

Pierce Concert On National Hook-Up

Annual School Census Starts Saturday, May 11

Spring Festival Features U. of M. Orchestra and Four Star Soloists

Grosse Exaggerations? By A. PRYOR

Someone asked us if we ever had any serious thoughts on politics and national affairs, and if so, why we didn't comment on them.

Grosse Pointe is certainly getting fancy, what with the new and shiny shops on Kercheval avenue, near Radnor Hall place.

Katherine Brush has begun to grow on us. For eight summer readings, don't you know, "This is Our Story."

signed to let Junior, the dancer and the band, go bang—while you read on. To wit: "I have the honor of announcing that one of my great grandfathers married a girl named Experience Fish; that one of my very great grandmothers was tried for witchcraft—and acquitted; that another had a progenitor who arrived here on the Mayflower and WENT BACK! That the family motto is, "We think while we sleep," which undoubtedly explains why we all look so terrible in the morning." To unwit.

We eased into the Country Club on Saturday night and found a mob scene worthy of a Hollywood set—lots of extras and few stars! The Arthur Murray group were there, which probably accounted for the large crowd.

Don't forget to put Thursday night, May 23rd, and Friday, May 24th, in your date book, because the Junior League will hold its annual May Sale at the Grosse Pointe Yacht Club on those two dates.

If you're in doubt about your "fox trot stance," take a look at the picture on page three of the May Harpers Bazaar. The purpose of the picture is to show a gown called "My Dance."

We received a letter from a woman who wants us to print the favorite words and expressions of local people. It's alright with us, if you want to send 'em in. She added that she thought "cellar door" had the most beautiful sound of any two words in our language.

Parents Urged to Have Correct Data Handy

One of the requirements of the Michigan State laws is that each school district in the State be required to take an annual school census.

It has been made mandatory that the school census be taken each year so that corrections and additions to the census records, kept on file at the local Board of Education offices and the State Department of Public Instruction in Lansing, may be made.

The accurate keeping of these records is essential since they determine the apportionment of the primary interest and other State aid funds to the local district by the State.

These census data also serve as the basis for planning the organization of schools and for predicting the growth of the district.

Due to the importance of the school census, accurate information from parents is desired. Probably the greatest difficulty encountered by enumerators when calling at homes is obtaining the correct birth date for each child in the family.

Every home in the district will be visited by an enumerator and all families, whether there are children of school age or not, are required by law to give the necessary information.

Huge Population Rise Recorded In Grosse Pointe By Census

The tentative figures recently released by the local bureau of the census reveal a huge population increase for the Grosse Pointe municipalities.

The figures, compared with the 1930 enumeration, show again of 14,161 persons for all of Grosse Pointe. In 1930, 21,254 people lived in Grosse Pointe, while the new figures show 35,415 persons. This is an increase of over one-third.

The individual figures are as follows: 1930 1940 City of Grosse Pointe..... 5,042 13,882 Grasse Pointe Park.....11,148 12,642 Grosse Pointe Farms..... 3,525 5,905 Grosse Pointe Woods..... 961 2,521 Grosse Pointe Shores..... 578 766

The greatest single increase was in Grosse Pointe Woods, where the population more than doubled itself in 10 years. The Shores still remains the smallest of the municipalities with only 766 residents, a gain of 188 over 1930's mark.

Local Police Chief's Daughter Marries

Miss Aline Ingalsbe, daughter of Grosse Pointe Shores Police Chief O. C. Ingalsbe, was married to Alexander Adams of Detroit last Friday in her home at 295 Lake Shore Road.

New Baseball League Opens Season Sunday

Festivities will run high next Sunday when the newly organized Grosse Pointe Baseball League opens its first season.

In its first year, the new born league has made remarkable progress. With the recent annexation of the Gratiot Township ball team, the number of clubs now entered in the competition is six.

Opening day will be held in true fashion at Kerby Field when Grosse Pointe Farms plays host to Grosse Pointe Woods.

Officially opening the season, Mr. Walter Strittmatter, Farm's councilman, will pitch the first ball. On the receiving end will be John R. Sutton, also of the Farm's council.

On hand to brighten the activities will be the Sons of Veterans' drum and bugle corp, VFW Alger Post No. 995, who will play before the game.

Russell Gregg, playing manager of the Farms, declares, "With the drum and bugle corp playing, and members of the Farm's council assisting in the opening day ceremonies, Sunday should be a big success and a good time should be had by all those who attend the game." The ceremonies are scheduled to take place at 2:30 o'clock.

In the other opening day games, Grosse Pointe Park invades Grosse Pointe Shores, located at Vernier and Lakeshore Road, while St. Joan of Arc, who had previously drawn a bye in the schedule, will entertain Gratiot Township.

Mothers' Club Hold Last Book Review

The last book review given by the Mothers' Club will be held May 21 at 1:45 in the Grosse Pointe Memorial Church.

Mrs. Fred K. Hauck will review "How Green Was My Valley," by Richard Llewellyn and several others in brief including, "The Lion Feather," by Iola Fuller, and "Their Own Country," by Alice Tisdale Hobart.

Mrs. Hauck has prepared printed lists of new books for summer reading. All members are asked to bring their friends.

Builder Invites Inspection Of New Modern Residence

Alphonse De Paep, builder, has just completed a modern French Provincial home at 1028 Yorkshire Drive, Grosse Pointe Park, which the public is invited to visit on Sunday, May 12.

The house incorporates the latest in modern equipment and design, at the same time maintaining the dignity and charm that is so characteristic of French provincial treatment.

The house is located on a 60x167-foot corner lot. Artistically landscaped evergreen hedges are planned to fit in with the formality so typical of this style of construction.

A massive paneled door opens into a charming vestibule. This in turn admits the visitor into a large reception hall, flanked by a graceful stairway, in cream with dark walnut bannister. To the right of the hallway is the living room with alternating walls of light and dark blue. The fireplace has Italian marble facing and black tile hearth. Over the fireplace a rose tinted mirror reflects and neatly proportions the room. Three large windows give cross lighting. Leading from the living room, toward the back of the house, through French doors, is a walnut paneled library, which in turn enters on a screened-in sun porch. To the left of the hallway is the dining room, finished in canary yellow. A crystal chandelier dominates the whole room. Between the living room and kitchen is a breakfast room, with paneled walnut in cream.

