

## Campaign Against State Proposal No. 3 By D. S. R. Receives Grave Setback

The D. S. R. and the Detroit City Administration suffered a severe setback in their campaign to defeat Proposal Number 3 last week when, with a single exception, every Wayne County supervisor representing suburban and rural districts voted on the "yes" side of the proposal.

Mayor Jefferies asked the board of supervisors to endorse a "no" vote on Proposal Number 3. More than 70 of them who obtained their office through appointment either from the mayor or the Detroit council responded to the mayor's orders. But every out-county supervisor, except one, voted against the D. S. R., and these men were elected to office by the people they represent.

### Community Fund Makes Final Plans For Drive

This year's chairman of Division Six of the Detroit Community Fund's Unit D is Mrs. Walter M. Meek of 339 Rivard Blvd. Under her direction individuals and small business firms in Grosse Pointe will be solicited for the fund during its campaign, which runs from October 28 to November 12.

Mrs. George A. Schemm, 16845 Maumee avenue, is chairman of the Unit D Motor Corps. Her job during the campaign is to see that all of the 1500 volunteer solicitors in the Unit have transportation to their solicitation areas through Detroit and Grosse Pointe.

### District GOP Chairman Lists Branch Offices

Dr. Rex P. Cranson, chairman of the 14th Congressional District for the Wayne County Republican Committee, has announced that branch headquarters have been established at 12898 East Jefferson, MU. 9438, manager, Miss Anna Mae Lamb; 9950 Mack avenue, OL. 9892, manager, Louis H. Funk; 6663 Raymond avenue, OL. 9891, manager, Matthew Garrisi. These offices will operate as branch clearinghouses for all Republican organizations within the district.

### North End Residents Complain Of High Township Water Bills

Several Gratiot Township residents living in the north end of the community, have been complaining about high water bills. Township Supervisor Ernest A. Provo has stated this was to be expected, and that numerous remarks, including one newspaper article, were issued stating that water was temporarily being purchased from St. Clair Shores. Provo also remarked that as soon as the master meter can be connected, the Township will begin purchasing its water from Detroit through the St. Clair Shores lines.

Provo said it is customary for municipalities to double their rate when furnishing water to residents of neighboring communities. This practice is normal and is done to liquidate the cost of installing water lines.

Provo stated further that the master meter was already installed at Eight Mile Road and Harper and will be connected as soon as the water lines on Nesbitt east of Harper and Eight Mile Road are approved.

### REMEMBER?

**12 YEARS AGO THIS WEEK**  
The new Cottage Hospital, Kercheval avenue at Oak street, is rapidly nearing completion and will be formally opened on Saturday and Sunday, November 3-4.

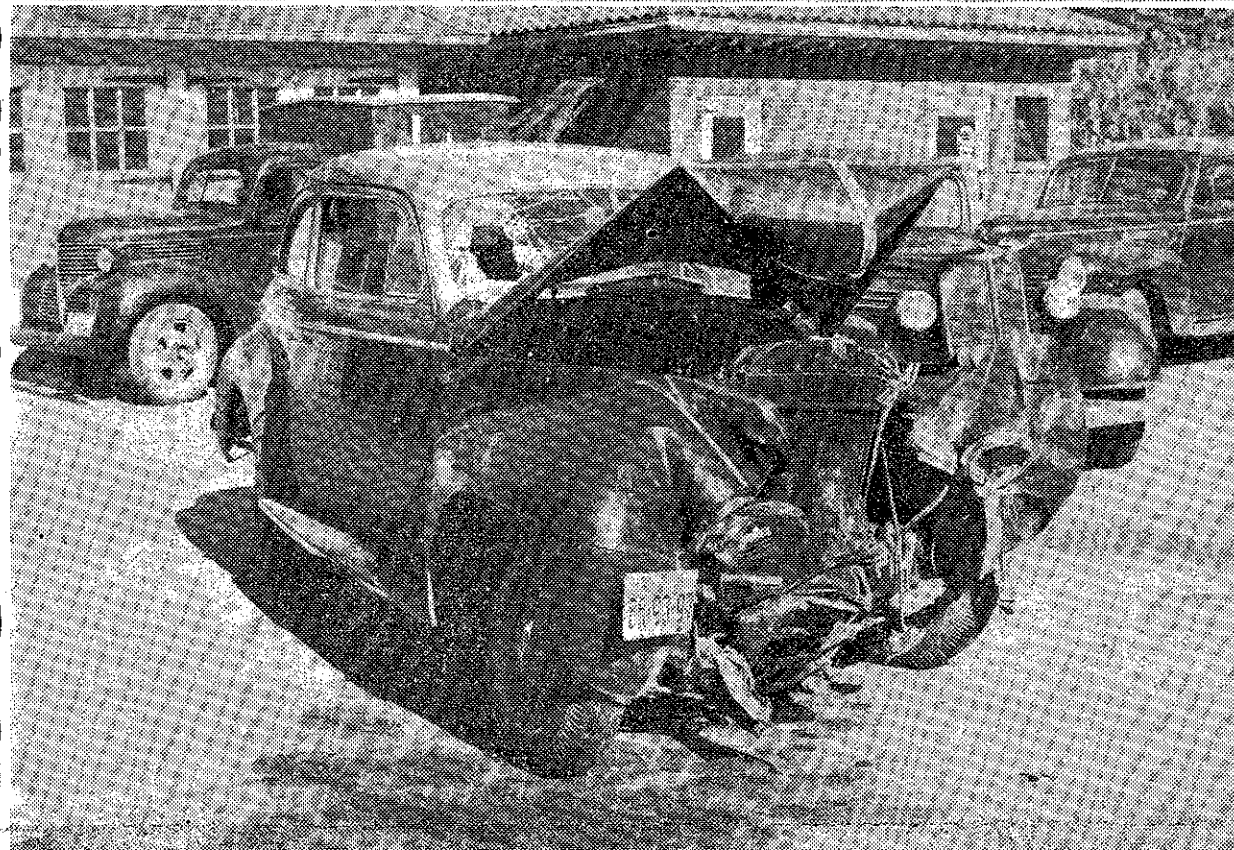

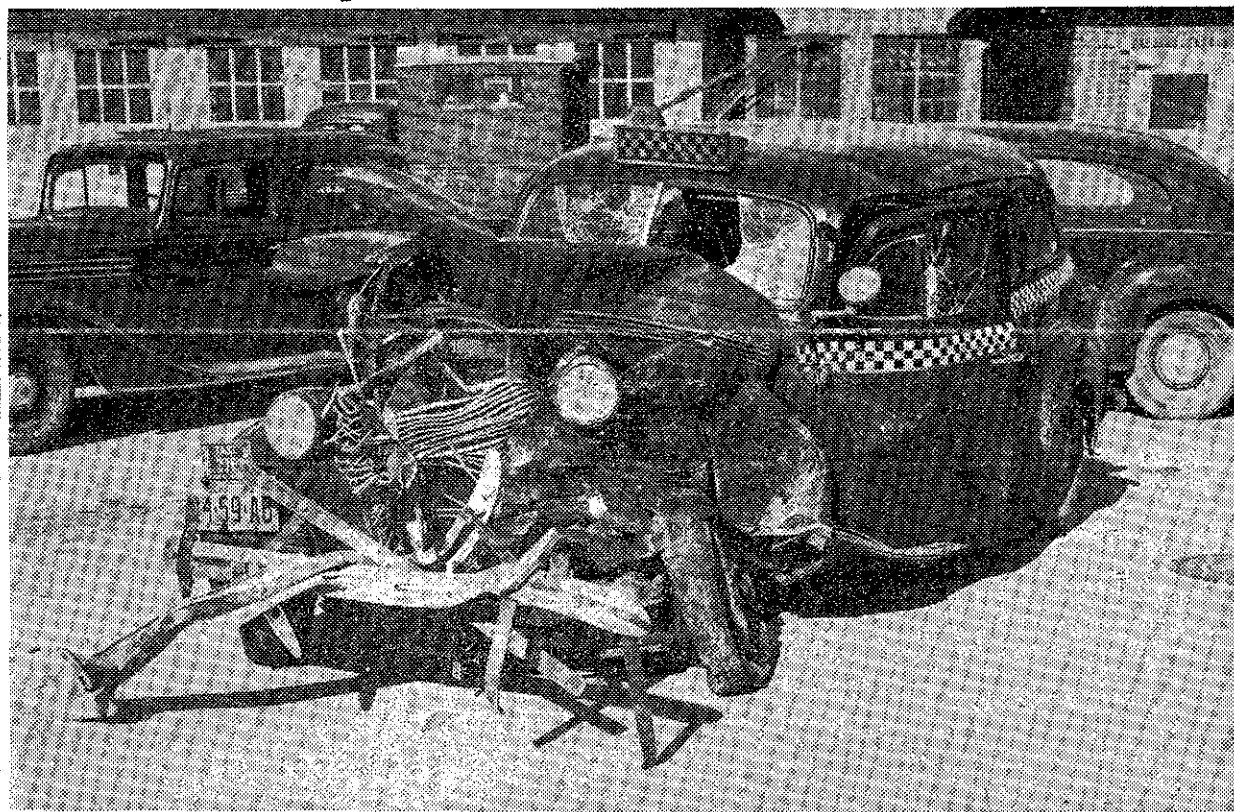

**10 YEARS AGO THIS WEEK**  
The 27-foot dual concrete lake shore highway, running the length of Grosse Pointe Farms and Grosse Pointe Shores will be opened to traffic in the very near future, it was announced by County Road Commissioner Hines.

