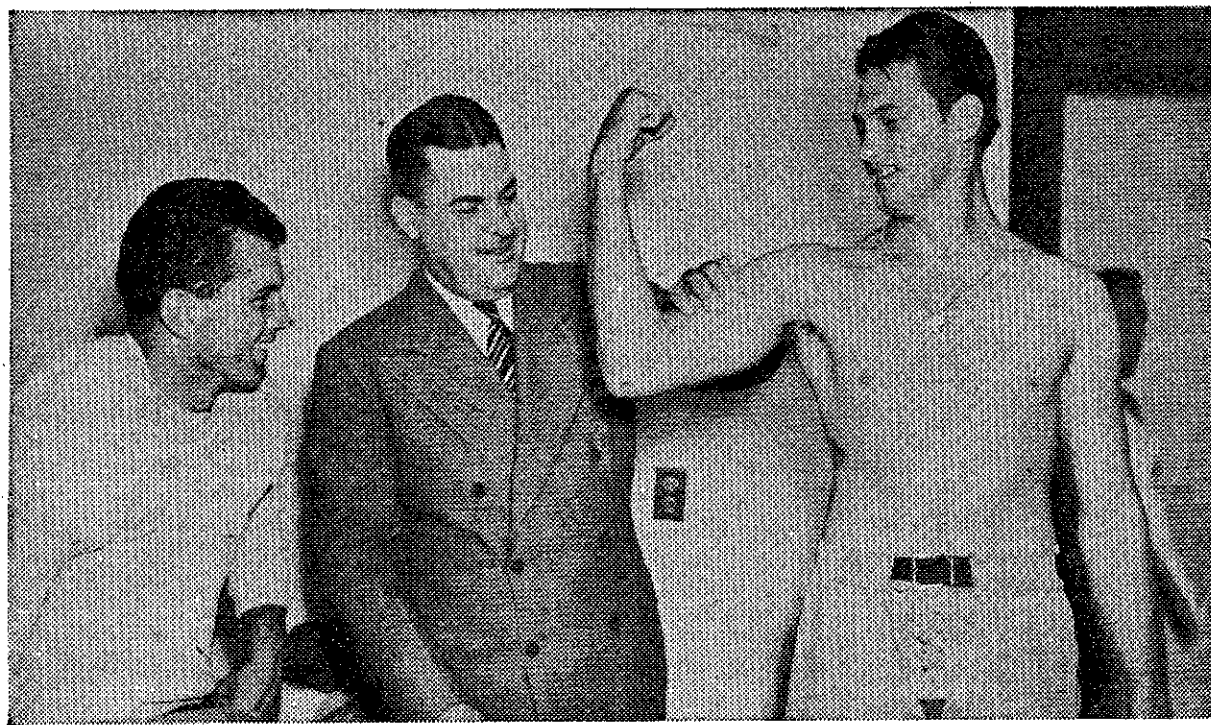

Whereas, this nation always has been foremost in giving of its wise counsel for the preservation of world-wide peace, and today desires nothing more than the continued peace of the entire world, proposing to meddle not in the affairs of other nations and maintaining only its right to protect its own borders, its institutions and its people and their liberties;

Therefore, be it resolved that I, D. M. Ferry, Jr., mayor of the City of Grosse Pointe, Michigan, by the virtue of the authority vested in me by law, do designate Thursday, October 27th as Navy Day, so to be observed and celebrated in this community by the appropriate display of the national colors, and by means of such programs and patriotic meetings and readings as may be arranged to commemorate the occasion.

Further, I strongly urge that in all of the churches of this community, proper and appropriate note be made of this anniversary on Sunday, October 23rd, and that prayers be offered to Almighty God that our country may maintain its peace and dignity toward all other nations, at the same time continuing its splendid efforts and influence for peace among all the peoples of the world.

D. M. FERRY, JR.,
Mayor of Grosse Pointe, Michigan.
This 17th day of October, 1938.

Pointe Officials Witness Beginning of Work On New Theater

Ground was broken last Thursday for the new Esquire Theatre after Alfred J. Garska, president of Grosse Pointe Park, cracked a bottle of champagne over the front of the steam shovel. While many Pointe officials looked on work was earnestly begun on this theater, to be located on East Jefferson, between Beaconsfield and Nottingham.

If everything goes well this building will be opened around the end of the year. This new amusement place will be an asset to the Pointe, for it will possess several outstanding features. It will be acoustically perfect for better sounding. During the summer months patrons will be perfectly comfortable attending the movies because of the Delco-General Motors' "Frigidaire" air conditioning system that it will contain. It will also have the latest thing in a wide range talking equipment.