All Glass Kitchen As attractive as it is utilitarian is the large all-glass kitchen, sure to elicit expressions of delight and approval from every feminine visitor. Gleaming walls of white Carrara glass, gleaming white refrigerator and range, and a lustrous double compartment Briggs Beautyware sink carry through the line of functional design. The touch of red in the linoleum sink top is reflected in a complementary tone used as wall trim. A number of Briggs wall

RESIDENTS OF THE VILLAGE OF GROSSE POINTE WOODS

You will please take notice that there will be an informal meeting of the Village Commission on Tuesday, May 14, 1940, at 8 p. m. for the purpose of reviewing the proposed zoning ordinance.

PHILIP F. ALLARD, Village Clerk.

Local U. of M. Club Visits Ann Arbor

The Grosse Pointe Chapter of the University of Michigan Club is planning to visit Ann Arbor on May 18. Members are asked to meet in the Michigan Union Building at 10 o'clock. In the morning Dr. Ruthven will take the group on a personally conducted tour through the international center, the new dormitories, and the Rackham Graduate School.

Members will return to the Michigan Union for lunch at 11:45. After lunch the tour will be continued through the new buildings. At 4 o'clock Dr. Ruthven has invited the members to the president's home to help him celebrate the 100th anniversary of the building of the president's home.

Woods Business Men Hold Meeting

The Grosse Pointe Woods Business Men's Association gathered at noon last Monday and held their regular meeting.

After Secretary Lavers had completed the reading of the minutes of the last meeting, the members collected a donation for the purchase of a water tap for a local resident.

The much-discussed zoning problem was again pulled out, and Fred Biederman's committee was instructed to contact the various municipalities bordering on Mack avenue, in order to determine their feeling on the matter.

Another motion stating that absent members must pay for their lunch, unless a cancellation is phoned in by Sunday night, was unanimously passed.

Dog License Purchases Lag In City of G. P.

Only slightly more than twenty-five per cent of the several hundred dogs owned in the City of Grosse Pointe have been licensed to date, according to figures available at the city clerk's office, it was stated today. This, in spite of the numerous appeals made by police and authorities that residents of Grosse Pointe comply with the State quarantine and local licensing laws in order to protect children or others against rabies, many cases of which were reported throughout the State.

The Review a short while ago published figures on the great number of dogs owned or harbored in Grosse Pointe which were revealing and surprising to many people who had no idea of the dog population. It is likewise surprising that so many animals are kept by residents who fail to comply with the regulations which require immunization against rabies and licensing for the year beginning April 1.

Chief Thomas V. Trombly of the City Police Department is again urging co-operation with the authorities on the part of the public in securing a complete compliance with regulations designed to stamp out rabies and give a full measure of protection to residents.

Lightning Strikes Building In City Of Grosse Pointe A bolt of lightning struck the roof of the house at 791 University place, during the severe electrical storm which swept Grosse Pointe last Monday night and set the shingle roof on fire.

The City of Grosse Pointe Fire Department answered the call at 3 a. m. and extinguished the blaze. Mrs. Carrie Leidigh Fisher and her family were assisted to a next-door neighbor's house by the firemen.

Fire Chief Chauvin remarked that the damage has not yet been estimated.

Woods Community Club Funds Needed

The Grosse Pointe Woods Community Club has recently announced the scheduled opening of play ground activities on the play ground located at Mack avenue and Ridgemoor. The initial day is set for May 18 and promises to be a gala event for all the youngsters, everyone, old or young being invited.

There will be hot dogs at a nominal price and free lemonade. The refreshments will be served by the ladies of the club under the direction of Mrs. Burt Wilcock and Mrs. Joe Doherty.

A new back-stop is to be erected for the baseball diamond and this work as well as other repairing and painting will be done by Bert Sellers, Joe Doherty and Glen Halstead.

Miss Sividie Hurst, who did such fine work last summer in directing the play ground activities, will again be on hand to direct the games and races and award prizes to the winners. Forrest Geary, from the board of education, will also take part in the festivities.

The growing need of play ground space calls for a building to house equipment and for rainy day programs. Any donations, no matter how small, will be welcomed by the club. Members may be either active or inactive and in either case the membership fee is only \$1.00 per year. Some prominent officials and residents have already joined the club and others have donated generously. Other large donations are promised as soon as sufficient strength is shown in the program.

Club Fifteen Sets Date For Dinner

The Club Fifteen fraternity has definitely set dates for its presentation of the famous Broadway play, "Room Service."

The play will be presented on Friday and Saturday, May 31 and June 1, at the Pierce Junior High School Auditorium beginning at 8:15 p. m.

Several parts in the play will be enacted by ex-Pointe players. Stewart Smith and John Newhall have the role of the leading male parts, while Yonne Young and Ann Brooks have the only two feminine parts in the play.

Tickets for "Room Service" may be obtained from club members or by calling NL 4600 for reservations.

Farms Resident Hurt In Auto Crash

Herman Bennett, 25, of 20 Ridgemoor was seriously injured last Friday morning at 8:30 when his car leaped the curb and struck a tree on Seven Mile Road near Piche avenue.

Farms police, baffled as to the accident's cause, could find no witnesses to the mishap. At present Bennett is confined to Cottage Hospital, still in serious condition. He was driving alone at the time.

Bennett, life-guard at the Farms dock for several years, graduated from Grosse Pointe High School in 1931. His younger brother, Edwin, was a member of the January 1940 graduating class. Another brother, Fulton, is a Farms fireman.

Clothes Theft Halted By Farms Policeman

A maid employed in a Grosse Pointe Farms residence, packed two suitcases full of her employer's clothes, hid them in the bushes outside the home and attempted to make away with the goods one evening recently.

Patrolman Elmer Labadie, 285 Belanger, tipped off to the petty larceny, waited in the bushes and seized the culprit.

The girl was later identified as Helen Marie Polomska of 28 Peterboro street, Detroit.

For the best results use the Grosse Pointe Review's classified columns.

Police and Firemen Stage Tournament

Picking up from where they finished last year, the police and firemen of the City of Grosse Pointe will resume their well-known "dubbers" golf tournament on May 17 at the Plumbrook Golf Course.

The committee is looking forward to a large turn-out for this opening occasion, all members of the police and fire departments and municipal employees are cordially invited to attend and bring a friend.

There will be golf all day and in the evening the ladies are invited to attend. Any of the women who desire to play during the day are cordially invited to do so.

High School Holds Honors Convocation

Grosse Pointe High School's annual honors convocation will be held Monday, May 20. Outstanding students in every department of the school will be invited to themselves and their parents.

Brilliant work in scholarship, athletics, music, publications, forensics, student government, service and club participation are some of the contributions which will be rewarded.

The lists of students eligible for invitations will be made out by Charles Saltzer and John Lucas, 12A. Douglas Munro, 12A, and Mrs. Ruth Flom will distribute invitations to the home rooms.