**4 YEARS AGO THIS WEEK**  
Ralph E. Beaupre, Grosse Pointe Township clerk, died suddenly at the home of his parents, 39 Lakeview, Grosse Pointe Farms. Beaupre was serving his fifth term as clerk.

**1 YEAR AGO THIS WEEK**  
The newly-organized University of Michigan Alumni Club held its first meeting in the Pierce Junior High School auditorium. . . . The recently-opened Tuttle & Clark branch in the City of Grosse Pointe attracted large throngs of interested Pointe residents.

## Three Injured In Head-On Collision

Three persons were injured in this head-on collision at Jefferson avenue near Westchester early last Sunday morning. The driver of the Oldsmobile sedan (bottom) fell asleep at the wheel and swerved across Jefferson, striking the Checker cab full force while traveling at a high rate of speed. A passenger in the cab suffered a broken arm, while the driver of the sedan, James D. Smith, 20, of 14115 East Jefferson, was taken to Cottage Hospital with a broken leg and severe lacerations of the face and skull. Smith's head was forced through the hole in the right side of the windshield.

### Women Republicans Thank Residents For Canvass Co-operation

The Women's Republican Club of Grosse Pointe has issued a vote of thanks to the citizens of Grosse Pointe for the kind reception given the women who made a recent house-to-house canvass inquiring about election registrations.

"In most cases the information was given willingly and most women welcomed a neighborly visit in which they talked over the political situation," stated one club official.

Grosse Pointe citizens have shown that they realize the third term issue is a grave and vital matter to everyone, irrespective of party affiliations.

### ELECTION SCHOOL

In accordance with established practice, a "school" for voters, who have not previously voted or may otherwise desire information on the manner in which to cast a ballot, will be held on Friday evening, November 1, at the office of the city clerk, 17150 Maumee, beginning at 7:30.

No candidates, local issues, or partisan matters will be discussed. The public is invited to attend.

Several canvassers have reported, "Some residents are worried about the secrecy of the ballot." "Willkie assured the people of the United States of the utmost secrecy of the ballot. The government employee, the WPA worker and the family on relief can cast their votes in the privacy of the voting booth to satisfy their conscience and not some political boss," replied Mrs. Edwin Krieghoff, president of the organization.

### Gratiot Township Saves Over \$300 In Copper Purchase

Several weeks ago, it became evident that copper was due to rise in price. Upon obtaining this information Eugene C. Piornack, Gratiot Township clerk and water director, immediately purchased 6,000 feet. The following week copper prices jumped more than 5 cents per foot.

Clerk Piornack stated that the Township now has copper enough to last until spring.

### Registration Board In City Of Grosse Pointe Thanked For Expert Job

The Selective Service Registration Board in the City of Grosse Pointe, which registered 445 men on Wednesday, October 16, was set up on the basis of registering an anticipated possible 600 registrants. The board was staffed by more than forty-five registrars, who had been called from more than eighty patriotic citizens who volunteered to do the work without remuneration.

That the work proceeded as smoothly and quickly as it did, was due in great part to the extremely co-operative spirit displayed by the young men who presented themselves for registration. There was no delay or confusion at any time. With the exception of the first two hours of registration, beginning at 7 a. m., there never was any one standing in line or waiting for his turn to be registered. One hundred and twenty men were registered by the staff in the first two hours, an average of one person per minute.

The staff of volunteers, which included five of the members who frequently serve on the city election board, are entitled to considerable credit for their work and received very favorable comment upon their able handling of the registration.

City Clerk, Norbert P. Neff, who as chief registrar, was charged with the responsibility of securing registrations, has asked the Review to thank the registrars for their helpful and co-operative attitude.

### Bogus Salesman Using Church Name Without Proper Authority

Following a complaint by Father Gallagher of St. Ambrose Church, Grosse Pointe Park Police Chief Henry W. Piel has issued a message to all housewives warning them against a house-to-house religious magazine solicitor who is using the St. Ambrose name in connection with a benefit as a sales point.

Residents should immediately report any information concerning this individual to Grosse Pointe Park police. As yet, no definite description of the salesman has been obtained.

### Zoning Ordinance Complaints Heard In City of Grosse Pointe

Acting upon complaints of alleged violations of certain provisions of the zoning ordinance of the City of Grosse Pointe, the city council has instructed the attorney, police and other responsible officials to investigate this condition. Such violations will be called to the attention of the persons responsible, and if the offense is not corrected, the steps necessary to secure an immediate abatement will be taken.

### MARIONETTE SHOW

The Junior Programs, Inc., will present their first fall program, Marion Bishop's Marionettes, at Pierce Junior High on Saturday, October 26.

A delegation of citizens appeared at a recent council meeting and insisted that regulations forbidding the use of highly restricted property for business purposes be enforced. Reference was made specifically to several locations in which the owners or occupants were taking in boarders, roomers or other persons not permitted under the local regulations. The practice, if allowed to continue, might lead to a serious disruption of values as has occurred in other municipalities, it was stated.

The council, while sympathetic to residents who have suffered financial reverses and who were trying to derive income from their properties, felt that this situation does not condone infractions of the ordinances and restrictions.

### Defer P. T. A. Schedules Bridge Luncheon Oct. 29

The George Defer Parent-Teachers Association will hold a bridge luncheon in the Defer School on Tuesday, October 29, at 1 o'clock.

Come and enjoy an afternoon of bridge, bunco or your favorite game. Mrs. Karl Weber is the ticket chairman. Call TU. 2-1111.

There will be many interesting door prizes. Mrs. Oscar Keller is the social chairman.

Rent that vacant room through a Grosse Pointe Review liner.

## Young Driver Falls Asleep At Wheel; Hits Taxi-Cab Injuring Three Persons

After falling asleep at the wheel, James D. Smith, 20, of 14115 East Jefferson, lost control of his car and struck a taxicab head-on near Jefferson and Westchester at 1 a. m. last Sunday morning, injuring himself, the taxi driver and a cab passenger.

Smith's car ran up over the right-hand curb of Jefferson avenue for 74

feet before violently turning left and striking the oncoming cab. Smith, who is employed at the Detroit City Hall, was taken to Cottage Hospital with a broken right leg and severe lacerations of the face and skull. The force of the crash drove Smith's head completely through his car's front windshield.

The cab driver, Joseph C. Giguere, 33, of 1210 West Elizabeth, and passenger, Ferdinand Fisher of 29120 East Jefferson, St. Clair Shores, were also taken to Cottage Hospital. Fisher suffered a broken left arm and lacerations of the face. Giguere was released after several bruises and cuts were treated. Fisher had entered the cab at Alter Road and Jefferson.

A Grosse Pointe Park scout car, manned by Patrolmen Alphonse Boone and Alexis Verdonck cruising east on Jefferson behind the taxicab, witnessed the accident and stated that the cab was traveling 25 miles an hour at the time of the collision.

### State Dental Society Explains History Of Ballot Proposal No. 4

Proposal No. 4 on the state ballot at the November 5 election is a referendum of the act which passed the 1939 State Legislature, commonly known as Dental Practice Act No. 122.

The act regulates important aspects of dental practice. It provides for improvement in the skill and training of practitioners, increasing the efficiency of the State Board of Dental Examiners, and regulates certain types of advertising so that the public may not be exploited through false and misleading claims.

The Dental Practice Act was requested by all the ethical dentists in Michigan to correct certain deficiencies in the law existing previously. It was carefully drawn up with the guidance of expert legal counsel and patterned after laws in other states which have proven constitutionality. Most of its sections were copied from the Oregon dental law, which was carried through several courts and upheld by the United States Supreme Court.

The Dental Practice Act carries the endorsement of the Michigan State Dental Society, which represents 95 percent of the dentists in this state. It also has the approval of the Dental School of the University of Detroit, the Michigan State Medical Association, the Wayne County Medical Society and the Detroit Association of Retail Druggists. These groups are all united in urging the public to keep the dental law by voting "yes" on State Proposal No. 4.

### Hallowe'en Celebration Receives Contributions

Judging by the many favorable comments concerning the community entertainment and dance to be held on Hallowe'en night, October 31, the citizens of Grosse Pointe definitely approve of the project, many backing their approval with substantial contributions.

Since the celebration is being held for the benefit of the boys and girls, it is hoped that the youth of the district will attend the affair in a spirit of appreciation for the efforts made in their behalf. An enjoyable program has been arranged at a considerable investment of both money and time on the part of civic-minded Grosse Pointers.

Additional names of contributors are: Dr. Frederick W. Munro, Henri's Meats, Yvonne Beauty Salon, Best & Co., Fetter's Flowers, Harlow J. Lingenman, Grinnell Brothers, G. P. Central Service, Mondry Cleaners, James Edwin Hancock, Village of Grosse Pointe Park, Mr. Thatcher, Martin A. Preston, Vincent DePetris, C. A. Pfeffer, Van De Cleaners, Gill's Market, The Little Book Shop (Mrs. D. Comerford), Mrs. Elizabeth S. Cudlip, Dr. J. G. Harvey, Norton's Juvenile Shoes, Crown Cleaners, Hawthorne House, Johnstone & Johnstone, Johnston Optical Co., Village of Grosse Pointe Farms and the City of Grosse Pointe.

