## POINTE PARAGRAPHS

By THE POINTER

Ever hear of the expression "more water than there is bucket?" That's what we mean when we question the ability of another Pointe paper to reach 48,000 readers, when there are but some 35,000 persons in all of Grosse Pointe and Gratiot township. So, claims to fair and honest interpretation of fact should evidently be substantiated right in their own editorial offices. The pot may call the kettle black, but such added "flavor" doesn't savor of claimed purity in news-portrayal.

The newspaper claiming "Only Paid Circulation" seems to be shifting its policy. So it seemed last Saturday morning when papers bearing its name were seen blowing carelessly down Kercheval avenue abating any excess moisture the pavement had to offer. Now, we understand that any newspaper will fly with the breeze if it is "thrown about" so to speak, but why should its staff maintain that the sheet is delivered only to subscribers who have paid a year in advance and then prove its claim to be false by releasing them by carrier to merchants who hadn't considered advertising in, or subscribing to, or receiving said newspaper. After all, when you need or want something, you're perfectly willing to pay for it, and you detest charity. But when its thrust upon you—! Further extension of a somewhat hypocritical "Good Neighbor" or "Good Will" policy, no doubt. Of course, in these days of fuel oil shortages one is always grateful for an opportunity to "keep the home fires burning" with the aid of some inflammable paper, newspaper, for example. And all without the aid of the federal authorities, too. Tsk! Tsk!

This column hears of the many sacrifices Pointers are more than willing to make, and they do, too! However, we always have those who are somehow apt to misconstrue the real meaning of the word and while they feel they are surrendering something for the common good they really aren't. For instance, it is (Continued on Page 7.)

## REMEMBER?

**Fifteen Years Ago This Week**  
"The Garden of Allah" was at the Madison theatre with its intense romantic interest and scenic beauty... The new proposed charter for Grosse Pointe Park was completed and approved by the charter commission and a special election was to be held in January for the voters' opinion... A motion directing that preparations be started for acquiring as soon as possible sites for five school buildings in anticipation of future needs of the Grosse Pointe district was passed unanimously at a joint meeting of the building committee, following a study of the survey by Dr. Samuel M. Brownell, superintendent of schools... Starting with the issue of Dec. 8, The Grosse Pointe Review was to be distributed on Thursday instead of Friday so that advertisers would have an opportunity to run their specials for Friday and Saturday, instead of Saturday alone as it has been in the past.

**Ten Years Ago This Week**  
W. A. Neff, superintendent of the township police radio station, WRDR, stated in a report Dec. 1 to the township board that a total of 422 runs were made by police scout cars as a result of radio broadcasts. He also stated that five persons reported missing were located and 28 arrests were made with the assistance of police radio facilities... Commemoration of the services rendered by the school children of the United States and its possessions in the restoration of "Old Ironsides" and thereby perpetuating a splendid symbol of our earliest traditions and heroism, the pupils of Alexandria, Va., high school presented a plaque (Continued on Page 7.)

## Woods Precincts Split to Bring Quicker Returns

Overloading of the two precincts in the village of Grosse Pointe Woods in past elections, has deemed it necessary to split the precincts and form two additional precincts. This change will bring quicker and more accurate returns and will avoid the delay caused by lengthy lines of voters waiting at the polls.

The precincts will be used for village and township elections. A complete notice of the additional precincts will be found on Page 7 of this issue.

## "Blood Donors' Day" Saturday at Mason

Saturday, Dec. 12, is "Blood Donors' Day" when the Grosse Pointe Kiwanis club sponsors the Red Cross mobile unit from 9 to 12 and 1 to 4 in the Mason school auditorium. Canteen service at the school will provide you with nourishment and refreshments.

The pint of blood you give to this worthy cause will be processed into dried plasma and thus be ready for transfusion use and will be delivered to the army and navy. Your pint of blood may save a soldier, a sailor, or a civilian, perhaps someone near and dear to you.

Be sure to be numbered among the patriotic donors at Mason Saturday.

## Bond, Stamp Sales Soar to New Record at Kerby on Dec. 7

Students of the Kerby school purchased \$892.45 of war bonds and stamps from Mrs. David Lienemann, voluntary worker, on Dec. 7, Pearl Harbor Day, breaking all records for the school. There is an enrollment of only 301 pupils in Kerby, which proves that each and every student was interested in getting a thrust at the Axis by buying bonds and stamps and thus encouraging our victory.

Furnishing the underprivileged of Grosse Pointe with baskets of food and clothing this Christmas and optical service, hospitalization, medical aid, dental service, rents, coal, shoes, etc., throughout the year, the members of the Grosse Pointe Lions club will embark on their foremost charitable campaign, the sale of "Goodfellow Papers" on the streets of this community all day Tuesday, Dec. 15, for the fourteenth successive year. Bright and early the Lions club members will be on the street corners selling copies of the special Goodfellow edition of The Grosse Pointe Review.

Dr. Werner Kersten, president of the Grosse Pointe Lions club, has set \$5,000 for this year's goal. Carl Schweikart and Pat O'Connor, co-chairmen, believe that the anticipated good weather coupled with the usual generosity of the Grosse Pointe public should more than fill the quota.

As in former years, the policemen and firemen of all Pointe municipalities will assist in the sale, and with their able help the entire communities will be canvassed.

The Goodfellow committee is composed of George Elworthy, director of welfare; Willard Hoskings, in charge of the collection of money. Headquarters for the campaign will be in the township offices in the (Continued on Page 5.)

## Woods Civilian Defense Members to Aid Share-Riders

On Monday night the Grosse Pointe Woods civilian defense committee met with Pres. Alois A. Ghesquiere to formulate some plans that would prove helpful to the share-riders.

It was thought that, perhaps, a parking lot next to the Woods' municipal building would be appreciated by these share-riders for they could leave their cars there and take the bus to their destination or plan to meet someone who would drive, and in this way they could save gasoline.

The plan will be presented at the council meeting next Tuesday evening by Arnold Diesing and Henry Lavers, members of the committee.

## Crime Wave Halts as 14-Year Old Boy Confesses Guilt

Mysteries of strange breaking and entering were cleared up when a fourteen-year old boy was first detained by the City police on Dec. 2, for truancy and upon further checking was found to have been absent from school on the very days of the peculiar ransackings of Pointe homes.

The boy confessed to the crimes and also told of taking several purses from the Memorial church.

At the present time he is being held at the Juvenile Detention home.

## Last Meeting of Year for Camera Club Next Tuesday

Tuesday evening will be the last meeting of the Grosse Pointe Camera club for the year of 1942. Its officers have arranged a most promising evening in the way of professional models to pose for photographing by the members.

The models will bring a large wardrobe of costumes and makeup in order that various characters may be presented. The members will be allowed to choose and pose the models in accordance with each and every artist's taste. The pictures taken are to be submitted at one of the January, 1943 meetings of the club, for judging. Places and honorable mentions are to be awarded to those submitting the best photographs.

## Home Front Bids Farewell To 18 Men at Send-off

Yesterday morning eighteen boys answered their country's call and were sent-off by members of the Grosse Pointe Home Front and ladies of the Breakfast Club, and the boys' families and friends at 6:45 a.m. from the Neighborhood Club.

The leader of the boys who acted as corporal was Frederick J. Porter. Traditional coffee and doughnuts were served the lads and their families by the Breakfast Club and the municipal policemen and firemen. Coffee was made available through small contributions, and the ladies made an earnest appeal for other donations for future send-off events.

Corp. Fred Dewey, Pvt. Parnell D'Hooche, former city fireman, and Pvt. Tore Franzen, all guests at previous sendoffs were present yesterday as they were home on furloughs.

## Captain Burroughs Promoted to the Rank of Major

Announcement was made last week at the headquarters of the commanding general of the 103rd Infantry of the promotion of Capt. Vernon R. Burroughs to the rank of major.

Son of the late Henry O. and Mrs. Leona Burroughs, of 1213 Maryland avenue, Grosse Pointe, Major Burroughs makes his home with his wife, Mrs. Virginia S. Burroughs at 2219 Monroe, Alexandria, La.

