## Grosse Exaggerations

We'll bet California is laughing up it's orange groves, over the temperature down here. We've been muffled in blankets and hot water bottles ever since our arrival and any mistakes in the columns are due to typing while wearing fur-lined gloves. Everything is "jake" with the natives, however. Everyday the local paper starts out with some item that reads, "Due to the cool breezes—," etc. The "cool breezes" are the kind of blasts that

only an Admiral Byrd could face with equanimity. We don't mean to mislead anyone. We love Florida as if it were our own, but this is one time when it's the LACK of sun that burns you up.

The other day we hid ourselves down to the Movie Theatre, partly because the lobby is steam heated and partly to get a seat for G W T W, which opens here on February 17. We thought we were pretty smart because the arrival of the picture had been made public just the previous day. After standing in line for two and a half hours, we found they were sold out for opening night, so we got a seat behind a pillar for the last matinee. It cost us a dollar sixty-five and a cold in the head, but everyone sez it's worth all of that.

shops and found that for ten dollars, you can buy lots of things worth five. We settled on a dollar pair of fifty cent dark glasses—a gesture that friend would call "wishful hoping."

Saw Mr. Justice Murphy sauntering along with his sister. As we raised our hat and passed on, it occurred to us that Mr. Murphy probably came down here to squat on the beach before squatting on the bench, but even a Justice of the Supreme Court can't do anything about a sun that refuses to stay put.

Mrs. C. Henry Buhl was tripping in and out of the shops, followed by her faithful Great Dane, Hirsch. Mrs. B. looked about ten years old, in a brown and white checked dress, with a leather belt as wide as the Maginot Line.

Stopped in Trabert and Hoeffler, the Jewellers, and found that the august presence of Mrs. James Donohue had the lone clerk in a tizzy. He ignored the few customers who were waiting and followed Mrs. D. around the shop like a puppy after a bone. We're positive that he was wagging his tail mentally, but in spite of all his obsequiousness, Mrs. D. took herself off without a word or a glance in his direction. By the time he came back to earth and got around to the rest of the patrons, they departed also. Moral: If you're a snob and happen to be a clerk, you'll get much further if you BE a clerk and not a cluck!

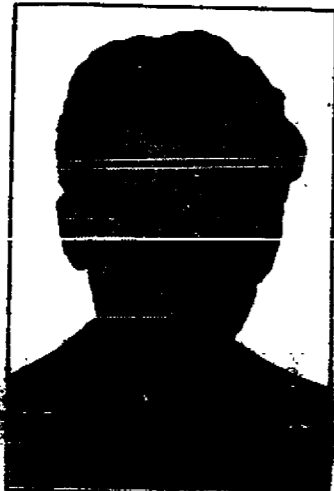

Night Life: All the night spots are getting a bad break because of the weather—uh-uh—we've said that already. The Everglades Club, The Colony, The Patio, all famous for their attractive outdoor settings, are reduced to "just another" (Continued on Page Two)

## Candidates File for Grosse Pointe Park Offices

The following candidates have filed for the office of Commissioner in the forthcoming Primary election in Grosse Pointe Park, to be held Tuesday, February 13th, 1940, according to an announcement by William G. Stammen, Clerk, today: For President, Alfred J. Garska, John W. Chandler and Francis D. Cooley, (two to be nominated); for Commissioners: Louis DeHayes, John B. Renaud, William P. Shoemaker, Joseph E. Applegate, I. Louis Carron, Homer C. Fritsch, Thomas T. Petzold, Ward S. Van Deusen and Edward H. Vincent (six to be nominated).

## Louis Carron Announces Candidacy For Commissioner

I. Louis Carron of 1117 Grayton Road, who is both a lawyer and an engineer, is a candidate for Commissioner of Grosse Pointe Park. Mr. Carron holds a responsible position with the Chrysler Corporation and has been

with this firm for over 14 years. He is a graduate of Detroit Eastern High, Detroit College of Law, and the Technical School for Auto Body Engineers. His professional activities include membership in the Detroit Bar Association, State Bar of Michigan, American Bar Association, Engineering Society of Detroit, and the Society of Automotive Engineers. He is an independent candidate and not affiliated with any group. His sound business training qualifies him for the position of commissioner.

## State Land Auction Begins February 13

Clarence W. Lock, executive secretary of the State Land Office Board, announced today the terms under which state-owned properties will be offered for sale at public auction, beginning February 13, 1940.

Former owners will be given every possible opportunity to regain possession of their properties through the liberal terms being extended by the board. These properties, which reverted to the State because of tax-delinquencies, will be offered for sale to the highest bidder, with the provision that no bid of less than 25 per cent of the 1938 assessed valuation will be accepted. Purchasers who had no previous interest in the property must pay cash for the full amount of their bid within 24 hours, whereas, former owners may repurchase on a time payment contract. The terms of the contract will require a down payment of 10 per cent of the amount of the bid, but in no case (Continued on Page Five)

## Trend of Events

Ever since she signed a first "trade agreement" with Nazi Germany, one year ago, Rumania has been subjected to terrific pressure on the part of Berlin. The plucky Rumanians have had to fight hard to maintain their national unity and independence.

