Blackouts, Alerts Discontinued Here, Says OCD Director

Announcement by the war department and the Grosse Pointe OCD that there will be no more blackouts and air raid alerts except in the eastern and western coastal areas, and then only once every three months, on Sunday afternoons, is in accord with the new Michigan program that was presented by Capt. Donald S. Leonard, state director of civilian defense, and endorsed at the

Township Forced to Hold Primary to Fill Two Offices

A peculiar twist in an amendment to the Michigan constitution, which was adopted by a referendum held in April, 1943, indicates that at least a primary election will be held to fill the offices of one member of the board of review and a justice of the peace.

The constitutional amendment provided for the election in each township of a supervisor, clerk, highway commissioner, treasurer and four constables in each odd numbered year, to hold office for a term of two years.

However, the terms of justices of the peace were not changed by the new law, but were left to the legislature for reclassification in order to conform with biennial township elections. The legislature has not yet had opportunity to effect the classification, hence nominating petitions for the office of justice of the peace must be honored.

Section 3416 of the Compiled Laws of 1929 provide for one member of the township board of review to be elected each year for a two year term. The constitutional amendment does not refer to boards of review and the election thereof must be held this spring in accordance with the statute unless the legislature amends the section at the coming special session.

Fuel Oil Users Warned Against Critical Shortage

A critical situation exists among all fuel-oil consumers who have burned more than their share of oil rations so far this winter, it was announced this week by the Detroit district office of the OPA through the Grosse Pointe ration board.

According to the report, householders should not have burned more than 46 per cent of their total fuel oil allotment this winter as of today. The local board is mailing out individual cards to each fuel oil consumer indicating the percentage of fuel which should have been used to date. This will allow the consumer to check his rations and make sure that he is within his quota which will keep him supplied with the oil for the rest of the season.

A check made by the national office of the OPA of the rate of fuel oil consumption throughout the country shows that consumers are burning their oil rations too fast. Unless this trend is halted, householders will not have enough oil left to last out the season. It is therefore imperative that every fuel oil user plan his consumption and conserve his ration so that it will carry him through the remainder of the winter.

Each week, consumers are asked to check in the column, "Rationing at a Glance," and check his quota with that included in the table.

Fur Jacket Taken From Parked Car

While Walter Schmitt of 26 Lochmoor boulevard, and Jean Corfield of 1510 Oxford road, were attending a dance at the Grosse Pointe high school last Saturday evening, Jean's short maroon jacket was stolen from Schmitt's car parked nearby.

In addition to the fur jacket, A and C gas ration books, three checks and Walter's army papers were also taken. However, the latter were found after a search was made in the vicinity of the robbery.

The thieves gained entrance by jimmying a window open.

state-wide OCD conference held a week previously in Lansing.

"As a matter of fact, we have gone much further in Michigan by limiting blackouts and air raid alerts requiring public participation to not more than once every six months, and they are to be held then only if changing war conditions warrant," George Elworthy, co-ordinator of OCD, said. "Under the new program we are, however, maintaining air raid defense forces intact in target areas, and continuing defense corps incident drills and practices to keep these forces fully trained, but this will involve no participation by the public.

"The danger of air attack still exists and the army has not released us from the obligation of maintaining the air raid defense organization in target areas. In addition, we must maintain in all communities protective services prepared to handle natural disasters and sabotage, as well as for their availability in event of air raids. In readjusting our forces we have taken into consideration the relative target value of each community."

Although Michigan is not in a coastal area, policies affecting the OCD protective services in these areas should likewise be applied in highly industrialized communities located elsewhere. Michigan industrial communities, as the leading producers of war supplies in the nation, fall within this category.

Authority for ordering blackouts in Michigan is vested by law in the state defense director.

Rotarians Listen to Chief Aviation Pilot's Experiences

Members of the Grosse Pointe Rotary club were favored with an interesting talk by Chief Aviation Pilot Charles Barnes of the U. S. navy, at their regular weekly luncheon Monday at the Whittier.

Introduced by Lieut. Schuyler Patterson, Chief Barnes was described as most able to explain America's problems in the Pacific in the light of some of his experiences. Both men were guests of Jack Hendricks of the local club.

Shot down twice and forced down another time, Chief Barnes was furloughed after a siege of dysentery late in November but will return to the South Pacific theatre early this year. His entire crew was lost and never heard from when they went out on the first mission he had missed in eight months of almost daily night patrols. Barnes was grounded when stricken with dysentery. He vows vengeance for the loss of these "pals," whom he knew and regarded as brothers. One had not seen his baby back in the states. Barnes, himself, had not seen his two year old son since he was a month and a half old. He has nine years service to his credit.

The stalwart Texan was first forced down off Tulagi on last Memorial Day eve when his plane ran out of gas. After 27 hours in rubber boots, precariously pitching in to 35 foot swells on the water, the entire crew was rescued by the escort Meredith, which was later sunk by the Japs and only 20 of its crew of 70 saved.

In September, his "Black Cat" patrol plane was shot down after two engines were crippled at 800 feet. They managed to escape the Jap ship and took to rubber life boats at 4 a.m. Drifting until eight, they were picked up by a PT boat when they had drifted within a mile and a half of a Jap held island. The navy will not permit Chief Barnes to discuss the other time he was shot down.

Election Commissioners, Inspectors Are Named

President James K. Watkins of Grosse Pointe Farms named John J. Miller, William Denler, and Alvin Gouin to serve as election commissioners for the forthcoming election; and appointed the three members of the council whose terms do not expire as the three inspectors: William F. Connolly Jr., R. Gerveys Grylls and George L. Schlaepfer.

Marine Describes American Cunning in Guadalcanal

How the U. S. Marines slept, ate and fought in the foxholes of Guadalcanal for four months was told by Pfc. Arthur Brideau this week in an interview with The Review.

Home with his parents, Mr. and Mrs. Arthur Brideau of Cambridge road, Grosse Pointe Farms, after an absence of two years, Private Brideau described the landing of the Marines on Guadalcanal and the three surrounding islands. After the hazardous landing, the boys were told to hide in the jungles of the island for two days because of the Japanese snipers, some of whom were women dressed in Jap uniforms. When the Marines came out from the jungles on the third day, some decided to go swimming. It was then when Private Brideau experienced the first Jap strafing while the group was in the water, three Jap Zeros came from the mountains and began machine gunning them. Arthur saw two of his buddies killed while they were attempting to leave the water.

He told how 13 Marine fliers daily out-manuevered Japs on their raids on the island. Each flier would attempt to get two or three Jap planes on his tail and would head for the air field, usually in a dive. If the Jap planes could not come out of the dive, they were given a "reception" by the boys hiding around the field, manning the artillery.

This was usually the daily routine for Arthur and his buddies from the time they landed on Aug. 7, 1942, until their group was taken to Australia on Dec. 15, 1942, when the army relieved the Marines.

The morale of the boys, he said, is wonderful, and in their moments of wishful thinking, they talked of what they passed up in the states and wished they had such things then. This included steaks, ice cream, dances, entertainment and the other things which everyone takes for granted.

