Grosse Pointe Building Boom Hits All-Time High

Dr. E. R. VanKleeck, Superintendent of the Grosse Pointe Schools, and Mr. Royce Howes, war editor of the Detroit Free Press, were the speakers at the second meeting of the Maire School P. T. A. Tuesday, Nov. 14th.

"Facing the Facts of the Grosse Pointe Schools" was the subject of Dr. VanKleeck's talk. "There is more residential building going on in Grosse Pointe now than at any time during its history, even more than during the so-called boom period," said Dr. VanKleeck. "So far this year in ten months, there have been 568 building permits issued in Grosse Pointe and there can be little doubt," he continued, "but that before the year is over there will have been issued well over 600 permits which will make it the largest number ever put in any one year. The largest previous total having been slightly under 600." "Grosse Pointe is the most rapidly growing metropolitan residential suburb in the United States," said Dr. VanKleeck. "This tremendous growth which shows no signs of letting up leads us to facing the fact that we must supply more teachers, classrooms, buildings and materials to take care of this increase." "crease."

Louisa St. Clair Chapter D. A. R.

The patriotic relief department of the Louisa St. Clair Chapter, Daughters of the American Revolution, announces December first as final incoming day for dresses being made for distribution by Ruth Alden and the Goodfellows at Christmas time. This department, established during the world war as a knitting unit, later doing regular Red Cross work and then concentrating on welfare for children of veterans, still continues to meet every week for relief work. Efforts this year are being directed on sewing for the children's dress campaign.

Mrs. William N. McLennan, chairman, is assisted by Mrs. William L. Brasie, supervisor, and members of the organization, who meet all day every Friday at Utley Library. Mrs. G. E. Anderson directs the cutting of material and Mrs. Elizabeth Zimm oversees the charge of Mrs. Beama E. Grant and Mrs. Robert C. Gammon, while button holes are under the direction of Mrs. Mel E. Sealing.

Handsewers are Mrs. Jennie P. Beaman, Mrs. Jerry C. Hayes, Mrs. Stephen M. Cotter, Mrs. Chester W. Tullar, Mrs. Frances Luella Curry, Mrs. Wiliston A. Keen, and Mrs. Fletcher Hempstead Field.

Luncheon and tea are arranged by Mrs. Lewis H. Jarvis.

Among the committee members are Mrs. B. C. Bastedo, Mrs. John W. Bennett, Mrs. Alfred Besancon, Mrs. Walter T. Bradford, Mrs. Harold A. Breck, Mrs. Charles W. Brooke, Mrs. Edward Eichelzer, Mrs. Clarence A. Fiske, Mrs. Alexander Forbes and Mrs. Frederick Conant Gilbert. Others are Mrs. Joseph Chas. Hoses, Mrs. Claude L. Kniffen, Mrs. Elias Ben Lyons and Mrs. Roland S. Mitchell. Also Mrs. Alfred E. Patterson, Mrs. Norton H. Pearl, Mrs. S. H. Picher, Mrs. Earl M. Presely, Mrs. F. D. Rolison, Mrs. Edward A. Shedd, Mrs. George A. Skinner, Mrs. Duncan Stewart and Mrs. Harry C. Thatcher.

All Chapter members and friends having dresses to contribute are asked to leave them at the Utley Library, corner of Woodward and Alger on Friday, November 24, if possible, or to telephone any member of the Patriotic relief committee.

On Monday, November 21, the Page groups of the Chapter was entertained by Miss Olga Erickson at her home on Taylor avenue. A desert luncheon was served by the hostess who used yellow chrysanthemums in her table arrangement and on the living room mantel. Assisting were Miss Marian Brooke, State chairman of Michigan Junior groups, Miss Joanne Harris, and Mrs. Robert Bruce Rutherford, sister of the hostess. Work for the chapter's Hobby Horse Fair occupied the afternoon.

New England Women

Due to the change in the date of Thanksgiving Day Detroit Colony, National Society of New England Women met Wednesday, November 15, at 12:30 o'clock at the Women's City Club, for a luncheon meeting. The president, Mrs. Harlow B. Loveland conducted the meeting. Mrs. Grace Hauber reported on the baked bean dinner and gift sale; and Mrs. H. S. Hart on the sewing for the Goodfellows.

Mrs. H. M. Booth, program chairman introduced the speaker, Miss Lilian Haughey, who talked on current literature. Members responded to the roll call by naming good books to read.

est number ever put in any one year. The largest previous total having been slightly under 600." "Grosse Pointe is the most rapidly growing metropolitan residential suburb in the United States," said Dr. VanKleeck. "This tremendous growth which shows no signs of letting up leads us to facing the fact that we must supply more teachers, classrooms, buildings and materials to take care of this increase." "crease."

