

Grosse Exaggerations?

By A. PRYOR

Confucius say: Man who want heat, go south.
Pryor say: Confucius clazy!

We like that 'crack' of Bob Hope's, to wit: "Bing Crosby must buy his horses from Russia because they never get over the finish line." An wit. And speaking of the Finnish line, we saw

and heard H. V. (dots and dashes) Kaltenborn, at the Blue and White ball given at the Everglades Club for Finland relief. Under the expert guidance of Hugh Dillman, the longish entrance to the Club was decorated to represent a scene in Finland. There were snow banks and tall trees, silvery-white with snow and ice; here and there, a black bear abiding at an icy berry bush—but not a Russian in sight. The tables were decorated in blue celophane with white vegetable centerpieces. All the ladies wore white or blue gowns, augmented by sapphires and diamonds, (if you'll pardon the expression.) The tent-like awning which overhung the outdoor dance floor, (in case of you-know-what), was festooned and balaconed in the blue and white Finland colors. Mr. Kaltenborn proved to be more amusing than we suspected and we liked the fact that he commented on his Germanic appearance. He doesn't look a bit like the man who's voice you listen to—or maybe you don't.

Stop us if it bores you to hear that Countess Hangwitz Reventlow, (who will become plain Mrs. Sweeney sometime this month), was the most attractive woman on the dance floor, making most of the upper-bracket females look like the nickles and dimes from which the...

...parts of new gathering, is the fact that we can slither in and out of the night spots without being the cynosure of anybody's eye, unless it be the waiter's. It's amusing to see the different types of people, whom we have learned to pigeon hole into four classes. If you find yourself in doubt, you have only to watch the 'Captain', who has a different flourish of the mens for each class. Number one is the tourist type; the women usually fat, forty and eye-glassed; the men, timid looking and too pale or too sun-red. They invariably have the look that people have who are visiting a zoo for the first time. Number two, are the bored natives who have to show the visiting firemen a 'good time'. Number three is the social group, which is divided into two classes: Those who go out night after night, to be seen and who adore being 'shot' by Jerome Zerbe, Cafe photographer; and those who would rather be shot by a cannon than by Zerbe. But it's all in the spirit of fun—especially if you're half-shot by Johnny Walker.

We just learned that the Algonquin Hotel in New York has added a Night Club called, the "Don't Look Now" room. They couldn't have chosen a more appropriate name, since the Algonquin teems with more 'hodge-worothy' people, than any spot in New York. We can remember way back to our romper days, when we used to roll our hoop through the lobby, just to get a look at all the celebs.

And speaking of the latter, the great Garbo has been SEEN here, by your Florida correspondent. As one columnist expresses it, "You can see all the Vanastorbits you like, for peanuts, but a sight of Garbo is a real 'collector's item.'" We happened to be in a shop on Worth Avenue, (steam heated), when we spied Dr. Hauser sauntering along the street, wearing a white turtle-neck sweater and a furtive look. We knew that like the pointer he would lead us to the bird, so determined and unabashed, we followed him. After a rather circuitous route, he headed for his car and just as we thought, Greta was in it. She was slumped glomourously in a corner of the back seat, so all we could see were a large, floppy, straw hat and the Garbo jaw, flanked by straight blondish hair. By the time we'd arrived, a crowd had gathered around the car—some, bold enough to squat on their haunches to try to peer underneath her hat. It was a pretty fantastic performance and probably one of the reasons the poor gal tries to be elusive.

Garden Center Lecture At Neighborhood Mon.

On Monday, February 19th, at the Neighborhood Club, 17145 Waterloo Ave. at 8 p. m. the Detroit Garden Center will present a lecture with colored slides called "Color in the Garden Year Around" prepared by the Mass. Horticultural Society to give gardeners ideas about unfamiliar material which can be used in this locality (plants hardy in Massachusetts will be so here). This lecture is being given today, Thursday at Alger House and being repeated at the Neighborhood Club so that the gardeners not able to come in the afternoon may have the opportunity of seeing these very beautiful slides with the helpful lecture.

The meeting will be in charge of Mrs. George I. Bouton, director of the Garden Center who will read the lecture.

All the lectures or talks given by the Garden Center are free and open to the public.

Grosse Pointe Farms Property Assn. News

Led by officers of the Grosse Pointe Farms Property Owners Association, citizens of all five communities in Grosse Pointe Township, who were shocked into a realization of the need for studying the basic causes for increased costs of local government by the shary upward revision of their property assessments last fall, will meet Monday night, Feb. 19th, in the Grosse Pointe High School auditorium to hear a report of a special investigating committee of fifteen.

The investigating committee is concentrating its first report on costs of education and the school board's operations. Later reports will widen the inquiry into all phases of government, village, township, and County, inasmuch as taxpayers' leaders have been by no means satisfied with past explanations from office holders, as to the proportion of increase in taxes which they have been called upon to assume.

Public Land Sale Underway in Detroit

Farms Voters Return Incumbents

Grosse Pointe Farms voters went to the polls Tuesday in the primary election and cast a majority of ballots for the present office holders.

President Paul H. Deming received over a 400-vote lead, as did William K. Muir, trustee.

Harry A. Furton, Walter Champine and Cy L. Lerchenfeld were opposed in their race for office.

In the vote for the two-year trusteeships, John R. Sutton Jr., Joseph W. Sney and LeRoy May were far in the lead of Ben H. Cole, John H. Flancher and Raymond C. Moore. Thomas A. Jacques and Henry G. Horner received the smallest number of ballots and were eliminated.

As in the Park, the final election will be held March 11.

The official results were:

For President	
Paul H. Deming	563
Charles W. Babcock	160
For Trustees	
William K. Muir	486
David G. Williams	462

Coast Guard Station To Be On Belle Isle

The \$300,000 Coast Guard station, originally proposed for construction on Windmill Point at the foot of Alter Road, has tentatively been shifted to a site on the south side of Belle Isle, adjacent to the present location of the island light station.

This scheduled government expenditure caused considerable publicity in the Detroit newspapers early last week, when the officials of Grosse Pointe Park and the City of Detroit clashed over the original terms of the proposal.

After an extensive survey, the government officials announced that the spot where Lake St. Clair empties into the Detroit River would be the most useful site for such a construction. Coast Guard officials suggested that Grosse Pointe Park give the government 260 feet of frontage, but since the municipal's bathing beach occupies this land, such a scheme is impossible.

Alfred J. Garska, president of the Park explained, "We paid \$400 a foot for that frontage in 1930. They want to build a breakwater for a harbor, and buildings and boat slips. Such a breakwater would create a dead corner and we fear it would stagnate water that would harm our bathing beach."

