

# HIGH SCHOOL GRADUATION TONIGHT

## Grosse Exaggerations?

We wouldn't believe this either if we read it, but we saw and heard it. Last Sunday on one of the local golf courses, a man drove his ball off the first tee and hooked into the ruff. He marched off in search of it, the caddy at his heels. When they located the ball, the golfer handed the caddy his driver but the caddy, instead of taking it in exchange for the right club, stared

at the driver with his mouth open. "Here," said the impatient player. The caddy gulped and said, "What do you want me to do mister, play it for you?"

We were so pleased to see a letter in our public letter B-O-X last week, signed "tax payer." It has been so long since the tax payer has been able to afford a stamp, that we've had to do away with the letter department.

Someplace we read that Science now says it is impossible to tell the age of a tree by its rings. Methinks that in this age of cosmetics, refrigerators and automobile paint, it's getting so you can't tell how old anything is.

A little 'Horse Show' goes a long way with this scribe, but we must admit that the background is SOMETHING! Dowagers, debutantes, chauffeurs in M.G.M. uniforms, Irish brogues, Harvard accents, station wagons, elegant roadsters, town cars, and horses, horses, horses.

**Silhouette:** In these days of letting the little women light their own cigarettes, his courteousness and good manners are outstanding, on a golf course or bowling alley, as well as in the drawing room. On a "charm ball" he would win the ladies' votes—hands down. His hobbies in the way of sports are riding, hunting and golf. At one time he held the amateur golf champion title in Detroit. In the past few years, he has devoted much of his leisure time to riding. At his country place he has a stable of thoroughbred hunters, which are familiar to all horse show devotees. He is a formidable opponent when playing backgammon and Chinese checkers, two of his favorite pastimes. He dresses with "careful casualness" and during the summer his white tuxedo coat with lapelled maroon carnation, is a familiar sight at local clubs and night spots. He is an excellent dancer, and positively 'shines' during a Viennese Waltz. A gentleman out of Esquire, might be a fitting description of this man about town and country. Never hurried, never worried, always gracious, not audacious; His name, Lewis L. Bredin.

It gladdens our heart to see Grosse Pointe developing into such an informal community. The other day, while we were driving around in our Hispano with two footmen in attendance, we spotted one of our leading socialites taking a stroll around the block. She was dressed in snappy white sharkskin shorts and wore the daintiest pair of silver mules that we've ever seen in or outside a bedroom. For no reason

(Continued on Page Two)

## Residents Jam Council Chambers on Waterfront Park Issues Monday

Last Monday night a group of irate property owners and residents of Grosse Pointe Park attended the council meeting for the purpose of voicing their opinions as to the way the Recreation Park is being run. We regret that Dr. Leithauser took offense at our announcement in last week's Review, suggesting that taxpayers with grievances should air them at the meeting.

As evidenced by the letters we have received during the past few weeks, (letters which Dr. Leithauser was bold enough to suggest were fictitious), there are many complaints against those in charge of the Park. Property damage due to negligence, and the careless way in which the place is being run, are only two of the common "ire-arousers." The major one is the fact that the children from St. Ambrose school were not permitted to use the Park for their annual picnic, as they have always done in past years. They were obliged to have this picnic IN THE CLASSROOM, because a FEW of the children were not residents of Grosse Pointe Park! Mayhap the new broom sweeps too clean?

As we understand it, too much controversy over the management of the Park is apt to turn it into a completely public place.

Last Monday, what started out to be a neighborhood discussion about the Park interests, pro and con, ended up in a free-for-all, wise-cracking, personal row. One man, who doesn't live in Grosse Pointe Park, but owns property there, questions the right of the management to keep him out of the Park. He went on to say that when he did live in Grosse Pointe Park, he gladly paid taxes for the school, although he had no children. A woman present, answered with, "Can we help it because he has no children?"

After a while everything seemed to be beside the point and at variance with the issue, but through it all Dr. Leithauser ruled with the iron hand in a not-so-velvet glove. He had the temerity to suggest that we get in touch with him before printing any more letters. Evidently he does not realize that from a journalistic standpoint, giving anyone a preview of people's opinions, is highly unethical.

## Judge Healy Appeals for Open Heart Fund

Honorable Judge Daniel J. Healy of the Probate Court, Juvenile division, appeared before the members of the Northeast Exchange Club on Tuesday in behalf of the Open Heart fund.

He appealed to the membership to lend its moral and financial support to this worthy cause, stressing the fact that the money raised for the erection of a new building for the Salvation Army and the House of Good Shepherd, would go a long way towards the rehabilitation program of these institutions.

## Sol's Men's Wear Opens Store on Jefferson Ave.

Sol's Men's Wear announces the grand opening of his new store at 14205 East Jefferson avenue. This splendidly equipped store will handle men's wear such as shoes, pajamas, hat, men's beach and sport wear and everything that is necessary for the well-dressed man.

Sol's Men's Wear was formerly located at 13223 East Jefferson avenue for eleven years, and he announces that he will handle all nationally advertised brands of merchandise.

## Miranda Bar to Play Better Made Chips

Miranda Bar ball team will play Better Made Chips at Defer school Thursday night at 6:30. The former St. Ambrose C. Y. O. ball team will try to defeat Popeye Novak, one of the world's best pitchers.

The Grosse Pointe Rotary Club is sending a group of Grosse Pointe children to the Department of Recreation Camp at Brighton, Mich., for a two weeks' outing.