Last year, world opinion was inclined to believe that country, too, had given in to Adolf Hitler. It later appeared Rumania had renounced none of her sovereign rights as an independent nation. Thus, while the German Nazis were busy elsewhere, astute King Carol plucked whatever was harmful in the trade pact and only what was profitable to his country. To her amazement Germany soon realized she was holding the bag. Witty Carol had won the first round against surly Adolf.

Rumania has signed a new trade agreement with Nazi Germany recently. Only this time King Carol and his ministers will have a harder time fooling the Nazis. To insure themselves against any further Rumanian tricks, the Germans have sent new men to Bucharest. These trade agents have been backed by detachments of the German army along Rumania's northern border in Slovakia and what was once Russian Poland. The fact that Moscow has allowed German troops to enter Rumania is a clear indication that the Soviet Union has abandoned all its former promises and Russia, Rumania must believe, or else!

The prospects of a hungry Germany with a greedy Russia prowling in the background are none too encouraging for Bucharest. Yet, even so, Hitler will have to fight if he is to hold the sway he covets over bountiful Rumania.

It is perhaps premature to state the practical value of Rumania's new trade agreement and just what it will lead to. But, it has already been established that Finland's successful stand against the Red army has greatly increased Rumania's determination to stave off any Soviet attack. And the Allies are now pouring troops into the Balkans to support her most effectively should the Germans decide to move against her. Late Paris reports affirm Rumania's (Continued on Page Three)

## Economy Group Endorses Candidates For Park Election

Drafting four candidates to run for Village offices at the Primary Election, February 13, 1940, the Economy Committee for Good Government in Grosse Pointe Park this week announced its slate of candidates, urged the immediate appointment of an expert Village Manager under a power of the Village Charter which has never been exercised and advanced the proposal of a Charter Amendment to be submitted at the General Election in March, to limit the salaries of Village President and Commissioners to \$1 a year (instead of the present \$720 and \$600 a year respectively). The saving in Commissioners salaries thus brought about would be used to pay the salary of a capable, full-time Village Manager.

It is pointed out that the present pay of the Village President and Village Commissioners is obviously not sufficient to secure the full time services of capable men to serve in office. Yet taken together, these salaries would secure the services of an experienced Village Manager, who would spend his full time handling the routine administrative work of the Village, acting under the close direction of the council who would determine all matters of policy. From experience of 495 cities now operating under the "City Manager Plan," improved service to residents and reduced cost are reported in an overwhelming majority of these communities. Referring again to the proposal to reduce salaries of Village President and Commissioners in the Park to \$1 (Continued on Page Five)

The largest mid-year class in the history of Grosse Pointe High School will be graduated this evening when 104 seniors in traditional gray cap and gown participate in the commencement exercises at 8:15 o'clock in the school auditorium.

When the first winter commencement was held on the eve of the opening of the high school building in February, 1928, the graduating class consisted of 10 students. Last year the class of January, 1939, numbered 76. More than a third larger, this evening's class will bring the number of high school alumni to 2,052.

Following the custom of the past several years, three students will do the major speech-making on the commencement program. Alfred Fitt is to deliver an address on "Youth and a Changing Environment." Juliet Linde

## Alfred J. Garska Announces Candidacy For Park President

Man will present her ideas on "Youth and Employment." Marjorie Kaufmann will discuss "Youth and Education." Chosen because of superior ability, these three students have written their speeches after a considerable period of investigation of materials in the extensive literature of America's youth problems. Local articulation of the data gathered was made by each student speaker in the light of his own experience and observation.

Dr. Frank Fitt of the Grosse Pointe Memorial Church, whose son, Alfred, an honor student, will be the first student speaker, will deliver the invocation.

The newly-organized high school orchestra will make its first commencement appearance this evening, playing "Pomp and Circumstance" as a processional and "Festival March" as a recessional as the graduates enter and leave the auditorium.

Other musical numbers will include selections by the A. Cappella Choir and soprano solos by Margareta Fleming, a member of the class who has been presented frequently as a soloist by the school's musical groups. Class honors will be announced by Paul A. Rehmus, principal. These will include the names to be engraved first on the new trophies presented last fall by the Mothers' Club to continue the roll of honor girls and honor boys instituted by the mothers years ago. The gift of new trophies was made when the first ones were filled with names. The announcement of the honor boy and the honor girl will indicate the most outstanding leaders in the class in the opinion of the faculty honors committee, which makes the selection. Mr. Rehmus will present the class to Dr. E. R. Van Kleck, superintendent of schools, who will speak briefly and award diplomas to the graduates on behalf of the Board of Education. A reception for the graduates, their parents and friends will be given in the cafeteria following the exercises by the Mothers' Club. This morning the mothers decorated the stage in the auditorium in accordance with their custom of past years of providing appropriate setting and atmosphere for the evening's event.