Arthur is at present recuperating from a knee operation which took place in November, 1943, in California, after falling on a coral reef during maneuvers in Australia. He leaves for the Philadelphia naval hospital for further treatment Tuesday, Jan. 25.

His brother, Donald, who is stationed with the medical corps at Camp Ellis, Ill., has been able to come home twice to see Arthur. Once at Christmas and once since.

Woods Volunteer Firemen Dispute Ended

The volunteer firemen of Grosse Pointe Woods were awarded the compensation which they asked for and which was disputed for several weeks at village meetings. Upon recommendation of Chief Walter Goulette, the men will be given \$50 for the four remaining months of the fiscal year.

Honor Graduate

Louis W. Bohn, of 711 Berkshire road, parked his car last Friday evening in the driveway of 1304 Bedford. However, he left his keys in the car and sometime between 10:30 and 11 p.m., it was stolen.

Walter S. Campbell, of 1424 Bedford was luckier. His car was stolen sometime Saturday night or early Sunday morning, but at 1:05 p.m., it was recovered by Detroit police.

ENSIGN J. M. HALDEAN Visiting at the home of his parents, Mr. and Mrs. Albert Haldean, of Beaconsfield avenue, this week are Ensign and Mrs. John Maxwell Haldean. Ensign Haldean is reporting to the commander-in-chief of the Atlantic fleet at Norfolk, Va., on the 25th. He was graduated highest in his class on Jan. 15th from the Pratt-Whitney engineers' training school at Hartford, Conn.

U. of M. Club Meets Tomorrow

The Grosse Pointe University of Michigan club will be entertained by Professor John Mynskens on Friday evening (tomorrow), Jan. 21.
Time: 8:15.
Place: Pierce Junior high school library.

Heartless Thieves Make Off With Keepsake Jewelry

A quantity of keepsake jewelry was stolen by some heartless thief from the home of L. Rothe Farr of 81 Moran road last Friday evening. The jewelry, belonging to a deceased daughter, included six bracelets and rings, three watches and pins and several pieces of costume jewelry. Also included in the loot was a pocketbook and wallet containing approximately \$75.

Entrance to the Farr home, which was made before 10 p.m., was made by smashing a glass in a French door in the rear of the house. Previous to this, entrance was attempted by breaking a glass in a rear window, but because this window could not be opened, the French door was then used.

Investigation is being made by Farms detectives.

Joseph Trombley Made Acting-Police Chief in Farms

It was announced this week by the board of trustees of Grosse Pointe Farms that Detective Lieut. Joseph Trombley has been made acting chief of police of the village for a probationary period of six months, which began Jan. 1.

Chief Trombley will assume all duties which his predecessor, Albert O. Fluit, held and has complete charge over the police activities of 20 men. He assumes his duties as chief after more than 25 years of service in the Farms department.

Redraft Farms Dog Ordinance

The dog ordinance of Grosse Pointe Farms will be re-drafted so as to include a provision which will state that a contract be drawn with a veterinarian who will dispose of all animals when this request is made either by the police or the owners.

Formerly animals were destroyed by the administration of a strychnine needle which killed them instantly. It was found that this was an undesirable practice, especially since this was done in the crowded neighborhood around the police department.

Copies of the ordinance will be given all dog owners when they apply for a license prior to May 1.

Two Cars Stolen From Park; One Recovered

Louis W. Bohn, of 711 Berkshire road, parked his car last Friday evening in the driveway of 1304 Bedford. However, he left his keys in the car and sometime between 10:30 and 11 p.m., it was stolen.

Walter S. Campbell, of 1424 Bedford was luckier. His car was stolen sometime Saturday night or early Sunday morning, but at 1:05 p.m., it was recovered by Detroit police.

Pioneer Pointe Man Anxiously Awaits Word From Son Near Jap-Held Manilla

William Moran, 1317 Alter road, who will be 86 years old on Feb. 11, a member of one of the oldest Grosse Pointe families, is still awaiting word from his son, Lawrence R. "Larry" Moran, who was interned early in January, 1942 when the Japanese stormed Manila.

The son was in business with Mechanical Supplies, Incorporated at Manila, when the city fell and the only word the father has received is from an AP correspondent, Ray Cronin, who was repatriated after having been detained at the same concentration camp with "Larry" Moran at Los Banos, which is some 40 miles south of Manila. Contact with Cronin was made after the correspondent had written a Christmas story in which he mentioned enjoying the company of "Larry" Moran

First Lieut. Herbert J. Pattison Jr. Reported 'Killed in Action' on Nov. 2

First Lieut. Herbert J. Pattison Jr., 23, pilot of an American Flying Fortress, who had been awarded the Air Medal and Oak Leaf Cluster, has been reported killed in action while on his 48th bombing mission over Austria on Nov. 2, according to word received by the family last Friday.

Despite the report, his family courageously refuse to reconcile themselves to any other thought than that he is safe, though probably a

Weekend Accidents Occur in Park; One Driver Arrested

While driving on Kercheval near Berkshire last Friday morning, Mrs. Louise F. Goodson, 61, of 106 Merriweather, was struck by a car driven by Richard O'Neill, 17, of 1411 Beaconsfield. The Goodson auto received minor damages.

Early Saturday morning, Edward Creig, of 15008 Mack avenue, heard a crash and saw a car hit two other vehicles. Instead of stopping, the driver continued down Mack avenue.

Officers Maedel and Boone, receiving this information, found a car stopped on Mack between Buckingham and Berkshire, and took the driver, Louis G. Westphal, of 13415 Young, Detroit, back to the scene of the accident. It was found that Westphal's car had hit two unoccupied cars, owned by Helen Martin and Creig, respectively.

Westphal was arrested by Park police and was released on bond Sunday.

The third accident occurring in the Park over the weekend was a slight collision between cars operated by Rasmus Ross of 1316 Harvard road and Thomas Culton of 741 Lakewood, which took place early Sunday morning on Jefferson near Harvard.

Local Tin Can Salvage Drive Nets Thirty-Six Tons for Pointe Area

Saturday morning, Jan. 15, 36 tons of salvable tin cans were collected in Grosse Pointe and Gratiot township, the largest collection on record in this area. It is an increase of four

tons collected in October and it is double the amount collected a year ago this month.

George Elworthy, co-ordinator of civilian defense, wishes to extend his compliments to the salvage committee and its five members for their fine work in making this drive the huge success which it was. He also thanks the different municipal councils for the use of their equipment, and especially the men who worked on the trucks.

Neil Bonnell, chairman of salvage in this area, said that nearly 100 per cent co-operation put this collection "over the top."

George Elworthy of the Neighborhood club has asked that all men and women who come home on leave from the armed forces drop into the club and sign a blackboard register to let their friends know that they are home.

Mr. Elworthy explained that the club is a meeting place for "almost" everyone and in this way, friends of the service people will know that they are home.