Major Burroughs attended Grosse Pointe high school, Wayne university, Field Artillery school, and Command and General Staff school.

In civilian life he was a merchandise broker. His military career began in May, 1931 and since that time he has been constantly active in military circles. In March, 1941, Major Burroughs attended Field Artillery school after which he joined the 5th Infantry Division. In July, 1942, he attended General Staff school transferring to the 103rd Infantry Division to which he is now assigned.

Prominent in high school athletics, friends in Grosse Pointe fondly remember Major Burroughs by the youthful nickname of "Tut."

## Navy Mothers' Club Meeting Is Tonight; Memberships Open

## Seasonal War Bond Poster

WASHINGTON, D. C.—This poster, emphasizing War Bonds as "the present with a future," is now making its appearance in several hundred thousand store windows throughout the country. It will serve as a reminder to Christmas shoppers that War Bonds make practical gifts which help in the winning of the War and provide its recipients with investments of value in the post-war world.

## "Toy Club" Drive For Membership Merits Attention

With its slogan, "Not a Kid Without a Toy for Christmas" the Toy club is continuing its tenth annual drive for membership.

Some-needy child, some little crippled child, or some orphan will know there is a Santa Claus if you will just send in your membership and that of the entire family, now, today! Fifty cents per person will enroll your entire family in this commendable cause.

If you haven't already been approached by a Pointe policeman or fireman holding a little membership application, you undoubtedly will be soon. These fellows are tremendously interested in the welfare of the youngsters and do their utmost to promote this drive to enable each and every Pointe child to enjoy a Merry Christmas!

Expressions of gratitude from last year's efforts show the splendid work the Toy club is doing. One of the many letters is as follows:

The Toy Club Dear Members:

We are grateful indeed for the beautiful toys which you so kindly sent for the children in the Sarah Fisher Home and Sarah Fisher Nursery. We wish that you might have had the pleasure of seeing the greeting the youngsters gave them.

In behalf of these little ones, to whom you were so generous, we wish to offer our sincere thanks, and the blank will be given (Continued on Page 7.)

## Shores Policemen, Firemen Retirement Plan Passes by Tuesday Vote, 253 to 4

Grosse Pointe Shores proposed a retirement plan for policemen and firemen, which was carried decisively Tuesday in a special election in the village, which counted 253 votes for the retirement plan and 4 votes for the opposition.

## Area Benefited By Central Mail Facilities in City

It seems too good to be true, but Grosse Pointe now has its own postal facilities for the holiday rush! Today, Dec. 10, the post office which comes to the Pointe through the earnest efforts of Congressman Louis C. Rabaut, who contacted Detroit's postmaster, Roscoe B. Huston, upon the initial action of the City of Grosse Pointe's mayor and council who recognized the acute need of a post office in the Grosse Pointe area, will be open at 17140 Maumee, between Neff and St. Clair from 8 a.m. to 8 p.m., daily and on Sunday, Dec. 13, from 2 to 4 p.m.

Provision for a so-called "Christmas" postoffice has been made in the city-owned building which housed the AWVS workshop at 17140 Maumee and which was vacated through the gracious courtesy and co-operation of the AWVS to be used as a temporary expedient due to the lack of a post office or substation here.

## 34 Men Receive Notification for Induction Dec. 19

Thirty-four Pointe men received notice from Draft Board 57 to appear for induction on Saturday, Dec. 19.

They are: Bernard Schrems, 314 Hillcrest; Charles Beels, 15032 Mack; James Allen, 1015 Devonshire; Robert Morrison, 648 Washington; Charles Holme, 1228 Wayburn; Charles Miller, 1434 Van Dyke, Detroit; Gabriel Chopp, 1430 Buckingham; Robert Kimber, 788 Rivard; Charles Dager, 1141 N. Center St., Stockton, Calif.; Armand Weber, 1648 Brys drive; Frederick Walker, 4393 Manistique, Detroit; Fred Read, 605 Barrington road; Stanley Strain, 16825 Cranford Lane; Norbert Cools, 1426 Beaconsfield; George Wolfe, 646 Notre Dame; Nelson Bethell, 19405 Kingsville, Detroit; Crimaldo Mastroianni, 470 Cloverly road, and Philip Fos (Continued on Page 6.)

## Fourth Annual Pierce Junior High School Winter Band Concert Tomorrow Night

The fourth annual winter concert will be presented by the Pierce junior high school band on Friday, Dec. 11, at 8:15 p.m., in the Pierce auditorium.

Soloists appearing on the program are William Willeford who will play the Berceuse from "Jocelyn" by Benjamin Godard as arranged for the baritone horn, and Margery Botts, piano soloist. Miss Botts will be remembered for her appearance last May at which time she played "La Rouquette," a composition for piano and band by David Bennett. Her appearance in this concert will feature "Repartee," an American rhapsodic composition in concert form for piano and band written by Mr. Bennett. As the title suggests, it consists of "musical conversation" between the soloist and the band.

In place of the novelty selection usually included in the Pierce band programs, a group of standard popular numbers will be played. This group will include "With a Song in My Heart" from "Spring Is Here" by Richard Rodgers, "I'll See You Again" from "Bittersweet" by Noel Coward and a special arrangement of "Limehouse Blues" by Philip Braham. A suite by Victor Herbert, the marching songs of the armed services, and several overtures complete the program.

The Pierce band was organized in September, 1939, and has won "superior rating" in each of the three Southeastern Michigan band and orchestra festivals held since that time. The group is directed by S. M. Trickey.

## TIME OUT

By BONNIE ESSERT

SEEMS AS IF PEOPLES FILL-  
ed up the tank store gas rationing  
and are still coasting on the joy li-  
quid, for there were at the prom  
Saturday last, whole lots of autos on  
four sweet tires. As any fool could  
plainly see there were quite a many  
couples in one car. At the next  
on (looking ahead) that tank will  
finally be wet with only the gas  
from a stamp, and all peoples will  
be dropping their nickles in the little  
box in the yellow coach. That's a  
mere sidelight (did I say mere?) for  
as long as you get where you're go-  
ing it doesn't matter how . . . or  
does it? Last Saturday after the  
prom they took the quickest way  
with shortie rats to the house of  
willing individuals. At Jim McGood-  
win's house was Jerry Wittstock  
with Jim, Pat Schroeder with Den-  
nis Lennihan, Betsy Boggess with  
Bob Fluit and Angela Wurster with  
Chuck Lea.

At Leo Hammer's house were

Rozanne Rupp and Cal Worrell,  
Mike DeBuck and Andy Steffani,  
Jane Duncan and Frank Slavik.  
(P.S. Janice Scott was with host  
Lee.)

To Allen Winnings went Cal Nix-  
on and Tom Crowley, Bob Shepard  
and Bev Manney. (See Essert with  
host Al.)

Others at the prom not here be-  
fore given a mention were Nanehe  
Emery and Don Neisch, Margo  
Downing and Dwight Wilson, Elea-  
nor Eckert and Frank Peck, Bugs  
Nixon and Jim Stein, Jo Broadbridge  
and Jack Portert and Mary Palmer  
and Art Edwin Franzen.

So goo by formal weekend and  
hello to another saddle shoe one.

WHAT WOULD FRIDAY  
night be without pocklucks? Just  
plain old Friday night, I guess. Last  
weekend there was one at Pat Tob-  
ins at which came Gloria Butts, El-  
len Hyde, Jan Schaeffer, Ann Lev-  
crenz, Margo Downing and Jo  
Broadbridge.

DOTTY VINING, BETS KREL-  
ler, Pat Stimson, Peggy Erne, Jean  
Corfield, Mary Ellen Gallano, El-  
lean Moore, Bev Waddell had their  
"cory" at Jean Lindemanns. Bridge  
was the item of the eve.

## Board of Education Appeals to Public to Loan Typewriters to WPB for Duration

At its regular meeting on Dec. 7,  
the Grosse Pointe board of educa-  
tion was notified that the WPB was  
in great need of typewriters of re-  
cent date for supplying battleships,  
bombers, Army and Navy offices and  
other essential war services. The  
WPB was appealing to public  
schools, business offices and state  
and local government agencies to  
release at least twenty per cent of  
their more up to date machines. The  
probabilities are that if a volunteer  
release of school typewriters can-  
not be made, the WPB will requisition  
them, as has already been done in  
some cities.