Harold Husband and Thomas Candler, 12B, are in charge of the printing of the invitations and programs. Jacques Rousseau, 11A, and Paul A. Rehms are arranging the program. Miss Dorothy Hostetter and Al Sherman, 12A, are attending to refreshments. Donald Horton and Pearce Chamber, 12A, are in charge of the stage planning and lighting.

The honor convocation will be held at 8:15 o'clock in the boys' gym. The school band will play and efforts are being made to get Dr. Charles Anspach, president of Central State Teachers College, to give the address of the evening.

The University of Michigan Club—Mrs. Wm. O'Neil Kronner, chairman, 17505 E. Jefferson; Mrs. Eva H. Dunn, 1268 Whittier; Mrs. J. A. Murphy, 1227 Yorkshire; Mrs. Virginia Kriehoff, 1111 Nottingham; Miss Betty Shaffer, Library at Pierce Junior High School.

The Grosse Pointe Mothers' Club—Mrs. Paul D. Grubbs, chairman, 197 McKinley; Mrs. Gerald McCray, 1434 Yorkshire; Mrs. C. Swanson, 637 Lincoln Road; Mrs. Ralph B. Netting, 637 Lincoln Road.

Detroit Garden Center Holds Pilgrimage

The Detroit Garden Center is holding its annual pilgrimage on Saturday and Sunday, May 18 and 19, when 10 Grosse Pointe gardeners, those of Mrs. Standish Backus, Mrs. Oscar Webber, Mrs. H. N. Torry, Mrs. Richard Webber, Mrs. Henry E. Chandler, Mrs. Arthur Gardner, Mrs. Theodore D. Buhl, Mrs. Ledyard Mitchell, Mrs. Raymond H. Berry and Mrs. Carl Brees, will be shown.

This pilgrimage has been arranged to come at tulip time and extensive plantings of tulips were made last fall in preparation for this spring.

The Garden Center gives all of its many services free during the year—lectures, horticultural advice, free lending of fire horticultural books and the opportunity of visiting these beautiful gardens is given to the public by friends of the Garden Center so that they may finance these free services. Details will be found in next week's paper.

Tickets and folders with descriptions of the gardens and the map, may be had at Hudson's, Crowley, Milners, Lohrmans, The Detroit Garden Center or at any of the 10 gardens. Information may be obtained by calling Mrs. George I. Bouton, director of the Garden Center, at Tu. 2-0284.

Points & Pointers

More adults are turning to music and learning to play the piano than at any previous time in the history of the music industry, according to H. W. Klapp of Grinnell Bros. Grosse Pointe branch.

"Nine out of 10 adults buying pianos at the present time are the parents of children taking lessons," he said, "but almost all of them declare that they also intend to learn how to play."

"The unprecedented number of adults taking piano lessons is due to the widespread discovery of the relaxation in music as a hobby and to new teaching methods that stress learning to play for personal entertainment rather than the concert stage."

"Most of the adult beginners are business men eager to escape from the nervous strain of their business life or housewives who have always loved music but felt they had no particular talent," he continued. Some of the parents feel a little sheepish at first about starting piano lessons along with their children, but they're quickly reassured when they learn how many of their contemporaries are doing the same thing.

"Teachers find that these grown-ups are excellent pupils," he said. "They practice their lessons faithfully and make progress much faster than average."

He suggested that the enthusiasm for music generated by National Music Week, which will be celebrated throughout the country from May 5 to 11, will increase still more the number of adults taking music lessons.

To celebrate the Seventh Anniversary of the opening of his restaurant at 1623 Mack avenue, A. Blessing, well-known East Side restaurateur, is offering from May 9 to 19 unusual and attractive dinners. Mr. Blessing's knowledge of the restaurant business dates back many years, and the present celebration seems likely to bring together many of the old friends and customers who knew him "in the old days," as well as hosts of new friends made in recent years.

This week sees the opening in Grosse Pointe, on Kercheval avenue between Cadioux and St. Clair, of a truly distinguished linen shop under the management of Helen Peppert in association with Fred B. Blockert of the Drake Hotel, Chicago.

Adding one more fine store to the splendid galaxy of business places already established in the Pointe, Peppert and Blockert have brought to this community a most outstanding establishment. The decorative motif of this store is ultra-modern and visitors at the opening on Wednesday, May 8th, were happily astonished at the general beauty and completeness of this beautiful store.

Dr. Arthur Newitt, State Health Department head, is not satisfied with the results obtained during the first month of the new dog quarantine, it was announced recently.

Newitt stated, "The first month was devoted to acquainting people and law enforcement officials that there is a quarantine and what it means. The new job is to check up on local enforcement and to supervise its operations. We are not satisfied with the enforcement obtained but we are confident it will get increasingly better."

Continuing, Newitt said, "Some counties are enforcing laws, some aren't doing anything. Some have no pounds, and others are impounding dogs but not destroying them."
The quarantine, proposed for at least six months, should "stamp out" all signs of rabies.

SOCIAL NOTES

A gala May Fete, sponsored by the Junior Women's Guild of St. Columba Church will be held on Friday, May 17, at 8 p. m. at 1021 Manistique. Bridge, bunco, etc. Dance to an accordion band. Table prizes, coffee or tea, free.

Mrs. Martin Breitmeyer, who has been so critically ill is now reported out of danger. Mrs. Breitmeyer has been a resident of Grosse Pointe Park for the last 18 years and resides with her husband at 1039 Bedford Road.

June T. Larson of 914 Beaconsfield and Henry K. Schock Jr., of 727 Grand Marais, Grosse Pointe Park, were recently initiated into Phi Beta Kappa, national honor society, at the University of Michigan.

Plans for a June wedding have been announced by Romayne Rasmussen, daughter of Mr. and Mrs. James Rasmussen of Moross Road, who will marry Kenneth J. Davis, son of Mr. and Mrs. Earl Davis of Collingham Drive. The wedding will take place on June 10 at St. Paul's on the Lake. Mrs. Alfred Roland, aunt of the bride-elect, will be matron of honor and Beverly Rasmussen, Barbara Lund and Helen Davis will attend her as bridesmaids. Mr. Davis has asked Elmer Biak to be his best man and the ushers will be Alfred Roland, Robert Leonard and John Roland.

The bride's father, Mr. Rasmussen, will give her in marriage.

The ladies of Beaconsfield and Lakepointe avenues, are sponsoring an all day baked goods sale in the parish hall on Maryland at Hampton on Saturday, May 11, for the benefit of St. Ambrose Altar Society. Donations of home-baked articles will be gratefully received.

