

WOODS SCHOOL PROBLEM STUDIED

Purchase of Additional Land Plus Alterations Will Cut Over-Crowding

These moves to deal with the huge population and school enrollment increases in the Grosse Pointe Woods area of the Grosse Pointe School District are being made by the committee's board of education, it was announced this week.

The first, second, third and fourth grade pupils from the Grosse Pointe School District's portion of Gratiot Township were transferred to three classrooms in the Vernier School. A fourth classroom was opened there last September.

A careful study is being given to the question of an addition to the Stevens T. Mason Elementary School on Vernier Road, where enrollment increases have been the largest.

An eighth classroom was obtained at the seven-classroom Mason School in January, 1939, by utilizing the school library. Since then the pupil lunch room and the teachers' rest room have both been converted into classrooms.

Building Committee Of Woods Community Club Holds Meeting Tonight

The building committee of the Grosse Pointe Woods Community Club will hold a meeting tonight in the Municipal Building at 7 o'clock.

Mack Avenue Widening Project Approved

Byron J. Rockwood, Grosse Pointe Park's new Village manager, announced yesterday that the Wayne County Road Commission has approved a project to widen Mack avenue between Wayburn and Balfour.

Library Announces Summer Reading Plan

The Grosse Pointe Public Library...

NOTICE Due to the Fourth of July holiday occurring on Thursday, The Grosse Pointe Review will be distributed on Tuesday of next week.

Skid Sends Car Into Gratiot Township Roadside Ditch

Skidding on wet pavement, a car in which two Detroiters were riding, overturned and slid into a roadside ditch on Harper avenue near Ridgmont at 6 a. m. last Sunday.

Park Firemen Rescue Animals From Burning Garage

Grosse Pointe Park firemen rescued a mother dog, five puppies, several chickens and a flock of pigeons from a burning garage at 1008 Lakeshore last Saturday morning.

Rain Cancels All League Ball Games

All games...

Reduce Home Taxation!

A Discussion by Arthur W. Sampliner, Candidate for First District State Senator.

Detroit is fundamentally a city of homes. Homes of the young, homes of the old, and homes of the middle-aged. It is these homes which are the backbone of American democracy.

Two weeks ago the government of the City of Detroit announced the highest tax rate in this city's history. A tax rate so high and so heavy that its smothering hand will be felt in every phase of our city's economic life.

Golf Course Donates Week's Revenue To American Red Cross

The complete proceeds of the Grosse Pointe Woods Golf Club for the week of July 15 to 20, have graciously been contributed to the American Red Cross for the continuation of their marvelous war relief work.

Grosse Exaggerations?

The office of A. Eylon, writer of Grosse Exaggerations, is being vacated for the summer. Miss Eylon will be back with us again early in September.

Salary Cuts In Park Fire Dept.

Thomas T. Pettit, Grosse Pointe Park's commission of public safety, announced at a board meeting last Monday night that the fire chief and assistant chief had been given salary cuts for the sake of economy.

Woods School Problem Studied

The complete proceeds of the Grosse Pointe Woods Golf Club for the week of July 15 to 20, have graciously been contributed to the American Red Cross for the continuation of their marvelous war relief work.

Women's Republican Club President Issues Urgent Message

To all members of the Women's Republican Club of Grosse Pointe and all members of the Grosse Pointe Association:

In view of the various international and national situations, I appeal to you to make a contribution to the American Red Cross for the continuation of their marvelous war relief work.

The Mason School was given relief in September, 1939, by the reopening of the Vernier School. Elementary pupils from Grosse Pointe Shores, plus...

Head-On Collision Injures Two

Several Grosse Pointe residents were injured early last Saturday morning, when two cars collided head-on near Mack avenue and Oxford Road in Grosse Pointe Woods.

A water-pipe construction, which has torn up Mack avenue near the Torrey Woods subdivision, forced a car driven by Mildred Flury, 7, of 67 Oak street, to swing over onto the left side of the road and into the path of an approaching automobile.

Raymond Hilgendorf, 32, of 334 Ridge, was taken to Saratoga General Hospital with temporarily serious injuries. Rosie Reno of 326 Ridge, was believed to have suffered a nose fracture. Both of the injured persons were occupants of Miss Flury's car.

Small Changes Made In Woods Zoning Law

The zoning ordinance which was unanimously approved and put into effect by the Grosse Pointe Woods Village Commission last week, has been altered slightly from the form in which it was published in a recent issue of 'The Grosse Pointe Review.'

Village President Alois Ghesquiere stated that in its original form the ordinance provided for the appointment of a board of appeals to hear and act on all complaints. This section has been rewritten to permit the six-man board of commissioners to also sit as the board of appeals. Each commissioner's term on the board of appeals will coincide with his elected term of office.

Added to the list of prohibited types of structures and businesses was the controversial bowling alley. However, this clause does not forbid completion of the recreation center already under construction, for the permit for this structure was obtained before passage of the ordinance.

In the last 18 years several surveys of the future building needs of the school district have been made by various outside experts. Charles A. Parcella, president of the Board of Education, said "All have indicated a probable eventual need for three or four junior high schools. The more recent surveys have predicted that four will eventually be necessary if community growth continues.

Dr. A. Z. Rogers, the members found themselves fined small sums for every conceivable reason. Some members were fined for wearing ties and some were fined for not. One happy man was fined for becoming the proud father of a baby girl. Alois Ghesquiere was honorably fined for being president of the Village.

The school district by earlier purchasing is able to get sites of sufficient size without having to pay for buildings and other improvements that have been erected. Among recent favorable comments on this policy, the School Board has received the following letter from Frederick D. Everts, well-known real estate expert:

"I have been asked a number of times concerning my views on the advantages and desirability of the purchase by the Board of Education of the property at the corner of Vernier and Mack for a future Junior High School site.

