Pointe Mourns Passing of Norbert Denk; Berns Named New Township Supervisor

Twp. Board Appoints Former Attorney as Denk's Successor

Julius L. Berns, attorney for Grosse Pointe township for the past nine years, was named supervisor of Grosse Pointe township Tuesday afternoon at a special meeting of the township board. He was directed to assume immediately the position vacated by the death, last Thursday morning, of Norbert Denk, supervisor of the township for the past seven years.

Bernard Costello was appointed township attorney to succeed Berns.

Swift action in the filling of Denk's position was necessitated by the nearing deadline on assessment rolls which must be ready for the meeting of the board of review early in June. In addition to the number of new homes that must be added to the rolls this year personal assessments and assessments on boats must be compiled at once to forestall any hindrance in the smooth operation of the township.

Denk was in the middle of this work when his sudden death occurred.

Choice of Berns to take over the supervisor's duties was determined largely by the fact that he had been working with Denk closely in compiling the rolls this year and was familiar with the tax situation here. His work as township attorney over the past nine years, also, has familiarized him with local affairs.

SEEK VOLUNTEER WORKERS FOR MONDAY'S DRAFT REGISTRATION

Monday, April 27, over 5,000 Grosse Pointe men will visit one of the registration centers in Grosse Pointe to register themselves as potential draftees in the large registration expected Monday. The large registration expected will tax the local officials to the utmost, according to preliminary beliefs, and additional workers are still being sought to aid in the registration.

Those desiring to help with this work are asked to contact the clerk of their respective municipality or, in the case of Grosse Pointe Park, to contact officials of local board 57. While an earlier announcement designated the Mason school as one of the registration centers, the plan of registering men at this school on Monday has since been abandoned, draft officials said.

Review Carriers to Collect This Week

Grosse Pointe Review carriers boys will be making the rounds for their voluntary service charge of 10¢ per month for April delivery of the paper this weekend.

Persons are asked to pay only authorized regular carriers, who furnish a receipt, printed in black on pink paper, with the year 1942 in red. Prompt payment is appreciated, since each boy has dozens of calls to make and needs considerable time to cover his route.

Sugar Rationing for Quantity Users to Start Next Tuesday

Sugar rationing for Grosse Pointe and Gratiot township's retailers, retailers and industrial and institutional users of sugar will be held April 28 and 29 at Grosse Pointe high school, according to the announcement made Tuesday by J. M. Bartlett, director of rationing and adjustment of the Grosse Pointe public schools, who is in charge of the sugar rationing program for this area.

Consumer registration will be held May 4 through 7 at which time sugar ration books will be issued.

The program being followed that laid down by the Office of Price Administration in Washington who set April 28 and 29 as the dates on which all commercial, industrial and institutional users of sugar throughout the nation must register in order to be eligible to obtain their subsequent sugar supplies.

Registration forms for such users are now available and can be obtained by calling at room 106, Grosse Pointe high school. This room will be open for the purpose of distributing necessary forms to trade users on Friday, April 24, from 2 to 5 p. m. and on Saturday, April 25, from 9 a. m. to 12 noon. It is suggested that registrants obtain their forms on these dates so that they may study them and collect the necessary information for filling them out.

"The applicant should fill out the blanks as completely as possible before returning to the school on April 28 or 29 for the actual registration," Bartlett said. "If the applicant is in doubt regarding his form, he should get a separate piece of paper and then ask the advice of the rationing advisers when he returns to register."

"It is extremely important to present all the necessary information or else there may be long delays at the registration center."

Under the rationing regulations retailers are those doing 50 per cent or more of their sugar business at retail, wholesalers 50 per cent or more at wholesale.

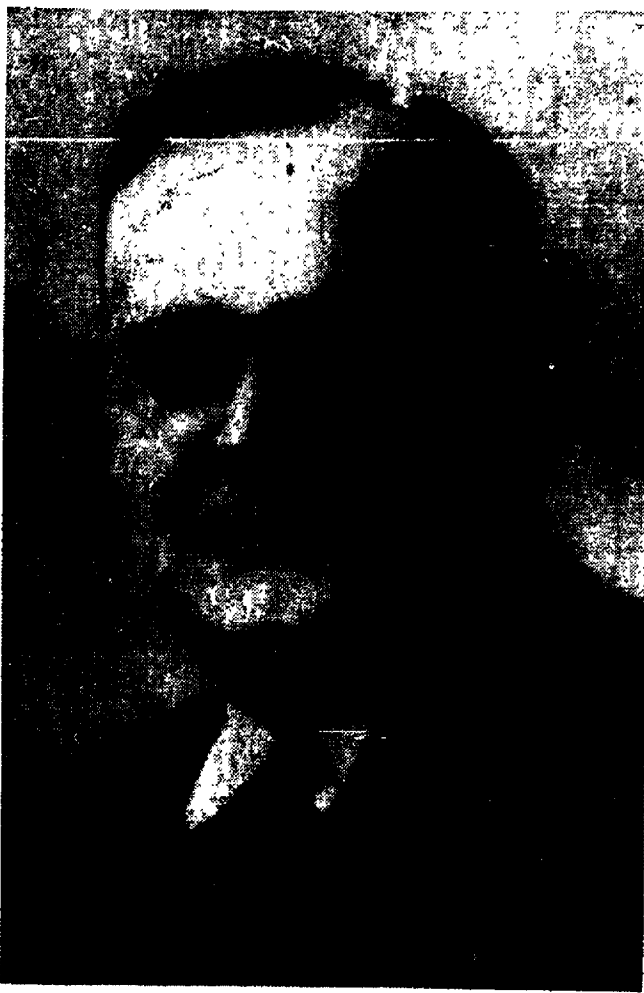

Grocery chains will be registered as a unit, but each unit must list all of its stores in the rationing program.

Industrial and institutional users include bakeries, candy manufacturers, boarding houses, hospitals, churches, parent-teacher associations, fraternal groups, beekeepers, and others who use sugar in large quantities, either in its original state or in processing its products.

Retailers will be issued sugar certificates based on their sales and inventories. Then they will replenish supplies by submitting to wholesalers ration stamps which they collect from consumers. Wholesalers will get new supplies with stamps gathered from retailers after their initial allotment on a sugar purchase certificate.