Lieutenant-Commander D. A. Chase, USGG, of Cleveland suggested that the City of Detroit deed the land at the foot of Alter Road to the U. S. government. Members of the Detroit City Engineer's staff announced that it was also impossible to give up this section because of a previous agreement with the Moran family. They said, "This property was deeded by the Moran family to the Federal government, and by the Federal government to the City of Detroit for highway purposes only, and if it is ever used for any other purpose it will revert to the Moran family."

U. S. Farm Layout

The department of agriculture estimates that it will all the land in the United States were laid out in the proportions of a 100 acre field, there would be 19 acres of tillable fields, 37 acres of pasture land, 12 acres of woodland and about 12 acres of waste land or land used for building sites, roads, etc.

Steamer Urges Auto Buyers to Take Advantage of February Sales

Alfred F. Steiner of Alfred F. Steiner Co., 1609 Mack avenue, Ford dealers, in a statement given out this week urges the public to give serious consideration to the advantages of buying used cars in February. "This is the month, of all months in the year," said Mr. Steiner, "when used car stocks are largest and there are available good selections of late model cars. Many of the cars not only look new, but will give almost new-car performance. Many will be found equipped with heater, radio, or other extras." Better deals, lower prices, more late models. "These few words," said Mr. Steiner, "describe the used car market in February, before spring is more than a thought in most folks' minds."

RECORD VOTE CAST IN PARK PRIMARIES

In the largest vote recorded in the history of Grosse Pointe Park, voters swarmed to the polls Tuesday for the primary election and cast over 3,400 ballots.

Alfred J. Garska, incumbent President of the Park, was nose out by John W. Chandler, who led with a slim margin of only 164 votes. Garska, who has been prominent in municipal affairs for 22 years, held a small majority in Precinct No. 2, but fell behind in the polling in the First Precinct.

The voting of Precinct 2, which included all citizens north of Kercheval avenue, gave Garska a 63-vote lead, but Chandler overcame this margin in the heavy balloting held at the Municipal Building. This precinct, which covered all voters south of Kercheval, gave Chandler a 22-vote majority. Francis D. Cooley, the third candidate, received only 348 votes, and was automatically eliminated.

In the race for the three commissioners' posts the present office holders also ran second in a close result: Thomas T. Petzold, Ward S. Van Deusen and Homer C. Fritsch finished in the top three positions, while Louis A. DeHayes, William P. Shoemaker and John B. Rissand followed in that order. Flanders Applegate, Vincent and Carron, the other candidates, were eliminated.

The final election will be held on March 11.

The official results are:

For Village President	1st	2nd
John W. Chandler	1,022	539
Alfred J. Garska	794	612
Francis D. Cooley	285	143
For Village Commissioners	1st	2nd

Grosse Pointe Youth Gets Appointment

Appointment of James J. Meehan Jr., son of Mr. and Mrs. James J. Meehan, 362 Moran Road, Grosse Pointe Farms, as Flying Cadet in the U. S. Army Air Corps, was announced this week by Major R. D. Goodrich, Chief, Army Personnel Division. Meehan reported for training duty at Love Field, Dallas, Texas, February 12.

Meehan, a senior of the Commerce and Wabash College at the University of Detroit, was selected by the Army Board of Examiners out of a field of 15 men, who applied for examination at the University in Dec.

Adult Classes To Be At Maire School

Classes in the Maire School will be held on Friday, February 23rd from 7 to 9 p. m. in room 201. This will deal with the practical application of psychological principles to the problems of the adult individual in his relations with the members of his family and the community at large.

Beginning Friday, February 23rd from 12:30-2:30 in room 301 a course in dressmaking will be in charge of Mrs. Eckert. This course deals with professional finishes which give a garment a custom-made appearance including such features as zippers, tailored pockets, the manipulating of plaids and stripes and tailoring details.

It is not necessary to live in the Maire School district to enroll in one or both courses. The only charge is a fifty-cent registration fee. For further (NI 3073) or the Maire School (OU 2600).

High School Crippled By Short Circuit

Because of a short-circuit hidden in its vast complex electrical system, Grosse Pointe High School was seriously disabled last Friday and Saturday, for the first time since its construction.

At 3:30 p. m. Friday, all the lights in the building spotted and died out. Everything requiring electrical power, including the four clocks in the tower, was rendered useless.

Mr. Charles E. Seltzer, assistant principal, explained the cause of the accident. He stated that too many wires were crowded into one box at the time the school was built. He said that repairs arrived fifteen minutes after the transmitter had blown out, and worked until Saturday night restoring order.

The insulation was burned off many of the wires running under the halls, leaving a penetrating odor in the building. The majority of the damage was centered under the cafeteria where the 1 1/2" wires were scorched the most. An auxiliary wire was established and hooked to the pumps just in time to prevent the basement from flooding.

The electrically-stoked coal furnaces were started again late Saturday, after a layoff of over 24 hours, and school officials announced that the only damage suffered, other than that to the machinery, was the inconvenience of transferring the Saturday night basketball game to the Neighborhood Club.

Icy Pavements Cause Many Auto Wrecks

Twelve accidents were reported to the police departments of the City of Grosse Pointe, Grosse Pointe Park, and Grosse Pointe Farms during the slippery weather of last week-end which covered streets with a dangerous coating of ice.

The report of the City police showing two accidents near University Place and Mack Avenue. One motorist slid into a brick wall of the building at 177th Mack Thursday night, and did considerable damage. On Sunday night, another motorist lost control after the same corner and crashed into a brick wall and a garage.

Chief John J. of the Police, police showed that these were collisions caused in icy conditions during the week-end. Numerous fatalities were totaled and damaged when drivers mistook slippery roads for the icy "river" of the driving. The emergency property damage could have been avoided by the old "wax-on prevention" and a little caution.

Signum Etna Musical

The Signum Etna Musical Society will give a musical at the Grosse Pointe Memorial church Tuesday, Feb. 20, at 2:15 p. m. The program topic will be The Orchestra and the following students will appear on the program: Robert Ritschke, violin; Moray Mackay, trumpet; Robert Lawson, flute; Betty Ritschke, piano. Miss Louise Smith of Dearborn will contribute several harp solos.

The meeting will be held in the ladies' parlor after which tea will be served with Ethel Sutton and Dora Wilson pouring.

Hostesses: Louise Kramer and De-light Ross.

G. P. Camera Club

The Grosse Pointe Camera Club will meet Tuesday evening, February 20, at 8 o'clock at the Grosse Pointe High School. Newly elected officers of the club are Edward A. Ketterer, president; William A. Mann, vice-president; Philip O. Mulkey, secretary, and Stuart W. Reed, treasurer. Mr. Ketterer has appointed O. P. Eyre chairman of the program committee; Dr. C. J. Marinas, print chairman; Donald H. Horton, chairman of properties, and Mrs. J. A. Lafer, publicity.