The above list includes those from whom checks have been received previous to October 22. The committee in charge welcomes further donations from other business men or residents.

Checks should be made out to the Grosse Pointe Hallowe'en Committee and mailed to E. J. Pongraz Jr., 17008 Kercheval avenue.

### Draft Registration Figures Announced

A total of 2,789 men between the ages of 21 and 35 were registered in Grosse Pointe under the Selective Service Act on October 16. Of this sum, 2,334 registrations were recorded at Grosse Pointe Township's 24 precinct booths, while the remaining 455 men enrolled in the City of Grosse Pointe.

Township Clerk Carl Schweikart, in charge of registration activities, expressed satisfaction over the day's results. Schweikart remarked, "Through the valuable assistance of volunteer helpers, the registration was run off with a minimum of confusion. Not a single complaint was received by the Township Board."

Schweikart also announced that 16,911 residents are now legally registered as voters. New registrations since the September 10 primary election numbered 1,416. Election day is Tuesday, November 5.

### Auto Thief Apprehended Fourteen Minutes After Car Reported Stolen

Fourteen minutes after A. H. Tuscany Jr., 22, of 1160 Berkshire, reported the theft of his Buick coupe to Grosse Pointe Park police, the unsuspecting thief was neatly nabbed at Seven Mile Road and Chandler Park Drive by Patrolmen Lester Labroski and Russel Hilgendorf of the Grosse Pointe Police Department.

This remarkable piece of law enforcement work was brought about by the excellent co-operation obtained between the various municipal police departments through the guiding influence of police radio station WRDR.

Two minutes after Tuscany reported his automobile stolen, WRDR was relaying a complete description of the car to every police car in Grosse Pointe and all surrounding communities.

Parked at Mack and Seven Mile Road, Hilgendorf and Labroski caught the license number of the stolen car as it passed, took chase, and hauled down the culprit in a short distance. Returning to the station the patrolmen called Grosse Pointe Park police on the telephone, who in turn phoned Tuscany and reported the recovery of his property.

The thief, a 15-year-old youth, was identified as Earl Millman of 3845 McClellan.

### Gerald Smith "Shocked At Small Number Of Grosse Pointe Voters"

Before a capacity crowd in the Pierce Junior High auditorium last Monday evening, Gerald L. K. Smith, national chairman of the "Committee of 1,000,000" presented a stirring patriotic speech moulded from his theme "America Awake."

Smith urged every every American citizen to awaken to the fact that the coming national election is the greatest and gravest issue that the United States has had to face in many, many years.

Smith was "shocked at the small number of registered Grosse Pointe voters who have been casting ballots in recent elections." George B. Schaefer was chairman of the evening. A motion picture, "Meet Wendell Willkie" was also presented to the gathering.

In conclusion, Smith repeated the famous closing lines of Lincoln's Gettysburg address: "That this government of the people, by the people, and for the people shall not perish from the earth."

### Mason School P. T. A. Starts Current Season; Costume Dance Planned

The Mason School Parent-Teacher Association held its first regular meeting of the current school year on Tuesday evening, September 24. Many parents visited the various classrooms prior to the business meeting.

A special meeting of the officers and chairmen of the standing committees was held on Monday evening, October 7, to make plans for the coming year.

In attendance were Harold E. Brooks, president; Paul Rowe, vice-president; Miss Pauline Sagala, secretary; Mrs. Carl Jensen, treasurer, and Miss Ethel Tucker, principal of Mason School.

Friday evening, October 18, the year's initial social event, a card party, was held in the school.

On Friday evening, November 1, the association will sponsor a costume dance in the school gymnasium, Vernier Road near Mack, beginning at 9 o'clock. Bill Boell's orchestra will supply the music and Elaine Marie Arndt's dancers the entertainment.

## NEWS DIGEST

By DICK BODYCOMBE

Hollywood film stars have started to hold their breath and cross their fingers. If the "triple-death" jinx runs true to past form, two more screen favorites will join the ill-fated Tom Mix sometime in the near future.

The day after draft registration was completed the Associated Press opened a sports story with "Uncle Sam signed the greatest team" of athletes to con-

tracts Wednesday in the history of sports—but he doesn't know yet who'll make the starting lineup." The draft also produced a flock of letters from wives seeking information on missing husbands, who they knew were required by law to register.

With the re-opening of the Burma Road, the words of the well-known "On The Road To Mandalay" have become very real to the Far East. "Where the dawn comes up like thunder"—the thunder of Japanese bombers.

Don't be surprised if Mickey Cochran soon succeeds Oscar Vitt as manager of the rebellious Cleveland Indians.

East Side residents drove off with the major share of cars given away at the Detroit Automobile Show. On opening night the lucky winner was Mrs. Leslie

G. Korte, of 4175 Balfour Road (Detroit side of Mack avenue). Two nights later the winning number bounced down one street, to 5309 Berkshire, the residence of Mrs. Helen Tait. Last Saturday night the wheel of chance spun to a stop on Chalmers avenue, placing all three winners within a single square mile.

After totaling German claims since the outset of hostilities, one finds that the Nazi war machine has sunk three times as many ships as the British navy and merchant marine originally possessed. According to reports from London, the RAF has destroyed the Kiel Canal seven times.

Nature lovers and wild life experts can take or leave this one—Stalking out of the wooded section of a Quebec game reserve, a giant moose charged smack into the front of a passing truck. The truck had to be towed to a garage but the moose sauntered off, apparently uninjured.

Writing in a Pittsburgh newspaper on the topic "Why I Want Willkie," one well-known author has quipped: "He (Willkie) can add and subtract. Money is money to him, and not carnival confetti. The most healthful habit we have in America is change. I believe in changing horses in the middle of a stream if one of them is marking time under water."

The cruiser Ajax, new hero of the British fleet, has had a busy year. An important cog in the destruction of the Nazi pocket battleship Graf Spee, the Ajax returned to the spot light last week by sinking two Italian destroyers in a red hot Mediterranean battle.

The high school in Leonardville, Kans., has uncovered an unusual trend. The enrollment in the home economics class shows 18 boys and 13 girls.

Harvey Hunyadi, one of Grosse Pointe's finest tennis players, has turned simile writer. Harvey has coined a secret one, something about Harmon (ious), and is waiting for a good chance to spring it.

Japan's most active volcano has started new eruptions, but then the Nipponese have become quite used to spouting off—such as premiers and foreign ministers, etc.

Walt Disney's Hollywood studio-factory is working feverishly at top-speed. In addition to Mickey Mouse and Donald Duck shorts, Disney artists are slaying over the full-length production "Bambi," taken from the famous children's book.

Wayne University's freshman football team hasn't won a game in four years. Worried coaches and alumni are considering a "second, third and possibly a fourth team."

In a short pro-and-con discussion of the yearly football problem, directed at worried parents, the "Roadside Philosopher" concludes: "So there you are. If the boy wants to play football, let him. Lay in a supply of arnica and bandages, steel your nerves, and hope for the best."

## Christian Science Church

"Probation after Death" will be the subject of the lesson-sermon in all Christian Science Churches throughout the world on Sunday, October 27.

The Golden Text (Galatians 6:9) is: "Let us not be weary in well doing: for in due season we shall reap, if we faint not."

Among the Bible citations is this passage (I Corinthians 15:19-20): "If in this life only we have hope in Christ, we are of all men most miserable. But now is Christ risen from the dead, and become the first-fruits of them that slept."

## SOCIAL NOTES

The St. Joseph Mercy Hospital Auxiliary is planning its first benefit of the season on Wednesday afternoon, October 30, at 1 o'clock in the nurses' home on East Grand Blvd.

A luncheon will be served, followed by bridge, under the supervision of Mrs. S. J. Phillips, chairman. Assisting are Mrs. J. C. Biecker and Mrs. R. H. Burke. In charge of table and door prizes are Mrs. C. F. Rauen and Mrs. L. W. Steyskal. Mrs. Wm. A. Gant is in charge of publicity.

Republican Women's Clubs of the Wayne County Council will meet Friday, October 25, at the Barlum Hotel. Republican candidates for office in the forthcoming elections will be guest speakers.

Mrs. Edwin C. Roraback, president, has called the meeting of the board for 1 o'clock, to be followed by the regular session at 2 p. m.

Dr. and Mrs. E. Hobart Reed of 986 Westchester Road have recently returned home from a tour of American and Canadian national parks. Glacier, Yellowstone, Jasper and Calgary parks were visited during the trip. Dr. Reed estimates that Canada has produced one of the largest wheat crops in its history.

Seven Grosse Pointe students at the University of Michigan have been pledged to sororities at the university following the fall "rush" period, which has just ended.

Elizabeth Barton, freshman, was pledged to Alpha Gamma Delta sorority; Josephine Carpenter, junior, was pledged to Kappa Alpha Theta; Betsy Goodrich, a junior, to Collegiate Sorority; Mary Craig Hughes, a freshman, to Gamma Phi Beta; Sally Morton, also a freshman, to Pi Beta Phi; Marjorie Kaufmann, another freshman, to Alpha Phi, and Dorothy Treadwell, freshman, to Chi Omega.

