

POINTE PARAGRAPHS

By MARTHA SAGER
One of the most annoying things in a column has encountered in her readings around the Pointe has been the many street signs which are listed out of position and as a result indicate the street incorrectly. While this is no work of prankish youngsters it is at the same time a reflection on the good name of the Pointe. Certainly to newcomers and visitors here the confusion resulting from the inaccurate labelling of street names can create little cordiality toward us. And, too, Grosse Pointe is showing very little friendship toward visitors by allowing this condition to continue. That this has been a source of irritation to others as well as to ourselves we know from comments about it from out-of-state and out-of-town strangers to the Pointe as well as from Detroiters unfamiliar with Grosse Pointe streets. In a spirit of helpfulness, Pointe Paragraphs would suggest that the local highway department be instructed to reset the signs to face in their proper direction. We also suggest that local residents who see youngsters removing these signs notify their respective police departments who can pick up the culprits and lecture them on the duties of good citizens.

The second week in May carries special significance to the girls living in the Grosse Pointe Park municipal building; for, for three of them it means the marking of another birthday. For the last several years, therefore, the three have celebrated the occasion at a joint birthday party. Clarice VerLinden, of the Grosse Pointe Park office, whose birthday is May 8; Janet Deane, of the same office, whose birthday is May 9, and Lucille Brown, of the Grosse Pointe township office, whose birthday is May 10, rotate as hostesses for the party. This year, however, the celebration was widened and the girls used the party as the occasion for a personal shower for another colleague, Victoria Kirk, an employee of draft board 57. "Vicky" will become the bride of Capt. Robert Carruthers, of the Michigan State guard, on May 15.

P.S.—Yes, we know their ages, that it was revealed strictly as "not for publication." We bow to professional ethics.
...
That was the chant of the janitor of Gabriel Richard school last week after the discovery by him of 72 pounds of confectioner's sugar — three bags of 24 pounds each — in the shrubbery alongside the school on Wednesday morning.
Charence J. Messner, principal, in describing what he jokingly termed "The Tale of the Hot Sugar," said: "I think it might have fallen off a truck, but most people seem to think that someone with a guilty conscience, who didn't want to declare that much sugar, dumped it there.
We still have it up in the attic and apparently will have to get a permit from the rationing board to get rid of it.
The Grosse Pointe Farms police don't want it. They suggested we give it to the high school for use in the cafeteria. The principal of the high school refused to take it unless we got an order from the rationing board.
So I guess we're stuck with it."
Are the Farms police, Pointe Paragraphs puzzles, faced with the prospect of "Cherchez la femme?" — or should we call her—"Sugar?"

Yes, sir. Yes, sir. Three bags of sugar.

FLAMING CAR IS FUNERAL PYRE

The car shown on the left became the funeral pyre for Mrs. Florence Ortwine yesterday noon when her car overturned and burst into flames following a collision at Cadieux road and St. Paul. Frantic attempts to save her from the burning car by Kenneth Kelly, driver of the other car involved in the accident (shown on the right) were unsuccessful. An investigation into the cause of the crash was ordered by the Wayne county prosecutor's office. — Review Staff Photographer

Farms Board Votes To Remove Car Tracks For Defense Salvage

After almost a month of experimentation, the Grosse Pointe Farms village board at a special meeting last night voted unanimously to remove, for defense salvage purposes, the almost 48,000 feet of street car track now lying in the streets of that village.
The tracks, lying in four strips of approximately 12,000 feet each, and extending along Grosse Pointe boulevard from Fisher road to Prospect road, will realize an estimated 700 tons of scrap steel, according to Murray Smith, village engineer.
The steel salvaged by removing the tracks has been allocated by the

City of Grosse Pointe Is First to Adopt A Blackout Ordinance

The City of Grosse Pointe became the first Pointe municipality to adopt a blackout ordinance Monday night when the city council approved an ordinance based on that of the city of Detroit.
While basically that of Detroit, the City of Grosse Pointe ordinance carries a few minor changes adapted to the conditions here. The power of disposing of "incidents" that arise during blackouts is given to the public safety commission in Detroit, for example, while the Pointe ordinance grants that power to the mayor.
Approved at Monday night's meeting of the council also:
Referred to the city attorney, Albert E. Medetr, for his study and recommendation the proposed traffic safety ordinance drawn up by the Grosse Pointe safety commission as a uniform traffic program for the five Pointe municipalities.
Approved the audit for the fiscal year 1941-42 as presented by Neil Blondell, audit director.
Referred to Hugh J. Ferry, commissioner of public safety, the recommendation of Police Chief Trombly that the penalty under the dog ordinance be made more severe. A fine of one dollar is imposed under the present ordinance. The chief argued that the fine is too small and does not impress the importance of the ordinance on violators. He recommended that a larger fine be charged.
Officers Defense Equipment
Referred to George Elworthy, co-ordinator of civilian defense, and Murray Smith, head of the department of public works in the defense program, the offer of Maurice Claerout, local contractor, of the use of his equipment for demolition and reconstruction work in case of an air attack.

Add Hourly Bus Service During Day For Woods' Riders

Hourly bus service during the day for residents of Grosse Pointe Woods will be inaugurated tomorrow morning, it has been announced by the Lake Shore Coach company.
The new service was instituted at the request of Alois A. Ghesquierre, village president, and Arnold Dressing, commissioner.
Twenty minute service has been extended until 7:20 p. m.
Under the new plan, the company will offer service every 20 minutes from 6:40 to 9 a. m. Hourly service will be provided from 9 a. m. to 4 p. m. and 20 minute service from 4 p. m. until 7:20 p. m.
The route extends south on Verrier to Marter, down Marter to Brys drive, thence to Mack avenue.
Mr. and Mrs. E. Lloyd Ecclestone will move from Buckingham road to their new home on Lincoln road Saturday.

Watson, Bailey Chosen for Park Board of Review

Appointment of William Watson and Roy Bailey as members of the Grosse Pointe Park board of review was approved Monday night by the city commission. The board will meet May 14 and 15 from 8 a. m. to 10 a. m.
Watson has served on the board for the past three years. He is a real estate dealer, is serving his first term on the board.