There is no doubt that the Esquire Theatre will not be an asset for it will positively be the last work in ultra-modern theatre design. The cost of this building figures around \$150,000.

Grosse Exaggerations

Current rumor has it, that Mrs. Schlotman, at her daughter's wedding reception, provided dinner for over two hundred chauffeurs. This practice is resorted to by other prominent Grosse Grosse Pointe families. For instance the Edsel Fords always serve dinners to the visiting chauffeurs, (who incidentally do NOT eat it under the supervision of the C. I. O.)

For those who are interested, at the next meeting of the Country Club, to be held very shortly, the members will vote on the question of subdividing and offering for sale, that part of the Country Club property that lies between the club house and Kercheval avenue. Personally, we think that the club has sufficient lots to sell other than these, and we are wondering how the golfers will feel about being deprived of their practice 'driving range'.

Just learned that Mrs. Roy D. Chaplin in planning to fly to New Mexico to visit her son Danny. We attended the wedding of daughter Joan and Bill Hutton, which was one of the loveliest we've ever seen. For the benefit of those ladies who were not present, we wish to advise that "up-hair do" or no up-hair do," Grosse Pointe goes on its merry way as of yore. Only a few of the less timid had their hair piled high and we still vote "thumbs down" on it.

Mrs. Ford Weldon, who has just returned from a trip abroad, came back on the same boat with Greta Garbo. The great Garbo asked Mrs. Weldon if she played shuffle board. It appeared that Mrs. Weldon didn't, so nothing further occurred. Oh, if she had only asked us!

We offer the "Grosse Pointe Cup of the Week" to M. L. (Bike) McGiverin for scoring a sterling 72 over the Country Club course, which is ten strokes better than ever before, in his thirty-odd years of golfing experience. For the romantically inclined, we have found a poem that tells the whole story—

My love has flew
Him done me dirt
Me did not know
Him was a flirt.
To they in love,
Let I forbid—
Lest they be dood,
Like I been did.

Somerset Road to Be Closed for School

Without a single objection being voiced, the proposal to close Somerset road in the Village of Grosse Pointe Park between the north line of St. Paul and the south line of Kercheval avenue was unanimously approved by the village common council Monday night. Representatives of the Parent-Teacher associations of the Trombly and Defer schools and representatives of the Board of Education were present at the meeting, but no objection to the closing of the street was voiced at the hearing called by the council.

Irwin Amber, president of the Trombly P-T-A and Mrs. William Allured represented that organization and Mrs. Jane Dale, president of the parent group at Defer, and E. F. Gehring represented Defer. Dr. E. R. Van Kleeck, Superintendent of Schools, and Charles A. Poupard, treasurer of the school district, were present to represent the Grosse Pointe Board of Education.

Local Men Attain Success Through Consistent Service

Success has come in return for a fine show of consistent co-operation between two of the locality's best known business men and in prominence they have gained, beginning in all lines of endeavor. The two men in this splendid case of business renown well earned are George Mehlenbacher and his son, George Mehlenbacher, Jr.

They head the Mehlenbacher Fence Co., at 10403 Harper avenue, a concern that has made itself an asset to the Federal Housing Corp., and a firm that has boosted the entire panorama of local tradesmen.

Established in 1909 by George H. Mehlenbacher, it handles all types of fences for use on the property of industrial plants and homes.

The firm manufactures gates, metal trellises, and wire fences. Now is the time to have that fence repaired, while costs are lower.

Instructions for New Voters

Recalling the success of the innovation established several years ago on the occasion of the registration of a large number of new electors, and in response to suggestions made by representatives of various civic groups, Norbert P. Neff, city clerk of the City of Grosse Pointe will arrange to provide an opportunity for qualified electors who are registered in the city to secure information and any instructions or advice desired in the manner of making application and voting ballots prior to casting the actual ballots on election day. This is deemed to be especially important in view of the number of ballots that will be issued to electors at the election and is intended to give the more recently registered qualified voters who are "beginners" a chance to become thoroughly conversant with all necessary details of voting so as to lessen or preclude the chances of spoiled or ineffective ballots.

The evening of Wednesday, November 2, 1938, has been set aside for such instruction period and the City Clerk, together with other qualified members of the election board, will be on hand to answer questions that new registrants may have as to election and voting matters in general. Naturally absolutely no partisan matters, candidates or principles will be discussed and only matters concerning the actual method of voting will be considered. The period from 7:30 to 9 p. m. will be made available to all new voters who desire to take advantage of the opportunity.