"As the owner of considerable property in Grosse Pointe, I am a fairly large taxpayer and consequently am interested in the judicious exercise of economy in public expenditures. However, since you will need another Junior High School, I believe the board is using good foresight in anticipating their needs and acquiring a property now rather than delaying the acquisition of land until the proper size tract would either be unavailable or exorbitantly priced.

"Considering the rapid development taking place in Grosse Pointe Woods, it is reasonable to assume that if this development continues at the same rate, this particular site will not be available at a future date, and also that its value will enhance in the next five or ten years to more than justify the investment at the present time."

Next week's schedule matches Grosse Pointe Farms and Bower Rollie Bear. Grosse Pointe Woods plays host to Grosse Pointe Shores, St. John of Arc meets Grosse Pointe Park at Kerby Field and Carried A. C. meets Gratiot Township.

Business Men Enjoy 'Fine Day'

In an effort to raise a small fund to cover incidental expenses, the Grosse Pointe Woods Business Men's Association inaugurated a hilarious "fine day" during last Monday's noon luncheon-meeting.

Under the watchful eye of President Dr. A. Z. Rogers, the members found themselves fined small sums for every conceivable reason. Some members were fined for wearing ties and some were fined for not. One happy man was fined for becoming the proud father of a baby girl. Alois Ghesquiere was honorably fined for being president of the Village.

A short discussion by members who maintain downtown offices and find it hard to attend noon meetings was heard. However, the majority of the local men favored the present 12 o'clock hour and it was decided to keep the original time.

Alger Drum And Bugle Corps Wins State Title

The junior drum and bugle corps of V. F. W. Post No. 995, 17145 Maumee, cut themselves a niche in the hall of fame last week-end when they won the Michigan State championship held at Benton Harbor.

Competing against five other posts, the local boys proved the finest in the State and were awarded the \$75 cash prize.

The boys traveled to and from Benton Harbor in a bus donated by Mrs. Fred Murphy.

The senior drum and bugle corps championship was won by the Wayne County Council.

At the annual meeting of the Historic Memorials Society, held recently at the home of Mrs. Edward S. Evans Sr., on Three Mile Drive, the following officers were elected and installed: Mrs. Charles Horton Metcalf, president (for the 19th consecutive year); Mrs. Louis Gascoigne, first vice-president; Miss Carolyn S. McGraw, second vice-president; Mrs. Robert June, chaplain; Mrs. Walter C. Pomeroy, recording secretary; Mrs. Charles H. Mooney, corresponding secretary; Mrs. Florence H. Dow, registrar; Mrs. Herbert F. Poehle, historian; and Mrs. Elias Ben Lyons, custodian. A silk American flag was presented by Mrs. C. E. Pratt, in memory of her mother, Mrs. William H. Dearborn, a former member.

Women's G.O.P. Council Holds Meeting

Mrs. A. W. Humphrey of Chalmers avenue will be the speaker at the June meeting of the Wayne County Council of Women's Republican Clubs, Friday, June 28, at the home of Mrs. Ella Fitzpatrick, Montclair avenue. The meeting of the board will be held at 12 o'clock, Mrs. Edwin C. Koraback, council president, has announced. Potluck luncheon will be served at 12:30, followed by the general session.

Program chairman, Mrs. Elizabeth Sammond, has requested Mrs. Humphrey to give the council meeting the important phases and high points of the Republican national convention at Philadelphia, from which Mrs. Humphrey has just returned.

Historic Memorial Society Holds Annual Meeting

At the annual meeting of the Historic Memorials Society, held recently at the home of Mrs. Edward S. Evans Sr., on Three Mile Drive, the following officers were elected and installed: Mrs. Charles Horton Metcalf, president (for the 19th consecutive year); Mrs. Louis Gascoigne, first vice-president; Miss Carolyn S. McGraw, second vice-president; Mrs. Robert June, chaplain; Mrs. Walter C. Pomeroy, recording secretary; Mrs. Charles H. Mooney, corresponding secretary; Mrs. Florence H. Dow, registrar; Mrs. Herbert F. Poehle, historian; and Mrs. Elias Ben Lyons, custodian. A silk American flag was presented by Mrs. C. E. Pratt, in memory of her mother, Mrs. William H. Dearborn, a former member.

Mrs. Gascoigne and Mrs. June conducted the memorial service; the flowers used were sent afterward to Mrs. Frederick C. Gilbert, who was ill.

The executive committee chosen to serve with Mrs. Metcalf are Mrs. Frederick C. Gilbert, Mrs. Albert L. Hart, Mrs. Henry B. Joy, Mrs. D. D. Spellman and Mrs. Alfred G. Wilson.

The loss of revenue from this source might easily be made up by a realistic revision of the intangible tax. Such a revision, abandoning the present theoretically insufficient and impractical measures adapted at the last session, I will discuss at a later time.

Women's G.O.P. Council Holds Meeting

Mrs. A. W. Humphrey of Chalmers avenue will be the speaker at the June meeting of the Wayne County Council of Women's Republican Clubs, Friday, June 28, at the home of Mrs. Ella Fitzpatrick, Montclair avenue. The meeting of the board will be held at 12 o'clock, Mrs. Edwin C. Koraback, council president, has announced. Potluck luncheon will be served at 12:30, followed by the general session.

Program chairman, Mrs. Elizabeth Sammond, has requested Mrs. Humphrey to give the council meeting the important phases and high points of the Republican national convention at Philadelphia, from which Mrs. Humphrey has just returned.