## Felix Francois Beauty Salon Air-Conditioned

Felix Francois, who owns the popular beauty salon in the Punch and Judy Theatre building, was telling us about the advantages of the modern air-conditioning system with which he has equipped his salon. In the winter the air is always at an even temperature, and in the summer, especially on the very hot days, it is a decided pleasure to visit this salon because of the fact that the temperature is kept surprising low for your comfort.

Felix has a staff of the most expert operators in this vicinity, who guarantee you satisfaction in all lines of beauty culture.

## Students Urged to Enroll Early for Summer School

Enrollment for summer school in Grosse Pointe High School will be held on Saturday, June 17 and Monday, June 19. Students are urged to enroll early. The following courses will be offered: English, Latin, Junior Business, History, Civics, Algebra, Economics, Commercial Law, Trigonometry, Geometry, Arithmetic, Shorthand Typing, Bookkeeping, and French for High School students. In the Junior High School English, History and Mathematics are scheduled while in grades 4 to 6 review sections in English, History, Spelling, Reading and Arithmetic will be given. Instrumental music will be available to all students.

### Some Advantages of Summer School

1. For pupils who are vacationing at home, summer school provides a worthwhile occupation that takes only a part of the school day, leaving the student free for outdoor exercise part of the day.
2. Pupils may earn advanced credit. In the case of misfortune, long illness, or unexpected failure, the credit earned in summer school may enable the pupil to continue with his class.
3. Courses may be repeated in order to raise an unsatisfactory grade and thus graduate with a diploma instead of a certificate.
4. Courses may be reviewed in order to strengthen the foundation in sequence courses.
5. Prospective college students may master the Technical English tests and thus insure September enrollment in English VII.
6. Overly heavy loads may be decreased or avoided by summer school enrollment.
7. For elementary pupils it enables them to become acquainted with high school under conditions that are especially favorable; classes are small, they meet during the coolest part of the day, members of the regular faculty are in charge, and the school has had from 100 to 400 members instead of 1,700 as in the regular school year.
8. Pupils new to Grosse Pointe who attend summer school have a chance to become partially oriented and can get directly at their work in the fall without a preliminary period of readjustment.

## Swedish World's Fair Folk Dancers at State Fair Coliseum Saturday

Twenty Swedish folk dancers from the famous Philochoros of Uppsala and Svenska Folkdansens Vanner of Stockholm will appear on a program of dance on the night of June 17, at 8:15 p. m. at the State Fair Coliseum.

The group has come to America to take part in the great dance festival at the New York World's Fair on Sweden Day, June 25. Detroit is one of the first cities in the United States to be visited by this group who are touring the country under the patronage of H. R. H. Crown Prince Gustaf Adolf. The local Midnight Sun Folk Dance Society, directed by John Eriksson, is sponsoring their performance here.

The dancers from Sweden will be assisted not only by the local dance team but also by two local Swedish male choruses, the Swedish Glee Club and the Arpi male chorus. A quartet of singers from Uppsala University and four musicians who play old time instruments from Sweden are also touring with the dancers and will take part in the program.

The American-Swedish Central Committee representing most of the American Swedish societies in Detroit and environs is in charge of the arrangements. The committee includes Mrs. Otto Lundell, of the Swedish Engineering Society Auxiliary, honorary chairman; J. Bark, vice chairman; Mildred Engbloom, secretary, and Mr. E. T. Jacobson, treasurer. Miss Florence Cassidy, secretary of the Council of Social Agencies is co-operating with the committee in charge of the affair.

Recital and Dance, June 21-22, at Grosse Pointe High School. Elaine M. Arndt Dance Studio.

## School Board Election Is Quietest in Years: Annual Meeting Held

In the most quiet school election in Grosse Pointe in several years, Board of Education policies were given public endorsement and approval Monday. Running without opposition for reelection, Charles A. Poupard and J. Lee Barrett were returned to the Board by an almost unanimous vote. Single votes apiece were received by four other citizens.

## Schools to Re-Open on September 6th

Grosse Pointe public schools will re-open on Wednesday morning, September 6, following the summer vacation. Summer School will open on Monday, June 19.

Sale by the Board of Education during the last week of the business frontage on Kercheval avenue adjoining the Maire School playground was reported at the annual school district meeting held Monday evening in the cafeteria at the Grosse Pointe High School. The Board has also sold to the J. L. Hudson company a parcel of land twenty feet wide running the full length of the block and situated immediately north of the alley. This is restricted for use as a parking area only with the hope that its use will help ease the parking problem.

Attorney Albert E. Meder, a member of the Board of Education, was unanimously elected chairman of the meeting in the absence of President Charles A. Parcels who was out of town. Mr. Meder spoke forcibly on the desirability of a larger attendance at the annual school district meetings and suggested that the Parent-Teacher Associations and Council undertake the project of making a largely attended annual event of the meetings. This, he said, would bring the reports concerning school problems and progress to the attention of more of the residents. Trustee Poupard was introduced to the meeting and responded very briefly to the applause of those present. (Continued on Page Two)

## Grosse Pointe Revolver Club Being Organized

At the first meeting held on Tuesday, June 7, 16 persons declared their intentions and signed up for membership in the newly formed Gun Club. Several inquiries have been received in the past week regarding this club which proves that an interest is being taken, and look forward to several more persons signing up on Friday, June 15 at 8 p. m. when another meeting will be held at the City of Grosse Pointe Council Chambers, 17150 Maumee avenue. This club is being formed under National Rifle Association Charter, and is open to both Civilians and peace officers. The only requisite under the National Rifle Association persons must have reached their twenty-first birthday and must be a citizen of the United States. At the coming meeting, election of officers will be held.