## Mothers Club Schedules Talk By "Free Press" Literary Editor

The Mothers Club of Grosse Pointe High School will meet on October 28, at 7:30 in the school library, with Mrs. Charles Ellis presiding.

Mrs. Marion M. Schaeffer will introduce Mrs. Helen Bower, whose topic will be "Adventures in Interviewing." Mrs. Bower is literary editor of the Detroit Free Press and is well known in this community for her interesting lectures and book reviews.

All mothers of Grosse Pointe High School students are cordially invited to attend meetings and join the club at this time.

## Rapid Rise Of Junior Programs, Inc., Told

When Marion Bishop's Marionettes appear at Pierce Junior High School, under the auspices of the Parent-Teachers Association on Saturday, October 26, program readers will note that the production was staged by "Junior Programs, Inc.," whose slogan is "Only the best is good enough for children."

Behind the Junior Programs, Inc., is a fascinating story of a young organization bringing living, worthwhile entertainment to the children of America. Born three years ago, in a small one room New York office, as a non-profit foundation, Junior Programs has had a meteoric growth. The first year saw its opera, ballet and play companies touring 11 states. This year the children of more than thirty states will learn that drama, music and ballet, as presented by Junior Programs, are not dull and meaningless, but enjoyable and stimulative to thought, as well as meaningful to life.

Advertise in our classified department.

## George B. Schaeffer "Tells The Truth About Conscription"

[Editor's Note: The opinions of political candidates are strictly their own and not necessarily those of The Grosse Pointe Review.]

"The Conscription bill, recently passed by our present Congress, which went into effect on October 16, is just another piece of legislation designed to completely regiment our citizens," is the theme of a message to residents of this district from George B. Schaeffer, Republican nominee for Congressman in the 14th District.

Candidate Schaeffer also remarked: "It is high time we did something about stopping these bills which destroy our freedom, before it is too late to save Americanism. The dangers of the Conscription bill are hidden under the lofty cloak of 'national defense.'"

Schaeffer continued, "This bill is not primary a defense measure. The present Congress of the United States, realizing that we are on the brink of national bankruptcy and economic chaos, because of ill advised and unwarranted legislation passed during the past six years, took the drastic step of placing

men under military rule, not necessarily to fight, but to work also for a standard wage of \$30 per month, regardless of whether or not you are a skilled mechanic or toolmaker drawing \$1.50 per hour, and worth it. We may as well realize it, it's work or fight, or have your heat, rations, housing and living essentials cut off. This completely destroys the democratic gains of Labor's collective bargaining system, destroying the function of the labor union.

"If you are a registered draftsman, try to buy a car, a radio, a washing machine, or some jewelry on credit and find out what questions are asked you. Find out the facts, and act by electing representatives to Congress on November 5th who believe in labor's right to collectively bargain, are against regimentation and dictatorship and want to preserve our constitutional rights as Americans.

"I am proud to be the Republican standard bearer in the 14th District and not merely a pawn in the hands of a self-perpetuating bureaucracy, and I will represent the people the way they want to be represented," concluded Schaeffer.

## U. of M. Professor Tells Alumni Club "Russia Will Remain Neutral"

"Three courses lie open to America in the present European crisis," said James K. Pollock, professor of political science at the University of Michigan, during last week's meeting of the Grosse Pointe University of Michigan Club. "She can follow her present course, participate directly at once, or participate directly in six months," continued Professor Pollock.

An audience of 800 in Pierce auditorium heard the professor declare, "Russia is the great enigma in present day European diplomacy. Should she throw her might on the side of England—that might mean victory for John Bull. Probably, however, Russia will stay aloof from the conflict."

An open discussion followed Professor Pollock's talk. For half an hour, club members quizzed the speaker on the significance of recent moves by American, Asiatic and European countries in the diplomatic sphere.

Dr. M. M. Schaeffer, recently re-elected president of the club, announced the new members of the board of governors to the group.

Herbert Hobart has been appointed chairman of the new membership committee. The social committee is headed by Mrs. H. G. Goebel. Clayton Purdy and William Iverson are chairmen of program and publicity committees.

Purdy announced that the next meeting of the club will feature two full-game pictures of University of Michigan football contests. This meeting is tentatively scheduled for the second week in November.

Miss Florence Severs reported enrollment is still open for the lectures on contemporary literature by Miss Olive Deane Hornell. Information may be secured at the main branch of the Public Library.

Badminton is open to club members Tuesday evenings at Pierce School. Erwin Koning has charge of arrangements.

**For DEPENDABLE BUS SERVICE**

**VOTE YES ON PROPOSAL #3**

You have a real interest in passage of State Proposal Number 3. This law is your guarantee of dependable bus service. By voting "Yes" on the proposal you will reserve the right to control operations of the Detroit Street Railways within your community. This is important!

**"YES" VOTE TO PREVENT DISCRIMINATION**  
A number of suburban communities have already felt the effects of unjust discrimination by the D. S. R. Without notice to the public it suddenly discontinued service in Dearborn, Center Line and Lincoln Park. Within the past few months the D. S. R. notified the City of Royal Oak that it would run its buses into that suburban city whether that city wanted them or not. Unless you vote "Yes" on Proposal Number 3, your community may be the next to suffer.

**REMEMBER**  
You Are Entitled To Good Bus Service!  
**VOTE YES #3 ON PROPOSAL**

**Trombly School P.-T. A. Holds Fashion Show**

The Parent-Teacher Association of Trombly School will sponsor a fashion show this afternoon, October 24, in the school auditorium beginning at 1:45. Fur coats, suits, cloth coats, and the latest in hats will be modeled by well-known Detroit women's shops. Everyone in the community is cordially invited to attend, especially mothers of new Trombly students. Tea will be served following the show.

**"Your Money"**

By LEE BALINGER  
"What are we going to use for money?" I hear business men asking this question every day on all sides. My boss says that business, he feels, will be pretty good for awhile, perhaps a year or two, but after that, hold your hat and look out. Another fellow says we will have the largest business boom we have ever seen for awhile, and after that, what will happen is anybody's guess. All this everyday discussion seems to converge upon a mysterious vanishing point for prediction or business planning, and the curtain drops there. Business men know that business is governed by money and that when the latter is cheapened by government action, adverse effects upon business are to be felt.

As a matter of fact, what happens to our money later will be determined by what course the government now chooses for the financing of national defense. The government is not getting enough income from taxes at present to pay for the normal expense of government and also pay the necessary billions for defense material now on contract. In order to start defense payments our government is going to have to make new money or borrow it from somebody. If new money is printed or if treasury securities are sold to the commercial banks, the net result is the same—our money is further cheapened. The now existing billions in idle frozen deposits is ultimately still further increased.

There is growing opinion that the government should use the one safe course still open to borrow—and this would be from the individual American people. The government should issue attractive coupon bonds to be sold widely to the people of the nation, excluding large holdings by any one bank, corporation or single unit. This will set to work the idle billions, will enable the government to pay for defense without harmful dilution of our money, and will cushion our domestic economy during that uncertain near future. A people who have confidence in their government will invest their all to preserve that government.

**Naval Reserve Claims Six Grosse Pointe High School Students**

Subject to immediate call at any time are six Grosse Pointe High students who are members of the United States Naval Reserve.

Most of the lads have had training on board ship. Last summer the Naval Reserve manned the "Dubuque" on a two-weeks' cruise to Chicago and back. About 120 boys took over the real duties of sailing a naval vessel. They scrubbed decks, polished brass, tended machinery and slept in hammocks like true sailors. Now they are expecting to do it all over again, only in active service this time.

Attending weekly classes and drill work Monday or Wednesday evenings from 8 to 10 o'clock at the Naval Armory, the reservists receive 70 cents a night. If and when they are called into service they will receive \$30 a month.

The six Grosse Pointe members are Blair Martin, Fred Stoepel, Rusty Fosatti, Bob Looker, Nick Dana and Leo Ryan.

**Road Commission Wins National Award**

The Wayne County Road Commission has been voted the first place award, among the nation's counties having a population of 300,000 or more persons, in a nation wide contest conducted by the Better Roads Magazine of Chicago, in co-operation with the American Road Builders Association and road agencies.

In determining the winner of the award, the judges took into consideration general management policies and procedure, planning and budgeting, general and cost accounting, purchasing and supply management, shop and equipment management, personnel administration and public relations.

Charts outlining administrative organization, index and road inventory records, financial statements, engineering, plans and specifications, budgets, traffic reports, maps, cost accounting forms, annual reports, method of taking bids, forms or requisitions for withdrawing materials from stores or yards, purchase orders, equipment inspection schedules, equipment expense reports, and repair part requisitions were also carefully studied by the judges.

The Wayne County Road Commission has been in existence since 1906 and always has been considered one of the outstanding road building agencies in the country. The present board consists of John F. Breining, chairman; Charles L. Wilson, vice-chairman; and Michael J. O'Brien, commissioner. Leroy C. Smith is the county highway engineer.

**Close Culling**  
One way to improve a dairy herd is to cull out the low producers that do not pay their way. Although great emphasis is placed on scientific breeding—as the only way to make any lasting improvement in the productivity of dairy herds—close culling should continue to be practiced.