Historic Memorial Society Holds Annual Meeting

At the annual meeting of the Historic Memorials Society, held recently at the home of Mrs. Edward S. Evans Sr., on Three Mile Drive, the following officers were elected and installed: Mrs. Charles Horton Metcalf, president (for the 19th consecutive year); Mrs. Louis Gascoigne, first vice-president; Miss Carolyn S. McGraw, second vice-president; Mrs. Robert June, chaplain; Mrs. Walter C. Pomeroy, recording secretary; Mrs. Charles H. Mooney, corresponding secretary; Mrs. Florence H. Dow, registrar; Mrs. Herbert F. Poehle, historian; and Mrs. Elias Ben Lyons, custodian. A silk American flag was presented by Mrs. C. E. Pratt, in memory of her mother, Mrs. William H. Dearborn, a former member.

Mrs. Gascoigne and Mrs. June conducted the memorial service; the flowers used were sent afterward to Mrs. Frederick C. Gilbert, who was ill.

The executive committee chosen to serve with Mrs. Metcalf are Mrs. Frederick C. Gilbert, Mrs. Albert L. Hart, Mrs. Henry B. Joy, Mrs. D. D. Spellman and Mrs. Alfred G. Wilson.

A new tractor, which has been delivered and will be put into service as soon as possible. An attached trailer will enable the tractor to mow woods growing in vacant lots. In the winter, the tractor will tow a snow plow.

New Association Proposed In Woods

A new progressive association was proposed in Grosse Pointe Woods during a recent meeting at which members of six different resident-owners' associations in the Village were present. These members will present to meetings of their respective associations a plan of representation in the new association.

The purpose of the new association will be to form a clearing house for and to correlate activities and ideas of the member resident-owners' groups.

Historic Memorial Society Holds Annual Meeting

At the annual meeting of the Historic Memorials Society, held recently at the home of Mrs. Edward S. Evans Sr., on Three Mile Drive, the following officers were elected and installed: Mrs. Charles Horton Metcalf, president (for the 19th consecutive year); Mrs. Louis Gascoigne, first vice-president; Miss Carolyn S. McGraw, second vice-president; Mrs. Robert June, chaplain; Mrs. Walter C. Pomeroy, recording secretary; Mrs. Charles H. Mooney, corresponding secretary; Mrs. Florence H. Dow, registrar; Mrs. Herbert F. Poehle, historian; and Mrs. Elias Ben Lyons, custodian. A silk American flag was presented by Mrs. C. E. Pratt, in memory of her mother, Mrs. William H. Dearborn, a former member.

Mrs. Gascoigne and Mrs. June conducted the memorial service; the flowers used were sent afterward to Mrs. Frederick C. Gilbert, who was ill.

The executive committee chosen to serve with Mrs. Metcalf are Mrs. Frederick C. Gilbert, Mrs. Albert L. Hart, Mrs. Henry B. Joy, Mrs. D. D. Spellman and Mrs. Alfred G. Wilson.

All available spots in Scout Camp Brady and Billy Mills has been reserved for most of the 1940 camping season which opens Sunday, June 30.

Rose Beetles Found In Park Gardens

Several complaints have been received by Grosse Pointe Park's Village manager, Byron J. Rockwood, recently concerning attacks on rose bushes in local gardens by swarms of rose beetles.

In reply to a letter to the Michigan Agriculture Department, Rockwood received the formula of a poison used to destroy these insects. It consists of one tablespoon of 40 per cent nicotine sulphate, and one quart of hot soap suds, applied through an atomizer.

Historic Memorial Society Holds Annual Meeting

At the annual meeting of the Historic Memorials Society, held recently at the home of Mrs. Edward S. Evans Sr., on Three Mile Drive, the following officers were elected and installed: Mrs. Charles Horton Metcalf, president (for the 19th consecutive year); Mrs. Louis Gascoigne, first vice-president; Miss Carolyn S. McGraw, second vice-president; Mrs. Robert June, chaplain; Mrs. Walter C. Pomeroy, recording secretary; Mrs. Charles H. Mooney, corresponding secretary; Mrs. Florence H. Dow, registrar; Mrs. Herbert F. Poehle, historian; and Mrs. Elias Ben Lyons, custodian. A silk American flag was presented by Mrs. C. E. Pratt, in memory of her mother, Mrs. William H. Dearborn, a former member.

Mrs. Gascoigne and Mrs. June conducted the memorial service; the flowers used were sent afterward to Mrs. Frederick C. Gilbert, who was ill.

The executive committee chosen to serve with Mrs. Metcalf are Mrs. Frederick C. Gilbert, Mrs. Albert L. Hart, Mrs. Henry B. Joy, Mrs. D. D. Spellman and Mrs. Alfred G. Wilson.

SOCIAL NOTES

Mr. and Mrs. Gordon F. Clyn of Lincoln Road have returned home from a 18 days' stay in New York and Atlantic City.

Mrs. Thomas P. Henry Jr., has returned to her home on Ridge Road after visiting in Pittsburgh and Williamsburg.

Mrs. A. G. Ahrens, who has recently arrived from St. Louis with her husband, is spending a couple of weeks with her mother, Mrs. George Glen-walk of Grosse Pointe Woods.

Also on the list of recent arrivals is Cadet Fred Standish, son of Mr. and Mrs. W. Standish of Lakeland avenue. He is a second year student at West Point.

Last Saturday was the date for a good many fashionable weddings. Ann Wilkinson became the bride of Frederick S. Strong III at an evening candlelight service in Christ Church chapel.

Earlier in the day the garden of the Julius Peter home on Cambridge Road was the scene of the marriage of Christine Peter and John Hoyt Gardner.