Institutional and industrial users will obtain new supplies by presenting (Continued on Page Two.)

Good Friend Lost

NORBERT F. DENK

January 14, 1896 — April 16, 1942

Generosity, Geniality Typified Township's Popular Supervisor

Norbert Denk is dead—and the community has lost a real friend.

Grosse Pointe township's big, bluff, jovial supervisor was lost to the people here suddenly and without warning when he dropped dead at his residence last Thursday morning while preparing to come down to his office.

The suddenness and unexpectedness of Mr. Denk's death brought a stunning halt to business throughout the Grosse Pointe municipal offices where he was deeply and sincerely loved. The bulletin of his death in last week's edition of The Review brought sadness to the hearts not only of Mr. Denk's business associates but to all those scores who knew him as a friend and as the leader of their civic affairs.

Norbert Denk had served the people of Grosse Pointe township for the last 28 years, and served them honestly, fearlessly and well. Norbert Denk was a man who knew his job, and knew it thoroughly through all its multitude of details. Nor was his work confined solely to the technical aspects, to the tax rolls and assessments. The bigness of his heart was most clearly seen by the people who came to him in need and who received from him not only swift action to alleviate their hardships but sincere sympathy and understanding as well.

Norbert Denk was what people mean when they talk about a "real man." He was a hail fellow with the men in whose company his wit, geniality and good humor branded him a favorite. With others his interest, cordiality and kindness won them to friendship. His unfailing courtesy was shown to all, man or woman, young or old, regardless of status or position.

Norbert Denk's generosity to all those in need had become an accepted thing among his friends. But even some of his closest friends were unaware of his widespread generosity among the children of Grosse Pointe. Norbert Denk was the children's friend. Many are the youngsters here whose shoes were bought out of his own pocketbook, and many are the youngsters who were able to go to school warmly fed and clothed only because of the generosity of this man. Not only in the hearts of the men and women who knew him will Norbert Denk be missed, but in the tender hearts of the children he befriended.

Typical of the man, it was not modesty alone which caused him to keep his charity a secret. Modest he was, yes. But to Norbert Denk, generosity was a natural thing, an integral part of his character. To give to those in need was, to him, the natural and only thing to do. No other thought occurred to him. He liked to give. His unselfish and sincere generosity was one of Norbert Denk's most typical and most envied characteristics.

Possibly a great deal of Mr. Denk's understanding and sympathy grew out of the hardships of his own childhood years. Norbert Denk was born in Detroit on Jan. 14, 1896, to Joseph J. and Mary Bieson Denk. He was the youngest of 13 children, eight girls and five boys. His father died when he was two years old, leaving his mother to support the 13 children. Thus, early in life he learned the press of necessity. Like the other boys he peddled papers on the streets of Detroit and picked up any odd jobs he could find to add to the family cochequer. But with the character and determination which he carried throughout his life, he persevered with his education. Following his graduation from St. Joseph's school he went on to complete the curriculum at St. Joseph's Commercial college. After this he took additional courses in the commerce and finance course of the University of Detroit.

After a period during which he worked in Detroit, Mr. Denk accepted the appointment of assistant to Edward Vernier, then supervisor of Grosse Pointe township, a position which he held for 22 years. Following the death of Mr. Vernier, in 1934, Mr. Denk was appointed to fill the vacant post. At the following election, in March of 1935, Mr. Denk placed his name on the ballot for the supervisor's position. He was elected then, as he has been every year since.

Recognition of Norbert Denk's ability was not confined solely to Grosse Pointe township. Throughout the political structure of Wayne county he was credited as a man of marked executive powers. Only the day before his death, the board of supervisors had selected him as head of the salary committee for all county employes in addition to reappointing him a member of the ways and means committee where he had served for a number of years.

He had also been selected as vice-president of the National Association of Assessors and was serving as chairman of the state association.

Mr. Denk had been an active member of the Knights of Columbus since 1924 and was past president of the Grosse Pointe Lions club. Two years ago he worked as chairman of the Old Newsboys' Goodwill sale of this newspaper, the proceeds of which went to provide a happy Christmas for the youngsters of the township.

The deep place which Norbert Denk held in the hearts of the people was amply demonstrated by the hundreds of visitors who came to pay their last respects to him as he lay in state last weekend at the Verheyden Funeral Home. Tears were shed, and sincere, heartfelt tears, by the people who knew and loved him as a true friend.

Funeral services were held Monday morning at 9 o'clock at St. Ambrose Roman Catholic church with the Rev. Fr. Francis F. Van Antwerp, pastor, officiating at the high mass. In addition to hundreds of his friends, members of the Lions club and the police and fire departments of the five Grosse Pointe municipalities attended in a body to pay their final tribute.

Serving as pallbearers were: Carl Schweikart, township clerk; Adolph Damman, township treasurer; Albert Fluitt, police chief, Grosse Pointe Farms; Charles Nightingale, Nels Korte, and Frank Piscoonik.

Five brothers and sisters preceded him in death. Surviving, in addition to his wife, Mrs. Mabel Vernier Denk, are a son, Joseph, 14, a student at St. Thomas Military Academy, St. Paul, Minn.; five sisters, Mrs. Henry Lauhoff, Mrs. John Scanton, Mrs. Charles V. McGrath, all of Detroit, and Mrs. Oney Paquette, of Windsor, Ont., and Mrs. Fred H. Chapman, of Miami, Fla.; and two brothers, Titus L., who is associated with the Equitable Life Insurance company and Eugene C. Denk, chief warrant clerk in the Wayne county auditor's office.

PARADE TO HIGHLIGHT SEND-OFF PARTY

Band music, gifts, words of good cheer and encouragement and the best wishes of their community will help to quicken the steps of 55 Grosse Pointe men as they march away from home tomorrow morning to begin their service in the United States Army.

For tomorrow morning, at 7 o'clock, at the Neighborhood club, will be staged the first of the spirited send-off parties planned for local draftees as they leave for service.

Friends of the boys and members of their families alone are not expected to compose the audience tomorrow morning. All civic minded residents here and all those families who now have or expect to have men in the armed service are expected to turn out to give a cheery send-off to this latest contingent of Grosse Pointe draftees.

