

Old Law Called Upon In Fatal Traffic Accident Case

In many cases, an inch is considered "as good as a mile," but not where fatal traffic accidents are concerned. Several weeks ago, a car driven by Edwin Wedge, of 2394 W. Grand Blvd., struck and killed two elderly pedestrians at Mack avenue and Maryland.

Wedge was arraigned in Traffic court last week on a charge of involuntary manslaughter, but his lawyer claimed that the city of Detroit is without jurisdiction because the pedestrians were standing in Grosse Pointe Park, "eight inches from the Detroit line."

Norton N. Wisok, assistant prosecutor, announced that an old Michigan statute provides for a variance of 100

feet at boundary lines, stating that either local government may prosecute. Wisok stated, "It is my contention that the city of Detroit can and will prosecute this case." Proceedings will be continued before Judge George T. Murphy on Monday. The two victims were Mrs. Fannie Miller, 77, of 2821 Audubon avenue and Gilbert C. Malcolm, 73, of 3625 Buckingham road. Wedge is a former Olympic games ice skater, and well known in local sport circles.

lowing their active service. Burroughs, who is a graduate of Grosse Pointe high and Wayne university, has lived in the Park for 23 years. He is 33 years old, married, and has been a member of the guard for 10 years.

Americanization Class Finishes Course; 33 Receive Diplomas

The Grosse Pointe Board of Education's first Americanization classes for aliens completed their study and held final exercises in the high school auditorium on Tuesday evening, March 4, when 33 men and women received their certificates.

A third class of 36 persons has begun a similar course at the Pierce Junior high school, and the board of education is planning a fourth class at the Steven T. Mason school in Grosse Pointe Woods, according to Forrest Geary, director of Adult Education. All classes are taught by WPA instructors.

Mrs. James Commela, regent of the Grosse Pointe chapter of the D.A.R. and Mrs. Norton Pearl, chairman of the national defense program for the D.A.R., spoke at the exercises. Charles A. Parcellis, Detroit investment banker and president of the Grosse Pointe Board of Education, addressed the graduates. Lynn M. Bartlett, director of child accounting and adjustment in the Grosse Pointe public schools presented the class to Dr. E. R. Van Kleec, superintendent of schools, who awarded the certificates. Mrs. George Simpson spoke for the class. The Rev. Lowell McConnell, assistant minister at the Grosse Pointe Memorial church, gave the invocation and benediction. Miss Billie Lee Wright, of the high school orchestra, played a xylophone solo.

Pointe Players Plan Comedy Production

"June Mad," the West Coast comedy success, has been selected by the Pointe Players to be presented on the evening of Wednesday, March 19, in co-operation with the Mothers club for the benefit of the scholarship fund.

"June Mad," which is concerned with the mental and emotional reactions of a teen-age girl, was written by Florence Ryerson and Colin Clements. Its professional debut was made on the West Coast, where it delighted audiences for over a year.

It recalls Pointe Players talented and well directed November production of "Our Town," which was greatly enjoyed by so many Grosse Pointers.

Mrs. H. W. Rehm, of Merrivether road, is chairman of the ticket committee for the Mothers club "First Nighter" performance, and is assisted by Mrs. Raymond Moore, Mrs. T. D. Lewis, Mrs. Hans Ernie, Mrs. Harry E. Cordoze, Mrs. Ralph Dubois, Mrs. William Eberlein, Mrs. Adrienne Tassin, Mrs. Carl Weidemann, Mrs. James P. Ogden, Mrs. Rudolph Hirt, Mrs. Joseph Wilde, Mrs. T. C. McMahon, and Mrs. Raymond Holbrook.

Mrs. Harold S. Loring is chairman of the Grosse Pointe Woods area. Her assistants are Mrs. Harold Gregory, Mrs. George Burgess, and Mrs. G. F. Hauke.

The curtain rises promptly at 8:15 p.m. with no seats reserved. For tickets please call Mrs. Rehm at TU. 2-9464, or Mrs. Loring at TU. 2-7988.

Farms' Council Passes Resolution Concerning Proposed Field Sale

At their regular meeting held last Monday evening, Grosse Pointe Farms' village council passed the following resolution in reference to the proposed sale of Kerby Field that will appear on the ballot at the March 10th election.