Future practice will be for retailers to give tokens in change on all sales of processed foods as well as on meats, fats and oils. In the past, stores could give change only for meat-fats, the change being in stamps.

Volunteers Needed for War Bond Booths Here

Several women are wanted immediately to work full or part-time in the AWVS War Bond and Stamp booths at Kroger and A & P. This is definitely a fine contribution to the war effort, especially now during the Fourth War Loan Drive. Volunteers are asked to call Mrs. Brooks at NL 7780 or the AWVS office, Tuxedo 1-1050.

Lieutenant Pattison, whose wife, Mrs. Jean MacArthur Kay Pattison, lives with the flier's parents, Mr. and Mrs. Herbert J. Pattison, 954 Lakepointe, left for overseas duty on Feb. 27, 1943, just 10 days after the birth of a daughter, Sharon Kay, whom he saw before leaving. Lieutenant Pattison's wife is a cousin of Gen. Douglas MacArthur.

Both Lieut. and Mrs. Pattison are graduates of the 1939 class at Grosse Pointe high school. He enlisted in 1941 while a student at Ohio Wesleyan university. He received his wings at Luke Field, Phoenix, Ariz., March 6, 1942 and he was married the same day.

Lieut. Pattison's sister, Mrs. Walter Eichorn, lives at 9211 Harvard.

To Use Tokens As New Ration Currency Feb. 27

Wayne county retailers were reminded today by W. E. Fitzgerald, district OPA director, of the use of tokens to make purchases with their banks immediately.

Retailers are cautioned by Fitzgerald that unless all file these estimates, banks will be unable to requisition an adequate supply of tokens and in turn retailers will not be able to obtain an adequate supply. Fitzgerald further pointed out that retailers would be unable to make change without the tokens after the plan takes effect on Sunday, Feb. 27, because after that time each stamp will have a value of 10 points.

Future practice will be for retailers to give tokens in change on all sales of processed foods as well as on meats, fats and oils. In the past, stores could give change only for meat-fats, the change being in stamps.

OPA form 749-23, the estimate form for this purpose should be obtained from wholesalers and trade associations.

Beginners, Advanced Typists May Join Class

A new course in typing will be offered at Grosse Pointe high school beginning Monday, Jan. 31, at 7:30 p.m. This course is for both beginners as well as advanced typists and will be under the direction of Mrs. Florence McGrath.

Please call NL 2000, extension 25 for reservations or further information.

Appeal Made for More Gallants in Local Drive

With the Fourth War Loan only two days old nationally, Grosse Pointers will be happy to know that their fellow men are showing their true colors in responding to our government's appeal for more E-Bond purchases by the "people back home." The total amount collected for Tuesday, Jan. 18, the first day of the drive, is \$205,820.08. This was the only tabulation available before

Grosse Pointe Students Need Music Instruments

Every year nearly 100 new students in the Grosse Pointe elementary schools begin the study of band and orchestra instruments. In pre-war days, their parents had only to visit a music store and purchase any instrument at a moderate price. Now with all instrument manufacturers doing war work, there are very few instruments of any kind available, with moderate-priced ones almost non-existent.

In many homes throughout Grosse Pointe there are numerous musical instruments which are not in use. Some former players are in the armed services while others have discontinued playing for various reasons. These unused instruments could fill a serious need in the school music program if the owners will offer them for sale.

The instruments which are needed the most are flutes, clarinets, cornets and trombones. By offering these for sale, owners will be assisting in the work of the school.

The school music department would like to compile a list of available instruments. A telephone call to the board of education at NL 2000 will be sufficient. Owners should give the following information: Kind of instrument (flute, clarinet, etc.), manufacturer's name, price asked, and the owner's name, address and telephone number. This information will be made available to prospective purchasers who may then get in touch with the owners.

Evening calls may be made by calling George Boyd at MU. 3815 or William Watkins, NL. 5433.

City Resident Fined in Park Justice Court

Maurice R. Germain, 662 St. Clair, was fined \$10 and \$5 court costs by Justice Victor DeBaeke Wednesday morning for speeding on Kercheval. He is not to drive for the next 60 days or until further notice from the court.

Sewage Treatment Charges to Be Added to Bill

Residents of Grosse Pointe Woods will receive their next water bill with an additional charge of 25 cents which is to cover the sewage treatment which began in the village on Jan. 1.

New Hours on Monday at Ration Board Here

Beginning last Monday the Grosse Pointe ration board will be open from 12:30 to 9:00 p.m. on this one day only. The same hours will prevail on the remaining days of the week.

PARK, FARMS SET FOR PAPER DRIVE

This weekend marks the first rate pickup of waste paper from the residents in Grosse Pointe Park. The new plan, announced last week calls for co-operation on each and every citizen's part to make sure that every scrap of waste paper is collected.

Beginning at 7 a.m. Saturday, trucks will pick up all waste paper at the curbs which has been salvaged in the following manner:
Newspapers—Fold flat and tie in bundles about 12 inches high.
Magazines—Tie in bundles about 12 inches high.
Corrugated Boxes—Flatten boxes and tie in bundles about 12 inches high.
Wastebasket Paper—Pack down in a box or bag so that it can be carried.

Starting Monday morning, Grosse Pointe Farms will do their share in salvaging all waste paper. A separate truck will collect all paper of the regular rubbish collection day and will then take it to the City of Grosse Pointe salvage depot.

The Review went to press. Of the above amount, AWVS gallants have turned in \$84,711.75 while the amount going through the Grosse Pointe bank reached \$121,108. Of this latter total, DUS has accounted for \$44,450; GPCDS, \$44,300 and the Pointe elementary schools, \$24,217.90. Kerby leads the elementary schools with \$11,000.

The above totals were the only ones reported to the office of the chairman, Kenneth L. Moore. Need More Gallants—

Moore and his co-chairman, Richard L. Maxon, are urging more people to volunteer as gallants during the present drive. These gallants are needed to contact the residents throughout Grosse Pointe and are asked to give a few hours of their time helping their country attain the goal which must be reached.

The chairmen are also urging those people who have received the special Fourth War Loan stickers to put them in their windows so that unnecessary calls can be avoided. These stickers are given by the gallants to all bond purchasers who have their "extra" bonds.

To correct a misunderstanding which has circulated from the Detroit office, all Grosse Pointe gallants are to send their reports of bond purchases to the AWVS and not the Detroit office.

Three Pedestrians Hit; One Lands in the Hospital

John Oseward, 67, of 4157 Maryland, was taken to Cottage hospital last Wednesday morning, Jan. 12, after he had been struck down by a car driven by William L. Geromette, 37, of 3089 Newport.

The accident occurred when Oseward was attempting to cross at the intersection of Mack avenue and Wayburn. After Oseward was hit, Geromette took him to his home and was later removed to the hospital because of a compound fracture of the leg.

Geromette was not held by the police.