Y. W. C. A.

Young men and girls who want to have fun together, make new friends, and cultivate new hobbies will find many opportunities open to them in the co-educational activities offered by the Detroit Y. W. C. A. this spring at Central and Highland Park branches.

For the sports-minded there's a mixed swimming on Friday evenings at Highland Park branch, and badminton play on Saturday evenings at Central branch. For those interested in taking up golf or in preparing for the outdoor season, lessons may be arranged with two professionals—Alex Phillips, formerly with the Grosse Isle and Oakland Hills clubs, and Edward P. Valentine of Brookfield. Special rates for couples are offered during the day and evening.

Two photography groups offer everything one would want to know about this interesting hobby from how to take good pictures to finishing and developing. Kenneth Kautz, former president of the Edison Camera Club, who is also active in the Seaside Club, leads the photography group at Highland Park branch on Monday evenings, and Wilbur E. Taylor who has been a camera enthusiast for many years, directs the group at Central branch on Thursdays.

First aid for couples who want to patch up their bridge is available in bridge classes and practice play. Both Grosse Pointe and Official Systems are used in Y. W. C. A. classes with Mrs. E. L. Joseph giving instruction at Highland Park branch, and Mrs. Harold H. C. Robinson at Central branch.

Grosse Pointe Runs Streak to Seven Games

By DICK BODYCOMBE
By winning two close games last week-end, Grosse Pointe High's basketball squad extended their winning streak to seven consecutive victories and leap-frogged over the stalled Fordson Tractors into complete control of first place in the Border Cities League standings.

The Blue Devils squeezed out a 28-25 victory over the desperate Mt. Clemens Bathers Friday evening, while Royal Oak's Acorns were drubbing Fordson 24-18. This loss was the Tractors' second straight and knocked them out of the deadlock with the Pointers for the league leadership.

A late Mt. Clemens scoring spurt brought the Bathers to within two points of a tie, but Grosse Pointe successfully defended this margin. Leading 27-14, near the end of the third quarter, the Blue Devils saw Mt. Clemens suddenly come to life and score 11 straight points. The Bathers vainly tried for the important two points, but the Devils held them off. Bob Siewert, giant Clemens center, spark-plugged, taking the ball off the backboard. Plus gaining possession of the ball, Siewert threw in five points during the all-important last quarter.

Gordon Tanner, Grosse Pointe's feature scoring threat, led the winners with ten big points. His running mate at forward, Adolf Neeme, fashioned nine points in his best game so far this season. Dependable Charlie Marzoff got his regular six points, and Tom Coulter, tall Devil center, added his share with a field goal and a foul shot.

Saturday night, the Pointers put on a scoring spree of their own, and downed a clever Lansing Eastern quintet 32-28. This game, originally scheduled for the high school but transferred to the Neighborhood Club because of the school's electrical breakdown, saw the Blue Devils erase a four-point Lansing lead in the last quarter and go ahead with a nine-point sprint.

On the short end of a 25-21 score at the end of the third quarter, Grosse Pointe's nine quick points gave them a 30-25 lead. Marzoff found the hoop with two one-handers, Coulter added a follow-up and a foul, and Tanner completed the streak with a one-handed push shot. Ejection of two Lansing players on the four foul rule proved the turning point of the contest. Rathburn, star center, was put out early in the third quarter and Clark, Eastern captain, followed in the last period.

for Grosse Pointe again with three field goals and four foul shots. Marzoff was close behind with three field goals and three free throws. Tom Coulter, Devil center, contributed seven points, while Neeme, Martin and Locke each hung up one basket.

An interested spectator at Saturday's festivities was John Baldwin, Royal Oak coach, who dropped in to gather a little useful information on his next opponents. Coach Baldwin was reluctant to pick the winner of next week's game, but he suggested that his boys weren't out of the picture yet.

Grosse Exaggerations

(Continued from Page One)
At a recent cocktail party we had the pleasure of meeting Inez Robb—and should anyone care to vox-pop us on the subject, we'd say that she is the most entertaining columnist of them all. Young, gray hair, keen blue eyes, and a quiet mien, her appearance belies some of the things she writes, such as that 'slap-stick' article on the pitfalls of New York, when Gov. Dickinson was denouncing it's wickedness. We'll swap tea columnist for one Inez Robb, anyday.

We've seen "Gone" and can add nothing to the laurels already heaped upon it's four hour and twenty minute head, except to say that anyone who misses it, ought to be arrested for contempt of Pryor's advice.

Just saw small patch of sunlight, so we'll leave you happy people, (with your radiators, oil burners and fire places), and see whether old Sol is on the level.

Rabaut Guides Economy Bill

Written and developed in large part under the guidance of a Michigan congressman, the 1941 appropriation bill for the Departments of State, Commerce, Justice and the Judiciary shows a decrease of nearly three and a half million dollars under the expenditures of the current year. The reduction, which won extensive praise on the floor of the House, was pointed to as all the more remarkable in that the bill this year had to provide for the extraordinary additional work imposed particularly upon the departments covered as the result of the war crisis.

Passed by the House of Representatives last Thursday (February 8) and now awaiting the action of the Senate, the measure was largely the work of Congressman Louis C. Rabaut, of the 14th Michigan Congressional District, who is senior majority member of the subcommittee on the subject of appropriations after conducting extended hearings since last December 4. Due to the illness of the committee chairman, Representative Rabaut presided over many of the hearings which brought before the committee many high Government officials including Secretary of State Cordell Hull, the then Attorney General Frank Murphy, and the then Solicitor General Robert H. Jackson, and J. Edgar Hoover, Director of the Federal Bureau of Investigation.

The bill, which appropriates \$107,379,000, reduces the budget estimates by \$2,285,010 and is \$3,442,859 under the appropriations for the current year. Nevertheless, practically all of the allotments for service functions show increases and the amount saved thus in no way reduces the efficiency of the departments involved, which are actually to be expanded in personnel and duties.

Congressman Rabaut was one of the four members of the subcommittee who inspected the embassies and other establishments of the Department of State in Europe last summer, being caught on their way to Berlin at the outbreak of hostilities. He is now serving his sixth year in Congress and is also chairman of the Legislative Establishment Appropriations Committee and a member of the subcommittee on District of Columbia appropriations.

Pointe Cagers Will Face Royal Oak

By DICK BODYCOMBE
Riding high in the saddle of first place, Grosse Pointe High's league-leading basketball squad will travel to Royal Oak next Friday evening and meet the stubborn Acorns, who are determined to dethrone the Blue Devils.

Royal Oak suffered three losses in their five Border Cities League tilts, but were cast in the role of "giant killers" last Friday night when they upset Fordson 24-18 and left Grosse Pointe in undisputed possession of the top spot.

