The Rev. Roy D. Linhart, pastor of the Faith Lutheran church, East Jefferson and Philip avenues, will be honored by his congregation on Sunday morning at a special service in commemoration of his ordination to the ministry and of his completion of 25 years of service as pastor of this congregation, which he founded and organized as a mission 25 years ago. He was ordained to the ministry on June 24, 1917, by the Rev. C. V. Shantsley, D. D., of Columbus, Ohio, who will preach the sermon at the anniversary service. He will be assisted by the Rev. H. L. Yochum, district president, who will conduct the service. Reverend Linhart has had the distinction also of being the director of his own choir since the beginning of the congregation, and which is regarded as being one of the outstanding choirs of the city. Under his leadership, Faith congregation has become the second largest Lutheran congregation in Detroit, having a membership of over seventeen hundred and a church property which cost over two hundred thousand dollars.

THE PARTYLINE

By ELLEN HYDE

There has been great social activity the past week with graduation, homecomings, and coming-out parties. The Oarsmen's Ball, June 13th had a great attraction for the young set who seemed to enjoy every minute of the dance. Mary Jo Roesch was there with Jack Kerns, Doty Hoffman 'n Ted Thomas; Nancy Hewitt 'n Bill Moesta; Marilyn Smith 'n Bob Wood; Julie McNair 'n Tom Chandler; Janet Uhl 'n Bob Rodgers; Peggy Anderson 'n Bob Ode; Jeanne Cowan 'n Bob Sicklesteel; Nanette Font 'n George Potter; plus many others.

Nancy Blood, from Amsterdam, N. Y., is here for a brief stay at the home of Peggy Anderson and Connie Arnoldy has her schoolmate Florence Murphy as her guest. (Connie and Florence attend Connecticut Women's college.) A tea was held at Peggy's home on Washington road on the 13th in honor of the two guests. Attending were Pat Coulter, Nancy Hewitt, Sally Weckler, Mary Jo Roesch, and Doty Hoffman. Incidentally, Connie and Florence are leaving Friday for a brief stay in Toledo, O., to visit other classmates.

Carol Evans gave a tea Saturday afternoon in honor of the girls in her graduating class from Grosse Pointe high school.

A huge beach party will come off this Saturday night at Jackie Rohn's Summer home in Puce, Ont. Huge meaning at least 30 couples. Can't name them all but a few of those attending are: Bonnie 'n Sue Essert, Anne Leverenz, Rozzanne Rupp, Pat Tobin, Betty Hutchenruther, Jeanette Hinckley, Martha McGray, Janet Schaffer and Jean Garretson. And among the boys will be: Frank Mumford, Jack Hood, Bill Hanson, Bob Kundingger, Don Neisch, George Couliard, Doug Graham, Ted Johnston, Bob Everett, Doug Fritz and little ol' me! There'll be a steak roast and swimming and lots of fun!

Sally Thomas entertained Saturday at the Grosse Pointe Yacht club for luncheon and swimming for her class at the Grosse Pointe Country Day School.

Anne Hewitt, niece of the Walter B. Fords of Moran road, was the honored guest at a dinner party given Monday by her aunt and uncle. Anne arrived here last week from Cobina, Calif. for a two weeks' visit with the Fords. The 12 dinner guests attended the deb dance at the Country club later in the evening.

The Charles R. Smiths, Jr., of New York wish to announce the birth of a son Charles R. Smith 3rd. Mr. Smith is the son of the Charles D. Smith of Moran road. Mrs. C. R. Smith Sr., is leaving very soon to visit her new grandson.

Mr. and Mrs. H. J. Roesch of Moran road returned recently from a fishing trip to Alpena, Mich.

Mrs. J. M. Macrae of Balfour road is leaving some time this week to visit her daughter, Mrs. E. L. Derby in Duquoin, Ia. Mrs. Murphy is the former Marge Macrae.

MacDonald Bound Over for Trial on Morals Charge

Floyd H. MacDonald, 27, of 14276 Knox avenue, East Detroit, was bound over for trial by circuit court following his examination Friday afternoon before Justice C. Joseph

Belanger. His bond was set at \$1,000. MacDonald is charged with accosting a 12-year-old girl in Grosse Pointe Park. MacDonald's attorney Charles Retzlaff, brought witnesses to the examination in an attempt to prove that MacDonald could not have been at the scene at the time the incident occurred. He argued that the girl was mistaken in her identity of the defendant.

