

PARK PATROLMAN CRACKS ROBBERY WAVE

Pointe=Wide Processed Tin Pick-up Saturday

Urge Residents Place Cans at Curbing Friday

As the war progresses, our tin supply becomes more and more depleted, according to Neil Blondell, chairman of the Grosse Pointe and Gratiot township salvage division, and because we get very little new tin nowadays because of Japanese control of most of the raw tin supply, it is up to the American householder to keep

supplying their salvagable tin for the refineries and keep the tin rolling to those in the armed forces who need it.

The residents of Grosse Pointe have again been given the opportunity to do their part so that medicine and supplies can continue to reach our men in the service, by placing their old tin cans at their curbs early Saturday morning for another of the periodical tin can collections here in the Pointe.

The cans should be placed early enough so that the village trucks can pick up a record amount of tin cans beginning at the first house and ending with the last house. If the weather is permissible, some recommend that cans be placed at the curb Friday evening so that none will be missed.

Mr. Blondell stated, regarding the salvage of tin cans, "You folks may not realize it, but the tin cans you save for each salvage drive are very instrumental in saving soldiers' lives. These tin cans, made from your reclaimed tin, often contain precious blood plasma, bandages, morphine, sulpha and countless other healing drugs. Tin cans are also used to send food and medical supplies to our men in the front lines by dropping them in parachutes. No other container could get those vitally needed supplies to the men in such a manner."

"That is why," continued Mr. Blondell, "we are constantly urging you to do your war job and prepare your tin cans for each collection. It's so little to ask for your fighting men. The Pointe and Gratiot township will have a record collection April 15 if everyone does his part."

POINTE PARAGRAPHS

Wouldn't it be fine if some storekeepers treated salesmen as nicely as customers. Too often, the contrast in attitude is quite marked when a customer makes a sales call.

The OPA has devious ways of proving inconsistent A, B, C gas ration renewal allotments are mailed to qualified holders. But—holders of T-rations with a Certificate of War Necessity are notified to pick up their quota at the ration board. In other words—burn up some more gas and rubber to get gas and rubber. OPA state or national crackpots responsible for this stroke of genius could take a lesson from a high school boy in conservation.

Bill Steiner's uncle in Detroit had fire trouble last Sunday. He quelled a blaze on his roof with a stirrup pump. (Shades, of bombing raid threats.) Then, when his two nephews were en route to his house for a visit, their car caught on fire. An accommodating motorist produced two bottles of beer, knocked off the caps and promptly extinguished the blaze.

When city police heard the burglar alarm ringing at the Grosse Pointe bank recently, Officers Wyffels and McFarlin were immediately dispatched to investigate the ringing. When they arrived at the bank they found that the night man had accidentally hit the bell with a broom handle, thereby setting off the alarm.

When the gasoline bill was presented to the Farms trustees at their meeting last Thursday, one trustee asked Harry Furton to look into the matter of obtaining some kind of information regarding the substance which the Detroit police department is "dropping" into their gasoline, adding to the efficiency of the fuel some 25 per cent.

We've noticed that the war has broken out again in Grosse Pointe City for it has forced them to again change their method of billing—this time it's the tax bill. The new ones are white, rather than the original green and are similar to the county tax bill. The distinction is that these taxes can be paid in half payments whereas the county and school taxes must be paid in full.

Children's Problems to Be Discussed at Richard PTA

The next meeting of the Richard school PTA will take place on Thursday evening, April 20, at 8:15 p. m. Parents will visit the classrooms at 7:30. A very interesting and instructive program is being planned. The speaker is Dr. Sullivan of Wayne university, who was so well received when he talked a year or so ago at Richard. He will discuss behavior and discipline problems of children in the home, school, and neighborhood. It is hoped that his remarks will be able to bear upon a series of questions which the parents will put in writing or orally to him relative to this whole problem of child behavior. A question box then is going to be placed in the auditorium and parents are cordially invited to write out their questions. The chairman of the program committee is Mr. Charles Scheid. Refreshments will be served afterwards.

Club Cook Found Guilty on Assault and Battery Charge

Leo Verlinde, 39, an employee of the Country Club of Detroit, obtained a warrant last Thursday for the arrest of Albert Shotis, second cook at the club, in Grosse Pointe Farms. An investigation showed that on April 1, at 3 a. m., Verlinde and Shotis engaged in an argument when Shotis knocked the older man down, blackened his eyes, as well as cutting his face and head. An engineer at the club took Verlinde to a local doctor where 13 stitches were required to close the wound in his head.

After investigation, Joseph Bannigan, assistant prosecutor, recommended an assault and battery warrant.

Appearing before Justice Victor DeBaeke in the Farms April 5, Shotis was found guilty and fined \$100 or 3 days in jail. He paid the fine.

Negro Bandits Appear in Wayne Circuit Court

The two Negro bandits who were foiled in their attempt to break into the Rustic Gardens Friday morning, Feb. 25, by Patrolman Arnold Hough of the Park police, appeared before Judge Robert Toms in Wayne county circuit court this past week on a charge of attempted breaking and entering.

The men, Jesse King Jr., 18, and Frank B. Sanders, 24, both of 1019 Eighteenth street, Detroit, were turned over to the probation department for further investigation. They will be sentenced later.

Returns to Base

Ada M. Muir, HA-1c, left Monday evening after spending a seven-day leave with her parents, Mr. and Mrs. Gordon Muir of 1144 Lake-

pointe avenue. She returned to the U. S. naval hospital in Philadelphia, Pa., for further training. Ada, a graduate of Grosse Pointe high school, concluded her boot training at Hunter College in the forefront of March, and received the first part of her hospital training at the National Naval Medical Center in Bethesda, Md.

YOUNGSTERS UNCOVER GASOLINE CACHE

ON WEDNESDAY evening, April 5, a group of young children while playing in some fields on Buckingham, uncovered a cache of drums which upon investigation proved to be filled with gasoline. These drums were buried on property next to the home of E. Vincent of 1312 Buckingham. Here we find Sgt. J. Vernier and Patrolman Ingalsbe of the Park police directing members of the highway department in the excavation of the drums. The case was turned over to the OPA.

Chicken Committee Reports on Complaint in Farms

When President James K. Watkins of the Farms called for a report from the "chicken committee" he drew a chuckle from every member of the board of trustees as well as the few spectators who were present.

Mr. Watkins was referring to the complaint which the village clerk received in regards to the raising of chickens on the residential streets. It was found that the village cannot prohibit the raising of chickens, but it can prevent anything that becomes a nuisance, and if chicken raising becomes a nuisance, it can then be stopped by the village.

The village clerk was advised to inform the offender in this case of the action which the village will take if the raising of chickens becomes a nuisance.

Farms Boat Owners May Renew Mooring Spaces Until April 29

It was announced this week by Theodore Beaupre, superintendent of the Farms pier, that mooring spaces for 1944 will be renewed beginning Saturday, April 15, and continue until April 29, at the village pier during 8 a. m. to 4 p. m., Monday through Friday. Registrations will be taken only until noon on Saturday.