A new activity in the form of archery is being introduced this summer. It is necessary to sign up for this activity any time before July 1. Ages are 14 and over.

## Grosse Pointe High School to Graduate Large Group Tonight

Grosse Pointe High School graduation exercises June 15 (today) will be held outside on the high school lawn if the weather conditions will permit.

Each senior will receive two reserved tickets and two additional ones. These extra tickets will be used only if the program is held outside, in which case, the reserved seats will be numbered like the auditorium arrangement.

Commencement will begin at 8:15 o'clock, when the processional, "Pomp and Circumstance," by Elgar will be played by Marcia Netting. The Reverend A. H. A. Loeber will present the invocation. Then the A Cappella Choir will render three numbers: "O Light Divine," by Archangelsky, "Lift Thine Eyes" from "Elijah," by Mendelssohn, and "Lord, God of Hosts," by Tschalkowsky.

Senior reflections is the theme of the three speeches which follow next in the commencement program. Catherine Raupagh will speak on "The Grosse Pointe Senior Graduate." "The Grosse Pointe Senior Goes Into Business or Industry" is the topic which Barbara Clark has chosen. Marcus Everett will deal with "The Grosse Pointe Senior Goes to College."

A piano solo will precede the presentation of the class, which will be made by Mr. Rehms. Dr. E. R. Van Kleeck, superintendent, will present the diplomas. The recessional will also be played by Marcia Netting.

The Mothers' Club will decorate and hold a reception after the program.

## Have You a Garden?

If you have a pretty garden and you are proud of it, let others know about it. The Grosse Pointe and Eastern Michigan Horticultural Society sponsors a garden competition yearly. Prizes are awarded. The judges who are chosen are well qualified for this duty. They are all members of the society. Their aim is to point out the beauty that is about us in Grosse Pointe. Besides judging the gardens they will be glad to give advice.

The following rules are to be observed:

1. This competition to be confined strictly to persons not employed in gardening or employing a gardener.
  2. All entries must be in hand of committee chairman not later than June 20, 1939.
  3. Contest to be limited to Grosse Pointe Township.
  4. Gardens to be visited during June, July and August by judges and advice given if requested.
  5. Gardens to be judged on neatness and general appearance throughout the season.
- If you care to enter your garden for competition, please fill blank below and mail no later than June 20, 1939 to chairman of the Cottage Garden Competition at 190 Moran road, Grosse Pointe Farm.

I hereby wish to make entry in the Cottage Garden Competition and agree to abide by rules as laid down by the Committee.

Date .....

Recital and Dance, June 21-22 at Grosse Pointe High School. Elaine M. Arndt Dance Studio.

## Northeast 'Change Wins Attendance Award

Edward Schultz, secretary of the Northeast Exchange Club has just been advised that a beautiful silver plaque, suitably engraved and mounted, has been awarded to this club for attaining the highest rating from an attendance standpoint in the State of Michigan.

Lee Sherman, chairman of the attendance committee, as well as the officers and members feel rather proud of this award.

The plaque will be permanently displayed in their club room in the basement of the Mount Zion Evangelical Lutheran Church.

## Flower Show Dates Are Set for Year 1939

During the 1939 season the Grosse Pointe and Eastern Michigan Horticultural Society is sponsoring a cottage garden contest and two flower shows.

The annual Flower, Fruit and Vegetable show, always an outstanding event, will be held on Saturday and Sunday, September 9 and 10, and the annual Chrysanthemum Show on Saturday and Sunday, November 11 and 12. Both shows will be staged at the Neighborhood Club, 17145 Waterloo, at St. Clair, City of Grosse Pointe.

Roy Berry is acting chairman for these exhibits, and assisting him on the committee are William McInnes, Eugene H. Evans, Tom Pearson, William P. Thomas, Ben Nankervis and Ernest Wolf.

## Postal Employees to Hold Picnic June 18

The Special Delivery Department of the United State Post Office will hold a picnic at Edgewater Park on June 18. Special free acts will be featured.

Havoc Created Along Lake Shore in Grosse Pointe

Tree Blown Over During Storm Saturday Night

Contract Bridge

By P. G. MUNRO (Originator of The Autobidder) Bidding a slam is one thing, but making the slam is another. In a game at Port Huron last Sunday, I saw the following hand defeated.

North S-10 5 4 2 H-A 4 D-9 7 6 4 2 C-J 8 West (Dummy) East S-A Q 8 3 H-K Q 7 6 2 D-A Q C-K 2 S-7 H-10 8 5 3 D-9 7 6 4 2 C-Q 10 6 3

The bidding: West North East South 1 heart Pass 2 clubs Pass 2 spades Pass 4 spades Pass 4 notrump Pass 5 clubs Pass 6 spades Pass 5 pass Pass

South opened with the Jack of diamonds which East won with the Ace. Two rounds of trumps were taken, South discarded a diamond on the second round. East continued with two more rounds of trumps and led the deuce of hearts to dummy's Jack which North won with the Ace and returned a small diamond. Dummy's King of diamonds won the trick and the 9 of hearts was played and won with East's Queen. The King of hearts was cashed and, when North discarded a diamond, East realized that he was sunk. South's 10 of hearts defeated the contract.