Java and Sinks
The Grosse Pointe Breakfast club will again rally into service and will provide coffee and doughnuts for the boys. The Breakfast club organized last year for the purpose of honoring the draftees at a breakfast on the morning of their

departure, had been discontinued with the introduction of new regulations by the selective service system. Now again they are coming to the front to give the boys their final recognition at home before they leave for army camp.

Norbert Neff, clerk of the City of Grosse Pointe and a member of the committee which has promoted the send-off parties, has been selected to give the boys a brief message of good will in behalf of the people of Grosse Pointe. The Grosse Pointe high school band will provide music for the occasion and community singing will add to the spirit of conviviality.

March by Cheering Crowds
Plans are also being made to decorate the bus on which the boys will leave the Pointe for the induction headquarters in Detroit. The men leaving, escorted by the American Legion, the Veterans of Foreign Wars and the high school band, will march from the Neighborhood club to the bus which will be stationed on Kercheval avenue in the main business section of Grosse Pointe, in an effort to give the large number of people who will

gather for the occasion an opportunity to cheer the boys as they depart.

The boys will march from the Neighborhood club west on Waterloo avenue to St. Clair, down St. Clair to Kercheval and along Kercheval to Cadieux where they will board the bus. Walter Hoyt, commander of Burns Henry Post, No. 303, American Legion will serve as marshal of the parade.

Souvenirs, reading material and other gifts will be presented to the boys as they board the bus, which will be escorted to the Detroit city limits by the combined police forces of the five Grosse Pointe municipalities.

The spirited send-off party tomorrow morning, the first of many planned for each group of draftees hereafter as they leave for army service, is the result of weeks of planning and work on the part of The Home Front, an organization recently created for the purpose of sending the boys away and receiving them home with appropriate respect and honor by the people of the community.

More Committeemen
Walter Clemmensen, principal of the high school and William Watkins, director of music, were given the responsibility of organizing the band and decorating the bus. Harry

Furton and Ed West were given the responsibility of raising the money necessary for carrying on not only this particular occasion, but others as the time comes up. Dr. Paul L. Essert was asked to arrange publicity and getting the parents out in the early morning hours to give the boys a royal send-off. Parents and friends of the boys who accompanied them to the bus will be welcomed and entertained at the Neighborhood club, along with the boys, but will not be offered the refreshments of coffee and doughnuts.

Co-operative Work
It is planned in future events of this kind to have some other organization of the community than those which have started the work to act as co-sponsors. In each case there will be a different co-sponsor and each co-sponsor will have charge of the particular entertainment at the Neighborhood club, and will select some one to give the boys their farewell message. In this way it is hoped to bring all organizations of the community in on the enterprise.

Send Condolences to Family of Mr. Denk

RESOLVED, That the Township Board of Grosse Pointe Township, Wayne County, Michigan, for and in behalf of the residents of Grosse Pointe Township, express its heartfelt sympathy and condolences to the family and relatives of Norbert F. Denk, our township supervisor who had so earnestly and conscientiously served our township for so many years. The loss sustained by his untimely death will long be felt by Grosse Pointe township.

BE IT FURTHER RESOLVED, That a copy of this resolution be sent to the widow and son of our beloved colleague.

Carried by the following vote: Ayes: Justices McNally, Thomas, DeBaeke and Belanger, Treasurer Damman and Clerk Schweikart.

City Council Meeting Postponed to April 28

The council meeting of the City of Grosse Pointe, regularly scheduled for April 20, has been postponed to Tuesday, April 28, awaiting the completion of the audit for the last six months.

It may rightfully be said that both architect and interior decorator honored themselves in the designing and colorful treatment given the entrance lobby in the new Charles Verheyden Funeral Home on Mack Avenue at Outer Drive. ing evidence showing their needs. The Grosse Pointe high school located at Fisher road and Maumee, Grosse Pointe Farms, has been designated as the registration headquarters for the registration of all trade users of sugar who are located in any part of the Grosse Pointe or Gratiot township. The hours of registration will be from 9 a.m. to 6 p.m. and will take place in room 109 at the Grosse Pointe high school building on April 28 and 29. Sugar stocks will be frozen at midnight, April 27, and none can be purchased until consumer rationing begins with the registration May 4 through 7, when ration books will be issued. Detailed information will be given next week in this paper concerning the plans for issuing the sugar ration books to consumers. These books will be issued by the elementary schools of Grosse Pointe to all Grosse Pointe residents.

Youth Fined \$75 As Drunk Driver; License Revoked

William C. Sale, 23 years old, of 13115 East Jefferson avenue, was sentenced to pay a fine of \$75 and his driver's license was revoked for one year by Justice Victor DeBaeke Wednesday morning. Sale was charged with driving while drunk. He was picked up early Tuesday morning by Patrolmen Verdonck and Boone when he was found driving on the left side of Jefferson avenue in a drunken condition.

The 653 gallons of gas burned each year by the average U. S. motorist would take a light army tank 653 miles toward the enemy.

UNIFORM TRAFFIC ORDINANCE WINS APPROVAL IN TEST BOUT

A unified system of traffic control for all of Grosse Pointe took another step nearer completion Monday night when Albert Fluit, Grosse Pointe Farms chief of police, presented to the board of trustees of that village for their consideration, the traffic ordinance drawn up by the engineering committee of the Grosse Pointe Safety Council as a suggested pattern to be adopted by all Pointe municipalities. The program was given some stimulus, too, in the reaction of the Grosse Pointe Farms board who agreed that they were in perfect sympathy with the spirit of the proposal and asked Chief Fluit to invite a roundtable discussion of its various points among the five police chiefs with a view to achieving an ordinance suitable for all. Chief points of the proposed traffic regulations, as suggested by the safety committee, were the establishment of a "no-fix" ordinance and the establishment of a uniform system of fines for traffic violations. For the most part, deleting those sections which do not apply to the Grosse Pointe situation, the ordinance is that of the city of Detroit. A checkup of the opinions of the various police chiefs by The Review disclosed that, for the most part, they, too, are in perfect sympathy with the idea of a uniform traffic regulation program for all of Grosse Pointe. While demurring to a certain extent, Chief Walter Goulette, of Grosse Pointe Woods, stated that he was agreed that the traffic ordinance there should be brought "up to date."