Wayne Professor to Speak Before PTA

The Pierce PTA will hold its next meeting Monday at 8:00 p. m. in the auditorium, April 17.

Dr. Fred F. Yonkman, professor of medicine at Wayne university, will speak on "Recent Developments in Medicine." This promises to be very interesting because of the new drugs and treatments resulting from the war. Penicillin, the wonder drug, is a new development and a talk on that alone would be worth while.

More Rifles

Farms police were again troubled this week with several reports of young boys, both Pointe and Detroit residents, who were in various parts of the Farms shooting air rifles. Several groups were apprehended and given a warning and sent home.

Refuse Solicitor

The Park commission refused to grant permission to a Detroit resident who requested it to solicit from house to house in the Park. The commissioners felt that the few items she would sell can be readily purchased from local stores, thus eliminating the nuisance of doorbell ringing.

Macomb County Disposal Unit Used Temporarily to Halt Lake Pollution

To satisfy protests which have been pouring into the Macomb county drain commissioner's office regarding the recent action taken by him when he turned off the Lakeshore interceptor and diverted sewage into Lake St. Clair, the Nine Mile disposal plant is back in operation.

Park Receives Tax Money

The Park village treasurer was in receipt of two checks from the Wayne county treasurer for delinquent taxes collected for December and January. The checks were for \$3,796.24 for December and \$4,817.36 for January.

Carl Schweikart Announces Budget for Township

Carl Schweikart, supervisor of Grosse Pointe township, announced the 1944 budget for the township this week. This year it will be \$45,689 as compared with last year's total of \$51,074.

The reason for the decreased budget, Mr. Schweikart said, is due to the elimination of the spring and fall elections of 1943. This will lead to a reduction of the tax rate in the township if the county and school taxes remain the same as last year; but because the township has no control over these two taxes, the tax rate decrease cannot be determined at this time.

The budget covers the servicing of the township radio station, and the radio in the community; maintenance of the board of health which covers all health problems in the township, the City of Grosse Pointe and the Pointe school system; the cost of all national, state, county and township elections; the support of the poor and welfare department which includes emergency hospitalization; the administration purposes of the township and the collection of county taxes.

Farms Police Chief Orders Canines Off Village Streets

Joseph Trombley, acting chief of police of Grosse Pointe Farms, issued a warning today that all dogs allowed to run at large will be picked up.

The chief said that the department is receiving an increased number of calls each day and a recent survey has disclosed that great many people are making no effort to confine their dogs as provided by village ordinance.

Dogs picked up can only be released on payment of fees as specified by the ordinance, which runs as high as \$3.

All dog owners will be supplied with a copy of the Dog Ordinance in the near future when the annual dog census is taken by the police department.

Dog licenses expire April 30, next. The 1944 license may be obtained at the village clerk's office, 90 Kerby road. Dogs must be vaccinated each year.

Riley Exponent Acclaimed by Lecture Audience

There will be many more residents of Grosse Pointe who will sing the praises of James Whitcomb Riley following the address and readings given Tuesday evening by Dr. George Davis, one of the foremost exponents of the Hoosier poet, when he appeared before the audience of Grosse Pointe Lectures, Inc.

As an added attraction on the "bonus" program offered the patrons of the Grosse Pointe Men's chorus, directed by William Watkins, presented a series of truly masculine songs, much enjoyed by everyone.

Painting a verbal picture of Riley to set the stage for understanding and interpreting his poems, Dr. Davis took the "Children's Poet" thru his adolescence, young manhood and old age as a musician, newspaper type setter, patent medicine actor and sign painter.

Riley's philosophy of life and the entire basis of his keen understanding of mankind was his knowledge of "Naked Nature" in all of its fecundity.

Many members of the audience said Dr. Davis was one of the best readers they had ever heard for he had his audience in ripples of laughter, ready with responses of applause at the conclusion of many of the well-read and well-liked poems: "The Genuine Article," "Tradin' Joe," "My Philosophy," "The Tree Road," "My Conscience," and finally, "Out to Old Aunt Mary's."

Youths Confess Series of Breaking Incidents Here

Because of the watchfulness of the Grosse Pointe police and of the Park police in general, another group of thieves have been apprehended, thus clearing up a series of robberies which have occurred here recently.

Despite the contentions of the Detroit dailies, it was through the quick action of the Park police which resulted in the apprehension of the youths.

Large Number of Contributions Sent for Honor Roll

The largest number of contributions, 110, received in any one week, was recorded for the week ending April 11 for the Grosse Pointe Honor Roll. The total amount received for the week was \$865, which brings the total so far to \$5,314.05. The association is now starting a personal solicitation campaign in an endeavor to raise the needed funds.

- Contributors for the week are:
- Mrs. Ralph Harmon Booth \$50.00
- James E. Morrison 25.00
- Charles H. Hodges Jr. 25.00
- Mr. and Mrs. Ben R. Marsh 25.00

Young Bicyclists Hit by Passing Cars

One young lad was treated at Cottage hospital and a second lad was uninjured this past week when both were struck down from their bicycles on City streets.

James G. Buhro, of 702 St. Clair, 23, when turning into University Place from Kercheval last Friday afternoon, was hit on the right front fender by Jerry Earl of 217 Touraine, while riding his bicycle. Jerry was thrown from his bike but was not injured.

The accident occurred when both motorist and cyclist, approaching in opposite directions, had their view obscured by another car which had stopped in the middle of the intersection. The front wheel of the bike was damaged.

Richard Jeeves, 11, of 571 Lincoln road, was taken to Cottage hospital by Officers Wyffels and Blinn for treatment of bruises sustained when he turned into the path of a car driven by Nicholas Serra of 750 Lakepointe, age 16.

Fireman Injured at Rooming House Fire

Robert Haslett, a City fireman was injured at the fire which caused considerable damage to the home of Pearl Adams, 314 University Place, known throughout the country as rooming house in the exclusive Pointe district.

The fire which ran through first, second, and third floors between the walls and floor was caused from the fireplace.

Owing to difficulty in reaching blaze, City firemen battled the fire for two and three-quarters hours, finally bringing it under control.

Set Public Hearing for Vacation of Goethe Street

The officials of the First Christian Reformed church of Detroit, located on Maryland between Charles and Mack, were informed by the village commission that their request for the vacation of Goethe east of Maryland will be presented before a public hearing on Monday, May 1. If no objection is raised, the request will be granted.

The church must take care of the drainage and other problems which may arise, thus removing the responsibility from the taxpayers.

Bitten Hand

Little Sally Ann Thorn, age Mt. Vernon, was bitten on the leg by a passing dog last Monday afternoon near her home.

Pointer Reported 'Missing' Now Listed As 'Killed in Action'

Lieut. M. G. Craig, of the U. S. Marine Corps, notified Camille T. VerVaecke, Sr., of 1231 Lakepointe this week, that his son, Pfc. Camille VerVaecke Jr., of the Marines, has been listed as killed in action on the records of the war department.

