Dr. Hugh Dill New Mayor in City of Grosse Pointe

Choice Unanimous for Successor to Mason P. Rumney

By a unanimous decision on Monday evening, Dr. Hugh Dill is the new mayor of the City of Grosse Pointe. He will fill the unexpired term created last month by the death of Mason P. Rumney, who was re-elected to his post in the 1943 fall election.

POINTE PARAGRAPHS

While on our tour of the various police stations, we have noticed that hardly a page is turned in the police blotters without having some reference to the local lads throwing snowballs. Our guess is that the Pointe boys were deprived of snow for such a great length of time that when it did come, they just couldn't resist throwing snowballs — even if it meant throwing them at homes, busses and automobiles. We all know that — boys must have their fun!

Mayor Hugh Dill started off his new career in the City of Grosse Pointe last Monday evening by accepting a check — in the City's name — for \$12,629 from the Wayne county road commission. That wasn't hard to take, was it?

It seems we made an error last week when we said that a City fire truck slid — because of the icy pavement — into an automobile while answering an alarm. We apologize. It was the other way round — the auto slid into the fire truck.

Although it appears that a great quantity of water has fallen, during the past few days, an expert opinion given by a Woods commissioner yesterday noon, said there is no danger of the excess water causing an overflow in the previously flooded sections of Grosse Pointe Woods. The dry condition of the ground plus diverting ice and snow is holding pools back so that the drainage is gradual.

A Park police officer thought that he would do a good turn for a young lady last week and give her car a push out of some snow. After a gentle push was given the car, it went merrily on its way — splattering the officer from head to foot with mud. Politeness certainly has its disadvantages!

City and Park Receive Checks for Gas and Weight Tax Share

The City of Grosse Pointe and the Park are in receipt of checks from the Wayne county road commission as their share of the gasoline and weight tax. The former's check was \$12,629.90 and the latter's, \$9,348.85.

May Pool Park, City Fire Depts.

It was revealed this week that the village of Grosse Pointe Park has been negotiating with the City of Grosse Pointe, pursuing the possibilities of pooling the fire departments of both municipalities and aiding one another on the fire calls in the Park and the City. This was brought to the attention of the council of the City Monday evening by Chester F. Carpenter, acting mayor, who received a communication from Karl E. Goddard, president of the Park commission.

the City council at its monthly meeting, Monday evening, that Doctor Dill be appointed and asked for the unanimous vote of the council. This motion was immediately supported by Councilman Dexter M. Ferry.

Mr. Carpenter, prefacing his motion, said that his name has been frequently mentioned in connection with the vacant post of mayor. He explained to the council that he appreciated this honor but he thought that as a councilman and commissioner of the highway, park and salvage departments, he could best serve the citizens of the City in this same capacity.

Doctor Dill, who has been a council member for several years, is a practicing physician throughout Grosse Pointe, with his residence on Neff road. He has been partially responsible for the efficient manner in which the health and welfare has been handled in the City. This he has done in his official capacity as councilman in charge of these departments.

One of the first official acts which Mayor Dill performed in his new post was the re-appointment of Mr. Carpenter on the board of supervisors, which, beginning April 1, will be reduced in number, allowing the City one representative instead of four.

Ghesquiere, Dying File for President's Chair in G. P. Woods

With noon, Saturday, Feb. 26, as the deadline for the filing of petitions for the post of village president and three posts as village commissioners, some indication has already been shown as to whom the candidates will be for the Woods annual election scheduled for Monday, March 13.

A. A. Ghesquiere, present president of the commission has filed for re-election, while Arnold L. Diesing, present commissioner, has also filed for the same post.

To fill the three vacancies created on the commission for this election, Edward Vanderbush and Arthur H. Post, both veterans at their posts, have filed for re-election. Four other Woods residents have also signified their desire to become commissioners.

They are George A. Beauchamp, Charles Hanneman, Earl C. Mohan and Rex H. Johnston.

has proved very successful wherever tried. The arrangement, as Mr. Goddard pointed out, would be for one community to go to the assistance of the other at all fires exclusive of grass or minor fires.

When Clarence Blessed, commissioner of public safety, was asked what he thought of this plan, he said that he had given it considerable study and that some such plan could be worked out. He said, however, that he would offer a counter-proposal to the Park to straighten out some of the minor details which he and Chief Ledger Chauvin of the fire department, objected to.

If a plan is formulated between the City and the Park, the loss of personnel will not be so noticeable. To date, the City has lost two men and the Park four men to the armed services. No men are expected to leave in the immediate future.

ABOVE is Artist Wilson's conception of the honor roll which is to be constructed on the grounds of the Grosse Pointe high school in honor of the men and women who are serving or have served in World War II and whose primary ties are in Grosse Pointe because of education, employment and past, present or future residence.

Woods Private Wounded in Action in South Pacific

The war department notified Mrs. William C. Watson, of 2009 Hawthorne boulevard, Grosse Pointe Woods, recently that her son, Pfc. Joseph W. Gee Jr., of the U. S. Marine Corps, had been wounded while somewhere in the South Pacific.

The only information which Mrs. Watson received relative to her son's wounds was that he suffered head injuries on an unknown date. It is believed, however, that he had embarked for Tarawa previous to his being wounded.

Private Gee, 21, attended Cooley high school and enlisted in August, 1941. He went overseas in July, 1942 and was one of the original Marine group to land on Guadalcanal. He has been a victim of malaria six times, and was stationed in Australia from December, 1942 to October, 1943.