'Cap' Pfeffer Resigns To Take War Post

Resignation of Clarence A. "Cap" Pfeffer as a member of the Grosse Pointe Park village commission was received this week by Karl B. Godard, village president. Acceptance of a position with the war department was given by Pfeffer as the reason for his resignation. He requested that his action become effective immediately.

'CAP' PFEFFER

Pfeffer had received an appointment as an administrative officer with the war department at Wright Field, Dayton, O. He will serve at Wright Field under Col. A. E. Jones chief of the contract section. Pfeffer was serving his sixth term on the village commission where he held the post of commissioner of finance.

His resignation was dictated by the fact that because his new appointment came under civil service regulations, he could not hold that post and the village political office at the same time. Simultaneous with the announcement of his resignation as commissioner, Pfeffer also revealed the closing of the offices of the C. A. Pfeffer and Associates in the Penobscot building, Detroit. These offices will be closed for the duration of the war, he said. Pfeffer became a business counselor in 1916 when he resigned as vice-president and treasurer of the Chalmers Motor company. The C. A. Pfeffer and Associates was formed in 1924 with Pfeffer as president. Since that time the company has been engaged in financial and business management operations. Pfeffer makes his home at 832 Grand Marais.

Realizing that all regulations do not apply to certain municipalities, Donald J. Van Alsburg, AAA attorney, who drew up the ordinance, explained that it was the purpose of the suggested ordinance to be flexible. While certain regulations, such as one-way streets, might not apply in Grosse Pointe villages, the regulation could either be stricken out in its entirety by the village where it does not apply or could be retained as a precautionary measure against such time as it might apply, he explained. The ordinance is only a suggested one, designed particularly to gather the police chiefs into a session where they may institute some uniform traffic control legislation. It is not intended as an absolute pattern, he emphasized.

Sfire Bros. Stage Big Annual Sale Of Canned Goods

Sfire Brothers, successors to the G. & R. McMillan company at 16827 Kercheval, this week announce their annual mammoth two-week canned food sale, effective today through May 6. Dramatic savings are portrayed in a full page of bargains in this issue of The Review, with sharp reductions on quantities of dozens and half dozens in canned goods. In face of inevitable rising prices, Sam Sfire, manager of the market, stated that the sale affords an opportunity for smart shoppers to capitalize on the tremendous values and to stock the family larder with delicious quality foods, so convenient for easy preparation during the hot months ahead.

Delegates Named

Mrs. Henry M. Booth, president of the Detroit Colony, National Society of New England Women, has named her delegates to the national congress meeting in Cleveland, O., from May 17 to 21. The following have signed their acceptance: Miss Hubbard and Mesdames Grohs, Hutton, Jacobs, Johnston, Mackave, Pasini, Reynolds, Savage and Warner. At this congress the Detroit Colony are presenting the name of their president, Mrs. Henry M. Booth, as second vice-president general of the national society.

Pan-American Day Assembly at Defer

On Friday, April 17, Mrs. Mel-drum's 6B class at Defer school presented a Pan-American Day assembly.

The program, which was the culmination of a social studies unit on "Friendliness," was planned and developed by the group. The main theme was carried throughout by showing places, people, music and ideas which the class had studied and learned about in becoming better acquainted with their Latin American neighbors.

On the stage for background atmosphere was the large map of Mexico, Central and South America which showed the different places visited on the program. There were also large pictures of different scenes and people. Mothers attended as well as the fifth and sixth grades.

WEEKLY HAPPENINGS IN GRATIOT TOWNSHIP

CIVILIAN DEFENSE
Most of the wardens of Gratiot township met Sunday morning in front of the Beaconhill school at 10 a.m. Previous plans had been to hold the meeting in the school, but due to the cold weather, it was decided that the Gratiot club building was more appropriate.

A procession of approximately 34 cars led by Captain Mallard's with its siren blowing, was an impressive sight as it toured the streets from the school down Eastwood avenue to Kelly road and up Kelly road to Washtenaw and Washtenaw to Harper avenue, and via Harper to the club. This was the early Sunday morning alarm clock to many of the late sleepers in the township.

The meeting was called to order again by Captain Mallard. At that time, he told the wardens of the great need of their service in the township. A demonstration on the extinguishing of incendiary bombs was given by the captain. Mr. Zeidt, chief air warden, gave a demonstration of the burning of magnesium and how to extinguish it with water, instructing that the best method of shortening the burning time is by using a water spray, as the burning time of an incendiary bomb is from 10 to 14 minutes. When properly sprayed with water, this cuts the burning time to approximately two minutes.

ST. JUDE PAPER DRIVE
St. Jude paper drive begins Sunday, April 26, for four days. A tent will be erected in the yard next to the rectory on Kelly road. It will be a great help if you can bring your papers to the rectory. If not, call Prospect 0380, and arrangements will be made for pickup. Let's pull together and make this a big affair.

GRATIOT CARD PARTY
The Gratiot Township club will sponsor a card and bunco party the evening of Saturday, April 25, at the clubrooms on Roslyn road near Harper avenue. The program will begin at 8:30 p.m. All residents of the community are invited.

County Conference Of Junior Red Cross Planned at G. P. High

Plans are now under way for the big gathering of May 16 when the Junior Red Cross representatives of all Wayne county will assemble at Grosse Pointe high school for their annual Spring rally - if the meeting of last Wednesday was evidence of what's going on.

It was decided that after luncheon was served, the group (it is expected to number about 400 persons) will assemble in the auditorium to witness a patriotic pageant, which will be colorful and impressive and will include choral speaking and choral singing.

Community singing and a guest speaker will also be part of the program. It is hoped that James T. Nicholson, national chairman, who has just returned from a world tour, will be the guest speaker. Possibly Eleanor Roosevelt, first lady, may be engaged for the event. Other guests will include Dr. Paul Essert, Dr. Frank Cody, Doctor Gillett and Mrs. John Ford.