The communication which Mr. VerVaecke received stated in part: "Your son has been carried on the

record of the Marine Corps as missing in action since Nov. 20, 1943, when he participated in the attack on Tarawa Atoll, in the Gilbert Islands. However, Tarawa has now been fully occupied by American forces for more than three months and it must necessarily be concluded that he lost his life in action on the aforementioned date.

Private VerVaecke, who was 27 years old, enlisted in 1937 in the coast artillery and served in Hawaii. After being discharged after filling his enlistment, he reenlisted 10 days after Pearl Harbor. He left for overseas for the second time just prior to action at Guadalcanal, and was included in the first contingent of American men who fought on Guadalcanal.

Mr. VerVaecke received word on March 16 from the war department that his son was missing in action, but he did not hear further until the past week.

Private VerVaecke was a native of Grosse Pointe and was a graduate of St. Ambrose high school. He has two sisters and a brother surviving him, Grace and Lillian and Mathew. His brother is in the army.

BERNICE MARIE BLAKE became the bride of Lieut. Robert C. Leithauer, at a double ring ceremony, performed by the Rev. John J. Costigan, at St. Clare of Montefalco church, March 16 at 10:00 a.m. The bride is the daughter of Mr. and Mrs. Elmer A. Blake of Audubon road, and Lieutenant Leithauer is the son of Mr. and Mrs. Carl F. Leithauer of Haverhill road. Mrs. Frank Lazaus was maid of honor while Virginia Blake and Alice Leithauer assisted as bridesmaids. A wedding breakfast was served at the Whittier hotel with a reception in the evening at the home of the bride. After a short honeymoon, the couple left for Shreveport, La., where the bridegroom is stationed. He received his commission recently in the Army air force.

A Job Well Done — Appreciated

With the concluding number in the form of a "bonus" entertainment for season patrons of Grosse Pointe Lectures, Inc., just passed, it is altogether fitting and proper that time and space be taken to salute the project and compliment everyone responsible for the fine entertainment and cultural contribution to the community.

During the course of the lectures, dozens of people have expressed their genuine and wholesome regard for each speaker and the unusual insight and viewpoint which they brought to the audience on current affairs. Many persons have said that any one lecturer was worth more than the price of the entire series. It is true that probably not one of them could be classed as an orator, yet as the case stands, the treatment of their subject and the authority with which they spoke overcame any lack of elocutionary ability.

Each speaker felt that he was speaking to a "thinking" audience and certainly there can be no doubt that the audience was listening to a "thinking" speaker.

The plan of questions and answers at the close of each lecture was met with an enthusiastic response and proved to be one of the highlights of each entertainment.

The Grosse Pointe lectures board saw fit to incorporate early in their planning and already plans are under way to provide next year's audience with the type of entertainment they want, which has been forecast by a poll taken at the fifth lecture. Every single member of the board is due a vote of gratitude and especially is this true of the manager of the series.

In a world of fast changing politics and policies, it has been extremely educational for Grosse Pointe people to have been able to learn first-hand the why and wherefore of the world picture.

Mrs. Edward P. Wright Again Named Head of Local Women's Field Army

Mrs. Edward Pulteney Wright of LaSalle Place has again been appointed chairman of Grosse Pointe unit of the Women's Field Army of the American Society for the Control of Cancer. She has asked the following women to serve on her committee: Mesdames Wyman D. Barrett, James W. Bartrop, Robert Conder, Edward C. P. Davis, George Haggarty, William R. Hamilton, Henry H. Hubbard, Harther L. Heim, Cecil W. Leppard, Cleveland Furber and Thomas Cram Whitehead.

These women have been meeting regularly and have addressed 1,500 letters of solicitation which will be mailed this week. The Grosse Pointe schools, through their superintendent, Paul Essert, are enclosing piece of educational material on cancer in each report card that is put out in the middle of the month.

"I hope," said Mrs. Wright, "that anyone who is interested in this health war against cancer will make a donation to our Grosse Pointe unit. The money will be used for research, education, and to carry on dressings program."

Cancer is the second cause of death in the United States, it claiming a total of 163,400 lives each year. It is estimated conservatively that 90,000 of these deaths could have been averted if early symptoms were recognized and early diagnosis sought. Beside its educational program, the field army supports a famous scientist in her studies on cancer at Wayne university. In the next few months a building will be provided where the Detroit Institute of Cancer Research will carry on its work. Funds for this project will be furnished by the women's field army.

The Girl Scouts of Grosse Pointe are placing canisters in all the neighborhood stores and public places.

Mrs. Wright has asked the following people to serve as sponsors:

Mrs. Standish Backus, Mr. and Mrs. A. Edward Barit, Mr. and Mrs. J. Lee Barrett, Mr. and Mrs. Henry Bodman, Mr. and Mrs. George R. Fink, Mrs. Edsel Ford, Mr. and Mrs. John B. Ford Jr., Mr. and Mrs. Charles H. Hodges Jr., Dr. and Mrs. Alpheus Felch Jennings, Mrs. J. D. Kinnucan, Mr. and Mrs. Alvan Maccauley, Mrs. Arthur B. McGraw, Mr. and Mrs. William K. Muir, Mr. and Mrs. John J. O'Brien, Mrs. Jerome H. Remick, Mr. and Mrs. Joseph B. Schlotman, Oscar Webber, and Mrs. David C. Whitney.

Now that spring vacation is over, especially for the Grosse Pointe high school crowd, the thought of parties and good times must be put away and concentration on home work must begin (if it is possible).

After such a scrumptious weekend that the kids had, it is going to be rather hard to get down to business in a hurry, but I don't suppose it will be too long until you see once again some of these mighty seniors luging their English VIII books home.

Just one week ago today Barbara Borgman celebrated her number eighteenth birthday and invited some of the gals over for dinner and a few games of bridge (at least that's what we call it). Some of the seniors were Jeanne Tanner, Louise Whitcomb, Jeanne Thorne, Shirli Kramer, Eunice and Bobby Hoskin, and Pat Jaekel. Others included were Phil Monroe, Lois Gehrig, Jackie Ewing, and Nan Moesta.

Teas galore were popping up everywhere Monday and Tuesday last. D'Arlene Brink, Marge Wolfe, Barb Jones, Peggy Erne, Jimi Morten n' Gina Robinson pooled their ideas and talent and decided to give a huge tea for some odd hundred kids and also some of Grosse Pointe high school's lady teachers last Monday. All the gals looked so different in their best "party clothes" that it was kinda hard to recognize some of them. But I did see a whole bunch of kids, including Bev McClelan, Lois McNierney, Carole Pierson, Betty Pinkston, Marilyn Borgman, Marge Nevins, Mackie McPherson, Joan Cronin, Nancy Anderson, Jane Hughes, Helen Gramly, Barb Webb, Nickie Hoffman, Jeanne Quail, Marge Kaibfleisch, Sara Malcomson, the Surtman twins, and Betty Auch. Some of the gals sitting around the tables were Lorraine Gillette, Lois Gehrig, Mary Lou Ewig, Janie Sheaffer, and Peggy Toncray.