His father is Joseph W. Gee, now a navy petty officer in the Pacific.

Park President Refers Pension Plan to Labor Committee

Karl Goddard, Park village president, in briefly reviewing the pension plan which will appear on the March 12 ballot of the village, referred the plan to the labor committee and the commissioner of public affairs for a detailed report and future recommendation.

Those to study the proposed plan are Homer C. Fritsch, chairman; Archie Damman and Paul I. Moreland of the labor committee. The latter is also commissioner of public affairs.

Appoint Two Firemen to Park Department

The Park commission appointed two new firemen for the village last week. They are David A. Taylor, 1365 Beaconsfield and Maurice Van Hevel, 1386 Maryland.

Parents Receive Citations Honoring Airmen Sons

Grosse Pointe Woods and Park families attended ceremonies at Seifridge Field, Mich., last Saturday, to receive in their sons' name, citations which were awarded them as heroes in World War II. At that time, 36 Michigan men were honored by the war department, and their next of kin received the citations from Col. William L. Boyd, base commander. All were air forces men.

Seven of the awards were posthumous. Seventeen of the airmen are reported as prisoners of war and 12 are listed as missing in action.

Mr. and Mrs. Harry Gorden of 1865 Hollywood, Grosse Pointe Woods, received the Air Medal and two Oak Leaf Clusters in the name of their son, First Lieut. Harry S. Gorden who was reported a German prisoner last October.

Mr. and Mrs. Stewart W. Munroe of 809 Berkshire, received the Air Medal for their son, Second Lieut. Stewart W. Munroe who was reported missing in action on Oct. 25, 1943, over Austria. Lieutenant Munroe, a bombardier on a Liberator bomber, was stationed at a base in Africa. He has two brothers in the navy: Lieut. (jg) James S., commander of a PT boat in the South Pacific and Henry, 3-C radar man.

24-Year Old Veteran Receives 'Purple Heart' in Italy

Mr. and Mrs. Benjamin F. Robertson of 1010 Harvard road, were notified recently that their son, Lieut. Benjamin F. Robertson Jr., has been awarded the Purple Heart for wounds received in action and for meritorious gallantry.

It is believed that the lieutenant was wounded while performing his duties as a forward observer for an artillery unit in one of the battles of Italy. The time and place were not given. Mrs. Robertson said that in a letter from her son, he said that he received the Purple Heart Nov. 15, 1943.

The injuries sustained consisted of shrapnel wounds about the face. A graduate of DUS in 1939, this 24-year-old lieutenant attended Miami university in Oxford, O., for two years. In April, 1941, he entered the army as a buck private. The following year, he was sent to officer's candidate school at Fort Sill, Okla., and received his commission as second lieutenant there in September, 1942. It was just recently that he received his promotion to first lieutenant while in Italy. He has been in the African and Sicilian campaigns and the invasion of Salerno.

Lieutenant Robertson has notified his parents that he has recovered from his wounds and has returned to his unit with the heavy field artillery, again as an observer.

Thief Makes Large Jewelry and Fur Haul From Farms Home

The largest household looting in the year or in many years was reported to the Farms police Sunday evening, by a resident on Merriweather road, when he found his home had been burglarized while the family was absent for the day.

Value of personal effects stolen reached several thousand dollars. The name of the victim is withheld.

The police, investigating the theft, believe that the work was done by one operator who removed a small pane of glass in a rear French door. Included in the articles taken were furs and jewelry.

Stop Participating Temporary Branch Maintenance Cost

When the Grosse Pointe Park village commissioners were asked to approve a small assessment made against the village as its share in maintaining the temporary quarters of the post office located in the City-owned building on Maumee between St. Clair and Neff, last week, a discussion arose as to the value of such an office to the residents of the Park.

The story begins when, after the Christmas post office was again established here, postal officials in Washington approved the establishment of a permanent branch for Grosse Pointe. Until such quarters

Huvaere Resigns As City Highway Head; Stork Appointed

Jerome Huvaere of the City of Grosse Pointe, tendered his resignation this week as superintendent of the City's highway, park and salvage departments, to enter private business.

Upon the recommendation of Chester Carpenter, commissioner of the highway department, and upon the approval of Clarence Blessed, public safety commissioner and Thomas V. Trombly, chief of police, Julius Stork, police sergeant, was appointed to the vacancy.

The City of Grosse Pointe is very fortunate to have a man with the background which Mr. Stork brings with him to fill this position. He entered the City's employ in the police department in 1929, and will assume his new duties on March 1.

are obtained to house the branch, it was decided to allow the office to remain in its present building, for approximately three months.

When this proposal was brought before the City council, they agreed to allow the use of the building to the post office, but thought that since all Grosse Pointe is using the office, the expense of the maintenance should be carried by all the municipalities.

On Feb. 15, Grosse Pointe Woods approved the payment of their small share in the maintenance of the building. On Feb. 16, this question was brought before the Park commission with the result that the present bill would be paid, but that no authorization would be made for any future appropriations, although President Goddard recommended the continuation of the payment of the Park's share.

This decision was brought about when Paul Moreland said that he wondered if the post office was as valuable (as at Christmas time) so as to continue operating the branch. He said he was not in favor of continuing to pay for it. Archie Damman said he wished payment discontinued and Howard Parshall said he thought Uncle Sam should maintain it since we pay the postage. Anyway, he said, the Kercheval avenue station is closer.

The general opinion of the commissioners was that Park residents did not use the post office enough to warrant payment of any share of its maintenance in the future. Commissioner Cunningham said he would like a check made, if possible, of the number of Park residents who use the office. Nothing further was made with his suggestion, however.