VICTORY GARDENS

Michigan Council of Defense

By V. R. DePETRIS

The people of Grosse Pointe will be interested in the following summary of Victory Gardens in the five Grosse Pointe communities.

The data compiled below indicates that Grosse Pointers are very much interested in growing vegetables during the war emergency.

Grosse Pointe Park

The sponsoring garden club is the Little Garden club with Mrs. F. Langdon Hubbard acting as chairman. The score here is as follows: Number of garden plots prepared—36. Number of garden plots taken—36.

The soil in this group of Victory Gardens is perhaps the finest of all. It should yield an exceptional crop of vegetables. Water has been installed by the village on this plot.

City of Grosse Pointe

The city is the only one among the five communities which prepared two plots. The plots are both sponsored by the Junior League Garden club with Mrs. James McMillan and Mrs. Arthur P. Nauman as chairmen.

Here are the results in the City of Grosse Pointe:

Number of garden plots prepared, Cadieux road—43. Number of garden plots taken, Cadieux road—34.

Number of garden plots prepared, Lakeland avenue—20. Number of garden plots taken, Lakeland avenue—18.

This is a total of 52 Victory Gardens were taken in this city out of 63 prepared. It is the only community in which all of the plots were not taken. The sponsoring garden club is planting the idle plots with rye. This will insure good garden soil for the coming year. Water has been installed on the large Cadieux road plot by the city government.

Grosse Pointe Farms

The sponsoring garden club in the Farms is the well known Garden Club of Michigan. Mrs. Phelps Newberry, Mrs. George Cooke and Mrs. J. V. Redfield have done excellent work in organizing to get this plot under way. Difficulty was encountered in the original selection of the Victory Garden plot in the Radnor Park subdivision where permission could not be obtained for

the use of an excellent piece of ground for this purpose. The objection came from only one individual who perhaps misunderstood the purpose of the project. The site on Lathrop road had to be taken as a last resort with the following results:

Number of garden plots prepared—20. Number of garden plots taken—20.

The Farms' council ordered the installation of water on this plot. This order was promptly executed.

Grosse Pointe Woods and Shores

These two villages combined in taking one single garden plot located on "E" street between Hampton and Hawthorne roads.

These gardens are under the sponsorship of the Women's National Farm and Garden Association, Grosse Pointe branch. Mrs. H. L. Newman as chairman and Mrs. Meredith Randall assisting. The score here is as follows:

Number of garden plots prepared—48. Number of garden plots taken—48.

The final tabulations show that the Grosse Pointe communities have had 155 people who have interested themselves in Victory Gardens on community plots prepared and sponsored through the various garden clubs under the co-ordination of the horticultural department of the OCD.

the budget for the next fiscal year without acceding to the request for a hearing on the wage increase.

Mazer then called a meeting of the employees for Tuesday afternoon at which the vote to strike was taken.

In calling the strike, Mazer stated that the wage demand was based upon three factors: 1. The increase in the cost of living. 2. A comparison of the wages paid by the Farms and other municipalities. And, 3. The village's failure to recognize the position and status of the union.

"A definite policy has been established by the national government with regard to the right of labor to organize and bargain collectively through the Wagner labor act and the NLRB," Mazer said. "We feel that government agencies should be model employers. The national government has established certain policies; it has assured bargaining rights, old-age and unemployment compensation and pensions, none of which are enjoyed at present by the employees of Grosse Pointe Farms." (The Farms pension plan pertains only to police and firemen.)

"The strike was called, however, as much because of the smug, arrogant and high-handed manner in which the request of the employees was treated as it was because of the desire for a wage increase," Mazer went on.

In a statement to The Review last night, President Deming said: "I am very surprised to have received a notice of strike in view of the existing working conditions, vacations sick leaves, etc., together with the wages paid in Grosse Pointe Farms which are comparable to those of surrounding communities."

