

THREE ELECTIONS MONDAY

Police Seek Co-Operation to Capture Thief

Six more cases of breaking and entering have been reported to the Park and Farms police during the past week. It is believed by the police that these robberies have been performed by the same party who

Woods Seeking Site for Waterfront Village Park

Under the sponsorship of the Grosse Pointe Woods Kiwanis club, petitions were circulated recently and over one thousand signatures were obtained, requesting the Grosse Pointe Woods village commission to again investigate the possibilities of a waterfront park for the village residents.

Since the Woods is a land-locked community, there is no provision made for a village park on Lake St. Clair. For this reason, the commissioners were asked to negotiate with Grosse Pointe Shores to see if some section of their property could be converted into a park.

It was found at the village meeting Tuesday evening that there is some doubt if the one community could obtain another community's property. However, a thorough investigation was assured.

It was also suggested at the meeting that possible sites within the village limits be found and be considered for a village park if a waterfront park is found to be an impossibility. This, too, will be thoroughly investigated.

High School Open House Tonight

A variety program has been arranged for the Grosse Pointe high school open house which will be held tonight at 8:15 in the auditorium. George Schreck, president of the Student Association, will be chairman of the program. The senior high school band, under the direction of Dewey Kalamber, will play several selections. Through his feats of magic, John Jacobi, a member of the 12A class, will prove that the hand moves faster than the eye.

This open house is for all parents who have students in Grosse Pointe high school. A special invitation is extended to the parents of students in the 7B or 10B grades, as well as to the parents of students who have enrolled in the high school since Oct. 6, 1943.

Fire Fighters Attack Statements of Citizens Association in Last Week's Issue

EDITOR'S NOTE: The following article was submitted for publication by the Grosse Pointe Park Fire Fighters Association. It is expressly understood that views expressed are those of that association and do not represent the sentiments of The Grosse Pointe Review, its publisher, or its editor.

Last week in the issue of The Grosse Pointe Review and another paper in Grosse Pointe, the Grosse Pointe Park Fire Fighters Association took it upon themselves to try to explain certain misstatements that were made by the village president and commission. After writing this article, we had hoped to let the case rest with the public, but find that this is impossible due to another article which appeared in the last issue of The Grosse Pointe Review. This article, which was offered to the public by the Citizens Association, contained many misstatements and misrepresentations which we hope may be clarified with the correct explanations.

Draft Board Calls Large Number for Preinduction Exams

Officials of the Grosse Pointe Draft Board 57 announced this week that a large number of the men recently placed in 1A are scheduled for their preinduction examinations. The examinations will take place next Wednesday night at eight o'clock. Those men who have just been placed in 1A are all 3A cases which were reopened this past week after the general order went out from President Roosevelt and General Hershey that a complete revision be made by all local draft boards of the available men to enter the armed forces.

A similar call will be made March 30. The board also announced that neither the registrant nor the employer will receive reopening notices. Instead, the registrant is immediately classified 1A and will be sent a notice to this effect when they are ordered for a pre-induction physical examination.

Pointe Marine Killed in Action After Landing at Tarawa

Word was received this week of the death of a local lad while serving with the Marine Corps at Tarawa on Nov. 20, 1943. He was Pvt. Glen E. Carlson who resided at 1214 Lakepointe, and whose parents live at 10944 Worden avenue, Detroit.

Glen attended Grosse Pointe high school in 1940 and 1941 and enlisted in the Marine Corps on Feb. 16, 1943. After completing his boot training at San Diego, Calif., he went overseas in July, 1943. His parents received a telegram from the war department in the forepart of January, which was followed by a letter from his captain. In it was related the fact that the group of men, of which Carlson was a member, waded from landing barges to shore and although many did not reach shore, Glen succeeded in reaching the beach of Betio island, one of the group at Tarawa. He was killed in maintaining communications with the front line on the island.

Locate Dog Which Bit Farms Girl

Grosse Pointe Farms police were notified this week by the Park police force of the name of the owner of the dog which bit young Ruth Jacques of 315 McMillan road on Feb. 29.

The Park received a telephone call from Detroit police who told them that Irving Goldfarb of 2631 Vicksburg, Detroit, reported that his dog had become vicious and wished to leave it at the Detroit dog pound.

After some questioning, Mr. Goldfarb said that on Feb. 29 he was in Grosse Pointe, but in what specific locality, he could not say. He denied having any knowledge of his dog biting a little girl, but investigation revealed that his dog is the same one which turned on Ruth. He and his wife admitted that their dog had bitten the little girl, but they could not give any reason why they did not report the incident. They were going to do nothing until after the dog turned on Goldfarb soon after arriving home from Grosse Pointe.

Pointe U. of M. Club Spring Schedule

The Grosse Pointe University of Michigan club is rounding out its season with a series of four round table discussions at which Dr. Paul Essert, superintendent of schools, will act as moderator.

The meetings and subjects are scheduled as follows: March 21, Pan America; April 12, China; May 2, India, and May 24, Russia. They will feature outstanding faculty members, graduate students, and others who are particularly qualified to discuss the topics. The meetings will be held at Pierce auditorium at 8:15 p.m., and will be open to the public. Those interested in doing so, may send in to Dr. Essert, in advance, questions they would like to have discussed in connection with the topics outlined above.

Buy money orders and pay telephone and gas bills at Steadman's Drug Store, 27092 Mack Ave.—Adv.

Pot Calls Kettle Black — Is It?

Investigation of the true facts in the case has revealed that the so-called "Garska regime" is not responsible for the approximate shortage of five hundred thousand dollars in the village of Grosse Pointe Park's sinking fund, pointed out by the present commissioners.

The current commission of the village, on the other hand, is at fault for if they had followed a resolution passed on July 24, 1939, which provided:

1. That in 1940 and subsequent years there shall be raised for sinking fund requirements the following items:
 - a. A sum sufficient to retire serial maturities of general obligation bonds;
 - b. A sum sufficient to represent the proportionate yearly requirement for sinking fund contribution to liquidate the term general obligation bonds of the village, from which sum shall be deducted the actual earnings of the sinking fund for the immediate preceding fiscal year.
- Upon the recommendation of the firm of Ernst & Ernst, auditing firm, the amount of \$83,057.57, less the average annual earnings, should have been set aside each year until 1961, thus liquidating the bonded indebtedness of the village. If this had been followed by the ensuing administration, the amount in the sinking fund would be well over three hundred thousand dollars, rather than the shortage which is current.

Coalition Candidates Say Park Commission Is Clouding the Forthcoming Election

Charges that the current village of Grosse Pointe Park administration has "dreamed up" a wholly fantastic and fictitious proposed 1944 budget for the village in an attempt to confuse voters on the feasibility of instituting an "employee pension system this year" were made today by a coalition of four Grosse Pointe Park residents, seeking office in the village election, next Monday.

The four men making the charges are Louis Ver Wiebe, candidate for village president; and Joseph Baker, Gilbert W. Groehn and Erwin Alfes, candidates for the commission. Their statement:

"We believe that Everett B. Lane, village manager, and the present village administration have added sums to a proposed budget, read in a council meeting and offered to the public in excerpt form as a warning that funds for the pension plan could only be raised by extra-legal means are fictitious.

The specific sums of \$45,000 for further debt service and \$30,000 for a post-war planning program were used to pad this budget.

It has never been a problem to carry our debt through the period from April 1 to August 1, as the bonds which were issued to investors were predicated on our present fiscal year, but it has been a problem at times to meet the payroll during this period. If he is really going to have to adjust the fiscal year, which we do not believe, you will need considerable more than \$45,000 at this time.

As to the \$30,000 for post-war planning — as taxpayers in this community we can see no better post-war planning than to get this village out of debt just as rapidly as possible. Our biggest expenditure is for debt and if in the future we are to reduce taxes we must certainly increase our sinking fund at a more rapid rate than at present.