Saturday, June 22, will also go down in the memory book of Cherie Nan Moffett and Arthur Kleinenschmit Jr., who spoke their nuptial vows at an evening ceremony in the Grosse Pointe Memorial Church.

Miss Mary Pitt of 23 McKinley, a graduate of the Grosse Pointe High School, has been the first Vassar College undergraduate since 1934 to win the Catherine Lucretia Binkley prize for study in the field of American shipping.

The award, a cash prize, is open to odd years to member of the Vassar College faculty and in even years to undergraduates. Miss Pitt's essay was on the United States Maritime Commission. She is the daughter of Dr. Frank Pitt, pastor of Grosse Pointe Memorial Presbyterian Church.

Mr. and Mrs. Berrien Eaton of 1018 Bishop Road have arrived in New York and are stopping at the Hotel Mayfair.

Mr. and Mrs. Charles H. Fletcher's street number has been changed from 60 Vendome to 176 Vendome Road, Grosse Pointe Farms.

The alumni of St. Paul High School will hold a dance in the school on Tuesday evening, July 2, at 8 o'clock.

Mrs. Millard H. Tenney and her daughter, Jean, of Buckingham Road, will leave tomorrow for a trip to Sioux City, Iowa. They plan to attend the wedding of Mrs. Tenney's nephew, Dr. John Tenney, at the city hall.

and then drive on to Yellowstone National Park for a two weeks' trip. After their return they will spend the remainder of the summer at their summer home at Bolles Harbor on Lake Erie.

Mrs. Birney Hoyt of Houghton, Mich., is visiting the Hobart Hoyt's of Lake Shore Road.

Nancy Jennings of Holland, Mich., is a house guest at the Weary home on Balfour Road.

Mr. and Mrs. George F. Goodson of Merrivether Road had as their guests for a few days Dr. and Mrs. William L. Hall of Greenville, Ill.

It seems as though the majority of Grosse Pointers are either having house guests or being guests themselves these days.

Mr. and Mrs. Harley J. Earl of Lake Shore Road, and their sons, Jimmy and Jerry, have at their guests Vivian and Lynn Weyrhauser of St. Paul, Minn.

Mrs. William Leach and her son, Timmy, of Lincoln Road are visiting Mr. and Mrs. William Fanning in Scarsdale, N. Y.

Foster Barrows, son of Mr. and Mrs. Frank C. Barrows Jr., of Bedford Road, left last week to spend the summer in Edgewater, N. J.

Mr. and Mrs. Clay C. MacDonald of Three Mile Drive have returned with their daughters, Virginia and Patricia, and son, Clay Jr., from Dartmouth, where they attended Clay's graduation.

Jeanne Kaufmann of Bedford Road is attending the Alpha Phi national convention at Breezy Pointe Lodge, Piquet, Minn. On her return trip she will visit friends and relatives in Minneapolis, Madison, Wis., and Chicago.

Mrs. Howard L. Parker of 1259 Grayton Road also will take part in the convention.

Mrs. Parker is a national officer of the society and will lead a roundtable discussion on the subject of vocations. More than 300 girls are expected at the convocation.

Neighborhood Club
All boys who are members of the Neighborhood Club kindly report to John Curran for your baseball tickets to the Detroit Tigers' game before Monday, July 1st.

Result of games played June 18:

De Santis, 1—Griffith-Wade, 6	Altas Pattern (Bye)

Shorter Skirts Is Fashion's Dictum

Gloves Longer, Hat Brims Wider for Spring.

By **CHERIE NICHOLAS**
Latest report from fashion centers is to effect that skirts are shorter (for daytime) gloves longer, brims wider and there is a tendency toward blouse effects for the bodice. Add these several trends and together the result is a silhouette that is very youthful and flattering.

While skirts at present are flaring, experts declare a trend in the tide by fall toward very slim straight lines. In fact, the newest Paris evening gowns introduce an amazingly slim long skirt with a flounced pleating beginning at the knees that ingeniously manages to retain the straight pencil-slim line.

Long gloves that crush from elbow to wrist are the wanted kind, be they fabric or kid. White ranks first, although colorful gloves are in close competition.

Brims are simply tremendous this season, with special emphasis on wide brims. The cleverest idea imaginable is the turban hat that has a huge detachable halo brim. Wear it either way according to the occasion. Watch the new wide-brim felts. Milliners are manipulating these into dramatic effects that achieve entirely different lines from the conventional.

Eyelet Neckwear

Eyelet is an important word in fashion's vocabulary this season. Say eyelet over the counter in any neckwear department and it will work as if a magic wand had been waved in bringing you your heart's desire whether it be a gilet or bolero of eyelet pique or collar cuff and pocket tabs of the sheerest filmy eyelet organza or batiste. A bib and sleeve ruffles of Swiss eyelet organza as here pictured give a touch of back to the navy blue crew neck sweater.

Women Favor Black Or Navy Silk Suit

For style distinction choose a meticulously tailored suit either of silk faille, moire or bengaline. Perfectly stunning modes have pleated skirts with long torso jackets that button very simply up the front.

Even newer is the silk suit with a pencil slim skirt topped with a jacket in the type that suits your individuality best. Black is very important for these suits but no more so than navy.

Two-in-One Dress With Apron Skirt

If economy plus ultra smartness is your watchword, listen this! It is all about the two-in-one dress that consists of a simple black or navy basic gown (the kind which serves as background for costume jewelry and lingerie touches) with which comes a pleated apron attachment in contrast color which you can tie on and take off in a jiffy. So there you are! Two dresses in one that are almost a wardrobe within themselves.