**"BEYOND THE BENCH"**

By JUDGE THOMAS F. MAHER  
Of Traffic Court

**Warning Signals**

"I didn't see him coming," is the answer the judge usually gets in questioning motorists charged with failure to give a signal on a turn or leaving a curb. Yet this answer throws light on the reason for the high percentage of accident cases caused every year by drivers who violate a fundamental rule of safe driving.

The attitude of most drivers in cases of this kind indicates that many of them feel a quick glance behind or to their right or left before they make a turn is sufficient. That thousands of motorists involve themselves and others in such accidents is emphatic evidence that that is not enough. It is required by law that drivers before making a turn must extend their arm beyond and outside their vehicle and hold it for a sufficient time in a horizontal position to warn approaching drivers of their intention. The habit of not doing so inevitably leads to an accident. The hand may not be quicker than the eye but it is safer!

Many drivers pull away from the curb into traffic as though the world and all should wait for them. But the law says that the moving vehicles have the right of way and that the motorist at the curb must give the proper signal to warn other drivers before starting. Drivers who fail to obey this rule may get away with it ninety-nine times, but there is always the hundredth.

The streets would also be much safer if the operators of other vehicles, warned by such signals, would immediately heed them instead of attempting to save what may easily be very costly moments by disregarding them. Courteous regard for the rights of others is as important on the streets and highways as in the home or place of business.

**Y. W. C. A. Notes**  
A "Hungarian Nationality Night," with entertainment, music and folk dancing will be held at the International Center Branch of the Detroit Y. W. C. A. on Wednesday, October 30, at 8 o'clock. Part of the evening will be devoted to instruction in Hungarian dance steps and the remainder to participation in the folk dancing and enjoyment of a special Hungarian program.

This Hungarian Night is one of a series planned for the winter in which everyone interested in learning the folk dances of Hungary, Poland, England, Spain and the Scandinavian countries is invited to participate.

Eleven School Staff Members Will Speak At State Meeting

Eleven members of the Grosse Pointe Public School staff have been invited to participate in meetings during the convention of Region I of the Michigan Education Association, October 25-26 in Detroit. John R. Barnes, director of instruction, will be chairman of a group-discussion meeting that will consider the evaluation of pupil growth in high schools. He will also participate in a discussion of "What Shall the School Program Include to Guarantee the Development of the Purposes of Education in American Democracy?" Lynn M. Bartlett, director of child accounting and adjustment, will speak on "The Psychological Phases of Self Expression for Children."

Dr. Marian Fitz-Simons, school system psychologist, will address a meeting of kindergarten teachers on "The Kindergarten the Keystone of Mental Hygiene."

J. Harold Husband, director of administrative services, will participate in the discussion of "The Development of Good Citizenship Through School Instruction."

Clarence J. Messner, principal of the Richard School, will take part in the discussion of "What Can We Do to Improve Present-Day Teaching in Early Elementary Grades?"

Mrs. Lucile C. Mullen, of the Grosse Pointe High School faculty, will discuss "Phonograph Recordings in the Literature Classroom" before a meeting of teachers of high school English.

Miss Marian Norris, a member of the faculty of the Richard School, will be chairman of a group of teachers who will deal with the subject "The Place of Activity in a Beginning Reading Program."

Mrs. Ruth Pace, another teacher at Richard, and Mrs. Helen Reading, a teacher at Mason, will be members of the discussion group for this subject.

Miss Doris Trott, well-known teacher of journalism at Grosse Pointe High School, will speak on "Publicizing the Classroom" in a general discussion of "What Is the Part of the Teacher in a Public Relations Program?"

Dr. E. R. Van Kleeck, superintendent of schools, will participate in a discussion of "Education and Economic Well Being in a Democracy."

## Jefferson Avenue Baptist Church

This Sunday, October 27, will be the next to the last sermon that the Rev. Wayland Zwyer, minister of the Jefferson Avenue Baptist Church, will preach in Detroit. He will speak at 11 a. m. and 7:30 p. m. It will be remembered that Rev. Zwyer has accepted a call to the Emmanuel Baptist Church in Brooklyn, N. Y.

## Faith Lutheran Church

Concluding his series of popular sermons on the prophet Daniel, Rev. R. D. Linhart, pastor of Faith Lutheran Church, will preach this week on "Daniel In The Lion's Den." The combined junior and senior choirs will sing for the service beginning at 10:45. Bible classes and Sunday School classes for all ages will meet at 9:45. Friends as well as new comers in the vicinity of Faith Church are invited to attend.

Sunday evening the Crusaders will meet, having Ford Pettit of the Detroit News as their guest speaker. The meeting, with a light supper and entertainment, will be at 6:30. All are welcome.

## St. James Lutheran Church

Sermon subject: "The Heavens Opened." Services in auditorium of Grosse Pointe High School at 11 a. m. Public invited. Sunday School at 9:45 a. m. Children welcome.

The following officers were elected at the last congregation meeting: President, Mr. Wagner; vice-president, Mr. Hansen; secretary, Mr. Groening; treasurer, Dr. Neeb; financial secretary, Mr. Bauman; Sunday School superintendent, Mr. Dahlen; elders, Mr. Foote, Mr. W. Flemming, Mr. Wuebold; trustees, Mr. Faust and Mr. Reinstein.

## Grosse Pointe Lutheran Church

Reformation services—the 423rd anniversary of the Protestant Reformation will be observed at the Grosse Pointe Lutheran Church, worshipping in the Richard School auditorium, Kercheval and McKinley, Sunday morning, October 27, at 11 o'clock, with sermon preached by the Rev. M. Luther Canup, D.D., pastor.

Subject of sermon: "Why was the Reformation of the 16th Century necessary?" The Holy Communion will be administered at this service.

Sunday School at 9:45 a. m., with a review of questions on the origin of the Protestant Reformation, the history of

Symphony With No Audience  
There is a symphony orchestra in Albany, N. Y., that has played a thousand concerts—and not one before an audience. The musicians play for their own benefit.

## Legal Notice

### Second Insertion

STATE OF MICHIGAN, County of Wayne, ss.—At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the twenty-seventh day of September, in the year one thousand nine hundred and forty. Present: Joseph A. Murphy, Judge of Probate.

In the Matter of the Change of Name of VICTOR PSZCZULKOWSKI, an Adult Person. On reading and filing the petition of the said Victor Pszczulkowski praying that his name be changed to VICTOR BEEMAN. It is ordered, That the ninth day of December, next, at ten o'clock in the forenoon at said Court Room be appointed for hearing said petition.

And it is further ordered, That a copy of this order be published three successive weeks previous to said time of hearing, in The Grosse Pointe Review, a newspaper printed and circulating in said County of Wayne.

JOSEPH A. MURPHY,  
Judge of Probate.  
CLIFFORD NELSON,

**An Ordinance**  
**TO PROTECT THE PUBLIC  
HEALTH AND TO PROVIDE  
FOR THE SANITARY AND  
EXPEDITIOUS REMOVAL  
OF CERTAIN CLASSES OF  
WASTE MATTER, COM-  
MONLY KNOWN AS HOUSE-  
HOLD OR MUNICIPAL REF-  
USE.**

THE VILLAGE OF GROSSE  
POINTE PARK ORDAINS:

**Section 1. Definitions:**  
"Garbage" shall be construed to mean  
waste foodstuffs or table wastes of vege-  
table or animal origin, together with  
other incidental admixtures. Dead ani-  
mals weighing 100 pounds or less shall  
be classed as garbage.

"Ashes" shall be construed to mean  
the solid residue of combustion of fuel  
used in heating and cooking operations,  
as occurring in households, apartments,  
offices or business places, but not to in-  
clude residue from industrial plants or  
operations.

"Rubbish" shall be construed to mean  
the waste materials from normal house-  
hold or living conditions and business  
operations; it shall not include factory  
wastes or refuse from industrial plants  
of any character or waste material from  
building construction or repair. In  
general, rubbish is paper, rags, bottles,  
tin cans, cardboard, wornout clothing  
or furniture, excelsior and the like.

"Garden rubbish" shall be construed  
to mean garden, lawn or tree trim-  
mings, leaves and dead garden plants  
from the normal household; it shall not  
include rubbish from work of land-  
scape gardeners of private companies.

**Section 2. Collection of Refuse:**  
The Department of Health shall  
establish schedules and methods of col-  
lection of waste matter, and shall, by  
appropriate means, provide the citizens  
of the Village of Grosse Pointe Park  
with information concerning the same;  
PROVIDED, that the collection of  
waste matter shall not commence be-  
fore 6:00 o'clock a. m., nor be contin-  
ued after 6:00 o'clock p. m., except  
where, for the protection of the public  
health, the Engineer in charge of op-  
erations may require the extending of  
the time limit herein fixed.

**Section 3. Rules and Regulations  
Governing Collections from Households  
and Other Places:**

(a) During intervals between collec-  
tion days, garbage, ashes and rubbish  
shall be kept and stored separately. A  
sufficient number of containers for re-  
fuse accumulating between collection  
days shall be provided by every house-  
holder, or other person or persons  
served. All refuse containers shall be  
maintained in good, clean condition by  
owners thereof, and promptly replaced  
when no longer fit for use. The com-  
bined weight of any container and its  
contents shall not exceed one hundred  
(100) pounds; PROVIDED, however,  
that containers for refuse shall not be  
so small that it requires several con-  
tainers for each household.