Let us look at the record of this administration:

In 1940 the electors of the Park saw fit to elect the so-called economy group, selected by the Citizens Association.

For the past four years, the administration of your municipal affairs has been under the sole con-

rol and domination of the hand-picked Citizens Association candidates. Their catch-phrase is "Economy and Efficiency." Their record:

1. Tax rate:
 - 1939, \$16.36 Pre-economy group
 - 1940, 16.75 Economy group
 - 1943, 16.83 Still economy.
- Note: They tell you they expect to increase this by about two dollars per thousand in their "dream budget."
2. The budget:
 - 1939, \$545,901.22
 - 1943, 668,997.19.
- This is an increase of over \$123,000 or approximately 21 per cent in four years. Your village manager is now asking for an additional 15 per cent increase.

Now what have you gained? — In public safety, a reduction in personnel of approximately 30 per cent.

2. Your sinking fund from 1939 to March 31, 1943 had grown only approximately \$100,000 in face of a warning made by Ernst & Ernst, your auditors, that in order to keep the sinking fund on a current basis, it would be necessary to raise \$83,057.57 annually for this fund. Has this \$158,000 been a saving to you? One day this will have to be paid. As to administration, no administration which allows one man dictatorial powers in reference to the placing of any contract, can be considered good. (See Insurance, 1940). Attempts have been made to break the village zoning ordinance without any thought to the effect on your property (See Automobile club case as part of the village record). We believe that too much of your tax dollar is being paid to so-called experts — that no sound program of debt reduction has been formulated. That a reduction in administrative expense is much more called for than operating expense. These things we shall attempt without too great a burden on you as a taxpayer and certainly not at the expense of faithful village employees and the service they render you.

Interest Centered On Charter Amendments On Park's Ballots

The residents of three Grosse Pointe villages will go to the voting polls next Monday to cast their ballots for the men they want to manage their community affairs for the next 12 and 24 months.

The field in Grosse Pointe Park was narrowed down to six men for the commission and two for the president's chair at their annual primary held Feb. 14. The Farms, be-

Blondell Announces Date for Next Tin Can Collection

"There should be a record collection of tin on April 15 if everyone is doing his war job," according to Neil Blondell, chairman of the Grosse Pointe and Gratiot township tin salvage committee. We haven't had a collection since Jan. 15 when a new record of 36 tons from the two townships was set.

"Please don't forget to continue to prepare your cans at all times," said Mr. Blondell. "This war isn't won by a long shot," Blondell continued, "and we still need every bit of tin we can get for army and navy supplies, for munitions and for cans for civilian use."

Blondell urged all civilians to prepare their cans now by cleaning them out, removing the labels and crushing them and place them in a basket for the April 15 collection.

High School Blood Bank Proves Very Successful March 8

The blood bank of the American Red Cross came out to Grosse Pointe high school yesterday from 1:30 to 5:30 at the request of the school's Victory Corps.

The members of this club made a very successful house to house canvass in search of adults in the community who would donate their blood yesterday.

Last Friday the Victory Corps had its total number of blood donors, which amounted to 282. There were 350 volunteers.

The American Red Cross appreciated the work the Victory Corps has done by making the community more conscious of the necessary and vital work that blood plasma plays in this war.

Dick Ralph, student chairman of the Victory Corps, said the adults were very grateful to the Victory Corps who made donating blood much more convenient for them.

The Victory Corps hopes to have the blood bank come out to the high school sometime in the spring.

Committee Makes Further Stand on Park Employees' Pension Plan Proposal

EDITOR'S NOTE: The following article was submitted for publication by the municipal employees' pension committee. It is expressly understood that views therein expressed are those of that committee and do not represent the sentiments of The Grosse Pointe Review, its publisher, or its editor.

The dark age is again hovering over the village of Grosse Pointe Park, the loyal employees who have stayed with the village, (after many left for better jobs and a security they did not have here), are asking for a pension. You have seen the figure supposedly found in a closed meeting, but according to the employees pension committee, it will cost approximately ninety-six cents a thousand instead of the \$56,000 and that grand total of \$852,000, which, without the number of years involved, means nothing, for if the pension goes on for generations it might have been made even larger. The committee feels that ninety-six cents is not unreasonable for had we had this plan in 1929 instead of an insurance plan, today the plan would be partly self-supporting.

RESIGNS

ROBERT L. BUTTS

The resignation of Robert L. Butts from the Grosse Pointe Park police department, effective April 1, 1944, was accepted this week by Henry Piel, chief of police. Mr. Butts submitted his resignation from the Park force after 16 years of service, spending the past four years as sergeant in the detective bureau. He said that his desire to enter private industry prompted him to take such a step. Chief Piel said that no successor has been named as yet.

Honor Roll Fund Passes \$1,000 Mark Treasurer Reports

- Grosse Pointe Honor Roll Association contributions received thru Monday, Feb. 6, 1944, released by Paul I. Moreland, treasurer.
- | | |
|---|----------|
| Mr. and Mrs. Alger Shelden | \$500.00 |
| G. P. Rotary Club | 250.00 |
| Richard H. Webber | 100.00 |

| Alfred A. Baron | 1.00 |
| F. J. Meissner | 1.00 |
| Mr. and Mrs. E. W. Dittman | 1.00 |
| Mrs. Fred Buerstetta | 1.00 |
| Mr. and Mrs. N. T. Williams | 1.00 |

There may be additional amounts in the mail but the above are all the contributions actually received by the treasurer through the above date. Especially noteworthy is the donation from the students in the Brownell junior high school, home-room 125, since the teacher advises that this was at their suggestion and each gave an amount in pennies equal to their age.

Accident — No Damage

Russell A. Branyan, 187 Clinton, Mt. Clemens, driving on Charlevoix Saturday, struck a car driven by Albert W. Stoll, of 1525 12th street, who was traveling on Balfour. There was no damage.

Angry Dog

Mary Ellen Schultz, 12 of 549 Lakeland, was bitten on the face last Friday morning by the family dog while playing with it at her home. The dog was impounded by City police.

Slick Pavement Involves Three Cars in Accident

As Elizabeth Coddington of 710 Rivard, was driving away from the curb at Jefferson and Rivard last Saturday morning, she drove into the path of a truck, driven by Robert Huvaere, of 814 Loraine. Huvaere, swinging out into the middle of the road on the icy pavement, to avoid the feminine driver, slid completely around in the street and hit two parked cars.

to both sides of the questions involved and we feel sure that a properly informed electorate will make a fair decision. Having in mind your editorial, "Public Should Have Facts," in your issue of March 2nd, and knowing that you believe as we do in expressing the full truth and not half truth, we are taking the liberty of commenting on the "Joint Coalition Statement" carried on the same page, and feel sure that you will want to publish these true facts:

Item 1. It is true that the police department personnel has been reduced, but not as stated by the coalition candidates. The official village payrolls show that at no time in the past 10 years have we had more than 39 men and today we have 30 including the chief, sergeants and patrolmen. We have never had 42 men and we do not now have 26 as stated. It is possible that we have had only one car on patrol at night, but this is the exception, not the rule. (Continued on Page 9.)

Bon Secour Guild Sponsors Membership Tea on Tuesday

Members and friends of the Bon Secour Guild are receiving invitations to attend the second annual membership tea, Tuesday, March 14, at the Bon Secour hospital. The regular business meeting preceding

the tea will be called at two o'clock. The Rev. Vincent J. Horkan will be the guest speaker. The musical program will be provided by Betty Ann Van Assche, pianist. The president, Mrs. Elmer T. Labadie, will preside and Mrs. Fred Allor and Miss Mildred Gahagan will be hostesses for the day.