Rescue Attempt Fails To Save Woman Trapped In Blazing Car

Trapped in her blazing car which had overturned after an accident at Cadieux road and St. Paul at noon yesterday, Mrs. Florence Ortwine, 56, of 529 St. Clair avenue, City of Grosse Pointe, was burned to death before a rescue could be made.
Frantic efforts to extricate her from the flaming car by Kenneth Kelly, of 14151 Cedar Grove avenue, Detroit, 20-year-old driver of the other car, were unsuccessful. Kelly, seriously burned in his attempted rescue, kept up his efforts until he was forcibly pulled away from the flaming car by Thomas Pannecouk, 17, of 1464 East Harry avenue, Hazel Park, a passenger in the car which Kelly was driving.
Kelly, whose clothing had caught on fire was taken to Cottage hospital where physicians reported that he was in a serious condition from second degree burns on his face, legs and arms.
Pannecouk told police that Kelly was driving north on Cadieux road. He came to a stop at St. Paul ave-

Graul Replaces Gnich on Park Civil Service Commission

The resignation of Arthur H. Gnich as a member of the civil service commission for the fire department was accepted by the Grosse Pointe Park village commission Monday night.
Carl Graul, 1030 Kensington road, was appointed to serve out the remaining three years of Gnich's term. Graul is employed as a negotiator for the Wayne county road commission.
At Monday night's meeting the village commission also:
Approved the pay adjustment plan for village employes whereby quarterly bonuses will be paid based on the increase in the cost of living.
Awarded to the Grosse Pointe Bank the contract for the issuance of \$125,000 in village tax anticipation notes for conduct of village affairs in anticipation of July tax collections. The notes will be in denominations of \$25,000 with an interest rate of one-half of one per cent. They will mature August 15 and Sept. 15, 1942.
Approved a budget of \$674,172.86 for 1942-43, of which \$513,035.71 is expected to be raised by village taxes.
Officially approved the appointment of F. L. Streed as village manager to succeed Byron Rockwood whose resignation became effective April 1. Streed is expected to assume his duties Monday, May 18.
Heard and agreed to investigate the protests of a citizen in the audience that village rubbish collectors have been burning debris on village streets and leaving tin cans and other non-inflammable rubbish scattered on the streets.
Voted to pay the equivalent of a month's wages to each village employe drafted or enlisted for military service.

Beware of Bogus Air Raid Wardens

Grosse Pointers were warned this week against giving out information over the telephone to persons calling and representing themselves as air raid wardens. One Grosse Pointe Park housewife reported that a man representing himself as an air raid warden called her home and asked what times the family would be away and other similar information. A checkup by Detective Louwers disclosed that there is no warden by the name given on the official lists here.
George Elworthy, co-ordinator of civilian defense for this area, said that local wardens are gathering their information by personal interviews and not by telephone calls. All carry identification cards, bearing their picture, which have been issued by the Grosse Pointe police departments, and will show them on request.

Quantity Sugar Users Have Another Day For Registration

At the request of the Wayne County Rationing Board, one more day of registration for rationing books will be held Monday, May 18, in room 109 of Grosse Pointe high school. This registration will be confined to retail and industrial trade users only and is not for individual or family registrations, it was stressed by L. M. Bartlett, director of registration for this school district.
Monday's registration will be held from 9 a. m. to 5 p. m.
A total of 33,914 individuals registered during the four day registration period here last week, Bartlett reported, and war ration books were issued to 30,265.
Some 600 volunteer workers assisted the 250 teachers in the registration.

Home Rule Amendment To Be Aired In Public Debate Next Friday

Grosse Pointe citizens will be given the opportunity to hear both the pros and cons of the proposed Home Rule amendment for Wayne county at a town hall rally, Friday evening, May 22, at 8 o'clock at Pierce junior high school.
The rally, sponsored by the Grosse Pointe Park Citizens league, will present speakers both favoring and opposed to the proposed amendment. It is designed as an informative meeting to provide citizens here with an opportunity to learn what the amendment is about.
William Lovett, executive secretary of the Detroit Citizens league, will be principal speaker for those favoring the amendment. Chester P. Morse and other men who helped draft the amendment will accompany Lovett.
The speaker to explain the position of those opposing the amendment had not yet been selected as The Review went to press. It will probably be one of the local representatives on the county board of supervisors, all of whom have on record as opposing the amendment.

Farms Board Orders Air Raid Sirens

The Grosse Pointe Farms village board at a special meeting last night approved the purchase of two seven and one-half horsepower air raid sirens to be used in the village. This step makes the Farms the first of the Grosse Pointe municipalities to order purchase of a siren. It is expected that the sirens will be installed within the next three weeks.

Kiwanis to Hold Charter Night June 8

Monday, June 8, has been set as Charter Night for the newly organized Kiwanis club of Grosse Pointe Woods, it was announced this week by Farrel Weber, president. The meeting will probably be held at the Grosse Pointe Woods Memorial church. Membership in the organization is confined to residents of Grosse Pointe Woods, Grosse Pointe Shores and Gratiot township.

Ferris Stone Heads Charter Committee

Ferris Stone, an attorney with offices in the Penobscot building, Detroit, was named chairman of the charter committee for Grosse Pointe Park at the organizational meeting Tuesday night.

Children to Model At Camera Club

Children ranging in age from six months to 10 years will model at the Grosse Pointe Camera club on Tuesday evening, May 19. The club members will be allowed to use their individual ingenuity to photograph the young models in an effort to catch the various personalities of the subjects. The evening is in line with the program of the club to use group photographs to help the members and give them an opportunity to show their ability as a photographer of children.
Family group photographs taken by the club members will also be submitted at the meeting for judgment.

SOCIETY Scrolls bearing the names Louis and Pierre, given out to guests by Mrs. H. Murray Northrup at a tea in her home on Three Mile drive last Saturday afternoon, served as the informal announcement of the betrothal of Lois Evelyn Northrup to Lieut. Pierre Font, son of Dr. and Mrs. A. J. Font, of Lincoln road. Lieutenant Font is stationed at Fort Benning, Ga.