(b) Containers for garbage shall be  
of metal, and they shall be water-tight  
and with tight-fitting covers, to prevent  
the disturbance of their contents by  
cats and dogs, and to prevent the pro-  
pagation of rats and flies and other in-  
sects or vermin. Metal containers shall  
have handles or handles for easy handling.  
Liquid wastes shall not be placed in  
garbage containers.

Containers for ashes shall be of metal  
of sturdy construction and must have  
adequate handles for handling and to  
prevent spillage. Hot cinders or ashes  
shall not be placed in ash containers.  
Containers for rubbish may be of  
wood or metal or, if a rigid container is  
not desired, large burlap, canvas or sim-  
ilar cloth bags may be used. Covers for  
rigid containers are desirable to pre-  
vent scattering of contents by the wind  
and as a breeding place for vermin.  
When the rubbish to be removed ex-  
ceeds in volume the capacities of the  
containers regularly employed, it may  
be wrapped in bundles and securely  
tied, or, as in the case of discarded  
furniture, it shall be broken and re-  
duced in volume so as to permit safe  
and speedy handling. The greatest di-  
mension of such bulky articles shall not  
be more than three (3) feet.

Garden rubbish shall be placed on  
containers of wood, metal or paper in  
order to facilitate its handling. Branches  
shall be cut to four (4) feet and tied  
securely and compactly in bundles.  
(c) Refuse containers shall be kept in  
the rear yards, as near to the rear  
household and as accessible to the re-  
fuse collectors as possible. When cir-  
cumstances do not permit the collec-  
tors to enter on the property, the oc-  
cupant shall have the containers placed  
at the curb or in the alley abutting the  
property before the hour of 6:00 o'clock  
a. m., on the days on which collections  
will be made.

**Section 4. Containers to be Provided:**

It shall be the duty of the occupant  
of premises in the Village to provide  
proper containers and to keep contain-  
ers in proper condition. Notice to oc-  
cupants of premises who fail to pro-  
vide containers or fail to keep contain-  
ers in proper condition shall be given  
by the Department of Health, and fail-  
ure to comply with the requirements of  
such notice within three (3) days shall  
constitute a violation of Section 3 of  
this Ordinance.

**Section 5. Scavenging and Private  
Collections:**

It shall be unlawful for any one, other  
than the tenants or occupants of the  
premises on which refuse containers are  
stored, or the regularly authorized em-  
ployees or licensees of the Village to  
disturb any refuse containers or to re-  
move their covers or any of the con-  
tents thereof, or to cause such refuse  
containers or their contents to be  
strewn or scattered on the lawns, side-  
walks, alleys or streets.

Any one who desires to collect refuse  
of any character from any residence,  
store or other place of business shall  
obtain from the Village Commission a  
permit, authorizing him so to do. The  
regulations covering private collections  
shall be the same as that for Village  
collections.

**Section 6. Special Sanitary Provi-  
sions:**

The removal of wearing apparel, bed-  
ding or other refuse from homes or  
other places where highly infectious or  
contagious diseases have prevailed, shall  
be performed under the supervision and  
direction of the Health Officer of the  
Township of Grosse Pointe.

**Section 7. Deposit of Refuse:**

It shall be unlawful for any person to  
deposit, throw or place any refuse in  
any alley, street or private premises  
unless it is in accordance with the pro-  
visions of this Ordinance.

**Section 8. Penalties:**

Any person violating or assisting in  
the violation of the provisions of this  
Ordinance shall, upon conviction there-  
of, be punishable by a fine not exceed-  
ing One Hundred (\$100.00) Dollars, or  
by imprisonment in the Village or  
County Jail for a period not exceeding  
ninety (90) days, or both such fine and  
imprisonment may be required in the  
discretion of the court. For each day  
that a violation of this ordinance is per-  
mitted to exist, the same shall consti-  
tute a separate and distinct offense, and  
shall be so punishable.

**Section 9. Cement and Brick Re-  
ceptacles:**

Effective January 1st, 1942, the use  
of all cement and brick receptacles for  
refuse in the Village shall be discon-  
tinued and replaced by containers as  
provided for in Section 3 of this Ordi-  
nance.

**Section 10. Repeal of Other Ordi-  
nances:**

Any law, regulation or ordinance in-  
sofar as it is in conflict with the pro-  
visions of this ordinance is hereby re-  
pealed.

**Section 11. Effective Date:**

This ordinance is to take effect  
twenty (20) days from the date of its  
enactment.

WM. G. STAMMAN,  
Clerk.

Passed Oct. 14, 1940.

**Pierce School Notes**

The first P.-T. A. meeting at Pierce  
attracted 450 parents. "Her Tin Hero,"  
a student play, and "West in a Station  
Wagon," a talk by Scoutmaster Samp-  
son of Troop 39, headlined the audi-  
torium program. President Ralph Sick-  
els appointed a nominating committee  
to submit a slate of officers for action  
by the members at the second meeting.  
Refreshments were served by a com-  
mittee directed by Mrs. Millard Ton-  
cray.

Latin classes of Miss Mildred Sim-  
mons journeyed to J. L. Hudson's to  
view a puppet show. Students will now  
dress their own puppets for a series  
of plays based on Roman life and  
mythology.

Masks, gay and sinister, were seen by  
31 students at the Cranbrook Institute  
of Science in Bloomfield Hills last Sat-  
urday. A complete display represent-  
ing all the great mask-making cultures  
has been arranged around the story of  
Halloween. Miss Janette Adams and  
Humphrey Jackson, faculty members,  
accompanied the group.

The largest 7B open house attend-  
ance in years flocked to Pierce last Fri-  
day, October 18. Cynthia Cane, student  
chairman, welcomed parents and friends  
to an hour long auditorium program. A  
skit, a pantomime, a cooking class dem-  
onstration, a 100-voice chorus, had been  
planned by seventh grade teachers. The  
boys' cooking classes acted as hosts for  
refreshments in the gym.

The Pierce P.-T. A. sponsors a bad-  
minton group for its members, meeting  
Monday and Saturday afternoons.

Gardening enthusiasts meet Thurs-  
day evenings to discuss their mutual  
problems with an expert. Mr. Hamp-  
kian, of the Wayne Extension Division,  
conducts this P.-T. A. sponsored group.

For those who like to knit, a group  
has been organized for Monday after-  
noons in the Pierce household arts  
rooms.

**VerLinden Wedding**

On Saturday morning, October 12, at  
9 o'clock, Helen Adele Gaffney, daugh-  
ter of George M. Gaffney and the late  
Helen Ryan Gaffney, and John Henry  
VerLinden, son of Mr. and Mrs. John  
P. VerLinden, were married in the  
Holy Redeemer Church. Ivory gladioli

and white chrysanthemums banked the  
alter which was softly lighted by tapers.

Miss Gaffney, who was given in mar-  
riage by her father, was gowned in  
ivory satin, the bodice and sleeves of  
which were embroidered in tiny seed  
pearls. The lower half of the front  
skirt was draped to reveal a cascade of  
lace ruffles. Her long illusion veil fell  
from a pearl band and she carried a  
bouquet of bouvardia and stephanotis.

Attending the bride as maid of honor  
was her cousin, Mary Louise Theisen,  
who wore a Grecian gown of pale blue  
velvet with long full sleeves. The three  
bridesmaids, Clarice M. VerLinden, sis-  
ter of the groom, Kay N. Flanagan and  
Grace E. Dowell, were in similarly fash-  
ioned gowns of wine velvet. Garlands  
of silver leaves and shower bouquets of  
white split carnations tied in silver,  
completed the attendants' ensembles.

A. Robert Schneider was his cousin's  
best man and the ushers were Victor C.  
Schneider, Robert L. Theisen Jr., James  
M. Murphy, while C. Carroll Ryan of  
Bay City and George Lufft seated the  
guests.

For her son's wedding Mrs. VerLin-  
den selected a costume suit of hunters'  
green wool, banded in martin. Acces-  
sories of Indian penny and a corsage  
of bronze mums completed her costume.  
Miss Louis F. Ryan, the bride's aunt,  
wore smoke gray crepe, embroidered  
with silver beads. Her black hat was  
covered with pale blue feathers and her  
corsage was of Joanna Hill roses.

Following the ceremony breakfast  
was served at Dearborn Inn, and during  
the late afternoon a reception was held  
at the home of the bride's aunt and  
uncle, Mr. and Mrs. Robert L. Theisen  
Sr., on Liddesdale avenue.

Upon their return from a motor trip  
through the South, Mr. and Mrs. Ver-  
Linden will reside at 1913 McNichols  
Road. For traveling, Mrs. VerLinden  
wore a moss green wool suit with  
brown accessories and her flowers were  
brown orchids.

Among the out-of-town guests were  
Mrs. C. Ryan of Bay City and Mrs.  
Agnes Schneider of Lansing.

**"Points and Pointers"**

An exclusive new haberdashery,  
Proper's Sore for Men, 17016 Kerche-  
val, between Notre Dame and St. Clair,  
now offers smart Grosse Pointe men a  
complete assortment of suits, coats,  
top coats, shirts, hats, shoes and ties.

Everything for the well-dressed man's  
wardrobe is available, whether he is a  
conservative or colorful dresser.

Mr. Proper, formerly located on  
Grand River, has operated a men's  
clothing store for over 20 years. The  
tailoring department will be under the  
supervision of Carl Koseff, well-known  
clothes designer.