Newly registered or other duly qualified registrants residing in the city are invited to be present and to submit any questions they may have and a sincere attempt will be made to supply all possible information without reference to partisan politics or particular candidates. Remember, November 2, 1938, from 7:30 to 9 p. m. at the office of the city clerk, 17150 Maumee avenue.

Dr. and Mrs. R. E. Olds, of Lansing, were the week-end guests of Mr. and Mrs. James E. Atkinson, of Buckingham road.

Richard Pupils Have Real, Live Honey Bees

A hive of real live honey bees right in their classroom is the center these days of an enviable and exciting interest among the third grade pupils in the Richard elementary school.

The hive is glass enclosed, and anyone can watch the bees filling comb with honey and sealing each little compartment with wax. You can see and learn to distinguish easily the precious queen bee. You can watch the bees come and go through a metal pipe which leads out the window, making a kind of private ramp for the bees.

The whole thing started when Mrs. Virginia Ward McKinnon, third grade teacher, took up the subject of insects in connection with the regular science work in the third grade course of study. Now the world is full of marvelous and fascinating things for any third grade, but somehow insects turned out to be a leader for this particular third grade. Excitement prevailed when an ant-hill was transferred in a little box right into school. And then the subject of bees came up. It rang the bell.

So the third grade took bees for its special project this year. The pupils have learned and will tell any visitor with rapt interest all about the parts of a bee's anatomy, about the drones and the workers, about how the king dies the day after he becomes king, and about the flowers the bees get honey from.

Arithmetic, reading, writing, story telling—almost every lesson the third grade has deals in some way with bees and honey making. And one of these days the third grade pupils will make some foods from honey, like honey candy, maybe, and invite their mothers over for tea.

In the meantime, the live honey bees, fine, large, healthy looking specimens, go about their business with complete unconcern and well-known industry, quite oblivious to those third-grade eyes which never forget them for long.

Blind Music Teacher Addressed Grosse Pointe Students

A gallant, courageous example of overcoming a serious handicap, Robert O. Monaghan, blind teacher of music, inspired the high school student body Tuesday with his talk "How the Blind See" given at an all-school assembly in the boys' gymnasium.

Mr. Monaghan had part vision until he was 12 years old when he became totally blind. In spite of his blindness, he continued his education and received a Bachelor of Music degree from the Eastman School of Music in Rochester, N. Y., and has taught public school music for several years.

"I want you to think of blindness not as a horrible affliction, but just as a handicap, which can be largely overcome as other handicaps can be overcome. All of us have limitations which we must compensate for," Mr. Monaghan said.

The extent of which he has been able to meet his problem was graphically indicated by Mr. Monaghan's description of his activities. Swimming, woodworking, and tinkering with his radio are among his hobbies, while his skill in music is demonstrably superior. He walks without a cane, explaining to the students that his ears help him in detecting guiding sounds. He is able, he said, to tell the nearness of an object by means of his voice too.

"The majority of blind people don't want dogs," Mr. Monaghan declared, in reference to the Seeing Eye dogs. "We just aren't willing to pay the price." He went on to explain that the dogs are expensive in time, care, and money, and often out of the reach of ordinary individuals.

Many of the devices used by the blind were exhibited or explained by the speaker. These included books in Braille, the talking book, and equipment for writing in Braille. In closing, Mr. Monaghan held his audience captivated with admiration by his sensitive playing and singing of musical selections.

Because the school authorities believed the experience of hearing Mr. Monaghan desirable for all the pupils in the school, the assembly program was held in the gymnasium instead of the auditorium. By the use of bleachers and benches several hundred more students can be accommodated in the gym than in the auditorium. But the school is so crowded this semester that the 8B pupils could not be seated even in the gymnasium and had to be omitted from the assembly.

At the conclusion of the speech Dr. E. R. Van Kleck, superintendent, spoke to the students.

Girl Scouts in Grosse Pointe are well underway with their winter's activities. There are eleven troops organized, one Mariner's ship, and one Brownie pack. The leaders have had two regular meetings, and the District Committee held their second meeting at the home of Mrs. James J. Phean yesterday morning.

A tea was given on October 4 by the District Committee at the Country Club for adult scout workers, and Mrs. Cyril Howard Moore is in charge of a training course which is being given now at the Grosse Pointe Memorial Church. The next meeting will be held next Monday morning at 10 o'clock, and any adults interested in helping with the scout movement are urged to come to this course or to call Mrs. Moore, Niagara 3758.