## G. O. P. in 14th District Honor Lincoln

Every Republican organization and Republican club in the fourteenth Congressional District has joined in complete harmony as one single unit in sponsoring a Lincoln Day Dinner in honor of the birthday of the greatest Republican of all time.

At a meeting of Republicans held at the Savarine Hotel, a resolution offered by Peter J. Drexelius, member of the State Central Committee was adopted calling upon all Republicans in the Fourteenth District to attend a Lincoln Day Dinner to be held February 12 in honor of Abraham Lincoln's birthday and for the purpose of formulating plans to perpetuate the party of which he was the first standard bearer.

The Lincoln Day Dinner committee, headed by Ralph H. Kirby as chairman, Mrs. Edwin Kriehoff as co-chairman and Mrs. Frederick Bird as secretary, are completing plans for the largest get-together of Republicans in the Fourteenth District has known. Every Republican organization in the district is represented on the various committees assisting the chosen officers.

The dinner will be held at the Savarine Hotel, 1311 E. Jefferson on February 12 at 8:30 per plate. Arrangements for a party will be made for guests.

Speakers' committee: O. Z. Ide, Peter J. Drexelius and George A. Nicholson. Reception committee: Mrs. Frederick T. Murphy, Mrs. Dudley C. Hay, Mrs. A. W. Humphrey, Mrs. Frederick Bird, Mrs. Thomas Lawrence, Mrs. Walter S. Conley, Mrs. J. B. Book, Mrs. Charles V. Warren, Mrs. Hazel Moran, Mrs. Mary Calcaterra, Mrs. Marie O'Connor, Mrs. Katherine Rex, Dr. R. P. Cranson, A. L. VanWanseele. (Continued on Page Two)

## Joe's Village Shop Grand Opening Sat.

"Hear Ye, Hear Ye," called the town crier of old, as he set forth with the children at his heels, to convey to the citizens the latest news of the day. The town crier is no more, but were he with us today we can imagine the commotion in the ranks of the children (and young-ish oldsters as well) as he'd lustily shout "Hear Ye, Hear Ye, Joe's Village Shop has Grand Opening next Saturday. Come one, come all! There's a good news in sight!"

For the grand news is out. Children and oldsters may again go to Joe's. And what a store it is now! Large, roomy, comfortable, commodious, convenient. These are just a few of the adjectives which describe the new Joe's Village Shop. The stock is all new—Toys, playthings, novelties, bridge prizes—and all the paraphernalia of a complete gift shop, displayed well and tastefully by Joe's master-hand.

But—see for yourself next Saturday (the date's February 3). There will be gifts for the ladies, and for children accompanied by an adult. And toy balloons for all the youngsters. Oh, yes, the location? 16101 Mack at Devonshire. Just a few moments by car or by bike. "Look for the sign of the Tin Soldier."

Mr. and Mrs. Anthony Manardo (Virginia Charvat) of Notre Dame announce the birth of a son, Richard Anthony, on January 26. The baby is the great, grand grandson of Mrs. Gabriel Chiera of Notre Dame, Grosse Pointe.

## F. B. I. Representative To Speak Here

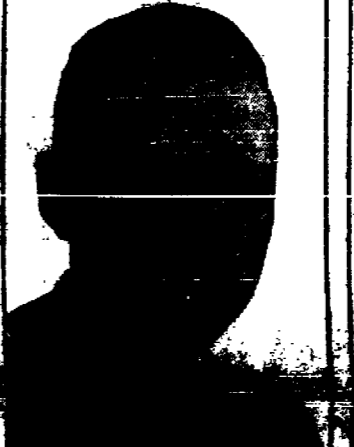

On February 5 John Burgas, representative of the Federal Bureau of Investigation will speak to the Southeastern Woman's Club. The subject will be "Interesting Features of FBI activity." He will gladly answer any questions the members may care to ask.

On Wednesday, February 7, at 1 o'clock Mrs. Wm. Krutzmar of 631 Pemberton Road, with Mrs. Alfred Robinson as co-hostess, will entertain the Southeastern members at a musical tea.

## George Flanders Announces Candidacy

George, as he is known to his many friends in Grosse Pointe Park, is a candidate for the office of commissioner at the coming election, February 13.

Economy, efficiency and co-operation in the village government resulting in an administration by the people and for all of the people, plus a complete statement, financial and otherwise,

showing a true picture of village affairs, is part of the platform George Flanders is pledged to support.

He is an experienced business man, graduated from college in law, served with the U. S. Marine Corps during the World War, is a Legion member and has been a resident, property owner and taxpayer of Grosse Pointe Park for the past 12 years, and has always taken a keen interest in village affairs. His decision to become a candidate was influenced by his friends and a sincere desire to serve his community.

## Lutheran Mission First Service Feb. 4

The first service of a new Lutheran mission for two Grosse Pointe communities will be held on the coming Sunday, February 4, at 11 o'clock in the morning. This service will take place in the beautiful library of the Grosse Pointe High School, where services will also be held each Sunday morning after this. The sermon in the opening service will be delivered by Rev. H. A. Burandt, executive secretary of the mission board of the English district of the Missouri synod, which is sponsoring the new mission.