The birde-elect was graduated from Liggett school and will receive her degree from Albion college in June. Lieutenant Font attended Howe Military Academy and Johns Hopkins university.

Mary Elizabeth Powell, daughter of Mr. and Mrs. A. T. Powell, of McKinley road, became the bride of Robert J. Flemming at ceremonies Saturday, May 2, in St. Mary's church. The bridegroom is the son of Mr. and Mrs. Walter Flemming.

Of interest here is the announcement of the engagement of Jean Manwaring, daughter of Mr. and Mrs. H. S. Manwaring, of La Grange, Ill., formerly of Grosse Pointe, to Robert B. O'Hara, son of Mr. and Mrs. W. F. O'Hara, of Ann Arbor. Both are members of the senior class at the University of Michigan, where Miss Manwaring is a member of Gamma Phi Beta and Mr. O'Hara of Sigma Phi Epsilon.

Mr. and Mrs. Ben Holtzman, of Collingwood avenue, Detroit, announce the marriage of their daughter, Dorothy, to Pvt. Mitchell A. Markle, son of Dr. and Mrs. Louis Markle, of Nottingham road. The wedding took place April 26. The couple took a honeymoon trip to Chicago.

Mrs. Reiss Stenger and daughter Joan, have returned to their home in California after a visit with the former's parents, Mr. and Mrs. C. G. Thornburgh, of Yorkshire road.

Mrs. Albert Bradley entertained members of the Grosse Pointe branch of the Women's National Farm and Garden association Monday at a tea in her home on Lincoln road. Mrs. Philip Worcester served as co-hostess.

Members of the Grosse Pointe branch of the Women's National Farm and Garden association who attended the national convention in Atlantic City, April 28 to 30, were Mesdames Lynn McNaughton, Henry P. Williams and George Bailey.

Mr. and Mrs. Fintan L. Henk, of Grayton road, observed their twenty-fifth wedding anniversary last Saturday by taking a weekend trip, accompanied by their four children. The Henks visited Niagara Falls returning by way of Canada.

Mr. and Mrs. Wallace S. MacKenzie have returned to their home on Yorkshire road after spending two weeks at the Farmington Country Club in Charlottesville, Va.

Mr. and Mrs. James E. Trudell, of Meadow lane, are moving this week to Lincoln road.

Mrs. Irene Plasko, of Beaconsfield avenue, announces the engagement of her daughter, Marie Cathrine, to Robert T. Hogan, U. S. N., who is stationed at Norfolk, Va. Mr. Hogan is the son of Mr. and Mrs. Thomas P. Hogan, of Lakewood boulevard.

Mr. and Mrs. Roy Ouellette have moved from Grayton road to their new home on Audubon.

Mr. and Mrs. John S. Koerber, of Beaconsfield avenue, announce the birth of a daughter, Karen Ann, on April 19. Mrs. Koerber is the former Virginia Goun.

St. Ambrose Seniors Plan Farewell Stand The senior class of St. Ambrose high school will stage a Farewell Stand (with no standing allowed) at St. Ambrose hall, May 15, from 8:30 to 12. Dancing will be to the music of Alex Cokburn and his band, and proceeds will be turned over to the athletic fund.

The dance committee consists of the class officers: John Monaghan, president; Jerry Simowski, vice-president; Mary Jo Hergenroether, secretary; and Bill Damman, treasurer. Committee heads are Bruce Black, publicity; Jack Griffin and Dick Van Goethem, tickets; Bill Reilly, music; and Eddie Devine and Pat Swit, decorations.

Down In The Dog House

MIKE

Not content only to provide an air raid shelter for themselves alone, Mr. and Mrs. Tyler McNamara, 1049 Beaconsfield avenue, Grosse Pointe Park, constructed a shelter for another popular member of their family, Mike, the wire haired terrier. The shelter in the McNamara home shows a sample of how people here can use the materials and supplies at hand to provide a safe and comfortable shelter in case of air raids. Set up in one corner of their basement, the shelter contains chairs, a portable radio, a card table and other means of entertainment as well as the standard pile of sand, shovel, fire extinguisher and other defense equipment. As a protection against flying fragments of glass as well as a blackout precaution, the windows have been covered over with cardboard. Shown seated in the shelter are Mr. and Mrs. McNamara and their son, Tom. Safe in his shelter, too, is Mike. McNamara is air raid warden for his block.

Miss LeBoeuf Sets Wedding Date

Bernice Mary LeBoeuf has set Saturday, May 30, as the date for her marriage to Francis Louis Moeller Jr., son of Mr. and Mrs. F. L. Moeller, of Detroit. Miss LeBoeuf is the daughter of Mr. and Mrs. Armand LeBoeuf, of Fisher road.

The Rev. Vincent J. Harlan will officiate at the nuptial high mass at 9:30 o'clock in the morning at St. Paul's church, Grosse Pointe Farms.

Mrs. Kirk Achenbach, sister of the bride-elect, will serve as matron of honor. Mr. Moeller has chosen John Balog to act as best man.

Following a short trip to northern Michigan, the couple will be at home at 2001 Hunt Club drive, Grosse Pointe Woods.

Pierce Pageant Depicts Episodes In U. S. History

"I Hear America Singing" is the name of a patriotic pageant which pupils of the vocal music department of Pierce junior high school will present Friday evening, May 15, in the school auditorium. The program will begin at 8:15 p.m.

The pageant depicts historical periods in United States history with music appropriate to each period. Jean Martin will serve as reader throughout the program.

The pageant is divided into six episodes. The first is devoted to Indian songs with the following pupils taking part: Robert Cudlip, Anne Hoover, Donna Dahlen, Virginia Arnold, Margaret Gray, Shirley Jerome, Faith Sadowski, Rosemarie Johnson and June Frame. A special Indian dance will be presented by Frances Peck.

The second episode deals with the time of the Pilgrims and features Betty Jo Faulk, Jean Juall, Emily Kovacich and Robert Allard.

The third episode presents the Colonial period and is divided into two scenes. The scene of 76 will feature Ched Swenson, Richard Collins and Randall Zeeb, and the Founders and Patriots will feature Alan Neef and Joseph Kennedy.