Using a tight zone defense which its opponents have found hard to penetrate, the Acorns will have the added advantage of playing on their home court, the same spot the Grosse Pointers met defeat last year. In the first contest played between these two teams this year, the Blue Devils grabbed an early lead and coasted to a 23-13 win. Undaunted by the three digits in the loss column, Royal Oak rooters have adopted the saying, "mighty championships from little Acorns grow."

Record Players

By L. W. MOUNTFORD
Many people believe that the phonograph business ended in 1925, when electrical methods of engraving and reproducing were released for general use. The contrast between mechanical and electrical recordings at that time was so sharp that this feeling is entirely understandable, but it does great injustice to the work done in improving electrical methods during the past 14 years. The latest type record is, in fact, as far advanced over the first electrical recordings as they were over the mechanically-engraved type.

The improvement in reducing noise level and distortion in improving uniformity in frequency response are real advances; so much so that it is now possible to produce recordings which are indistinguishable to the ear from the original studio pick-up.

The constancy of speed of the turntable, the hardness and shape of the reproducing needle, and so on add to the quality of the reproduction. This does not mean that the electrical elements can be neglected. In fact good record amplifiers must have considerably less distortion than straight transmission amplifiers used by broadcasting stations. The wireless or broadcasting type record players are the best record producers on the market today. The new type record player reproduces records through the full circuit of the radio set with the full tone and volume regularly obtained from the radio. The record players seem to continue to go 'round 'n' 'round with such hot cases as "All The Things You Are," played by Artie Shaw on Bluebird, Duchin for Columbia, Lombardo on Decca—"She Had to Go And Lose It At The Astor" is a top notch disc by Johnny Meener's orchestra on the new Varsity label.

"Between 18th and 19th On Chestnut St." is where the record vendors are having trouble to keep in stock, it can be had with Charlie Barnet and orchestra on Bluebird or with Crosby-Boswell style on the Decca label. Others in demand are "Boy Meets Horn" by Goodman for Columbia, and on the B side of this plate "Let's Dance." Glenn Miller's recording of "Careless" is tops, with "Dara That Dream." For those of you who enjoy the great voice of Paul Robeson, there's a new Victor release of two Russian songs, "Night" and "Lullaby."

So now your "record player" must look for more stuff to grind the needle with. Address all record or radio questions to the "Record Player" in care of this paper.

Wanted

I would like the one who took the green overcoat, hat, gloves, scarf and rubbers from a locker at Grosse Pointe High school to know that they belong to John Eichelberger.

John was stricken with Infantile Paralysis the first week of the last semester and remained a way from school until the opening of the new semester last Monday.

He was in bed three months. The missing overcoat and other articles, all new, were worn to school on Monday for the first time. I hope they will be returned either to the High School or to his home at 210 McMillan.

Dr. A. T. Brace To Speak at Hannan "Y"

Dr. A. J. Brace of China; Educator, Soldier, Lecturer, and "Y" Secretary, will be the guest speaker at the Sunday morning Breakfast Club at Hannan YMCA on Sunday, February 18 at 9:00 a. m.

Dr. Brace is in Detroit in connection with the annual Educational Campaign of the Detroit "Y" to acquaint members and friends of the "Y" with the work the Association is doing in foreign fields. He will speak of the pres-

ent situation in China out of more than 25 years experience as a "Y" secretary and educator in Western China. He is personally acquainted with Generalissimo and Mrs. Chiang Kia-shek and with many of the leading figures in China's present struggle.
Dr. Brace's career as soldier, lecturer, explorer and "Y" secretary has been very colorful and interesting. During the past 25 years he has served as a Boy's Work Secretary, was Professor of Modern History in SzeChwan University, a research worker into the life and history of Tibet and a translator of some of China's wealth of literature. For his research work he received a doctorate from British Columbia University and a fellowship from the Royal Geographic Society in London. As physical director in China he taught the young men and boys of Chungtu boxing and wrestling, swimming and other sports along with Christianity. During the world war Dr. Brace, with the military rank of Captain, commanded a Chinese Labor Battalion on the Western Front digging reserve trenches. For the last five years he taught Modern History in the Provincial University of Sze-Chwan.
Added to his YMCA and teaching activities, Dr. Brace has found time to spend two hours each day for the last 20 years in the study and translation of Chinese. He has made such worthy pieces of Chinese Literature as Proverbs, Philosophers, Tu Fu Poems

Neighborhood Club

Standings of Neighborhood Club Senior Basketball League:	W.	L.	Pct.
Team			
Eastminster	7	0	1.000
Comets	5	1	.833
Saints	3	3	.500
Fifteen Club	4	4	.478
Indians	3	4	.428
Rangers	2	5	.285
Essex	2	5	.285
Arrows	2	5	.285

The Comets chalked up their fifth win in six starts when they defeated a hardgoing Indian crew 46-41. The game was a nip and tuck affair throughout. Leo Durocher, former Indian of last season and now one of the mainstays of the Comets, aided his team greatly in defeating his former mates when he collected four field goals and three fouls for 11 points. Forest Piche, was high for the losers with 13.

The Saints, using their height to great advantage, defeated the Rangers 45-30, to capture third place with a .500 average. Tom Myers, 6-foot 4-inch

center of the Saints, and Emil Neeme, former Grosse Pointe High cager, gathered in 10 and 9 points respectfully to top the scorers of the Saints. Bill Harms was the only scoring threat of the Rangers, hitting the meshes for six baskets and three charity threats for 15 points.

The Essex Club defeated the Arrows for their second victory of the year, 44-35. An interest feat in the Essex victory was the fact that they had only four men on the floor throughout the second half. C. Coleman, former Detroit Tech. athletic, starred for the victors, getting 12 points.

The club will be host to Lansing on Saturday, February 24, when they send two of their leading basketball teams here to play two of our strongest league teams. This should prove to be quite an evening of entertainment for all those attending. The public is invited. So why not come out and bring a friend?

Woolworth Dance—Friday night, February 16, the regular Woolworth dance will be held. These dances are

still proving very popular and everybody is welcome!

Girls' Classes—Esther Stewart took high honors for points given for participation in girls' classes. Her record was 20 points. The following girls piece: Dorothy Sillman, Helen Nelson, Virginia Clinton, Elaine DeWelf and Anna Kerbrat.

The A. O. C.'s are entertaining the Philanthropics, a girls' club from Franklin Street Settlement, at a Valentine's party on Thursday night, February 15.

The Gamma Gammas are having a card party on Wednesday night, February 21. Everybody is invited to attend. There will be door prizes and table prizes.

Johnny Howard Still Topping Show at Royale

Young Johnny Howard's side-splitting collection of "portraits" of the people in the current headlines is still topping the show at the Club Royale. Johnny doesn't miss a trick in collecting the material for his impersonations, and he brings back with him in this twelfth return engagement to Detroit many of the customers' old favorites, as well as a group of new ones. One of his most popular sketches right now is "The Barrymores at Home."