Messiah Lutheran Church, at Kercheval and Lakewood, has a considerable number of members living in the City of Grosse Pointe and Grosse Pointe Farms, the communities to be served by the new mission. This church sometime ago called attention of the mission board to Grosse Pointe as a prospective mission-field and the mission board subsequently made arrangements for the use of the High School library as a temporary place for holding services. A permanent place of worship will be determined on later.

After next Sunday, services will be conducted by Rev. Wilbert Burmeister, who is also doing mission work in Grosse Pointe Woods (Lochmoor). At the present time no announcement can be made as to the organization of a Sunday school in connection with this mission, but it is believed that the first session of a Sunday school will be held in the near future.

Language Spoken in Afghanistan The language spoken in Afghanistan is Pashto or Pakhto (there are several other pronunciations in various tribes). It is a Hindu-Peric language written in Arabic characters, with three letters peculiar to Pashto. Persian is spoken by educated Afghans.

Golden Gloves at the Neighborhood Club, Monday, February 5, 7:30 p. m. The Detroit Free Press has again given the Neighborhood Club one of the main elimination boxing contests which promises all the thrills of the former show.

Mr. Brennan of the A.A.U. stated that he would see that the Grosse Pointe fans would not be disappointed with the performance next Monday evening.

There is a limited number of reserve seats, so those desiring reserved seats call ML 4688.

## Grosse Pointe vs. Fordson Friday Night

Grosse Pointe vs. Fordson means a battle. These two teams will fight it out Friday night at the High School Gym. A great deal of interest is attached to this battle because of the exceptional importance of the outcome which means practically a league championship.

## Rabaut Nominates Pointers for Annapolis

Rep. Louis C. Rabaut (Dem.) of Detroit, today, after receiving the results of a competitive examination, held by the U. S. Civil Service Commission in October, 1939, nominated Basil Duffield Skaymaker of 1419 Kensington Road, Grosse Pointe, for appointment to the U. S. Naval Academy at Annapolis.

Mr. Skaymaker is a graduate of the Grosse Pointe High School and is now attending Albion College.

As alternate to Mr. Skaymaker Congressman Rabaut nominated Thomas Edmund Caulter, 637 Howard Street, Grosse Pointe, Detroit.

## Prove Efficiency

On Wednesday evening, January 24, about 6:55 o'clock, the Grosse Pointe Park fire department received a call to the home of A. P. Willis at 809 Grand Marais Road. The fire was caused by a defective oil burner, and when the fire department arrived the flames had already traveled from the basement to the attic and were breaking through the roof. Thanks to the efficient work of the firemen, the fire was brought under control in a very short time, with a small fire loss and no damage from water.

## Francis D. Cooley Explains Program

My community neighbors: It is my desire, if elected your president, to carry out the following program of office:

1. To apply sound business principles in governmental administration and affairs.
  2. To effect rigid economy in governmental operations.
  3. To install a pay-as-you-go plan in governmental functions and operations.
  4. To obtain a full measure of department co-ordination and co-operation.
  5. To eliminate individualism and the centralization of power.
  6. To inaugurate a governmental administration consistent with the needs of the community.
  7. To secure the fullest returns for every tax dollar expended.
  8. And above all to conduct the affairs of office for the benefit of the entire community.
- These policies, in my opinion, if strictly adhered to will in time produce a very substantial tax reduction. I can see no reason why our community government cannot be operated on sound business principles and will make it my primary objective of office to carry out the above program in its entirety. My neighbors, these things I promise to do, and with community co-operation, success of accomplishment shall be attained.

TREND OF EVENTS

(Continued from Page One)

aviation will come right after Italy's by next spring. Her army is already largely mechanized, and with the reported 600,000 French troops and the support of the combined armed forces of the Balkan Entente, Rumania can well afford to view the situation gravely, but with no alarm.

Hitler is reported to be studying his foes on the western front very carefully. He also is scrutinizing his potential foes.

If the looks of London and Paris spell a determination to block him in the Balkans, he will probably hesitate for a while. And, his trade agreement with Rumania will remain that, and no more. But, if on the other hand, he detects the slightest wavering, he will interpret this as another possibility of pushing ahead without serious risks or consequences for the Third Reich. He then will throw a large part of Germany's fighting forces in an effort to overrun Rumania like he did Poland.

That is, provided the Allies do not beat the Nazis to it and attack them from all sides. The Balkans included by springtime. This possibility is not dismissed in Berlin. Officials are said to be viewing it with the gravest concern. In this case, Germany would fall in the trap she has so elaborately prepared for Rumania.

This is exactly what the Rumanians hope. As for the Russians, they already are too busy with the Finns.

The Rumanians are fully aware that if Hitler has so far contented himself with a purely nominal success in his dealings with them, it is not because of sentimental reasons, but merely because he felt Rumania would only add to his troubles. For, it is known that the Germans have been unable to consolidate their gains in Bohemia and Moravia; nor have they done any better in Poland. Even more pliant Slovakia, where the clergy favors submission to the conqueror, the Nazis have been having trouble.