Later in the morning, at 8:10, while Frances LaRocque, seven years old, of 990 Nottingham road, was crossing Beaconsfield on her way to school, she was grazed by the left wheel of a car driven by John J. MacEwen of 851 Beaconsfield. Frances was immediately examined by the officer who was directing school traffic and found that she was injured. She then continued on to school.

Friday afternoon, Mrs. H. S. Chalmers of 330 Merriweather, driving from behind the Punch and Judy theatre, struck Donald Stricker, 10, of 375 University, as he was riding his bicycle on the sidewalk and crossed in front of her.

The boy was thrown from his bicycle, and except for a small scratch was not injured.

Dog Bite

Small Jane Boyd, 6, of 313 Mount Vernon, was bitten by a neighbor's dog when it jumped on her as she was getting off a school bus on Jan. 12.

The Fourth War Loan is on, and AWVS is all out for backing it to the full. The bond office, located in the AWVS Grosse Pointe unit headquarters at 17027 Kercheval, is open from 10-4 on week days, and 9-1 on Saturdays, as an issuing agency for bonds of all series.

BE CAREFUL WITH YOUR MATCHES

Have you noticed recently any groups of young people who have been tossing matches in precious salvable materials? If not, you are fortunate, but if you have, you probably suffered from the precious materials, such as gunny sacks, paper, cardboard and even rags, have gone up in smoke just because someone thought it was smart to toss a match into the gathering and watch it burn.

We are asking you people, young and old, to leave any such gatherings of materials ALONE, for they have been placed here for a specific reason and are NOT to be burned. Won't you co-operate and throw your matches elsewhere?

ANOTHER CALL, POINTERS

Perhaps when you read this you'll lay it down again for you it is just another request, but I assure you it is a request which is made daily on the battlefields of this war. It is the request for more blood plasma.

When men die from the loss of blood and the lack of blood plasma, when army and navy nurses freely give their blood while on duty under the roar of guns, and when doctors lead for blood for their dying men, don't you think you could help these valiant people a little by giving a pint of your blood? The mobile blood bank is visiting Grosse Pointe Saturday and at least 300 blood donors are asked to visit it.

LAST SATURDAY EVENING was one of the big events of the year — Grosse Pointe high school's senior prom.

"Memories" was the prom's theme. All around the boys' gym were huge drawings of familiar scenes around school, jaiopolis and such.

A mammoth replica of the school tower drawn in green and gold by the 12B decorating committee, was one of the main attractions of the evening. Near midnight the tower clock struck a farewell sigh wishing the seniors good luck.

Bill Boydell, president of the 12A class and his date, Marilyn Buck, led the grand march with Elmer Jacobson, vice president, and his date, Barb Klenk; Chuck Fossati, treasurer, 'n Ernalle Brutschy, secretary, following close behind. Bill Casteel, 12B president, 'n Barb Borgman, vice president; Lois Gehrig, secretary, 'n Dave Fairless, were behind the 12A officers.

Saw Jim Trousdale 'n Bixie Mitchell; Jack Waugaman 'n Joan Beer; Ted Held 'n Jane Coleman; Jepp Del Barba 'n Gloria DeLare; Ted Kidd 'n Jackie Ward; Don McLean 'n Bobby Jones; "St" Goebell 'n Gloria Otto; Johnny Lapp 'n Jane Heron; Jim Waldron 'n Pat Baumgarten; Dick Meyers 'n Shirley Hart; Fred Seltzer 'n Marge Botts; Harmon Grubbs 'n Nancy Moesta; and Bill Wallace 'n Joan Clark around the coke bar. Mike Bloy 'n Elaine Kramer; Evelyne Osborne 'n Dick Stavoe; Barb Hawksworth 'n "Speed" Rutter; Tom Castner 'n Bonnie Tait; Ginny Morten 'n Johnny Brink; were seen in a great big huddle during intermission.

TOMORROW AT THE DYC another monthly dance for all the juniors will take place. Kay Gould, Joanne Sexton, Art Dannecker, Jerry Jordan, Cameron Bills and Joann Miller are working real hard to make this dance another success.

VIVIENNE KOPPINS' FUN started early Saturday morning when she and her mother, Mrs. H. G. Koppin, boarded the train for Chicago. There Vivienne attended the Northwestern naval ball. Her escort, Anthony Tocco, was one of the many Notre Dame ROTC men who were invited to Chicago. Vivienne and her mother stayed at the Stevens hotel.

SALLY CURRI N CELEBRATED her 15th birthday, Sunday by inviting some of the kids over to her home for dinner and a movie. Joanne Weidma 'n Art Smith; Shirley Wills 'n Dick Souder; George Saad 'n Sally; Dorothy Meyers 'n Chuck Kish; and Eddy Freeman 'n Lea Curran; were the crowd who attended Sal's party.

MAXINE CLOW HAD OODLES of her Grosse Pointe high chums over to her home to spend the night last Friday after attending the concert at school. Dot Ghesquiere, Almer Bell, Mary Lou Vincent, Jean Harkness, Marilyn Johnson, Mary Farmer, Pat Slown, Dot Gemal, Ann Shenniff, Sally Farr, and Shirl Wills were all trying their best to get a few winks of sleep.

ATTENTION EVERYONE IN Grosse Pointe who likes to dance! Liggett school is throwing a dance called "Swing-o-mania" on Saturday, Jan. 29, from nine till one. Ruth Duffield, chairman of the dance, and Pat Baumgarten, co-chairman, have real plans on hand. Joyce Skelton, Jan Tarble, Lucille Wheat, and Martha Monahan, are doing their bit in arranging for the dance. By the way, the gals and fellows can dress in their comfortable garbs — you know, sweaters, saddles and all that stuff.

Will Marry in Ann Arbor

Jane Ryder Kelsey, daughter of Mr. and Mrs. William K. Kelsey of Kensington road, will become the bride of Pfc. Jacob Frank Fahrnar Sunday in Ann Arbor. Private Fahrnar, here from his station in the army air corps at Scott Field, Ill., is the son of Mr. and Mrs. Jacob F. Fahrnar of Ann Arbor.

Attending the couple will be Mrs. William T. Stewart, sister of the bride, and Richard Fahrnar, brother of the groom.

The couple will live at Scott Field.

Field Artillery Group Meets January 24

The 182nd Field Artillery Mothers club will have its regular monthly business meeting on Monday, Jan. 24 at 1 p.m., in the downtown YWCA. This is the annual election of officers and all members are urged to be present.

Following the business meeting, tea will be served by the 1943 board members.

SERVICE PARADE

Great Lakes, Ill. Jan. 12, 1944

Dear Sir:

I have wanted to drop you a line so many times to thank you for The Review, but without a specific reason for doing so, I've been putting it off. However, now that I am no longer in Ashtabula, I want you to know my new address so that I may continue to receive your paper as I really do enjoy reading it.

I'll be here at Great Lakes with the Navy for 12 weeks, training for chief petty officer. Upon completion of this course I'll report back to headquarters in Cleveland for further assignment to duty. Where I'll

go then I haven't the slightest idea. Well, folks, thanks again for the paper.