Apple and cranberry good partners. Put the pieces in the center of a shallow dish of apple sauce, sprinkle with cinnamon and nutmeg.

Catholic Information

Are You, Too, Shocked At Blasphemy?
The name of your God! When you hear it used blasphemously, irreverently or even sarcastically - as you so often do - in books and magazines, from the lips of whisky-soaked bums and of pretty little debutantes - do you not feel that something should be done about it?
The Catholic church felt so some 650 years ago. But it did more than feel - it acted, and from that day to this the Holy Name Society has been growing and spreading so that now there is scarcely a Catholic church which does not have a goodly-sized membership of its own.

In this country alone there are more than 2,000,000,000 Holy Name men. Think of it! Two million votes might swing a national election. Two million voices could have a tremendous effect on Congress. Two million troops could capture the country.
But the Holy Name Society has nothing to do with elections, or lobbying or war. It is purely a religious body - two million men with one dominant purpose: To promote reverence for the Sacred Name of Christ and to make that name better known and loved everywhere. The pledge of the Holy Name Society includes also allegiance to God and country; and no man who keeps his pledge can be an unworthy Christian, or ought but a loyal American citizen.

Therefore, when the purpose of the Holy Name Society is understood, it must, we think, win the endorsement of every true American, of every man who abhors loose speech, of every Christian who cannot possibly misunderstand or misinterpret the simple, straightforward Commandment of God: "Thou shalt not take the Name of the Lord, thy God in vain."
There is a sound reason behind every Catholic doctrine and devotion - a reason which we shall gladly mail to you gratis, if you write to:

Catholic Information Society of St. Paul's Church, Mary Looney, 323 Rivard, Grosse Pointe, Mich.

Austin Grant to Speak To Mothers' Club

"Current Events" will be the topic of a talk by Austin Grant, widely known Detroit radio commentator, Monday evening, April 27, at 7:30 o'clock at a meeting of the Mothers' club of Grosse Pointe high school in the school library. Refreshments will be served following the talk to which all Pointers are invited. The public is also invited to attend the annual dessert-bridge and bake sale being sponsored by the club Friday, April 24, at 1:30 p.m. in the gymnasium of the high school. Prizes will be awarded.

"Weaker Sex" Satires Feature of Show At Club Stevadora

Billy Joy, with his satires on the weaker sex, is the featured entertainer of this week's show. He has just returned from a series of eastern engagements and has a lot of new numbers which are well appreciated by the audience. For novelty, there is Carlotta & Meyers Bird Circus, one of the real novelty acts of show business that is the product of a lot of time and patience. The amazing tricks of these trained birds is really something. Billed as the singest-danciest man in town is Crawford Price, the mighty midget is just that. It's a big job by a small man. Phil Irving is held over a third week with his baritone songs. The audience particularly call for his comic opera impression of a boy and girl called "Buffalo Boy." His ability to sing almost any song requested by the audience makes him quite a favorite here. The De-Roy Rhythmites add new numbers to the show and several fine specialty numbers. Ethel Shepherd again sings the Hit Parade Number "I Think of You" and a new arrangement of an old tune, "Old Man River." Billy Moon and His Musical Stars in his second week is receiving an enthusiastic reception for his smooth style of dance music. The first show starts promptly at 9:30 p.m.

Trombly School N-E-W-S

Patriotic activities are centers of interest for study in some of the classes at Trombly school.
The IA group is raising plants for the school flower garden. Twelve varieties of seeds have been planted in the conservatory. The children are caring for the plants and will transplant them later in the school garden. Each child may also select a plant which he will enjoy during the Summer to transplant in his garden at home.
The 2A class has named their room the defense training room. The children call themselves the "home soldiers." An exhibit has been planned which will show original stories which explains how they are helping Uncle Sam.

The 3B group have as their topic "How We, As Children, Can Help Win the War." These children are planning and giving reports on how they can keep their bodies strong and healthy, earning and saving for the purchase of defense stamps and bonds, salvaging materials needed by the government and planting and caring for victory gardens. Original stories and posters which illustrate the topic are also planned. Before the closing of school the group will visit the various gardens to see how successful their study is.

Plans are being made also by the 3A class to help their parents plant victory gardens. The children are searching for materials in books, magazines, seed catalogs and newspapers and have sent to various sources for information. A committee has bought tomato seeds which they will plant in the conservatory. Later the plants will be transplanted in the gardens at home.

The display cases in the halls show that the children feel a real spirit of patriotism and are trying to do their part in helping to win the war.

Owners of big auto-carrying trucks in North Carolina are planning to convert them into passenger vehicles for the duration.

Altar Society Plans Spring Luncheon

A Spring luncheon and afternoon of cards will feature the final party being given by the ladies of the Altar Society of St. Paul's church, Saturday, April 25, at St. Paul's school. Luncheon will be served at 12:30 o'clock.

Mrs. J. L. Schmitt is serving as general chairman, assisted by Mrs. Charles Hewitt, table prizes; Mrs.

B. T. Schobe, door prizes; Mrs. James Henecke and Mrs. Harold Freer, luncheon; and Mrs. Raymond Huettman, subscriptions. Reservations should be made by Friday with Mrs. Angus Kirchner, Tuxedo 2-7466, or Mrs. William Roney at Niagara 4834.

If all equipment used in war work were so used for 168 hours each week, man-hours going into U. S. war production would be about doubled.

Entertain in Home

Mr. and Mrs. James Sangster entertained a group of friends at a party Monday evening in their home on Lakepointe avenue. Among the guests were Corp. Athony Wasilewski, of the army air corp, who is on furlough from Chanute Field, and his fiancee, Dorothy Schwanika, of Algonquin avenue. Other guests were Miss Susan McLean and Mr. and Mrs. Robert Castator.

Dorothy Ghesquiere Takes Top Prize In Essay Contest

Prizes and citations were awarded to the winners in the essay contest sponsored by the Americanism committee of the ladies' auxiliary of the Alger Post, Veterans of Foreign Wars, on April 14 at 3:25 in the auditorium of Grosse Pointe high school.

Mrs. Agnes Tilton was in charge of the presentations.