Another reason why Germany's commercial treaty with Rumania is likely to remain ineffective as a political instrument is that a large part of the kingdom's extensive natural resources are controlled by an association of Americas, French and British capital. There was plenty of room for German interests in the great oil fields of the Prubova Valley, or the exploitation of the rich mineral deposits and the silviculture of the land, before the war. But now the three associates are strongly determined to keep Germany out.

And, they most likely will, so long as the Rumanians are of this same opinion.

Detroit Garden Center

The Detroit Garden Center will hold a timely meeting on Thursday, February 5, at 8 p. m. at the Neighborhood Club, 12145 Waterloo avenue. A very extensive collection of catalogues will be shown and discussed so that gardeners may know at which different seed houses or nurseries their general and special needs may be found. When the Garden Center is often asked to locate some special seeds or plants it is not unusual to have to look through 20 to 30 catalogues to find it so, it is helpful for gardeners to know where to find any kind of seed or plants.

Mrs. Horace B. Peabody, president of the Garden Center, will conduct this meeting with the help of Mrs. George I. Boston, who will give the best places to buy primrose seed; Mr. Arthur Laukel on sources for delphinium seed; Mr. Tom Pearson for herb plants and seeds, while Mrs. Peabody, herself, will give a list of Iris catalogues. Everyone is invited to bring catalogues which they have found useful and enter into the discussion. This discussion is free and open to the public.

'M' Professor Appointed American Youth Com.

Prof. Howard Y. McClusky, of the University of Michigan School of Education, has been appointed associate director of the American Youth Commission, an organization sponsored by the Rockefeller Foundation, which is making a five-year study of American youth from the ages of 14 to 25.

Problems of employment, recreation, family life and social development are being studied by the commission. Michigan, which has already made considerable progress in the study of such problems, has been selected as a major demonstration field for this research.

Professor McClusky, who has been

granted a year's leave of absence to accept the position, has been associated with the University of Michigan program of adult education under the direction of Dr. James D. Bruce, vice-president of the university, for the past two years and has been teaching in the School of Education since 1924. The nature of the new work of the American Youth Commission will enable him to keep in touch with the progress of the community approach plan to adult education already begun in Michigan.

A coveted honor, the Alfred Noble prize for 1939, has been awarded to a University of Michigan alumnus, C. E. Shannon, a graduate of the College of Engineering in 1936. The prize is awarded each year for the best technical paper presented by an engineer.

### Economy Group Endorses Candidates For Park Election

(Continued from Page One)

a year, the Economy Committee points out further that the City of Grosse Pointe has had no difficulty in securing capable men to hold public office at compensation of only \$1 yearly, plus the honor and satisfaction of serving the public of their community.

Pledged to support this program of \$1 yearly salaries, combined with the Village Manager Plan, are these candidates endorsed by the Economy Committee:

"John W. Chandler, successful protagonist of the widening of Woodward Avenue, nationally credited with the

achievement of this undertaking was announced as the candidate for Village President.

Homer C. Fritsch, assistant to the President of Parke, Davis & Company; Thomas T. Petzold, merchandise manager of the J. L. Hudson Company, and Ward S. Van Deusen, prominent realtor, and past president of the Detroit Real Estate Board, are announced as candidates to fill the three vacancies on the Village Commission.

John W. Chandler, candidate for Village President, is widely known as an expert in tax matters.

Recently he represented the property owners in the area bounded by Adams Avenue, Brush Street, Grand Boulevard and Third Avenue and carried their claims before the Michigan State Tax Commission, where a favorable de-

cision of this body reduced tax in this area by more than six million dollars, reductions which stand for three years.

A life insurance underwriter, Chandler is secretary and general manager of the Woodward Avenue Association, and the Central District Protective Association. He is president of the Art Center Apartments, and a consultant director of the Rental Credit Service.

Chandler, who lives at 833 Lakepointe avenue, was born 47 years ago in Wabash, Indiana.

He came to Detroit in 1914, served as a reporter for the Detroit Free Press for seven and a half years, and was exposed to close contact with the workings of government in a large community.

His war record is an enviable one. He volunteered at the outbreak of the war, was commissioned a captain, and went over-seas in December, 1918. He was promoted to the rank of major in 1918, and honorably discharged with this rank in 1919.

He served one term by appointment as a member of the Wayne County Board of Supervisors.

He is married, and has three children. Prominent industrialists and business men have endorsed his candidacy.

Because most of Mr. Chandler's business life has been spent in Detroit the Economy Committee asked William P. Lovett, Executive Secretary of the Detroit Citizens League, and exponent of good government, for his opinion of Mr. Chandler's qualifications. Mr. Lovett told the committee that Grosse Pointe Park would be fortunate to have Chandler run for Village President, and that its governmental problems would be half solved with his election.

Fritsch, who lives at 742 Berkshire Road, is 45 years old.

He was born in Piqua, Ohio, and was graduated from Ohio State University in 1916. The same year he came to Detroit as an analytical chemist for Parke, Davis & Company.