Talking about super dances, this is going to be the best. At least that's what Louise Whitcomb and Jim Waldron, in charge of the dance, say. The spring Soiree (it's French) is going to be sponsored by the Grosse Pointe high school's student association on April 15. The committee members say the dance is going to be really neat. Sweaters and skirts are out—instead real day and Wednesday of each week. Dressy clothes will be the things to wear. Don Waldow is responsible for the decorations, with Jim Trousdale, Bill Wallace, Cynthia Penoyer, and Ted Potter helping.

"Nickie" Hoffman, Lois Gehrig and Bonnie Tait have pooled their ideas together for a clever way to advertise the dance.

Writing invitations for all the chaperones and such will be taken care of by Eunice Hoskin and Peggy Erne.

Jack Uhl has a real neat idea about the refreshment end of the dance and Jim Waldron, thanks to him, has lined up a swell band.

There's nothing like a real neat dance to top off a vacation. Wee, the "Big Four" held at the Masonic temple last Saturday was such an affair. Practically everyone was there, including Bonnie Tait n' Tom Castner, Ted Kidd n' Jackie Ward; Phil Monroe n' Jack Wilson, Joan Clark n' Sid Baker, Louise Whitcomb n' John Bartheimer, Jim Waldron n' Pat Baumgarten, and Bob Seeber n' Corrine Clements; Bill Massnick n' Dolores Massey, Marge Wolfe n' Bill Boydell, Johnny Galvin n' Bixie Mitchell, Gloria Surtman n' Johnny Lapp, Marge Botts n' Fred Saltzer, Mac Barnum n' Judy Stuchell, Adelle Gillette n' Joe Hickey, Jeanne Quail n' Jim Holt, Jack Temple n' Ruth Ann Shaeffer, Lois Gehrig n' Jim Faulkner were some of the other couples who crowded the dance floor.

Peg Erne hung the old welcome sign on her door last Tuesday for a good share of the senior gals. Some of the femmes at Peg's bridge luncheon were Jeanne Thorne, Phil Monroe, Bobby and Eunice Hoskin, Ruth Shaeffer, Barb Webb, Pat Jaekel and Bonnie Tait.

Sally Reynolds gave a tea for the gang Tuesday at her home. Saw Elizabeth Cooke, Mary Fran Perez, Justine Oiso, Helen Walsh (home from Ladywood school in Indiana) Joanne Maas, the Taylor twins, Joan and Jane, Mary Marshall, Peggy Rousseau, Virginia Roney, Ann Webster, Shirley Hewitt, Pat and Irene Tyll, Bev. Warmington, and Jane Van Antwerp.

Reopen Surgical Dressing Unit

The surgical dressing unit No. 15, of the American Red Cross, which meets in the Defer school at Kercheval and Nottingham avenues, will reopen next Tuesday, April 18. Hereafter, the unit will be open on Tuesdays and Wednesdays of each week. All workers are urged to come.

Seven Women Join Gold Key Society

Names of women newly elected to the Gold Key Honor Society at Wayne university were announced today by Dr. Margaret Ruth Smith, counselor in student activities and sponsor of the organization.

Following is a list of the new members, together with their addresses and the high schools from which they were graduated:

Marjorie Chavey, 1453 Nottingham, Grosse Pointe Park, Grosse Pointe; Patricia Chew, 2642 Dickerson, Southeastern; Jean Hayden, 12785 Mark Twain, Cooley; Carolyn Hock, 3462 Pennsylvania, Eastern; Kay Mackenzie, 3459 S. Edsel, Southwestern; Barbara Snover, 165 Cortland, High Park, Highland Park; and Gloria Stommel, 4727 Second, Cass Tech.

The honor society at Wayne was founded to provide recognition for junior women who have distinguished themselves through service to the institution. Officers for this term include Jean Lowrie, 9383 Burnette, graduate of Mackenzie high, president; Diana Pollard, 9551 Strathmoor, graduate of Cooley, vice-president; and Bernice Simon, 18980 Santa Barbara, graduate of Cooley, secretary-treasurer.

Teacher Attending Lansing Assembly

Teachers in the Grosse Pointe MEA district have chosen Vincent Peterson, of 11 Grosse Pointe boulevard, as their delegate to Lansing, tomorrow and Friday, for the annual representative assembly of the Michigan Education Association. Officially representing the 107 districts of the state association, the 163 voting delegates will elect officers and adopt a program and policies for the coming year, for the more than thirty thousand members of the association.

Friends of France Invited to Concert Next Wednesday

Elizabeth Hamilton Duggan, well known Detroit soprano, will be the guest artist at a benefit concert to be given Wednesday, April 19 at 8:30 p.m., at the Detroit Institute of Arts lecture hall.

Mrs. Duggan will sing a number of old and modern French songs. She will be accompanied by Gladys Carson.

The Detroit chapter of France Forever, the Franco-American committee of resistance in this country, co-operating with the French committee for national liberation will be the sponsor. All friends of France are cordially invited.

Gay Nineties to Prevail at Next Hostess Corps Servicemen's Party

The long gone days of the rollicking nineties will come to life once more when the Grosse Pointe Hostess Corps present their next party on Saturday night.

Wasp waists, bustles, and can-can girls are appearing under the brush of Mrs. Grace Henry Schmidt, who is executing the designs of William Teetzel of Teetzel & Co.

Servicemen will find the hostesses in various "taverns" and by matching beer mugs with tagged pretzels become acquainted with their partners. Entertainment, under the direction of Doris Roberts, will be in the spirit of the nineties, as will the barber shop quartet during the intermission. A surrey, complete with fringe, and a brass railed food bar will add to the aura of lusty gaiety.

Assisting Doris Roberts, the junior hostesses on the entertainment committee include Louise Nagel, Vera Crichton, Anna Marie Weir, Virginia Hesel, Irene Crichton, and Grace Raub.

The food committee, headed by Mrs. R. T. Johnstone, is planning a Dutch lunch, in keeping with the atmosphere of the evening.

After the party, many of the servicemen will be billeted by Grosse Pointers who graciously open their homes to these visitors.

SERVICE PARADE

Air Cadet Donald Rosselle, son of Mr. and Mrs. Ralph J. Rosselle of Hampton road, was injured on February 18 while in advanced training at Columbia, Miss., air base. The injury occurred three weeks before receiving his wings as a bomber pilot. He is convalescing at the base hospital at the present time.

Headquarters, European Theater of Operations.—A crack Signal Post Service company, made up of communications experts in civilian life, is now stationed in England repairing and operating all communications of an important port. Most of the established men were employed by various telephone companies, chiefly by the New England Telephone and Telegraph company.

