Six Persons Injured In Head-On Collision At Mack and St. Clair

Six persons, including one Grosse Pointe resident, were injured in a serious head-on collision at 2:40 a.m. last Sunday morning near Mack avenue and St. Clair.

Police stated that the driver of one car, Francis G. Hacker, 21, of 936 University place, City of Grosse Pointe, was traveling west on Mack avenue and while attempting to pass another vehicle, crossed the center line and collided with the automobile coming east on Mack. Hacker's passengers, Miss Joyce MacKintosh, 20, of 1359 Alter road, and Gregory Sullivan, 22, of 2201 Alter road, suffered lacerations and bruises on the face and scalp.

The driver of the second car, James F. Farrell, 24, of 29517 E. Jefferson avenue, St. Clair Shores, and his wife, Mrs. Elizabeth Farrell, and Peter Platte, 21, of Clinton Valley Country club, were all taken to Cottage hospital and treated for numerous cuts and bruises. Platte and Mrs. Farrell are the children of Peter Platte, Sr., a former well known Detroit auto dealer.

City of Grosse Pointe police issued reckless driving tickets to both drivers. As yet, authorities have been unable to locate any witnesses, outside of the persons involved in the crash. Both cars were severely damaged. (See pictures on Page Four).

Farms Traffic Mishap Causes \$350 Damage

Another traffic accident was reported in Grosse Pointe Farms early last Friday morning, with damage to both automobiles estimated by police at \$350.

The accident occurred at the intersection of Lake Shore road and was struck from behind by a second vehicle operated by William J. North, Jr., of 4175 Yorkshire road, Detroit.

At the time of the collision, Morton was preparing to turn into the John W. Anderson estate at 203 Lake Shore road to discharge a passenger, Miss Agnes Lines, an Anderson employe, police said. Occupants of both cars were uninjured.

FLU CASES LOW HERE

The flu epidemic that has been prevalent in this part of the country during the past two months, has not affected the school attendance in the Grosse Pointe area, Dr. B. H. Warren, township health commissioner, stated yesterday.

Doctor Warren remarked, "The attendance in our schools at present is about normal, however, there are many cases among the adults and some with the complication of pneumonia, a disease that is always serious, regardless of the type."

Doctor Warren advised that victims should have a physical check-up, because of a possible pneumonia complicating following an attack of flu.

Vote Monday, February 17

WITNESS

George Ruckle, Jr., of 4085 Iroquois avenue, Detroit, who was listed by police in last week's Review as an uninjured passenger in an auto accident in Grosse Pointe Shores, had not actually been in the crash but had only witnessed the mishap it was learned today.

Ruckle stated Monday that he had been bombarded with phone calls over the weekend, from friends seeking information on his "condition."

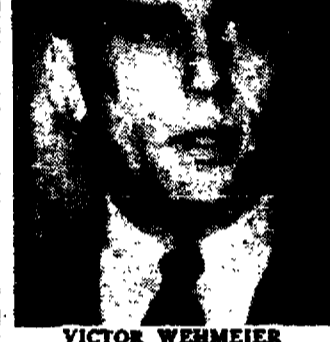

County Tax Director Addresses Meeting

Albert E. Chapney, director of the Wayne county bureau of taxation, was the speaker at the Grosse Pointe Rotary club luncheon meeting held in the Whittier hotel on Monday, Feb. 10.

Speaking on "Taxes and Equalization," Chapney mentioned the hit and miss appraisals by inexperienced assessors as being unfair and showed where the equalization of each community put everyone on an equal basis. Chapney concluded by saying his bureau had equalized the assessments in all of the communities of Wayne county excepting one, which would be completed by April 1.

Why the Rush, Mr. Wehmeier?

On March 10th, the 8,451 registered voters of the Village of Grosse Pointe Park will be required to vote on a proposition as to whether or not they will change their form of government from Village to City. This question was forced on the ballot by petition of 11 Grosse Pointe Park citizens, who obtained the signatures of one hundred and thirty-two others; an average of seven family signatures, besides their own. Thereby eighty-eight families or one hundred and forty-three individuals have put into action the machinery, which they hope will change the present pattern of government and adopt an entirely new form, cut to their own measure and style. It will be up to the 8,451 registered voters to O.K. the new suit, or to retain the old one.

VICTOR WEHMEIER

Now, we haven't any quarrels with changing styles in clothes, or radios, or automobiles, but we do not believe that a minority group of citizens, regardless of the type of organization they may represent, should attempt to bring about any radical change of government without much pro and con discussion.

Approval of this measure would disrupt several very important public services — Public Health and Safety. The Township Board of Health serves the entire Township.

Because of centralization of health work under the Township government it is possible to immediately detect threatened epidemics. Germs know no city or village boundary lines. Five Grosse Pointe cities, with five Boards of Health would result in inefficiency and increased expense.

The Township Police radio serves the entire Township and coordinates all the work of the Police Departments of the various villages. An alarm can be radioed to all scout cars and concerted action can be taken by the four Village Police Departments.

The City of Grosse Pointe's individual radio, with its limited coverage, would provide a less efficient means of communication in addition to the complete co-operation of all police departments in the Township. The Township radio has proved its efficiency on many occasions; one of the more recent being the capture of the murderer of a taxicab driver within a few minutes after the crime.

Detachment from the Township would result in the loss of the Township Police Radio and should each of the five communities attempt to set up local radio stations, chaos would result and no doubt the plan would be rejected by the Federal Communications commission.

To eliminate these highly important public services, without a concrete workable plan that would result in economy, without loss of efficiency, calls for a thorough investigation. We cannot take the word alone of any individual or minority group. Dynamic action, without thorough, sober reflection is not the sort of thing that makes for good, stable government. Good government is achieved through evolutionary process. It is not created over night. It requires calm and sensible deliberation.

Victor H. Wehmeier, spokesman for the Citizens Association appeared before the village commission last week and attempted to show why the governmental structure of the Park should be changed immediately. Commissioner C. A. Pfeiffer asked him if he didn't think it might be better to give the voters more time to study the proposition. Mr. Wehmeier replied that if the voters had TOO MUCH time to think about it, they might FORGET about it.

Well, we've often had that experience ourselves. We've often tried to decide upon a hasty plan of action, but because of some unavoidable delay, later on forgot about it and are now glad we did.

Changing from one form of government to another calls for sober and conscientious deliberation. Then why try to hurry a vote on this important proposition? The world is being rocked to its very foundations by the attempt of a mad man in Europe to shape the destiny of mankind and alter all forms of government to his own ideas. Our boys are being drafted into the army to protect us from the wilful acts of this man. We ought to be very careful to closely scrutinize any attempt, particularly at this time, to upset any form of government that has since 1907 resulted in peaceful living conditions in a village of beautiful homes.

Why the rush, Mr. Wehmeier? Before such an important issue is submitted to the voters of Grosse Pointe Park, we believe that a special committee appointed by the Village Commission from a group of citizens, representing the large and small taxpayer, but subservient to no minority group, make a close study of both sides of this question. We believe, Mr. Wehmeier, that as a good citizen of Grosse Pointe Park, you should relieve the Village Commission of the embarrassing position you have placed them in, with your minimum number of signatures on petitions, and withdraw them until there is really a popular demand for a change in government. Otherwise the only other alternative of voters of Grosse Pointe Park will be to vote an emphatic "NO" to your City Proposition.

L. B. OLDHAM, Publisher

Circuit Court Judges, Township Officials On Primary Ballot Monday

Monday, Feb. 17, is primary election day in Grosse Pointe Township, Gratiot Township, and the City of Grosse Pointe, with a full slate of township officials, a county circuit court commissioner, a county auditor, and a large number of circuit court judges to be voted on by all registered voters in those communities.

Completely unopposed, with the exception of one office, the present Grosse Pointe township officials are positive of their return to office for another year. Challenging the incumbent justice

of the peace, Victor H. DeBecke, for that post in the township is John J. Miller, of 332 Moran road, Grosse Pointe Farms. An unopposed official are: Norbert F. Denk, supervisor; Carl Schweikart, clerk; Adolph L. Damman, treasurer; Newton W. Whiteley, board of review; and John W. Travis, Frank W. Deier and Charles J. McKenna, constables.

In Gratiot township, Ernest Provo, incumbent supervisor, is running against a new candidate, Odie Houtekier, of 3275 Maryland avenue. Clerk

Farms Council Places Field Sale Proposal On Election Ballot March 10

At the monthly meeting of Grosse Pointe Farms' village council last week a review of conditions involved in the municipality's operation of the Kerby road baseball park was heard and council members agreed to place a proposition for the sale of this site on the ballot at the regular village election on March 10.

Several reasons favoring the sale of this property were advanced by the council. One member stated, "With the improvements of Chalonie avenue, the remaining property available for use as a park contains only four acres, which is considered to be inadequate as a baseball field. This parcel of property has also been deemed unsafe for the use of small children in the neighborhood, who might use the park since it is bounded on three sides by public highways, namely, Chalfonte avenue, Kerby road and Piche avenue. It was also shown that the park is a distinct detriment to the residential nature of the community and restricts further developments of property in that area."

Harry Furton, village clerk, stated that placing of this property on the tax roll would ultimately result in the addition of some \$125,000 to the present assessed valuation of the village.

Furton pointed out that should it be deemed advisable at a later date to maintain a recreation field of some sort in the upper end of the village, the Farms could utilize the area of its original property between Chalfonte avenue and Webster avenue extended for such purpose.

Council members agreed that the School Board has always permitted the use of its property for recreational purposes, and since it is now the owner of a large tract of land in the upper end of the village for recreational use.

It was also pointed out by the council that it was very desirable to sell this property for the reason that the village now has a great number of parcels on its roll which are tax free; such as the Grosse Pointe high school, the Gabriel Richard school and playground, the recently acquired 16 acres for Junior high school site adjoining Chalfonte, a future Kerby school site on Kerby road and the present Kerby school property. Also the properties of the Memorial church, Christ church, St. Paul church and convent, Cottage hospital, Grosse Pointe Country Day school and the properties of the village which are used for municipal purposes.

A simple majority of 51 per cent of all votes cast is needed to pass this proposition.

Seven-Year-Old Child Struck Down By Car; Suffers Broken Leg

Seven-year-old Donald R. Massie, of 1360 Balfour road, suffered a broken right leg and a possible skull fracture on Wednesday afternoon of last week, when he was struck by a car at the corner of Vernor highway and Balfour while on his way home from school.

The driver of the car, Arthur Shingler, 47, of 3567 Forton road, Macomb county, was given a reckless driving ticket by Grosse Pointe Park police, who said Shingler swung over to the left side of Vernor highway while passing another car and struck the child.

Donald, a second grade student at George Defer school, was rushed to Cottage hospital where he received first aid. Doctors believe that the youngster is also suffering from a broken left ear drum.

Shingler has been ordered to appear before Township Justice James H. McNally on Friday evening, Feb. 28. Three witnesses were questioned early this week, Park police stated.

Fifteen Volunteers Leave Tuesday; Ten Draftees To Be Inducted Feb. 24

Twenty-five Grosse Pointe men will be called during the next 11 days to serve one year of military training as directed under the national selective service act, it was announced yesterday by officials of Draft Board 57, covering all of Grosse Pointe and Gratiot townships.

The first 15 men, all volunteers, will comprise Board 57's call No. 2 and will be inducted next Tuesday, Feb. 18. The remaining 10 residents, comprising call No. 3, will leave the following Monday, Feb. 24. All 25 inductees will be stationed at Michigan's Fort Custer, selective service authorities believe.

The men who will leave Tuesday and William J. Iverson, of 1235 Beaconsfield (Iverson has been named leader of the group), Dale T. Gieseler, of 1605 Lakeset, Thomas G. Jones, of 1263 Somerset, James H. Roberts, of 140 Kerby road, William M. Alford, 2634 Hawthorne, Grosse Pointe Woods, William P. Leto, of 1029 Balfour, Donald J. Doot, of 1323 Nottingham, Joseph W. Standley, of 965 Pemberton, James G. Smith, of 951 Nottingham, Anthony A. Dele, of 859 Nottingham, Frank C. Sullivan, of 981 Nottingham, Alfred L. Jacobs, of 931 Beaconsfield, Bernard W. Parmeter, 1467 Wayburn, Thomas P. Coleman, 800 Lincoln road, City of Grosse Pointe, and Jack A. Janssen, of 33 Hawthorne road, Grosse Pointe Shores. Jaxtiner, son of Dr. J. E. Jaxtiner, volunteered last week with his ever-present buddy and comrade, Walter Hansing, son of "Red" Hansing, popular golf pro at the 3000 Lane course. Young Hansing, who registered at Draft Board 11, is expected to call any day now.