RESOLVED, That in the event the electors of the Village of Grosse Pointe Farms shall authorize the sale of the four acre parcel of land now used and known as the "Kerby Play Field," the same shall be sold only subject to the following restrictions, to be included in form satisfactory to counsel for the Village and to the Federal Housing Administration, in any and all deeds or in other proper form to impose upon the premises the following restrictions:

- a. No building except single dwelling houses for occupancy by one family, and one or two-car garages shall be erected on any single lot;
- b. No lot shall be used for other than residence purposes;
- c. No lot shall be subdivided into an area having less than 4,000 square feet; nor shall any dwelling be constructed on any lot having an area less than that;
- d. All residences, not including garages or porches, shall be of brick, stone or stucco;
- e. No garage or outbuilding shall be occupied even temporarily as a residence nor shall same be erected before construction of the main residence building;
- f. No noxious or offensive trade shall be carried on, nor anything done constituting an annoyance or nuisance to the neighborhood;
- g. None of said premises shall be occupied except by persons of the Caucasian race;
- h. The president of the Village, the chairman of the Building committee, and the building inspector of the Village from time to time shall constitute a committee to act under Paragraph

b of the form of protective covenants proposed by the Federal Housing Administration. Any residence that may be erected shall cost at least \$6,500.00 (1939 values including garage as established by said committee) and shall contain at least 20,000 cubic feet, not including garage or porches, consisting of at least one and one-half stories in height (ridge of roof to be at least 23 feet from top of first floor elevation, which first floor elevation is to be a minimum of 18 inches above finished grade).

Swimming Team Takes Fourth Place In Final State Meet

By DICK BODYCOMBE
Four members of Grosse Pointe high school's swimming team competed in the annual state championship meet held in the Michigan State college pool in East Lansing last Saturday afternoon and gathered in a total of 11 points, placing them fourth in a large entry of prep squads.

Bill "Tex" Carlson, muscular Pointe breast-stroker, finished second in the 100-yard race which was won by Paul Siebold of Jackson high. Siebold's remarkable time of 1:07.3 was nearly a full second below a mark set in 1938 by James Skinner, University of Michigan star. Carlson, who established new records in four of the school's eight meets during the regular season, won the 100-yard breast-stroke race at the state regional meet at Fordson the week before in the best time of his career,

1:09.8. Bill Chase landed fifth place in the 100-yard free-style race, and the Grosse Pointe medley relay team composed of Carlson, Ray Weaver, and Ben Orr placed third in their event.

During the 1940-41 season, Coach Frank Banach's "Blue Devil" squad won six out of eight meets, and finished in a tie for third place in Border Cities League competition. Wyandotte and Royal Oak were tied for top honors with only one defeat, leaving Fordson and Grosse Pointe in a deadlock for the third spot.

Questioned on his possibilities for next season, Banach admitted, "We'll be hit pretty heavy by the loss of our two breast-strokers (Carlson and Herbert Lester). They have been finishing one-two for several years now, and when you take away that many points, it's hard to make them up."

Backed into a corner by an exceptionally forcing question, the coach elusively parried the thrust with his stock answer, "It will be the best swimming team in Grosse Pointe." Which no one can debate or deny, as it is the only one!

Citizens' Committee Changes Mind On Audit

At a January meeting in Gratiot township, a Citizens' committee circulated petitions demanding a special meeting be called to discuss the feasibility of checking into the records of the township to determine whether an audit of the books would be necessary.

The meeting was granted and held on Jan. 15, and in the following weeks a committee of three, Odilon Houtekier, Joseph Korson, and Joseph Boardman, went into the records of the township.

At the meeting in February, they furnished the board and the citizens with an oral report. The spokesman for the group at that time, Joseph Boardman, who, when asked if they were going to recommend an audit, replied, "No." It is evident that they found nothing in the books that would cause reasons for an audit, but at the meeting held Monday, March 3, this committee then demanded that the audit be made. Their request was turned down by a vote of 4 to 1. It was evident at the outset that the move was strictly political, present officials believe. The only person voting in favor of the audit was Frank Jones, treasurer.

Justice Kraft remarked that an audit at this time would be foolish, inasmuch as, there was going to be an audit within the next five weeks, and it would be silly to have two audits in this period of time.

AN OPEN LETTER TO "CAP" PFEFFER

About two years ago I had the pleasure of endorsing your candidacy for the office of Commissioner for Grosse Pointe Park, at which time I urged the voters to cast their ballot for you. I was proud to publicly endorse you at that time and honestly, "Cap", after having had the opportunity of perusing your article which appeared in the Grosse Pointe papers last week, I am now prouder than ever.