Mothers can save themselves for the next day's celebration, Mother's Day, by visiting this sale and purchasing something home-made.

The young people of St. Clare parish are sponsoring a dance to be given on Friday, May 17. This spring frolic will be held in the school auditorium. Tickets can be obtained through the parish office. Everyone is welcome.

The Rosary Sodality of St. Joan of Arc Church is sponsoring a mother and daughter pot luck supper in the church hall on Monday, May 13, at 6 p. m. All mothers and daughters of the parish are cordially invited to attend.

A luncheon and card party will be held under the auspices of the Antler Unit 334, of the American Legion Auxiliary at the home of Henriette Harrison, 1346 Nottingham Road, on May 15, at 12:30 p. m. Table and door prizes will be given.

The following students from Grosse Pointe were recently initiated into Phi Kappa Phi, national honorary society, at the University of Michigan: Robert H. Jeffers, 1338 Nottingham Road; Gladys H. Kelsey, 1380 Kensington; Richard D. Morin, 509 Harrington; and John M. Stone, 1331 Berkshire.

Grosse Exaggerations?

(Continued from Page One)

We didn't know until recently that local domestic assistants refer to Grosse Pointe as "Little Glasgow." We can easily understand that phenomenon, but we can't understand why there are so many "classes" of Scotchmen. Apparently the various locales in Scotland differ from one another to the extent that when Scot meets Scot in this Country, they look up or down their noses, whichever the case might be. It's all a mystery to us, because the only kind of Scotch WE know—is always good with soda.

And that reminds us!
Not Pre-Shrunk
The buckskin trousers Ohio pioneers wore were seldom shrink-proof. Oftentimes a man's trousers would shrink so much in a rain that he had to cut them off.

Announces Navy Quota For May

Lieutenant Commander Carson Rial Miller, Navy recruiting officer in charge of the Michigan-Toledo area, announced today that the number of young men permitted to enter the Navy from this district would be restricted to approximately 100 for the month of May. Such young men to be selected by competitive examination.

Americans Give For European War Relief

During the first six months of the current European war the American people have given more than \$9,800,000 towards "war relief" in Europe and Asia, according to a report received by the Detroit Community Fund from the National Information Bureau.

Approximately 72 per cent or \$7,010,000 of this total has been received by 12 agencies. The amount includes contributions for expenditures both for rehabilitation of refugees from warring countries and within the belligerent nations.

The problem facing generous Americans is the question of which agency to give to, rather than of how much to give or for what cause to give, according to the report. There were some 400 local and national agencies soliciting "war relief" funds by April 1, 1940.

"Today, as in the last World War," the report continues, "a number of inefficient well-wishers, as well as unscrupulous promoters, are launching fund-raising drives, asking for money in the name of whatever cause currently has the most popular appeal. Unfortunately, the names of prominent citizens on a board of directors, as experience has repeatedly shown, is not sufficient guarantee of an agency's reliability. The way for generous contributors to give with complete assurance is to ask for full information."

Information on the reliability of national and international "war relief" agencies soliciting contributions from local citizens can be obtained from the Detroit Community Fund, Percival

Dodge, managing director, pointed out. He emphasized the importance of making certain that donations reach their proper goal and attain the desired results. Reports on the status of soliciting organizations is available to the Detroit

Community Fund through its affiliation with the National Information Bureau, a non-profit organization founded during the first World War to assist contributors throughout the United States in safeguarding their war relief gifts.

In the Village of Grosse Pointe Park, Wayne County, Mich.

The Assessment Roll for the Village of Grosse Pointe Park, Wayne County, Michigan, for the year 1940, having been compiled, a meeting for the purpose of Reviewing of same by the Board of Review will be held

Tuesday, May 14th and Wednesday, May 15, 1940

in the Council Chamber of this Village in the Village Hall, 15115 E. Jefferson Avenue, Grosse Pointe Park, Michigan, from 8:00 a. m. to 8:00 p. m. of each day.

All those deeming themselves aggrieved by said assessment may then be heard.

WM. G. STAMMAN,

Assessor.

Rabid Dog Captured in Grosse Pointe

A dog, discovered to be infected with rabies, was picked up by the Grosse Pointe Shores police last Monday morning.

A medical investigation at Herman Kiefer Hospital showed the animal to be suffering from this vicious disease. The dog was later identified by Mrs. Bennage of 60 Roslyn Road, as her pet. Patrolman Elmer Gabriel captured the canine.

A warning has been issued by the

board of health stating that any person living in Grosse Pointe Shores or Grosse Pointe Woods that has been bitten by a dog recently should go to his doctor at once. Also any dog owner who noticed a change in his pet's health should take it to a veterinary immediately.

No cases of dog bite had been reported to the Shores police, but attacked persons may have failed to turn in such a report.

Grosse Pointe Lutheran Church

"Believing with the Heart and Confessing with the Lips," will be the subject of the sermon at the Grosse Pointe Lutheran Church, worshipping in the Richard School auditorium, Kercheval and McKinley, Sunday morning, May 21, at 11 o'clock, preached by the Rev. M. Luther Canup, D.D., pastor.

A class of young people will make their confirmation at this service and the Lord's Supper will be administered. The confirmation class will come to the Holy communion for the first time.

This service will be in celebration of the Pentecost (Whit-Sunday), the founding of the Christian Church on earth and the hymns, scripture lessons and sermon will all center around this festival of the church year. Mrs. Adeline Doeping, soloist, will sing, "Oh Divine Redeemer" by Gounod.

A special feature of this service will be a Mother's Day program to which all mothers of the parish and the community are cordially invited.

Faith Lutheran Church

East Jefferson and Philip avenues. Roy D. Linhart, pastor; Wm. G. Wacke, assistant.

Sunday, 10:45 a. m.—Pentecost confirmation and communion service. A group of 72 adults will be received by confirmation and transfer at this inspiring service. The pastor's sermon theme will be, "The Mother Church." Both choirs will sing.

There will also be a communion service at 7:45 a. m.

Sunday School, 9:15 a. m.—There is an interesting class for everyone in which all will be made to feel at home. Junior Mission League, 6 p. m.—Annual parents' night. A splendid program has been planned for this event to which all junior mission leaguers and their parents are invited.

Tuesday, 10 a. m.—The Faith ladies society will be host to the Southern Michigan Ladies' Missionary convention of the American Lutheran Church. Over 700 are expected to attend. Noon luncheon will be served at the Savarine Hotel.