While the board of education is  
anxious to co-operate with the  
WPB, in the interests of war use  
of essential equipment, it is also  
faced with the problem of increasing  
pressure for training young people  
to operate typewriters for war ser-  
vices and for industrial production  
accordingly, the board felt that it  
should make every effort to see what  
could be done in getting the co-op-  
eration of the citizens of the com-  
munity to keep the typewriting  
classes going in the local schools  
before agreeing to release their  
quota of 29 machines to the govern-  
ment.

A general appeal is therefore be-  
ing made to citizens of Grosse  
Pointe who have standard typewrit-  
ers in their homes that were made  
prior to 1935 to offer these older  
machines for sale to the school dis-  
trict for the duration. The plan is  
to set a standard rate of \$5 per  
typewriter as a purchase price with  
the agreement to sell the machine  
back to the owner at the end of the  
war at the same figure. The ma-  
chines will be kept in repair and re-  
turned in good condition. It is pre-  
sumed that there are in the com-  
munity many typewriters of an older  
model that are not being used and  
which the owner would be glad to  
release in the interest of patriotic  
co-operation in preparing young  
people to do their part in helping to  
win the war. Obsolete makes of  
typewriters and those for which  
parts probably could not be secured  
will naturally not be of any use to  
the school district.

Anyone who has a typewriter with  
a standard keyboard made prior to  
1935 in working condition and is  
willing to release it may telephone  
E. G. West, director, business and  
finance of the Grosse Pointe public  
schools, at Niagara 2000 or write  
him at the Board of Education Bldg.,  
389 St. Clair.

E. G. WEST, Director Business and Finance,  
Grosse Pointe Public Schools,  
389 St. Clair, Grosse Pointe, Mich.

I have a standard typewriter in my home which is older than  
a 1935 model, about which I would be glad to talk to you about re-  
leasing for the duration, in order to keep alive the school program  
of training young people for essential war service.

## Mothers' Club Will Have Christmas Tea Friday, Dec. 18th

Not by any means the least im-  
portant event during the Christmas  
season, is the annual Christmas tea  
of the Grosse Pointe Mothers' club,  
which will be held on Friday, Dec.  
18, from 2 to 6 o'clock.

This year, in order to meet the  
problem of transportation, it will be  
in the home of the president, Mrs.  
Charles Ellis.

Mrs. Ellis' home is at 1377 Har-  
vard road, is convenient to both the  
Charlevoix and Kercheval bus lines,  
making it more easily accessible

has previously been held.

A musical program is being ar-  
ranged by the program chairman,  
Mrs. Millard Toncray.

## Uncle Is Victim of "Empty" Shotgun; Dies in Hospital

Raymond Henningsen, of 846 Lin-

shotgun wound of the head, suffer-  
ed Saturday afternoon.

struck by the shot from the  
accidental discharge of a shotgun  
being examined by a nephew, Pvt.  
Stuart Elliott, 21, home on furlough  
from Fort McArthur, Calif. Hen-  
ningsen was sitting in the next room,  
but the charge came through the  
wall.

Mr. and Mrs. G. H. Briner, of 1353  
Harvard road, left last Friday for a  
visit with their son and his wife,  
Lieut. and Mrs. Jack Briner at  
Camp Belvoir, near Washington,

## A. F. of L. Presents Objections to Park Pay Plan Friday

At 7:30 p.m., Friday, Karl B. Goddard, president, and a quorum commission of the village of Grosse Pointe Park met with a representative of the A. F. of L. in connection with the present so-called "Cost of Living Pay Plan" that is now in effect for all employees of the village. The commission gave the union an opportunity to present its arguments and give them due consideration.

John Mazer, of the A. F. of L., Local 77, presented the union's case and represented the firemen, highway and garbage departments, as he was not authorized to speak for the other Park employees. The department mentioned had committees present.

The elimination of the "Cost of Living Pay Plan" was asked because it had proved itself unsatisfactory, in the opinion of the union, and did not adequately meet the needs of the employees of the Park.

Raised objections to the plan which were stated to the village commission by Mr. Mazer were that the plan was put into effect on Jan. 1, 1942 at a time when the cost of living had already risen some sixteen to eighteen per cent since 1939, the beginning of the vicious price cycle. He maintained that if the village is going to consider a "Cost of Living Pay Plan," it should have gone back to its inception in 1939. "Why include this plan at this late date inasmuch as the government has stabilized and generally frozen most of the prices?" questioned Mr. Mazer.

It was further pointed out that the figures as prepared by the U. S. bureau of labor are unfair and inaccurate inasmuch as they include with their statistics some two hundred odd items which they finally balance and come out with their so-called "increases" in the cost of living. The A. F. of L. claims the actual truth is that the average worker doesn't include within his budget two hundred or so items but rather a much smaller figure somewhere around thirty to forty items. The worker merely buys those essentials he needs, because he can't afford the others. Mr. Mazer contended that the village of Grosse Pointe Park does not pay wages that compare with the surrounding communities such as the Farms, the city, Highland Park, Dearborn and Detroit, all of whom pay anywhere from 10 to 20 cents an hour more.

In connection with the question as to whether the union's request for a 15 per cent increase for the firemen and 20 per cent increases for the garbage and highway departments is within the general policy of the wage stabilization plan, Mr. Mazer says there is no question but that it does. There are two reasons he gives for this particular fact. One being that the wage stabilization policy allows a 15 per cent wage increase as of Jan. 1, 1941 to apply to the employees and further adds that wherein there are any qualities within the area or community that any increases over 15 per cent to make such additional adjustments is in order and will be approved by the WLB.

The pay plan will be in effect until the first of the year, and in the meantime, the commission is giving the arguments of the union consideration and they are under advisement at the present time.

## High School Ranks High in National Tests

In a recent letter from Ruth A. Pedersen, of the advisory service of the Co-operative Test Service of the American Council on Education, Grosse Pointe high school was given a high rating in many phases of its instructional program. The letter brought to the attention of the board of education at its regular meeting on Dec. 7, 1942, by Paul L. Essert, superintendent of schools, was addressed to the principal of the high school, Walter R. Clemenson.

The local high school participated in tests which compared the results of the high school students in this community in various fields of scholarship with those of other communities throughout the nation. The norm or the median of all these schools together is the measure by which any school can tell whether it is doing better or poorer work than other schools of the nation. The local high school was above the median for the nation in all mathematical subjects, in science, in Spanish, in Latin and in certain other specific fields.

"As you will note from the enclosed tabulation," says Miss Pedersen, "The median score obtained by your students in the co-operative achievement tests compare very well with those of the norms group, consisting of students in public secondary schools in the east, middle west and west."

"The mathematics median scores are, without exception, above the established norms. I note that within the four groups of mathematics the students of the separate classes show very similar achievement. The two trigonometry classes have identical median scores, well above the established norms. The differences among the medians of the Elementary Algebra groups are more marked than those of the other mathematics groups."

"The science medians of your students are equally outstanding. There is no median score below the established norms." Miss Pedersen continues. "The median scores of the four chemistry groups are all exceptionally high. The physics median score of your students is well above the established norms also."

"Spanish II median scores are consistently above the established norms," the report says. "I note the very high vocabulary median score of this class of Spanish II students."

"The Latin II median scores are all above those of the norms groups, as are all of the Latin IV median scores with the exception of the reading median score of the smaller class. The median scores on grammar and vocabulary are remarkably high for the Latin IV groups. The Latin VI median scores are exceptionally high on all parts of the examination. The reading median of the larger class is slightly below the established norms. The smaller class shows extraordinarily high median scores on vocabulary and grammar."

In reporting the results of these tests to the board of education, the superintendent indicated that these tests were not only valuable in comparing our local school with other schools but were valuable in showing instructors in the local high school at just what points there needs to be strengthening of their instructional program and was valuable in helping make a real diagnosis of the teaching needs of the local school.

These tests are given annually and have consistently shown that the Grosse Pointe high school is doing well in most of its branches of study.