Therefore, despite President Goddard's recommendation, it was agreed among the commissioners that the Park will sever all relations with the Grosse Pointe branch post office.

Announce Site for Honor Roll

With the approval Friday by the Grosse Pointe board of education, the Grosse Pointe Honor Roll Association, Inc., this week announced the permanent site of the honor roll memorial which is illustrated elsewhere in this issue.

The association had originally determined that with the approval of the board of education, the site would be the most adaptable, most appropriate with the architecture and surroundings of the Grosse Pointe high school building. For this reason, the memorial will be situated in front of the flag pole, about 80 feet back from the intersection of Grosse Pointe boulevard and Fisher road.

The design of the honor roll edifice was selected because it is an adaptation of the colonial architecture of the high school building, with lines of beauty and grace all its own.

Clarence Blessed, chief of the air raid wardens who have volunteered to undertake the job of canvassing the Pointe to tabulate the names of the men and women in the service, was out of town and could not be reached for a statement regarding the increase of names which have been pouring in over the past week, since the entire list, available at

the time, was published in The Review on Feb. 17.

The residents of Grosse Pointe are asked to give the name of any of the men and women who are or have been in service and whose names did not appear in the published list last week, to their local warden when he calls upon them. If a warden does not appear by March 5, the residents are then asked to notify their respective municipal clerk or the librarian at the nearest public library.

The names of those who are serving or have served in World War II and who are eligible to appear on this memorial must be members of the army, navy, marine or coast guard and their subdivisions: Aviation cadets, seabees, V5, V8, V12, chaplains, officers reserve (inactive status), Wacs, Waves, Spars, women marines, and army and navy nurses.

The association is receiving contributions for the honor roll for the cost of its construction will be assumed by popular subscription, and those residents who wish to contribute may use the convenient contribution blank found elsewhere in this issue of The Review.

This is my/our contribution toward the Grosse Pointe Honor Roll. Name: Address: Send contributions to Paul I. Moreland, Treasurer, 1164 Harvard Road, Grosse Pointe Park 30, Mich.

"WE LEAD, OTHERS FOLLOW"

THE ELECTORATE SHOULD SPEAK

Residents of the village of Grosse Pointe Park are charged with a responsibility on March 13 when the annual village election will see not only candidates for the offices of village president and commissioners seeking seats, but two proposed charter amendments will be submitted to voters on separate ballots.

The first amendment concerns itself with a pension-retirement plan for all village employees. Originally instigated by firemen and policemen, the proposal was drawn to include all municipal employees when prepared and attached to a petition which was circulated early this year in the village.

POINTERS, NOW WHAT?

For many years, the people of Grosse Pointe have had to travel some distance in order to mail a package. When they did arrive at a branch post office, very often the individual had to stand in line in order to deposit their parcel or mail their package.

Through the efforts of various public officials and because of public sentiment, the United States postal officials in Washington agreed that a branch post office in Grosse Pointe is necessary. They have seen that the volume of business which the temporary postal facilities had done for two years at Christmas time warranted the establishment of such a permanent branch, which was, for the time being, to be located in the City-owned building on Maumee road, between St. Clair and Neff.

Now it seems that the Grosse Pointe Park village commissioners do not think such a move is necessary. They think that all the work which the interested people have done for such a branch is not necessary for there is a branch office located at Kercheval and Marlborough. In fact, they have agreed that they shall no longer pay their share of the maintenance expense which the City is asking for the building. Not rent, but just maintenance.

This looks as though the commissioners are completely ignoring the fact that outside of the few residents who live in the southern part of Grosse Pointe Park, the greatest majority of people of Grosse Pointe find the Kercheval avenue station inconvenient for them, both because of the locality and the time spent waiting in the office and have patronized the Maumee station beyond all expectations of the superintendent - this even includes the Park residents.

What are the residents of Grosse Pointe Park going to do about this? Are they going to allow the Park to withdraw?

MORE CO-OPERATION NEEDED

With the wave of burglaries which has been occurring throughout the Pointe for the past several months, a plea has gone forth from the heads of the police departments to the residents for more co-operation in "some of the little things" which may eventually lead to the capture of any lawbreaker.

The citizens are urged to report to their respective police department any suspicious person or persons who might happen to be walking or driving down a street. They are asked to notify the departments if unusual sounds or noises are heard in the neighborhood. They are asked to report immediately if they find that something is or appears amiss in their neighborhood.

Residents are asked that if they leave town for a day or two or longer, to notify their police department so that a periodic checkup can be made of the empty house.

If some of these suggestions are followed, soon in some way, the police will be able to get on the trail of any person who has been terrorizing the community with their house ransacking.

If everyone co-operates, the thief will be caught that much sooner.

Just, oodles of gals, last weekend were spending days and days preparing for the big dances of the weekend - you know, pin curls, cold cream and stuff. The Oarsmen's Ball, an annual dance given by the Grosse Pointe high school crew, which was held at the Detroit Boat club Friday, was a huge success.

Indeed, the gals' patient hours of primping was worth it. Saw Marge Wolfe 'n Bill Maas; Barb Jones 'n Don McLean; Nan Moesta 'n Dick Dodge; Jini Morton 'n Woody Geist; Nickie Hoffman 'n Jim Trousdale; Mike Bloy 'n Jeanne Thorne doing a bit of the old jive.

Then too, there were Bonnie Tait 'n Tom Castner; Jeanne Harkey 'n Bob Thibadeau; Evie Osborne 'n Bob Johnson; and Dave Fairless 'n Barbara Sickles.