Pointe Woman Stops Bus After Driver Has Fatal Heart Attack

Life definitely begins at 52! For proof of this statement, take a quick glance at the record compiled Monday by courageous Mrs. Richard Gadd, 52-year-old Grosse Pointe Park matron, of 1133 Wayburn avenue.

Riding down Ashland avenue in a DSR bus with an unidentified young school boy as the only other passenger, Mrs. Gadd suddenly realized that the driver had slumped over the wheel and the bus was wildly lurching and weaving in and out down the street.

Pushing her way forward, Mrs. Gadd leaned over the bus driver (who was dead of a heart attack), steered the speeding vehicle around two corners, and finally brought it to a stop near Vernor highway.

Helped from the bus by open-mouthed pedestrians, Mrs. Gadd (who has never driven an automobile) was able to get the bus to the curb without any damage to the vehicle.

Today, the matron still is getting that, even at 52, she still holds something new!

TICKET SALE

The advance ticket sale for the University of Michigan band concert, which will be held in Grosse Pointe on March 12, will begin next Wednesday evening, Feb. 18, at the Alumni Association's meeting in Pierce Junior high school.

Cayan Withdraws From Gratiot Election Race; Supports Incumbent

Clarence F. Cayan, popular north end resident of Gratiot township and former constable, justice of the peace, clerk, and candidate for the office of supervisor, stated today he had withdrawn and would support the candidacy of Ernest A. Provo, present supervisor.

Cayan remarked, "I have lived in Gratiot township for many years and have been very close to the political picture, but Gratiot township is like any other community which at some time threatens to fall into the wrong hands. It appears now as though there is grave danger of our township falling into the hands of outside interests. These outside interests have in the past in many communities controlled the destiny of the people for mercenary reasons. Certainly we do not want this to happen in Gratiot township, and believing Provo had the best chance to win, and for the benefit of the taxpayers, I have withdrawn and now ask my friends to support Ernest A. Provo."

Through the co-operation of the police chiefs of the five Grosse Pointe municipalities, scout cars will pick up draftees and volunteers at their homes and transport them to the Neighborhood Club, provided that the men needing transportation contact C. Ernest Briggs, (L.E. 0538) chief clerk at Board 57, not later than 4:00 p.m. next Monday. A chartered DSR bus will transport volunteers to induction headquarters, 1040 W. Fort street (second floor), following the breakfast.

Board officials stated late Wednesday that 57's call No. 4 composed of approximately 30 men, will be inducted "some time in mid-March."

'Puzzle That Pays' Starts Eighth Week

"The Puzzle That Pays" contest, which started in a December issue of The Grosse Pointe Review, has produced hundreds of letters from Review readers, and judges are having a difficult task in determining prize winners.

Last Week's Results—First prize, a \$300 merchandise order on Duncan & McNicol (refrigerator repair service), at 14927 Chatterbox at Wayburn, has been awarded to Mrs. William Swartz, of 1318 Nottingham road, Grosse Pointe Park. Second prize, a \$200 merchandise order on the Berndt Glass & Mirror Company, 14527 E. Jefferson, has been won by Mrs. H. Thompson Stock, of 89 Moran road, Grosse Pointe Farms. Third prize, a \$150 merchandise order on the Barr Moving Company, 2523 Beniveau, will be received by Mrs. R. Sniver, of 1842 Kingsville avenue, Gratiot township. All winners will receive their merchandise orders through the mail.

Another "Puzzle That Pays" will be found in this issue. In jumbled form, the puzzle contains the name of one advertiser found below the layout, the address of another, and the telephone number of a third advertiser. No numeral or letter may be used twice in the finding of the correct solution. Untangle the puzzle and win a prize.

Merchandise prizes will be awarded for a period of 16 weeks to the first three contestants who submit the correct, neat, and most original solution to the puzzle. However, no matter how neat, prompt, or original your solution may be, it will not have a chance to win unless it is correct.

Address all answers to "The Puzzle That Pays Editor," The Grosse Pointe Review, 15121 Ketchival, Grosse Pointe Park, Mich.

EASTMINSTER PRESBYTERIAN

Sunday, Feb. 16, at 9:45 a.m., Sunday school. At 11 a.m., Eastminster's pastor, Rev. Carl E. Kircher, D.D., will be back with us again, after a leave of five weeks. He has been conducting a Bible con-

ference in Roseville, Calif. At 6:15 p.m., Christian Endeavor groups and at 7:30 p.m., Sabbath evening services. Wednesday evening, 7:30 p.m., we will continue our "School of Missions," under the leadership of the pastor.

NOTICE!

To Voters of Grosse Pointe Farms

Please take notice that because of the many complaints received at the last election regarding the inconvenience caused voters due to traffic and parking conditions and access to voting booth No. 20, same will be moved from Kerby west of Beaupre to the corner of Kerby and Beaupre, which I trust you will find more satisfactory.

Carl Schweikart, Township Clerk.

News Digest

By DICK BODYCOMBE

Wendell Willkie Department - His whirlwind tour of the British Isles completed, "Wenel" is now looking for bigger and better wars to investigate. National speculation is still raging as to whether F.D.R.'s personal letter to Winston Churchill (delivered by messenger boy W.W.) said, "Look out, this guy's a Republican" or "What do you hear from the mob" (Hitler and gang). On the way across, Willkie's Pan-American clipper made a short stop at Hamilton, Bermuda, where the ex-GOP nominee saw two United States-made bombers bound for England and their famous pilots (Bernat Balchen, Clyde Pangborn, and Homer Berry) tossing pennies. Passing up the game, Willkie said he was playing for "higher stakes."

Where Lowells speak only to Cabots And Cabots speak only to God." (Any resemblance to scions living or dead is purely coincidental—D.B.)

Little-known and seldom-publicized is the fact that 114 United States Army fliers were killed in 59 fatal crashes during the year of 1940. Last week's disaster on a mountainside near Lovelock, Nev., in which eight airmen died, catapulted 1941's record off to a good start!

Local Junk Dealers, Please Note—Bids are now being taken on a 1 1/2 ton pile of assorted metals and alloys (the remains of a 1936 Chevrolet coupe), which has been abandoned behind the

Faithfulness That Backfired—Out in Culver City, Cal., a huge police dog refused to let anyone touch his master, after the aged man had suffered a heart attack and collapsed on the sidewalk. After two hours of begging and persuasion, police were finally able to reach the stricken man but he died before arriving at a hospital!

During a recent Royal Oak-Grosse Pointe prep basketball game, which ended in a decisive Oak victory, a willowly 6 ft. 3 in. substitute replaced Grosse Pointe's 6 ft. 3 1/2 in. center, causing a disgusted young local rooster to remark from high up in the bleachers: "I don't know which one of those birds is the worst!"

Now that New York has called off its annual auto show, the national spotlight will definitely shine on Detroit's exhibition of the 1941 models - if there are any!

It seems as though every time our First Lady opens her mouth, she puts her foot, her column, and her husband in it. As was expected, her latest scheme to defer "married men living with their wives" from military training under the Selective Service Act, evoked more criticism than praise.

Sport Shorts—The Ivy League's plaid green complexion turned to a blushing red recently, when a reluctant Yale University scholarship official revealed that 41 per cent of the school's varsity football players received "financial aid" last season. . . . Did you know that basketball's nickname, "orange," started back at the turn of the century when the game was played in a wired cage with no backboards and no out-of-bounds lines. . . . Detroit's up-and-down Red Wings are now boasting a hockey brother act, Eddie and Mud Bruneteau, that has downtown sports writers scrambling for new adjectives. . . . Max Schmeling has at last found his place in the world - the big Teuton has been assigned to a Nazi parachute division, for he's been "up in the clouds" since 1938 when Joe Louis rocked him to sleep with an uppercut lullaby!

With Ethiopia (or Abyssinia to some) back in circulation again, newspaper readers have renewed their verbal tussling with Addis Ababa, Haile Selassie, Djibouti, etc!

While Hitler is busy tearing down England, his Nazi army in France is twice as busy tearing up the Maginot line!

Pursued Again - After 10 years of comparative freedom as "a respectable New Jersey resident," Robert Elliott Burns, 50-year-old author of the much-read book "I Am a Fugitive From a Georgia Chain Gang," is again being sought by Georgia police authorities who demand he return and complete his prison term. Burns, who escaped from Georgia while "doing a stretch for robbery," is a New Jersey state employe and former New Jersey governor has refused extradition proceedings. However, New Jersey's latest governor, former Secretary of the Navy Charles Edison, may see things slightly different than his predecessors!

Borrowed this old gag from the January issue of the D.A.C. News: "Here's to the city of Boston, Home of the bean and the cod."

PATRIOTIC SERVICE ON SUNDAY, FEBRUARY 17

A representative of Gov. Murray D. Van Wagener will deliver an address at the joint Patriotic services, which will be held in the auditorium of the Richard school, Kercheval and McKinley, on Sunday morning, Feb. 23, at 11 a.m.

This patriotic service, held in commemoration of Washington's birthday, will be participated in by the Sons of the American Legion (Major Burns Henry Post 303); the Boy Scouts and Girl Scouts of the Grosse Pointe area; Veterans of Foreign Wars (Gen. R. A. and Col. F. M. Alger Post 995) and their Women's auxiliary; the American Legion (Major Burns Henry Post 303) and their Women's auxiliary; The Century Post Canadian Legion, and the Grosse Pointe Lutheran church. The grand procession will be led by the Junior Drum Corps of the Veterans of Foreign Wars, Alger Post 995. The public is cordially invited to attend.

Review offices at 15121 Kercheval, between Maryland and Lakepointe. Said wreck, the property of Robert Elkins, good-looking Review circulation manager, was an integral part of an interesting scientific experiment last Saturday morning. Result—When an irresistible force meets an immovable object, junk dealers will prosper.

Irony Again—The vessel used recently to transport American soldiers to a Newfoundland military base obtained from England, was formerly the old German liner "Amerika" which the United States grabbed during World War I.

News of Former Detroit Tigers - Irving "Jack" Burns, first baseman who replaced Hank Greenberg the summer "the big boy" broke his wrist in a collision with Jake Powell, has been released by the San Francisco Seals in the Pacific Coast League. . . . Marty McMann, chatter infielder who served under Bucky Harris, has renewed his contract as manager of San Antonio's entry in the Texas League. . . . Johnny Stoen, heavy-hitting outfielder who finished his playing career with the Washington Senators, is back on the Detroit baseball club's payroll as a talent-hunting scout in the Tennessee area.

In reply to a Gallup poll question, "Would you favor admitting Hawaii into the Union as a state?" 48 per cent (number of states now) of the men and women queried answered yes, 23 per cent said no, and the remaining 29 per cent were undecided. What do you think; gentle reader?

If you haven't seen the latest issue of Grosse Pointe high school's picture-news magazine, "View Pointe," you've missed a real treat. Clear-cut, action-filled photos covering every imaginable phase of school life are included within the covers of this big 20-page publication. Originated as a substitute for the costly senior class annual, "View Pointe" is fashioned after "Life" magazine, sells for "two-bits," and obtains a 99 per cent student body circulation every semester. Prize shot in the January issue, shows popular German instructor, Louise Karpinski, taking a vicious swing at a pesky fly with her ever-ready swatter!

- Vote Monday, February 17 -

Circuit Court Judges, Township Officials On Primary Ballot Monday

(Continued from Page One)

citizen in office for two-year terms. From then on, all councilmen terms will be for two years instead of four, thus producing staggered shifts.

Mason P. Rumney, mayor of the City of Grosse Pointe, has urged that residents in his community devote a few moments of their time before Monday and make a careful examination of the qualifications of the candidates. Then, and of most importance, cast a vote at the primary election.

Among the many candidates seeking Circuit Court posts are a number of well-known Grosse Pointe residents. Three of the incumbent judges are Lester S. Moll, of 508 University Place, Henry G. Nicol, of 1100 Devonshire road, and Theodore J. Richter, of 1071 Devonshire road. Also seeking election are candidates John H. Brennan, of 610 Rivard Blvd., Mark L. Rowley, of 600 Lincoln road, C. Upton Shreve, of 81 Renaud road, Grosse Pointe Shores.

Farms Resident Seeks Justice of the Peace Post in G. P. Township

John J. Miller, a candidate for justice of the peace in Grosse Pointe township on the Republican ticket, at Monday's primary election, has been a life-long resident of Wayne county.