At 12:30 p. m.—Annual grandmothers' cradle roll party in the church gymnasium. An interesting program has been arranged, including prizes and favors.

Boy Scout meeting at 7 p. m. Thursday, 8 p. m.—Brotherhood meeting.

Alger Auxiliary

Another successful year has rolled by and the officers of the Alger Auxiliary for the coming year were installed on April 16 by our past department president, Sister Betty Hargraves. She was assisted by one of our own sisters who acted as installing conductress. After the installation beautiful gifts and flowers were given. Sister Eva Bartheau, the outgoing president, was presented with a beautiful electric roaster by all the members and officers of the auxiliary. There were 65 present including members of several other auxiliaries. We hope you had a good time, girls. Come again! A delicious lunch was prepared and served by all our past presidents. Sure was a grand lunch (especially the chicken). Everyone enjoyed it. Lots of success to the new officers! Let's all come out, support them and make their year an easy one.

On May 18 the auxiliary will hold its mother and daughter banquet at our home on St. Paul. All members and their daughters are cordially invited to attend. There will be entertainment. Come on mothers—give your daughters a treat and make this a big get-together for the auxiliary!

Don't forget, on May 23, the evening card party for men and women to be held at post headquarters, 17145 St. Paul. A lunch will be served and there will be table prizes and also door prizes. Everyone is cordially invited to attend. Come and get acquainted!

J. B.

Major Burns Henry Post No. 303

The membership dinner was attended by our president, Elva Nielsen, Clara Bishop, Betty Hoyt and Marion Del Barba. Our unit being on the winning side.

Mart Nielsen has been very sick lately, but at this writing he is quite a bit better.

Our chaplain's husband, Fay Stroud, is doing very nicely at Veterans' Facility, so ladies, drop in and see him or write him a line to ease the long hours away.

Next week I will be able to tell you who won the quilt.

Mother's Club Meeting

The Mothers' Club of Boy Scout Troop 250 will sponsor a book review and musical tea May 15, at 1:30 at Christ Methodist Church, Warren at Haverhill.

"The Loon Feather," by Ioda Fuller will be reviewed by Mrs. H. P. Chambers. Mrs. Mina Yager will give an organ solo. Mrs. Vera Burton, a vocal rendition, accompanied at the piano by Mrs. Yager. Mrs. Willmont Meed will present a reading.

NYA Helps Youth In Local Schools

Four thousand twenty-one Wayne County youth are being aided in continuing their education through the NYA school work program currently operating in 110 high schools in the county, according to Michigan National Youth Administration figures.

These young people work part time at jobs selected by school officials who are also responsible for administration of the program in their particular schools. A maximum of \$6.00 a month may be earned by a student for actual work performed.

In the majority of cases it has been learned that this money (averaging less than the maximum because the need for aid is nearly always over the allotted quota for the school) means the difference between staying in school and dropping out.

Besides receiving much needed financial assistance, students benefit from exploratory opportunities in different vocational fields. The present trend of the NYA has been to encourage the assignment of jobs so that students will receive experience in types of work they may follow in later life, in this way helping them to determine which work they have the interest and abilities to perform with greatest satisfaction.

Jobs to which students are assigned in no way infringe on the work of regular school employees.

In addition to those receiving help in this county, 16,087 are helped in 806 high schools throughout the State, and 6,345 are receiving similar help on the college and graduate work program operated by the NYA in 43 institutions.

Woods Church Holds Mother-Daughter Celebration

The Grosse Pointe Woods Presbyterian Church is staging its second annual mother and daughter banquet on Thursday night, May 16, at 6:30 o'clock in the Grosse Pointe Memorial Church.

A splendid program has been planned featuring the popular musical group, The Ford Dixie Eight.

All mothers and daughters of the community are invited to attend. Reservations must be in by Monday, May 13.

Trombly School Notes

The 3A children in the Trombly School have been studying about Switzerland. They learned that the Swiss people hold a Hay Sunday festival every year during the middle of August. The people are very happy on that day because the hay which they will use to feed their stock during the long, cold winter has been cut and stored in the barns. This holiday is celebrated by games, singing and dancing.

The assembly which the children presented illustrated the Hay Sunday festival. The children first played a game called "Here Comes An Old Lady from Switzerland." Then several Swiss folk songs were sung. These were followed by folk dances common to the Swiss. Every child in the group participated in the assembly. Each child made his own costume with the help and direction of Mrs. Jacobson, one of the mothers. The children made the mountain scenery which helped to make the festival seem real to the audience. Other grades and many mothers were guests.

Kroger Stores Insure Quality

Charged with safeguarding the purity and quality of products sold in Kroger stores is the Kroger Food Foundation, an independent research organization in Cincinnati, staffed by food chemists, home economists and other research experts.

Currently Kroger stores are observing their 58th anniversary with a birthday sale during which "insured savings" is the theme employed. Kroger brand items featured during this event bear the Food Foundation's seal of approval, awarded by this scientific organization only after products have been tested thoroughly and approved.

Although work of the Food Foundation has been especially highlighted during the anniversary sale, the organization maintains a day-by-day check on the quality of all items sold in Kroger stores.

Last year the Food Foundation staff worked on more than 750 specific projects, completing careful research studies, or developing products on which suggestions had been made by customers, store personnel or by the Kroger manufacturing department. During the same period, 21,500 routine tests were completed, including sampling products from shipments of goods to branches of the company and inspecting samples taken from produc-

JOB PRINTING of the better kind done by the Grosse Pointe Printing Company, 15121 Kercheval Avenue.

tion lines of Kroger manufactured items.

However, the foundation does not confine its experimental and development work to Kroger-manufactured goods. Frequently it works with other manufacturers who are eager to improve their products.

Village of Grosse Pointe Farms

NOTICE

At a meeting of the Council of the Village of Grosse Pointe Farms held on Monday, May 6th, 1940, the Clerk of the Village was directed to issue an official statement on the subject of the assessments and the tax rate. Misstatements in recent issues of the Grosse Pointe Review occasioned this action. The official statement is as follows:

"The Council has no authority or control over the Village assessments. These matters are entirely within the statutory province of the Assessor and the Board of Review, which will meet on May 23, 24 and 25, between the hours of 9:00 A. M. and 4:00 P. M. (E.S.T.) to review the action of the Assessor. The determination of the tax rate is a mechanical matter involving merely the application of the total assessments to the total appropriations as contained in the budget approved by the Council. Until the assessment roll is completed the tax rate can not be fixed. No person or officials have been authorized to speak for the Council on these subjects, except as set forth in this official statement."

HARRY A. FURTON, VILLAGE CLERK Village of Grosse Pointe Farms.