Isn't it the truth? Everything happens on the same weekend. Well, the Lambda Sigma fraternity dance, held at the Book last Saturday really attracted a great gathering. Even though the family car is hard to get and there still is the problem of getting those little coupons, the gang around the Pointe always seem to find some way of getting places.

Let's see, there were Louise Whitcomb 'n Gardner Strawbridge; Bob Clark 'n Alice Denner; Bob Seeber 'n Corrine Clemens; Jack Seeber 'n Betty Marchand; Bixie Mitchell 'n Jim Trousdale; Milt Henkle 'n Mary Lou McGraw; John Bartemeyer 'n Nickie Hoffman; Doris Ruel 'n Bob Keydel; and Barb Ray 'n Bob Benya really having a great time dancing to the mellow music of Russ Armstrong.

Libby Powell rounded up the old gang of femmes around the Pointe last Saturday night before the dance and gave a real super dessert party. Jini Morton, Barb Jones, Mary Lou Long, Carole Pierson, Ann Wakeman, and Jini Robinson were some of the merry crowd.

What could be better than a good play and dinner at the DAC? Well, Kathryn Lynch thought the idea would be a pretty good one, so she has invited some of the gals and fellows to take in the play "Janie" and then wind up the evening by eating supper over at the DAC tomorrow night. Some of the kids will be Ruth Stieckel 'n Bob Barnes; Doie Rink 'n Hank Wilson. Cabell Morris will be Kathryn's date.

PERRIN FIELD, Texas. — Corp. Roy J. Schomer, husband of Mrs. Mary A. Schomer, of 1705 Roslyn road, Grosse Pointe, this week was promoted to his present rank at this army air forces training command pilot school. Corporal Schomer is a member of an aircraft maintenance squadron.

Cadet William J. McHugh, after completing a nine week preflight course at Iowa, has left for aerial instructions in primary basic and advanced flying school at Olathe, Kan. He recently enjoyed a 12-day leave with his mother, Mrs. William J. McHugh at 96 Mapleton road, Grosse Pointe Farms.

Among army personnel visiting in the Pointe this week with relatives and friends have been Barney Hull, Jerry DuCharme, and Elmer O'Hara, the latter nursing an infected foot.

Headquarters, Army Air Forces Central Flying Training Command, Randolph Field, Texas. — Tech. Sgt. Arthur A. Truet, son of Mr. and Mrs. Arthur Truet, 1244 Three-Mile Drive, Grosse Pointe Park, has been promoted from staff sergeant at the Randolph Field headquarters of the immense army air forces central flying command. Sergeant Truet works as a clerk at Randolph Field.

Staff Sergt. William A. Greenaway, son of Mrs. E. Metzger, 1100 1/2 Lakepointe, is home on furlough. He is stationed at Camp Gordon, Ga., where he will return next Sunday.

I Am a Wac

by LIEUT. FREDDIE BOYLE

The other day one of my colleagues asked a young lady if she would like to read some booklets about the Women's Army Corps. She answered, "My husband has already told me he doesn't want me to join ... He's doing our share by fighting in New Guinea." That attitude seems to be indicative of the feelings of a great many people these days. We should like to give you our views on the other side of the question.

President Roosevelt said a long time ago that this is an "all out" war. "All out" means the most from every person, not the most from only one member of each American family. It means everybody's giving everything he or she can. It is not enough for the husband or father to put all his strength into fighting this war. The wives and sisters are needed too, and buying an occasional bond or helping out at the Red Cross is not sufficient if a woman is free to do more. In an "all out" war, one man cannot possibly contribute the share of two people. If there are family responsibilities, the wife should join the service too, and do everything she can to hasten the day when peace will come to the world, and her husband will return.

Thousands of patriotic women have already joined the Wac, and are doing their utmost to help win this war. But there are thousands more eligible women between 20 and 50 who are without dependents. These women have no right to stand aside while our American men go off to fight. For women have an obligation too. Some of the ladies will argue, "But I have an important job." And we say that is not enough. Ask yourself this question: "Can someone, not eligible for the service, do the job I am doing?" If your answer is "yes," then you should join the Wac.

These are patriotic SHOW WINDOWS—

with lights dimmed to SAVE COAL

Perhaps you have noticed show windows in the evening with their lights dimmed or turned off completely. These merchants are cooperating with the Government's program to save coal, transportation, manpower and other critical resources by turning out lights wherever possible.

In many cases, stores with lighted show windows are making worthwhile savings of electricity in other ways—by reduced interior lighting, showcase lighting, etc. YOU can help this program by saving electricity in your own home, store or factory. Even though electricity is not rationed and there is no shortage in this area, SAVE voluntarily wherever you can, as much as you can.

**Sinclair Mills at
 Vogue Cocktail
 Lounge on Cadieux**

In keeping with their established policy of "The finest entertainment obtainable," Sam Ravine's Vogue Cocktail Lounge has scored again with the return engagement of Sinclair Mills, the famous piano sensation, who has been thrilling audiences wherever he has appeared.

Mills returns to the Vogue Monday, Feb. 28, direct from a long engagement at the "Pre-View" Club of Chicago. His appearance here last summer was a sensation to those who heard him. His old friends will be glad to see him back, to find that his work at the keyboard is more enthralling than it ever was.

The Vogue, located on Cadieux just north of Harper at Evanston has its own parking lot. There is no cover charge usually expected in the surroundings the Vogue provides its customers.