Miller was born and educated in Detroit and is a graduate of the University of Detroit and the Detroit College of Law. He is associated with the Budd Wheel Company of Detroit, and as a practicing attorney, is a member of the law firm of Nelson, Troden and Miller. He is a member of the Detroit Bar Association and the state Bar of Michigan.

Board of Education Inaugurates Adult Drawing Course

A drawing composition course sponsored by the Grosse Pointe Board of Education and primarily designed to meet the needs of adults who have had some painting or drawing in high school is now being organized.

Many adults may have done quite a little painting, but feel a keen weakness in drawing and composition. This course will adequately cover that need. Mrs. Lillian M. Pear, who has studied at the Hamilton School of Design, Wecker School of Fine Arts and the University of Chicago, will teach this course. Mrs. Pear has exhibited at the Detroit Institute of Art, Alger House and at a Society of Arts and Crafts. At the present time, she is a member of Detroit Society of Women Painters and Sculptors and President of Grosse Pointe's Artists Association.

State Police Seek Noted Check Forger

The detective bureau of the Michigan State police warned local merchants early this week to be on the look-out for a slippery check forger, who poses as a state employe and passes small checks in amounts ranging from \$9.50 to \$12.00.

Ira H. Marmon, state chief of detectives, has described the forger as "from 55 to 58 years of age, 5 ft. 5 in. to 5 ft. 8 inches tall, a smooth talker and fairly well dressed. Marmon said the criminal preys mostly on garages, and has used such bogus names as Chester Parker, Sr., Peter T. Bogan, James H. Carter, George W. Clark, and Charles H. Carlisle. Marmon added that the false checks which are passed, are supposedly for expense accounts on the state highway, auditor general, and state conservation departments.

State police have requested that anyone who knows of evidence concerning this individual, should contact their local law enforcement office immediately.

GROSSE POINTE LUTHERAN

"The Word of God Falling By the Wayside, Upon Stony Ground, Among Thorns and On Good Ground," will be the subject of the sermon at the Grosse Pointe Lutheran church in the Richard school auditorium, Kercheval at McKinley, next Sunday morning, Feb. 16, at 11 a.m., preached by the Rev. M. Luther Canup, D.D., pastor. Mrs. Adeline Doeppling will be soloist.

Sunday school at 9:45 a.m., new scholars are joining the school almost every week. Are your children receiving religious instruction? If not, bring them to our Sunday school, where we have classes for all grades and ages.

The Young People's Society will hold its regular monthly meeting at the home of Miss Sarah Hendren, 913 Rivard Blvd., on Sunday evening, at 7 p.m. The subject will be "Choosing A Lifetime Partner." A study period will be followed by a Valentine social.

Earl K. Gullen Runs For Circuit Judge

Twenty years in his own law office and experience in every court and with every type of case, coupled with the fact that he has worked his way to the top and understands the middle class and its problems, qualifies Earl K. Gullen for circuit judge, the position which he seeks in Monday's primary election. Gullen taught four years in a Wayne county grade school, before going to work in a factory that he might support his wife and two children. At the same time, he secured a degree from the Detroit College of Law in 1921. After graduation, he opened his own law office and has been practicing ever since.

Gullen lives with his wife and children at 16712 Patton avenue, Detroit, and is immediate past president of High Twelve International, past president of Civic club of Northwest Detroit, and an active churchman.

JEFFERSON AVENUE METHODIST CHURCH

Sunday, Feb. 16, 10 a.m. worship service with sermon, followed by classes for intermediates, seniors and adults. Miss Primitiva Dementante, from the Philippine Islands, a senior medical student at the University of Michigan, will have a part in the worship service. At 10 a.m. church school for the younger children in their own departments closing at 11:30 a.m. A well equipped nursery under competent

leadership is open during this time for the benefit of parents who wish to attend all or a part of the combined service.

At 6 p.m., youth rally beginning with a potluck supper, after which a deputation team from the Wesley Foundation at the University of Michigan will have charge of the meeting, using the theme "Youth and Christianity."

Shores Resident Runs For Circuit Court

Charles Upton Shreve, a candidate for circuit judge in the primary election on Monday, Feb. 17 has been a resident of Grosse Pointe for the last 16 years, and now lives at 81 Renaud road in Grosse Pointe Shores.

He was born on Erling street, and was educated in Detroit public schools and graduated from old Central high school in 1915. When he was 17 years old, he enlisted in the French Foreign Legion and drove an ambulance at the front. He was wounded at Verdun in August, 1917, and spent six months in the hospital. He was decorated with the Croix de Guerre by General Petain, now the head of the present French government, and has received numerous other war medals.

Shreve later finished Harvard college and graduated from Harvard Law school in 1921, and has been practicing law for 20 years in Detroit. He has handled many cases in the Supreme court of Michigan and has been in active trial work during these years. He is a past commander of Veterans of Foreign Wars, and served on the Wayne County council. He also was chairman of the entertainment committee for the Purple Heart convention in Detroit, and served as corps area president of the Reserve Officers association. Shreve is married and the father of a small daughter.

Pointe Resident Seeks Court Post

"In these critical times in America, we must guard against incompetency in the administration of our public affairs, and in the non-partisan election of judges we must be sure to select competent ones," states Mark Rowley, prominent Detroit attorney and City of Grosse Pointe resident, who is a candidate for circuit judge at the primary election, Monday, Feb. 17.

Rowley is a native and lifelong resident of Michigan, and has lived 35 years in Wayne county. He thoroughly understands the industrial and social problems of the citizens he seeks to serve. Fifty-one years of age and the father of five children, Rowley is rated "preferred" for circuit judge by the Detroit Citizens League.

Former Legion Head In Circuit Court Race

A candidate in the contest for circuit judge on the non-partisan ticket at the primary vote, Monday, Feb. 17, is Raymond J. Kelly, past national commander of the American Legion and former corporation counsel of the city of Detroit.

As a boy, Kelly worked his way through school and graduated from U. of D. Law school in 1915 at the age of

20 with high honors, the youngest man in his class. He enlisted for overseas service with the AEF in 1917, 30 days after the United States entered the war, serving overseas for nearly a year.

He was appointed general counsel for the DSR by Mayor Frank Murphy in 1930, serving in that capacity until 1933, when he was appointed corporation counsel of the city of Detroit by Mayor Frank Couzens. He headed the legal department of the city of Detroit from that time until his election as national commander of the American Legion in September of 1939.

Raymond J. Kelly is married, the father of six children, and is district chairman of the Boy Scouts of America. His candidacy is endorsed by many leading civic, veteran and fraternal organizations, and he is "preferred" for circuit judge by the Detroit Citizens League.

Phillips Supports Heston's Candidacy

Andrew Phillips, of 727 Harcourt avenue, Grosse Pointe Park, is now urging all his friends in the fourteenth congressional district to support the candidacy of Judge William M. Heston for the Wayne county circuit court in the non-partisan primary on Feb. 17, with the regular election following April 7.

Although Phillips, a veteran of Wayne county politics, is retiring as a constable this spring to enter private business, he has a strong following. "I have been a friend of Willie Heston for 25 years, and I believe that everyone who knows him agrees with me that he is the sort of man to hold a judicial post. He has always stood for the highest standards in both his public and private life and the esteem in which he is still held by thousands of young men playing football in all parts of the country today is ample proof that he has carried the prowess of the gridiron right through life," Phillips stated.

Legion Post Plans Big Americanization Rally On Friday, February 21

Members of the Major Burns Henry American Legion Post 303, will hold their second Americanization Rally on Friday evening, Feb. 21, at 8:30 p. m. in Pierce Jr. high, Kercheval avenue near Nottingham.

Guest speaker of the evening will be John Gilmore, the Legion's Americanism chairman for this district and a past Michigan commander. Gilmore will discuss the close cooperation between the Federal Bureau of Investigation and veteran organizations in the present battle against the activities of fifth columnists now at work in the United States.

The event, planned as a Washington's Birthday Party, will also witness a musical concert by the Red Arrow Drum and Bugle Corps. Two movies, the official American League baseball picture and the "American Legion Boys State," will be shown. Robert Butts, past commander of Burns Henry Post, will serve as master of ceremonies. These rallies, which are free to the public, are sponsored by the American Legion in an effort to foster a "one for all and all for one" spirit of national unity.

Vote Monday, February 17

Judge Lester Moll Seeks Re-Election

Judge Lester S. Moll, who has been twice elected with wide public approval to the circuit court of Wayne county following his appointment to that office (by the late Gov. Fred W. Green) in 1929, is again an incumbent candidate at Monday's primary vote.

Before his appointment to the bench, Judge Moll was engaged in private practice of law as a member of the firm of Douglas, Barbour, Moll & Rodgers. Moll was formerly chief assistant prosecutor of Wayne county, in which capacity he successfully tried many cases for the state of Michigan and acquired a wide reputation as an efficient and fair-minded prosecutor.

Judge Moll has been active in civic and charitable affairs and has devoted much time to matters involving the welfare of children. He is a World War veteran who saw many months of overseas duty, and is a member of the American Legion and Veterans of Foreign Wars.

The judge and Mrs. Moll, and their three children, have lived at 506 University place, City of Grosse Pointe, for the last 12 years. He is rated as preferred by the Detroit Citizens League.

Gratiot Township Financial Report Shows Big Balance

The records of Gratiot township, which date back to April, 1930, show that there is more money in its funds today than there has ever been. Here is the balance of all funds each year.

April 23, 1930.....	\$3,530.76
April 8, 1931.....	4,355.08
April 20, 1932.....	3,631.60
April 29, 1933.....	6,182.04
April 9, 1934.....	5,559.13
May 7, 1935.....	3,274.86
May 23, 1936.....	2,309.11
April 12, 1937.....	2,592.05
April 5, 1938.....	3,664.60
April 15, 1939.....	2,933.56
April 15, 1940.....	1,512.41
Feb. 12, 1941.....	13,650.55

Bank records show that the township treasurer collected \$15,144.10 in total taxes, up to and including Jan. 29, 1941. The township tax rate is \$2.40 per thousand, which means that of this portion, the township's share is \$3,634.59. With several delinquent checks still to arrive before the annual settlement, it appears that the general fund will be very large.

Water, zoning and plumbing report: Zoning fund as of Jan. 31 \$ 804.99
Plumbing fund as of Feb. 10, 1941 351.90
Water fund as of Feb. 6, 1941 8,859.97
Current tax collection from December 1 3,634.59

Total \$13,650.55
At the township meeting held on Feb. 3, the Citizens' committee reported only \$6,500.00 in the water fund. They did not tell the public about the \$1,896.93 that was in the township office in checks waiting to be deposited, and neither did they state that there was \$1,477.03 worth of equipment not counting books, typewriter, adding machine, and many other things belonging to the water department.

The above records were taken from the books of Gratiot township on Feb. 12. The public is invited to check these figures at the township office at any time.

Reviewer Chooses Kenneth Roberts' "Oliver Wiswell"

"Oliver Wiswell", Kenneth Roberts' latest book, will be reviewed by Mrs. Fred K. Hauck on Tuesday afternoon, Feb. 18, at 2:00 p. m. in the Grosse Pointe high school auditorium.

"Oliver Wiswell" is a story of the American Revolution told in a highly vivid and humorous manner, and is held to be the outstanding book of recent months.

This review is one of a series sponsored by the Grosse Pointe high school Mothers Club, to benefit the scholarship fund.

Mrs. R. G. Sickles, chairman of the group, requests that all members bring their friends.

FATHER AND SON BANQUET

The annual Father and Son banquet will be held at Jefferson Avenue Methodist church, East Jefferson at Marborough, on Friday, Feb. 21, at 6:30 p.m. Louis McKnight, of the Detroit Institute of Technology, will be the speaker. There will also be a magic and movies. Call the church office by Tuesday for reservations.

Head-On Crash, Six Injured

Six persons were injured in this serious head-on collision at Mack avenue and St. Clair early last Sunday morning. (See story on Page One).

Picture by Review Staff Photographer.

**Comets Advance Again
 In Club Cage League**

The Comets handed the Police and Fireman squad their second defeat in succession last Thursday night when they came from behind in the second half and captured a 29-18 victory. This was the seventh straight win for the league leaders and defending champs. The Comets were aided greatly by the sharp-shooting of Jack Bretz and Jim Kennedy who collected seven points each. Emil Neeme and Jim Locke, former Grosse Pointe high cagers, held up the "Blue Coats" end of the scoring with seven and six points respectively.