Mrs. John Crawford Frost entertained all the mothers of the Brownies in Pack 13 last Tuesday. Miss Gladys Pederson, field secretary, gave a very interesting talk, and general plans were laid for the year. This Brownie Pack has already started its various projects for the winter, and next Monday night, they expect to cook their own supper at the Christ Church Chapel where their meetings are held each week. Another assistant leader is needed for this pack, so if there are suggestions, call Mrs. E. R. Romine, Lenox 0089.

At a meeting of the Grosse Pointe Public Relations Committee held last Monday morning at the home of the chairman, Mrs. Henry H. Hubbard, Mrs. H. D. Wilson was appointed in charge of the scribes for the coming year, with Miss Doris Trott assisting her with the instruction in journalism. Mrs. John Veech will be chairman of the window display which will appear in Kaplan's window on Kercheval avenue during the week of October 30-November 5. This has been designated as Girl Scout week.

The first meeting of the scribes will be held next Monday afternoon, October 24, at 4 o'clock in Room 306 of the Grosse Pointe High school.

Defer-Trombly Open House Held at Defer

Last Wednesday evening from 7:30 to 10:30 o'clock at the Defer school, the 7B pupils of the Defer-Trombly Annex entertained their parents with an Open House program. For several years each 7B group entering the high school has used the Open House as a means of showing their parents the classrooms and laboratories of their school and having them meet their teachers. So successful both from the standpoint of attendance and beneficial results have these open houses been that they have come to be regarded as a high school tradition.

During the first half hour the pupils showed their parents around the school and introduced them to their teachers. Attractive exhibits, showing both the curricular and the extra-curricular activities of the seventh graders, were displayed in the classrooms, hall and lunch room. Among those receiving special attention from the parents were the art exhibit, a display of the new classroom library books of the English and history departments and an exhibit showing the work of the safety patrol. On the hall bulletin board was shown the development of the cadet, the school paper put out by the seventh and eighth graders of the Cadieux, Defer and Trombly annexes.

At 8 o'clock, the program in the auditorium was opened by Edward Henkel, the seventh grade chairman for the evening. The first numbers, a Czechoslovakian dance and LaCucaracha, a Mexican dance, were put on by Miss Foster's gymnasium class and executed to the accompaniment of the seventh grade chorus. Following the dances two songs, "The Swan" by Braine, and "The Vester Hymn," a Russian folk song, were sung by the 7B boys' chorus under the direction of Miss Frances Loucks with Mr. W. J. Watkins at the piano. The next number was a one-act comedy, "The Three Wishes," by Hamilton C. Williamson and Tony Sarg. The play, directed by Mrs. Hilda Hines, was well acted by the seventh graders and the clever staging and sound effects under the supervision of Miss Frances Huff helped to make the comedy most enjoyable.

Edward Henkel then introduced Mr. H. L. Hobart, the advisory chairman for the Defer-Trombly annex. Mr. Hobart welcomed the parents on behalf of the faculty and invited them to visit the Trombly school. "It is unfortunate," he said, "that our pupils must take their work in two separate buildings, but thanks to your fine support at the recent school election this condition will be remedied next year."

Mr. Hobart then introduced Dr. E. R. Van Kleeck, the new superintendent of the Grosse Pointe schools. Dr. Van Kleeck thanked the parents for getting out at the school election and making the overwhelming majority in favor of the new junior high school possible. He also extended his thanks to the P.T.A., the Grosse Pointe Review and other civic organizations whose support had made this victory possible. "The great majority piled up in this district for the new junior high school," said Dr. Van Kleeck "far exceeded our hopes and is a fine compliment to the school spirit and loyalty of this community."

After the program in the auditorium the parents had an opportunity to meet Dr. Van Kleeck. There was also additional time to see the exhibits and meet any of the teachers with whom they were not already acquainted.

Boake Carter to Speak Here Sunday, Oct. 30

There never was any "war crisis." Hitler, Chamberlain and Daladier had agreed on full details of the partitioning of Czechoslovakia long before the Munich Conference. A war scare was necessary, however, to bring home to the British and French people the hazards of war, so that they would support their governments in deserting the Czechs.

Boake Carter, famed newspaper columnist and radio commentator, makes these statements. He promises to prove them when he speaks on "Hot Spots in the Day's News," at 8:30 Sunday evening, October 30, at the Detroit Institute of Arts. He will discuss not only European politics, but such domestic subjects as the New Deal and the forthcoming elections. After his lecture he will answer questions from the audience.