An Ordinance

TO REGULATE THE TYPE, CONSTRUCTION AND HEIGHT OF FENCES IN THE VILLAGE OF GROSSE POINTE WOODS.

THE VILLAGE OF GROSSE POINTE WOODS ORDINANCE:

Section 1. It shall be unlawful for the owner or occupant of premises in the Village of Grosse Pointe Woods to erect, place or install any fence, or to plant or permit the planting of any shrubs, bushes or hedges to be used as fences, or to maintain the same in violation of the provisions of this ordinance.

Section 2. The term "fence," for the purpose of this ordinance, shall be deemed to mean any structure erected or placed, or any shrubbery planted in, along or near the property line of any premises for the purpose of enclosing, in whole or in part, such premises.

Section 3. Fences constructed in the front portion of any parcel of property from the front main building line to the front and/or side street lines shall be constructed of open lattice work of metal, wood or similar substance, or of woven wire, in such a manner so that vertical openings of at least three (3") inches in width shall be provided from the ground to the top of such fence, and provided that such openings shall be so placed so that at least fifty (50%) per cent of the length of such fence shall consist of such vertical openings. No such fence shall be less in height than twenty-four (24") inches nor more in height than thirty (30") inches measured from the sidewalk grade line. No such fence shall be so constructed as to have sharp points at the uppermost portion thereof.

Section 4. Shrubs, bushes or hedges planted in the front portion of any parcel of property, to be used in the place of structural fencing, shall in no event be permitted to reach a height of more than thirty (30") inches measured from the sidewalk grade line to the top of such shrub, bush or hedge.

Section 5. Fences constructed in the rear portion of any parcel of property

from the front main building line to the rear lot line shall be constructed of open lattice work of metal, wood or similar substance, or of woven wire, in such a manner so that vertical openings of at least three (3") inches in width shall be provided from the ground to the top of such fence, and provided that such openings shall be so placed so that at least fifty (50%) per cent of the length of such fence shall consist of such vertical openings. No such fence shall be greater in height than four (4) feet measured from the sidewalk grade line. No such fence shall be so constructed as to have sharp points at the uppermost portion thereof.

Section 6. Shrubs, bushes or hedges planted in the rear portion of any parcel of property from the front main building line to the rear lot line, to be used in place of structural fencing, shall in no event be permitted to reach a height of more than four (4) feet measured from the sidewalk grade line to the top of such shrub, bush or hedge.

Section 7. It shall be the duty of the owner or occupant of premises upon which shrubs, bushes or hedges are planted for use in the place of structural fencing, to keep such shrubs, bushes or hedges trimmed in conformity with the provisions of this ordinance, and upon failure to do so, the Village Commission may cause such shrubs, bushes or hedges to be trimmed, and assess the cost thereof to the owners of such property.

Section 8. Shrubs, bushes and hedges heretofore planted, to be used in the place of structural fencing, upon premises situated within the Village, shall be made to conform to the requirements hereof within twenty (20) days from the enactment of this ordinance, and upon failure of the owner or occupant of any premises to so comply with the provisions of this ordinance as herein required, the Village Commission may cause such shrub, bush or hedge to be trimmed in accordance with the provisions hereof, and to assess the cost thereof against the owner of such property.

Section 9. Any person, firm or corporation, its, his, her or their agents or employees, who shall violate or assist in the violation of the provisions of this ordinance shall be punishable by a fine not to exceed \$100.00, or by imprisonment in the Village or County jail for a term not to exceed 90 days, or both such fine and imprisonment may be imposed in the discretion of the court. For each day that a violation of the provisions of this ordinance is permitted to exist, the same shall constitute a separate and distinct offense and shall be so punishable.

Section 10. All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby expressly repealed.

Section 11. This ordinance shall take effect twenty (20) days from the date of its enactment.

PHILIP F. ALLARD, Village Clerk. Published May 9, 1940.

Poker Chip Trouble It's no news for poker chips to be causing trouble, only in this case the trouble comes even before they are put into play. Paper Mill Workers union, Local 215, of Milwaukee, has sent a letter of protest to Washington asking that each Japanese-made chip be required to carry the label "Made in Japan."

Legal Notice Second Insertion ORDER FOR PUBLICATION 280,715

STATE OF MICHIGAN, County of Wayne, ss. At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the twenty-second day of April in the year one thousand nine hundred and forty.

Present THOMAS C. MURPHY, Judge of Probate. In the Matter of the Estate of MARY ANN RUSSELL, Deceased.

On reading and filing the petition of MARGARET LYNN, praying that administration of said estate be granted to herself or some other suitable person:

It is ordered, That the Twenty-Third day of May, next, at ten o'clock in the forenoon at said Court Room be appointed for hearing said petition.

And it is further Ordered, That a copy of this order be published three successive weeks previous to said time of hearing, in The Grosse Pointe Review, a newspaper printed and circulating in said County of Wayne.

St. James Lutheran Church Approximately a dozen men met at the home of Mr. and Mrs. August Foote on University on Tuesday last week, adopted a constitution, resolved to organize a Lutheran congregation and gave it the name of St. James Lutheran Church.

Other meetings will be held in the near future so that further steps might be taken to place the work of the new church on a solid foundation. Among the items of business to be given attention will be the calling of a permanent pastor.

In the meeting last week the congregation resolved to make application for membership in the English district of the Lutheran Missouri Synod. Action on this application will be taken at a convention of the English district next month.

The services of this church are at present being held in the library of Grosse Pointe High School. The time of the service is 11 o'clock. Rev. George Kurz is temporarily in charge. The Sunday School meets at 9:45 o'clock, adjourning at 10:45 a. m.

Messiah Lutheran Southeast corner of Kercheval and Lakewood avenues. A. H. A. Loeber, pastor, 1434 Lakewood avenue. Telephone Lenox 2121.

Next Sunday, May 12, being the 50th day after Easter, the congregation will observe Pentecost Sunday, the Festival of God the Holy Spirit. The service will begin at 11:15 a. m.

Since next Sunday also happens to be Mother's Day, a red bouquet will be placed on the altar in honor of living mothers, and a second bouquet,

made up of white flowers in memory of mothers who have departed this life. The Sunday School will be in session from 10 to 11 o'clock. In the service on Sunday, May 19, a group of children of various ages will receive the Sacrament of Holy Baptism. Parents who are interested in having a child in this group should get in touch with the pastor.

Special Mother's Day Church Services All mothers of the parish and the neighborhood are cordially invited to attend the special Mother's Day services at the Grosse Pointe Lutheran Church, worshipping in the Richard School auditorium, Kercheval and McKinley, Sunday morning, May 12, at 11 o'clock.