Mr. Howes' subject was "What Passes the Censors." Any war news that passes the censors is propaganda," said Mr. Howes, "and don't believe everything you read. The reason we have so many signed articles in our papers today is because in this way the papers can say to their readers that 'this is what the author says,' and 'the papers believe that it is reliable.'"

"All propaganda need not be bad," he said, "but it is our duty as citizens to regard it with a great deal of suspicion. Twenty years ago there was a battle of propaganda here and we were drawn in to the war for better or for worse. Now," said Mr. Howes, "it is our duty to view it as objectively as possible and the principal duty of America is to remain neutral."

Following the talks refreshments were served by the 5-A, 6-B and 6-A room mothers; Mrs. Rollin Harger, Mrs. Adiel VanBeelaere, Mrs. Paul Ackerman, Mrs. Marion Sheaffer, Mrs. Lane Fortenberry and Mrs. F. E. Pott.

City Awards Contract For Sewer Relief

The City of Grosse Pointe has awarded to G. Vella Company a contract for the construction of the outlet for the Grosse Pointe Park Storm Water Relief Sewer System now under construction.

The outlet will be completed in ample time to provide for discharge of the storm water sewage of the Village of Grosse Pointe Park through its new sewer system.

St. Clair Parish

Fytes, downtown will be the setting on November 30th for the next charming social event, a dessert bridge, sponsored by the Archconfraternity for the ladies of St. Clair's parish.

Plans in hand by Mrs. Gagnier, hostess, and her aides assure another enjoyable occasion well in harmony with previous affairs this year, affairs which have so grown in popularity that they are becoming distinct highlights in the social activities of the entire membership, their friends and acquaintances.

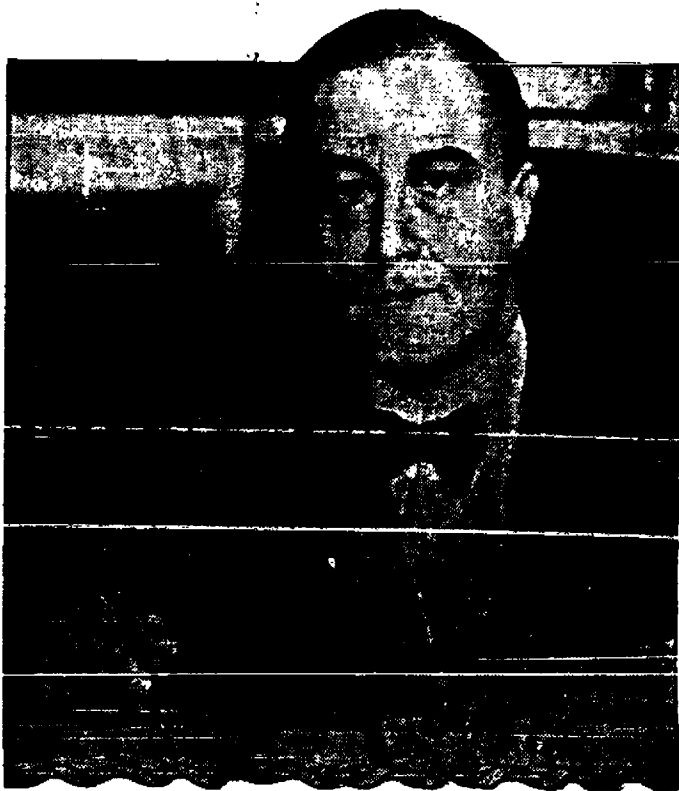

Steve Evans at Club Royale This Week

Steve Evans, celebrated comic whose "Hollywood Snapshots" impersonating film celebrities were such a hit recently at the Roxy Theatre in New York, heads the new show at Chink McNamara's Club Royale this week, the first of a parade of stars which a new entertainment policy will bring to the popular spot in next ten weeks. Among Evans' characterizations, that of Paul Muni is generally considered the best, and the "Pollack Drunk," a figure which he created is being enthusiastically received. His last appearance in Detroit was at the Fox Theatre two years ago, and he has been featured since then at the Bon Air Country Club, the Empire Room of the Palmer House in Chicago and the Beverly Hills Country Club.

Added entertainment is furnished by Muriel Parker and Charles Fredericks, singing sweethearts of Oken and Johnson's current show "Hellzapoppin'" and the Hollywood Coeds, acrobatic dance stars from sunny California, making their first Detroit appearance.