You know this question which has arisen as to whether or not our Village should become a city is an extremely important one, and I like hundreds of others in our Village have wondered about the advisability of making such a change at this time. Of course, it has been necessary for me to obtain whatever meager knowledge I could through our local newspapers, and I, too, have been impressed with one salient fact, and that is that for some unknown reason an attempt was being made to press this proposition on March 10th without benefit of sufficient thought and analysis. I appreciate not only the clarity of your statements but the same conclusions which enabled you to advise the voters to vote against this proposal to make our Village a city at this time. But beyond that all, I think the citizens of our community are to be congratulated in that there appears to be one real dominant, vibrant personality in our Village who not only has the necessary intelligence and needed background but the fortitude and the backbone to publicly and unequivocally state his views as you have. We appreciate it, "Cap", and I for one shall cast my vote against the city plan on March 10th because you feel that to be the proper thing to do.

Sincerely yours,

E. L. Tyson

bargaining agent. The Company replied that it would not oppose the holding of an election, but that it could not file a petition—in the usual form—because it had agreed to recognize the Bargaining Agent named in the Agreement.

Thus, thwarted in its efforts to obtain the rights that had already been granted to a rival organization, the C.I.O. faced a blank wall.

Certainly, no thinking American would seek to deny any individual or any group the right to form labor unions. Any intelligent person will agree that collective bargaining agreements do away with the outmoded, hap-hazard, and wasteful methods of settlement formerly employed in labor disputes. Further, every American agrees that the general public benefits, by an intelligent presentation of the manifold problems by the workers to the employer, because our whole economic structure is not disrupted.

When the Circuit Court and the State and Federal Labor Boards refused to substantiate the claims of the C.I.O.—and they could not do otherwise—why didn't that organization accept the decisions in good grace.

Who caused the riot, and beatings, administered the policemen? Why were the "dopes" permitted to continue the picketing? What reason can be advanced for the failure of the State Officials to act before the riot occurred? Any intelligent attorney would not have filed suit had he reviewed the facts pertinent to the case beforehand. That is, unless he, perhaps, had some other motive—such as a desire to disrupt the whole re-arming program.

Whoever is responsible for the C.I.O.'s public relations—the good will of the public—must have thrown his hands up in horror, knowing the occurrence as this would remind the public of the super-governments (The Black Legion and the Ku Klux Klan that had to be obliterated for the safety of the majority, a few years ago. The public will not tolerate any body or group that sets itself above our Constituted authorities. The C.I.O. has done much for labor? But we are now attempting to re-arm our nation. Everything we hold to be of value is the price we are asked to place upon the altar of greed.

It was reported that when the Sheriff of Saginaw County, Mr. Muehlenback, telephoned to Lansing—to the Governor—for aid, he was informed that "nothing could be done." Whereupon the Sheriff replied, "Governor, this is not a dispute between Industry and Labor; it is a civil war being fought between rival warring for dominance. If you refuse to send aid, I will deputize and arm several hundred loyal American citizens. Whatever happens will be upon your conscience—not mine. Order must, and will be restored." Within an hour two hundred State Police were on the job—after the riot.

We are rapidly approaching a climax in this labor strife. The question is, will reason be restored to the leaders of Labor, or will the general public have to rise—as they have done before—and demand an end to chaos?

Don W. Matzen, Woods Commissioner, Seeks Clerk's Position

Don W. Matzen, present Grosse Pointe Woods village commissioner, is one of the applicants filed for the office of clerk at the election on Monday, March 10.

For the past year Matzen has served on the village commission and has acquainted himself with the routine and business of the village by serving on the finance and police committees. He spent four years at the University of Detroit studying business administration and three years in charge of the books of Frank W. Winne and Son. At the present time, he is in the sales distribution department of the Chrysler Export corporation. He is married and owns his home at 1641 Roslyn road.

"Robin Hood" Ballet Will Be Enacted At Pierce Junior High

The ballets of Junior Programs, Inc., of which "Robin Hood" is the newest, have given many thousands of American youths an understanding of and love for one of the most beautiful art forms of the stage.

This latest and most lavish of all Junior Programs' ballets will be enacted at Pierce Junior high school on Saturday, March 8, under the auspices of the P.T.A.