"They're good and they know it," says their commander, Captain Charles L. Curran, of 37 Quincy street, Somerville, Mass. "The majority of the men are from Massa-

chusetts, Ohio and New York," he adds. Their work keeps them busy seven days a week, three shifts daily. "And they love it," says Captain Curran. "I don't think you'll find a group where morale is higher. They are good soldiers in every way."

Commander of the unit of which the company is a part is Maj. Stafford F. Green, of Greenwood, Indiana, a former executive of the Indiana Bell Telephone company.

A member of the unit is Pvt. Robert W. Jean, Jr., of 1040 Kensington.

MAXWELL FIELD, Ala., April 5, 1944.—Five youths from Grosse Pointe, Mich., have reported to the preflight school at Maxwell Field, Ala., an installation of the AAF Training Command, to begin another phase of their training in the U. S. Army Air Forces.

Here the aviation cadets are receiving nine weeks of intensive phys-

ical, military and academic instruction. These men are aviation cadets Thomas E. Dale, Jr., 1034 Wayburn avenue; Robert C. Everett, 437 McKinley road; Glenn H. Johnson, 21272 E. River road; Richard D. Robbins, 874 Loraine, and William L. Schmidt, Jr., 1808 Roslyn road.

FORT KNOX.—Intent upon mastering the mysteries of operating a radio set from rumbling, rolling tanks and half-tracks, a new class of enlisted men had reported today to the Armored School Communication department.

Among the soldier students were: Pvt. Leon N. Zechiel, son of Mr. and Mrs. Allen N. Zechiel, 840 Lincoln road, and Pvt. Edwin A. Wendt, husband of Mrs. Dorothy Wendt, 1001 Beaconsfield.

Cpl. Robert J. Hyde, son of Mr. and Mrs. L. N. Hyde of Moross

road, is spending a seven-day Easter furlough with his parents and will returned last Tuesday to Camp Van Dorn, Miss., where he is stationed.

Aviation Cadet Jack Herrold, son of Mr. and Mrs. J. E. Herrold, of 1859 Country Club Drive, is spending a furlough with his parents, after which he will return to Corpus Christi, Tex., to finish his training.

Aviation Cadet Lee Hammer, son of Mr. and Mrs. Walter A. Hammer, 1247 Cadieux road, is now stationed at Marianna army air field, Marianna, Fla., where he will receive advanced flying training to qualify him as a fighter pilot in the Army air forces. His previous assignment was at Bus Field, Augusta, Ga.

Illinois Institute of Tech., Chicago, Ill., April 5, 1944.

I hereby apologize for the delay in writing this letter. I wish to thank you very much for sending The Review to me these past months. The Review has become one of the most pleasant packages that come in the mail. It is one of the few contacts that I have with my home town and hence one of the most highly prized.

My address has been changed, and I would appreciate it if you would take care of this matter. Sincerely yours, GEORGE KNAEPPEL, AS.

Shoemaker, California, April 5, 1944.

Louis Dykstra and myself have just completed our radio training and, after a brief visit-home, have been transferred to another out-going unit in California.

We would appreciate your sending The Review to us at our naval base here in Shoemaker for we have missed it greatly since our transfer here.

Thanking you very much, LOUIS DYKSTRA, S-2c. FRANCIS BROUGHTON, S-2c.

Army Air Forces, San Antonio, Texas, April 3, 1944.

We wish to express our sincere thanks to you for sending us The Review every week. We really enjoy reading your paper, and the Service Parade especially, as well as all the other activities which are going on in the Pointe.

We want to inform you of our new address so that we may receive the paper that much sooner. Thanks again.

We remain, Ac David F. Trombly. Ac Maurice G. Van Denbusche.

Headquarters, European Theater of Operations.—United States Army field ordnance units stationed in Great Britain are working around the clock to keep vast quantities of weapons and vehicles in good repair.

Typical is the outfit commanded by Maj. Glenn E. Nida of South Columbus, Ohio. Upon arrival in the United Kingdom, these ordnance soldiers were split up into sections and each section was sent immediately to a supply depot to procure vehicles. Vehicles had to be checked for completion, then driven back to the units that would use them. The goods were delivered in record time even though the men were strangers to blackout, left-hand drive, and British maps and road signs.

Among those in the ordnance unit is Lieut. William J. Findling of 657

Washington road. CARLISLE BARRACKS, April 6, 1944.—The Medical Field Service school, Carlisle Barracks, Pa., graduated another large class of officers of the medical department today who now are qualified for field duty with troops.

Brig. Gen. Addison D. Davis, commandant, spoke to the officers, telling them of the importance and seriousness of the work that lay ahead of them in the dual role they will have to play as physicians and Army officers. Music was furnished by the Army Post band.

Graduates are: First Lieut. Frederick W. Knoke, Jr., medical corps, of 1385 Somerset road, Grosse Pointe Park, received his M. D. degree from Washington University.

First Lieut. Edwin G. Bovill, Jr., medical corps, of 961 Westchester road, Grosse Pointe, received his M. D. degree from the University of Pennsylvania.

First Lieut. George C. DeSmyter, medical corps, of 749 Washington road, Grosse Pointe, received his M. D. degree from Loyola School of Medicine.

MAXWELL FIELD, Ala.—Rob-enrolled as an aviation cadet in the ert J. Trombly, 21, of 1043 Lakepointe, Grosse Pointe Park, is now pre-flight school at Maxwell Field, Ala., an installation of the Army Air Forces training command.

Here the cadets are receiving nine weeks of intensive military, physical and academic training.

Private Oliver J. Haffler of Grosse Pointe is stationed at Camp Croft, S. C.

Somewhere in the S. Pacific, March 18, 1944.

Dear Mr. Oldham: I received your December 23rd edition of the Grosse Pointe Review in today's mail and was surprised and delighted to see my makeshift Christmas card staring at me on the front page. (Ed's Note: The card, sent from the Southwest Pacific was reproduced, showing a native and an American soldier in the land of palm trees). I want to thank you sincerely for the honor I feel has been bestowed on me. I certainly "got a kick out of it."

I hope by next year I'll be able to send you one marked "made in U.S.A." Seeing that they have passed that bill limiting overseas service to eighteen months, I should soon be strolling down Kercheval avenue, for I have been here two years already.

Of course, if we keep pushing the Japs back as fast as we have the last few months, I may take time to do a bit of window shopping in Tokio. By window shopping I mean looking around for a building with a window left in it.

At present I'm not up with my outfit where the going is tough. I've been sent on special duty with a new outfit here as a sort of jack of all trades. My job takes in medical work, malaria control about the camp, and the bossing of a group of native laborers. The latter job is really an experience, I assure you.

I've never taken the trouble to master the basic elements of pidgin English and truthfully speaking, I've had one hell of a time. It's funny to see me trying to explain anything to them. They just stand around like a bunch of mummies and grin. After a while I usually give up and do it myself.