East explained that he looked for a 3-3 break of the outstanding six hearts held by the opponents and played the hand accordingly, expecting to establish a low-card heart trick.

When the fulfillment of a contract apparently depends upon a favorable break, it is always safer to look for a play against an unfavorable break. In this hand six spades could have been made easily if East had not depended upon a favorable break. Obviously, the success of the contract hinged upon the establishment of a low-card heart trick. Therefore, when South showed out of trumps on the second round, East, knowing that North held two trumps (10 and 5), instead of continuing trumps, should have taken the loss of the Jack of hearts to North's Ace and, upon regaining the lead in dummy with the King of diamonds and winning the second round of hearts with the Queen, should have ruffed a small heart with dummy's Jack of trumps and then led dummy's 9 of trumps for a finesse through North's 10-5. If north covered with the 10, East would win with the Queen and pick up North's last trump with the 8. If North did not cover with the 10, dummy's Ace of clubs would be cashed and East's hand re-entered with the King of clubs to pick up North's last trump and cash the King and 7 of hearts, thereby fulfilling the contract.

Questions on Contract Bridge will be gladly answered without charge. Please address your questions to P. G. Munro in care of The Grosse Pointe Review, 15121 Kercheval Ave., Grosse Pointe, Mich., and enclose a stamped, self-addressed envelope.

Grosse Exaggerations?

(Continued from Page One) at all, it reminded us of the young woman we saw in West Palm Beach, bicycling her way to a dinner date wearing a red velvet evening dress. AH America! If the weather man doesn't cut out his nonsense, we are going to be vexed.

Some of our most beautiful Lake Shore gardens are a shambles. The Abner Larned home and Mrs. Louis Mendelsohn's were two of the hardest hit. They both lost some lovely old trees that can't be replaced. On the night of the beeg blow, young Cort Larned's dinner guests had to go icecreamless, because a pantry window blew in and peppered the dessert with glass.

If in a fortnight, you happen to be strolling around the Pointe and see what looks like Ringling Brothers circus on the loose, don't be alarmed. The wild animals and cannibals will merely be the guests of Mr. and Mrs. C. H. Buhl on their way to a Jungle party being given by the Buhls. Their attractive pool house and gardens on the Lakeshore will be turned into a Safari camp for the occasion.

Despite all the absent minded professor stories, we are going to tell this one even if we're put in chains for doing so. An a. m. p. strolling along the boulevard, stopped to chat with some friends. When the conversation ended, he asked, "Which way was I walking when I met you?" "Why, north, professor," was the answer. "Ah," he replied, "Then I've had lunch."

And so, as next week looms ahead, we leave you with a thought for this one: "The aristocracy of today is not one of birth or wealth, but of those who do things for the welfare of their fellow men." -A. PRYOR.

Faculty Wins from Students 8-4, Friday

By BILL HOOVER The faculty of Grosse Pointe High school defeated the students for the second straight time last Friday afternoon. The score was 8-4. Each team made but five hits, and ten errors were committed, four by the faculty and six by the students. Here is the box score

Table with columns for Faculty and Students, listing names and scores for various players like Husband, Kator, Geary, etc.

Neighborhood Club Activities

This summer a well organized program has been arranged for the children of Grosse Pointe on the Neighborhood Club playgrounds. Classes include activities for children and adults as well. Included among these activities are dramatics, handcraft, metalcraft, outdoor cookery, archery, horseback riding, tennis instructions, baseball, horseshoes and many other classes. If you are interested in any of these activities sign up at the desk in the Neighborhood Club.

Thursday night has been set aside exclusively for girls' baseball. Any girls interested in this activity are requested to meet on Thursday, June 15, at 7 p. m. At that time teams will be organized for the summer.

Standings of N. C. Junior Hardball League

Table showing standings for N. C. Junior Hardball League with columns for Team, W, L, and Pct.

The Club Junior Hardball League got under way in great fashion last week when the Robbins and Pilots engaged in the opener. The Robbins were forced to go ten innings before they could conquer the hustling Pilots 6-5. The Tigers won their first game when they beat the Clippers 10-6 in a five-inning game. The contest was called at the first half of the fifth due to rain. A sixth inning rally which netted the Robbins six runs, enabled them to nose out the Trojans 8-6 for their second triumph in two starts. The Tigers also made it two in a row when they defeated the Pilots 7-6. Collecting five hits in the sixth inning (two of these triples by Jackson and Milligan) the Tigers pushed across five runs

to go into the lead by one run. Here southpaw "Whitie" Marle took the situation into his own hands and struck out three of the Pilots to gain victory No. 2 for his mates. Chubby De Gande aided greatly in his team's victory when he connected for three singles in four trips to the plate.

The Eagles lost their first game by forfeit when they failed to appear for a scheduled game with the Trojans.

Rosary Sodality to Hold Card Party on June 21

The Rosary Sodality of St. Joan of Arc church are holding a card party on Wednesday afternoon, June 21, at 1010 Eight Mile road, premises formerly known as Club Nelson, at 1:30 p. m. Former patrons of these parties as well as our new acquaintances and members of the parish are cordially invited.

Public Letter B-O-X

The following open letters were received by the Grosse Pointe Review for publication: June 8, 1939.