A husking bee will be presented as typical of the frontier period, with parts being taken by Homer Cudia, Ken Cunningham, Bill Chapman, Margaret Gray, John Watson and Mary Ella Andrus.

Sons of the south will feature 13 students: Bill Keese, Mary Lou Ewing, Jack Williams, Marte Baro, Alan Chambers, Don Norton, Pat Peter, Barbara Gallarno, Emily Kovacich, Barbara Ogden, Betty Winston, Joan Crowley and Jane Baldwin.

Round-up Camp at Night is the topic of the final episode in which cowboy songs will be featured. Students taking part will be: Eric Frewald, Ray Gordon, Ken Cunningham, Bill Mitchell, Bill Chapman, Ray Rochelle, Jim Moran and David Sutter.

Metals which ordinarily will not mix are readily emulsified by sound vibrations, producing "impossible" alloys.

Steel Scrap Sought In Salvage Drive

A drive to salvage scrap metal and rubber in Grosse Pointe is being organized this week by Mrs. John S. Sweeney, Jr., under the sponsorship of the local American Women's Victory Service organization.

The work is being done under the direction of Edwin J. Anderson, chairman of the Wayne county salvage committee.

Assisting Mrs. Sweeney are Mrs. William Reeve Clark and Mrs. Edward Murphy. About 25 more women will be called upon to aid in the drive.

Old rubber toys or balls, old hot water bottles, broken rubber bands and buttons, old garden tools and household tools, pots and pans, etc., will be collected in the salvage campaign.

"The average resident has between 75 and 100 pounds of scrap steel around his home," Mrs. Sweeney said. "One hundred pounds of steel scrap will produce 86 steel fighting helmets, one 50-calibre machine gun or one six-inch navy shell."

VICTORY GARDENS Michigan Council of Defense

By V. R. DEPETRIS Americans this year are planting gardens to help their country in the war emergency and to maintain morale at home.

The planting of gardens at this time will help the war effort on the home front by making available valuable health giving food from idle land. Moreover, the labor needed in cultivating Victory Gardens might have remained unharnessed and therefore unproductive were this program not undertaken.

Victory Gardens will not only make more food available to the country, but they will bring us health giving vegetables teeming with the necessary vitamins to keep us healthy and sound. In the last war, food was a vital factor in bringing victory to the allies. In the present war, food again will prove decisive. As a nation, we must remain strong and healthy so that we may at all times be in prime condition to either work or fight.

These are but a few impelling reasons for Victory Gardens. We need not consider more.

This column will attempt to help many of our amateur gardeners with their gardening problems. If the reader is interested in gardens, he may proceed with a small plot on his own property or he may obtain one of these gardens by applying to his municipality. All that will be needed is the small fee of one dollar and the will and determination to devote a little time in healthful work to produce both vegetables and flowers.

Your Victory Garden committee does not advise the plowing of valuable lawns for this purpose especially when fertile idle land is available for cultivation. Nor do we advise vegetables exclusively. Flowers can

St. Matthew's Women Plan Annual Banquet

Chicken pie and all the trimmings was served at the monthly luncheon and card party given by the St. Matthews Women's club, on Tuesday, May 12, in the hall, Harper and Buckingham roads. The past presidents of the club planned the party. Mrs. Ben Ming, was chairman and Mesdames J. B. Cunningham, Leo Easterman, Norbert Hoffman, George Herbert, William Mader, John Quirk and F. Saile served as co-chairmen.

The annual banquet will be held at the Whittier on May 21. Mrs. Paul F. McNally, is in charge of entertainment. For reservations call Mrs. William Mader, Pingree 6195.

REFUGEE TO SPEAK

"Midsummer Nightmare," by Miss Jean McGinness, will be the subject of an address to be given Monday evening, May 18, at Pierce PTA meeting.

Miss McGinness had been living in Europe four years and was studying music in Paris when the war broke out.

In her address she will tell of the Nazis' invasion of Paris and her flight with 15 fellow refugees. The 84 mothers will be hostesses for the evening.

Firm the soil firmly after sowing and then water thoroughly. The time for germination will depend upon the variety and the temperature. In transplanting, one of the most important things to remember is not to plant too deep. Plants should be planted at approximately the same depth which they grow. Buy short sturdy plants which have not been grown in excessively warm temperatures. If you should have spindly plants do not set these any deeper but secure them to stakes instead. Next week, we will consider the best varieties and assortment of vegetables for the Victory Garden.

A Private Wire to God

"I must say," stated Bill, "that I do not like this Catholic idea of confessing one's sins to a mere man — perhaps a bad man for all you know."
"I must say," I replied "that I don't like even the thought of a priest, who has consecrated his life to God and His works, being a bad man. O the stores of priests I have known each has been to me a marvel of goodness, kindness and sanctity."
"But," I went on, "for the sake of argument, we'll mentally create the worst man you can think of, and make him a priest. Then we come to the thought that is bothering you: 'How can so bad a man do so goodly an act as forgiving sins?' My answer is this similitude:
"A young man quarrels with his fiancée and breaks the engagement. Later he realizes his fault and his loss. In great distress he telephones the young lady, confesses his guilt, and asks for her forgiveness and the return of her love. To his great joy back over the wire comes the sweetest of all voices forgiving him and agreeing to take him back to her heart again.
"Now, what would that happy young man think if some skeptic were to tell him that it was impossible for so sweet and sacred a message to come via a mere piece of copper wire, perhaps somewhere along the line, filthy with soot and dirt?
"Although the Catholic priest has the Christ-given power to forgive sins, he is also like our private wire to God. We need not consider whether he, as a man, is sinful or unworthy. If we think of him at all, it is as an instrument through which comes to us, who are truly penitent, God's own merciful forgiveness just as surely as comes the human voice over the telephone wire.
"Thus from the time when Christ empowered His first priests to forgive sins by the words, 'Whose sins you shall forgive, they are forgiven them; and whose sins you shall retain, they are retained,' up to this day and hour, the Catholic has in the priesthood his private wire to God for the confessing of his sins and for the receiving of divine forgiveness and favor.