Mr. and Mrs. Harold D. Baker, of Lincoln road, entertained Mrs. Hamilton Carhartt, Jr., of Irvine, Ky., over the week-end.

Jefferson Avenue Baptist Church

The Rev. Wayland Zwayer will preach at both the 11 a. m. and 7:30 p. m. services this Sunday at the Jefferson Avenue Baptist church. His subject at the 11 a. m. service will be "Redeeming Love," and at 7:30 p. m. his subject will be "Daniel." We cordially invite all to attend both of these services. The church school meets at 9:45 a. m., and the young people's groups at 6:15 p. m.

Miss Hui-ming Yang Popular in China

Miss Hui-ming Yang is probably one of the best known young women in China. Her exploits during the battle of Shanghai, when she slipped through the lines and carried a flag of the Chinese Republic to the "Suicide Battalion" in the Chapel district, has won her popular esteem. She was, for six months before the war, a sixth grade teacher of arithmetic and geography in the Tachung Primary School in Shanghai. She is a graduate of the San Min Middle School in Nanking, and of the Land Survey Vocational School.

Three days after the war broke out, she left her school teaching and became Scout No. 41 of the War Area Service Corps of the Girl Guides and Boy Scouts, in the Shanghai Area. She was made a patrol leader of a small unit of 2 scouts, working immediately behind the firing lines, carrying in supplies and foodstuffs, and carrying wounded soldiers back to the field hospitals. After the fall of Shanghai, Miss Yang escaped from the city and fled to Nanchang, the capital of Kiangsi province. There she served on the Commission for the Supervision of Wounded Soldiers, caring for the wounded in the base hospitals, helping in educational activities and also tending refugees in the various refugee camps. Just prior to her coming to the United States she went up to the Houchow front to carry the greeting of the Girl Guides to the soldiers there. Miss Yang says she has had no word from her parents since last December. They are in Chinkiang, under Japanese domination since that time.

country. Born in 1906 in Saingyang, Hupeh Province Mr. Peng has a charming wife and three children.

Mr. Peng holds a B. A. from Nanking University, 1931, and a Bachelor of Theology from Auburn Theological Seminary, Auburn, New York, 1937. He was program secretary of the YMCA in Hangkow from 1933 to 1935, at which time he came to the United States to study. Before that he was for two years, from 1931 to 1933, Dean of the Rural Workers Training Institute of the Huping School in Human Province. Mr. Peng also acted as interpreter for John R. Mott, Sherwood Eddy and E. Stanley Jones during their tour of China. On his return from America in 1937, the war broke out, and besides his YMCA work he has been carrying on various relief activities.

A general secretary of the Emergency Relief Committee of the Human Christian Church, Mr. Peng has under his care six refugee camps. Besides this, he has been head of the YMCA stretcher corps which cares for bombing victims in Hangkow. For a few days last September, Mr. Peng worked day and night, caring for as many as 500 casualties a day. He also secured funds to carry on his program work among the refugees and wounded, organizing them into clubs and giving them entertainment. For a period of eight months after the beginning of the invasion, Mr. Peng was giving daily 15-minute broadcasts in English from Hangkow, telling of the war. Many of these broadcasts were transmitted by short wave, and many actually have been heard in this

Christian Science

"Probation after Death" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, October 23.

The Golden Text (Eccl. 12:14) is: "God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil."

Among the Bible citations is this passage (John 5:24): "Verily, verily, I say unto you, He that heareth my word, and believeth on him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 410): "This is life eternal," says Jesus,—is, not shall be; and then he defines everlasting life as a present knowledge of his Father and of himself,—the knowledge of Love, Truth, and Life."

Old World Market at International Center

'Y. W.' Nov. 11 and 12

Friday and Saturday, November 11 and 12, are the dates set for eighth annual Old World Market at International Center Branch Y. W. C. A., 2341 East Grand Blvd., with Mrs. Benjamin F. Scofield as general chairman.

The Feast of Foreign Foods, from 5 to 8 o'clock, both nights, is a program feature most eagerly anticipated by Detroit gourmets. A different menu will be served each night—a la carte—so that everyone may eat as much as he wishes of all of his favorite foreign dishes.