Announce Marriage

Mr. and Mrs. Ray Adams of Granada, Miss., announce the marriage of their daughter, Geraldine, to Sgt. Donald G. Cannon, son of Mr. and Mrs. James Cannon of Beaconsfield, Saturday, March 4, in St. Margaret Mary church, Detroit.

A breakfast was held at the Whittier and a reception in the evening. The couple left for a brief honeymoon in Chicago after which Sergeant Cannon will report to Camp Hale, Colo.

15 Reservations Needed for New Life Saving Course

A course in water safety and life saving will be offered at Grosse Pointe high school, provided at least 15 registrations for the class are made. This course is sponsored by the adult education department of the Grosse Pointe board of education and the American Red Cross, and is without charge.

There are certain requirements for enrollment in this course namely: 1. Sixteen years of age or over. 2. Standing front dive. 3. Swim 220 yards. 4. Dive from surface to minimum depth of six feet and swim two body lengths under water. 5. Tread water one minute with hands beneath surface. 6. Float motionless or rest in a floating position with minimum movement of arms and legs for one minute.

The course will require 15 hours of class work and two hours of examinations.

Upon successful completion of the course the individual will receive a senior life saving certificate and the water safety certificate of the American Red Cross.

For information or enrollment call the Grosse Pointe board of education, N. L. 2000, ext. 25.

Miss Tobin Takes Part in Traditional Activities

Columbia, Mo. — Miss Pat Tobin, daughter of Mr. and Mrs. Richard R. Tobin, 1246 Balfour road, took part, Saturday evening, Feb. 26, in the Pan-Hellenic follies which followed the junior-senior banquet, an annual Stephens college tradition. The follies, presented at Stephens college, is an impersonation of the student legislature and various faculty members by the students, and is a comedy written and produced entirely by them. The opening act of the follies was a take-off on a meeting of the legislature and the procedure as imagined by the script writers. This act was followed by one in which students impersonated faculty members and depicted the reaction of each faculty member when school is over and the last train of Stephens girls pulls out of the station.

Miss Tobin is a member of Beta Sigma Beta social sorority and a senior at Stephens college this year.

I Am a Wac

by LIEUT. FREDDIE BOYLE

The excuse some women give for not joining the Wac is that they think their work is more necessary than the job they would do in the army. We wonder what yardstick of thinking they use in arriving at this conclusion. Just what job in civilian life is more important than the work on an army post that a male soldier would have to do if a Wac were not there to take his place? Perhaps some of these "excuse" women are war plant workers who know they are doing important work. We wouldn't argue that their jobs are not necessary. But there are scores of women who could fill numerous positions in a war plant but who could not qualify for the Wac. These women should be employed in the war plant and leave those who are eligible, free to join the army.

Perhaps waitresses hold on to their "essential" jobs, telling themselves that people have to eat. Yes, humans must eat, but we know that some women who could enlist in the army are serving a steak and apple pie instead of doing soldiers' jobs at army installations. These waitresses should be relieved by women not physically able to stand army life.

It is usually much too easy to find some excuse for not doing the job at hand. But it is frequently hard to find a justifiable excuse. If you have a perforated ear drum or dangerously-high blood pressure, it will be impossible for you to join the army and no one should expect to try. Neither should your friends or neighbors expect you to enlist if you are under 20 or if you are supporting your mother. But when you give an excuse for not going to war, be sure it is that one that cannot be challenged by your conscience.

Auxiliary Plans Supper and Movie for March 12

The auxiliary of the Christian Brothers of De LaSalle Collegiate will sponsor a roast beef supper and movie for the benefit of the brothers on Sunday, March 12, in the school auditorium, Glenfield and Connors. The hours for the affair are from four to seven o'clock.

The full-length movie which will be shown is "The Life of St. Therese."

Accomplishments of Arnold L. Diesing Reviewed Here

Arnold L. Diesing, who is a candidate for the office of village president of Grosse Pointe Woods, was born in Detroit 45 years ago and has been a resident of the Woods since 1938. He is a successful insurance agent for the past 18 years.

Since moving into the village, Diesing has been active in civic affairs. One of his accomplishments is the Independence Day celebration which he inaugurated in the Woods in 1939 and which has been held every year. His objections to dirty and dusty roads prompted him to circulate petitions for road improvements and resulted in a village-wide paving program. He was a member of the committee which successfully urged the addition to Mason school and also found time to act as president of the prewar Grosse Pointe Baseball league.

Mr. Diesing has been a commissioner for the past two years and is a member of the Grosse Pointe Kiwanis club. He is married and has two sons and resides at 1419 Roslyn road.

If elected, Mr. Diesing hopes to devote himself untiringly to the flood problems and to develop facilities for the children of the village.

William G. Kirby Seeks Seat as Trustee in Farms

William G. Kirby, a real estate man, who resides on Fisher road, Grosse Pointe Farms, is one of the candidates seeking the office of trustee in the coming village election Monday.

A resident of the Farms for five years, Mr. Kirby is a property owner and taxpayer. Mr. and Mrs. Kirby have one child, a daughter, 18 months old.

Mr. Kirby has been a candidate for the state senate. He received his education in the local schools.

Urging everyone to vote, Mr. Kirby stated this week that in times like these it is all the more important that people take a voice in choosing the officials of their government.

WAR BONDS will buy security for you and for America!

CAP Squadron Asks for New Members to Join Local Pointe Group Here

Meetings of the Grosse Pointe Civil Air Patrol cadet unit are held every Saturday morning at the Neighborhood club, Waterloo at St. Clair at eleven o'clock. The squadron is composed of scholastically qualified girls interested in flying or its activities, who have reached their 16th birthday or are in the last two years of high school. This group is attached to the all-women flight squadron 632-3. The girls are receiving a 10 hour credit course consisting of the fundamentals of the CAP, military courtesy and discipline and military drill. Those successfully completing this training will be "sworn in" and will be privileged to wear an official government uniform. The CAP is now a branch of the army and an auxiliary of the army air corps. Its purpose is to stimulate

flying and the next step of these enthusiastic girls may be to become members of the CAP ground crew. To them will also be extended the privilege of flying in official missions as observers or if they are so qualified as pilots. CAP instructors will teach the girls such courses as meteorology navigation, crash procedure, aircraft identification and many more courses beneficial to those who aspire to become licensed pilots.

Ranks up to and including sergeant will be conferred upon girls chosen from the ranks and after initial proceedings, the squadron will be self governing. It will meet every Saturday morning and will include meetings, class and drill. Airport duty is voluntary and credit is given for all spent in CAP activities. Credit

it will also be given for such courses as first aid and aeronautics taken in school and all credits will be transferred when a girl reaches 18 years and joins a regular squadron.

This is a stupendous opportunity open to any girl in Grosse Pointe who meets the age requirements and feels she has the time and enthusiasm to devote to this air minded group. Attend the next meeting and join immediately!

Congregational Group Meets Tuesday Afternoon

The Women's Association of the Grosse Pointe Congregational church will meet at the home of Mrs. Frederick Farr, 604 University, Tuesday, March 14, at 12:30 p.m.

Mrs. Frederick H. Olert will be the guest speaker. Her subject will be "Lenten Lanes." The assisting hostesses are: Mesdames Ralph Thompson, H. K. Chandler, and F. V. Slocum.

ACCURACY PLUS!

When eyes need attention, visit an optometrist who is equipped to give a scientific, accurate examination. At the Slatkin Optical Departments, nothing has been left undone to render a thoroughly accurate optical service. If you need glasses, you'll find here a complete selection of modern styles, very moderately priced.

SERVICE PARADE

P. O. W. Camp
Algona, Iowa
Feb. 21, 1944

Dear Sirs:
I feel that I have neglected sending my sincere thanks for your generosity in sending me each week's edition of my home town weekly, The Grosse Pointe Review, which keeps me very well informed of the home town news and also of the whereabouts of all my friends who are also in the service. I certainly appreciate each copy of The Review and would like to express this fact in these few lines to you.
I'd also like to express my thanks

to Mr. and Mrs. Russell of Neff road in the City of Grosse Pointe, for having submitted my name as an addition to your mailing list.