**Marx Brothers
 Scheduled for
 Aloma Screen**

The famous Marx Brothers are headlining the show which will be shown at the Aloma theatre, Charlevoix at Wayburn for two days' showing, Sunday and Monday, Feb. 27 and 28.

The hilarious antics of the famous brothers are shown in the picture "The Big Store," in which popular Tony Martin is also presented. The picture is one which is exceptionally good for your nerves for the mannerisms and activities which the Marx boys go through will really banish all doleful thoughts from your mind. It is a good tonic for all war nerves.

In addition to this picture, Allyn Joslyn and Evelyn Keyes are co-starred in a picture "Dangerous Blondes." This is another picture which is a "must" on your film schedule, so plan on visiting the Aloma theatre for these pictures next week.

**Laugh Parade Show
 at Club Stevadora**

There are a lot of laughs as well as a new singing discovery at Eddy Shepherd's Club Stevadora this week. The show opens with a cowboy number by the Stevadoras. It is a cute number both as to dancing and wardrobe and the girls sing it also. They are followed by swing sing Marsha Deland in a series of Latin songs. First laughs of the show are furnished by Joe Lusk with his breakaway xylophone and grotesque wardrobe. The Stevadoras return to the floor and do a double exposure southern dance in which they change from southern belles into dancing pickaninies. Harry Whitney who is mastering the ceremonies does some of his sure fire laugh material and then introduces a brand new baritone singer, Dick Cole, a young man who has a pretty good voice and a nice appearance. He is new to the business and appears a little nervous but in spite of that he has a certain appeal that goes over big with the audience. He is followed by a character who calls himself Joe Blow, after watching his hodge podge of imitations, etc., it's hard to figure out just what he is doing, but for sure he provokes a lot of good solid laughs and a lot of fun. Wally Schaeffer has replaced Hank Finney at the piano and is doing a swell job on dance music and shows.

**'Sherlock Holmes'
 on Colony Screen
 February 27 to 29**

The management of the Colony theatre, located on Mack avenue, has scheduled a fine bill of double features for its patrons for three nights next week, beginning on Sunday, Feb. 27 and ending Tuesday, Feb. 29.

"Sherlock Holmes Faces Death" will be presented in which Basil Rathbone and Nigel Bruce are co-starred in a play which brings one of the most famous characters to the screen. How Sherlock Holmes, with all the odds against him, solves the crimes which appear in this story, and still avoids the penalty of death

**Action-Filled War
 Thriller at New
 Shores Theatre**

One of the most recent pictures filled with war-torn drama comes to the screen of the Shores theatre for three days showing, beginning Sunday and lasting through Tuesday.

"Guadalcanal Dairy" the story of the heroic American soldiers who stopped the Japs at this vital spot in the South Pacific is the main feature of the day. In it, the popular newcomer, William Bendix, portrays the tough but still gentle Marine, the star of the picture. He is supported by such players as Preston Foster and Lloyd Nolan in this all-powerful hit.

Coupled with drama is another happy-go-lucky picture which co-stars two of Hollywood's favorite stars: Martha Scott and Adolph Menjou, supported by popular Dennis O'Keefe in "Hi Diddle Diddle,"

**AWVS Publishes
 Own Recipe Book**

Just off the press is a neat little blue-covered AWVS recipe book edited by Mrs. Nellie Bell and Mrs. Wood Williams of the consumers

division of the Grosse Pointe unit of the American Women's Voluntary Services. Designed to swell the committee revenues, these smart little books are not only published "on a shoestring" but they are literally tied with crimson shoestrings, the thrifty idea of Mrs. Harold Van Leyen. Mrs. Rufus Clark assisted with the mimeographing of recipes and cover design which is of blue legal paper. Since the book is loose leaf, more recipes will be added from time to time. Each one included is original with the donor and many interesting food concoctions are included. New books will be published three times each year.

Inside Facts Given in War Department Film to Be Shown Pointers Next Tuesday

In the film "War Department Report" to be shown at the Punch and Judy theatre, Tuesday afternoon, Feb. 29, from five to six o'clock, the army gives Americans the inside facts on "what the score is" regarding the progress of the war. Through the public relations bureau of the U. S. army the picture has been secured for this showing to adult residents of Grosse Pointe by the conservation committee of the WPB of this area.

"For the first time in its history, the war department is making an official report on the military situation directly to the war workers of America," states Robert P. Patterson, undersecretary of war, in his introduction of the film on the screen. "This is not a pep talk. It is the report of your general staff," reports Mr. Patterson. The confidential material on which the film is based was first presented in a series of highly restricted war department conferences to members of congress and leaders of industry, labor and the press. These men were so impressed with the information presented that they urged the war department to relax restrictions and make the facts available to every war worker in the nation — from top executive to apprentice worker.

The undersecretary of war directed that the material be made into a film as the quickest, most graphic way of telling this important story. "War Department Report" is the result — frank, grim and startling. To illustrate its points the picture draws on the cream of actual combat mov-

ies filmed by army and navy camera crews. In dramatic sequences it shows the landing in Sicily, the bloody battle on the Salerno beach, our planes in aerial combat with the enemy, the remarkable amphibious attacks on Jap-held strongholds and other action scenes.

The strength of the enemy is revealed in his own films seized from him and now used to expose the truth about his men and equipment. A unique part of this seized footage gives the Germans' own film record of their abduction of Benito Mussolini. Other sections reveal the job that lies ahead for us stressing the problems and possibilities of attacks on the Axis from the air, on land and by sea. Interesting animated charts supplement dramatic action pictures in presenting statistical facts in a simple and engrossing manner.