### Shores Features 'Year's Best' for Sun. Mon. and Tues.

Acclaimed by critics as one of the finest, if not the best picture, of all time, "Mrs. Miniver" has been brought to the screen of the Shores theatre for three days starting Sunday.

Starring Greer Garson and Walter Pidgeon, the inimitable pair from "Blossoms in the Dust," this new drama is said to outshine the excellent dramatic acting of both stars in that fine picture.

Sunday's matinee starts at one o'clock. Included with this headline attraction is a late newsreel and a good cartoon.

### Driver Dodges Woman Ends in Crackup Anyhow—Ticketed

When Nicholas Kalany, cab driver, 46, of 1426 Michigan avenue, Detroit, was driving west on Jefferson avenue on Dec. 3, he noticed a woman walking across the avenue at the crosswalk and attempted to apply the brakes, but they failed to work. He immediately swerved the car to the right to a vacant space and thought the high curb would stop the car, but the car continued over the curb, knocking over a traffic sign, breaking the iron pipe standard, and crashed into the front of Pete Moor's restaurant on East Jefferson.

The front door of the restaurant was smashed and this jammed the other doors. A front window was shattered. Mr. Moor estimated the damage to be about a hundred dollars.

Damage to the cab consisted of a smashed front, and the tires on the right side blown out.

Detective Sergeant Louwers of the Park police, photographed the scene before the vehicle was removed.

Kalany was given a ticket for reckless driving and will appear on Dec. 16.

### Park Police Car in Accident While After Speeding Driver

Chasing a speeder down Jefferson avenue on Dec. 1, in a Park police scout car, at about 40 to 45 mph, Patrolmen Gerard Kesteloot and C. Ingalsbe, with the former driving, were struck by a car operated by Russell A. Dossin, of 805 Tormbly, who made a left turn into Jefferson from Trombly, going west in front of them. Dossin applied his brakes, but they failed to work. Detective Sergts. Louwers and Butts were assigned to the case.

The front end of Dossin's car was smashed and damage to the scout car was estimated at eighty dollars.

### Epic 'Mrs. Miniver' Coming to Alger Theatre Friday

Jan Struther's best-seller, "Mrs. Miniver," heart-warming story of an average English woman, has been brought to the screen as a timely and significant motion picture, dealing as it does with the heroic courage of the British middle classes on the home front during the present war. It comes Friday to the Alger theatre for a week's stay.

The story, simply, honestly and graphically told as it might be in a dispatch from a bombed English village, is woven around the Minivers and their family. Greer Garson as Mrs. Miniver and Walter Pidgeon as her husband, Clem, are starred in the Metro-Goldwyn-Mayer picture. The film happily reunites them as the public demanded, after their outstanding performances in "Blossoms in the Dust."

#### Spectacular Sequences

Principal locales of the picture are London shortly before the war and a nearby village on the Thames, where the Minivers live in solid middle class fashion with their three children. While the picture has several spectacular wartime sequences, the rescue at Dunkirk and the bombing of the village, emphasis is placed on the reactions of these everyday people going through the horrors of war in their own homes, rather than the tragic events themselves. The Dunkirk sequence, for example, shows the non-combatant British men of the village collecting their fleet of tiny boats to rescue trapped fathers, sons and brothers across the turbulent and dangerous channel.

#### Hollywood Newcomer

Teresa Wright, bright Hollywood newcomer from the New York stage success, "Life with Father," and who recently scored in "The Little Foxes," plays Carol Beldon, granddaughter of the village aristocrat. She is romantically teamed with Richard Ney, also from "Life with Father," who has the role of Vin Miniver, son of the Minivers and an RAF pilot. Lady Beldon, benevolent ruler of the village, who looks down her nose at the middle classes, is portrayed by Dame May Whitty, noted English character actress. In other leading featured roles are Henry Travers as the station master and Henry Wilcoxon as the village vicar.

### Drama of 'Wake Island,' and Fine Comedy at Vogue

Belching cannon, the shriek of diving planes, the roar of anti-aircraft and the staccato hammering of machine guns, the symphony of battle accompanying the deeds of our heroic American fighting Marines, will thunder out from the screen of the Vogue theatre, when Paramount's "Wake Island" arrives next Friday for one week.

Paramount has taken the epic story of the 14-day siege of our Pacific outpost, one of the most inspiring stands of this war, and made a screen drama of it, from the viewpoint of the men who fought the battle. Four hundred and forty-six Marines fought an invading force of more than 20 times their number. Among the players in this thrilling story of Marine heroism are such outstanding performers as Brian Donlevy, Robert Preston, Macdonald Carey, Albert Dekker, Walter Abel, Barbara Britton and William Bendix.

John Farrow, a lieutenant commander in the Canadian Navy until he was recently invalided out of service because of wounds, directed the epic new film. Credit for the original story is given to the United States Marine Corps. Topnotch screenwriters W. R. Burnett and Frank Butler wrote the script.

Insuring authenticity, "Wake Island" was filmed with the aid and co-operation of the Marine Corps.

#### Second Feature

Co-starring glamorous Veronica Lake and broad-shouldered Joel McCrea, "Sullivan's Travels," the new Paramount comedy written and directed by Preston Sturges, comes Friday to the Vogue theatre as the second feature.

That honey-blond Veronica, who scored so impressively in "I Wanted Wings" as an alluring siren, was chosen for the chief feminine role in the uproarious comedy, has occasioned quite a stir among film followers. Veronica, in the minds of many, was destined to go on playing "vamp" roles.

But there film devotees, after all, had seen Veronica in only one picture and didn't know her versatility. Then, too, they didn't reckon on a fellow named Preston Sturges who was a lot that most directors don't. Putting tall, handsome Joel McCrea and beautiful Veronica Lake as a romantic comedy screen team is a stroke of good judgment that can be attributed only to Sturges. Advance reports are that the movie is an exciting and heart-warming drama.

### Help Make a Soldier Happy This Yuletide By Giving Him a Gift

Christmas is the day when loneliness and homesickness become acute when one is away from one's family and friends as many service men will be this year. Some of the men at Fort Custer and other nearby encampments will be given short furloughs, but this will not allow them to make the trip home as many of them live great distances and will thus spend their holiday in Detroit. Men from our Allied nations will be included in the throngs of service men down at the USO center at 401 W. Lafayette, corner of Cass.

Beginning with the sole idea of making a happier Christmas for the men in the service, the Pointe organization stating its title as a slogan, "Christmas Boxes for Service Men" began as a neighborhood project. The idea has matured until the group of women is amazed at the pleasing results. They have the hearty consent of Army and Navy officials. But there is yet much to be done.

Gifts with the value of two dollars are being contributed by patriotic and understanding Pointers, and the committee wishes to emphasize that if the package you wish to give isn't of the price stated it will be welcomed. In order to conform with the war and navy departments' regulations, foodstuffs, with the exception of canned nuts, may not be included. These presents may be left at any Grosse Pointe police station. The gifts are to be wrapped in plain paper and string so they may pass the inspection required and will then be done up in decorative paper and ribbon by the committee.

As many of the service men enjoy writing to the thoughtful donors, those contributing packages are asked to enclose their name and address.

Financial donations are being accepted for the Christmas Eve party the group is planning to hold at the downtown USO. It will be here at this time that the gifts will be distributed. Anyone preferring to donate money for gifts may send their contributions to Mrs. Glen Anderson at 329 Merriweather road. If there should be an overflow of gifts received, the extra presents will be distributed at an Army post.

Mrs. Glen Anderson is the chairman of the committee; Virginia Mertz is assistant chairman.

Members of the committee who are giving their time and talents to the successful promotion of this praiseworthy cause are: William Mertz, Dr. and Mrs. Harvey Blain, Judge and Mrs. Lester S. Moll, Judge and Mrs. Robert Toms, Mr. and Mrs. Harvey Olsons, Mr. and Mrs. William Pierson, Mrs. Charles McNaughton, Mr. and Mrs. E. J. Hunt, Mrs. Duncan Campbell, Mrs. L. R. Lilly, Mrs. David Heron, Gayle Heron and Eleanor Potts.