In the past 11 months I've seen quite a bit of our grand country by means of my being stationed at several army posts. Incidentally, I have now a new station here in Iowa, and I would appreciate your making the necessary change of address, which is enclosed herewith.

My new station here in Iowa is located in a very picturesque part of the state. The recreational facilities are bountiful, fellow soldiers are all

very swell buddies, and I must say that the nearby town is a grand luxury to us when we would like to spend the weekend away from camp and army duties.

The weather here has been about 10 or 15 degrees colder than in Grosse Pointe, although I can't say that I mind this too much. Our camp certainly is a pretty picture, covered with the usual winter blanket of snow.

In closing might I again express my sincere thanks to you for keeping me informed of home town news thru your swell newspaper — The Grosse Pointe Review.

Thankfully yours,
Pfc. Jules Degraeve Jr.

Shaw Field,
Sumpter, S. C.
Feb. 24, 1944

Dear Mr. Oldham:

Just a little something to let you know that I am receiving The Review in the best of shape.

I am almost finished with basic flying now and have logged over 125 hours in army training ships. This

Like to feel important?

YOU'LL BE IMPORTANT — to your country, and to your fighting men — if you take over a vital job in the Army.

In the Women's Army Corps you'll get expert Army training that may pave the way to a post-war career. You'll have a chance to improve your skill or learn a new one — to meet new people, see new places, have experiences you'll remember all your life.

Get full details about the WAC at any U. S. Recruiting Station. Or write for interesting booklet. Address: The Adjutant General, 4415 Munitions Bldg., Washington 25, D. C. (Women in essential war industry must have release from their employer or the U. S. Employment Service.)

total includes some night and instrumental work. When this course is completed, I expect to go to twin-engine advanced, which will mean I'll probably end up with the bombers.

By the way, how do you get your name on the Grosse Pointe honor roll?

As ever,
AC Dick Bodycombe

Pfc. Hank Hutten II, son of Mr. and Mrs. H. B. Hutten of Lochmoor boulevard, left for Camp Sibert, Ala., after enjoying a seven day furlough with his parents.

Pvt. Earl Robert Hutten is now stationed at Miami Beach, Fla., in the cadet air corps.

Coxswain Theodore Sparshatt, son of Mrs. Una Sparshatt, 314 Rivard boulevard, returned Sunday to the Solomons base, Washington, D. C., after a weekend leave here. He has been in the navy for a year.

Dwight Roger MacNaughton of Grosse Pointe, was commissioned an ensign in the USNR at a ceremony held Saturday, Feb. 26, at the University of Michigan.

Capt. Richard E. Cassidy, commanding officer of naval activities at the university presented the commissions to a class of 93 men who had completed training in the V-12 unit on the campus.

Fort Sam Houston, Texas
Feb. 25, 1944

Dear Sir:

I have been in the army since Jan. 7, 1944 and have not written to you sooner because I did not have a definite address to give you. Now that I am here at Fort Sam Houston, I am wondering if your offer of sending The Grosse Pointe Review to servicemen is still open, for if it is, I would be more than pleased to receive a copy of it each week.

Thanking you in advance,
I remain,
Pvt. George C. E. Bohez

Harlingen Army Air Field, Texas.

Another class of aerial triggermen to guard army air forces' bombers was graduated this week from the Harlingen army air field aerial gunnery school of the AAF training command, and among the qualified "Sharpshooters of the Sky" was Pfc. Douglas J. Putnam, son of

Mr. and Mrs. L. C. Putnam of 420 Roland.

Along with his diploma he received a pair of aerial gunner's wings and a promotion in grade at brief graduation exercises held here. After a delay en route to visit relatives, he will join an aerial combat team, unless retained at Harlingen to serve as a gunnery instructor.

He was prepared for his place in America's stepped-up air offensive course in every phase of aerial gunnery warfare. Besides learning to fire every type weapon from camera guns to the deadly caliber .50 Brownings, he studied turret manipulation, aircraft identification and learned to tear down and assemble machine guns while blindfolded. He climaxed the course by firing on towed targets from Texan training planes, medium bombers and Liberators.

Award Oak Leaf

Word was received this week by The Review that by direction of the President, the Oak Leaf Cluster in lieu of an additional Air Medal was awarded in February to Second Lieut. Albert J. Phillips, of Grosse Pointe Park.

The presentation was made by Lieut. Gen. Millard F. Harmon, who is commanding the U. S. army forces in the South Pacific area, to Lieuten-

ant Phillips for bravery as a co-pilot from Nov. 29 to Dec. 15, 1943, while flying in this theatre of war. He is a member of the 13th aerial force.

NEW LINKS in the Chain of MEDICAL MIRACLES

War is an instrument of Death — and yet, out of the blood, sweat and tears of conflict have come many LIFE SAVING scientific discoveries. The war is adding new links to the chain of medical miracles. Penicillin, and the Sulpha Drugs are front-page wonders in the war news. There are others. There will be still more. As soon as these new discoveries are made available to physicians and surgeons for civilian use, we will have them in our Prescription Laboratory. Already, we have many of the Sulpha Drugs in stock awaiting the order of physicians.

14319 MACK AVE. Between Lakewood and Chalmers

Committee
(Continued from Page One.)
The committee feels that this matter will again be taken into court for some reason, Grosse Pointe Park has paid a great amount of money to attorneys, much of which has been questionable to the voters.

However, the committee feels that the board of trustees will be able to clarify to the satisfaction of all concerned without the village attorneys fees being paid, which the committee understands to be \$100 per day.
It is with regrets that our Village Manager Lane's report is questioned as to why the employees did not meet with him or the commission. According to our representative, the manager was contacted on Jan. 6 for

a meeting at the next commission meeting but he was informed that after checking the agenda, it was filled. A special meeting was arranged and the date set for Jan. 21. The 22nd of January was the last filing day for petitions under the 45 day filing time! It seems strange it took almost two weeks to arrange a meeting which now seems to have been so important to the people of Grosse Pointe Park. Was it that our commission was too busy? Later, a meeting was arranged with the manager and the attorney, but when informed that a representative from each department was to be present, the manager stated that he did not wish to meet if the firemen were included. No meeting was held. (The committee wonders if the firemen are not using sound judgment in asking for a change in the charter — for the good of the people's homes they protect — if such friendly feeling is shown them by the manager).
The pension history of Grosse Pointe Park starts in 1929 with an insurance company plan, which for police and firemen went its way in the depression of 1932.
In 1938 a plan was again drawn but, as today, was declared by the commission as too high. In 1939 a

plan went to the voters and was defeated. The cost, as pension experts declare is in pensions where prior services are involved, would have been cleared and today the plan would have been almost self-supporting, if not supporting, and the following employees would have been taken care of:
Lanstra, Meyers, Sullivan, Sweet, Wittenberg, McHugh, (a World War I veteran, who was discharged and position now filled by a woman); Chief Holmes, Captain Brinkman, Cooper, Thomas, Darbe, Butler, and Osterman and, no doubt, others. A fireman, now home ill after 20 years services, has been forced to call on his sons fighting in the South Pacific for help, and also a proportionate share from the federal government.

We know the voters will feel this should be stopped and the time is now. After having Ward Van Deusen, now aspirant for village president, state at a meeting of the auxiliary police last year, that Grosse Pointe Park was no place for the aged and decrepit, and Police Chief Piel opposing the pension while drawing a pension from our next door neighbor, Detroit, it seems that the employees should have protection for themselves and their families.
Municipal Employees Pension Committee.