The sale and exhibits of foreign gifts, Christmas cards, and novelties continues from noon to midnight with a program of light opera and dancing in costume and music at 8 o'clock. More than 30 nationalities are co-operating to make these two colorful days a genuine expression of world friendship and good-will—and a fitting climax to Armistice Day and the Y. W. C. A. World Week of Prayer and World Fellowship.

The public is invited, and families with children are especially welcome. It is a fascinating event for the younger generation.

Mrs. Earl Warner, state president of the Michigan Federation of Women's Clubs, is chairman of the committee of management of International Center Y. W. C. A., and Mrs. W. R. Alvord is executive secretary.

Trombly School Notes High School Library to Remain Open Later

The Trombly P.T.A. membership is growing rapidly. All the children are eagerly watching the membership chart in the hall, because the room that first gets all the parents to join gets a surprise. We all wonder what the surprise is, and we are working hard to win it. The dues are thirty-five cents for each member. Some of the money is used to buy equipment for the school.

A P.T.A. captain for each class is appointed, and he selects a lieutenant. Garman; 2A, Helen Harrison; 3B, John Glass; 3A, Rogers; 4B, Lois Mehring; to help him in his P.T.A. work. The captain's mother is asked to be the room councillor for his room. All the room councillors make up the membership committee. These are the room captains in Trombly School this year:

Kindergarten B, Marilyn Axford; kindergarten A, Jean Jefferes; 1B, Don Cosart; 1A, Sally Shepler; 2B, Norma 4A, Jean Collinson; 5B, Dudley Christiansen; 5A, William Baldeston;

Edward Hickey Is Elected President of High's 'Lower House'

Fifty members of Grosse Pointe High School's Forum last week elected Edward Hickey, 12B, to be president of the school's "lower house" this semester. In the scheme of student government prevailing at the high school the Forum corresponds to the House of Representatives in the national government.

Stewart Smith, 12 B, was elected vice-president, and Juliet Lindemann, 11A, was chosen secretary-treasurer.

Forum members are chosen from each home room. They serve as representatives of student opinion, their function being to present of student sentiment in matters governed by school regulations.

For proposals made in the Forum to become adopted, they must be approved by the Senate, the "upper house". This group is composed of one representative from each grade elected at grade elections.

This semester the senators are: Robert, Hurst, Charles Rousseau, Charles Wittstalk, Glenn Friedt, and Charles Pettis.

More Scholarships Are Being Won by Grosse Pointe High Students

An increasing number of graduates of Grosse Pointe High School is each year winning scholarships which assists the students materially in financing college and university courses. Although some of these awards are made by local individuals and organizations, a majority of this year's scholarships have come to Grosse Pointe alumni from outside the community.

William Arnoldy, who was an honor graduate with the June Class, entered Yale University this fall as one of the recipients of scholarships provided by Michigan Yale alumni. Chosen by a committee from the Michigan Yale Club, William's qualifications in scholarship, character, personality and leadership were the bases of his selection.

Similar qualifications plus distinctive achievement in science won for Charles Ricker, also a member of the June class, a scholarship from the Massachusetts Institute of Technology in Boston. Excellence in science and outstanding character and leadership also won scholarship for Richard Talcott from the Armour School of Technology in Chicago, where he is now studying.

Because his scholastic record during his freshman year was successful, Van Noy Barnes, June '37, is being continued in the scholarship granted him a year ago at Cornell University. Colin Eldridge, also a June '37, graduate, who last year held a special fraternity scholarship at Cornell, has recently been granted the Coveted Regional Scholarship awarded by that university on the basis of high scholarship.

The University of Michigan Alumni Association chose Charles Fiedler of the June class as one of 12 boys from the Detroit area to whom to award an undergraduate scholarship. Maya Gruhizit, June '37, who held a freshman scholarship last year, is being continued in her scholarship this fall by the Michigan Alumni group.

Dorothy Archambault, June '38, was Grosse Pointe's winner of a one-year scholarship to Wayne University provided by the Detroit Board of Education.

Rockford College of Rockford, Ill., granted a year's scholarship to Doris Chase, another member of the June class. Drake College at Des Moines, Iowa, chose Dorothy Miller, honors graduate with the January '38 class, and Jean McCarahan of the June group as recipients of scholarships to that institution.

Five students who were graduated last year are continuing their education with the assistance of the Mother's

Club of Grosse Pointe High School

Margaret Jensen is enrolled at Michigan State College in Lansing. Charles Armstrong is attending the University of Michigan. John Haldeman is a student at Ohio Wesleyan at Delaware, Ohio. Richard Talcott at the Armour Institute of Technology and Dorothy Miller at Drake holds Mother's scholarships as well as grants awarded them by their colleges.