Should you have any questions regarding the type of gifts the boys can use, call Mrs. Anderson at NL 5065 or CA 1135.

#### TOWN HALL SPEAKER

Edward Weeks, editor of The Atlantic Monthly and one of the finest lecturers on contemporary literature is the speaker at the Cass theatre for the Detroit Town Hall's last lecture before the Christmas holidays, on Friday morning, Dec. 11 at eleven o'clock.

### Special Children's Matinee Saturday at Esquire Theatre

A special matinee for children will be held at one o'clock Saturday afternoon at the Esquire theatre, 15311 East Jefferson, with three feature pictures, two cartoons and another chapter of "King of the Mounties."

Regular features, which will play Saturday, Sunday and Monday are Judy Canova and Joe E. Brown in "Joan of Ozark" and Jean Gabin and Ida Lupino in "Moontide." Both of these will be shown at the children's matinee, plus another feature, "Niagara Falls," two cartoons and the next chapter of the serial, "King of the Mounties."

### Teletype Resolution to Be Presented to Board of Supervisors

On Friday afternoon at a meeting at the county jail attended by Sheriff Andrew Baird, a representative from the prosecutor's office, Edwin Densted; a Detroit police radio inspector, and members of the Michigan Police Chiefs' association, Chiefs William Rutledge, of Wyandotte; Floyd Creighton, of Lincoln Park, and Thomas Trombly, of the City of Grosse Pointe and president of the association, the appropriation cut in the Wayne county budget for the use of teletype facilities was discussed.

The men drew up a resolution to be forwarded to the county auditors who in turn will send it to the ways and means committee. This committee will present the resolution to the Wayne county board of supervisors on Dec. 16.

### Tucker and Regan Star at Stevadora

This week's show at Eddy Shepherd's Club Stevadora features two outstanding novelty acts. Tommy Tucker, the Hollywood sound man does a series of sound impressions used in animated sound cartoons that are both amusing and entertaining. John Regan is an amusing character. He is an Englishman who turns out to be a cowboy. His English cockney wit combined with expert handling of ropes and whips make for some solid entertainment.

Good and Goody, the two fugitives from an insane asylum, present some new laugh provoking scenes. Lee Mason, the singing star of stage and radio, is held over and sings some new numbers as well as doing MC for Eddy Shepherd who is still recuperating. Ethel Shepherd has some new vocal arrangements and joins the Esther DeRoy Glamour Girls in production numbers. Lee Walter's orchestra takes care of the music.

## Saturday Night Sees 1000th Service Man Attend Hostess Corps' Fun for All Parties

When John L. Sutch, of Lufkin, Texas, a U. S. sailor, walked through the door of the Neighborhood club, where the Hostess Corps' "Gay Nineties" party for service men was being held Saturday night, he was eligible for the prize of a billfold containing \$5.00 as he was No. 1000 of service men to attend the corps' many delightful parties. "The best party I have ever attended, and I get paid for it," happily remarked Seaman Sutch. This was a milestone for the hostesses and their sponsors, for it proved the success of the entertainment and the hearty response from the boys in attendance.

Gas rationing didn't prevent the service men from coming from the downtown USO Saturday, either, for they all gamely hoped street cars and buses and arrived at the club in the gayest of spirits. Their mood was allowed to continue, in fact, even encouraged when they entered the realm of the 90's, for they were led to a row of slippers and upon selecting one they matched it with the shoe worn by the hostess. Thus the fun began.

A riot of laughter accompanied the playing of the relay game, "The Gay Nightie Contest," during which the teams donned a long nightgown and cap and carried a lighted candle for a designated distance. This continued for each individual in rapid succession. Carrying the candle and not extinguishing the light in the swift movement was really quite a trick. The pleased remarks of the service men between chuckles when one of their chums would attire himself in the outfit proved that this game was one of the highlights of the evening.

Well, pardon us! What, you did it on purpose? Oh, we get it — the "Booms-A-Daisy!" We should've known. Now wait until we get our shock absorbers, and we'll be all set. Thus the dance, already well-known by the English boys, was enjoyed by all and so was the singing of the song by Miss Pauline Masak, of the Neighborhood club, who really put over.

"Bows, bows, everywhere and even one to wear!" That's the tune the hostesses were humming for the "Nineties" love for bows of any size or color was duplicated Saturday night. Each girl selected a huge crepe paper bow while the men

chose a style of mustache they considered most flattering, ahem, from the models exhibited and thus the couples were authentically back in the days of the tandem bicycles and the barber shop quartets.

The old-fashioned snack bar provided by the food committee which includes Mrs. William Bedell, chairman; and Mesdames C. D. Pomy, R. W. Knell, and Clyde M. Adams with the help of Mesdames Mary Hill and G. D. Halliday, boasted a red and white checked tablecloth and pretzels, rye bread, cheeses and cold cuts, potato chips, and other refreshments in keeping with the delicacies of that era. Kerosene lamps and candles flickered their dim lights about the cheerful room. Mrs. Arthur Bull and Mrs. Harry Phillips are to be commended for their splendid work in decoration.

Lloyd Loring again took pictures of the boys, and these pictures are sent to them by Mrs. Bert Spurrier, chairman. From the expressions of appreciation received from the lads it is apparent that they aren't at all camera-shy but really enjoy and are grateful for the photos. They even make requests for copies for their families, some of whom are a great distance from them.

The junior hostesses of the evening were Barbara Fitch and Barbara Irion who did a fine job in the making and executing of the plans.

Bobby Jones and his 10-piece band rendered the music which included many old favorites some of which were sung. The Boy Scouts of Troop 156 checked wraps.

Mr. and Mrs. Walter Cleminson came to the party and expressed complete approval of the corps' activities. Pointers who extended their hospitality and their homes for the weekend were: The Simon Den Uyls, Clyde Adams, R. C. Pulliams, John R. Watkins, James K. Watkins, Arnold Malloes, Fred O. Risings, Mark Stevens, Gilbert Curries, Ferris Fitch, Charles Hewitts, Lee Clancys, Russell S. Collins, Taylor Seebers, Bert Spurriers and Lloyd Murrys.

Mrs. Spurrier announced that the Christmas party will be on Saturday, Dec. 19, and made the need for contributions known. Anyone desiring to give a gift or financial assistance may contact Mrs. William

Teetzel, treasurer, at Niagara 3089 or may send their donation to her at 342 McMillan road. Men from all parts of the world will be invited to this holiday event, and you can be assured that your contribution will serve to make some lonely boy happy by giving him a truly Merry Christmas regardless of the role he may later have to play in the cruel game of war.

## Park Police Squelch Blaze in Park Fire Fighters at Bowling

When Park policemen would yawn with a politely bored, "ho hum" as the Park firemen would become more and more egotistical in their verbal ravings of their almost unbelievably super-bowling scores, they knew that one evening they would prove that even though they didn't have the league practice the firefighters had, they could still find that groove down the center of the alley. The firemen were given an opportunity to prove their boasts Tuesday evening when they met the policemen's challenge, but they left the scene of their mortifying defeat with reddened faces, for the "flat-feet" raised their arches in a hurry and licked them by 162 pins in the three games. For once they had changed places and the policemen put out the fires of ego and the firemen were left to "lock up" their regrets.

The contest was the scene of much good-natured bantering, but since the event and the "pinning down" the firemen haven't even mentioned the word "bowling." They have even referred to the pavement outside the firehouse as the "thoroughfare" thus avoiding the painful "alley" which serves to remind them of the time the braggadocios' were squelched.

Those who took part in the friendly rivalry were: For the firemen: Joseph Kelly, Captain De Corbin, P. Wernet, Al Martin and Gus Martin and the "winnahs" of the police force, Art Conlon, Sgt. R. Buits, Sgt. F. Snay, Sgt. A. Louwers and A. Verdonck.

## Trombly School N-E-W-S

Trombly school pupils will present "The Story of Silent Night" on Dec. 16, at 8 p.m., in the auditorium.