Mr. Garska: Who is running the place over there, in refusing the Sisters of St. Ambrose permission to take the children down to the park for their class picnic.

Holding their picnic in their class rooms this hot weather, is more than we mothers can figure out. Kindly answer through the Grosse Pointe Review so my neighbors and myself know what all this craziness is all about. Respectfully, TAXPAYER. June 7, 1939.

I would like to know the reason why the pupils of St. Ambrose school are not allowed to use the park for their picnics this year.

The good Sisters certainly feel bad about this, as most of the classes are having their picnics on the grassy plot in back of the school.

The St. Ambrose plant is an asset to this community and one way for us all to show the good Sisters we appreciate the work they are doing for our children is at least to grant them any request they ask. I think the officials of Grosse Pointe have fallen down on their jobs terribly in this instance. I am not laying the blame on you so much, as you have been kind in the past years, but Dr. Leithauer is certainly not helping himself and don't worry we Catholic parents won't forget. I hope you tell him of this letter, and you might add to it that we ladies certainly don't consider him a gentleman, refusing the Sisters. Yours truly, A RESIDENT.

Editor's Note: In reference to the above communications we are very much surprised to learn that the Waterfront Park which was constructed with the taxpayers' money to provide a playground and recreational facilities for the children and residents of the community, was not available to children of the community attending St. Ambrose.

Commissioner Liethauer has charge of this division of Grosse Pointe Park's government and he was responsible for the refusal of the Park for a picnic sponsored by St. Ambrose school, a Grosse Pointe institution, recently, unless an admission fee of 25 cents was paid. It seems hardly proper that an admission charge should be made for an affair of this kind, for school children, most of whom reside in Grosse Pointe.

We are of the opinion that the Park was intended for the benefit of its citizens and will not only keep the youngsters out of the street but also provide them with a good healthy recreational center.

The authorities should take definite action immediately to correct such an injustice to local institutions.

School Board Election Is Quietest in Years: Annual Meeting Held

(Continued from Page One) "I promise again that I will do all in my power to give the best that I know for your children," Mr. Poupard said. Next month Mr. Poupard will complete 23 years on the Board of Education, having been elected in June, 1916, six years before the consolidation of the present district. Since 1917 he has served as treasurer of the school district.

Trustee Barrett, who is executive vice-president of the Detroit Convention and Tourist Bureau, was unable to be present as he is in Europe in the interest of bringing the Olympic games to Detroit.

Before the polling places opened in the seven voting areas of the school district, a morning meeting was held at the high school which was called to order by Ralph M. Clark, secretary of the Board of Education. Mr. Clark also presented at the evening meet-

ing the reports on the annual meeting of 1938 and, on the special district meeting held September 27 to vote on the new junior high school.

Dr. E. R. Van Kleec, superintendent of schools, rendered his annual report at the evening meeting. The Board of Education, due to the construction of the new school, has held an unusually large number of meetings this year, he said, there having been 11 regular and 19 special meetings.

"These merely suggest the amount of time and thought which the Board has given to the problem of educating the boys and girls of this community," Dr. Van Kleec said. "Conferences, committee meetings, correspondence, telephone calls, visitation of schools, attendance at school functions almost without number, have consumed far more time than have the meetings themselves. I congratulate Grosse Pointe on its Board of Education and I congratulate those who voted today on their good judgment in returning to office without opposition the two members whose terms expired."

The Superintendent continued: "This year, the district: \*\*\* provided educational facilities for the largest number of boys and girls in the community's history, 4,329 as of June first. \*\*\* maintained its most extensive collection and circulation to date of public library books. \*\*\* operated more schools than ever before. \*\*\* used the services, as a result, of the largest number of teachers and other employees be necessary."

\*\*\* Total school enrollment, June 1, was 226 pupils more than on June 1, 1938. The 4,329 total is three times the enrollment of 1,443 fifteen years ago—an increase of nearly 3,000 pupils! Most striking is the 16 per cent enrollment increase in one year in the senior high school. Such a rate, if continued, would mean a doubling of senior high school enrollment every six years! If any such rapid rate of growth continues, it may conceivably result eventually in the necessity for either a large addition to the present high school or the erection of a second senior high school or of a combined junior-senior high school building."

Treasurer Poupard presented the annual financial report for the year ending June 30, 1938.

Mr. Clark reported that 147 votes were cast of which Mr. Poupard received 133 and Mr. Barrett 130. One each was received by four other persons.

Dr. Van Kleec reported that the contractors for the new junior high school had promised completion of the building in time for the opening of school in September. He described briefly some of the happenings in the construction, which was begun with the breaking of ground on December 8.

The Superintendent again expressed appreciation for the help given by parent organizations, realators, and the Grosse Pointe Review in bringing the need of the new school to the attention of the public last fall.

He also expressed his keen personal appreciation of the reception given him as a newcomer to the community.

Major Burns Henry Post News

Comrade Van Amber Baker and his boys from the South Lake High school were present at the last meeting with the model city of the future they created at their school. The boys explained each building and answered any and all questions. We wish more of you were present as it was quite an interesting exhibit. We realize the weather was very much on the bad side with thunder and lightning all around us.