Neighborhood Club N-E-W-S
Victory Community Sing —
On Friday evening, May 22, at 7:30 p.m. the Neighborhood club is sponsoring a community sing under the direction of Miss Mildred Knags. Special invitations are extended to families who like to sing — so mothers, dads, brothers, sisters, don't forget Friday night, May 22, 7:30 p.m. Along with singing there will be a program put on by the girls tap classes and some singing by the boys.
Girls' Play Day —
A special day has been set aside at the Neighborhood club for all girls in the community aged eight to 14 on Saturday, June 6. Special contests and games are scheduled for the morning program. Everyone is to bring their own lunch and after lunch there will be a special program put on by the tiny tots ballet and tap classes, after which more games will be played. Be sure to wear your gym shoes and shorts and don't forget to save the Saturday of June 6 for a day of real sport and fun.
Strike Two! Harry!
The game is nearing completion, and the last of the ninth is coming up — well, that's the situation in

Summer School Session to Open on Monday, June 22nd

The Summer school session of the Grosse Pointe public school system will open this year on June 22 at the Grosse Pointe high school and a large enrollment is expected because of the wider variety of courses which will be offered.

In the past, courses in the fields of mathematics, history, English, commerce, music, and language have been taught. This Summer, an attempt has been made to build this up considerably by offering courses in industrial arts, fine arts, home economics, and science. Realizing that many people will probably remain in Grosse Pointe this Summer, courses have been added to try to make it possible for students to have something to do. Naturally with a larger offering, Summer school becomes more attractive to students.

There is one feature about this Summer's work that has not been in evidence previously. In the fields of fine arts, industrial arts, and home economics, courses will be taught on a non-credit basis so that students may come in and work on any type of thing they desire. The facilities of the school and teaching supervision will be at their disposal. They will not have to do anything except that which they desire. For instance, a student might come over and elect to take a course in shop. He might want to make a table, a bookshelf, or some similar article. This could be done just as he saw fit and when completed he could

Red Cross Knitting Group —
All contributions of yarn will be most welcome as the knitting group is now putting its third sphagnum together. This yarn can be left at the Neighborhood club, 17145 Waterloo Avenue. Won't you see if you have some scraps of yarn?

Sewing Class —
The ladies in the sewing class are doing a splendid piece of work on kits for air raid wardens. The ladies in the group consist of:
Mesdames Donald Corey, R. A. Fox, J. G. Watson, R. H. Hoff, W. Rice and Tom Anderson.
There will be a meeting of managers of playground ball teams interested in entering Neighborhood club league on Wednesday evening, May 20, at 8 p.m.

Letters to the Editor

Dear Sir:
I would like to commend the Village of Grosse Pointe Woods and the commissioners in particular for procuring a more convenient bus service to tap that central section between Mack and Jefferson.
I venture to say, certain prejudicial interests to the contrary, that as the rubber shortage becomes more acute and the knowledge of this service becomes more widespread, it will be even more convenient and necessary.
But, why not have the service throughout the day so this convenience will be available to the housewives and men who work other than the so called normal hours? Especially, it seems somewhat silly to stop the last two trips around the loop, when all the other trips during the business hours make it.
This trial has been given very little publicity and I find very few know about it and if they do the times are a complete mystery to them.

Very truly yours,
F. LeRoy Weed.

CHRISTIAN SCIENCE CHURCHES
"Mortals and Immortals" will be the subject of the lesson-sermon in all Christian Science churches throughout the world on Sunday, May 17.

either stop the course or make something else that he would like. A girl might come in for a course in home economics — she might want to make a dress or a coat under the same circumstances as the boy in industrial arts. As far as that goes, there may be some girls who would like to learn some mechanical drawing or do some work in the shop. There is no limit in this respect. Arts and crafts will be open to both boys and girls with regular courses and elective projects available. Students should look into the Summer school offerings very carefully. There is something there for you.

The golden text (Romans 8:5) is: "They that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit."
Among the Bible citations in this passage (Job 14: 1, 2): "Man that is born of a woman, is of few days, and full of trouble. He cometh forth like a flower, and is cut down; he fleeth also as a shadow, and continueth not."
Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 190): "Human birth, growth, maturity, and decay are as the grass springing from the soil with beautiful green blades, afterwards to wither and return to its native nothingness. This mortal seeming is temporal; it never merges into immortal being, but finally disappears, and immortal man, spiritual and eternal, is found to be the real man."

The University of North Carolina was the first state university to open its doors, in 1775, but a month passed before the first student appeared. He was Hinton James, who walked 170 miles from Wilmington.

Specialty Artists Feature Stevadora's Anniversary Show

The Club Stevadora's anniversary week revue is really a corker headed by Good and Goody, the craziest guys in town.
 The show is packed full of laughs, songs and novelty, highlighted by the exceptionally fine trumpet playing of Joe Banket who brought his band into the spot this week.
 Esther DeRoy has taken particular care of this week's chorus work and the result is an exceptionally fine picture of pretty girls that runs throughout the show, notably the South American dance medley.
 Billy Joy with his "Saires on the Weaker Sex" gives Good and Goody plenty of competition in the laugh department.
 Renee Melva, petite musical charmer, performs on the xylophone and also a freak musical instrument of her own invention.
 Bob Hopkins again presents his Hollywood impressions and Ethel, the Shepherd Kid, does the hit parade vocally in such a way she ends up on your hit parade.
 In fact, the boss, Eddy Shepherd, has shaken off his lethargy as a performer and comes up with a new topical comedy number and sometimes a dance thrown in for good measure. You can't depend on the dance, though, as he is getting old and is having a tough time with his wind.

Letters to the Editor

Dear Sir:
 Having read of the unsigned letter complaining of my roses in front of 18562 Washtenaw, I wish to reply. I believe the unsigned letter said seven or several neighbors were complaining, now there are only 10 occupied homes in the block, and having spoken to eight of them I find they are unanimous, that the roses are not hazardous but a beautiful thing when in bloom, but then there are individuals who can't even see beauty in a rainbow.
 I would like to thank the board at this time for the intelligent manner in which they disposed of said unsigned letter, and may I suggest that all complaining letters be signed.
 It maybe takes a little nerve to sign such letters—but here's mine.
ERIC E. NEWMAN.