The Christmas program will be staged in two parts. Part one will be presented by pupils of the second and third grades; they will sing Christmas songs in solo, duet, quartet and chorus arrangement. In part two, pupils of the fifth and sixth grades will dramatize the story of the Nativity. Christmas songs will be sung by the entire school. The play will depict the story of how Franz Gruber and Pastor Joseph Mohr wrote and composed "Silent Night" the song we all love and sing every Christmas season. The hymn was first sung on Christmas Day 1818 in the village of Oberndorf nestled in the Austrian Alps.

Before the fame of "Silent Night" reached the ears of the world, Joseph Mohr had died, never knowing that his poem "Silent Night" and the music of the beautiful Franz Gruber were to become world famous.

In every corner of the globe, the Christmas story is known, as has been known the Christmas story that was born in the little town of Bethlehem on Christmas Day 1818 in the village of Oberndorf nestled in the Austrian Alps.

## Send-Off

music for Grosse Pointe schools who also organized the two fine bands at Pierce and the high school, encouraged those present who were about to leave with friendly counsel and made their families even more proud of their sons. Norbert P. Neff provided again to be a delightful M. C.

## Car Hits Tree After Making Turn on Slippery Pavement

Four stitches in his nose and ten on his forehead and a terrific shock were the results of the ride Elmer McRury, 49, of 174 Riverside, Detroit had with David Chas. Parry, 60 of 720 Manistique, Detroit, on Dec. 5 when Parry's car skidded after a turn and struck a tree on the parkway on Windmill Pointe. Parry suffered a bruised nose and abrasions on the knees. The front of the car was badly damaged. The men were taken to the Grosse Pointe Hospital by Park patrolmen Enders and McLeod. No charges were made as Parry skidded on the icy pavement after making the turn.

## BICYCLE TRACKS AND FOOTPRINTS ARE ONLY CLUES LEFT BY BURGLAR

The rooming house of Mrs. Temple at 184 Fisher road was found ransacked on Dec. 1 upon the return of two high school teachers who live there. Clothing was strewn all over the top floor. Farms Policemen Pelkey and LaBroski discovered bicycle marks and boy's footprints in the snow at the rear of the house. Evidently entry was gained through the milk chute. Nothing was missing, and it was thought that money was the object of the search.

## Failure to Stop Causes Accident

Admitting he failed to stop at Kercheval when driving south on Maryland on Dec. 6, Stanton Cook, 42, of 1026 Connors avenue, Detroit, struck a car operated by Harry W. Summers, 22, of 259 Ashland, Detroit, who was driving west on Kercheval. Summers' car rolled over.

The front of Cook's car was smashed. Cook was given a ticket for failure to stop. Cook was bruised on the face, and Allene Hunter, 22, of 1026 Connors, a passenger, suffered from shock. Summers was unhurt.

Lieut. D. W. Allard was home for Thanksgiving before leaving for his new station at Freda, Calif.

Wyman D. Barrett, Jr., 19-year-old son of Dr. and Mrs. Wyman D. Barrett, of 103 Vendome road, has been found qualified for aviation cadet training by Examining Board No. 4 and is waiting call to active duty. Wyman graduated from the Hill school in Pottstown, Pa., in '42.

## CHRISTIAN SCIENCE CHURCHES

"God the Preserv. of Man"  
will be the subject of the lesson-ser-  
mon in all Christian Science church-  
es throughout the world on Sunday,  
Dec. 13.

The Golden Text (Psalms 62:7) is:  
"In God is my salvation and my  
glory: the rock of my strength, and  
my refuge, is in God."

Among the Bible citations is this  
passage (Psalms 31:1): "In thee, O  
Lord, do I put my trust; let me never  
be ashamed; deliver me in thy  
righteousness."

Correlative passages to be read  
from the Christian Science textbook,  
"Science and Health with Key to  
the Scriptures," by Mary Baker  
Eddy, include the following (p. 571):  
"At all times and under all circum-  
stances, overcome evil with good.  
Know thyself, and God will supply  
the wisdom and the occasion for a  
victory over evil. Clad in the panoply  
of Love, human hatred cannot reach  
you. The cement of a higher human-  
ity will unite all interests in the  
one divinity."

## Neighborhood Club N-E-W-S

We thought you might be inter-  
ested in the various activities that  
are available for girls at the Neigh-  
borhood club. The Junior WAACS  
gym class meets every Wednesday  
from 4:15 to 5:15 for girls 10 and  
over, and is especially interesting in  
that the girls work for actual ranks  
such as corporal, sergeant, etc. Why  
not try it?

Then there are Handcraft classes  
on Tuesdays from 4:15 to 5:15 for  
girls ages 10 and over and Wednes-  
day from 4:15 to 5:15 for girls ages  
six to nine. They are making some  
very interesting articles that can be  
used for Christmas gifts. The Junior  
Victory girls meet on Saturday from  
10 to 12 and are very active in sal-  
vage work for the war effort.

Camp Fire Girls meet Friday from  
4:15 to 5:15, and the secret is out.  
The Camp Fire girls from the Neigh-  
borhood club are putting on the  
Christmas play for the annual  
Christmas breakfast for girls of the

## Detroit area.

### Christmas Caroling

The annual Christmas greeting to  
the community from the girls at the  
Neighborhood club will be given in  
the form of favorite carols on Wed-  
nesday night, Dec. 23. Any girls in  
the community interested in par-  
ticipating in this activity are asked  
to come to the club on Thursday  
evenings from 8:30 to 9:30.

### Woolworth Dance

The next Woolworth dance will be  
held on Friday, Dec. 18, at the club.  
These dances are as popular as ever,  
and if you haven't been attending,  
you have been missing a good time.  
Everybody's welcome. We'll be look-  
ing for you.

## Speakers Organize to Serve Area; Attend AWVS Cause

Due to the limitations of traveling  
imposed by gasoline rationing, the  
Grosse Pointe unit of the AWVS,  
in co-operation with the OCD has  
been organizing a group of speakers  
to serve in that area.

The first meeting of this group  
will be held this evening, Dec. 10, at  
8:15 at the AWVS headquarters at  
17027 Kercheval avenue.  
Dr. Preston H. Scott, director of  
speech at Wayne university and  
chairman of the OCD Speakers  
Bureau, will conduct the course. The  
new bureau will supply speakers up-  
on request to clubs and organiza-  
tions in the Grosse Pointe area  
which are seeking information on  
the war effort.

Mrs. E. Raymond Legg, chairman  
of the program for Grosse Pointe,  
has asked prospective volunteer  
speakers to get in touch with her at  
LEnox 9000, or to call the AWVS  
headquarters at Tuxedo 1-1050.

## American Red Cross Urgently Needs Surgical Dressings

The American Red Cross is now  
making all dressings for the gov-  
ernment, and five million dressings  
are needed.

They are behind in their quota and  
this must be made up as rapidly as  
possible. The only way it can be  
done is with the help of each surgi-  
cal dressing worker. Can you go out  
and help them now? They need you  
so much.

The Defer unit will be open every  
Tuesday and Wednesday from 9:30  
a.m. until 3 p.m., right through the  
holidays. They cannot stop until the  
war does.

If you have not taken the course,  
it can be done in one day. Just call  
FI. 4040, ask for the surgical dress-  
ing department, and make reserva-  
tions for a class on Tuesday, Wed-

OPEN EVERY EVENING UNTIL CHRISTMAS

TO ALL OUR CUSTOMERS:

Electricity is one of the cheapest things the house-  
wife can buy because the price has been reduced so often and so much.  
You probably haven't got an electric bill dated twenty-five years ago, but the records  
show that electricity cost 5.87 cents then; and now it is only 3.16 cents. Almost  
half price. There have been many rate reductions in twenty-five years.

Most other prices have gone up. Food, clothing, taxes, trans-  
portation. If your husband rides to work on the street car he may have heard that  
twenty-five years ago he could have bought seven tickets for a quarter. In 1917 the  
Detroit tax rate was \$13.81 — this year it is \$28.97. I used to have an "Ingersoll  
Dollar Watch" that kept fairly good time, but you can't get a dollar watch now. And  
you know how much less a \$5 bill will buy in rent, round steak or clothes.

The price of electricity is low. If other things cost as little, the  
cost of living would be half what it is.