Speaking of rain we hope you boys will give Clem Whately and Bernardino Carducci a ring, offering whatever assistance you can. Clem's house on Lake Shore was directly in the path of a large tree blown over by the wind. Nearly all the windows were broken and the house was twisted so badly it is unsafe to live in. If any of you boys know of a place on the east side, get in touch with Clem. Telephone Niagara 7891. Thanks. Com. Carducci's garage was flattened by the wind and trees and sad to relate his car was in the wrecked building. We are not sure at this time just how badly the car was damaged but imagine it is in need of plenty of repair work. You mechanics get in touch with him. We think Clem can give you his telephone number as they are neighbors. Again thanks.

We are happy to report at this time the late flash on the birth of a nine-pound baby girl to Com. and Mrs. Walter Steadman of Hawthorne road, Grosse Pointe Woods. Our agents out there are sure slipping when we have to wait a month to find this item. Our apologies to Mr. and Mrs. Steadman and our belated congratulations. Make the next meeting Walt, the drinks are on you.

The poppy sale was a huge success, with nearly three thousand poppies being sold in Grosse Pointe. Chairman Mart Nielsen and his crew of workers are to be congratulated on their untiring efforts in putting this drive over. Let's make Mart the permanent chairman.

Remember our dance at the old home on Mack, near Neff, Saturday, June 17. Keep this date open and assure

you and your party a night of fun. A singing orchestra will furnish the music and the usual refreshments will be served. Your scribe will be found at that end of the room. We'll be looking for you.

And now a bit about the Detroit Districts, American Legion circus to be held next month. We won't bother you with dates at this writing but want to get these facts over. This circus is being run under the same manager as the Shrine circus. Ringmaster Stinson will handle all details as well as conduct the show proper, under the largest tent in the world. If you want to do the youngsters a good turn, contact

any Grosse Pointe Legionnaire for tickets. If ye fail to see one call ye scribe at Tuxedo 2-1813 and he will be pleased to deliver them to your home. More of this later.

Past Commander Robert Butts has cast his hat in the ring for the office of District Committeeman. The genial Parks police officer was unanimously endorsed by 303 and we hope any Legionnaire living in Grosse Pointe, but belonging to an outside post will do all he can to further Bob's candidacy. Our thanks to you.

Next meeting June 21. Come out and take a nice "kitty" home. We hope to be seeing you. T. E. X.

Lochmoor Protestant Church

Worship service will be held as usual at the Lochmoor Protestant Church, Vernier road, Grosse Pointe Woods, next Sunday, June 18, at 9:30 a. m.

Church school will be held two more Sundays, and Sunday school vacation will begin on July 2.

The church school will reopen Sunday, September 10.

Mans are being made for a social on Thursday evening, June 22, at 8 o'clock, in the auditorium of the Mason school.

Grosse Pointe Lutheran Church

Educating the Heart as well as the Head will be the subject of the sermon at the Grosse Pointe Lutheran Church, worshipping in the Richard School, Kercheval and McKinley road, Sunday morning, June 18, at 11 o'clock, preached by the Rev. M. Luther Canup, D. D., pastor, in a special religious educational service.

In this service the recent high school graduates and all members of the Young People's Society will take part. "Paul's Personal Letters" will be the topic taught in the upper grades in the Sunday School at 9:45 a. m., where we have classes for all ages and grades.

Christian Science Churches

"Is the Universe, Including Man, Evolved by Atomic Force?" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, June 18.

Among the Bible citations is this passage (Jeremiah 32:17): "Oh Lord God! behold, thou hast made the heaven and the earth by thy great power and stretched out arm, and there is nothing too hard for thee."

What Could Be Sweeter Than to Receive a FORD for Graduation!

Class of '39 Is Largest Number to Graduate

When the last Grosse Pointe High School senior receives his diploma on Thursday evening, June 15, he will be number 1965 student to get his from the Grosse Pointe High School system, providing all 208 of the candidates become graduates.

Table showing graduation statistics from 1925 to 1939. Columns include year and number of graduates. Total for 1939 is 284 graduates.

Twilight Racing Proves Popular to Detroiters

Nine thousand clicks of the turnstiles having registered approval of the first twilight horse racing program run at the Detroit track, this turf novelty is to be a permanent feature of this meeting every day, except Saturday, beginning Monday, June 12.

The twilight program inaugurated Thursday, June 8, drew groups of fans from many outstate cities including Bay City, Saginaw, Flint, Ann Arbor, Monroe, and a good-sized delegation from Toledo, Ohio.

The twilight programs still allow racegoers a full evening for other activities since the last horse gallops home around 8 p. m.

Most Successful Year Enjoyed by Trombly Parent-Teacher Assn.

The Robert Trombly School Parent-Teacher Association has just closed a most active and successful year as far as achievement in the goals of parent-teacher work are concerned.

The association met six times. A special meeting was held on September 14 to acquaint the taxpayers and parents of school children with the need of a junior high school.

The first regular meeting was held on October 19. Ty Tyson, of radio station WWJ, spoke on "Baseball Broadcasting." Dr. E. R. Van Kleeck, superintendent of Grosse Pointe Schools, expressed his appreciation for the co-operation of the parents in the junior high school election.

An army chow dinner was served on March 15 in the school gymnasium to 200 parents, teachers, and friends. The food was a typical soldiers' mess.

Our community was the theme of the last meeting for the year held on May 17. A colored motion picture, "Grosse Pointe—A Community for Youth," and "The Development of Hobbies in Children," shown by stereopticon slides with comments, were presented by Mr. Ernest La Follette, social science teacher at Grosse Pointe High School.

Officers for 1939-40 were elected as follows: Mr. Taylor Seiber, president. Mrs. Morris Jessup, membership chairman.