Style Notes

White flower hats outnumber colors.
Black satin afternoon dress is revived.
Dramatic chic felts have enormous brims.
Latest umbrellas have flash-light handles.
Pastel colored pearls is latest jewelry message.
A profusion of lingerie ruffy effects billow about necklines.
Row and row of gay colored stitching enlivens white hats.
Coats and suits of black or navy moire or faille are high style.
Very large gilt or silver buttons fasten navy or white coats.
Lowcut square or V-necklines is "last word" for daytime dresses.

RAIS
Raccoons have an ideal home life, says the National Park service, because the male shares the responsibility of rearing and training the children.

Wealth From Waste
Wool out of waste is being made by the village of Esholt, England. By turning wool grease into soap the village is giving employment to many persons and adding to its revenues. More than 70 mills discharge into the sewers waste matter which enters the sewage works at Esholt. Ten tons of soap powder are turned out of the plant at frequent intervals. The plant was constructed to exploit new commodities found in the recovered wool fat as a result of research at the Esholt laboratory. In addition by-products useful in the manufacture of paint are sold. Large sums have been collected in taxes from these operations.

Points and Pointers

Work on Grosse Pointe Woods' first bowling alley is rapidly progressing and it is believed that construction will be completed by August 15.

This 12-alley recreation center, located on Mack avenue near Lochmoor Blvd., will be equipped with the latest type bowling equipment.

Ample parking space will be provided for adjacent to the building. No beer will be sold. A tentative price of 25 cents per game has been established.

Several bowling leagues have applied for special nights and many other organizations are expected to follow this move.

All the latest phonograph record releases can now be obtained free of charge at the Perkins Radio Company, 15201 Mack avenue.

The Perkins brothers cordially invite you to come in and discover the complete selection of records they have on their shelves.

The Eastside Drive-In Theatre, the season's newest contribution to summer evening entertainment, continues to enjoy acclaim. The Eastside Drive-In Theatre has attracted state-wide attention and shortly will be a photographic feature for Life magazine.

A checkup on license plates reveals that the theater has drawn cars from every state in the Union as well as the provinces of Canada. Apparently here for the recent meet at the fair grounds, motorists were enthusiastic about the theater. Rain or clear, the town's numerous movie-minded motorists may be found enjoying their film fare out of doors, casually and comfortably.

The privacy of one's car permits other advantages too and so scores of movie fans smoke and take refreshments without disturbing others.

Elton R. Eaton Seeks Senator's Post

Elton R. Eaton, former president of the Michigan Press Association, a member of the State Legislature and editor of The Plymouth Mail, this week announced that he will become a candidate for the Republican nomination for United States Senator.

The Plymouth editor, who is 58 years old, has long been interested in public affairs. He has been a strong opponent of "boss" politics, an advocate of proper aid for elderly dependent people, and economy in governmental expenditures. He is regarded as one of the hardest working members who ever served in the legislature. His preliminary statement pertaining to his candidacy, follows:

"Convinced that there are large numbers of Republicans and independent voters in Michigan who will welcome my entrance into the Republican primary for the United States Senate, I have decided to enter that contest.

"This decision has been reached after a most careful canvass of the political situation in Michigan and consultation with numerous citizens.

"All my life I have lived and worked among the rank and file of our people. I know that I am in step with their aims and objects. I know, too, that I can give my state and nation honorable,

patriotic public service in Washington.

"I am in complete accord with the proposal to build for our United States the strongest national defense possessed by any nation in the world. But we should not permit our military and foreign relation problems to completely overshadow some of the tremendously important domestic issues that confront our country.

"Outstanding as one of the most vital problems facing the people is the absolute necessity of immediately driving from national, state, and local governmental units every form of graft and corruption. The greatest burden our taxpayers are carrying today is the excess penalty laid upon them by the political plunderbunds who operate in defiance of all public interest.

"Creed, corruption and dishonesty in governmental administration go hand in hand with machine politics and rule by political bosses.

"The very minute any political party or any political candidate accepts the support of, or compromises with these elements, he becomes a servant to these political masters.

"No political machine ever functioned for the purpose of improving governmental administration or reducing the costs to the taxpayers of conducting public business.

"The public enemies who take unearned dollars from the public treasury to fatten their own pocketbooks are surely no different than our enemies who make up the so-called Fifth Column.

"Our future welfare and safety demands that both the so-called Fifth Column and the greedy political bosses be wiped from existence.

"It is about time that we begin to use the front doors to our public offices instead of the back doors. Not only should the front doors be used, but they should be left wide open at all times so that we may know what is being done with our tax dollars, our businesses and our liberties.

"Michigan people pretty well know my record. They know that I have never compromised with any questionable political element. They know that I never have dodged nor straddled any issue, and that I never have nor never will become a party to any log-rolling or vote-swapping legislative proposal.

"If nominated and elected United States Senator, the door of my office will always be open to the people of Michigan. I will work just as long hours and as diligently in Washington in behalf of our States as I have during my legislative career in Lansing. I will be constantly on the alert for questionable legislative proposals and I will pursue the same fact-finding and pro-public attitude I have always maintained in my newspaper work and in official positions."

Eastminster Presby't'n. Church

Sunday School, 9:45 a. m. Communion services, 11 a. m. The communion meditation by the pastor will be "Asleep in Gethsemane." Christian Endeavor groups, 6:15 p. m.

At 7:30 p. m. Rev. William C. McKnight, formerly pastor of this church, will speak. There will be a musical program by the combined choirs under the direction of W. B. Beer.

Wednesday evening, 7:30 o'clock, we will continue our study of "How To Read Your Bible Effectively."

The Daily Vacation Bible School, under the capable direction of Mrs. James Hoyt, will continue Monday through Friday, beginning at 9 a. m. and continuing until 11:30 p. m. All boys and girls from 4 years of age and up are cordially urged to attend.