## "Sighted Sedan; Scrapped Same!"

When you go for that stroll which you will unless you have roller skates that will eventually need precious oil, keep your eyes on the alert for any old "jalopies" that have no use as transportation vehicles but which would be vitally essential to the Pointe junk heap of old cars and trucks and when you have spotted one, report it to Neil Blondell at Niagara 5800.

If 1,100 cars were turned into scrap, 1,650,000 pounds of urgently needed scrap metal would be realized. If we could send this metal "deep into the heart of the Axis," we could consider our "Jalopy Roundup" a huge success.

We have proven through our tin can drive that patriotism and practicability are two of our outstanding virtues. Let's follow through for a successful drive. Scrap can and will win the war! Germany has long been salvaging everything that has an immediate use or a possible use in the future. Japan has long been buying the greater amount of our scrap metal. We are getting a late start, but we're doing all right so far. Keep it up! Go on an old car search today! Maybe you won't have to look any further than your own garage, who knows?

The Joy of Giving  
Is the Joy of Living

In these days when for some, money is flowing freely even though the cost of living has been rising, the need for war bonds increasing, and taxation becoming more severe, the fact remains that there are still folks for whom Christmas is a day in the near and dreaded future when they will have to see the disappointed faces of their children when they realize that Santa Claus must have overlooked them in his busy night of bringing joy to all.

With the slogan "Not a Kid Without a Toy for Christmas," the Toy Club has again for the tenth time launched its annual drive for membership. By the enrollment of you and your entire family at the rate of 50 cents per person, you are assuring a handicapped or crippled child, an orphan, or a needy child of a truly Merry Christmas!

We are all busy with our personal shopping needs and shortages, our difficult working hours, our worries and prayers for our men "over there," and many other things that make this Christmas entirely different than any we have known, but let us keep proving that "Good will to men" will finally assure us of our "peace on earth" by helping those less fortunate than ourselves and knowing the real thrill of the Yuletide season—that of giving.

So pay your membership to any Pointe policeman or fireman or mail it with the coupon provided on the front page of this paper.

Remember, too, the joy of giving on Goodfellow Day, Tuesday, December 15.

## "To Form a More Perfect Union"

December Fifteenth is Liberty's Birthday! On the ratification of the state of Virginia our Bill of Rights was incorporated into the Constitution in 1791, making our freedom of religion, speech, and the press, the right of assembly, the right to keep and bear arms, property protection, trial by jury and the many other provisions for the independence of an unbonded people assured 151 years old Tuesday.

During these days of learning of the cruelty and slavery in the downtrodden countries of Europe, we begin to think more and more of our many privileges and responsibilities. When we consider the horrible razing of the town of Lidice, Czechoslovakia where before a peaceful people had dwelt in peace and the contentment it brings and how mercilessly the Nazis had without purpose, outnumbered and conquered them, burned their homes and churches, shot all the men, and exiled the women and children for their own selfish purposes, we know how they must have dreaded the invasion and its results. And Lidice is but one of many. Innocent people are still alive and whose heads are bent in humiliating submission have avowed to avenge their deaths. Not today or yet tomorrow, but one of these days soon they will rise up together and claim the rights of free men — the freedom enjoyed by each and every American even in these times of war, shortages, and deprivations.

Sometimes when we inherit something we do not fully realize the entire value of our birthright. We have always known that America was "the land of the free and the home of the brave," but the most recent years have pictured for us the chains of slavery and the avaricious advances of our treacherous enemy. "We love our land for what she is and what she is to be!" She is going to be stronger and bigger in spite of envious jealousy and we intend to continue to enjoy the rights of free men if we have to give our very lives for that insurance. Men who seek to conquer rather than improve and protect are always leveled to the ground in due time. Men's bodies can be conquered but never men's minds and souls.

So we look to the horizon and there we see the sun of liberty still shining on the faces of each and every American. The clouds of despotism can never obliterate that brightness. It is the guiding light to those under the dictator's heel. "We, the people of the United States, in order to form a more perfect union—" None is but one, but all are together. "We," that includes not just our men of state but everyone. "In order to form a more perfect union," we want our ship of state to sail as smoothly as possible. That the storms are inevitable is realized, but we keep our eyes to the heavens.

Many, many years will bring the happy return of this day of the birth of our Bill of Rights. "Long may our land be bright, With Freedom's Holy light, Protect us by Thy might, Great God, Our King."

Christmas Cards Should Be  
Separated for Speedy Handling

Greeting cards presented at the "Christmas" post office at 17140 Maumee, between Neff and St. Clair, which is open daily from 8 a. m. to 8 p. m., and Sunday, Dec. 13, from 12 to 4 p. m., or deposited in street letter boxes should be separated. Local, Michigan, and Mixed States, faced in the same order and securely tied in bundles under a facing slip of identification. This will eliminate two handlings in the post office and save much time and labor.

LACK OF CAUTION COSTS  
DRIVER \$35 FINE

Convicted before Justice Leslie P. Young on a reckless driving charge, on Dec. 5, Leon J. Russell of 3046 Virginia Park, paid a \$35 fine and \$10 costs. The only alternative was thirty days in jail.

Russell had been traveling east on Mack when he attempted to pass and hit Albert E. Camin's car which had just started about 200 feet away from a red light. Camin lives at 859 St. Clair, Grosse Pointe.

## U. S. NAVY RECRUITING STATION

New Federal Bldg., Fort and Shelby Streets  
Detroit, Michigan  
December 4, 1942

The Publisher  
The Grosse Pointe Review  
Grosse Pointe, Michigan  
Dear Sir:

We wish to express our appreciation of the aid your newspaper gave us in launching our current recruiting campaign, and also the support you are continuing to give us. We are particularly grateful for the advertisement appearing at the beginning of the drive, which was made possible by the cooperation of your paper and a patriotic citizen of your community. It got the drive off to an excellent start.

During the past several months, new records have been set in this district in the number of men enlisted for Naval Service. Continued publicizing of the Navy's opportunities for trade training and advancement has brought more and more men into this service. However, thousands more are needed. Hence the current drive for enlistments.

The fine support you have given us in informing the public about the Navy has played an important part in our past recruiting records, and we know that such help will prove invaluable in the present campaign.

Sincerely yours,  
B. E. FLECHTNER,  
Lieutenant, USNR  
Officer in Charge.

Organizations, thankful for the kindness bestowed upon the children in their care, write of their appreciation. The Toy Club Gentlemen:

Your generous gift means much to the boys of St. Francis Home. We thank you sincerely.

May the blessing of the Christ Child make glad your Christmas Day and remain with you always.

Gratefully yours in St. Joseph,  
Superintendent

Toy Club Gentlemen:

My dear friends:

In behalf of our boys and girls we extend to you our heartiest thanks for the fine toys and candy you sent.

The dolls are so lovely that our girls were overcome with joy.

Thanking you again, and with best wishes for the New Year, we remain

Sincerely yours,

Toy Club Gentlemen:

Gratefully acknowledging the receipt of your gifts of toys and games, we appreciate your generosity and the interest which you have shown in our work.

The Protestant Children's Home

Several letters show the appreciation of mothers whose children have been provided with the things needed to make youngsters happy at Christmas. The names are withheld but are on file in The Review office.

Toy Club Gentlemen:

I want to thank you at this time for giving us a lovely Christmas.

The children enjoyed their toys immensely.

Sincerely,  
Appreciative Mother

Grosse Pointe Toy Club:

This letter is to thank you for the toys I had for my three children. We appreciate it very much. Thank you again. I remain

A Grateful Mother

These are but a few of the many letters received from thankful organizations and families for the gifts of toys and candy to the children. Even in these days of high wages there are many families whose incomes will not provide for the necessities let alone buy gifts for Christmas. Similarly, orphanages and hospitals do not have the funds to secure presents for each child. You can help! Will you?

Membership headquarters are in the municipal building police station on East Jefferson. Memberships may be paid to any policeman or fireman in any of the Grosse Pointe municipalities. Memberships may be mailed to The Toy Club, 15115 East Jefferson. A membership blank will be found on Page one of this edition.