On May 19 a large committee of P. T. A. mothers, with Mrs. Glenn Friedt as general chairman; Mrs. Frank Buck, chairman of the style show; Mrs. Harry Esling, chairman of the ticket sale, and Mrs. Harold Davis, chairman of the tea, sponsored a bridge tea and fashion show at the school. Over 300 attended. This netted \$96.00 more for the association.

has been greatly improved since last year and should again prove to be most popular.

Comrades Brown, Caffery and Dorey, who are in the Veterans Hospital at Dearborn, are anxious to hear from the boys. Give the shut-ins a break, drive out and pay them a visit, or drop a card.

Don't forget the ball game Thursday.

Women Can't Keep a Secret! Whaddya Say?

The cashier at the \$50 wicket out at the Detroit Race Track will tell you that the man who said a woman can't keep a secret is wrong. Dead wrong.

The cashier knows that old smart crack is wrong because he waited all afternoon recently to pay off a Daily Double ticket worth \$1,636.20.

Richard Denner, a druggist of Sebewaing and his fellow townsman, John Eisengruber, a restaurant owner in the little city up there in the Thumb, came in a hurry to collect and divide their \$1,630.20.

Three hours went by—then the fourth ticket holder appeared. She was a pretty young woman of about 25 who declared she had delayed because she didn't want any publicity.

Music Festival at High School Draws Record Crowd Friday Night

Before the largest audience ever to attend a Grosse Pointe public school function, the first annual outdoor Music Festival was presented Friday evening on the athletic field at the Grosse Pointe High School.

The concert was under the general management of William J. Watkins, Director of Musical Instruction in the Grosse Pointe Public Schools. During the program nine different choruses sang and the combined elementary school bands of the six elementary schools played as did also the junior-senior high school band.

The quality of the voices and the clarity of the diction and enunciation of the boys and girls were especially praised. The selections presented were uniformly of high musical quality and their interpretation reflected much credit on the music instruction in the schools.

In a brief message of welcome which appeared on the programs distributed to those present, Dr. E. R. Van Kleeck, Superintendent of Schools, referred to the enthusiasm and joy which the boys and girls gained from their music.

The annual ball game and funfest with the House of August team will take place Thursday afternoon at the Neighborhood Club grounds. The entire coterie responsible for the gala event staged last year will again be present, so be on deck early to see the fun. Game starts promptly at 6 p. m.

Alger Post Activities

The annual ball game and funfest with the House of August team will take place Thursday afternoon at the Neighborhood Club grounds. The entire coterie responsible for the gala event staged last year will again be present, so be on deck early to see the fun. Game starts promptly at 6 p. m.

after a brief organ prelude were vocal. The elementary school choruses with Mr. Watkins directing joined in two impressively presented numbers, after which the Mason School chorus with Esther D. Meldrum directing sang two numbers. Then followed two numbers from each of the elementary schools as follows: Kerby, Mahalia Q. McLeod, director; Richard, Elizabeth D. Ellis, director; Mair, Eleanor Chesarek, director; Defer, Frances R. Loucks, director; Trombly, Frank M. Himmelmann, director.

The Trombly-Defer Junior High School Annexes' chorus with Miss Loucks directing sang two numbers, followed by a group of two selections by the Cadieux-High School Junior High chorus under the direction of John E. Finch.

As a culmination of the vocal part of the program the A Cappella choir directed by Mr. Watkins sang "O Light Divine" by Archangelsky and "Lord, God of Hosts" by Tschalkowsky. The choir was garbed in the burgundy-colored robes recently bought for the students by the Mothers' Club of the high school.

The combined elementary school bands under the direction of Samuel M. Trickey presented "Magdeline" and "Dot and Phil," a march. These organizations, most of whose members have been studying their instruments only since last fall, played together publicly for the first time and showed a remarkable degree of proficiency.

Mr. Kalember then conducted the combined elementary and high school bands in two chorales. Preceding "America the Beautiful" the elementary, junior and senior high school choruses joined in Bach's "Jesus, Joy of Man's Desiring" under Mr. Watkins' direction. More than 600 singers participated in this number. The program was staged beneath the

light of seven large floodlights erected for the occasion on the southeast corner of the athletic field. The seating arrangements were admirably handled by a large group of teachers.

#### Unwise Fathers

That is a serious charge made by

Probate Judge D. J. Healy, that homes that should be rated as the best in the city are responsible for one of the most dangerous forms of youthful delinquency. The smart, well-dressed youngster behind the wheel of a nifty new car, who uses streets as speedways, usually is relying on the influence of his father to get him out of any trouble he may get into.

The community has a right to expect better conduct from its more prosperous and influential citizens. The damage that a pampered son may do with his speeding car is bad enough. But the most serious harm is the influence of such bad management and lack of discipline for the boy himself. By virtue of his inheritance, he should take a place of prominence in the community. But by his home training, he starts with a light estimate of the seriousness of law breaking, and with an ingrained belief that wealth and social position justify tampering with justice. Ticket-fixing is reprehensible always. Fathers should consider their responsibility to the community and to the coming generation in such matters.—The Detroit News.

#### Television Discussed by Leslie Taylor

Northeast Exchange Club members were carried away by the manner in which Mr. Leslie Taylor presented his discourse on Television at their regular meeting at Mt. Zion Lutheran Church, Six Mile road, and Gratiot. The speaker, who has devoted many years of study and research, pointed out in a graphic manner about the conception of this industry, what it is doing now and what the public can reasonably expect in the near future.