Eastminster went into a tie for second place last week, when they trounced the Trojan A. C. entry 48-17. Scoring at will, the "Church Boys" took a

28-7 advantage at half-time, and coasted on to victory. Elmer Schram hit the meshes for 13 points on six baskets and one foul goal for Eastminster. Marsh Van way high for the losers with seven points.

The Verheyden Undertakers finally came to life last week and played the type of game that has been expected of them from the beginning of the current season. Trailing by three points at half time, they turned on the heat and established a five point lead midway in the fourth quarter. The opposition, St. Paul's Indians, played a great game, but it was just one of those evenings. Big Ray Van Wassenhove and Brad O'Connor were the main factors in this Verheyden victory, each collecting 10 points. Forrest Piche, speedy Indian forward, was high for the losers with nine points.

Club 15 advanced another step toward a play-off position, when they subdued a hard fighting Spartan five, 26-22. Bob Hollihan and "Honey" Marsack were the spark plugs of the Club 15 victory, scoring 16 points between them. Max Trustham also had eight points for the victims.

In what proved to be a very dull and uninteresting contest, Essex A. C. completely swamped the last-place Arrow aggregation Friday night, 79-19. The Essex cagers established a league record with no player on the squad scoring less than 10 points. Don Morrison led the bombardment with 22 points.

Truck Driver, Woods Resident in Freak Auto Accidents

A Grosse Pointe Woods resident and a Detroit truck driver were the victims of freak traffic accidents last week.

Ernest Kurchat, 35, of 927 Roslyn road, completely demolished the front end of his new sedan at 4 a.m. last Sunday morning when he was run off the edge of Vernier road by a speeding car that failed to stop. Kurchat clipped off a fire hydrant and smashed into a tree, but escaped without serious injuries.

Last Thursday afternoon, Dump Truck Driver Fred H. Hierholzer, 33, of 18895 Albany avenue, Detroit, tipped over on Mack near Lennon avenue, clipped off several mail boxes and spilled his load of dirt all over the road. Hierholzer was forced to swerve violently in order to avoid a careless motorist making a quick U-turn. The driver of the turning car failed to stop, but an alert witness noticed the ve-

hicle's license number and Woods police are now making an investigation.

FATHER-SON BANQUET

The Grosse Pointe Woods Presbyterian church will hold a Father and Son banquet on Friday evening, Feb. 14, at 6:30 p.m. in the Grosse Pointe Memorial church. An exhibition of models, including the Grosse Pointe railroad models will follow the dinner. The Ford Novelty band will present several musical numbers and the entertainment will be concluded by 9:15.

**Drunken Driver Hits
 Three Parked Automobiles**

Booming off three parked cars in a row before coming to a stop, Nick Lampila, 36, of 3420 Crane avenue, was given a drunk driving ticket and released on bond by Grosse Pointe Park police late last Sunday afternoon, after spending 11 hours in the village jail.

Lampila, who police said was intoxicated, struck cars parked in front of 15002-4-8 Mack avenue at 4 a. m. Sunday morning. Lampila and his passengers, Ed. Siivonen, 31, of 5548 Second Blvd., and Wayne J. Jakinen, 23, also of 5548 Second Blvd., were uninjured.

Authorities stated that the three damaged cars were owned by Paul Skeens, of 15002 Mack, Edward Craig, of 15008

Mack, and Robert Martin, also of 15008 Mack. Lampila has been ordered to appear before Township Justice James N. McNally on Wednesday morning, Feb. 13, at 6:00 p. m.

"SWEETHEART SWING"

The Young Ladies' Sodality of St. Catherine's parish will hold a St. Valentine's Day dance tomorrow night, Friday, Feb. 14, in the church auditorium, Maxwell at Sylvester. The dance has been titled the "Sweetheart Swing," and Claire Greve and his orchestra will supply the music. Clarice VandenBrulle is president of the Sodality organization.

Congressman Rabaut Cancels Afternoon Hearings This Week

Due to the intense congressional interest in the "Lend-Lease bill," Congressman Louis C. Rabaut, chairman of the appropriations subcommittee for the departments of state, commerce, justice, and the judiciary, has cancelled all afternoon hearings scheduled by his committee for this week.

Morning sessions, however, are being held with the investigation now focusing on the state department. Cordell Hull, secretary of state, has already completed his testimony, and Breckenridge Long, assistant secretary of state, is now appearing daily before the committee. Among the other outstanding figures who will be called upon to testify before the hearings are concluded are Robert Jackson, attorney general,

MILK PRODUCTION

Michigan's outstanding position in the dairy industry is vividly depicted in a new Milk Industry Foundation handbook which states that 932,000 cows valued at \$60,580,000, produced \$62,030,000 in cash farm milk income for Michigan farmers in 1939. Production of farm milk in the state for that year totaled 2,205,000,000 quarts; creamery butter — 90,028,000 pounds; cheddar cheese — 13,328,000 pounds; and ice cream — 13,851,000 gallons.

Jesse Jones, secretary of Commerce, and J. Edgar Hoover, director of the FBI.

Congressman Rabaut, of Michigan's 14th congressional district, which takes in all of Grosse Pointe, is also helping to conduct hearings on the WPA in his new role as a member of the important deficiencies subcommittee.

Public Letter Box

Dear Editor:

It has been brought to my attention that a certain group in Gratiot township has been attempting to show the citizens where the tax equalization of the township was unconstitutional.

The County Bureau of Taxation equalized all assessments in the township of Grosse Pointe in the spring of 1939. Upon entering our township, the valuation was approximately \$61,000,000. After all assessments were equalized, our valuation was \$77,500,000 or an increase of \$16,500,000. This amounted to approximately 26 per cent increase on the entire township.

This equalizing is state-wide and definitely legal. Once the residents become accustomed to this new method of equalization, they would not desire any other system.

NORBERT P. DENK, Supervisor Of Grosse Pointe Township.

Feb. 9, 1941

Editor:

Several months ago, I called on our township supervisor, Ernest Provo and explained to him our mail delivery set-up, stating that automobiles along Harper and Kelly road were in the habit of taking down long strings of mail boxes, and asked that something be done regarding the delivery of our mail up and down the streets. Provo immediately wrote a letter to the postmaster asking for this service. I have the copy of the letter in my possession.

An answer was received from the postmaster stating that immediate steps would be taken to grant this service.

We have this service today and it was brought about through the efforts of Supervisor Provo.

CHESTER BIGGS, 18705 Kingsville Avenue, Gratiot Township.

Feb. 5, 1941

Editor:

I am very much interested in the election of Ernest Provo as supervisor of Gratiot township and I am very pleased to endorse him to the fullest extent.

Not only has he shown a keen interest in the affairs of that township so far as his office is concerned, but in

Feb. 10, 1941 talking with some of the people in that community, they confirm my opinion that he has held the office with honor and dignity. Command me to the limit as I will be glad to do anything I can to promote his candidacy.

With kindest personal regards and best wishes for Provo's success, I am Yours truly,

ANDREW C. BAIRD, Sheriff of Wayne County.

Feb. 11, 1941

To the Editor,

The Grosse Pointe Review: The editor of a local bi-monthly pamphlet has taken it upon himself to clarify the status of Gratiot township funds. Of course, his actions are being screened by the "Citizens Committee." In order to refresh the memory of the voters of this township, two of the three members of this committee are candidates for the office of supervisor and clerk which nullifies any claims they make regarding the township funds. They may claim that figures don't lie, but reports can be so distorted that they mislead the public.

In the Feb. 6 issue of this pamphlet, the following statement was made — "The expenses of the Zoning Board since last April total \$963.00 according to the figures given out at the meeting." Without clarification the people are led to believe the Zoning received this money for expenses, that is absolutely wrong, the facts are as follows:

Up to Feb. 11, 1941	
Total receipts (since zoning became effective)	\$1,811.99
Expenditures—	
Zoning inspectors	\$ 845.03
Printing of permits	37.35
Rubber stamp62
Legal fees	50.90
Ad in "Review"	1.50
Publishing of ordinance in "Review"	175.50
Total	\$1,110.00
Balance on hand Feb. 11, 41	\$ 701.99

These operating expenses were necessary as anyone can see. The ordinance had to be published, according to legal opinion, in a paper which had a general circulation in the township and which had been in continuous circulation for a year or more. No bid was received

from "Town News" although the editor now claims he could have printed the ordinance for \$70.00, but both the Zoning Board and the township board doubted whether his paper would meet specifications.

Under no condition did any member of the Zoning Board receive any compensation for their work. It is my obligation to clarify this situation. I want no doubt in the minds of the voters regarding these funds.

HERMAN ROEK, Chairman, Gratiot Township Planning Board.

Feb. 10, 1941

To the Editor,

Gratiot Review: Permit me to express the hope that all voters will go to the polls in behalf of local government on Monday, Feb. 17th, and vote in the primary election, and particularly for Victor H. DeBaekle, present justice of the peace, for reelection.

His record entitles him to that recognition. He has served as justice for Grosse Pointe Shores for several years past and has demonstrated his fairness and efficiency. We hope to have the benefit of his knowledge and experience for the coming four years.

Respectfully,
A. H. BENNETT, Superintendent, Village of Grosse Pointe Shores.
Feb. 4, 1941

Editor, Grosse Pointe Review,

Dear Sir:

It has been brought to my attention that Grosse Pointe Farms is at present endeavoring to sell Kerby field. To most people this won't sound like anything to get excited over, but, if they stop to consider just what it means, I am sure that everyone will get behind the movement to prohibit the sale of this splendid park.

At present there are very few parks in our community, and Kerby field has been a safe and sane place for our young people to spend their idle time. In the summer, there is a baseball field that offers a grand opportunity for the young men of the Farms to participate in inter-city baseball games. Not only do the young men get a lot of use out of the field at this time, but also, the very young children are able to use the park for playing the various children's games. Then in the winter time, a skating rink is provided for people of all ages. Mothers can allow their children to use this field and know that they are completely safe from traffic conditions and other menaces to the welfare of children.

The argument that those in favor of selling the field will put forward is the fact that there is a large plot set aside in the Chalfont subdivision for the school board and that this will provide an excellent playground. I don't think that anyone will disagree with me when I say that this is an absurd argument; since if, and when, the school board does decide to build on that property, it will then be practically shut off from the use of the general public.

With the progress that the building industry is making in the entire Grosse Pointe area, it won't be long before there will be only scattered open spaces. One of the outstanding features of Kerby field is the open space that it

provides at one extremity of our village. The well-kept lawn, and the neat and trimmed shrubs and trees are a relief to our eyesight after seeing all of the homes that are being built right next to and practically on top of each other.

This fact hasn't been presented to the general public for much open discussion, and I am wondering why. It begins to look like the politicians that are behind this move are going to spring it on the next ballot as a complete surprise to everyone. I think that this should be discussed to great lengths among all of the property owners, especially, and certainly among all mothers and fathers of young people in the community.

I hope that the voters do not see fit to abolish this splendid park, and leave us with just the park at the foot of the Seven Mile road and our municipal pier as playgrounds for our up and coming youth.

Sincerely yours,
HERMAN C. BENNETT, (16 years a resident of G. P. Farms).

EDITOR'S NOTE — A story on Page One of today's issue of The Review, discussing this problem, may prove of some interest to Mr. Bennett. Do any other Farms residents have ideas on this subject?

Gratiot Candidate Gets Endorsement From County Sheriff

In connection with his present campaign for election as Justice of the Peace in Gratiot Township at the primary election on Feb. 17 and the final election in March, Eric Newman has received the following letter of endorsement from Andrew C. Baird, Wayne County's new Sheriff.

February 5, 1941.

Mr. Eric E. Newman, 18562 Washtenaw, Gratiot Township, Michigan.

My dear Newman:

Some of your very good friends have come to me with your campaign card for election as Justice of the Peace of Gratiot Township, not knowing that I already knew you and was very much in favor of your election.

While I haven't a vote for you in Gratiot Township, I have many friends there and have written them that I hope that you are successful in your campaign. It is such men as you that should be elected to public office because you belong to that class who believe that a public office is a public trust.

I will be very glad to do anything I can to help you in your campaign.

Yours truly,
ANDREW C. BAIRD, Sheriff of Wayne County.

CITY CLERK

St. Ambrose' Troop Celebrates National Boy Scout Week

Troop 155, the St. Ambrose unit of the Boy Scouts of America, celebrated National Boy Scout Week with their annual "Parents' Night" last Thursday evening in the parish hall.

The 36 boys that make up Troop 155, demonstrated fire by friction, signalling, first aid, knot tying and other routine troop activities. These performances were all well received by the hundred-odd parents, teachers, friends and relatives that were present, as well as Coms. Sanderson and Demoulin.