Mrs. Frederick C. Ford, chairman of the conservation committee of the WPB for the Grosse Pointe area, is actively interested in this courtesy showing of "War Department Report" and Mrs. Benjamin O. Shepherd, activities chairman of the committee, is in charge of arrangements. To co-ordinate the committee's activities on conservation this program has been planned as a conservation rally. Mrs. Robert J. Flemming, chairman of junior members of the AWVS, has asked Mary Jane and Ruth Ann Sheaffer, Libby Powell and Lois Gehrig to act as ushers and to sell war stamp corsages.

Mrs. Donald Melville, chairman of distribution of complimentary tickets has sent tickets to representatives of 40 civic and church organizations in Grosse Pointe. She has been assisted by volunteer workers at the AWVS office.

Immediately following the showing of the film for just 15 minutes, George Elworthy, co-ordinator of the OCD for Grosse Pointe, will introduce representatives of four public utilities who will speak for three minutes each. Their program will be co-ordinated by Hugh Sheen, head of the speakers' bureau of the OCD. These speakers will include Paul Pentland, Frank Curtis, and Mr. Sheen.

Urge Parents Use Services of Motion Picture Council
A meeting of the Grosse Pointe Motion Picture Council was held on Monday, Feb. 21, at the main library. Mrs. Howard Westphal, president, presided.

Mrs. R. J. Purdy was appointed the new secretary and Mrs. Charles Hewitt, chairman of programs. It is the desire of this organization that every parent in the Grosse Pointe area avail themselves of the service by calling the library, NI. 2191. They can obtain information regarding the suitability of a motion picture which their child wishes to attend.

WAR BONDS are the means of bringing back normalcy!

Pierce Goes Over the Top in Sales of United States War Bonds and Stamps

The students of John D. Pierce junior high school are backing the attack, for they have bought enough stamps and bonds to pay for the equipment of a small army.

During the last semester \$88,119 were sold in bonds during the Third War Loan Drive. A jeep worth \$1,065 along with its two cousins, the amphibious jeep worth \$2,090 and the flying jeep costing \$3,000 were purchased. An army motor scooter cost another \$185. A life-boat for the navy cost \$250 and a parachute for the air corps cost \$65.

Twenty-four home rooms adopted a soldier by paying for his ordinary equipment. The students of home room 225 bought \$536 in stamps and bonds for their soldier, Pvt. Yankee Doodle. Home room 113 bought \$434 for Super Sergeant and students of home room 221 bought \$385 to outfit their Major Victory. In all 36 soldiers were thus equipped.

The semester closed with a climax, for the students went "all-out" in

the Fourth War Loan Drive. They sold \$115,150. Muriel McLeod made over 30 single sales. Martha Fischer sold \$10,625 worth. Marion Straith, Carolyn Silver, Laura Murphy, Carl Schweikart, Virginia Blake, Mary Ellen Antrim, Douglas Munro, George Hughes, Doris Duncan, Constance Ganopulis, and Charles Beeching were other gallants who brought in over half of our total amount.

The sales-value of these bonds will purchase a P-51 Mustang pursuit plane. It will have a decalcomania dedicatory panel inscribed to the students of Pierce. Almost 200 students bought bonds in their own name. Robert Buslepp, 9A, of 225, has earned and bought 18 bonds since June. He has now earned the title of Gen. Robert Buslepp. (Each bond earned by the student advances him in rank according to the army citations.) David Thompson, 9A, of 233, and Bruce O'Neill, 9A, of 233, have earned and bought six bonds and are entitled to the rank of captain.

Historical Gold Rush Brought to Reality at Hostess Corps Servicemen's Party

The doors swung in and the doors swung out at the Neighborhood club last Saturday night, making the Hostess Corps Gold Rush party's honky-tonk atmosphere complete to the last detail. The swinging doors were the masterpiece of Howard Quackenbush, who spent most of the afternoon installing them at the entrance of the gymnasium. And they really worked.

One of the boys registered complete amazement at the layout of gambling machines and the millions of bogus dollars that didn't take long to change hands. All of that was the work of the Grosse Pointe Rotary club, under the chairmanship of Ernest A. Graham. Before the club members could be assembled at the end of the evening to take a bow for their doings, though they

had disappeared into the night. On Erick W. Munro wants them to know that their efforts were greatly appreciated.

The decorations were done by Mrs. A. W. Bull, Mr. and Mrs. Lloyd Murray, Howard Quackenbush, Gloria Roberts, Lois Buck, Marjorie Bull and Betty Brooks. The refreshment corner sported a chest-high bar done by J. A. Krausmann, complete with foot rail and candles in bottles.

The free lunch and cokes and coffee were prepared and passed over the counter by the Frank A. Reids Jr., the Leo O'Laughlins, the W. A. Teetzels and the R. T. Johnstones Jr.

Dawn Wright made her entrance dressed as Mae West, and made quite a hit with the barber shop quartet, to say nothing of the servicemen. Another feature of the evening was fortune telling by Hassim Kohn. He put his crystal ball to work in the backroom, and had customers lined up to the bandstand.

Speaking of the band, E. Allen Freiwald, leader of Larry Easterday's gang, will pass the baton on to Allen Chase, the bass player, when he leaves for Purdue university and the V-12 program next Wednesday. His parting comment — "And I don't look like Frank Sinatra!"