Each son or daughter bringing his or her mother will go on the Mother's Day honor roll and each mother will be presented with a beautiful rose. Mrs. Adeline Doeping, a teacher and soloist, will sing to the mothers "O Divine Redeemer." Dr. M. Luther Canup, the pastor, will deliver a short address on "Mothers the Makers of Empires."

ADVERTISE IN THE REVIEW.

National Librarian Boosts Rabaut

Archibald MacLeish, Pulitzer prize poet and new librarian of Congress, recently acknowledged the work of a Michigan representative, Congressman Louis C. Rabaut, Democrat, of the 14th Congressional District.

In one of the first expressions of its kind ever to come from a Librarian of Congress, MacLeish this week addressed a letter to the editor of the Washington Post, publicly thanking Representative Rabaut for his "conscientiousness in the public interest" during the hearings on the Legislative Establishment Appropriation Bill for 1941. The tribute was remarkable in that the committee, over which Representative Rabaut presides as chairman, had denied the library \$740,730 of the \$1,081,521 in increased appropriations sought by the librarian.

After remarking on Mr. Rabaut's work specifically, the letter concluded: "Congress and congressional committees are so rarely credited with the conscientiousness in the public service which they so commonly show that it seems to me important to call attention to this year's hearings and reports on the library's appropriations. These documents should persuade their readers that members of the Senate and House charged with the duty of providing for the great library which is so essential to the entire world of American learning have studied its needs

and are aware of its problems and can be counted on to further its purposes."

Congressman Rabaut's bill, providing for the salaries, maintenance and operating expense of 10 major federal establishments, including Congress itself, appropriated \$23,907,774 and was nearly two million dollars under budget estimates as passed by the House last month. It provides for all expenditures during 1941 of the following establishments in addition to the library: The Senate, House of Representatives, Capitol police, joint committee on printing, offices of the legislative counsel, joint committee on internal revenue taxation, architect of the capitol, botanic gardens, the government printing office and the three office buildings used by members of the House and Senate.

Previously Representative Robert Rich, ranking minority member, had told the House that "Congressman Rabaut displayed business judgment and ability in everything he did in handling the hearings and I have not seen anything like it on any appropriation committee for several years."

Hospital Sponsor 'National Day'

You are cordially invited to visit your community hospital on National Hospital Day, Sunday, May 12. It is an occasion on which the hospital is glad to welcome many friends in order that it may show you what the hospital is accomplishing in behalf of the patients and the community. Pay a visit to your community hospital on National Hospital Day, Sunday, May 12. Your hospital will welcome you as their guest at "open house" to see what goes on behind the scenes in the hospital.

The hospital has become an important factor in community life. It is a place, not only for the scientific and sympathetic care of the sick, but also for teaching and research. It is, in fact, a health center.

Florence Nightingale was born on May 12 in the year 1820 and instituted modern nursing services. It is indeed most fitting that this memorable day should fall on Mother's Day. Let us, therefore, commemorate the day in doing honor to Florence Nightingale, the mother of nursing.

Woods Building Permits Tallied By Clerk

The total number of building permits issued in Grosse Pointe Woods during the month of April has recently been compiled by the office of Philip Allard, Village clerk.

The report shows 50 permits issued, totaling \$301,955 in estimated value.

Spain Owned U. S. Land
Spain once owned the major part of the land now constituting the United States.

Social Security Benefits Explained

Persons who may become eligible for monthly payments under the Social Security Act in the second quarter of this year are now being notified of their rights under the amended program of old age and survivors insurance.

Letters are being mailed to many persons in the East Side area, it was announced today by Elmore E. Pollock, manager of the field office of the Social Security Board at 8037 Harper at Van Dyke. Outlining the plan which is being used to inform older workers of the possibility of obtaining monthly payments Mr. Pollock said:

"We know from the original applications for social security account numbers what residents of our area will reach age 65 during April, May and June of this year. Our wage records also show which of these persons have earned sufficient pay in employment covered by the Social Security Act to qualify for monthly payments on retirement at or after age 65.

"Persons receiving these letters may have no intention of retiring. If regularly employed they will earn more than their monthly payment amounts after retirement. But such persons may want to know about the amount they will receive, if they retire. In some cases it may be desirable to file the claims for monthly benefits at this time, even though retirement comes months later.

"Our advice to such persons is that they contact our office and find out just what their status is under the Social Security Act. Some workers who were over 65 when the Act went into effect may retire this quarter and receive benefits, if they have earned \$50 or more in commerce or industry during each of the last six quarters.

"Because a worker does not receive such a letter is no reason why he may not be entitled to benefits. For that reason we invite any workers who are now reaching age 65 to consult us to learn their status as in some cases it may be advisable to file claims now rather than later. This applies only to those workers who have had jobs covered by the Social Security Act. Old-age and survivors insurance is paid only to those who have been thus employed," Mr. Pollock added.

ARMI MINERAL WATER

(Artificially Mineralized)
FACTS ABOUT ARMI

(By C. C. JORDAN, Medical Director)
16281 Hamilton Ave., Detroit, Mich.

A few years ago a group of scientists evolved a water that contains minerals in such a form that when these minerals are taken into the blood stream they cause the cells to eliminate the toxins, reduce the acidity and consequently furnish the cells the minerals they need. This mineral water was named Armi and the chemical results obtained with this water have been very remarkable.

"BEYOND THE BENCH"

By **JUDGE THOMAS F. MAHER**
Of Traffic Court

Experience
"The automobile has greatly increased the mobility of men and has almost freed mankind from the limitations of time and space. But with the development of the motor vehicle as an indispensable means of transportation, the very serious problem has been created of moving traffic efficiently and, at the same time, safely. Nothing could be more intimate or complicated than our traffic safety problem because the automobile has become an important factor in the life of every man, woman or child using our city streets. The manner in which a motor vehicle is operated is of vital concern to everybody.

"All of us are familiar with the saying, 'Experience is the best teacher.' How can we apply experience as a teacher to traffic safety?
"When a lesson can be learned without serious harm to the student, experience is indeed the best, and often, the only teacher. However, when the process of learning results in property damage, injury or death, experience has been too severe a teacher. I would say that when traffic safety is the lesson, experience is the best teacher only when it is somebody else's experience. Death, broken bones, months in the hospital, or time spent in traffic court, all add up to costly tuition for one's education in safety on streets and highways.

"If you wish to avoid this costly tuition apply the sad experiences of other motorists and pedestrians to yourself. Realize the tragic possibilities of all your actions, whether operating an automobile or crossing a street on foot, and act accordingly!"