Working his way through the various departments, as superintendent of manufacture, and as general superintendent Fritsch finally was chosen assistant to the president. He has traveled extensively in foreign countries for the company, and is generally recognized as an authority in drug manufacture.

During the war, he served as manager of the Parke, Davis chemical department.

Petzold lives at 1022 Buckingham Rd. and is 39 years old.

He is a native Detroit, a graduate of Georgetown University, and the Harvard Graduate School of Business Administration.

A nephew of William B. Thompson, former Detroit mayor, Petzold is the son of William A. Petzold. A capable young business man, Petzold is the youngest of the candidates drafted by the Economy Committee.

Ward S. Van Deusen, who lives at 1147 Yorkshire Road, is 55 years old. He was born in Ovid, Michigan; attended Detroit College of Law, and the University of Southern California. Mr. Van Deusen saw service during the World War, as a second lieutenant, having been trained at the Central Officers Training Camp. He has just completed a term as president of the Detroit Real Estate Board.

All sales will open in the office of the county treasurer, and if such office is not suitable to hold the sale, it will then adjourn to such other location as may be selected.

In counties where the sale may continue over a period of time, a calendar showing the descriptions to be offered each day will be prepared and posted at the place of sale. This will make it possible for those interested in bidding on a certain parcel to know what day it will be offered.

### Seven Seniors Elected To Quill and Scroll

In recognition of outstanding work in Grosse Pointe High School's three student publications, seven seniors were elected to membership in Quill and Scroll, international honorary society for high school journalists, and were presented with their pins in assembly Tuesday.

For the excellence of their work on the Tower staff, Sue Stephenson, Patsy Gehlert, Betty Keydel, Dick Bodycombe and Dorothy Treadwell were chosen. Dorothy has contributed to Proem as have Marjorie Kaufmann and Alfred Fitt, the other two to be honored. Marjorie Kaufmann is editor of Proem. Alfred, too, has the distinction of being the only one from the View Pointe staff to be nominated.

All candidates must measure up to the six qualifications required for admittance into the society. First, they must be a staff member of one of Grosse Pointe High School's three publications. Next, they must be in the 12A. A ranking in the upper third of the class is required at time of election, and they must have done superior work in writing and editing.

### European Dancers Held at Royale

Whirling through their second week of dance magic at the Club Royale are Capella and Beatrice, Europe's foremost exponents of ballroom dancing, making their second American appearance here. The pair recently arrived in this country from Oslo, Norway, where they were forced to wait five weeks for passage, and are on their way to Hollywood where they will fill an engagement at Earl Carroll's theater restaurant. Last year Capella and Beatrice appeared three times at London's famous Savoy restaurant, and were featured at Les Ambassadeurs in Paris.

Three charming maids of music are the Tanner Sisters, Mickey, Martha, and Betty, who came directly from the Biltmore Hotel in New York City, where they were featured for several months with George Olsen's orchestra.

### Pointe Camera Club Meets Tuesday

The annual meeting of the Grosse Pointe Camera Club will be held Tuesday, February 6, in room 114, Grosse Pointe High School. The business of the meeting is the election of officers for the next year and adoption of a constitution and by-laws.

The assignment for the monthly print contest is snow pictures. Dr. Marianne Freder will present the print criticism.

Present membership of the club is 68.

**Public Auction Sale**

of State-owned properties starting Feb. 13, 1940 at 9 A.M. . . . at the office of . . . The County Treasurer

THESE properties are those which were tax-delinquent, bid into the State at the May, 1938 tax sale and reverted to the State on Nov. 3, 1939, and are now under the jurisdiction of the State Land Office Board.

Such properties will be offered for sale to the highest bidder at a Public Auction which will open February 13, 1940 at 9:00 A.M. at the office of the County Treasurer. To be accepted bids must be not less than 25% of the 1938 assessed valuation.

If you were an owner in fee, mortgagee, land-contract vendee, or had a substantial interest by way of actual investment in any of said properties, you may bid at this sale or meet the bid of any other bidder, according to the provisions of Act No. 155, P.A. 1937, as Amended.

You may also, upon application to the State Land Office Board, enter into an agreement to pay the sum required in monthly installments, on such terms as the Board may provide.

Bids of all other persons shall be accepted only when payment is made in cash within 24 hours of the bid.

Ask your County Treasurer for explanatory pamphlet and lists of properties to be offered.

The sale of properties located in Wayne County will open at the office of Wayne County Treasurer, Detroit, Michigan.

less than \$25. The balance of the contract may be paid in monthly installments of not less than \$5 per month; all contracts to be paid in full in a period not exceeding 10 years.

The unpaid balance of the principal will draw 6 per cent interest, and the amount of the interest, will be included with the installments to be paid. In Mr. Lock's opinion, this liberal arrangement should enable practically every owner to repurchase his property.

Lists of descriptions of properties to be offered for sale are now available at the offices of the county treasurers. Detailed information regarding the procedure to be followed in bidding at the auction sale is likewise available at these offices, and it is suggested that all those who are interested in the sale should secure this information promptly.