ELECT

**Charles (Chuck) Hanneman
COMMISSIONER**

Village of Grosse Pointe Woods

Election Monday, March 13, 1944

This advertisement paid for by friends of this former captain and star of the Detroit Lions football team, who seek his election on the commission.

FOR
President
VILLAGE
OF
GROSSE POINTE WOODS

RE-ELECT

Alois A. Ghesquiere

"HE IS DOING A GOOD JOB"

He has been active and a leader in obtaining for the Village:

- Clean government and a sound financial status
- Enactment of a Zoning Law and restriction enforcement
- A suitable addition to Mason school
- An adequate water supply
- A disposal system for sanitary sewage at a very nominal cost to the Village
- He is now leading the struggle for sewer facilities to handle storm water.

CLIFF LEWIS, Service Manager

Fire Fighters

(Continued from Page One.)
I would heartily endorse clauses of this sort for all village employees, but after all we are firemen and naturally our thoughts and endeavors are concerned with the fire department. As we understand the matter, firemen, policemen and other employees of the city of Detroit are governed in matters of this sort by the city charter. Common sense can only tell a person, that the employee who is governed by the charter ceases to be a political stooge.
The question of there being a case in front of the supreme court having to do with Kelly Days, off days and vacations, is one that this Association knows nothing about. If such a case is pending, this Association has had nothing to do with the matter and is unauthorized. It is the opinion of this Association that no such case is before the supreme court, and that the Citizens Association is trying again to mislead the public.
In view of the fact that the Citizens Association has gone on record as stating that the sick leave in the fire department has been satisfactory during the year of 1943, we wish to state that fire fighting work is very uncertain in all its forms and there are many forms of occupational diseases attached to this type of work that are not governed by the workmen's compensation law. Therefore, what might prove to be satisfactory in 1943 could prove very unsatisfactory in future years.
The Association feels that administration matters of this sort should be handled by the village commission and that changing Chapter No. 15 of the village charter will not affect the commission in their rights. The only way that the commission could be affected, would be by controlling their tactics insofar as political abuses are concerned.
The Fire Fighters Association feels that they have a right to know what the future contains in this matter, so while other jobs are still plentiful, they can prepare themselves and not be deprived of their present positions when times change.
Another misstatement is that the village has not had an opportunity to discuss the pension bill and charter amendment to chapter 15. The village manager was requested to grant an interview on the pension bill around the tenth of January when this amendment would also be discussed, but he refused to meet because a member of the Fire Fighters Association was to be present. This is only the third time that the Fire Fighters Association have asked for an interview and were refused, so, please tell us how we CAN talk over our problems?
Grosse Pointe Park Fire Fighters Association.

Letters to the Editor

Editor,
Grosse Pointe Review
Grosse Pointe Park 30, Mich.
Dear Sir:
At a meeting of the board of directors, Grosse Pointe Kiwanis club, held March 2, 1944, the following resolution was adopted:
"Kiwanis by-laws prohibit any club from entering into partisan politics. Therefore the Grosse Pointe Kiwanis club reaffirms their compliance with international by-laws and states that the club sponsors no political campaigns either directly or indirectly."
The secretary has been requested to publicize this resolution so that the club's position in this matter will be clearly understood.
Sincerely,
C. W. Schank Jr.,
Secretary-Treasurer,
Grosse Pointe Kiwanis Club

Reverend Hill to Speak at Grace Church Sunday Evening

The Rev. Charles A. Hill, pastor of Hartford Avenue Baptist church, will preach at Grace Evangelical and Reformed church, Kercheval at Lakepointe, this coming Sunday evening at 7:30. Mr. Hill is chairman of the race relations department of the Detroit Council of Churches, a member of the inter-racial commission of Detroit, and acknowledged to be an outstanding Negro religious and civic leader. The subject of his sermon will be "The Acid Test of Religion."
There will be a reception and a period of informal fellowship at the close of the service, according to the Rev. Huber F. Klemme, pastor of Grace church. The public is cordially invited to attend.

Women, 20 to 36 years old, may join the Waves if they are U. S. citizens, have at least two years of high school or business school and have no children under 18.

Good, economical and progressive municipal management includes protection for public employees and their families should they be killed or injured while serving their public.

Pensions for public employees after many years of faithful service to their community have been an established practice in practically every progressive American community for hundreds of years.

The employees of Grosse Pointe Park are as much entitled to these privileges as the employees of the City of Grosse Pointe, the Village of Grosse Pointe Farms or the City of Detroit where public employees have such protection. Grosse Pointe Park employees are even excluded from the benefits and protection of the national Social Security System.

We all live and strive for equal rights - we all believe that our neighbor should live and receive the things in life that we already have - we need at all times the utmost protection for ourselves, our children and our belongings and we must be willing to overlook the pennies it costs to get these things.

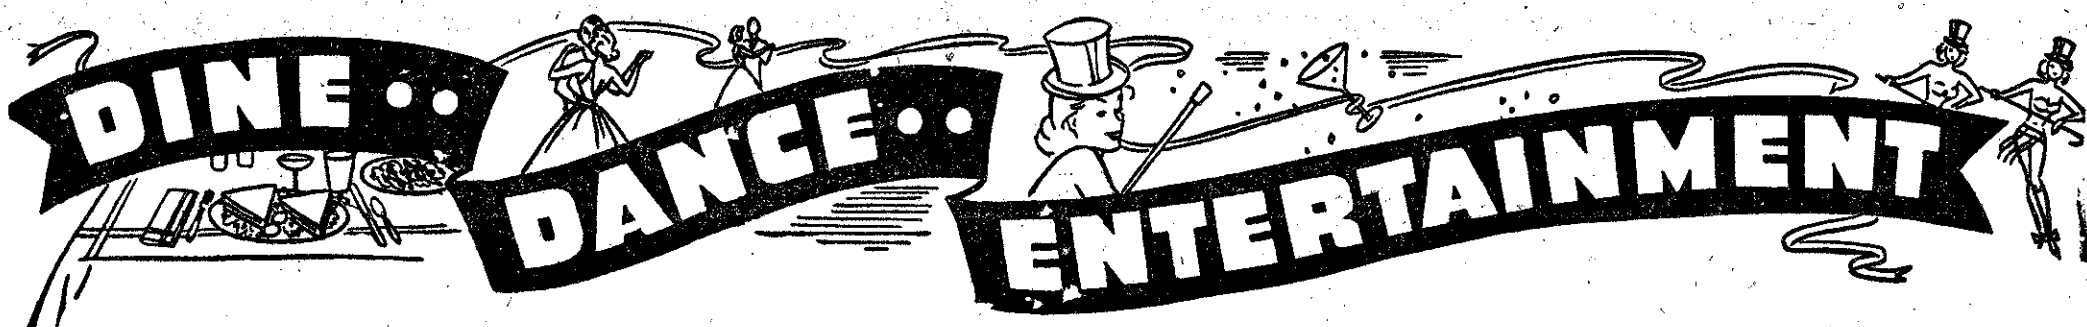

We believe the meagre cost of pension protection for the employees of Grosse Pointe Park will pay dividends in increased efficiency, higher morale and better labor relations - we recommend the adoption of a pension and retirement system for the employees of Grosse Pointe Park.