The sweet voices and personalities of the lovely Tanner Sisters, who are be-

ing held over for a fourth week, are familiar to many Detroiters who have heard them over the national radio networks. The girls have been trouping since the time when they sang in a South Carolina Sunday school choir, and in one season they traveled 1,200 miles, encountering floods and dust storms en route.

The contrasts in the dance styles of Don Julian and Marjorie run the gamut from classical ballroom dancing and a Spanish dance serenade to a riotous "Can-Can," while the agile Southern Sisters offer acrobatic tumbling. The Royalettes, under their new leader, Sharon Lynne, present peppy new routines, and Danny Demetry and his boys provide the dance tempos for shows and dancing.

BOY SCOUTS

The largest gathering of Grosse Pointe Boy Scouts in recent years took place last week at the Grosse Pointe High School, when over two hundred Scouts accepted the invitation of Troop 39 to be their guests for the evening. The party was to commemorate the thirtieth anniversary of the Boy Scouts of America.

The boys met early and had a swim in the school pool. Following this they attended the new 1940 baseball movie, "Touching All Bases," in the auditorium.

The highlight of the evening was the carnival in the gymnasium where a real carnival atmosphere was prevalent. Twenty-four booths offered many interesting games from dart-shooting, bingo, and ring toss to turtle racing. Refreshments of cookies and pink lemonade added to the enjoyment.

The members of Troop 39 are happy that such a large number of Scouts were able to accept their invitation and wish to commend all who attended upon their fine cooperation and good-sportsmanship as demonstrated throughout the evening.

Christian Science Church

"Soul" will be the subject of the Lessee-Sermon in all Christian Science Churches throughout the world on Sunday, February 18, 1940.

The Golden Text (Leviticus 26:11, 12) is: "I will set my tabernacle among you; and my soul shall not abhor you. And I will walk among you, and will be your God, and ye shall be my people."

Among the Bible citations is this passage (Psalm 52:5, 6): "My soul, wait thou only upon God; for my expectation is from him. He only is my rock and my salvation; he is my defense; I shall not be moved."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 427): "Life is the law of Soul, even the law of the spirit of Truth, and Soul is never without its representative."

Grosse Pointe Woods Presbyterian Church

Sunday, February 18, 9:30 a. m.—The Rev. O. W. Burdette Olson will preach the first of a series of five sermons on "Outstanding Personalities of the Passion Week." The following figures will be considered in the order named: Peter, Judas, Mary the mother of our Lord, Pilate and Jesus. The Sacrament of baptism will be observed. Church school for all groups as usual.

Wednesday, weekly, 5 p. m.—Intermediate girls' choir meets at the home of Mr. and Mrs. Kenneth W. Smith, 1922 Beaufort Drive. All girls invited.

Sunday, February 25, Dr. Paul H. Buchholz, executive secretary of the Presbytery of Detroit, will be the guest speaker at the regular morning service. The children from the church school will attend the opening portion of the service.

Services are held each Sunday in the attractively arranged auditorium of Mason School on Vernier Road. Individuals not worshipping regularly elsewhere are cordially invited to make the Grosse Pointe Woods Presbyterian Church their church home.

Great Hoax
The Cardiff giant, which aroused such a storm of controversy a few years back, was really a hoax worked by an upstate New York farmer, who had the figure rough-hewn from stone and then buried. He later dug it up and pretended it was the petrified figure of a primitive man.

Short Term Loan
Once more two children's banks in Dominick Razzi's home, at Portland, Maine, are full of money. Twenty-four hours after a thief had emptied them of \$31.27, Razzi found a package on the porch of his home. It bore a note: "Here's the money I took. I am sorry. Please forgive."

Perishable Tombs

The State of Michigan to dispossess any owner. For that reason, we have adopted very liberal terms which should meet every reasonable request.

"Owners may bid at the auction sale and if other bidders appear, they need not enter into competitive bidding, but may within 30 days meet the bid of any other bidder. Purchasers who had no previous interest in the property must pay cash, but the Board is extending a liberal contract to former owners so that they may pay the amount of their bid over a period of time in monthly installments.

"One word of warning should be issued, however; the owner should be certain that at least the minimum bid of 25% is made at the sale. While it is true that the owner has the right to meet any bid during the 30 days following such bid, it is entirely possible that some properties may be offered upon which no bids will be made. In such cases the owner would not have the privilege of meeting a bid because no bid had been offered. The owner should, therefore, protect himself by seeing that at least the minimum bid of 25% of the 1938 assessed valuation is submitted.

"No written bids or prior bids can be accepted." Lists of properties to be offered for sale, and detailed information are available at offices of the county treasurers of the counties under the jurisdiction of the State Land Office Board. Mr. Brown suggested that all those who are not entirely familiar with the procedure concerning the sale should immediately contact their county treasurer for details.

Woman's Field Army Drive

While there is much that is mysterious about cancer, enough has been learned in recent years to save many thousands of lives, according to Mrs. H. Wellington Yates, commander of the Women's Field Army of the American Society for the Control of Cancer in Wayne County and suburban areas, whose fourth annual campaign was launched Friday, January 26, at a luncheon meeting in the Wayne County Medical Society club house.

"Despite the attention that will necessarily be given the war abroad, we are confident that the Field Army's peacetime war will be more effective this year than ever before," said Mrs. Yates.

"It is hoped that every man and woman in this area will attend at least one of the public meetings on cancer control to be held during the coming months in their community. Thousands of copies of leaflets giving essential data on the subject are being made available for free distribution by the organization."

The medical profession points out that while the cause of cancer remains cloaked in mystery, methods of early diagnosis and treatment by X-rays, radium and surgery have reached such a high degree of efficiency that between one-third and one-half of those who die each year could and should be saved. The Field Army holds that the success of the program depends on participation of the public in the campaign to bring patients to physicians when danger is early and curable.

The army recommends two essential keys to the control of cancer to the public.

- Firstly, a comprehensive, periodic physical examination covering all sites where cancer may develop. Secondly, a visit to a physician when any of the following symptoms appear: 1. Any persistent lump or thickening, especially in the breast. 2. Any sore that does not heal—particularly about the tongue, mouth or lips. 3. Persistent indigestion. 4. Sudden changes in the form or ratio of growth of a mole or wart.

Marine Book Drive To Begin

Plans for the annual book drive of the American Merchant Marine Library Association Committee of the Louisa St. Clair Chapter, Daughters of the American Revolution are announced by Mrs. Thomas DayMoule, chairman. Mrs. Paul Hale Bruske, regent, and Mrs. Henry Bourne Joy, trustee of the American Merchant Marine Association in New York, will cooperate with Mrs. Moule in directing the campaign.