ST. JAMES LUTHERAN CHURCH

REV. GEO. E. KURZ, Pastor

St. James Lutheran church of Grosse Pointe worships every Sunday in the Pumph and Judy theatre.

The morning service is at 11 a. m. Sunday school is at 9:45 a. m. Next Sunday is the third Sunday in Advent. Worship in the season of Advent is of such a nature as to prepare the worshippers for the joyous Christmas festival. The congregation will hold a special service on Christmas Day, beginning at the usual hour of 11 a. m. The Sunday school children will be present as a body to take part in that service. Special Christmas music by the choir. People in the community without a church of their own are cordially invited to send their children to the Sunday school and to worship at St. James Lutheran church.

Let's all "Hew to the line and let the chips fall where they may!"

Just one more word about shortages. We weren't exactly eavesdropping when we heard this, but we still are curious. A customer in one of the Pointe shops had just retreated from the hosiery counter when we heard her say to her friend, "Oh, dear, and nylon hose were just the thing for horseback riding. It gave so easily." We are baffled, quite definitely. Even side-saddle—, but wait, maybe there have been some drastic changes made in the customary riding apparel of the day. Upon the assurance of our haberdasher that things are as they were when we still had the needed courage way back when, to mount a fiery steed, we are still in the dark. Anyone able to relieve us of this mental burden is urged to write immediately or sooner. (Incidentally, don't misinterpret the adjective "fiery" in the description of the steed. In order to be certain of his going his fastest speed — one mile per day — it was necessary to build a fire beneath him to get him started. So now you know.)

For Mr. and Mrs. George Maghiele, of 1138 Devonshire road, the Park police have only the most sincere admiration for they were responsible for the reporting of three boys who were seen entering the house at 1128 Devonshire on the evening of Dec. 7, about eight-thirty.

Mrs. Maghiele informed her husband that while she was in the library she saw two men entering a window in the rear of the neighbor's home and saw a car with the motor running and an occupant smoking and thought it all very peculiar. They called the police and did not give any indication they had done so.

The officers arrived and Patrolman Donald Deane checked with the occupant of the car, while Patrolman Joseph Vandegiste surprised the men attempting entry into the house in the rear. The men started to run, leaped fences, and refused to halt when Vandegiste fired a shot. The officer continued the chase, and then fired another shot. This caused Victor E. Monahan, 20, of Dumbarton road, Detroit, to stop and submit to arrest. Monahan's companion escaped, but Park detectives know him and his arrest is expected.

In the meantime, Patrolman Deane had placed William Dermier, 18, of Hamilton avenue, Detroit, under arrest.

Appearing before Justice Belanger, the boys pleaded not guilty. Monahan, who had been placed on probation from the federal penitentiary where he had been confined for mail theft, was placed on \$1,500 bond with two sureties and Dermier was placed on \$2,000 bond with one surety. Hearings will come up Dec. 11.

Farms Able to Send  
Certificates for 10%  
Increase Says WLB

In answer to a form sent by the A. F. of L., the WLB this week says of the ten per cent wage increase that has been awarded by the mediation board to the Grosse Pointe Farms employees in the highway, garbage and park departments, that it comes within the "purview of general order No. 12" and that a representative of the village should issue five certificates of adjustment which should be filed with the joint committee on salaries and wages at Room 5406, Department of Labor Building, Washington, D. C., as such.

Thus the village of Grosse Pointe Farms can prepare these certificates of adjustment and send them into Washington. Immediately the employees can be paid their ten per cent increase plus the monies that have been granted them retroactive to July 20. The A. F. of L. is asking for a special meeting of the village council in order to take the necessary action to comply with this procedure. The union hopes the village will sincerely co-operate in giving to the employees the monies long overdue and settle once and for all this particular problem.

In contacting the village, it was learned that the matter must have the approval of the council and will be taken up at the meeting on Dec. 21.

The annual meeting of the Grosse Pointe Women's Republican Club will be held at the Grosse Pointe club, 6 Berkshire place, Grosse Pointe Farms on Wednesday, Dec. 16 at 12:30 o'clock.

Hon. Homer Ferguson, U. S. senator-elect, will be the speaker.

Due to the present food shortage, it is necessary that all reservations be called in not later than Tuesday, Dec. 15, at Niagara 1572.

WITH THE  
MEN IN SERVICE

Mrs. Joseph Fluay, of 153 Oak street, had the honor of having her two sons, Pfc. Gervase Fluay, of Fort Leonard Wood in Missouri and Corp. Willard Fluay of Gilroy, Calif., and the other members of the family for Thanksgiving Day. Another son has been inducted and left for the Army on Dec. 9. A party was held in the evening for the boys at the home.

Another young dentist gone to serve his country, J. Maxwell Laffrey, DDS., known intimately to his friends as "Pudge," left Dec. 1 to take up his duties at the Naval Air Station at Jacksonville, Fla., in the dental corps with the rank of lieutenant.

He was graduated from the U. of D. in the first class in dentistry in 1935. Active and able he immediately offered his services to the Grosse Pointe board of health and for seven years took the boys and girls of the schools of the district to "Open up wide and let me have a look at those white horses on the red hill" will be of necessity for the duration be using other terms such as, "Hey, buddy, let's have a look."

Doctor Laffrey recently married Charline Osgood and is the son of Mr. and Mrs. Maxwell C. Laffrey, of 1176 Grayton road.

Good luck to you, "Pudge," and this comes especially from the kids of Grosse Pointe.

"She's even lovelier in actuality than she is in the movies," writes Richard Hoetger, seaman second class, of Lana Turner with whom he danced 10 straight dances at the Hollywood Canteen. He said Miss Turner was an exceedingly interesting and interested individual. He approached her upon her entry into the canteen and was almost overwhelmed when she accepted and danced with him. He went on to say that even though there were several so-called "robbers' dances" among the 10, apparently the other boys were afraid to cut in. Veronica Lake and Humphrey Bogart were among the stars present that evening at the Hollywood Canteen to entertain the men in service.

"Dick" Hoetger, son of Mr. and Mrs. Earl Hoetger, of Loraine road, is stationed with the U. S. Coast Guard on Terminal Island near San Pedro, Calif. He enlisted four months ago and is a graduate of Grosse Pointe high school. Only 20 men of the 150 in his company are still in the United States.

Lee Simons, manager of Grinnell Bros. Grosse Pointe store, has been accepted for volunteer officers' candidate school in anti-aircraft artillery. He enlisted two months ago and went to Fort Custer for examination on Nov. 2 and 3. He received his official notification on Nov. 11. He will report for duty at Fort Custer on Dec. 15, where he will be assigned to one of the officers' candidate schools.

The Alger House was the scene of a pleasant afternoon Tuesday, when Dr. Frans Lomb, head of the Middle America Research for Tulane university showed his motion pictures of Mexico and Central America. His explanations were vivid and instructive as he had spent the last 20 years in Central America.

Then, as now, the support of the Grosse Pointe drive by the citizens was asked by the Lions club.

One Year Ago This Week

Machinery for civilian defense moved into high gear in Grosse Pointe this week with police and fire chiefs and local government officials meeting to lay plans for the safety of Grosse Pointe in time of war.

Immediately following the declaration of war by this country, George Elworthy, head of the local branch of the Wayne county civilian defense unit, called a meeting of the police chiefs of the five Pointe municipalities, where definite plans toward police service were outlined.

Uniform traffic regulations for the five Pointe municipalities were presented at a meeting Monday evening in the Neighborhood Club when representatives of all religions and police organizations, together with educational leaders and students met and adopted a resolution urging the municipalities to consider adopting "uniform traffic ordinances, the uni-

form disposition of traffic violations and a no-fix traffic ordinance." Brown to Lieut. Robert Earl Bennett, was announced by her father, Reay Hugh Brown, of Whittier cleaned off the books with the arrest of a gang of six boys, ranging in age from eight to 12, on Dec. 1. Mich.

## BEAT THE SHORTAGE OF Christmas Trees

Last year 43 freight cars of Christmas Trees were in Detroit. This year 23 cars is the only known supply, with the exception of what is trucked in. The shortage of labor, combined with gas rationing, etc., should cut the trucked-in supply less than half.