Whitnah Heath Barton, son of Mr. and Mrs. G. R. Barton, 474 St. Clair avenue, Grosse Pointe, was a member of the senior class of Shattuck School, Fairbault, Minn., which was graduated at the annual commencement exercises June 8. He was a corporal in the battalion of the cadet corps which is a unit in the R. O. T. C., and was a member of the school choir and glee club. He was prominent in intramural athletics.

At the 48th annual meeting of the Historic Memorials Society, held recently at "Bognie Brae," Fort Malden, Amherstburg, Ontario, home of Mrs. Malcolm McGregor, over sixty mem-

bers attended from Detroit and Grosse Pointe. Mr. John Marsh, of the Amherstburg Echo, told of the progress made to date on the restoration of Fort Malden, of the War of 1812 period, and of the museum being built upon that site. Contributions were voted to Kenmore, home of Betty Washington Lewis (sister of George Washington), in Fredericksburg, Va.; to the Detroit Historical Society Museum, and to the Detroit Symphony Orchestra, for children's free concert tickets. Annual reports of officers and chairmen were heard.

#### Buhl Horse to Meet Stiff Opposition at Track on Saturday

The fastest band of two-year-olds in the history of Detroit racing, headed by the unbeaten Domkin and the record-setting Black Brummel and Carrie, will have a double-barrelled objective when they go to the post at the Detroit race track Saturday, June 17. They'll be shooting not only for victory in the Sallan Cup handicap but a new track record as well.

Domkin, a flying son of Ladkin owned by Theodore D. Buhl, Detroit socialite, sportsman, followed up two victories at Pimlico with an outstanding triumph in the St. Clair Stakes, first big race for two-year-olds on the Detroit Stake program.

Black Brummel, owned by A. L. Ferguson of Georgetown, Ky., and touted as one of the best juveniles in the Blue Grass, was the favorite in the race but he got off to a bad start and was back in third place when Domkin came flying past the judges.

Domkin was recognized as ruler of the two-year-olds for just four days. Then Dixiana Farm, owned by Charles T. Fisher, Detroit motor magnate, sent the filly Carrie out to make her first start. Amazed racegoers saw Carrie whip over four and a half furlongs in 54 seconds to break a track record which had stood for five years.

Domkin and Carrie were then hailed as co-rulers. But just until Black Brummel came out again. Facing Carrie and four others in a midweek allowance race, he roared over the four and a half furlongs in 53 seconds to clip a full second from Carrie's record and leave her well beaten by eight lengths, in fourth place.

The Sallan Cup Handicap will bring the three stars together for the first time. Carrie is expected to have a

strong running mate, from Dixiana in Radiogram, the gelding which was runner-up to Domkin in the St. Clair. The Glad Acres Farm of Texas will also send out its challenger, Sir Greenock along with Hl Gold, the hard-running colt from the barn of W. M. Emerson.

This brilliant field of juveniles, probably the best to go to the post in the middle west this year, will duel it out over five furlongs, a half furlong further than the distance at which Black Brummel and Carrie set their records. Veteran turfmen won't be a bit surprised if the track record of 58 1-5 seconds set by Miss Dolphin in 1936, crumples before their charge. It is one of the stoutest races of the year.

#### Messiah Lutheran

Southeast corner of Kercheval and Lakewood avenues. A. H. A. Loeber, pastor, 1434 Lakewood avenue. Telephone Lenox 2121.

Sunday, June 18, the preaching service will take place at 10 a. m. The sermon will treat the word immediately preceding the Gospel lesson for this Sunday: "Blessed is he that shall eat bread in the kingdom of God."

The Sunday School will be in session from 9 to 9:55 o'clock. The annual picnic of the Sunday School will be held at Bob-Lo on Friday, June 30.

#### Campfire News

The Southeast Campfire Committee enjoyed a lovely luncheon Tuesday at the home of Mrs. R. L. Colton on Ven-

dome road, Grosse Pointe Farms, after which the annual meeting and election was held.

The following officers were elected: Chairman, Mrs. R. F. Colton; vice-chairman, Mrs. B. Dewitt Goodrich; secretary, Mrs. John Halstein; treasurer, Mrs. L. J. Klersey. Directors: Dr. John Henderson and Mrs. Carl Baubertz.

The following committee chairmen were appointed: Social, Mrs. Walter Ehrler; finance, Mrs. L. J. Klersey; civic relations, Mrs. C. A. Nutting; court of awards, Mrs. Waldo Hunt; extension, Mrs. Francis Jacoby; camp Mr. C. A. Nutting; publicity, Mrs. H. G. Hincley.

#### Marygrove Girl Winner in Short Story Contest

For a short story entitled "Orchids for Abigail," Miss Margaret Mary Daly, a Marygrove College junior, has been awarded first prize in a national short story contest among students of 50 colleges for Catholic Women, it was announced today.

Miss Daly will receive a prize check for \$25 and will have her story published in a magazine. The story treats the problem of spinsterhood and how one woman who yearned for a suitor solved the problem.

The literary contest was sponsored by Kappa Gamma Pi, a national honorary society for women graduates of Catholic colleges.

Miss Daly is the daughter of Mr. and Mrs. Hugh L. Daly, 1303 Beaconsfield avenue, Grosse Pointe Park.