On Sunday, Feb. 9, Troop 155 was host to all Catholic Scouts and their leaders in the Chandler Park district. The group of 150 boys marched in a body to the church, with matted colors and led by a police escort. They attended 8 o'clock mass and received Communion. Breakfast was served after the services in the parish hall.

Troop 155 is sponsored by St. Ambrose parish and is governed by a committee consisting of Fr. F. F. Van Antwerp, as spiritual director, Anthony O'Brien, as chairman, Edward Kelly, in charge of activities, Clare Mudge, secretary and treasurer, James Harris, quartermaster, Mr. Piel, chief of Grosse

Pointe Park police, Al Garska, James Drysdale, Dr. Edward Moeller, Jr., in charge of advancements, as well as Scoutmaster John Williams and Asst. Scoutmaster Samuel Dinnell.

William H. Heston Seeks Court Post

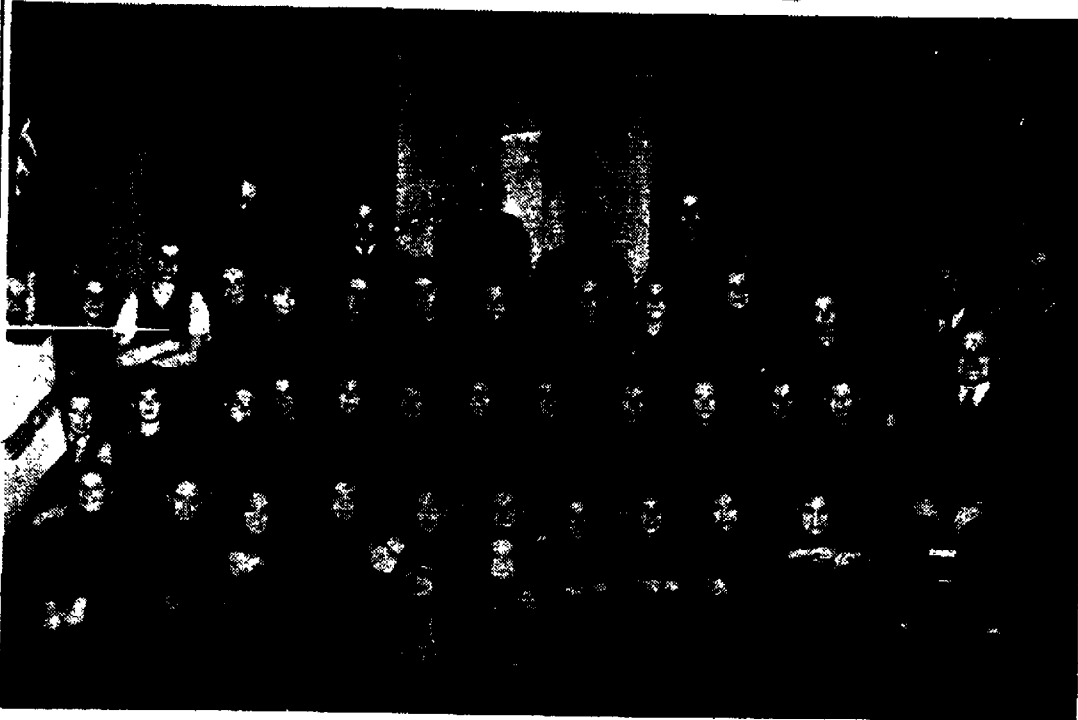

Judge William M. Heston's candidacy for nomination and election to Wayne county circuit court in the Feb. 17 primary and April 7 election on the non-partisan ticket, is now being furthered by hundreds of his friends in local athletic circles.

A junior division, composed of the football squads of all Detroit high schools, has been formed under the auspices of Forrest Evashevski, former University of Michigan football captain.

Judge Heston was an assistant prosecutor of Wayne county and judge of the Detroit Recorder's court for 12 years, 1911 through 1923. He had practiced law in Detroit since 1905 and re-entered practice in 1924. He came to Ann Arbor in 1901 and became a member of that famous Yost "Point a Minute" football machine, and he has been universally recognized as one of Michigan's finest athletes.

License Plate Deadline Set for February 28

Beginning Saturday, Feb. 15, all offices of the secretary of state in Wayne county will be open from 9:00 a.m. to 9:00 p.m. for the convenience of motorists who must get 1941 half or full year license plates before the deadline at midnight on Feb. 28.

This deadline cannot be extended, according to Harry F. Kelly, secretary of state, who advises car owners to get their new tags without delay and avoid the inevitable rush of the last few days. Grosse Pointe's branch office is located at 15100 Mack avenue, corner of Maryland.

— Vote Monday, February 17 —

FAITH LUTHERAN

The annual Father and Son banquet of the Faith congregation will be held on Thursday evening, Feb. 20, at 6:30 p.m. The speaker for the evening will be William Dowling, Wayne county prosecutor. Joseph Moynihan, judge of the circuit court, will be toastmaster.

Members of the Luther League are invited to the Luther League broadcast to be carried over CKLW next Sunday afternoon from the Burns Avenue Baptist church at 4:30 p.m. The program is sponsored by the Detroit Federation of Luther Leagues.

Group of G. P. Citizens Back Justice DeBaeke

A group of Grosse Pointe citizens has published in this edition of the Review, their endorsement and recommendation for the re-election of Victor H. DeBaeke for justice of the peace in Grosse Pointe township, at the primary election on Monday, Feb. 17.

The citizens, believing that Judge DeBaeke's record on the bench in Grosse Pointe township, which includes not more than one appeal from his decisions during the seven years and no reversals, indelibly stamps him as a valued official in this community.

Judge DeBaeke has been a resident of Grosse Pointe and Detroit all his life, moving to 1443 Lakepointe avenue, Grosse Pointe Park, in 1928.

Selfridge Field Named For Aviation Pioneer Killed in Crash

Origin of the Army Air Corps and events leading up to the death of Lieut. Thomas Selfridge, first man in the world to die in an airplane crash, are recounted in an article by Col. Vernon L. Burge, former commanding officer of the 3rd Air Base Squadron, who left Selfridge Field last April.

Lieut. Selfridge, for whom Selfridge Field was named, was killed in September 1908, when the Wright brothers' tests of the world's first military airplane were being carried on near Washington, D. C. The plane's pilot, Orville Wright, was also injured, necessitating postponement of tests until 1909, when they were successfully completed.

"Some 33 years ago the United States Army drew up specifications for the procurement of the world's first military airplane," recalls Col. Burge, who is the second oldest active pilot in the Air Corps today and the first enlisted man to pilot an airplane in the Army.

Many amusing bids were received by the Chief Signal Officer of the Army, who was charged with matters relating to aviation at the time, Col. Burge relates. However, when the day for tests arrived, only one airplane was submitted and that by the Wright brothers. In 1904, Orville and Wilbur Wright had successfully flown a heavier-than-air machine from the sand hills of Kitty Hawk, North Carolina.

Specifications called for a military flying machine with a speed of 40 miles an hour, an endurance of one hour and twenty-five minutes and a cross country flight of at least 25 miles and return. The Army further insisted that the machine be capable of ready transport on an Army escort wagon.

"I have sometimes wondered," Col. Burge writes, "whether General Allen Chief Signal Officer and his assistants who drew up specifications for a military flying machine, had any vision of this day, some 33 years after, when airplanes have reached a speed of 500 miles an hour, a range of more than 6,000 miles and a weight of 100,000 pounds."

If Everything's Going Smoothly, Look Out!

If you're quite sure you're perfectly normal, if your everyday life is a model of smooth routine and perfect precision—don't be too smug! You may be a candidate for the nuthouse!

On the other hand, if the papers pile so high on your desk you wonder if you'll ever see the desk top again, and if life is a constant jumble of detail—well, you may be a potential Mozart or Shakespeare.

These may be extremes, to be sure. But they're pretty good indices to the way the human mind operates, in the opinion of Donald D. Kingsley, Central State Teachers College psychologist.

The psychotic—the fellow with the far-away stare in his eyes who may turn up some day in a padded cell—seldom realizes he's any more or less than perfectly normal, Kingsley states. The fellow whose disorderly desk and sloppy ways of doing business harass him day and night; the guy who faces some kind of mental stone wall and can't seem to find a way to hurdle it—if he brings the proper drive to bear, and has the mental equipment to find a solution, he may produce something really creative.

The struggle itself, Kingsley maintains, is not damaging. No one should avoid these mental conflicts—these stone walls. The damage comes when the stone wall is too high—or too hard—when the individual can neither jump over it. Then failure results—and the black wagon drives around to get you.

These conflicts, these stone walls, Kingsley says, may produce creative effort of many kinds. John Bunyan wrote his immortal "Pilgrim's Progress" while he was in prison; John Milton's "Paradise Lost" was written after he lost his eyesight—when the hurdle, the realignment with everyday living, must have seemed impossible.

So—all in all—the better off you think you are mentally, the more you probably need to look into the situation. And if there's a certain amount of nightmarish confusion about each day's job—well, don't worry about it, you're okay provided you can be confused and still find your head again sooner or later.

American Legion Post Increases Book Drive

Following a second request from the enlisted personnel of Selfridge Field, the Major Burns Henry, American Legion Post No. 303, has increased its drive for all available reading matter and is now collecting books from every part of the community.

If you have any books you can spare, call TU. 2-1813, or drop a card to Walter R. Hoyt, 190 Oak street, Grosse Pointe Farms. Over one hundred books have been gathered by the Post in the past several weeks.

There are 328,797 American men who, as volunteer leaders, serve the youth of the nation through the Boy Scouts of America.

Shrine Circus Prepares For Big Opening In Fair Grounds Coliseum

The pungent smell of sawdust and grease paint is in the air again, and that means just one thing to Detroit, it's time for the big Shrine Circus.

The show will open on Monday night, Feb. 17, and close two weeks later on March 2.

Already the huge Coliseum at the state fair grounds is filled with the din of hammers and saws, the shouts of busy Shriners and the hissing of steam from the great heating plant. Tunis E. (Eddie) Stinson, general chairman and producer of the show for the last 21 years, reports that a heavy plank covering has been laid over the cement floor of the vast arena, and on top of this, a foot-deep layer of clay. This will be topped by a heavy blanket of shavings and sawdust. Booths, bandstand and dressing rooms must be built, and lavishly decorated automobile exhibits will be installed. But that is only a small part of the story.

Every year, hundreds of red-fuzzed Shriners give their time and effort to this great humanitarian work; they sell thousands of general admission and reserved seat tickets, they assemble program and banner advertising; they serve as ticket takers and ushers; they "butcher" peanuts, candy, popcorn, ice cream, hotdogs and cold drinks, balloons and souvenirs; they play in the band; they operate a high class restaurant in the buildings; they work in the office; they act as hosts to the 15,000 cripples, orphans and old folk, who come to the circus as Moslem's guests, and they do all of the thousand and one jobs connected with the presentation of the world's greatest indoor show. According to Chairman Stinson, it takes nearly 500 Shriners just to "run" the show. Many of them have had the same job more than 20 years.

All of the acts, scouted through the year, are tops in the profession. For instance, highlighting the program will be Capt. Clyde Beatty, famous wild animal trainer, who will put his 36 lions and tigers through a brand new repertoire of tricks and stunts in the Big Cage. There will be 15 huge elephants, Rudy Rudynoff and William Heyer with 80 horses and ponies; Tibor's nine seals; Pallenberg's trained bears; camels; dogs; high jumps featuring the beautiful rider, Dorothy Herbert; the clever bareback riding Repenski; the daring Kimris in their airplane acrobatic exhibition; Don Francisco, star slack wire artist; the Walkmirs, Soltz and Karolis on the perilous high perch; massed aerial ballet; the Flying Behees; the Hollywood High Trapeze troupe that will perform intricate and dangerous stunts 80 feet in the air; trampoline, ground bars and casting acts, comedy acrobats; clowns and more clowns, including the two pathetic looking tramps, Emmett Kelly and Otto Griebling, big Chester Barnett and his dog, Chesty, Paul Jerome and his sax; Earl Shipley, the knobby Scot; Walter Goodenough and his pet pig, Paul Jung and his giant Disney replicas, and many other internationally popular funny men. More than 200 persons will take part in the production.

Charles Mabley, veteran chairman of the reserved seat ticket committee, has announced that the box office in the Shrine club, Masonic Temple, will be open from 9 a. m. to 9 p. m. daily, beginning Monday, Feb. 3. Tickets may be ordered by mail or telephone, and for added convenience, he said, five trunk telephone lines will be opened, with an ample staff of assistants, the number is TEmple 1-7600.