In the star parade booked for the club in future weeks will be Eddie Peabody, banjo star of Broadway musicals and pictures; Nick Lucas, crooning troubador; and in answer to requests, Dean Murphy on a return engagement for an indefinite run prior to his departure for the new Ziegfeld follies.

PROCLAIMED BY ... Franklin D. Roosevelt

"I, Franklin D. Roosevelt, President of the United States of America, hereby designate Thursday, the twenty-third day of November, 1939, as a day of thanksgiving for the year 1939."

"Thus to set aside in the Autumn of each year a day for thanksgiving thanks to Almighty God for the blessings of life is a wise and reverent custom, long cherished by our people. It is fitting that we should again observe this custom."

"During the past year we have been given courage and fortitude to meet the problems which have confronted us in our national life. Our sense of social justice has deepened. We have been given vision to make new provisions for human welfare and happiness, and in a spirit of mutual helpfulness we have cooperated to translate vision into reality."

"More greatly have we turned our hearts and minds to things spiritual. We can truly say 'What profiteth it a nation if it gains the whole world and lose its own soul.' With gratitude in our hearts for what has already been achieved, may we, with the help of God, dedicate ourselves anew to work for the betterment of mankind."

Marionette Show To Perform at Pierce Jr. High on Nov. 25th

For many thousands of children throughout the United States a wooden actor by the name of Jerry occupies a place comparable to that of Charlie McCarthy with adult radio listeners. Jerry is the master of ceremonies at all Sue Hastings Marionette shows, one of which will perform here on November 25th at Pierce Junior High School under the sponsorship of Parent Teachers Associations. The production is an offering of Junior Programs Inc., non-commercial organization devoted to the presentation of appropriate children's entertainment.

Since Sue Hastings Marionettes every year throughout the country, and have traveled beside to many foreign lands Jerry's master-of-ceremonies job is an important one. He has to know how to talk with all kinds of people, sees them to feeling cheerful and in the right frame of mind to enjoy the show. He has to be quick on the up-take, too, because his young audiences are pretty vociferous in their bantering and heckling.

But Jerry can trade wise-cracks with the best of them. He's done it in the White House, where he performed several times, as well as in the Governor's Mansion in Albany, New York. Once Mayor Fiorello H. LaGuardia of New York City, who is a real fan of Jerry's, missed a performance at Columbia University's McMillin Theatre and telegraphed his regrets. The wooden master of ceremonies has that telegram framed.

Jerry has been around a long time now, long before his radio days came on the scene. He has been part of every Sue Hastings Marionette show since Mrs. Hastings began her puppet work in 1922. Interview exclusively by Mrs. Harry Feline. Jerry disclosed he will continue with Sue Hastings no matter what Hollywood offers him. "I like the work and it's steady," Jerry explained.

ART CLUB

Who would like to save money and at the same time get some Christmas shopping done before the usual rush begins?

The senior high school art club is giving students this opportunity in sponsoring a sale of original Japanese wood prints which are beautifully mounted and would make excellent gifts. Prices range from 15 cents to \$2! These pictures have been done by the famous Japanese artists, among whom are Korin, Hokusai, and Shasun. The prints are made by hand from cherry wood and are printed on mulberry bark paper. Some of the subjects are flowers, landscapes and animals. The smaller ones make excellent oriental Christmas cards.

An exhibit of these prints is now being shown in the high school.

Women's Republican Club To Hold Annual Meeting

The Women's Republican Club of Grosse Pointe will hold its annual luncheon and meeting at the Colony Town Club, East Jefferson avenue on Wednesday, December 6th, at 12:30 noon. Election of officers will take place at this meeting, which marks the beginning of the fifth year of political activities for the club.

The Sisters of Mercy and the Ladies Auxiliary of St. Joseph Mercy Hospital sponsored a program and membership tea on Tuesday, November 7, at the Mary College of Nursing. The previous announcement that talent from The Elaine Marie Arndt Dance Studio would be presented helped draw a large crowd and the dances were enjoyed by an appreciative and enthusiastic audience.

U. of M. Band To Be Presented at the New Junior High School

The largest alumni band to be sent out of Ann Arbor will be at the Pierce Junior High School auditorium, Kercheval at Nottingham avenues, on the evening of December 15th. Three buses and a truck will be necessary to bring the band here on that evening. The Michigan Band has played for alumni associations outside of Ann Arbor, having made trips as far north as Marquette in the Upper Peninsula, but this is the first time that the organization has ever sent out as many as 92 pieces from Ann Arbor.