Entertain Wives of Service Men at Party Wednesday

The management of Hagen's cafe, Kercheval avenue and Maryland, entertained a group of wives of servicemen last Wednesday night. The group which assembled honored the absent servicemen who were former patrons of the cafe.

Those who attended were the Mesdames Joseph Beer, Paul DeGriek, Bernie Scherer, Chester Martin, Bob Maars, Frank Foley, Donald Paton, Ralph Schuster, Gregg Sullivan, Roger Houthof and Leon Cyril.

Accept Entries Now for Table Tennis Tourney

The Michigan open table tennis tournament promises to provide the tops in table tennis, as competitors will be the best in Michigan and the surrounding states. Entries are expected from Ohio, Indiana and Illinois as the players tune up for the national tournament that is to be held in St. Louis, Mo., March 31, April 1 and 2.

This tournament will be held in conjunction with the annual Briggs employees tournament. Entries are being accepted by Graham B. Steenhoven, 1446 Nottingham avenue, Grosse Pointe Park. The tournament will be held Saturday and Sunday, March 18 and 19 at the Fairview Gardens located at Mack and Fairview avenues.

Thief Enters Home; Empties Penny Banks

Mr. and Mrs. Robert Greig of 950 Hampton road, reported to Woods

police last Wednesday evening that a thief had entered their home, completely ransacking it. The prowler made off with a small amount of

change from the children's banks. **Burning Iron Causes Fire** The residents at 825 Beaconsfield

blamed an overheated iron and burning ironing board for the minor blaze which occurred in their home the forepart of this week.

GIVE TO THE RED CROSS

A RED CROSS representative will call upon you soon. And when that call comes, remember...

Unless you give and give generously, the Red Cross may not meet its quota this year.

Unless everybody digs down deep, it may fail your boy when he needs it most.

It costs real money to collect life-giving blood for field hospitals half a world away. It costs real money to send food to your boys in enemy war prisons. It costs real money to transplant that little bit of Baltimore or Sioux City or Pasadena—in the form of Red Cross canteens—to cities 10,000 miles away from home.

Your boy is counting on you. The Red Cross is counting on you. The Red Cross is YOU!

So when its representative calls upon you to help, you simply mustn't say "No."

The RED CROSS is at his side and the Red Cross is YOU!

Ray Brock Substitute Speaker on Lyceum Series; Just Returned From War Fronts

The speaker for the lecture on Tuesday, Feb. 29, sponsored by Grosse Pointe Lectures, Inc., at the John D. Pierce auditorium, will be Ray Brock, Balkan and Near Eastern correspondent for The New York Times.

Edmund Stevens, the Christian Science Monitor's roving correspondent was originally scheduled for this date but The Monitor would not release him from his present assignment in Russia.

The speakers' committee composed of John R. Barnes, chairman; Messdames Arthur Neef and Richard P. Jackson, and Henry Horn and Dr. Paul Essert selected Mr. Brock to fill this engagement in view of the fact that he will have first hand information about an area of the world that is quite likely to be overlooked in our present-day thinking.

Local Camera Club Plans Extensive Program for 1944

Because of the extensive program planned by the Grosse Pointe Camera club, it was voted at its Tuesday evening meeting to change the meeting place to the Neighborhood club.

By a unanimous vote, it was resolved that the Grosse Pointe board of education should be told of the club's appreciation of the use of the classrooms at the Grosse Pointe high school and that it was with regret that the change of meeting place was necessary.

A large number of excellent prints were also submitted to the judges for criticism and a new type of judging was invoked. Dr. C. J. Marinus and Robert Stellwagen, acted as judges, and they alternated in telling the good and bad points of each print.

A committee was appointed by Don Thomas, president of the club, to work out methods of choosing a "Miss Grosse Pointe." It is expected that arrangements will be completed within the next three weeks at which time an announcement will be made to the public concerning the contest. The next meeting of the club will be held on March 7 and a well known modernistic photographer, Roland Spedden, will address the meeting. The public has been asked to attend.

Funeral Rites Held for John Middleton

Funeral services were held yesterday for John Middleton, who died Monday at the home of his daughter, Mrs. Edith M. Gehrig, 1230 Bal-four, in Chicago with burial in Forest Home cemetery.

Mr. Middleton, 82, spent the past few years in Grosse Pointe, although he formerly lived in Chicago, coming to this country from Rhye, Wales 62 years ago. He was a member of the famed Welsh choir and of Ivorite Lodge in Chicago.

Besides Mrs. Gehrig, he is survived by two brothers, Edward E., of Detroit, and John C., of New Orleans, La.; sister, Mrs. Beulah J. Williams, of Detroit; three grandchildren.

formation about an area of the world that is quite likely to be overlooked in our present-day thinking. Ray Brock has just arrived back in this country via clipper from the Teheran and Cairo conferences of Roosevelt, Stalin, Churchill, and Chiang Kai-Shek. He has been abroad longer than any other correspondent now in the United States covering the war in Spain, the '38 crisis in Czechoslovakia, the blitz in France and the low countries, the Balkan collapse, the battle of Crete, the bombing of Belgrade, Syrian campaign, the Iraq revolt, Anglo-Russian invasion of Persia. He was captured by the Italians in Dalmatia but won his release through a technicality of International Law.

RAY BROCK

Ray Brock is a graduate of Texas A & M, where he started out to be an engineer. He played varsity football and edited the college paper in his undergraduate days. After leaving Texas A & M, his rise in the journalistic profession has been very rapid, to date he is the only man ever to have two front page by-lined stories in the same issue of The New York Times.