To Give Assistance to Discharged Veterans

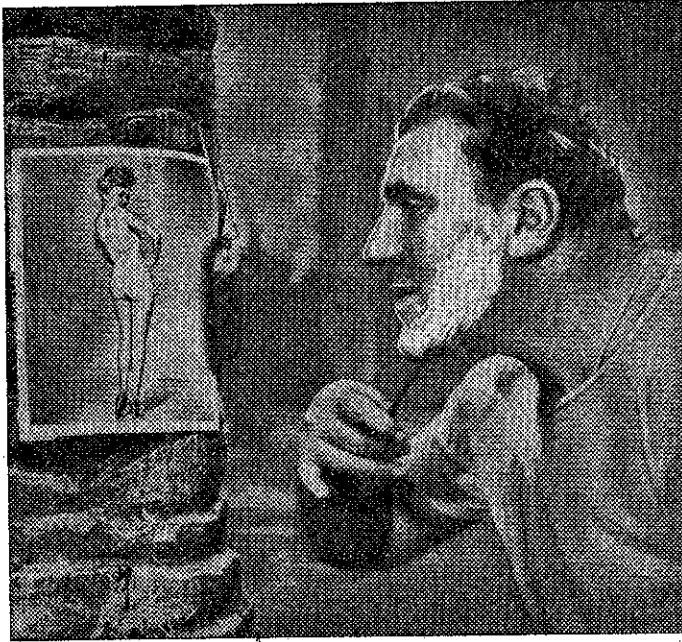

Plans to help veterans of World War II get suitable jobs promptly were announced today by Edward L. Cushman, state director for the W.M.C.

To establish telephone communications across an almost impassable glacier in Alaska, the glacier was "bombed" with reels of wire dropped by an army bomber along a line stake.

Slippery Roads Cause Minor Accident Last Saturday

Gilbert Groehn, 33, of 1009 Bedford, while making a left turn into Kercheval avenue at Lakepointe last Saturday afternoon, was struck by a car operated by Edward Perry, 54, of 1125 Maryland, who was driving on Kercheval.

Big Program Is Scheduled for Shores Theatre

A bill of some of the greatest entertainment has been scheduled for the Shores theatre, Mack at Nine Mile road, for March 12, 13 and 14.

Electrical storms are less frequent in the western part of the United States than they are in the central and eastern portions of the country.

Lad Slightly Hurt After Running Into Moving Bus

After a brief examination by Grosse Pointe Park police and his mother, it was found that David Cook, age, eight, was only slightly injured after he had run into a moving bus near his home at 1037 Maryland last Thursday morning.

David suffered a bump on his forehead and abrasions on his knee. The youngster ran out from the west curb on Maryland from between parked cars and into the bus.

Larceny From Auto
 Thomas Reynolds, manager of the Pointe branch of Queen Cleaners, 17140 Kercheval, reported to City police that sometime during the past week, two cases of beverages and a spotlight were taken from his parked car.

Clyde 'Slim' Williams, Lecturing Tuesday, Last Speaker on Lyceum Series Here

Clyde "Slim" Williams, world famous Alaskan wolf-dog musher and international trail blazer will be the speaker at the John D. Pierce school auditorium on Tuesday evening, March 14 at 8:30, in the concluding number of the evening lecture series sponsored by Grosse Pointe Lectures, Inc.

Mr. Williams is one of America's leading authorities on Alaska. His style of speech is sincere, rugged and straight forward. He is a philosopher with a keen sense of humor. Thirty-two years in the open spaces of Alaska and the far north have given him a knowledge of that country unequalled by anyone else.

In 1933 Slim Williams drove his dog team 5,600 miles from Copper Center, Alaska, to Washington, D.C., to plead for the Alaskan Canadian-International highway. In 1939, he made a second perilous trip by motorcycle from Fairbanks to Seattle. It was on this trip that "Slim" shot some unusual and thrilling color film of Alaska and the Yukon.

Many of our leading newspapers have featured stories on this rugged individual. The Christian Science Monitor stated "The name of Slim Williams will go down in history as one of the greatest trail blazers in history."

Comments from clubs and lecture series chairmen are equally enthusiastic about Slim Williams — the Ad club of Rochester, N. Y., states "The echoes are still reverberating." The Flint, Mich., Industrial Executives club, "He kept his listeners chuckling over the humorous events that occurred on his trip. His pictures were splendid." Shorewood, Wis., Lecture series "He is a man who has lived the story he is talking about. He gives a story that is crammed full of information in an entertaining and outdoor style. The tremendous applause he received and the crowds that gathered backstage indicate how well we liked him."

Single admission tickets may be reserved by calling the Grosse Pointe board of education, NI. 2000, ext. 25.

Woods Sends Check to Wayne County Road Commission

A check for \$10,000 will be sent to the Wayne county road commission in payment of the village's portion of the interceptor sewer installed by the road commission along marter road and the Cook road arm.

WAR BONDS vital investments for a future Free World.

Emily Kimbrough at Cass Town Hall

Emily Kimbrough, last year's literary sensation as co-author of "Our Hearts Were Young and Gay," the merriest book of the year, will be presented by the Cass Theatre Town Hall, Friday morning, March 17 at eleven o'clock. This is the closing lecture of the fifteenth season of the Town Hall.

Miss Kimbrough and Miss Skinner have returned from Hollywood where they assisted in the filming of this story of their European trip when they were young girls just out of college, and this movie will be released very soon. Miss Kimbrough's own book "We Followed Our Hearts to Hollywood" was the result of this experience.

Women's Republican Club to Meet at McNaughton Home

The Women's Republican club of Grosse Pointe will meet next Tuesday afternoon, March 15, at 2 p.m., to hear the Hon. Chester P. O'Hara. The affair will be held at the home of Mrs. Lynn McNaughton at 109 Kenwood road, Grosse Pointe Farms.

Judge O'Hara, who now lives on Rivard boulevard, Grosse Pointe, combined his efforts as special prosecutor with Sen. Homer Ferguson, then Judge Ferguson, to rid Detroit of graft. The Republican meetings are open to all Grosse Pointe women and they are urged to attend and become members of this organization.

Trombly School N-E-W-S
 A total of \$18,175 in bonds were purchased by Trombly school children during the Fourth War Loan Drive. Of the 229 bonds sold, only six were \$1,000 bonds. The others represent \$25, \$50, \$100, and \$500 savings for college, perhaps.
 Miss Elizabeth Heikel is the new 5B teacher this semester. She also teaches the art in upper grades. She attended Grosse Pointe schools and is a graduate of the University of Michigan. She formerly taught art in Detroit.
 Two new pupils have entered from New York City. They are John Russell in 2B and Douglas Russell in 5B. Fifteen five-year-olds have begun their school career in kindergarten this semester. They are David Boboltz, Carol Jean Cole, Charlene McHugh, John Edwards, Jean Mohr, William Carnegie, Richard Distel, Orville Istock, Gayla McPhail, Robert Zeisner, Barbara Robb, Beverly Jensen, Nancy Tutag, John Vafis and Walter Marr.
 Members and other parents will be especially interested in attending the next meeting of Trombly PTA at the school, next Wednesday evening at 8:15. Malcolm Bingsay, the popular Free Press columnist, will speak on "Current Events." Here is an opportunity to meet him in person. Parents will be welcomed by the Trombly school staff mothers in their respective classrooms at 7:30. Refreshments and a social good time in the gymnasium will follow the talk. Come and bring a friend.

SUPPOSE IT IS YOUR OWN BROTHER
Is His Life Worth \$5 - \$10 - \$100?

 U. S. Army and Navy medical authorities spare NO expense to save a life. Every skill known to medical science is employed. But even the highest medical authorities admit that scientific skill alone cannot completely restore the war wounded to normal useful lives. For there are some wounds that neither drugs nor surgery can heal—the wounds that come from worry and loneliness—from fear and dread of facing the future—the wounds of missing you and the folks back home. And that is where your Red Cross goes to work. Wherever our fighting men go, the Red Cross is with them. In innumerable and vital ways the Red Cross supplements the work of the medical divisions in the field—co-operating heart and soul to save lives! How much is a life worth—the life of some boy YOU know? The answer is up to you!
The RED CROSS is at his side and The Detroit Red Cross is YOU!
 This Message Is a Patriotic Contribution by
A. J. FORSTER JEWELER, OPTOMETRIST
 14400 CHARLEVOIX corner CHALMERS

THE OLD JUDGE SAYS . . .