Betty Poupore, daughter of Mr. and Mrs. J. T. Poupore of Grayton road, will leave Saturday, June 20th for D'Youville college at Buffalo, N. Y., where she will take an accelerated course.

the show is based) to sound the keynote of the revue's message: "Ships and guns and planes we need Our country to defend: But we must arm the hearts of men To win out in the end..." **Harmony in Home** A comedy number, "While Shoppers Sleep," showed how even window dummies come to life and find harmony with their harassed window dresser in the message "You Can Defend America."

"Home Sweet Home" portrayed the breakfast table of Mr. and Mrs. America with their son and daughter before and after the family had learned the lesson that "Homes that pull together pull the town together and unite the nation." An ingenious new invention, a giant "Morale Detector," was the feature of the scene in the office of the "Mayor of Anytown." How to raise it to 100 per cent "Total Victory," after many dangerous declines and precarious moments was demonstrated in song by the mayor's "Morale Committee" persuading a gossip and selfish "Mrs. Citizen" that "we'll never have V for Victory until we have YOU for Unity."

Industry Given Lesson An industrial scene, "Keep the Wheels A-Turning," taught a lesson in heightened production when the evil scheming of "Miss Trust" was thwarted and labor and management were brought together by the stirring call of "Total Defense."

The whole cast then joined in the singing of "The Arm Behind the Army," dedicated by special permission to Gen. Francis B. Wilby, superintendent of the United States Military Academy at West Point, who endorsed the revue for its "assurance to the men of the armed forces that the nation stands united in their support."

Cowboys Learn Unity "Change on the Range," a campfire scene featuring Cecil Broadhurst, cowboy singer from Nevada, took the audience westward to the prairies where the cowboy singer persuaded his grumbling cowhands, who were thinking of quitting and going to town, to "stick to their jobs and do 'em right" like true Americans.

In a speaking chorus, the "Voice of America" challenged the minds of the audience to a new vision of America's destiny: An America "re-armed in spirit, humbly triumphant, a nation united, fulfilling the hopes of its founders, the dreams of its people, the plan of its God — a maker of peace for the nations." **Finale Abolishes Apathy**

Archie J. Mayotte, district governor of Kiwanis International, presented Farrel Weber, president of the Grosse Pointe club, with the group's charter at a meeting a week ago Monday night. Looking on are Arthur Nieper, lieutenant governor of the seventh district, and Peter H. Friscoe, past governor of the seventh district. — Review Staff Photographer

KIWANIS CLUB RECEIVES CHARTER

The finale, "America Awake!" summed up the entire meaning of the show: America's danger and her citizens aroused from apathy, confusion and selfish living to save her. The dark spirit of "Gimme," planning cold-bloodedly to destroy America from within with his rats of Fear, Hate, Gossip, Graft and Greed, was recalled, after a united effort by all sections of the people and the voices of Franklin and Lincoln, to "Give" and America set out on her program "To win the war, secure the peace and start to build a new world now."

BLACKOUT

(Continued from Page One.) two weeks ago by municipal chiefs. **State, Local Rules Effective** Grosse Pointe Farms adopted its own blackout ordinance at the council meeting Monday night. The three municipalities functioning under both their own ordinance and the proclamation of their governing head may prosecute either in local or state courts. Lights in store windows and inside the stores themselves were the chief concern expressed by Elworthy. Neon signs in the windows of and lights inside business houses must be extinguished, he emphasized. Store owners who are in the habit of leaving these lights burning must either provide an all-night attendant to extinguish them in case of a blackout or must leave the lights turned off, he said. "The police have been asked to check on lights at any time during the blackout," he declared, "and have been instructed to issue violation tickets. We have to do a complete job."

Severe Penalties "The ordinances and the proclamation call for severe penalties," he pointed out, "and the enforcement will be strict. I feel that I should warn all merchants so that they may be prepared." Police and insurance officials state that front lights need not be kept burning for property protection, and that the retailer need only install shaded light bulbs, with the ray directed downward to safes or cash registers to assure property protection and compliance with the law. "Turning out the display lights at 9:15 p.m. or at closing, in conformity with our voluntary program, will not only save fuel and contribute to the protection of our entire community, but may save the embarrassment and cost of a heavy fine for blackout violation."

City Police Are On Alert Against Untagged Dogs A stern warning to dog owners to be sure to obtain 1942 dog licenses for their pets was issued this week by Thomas V. Trombly, chief of the City of Grosse Pointe police department. The licenses fell due on April 1, 1942. Police have been instructed to be on the alert to pick up all dogs who are not wearing this year's tag. Chief Trombly said.