First prize went to Dorothy Ghesquiere, 10B, who received a medal and \$10. Second prize of \$6 and a citation was won by Edwin Kidd, 10A. Maxine Clow, 10B, received \$4 and a citation.

In the Brownell junior high school, James Kennedy, 8A, received \$5, a medal and citation. Richard Fox, 8B, won \$3 and Sarah Stephenson, 8B, was awarded \$3.

Others who received citations were Carol Castricum, 9A; Marion Custer, 9A; Ida Fraser, 10B; Donald Hoose, 9B; Drew Smith, 10B; and James Rousdale, 10A.

In addition W. R. Cleminson, principal, was presented with a flag for the school in appreciation of the school's co-operation.

The ladies of St. Ambrose parish will sponsor a card party and dance in the parish hall, Maryland and Hampton, Friday evening, April 24. Faraday's orchestra will furnish the music for modern and old-time dancing from 9 till midnight. Cards may be played from 8 to 12.

TRAGEDY of X by Ellery Queen

CHAPTER XIV

Synopsis

Drury Lane, retired Shakespearean actor, is helping Inspector Thumm and District Attorney Bruno solve two baffling murders. The first is that of Harley Longstreet, a broker. Evidence points to his partner, DeWitt. Later DeWitt is tried for the death of Wood, murdered conductor of the trolley on which Longstreet was killed. Acquitted, DeWitt takes a train home. He is shot dead in a deserted car. His fingers, rigid in death, are crossed. DeWitt and Longstreet had made their fortunes mining together in Uruguay. They and William Crockett, another partner, obtained the life imprisonment of Martin Stopes for his wife's murder. Stopes escaped and DeWitt had been threatened. Lane tells Thumm and Bruno that Stopes is the murderer and that they have seen him many times. Next day Lane takes the same train with Thumm and Bruno. When Edward Thompson, the conductor, comes through, Lane rises. Made up as Harley Longstreet he confronts the man whom he believes to be not only Edward Thompson, but Martin Stopes, the unknown gentleman of the supposedly Wood murder, and Charles Wood himself. In explanation Lane points out that it was obvious the cork of poisoned needles which caused Longstreet's death was handled by someone wearing gloves — in mid-Summer — who could discard them without arousing suspicion — the con-

ductor.

"As a conductor he had two other advantages. First, his coat contained leather-lined pockets, afforded absolute safety to himself while keeping the weapon ready to use. Second, he was certain of an opportunity to drop the weapon into his victim's pocket, since everyone must, in cars of the Crosstown type, pass by the conductor. Unfortunately, I did not know Wood was the author of that anonymous letter, and by the time we discovered it was too late to prevent the second tragedy. But when I saw that Wood had written that letter, it could only mean he was giving the police a false trail. But there was something wrong here. Wood himself was murdered."

Lane sighed and stretched his legs. "You will recall, inspector, that I took the inexcusable liberty of impersonating you when I went to Wood's rooming house in Weehawken. My purpose was to pursue lines of inquiry unhampered by the necessity of explanation. I did not know definitely for what to look. The bankbook was Wood's crowning touch. He actually forfeited what

must have been to him a valuable possession, merely to lead color in illusion he was creating! When I visited the personnel manager of the street car company, still on the trail of I knew not what, I became aware of an intriguing fact. An autopsy on the man identified Wood mentioned a two-year-old pederitis scar, yet I discovered Wood had worked every trolley day for five years without interruption."

Lane's voice throbbed: "All the elements of the second murder rearranged themselves. I literally had killed two birds with one stone. The body supposed to be his had a peculiar scar on the side of one leg, and red hair; other features being so mauled and smashed as to be useless for identification. We knew that Wood had red hair, and, from Motorman Guinness, an identical scar. Yet the body was not his! Wood's scar then must have been false — and false for at least five years, since he showed the scar to Guinness immediately after going to work for the car company. This meant the plan for the ferry-boat crime must have been of at least five years' duration. But since the result of the Longstreet murder, then that also must have been planned five years or more before. Another conclusion: Since Wood was seen boarding the ferry and was not killed, he must have slipped on the boat before Thumm gave instructions to hold everyone or . . ."

Richard School N-E-W-S

Each year the children in the Richard school district who are five years of age before Nov. 1, are given an opportunity to visit the kindergarten room for two mornings before they are actually enrolled. During the week of May 18 through 22 all the children who are entering the kindergarten next Fall may visit the present class any morning from 8:45 a.m. to 11:30 a.m. An appointment should be made through the Richard school office previous to the day of visitation.

There are many advantages gained by both the child and the teacher if each child is allowed to visit his room before he actually begins his school term. The child learns the kindergarten routine, the type of materials he is to use and activities that are carried on in the room. This gives him a feeling of security when he begins school as he knows the teacher, the room and some of the other children.

The Richard school children are contributing to the Grosse Pointe public school art exhibit which will open April 29 at Alger House. The exhibit will be arranged in the exhibit rooms on the second floor. The people of Grosse Pointe will be interested in seeing the wide variety of creative work done in our schools. The purpose of the exhibit is to show the creative ability of children, the variety of media and the type of work done in our public schools. We hope all will avail themselves of this opportunity to become better acquainted with one phase of our school program.

Mason School N-E-W-S

Transportation has taken on a new meaning during the last few weeks in the minds of the 2A's in Miss Stofor's room. They were very interested in discovering that men have always wanted to fly and tried to do so by tying eagle feathers to their arms. Transportation from that day until now the children have found most interesting.

The mural they made shows modern ways of travel from trailers to large transport planes.

The girls and boys in Mrs. Crockett's, Miss Clemens' and Mr. Hourihan's fourth grades at Mason school are very interested in the new addition to the school. The children have been busy writing business letters to the 25 companies which are supplying materials for the new building. In their letters the children have asked questions about the construction which have puzzled them. All of the companies have been very prompt in sending interesting replies. Last Friday afternoon Mr. Hammil of the Hammil Electric company in Detroit, visited the school and told some of the children about the electric wiring. A number of the children stayed after school to ask Mr. Hammil questions about the electric lighting in the new building.

The regular meeting of the PTA of the Mason school will be held Tuesday evening, April 28, in the auditorium of the school.