They have a boss-boy in charge of each group and after many trials, plenty of swearing and a few mean looks, he and I have managed to

understand each other to some extent. The only three words I've really mastered so far are "kiki," meaning food; "tabodo," meaning boss man, and "—" "Ask any soldier who has been in the Southwest Pacific and he'll tell you the other word. I'm quite sure the censors wouldn't allow me to tell you that one!

My latest job has been the construction of a recreation hut for the men here and if I say so myself, it is a pretty good looking building for an amateur. Of course, the natives did all the work, but I got all the credit as they work for me. Not a bad deal, is it?

How are things coming along in the Pointe? According to The Review, everything seems pretty normal. Here where I am, I've been living the life of a hermit for these past few months and I honestly don't like it.

Well, that's all for now and here's hoping I see you soon.

Your friend, CPL. PETE WEINS.

Private Harvey Cools was recently transferred from Kearns, Utah, to Hamilton Field, Calif.

Petty Officer J. J. Bretz, formerly of Lakepointe avenue, is now stationed at Ulster Park, N. Y.

The war department today announced the temporary promotion of Willard McDowell, Ac, of 393 Kercheval avenue, Grosse Pointe Farms, from first lieutenant to captain.

Robert B. Hol, son of Mrs. Carl L. Whitchurch of 1247 Lakepointe, was sworn into the Army Wednesday, April 5, and left immediately for Fort Sheridan, Ill. He expects to receive an assignment soon for training as an aviation cadet. Robert is a graduate of Grosse Pointe high school and was an engineer prior to his enlistment in the service.

The following poem, written by Pvt. Arthur Peltier, was sent to Grosse Pointe from New Guinea:

EVERY WORD IS TRUE

I'm writing this short letter And every word is true, Don't look away, draft dodgers, For it's addressed to you.

You feel at ease and in no danger Back in your home town; You cooked up some pitiful story So the draft board turned you down.

You never think of the real men Who leave there day by day; You just think of our girl friends Who you get while we're away.

You set and read the paper, You jump up and say we'll win; Just where do you get this "we stuff?" This war will be won by men.

Just what do you think, draft dodgers? This free nation would do; If all the men were slackers, And scared to fight, like you?

Well, I guess that's all, Mr. Slacker, I suppose your face is red; America is no place for your kind And I mean every word I've said.

So in closing this letter, draft dodgers, Just remember what I say: Stay away from my girl-friend For I'll soon be back some day.

I Am a Wac

LIEUT. FREDDIE BOYLE

There's nothing like a week's leave to give one an insight into what people in other sections of the country are thinking and to make a Wac glad she is in the Army.

Last Monday I left for Washington, D. C., planning to spend three days there in order to sell furniture I used during my off-duty hours from a pre-war civilian job. The city seemed less crowded than a year ago, but it is still the transient town it has always been, and I had no trouble in selling my living room and bedroom suites to families that had been forced to move to the war capital or to rent rooms to war workers.

Most of my friends have left Washington. And it is interesting to see the different paths they took. My ex-roommate joined the Women's Army Corps after I did and is now overseas. I have not heard what country. One of my schoolmates now has a young son, and went "home to mother" when her husband was drafted. A young law school graduate who was getting a good start in a Washington law firm joined the Navy and is serving some

place in Florida. Two other young men I knew at school are now special agents for the Federal Bureau of Investigation. Only one among my pre-war friends is holding down the same government position she had in 1942, and I cannot help but feel she is missing countless experiences those of us in the service will cherish for years to come.

From the capital city I took the train to New Haven, Conn., to visit my sister who is teaching in a women's college. The students there are doing a great deal for the Red Cross, my sister said, but not many of them join any branch of the service even after graduation. She put part of the blame on the parents. They still think the women's place is in the home without realizing that women are needed to take an active part in this war which threatens the very sanctity of the American home. I argued and even preached, I guess, without making a real recruiting speech. And I came away

glad that I am in the Army and thankful for this opportunity to take an active part in the conflict.

Refugee Families Now Reunited Every Six Months

Refugee families which have been separated in different internment of labor camps and children's homes in Switzerland are now having an opportunity to be reunited for a few days periodically. This new service, operated under the auspices of Refugee Relief Trusties an agency of the National War Fund to which the Detroit War Chest contributes. A vacation home has been opened in Switzerland at which the reunited families are allowed to stay for three days of leave from internment every six months.

48 HOUR DAYS!

With almost half of the nation's physicians serving with the armed forces, the remaining doctors are doing double duty on the home front! No wonder your doctor finds himself more crowded for time than ever before. Help him save lives by saving time for him. When you are ill, call him and tell him just how you feel so that he can decide whether he should come to you, or you should go to him. In either case, follow his prescribed treatment exactly and faithfully . . . and this includes having his prescription filled where the medicine will be "letter perfect" with his written instructions.

CHRISTIAN SCIENCE CHURCHES

"Doctrine of Atonement" will be the subject of the lesson-sermon in all Christian Science churches throughout the world on Sunday, April 16.

The Golden Text (John 16:32, 33) is: "I am not alone, because the Father is with me. . . In the world ye shall have tribulation but be of

good cheer; I have overcome the world."

Among the Bible citations in this passage (Romans 5:1): "For if, when we were enemies, we were reconciled to God by the death of His Son, much more, being reconciled, we shall be saved by his life."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy,

include the following (p. 25): "Jesus presented the ideal of God better than could any man whose origin was less spiritual. By his obedience to God, he demonstrated more spiritually than all others the Principle of being."

WAR BONDS will provide a "cushion" for postwar years.

ST. JAMES LUTHERAN CHURCH
GEORGE E. KURZ, Pastor

"There Things That Easter Should Do For Us," is the sermon subject of the Rev. George E. Kurz, pastor of St. James Lutheran church of Grosse Pointe, at the service next Sunday, April 16. St. James congregation holds services in the Punch and Judy theater, Kercheval at McKinley Road, beginning at 11 a. m. The Sunday school meets at 9:45 a. m. The congregation owns property on McMillan road, just north of Kercheval, and plans to erect a colonial style church building as soon as conditions permit after the close of the war. People in the community without a church of their own are cordially invited to worship at St. James church and send their children to the Sunday school.

Thousands of women want A "MECHANICAL PIG" in their kitchens—

AFTER THE WAR

It doesn't really look like this—the handy gadget that grinds up bones and scraps and washes them down your sink drain. But think how convenient it will be—after the war—to simply scrape off the dishes after a meal and not bother trotting out with the garbage!

"Mechanical pigs" aren't being made now. You'll probably want one when they are again manufactured. Meanwhile, put your money in War Bonds. Someday you will be able to own one of these handy waste-disposal units and a quick-freeze cabinet and a dishwasher and all the other aids to better living that electricity will make possible after Victory.

THE DETROIT EDISON COMPANY

"The GOOD-NEIGHBOR policy" applies to party line service, too!

Lots of us have found out lately that it's no hardship to share with others. Pulling together in friendly co-operation is one of the valuable lessons of the times.