Driver Freed of Blame in Death Of Pedestrian Charges of negligent homicide placed against Earl R. Forcier, 24, of 11783 Longview, Detroit, were dismissed by Justice C. Joseph Branger Friday afternoon. The examination was heard the previous Friday, but decision was delayed. The charge was placed as the result of an accident at Mack and Maryland avenues which caused the death of George W. Lambert, of 2952 Alster road, Detroit, a pedestrian.

CEREMONY IN ANN ARBOR UNITES DOROTHY MAUL AND CARL MORTON

Dorothy Maul, daughter of Mr. and Mrs. William J. Maul, of Cadillac road, became the bride of Lieut. Carl Roland Morton, son of Mr. and Mrs. Edward Morton, of Wayne, Mich., Friday evening in St. Andrew's Episcopal church, Ann Arbor. Dr. Henry Lewis read the nuptial service. Following the ceremony a reception for about one hundred guests was held in the Grand Rapids room of the Michigan League. For her wedding the bride chose a redingote ensemble of magnolia white sheer crepe trimmed with three large buttons of brown military braid at each side of the coat. Her large hat of magnolia transparent braid had an openwork brim banded with brown and with brown braid ornaments, her corsage was of white orchids. Her only attendant, Mrs. Charles H. Brown, wore a tailored frock of yellow silk jersey with turquoise and brown accents and a hat of turquoise veiled with brown. Her corsage was fashioned with yellow rosebuds. Creal C. Conover, of Ann Arbor, served as best man and ushers were Harold Langworthy, of Wayne, and William Maul, Jr., brother of the bride. Both Lieutenant Morton and his bride are graduates of the University of Michigan where she is a member of Kappa Delta sorority. Lieutenant Morton also attended Michigan State Normal college where he was affiliated with Zeta Chi Sigma fraternity. After July 1 the couple will make their home at Camp Swift, Texas, where Lieutenant Morton is stationed with the army engineering corps. Among the out-of-town guests at the wedding were: Mr. and Mrs. Don O. Herron, Mr. and Mrs. J. L. Zimmers, Mr. and Mrs. Andrew Olmsted, Mr. and Mrs. Edwin Weiss and Mr. and Mrs. Frank Shepley, all of Detroit, and Mrs. Langworthy.

First Party for Service Men Proves A Great Success The Neighborhood club celebrated General Douglas MacArthur Day last Saturday with a dance for the boys in uniform, when 60 service men from the U. S. O. center in the Hammond building were greeted by the Grosse Pointe Hostess corps at the community house.

The decorations in the gymnasium were most effective. Four colorful murals by Rocco DiMarco, a local artist, on the far wall of the room caused admiration and amusement. The stage was lined with baskets of flowers, white and red, and made a beautiful setting for Arthur Hogarth's orchestra who provided just the right sort of music, judging from the boys' applause. The room was lined with tables covered with checked table cloths and set with candies. The snack bar was well patronized where quantities of soft drinks were consumed. The dances with social mixers and congos seemed to delight the boys. There were all sorts of uniforms: Sailors, soldiers, Scotches RAF and one lad of the English navy. The hostesses were most hospitable and did a real job in making the men welcome and comfortable.

The beautiful floor cloths provided by Miss Elaine Arndt was most enthusiastically received by the boys. The patriotic spirit of the entertainers was portrayed by their costumes and their routine. Miss Dorothy Tomura, of Hawaii, house guest of Miss Florence Lee, danced the hula as she learned in her homeland. She wore a typical hula costume. Miss Tomura is a student at the University of Michigan.

The Neighborhood club wishes to thank Mrs. Ethelbert Spurrier, chairman of the party, for her spectacular job in organizing and arranging the entire affair. Mrs. Spurrier's committee, included Mrs. Robert Barie, chairman of the snack bar assisted by Mrs. Robert Waldron, Mrs. William Teetzell and Mrs. William Bedell; Mrs. Fred Monroe, transportation; Mrs. Gilbert Currie assisted by Miss Lois Murphy and Miss Anne Austin, registration; Mrs. Arthur Bull, flowers; Mrs. Rocco DiMarco, decorations; and Miss Eleanor Deuster, correspondence. Mr. and Mrs. Clarence Boyser, of Grosse Pointe Park, are spending a 10-day vacation at Platte Lake near Traverse City.