Faith Lutheran Church

Faith Lutheran Church and Sunday School will have their annual excursion to Bob-Lo Park next Sunday. The boat will leave the Woodward avenue dock at 10 a. m. There will be a worship service in the open air auditorium at Bob-Lo at 11:30 a. m. Games and other recreation will complete the day's

Colorful Rainy Day Outfits Are Stylized to Perfection

By CHERIE NICHOLS

of white oilskin which has raglan sleeves and fitted waistline. She wears white galoshes to match. She does not really need an umbrella but if she should carry one just for effect we are quite sure she would be choosing one of those delectable types made of transparent white oil silk patterned in a design that looks exactly as if actual chalk-white lace had been applied. In reality the lace magic is achieved in an all-over motif printed in opaque white.

Gayety on a gloomy, rainy day and all because her raincoat is as cheery as a streak of sunshine applies to the attractively outfitted girl centered in the picture. The coat has raglan sleeves to fit over any garment and a zippered front closing. A cotton numerical print fabric in striking colors fashions it. The big news about the rainproof fabric of which it is made is that it has been treated with a new synthetic which scientists call koroseal, which not only makes it impervious to water, but also renders it spot-proof and fire resistant. The material is also processed so that it does not become stiff or crack with age. Thus does modern genius continue its wonders to perform. Note her boots, they are the latest. They are amazingly light weight, and easy to slip on. Solve the hateful mud spot on hosiery annoyance perfectly.

No clothes worries during spring and summer's inevitable showers awaits the young miss standing to the right in the group, for her new raincoat is also made of a material treated scientifically as above described so that it will victoriously defy the onslaughts of the elements, no matter how fierce the wind or rain. This coat is fashion-right in every sense of the word. It boasts a very new blouse-top silhouette with full skirt giving the wearer a trim figure by the use of shirring at the waistline. If she so chooses she can pull the parka hood up over her hat for protection. The comfortable bishop sleeves will fit over a woolen coat or a summer frock.

Then there are the practical types of rainy day ensembles made of materials that are reversible—gabardine on one side and tweed on the other—grand for intensive wear. Speaking of looking your prettiest on a rainy day, the young woman pictured to the left in the illustration goes stepping in a

State C. A. R. Elects. Officials

New junior State C. A. R. officers elected and installed at the seventh annual State conference of Michigan Society, Children of the American Revolution, held Saturday, June 22, at Botsford Tavern, at the invitation of Cadillac Society, are: Stanley Graham, president; Marilyn E. Savage, vice-president; Maribelle Horr, chaplain; Elizabeth Kerr, recording secretary; Ward Howland, corresponding secretary; Ted Anderson, of Battle Creek, treasurer; Ann Brooks, registrar; Elizabeth Probert, historian; Jack Sprague and Eugene Buck, color-bearers. Junior State chairmen appointments include: Sally Phillips, conservation; Ad-claude Jaenichen of Saginaw, membership; Helen Stephens, magazine; Herbert Fisher of Tipton, chairman, and Henry Davis of Grand Rapids, vice-chairman of music; Robert Adams, State paper; Joan Emery, mountain schools; Joanne Kitchen of Northville, program; Mary Jane Stephens, press; Robert Brandes of Marshall, exhibit; David Hotzel, pamphlet; David Edgar, flag, and Emily Travis, American Indian study. (Those named are from Detroit, unless otherwise stated).

Vocational Coiffures
Paris hairdressers are designing coiffures which tell each woman's occupation or position in life. A woman doing a man's work will have a coiffure based on the short-cropped curls of a Greek athlete, much like the Amelia Earhart bob. Permanently waved, it may be arranged in close curls over the head with a few swift movements of the comb. For leisured women who would avoid long hours dressing their hair onto the back of the head, hiding short ends of the wearer's locks. Plaited chignons give the impression of long natural hair. A special coiffure for Red Cross nurses sets rather high on the sides of the face, with a "bang" fringing forward on the forehead beneath the cap.

Budgeting Budgeteers
Mr. cities use a budget system, according to the National Consumers Tax commission, but the problem in many cities is getting the city fathers to live within their budgets. Most common error is the assumption that the full levy will be collectible when experience shows that from 10 to 50 per cent will be delinquent.

Most Spanish Spot
The most Spanish spot under the American flag is the romantic city of Ponce, on the southern coast of the United States territory of Puerto Rico. Although Ponce was the first city to be entered by the Americans who took Puerto Rico in 1898, it has been the last to give up the Latin heritage it derived from its Conquistadores. English is spoken widely in Puerto Rico, but Spanish is the prevailing language in this stronghold of old Castille.

Post Office Income
Estimated revenues of the United States post office department for the last fiscal year amounted to \$745,955,075.24, the largest in history. The total exceeded by \$17,321,023.86 the previous banner year of 1938.

'Listen to the Materman'
Passengers in giant transport planes prefer listening to conversations between pilots and airport operators than to music and other broadcasts of radio stations, it has been found by Transcontinental and Western Air, which has recently installed radio earphones at each seat as a new flight service.

Undaunted Courage?
Pat Hogan of Westwood, Calif., and Muriel Dwyer of Santa Cruz, went to Reno, Nev., to be married. Pat, after getting the license, was knocked down by an auto and his leg was fractured. Undaunted, he had the leg set at a hospital, summoned a clergyman and the marriage was performed on schedule at the bedside.