Donald Margan, June '37, is also being continued this year in his scholarship at the University of Michigan by the Mother's Club.

The Grosse Pointe High School Student Association scholarship was given this year to Jeanne Berry, who was graduated in January. She is now a student at the Mary Washington College in Fredericksburg, Virginia.

These scholarships have all been reported to the high school office. According to school officials others may have been granted of which the high school has not been notified.

Noted Speaker to Be at Marygrove College

The Reverend James M. Gillis, C. S. P., editor of The Catholic World, will speak on "Getting the Best Out of Life" at Marygrove College, Detroit, on Tuesday, November 1, at 8:30 o'clock. Father Gillis, noted Catholic lecturer and author, has edited The Catholic World for the past 15 years. A noted speaker, he has delivered a series of addresses annually since 1929 on The Catholic Hour over the NBC system.

Through these addresses, Father Gillis has become widely recognized as an able interpreter of the social program of the Catholic Church, as set forth in the Papal Encyclicals of Pope Leo XIII and Pius XI on Social Justice. Father Gillis is a member of the Catholic Press Association of America, of the Board of Editors of The Catholic Book Club, an Academy Member of the Gallery of Living Catholic Authors and an honorary member of the International Mark Twain Society.

This lecture by Father Gillis is sponsored by the Alumnae Association of Marygrove College for the benefit of the Michael James Gallagher Scholarship fund in memory of the late Bishop Gallagher of Detroit.

Grosse Pointe Lutheran Church

"Because Here I Enjoy Christian Fellowship," will be the subject of the sermon at the Grosse Pointe Lutheran Church, worshipping in the Richard School auditorium, Kercheval and McKinley, Sunday morning, October 23, at 11 o'clock, preached by the Rev. M. Luther Canup, D. D., pastor. This will be the fourth in a series on, "Why I like to attend church."

"Our Day of Rest," or the third Commandment, will be the subject taught in the upper grades in the Sunday School at 9:45 a. m., where we have classes for all grades and ages. Is the Lord's Day a holy or holiday in your home? The body, mind and soul need one day's rest out of every seven. God has set aside one day each week for Bible study, Bible reading, prayer, meditation and church going in order that the soul may be fed. Is Christian Sunday observed in your home or is a pagan holiday?

If you and your family have not a church home, we invite you to make ours your home church.

Special Activities Are Planned for Domestic Employees by 'Y. W.'

Special activities for household employees—Thursdays from 4 o'clock on—are sponsored at the Detroit Y. W. C. A., 2230 Witherell street, and any girl employed in a home is welcome to come and enjoy the fun.

This group always joins the other employed girls' groups for supper at 6:15 and the special program at 6:45 which on October 20 features a program of Hungarian gypsy music.

Sally Woodward, commentator for women's activities at Radio Station WXYZ will open a brand new series of talks on October 20 on "The up-to-date Employed Girl," with a discussion of etiquette on the job. Experts will continue the discussion each Thursday evening, covering important points of dress, charm, good speech, getting along with people and budgeting one's income wisely.

In addition to the discussion groups there is a group on "Behind the Headlines," led by Samuel Jacobs of the board of education, and others on dressmaking, beginner's French, arts and crafts, knitting, sewing, contract bridge, dancing, and gymnasium and chorus for those who sing.

Similar activities for employed girls are held at Highland Park Branch Y. W. C. A., Woodward at Winona, and the International Center Branch Y. W. C. A., 2431 East Grand Blvd., on Thursdays. All girls are welcome.

High School Library to Remain Open Longer

In compliance with a growing demand from students, the Grosse Pointe Board of Education has this year arranged to have the high school library open later than the regular school hours. It will be open every day from 8 o'clock until 5:15 o'clock, and Saturday mornings.

These hours will hold for the first six weeks, and if they are used to advantage, they will continue the remainder of the term.

A note bearing his parent's signature must accompany each student when he reports at 7 o'clock or after. This precaution will insure the full knowledge of students' parents as to their whereabouts.

To assist in the library this fall ten girls and one boy have been chosen by Bernice Stoltenberg, one of the librarians. All applied for the job and have B averages or above.

The staff is as follows: Betty Barry, Doris Nelson, Wanda Custis, Phyllis Elworthy, Grace Klien, Alice Boor, Richard Ritzenheim, Jean Trombley, Betty Jewett, Betty Harris, and June Harris.