A "science fair" in which some of the science work of the year will be exhibited and pupils will discuss and demonstrate some of the work, will be held in the auditorium from 7:45 to 8:45. Our science books and equipment will also be exhibited.

Art Exhibit To Open at Alger

An all-school art exhibit will be held at the Alger museum starting April 29 and continuing until May 9. The exhibit will consist of the various types of art work that are being done in the Grosse Pointe public schools. The exhibit will be held in the five upstairs galleries of the Alger House. All grades from the kindergarten through the 12th will be represented. Mr. Barnes of the Grosse Pointe board of education and Doctor Lee of the museum will direct the art teachers of all the schools in arranging the exhibit.

Alger Post, VFW N-E-W-S

By NORVIN WYATT

Outside of mentioning that the "Look Me in the Eye" as staged by the members of Alger Post and its auxiliary at the Pierce school April 9 and 10, was a complete and enjoyable success, there isn't much more we can say — right now. Maybe it is due to a slab of sponge birthday cake (Miss Louise Williams's on April 10), a thermos bottle loaded with liquid dynamite we ran into back stage, or the campaigning for the post election that was held on Monday, April 13. Anyhow, the whole weekend could be titled "Lost — In the Fog." It is forgotten. There will be more on the show later on. It is to be presented again in the near future.

The election being over, Alger Post has settled once more to the grim business of the year ahead, the part our membership is taking in civilian defense. Past Commander R. J. Reichling, Sr., has put aside his gavel, winding up a long record of post activity for which we thank him and of which he may be justly proud. Comrade Roy (The Duke) Bascureau is to take over the reins as he climbs into the driver's seat as our next commander.

Endrus Wynne, the former entertainment chairman, will be the new junior vice commander. And Bill Christie is starting, as junior vice, the ladder to that top position may post so few of us, according to the passing of time and number of occupants, can ever hope to reach. Comrade Fleming, who has been Bill's assistant, will take the quartermaster's station. We are to follow on the Sky Pilot's

The Wildcats are becoming quite plentiful as time wears on. They are that group of about a dozen men out there who served in the last war, are registered for this one and are waiting to be called again. Some of them have sons who are now stationed at the farflung outposts of the world. Most of these kids are

330th Field Artillery N-E-W-S

A meeting was held April 15 in the veterans building to elect officers of our new post. A wonderful turnout of the former members of the 330th field artillery responded. We also were notified that we had been recognized as a post of the VFW. Our post number is 3775.

The next meeting will be held Friday, May 1, at 8 p.m., at the Veterans building, Jefferson and Hastings avenues. We hope to enroll 100 members during 1942.

Newly elected officers are: Harvey Hohelfeldt, commander; Thomas Gill, senior vice-commander; Irwin Vollbrecht, junior vice-commander; Delbert Smith, chaplain; Andrew Nelson, judge advocate; Ralph Heffernan, quartermaster; and trustees, Angus Murray, William Bauder and Elmon Fitzpatrick.

Delegates elected to the Wayne county council are Thomas Gill and Irwin Vollbrecht with Ralph Heffernan and B. Hoffner serving as alternates. Officers appointed by the commander are: B. Hoffner, adjutant; Angus Murray, officer-of-the-day; James Gillespie, guard; and Roy Draw, sergeant-at-arms.

former members of the Alger post drum and bugle corps and, one of them, Corporal DeGraves, on furlough from Camp Wood, is one of the finest looking soldiers we have ever seen.

April marks the eleventh anniversary of the founding of Alger post. As usual, there will be the regular dinner, in the next week or so, stag. We are also looking forward to the installation of the new officers — soon. Meanwhile, with Past Commander Kane and your scribe swamped with an assignment for the M. O. 'Evening of Plays' Planned for Tonight At High School

Two of the plays to be presented Thursday evening at Grosse Pointe high school in the auditorium are the Pointe Players' "Evening of Plays" will be student directed.

Betty Pratt, 12A, will direct "Joint Owners in Spain," a comedy about an old ladies' home. Rozanne Rupp, 12B, will direct "The Happy Journey," a portrait of an American mother by Thornton Wilder, the author of "Our Town," produced by the club in 1940.

The third play, "Sunday Costs Five Pesos," a Mexican comedy, which was recently presented in assembly, is being directed by Miss Elizabeth Hill, co-sponsor of Pointe Players.

The "Evening of Plays" is to be presented before an invitational audience of parents and friends of Pointe Players members.

The cast for "Joint Owners in Spain" was announced as follows: Shirley Sickle, Nancy Robertson, Marjorie Little and Elizabeth Klaver.

To be seen in "The Happy Journey" will be Ted Johnston, Bonnie Essert, John Jacobi, Francis Jillson, Sidney Efronson and Gloria Lumley.

bulletin, which may be secured free, by writing to the company, 120 Broadway, New York City.

The booklet covers nearly all vegetables and fruits with their proper fertilizers and time of applying. The Chilean nitrate comes from mines dotting a region of 400 miles long in Chile, once part of an ancient Inca empire. The ore, known as caliche, contains not only soda but 14 other lesser elements as well, which may supply a missing mineral needed in the soil in small quantity.

Wayne County Soils — Wayne county has two very different soils, the dividing line running kilticorner across the county, dividing it almost equally, southwest corner to northeast corner. The southeast half, mostly Detroit, is of lake-laid silts and clays of the Wisconsin glacial age. Commonly free from gravel. They are named Toledo-Vergennes soils. This is the same type that spreads deeply around Saginaw Bay country. The northwestern half is named Plainfield-Coloma soils and are droughty and sandy. This is very sandy glacial drift, with the dominant mineral throughout being quartz. Much of it has been shifted by water and wind. The drier areas are very valuable for tree fruits, small fruits, grapes and vegetables with the addition of commercial fertilizers. Bog sections are used in places for onion, potatoes, celery, mint and other special crops.

Lettuce — The following information on lettuce should be clipped and filed if you ever expect to grow any.

Lactuca sativa is the species grown as a vegetable. There are four varieties used: "var. asparagina" or asparagus lettuce, in which the thickened stem is used for food. A variety now coming into greater use. Eaten like asparagus.