**Home Conveniences  
Stimulate Interest In  
Building Modernization**

The introduction of a great many  
new household appliances and prod-  
ucts has opened up short cuts to build-  
ers engaged in modernization of older  
homes.

Advances in the home-building indus-  
try have kept pace with general tech-  
nological progress, and today the build-  
er has hundreds of relatively inex-  
pensive home improvements which add  
value, convenience, and a large degree  
of livability to obsolete structures.

**Serve As Complement**

Not even builders contend that these  
new products alone will bridge the  
years in a home's age, but they do point  
out that many of these appliances add  
a 1940 flavor to the out-moded house  
and serve as a complement to struc-  
tural modernization.

For example, the unsightly joint and  
gap between bath tub and wall may  
now be sealed with a new flexible rub-  
ber strip which is said by its manufac-  
turers to follow tub contours and ac-  
commodate seasonal movement be-  
tween tub and wall without breaking  
the seal. The hard-rubber outer surface  
is described as impervious to soap  
and hot water. In addition to the rubber  
tub molding, other kinds are available  
in aluminum and other metal alloys.

**Double-Duty Rooms**

With the modern trend toward func-  
tional design for living quarters, it is  
important to have rooms perform  
double duty. Combination dining rooms  
and kitchens can often be arranged,  
with the kitchen hidden behind accord-  
ion folding doors. These doors are  
also said to be valuable in separating  
living rooms and bedroom halls.

Safety can be lent to dangerous area-  
way openings by installation of welded-

steel gratings which rest on top of the  
areaway walls. The gratings admit  
light but keep children and animals  
from dropping into the well.

**Areaway Walls**

Steel areaway walls are also market-  
ed to admit light to windows below  
grade. Units are made either of cop-  
per alloy steel or of special steel porce-  
lain enamel. Their shape is designed to  
withstand earth pressure and hold the  
areaway walls in place.

One leading manufacturer of plumb-  
ing goods has announced a new clay  
bathtub, said to be light in weight, mod-  
erately priced, and easily cleaned. It is  
made of a new thermal shock-proof  
clay product, and its manufacturers  
claim for it the cleanliness of vitreous  
china since its hard acid-resisting sur-  
face is composed of glass completely  
fused to the clay base. It has a wide  
flap rim which serves as a seat, as a lip  
to keep water from splashing over, and  
as a hand grip for the bather when  
entering or leaving.

A new transparent waterproof coat-  
ing has been announced, and its manu-  
facturers say that it makes brick,  
stone and stucco walls above grade  
watertight without changing the sur-  
face texture.

**Cupping Used Early**  
Blood-letting or cupping was used  
as early as 413 B. C. to treat disease.

**Grosse Pointe  
Unitarian Church**

The Grosse Pointe Unitarian Church,  
which meets at 11 o'clock every Sun-  
day morning at the Alger Museum, 32  
Lake Shore Road, is starting its sec-  
ond year under the leadership of the  
Rev. Merrill O. Bates.

There has been considerable interest  
aroused in the membership over plans  
for the erection of a church building  
on Lake Shore Road. Plans were de-  
veloped by Dr. Cram during the sum-  
mer, and preliminary sketches have al-  
ready been submitted to the mem-  
bership.

**CALL FOR REDEMPTION OF 1937 RE-  
FUNDING BONDS OF THE VILLAGE  
OF GROSSE POINTE WOODS (FOR-  
MERLY THE VILLAGE OF LOCH-  
MOOR)**

The Village of Grosse Pointe Woods, formerly the Village of Loch-  
moor, Wayne County, Michigan, gives notice that the following bonds  
will be called for redemption by cash payment on December 1st, 1940,  
to-wit:

<b>SERIES A</b> —Bonds 1 to 244, inclusive, Dated December 1st, 1937, Maturity December 1st, 1967.....	\$244,000.00
<b>SERIES B</b> —Bonds 1 to 32, inclusive, Dated December 1st, 1937, Maturity December 1st, 1967.....	17,600.00
<b>SERIES C</b> —Bonds 1 to 104, inclusive, Dated December 1st, 1937, Maturity December 1st, 1967.....	44,100.00
<b>SERIES D</b> —Bonds 1 to 107, inclusive, 123 and 124, Dated December 1st, 1937, Maturity December 1st, 1967.....	109,230.00
<b>SERIES E</b> —Bonds 1 to 63, inclusive, Dated December 1st, 1937, Maturity December 1st, 1967.....	63,000.00
<b>SERIES F</b> —Bonds 1 to 29, inclusive, 35 and 36, Dated December 1st, 1937, Maturity December 1st, 1967.....	29,600.00

The above bonds shall be presented to the Detroit Trust Company,  
of Detroit, Michigan, and the payment of interest on such bonds shall  
cease on and after December 1st, 1940.

PHILIP F. ALLARD,  
Village Clerk,  
Grosse Pointe Woods, Michigan.

**NOTICE**  
**to Property Owners**  
**City of Grosse Pointe**  
At the November 5th election there will be  
submitted to the voters the following Special  
County Proposition, to-wit:  
"To authorize the Board of Supervisors to levy a  
tax of 1/4 of one mill each year for a period of ten  
years, to create a sinking fund to be used for the  
purpose of purchasing real estate for sites for, and  
the constructing or repairing of public buildings."  
Those qualified to vote on the above propo-  
sition will be the lawful owner (or husband  
or wife of the lawful owner) of property  
assessed for taxes in the City of Grosse Pointe.  
**Norbert P. Neff,**  
City Clerk.

## Board Of Education Urges "Yes" Vote On State Proposal No. 1

[Editor's Note: The following is a message to Grosse Pointe registered electors explaining the Board of Education's stand on State Proposal No. 1, which will appear on the November 5 ballot.]

Ordinarily the Grosse Pointe Board of Education carefully refrains from taking a position on state-wide issues. When, however, the issue is of a non-partisan nature, as in the case of Amendment No. 1 on the state ballot November 5, and when the interests of the taxpayers of our community and of the boys and girls now in the schools and to be in the schools in future years are involved, the board conceives its duty to lie in expressing in this public fashion its considered opinion.

We are therefore presuming to call to your attention that it is our judgment that the best interests of the people of Grosse Pointe will be served by an affirmative vote November 5 on Amendment No. 1. This concerns the number of years that future school bond issues for school house construction can run. At the present time, due to existing legislation and constitutional amendments in Michigan, school buildings constructed since 1932 must be paid for within five years or less.

Although this has the obvious benefit of greatly lessening ultimate interest charges—a goal of much importance—it hugely increases the annual burden financially on the taxpayers during the five-year period. Amendment No. 1 will make it possible, among other advantages, to bond for periods up to 15 years. Such periods, even then, will be only one-half or one-third the life of most school buildings. If, for example, our Pierce Junior High School bonds could have been written for 15 rather than five years, the annual charge for retiring the principal of the debt on this school would be only one-third what it is now. The Pierce School should be good for a life of at least 40 and more probably 50 years.

The Board of Education has frequently been asked why it has obligated the district to pay for the Pierce School—or at least the portion of it not paid for through the federal grant of nearly \$400,000—in so short a period as five years. The answer is that the board, with other boards in Michigan, has under the existing statutes no choice on such matters. Five years is the present limit. This unfortunate state of affairs will be remedied if Amendment No. 1 passes, and we therefore urge you to vote affirmatively on Amendment No. 1 and to urge your friends to do similarly.

We should be pleased to receive questions or comments on this or on any other matter affecting the welfare of our community and our public schools.

Yours very truly,  
BOARD OF EDUCATION,  
Rural Agricultural School, District No. 1, Grosse Pointe Township, Wayne County, Mich.

## Broadway Musical Hit, 'Too Many Girls,' Opens Sunday At Wilson

The second attraction of the current season at the Wilson Theatre will be the Broadway hit, "Too Many Girls," well-known work of the famed writing team of Rodgers and Hart, which will open Sunday night, October 27, with eight tremendous song hits that have swept the country. George Marion Jr. is responsible for the book of this gay romance of college life, which features the liveliest music and dancing that has been seen on the stage in many years.

"Too Many Girls," which was originally scheduled to be played at the Cass Theater, but has been switched to the Wilson, where a cast of red-hot singing and dancing favorites will put on a bang-up evening's entertainment. The presentation of this production will serve to acquaint theater goers with the various types of shows that they may expect at the Wilson Theater during the coming season.

## Michigan Highways Lead Nation In Miles Traveled

Michigan will lead the nation again this year in rate of increase in miles traveled over her highways, it was estimated earlier this week by the planning division of the State Highway Department.

State Highway Commissioner Murray D. Van Wagoner stated that the report just compiled indicated 1940 would see an all-time record of more than 15 million vehicle miles of travel on Michigan streets and highways, or nearly double that of 1930.

Van Wagoner remarked, "From tourist questionnaires we have learned that 31.4 per cent of out-of-state motorists rate our highways as the principal attraction of Michigan."

## Alec Templeton Opens Symphony's "Pop" Concert Series

Alec Templeton, sightless virtuoso of the keyboard and musical fun-maker without equal, will be the soloist at the first of the series of "pop" concerts to be played by the Detroit Symphony Orchestra in Masonic Auditorium, Saturday night, October 26. The program will be conducted by Victor Kolar, who is to be in charge of this winter's popular-priced series of 10 concerts, which will be played every two weeks during the regular season.