Book and magazine collections will begin in March and contributions will be sent directly to the library at Sault Ste. Marie, where they are passed on to the Great Lakes seamen of the American Merchant Marines; also to coast guard ships, stations and light-houses. It is hoped to double last year's results which netted more than three thousand books and ten thousand magazines for the purpose, besides books sent to the local Marine Hospital and to local boys' clubs. Books for girls will be distributed to community centers in the city.

Mrs. Charles G. Franklin will be in charge of posters for the drive. Miss Louise B. Hasty will be assisted in collecting by Mrs. George I. Austin, Mrs. Max Utting, Mrs. F. J. Sober, Mrs.

Scott Edwin Lamb and Mrs. Prescott M. Hulbert. Other committee workers are Mrs. J. Arthur Daniel, Mrs. William Lee Yost, Mrs. Frederic Zeigen, Mrs. Chester A. Souther and Miss Carrie E. Williams. Mrs. Thomas Y. Leonard will supervise collections from Grosse Ile and vicinity.

Contributors are asked to take their books to the nearest public library branch or to notify any member of the committee to arrange for a collection.

Y. M. C. A. Notes

The annual educational campaign on YMCA World Service was inaugurated in Detroit this week to give members and friends of the "Y" a clearer picture of the work the Association is carrying on in 30 foreign countries.

Two "Y" secretaries from the foreign field, now in the United States on furlough, are in Detroit to address groups on the work the YMCA is doing abroad. Both of them, Arthur Jorgensen from Japan, and Dr. A. J. Brace from China, are well known in Detroit, having been guests of the Detroit Association before. Mr. Jorgensen spoke at the Fireside Forum and also appeared before the Mothers Club at Hannan YMCA this week. On Saturday noon, February 17, he will speak to two hundred boys members of Hannan YMCA at a rally and dinner at 12:30.

Jorgensen has been engaged in "Y" work in Japan since 1911. During his first 15 years there his work was largely among students, and from 1926 to 1935 he was engaged in promoting a "y" movement in Japan known as The Library of Christian Thought and Life, work that kept him in touch with the leading Christian scholars and writers of Japan. This movement has made a great contribution to Christianity in Japan during the past 12 years through the development of Christian literature. Since 1935 he has served as the associate of Soichi Saito, national general secretary of the Japanese YMCA. In his later days he has travelled extensively in Japan, Korea and Manchuria. He has been particularly active among White Russians in Harbin, Manchuria.

Speaking of conditions in Japan,

Jorgensen says that "Japan is not on the verge of economic collapse." He points to the fact that Japan's debt is only 15% of her estimated national wealth, whereas during the World War the debt of some European powers mounted to nearly 50% of their national wealth. The prevalent expectation abroad that "Japan cannot last much longer," Mr. Jorgensen believes is not well founded. "Japan's staying power is far from exhausted," he says. "The present war is a very considerable burden but the Japanese people are prepared by temperament and training to endure great hardship for the sake of their country."

Mothers of U. S.

At our regular meeting on January 8, the following resolution was unanimously adopted:

Whereas, Washington, in his farewell address, warned us against the folly of "foreign entanglements"; and Whereas, Our government failed to heed that advice in 1917; and Whereas, The "sinister forces" of which Woodrow Wilson spoke are apparently again at work, and are now threatening a repetition of the tragedy of 1917; therefore, be it

Resolved, That the Mothers of the United States of America petition Congress to enact a law which will render unlawful the conscription of men for military service outside the now recognized boundaries of the United States of America.

Ancient American Animals

Mastodons, camels and an ancient type of horse once inhabited the desert areas of the American Southwest.

Bahama Conch Shells

Many conch shells are exported from the Bahama islands to Italy and France, where they are carved into canoes. Others bear valuable pearls, and all contain a sea snail or slug which is eaten by many West Indians. To catch them, native fishermen bait an empty shell with a piece of ham. The odor of the food attracts large numbers of live conches, and divers have only to drop overboard in order to reap their harvest.

Self-Acting Extinguishers

A fire in a grocery at Varrville, S. C., was extinguished when soda pop bottles were heated by the blaze. The tops popped off and the liquid squirted out. The first thing the owner knew of the blaze was the next morning when he opened the store, found the burned place and the floor wet with soda pop.

Silver Dollar Coed

Miss Mary Crockett, Springfield, Ohio, who has started her first-year classes at Wittenberg college, paid her tuition with 125 silver dollars. Mary made a hobby of saving silver dollars during her high school career.

Maire and Defer P.-T.A. Meetings Feb. 20. The next meeting of the Maire School P. T. A. will be held Tuesday evening, February 20th. Mr. Ivan C. Nicholas, principal of the Maire School, who is on a leave of absence this year to study at Northwestern University, will return to speak on "The Maire Program of Instruction." Mr. Nicholas will illustrate his talk with slides made from a series of photographs taken at Maire School last year by Mr. Ernest LaFollette. From 7:30-8:15 classrooms will be open and it is hoped that all parents will use this opportunity to visit their children's rooms and to become better acquainted with their teachers. The February meeting of the Defer P. T. A. will be a Patriotic meeting and will be held in the School, Tuesday evening, February 20th. The rooms will be open for inspection from 7 to 7:30 followed by a short business meeting. The Cubs Scouts under the direction of Mrs. Jack Drew will put on a Demonstration. The Drum and Bugle Corp of the sons of the Alger Post V. F. W. 995 will also take part in this program. The speaker of the evening, who is well known in the district will be Judge Henry G. Nicol and he will speak on "Your Children the Coming Citizens."

State Land Auction Sale Begins. Auditor General Vernon J. Brown today expressed gratification at the interest being shown in the coming auction sale of state-owned properties, which one-time owners lost because of tax-delinquencies. "Judging by reports," said Mr. Brown, "former owners are crowding the offices of their county treasurers to learn the procedure of the sale so that they may plan to repurchase their properties. It is gratifying that these people are accepting the generous provisions of the State Land Office Board Act which offers them the first opportunity to repurchase their properties. It is not the desire of the Board or

Historic Memorial Society
Members of the Historic Memorials Society (formerly the Mt. Vernon Society), of which Mrs. Charles Horton Metcalf is president, are again lifting from their tissue wrappings heirloom gowns, shawls, lace mitts and antique jewelry, for their annual bow at the Society's Lincoln Tea. This year's tea, the 48th, will take place from 2:00 to 5:00 o'clock on Lincoln's birthday, Monday afternoon, February 12, at Fyfe's auditorium. Mrs. Lloyd DeWitt Smith, as general chairman, has planned several innovations this year, displays of Lincoln relics, and of colonial glass, and a demonstration of carding, spinning and weaving by Mrs. Carl E. Huyette, with examples of her finished work. This weaving display recalls the fact that Detroit Historical Museum is one of the local beneficiaries of this benefit costume tea.