Labors of Hercules
The 12 tasks of great difficulty imposed on Hercules by the Argive king were as follows: "To slay the Nemean lion, kill the Lernean hydra, catch and retain the Arcadian stag, destroy the Erymanthian boar, cleanse the stables of King Augeas, destroy the cannibal birds of the Lake Styphalia, take captive the Cretan bull, catch the horses of the Thracian Diomedes, get possession of the girdle of Hyppolyta, queen of the Amazons; take captive the oxen of the monster Geryon, get possession of the apples of the Hesperides, and bring up from the infernal regions the three-headed dog Cerberus.

First Baha'i Marriage Recognized By State
Last Saturday afternoon, June 22, the first Baha'i marriage to receive official recognition from the State of Michigan took place at Louthelen Ranch, first mid-western Baha'i summer school, when Miss Elizabeth Phelps of Flint and Mr. George Springston of Detroit became husband and wife.

X-Rays of 'Voice Box' Aids Study of Larynx
If you stutter, don't blame it all on your tongue or your facial muscles. More probably it's the fault of your larynx.
That is the conclusion of Dr. Harold Westlake, instructor in speech at the Pennsylvania State college, based on an analysis of 1,800 original X-ray pictures of the mouth and "voice-box" of several hundred persons of all ages and both sexes, some of them stutterers.

New Archeological Find Aids Study of Greece
An elaborate early Greek structure discovered by University of Cincinnati and Greek archeologists has definitely been identified as the palace of King Nestor, the kindly and aged monarch of Pylos made famous by Homer, it has been revealed by Prof. Carl W. Blegen, of the University of Cincinnati.

Navy Accidents
Statistics of the navy show that more accidents and fatalities occur to sailors on shore leave than when aboard ship. Motorcycles and autos are especially dangerous, according to a navy yard report.
Book Wear and Tear
V. J. McHenry, who annually supervises the renewing of the 3,000 library books at the University of California, reports that it is always the first 20 pages of a book that suffer the greatest damage due to the efforts of students to concentrate on them. The middle and the end rarely ever have to be renewed.

Daughters of American Colonists

Beautiful bouquets of dark blue cornflowers and red and white carnations were used throughout the rooms when Mrs. Mayse F. Glock opened her home on Grand Marais Boulevard, Wednesday afternoon, to the Daughters of American Colonists and their guests.

The party took the form of a salad-bridge: guests were seated at small tables in the living rooms. Again the flag colors were used for a decorative motif and the places were marked with red, white and blue favors.

Mrs. Glock was assisted by Mrs. Roy

E. De Hart, Mrs. Robert C. Gammon, Mrs. John F. Klein and Mrs. Leroy G. Vandever.

Christian Science Church

"Christian Science" will be the subject of the lesson-sermon in all Christian Science Churches throughout the world on Sunday, June 30.

The Golden Text (II Peter 1:21) is: "The prophecy came not in old time by the will of man: but holy men of God spake as they were moved by the Holy Ghost."

Among the Bible citations is this passage (Luke 17:20, 21): "And when

he was demanded of the Pharisees, when the kingdom of God should come, he answered them and said, The Kingdom of God cometh not with observation: Neither shall they say, Lo, here! or, lo, there! for, behold, the kingdom of God is within you."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (576): "This kingdom of God 'is within you.'—is within reach of man's consciousness here, and the spiritual idea reveals it. In divine Science, man possesses this recognition of harmony consciously in proportion to his understanding of God."

YOU CAN HAVE

Your Number in Lights

Have you ever been in a strange street on a dark night, looking for a house number—stepping furtively onto people's porches, peering for a number by the light of a match? If you have you'll be glad to hear about the new lighted house numbers.

You can have your house number in lights for as little as a dollar. You can leave it shining all night long, every night, for three or four cents a month.

The new lighted house num-

1
3
4
9

bers are easy to install. Some of them can be hooked up with your present doorbell, requiring no new wiring.

A lighted house number, easily seen from the street, is an identification card, and more: It may, on occasion, prove an effective

guide to speed help to your address in case of emergency. It may provide keyhole illumination. And it always extends a friendly welcome to your guests. Why not add this practical touch to your home?

Lighted house numbers are priced at \$1 and up, in a variety of styles and sizes; or, if you prefer, you can have them custom-built. See them on display at Hudson's, Sears-Roebuck, Madison Electric, Detroit Mantel and Tile, and other lighting fixture and electrical dealers. The Detroit Edison Company.

Y. W. C. A. Notes

Mrs. Donald C. Stevenson, chairman of the board of management of Central Branch Y. W. C. A., was hostess at Thursday afternoon, June 20, in her home on Berkshire Road at a tea honoring Mrs. Erie Layton Gates, metropolitan general secretary of the Y. W. C. A. who is soon to retire to make her home in Ann Arbor. Assisting hostesses include members of the executive committee, Miss Katherine Kay, Mrs. H. A. Lomason, Mrs. John Wilson Taylor and Mrs. Alfred G. Sims.

Guests invited included Mrs. R. D. Blair, Mrs. Harold S. Brown, Mrs. C. V. Burnett, Mrs. P. S. Christensen, Mrs. Frank D. Eaman, Mrs. Frank L. Kingbird, Mrs. Robert A. Logan, Miss Addie McCubbin, Mrs. Herbert W. Mandel, Mrs. Harry Payne, Mrs. Paul R. Plant, Mrs. Robert C. Restrick, Miss Mary Roggenkamp, Mrs. Oscar G. Starrett, Mrs. Douglas B. Turner, Mrs. Howard E. Waite, Mrs. Raymond C. Walk, Mrs. Hugh H. Wellman, Mrs. George Way Williams and Mrs. F. G. Zwerner.