At the Coliseum, arrangements have been made for plenty of free parking space, while the street cars and busses will operate on a special frequent schedule right into the grounds.

The Shrine opened its first hospital in 1922—now it owns and operates 15 modernly equipped orthopedic institutions staffed with expert physicians and nurses, throughout the United States and Canada. According to the latest report, more than 63,000 crippled children of all races and creeds have been cured or materially helped without a cent of payment. Nearly a million dollars is spent annually by the Shrine to maintain this service to humanity. Every ticket, every bag of peanuts bought at the Shrine Circus, helps to bring smiles and sunshine to some helpless crippled child.

Wayne University Will Participate In Scholarship Plan

Wayne University will participate in a Pan-American college-scholarship program to make flight training available to young citizens of Latin American countries, Dr. W. Frederick Gerhardt, director of Wayne's Civilian Aeronautics program, announced early this week.

The plan, arranged by the Civil Aeronautics board, is available to all collegiate institutions of the United States which offer civilian pilot training.

Young men and women citizens of South and Central American republics will be considered for the primary flight training on the same basis as United States citizens, provided that they understand sufficient English to make instruction feasible. Twenty scholarships are available in the United States, in addition to one for each of 20 countries.

Notice of a Special Meeting of the Qualified Electors of School District No. 2, of THE TOWNSHIP OF GRATIOT County of Wayne, and State of Michigan TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

PLEASE TAKE NOTICE that a special meeting of the qualified electors of said school district will be held in the schoolhouse in said district on the 21st day of February, A. D. 1941 at 2:00 o'clock P. M., for the purpose of submitting the following propositions:

1. Shall the said school district borrow the sum of \$5,000.00 or such other amount as shall be fixed by the electors at said meeting, for the purpose of building and equipping a two room frame building in said district and issue bonds therefor?
2. Shall the limitation on the total amount of taxes which may be assessed against property in the school district for all purposes except taxes levied for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased for a period of five years from 1941 to 1945, both inclusive, to 1.75% of the assessed valuation of all property in the district, as provided in Section 21, Article X, of the Constitution of Michigan?
3. Shall Lots 1784, 1781, 1782, and 1783 of East Park Manor No. 3, Roscommon Avenue, Gratiot Township, County of Wayne, and State of Michigan, be designated as a school site?
4. Shall the District Board be authorized to lease Lots 1784, 1781, 1782, and 1783 of East Park Manor No. 3, Roscommon Avenue, Gratiot Township, County of Wayne, and State of Michigan, for school purposes for the period beginning March 1, 1941 until July 1, 1942?

The polls of said special district meeting will be open from 2:00 o'clock P. M. until 9:00 o'clock P. M., on said 21st day of February, A. D. 1941.

Take notice that the board of said school district has estimated the expense of building and equipping a two room frame building therein at Five Thousand Dollars (\$5,000.00).

This notice is given by the order of the board of School District No. 2, Township of Gratiot, County of Wayne, and State of Michigan.

Dated This 13th Day of February, A. D. 1941.

Frank LeFevre,
Director

"Home Institute" Begins At Grosse Pointe High

A "Home Institute," under the auspices of the home economics department of the Grosse Pointe high school, will be held during February, March and April, according to a recent announcement made by Mrs. Letta White, homemaker teacher.

The meetings will be open to all women of the community and there will be no charge.

On February 26 at 2:30 p. m. in the auditorium of the high school, Mademoiselle Hampikian will speak on "Facts and Fancies of Fashion." Mademoiselle Hampikian, is a well known stylist and operator of the Sapho Academy on Washington boulevard, Detroit. She is also a teacher of French dressmaking

and connected with retailing. Tea will be served by the Homemaking girls in the apartment at the school.

St. Paul's Church Holds Annual Father-Son Fete

St. Paul's church held its annual Father and Son party in the high school last Sunday evening, February 9.

This annual affair is sponsored by the Holy Name Society of the Parish, who provided a real evening of enjoyment. Dennis Hayes addressed the gathering and the Dodge Motor Car Company presented movies, "Army on Wheels" and "Trip Through Africa."

Carol Breen, daughter of Dr. and Mrs. G. L. Breen, of 586 University place, will attend the annual Junior Prom at Marygrove college on Friday evening, Feb. 14. Miss Breen, a junior at the college, will be escorted by Vincent Shaw.

United States Daughters of 1812

The executive board of the Michigan state society United States Daughters of 1812, were the guests of Mrs. Chester F. Miller, state treasurer, at her home in Saginaw on Monday, Feb. 10. The state president, Mrs. Lloyd DeWitt Smith, of Grosse Pointe, preside at the business session which was followed by a luncheon.

Those attending from Detroit were Mrs. Henry B. Joy, first vice-president national; Mrs. Clarence J. Chandler, honorary vice-president national; Mrs. Gordon W. Kingsbury, honorary state president; Mrs. Sidney C. Probert, recording secretary; Mrs. Edward J. Savage, corresponding secretary; Mrs. Karl F. F. Kurth, historian; Miss Myrtle E. Babcock, flag custodian and Mrs. Marvin L. Hoagland, chapter president. Plans were perfected for the annual state council to be held March 31 at the Pantland hotel in Grand Rapids.

Mrs. Lloyd DeWitt Smith will be the guest of General Isaac Shelby chapter in Grand Rapids today, Feb. 13 and tomorrow, the guest at a meeting of Major Andrew Hunter Holmes chapter in Saginaw.

University of Michigan Extension Courses Start Second Semester

Among the 46 credit and non-credit courses offered in Detroit by the University of Michigan extension service for the second semester, are five that should appeal to anyone interested in international affairs.

These are "American Foreign Policy," to be given at Redford high school by Prof. Lawrence Preuss, "Pacific Asia" by Prof. Robert B. Hall, "Mediterranean Lands" by Prof. Henry M. Kendall and "European History Since the Beginning of the Eighteenth Century" by Prof. Albert Hyma, all three to be given at Northern high school, and "Modern Political Leadership" to be given by Prof. Paul M. Cuncannon at the Stader hotel.

Those interested in fine arts will find listed "The Art of Ancient Japan" by James A. Plumer, lecturer on Far Eastern Art, and "The Foundations of European Culture" given by Dr. George Lechler. Both courses will be held at the Detroit Institute of Arts.

Homemakers and those interested in building or remodeling their homes will find "Interior Decoration" by Prof. Walter W. J. Gores, "Building 1-A" by Ivan N. Cuthbert, registered mechanical engineer, and "Gardens and Home Grounds" by Prof. Harlow O. Whittemore all of value. These three courses are non-credit and are all given at Northern high school.

For students who are interested in becoming buyers or assistant buyers, or for those already in the field, "Department or Specialty Store Buying, Its Procedure and Technique" is offered. Mrs. Aileen Yeo Bardsley, former buyer for Detroit and New York department stores, is the instructor.

For those in the engineering field, "Graphical Methods," "Explosives," "Frequency Modulation," and "Thermodynamics" are listed.

Complete information as to fees, opening dates, and enrollments on these and other courses, may be had at the Detroit office of the extension service 40 East Ferry, TRinity 2-0328.

Adult Class Started In Beginners' Spanish

The Grosse Pointe Board of Education is sponsoring a beginners' course in Spanish which started Tuesday, Feb. 11.

The course will be supplemented by a "Spanish Conversation" section, which will give students especially those who contemplate a trip to Central or South America, a foundation vocabulary with which to get along while traveling and from which to build up a vocabulary when they find themselves among Spanish speaking people.

The class will be taught by Mrs. Glensy Fossatti, who lived in the Argentine for three years, in addition to taking all advanced Spanish courses at the University of Toledo.

Anyone securing a mark of "C" in this course, will receive credit for Spanish I at Wayne University.

The class will meet on Tuesday and Friday evenings at 7:30 p. m., in Room 110, at Grosse Pointe high school.

For further information call Forrest Geary, director of Adult Education at NI. 2000.

Citizens Association Sends Committee To State Budget Hearing

The Citizens Association of Grosse Pointe Park sent a committee of four members to attend a state budget hearing held in Lansing on Tuesday, Feb. 4.

The association's committee was composed of Paul Moreland, president; Don Fairbairn, vice-president; E. Lloyd Eccleston, secretary, and William C. Oddo, chairman of the tax and budget group. At present, the Citizens association is sponsoring a movement to change Grosse Pointe Park into a city form of government.

Child Psychologist Will Address Pierce Parent-Teacher Group

Miss Virginia Traphagen will be the featured speaker when the Pierce school PTA holds its first meeting of the current semester in the school auditorium on Monday evening, Feb. 17, at 8 p. m.

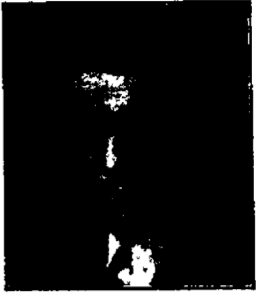

Miss Traphagen, a child psychologist from the Baker Clinic in Detroit, will discuss the topic, "Teen Age Psychology." She is the co-author, along with Dr. H. J. Baker, of a book called "Diagnosis and Treatment of Behavior Problem Children." She is also well known for her broadcasts over radio station WWJ on "Causes of Crime."

Also on the program, will be a technical movie portraying the scenery and winter sports at Sun Valley, Idaho. Following the meeting, a social hour will be held in the girls' gymnasium, with Mrs. Hugh Dill serving as chairman of the committee in charge.

Ralph G. Sickels, president of the association, has urged all parents of new students as Pierce to attend the meeting.

Notice of Election

Grosse Pointe Park, Mich.

To Elect Village Officers

To Vote on Incorporating the Village of Grosse Pointe Park as a City

To Elect A Charter Commission

TO THE QUALIFIED ELECTORS OF THE VILLAGE OF GROSSE POINTE PARK:

You are hereby notified that on

Monday, March 10th, 1941

An election will be held in the Village of Grosse Pointe Park for the following purposes:

- (a) To elect three Village Commissioners for two-year term.
- To elect one Village Clerk for two-year term.
- (b) To vote on the question of incorporating the Village of Grosse Pointe Park as a city without change of boundaries. To elect a Charter Commission consisting of nine (9) members for the purpose of framing a charter for the City of Grosse Pointe Park, if the aforesaid incorporation shall be accomplished.

You are further notified that the polls for said election shall be open from 7:00 o'clock in the forenoon to 8:00 o'clock in the evening, Eastern Standard Time.

You are further notified that the polling places for said election shall be the following places:

The Voting Booth in the Municipal Building situated on Jefferson Avenue between Maryland Avenue and Lakepointe Avenue in the Village of Grosse Pointe Park for Voting Precinct No. 1 which shall embrace all territory South of the center line of Kercheval Avenue for its entire length in the Village of Grosse Pointe Park.

The Voting Booth in the George Defer School situated on Kercheval Avenue between Nottingham Road and Balfour Road in the Village of Grosse Pointe Park for Voting Precinct No. 2, which shall embrace all territory North of the center line of Kercheval Avenue for its entire length in the Village of Grosse Pointe Park.

You are further notified that if you have not already registered, you may do so by appearing before the Board of Registration which will be in session on Saturday, February 15, 1941 and Friday, February 21, 1941 between the hours of 8:00 o'clock in the forenoon and 8:00 o'clock in the evening, Eastern Standard Time at the office of the Village Clerk in the Municipal Building, situated on Jefferson Avenue between Maryland Avenue and Lakepointe Avenue in the Village of Grosse Pointe Park.

You are further notified that registration may also be made with the Village Clerk any time up to and including Saturday, March 1, 1941.

William G. Stamman,

Village Clerk.

Notice of Annual Election

TO BE HELD IN THE

Village of Grosse Pointe Woods, Mich.

TO THE QUALIFIED ELECTORS OF THE VILLAGE OF GROSSE POINTE WOODS:

YOU ARE HEREBY NOTIFIED that the Annual Election of Village Officers will take place in the Village of Grosse Pointe Woods on Monday, March 10, 1941.

YOU ARE FURTHER NOTIFIED that the polling place for said election shall be:

Election Precinct No. 1—All that part of the Village lying west of Mack Avenue from the Southerly Village limits to the Macomb County line, also that part of the Village lying East of Mack Avenue and South of Vernier Road. Voting place at the Municipal Building—Mack and Anita Avenues.

Election Precinct No. 2—All that part of the Village lying North of Vernier Road and East of Mack Avenue. Voting place at the Mason School—Vernier Road.