Neighborhood Club

Any midget or junior hardball teams desiring to enter the Neighborhood Club League should attend the meeting to be held at the club on Tuesday, May 14, at 4:15 p. m.

The Gamma Gammas are sponsoring a roller skating party at Eastwood Park on Tuesday evening, May 15. Obtain all tickets at the Neighborhood Club.

Open house will be held at the Neighborhood Club on Tuesday, May 14, from 10 to 10. It is hoped that everyone will take the opportunity to visit their community center supported by the community fund on this "Follow Your Dollar Day."

"The abundance of peace and truth"

PEACE is not a surface condition. It is not a mere feeling of well-being, considered in relation to the individual or to society. It is deep-founded, fundamental. It is not negative; it does not result from indifference. In fact, peace can be found only in clear thinking, humbly maintaining an ideal even in the face of odds; it is not found in merely drifting with the tide of contemporary beliefs. The characteristic of peace is co-operation. This is national as well as individual character developed.

True character is expressive of spiritual virtues. It furnishes evidence that real existence is not, as unenlightened materialism pretends, the spot of forces divided between good and evil. Spiritual truth preaches that the achieving, conquering, sustaining laws of being are entirely spiritual, that man is spiritual, and that real existence is governed by divine laws.

Christians, scientific thinking proves man's divinely bestowed dominion. This is the opposite of personal domination, for domination comes from that faith in matter which breeds fear and selfishness. Dominion, on the other hand, is found in knowing God's infinitude. . . . It would not be convincing to pray that God's will be "done in earth, as it is in heaven," unless it were understood that God's bountiful provision for His idea, man in His likeness, is humanly available in terms of health, goodness, joy, and opportunity. Jesus' great healing work, done in accord with the divine will, clearly proved that the Christly understanding of spiritual being can dispel the effects of disturbing fears and theories.

Amid world-wide turmoil, or when pressed by difficulties of a more personal nature, we often find it hard to behold God's supremacy and man's likeness to Him. Then, however, we can learn that the five physical senses see nothing accurately, and prove that the safe way involves a denial of frightening sense impressions and a sure use of hope and faith, based upon an understanding of God as Love, divine Principle. Jesus rebuked some because they could "discern the face of the sky," but could not "discern the signs of the times" (Matthew 16:3). Whole customary reliance fall, the "signs of the times" indicate our need to know God aright and to prove our relationship to Him more humbly and consistently.

The shortcomings of ourselves or others should not discourage us, but rather should rouse us to rely upon the truth stated by Mary Baker Eddy where she writes (Science and Health with Key to the Scriptures, p. 6), "Divine Love corrects and governs man." If we doubt this and are troubled by the apparent activity of evil, we need to gain a more full understanding of divine love, for the divine is ever unconfined, universal, all-embracing. Knowing this, we protect ourselves from the temptation to become dictatorial or to assume a false sense of responsibility.

In spiritual peace that we all need, and as we find this by realizing that man is God's inseparable image and likeness, we learn to love harmoniously with others. Mrs. Eddy writes (The First Church of Christ, Scientist, 1851, p. 277), "The characters and lives of men determine the peace, prosperity, and life of nations." Character based on spiritual strength includes humility and generosity, readiness to praise and retrace, to condone, patience and hope. True character minds its own business, and finds in expressing spiritual ideas a satisfying activity, rich in promise for society and in reward for the individual.

Belief in materiality incites men to greed, hatred, fear, and other promoters of discord. This false impulsion is the seeming opposite of the inspiration of Spirit, God, who endows creation with the love and intelligence which perpetuate harmony. Speaking to the houses of Israel, in captivity, Jeremiah voiced God's promise as universally available (Jeremiah 31:34): "Behold, I will bring them health and cure, and I will cure them, and will reveal unto them the abundance of peace and truth." —The Christian Science Monitor.

Rent that vacant room through a Grosse Pointe Review line.

Christian Science Church

"Adam and Fallen Man" will be the subject of the lesson-sermon in all Christian Science Churches throughout the world on Sunday, May 12. The Golden Text (John 3:6) is: "That which is born of the flesh is flesh; and that which is born of the Spirit is spirit."

Among the Bible citations in this passage (Genesis 1:26): "So God created man in his own image, in the image of God created he him; male and female created he them."
Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 267): "The offering of God start not from matter of ephemeral dust. They are in and of spirit, divine mind, and so forever continue."

No Camel Hair in Brush
There is no camel's hair in a camel's hair brush. It is made of squirrel hair.

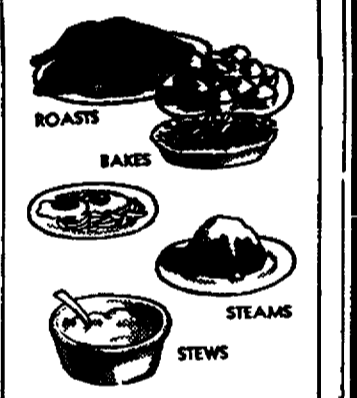

FINE FOR summer cottages.

A SUMMER cottage need not mean makeshift meals—even without a stove. Today you can enjoy meals equal to those of the finest hotel—and spend little time preparing them. An electric cooker is the answer.

This electric cooker does a complete cooking job!

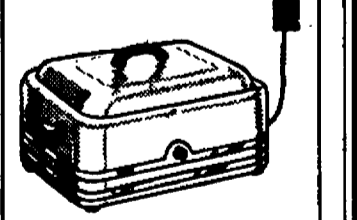

Here is a compact, efficient electric cooking device that performs every job possible on a large stove. It will bake, roast, steam, and stew. It will

cook a complete meal at one time—and do it while you are out for the afternoon. It brings you genuine electric cooking at low cost.

Plugs in anywhere

This electric cooker operates from any convenience outlet . . . you can use it anywhere. It is ideal for summer entertaining or for year round use. It will cook for 2 to 10 people, and it can be tucked away in a corner between-times. This summer, let this helpful electrical servant bring you many added hours of leisure—and the finest cooking that money can buy!

80,000 OF YOUR NEIGHBORS now use these electric cookers. See them on display—in many different sizes and models—in furniture and department stores, hardware stores, electric appliance dealers and all Detroit Edison offices. The Detroit Edison Company

Oriental Pagodas
Oriental pagodas are idol houses constructed with a peculiar form of towers and having an uneven number of stories from three to eleven.

Forecastle of a Ship
The forecastle of a ship is the enclosed portion forward on the main deck, generally used for seamen's quarters.