Another delightful affair honoring Mrs. Erie Layton Gates was the tea at Mrs. Stuart A. Curtis' home on Dwight avenue, given recently by the members of the executive committee of the metropolitan board of the Y. W. C. A., which includes Mrs. Frank Pitt, president; Mrs. John J. O'Brien, Mrs. John D. MacKay, Mrs. L. W. Hull, Mrs. Stewart W. Munroe, Mrs. Harvey A. Shuler, Mrs. Ward A. Detwiler, Mrs. Stuart G. Baits and Mrs. E. H. Lawrence.

The Y. W. C. A. staff gave a dinner for Mrs. Gates at Rotunda Inn on Friday evening, June 14, presenting her with a silver tea tray in appreciation of her "wise leadership and loyal friendship."

Gala plans are on foot for celebrating the July 4th holiday at Camp Talahi, the Detroit Y. W. C. A. employed girls' camp on Lake Chelan near Brighton. It's to be an open house affair with all former campers and visitors invited to come and help celebrate. Miss Dorothy Middleton will direct Talahi again this year.

For entertainment there will be a water pageant with boat races, swimming, diving and water polo games, baseball, skits by the cabin groups, evening stunts and a good-night watermelon feed. Dinner will be served at the camp at noon and there will be a picnic supper, for both of which reservations are necessary in advance. These may be made at the Camp Talahi office at the Detroit Y. W. C. A.

Hostesses include the camp committee of which Miss Bertha Walter is chairman, Sedna Boyle, Elizabeth Downie, Dorothy Elliott, Margaret Halfacre, Anita Kotila, Frances Ogg, Armenia Rabe, Charlotte Peabody, Elodie Calhoun, Addie McCubbin and Mrs. Glenn Coulter.

Camp Talahi is for all girls 18 years of age and over. Many come from offices and stores and industries. A limited number of guests may register for the week-end of June 29 and the holiday week-end, but after those dates only those who stay for a week or longer can be accommodated at the camp. The camp is limited to 200. Household employees who have July of August vacations are especially welcome to Camp Talahi.

The camp is within 50 miles of downtown Detroit. Free instruction in tennis, archery, badminton, swimming and diving are special features of the camping program so that girls who have never had a chance to learn to play these outdoor games may do so at camp. All activities and sports are available on the camp property except riding and golf which are offered at nearby country clubs and stables.

Grosse Pointe will be represented by a large contingent of school girls at Camp Cavell, the Detroit Y. W. C. A. camp on Lake Huron, this season. Those going up for the opening weeks of the 27th season, which begins on Saturday, June 29, under the direction of Miss Marjorie Magee, include Patricia Coulter of Merrivether; Eleanor Beltz of Lincoln; Virginia Olivay of Wayburn; Mary Carolyn Wade of McKinley; and Doris Zens of Devonshire. All of these girls are returning for senior camp. Newcomers in senior camp include Gloria Goike of Audubon and Dorothy Hofmann of Windmill Pointe.

In the 8 to 10-year-old group in junior camp there will be "old" campers Sally Andrews of Merrivether; Katherine Bartemier of Cloverly; Nan Lavis of Grosse Pointe Blvd.; Joanne Orleman, Merrivether; Caroline Orr, Maumee; Cecily Wade, McKinley; Mary Waterfall, Lincoln Road; Ann Whittingham, Merrivether. Newcomers in the junior camp are Connie Giesner, Bedford; Jube Marshall and Barbara Jeanne Miller, Lincoln; Priscilla Osborn, Merrivether; Nancy Rockwood, Mapleton, and Suzanne Scully, Oxford.

Old campers in the intermediate unit include Barbara Ackerman, Lincoln; Catherine Anderson, University place; Mary Ella Andrus, Merrivether; Noreen Blakeley, Washington; Martha Johnson, Merrivether; Elizabeth Morgan, Whittier Road; Sally Thomas, Merrivether; Marilyn and Dorothy Teller, Yorkshire; Catherine Scott, Washington; Barbara Ogden, Balfour; Florence Welch and Nancy Wenzel, Lincoln Road. Newcomers are Phyllis Collins, Wayburn; Patricia Mason, Karcheral; Joann Morrison, University place; Sally Sutherland, Lakeside; Arlene Roy, Cloverly; Barbara Ramsey, McKinley; Dawn Osios, Lincoln Road; Ann Ortegen, Three Mile Drive, and Betty Winston, Lincoln Road.

On next Sunday, June 30, the Grosse Pointe Woods Presbyterian Sunday School will hold its last session until September. This day has been designated as promotion Sunday and all children will be awarded certificates during the service. The church service will continue during the month of July and then will close during August to reopen again in September.

Rev. Henry D. Jones, director of the Dodge Community House, is conducting services during Rev. Olson's vacation. Florida's Edible Fish. Of the more than 200,000,000 pounds of fish caught in Florida waters annually, little more than one-third are of the edible variety, according to R. L. Dowling, state supervisor of conservation. The non-food fish, mostly menhaden and sharks, are used in the manufacture of fertilizer, oils and novelties, Dowling explained.

line to their record of dangerous driving habits and some day, as sure as fate, that record will catch up with them.

"I have passed that corner every day for three years and in all that time I have never seen anyone cross there," exclaimed one defendant last week as he faced the court charged with negligent homicide. "I saw the stop sign but because there never was anyone around I didn't think it was really necessary for me to stop," he said.

The accident report indicated that this defendant for three years had no cause to stop at this obscure intersection until early one morning an 11-year-old girl, relying on his observation of traffic laws, stepped from the curb into the path of his automobile and was instantly killed.

It is not only the duty of the police officer to issue a traffic ticket to an offending motorist, but also to make him conscious of his bad driving habits so that they may be checked before death or serious injury to others or himself results.

Of thieves it may be said that small crimes precede great ones. Applied to a motorist, many apparently minor violations invariably lead to the day of reckoning.