Indianapolis, Ind. Jan. 15, 1944

Dear Sir:

Having changed my address again, I thought that I would advise you of it. That way, it will speed up delivery of The Review to me which I appreciate very much. I read it more now than ever and it certainly helps me find out what is going on at home. It is most interesting to read in my spare time.

At present I am attending engine specialist school here in Indianapolis. I am taking a month's course studying the Allison engine used in most fighter aircraft. So far, it has been very interesting.

Thanking you again, I remain,

THE SMITHS WERE UP ALL NIGHT

There was no sleep for the Smiths last night. A sudden attack of illness in the family threw the entire household into panic. "Where is that doctor?" "Why doesn't he hurry?" Thousands of doctors are serving with the armed forces. Those on the home front are doing two and three times the normal practice. You, like the Smiths, may be unable to get a doctor immediately when you need one. But you, unlike the Smiths, can guard against the emergency. SEE YOUR DOCTOR BEFORE HE MUST COME TO YOU. Few major illnesses strike suddenly. They result from neglect of early symptoms.

"WAR"

The fearful price that some must pay,
When men like Hitler want their way;
The aches, the tears, the blood and toil,
The lives they give for their native soil.

The war is a curse, as we well know,
But in the future it will show
All would-be murderers of truth and love,
That God and man work hand in glove.

Our boys "out there," know all too well
That they are right and even hell
Could not dissuade them from their deed
Of removing for good this raging weed,
Which, if allowed to grow, would envelope the earth,
And it no doubt would soon give birth
To a world where fear and hate would rise,
And the smoke of battle would cloud the skies.

The heritage of man as it shall always be,
Is to be born into a world of security;
And not as the slave of some dictator who
Dislikes the Catholic or hates the Jew.

Those heroes of Corregidor, Bataan, and Wake
Fought and died just for the sake
Of life and liberty that we might enjoy
Those cherished hopes of a girl and boy,
Who someday soon will pause and say
"It's great to live in the U. S. A."

"Thank you for a glorious misery." Those are words spoken by Thomas Jefferson in Sidney Kingsley's play, "The Patriots." These words expressed Jefferson's sentiments when he was made president of the United States — a job which he did not want, but one which he felt obligated to do.

I wonder how many of our soldiers feel the same way about the glory they receive on the battlefield. For war is misery. No man enjoys lying in a cold, damp fox hole, crawling through mud or fording streams, with the water up to his arm pits. No man wants to risk his life in a strategic attack on the enemy either. But thousands of American soldiers do just that every day because it is their obligation . . . And they reap glory for the misery of war.

But with us Wacs it is different. We are soldiers, true, but we see little of the misery of war. Our jobs are not in fox holes or on the firing line. We do the behind-the-line work that is so necessary to keep our American army functioning. We are proud of American fighting men and delighted to give them glory for their bravery. And we are thankful that we have a chance as members of the Women's Army Corps to help win the war sooner, and thus shorten the "glorious misery" of our soldiers in battle.

World War II BLACK DIAMOND:

Help to save coal by conserving electricity

Long ago, coal acquired the title "BLACK DIAMOND." Coal is precious today because it is a critical war material, because it is needed to run steel mills and railroads and power plants as well as to heat our homes.

Thousands of tons of coal are required every day in Edison power plants to make the electricity used by war plants and homes and business places in this area. If you use less electricity, less coal will be burned. The problem is as simple as that. Anything you can do to save electricity also saves coal.

That is why the Government asks for the utmost conservation in your use of electric power. Be careful in your use of electric appliances and equipment — turn off immediately when the task is completed. In home or office or factory, turn off lights not in use. Clean lamp bulbs and reflectors regularly. Don't leave the radio turned on when not listening to it. "Share the light" so that one lamp can serve two or more people.

These things are small in themselves. But this conservation program, which includes ALL utility services, will save thousands of tons of coal vitally needed for war. The Detroit Edison Company.

Robert Donat Stars in Epic Colony Theatre

Thrilling adventure and pleasant romances are billed together for a double bill for the audience of the Colony theatre for Sunday and Monday, Jan. 23 and 24.

The mystery story filled with the adventures of men who are seeking their treasures even though darkly lurks behind them at every step "Adventure of Tartu," starring Robert Donat, the favorite star of many Americans.

With this, the Colony is presenting another of those well liked Scatgood Baine's story. This is "Scatgood Survives a Murder" in which Guy Kibbee plays the featured role, a typical small-town business man and political boss, the idol of the town, again does his good deed with people who have placed their trust in him and comes through his recent ordeal with flying colors.

Stamp Auction Date Set for Feb. 5

Because of the vast amount of detailed work connected with listing the fine philatelic items for the big stamp auction of the Michigan Philatelic Societies the date has been set back to Feb. 5, according to Walter Guibord, chairman.

This is the first regular meeting of the Michigan Stamp club at the Book Cadillac hotel for February and the committee in charge deemed it proper that the auction should be held with the Michigan Stamp club in Detroit. They gave birth to the idea of the auction to raise funds for the most important organization handling the welfare of men in the armed services.

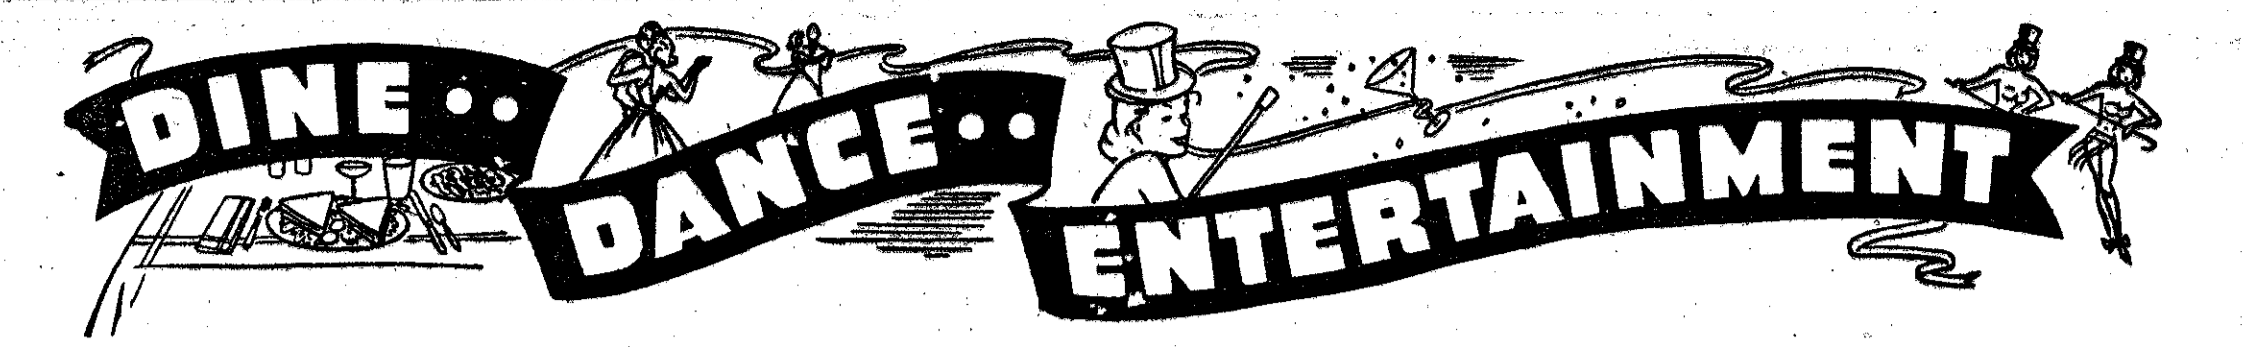

Nothing is to be deducted for expense — all members of the committee which was picked by Grosse Pointe's Al Butzen, president of the Michigan club, have taken over the underwriting of the expenses. All funds will go to a special fund which will provide photographic material to be used on the service people by the auxiliary photographic services of this welfare organization.