The present U. of M. band is one of the two or three outstanding college bands of the country. Mr. Wm. D. Ravelli, director has been largely responsible for bringing the Michigan band up to its present high standard. Mr. Ravelli was brought to Michigan a few years ago because of his phenomenal success with high school bands in Indiana.

The Grosse Pointe High School and Pierce Junior High School bands will be the guests of the U. of M. Alumni Association which is sponsoring the band's trip to Grosse Pointe. Any proceeds resulting from the concert will be used to establish a university scholarship. Each member of the local U. of M. Alumni Chapter is entitled to one free ticket, and may purchase not more than three additional tickets at 50 cents each for family, friends, or prospective members. Tickets will be limited to members and prospective members only until December 1st, after which date the sale will be thrown open to the general public. The Association wishes to call the attention of members to the fact that they must secure admission tickets for the concert—membership cards alone will not admit them to the performance. Members may obtain tickets from any one of the following ticket committee:

Dr. M. M. Sheaffer, 604 Stroh Bldg. or 1215 Audubon.
Miss Bernice Moore, Pierce School.
Mr. Vincent Peterson, Grosse Pointe High School.
Mr. Francis Marocco, 1445 Bishop.
Miss Betty Sheaffer, Grosse Pointe Library, Kercheval at Nottingham.
Mr. Herbert L. Hobart, Maire School.
Mr. William Hogan.
Mr. William Watkins, Maire School.
University of Michigan Alumni who are interested in joining the club should send to Mr. Henry Warren Jones, 1371 Whittier for an application blank. All residents of Grosse Pointe Township who have attended the University of Michigan, who are members of the U. of M. should send to the

Mrs. Knapp has also contributed Japanese children's picture books and writing books and some Japanese toys.

Special Thanksgiving Services to be Held by Science Churches
As is customary in all Christian Science Churches, a special Thanksgiving service will be held Thursday in the nine Christian Science Churches in Detroit.

Following the usual order of service there will be a brief period in which testimonies appropriate to the occasion may be given by Christian Scientists in the congregations. These will include expressions of gratitude for healings and other help received during the past year.

The Gold Text from I Thessalonians (5: 16-18), is most appropriate for the service, reading "Rejoice evermore. Pray without ceasing. In everything give thanks: for this is the will of God in Christ Jesus concerning you."

Among the Bible verses is included: "Serve the Lord with gladness: come before his presence with singing. Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him and bless his name" (Psalm 100: 2, 4).

Among the citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following: "Christians rejoice in secret beauty and bounty, hidden from the world, but known to God. Self-forgetfulness, purity, and affection are constant prayers. Practice not profession, understanding not belief gain the ear and right hand of omnipotence and they assuredly call down infinite blessings" (p. 15).

Maire School Notes

The 3-A grade of the Maire School,

during their study of community life, became interested in the study of foods prepared outside of the home. They decided to visit Mills Bakery. Here the children saw how bread pies and cakes

were baked, wrapped and made ready for delivery. The 3-B grade greatly enjoyed the talks on fire prevention given by Capt. Rivard and the men of the Grosse Pointe Fire Dept. during their recent

visit. The children especially enjoyed watching demonstrations of the use of the life net gas masks and methods of artificial respiration.

Every elementary school in Grosse Pointe is sending a representative each afternoon after school to take charge of the display. When you have looked at the exhibit you will be invited to sign a visitors book and record your favorite book.

Board of Education Entertained by 9th Grade Food Class

"The work of the household arts department in secondary school lays a foundation for a better and more lasting integration in the American home," declared Mr. J. Lee Barrett, member of the Grosse Pointe Board of Education and Director for Michigan of the National Association of School Boards, at a dinner served to members of the Grosse Pointe Board of Education and Administrative Staff in the Pierce Home Making Apartments, Monday, November 6th.

Guests were greeted by Marion Rieger, Bernice Braden, and Mildred Mackey. Dinner was preceded by an informal period during which canapés and tomato juice cocktails were served by Alice Eberlein and Rosemary Seibert.

The table laid for twelve and decorated with ivory tapers and a large colorful fruit bowl centerpiece, was wheeled in from the kitchen by Amanda Wassertheurer and Mildred Mackey. Said Dr. Van Kleec to student hostesses, "There's only one phrase for it. It was a gastronomic triumph."

GIRL Scouts

TROOP 124

The meeting of Troop 124 opened at quarter to four at Trombly school. Westy, who is the assistant Scout teacher took order for dish towels which they are going to embroider for the purpose of giving them to their mothers for Christmas. She also took orders for hot pads that they are going to color for the same purpose.