# VOTE FOR these Economy Candidates

For **VILLAGE PRESIDENT: John W. Chandler**  
For **COMMISSIONERS: Homer C. Fritsch, Thos. T. Petzold and Ward S. Van Deusen**

## VILLAGE PRIMARY ELECTION Tuesday, Feb. 13

Here is the chance you have been waiting for—the chance to put business men in office to achieve a business-like administration.

**These men are pledged to accept \$1.00 a year salaries and use the savings to hire a capable, Full-time Village Manager**

These four candidates are pledged in advance to serve you as officers of your Village government at \$1 a year. They will resurrect a dormant Village Charter provision which provides for the appointment of a full-time, trained expert in village management to serve you as the watchdog of your treasury and to supervise your vital functions of government. The President appoints the Village Manager with the approval of the Commission.

It is pointed out that the present pay of the Village President and Village Commissioners is obviously not sufficient to secure the full-time services of capable men to serve in office. Yet taken together, these salaries would secure the services of an experienced Village Manager, who would spend his full time handling the routine administrative work of the village, acting under the close direction of the council who would determine all matters of policy. From experience of 495 cities now operating under the "City Manager Plan," improved service to residents and reduced costs are reported in an overwhelming majority of these communities.

These are your neighbors . . . business men . . . busy men with the capacity to give you a business-like administration.

Read their record in our pamphlet, and elsewhere in this issue.

They will campaign for the adoption of a Charter amendment to provide for the payment of \$1 a year to the President and Commissioners in lieu of present salaries of \$720 and \$400 a year, respectively.

## VOTE! CUT YOUR MOUNTING TAX BURDEN

The Economy Committee for Good Government is a group of your neighbors which has undertaken, to draft these representative candidates. Do your part by voting for them at the Primary Election, Tuesday, February 13, 1940.

Standings of Neighborhood Club Senior Basketball League: Team, W. L. Pct. Eastminister 5 0 1.000, Comets 4 1 .800, Indians 3 2 .600, Fifteen Club 3 3 .500, Saints 2 3 .400, Arrows 2 3 .400, Rangers 1 4 .200, Essex 1 5 .167

Eastminister still leads the pack with five victories against no defeats after taking a thriller from the second-place Comets, 46-32. Leading by two points with three minutes to play Eastminister staged a scoring spree and submerged with a 14-point win. Little "Elmer" Schram; (as he is known by the fans) put on a one-man show and topped the scorers with 18 points on eight field goals and two charity tosses. "Drew" Eggleston (better known for his superior golfing talent), a team mate of Schram's, connected for four hoops and a foul toss for nine points. "Jim" Kennedy, former St. Ambrose cager, was high for the losers with seven points.

The Comets realizing that the last three minutes of any game is just as important as the first three, managed to hand the Fifteen Club a 34-25 setback. After losing their first game of the season to Eastminister as a result of "lagging" in the last few minutes, the ex-St. Ambrose cagers duplicated Eastminister policy and scored eight points in rapid order while "15" Club was collecting one. Harvey Pierce, former all-city forward from Southeastern, and Bill Nutton each gathered seven points for the winners. Don Morrison, forward of the Fifteen Club, took scoring honors for the evening with three field goals and two fouls for eight points.

The Saints A. C. played both good and bad basketball during the last week in winning a very ragged and rough game from Essex, 33-31, and losing a thriller to the Arrows 29-26. The Saints led throughout three quarters and in the middle of the fourth quarter, Gordy LaRue, was dismissed from the game via the foul route after scoring over half his team points on seven field goals and two foul tosses for 16 points. At this point the Saints were leading by five points with four minutes to play. It was Toepel who took things into his own hands and scored six points in the short time of two minutes, to put his team (Arrows) ahead by one point. A few seconds later Savage hooped one to sew up the game for the Arrows.

The Saints-Essex game proved to be the worst exhibition of basketball seen at the "club" in a number of years. A total of 40 personal fouls was called and other 40 committed that wasn't called. The game ended with Essex having two men left in the game. The score was tied at 31-all with 15 seconds to play when Roger Kaltz connected with a "dog" shot that won the game for the Saints 33-31. Bob Mitchell, former Detroit Tech star, took high point honors with 15 points. Kaltz and Locke were high for the Saints with 11 and 10 points respectively.

The Reds are in first place in the Midget League with two victories and no defeats. Their latest victim was the Boys' Club, who they defeated Saturday, scoring 33-21. Bill Mesimer was the star of this game, scoring 14 points on seven baskets. The Neighborhood Club Stars won their first game when they conquered the Yankees 29-20. Although his team lost, "Jeep" Del Barbo scored 15 points for his mates. Dougherty and "Toko" Lisabeth topped the scoring for the winners with 12 and 11 points respectively.

Grosse Pointe Lutheran—"Journeying with Jesus To Jerusalem," will be the subject of the sermon at the Grosse Pointe Lutheran Church, worshipping in the Richard School auditorium, Kercheval and McKinley, Sunday morning, February 4th, at 11 o'clock, preached by the Rev. "Holding Life Sacred" will be the topic taught in the upper grades of the Sunday School at 9:45 a. m., where we have classes for all grades and ages. Lent begins February 7th. We cordially invite you to attend our special Lenten services every Sunday morning at 11 o'clock.