There is still a need for additional stamp items — no matter what the item is, it will be used in the auction to raise funds. The request is made that all Grosse Pointe items be sent in or brought as soon as possible to another Grosse Pointe, Hil F. Best, 1215 Nottingham road, Grosse Pointe Park 30, Mich. They will be placed in the auction list and acknowledged — if a printed auction list for mail bids is desired, the request should carry a stamp.

Stamp collectors of Michigan and Grosse Pointe have long wanted to do something for the armed services — this is the one big patriotic effort of the philatelic year and it is hoped that the Feb. 5 auction will net many hundreds of dollars to this worthy cause. Already over eight hundred dollars worth of stamps have been turned in and \$100 in cash donations.

Trombly School N-E-W-S

The 5A pupils have set up a museum as a culmination of their transportation unit. To help the war effort, every child who brings a bundle of newspapers may see the exhibit. It will consist of pictures, posters and models of past, present and future planes, cars, boats and trains. Pupils in the group will be prepared to explain the different models on display. Awards will be given to pupils bringing a 10-inch pile of papers, a small roll of cloth or a ball of yarn. Be sure to see this exhibit and help the war effort.

Learn Meal Planning Buying in Nutrition Class

A class in nutrition for the women of Grosse Pointe and vicinity will start on Wednesday, Feb. 2, at the Grosse Pointe high school. This class will be in the evening from 7:30 to 9:30, one night a week for 10 weeks, and can be used if desired as preliminary training for the dietitian aids and canteen training courses sponsored by the American Red Cross.

The instructor will be supplied by the Red Cross from their staff of many trained nutrition specialists. The fundamentals of good nutrition such as meal planning, buying and preparing of foods will be stressed in this course.

You may make reservations for this course by calling either Mrs. C. H. Hobbs at the American Red Cross, Fl. 9000, extension 78 or the Grosse Pointe board of education, NE. 2000, extension 25.

Iota Chapter to Hear Fine Musical Program

The Iota chapter of Sigma Eta Fine Arts sorority will meet Friday evening, Jan. 21, at the home of Mrs. Parker Mason, 263 Moran road. An interesting and varied program has been arranged for guest night. Present at the meeting will be the national president, Bertha Cleland, of Ft. Wayne, Ind. She will play a group of violin solos, accompanied by Margaret Hitzman also of Fort Wayne.

Helen Douglas and Jenny Mason will present two piano numbers. Elsa McKinney, violin solo; Martha Sutton, pianist; will also play some of her own compositions. Zelma Knight will sing, accompanied by Helen Douglas. A trio by Ester Reinecke, violin; Virginia Mackle, cello; and Jenny Mason, piano. Margaret Hitzman will close the recital with selections on the solovox.

Letters to the Editor

The Review welcomes contributions for publication. However, as evidence of good faith, all articles must be signed. Names will be withheld upon request.

Jan. 10, 1944 Grosse Pointe Review 15121 Kercheval Grosse Pointe Park 30, Mich. Gentlemen:

I want to express to you the appreciation of our committee for the fine co-operation you gave us during our last year's appeal in behalf of the sufferers of infantile paralysis in this area. Again we turn to you, confident that you will do all in your power to present the cause of these sufferers to your readers in the most dramatic form possible.

Our sister city of Chicago had an epidemic this past year with over 1200 cases of infantile paralysis and over 120 deaths. This is a fair warning to us in Detroit, in Wayne county, and in the state of Michigan to be on guard against this Enemy of Childhood.

We are financing the trips of doctors, physiotherapists and nurses to Minneapolis where the Kenny technique is being taught in courses under the direct supervision of Sister Kenny. We are training laywomen, many with practical nursing experience, in the Kenny hot pack technique, and are paying for their services while they care for the patients in our hospitals.

I believe there is no cause to which your valuable medium can lend its aid and which is more deserving than in this cause in behalf of our children, and our cordial relations of last year warrants me to again solicit your active support.

Mr. Vamasescu, who has given us so much valuable assistance in our annual appeal for funds, will be available for any help he can give you. Sincerely yours, Abner E. Larned, Chairman.

278 Kenwood Court, Grosse Pointe Farms, Mich. Jan. 10, 1944 The Grosse Pointe Review 15121 Kercheval Grosse Pointe Park, Mich. To the Editor:

There are many vacant lots and public grounds in Grosse Pointe. Why couldn't some of these, for instance the football field at Grosse Pointe high school and part of the new playground at Richard school, be flooded to be used for skating rinks?

We certainly need more rinks. As it is, many of us cannot go skating even when we have the time, because of the distance to what rinks there are, the gas situation and bus connections.

Then, too, having more rinks would provide better ones. Now the overcrowded rinks are skated on by young and old, hockey players and figure skaters, experts and beginners. Soon after flooding, the ice is again rough and chopped up.

Having more and better rinks would also help in the youth problem which is troubling many people right now. Most children like to skate and they would be glad of an opportunity to do so.

Let's have more rinks! Carol Corey

Mrs. Clayton Lanier, president, will call the meeting to order at two o'clock, the members responding to roll call with "Military Men of Rank."

Miss Elizabeth Payne, of the Art Institute, will be introduced as speaker of the day by Mrs. Harold H. Jameson, program chairman. Miss Payne will give an illustrated talk on "Art of Our Colonial Ancestors." She will also show slides of some paintings by Copley and other artists, which have been recently acquired by the Institute.

Stevadora Presents Clarinet Expert on Current Show

Boyd Center is the musical attraction at Eddy Shepherd's Club Stevadora this week. The famous expert of the clarinet, sax, etc., is packing them in "the East Side's gayest play spot" and being backed-up by Hank Finney and his reorganized band.

Barry Whitney, who can tear off a neat bit of tapping, does a swell job of emceeing and the Pearl Magley Stevadora offers their beautifully costumed cocktail number plus a scantly-clad tap job.

Super Double Bill Scheduled for New Shores Theatre

A double bill packed with romance and adventure is featured by the Shores theatre, Mack avenue at Nine Mile road for Sunday, Monday and Tuesday, Jan. 23, 24 and 25.