Always a feature of the annual tea, and a reminder of Mt. Vernon Society days, are the tiny pots of ivy, grown from cuttings made yearly from the tomb of Washington at Mt. Vernon. Mrs. Roland S. Mitchell and Mrs. Charles W. Erickson will have charge of this table. The proceeds of the sale of the ivy and other articles, such as gingerbread mix made for Martha Washington's own recipe, will aid Kenmore, ancestral home of George Washington's only sister, Betty Washington Lewis, at Fredericksburg, Va. Others at the ivy table will be Mrs. Carl D. MacPherson, Mrs. Robert B. Rutherford and Mrs. Willard K. Bush.

Another reminder of Mt. Vernon Society days will be the fireplace in Fyfe's auditorium, which once graced a sitting room in the home of Mrs. Richard H. Fyfe, a former president of the Society. Many of the older members will recall this fireplace in its original setting, when they were entertained in the Fyfe home, then on Woodward Avenue.

Members and guests on arrival will find Miss Carolyn S. McGraw in charge of tickets. Their wraps will be checked by David Edgar and Boy Scouts. Mrs. Charles Horton Metcalf, heading the reception line, will be assisted by Mrs. Fletcher H. Field, Mrs. Albert L. Hart, Mrs. John W. Bennett, Mrs. Frederick C. Gilbert and Mrs. D. D. Spellman.

In charge of the tea table will be Mrs. Louis Gaspaigne and her aides, Mrs. Alfred W. Crabb, Mrs. Howard B. Holden, Mrs. Charles E. Swales, Mrs. Leroy C. Vandever and Mrs. C. Haines Wilson. The tea table will be spread with a lively Colonial blue cloth, the color-scheme for decorations being blue and silver. Alternating in pouring will be Mrs. Arthur Maxwell Parker, Mrs. George Stedman Hosmer, Mrs. Alfred G. Wilson, Mrs. Orla Benedict Taylor, Miss Elsie Choep Hance, Miss Ella M. Antidel, Mrs. Frederick T. Ranney, Mrs. Charles H. Mooney, Miss Myrtle E. Babcock and Mrs. Emma A. Fox.

Mrs. John W. Bennett will head the parade of ancestral and period costumes, among which will be Mrs. Charles U. Bear as the immortal George Washington with "his" consort, Martha; Miss Helen Vincent as Uncle Sam; Mrs. Frank J. Sherman, Mrs.

Louis Edgar, Mrs. Roy E. DeHart, Mrs. Raymond Foulkrod, Mrs. Ralph Garber and many others.

Miss Gracia B. Krum will display the Lincoln relics, with the assistance of Miss Myrtle E. Babcock, Mrs. Charles B. Warner and Mrs. Marvin L. Hoagland. Mrs. Walter R. O'Hair will show interesting collection of colonial glass flasks and decanters. Her assistant will be Mrs. Malcolm MacQueen.

Home-made candies may be purchased from Mrs. Robert June, or her assistants, Mrs. Allison Crandall, Mrs. Richard F. Barnum, Mrs. George W. Parker, Mrs. John Anhut and Mrs. George E. Mann.

Mrs. Heman E. Grant will preside over a table of gifts and articles for bridge prizes. Her clerks will be Mrs. Elias Ben Lyons, Mrs. Walter C. Pomeroy, Mrs. E. St. Elmo Lewis, Mrs. George Ford, Mrs. Earl M. Preslev, Mrs. George E. Moser Jr., Mrs. Robert C. Gammon.

Those desiring ice cream may buy it from Mrs. E. H. Lindberg, Mrs. Harold F. Bennett, Mrs. Carl H. Stever, Mrs. William F. Jurgens, or Mrs. Morris C. Burnside.

Mrs. George A. Band will have as helpers in selling greeting cards and folders: her sister, Mrs. Harold D. Clapp, and her daughter, Miss Vanessa Bond.

Visitors may have their fortunes told by Mrs. Fred T. Hix or Mrs. Angus N. McDonald.

Punch to quench the thirst may be obtained from Mrs. Herbert F. Poehle or Mrs. Roy E. DeHart. Mystery packages may be bought from Mrs. Frank J. Sherman or her assistant, Miss Helen L. Vincent.

The publicity for the affair is in charge of Mrs. Edward J. Savage.

Questions and Answers On the Social Security Act

Ninety children in grades five and six were interested in obtaining the 38 tickets allotted Mason School for the school children's concert to be given by the Detroit Symphony Orchestra at Masonic Temple on Wednesday, January 31.

Basis for selecting pupils to go to the concert were decided upon by the Music Club officers, who felt that the following five informational points made into booklet form would be a fair method of testing the students' ability to enjoy and appreciate the concert.

1. List the program numbers and composers.
2. Give a brief historical sketch of two composers and their selections.
3. Tell some interesting things about the Detroit Symphony Orchestra.
4. Choose your instrument or a favorite one to tell about. What famous people are identified with it?
5. Why would you like to attend this concert?

All girls and boys in grades five and six had opportunities to work on their notes in music and art classes. On Wednesday, January 24, the club officers will choose the best booklets and the owners will be presented with concert tickets.

The winning booklets will be on display in our school library at the P.-T. A. meeting of Tuesday evening, January 30.

Jefferson Avenue Baptist Church

Dr. Joseph Fort Newton one of this country's outstanding preachers and equally known in England where he held the City Temple pulpit in London for four years will conduct a preaching mission during the week of February 26 at the Jefferson Avenue Baptist Church, the Reverend Wayland Zwayer minister. Dr. Newton is at present rector of St. Luke and the Epiphany Episcopal Churches in Philadelphia. He has been showered with honors, holds degrees from many colleges, is the writer of many books, and an authority on masonic subjects. He

will be remembered by many Detroiters as the speaker on the occasion of the dedication of the Maronic Temple. Dr. Newton will preach each noon in the Lafayette Theatre under the auspices of the Detroit Council of Churches and each night Monday through Friday, February 26-March 1 at 7:45 p. m. in the Jefferson Avenue Baptist Church, 13337 E. Jefferson. The church will give a dinner in his honor on Tuesday evening. Attendance at the dinner is strictly limited to those who secure tickets in advance. Prominent guests will bring greetings to Dr. Newton.

Third Mission Service February 18

The third service of the Lutheran Mission opened on February 4, will take place next Sunday morning, February 18, at eleven o'clock. The sermon will be delivered by Pastor Wilbert Burmeister who is serving this mission until a regular pastor can be called.