D. A. R. Plan St. Patrick's Party—Preparations for a St. Patrick's party, including a benefit bridge tea and fashion clinic to be sponsored by the juniors of the Louisa St. Clair Chapter, Daughters of the American Revolution, will begin this week when

Mrs. Wayne F. Glock, Grand Marais Boulevard, entertains the committee members Thursday at a luncheon in her home. California pottery, gay printed linens and a yellow centerpiece will be used on the luncheon table. Mrs. Glock, chairman, announces Friday, March 15, at Newberry House as the date and place for the party, with Mrs. Hansel Dwight Wilson, junior president, assisting with general arrangements.

Mrs. Hugh McComb will have charge of bridge tables and Mrs. Leroy Vandever of table prizes. Mrs. Charles C. Andrews will direct the fashion clinic at which Mary Gray will demonstrate color combinations and accessories for spring. Mrs. Roy DeHart will supervise the tea table and Mrs. Humphreys Spring-stun the door prizes.

HORTICULTURAL SOCIETY TO OLD MEETING TONIGHT

The Grosse Pointe and Eastern Michigan Horticultural Society will hold their regular meeting February 1, at the Neighborhood Club, St. Clair and Waterloo avenues, Grosse Pointe. The speaker of the meeting will be Gordon Morrison of the Ferry Morse Seed Company. The subject will be "Recent Development in Flower Breeding." We are sure this will be a very interesting as well as educational lecture and urge you to come and bring your friends.

The course which is designed for young people desiring to unite with the church will continue with weekly meetings through April 6. Sunday, February 11—The sacrament of the Lord's Supper will be celebrated and new members will be received. The second annual father and son banquet will be held on Thursday evening, February 15, at 6:30 o'clock. Reservations limited to 250 plates. Dr. Paul H. Buchholz, executive secretary of the Presbytery of Detroit, will be the guest speaker at the morning service on February 25. Interest in the program carried on by the Grosse Pointe Woods Presbyterian Church continues to increase. On October 23, 1938, the first church service was held. The average attendance for the following 10 Sundays was 89 at the church service and 112 in the Sunday school. The average attendance for the corresponding 10 Sundays of this church year was 151 at the Church service and 150 in the Sunday school. Services are held regularly in the attractively arranged auditorium of Mason School on Vernier Road. Individuals not worshipping regularly elsewhere are cordially invited to make the Grosse Pointe Woods Presbyterian Church their church home. "Come Ye Apart and Rest Awhile."

Richard P. T. A.—The Richard School Parent-Teacher Association meets on Tuesday evening, February 6, at 8 p. m. The speaker will be Paul Rankin of the research department of the Detroit schools. He will discuss the radio. There will be a brief concert by the Richard band and chorus. Parents will visit the classrooms at 7:30. It is hoped the attendance will be as large as it has been for the last two meetings when 225 and 300 were in attendance. A class in advanced cooking is being organized at Richard School, beginning Wednesday, February 7, at 1 p. m.

Tax Collection Costs At Lowest Level—The annual report of the chain store tax division reveals the cost of collecting the chain store tax reached its lowest level in 1939, Harry F. Kelly, Secretary of State, announced today. Michigan collected \$604,152.00 at a collection cost of two and one-half per cent. The legislature appropriated \$15,000 for the administration of this division per year, including total inspection and collection costs. The report

shows that Indiana, which has a similar law, required more than ten per cent of its total revenue for enforcement cost. Comparison with 12 other states shows Michigan collections as the lowest ratio. Enforcement of the chain tax law, as reported, indicates the truth of Kelly's statement that many chain store operators had been evading the tax. One hundred and seventy-eight such companies were added to the tax list for the first time during the past year, the report revealed. The Michigan chain store tax law was enacted by the 1933 legislature at a time when many other states enacted similar laws. The 1935 and 1937 legislatures defeated proposals to increase the tax. No bills of that nature were introduced during the 1939 session. Proceeds from the collection of chain store taxes in Michigan go into the general fund of the state, nearly 60 per cent of which are used for educational purposes.

"Artillery of Time" by Chard P. Smith. This is an exciting novel of life in a small Yankee town about 1860. Against the background of farm life and the Civil War runs the story of two handsome brothers.

"Lyric Laughter," by Arthur Guiterman. The author has collected his old and new poems in this one volume and you will find that each poem is delightful and pleasant.

"Live and Kicking Ned," by John Masefield. If you are one of the host of readers who has been clamoring for the continuation of the adventures of "Dead Ned" you will find this second volume equally exciting.

A fascinating autobiography of his many years at sea in the U. S. Navy with descriptions of his trips on old wooden sailing vessels and even gold hunting in the China Seas.

"Southern Accent!"

THIS COIF practically has a draw... it is copied so closely from the Scarlett O'Hara era, yet it's modernized enough to make it perfect for busy Southern vacationing. You'll simply adore it, whether you are North or South!