Of all the Junior Programs' ballets, that of dashing "Robin Hood" has the greatest historic tradition. It is danced to the music of ancient English madrigals, compiled by Margaret Carlisle, and is based on the original folk ballad handed down from the 14th century.

Walter C. Smith Seeks First Public Office

Walter C. Smith, who resides at 1245 Lakepointe avenue, is running for public office for the first time as a candidate for commissioner of Grosse Pointe Park at the election on Monday, March 10th.

Smith came to Wayne county 22 years ago, when he accepted a position in the engineering department of the Michigan Bell Telephone company. He was born in New Jersey and is now 53 years of age. He was graduated from Lynchburg, Va., high school in 1906 and received his Bachelor of Engineering degree from Union college, Schenectady, N.Y., in 1914.

He now serves the Michigan Bell Telephone company as assistant protec-

tion engineer. He also acts as a special lecturer in electrical engineering at Wayne university. Smith has lived at the same address in Grosse Pointe Park for the past 12 years.

The candidate states that if he is elected to the office of commissioner, he will endeavor to give the district in which he lives proper representation in the village administration. He claims he will promote good government for all residents and favor those things which tend to produce civic pride and, without false economy or injurious reduction of public services, definitely reduce the tax burden and thereby maintain property values.

The Citizens Association of Grosse Pointe Park has rated Smith as preferred in the list of candidates for the village commission.

Farms' Assessor Runs For Re-Election At March 10 Election

Cy L. Lerchenfeld, Grosse Pointe Farms assessor for the past two years, is a candidate for re-election at the village election on Monday, March 10th.

Lerchenfeld stated Monday, "During the present administration, assessments have not been increased by such major village improvements as the paving of Chalfonte avenue, and the tax rate has been reduced from \$17.50 per thousand to \$16.50."

A Farms resident and home owner since 1929, Lerchenfeld is married and resides at 456 Touraine road.

Here and There

Evading the Draft—I always did say that Washington is the place to see oddities . . . I looked in at an open door in the patent office and saw a fellow sitting at his desk with an umbrella up over him . . . this he claimed was for protection from drafts.

Psychological Error—She says she just adores symphonic music but he can't sell her a season ticket . . . so he being a licensed psychologist, at once sets to work. He does not waste

time with the old fashion steps of getting personal reports on the lady, but installs a very modern "check-up" meter on her radio. After two weeks he returns and takes a reading . . . it reveals many hours spent on dance and light comedy music and that when symphony appeared it was quickly shut off.

Ambassadorial Dignity—If you are a foreign minister and want to go to bars and places and a German throws a champagne bottle because you call for "Tipperary," think nothing of it . . . just catch the bottle and hurl it back and if you hit the assailant it's a score for you . . . no need of an international complication . . . in fact, be like George Earle in Bulgaria.

Throwing Money Away—When Jesse Jones came right out and said that in creating defense we will naturally throw money about, it leaves you with a slight feeling of perplexity as to meaning . . . but as you wonder, the Rooseveltian Theory comes to your mind and you have the answer like sunshine piercing the morning mist . . . to "throw away" money now means to re-distribute, re-energize, re-spend and gloriously re-tax money.

Scap Less—New York Stock Exchange sells beautiful building acquired in 1933 . . . because the big boom never came . . . other real estate scheduled to go . . . and in view of increasing operating deficit, it is to be wondered if it will not soon be the Exchange itself.

New York—Beachcomber, a dazzling night club, once again scooped the theatre by introducing New York to Carmen Amaya . . . trailing clouds of glory from Spain, South America and Mexico, she brings in her dancing a special brand of fire and fury . . . castanets, guitar playing and a Spanish audience shouting enthusiastic encouragement at every turn.

Sherwood Via Roosevelt—Listen carefully . . . and see if you do not detect the sonorous ring of "Abe Lincoln in Illinois" in the President's current declamations.

My Kingdom for a Horse—Willkie is looking for a horse . . . any kind of a horse . . . Roosevelt's riding the big one . . . and the GOP's has slipped its halter and vanished.

"BEYOND THE BENCH"

By JUDGE THOMAS F. MAHER Of Traffic Court Horse-Sense and Horse-Power

In the days before the automobile appeared on the American scene, it wasn't difficult to control a horse-drawn vehicle. The family Dobbin knew where to find his oats and could take his sleepy or inebriated master home if the occasion arose.