Dr. Robert T. Tapert Dies at Age 64 Monday

Funeral services for Dr. Robert T. Tapert, 6686 Middlesex road, were held Monday afternoon at the Verheyden Funeral Home, Mack avenue at Outer Drive. Doctor Tapert had been chief of staff at Deaconess hospital since 1918.
 The deceased died Friday, May 7 at the age of 64. Burial was in Elmwood cemetery.
 Born in Detroit Oct. 1, 1877, Doctor Tapert was the son of the late Herman E. and Catherine Shoemaker Heck Tapert. He was graduated from the Detroit College of Medicine in 1901 and the following year served as city physician. In 1903, he became assistant surgeon for the Detroit police department.
 A specialist in surgery the doctor served as attending surgeon at Providence hospital as early as 1902 and had served as pension examiner for the first congressional district since 1908. In 1922 Doctor Tapert went abroad to carry out advanced study in surgery in Berlin and Vienna.
 In 1917 Doctor Tapert married Katherine MacAnley of Ripley, Ont., who survives.
 Doctor Tapert was a member of the Wayne county, Michigan state and American Medical associations. He was a member of the Harmony society, Isaac Walton league, the Detroit Board of Commerce and Nu Sigma Nu medical fraternity.

 The controversy over the proposed reassessment of property in Grosse Pointe Farms was in full swing when Francis Beaupre, assessor, announced that after a careful study he found the existing assessments inequitable and advised that the 1940 township assessment be used for the 1941 village assessments. The change was vigorously protested by the Grosse Pointe Farms Property Owners Association... Evidence collected by Grosse Pointe Park police in a surprise raid brought a verdict of guilty on a charge of gambling against Clyde Stambaugh, also a prominent defendant in the grand jury graft trial, by a jury in the court of Judge Vincent M. Brennan. Samuel Lyons, another defendant on the gambling charge, was acquitted by the jury. The evidence was seized in a raid on the Ideal Paint and Supply Company, following several weeks of observation by Grosse Pointe Park police. Quantities of gambling paraphernalia and evidence of horse racing bets were seized, according to testimony.

An Ordinance

Providing for Blackouts and Air Raid Protection Regulations Affecting the Conduct of Persons, Firms and Corporations During Blackouts and Air Raids; authorizing the Mayor to Make Certain Rules and Regulations Involving the Public Peace, Health and Safety; Defining Offenses and Prescribing Penalties.

THE CITY OF GROSSE POINTE ORDAINS:
 Section 1. BLACKOUTS.
 In order to protect life and property in the City of Grosse Pointe, the Mayor is hereby authorized and directed to carry out blackout and air raid protection measures at such times and for such periods as are authorized or ordered by the Army or Navy. This authorization and power shall extend to practice blackouts and air raid drills for such periods as the Mayor shall deem appropriate or necessary, but subject always to the order and direction of the Army or Navy.
 Sec. 2. BLACKOUT AND AIR RAID WARNING.
 Warnings of the beginning and termination of blackout and raid periods shall be given throughout the City by audible signals to be adopted and published by the Mayor.
 Sec. 3. LIGHTS AND ILLUMINATIONS DURING BLACKOUTS.
 From the time the official air raid signal is given, continuously until the all-clear signal is given thereafter, between sunset and sunrise:
 (a) All lights and illuminations outside or visible from the outside of any building, either through doors, windows, skylights or otherwise shall be immediately put out. Lights inside any building may be kept on or turned on only where through the use of shades, blinds, curtains, blankets, screens, paint, paper, cardboard or otherwise no lighting is visible from the outside. This rule shall apply to all buildings of every kind and description, including but not limited to dwellings of all kinds, stores, offices, warehouses, manufacturing establishments, schools, churches, hospitals and other institutions. The occupant of any portion of a building shall be responsible for the observance of this provision as to such portion thereof as he may occupy. If one occupies an entire building, he shall be responsible for the observance of this provision as to the whole of such building. In the case of offices, apartment houses, lodging houses, boarding houses and other buildings to which the public is permitted or invited or as to any portion of which there is a common use by the occupants thereof, the owner, lessee or the person or persons in charge of the operation thereof, as the case may be, shall be responsible for the observance of this provision as to all portions of the building to which the public is permitted or invited or as to which there is a common use by the occupants thereof, or vacant or unoccupied portions of buildings, the owner, lessee or the person or persons in charge thereof shall be responsible for the observance of this provision with respect to such building or vacant portions thereof, as the case may be, as he shall own, lease or have in his charge.
 (b) No door, window or other exit and apertures shall be opened, if the opening of the same will allow light to be visible from the outside.
 (c) All lights on any sign, billboard, pier or other similar structure shall be immediately put out and kept out. The owner, lessee or the person or persons in charge of the operation of such sign, billboard, pier, or other similar structure as the case may be shall be responsible for the observance of this provision.
 (d) All street, traffic and beacon lights and other public lights on and in the streets, lanes, alleys, squares, and parks of the City of Grosse Pointe (except those which are dimmed or hooded in a manner approved in writing by the Mayor shall be immediately put out.
 (e) All other lights, including warning or danger signals, shall be immediately put out and kept out. Provided, however, that warning or danger signals may remain lighted in such manner as may be approved in writing by the Mayor. The owner, lessee or the person or persons in charge of the operation of such lights, as the case may be, shall be responsible for the observance of this provision. In case of an announced test or trial blackout, traffic, warning and danger signals may remain lighted without being dimmed, hooded or otherwise masked.
 Sec. 4. DUTY OF OCCUPANTS, OWNERS AND LESSEES.
 In order to carry out effectively the provisions of the foregoing section.