The first session of a Sunday School to be organized in connection with the new mission will be held on the coming Sunday, February 18, at 9:45 o'clock. It will last one hour, dismissing a quarter of an hour before the beginning of the service. Children who desire to become charter members of the Sunday School should be present Sunday morning.

The service will be held in the beautiful library of Grosse Pointe High School, while the Sunday School will meet in the same building, in a room adjoining the library.

A cordial invitation is extended to all people in either the City of Grosse Pointe or in Grosse Pointe Farms, who have no church connection, to come to the service and to enroll their children in the Sunday School of the mission.

COUP TO KILL NEW TAX LAW

The new state tax on intangible property—which was amended by the 1939 Legislature into what its critics call a meaningless fiscal monstrosity—will soon be repealed if a "coupe de grace" being prepared by city officials Saturday receives the approval of the State Supreme Court.

Paul E. Krause, corporation counsel, expects to commence litigation within a few months to knock out the unworkable intangibles tax and return local assessors to the old practice of taxing intangible wealth at the full uniform property tax rate.

'Fair' Tax Problem
 The levying of a fair tax on stocks and bonds and bank deposits and other forms of "paper" property has been an unsolved problem of long standing in Michigan.

Until a year ago such property was taxable at full property tax rates. Under this law very little intangible property came out of hiding and the law was more honored in the breach than in the observance.

Senator George McCallum (R.) of Ann Arbor introduced a bill in the 1939 Legislature to reduce the levy on intangibles to a reasonable figure and put the collection of the tax on a workable basis.

However, little remained of the original bill when the legislative carpenters of the Senate taxation committee got through hacking and sawing.

The final monkey wrench thrown at the bill was a "par value" clause which, in the opinion of Detroit tax experts, eliminated the last vestige of fairness from the measure and removed all possibility that the law would be a good revenue producer.

Even Senator McCallum repudiated authorship of the measure before it was finally passed.

Kenneth J. McCarren, Detroit city assessor, said Saturday that unless the law is held unconstitutional, the city will lose at least \$2,736,000 as a result of its provisions in 1940 alone.

McCarren explained: "As a result of this law which substitutes an intangibles tax for the old uniform tax, which applied to intangibles as well as tangible property, the city will have to raise its tax valuation for 1940 and at least 90 cents per \$1,000 for future years.

"It is true that the taxation of intangibles at the uniform rate is burdensome, but there is no rhyme or reason in the law. This is being done by passing a tax law that virtually amounts to tax exemption for the large owners of wealth."

Class Unfairness
 McCarren pointed out these examples as unfairness under the new law: The tax on one share of Chrysler stock, worth about \$80 a share, would be one-fifth of a cent.

The tax on one Barium Hotel bond, worth \$3, would be 10 cents. Thus a non-dividend-producing bond, worth \$3, would pay a tax 30 times greater than a dividend-producing stock worth \$80.

The reason for the discrepancy is that the par value of the Chrysler share is only \$5 and the par value of the Barium Hotel bond is \$100. To carry the comparison with the Chrysler stock further, McCarren explains that the property tax on \$80 worth of real estate would be about \$2.40 as compared to the fifth of a cent levy on the \$80 share of Chrysler stock.

Ford Stock Tax
 The new tax on a share of Ford Motor Company stock, which has a book value of \$175 a share, would be \$0.00259 a share, or a total of \$5,938.52 on the entire 3,452,900 shares outstanding.

If the new tax was enforced, McCarren points out that the following different taxes would have to be levied on each of these properties worth \$4,000:

The tax on a \$4,000 home would be \$129.71.
 The tax on \$4,000 worth of Ford Motor stock would be 6 cents.
 The tax on \$4,000 worth of General Motors stock would be \$1.24.
 The tax on \$4,000 worth of Chrysler Motor stock would be 9 cents.
 The tax on \$4,000 worth of S. S. Kresge stock would be \$4.24.

law, will stand to lose \$2,736,000 for 1940 and \$2,004,465 for subsequent years.

The Grosse Pointe Lutheran Church

Father and Son Sunday will be observed at the Grosse Pointe Lutheran Church, worshipping in the Richard School auditorium, Kercheval and McKinley, Sunday, February 18, at 11 a. m. "Biblical Illustrations in Fatherhood and Sonship," will be the subject of the sermon preached by the Rev. M. Luther Camp, D.D., pastor.

The fathers and sons of the parish will attend this service in a body. Mr. Edgar J. Geist Jr., a Wayne University student, will be the soloist. Recognition will be given the father bringing the most sons, the youngest son and the oldest son; the son bringing the youngest father and the son bringing the oldest father.

Mothers and daughters, friends and the public are cordially invited. Sunday School at 9:45 a. m. All Christians want to manifest their Christian belief in some special manner during Lent. We extend to you and your family a cordial invitation to our service. Whether or not you are a member of the parish, bring your sons and attend next Sunday's special Father and Son service.

Louisa St. Clair Chapter D. A. R.

Louisa St. Clair Chapter, Daughters of the American Revolution will hold its February meeting at Newberry House Thursday morning, February fifteenth, beginning at ten o'clock. The Hon. Homer M. Ferguson will be the speaker of the day and will discuss the Constitution of the United States.

Mrs. Paul Hale Bruske, will preside at the business meeting at which time members will elect delegates and alternates to represent the Chapter at the Forty-ninth Annual Continental Congress to be held in Washington, April fifteenth to nineteenth. Chairmen reporting the work of their committees will occupy much of the morning's program.

Mrs. Sidney C. Probert, Senior President of the John Paul Jones Society, will discuss developments in the D. A. R. and Mrs. Ralph E. Winger, Chairman of the Manual for Citizenship, will tell of the work accomplished in aiding applicants to citizenship and record channels of distribution of the Manual translated in seventeen different languages.

Work of the Genealogical Records Committee will be reported by Mrs. Charles G. Franklin, Chairman, and completed plans for the book drive for the benefit of American Merchant Marine seamen on the Great Lakes will be announced by Mrs. Thomas Day Moulé.

Mrs. Frederic Zeigen, Director of the Social Department, will name committees and announce arrangements for the Leap Year Dinner for Chapter members and their families at Newberry House Thursday evening, February twenty-ninth.

Seventeen Detroit and Grosse Pointe high school senior girls, each chosen by the faculty of her school for outstanding character on a basis of dependability, service, leadership and patriotism, will be awarded Good Citizenship pins by the Good Citizenship Pilgrimage Committee, of which Mrs. J. Harvey Maxwell is Director. The girls will also be honor guests at luncheon and will join other candidates at the State D. A. R. Conference at Battle Creek in March, when the Michigan girl will be awarded a trip to Washington with all expenses paid.

Mrs. William L. Brasie and her committee will supervise the serving of luncheon at noon, and hostesses for the day will be Mrs. Burgess Mason Long and Mrs. Clarence E. Carroll.