Richard School N-E-W-S The 2A room in the Richard school has been watching a very interesting nature study. A beehive was secured by Miss Norris from Mr. Stack, who is connected with the state beekeepers association. The observation hive was set up in the room near a window through which a hose was placed for the bees to go out of doors and back again to the hive. The hive contained 2,000 three branded leather colored Italian bees, and the queen bee. The workers carry the pollen and nectar to feed the members of the hive, and the queen bee lays the eggs. The drones are of no value, and when Winter arrives and food is scarce, they are killed.

MAKING ONE ITEM DO FOR TWO— **how standardization saves money for Detroit Edison customers** Why have 41 different styles of outlet boxes when half-a-dozen will suffice? Why buy 16 different cleaning powders when four will do the job? All departments of the Company are cooperating in raising many questions similar to these. As a result, the big catalog shown above looms large in helping us to make savings. It lists some 30,000 items, all indexed and classified, that are purchased for use in our business. And every one of these items is standardized to achieve important economies in their use. These economies are twofold: (1) the direct dollar saving in the initial cost of the item, and (2) the saving effected through cutting down the number of items, with a consequent lessening of storage, handling, and ordering expense. A few examples will illustrate the point: In our purchases of printed forms, we planned for fewer sizes, weights, and grades of paper, as well as fewer forms. This reduced the number of forms 43%, and saved \$40,000 annually. The apparently simple problem of washing floors, windows, walls and woodwork would not seem to present much opportunity for saving through the standardization of the materials involved. Yet by having cleaning powders made to our specification, we cut the cost more than half and saved over \$5,000 a year. The substitution of wool felt for cork in pipe insulation saved 84 per cent of the cost... a total of \$1,799 on one job. These examples can be multiplied—pipes and fittings, tools, wiring, lumber, metal polish, fly exterminators, rope and cord, drain solvent, etc. The list is almost endless. Today we hear much about standardization in industry to help the war effort. Our standards program has been achieving economies for the past 20 years. These economies are reflected in our service and rates. The average price per kilowatt-hour paid by our residence customers for electricity has dropped 46 per cent in the last 20 years. Counter Plan for Home Rule Gives Pointe Representation

(Continued from Page One.)

Table with population data for various districts and townships. Includes City of Melvindale (4,764), Village of Allen Park (3,487), DISTRICT VI (56,767), DISTRICT VII (61,930), and Village of Northville (3,032).

which shall contain as nearly as may be an equal number of inhabitants and shall consist of convenient and contiguous territory.

It must follow the population will be the controlling factor, which means that the Grosse Pointe-Gratiot area is equally as unlikely to have a charter commissioner as it is to be able to select a supervisor from its own electorate. The total population of the county, aside from Detroit, Highland Park, Dearborn and Hamtramck is 227,938, to be divided into five districts, or 45,587 per district. To make up a district of approximately 45,587 it would be necessary to include Grosse Pointe-Gratiot in a district with one of the other townships or cities of sufficient size and the closest to it which would mean Redford and Dearborn townships or the city of River Rouge. If this was done, we might elect a charter commissioner but such a layout is not to be contemplated because then Redford-Dearborn townships, with a combined population of 14,432, would certainly not get a charter commissioner, and if River Rouge with a population of 17,008 was joined with our area it would be without any chance of representation on the charter commission.

The Remedy

There are at least two remedies which will give the Grosse Pointe-Gratiot area taxation according to representation. One is by amendment of the constitution of the state with home rule for the county and the other is by an enabling act of the state legislature.

Home Rule. The present proposal calls for 14 supervisors from Detroit. The population of Detroit is 1,623,452, which divided by 14 is 115,961. The present proposal is for seven supervisors from the county outside of Detroit, the population of which area aside from Detroit is 392,171, or one supervisor per 56,024.

Under the substitute plan we now propose we take the area of the Grosse Pointe-Gratiot district — 30,482 — as the unit, which means that district because of its segregated location will get one supervisor. Dividing the population of the county, aside from Detroit, by 30,482, we find that there will be 13 supervisors from the county outside of Detroit. Retaining the two to one ratio of the present plan, Detroit would have 26 supervisors.