The duties of these people include shelving books, making slips out, arranging displays, and keeping general

order throughout the library. The library staff holds weekly meetings every Monday night.

A Grosse Pointe Garden

The garden of which I speak isn't like the garden behind your home or at the side of your yard. This garden is a school garden which grows at the corner of Beaconsfield and Essex.

The plans that later make our school garden start their lives in the school conservatory. The sixth grade boys and girls plant the seeds in neat little rows in the conservatory and watch them sprout up. Then, when spring comes and the last frost of winter has gone, they start to plot the flower beds. They measure and plan where they want to plant the zinnias, snapdragons, petunias, asters, dahlias, gladiolas, cosmos, marigolds, phlox, and other well known flowers.

During the summer, Mr. Tiedke weeds and waters them for us, and I guess we couldn't have a very successful school garden without him. When school begins in the fall, we have flowers to brighten up our schoolrooms. They make the whole school building more attractive.

Our good neighbors of Grosse Pointe Park help us to keep our garden a beautiful spot, and we thank them very much.

Y. W. C. A. to Sponsor Swimming Marathon

To stimulate interest in winter swimming among women and girls the Detroit Y. W. C. A., the Women's City Club, the Women's Aquatic Club and the Detroit Yacht Club are sponsoring a unique swimming marathon on November 1, 2 and 3.

Any woman swimmer may enter the race to see which organization can swim the greatest number of yards in three days. Yardage may be gained by swimming either widthwise or lengthwise of the pool, any stroke or strokes may be used with as many rest periods, as desired. Any swimmer may enter—whether a beginner or an expert.

Written record will be kept of every swimmer's yardage each day of the marathon and day-by-day totals kept for each organization. A prize will be awarded to the winning organization, having the greatest yardage at the close of the marathon on November 3 at 5 o'clock.

Detailed information may be secured at any one of the three Y. W. C. A. pools—Central branch, Highland Park branch and Lucy Thurman branch—the Women's City Club or Detroit Yacht Club.

Neighborhood Club

The A. O. C.'s wish to announce their annual Ghost Glide to be held Saturday evening, October 29, at the Neighborhood Club. Johnny Resh and his Lochaven Band are furnishing the music. Everybody of course is to come in a masquerade costume and it's really your chance to let loose and have a spooky time with the rest of the spooks, goblins, beautiful maidens and gallant men in yesterday's array. Tickets are only 35 cents and there will be dancing from 9 to 1. Don't forget, October 29. Tickets may be obtained from any of the A. O. C.'s or at the Club.

All classes are under full sail now at the club. If you haven't heard as yet what we are offering, here are a few suggestions for your leisure time program; gym classes for boys and girls; handicraft classes for boys and girls; sewing, art classes, basketball, pool, ping pong, badminton, fencing, gardeners, and numerous clubs that would suit any one of your interests, also gym classes for men.

The Woolworth Dance will be held on Friday night, October 21, at 8 p. m. Admission is only 10 cents. Girl Guards will be on hand to sell ice cream. Don't miss this event!

Mr. John Curran is now connected with the Neighborhood Club, directing boys' activities. All boys interested in club work and athletic work may get in touch with Mr. Curran, who will assign them to their proper age group.

October 17-22 Designated 'Clothing Drive Week'

The week of October 17-22 has been designated as "Clothing Drive Week" throughout the Detroit metropolitan area. The Grosse Pointe schools are co-operating in this drive and are soliciting your aid to make this drive a success.

Any clothes and shoes which your children have outgrown or discarded and which are still in a wearable and usable condition will be gratefully accepted. As there is a constant demand for clothing for adults, clothes and shoes which are suitable for persons of any age will also be appreciated.

Each of the public schools in Grosse Pointe will act as collection agencies, and any clothing which you may care to contribute can be sent to any school in the district during the above named week. All of the clothing collected will be turned over to the Neighborhood Club for distribution to needy families in the community.

cause of unhealthy hang-nails. A no one has any love for hang-nails. They may be painful and sometimes very dangerous. And always unnecessary.

These unsightly hang-nails from neglect more than any thing. Hence the solution is more "take care."

Care to dry hands must be intelligent. The mere rough pushing back of the cuticle—without correcting the condition that causes it is of little value. In addition to the extra care needed in the manicure itself, softening oil must be worked into the skin on the backs of the hands, fingers and into the base of the nails. The longer the oil is allowed to remain on the skin, the better it is.

Hands can add to and should not detract from the beauty of their owner. Healthful hands are usually beautiful hands.