 "Judge, would you mind tellin' Charlie here what you told me the other night walkin' home from lodge. I can't word it just the way you did."
 "Sure thing, Tim. Here's what I told him, Charlie. There's no such thing as votin' a nation, a state, a county, or even a community dry. We had proof enough of that during our 13 years of prohibition. What you really vote for is whether liquor is going to be sold legally or illegally... whether the community is going to get needed taxes for schools, hospitals, and the like, or whether this money is going to go to gangsters and bootleggers. That's the answer, boys simple as A-B-C."

The navy gives its Waves an initial \$200 uniform and clothing allowance and additional cash regularly for replacements.

No business experience is required to join the Waves. The navy trains young women in this branch of service and pays them well at the same time.

Minor Electrical Repairs

THE COAL MINER

supplies your electric refrigerator!

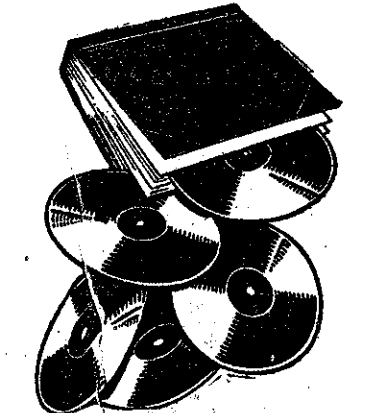

In thousands of homes, electricity performs the vital job of keeping foods fresh and guarding perishables from spoilage. And COAL is required to make electricity—as well as manpower, transportation, and other critical resources.

The Government asks everyone to save electricity to save coal. You can conserve in the operation of your refrigerator by defrosting regularly. Don't keep a "snowman" in the refrigerator; heavy frost on the cooling coils makes the motor run overtime. Open the refrigerator door as little as possible. Don't overcrowd the shelves, and don't put hot foods in the refrigerator to cool. Save electricity whenever and wherever you can—in home and store and factory.

The wildcat was once a sacred animal in Egypt.

Wayes are trained at the country's finest colleges and universities.

BETHANY LUTHERAN CHURCH

REV. O. C. RIESS, Minister

From every land and people and age comes the persistent question, "Why, O why must a good man suffer, evil?" This query is especially prevalent among Christians. In answer, Vicar Harold Krach has chosen as his sermon theme, "The Sufferings of the Christian." In comment, Vicar Krach says: "Christians often have the mistaken opinion that it is only they who must endure innumerable hardships, while the people of this world seemingly prosper. Come to church on Sunday morning at 10:30, and learn the true meaning of the Christian's suffering." Sunday school and Bible classes precede the service at 9:30 a.m.

Our next regular midweek Lenten service will be held on Wednesday evening at eight o'clock. The pastor will preach on Isaiah 53:9, his theme being, "The Burial of Jesus." No one can afford to miss these Lenten services in which the suffering and death of Christ are so vividly portrayed.

There are approximately 1,900 varieties of milkweed.

LANDSCAPE PLANS FREE!

One of Michigan's oldest and largest nurseries will have their professional landscape architects prepare a landscape plan of your property free and without obligation. Nursery stocks are scarce this year, so whether your property is large or small, early plans will save disappointment. Write Albert Johnson, Agent, GREENING'S BIG NURSERIES, 7251 E. Congress, Detroit 14, Michigan, or Phone FI. 7279

Caught in the Act

Officers Hennig and A. Conlan apprehended two youngsters, 6 and 7 years of age, last Thursday after-

noon after it was discovered that they were the lads who pulled a fire box at Devonshire and St. Paul. They were duly chastised by their parents.

Citizens Association

(Continued from Page One.) We normally have two cars patrolling, one sergeant's car in reserve at the station, and a detective's car on emergency call. In order to determine if our police protection is sufficient, let's glance at a comparison of our police department with those of 61 other municipalities of comparable population as given in the Municipal Yearbook of 1941, the latest year available:

Cost of operation of Police Dept.	Per	Total	Capita
Average of 61	\$26,000	\$2.00	12.5
G. P. Park	79,180	6.34	34

Item 2. It is true that our fire department was reduced but not from 28 to 16 as stated by the coalition candidates. An inspection of the payrolls shows that the highest number of men (including the chief) in the past 10 years was 27, and today we have 17. Again consulting the Municipal Yearbook of 1941 covering the 66 communities reporting (of like population) we find:

Cost of operation of Fire Dept.	Per	Total	Capita
Average of 66	\$29,000	\$2.23	
Grosse Pointe Park	58,611	4.50	

Item 3. It is not true as stated by the coalition candidates that the "Park" was threatened with increased insurance rates. Property insurance rates are based on fire protection ratings given by the Michigan Inspection Bureau and based upon number of men, available water supply, apparatus, etc. The perfect rating of 1 has never been given to any community. Detroit rates 2; Grosse Pointe Park 4; City of Grosse Pointe and the Farms 5; the Shores 6; the Woods 7. Residential property insurance rates are the same for Class 4 through 6 inclusive, showing that our fire protection could be still further reduced without any increase in rates. This information was obtained from the Michigan Inspection Bureau on March 4, 1944.

Further proof of the efficiency of our fire department is shown by our 1943 fire loss of \$1.03 per capita against that of Detroit of \$2.06. Fire Chief Rector and his men must be doing a good job.

Item 4. It is not true as stated by the coalition candidates that the City of Grosse Pointe grossed \$12,000 last year on their refuse salvage plant. It does not matter what the gross was, it is the net that counts. A spokesman for the "City" stated on March 4, 1944 that last year they had a net profit of about twenty-five hundred dollars which was entirely due to the present high value of waste paper. In normal years the "City" just about breaks even on their refuse salvage. As for co-operation between the "Park" and "City," there is now in operation an arrangement whereby the "Park" gives its waste paper to the "City," but the "City" does not want, and cannot handle all our refuse because its plant is not large enough. After the war the "Park" can have its own salvage plant, but now and for the past two years the necessary equipment has not been available.

Item 5. The present administration did hire a village manager. It went into office under a mandate from the people to install this form of village administration. What the coalition candidates fail to state is that Manager Lane (who receives about five thousand dollars per year) has taken over the duties of the former village engineer, building inspector and other engineers paid on a fee basis at an annual cost of over six thousand dollars. Manager Lane personifies an annual saving of over one thousand dollars.

It is not true that the present administration was the first to hire a village controller. The previous administration had a controller who was removed after an embezzlement was found, and a new controller was hired to obtain more efficient service.

Item 6. It is not true as stated by the coalition candidates that the village commission refused to spend \$31 to help maintain the temporary post office. Any citizen may inspect the minutes of the commission meeting of Feb. 16th in which it approved payment of \$31.24.

The above facts were obtained by this association by phone calls to the City of Grosse Pointe and to the Michigan Inspection Bureau and by visiting the Municipal Building, all in a space of two hours. Any citizen may check them. The misstatements of the coalition candidates made in your paper indicate that they did not obtain these facts or did not want them published.

Any taxpayer wishing to determine the accomplishments of the present administration need only consult the little blue book "Annual Report of the Village of Grosse Pointe Park" which was mailed to every

Grosse Pointe Park 84,000 6.72
Total Salaries of Police Department:
Per No. of
Total Capita Men
Average of 61\$26,000 \$2.00 12.5
G. P. Park 79,180 6.34 34

home in the Park last March. On page 11 it shows that while the past administration raised our bonded debt by over \$500,000 in only one year, the present administration has almost paid off this amount in three years.

While our taxes have not been reduced, many economies have been made, and the money thus saved has been used to pay our debts. Had not these economies been made our taxes would have increased greatly.

We do not wish to comment on any opinions voiced by the Coalition Candidates. Every man is entitled to his own opinions. We are, however, interested in true facts.