This would make a total of 39 supervisors, in place of the proposed 21 and the present 160, would give proper representation and would at the same time provide for home rule by constitutional amendment.

As to charter commissioners, our plan would work out as follows: Again take 30,482 as a unit outside Detroit. That assures the Grosse Pointe-Gratiot township area of one charter commissioner, which is as it should be. Then give Dearborn two, Highland Park one and Hamtramck one. Divide the rest of the county, aside from Detroit, by the unit and the remainder of the county would get seven. Now retain the same ratio for Detroit as under the present plan and Detroit would have 21 commissioners.

This would make a total of 32 charter commissioners, again give proper representation, and home rule by an amendment of the state constitution.

To repeat, under this proposal there would be 39 supervisors in place of the present 160 and the proposed 21 and there would be 32 charter commissioners instead of 19.

When Water Ran Uphill...

Imagine great rivers rushing uphill — cows munching from tree-tops as they lazily lay in the air — would-be suicides thwarted in their endeavors to leap from heights!

But why imagine? Were not such things commonplace up until some 200 years ago, when Sir Isaac Newton first formulated the law of gravitation?

"Nonsense!" you exclaim. "Newton did not create the law. He merely authoritatively clarified it."

Nonsense, of course — and, dear Neighbor, we state this false and foolish logic merely to demonstrate how equally false and foolish it is to believe that the Catholic church when it defines a Dogma, creates a new supernatural Truth.

God made the universe and the unchangeable laws that govern it. Man can merely discover these laws, and when proved, define them authoritatively, so that the world may believe with confidence.

God made man and revealed to him all supernatural truths necessary to salvation. Before the sun had set on the first Pentecost Sunday, these all-saving truths were in the possession of God's church — an indestructible and everlasting church, with which God promised that the Spirit of Truth would abide forever.

Now the Holy Ghost or Spirit of Truth obviously cannot err. So when the Pope, as Head of the Church, defines a religious truth, he creates nothing, but with the authority of God and by the direction of the Holy Ghost, he clarifies a supernatural truth so that the world may believe with confidence.

So after all, dear Neighbor, a Dogma is not so dreadful a thing. To the Catholic it is God's Word, given to us through the lips of a divinely authorized human being — God's Own Truth — a binding truth — the Truth which makes us free.

Alger Post, VFW N-E-W-S

By NORVIN L. WYATT

During a colorful ceremony at the Veteran's building, 704 East Jefferson, last Sunday evening, Post No. 135 of the Jewish War Veterans presented an American flag to the assembled members of Chapter No. 88 Military Order of the Purple Heart. The presentation address was given by Rabbi John Jacob Nathan whose theme was the separate meaning of the colors of our flag and how they blend into the pattern all America is, in the eyes of those hopeful and depressed peoples who find their way here and are accepted among us.

A short talk, perhaps, but it was filled with a punch that would do all of us good. And it was as this same meeting that your same scribe, Sylvester Lingeman, Charles White and Ernest DelBarbara, all of Alger Post, were awarded America's oldest military decoration, the Order of the Purple Heart. It's a far cry from Detroit back to Belleau Woods and the Argonne. A man's sins like his deeds must eventually catch up with him. And the cluster of Oak Leaves on Past Commander Lingeman's Purple Heart emblem proves him to be a darn sight better marine than we took him for. As for the rest of us. Well, delivery on the emblems was delayed and free—and we still recall paying the original price. Last Sunday was picnic day, also, for Jule Stork, Ed Wynne and Clarence Todd of Pup Tent No. 10. They had one, too, taking the engine out of our fire truck in the wind and the rain. Hope to have it repaired for the state convention in Port Huron the last of the month. Maybe the old gas burner won't roar into the little town in its accustomed fashion. It most certainly shouldn't limp. They could trade its tires right now for the

Packard plant. Members of Alger Post, under the direction of Commander Roy Bariteau, assisted in the presentation of the Patriotic Musical Revue at the Pierce Junior High last Tuesday night. And that vacation we had reminds us of the parrot the old lady covered and uncovered when the minister came and went. It was doggone short. So—the editor willing — we'll be back with some real news later on...