And that the polls for said Election shall be open from 7:00 o'clock in the forenoon to 8:00 o'clock in the evening, Eastern Standard Time.

YOU ARE FURTHER NOTIFIED that if you have not already registered, you may do so by appearing before the Board of Registration which will be in session on the 18th day of February, 1941, at the Municipal Building between the hours of 8:00 o'clock in the forenoon and 8:00 o'clock in the evening, Eastern Standard Time.

YOU ARE FURTHER NOTIFIED that candidates for the following offices will be elected at said Election:

Village President

Village Clerk

Village Treasurer

Village Assessor

Three Village Commissioners

PHILIP F. ALLARD,

HERE and THERE
By LEE BALINGER
Is Inflation? - What is inflation... it is a state of affairs where there is so much money around, that each unit loses value and prices of things go up. Why is inflation feared... because it is followed by a slump and everybody is hit. Will the United States have inflation... yes, if at any time the total of the public's and government's spending becomes more than the current value of what the United States could produce. In short... it is not possible for the government and the public combined to get more than a pint out of a pint jug.

At Least A Plan - The Axis is following a plan. That is the source of Hitler's power. Churchill can be expected to send roses to the thrice chosen President of 130 million people... the lend-lease bill seems to be on its way at last, having passed the lower house and shortly to be before the Senate. The weak objections to the bill do not seem to be convincing.

Speed - Several centuries back, Montezuma was served fish for supper which had been caught in the Gulf of Mexico some 200 miles away in the early morning... this was accomplished by an established system of speedy relay runners.

Propaganda Assailed - A group of leading American writers and playwrights have banded together for the purpose of counter-attacking foreign propaganda in this country through the medium of radio. The group is called the Free Company and is headed by James Boyd... other members are Orson Welles, George M. Cohan, Robert E. Sherwood, Marc Connelly, William Saroyan, Stephen Vincent Benet, Paul Green, Archibald MacLeish, Sherwood Anderson, and many other notables.

Free Life - By the way, Sherwood Anderson, the novelist served in the Spanish-American War, after which he became manager of a paint factory in Elyria, Ohio. One day he abruptly quit his job in protest against the mechanistic in favor of the free life and has become an apostle of realism in American fiction.

Grosse Pointe Woods Garden Group
Mrs. Harold Trester of 1761 Anita avenue, Grosse Pointe Woods, was hostess at tea to the Woods Garden group on Tuesday, Feb. 4. Mrs. Trester had as her guest, Mrs. R. J. Roselle, of 915 Hampton road, Grosse Pointe Woods. The subject for the day was "Heights and Spacing of Flowers." The next meeting will be held at the home of Mrs. E. H. Ireland, 1505 Hampton road, Grosse Pointe Woods, on Tuesday, Feb. 18, at one p.m. The topic will be "Cold Frames and Seed Beds."

Calvert Pontiac, Inc., Plans Grand Opening

Grosse Pointe's newest automobile dealer, Calvert Pontiac, Inc., with sales rooms at 15210 Mack avenue near Lakepointe, will hold its grand opening tomorrow, Friday, Feb. 14.

Gustave Lapp, formerly with Hettche Motor Sales for 17 years, is president and general manager of the new organization. Mort Muldaur is sales manager, and Ed Wroblos, Bert Bean, and Stan Voss have been acquired as salesmen.

All interested Grosse Pointe residents have been invited to drop in tomorrow and inspect the new show room.

Justice Lindemann Hears Large Number Of Violation Cases Here

Justice of the Peace Frank W. Lindemann heard an unusually large number of traffic violation cases at his last court session in the City of Grosse Pointe on Feb. 5, and handed down the following decisions:

Benjamin Robertson, of 1010 Harvard road, Grosse Pointe Park, was fined \$15.00 for reckless driving. Geo. M. Tiedeck, Jr., of 805 Notre Dame, City of Grosse Pointe, was fined \$15.00 for reckless driving. Russell Keys, of 605 Lake Shore road, Grosse Pointe Shores, was found guilty on a reckless driving charge but sentence was suspended. Fred Davis, of 826 Neff road, City of Grosse Pointe, not guilty on a reckless driving count. The case of Joseph J. Andre, of 417 Belanger avenue, Grosse Pointe Farms, charged with reckless driving, was postponed to a later date.

Alfred Freudenreich, of 67 Lewiston, Grosse Pointe Farms, not guilty on a reckless driving charge. Robert Griford, of 4748 Wayburn avenue, Detroit, charged with reckless driving was fined \$15.00 and his license suspended for 90 days. Maurice Bureau, of 1116 Lakewood, Detroit, lost his driver's license for 30 days on a reckless driving count. Grover Payer, of 283 Maple court, Mt. Clemens, was fined \$25.00 for speeding. Ada M. Brown, of 775 Kenesaw, Birmingham, was fined \$15.00 for reckless driving. Charged with reckless driving, the case of Marion Goswell, of 1590 Pennsylvania avenue, was postponed until a later date. Thomas Suddick, of 1315 Albany avenue, Ferndale, was fined \$15.00 for reckless driving.

Couple Temporarily Lose Custody Of Aged Park Invalid

Grosse Pointe Park police announced early this week that Mr. and Mrs. William Monahan, of 1121 Beaconsfield, have been temporarily relieved of the custody of Miss Julie Rochford, 82-year-old invalid sister of Mrs. Monahan, due to the fact that both the husband and wife had been brought before Township Justice Victor H. DeBaekle on recent charges of intoxication. Police stated that Justice DeBaekle had placed William Monahan on 90 days probation in December, after he had pled guilty on a charge of drunkenness and disturbing the peace. On Jan. 31, Mrs. Monahan appeared before Justice DeBaekle on a similar charge, and was given 60 days probation. Several hours after she had been placed on probation, Park police said that Mrs. Monahan was returned to the station "in a very intoxicated state." The next day, DeBaekle sentenced the woman to serve 20 days in the Detroit House of Correction.

The invalid, Miss Julie Rochford, has been transferred to the Seymour hospital at Eloise, police said. At the Monahan home, Miss Rochford had been confined to an unheated bedroom with a double lock, authorities revealed. Police believe that the probate court case, giving the Monahans custody over the aged invalid, will be re-opened and a new guardian appointed.

Major Burns Henry Post 303 Auxiliary

The month of February in the American Legion and Auxiliary programs is a busy one, as we are honoring our two greatest Presidents, Abraham Lincoln and George Washington... Boy Scout troop 44, of Grosse Pointe, presented an American flag to the St. Joan of Arc church on Friday, Jan. 31... The Post, through the generosity of two of its members, presented a flag to St. Ambrose school on Feb. 5. Clara Bishop, vice-president of the unit, was present at both ceremonies... Dates to remember: Feb. 19 - Entertainment at the Veterans Facility at Dearborn. Feb. 21 - Americanism program at Pierce Junior high school. Feb. 23 - Joint Americanism program at the Rev. Canup's church in the Richard school. The quilting party at Betty's was a grand success. Everyone hopes they will be the lucky one to win the quilt. By the way, did you know this quilt was donated by Margaret Berfelz? I understand that Burns Henry is well represented in the Roosevelt Vesper Drum and Bugle corps as Betty Hoyt, Esther Thorpe and Lillie Knoff have signed up. Regular business meeting next Monday, Feb. 17, in the Veterans Building at 8 o'clock. - Elva Nielsen.

Alger Auxiliary

A new ignovation is now being attempted by the ladies of Alger Auxiliary. They are sponsoring and using their own talent for a farce comedy, "Papa Behave," which will take place on Thursday evening, Feb. 27, in the Grosse Pointe high school auditorium at 8 p.m. Come one, come all, and see how they try to make "papa" behave.

Citizens Association Tabulates Public Opinion On Plan

A preliminary check-up of the reaction of Grosse Pointe Park residents to the present proposal to change the village into a city form of government has been made recently by the Citizens Association, sponsors of the plan. Association officials have announced that the result indicates a majority are in favor of the change. Association members have stated that, so far, discussion concerning the proposal has centered around the exact amount of savings to the Park taxpayers. The Citizens group has remarked that the point to be stressed is not the exact amount of savings, for that depends a great deal upon the efficiency of the administration of the city officials but the fact that in making the change an opportunity is given to the administration to make a saving. The Association believes that the estimated savings to taxpayers in rendering the services now given by the township is \$25,244.82, to which is added another estimated return of intangible personal property tax from the state (nothing is returned to villages) of \$10,116.80, or a total savings of \$35,361.62. Association President Victor H. Wehmeier stated yesterday, "The average citizen knows little about the comparative merits of city and village governments. It is but once in a lifetime that he is called upon to vote on a proposal to change from a village to a city. Not knowing the difference, he might be inclined to leave things as they are for fear the city form would entail a more expensive and cumbersome government. In the case of a small community with a population of a thousand inhabitants it is conceivable that that might result, as it would be necessary to increase the staff of municipal employees to handle the services which it would have to assume. In the present instance, the services can be rendered at a very substantial saving without diminishing efficiency."

Three Time Loser Gets Limit in Shores

Arrested three times in the past year as a Grosse Pointe Shores traffic violator, John H. Tucker, 29, of 530 Park avenue, Detroit, was given the limit by Township Justice Kenneth M. Thomas at a court session in the Shores last Friday evening, paying a \$100 fine and losing his driver's license for a period of one year. Charged with drunk driving, Tucker has been out on a \$150 bond since Jan. 22. In May, 1940, Justice Victor H. DeBaekle fined Tucker \$50 for speeding 60 miles per hour. Shortly before that count, Tucker had appeared before DeBaekle on a reckless charge. Detroit police stated that Tucker had been arrested five times by them in the last two years.

Township's \$12,000 Water Profit Told

Due to many misleading stories regarding the profit on Gratiot township's water system, the following report has been submitted for the benefit of the residents. "Gratiot township entered the water business on Dec. 12, 1939, with Frank Jones becoming its first director. From Dec. 12, up to and including May 5, 92 taps were made at a profit of exactly \$23.00 per tap. This totals \$2,116.00. Eugene C. Pionack, present township clerk, then became water director, and from May 6, up to and including Dec. 11, 352 applications for water were received. From this point on, the profit on each tap was jumped to \$28.40. Multiplying the \$28.40 by the 352 applications shows the profit to be \$9,996.80. Adding this to the \$2,116.00 shows that the gross profit for its first fiscal year was \$12,112.80. This profit was made in spite of the fact that the system could not appreciate the money paid for meter service and the profit on the flow of water. It is expected that this income will increase the profit by \$6,000.00 in the system's second year." Taken from Gratiot township records.

Major Burns Henry Post 303 Auxiliary

The month of February in the American Legion and Auxiliary programs is a busy one, as we are honoring our two greatest Presidents, Abraham Lincoln and George Washington... Boy Scout troop 44, of Grosse Pointe, presented an American flag to the St. Joan of Arc church on Friday, Jan. 31... Society Notes

Mr. and Mrs. Charles Chesnut entertained 100 guests at an open house in their new home on Grosse Pointe boulevard last Sunday afternoon.

The Louisa St. Clair chapter of D. A. R. held its meeting in the home of Mrs. Ford H. Whelden, on Merriweather road, last Monday.

Bill Ludwig, son of the William Ludwigs of Kensington road, was host to three of his friends this week. The boys were Bob Overcashier and Lane Simpson of Pennsylvania, and Bob McNeill of Massachusetts. All the boys are freshmen at the University of Michigan, the two from Pennsylvania studying in the School of Engineering, and the other is taking decorative design in the architecture course.

Lee Agramonte, daughter of Mr. and Mrs. Jules Agramonte, of Birmingham will be the house guest of Florence Fee this week-end in the Fee home on Washington road. Lee will be entertained at a pot-luck dinner-bridge party Saturday evening and will be taken to the Grosse Pointe Yacht Club for bowling Sunday afternoon, and dinner Sunday evening.

Mr. and Mrs. Eugene Klaver entertained guests for supper Sunday evening in their home on Lincoln road. Monday noon, Mrs. Klaver was hostess at a small bridge-luncheon.

Mrs. Hans Keydel will be hostess at a cocktail party for twelve guests in her home on University place Saturday evening, preceding a subscription party sponsored by Mrs. Keydel at the Colony Club's Valentine Day celebration.

Mrs. Harold Van Leyen, of University place, returned home Monday from a month's stay in Palm Beach, Fla.

Mrs. Hans Keydel will be hostess at a cocktail party for twelve guests in her home on University place Saturday evening, preceding a subscription party sponsored by Mrs. Keydel at the Colony Club's Valentine Day celebration.