"Var. capitata," or head lettuce, to be planted May 1 to May 15. Iceberg is a good shipping kind but the average householder will appreciate the loose heading or butter head type — Simpson or White Boston, far superior in flavor to Iceberg. May King, Salamander, and Mignonette are also good varieties.

"Var. Crispa," or loose leaf lettuce. Plant April 15 to May 1. A bed of lettuce sown in September in a sheltered spot, with further protection as cold increases supplies lettuce very late. Loose types are Grand Rapids, Prize Head, Black-Seeded Simpson.

"Var. longifolia," Cos or Romaine lettuces, long upright rolls of foliage tending to blanch inside.

Lettuce soon runs to seed, should be planted in small quantities weekly. Soil should be fertile, well drained, and sweet. Grow quickly to preserve crispness. Cut crop in morning before sun hits it. All very hardy lettuce will benefit by side fertilization of nitrogen. Use one pound of nitrate of soda or a half bushel of poultry manure to each 100 feet of row space. Usually followed by a succession crop of cabbages, celery, late beets or snap beans. Sometimes grown as a companion crop with early cabbages, cauliflowers or other long season crops. This is invaluable information, a compilation of a file, carefully added to over several years from many sources.

school and be assigned to duties at the high school. When it became generally known that Doctor Brownell was seeking Kerby's removal, scores of residents rallied to aid Kerby's cause.

Six youngsters were anxiously awaiting the day of the Grosse Pointe district spelling finals in which they were to participate. The spellers were: Mircea Radu Siat, of Cadioux school; Barbara Johnson, of Kerby school; Olga Grulzitz, of Mason school; Susan Adams, of Gabriel Richard school, and Betty O'Brien, of the junior high school.

G. P. Grads Set Scholastic Record In College Work

First semester freshmen marks of 93 students who were recommended to college last Fall indicate that Grosse Pointe high school graduates are achieving marked success in their college work.

These students are attending 34 different colleges scattered from coast to coast and from north to south.

Their marks represent 1,397 hours. Of all the marks given them 14.5 per cent were A's; 33.9 per cent were B's; 37.4 per cent were C's; 10.8 per cent were D's; and only 3.4 per cent were E's.

"Think of it!" exclaimed W. R. Cleminson, principal, in commenting upon the report. "That means that 48.4 per cent of the marks were A's and B's and only 14.2 per cent were below C!"

The honor point average made by these Grosse Pointe freshmen last semester was 1.453. This is the highest honor point average achieved by Grosse Pointe freshmen in college since 1937 when the honor point average was 1.469.

First semester average grades of the following people were exceptionally high:

Lucile Barnes, David Barton, Dale F. Buerstetta, Jean Campbell, Barbara Craig, Tom Coulter, Ana Eldridge, William Emory, Barbara Ferry, Betty Jane Harris, June Harris, Kathryn Kolowich, Richard Lotz, Jerry McCray, Cleland Nelson, Francis Nutt, Betty Parsons, Janet Paschall, Virginia Shoemaker, Ralph Strem, Barbara Swain, Betty Jane Tomb and Anita Uvick.

COAST GUARD OFFICIALS TO ISSUE BOAT CARDS NEXT THURSDAY

Representatives of the United States coast guard will be on hand Thursday, April 30, from 7:30 to 10 p.m. at the offices of the City of Grosse Pointe, 17150 Maumee avenue, to issue identification cards to residents of the city who are properly qualified.

Small boat owners and operators, including persons fishing from boats, are required to have such identification cards.

Due to the need for such cards by crew members on Great Lakes vessels in shipping, the coast guard recently announced that until further notice cards would not be issued to small craft owners, fishermen and operators of small pleasure craft.

Through the efforts of Norbert Neff, city clerk, arrangements were made for coast guard officials to spend an evening at the city offices to issue these cards for the convenience of the local residents.

The necessary application blanks for such cards may be secured from the clerk or from Thomas Trombly, chief of police, upon presentation of satisfactory evidence of citizenship, certificate of birth and other necessary qualifications. The appli-

enrolled will be admitted.

Victory Gardens in Grosse Pointe Park have now been established on the East side of Harcourt between Jefferson and Essex. The plots will be ready for planting by May 1. Space has been marked out for 23 plots, and, to date, about a dozen gardeners have applied for garden plots. Others desiring to plant Victory Gardens in Grosse Pointe Park should call William Stamman, village clerk, at Lenox 6200.

Registrations are now being accepted for a series of six new classes being offered here by the American Red Cross, according to an announcement made this week by Mrs. Harry Kerr, chairman of Red Cross activities for this area.

Registrations for these classes will be taken until May 8 at the Grosse Pointe station of the American Red Cross, 337 Fisher road, Tuxedo 2-7980. The classes will begin May 12. Classes offered include: On Mondays, a class in the production of surgical dressings; Tuesdays, a morning class in first aid and an afternoon class in nutrition; Wednesdays, production of surgical dressings; Thursdays, home nursing; and Fridays, production of surgical dressings. Yarn for defense knitting is distributed daily from 9 a.m. to 4 p.m. at

On the Home Front

Clarification of the regulations pertaining to classes for air raid wardens was made in a statement made by William Gillett. Air raid wardens are required to attend two series of lectures, one for warden training and one for first aid (a 10-hour, non-certificate course.) Many classes are already in progress, but in case you have not been assigned to a class, don't worry, Gillett said. Many more classes are being formed and all wardens will be assigned to one of them. Some unfortunate confusion has been caused by some of the wardens attending classes without having been assigned to them, causing overcrowding in some class rooms. In the future it will be the duty of the zone wardens to assign post wardens to the new classes as they are formed. The zone warden will transmit the names of the post warden to William Gillett for enrollment in classes and only those

SHOW COLORED FILM

A showing of the colored motion picture, "An All-American Tour," proved the highlight of the evening last Sunday when Mr. and Mrs. W. S. Baston and Mr. and Mrs. A. Kennedy.

A note on the passing of hosiery: In January of this year only 140,577 dozen pairs of full-fashioned hosiery out of a total of 3,072,019 manufactured were made of silk. Rayon and cotton are replacing nylon in women's hose as nylon replaces silk as material for parachutes.