Today, as a war necessity, more and more people are being asked to share party line telephone service. By treating others on the line as they themselves would like to be treated, good party line neighbors help to improve everybody's service.

MICHIGAN BELL TELEPHONE COMPANY

A GOOD-NEIGHBOR CREED

A good party line neighbor thinks of it this way: "Somebody else on my line may be waiting to make a call, so I won't talk any longer than I have to. When the line is in use and I'm waiting my turn, I won't interrupt. When I finish a call, I'll make sure I've hung up properly, because if one instrument is left off the hook it puts all the telephones on the line out of service."

Fort Wayne, Indiana Choir at Church

The Concordia College choir, Fort Wayne, Ind., under the direction of Professor Walter Buszin, will give a concert at Peace Evangelical church, East Warren and Balfour, Friday, April 14, at 8 p. m. The public is cordially invited to hear this well known choir of seventy voices. The program consists of three parts, which gives variety to

Mason School N-E-W-S

Letter writing as a means of bringing pleasure to their friends has been keeping the 2A pupils of E. Quigley's room very busy of late. They correspond with one of their former members, Karen Jacob, of Oakland, Calif. Karen is living in the west while her father serves in the United States Navy.

Letters are written to any members of the group who are absent from school for illness.

One of the most popular correspondents of the 2A's is a member of the Royal Air Force. The children have written many letters to their British friend, and have even made Easter eggs to include in a surprise box for him. In return they enjoy personal notes, which they can read quite independently.

PROF. WALTER BUSZIN

The concert. The first part of the program consists of selections written in the pre-Bach era. The second part presents a group of lighter sacred songs, and the climax is reached in the final part which consists entirely of music by that great master, Bach. A real musical treat is in store for all those who come to hear this famous choir of young men and women. A free-will offering will be lifted to help defray expenses.

Report One Auto Stolen; Woods Police Recover Another

A peculiar thing happened in the Woods last Tuesday night when one automobile was reported stolen and while looking for it Woods police recovered a stolen car from Detroit.

Joe Peraid, of 17 Martins on the Lake, St. Clair Shores, told police his car was taken from the parking lot at the local bowling alley sometime between 9:00 and 11:30 Tuesday night. After giving a description of the car by radio, police again tried to locate the missing auto.

Taking up the search a third time, they found a car of similar make and model but a year later, parked near the bowling alley. After checking the car it was one that had been stolen from Warren and Dickerson in Detroit.

To date Peraid is still walking.

Four Minor Accidents Occur in G. P. Park During Past Week

Four minor accidents took place on Park streets during the past week. The scene of the first accident was at Vernor Highway and Three-Mile Drive. Here, a car driven by Mrs. S. Gillette of 782 Westchester, on Three Mile, collided with a car driven by R. F. Whittaker, 12700 Shady Lane, St. Clair Shores, who was traveling on Vernor Highway. Whittaker was not injured. Damage to the cars was taken care of by their owners.

A hit skip motorist hit a parked car on Vernor Highway near Beaconsfield Saturday morning. The damaged vehicle is owned by John Cudia, 1300 Beaconsfield.

Sunday afternoon a car driven by Frederick G. Jones, 1005 Yorkshire, collided with one driven by George Brown of 6166 Bishop road, at Kercheval and Yorkshire.

Prior to this last accident, a car driven by Lowry Kammer, 16830 Crawford Lane crashed into the auto of Mrs. Muriel B. Swelka, 144 West Robinwood, Detroit, at Jefferson and Three-Mile. Mrs. Swelka sustained minor injury.

American Legion AUXILIARY

This week finds Nancy Dobson back in the hospital again. We sincerely hope her recovery will be quick and complete this time, as she surely has had more than her share of hospitals. She is at the new Grace Hospital, 18700 Meyers road.

Adele Baker was present at the last meeting after a long absence due to the arrival of her new son. She was put right to work at the piano and it seemed like old times to have her in her regular place again.

It seems that our party on the 22nd of April will be a double header with Marie Casey as chairman and Mary DelBarba in charge of the food, which will, of course, be her very special spaghetti, of which there never seems to be enough. So get there early and you may be the owner of an extra war bond if you contact Marie Casey (DR-6382) for your ticket.

Bob Casey is home on delayed orders after which he will go to Washington and Lee College. His course there will fit him to be a special service officer on entertainment and moral building. We knew the Army wouldn't be long at recognizing his talent and making good use of it. Good luck, Bob.

Don't forget our next meeting, April 18. Come out and vote for our new vice president to fill a vacancy caused by illness. And we sincerely hope the various families are reunited after the misunderstandings over the stag party that wasn't, on initiation night and hope Commander Thomas has lost his worried frown from the "complications."

Have you turned in your "Fats for Victory" this week?

Women Workers Should Tell Board of Marital Status

for old-age and survivors insurance benefits.

For the woman who marries and wants to change her name, the board has provided a special form, which may be obtained at the local field office of the board.

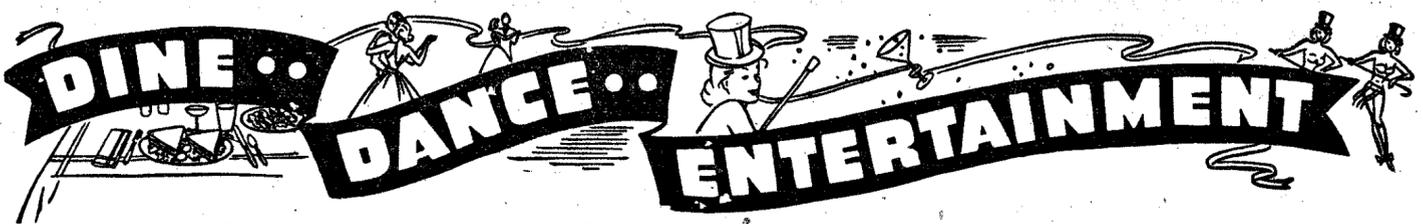

The applicant for this form should fill it out and return it to the board with the social security card bearing her maiden name attached.

The board does not assign her a new number, but issues a new card bearing her present name and the number that was originally assigned to her. She thus will have only one social security number during her entire lifetime.

The board takes every opportunity to impress upon the worker's mind that he should always have only one social security number. If he has more than one number he may stand to lose some of his insurance benefits.

The board, under penalty of the law, keeps all information it receives from the worker strictly confidential.

The worker may obtain further information on this subject from Francis L. Pendergast, manager of the social security board field office at 8037 Harper avenue at Van Dyke, Plaza 8714.

Red Cross Layettes Ready at AWVS

Layettes for the Red Cross Emergency cupboard are awaiting completion at the workshop of the AWVS, 17027 Kercheval.