(a) No occupant of any building or any portion thereof shall permit such buildings or such portion thereof as he may occupy to be lighted or illuminated (either on the outside or on the inside, in such way that such lighting or illumination is visible from the outside), from sunset to sunrise, unless while so lighted or illuminated there is stationed in such building or such portion thereof, as the case may be, a person or persons, capable of and responsible for immediately putting out the lights or making them invisible from the outside in the event an air raid warning or signal for a blackout is given. This provision shall apply to every occupant of any building whatsoever. In the case of office buildings, apartment houses, lodging houses, boarding houses and other buildings to which the public is permitted or invited or as to any portion of which there is a common use by the occupants thereof, the owner, lessee or the person or persons in charge of the operation thereof, as the case may be, shall be responsible for the observance of this provision as to all portions of the building to which the public is permitted or invited or as to which there is a common use by the occupants thereof. In the case of vacant or unoccupied buildings or vacant and unoccupied portions of buildings, the owner, lessee or the person or persons in charge thereof shall be responsible for the observance of this provision.

City of Grosse Pointe Ordinances

(Continued from Page 4)

with respect to such vacant buildings or vacant portions thereof, as the case may be, as he shall own, lease or have in his charge.

(b) No owner, lessee or person or persons in charge of the operation, as the case may be, of any sign, billboard, pier or similar structure, street, traffic or beacon light or other lights on and in the streets, alleys, squares, or parks of the City of Grosse Pointe or of any other light, including a warning or danger signal, shall permit the same to be illuminated or lighted between sunset and sunrise unless such owner, lessee or person in charge has made adequate arrangements for immediately putting out the same in the event of an air raid or blackout signal or alarm: Provided, however, That street lights, traffic signals, beacon lights, warning or danger signals may remain lighted during blackouts if they are dimmed, hooded or masked in a manner approved in writing by the Mayor.

Sec. 5. OPERATION OF MANUFACTURING PLANTS.

Every operator of any plant or manufacturing establishment shall during the period of the blackout so operate the plant or manufacturing establishment with respect to furnaces and other light emitting apparatus, that light will not be given off or the apparatus, including smoke stacks, shall be so screened as to prevent the reflection of light from being visible from above, or operate in a manner approved in writing by the Council of the City of Grosse Pointe.

Sec. 6. PEDESTRIANS.

Whenever any air raid warning shall be given, all persons, except duly authorized persons, shall immediately leave all streets, squares, parks and open spaces and shall proceed to the nearest cover, avoiding the crossing of streets, alleys and other public places as nearly as possible. It shall be unlawful during the period of any air raid to congregate in groups of five or more persons on any public sidewalk, street, alley, park or outdoor place. During a blackout it shall be unlawful for any person to expose any light whatsoever while on a street, alley, square, sidewalk, park or open space, except that authorized persons engaged in emergency work may use lights of such character and with such screens or hoods as may be approved by the Mayor.

Sec. 7. VEHICULAR TRAFFIC AND USE OF HIGHWAYS.

1. From the time the official air raid signal is given, continuously until the official all-clear signal is given thereafter, only the following types of traffic shall be permitted to move:

(a) Vehicles of the armed forces of the United States of America.

(b) Ambulances; vehicles being used by physicians in the performance of their professional duties, municipal, county, state and federal police agencies and fire vehicles and vehicles being then officially used by the several branches of the Civilian Defense Organization.

(c) Vehicles actually in emergency service for the repair or control of public utilities, repair equipment whether publicly or privately owned.

(d) Vehicles of the Michigan State troops under actual control of officers or enlisted men of the Michigan State troops and actually in emergency service.

(e) Such other vehicles as may be permitted to move on special order of the Commissioner of the Michigan State Police or his duly authorized representative, the Police Commissioner of the City of Grosse Pointe, Civilian Defense authorities or military authorities.

2. Vehicles described in subsections (a) and (b) of the preceding section shall be deemed emergency vehicles and as such shall have general right of way over all other traffic, except that ambulances, municipal, county, state and federal police agencies and fire vehicles shall have the right of way over emergency vehicles.

3. All vehicles in emergency use not already visibly marked as such shall be lettered on the front, sides and back with the letter "E" painted in white, said letters to be of a size of not less than one (1) foot. It shall be a violation of this ordinance for any person to own or operate a motor vehicle with such emergency markings unless authorized in accordance with the provisions of Section 7 (1) hereof.

4. Operators of all other vehicular traffic shall:

(a) Immediately draw to the side of the highway or street and stop in such a manner and in such a place so as not to obstruct the reasonable use of the highway or street, fire hydrant, or police or fire station driveway or other emergency driveway.

During the period of such air raid alarm, parking regulations pertaining to lights, time limits, loading zones, distances from intersections and parking in prohibited zones shall be suspended except insofar as their violation may constitute a violation of this ordinance.

(b) Extinguish all lights.

(c) Lock the ignition of such vehicle, but shall not, in any case lock the doors of such vehicle if left unattended.

(d) Set the hand brake of such vehicle.

(e) In the case of horse-drawn vehicles, immediately halter the horse or horses thereof firmly and securely to a fixed object if one is available and if none is available to the vehicle itself after unhitching said horses.

(f) Postal vehicles shall not be governed by the provisions of subsection (c) of this section, but shall be locked to conform with United States postoffice regulations, or shall be allowed to drive to the nearest postoffice where mail can be removed and locked up.

5. Mass transportation vehicles shall stop as soon as possible at a location in the street not opposite a cross street or alley, so as to give the least interference in the street. All passengers shall be issued emergency transfers and shall be permitted to proceed to shelters in nearby buildings. All lights on cars shall then be blacked out, except those which are so reduced in intensity and concealed as may be permitted or approved by the Mayor of the City of Grosse Pointe.

6. Nothing in this ordinance shall operate to limit the authority of any police officer, air raid warden or other duly authorized officer to prescribe the place and manner of the parking or storage of such vehicle or vehicles, in which event operators of vehicles shall immediately comply with the lawful directions of such officer or officers.

Sec. 8. UNAUTHORIZED WARNING OR ALL-CLEAR SIGNAL PROHIBITED.

No unauthorized person shall operate a siren or other device so as to simulate a blackout signal or air raid, or the termination of a blackout or air raid.

Sec. 9. NO MUNICIPAL OR PRIVATE LIABILITY.