Since returning from the war fronts, Mr. Brock has had articles featured in "Look" Feb. 22 issue and "Cosmopolitan" March 1 issue. He has had many radio appearances on the NBC network, the latest being last Sunday on the World Front program, as a guest speaker.

The speakers committee feel that they were very fortunate to be able to secure a man of Ray Brock's ability for the Grosse Pointe Lecture series. Reservations for single admission tickets may be made by calling the Grosse Pointe board of education, NI. 2000, extension 25.

Birthday Tea Honors Old Pointe Resident

A birthday tea was given on Feb. 19, for Mrs. Lillian Hooper who celebrated her 89th birthday. It was at the home of her granddaughter, Mrs. Russell C. Bates, 466 McKinley road, Grosse Pointe Farms. Messdames Carroll Kennedy and William Gayer assisted at the tea table.

Among the guests were Mr. and Mrs. Fred Hooper from Capac, Mich., son and daughter-in-law, and the Messdames Helen Lester, Winifred Turner, Minnie Burch, Edna Parkenson, Pearl Smith, Bernice Hayes, Carrie Newberry, Anne Coolidge, Gertrude Diedrich, Christian Bates, Dorothy Strohour, and the Misses Anna Lock, Frances Lock, and Christine Newman.

Unusual Farewell Party for Ensign Given on Sunday

The Punch and Judy cocktail lounge was the scene Sunday evening of a warm farewell party for Ensign Carl Kuechenmeister, who leaves this week for the navy.

An atmosphere of the gay nineties was lent to the occasion as the bartenders appeared fantastically attired and well equipped with handlebar mustaches and wavy hair. George E. Pfeiffer was host for the reception and Ray Van Dyke, manager of the Punch lounge, selected Glen Anderson as honorary guest, bartended and J. C. Murphy was his assistant.

Among the guests were the John B. Pattersons, William W. Farris, Paul Jahnkes, Glen Andersons, Charles Clements, Ray H. Van Dykes, Charles E. Clarks, C. J. Murphys, Irving Deckerts, Ed Schoenherr, Dave Johnsons, S. D. Hubbells, J. F. Kanes and Daniel L. Sullivan, Dorothy Munce, Bettie Smith, C. A. Dean Jr., Joseph C. Smith, Virginia Albrecht and Jerry Ducharme.

Richard School N-E-W-S

The Richard school had its third PTA meeting of the current year on Tuesday, Feb. 15, when nearly two hundred fifty parents came to the classrooms to visit with the staff members, to discuss the work of their children and to renew acquaintanceship with other patrons of the school. A large proportion of the visitors to the classrooms were able to stay for the auditorium part of the program where Clarence Messner, principal of the school, discussed the topic, "Education, Then and Now." Mrs. Adams, of Girl Scout headquarters gave a brief talk asking for volunteers in this important activity. In the absence of the president, Charles Scheid presided and William Ferry acted as the secretary. Remington Purdy, treasurer, presented his report.

Recently the pupils of Anita Horwarth's second grade have been actively engaged in the winter feeding of the birds. They have constructed feeding stations in the classroom and have installed them in our new arboretum. The children are bringing bird food from home and several of the children have brought along field glasses so that they can observe the feeders from their classroom windows. The activity has carried out into the home life of the pupils for a number of them have built stations and have set them up in their own backyard. They are developing the hobby of bird study, a leisure time activity which is a very constructive one and of much value to everyone. As members of the junior Audubon club they receive literature on bird life. Recently they wrote up their activities in an article which they hope to see published in The Jack Pine Warbler, the magazine of the Michigan Audubon society.

Pointers Active in New Officers Club in Detroit

A group of commissioned officers from the council of commanding officers of Detroit area met with the new resident director and workers of the new Officers club in the Tuller hotel this week to discuss plans for the opening around March 1.

Mrs. Mary C. Budroe, has been appointed resident director, following considerable experience in club work and organizational work of this type.

The Officers club is a non-profit club which will be operated to meet a growing need for the entertainment of commissioned officers of this important war center. Since officers are not eligible to use the USO quarters there has been a growing need for this type of club, particularly for the junior officers stationed here. The new quarters which are being readied will have a very fine and handy separate entrance on Bagley — which is convenient to all downtown Detroit and transportation lines.

An active committee headed by Mayor Edward J. Jeffries Jr., as honorary president and George M. Slocum as president, has been at work for weeks preparing the Officers club for the March 1 opening. Miss Francis M. Booth, who can be seen daily at the club working out details with the other committee members, is vice-president along with Mrs. Henry Wineman. George E. Lackey is secretary and Alvan Macauley Jr., is treasurer. Serving on the board are: Peter J. Moahan Jr., Mrs. John J. O'Brien, Mrs. Harvey Shuler and Robert T. Scherer.

Very important work has been done by the various committee heads, which have had very splendid support of volunteer workers. Heading the various committees are, Mrs. Gilbert Weldon, hostess; Mrs. Glendon Roberts, entertainment; Mrs. Clarence D. Blessed, building; Miss Ruth Ruen, service and information; Hill

gins, through March 2, when the last of the green stamps good for buying processed foods run out, one-point green stamps, along with tokens, may be given as "change" when processed foods are bought, the OPA provided Monday.

While one-point brown stamps (for meats-fats) have been used for change making in the past, use of one-point green stamps had not, before now, been authorized by the rationing regulations. It is desirable to permit their use during the three-week transition period since it is possible that tokens may not be well distributed in some sections, and for a time the one-point green stamps, along with the one-point brown stamps, may be needed in a few localities for change making.