Yours very truly,
M.C.M.
The Citizens Association of Grosse Pointe Park
M. H. Collinson, President.

Item 2. It is true that our fire department was reduced but not from 28 to 16 as stated by the coalition candidates. An inspection of the payrolls shows that the highest number of men (including the chief) in the past 10 years was 27, and today we have 17. Again consulting the Municipal Yearbook of 1941 covering the 66 communities reporting (of like population) we find:

Per No. of	Total	Capita
Average of 66	\$23,500	\$1.80
G. P. Park	56,529	4.35

Apparently the "Park" spent twice as much for fire protection and had double the fire fighting force, and paid their men \$715 per year higher than the average of 66 other communities of like population.

Further proof of the efficiency of our fire department is shown by our 1943 fire loss of \$1.03 per capita against that of Detroit of \$2.06. Fire Chief Rector and his men must be doing a good job.

MESSIAH LUTHERAN CHURCH

Southeast corner of Kercheval and Lakewood Avenues. A. H. A. Loeber, Pastor. 1434 Lakewood Avenue, Tel. Lenox 2121.

A midweek Lenten service will take place next Wednesday, March 15, at 7:45 p.m. The series of sermons on "Calvary" will be continued, the theme being, "Parting the Garments on Calvary."

Two services will be conducted on March 12, the first at 8:00 a.m., and the second at 10:30 a.m. The sermon will treat the opening words of the gospel lesson of the day, "And He Was Casting Out A Devil."

A Vital Message from Your Fire Fighters

Do not be misled by false propaganda, mis-statements or false economy.

Keep your Fire Department intact and protect your property and loved ones.

Don't Gamble With Fire

Fire waits for no one and never plays the game square.

The Village Commission should be held responsible for proper and adequate fire protection for residents and taxpayers of Grosse Pointe Park.

Close up the loophole in the obsolete and outmoded section of the Village Charter.

By Voting YES

On Amendment change to Chapter No. 15 of the Village Charter. Many lives have been lost through fire and lack of proper protection.

REMEMBER

Voting Yes on this amendment does not add one additional penny to the tax roll.

NOTICE OF Annual Election

To Be Held in the Village of

Grosse Pointe Farms

Michigan

To the Qualified Electors of the Village of Grosse Pointe Farms:

You are hereby notified that the Annual Election for the election of officers in accordance with the Village Charter will be held in the Village of Grosse Pointe Farms on

Monday, March 13, 1944

and that the polls for said Election shall be open from 7:00 o'clock in the forenoon to 8:00 o'clock in the evening, at the Village Hall, 90 Kerby Road.

At which Election the following officers are to be chosen viz:

- 1 PRESIDENT
- 3 TRUSTEES
- 1 CLERK
- 1 ASSESSOR
- 1 TREASURER

You are further notified that there will be only one polling place for said Annual Election which shall be at the Village Municipal Building, 90 Kerby Road.

ELECTION MARCH 13TH—BE SURE TO VOTE

Your vote for the above candidates will assure rigid Zoning Ordinance enforcement—storm water flood relief and an active interest in securing better school and recreational facilities.

PLEASE REMIND YOUR NEIGHBOR TO REGISTER AND VOTE

• Sponsored by Grosse Woods and Country Club Woods Improvement Associations.

PARK VOTERS—

YOUR TAXES WILL GO UP 10%

IF "PENSION PLAN" CARRIES

Vote NO on Pension Amendment at Village Election Monday, March 13

DO YOU KNOW THAT

- this plan would cost the village taxpayers \$56,000 per year minimum?
- it would increase village payrolls 22 and a half per cent a year?
- it would require an increase in village taxes of not less than 10 per cent?
- it would cost the village FOUR AND ONE-HALF TIMES as much as other village pension plans now in operation?
- and that five employees could dictate how much money the village shall pay every year?

Vote NO on Fire Dept. Amendment

This amendment provides that leaves of absence, furloughs and sick leaves be incorporated in the Village Charter. Why should this be done for Firemen — any more than vacations of stenographers, truck drivers and other Village Employees?

and this is much more practical and flexible. For, if sufficient men should not be available, it might be advisable to arrange to get fire protection from the city of Detroit — or we might want to take advantage of the Wayne County fire department, if that department should be established, as now seems probable. Matters carried by this amendment are purely administrative in character, and can best be handled by the commission as at present.

The amendment ties the Village down to a fixed, permanent policy of maintaining a fire department of its own. Our Charter now makes this optional—

CHRISTIAN SCIENCE CHURCHES

"Substance" will be the subject of the lesson-sermon in all Christian Science churches throughout the world on Sunday, March 12.

The golden text (Romans 1:20) is: "The invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead."

Among the Bible citations is this passage (Hebrews 11:1): "Now faith is the substance of things hoped for, the evidence of things not seen."

Correlative passages to be read from the Christian Science textbook "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 23): "Faith, advanced to spiritual understanding, is the evidence gained from Spirit, which rebukes sin of every kind and establishes the claims of God."

WAR BONDS will assure your post-war financial security.

ST. JAMES LUTHERAN CHURCH

GEORGE E. KURZ, Pastor

"Jesus Rejected" is the sermon subject of the Rev. George E. Kurz, pastor, at the service next Sunday, March 12. Divine service is at 11 a.m., in the Punch and Judy theatre. The Sunday school begins at 9:45 a.m. People in the community without a church of their own are cordially invited to worship at St. James church and send their children to the Sunday school.

"Candy" in India is a 500-pound weight.

FAITH LUTHERAN CHURCH

East Jefferson and Philip
REV. PAUL BERGDALL
REV. CARL MITTERMAIER

"The Church with the Chimes" invites its many members and friends in the community to share its services during the coming week. This Sunday morning at 11:00 our service will present the second in a series of pre-Easter sermons on "Questions of Eternal Value," with the Rev. Carl Mittermaier preaching on the subject, "What Is Truth?" Certainly we ought to, in these times, try to understand the eternal verities and their application to these present times.

Our regular midweek Lenten service will be held this Wednesday evening at eight o'clock. The sermon for the occasion will be delivered by the Rev. Paul Bergdall and will center about the theme, "The Cross: Towering Over an Inquisitive World." The choir will participate at both of these services. Come and worship in the beauty of holiness during this Lenten season. We also announce our regular church school and Bible classes which will meet this Sunday at the regular time. Bring your children and enroll them. Divine worship, 11:00 a.m. Church school, 9:30 a.m. Bible classes, 10:00 a.m. Lenten service, Wednesday, 8:00 p.m.

RADIO REPAIRS

PEACE EVANGELICAL LUTHERAN CHURCH

East Warren at Balfour
REV. ENNO G. CLAUS, Pastor
H. E. KOEHLINGER, Vicar

Sunday's sermon topic at Peace Lutheran church, East Warren and Balfour, is: "Be on Your Guard." Services at 8:30 a.m. and 11:00 a.m. In connection with this service the newly installed celestial harp will be played for the first time. This harp is of the 49 note type with the scale and range from the low G of the first octave of high C in the last octave operating by an electro-pneumatic action. The harp is a memorial gift to the church by Mrs. Carl Koss Sr. in memory of her husband.

The fourth midweek Lenten service will be held on Wednesday, March 15 at 8:00 p.m. The theme is "The End of Judas."

Sunday school sessions for children of all ages at 9:45 a.m.

Waves earn up to \$218 per month, also receiving uniform and clothing expenses and many other free incidents.

RELIABLE DRUG STORE

★ If there's one word that describes what you want in a Pharmacy, that word is—Reliable. We're proud of the privilege of displaying the "Reliable" emblem pictured below. It's a mark reserved for selected Prescription Pharmacies—and it means just what it says! Let us compound your Doctor's prescriptions... Reliably.