Dashing Don Ameche and lovable Gene Tierney are co-starred in the colossal movie film in wonderful technicolor, "Heaven Can Wait." With its gay nineties atmosphere, the picture is indeed refreshing after the current deluge of war pictures. Its colorful and quaint costumes and beautiful old fashioned settings takes one back to "Grandma's and Grandpa's days." It is really a most delightful story.

In contrast, the second picture on the bill is "Bombardier," a very exciting story of our fierces and the life they lead in typical American bombardier schools. With Pat O'Brien, Randolph Scott and Anne Shirley playing the principal roles, this movie completes the double bill starting Sunday.

Paul V. McNutt to Visit Detroit Tomorrow

Friday, Jan. 21, will be a red letter day for industry and labor. The Hon. Paul V. McNutt, chairman of the War Manpower Commission and federal security administrator, will spend the entire day and evening in Detroit talking with directors of the W.M.C. industrial leaders, labor, and the public.

His address will be concerned with problems involved in Detroit meeting its maximum contributions to the war effort. The amount of contracts which the city can handle, problems of labor, the reduction of absenteeism, more community facilities including housing, possible changes of store hours and banking hours, and the matter of public transportation are items which will be touched upon by Mr. McNutt.

Fine Features Billed for Aloma Theatre Patrons

A fine program of two pictures will be shown to all patrons of the Aloma theatre, Charlevoix at Wayburn, for Sunday and Monday, Jan. 23 and 24.

Robert Taylor and Mary Howard are co-starred in the well-known historical epic, "Billy the Kid." Taylor does a superb job playing the role of the young outlaw who terrorized the west with his daring and dashing maneuvers. His wonderful acting continues whether he is riding a horse or making love to Miss Howard.

This picture is indeed a compliment to Bob especially since it is one of his last roles in which he played prior to his going in the navy.

The second picture on the bill is "Young Ideas" in which Mary Astor and Herbert Marshall lend their distinguishing selves and acting abilities to make this an ideal story to be coupled with "Billy the Kid."

Grosse Pointe Woods Community Club

The girls and boys who enjoy the activities in the Community Club building wish to thank all the following people who made their Christmas holiday season a very happy one:

The village employees who made and maintain the skating rink on the club grounds, and the police officers, who by their co-operation and supervision, have made it a pleasant place to skate.

During vacation afternoons, the average number of skaters on the ice was 141.

Further appreciation goes to Mrs. Frank Morgan and Mrs. Harry Watson who provided Christmas decorations and the tree; Mrs. Krebs, who gave the nursery school

a large red truck; Girl Scout troops 257 and 209 and the Brownies who provided games.

There is still time to join the hat class which began last Tuesday at 2 p.m. in the club building under the direction of Mrs. Clyde Sutton. Instruction includes restyling and re-shaping of old felt hats, the making of fabric hats from material to match dresses or suits and the making of hat frames suited to the individual. Necessary materials and trimming may be purchased from Mrs. Sutton during the class.

Time — Tuesday afternoons from 2 to 4.

Registrations are being taken now for the new nursery classes which will begin in February. Small children 3 1/2 years to kindergarten age will be accepted. Mrs. L. M. Strut will again be the teacher and parents are asked to confer with her at the clubhouse on Mondays, Wednesdays, Thursdays or Fridays before 3 p.m.

The ballet classes will continue to be held on Mondays and Thursdays immediately after school under the direction of Pat Loring, assisted by Mrs. Ken Loring. The girls who have missed several classes are urged to attend regularly from now on as routines are being prepared for a public presentation some time in April.

Grosse Pointe High School Receives Second of U. of M. Scholarships

Grosse Pointe high school will again be the recipient of a scholarship from the University of Michigan which is awarded to every accredited high school in the state. Both honor and financial help are being offered by the university.

This recognition for exceptional ability is called the University List scholarship. Under this plan, which was first announced last summer, each high school can have one scholarship, (no matter if it has 10 or 1,000 in its graduating class.) In order to get that award a senior must qualify by proving, through tests and before an examining committee, that he or she can make good use of the opportunities of Ann Arbor.

Thus, a school, merely by nominating a senior for the award, can not announce that he will get it. The student himself must show that he is qualified. The university believes two valuable results are obtained by this policy; superior students are helped to get an unexcelled education; and by giving scholarships only to those who are prepared to do the work, later failures and discouragement are held to a minimum.

Each school is encouraged to nominate several candidates. The requirements are: Outstanding scholastic ability, interest in continuing his education, community activity and good character. Preference in case of competition will be given to those most needing the scholarship.

Announcements and application blanks have been sent to the high school. Students who are interested should obtain these applications, fill them out, and return them to Principal Walter Cleminson's office not later than March 10.

Between March 10 and May, each applicant will be interviewed and given tests by representatives of the

Honor, courage, patriotism and gain met to chat,
Herein is the outcome of their friendly spat;
The question involved, "Why man gives his all,
Home, family and life when the war drums call."
Results of their wrangling is left for debate,
Why man is aroused to destroy, kill and hate.

Said Honor:
"What is it when the flag is decried,
The nation insulted, her rights are defied,
Rallies men into war, inflames their hearts,
To cry for a gun and vengeance imparts?"

Why, 'tis I — Honor."

Said Patriotism:
"Well said, but I disagree, look in the street,
Thousands are marching to the drum's treble beat,
Waving of banners while crowds cheer and roard,
What brings them together crying for war?"

Why, 'tis I — Patriotism."

Said Courage:
"Wrong, man only fights if I lead the way,
Depends on my presence both night and day,
What is that something, when war to be won,
Calls man from his fireside, father and son?"

Why, 'tis I — Courage."

Said Gain:
"You three are right as far as you went,
But, more often an excuse for lives that are spent;
Covering greed and guilt in promotion of war,
Haunted and flattered when the cry is for more
Men for the guns to slay and be slain,
You are only three stooges when war is for gain."

Men are dying...are you buying?

If you're inclined to say, "I can't afford any more Bonds," just take another look at the casualty lists.

At least \$100 extra in Bonds—over and above your regular buying—is needed as your part in putting over the

Fourth War Loan. At least \$100, \$200, \$300, or \$500 if you can possibly scrape it up.

Look at those grim lists in today's paper. Buy your Bonds while the names are still fresh in your mind.

Can Earn College, High School Credits in Course by Mail

The adult education department of the Grosse Pointe board of education in co-operation with the University of Michigan Extension Service will provide an opportunity for out-of-school people to earn either high school or college credit through the supervised correspondence service offered by the University of Michigan.

Mrs. C. E. Marsden, supervisor of the U. of M. correspondence study courses offered at the Rackham building will be available one or two evenings per week to help students with their work.

The purpose of correspondence study courses is to provide educational opportunities for adults, who were unable to finish high school, those who wish to continue study in a certain special field and those who are prepared to go to college but due to the present emergency have not been able to go.