Accompanied by the orchestra, Templeton will give a first performance in Detroit of Mozart's B-flat Major (K. 595) Concerto for Piano and Orchestra. This composition is the fifth of five such works in the same key by Mozart and is said to be among the most delightful of all his writings for piano-forte.

In line with an earlier announcement that symphonic recordings sold by the Michigan Committee for Music Appreciation would be included in this season's programs, Kolar has selected Schubert's Symphony in B Minor (Unfinished) for performance on this initial "pop" program. The rest of the concert will be given over to Dvorak's brilliant "Carnival" Overture, Op. 92, and the charming "Coppelia" Ballet Suite of Delibes.

Templeton has appeared with the Detroit Symphony Orchestra a number of times, always playing to overflow audiences. His popularity here is unsurpassed.

Born of Scottish parents on a farm near Cardiff in Wales, Templeton, at the age of two, played the piano imitating the notes of a nearby church bell. At four, so the story goes, he composed a lullaby with which his mother sang him to sleep. At five he directed a choir of his playmates and when he was 12, his father sold his interest in the farm, moved to London and enrolled his son in the Royal Academy.

That same year Alec won the British Broadcasting Company prize for composition and at 17 was awarded the Royal Academy of Music L. R. A. M. (performer's diploma).

A few months later the "London Daily Express" sponsored a music festival, in which competition Alec won over a field of more than 8,000 contestants drawn from the entire kingdom.

During the next few years he appeared in numerous recitals and was the featured soloist with many orchestras throughout Europe. In 1935 he came to the United States as a solo pianist with Jack Hyton's Orchestra and immediately gained recognition as a brilliant musical satirist. Since then the story of Alec Templeton's success is common knowledge.

## World Traveler Shows Motion Picture Tour Of Mexico In Color

A natural color motion picture tour of Mexico will be presented by Branson De Cou, world traveler and lecturer, when he appears in person at the Detroit Institute of Arts, Woodward at Kirby, next Sunday afternoon, October 27, at 3:30.

Mr. De Cou has recently returned from Mexico, where he visited all the scenic spots well-known to tourists as well as many interesting and historically important out-of-the-way places. With his movie camera he recorded in natural color the social and business life of the natives and the scenic beauty for which Mexico is famous.

## U. S. Daughters of 1812

At its fall meeting the state executive board of the Michigan Society United States Daughters of 1812 were the guests of Mrs. Lynn T. Miller at her home in Ithaca on Monday, October 21. Mrs. Lloyd DeWitt Smith, state president, presided at the business session.

The compilation of a lineage book, which includes a roster of all Michigan members since its organization in 1896, has been completed and put into circulation by Mrs. Chester F. Miller.

The state headquarters of the Michigan society is located at the Newberry House, where a collection of relics pertaining to the 1812 period are displayed and contributions to the library may be enjoyed by its members.

## Grosse Pointe High Trips Wyandotte 16-6 For Third Straight

By DICK BODYCOMBE

Slipping and sliding around a rain-drenched field, Grosse Pointe High's greatly improved football squad out-guessed and out-smarted a tough Wyandotte High eleven 16-6 on the local gridiron last Saturday afternoon.

This Grosse Pointe victory, their third straight, placed the "Blue Devils" in a deadlock with Mt. Clemens for top honors in the Border Cities League.

Led by speedy Joe Faust, Grosse Pointe scored in every quarter except the third and completely overshadowed every Wyandotte offensive maneuver. Midway in the first quarter Wyandotte was penalized back deep in their own territory. Grosse Pointe's hard charging forward wall then blocked a punt, but Wyandotte recovered in the end zone, saving a touchdown, but giving the Pointers a safety and two points.

In the second period a bad pass from "Swede" Carlson, Grosse Pointe center, ricocheted into a "Blue Devil" touchdown through an unusual series of events. Gordon Tanner, Pointe passing demon, finally cornered the slippery, bounding pigskin on his own 25-yard line and without a moment's hesitation heaved the ball far down into the Wyandotte "Bear's" territory. At this point, a "Bear" halfback with interception ideas rose to meet the descending pass, only to see the ball bounce off his finger-tips and into the waiting arms of Bob Bureau, sticky-fingered Pointe end. Bureau neatly picked up a pair of blockers and zig-zagged his way down the remaining 30 yards for a touchdown.

Wyandotte sneaked across their only marker a short time later on a long end-zone pass. "Bear" scoring threats in the third quarter were neatly turned back. Grosse Pointe scored again in the final period, Tanner connecting on another long pass to Bureau. Tanner split the goal-posts with his extra-point place kick.

Saturday the Pointers will clash with the highly-rated Mt. Clemens "Bathers" on the local gridiron, beginning at 2 o'clock. With these two teams tied for first place in the league standings, an "A-No. 1" battle is in store. The Mt. Clemens squad is considered by many as one of the finest prep teams in the state, but the Grosse Pointe athletes are still smarting from last year's one-sided beating and have applied a goodly coating of "revenge" ointment.

## Pianist Opens Series Of "Conversation Concerts"

Vivian Dunham, pianist, will open a series of four Sunday evening "Conversation Concerts" in the Lecture Hall of the Detroit Institute of Arts on October 27 at 7:30 p. m.

The Conversation Concert is a new idea in musical presentation. Each of the numbers on the program is prefaced by a brief talk. The title "Conversation," describes the chatty tone of Vivian Dunham's remarks and the informal social gathering after the concert when the members of the audience meet over a cup of coffee.

Patrons for the series are Mr. and Mrs. James E. Atkinson, Mr. and Mrs. Ford Ballantyne, Mr. and Mrs. James Edwin Hancock, Mr. and Mrs. Dudley C. Hay, Mrs. Elmer S. Lumley, Mrs. Thomas Day Moule, Mrs. S. Newberry, Mrs. Truman Newberry, Mrs. Mark B. Stevens, Mrs. Alfred G. Wilson and Mrs. Willard S. Worcester.

## Girl Scouts

TROOP 124

Sixteen members of Troop 124 gathered at the Trombly School last Friday afternoon to depart by station wagon for a week-end at Camp Metamora.

Mrs. F. J. Wekenbach, Mrs. D. Ross, Mrs. O. Nichols and Mrs. C. Gosser accompanied the girl scouts. A wonderful time was enjoyed by all.

## "Radio Jake"

An air program featuring Mischa Auer and produced by Ken Niles is taking shape in Hollywood. . . . Myrtle Labitt, CKLW, was in a taxi cab wreck on her way to fill a speaking engagement. Badly shaken up, she went on and did her bit and was on the job next morn. P. S.—Myrtle went to the hospital for first aid. . . . Grand Central Station, WJR-CBS drama, is reported to have landed a new sponsor.

Bill Stern's guest over WXYZ October 12, was Lieutenant Davies of the British army. . . . Dave Elman of "Hobby Lobby" fame, soon brings a new program to the mike called "Contact" . . . Bing Crosby is shaving his vacation and will return to the air over WWJ in November. . . . "Portia Faces Life" a new WJR-CBS five-a-weeker made its debut October 17. . . . We have always liked "Smiling" Jim McWilliams on Ask-It-Basket but Ed East was plenty funny in second WJR show last Thursday. . . . Eddie Dooley Football Chats over CKLW will be in Detroit this week-end and his broadcast will be about Michigan teams.

Al Pearce celebrated 12 radio and wedding years October 11 over WJR. "We, the Abbotts"—at 4:15 p. m. promises to draw lot of attention from the daytime fans. . . . Barbara Lee is that new voice you hear with the "Shadow" over CKLW. . . . And, gee, how I

slipped when I forgot to tell you that Mary Margaret McGrade would be back on WJR. Her time is 3 p. m. Fridays.

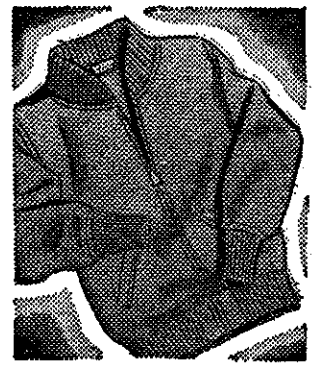

Secretary Knox and Admiral Stark will speak over WJR "Navy Day," October 27. . . . (That's Uncle Neal's birthday, too). . . . Ice Cream vs. Tea and Biscuits, that's the question, at CKLW. The gals over on the Windsor side go for Mary Morgan's biscuits, while the office cuties from the Detroit side have their ice cream. Flash! Lee Kroh is taking cooking lessons. . . . October 1, Kenny Baker blew out 28 candles on his "Birthday Cake". . . . Lucille Wall, beautiful veteran of 500 radio roles, has the lead in WJR's new "Portia Faces Life" at 4 p. m.

Deems Taylor resumes his role as intermission narrator with the New York Philharmonic which started on WJR Sunday, October 13th. . . . Kate Smith provided a homey touch to the party given for her after her first air show of the current series over WJR. She appeared in a crisp house dress despite the setting of top hats and tails.

## Standardize Color

The operator of a large number of trucks has suggested that all commercial vehicles on the highways be painted a standardized shade of yellow as a safety measure. He said that tests made by his company indicate that yellow trucks can be seen at a greater distance than trucks painted any other color.