This ordinance is an exercise by the City of its governmental functions for the protection and preservation of the public peace, health and safety and the defense of the land in time of war and neither the City of Grosse Pointe, the agents, officers and employees thereof, volunteer workers, nor any individual, receiver, firm, partnership, corporation, association or trustee or any of the agents thereof in good faith carrying out, complying with or attempting to comply with this ordinance or with any rule, order or regulation promulgated pursuant to the provisions of this ordinance or any authorized person hereunder or called upon to assist in enforcing same, shall be liable for any damage sustained to person or property as the result of said activity.

Sec. 10. LIGHTS DURING BLACKOUT DECLARED PUBLIC NUISANCE.

Any light displayed or allowed to remain visible to the outside contrary to any ordinance or contrary to any order, rule or regulation promulgated pursuant to the provisions of this ordinance constitutes and is hereby declared to be a public nuisance and when deemed necessary, in order to protect life or property during a blackout or air raid, the police or special police authorized as such or air raid and blackout personnel employed and granted special police powers are authorized and directed to enter upon any premises within the City of Grosse Pointe using such reasonable force as may be necessary, and extinguish lights or take other necessary action to make effective any provision of this ordinance or any rule, order or regulation promulgated pursuant to the provisions of this ordinance. Any person refusing to permit or resisting the entrance of such authorized policeman or other person to any room or premises for the purpose of extinguishing lights or taking other necessary action shall be guilty of a violation of this ordinance and shall be punished as hereinafter provided.

Sec. 11. PRACTICE BLACKOUT OR AIR RAID DRILL.

Whenever any practice blackout or air raid drill has been ordered by the Mayor or by the Army or Navy, all of the provisions of this ordinance and all of the orders, rules and regulations made and promulgated pursuant to the provisions hereof shall apply as effectively as they shall apply to blackout and air raid alarms caused by the presence or attempted presence of the enemy, except as provided in Section 3, paragraph (3) hereof.

Sec. 12. GENERAL ORDERS, RULES AND REGULATIONS ISSUED BY THE MAYOR.

When deemed necessary for the protection of the public peace, health and safety, the Mayor shall make such orders, rules and regulations concerning the matters covered by this ordinance, in addition to those prescribed herein, which shall have the force and effect of law until repealed by the Common Council. All such orders, rules and regulations issued hereunder by the Mayor, shall be in writing and shall be available for public inspection at the City Hall during the regular business hours of the City of Grosse Pointe.

Sec. 13. PENALTIES FOR VIOLATION.

Any person, firm or corporation violating any of the provisions of this ordinance or violating the provisions of any order, rule or regulation issued and promulgated pursuant to the provisions of this ordinance shall, upon conviction thereof, be subjected to a fine not exceeding the sum of \$500.00, or imprisonment in the county jail for a period of not exceeding 90 days, or both such fine and imprisonment in the discretion of the Court.

Sec. 14. EFFECTIVE DATE.

This ordinance shall become effective 10 days after publication.

NORBERT P. NEFF,
City Clerk.

Adopted May 11, 1942.

City Wins First Place in National Safety Competition

A record of no traffic fatalities during the year 1941 plus the educational program for pedestrian safety among school children conducted by the local police department, brought the honor of first place in its class to the City of Grosse Pointe in the annual national pedestrian protection contest conducted by the American Automobile Association, according to a letter received this week by Thomas V. Trombly, chief of police of the City of Grosse Pointe, from Thomas P. Henry, association president.

The City of Grosse Pointe was rated first among cities throughout the United States with less than 10,000 population.

To Receive Plaque

A sculptured plaque will be awarded to the police department, Henry wrote, for its "outstanding record of accomplishments during 1941 in improving pedestrian safety conditions for its citizens."

Biggest factor in bringing the honor to the City of Grosse Pointe, Chief Trombly believes, is the record of no pedestrian fatalities in the city during 1941. Coupled with this was the campaign for pedestrian safety education, with posters being placed in the schools and around the city.

Other Winners

Following the City of Grosse Pointe as leaders in pedestrian safety among cities of less than 10,000 population were St. Joseph, Mich., who won second place; Manistee, Mich., which placed third, and Peirre, S. D., fourth.

Funeral services will be held at 9 o'clock this morning at St. Ambrose church for Lucien Binsfield, 42, who died Monday evening after a short illness.

The proprietor of a candy and school supply store on Jefferson at Maryland, Mr. Binsfield was known for his kindness and interest in the school children.

Allied Youth Dance Planned for Saturday

The Allied Youth spring dance is being held this year on Saturday, May 16, at 9:30 p.m. at the Detroit-Leland hotel. Gene Feaby's orchestra is providing the music in the Colonial room. Tickets may be purchased in the Allied Youth office at the main YWCA.

Mr. and Mrs. David Sherman, of Allied Youth Post No. 4, are sponsoring the dance. The dance committee is headed by Tom Moore, with Jack Benkelman in charge of music and Eva Sherer, publicity; plus Maxine Jewell, Faith Bennett, Judy Beretsky, Joyce Dalrymple and Ray Tarasow.

Over 1,000 Pianists To Present Mass Concert on May 24

Over one thousand piano students from five years of age to and including adults, will again perform in a mass ensemble playing on 200 pianos. It is announced by Mrs. Carl B. Utel, chairman. This Michigan annual music festival will take place Sunday, May 24, at 2 p.m. and 8 p.m. at the Olympia.

Twenty-four artist players will accompany the students. Numbers by Chopin, Moszkowski, Tschai-kowsky, Schubert, Moussorgsky and others will be played. Frank O. Wilking, of Indianapolis, Ind., will conduct the festival which is sponsored by the festival music teachers.

ST. JAMES LUTHERAN CHURCH

St. James Lutheran church worships every Sunday in the Punch and Judy theatre. The morning service is at 11 a.m. Sunday school is at 9:45 a.m. The Rev. George E. Kurz, pastor, announces that St. James church will observe next Sunday with a special festive service commemorating the ascension of the Lord Jesus Christ into heaven, next Sunday being the Sunday following the ascension of Christ.