They had short patrol meetings and took attendance and dues. Then their leader, Mrs. Kay Welcnbach showed them how to play a swell new game. She read them a story and divided them in parts as soon as the name of the person whose group they were in, was mentioned, they made an assigned noise. For example when the handsome prince was mentioned the handsome prince's group said, "A-Ha-a-a". When the fat daughter was mentioned her group said "Kerplunk". It was a lot of fun. The troop meeting was adjourned at 5:00.

L. M. and F. S.

TROOP 129

Troop 129 met Monday, November 6, at Christ Church. The girls that went to the Girl Scout camp told about some of the experiences they had. Then they had a good night circle and went home.

TROOP 131

The meeting opened as Dr. Hausnecht a guest from Poland was introduced to the troop. The troop was pleased to have the guest and questions were asked about Poland. Dr. Hausnecht spoke a few words in the Polish language for the troop. Virginia Spoor passed the tenderfoot test. The most interesting things seen on their recent trip to Greenfield Village were acted out by a few girls. The closing circle ended the meeting.

Neighborhood Club

Friday night Nov. 24th, at 7:30 p. m. all children are invited to attend the Theatre party at the Club. Included in the program will be a play "Mrs. Magician's Mistake". The characters are: Mr. Magician — Joyia Teazel Kallyhoo — Lorraine De Wolf Tom Perkins — Dolores Sillman Mrs. Magician — Patricia Gulberg Mrs. Friend — Virginia Clinton Children — Lesley Yeager, Catherine Beas, Helen Menon, Helen Nelson, Dolores Sillman, Monica Vandermarriere, Anita Vandermarriere, Pat McLaughlin. This promises to be a very fine play especially if you recall our last play program with Lorraine De Wolf as the school teacher. Well, Lorraine is taking the part of Kallyhoo in this week's play. The boys also are putting on a play about Manolo De Popolo. The Play Mates are also putting on a play. Don't miss this grand performance.

Standings of Neighborhood Club Football Leagues.

Table with columns: Juniors, W, L, T, Pts. Rows: Jr. Lions, Red Wings, Rams, Dodgers.

Table with columns: Midgrade, W, L, T, Pts. Rows: Cardinals, Wildcats, Bears.

The Wildcats won their second game of the season when they defeated the third place Bears 26-25. This game was the last league game of the season for the Bears.

Rivard and Gill made 97-70 yards run respectfully for touchdowns to put the Bears in the lead 13-7, after Van Osdol had scored for the Wildcats on a five yard plunge. It was Gill and Rivard again who combined three running attacks to register two more six pointers for the Bears to go into the lead 25-20 with ten minutes to play. Habitz and Thomas had scored early in the half for the second place Wildcats. Habitz went over from the three yard line while Thomas intercepted a pass and raced fifty yards for a touchdown.

The play that won the game for the Wildcats was probably the most unusual play of the season. Hudson quarter back of the Bears was trying for extra point. The ball was snapped from center and the entire Wildcat team rustled in. Hudson seeing that there was no chance for extra point tried to lateral to Gill. Lunch speedy guard of the Wildcats intercepted the lateral and ran for a score that proved to be the winning marker.

Miss Kathleen Cann readers assistant of the Walker branch of the Detroit Public Library, has offered to cooperate with any Camp Fire group interested in studying Indian lore in preparation for the Torch-bearer rank. The Achigawa group and their guardian, Mrs. L. B. Hall have found the course very interesting and are grateful to Miss Cann for her assistance. The group leader may make an appointment with Miss Cann by calling her at the Walker Library.

Defer School Notes

"Book Haven" is an activity being carried out in the 6-A room at Defer School. Here the boys and girls are constructing in miniature, the homes and character of some of their favorite

books. Sheila Munn, Alice Jackson, and Arthur Van Hamme have been working on "The Little House on Runners." Snow White and her dwarfs are keeping Lee Kitchen, Jack McGulken and Earl Van Nort Busy. "Junior" the story of a mischievous little colored boy has been aptly done by Shirley Iley, Maureen Summerers and Dolores Candler. A bit of China has come to life through Dolores Butts Betty Jo Faulke and William Stopin's "Ho Ming." Donald Chandler, Richard Finch and David Kaiser are illustrating "The American Indian." The rest of the children in the room are choosing their books this week.

"Book Haven" has correlated with National Book Week and now the little community is looking forward to December hoping that some of their Christmas friends will join them soon.