The J.Hop, at the University of Michigan is the destination of Dorothy Castricum, daughter of Mr. and Mrs. Martin Castricum, of University place, this weekend. Dorothy will be the guest of Roy Fairlamb at the affair.

Mrs. Hans Keydel will be hostess at a cocktail party for twelve guests in her home on University place Saturday evening, preceding a subscription party sponsored by Mrs. Keydel at the Colony Club's Valentine Day celebration.

Lorraine Everson and Irene Bosch will leave Grosse Pointe early next week for New York, from which location they will sail almost immediately for Cuba. Once in Cuba, they will be the guests of Irene's relatives who live there.

Mrs. Hans Keydel will be hostess at a cocktail party for twelve guests in her home on University place Saturday evening, preceding a subscription party sponsored by Mrs. Keydel at the Colony Club's Valentine Day celebration.

Points and Pointers

Ladies - Consult Rudolph, of Detroit's Sax Fifth Avenue, concerning your permanent wave problems. Rudolph, formerly of Sax Fifth Avenue, New York, is a famous exponent of Programmed care of the scalp and hair. He will personally discuss with you all your hair styling problems.

Mrs. Hans Keydel will be hostess at a cocktail party for twelve guests in her home on University place Saturday evening, preceding a subscription party sponsored by Mrs. Keydel at the Colony Club's Valentine Day celebration.

High School Cagers Win Close Contest, 17-16

A close game-it was more than that! In the graphic words of Coach Forrest "Pep" Geary, "if it had been any closer, it would've been a tie!" For a thumb-nail sketch, that terse sentence perfectly describes last Friday evening's "doins" at Mt. Clemens, when a dogged and determined Grosse Pointe high basketball squad squeezed out a narrow 17-16 victory over an equally determined "Bather" squad that refused to wave the white flag. The moral victory was all Mt. Clemens, but the tally books will record it as another Grosse Pointe win, the eighth "Blue Devil" triumph in ten starts this season. The books will also make a note of the amusing and pathetic fact that Grosse Pointe has now advanced its winning streak over Mt. Clemens to 16 straight years. Leading 10-9 at half-time, Grosse Pointe politely fell back to defensive tactics, content to score their points on Mt. Clemens' errors. The strategy proved successful as the "Bathers" with the exception of their giant 6'10" center, have little in the way of high-scoring "aces." Taking every advantage of "the big fella's" awkwardness, lean Tommy Coulter, substitute Pointe center kept the huge one at a comparatively safe distance during the whole second half. Lumbering Charles Marzolf, Grosse Pointe's large captain and court general, turned in his best performance of the year to lead his squad with 6 points on two free throws and two baskets. Doug Graham, fresh from the "Blue Devil" reserve squad, started his first varsity contest and turned in an excellent performance much to the relief of Coach Geary, who took rather a hefty gamble. One jump ahead of the varsity, Grosse Pointe's reserve squad registered its eighth win in nine games by trimming the Mt. Clemens reserves 29-10. Coached by quiet Harvey Christensen, who lists publicly with poison, the reserve squad is, off-times unheralded and un-noticed but is one of the main reasons why the varsity keeps a winning average year after year. Tomorrow evening, the Pointers will encounter the "easiest touch" on the remainder of their schedule, when they meet Wyandotte high on the local court at 8:15 p.m. Still tie with Fordson high for first place honors in the Berdier Cities championship battle, Coach Geary and his charges have only one more week "to sharpen up" before the Dearborn debacle snorts into Grosse Pointe on Feb. 21, to stage the top tilt of the 1940-41 season.

Students Visit Auto Plant

Twenty-eight social science students from the George Defer elementary school, Grosse Pointe Park, were the guests of the Ford Motor Company recently on a tour through the Rouge plant. The group is shown here in the Ford Rotunda, the company's exhibit and reception building. Miss Katherine Richards, Defer school instructor under whose direction the trip was made, is at the far right, back row.

Miss Katherine Goebel, of Mac Murray College in Jacksonville, Ill., was honored at a tea given by Mrs. H. R. Swain and her daughter, Barbara, in their home on Neff road last Saturday afternoon.

"BEYOND THE BENCH"

By JUDGE THOMAS F. MAHER Of Traffic Court

Good Drivers Know the Traffic Laws

Ignorance of the law is never an excuse for violating it. The first duty of the public is to inform itself of the laws enacted by its chosen representatives. The organs of public information, such as the press and radio, co-operate to the fullest extent with law enforcement authorities in making available to the people the rules and regulations under which they must live.

It seems to me, however, that there are far too many motorists who have difficulty in keeping pace with the changing provisions of the traffic code. Until they receive a ticket for a traffic violation they remain in total ignorance of the existence of the law they are charged with violating.

This is particularly true of parking regulations. For many years there was no difference between "parking," "standing" or "stopping" a motor vehicle on the streets of Detroit. Some months ago, however, the common council decided that such a differentiation should be made and the new ordinance governing parking became effective Dec. 19, 1939. A considerable portion of the motoring public, judging by their answers in traffic court, has not yet discovered just what the changes mean.

"Parking" means leaving a vehicle on the street unattended by the operator.

"Standing" a vehicle requires that the operator remain in the driver's seat.

"Stopping" is defined as bringing a vehicle to a stop to load or unload passengers for a period not to exceed three minutes, with the operator remaining in the driver's seat.

Where "parking" is prohibited the motorist may "stand" or "stop." Where "standing" is prohibited he may "stop" but may not "park." Where "stopping" is prohibited he may neither "stand" nor "park."

Good citizens know the law. Good drivers are good citizens who know the traffic laws.

Grosse Pointe Women Elected to Offices At Detroit Hospital

Three well-known Grosse Pointe women were among the Woman's hospital officers elected at the institution's 72nd annual meeting held recently.

Mrs. Henry B. Joy, of 280 Grosse Pointe Blvd., Grosse Pointe Farms, was named first vice-president; Mrs. Fred T. Murphy, of 17620 E. Jefferson ave., City of Grosse Pointe, was elected second vice-president; and Mrs. J. G. Vincent, of 15500 Windmill Pointe drive, Grosse Pointe Park, received the assistant treasurer's post.

The Woman's hospital is located at 432 E. Hancock, between Brush and Beaubien.

Population Increases In 14th Congressional District, Census Shows

The population of Michigan's fourteenth congressional district, which includes Grosse Pointe, has grown by more than 35,000 during the last ten years, according to official figures of the 1940 census released today.

The population of the 14th district was given as 386,437 in 1940, as compared with 350,212 in 1930. This total is now well over the national population average of about 350,000 persons per congressional district, Congressman Louis C. Rabaut said.

The 14th district now stands 54th in the nation, and second in Michigan in size. Only the 17th Michigan district is larger, with a population of 419,007.

The section with the largest population in the United States has been announced as the 7th Illinois district, with a total of 911,210 persons tabulated.

Mr. and Mrs. Franklin Jerome opened the doors of their new home on Neff road, to a few members of the family for dinner last Saturday evening.

Woods Church Group Rehearses Comedy "Deacon Dubbs"

For the past several weeks, members of the Grosse Pointe Woods Presbyterian church have been rehearsing a rural comedy drama, written by Walter Ben Hare and entitled "Deacon Dubbs."

This play, which deals with a period during the growth of this nation known as the "Good Old Days," will be presented on Friday evening, Feb. 28 in Mason school. It is a play of pathos, clean cut rural comedy, local color, and a touch of sensation.

Strong emotional scenes, and the usual mortgage about to be foreclosed by a villain, will provide ammunition for everyone who will want to boo and hiss.

This play was given seven years ago by the Mason PTA group, and was very well received at that time. Many of those seeing it at that time, are looking forward to seeing it again.

Three of the original characters, playing some of the important parts are again in the cast, plus a very good ensemble of new characters to take the other parts.

The church choir has organized a double quartet who will render old-time favorites during the scenes and between acts.

Army Ordnance Expert Will Address Meeting Of Michigan Alumni

At the next meeting of the Grosse Pointe University of Michigan Alumni Association to be held on Wednesday, Feb. 19, in the Pierce Junior high school auditorium at 8 p.m., Col. Henry Willard Miller will be the speaker.

The meeting is open to all Michigan alumni and friends, and among the invited guests will be the senior classes at Grosse Pointe high schools.

Colonel Miller joined the University of Michigan College of Engineering in 1921, as professor and head of the department of mechanism and engineering drawing, after a previous career in the practice and teaching of engineering. He received his academic training at Washington and Lee university, graduating in 1910, with the degree of M.E.

In 1917, Colonel Miller was president of the academy board and organizer of the School of Military Aeronautics. In the same year he was also transferred to the ordnance department of the army, working on the design of railway artillery at Washington. In 1918 he was ordnance chief of the United States railway artillery unit in France and chief of the heavy artillery section from 1918-19. On his return to this country, he continued to serve as assistant to the chief of the artillery division at Washington from 1919-1920. He then acted as chief engineer of the Baltimore Copper Smelting and Rolling Co., for a year previous to accepting the professorship at the University of Michigan.

Colonel Miller is an internationally recognized authority on artillery, and railway ordnance in particular. He has written extensively on technical aspects of the subject and his "Paris Gun" is a well known semi-popular work on the great cannon used by the Germans for long distance shelling.

Reckless Driver Pays \$40 Fine in Shores

Fined \$40 or 15 days in the Detroit House of Correction, Richard B. Ruprecht, of 9786 E. Grand Boulevard, is sorry today that he ever heard of Grosse Pointe Shores, for it was an alert Shores patrolman who overtook and arrested Ruprecht last week as the reckless driver was speeding down Lake Shore road "between 70 and 75 miles an hour."

Brought before Township Justice Victor H. DeRacke, on Friday evening, Feb. 7, testimony revealed that Ruprecht "had taken three drinks and had attempted to avoid arrest by driving into a Lake Shore road estate." He paid the fine.

SPORTS JAMBOREE

The social committee of the B.V.M. Sodality of St. Clare of Montefalco parish will hold a huge sports jamboree dance on Saturday evening, Feb. 15, from 8 to 12 p.m. in the church auditorium. Mary Ann Carnaghi is chairman of the event, and Virginia Wortman is handling the publicity.

Alumni Dance Plans Reach Final Stage

Final preparations have now been completed for Grosse Pointe high school's alumni dance, to be held tomorrow night, Friday evening, Feb. 14, in the main dining room on Hotel Stabler's second floor, it was announced yesterday by the Plebians club, sponsors of the event.

The club, an organization of Grosse Pointe high graduates, is handling the ticket sale for the dance through its members, who have reported "success beyond anticipation."

Ed Neeme, club spokesman, stated, "Instead of the usual large circle of couples standing around the ballroom floor, a much more cozy atmosphere will be provided. Cabaret style will prevail, with tables and service for those who desire refreshments."

Plebians who are selling tickets include: Wally Foraker, Bob Laughna, Ray Harms, Jack Moore, Chilton Drysdale, Fran Nicholls, and Harvey Zens.

Mr. and Mrs. James H. Barnes, of Harvard road, and their son, Jimmy, are now vacationing at Coral Gables, Fla. Jimmy, who is a freshman at Massachusetts Institute of Technology, has stamped his mark of approval on the Coral Gables Country club's golf course.

Wife of Review Printer Succumbs After Illness

Adeline Well Kraft, 50-year-old wife of Herman Kraft, The Grosse Pointe Review's composing room foreman, died suddenly last Thursday evening in their home at 4159 Cranc avenue, Detroit.

Funeral services for Mrs. Kraft, who had been ill for many months, were held Monday afternoon in the Walter Dahn Funeral Home, at 8811 E. Forrest avenue. Kraft is now serving his 14th year as a Review employee. Also surviving are two married daughters, Mrs. Egna McEldowney and Mrs. Virginia Plicht, both of Detroit.

AMERICANISM MEETING

On Friday evening, Feb. 21, at 8:30 p.m., the Fred W. Beaudry Post No. 126, American Legion, in co-operation with the ladies of its Auxiliary, will sponsor a joint Americanism meeting, at which a very interesting and patriotic program will be presented. The public is cordially invited to attend this rally, which will be held in the ballroom of the Legion club, Cass and Lafayette avenues. Former Michigan Gov. Wilbur M. Brucker will be the main speaker.

CARD PARTY

The Domestic Employes Association will sponsor a card party, to be held on Thursday, Feb. 20, at St. Andrew's hall, 231 E. Congress street, at 8 p.m. The association also wishes to notify all members that the clubroom in the Tuller hotel will be open each Thursday of the month from 2 p.m. on.