Descriptive course literature is available at the Grosse Pointe board of education from 10 a.m. until 4:30 p.m. and at the Grosse Pointe high school from 7 p.m. to 9:30 p.m.

You may call the Grosse Pointe board of education, NI. 2000 extension 25, for further information.

Jam Session with Rhythmaids
The Rhythmaids from the Fraser studio of the Grosse Pointe School of Music are considered solid senders by the men in the service. Last week's shows were very popular with Accordionist Dolores DePiero from the state school, adding pep to the programs. Rena Hollingshead was a charming emcee.

LOVELY WINTER BRIDE

MISS BETTY JANYE STEINER recently became the bride of Lieut. Russell Stricker at a candle light ceremony Tuesday evening, Jan. 17, in Faith Evangelical Lutheran church. The couple, well known throughout Grosse Pointe, drove to the Marianna Air Field in Florida where the groom is an instructor. The bride is the daughter of Mrs. Vera Steiner of Cadillac boulevard and the groom is the son of Mr. and Mrs. Emmanuel Stricker of Chalmers avenue.

Masks, Formals, Noisemakers Prevail at Hostess Corps 'Mardi Gras' Party

Another successful party has been added to the list, with the Mardi Gras party last Saturday night at the Neighborhood club when 170 servicemen were guests of the Hostess Corps.
The gym, decorated by Mrs. Arthur Bull, Mrs. Howard Qrackenbush and Mrs. Lloyd Murray, was gay with multicolored streamers and carnival masks. There were noisemakers and whistles on all the little red-and-white covered tables, and the snack bar, where Mrs. William Bedell and her committee, Mesdames Cassius Teague, Gerald McCray, Walter Dailey, and Ruth McGee were busy all evening, was centered with small figures of the king and queen of carnival and topped with a bright colored canopy supported by slender striped poles.
There were many familiar faces among the boys who came out from the USO with Mrs. Fred Munro and her assistants, as some of them have come to many of the Hostess Corps parties. All the girls wore their prettiest formals and during the early part of the evening, were masked. After matching cards to find their partners, there was a serpentine dance and at its conclusion, a general unmasking. Dancing and games and singing under the expert direction of Miss Pauline Masak kept things whirling merrily, and the mardi gras parade with some of the paraders wearing animal costumes and startling masks was an hilarious interval. Two of the funniest were Sp (t) 2C Steve Fusik who is stationed at Grosse Ile, and LAC Desmond O'Flaherty RAF who discarded uniforms in favor of flowing curls and spangled skirts to parade as belles of the ball.
Mrs. Gilbert Currie and Mrs. Fred Rising were in charge of the hostesses among whom were Fran Ken-

niston, Barbara Ketterer, Jocelyn Moore, Mary Jane Mutschall, Louise Nagel, Ellen Hewitt, Madeleine Hurley, Jessie Stevenson, Marjorie Little and Kay Andrews.

Margaret Courteville was junior chairman of the party and helping here were Mary Ann Martz, Betty Krausman, Joan Grojewski, Alice Pettibone, Rita Mae Kund, and Joan and Caroline Rabaut.

Highlights of the evening were the fortune teller and the artists, Gwen Lux and Jan diMarco, who sketched portraits with incredible swiftness.

A number of boys were overnight guests in Grosse Pointe homes, and Mrs. Ferris Fitch and Mrs. Clyde Adams were responsible for their billeting.

The next party the Hostess Corps will have will be a Valentine dance which will be held Feb. 6.

Vernier School N-E-W-S

There are 10 boys and girls of Vernier school who have purchased stamps every week since school started. If these children were absent, they sent their money by a friend. We are proud of their record of helping our country. They are: Eugene Graham and Stuart Smith, 2B; Carole Duemling and Virginia Roberts, 2A; Susan Parker, 3B; Gloria Duemling, Laura: Lou Smith, Nancy Kaser, and Christine Urquhart, 4B; and Fred Duemling, 6A.

We are all working for the Fourth War Loan drive. Buy YOUR bonds at Vernier school.

We brought newspapers and magazines for the paper drive last week. We are saving now for the next drive on Feb. 11.

Twenty boys and girls from the fifth and sixth grades attended the children's concert by the Detroit Symphony orchestra Saturday morning at Masonic auditorium. Our children enjoy these concerts and look forward to our turn to attend.

Her aunt met her in Chicago, but Christine had forgotten her snow-suit leggings. It had been so warm in New Orleans, but there was a snow storm in Chicago, so she had to wear long woolen stockings. Christine had a good time on her vacation. She was gone almost a month.

YOUR INCOME TAX PROBLEM IN MARCH 1944

This coming March the problem of preparing an accurate income tax return is complicated by the necessity for considering the years 1942, 1943 and 1944.

The Wage Earner's tax problem has not been solved by Pay-As-You-Go; even though his employer is now withholding his tax, he must file a return for 1943 by March 15, 1944. Also, as nearly as can be determined at this writing, he will have to file an estimate of his 1944 taxes on June 15, 1944, and pay half of his 1944 taxes on that date.

Business and Professional Men are confronted with a dual tax and accounting problem. Taxpaying is now a serious and perplexing year round proposition. Estimating business profits, commissions and net returns from income producing property a year in advance, then translating these into terms of tax liability and payments, calls for a combination of sound accounting practice and competent professional tax experience. The day of the curbstone "expert" has passed.

So too, good tax work today cannot be done on a production basis. Each individual still has his own particular tax problems, and his accounting must be tailored to fit his circumstances.

To this task our organization brings the "Know How" acquired from more than 23 years tax and accounting experience. We conduct a tax, accounting and report service for 12 months of the year; our office and facilities, including free consultation service, are available all year round, and thousands of taxpayers have availed themselves of it.

We will be glad to discuss your tax problems with you. No obligation.

Course in Civics Required for High School Diploma The Michigan school laws require that a high school student must successfully complete a course in civics before a diploma can be granted. In many schools, this course is given in the senior year. Because many boys may be drafted before graduation, schools are encouraged to give at least some credit for experience in the armed services. This credit may be sufficient for graduation.

The first meeting of the communicants' class, which Dr. Fitt will conduct for the young people contemplating church membership at Easter time, will be held on Jan. 30 at 9:45 a.m. The young people of the church school and the congregation, who are not members of the church, are all cordially invited to attend this class.

CHRISTIAN SCIENCE CHURCHES

"Truth" will be the subject of the lesson - sermon in all Christian Science churches throughout the world on Sunday, Jan. 23.

The Golden Text (Deuteronomy 32:3, 4) is: "Ascribe ye greatness unto our God. He is the Rock, his work is perfect: for all his ways are judgment: a God of truth and without iniquity, just and right is he."

Among the Bible citations is this passage (1 Peter 1:22): "Seeing ye have purified your souls in obeying the truth through the Spirit unto unfeigned love of the brethren, see that ye love one another with a pure heart fervently."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 201): "The best sermon ever preached is Truth practiced and demonstrated by the destruction of sin, sickness and death."