Mrs. C. H. Haberkorn Jr., chairman of the workshop for Thursdays when volunteers help make these articles of children's clothing so vitally needed by the Red Cross, announces that packages containing the prepared clothing are ready for any volunteers who are qualified to sew on them at home and turn them in to the committee. Anyone who can sew on these layettes may pick them up at the office of the AWVS any day in the week if they are unable

Everyman's Theatre Closes Season With USO Tour

At the close of its second season, Everyman's theatre completes its present USO tour this week with the three-act comedy, "Personal Appearance." The boys welcomed the play about the Hollywood siren who caresses through a small town in Pennsylvania on tour and almost succeeds in winning away a local mechanic at the expense of his innocent sweetheart. Mae West once starred in the motion picture of this story under the title, "Go West, Young Man." The itinerary included the M.P. camp in River Rouge; the Marine hospital on Windmill Point; the naval barracks in Windsor; the Piquette avenue armory; and the air corps station at Willow Run.

Baby Girl

Private and Mrs. John F. Riegler announce the birth of a baby girl on April 6. Private Riegler arrived in Grosse Pointe from Camp Van Dorn, Miss., Wednesday, and will spend a week's furlough visiting his wife, the new heir and his parents, Mr. and Mrs. John Riegler.

State Egg Production Exceeds All Time Records

The poultry owners of Michigan and of the nation so far this year exceed all previous records in egg production.

Charles Figy, state commissioner of agriculture states that the poultry-flocks of Michigan and of the nation according to the records of the division of crop reporting service prepared and issued by the U. S. department of agriculture in co-operation with state departments show that the egg production of the first two months of '44 was 25 per cent over a year ago. Frozen eggs in storage is up 136 per cent and cold storage eggs have jumped 80 per cent. The increased dry eggs and frozen eggs will add considerably to the supplying of food for export use for men in the armed forces and lend lease food requirements.

Concessionaire Given Stand at Lake Park

Charles Stackman who operated the concession at the Park waterfront park last summer, was granted that privilege again this year. The village commissioners agreed that under Mr. Stackman's management, the village obtained more as its share of the profits than heretofore, and they also agreed that the service was the best ever found there.

ly for the kids.

All of the favorite Disney characters, such as Donald Duck, Mickey Mouse, and of course Popeye, Superman, Bunnie Rabbit, etc., will be seen in this special party.

In addition, the two regular Friday and Saturday features, "Watch on the Rhine," a dramatic war picture starring Bette Davis and Paul Lukas, plus "True to Life" a light romantic comedy which boasts such favorites in its cast as Franchot Tone, Victor Moore, Dick Powell and Mary Martin.

Doors open, as usual on Saturday for the matinee at 12:45.

Ask Memberships for Leader-Dog League

The Leader-Dog League for the Blind, Michigan's own guide-dog organization, is in the midst of its annual membership campaign, and is

appealing to all who would like to help blind persons move about freely through the services of a Leader-Dog to send in their enrollments.

Memberships begin at \$1 a year, and application should be made to Leader-Dog League, 808 Farwell building, Detroit 26, Mich.

Ford Camp Becomes Rehabilitation Center

Henry Ford announced recently that he has converted the 300-acre Camp Legion in Dearborn, into a rehabilitation center, to help disabled World War II veterans get back into civilian life.

First of its kind to be privately operated, Camp Legion will be open to all World War II veterans who have a medical discharge and are disabled. Because these men, presumably, have been physically "put in condition" by service hospitals, the Camp Legion program will be directed toward their occupational rehabilitation.

Asking Funds for State Post-War Construction

Lansing. — The state highway department has submitted the third part of its postwar road construction program to the PRA and is asking \$120,000 in federal funds for surveys, plans, specifications and estimates on three major postwar projects, Charles M. Ziegler, state highway commissioner, said last week.

The money requested would be taken from Michigan's unexpended share of federal appropriations allotted to the state and would be matched equally by the highway department, creating a \$240,000 fund.

TENSE DRAMA

PAUL LUKAS, Bette Davis and George Coulouris are seen in a dramatic moment from Warner Bros.' "Watch on the Rhine," which is the attraction at the Esquire Theatre on Sunday and Monday.

a license which the importer must obtain from the Import Licensing Department of the Board of Trade, 1-6 Tavistock Square, London, W.C. 1, England.

Keeping Slim in Gym and Drill

EDITOR'S NOTE: The following is one of a series of stories about life at the Waves training school, Hunter college, N. Y. It was prepared by young women at this school where all Waves, including those from Michigan, get their initial six weeks' indoctrination.

In gym, we enjoy the things that make us physically fit for the job ahead — and streamlining our figures in the bargain.

We play games and forget, for a time, the serious routine of indoctrination. We bend backward and forward, up and down . . . and our lax bodies become firm, feminine strength. Swimming isn't hard to take in the beautiful indoor pool at "U. S. S. Hunter."

We feel better for all of it. Those of us who were a little too lazy or perhaps too busy to think about calisthenics have found that our strenuous navy life is easier to live efficiently as we build up endurance, suppleness and good posture in gym. We look better for it and our new navy blues fit with military smooth-

ness as we take our place in the fight for freedom.

The daily drilling practice is a major item in our lives because it teaches alertness, discipline and readiness to obey commands.

Keeping step with the section leader's "Hup-2-3-4" becomes as natural as breathing. The entire section of "boots" learns co-ordination. The lone "boot" discovers she's a triplet, with a neighbor to both starboard and port with whom she must proceed, shoulder in line with shoulder, lines straight and even, arms swinging rhythmically.

In drill, learning to execute the command, "Hand, Salute!" is practiced zealously because of the fact that saluting properly is the pride of the navy. When we hear "Section, Halt!" we "fall out," knowing that we too are marching in cadence with our country.

Woods Commission Okehs Appointments of Department Heads

A. A. Ghesquiere, president of the Grosse Pointe Woods commission, re-appointed the heads of the various village departments with the approval of the commission at their meeting Tuesday evening, March 28.

Walter Goulette was re-named chief of the combined police and fire departments; J. F. Hansen, highway superintendent; Ray Armstrong,

water superintendent and William Webster, assistant water superintendent.

Harold Gregory and Harry Duroy were appointed assistant fire chiefs. A. Lancaster, building inspector; Paul Berg, village electrician; and Mervyn Gaskin and Jerry Vandebush were re-appointed to the board of review.

Paul Marko was again appointed by the village commission to serve as president pro-tem.

Interesting Program Scheduled for New Shores Theatre

An interesting program of first class features has been scheduled for showing at the New Shores theatre, Mack avenue at Nine-Mile road, Friday and Saturday, April 14 and 15.

Comical Vera Vague and fun man Charles Starrett have been teamed by the directors of movie land to make a picture which has current topic running through "Cowboy Canteen."

In addition to this feature, a stock packed with drama, suspense, thrill and adventure of the underworld as the underworld has also been scheduled. It is "Secret Enemies" which Craig Stevens and Faye Emerson are co-starred.

Kids, don't forget the free comedy which you get at the Saturday afternoon matinee!

World Famous Pony 'Baby Doll' at Club Stevadora

The amazin' and amusin' "Baby Doll" is the star of this week's show at the Club Stevadora, with an act that is strictly out of the world. Baby Doll, who is a sleek young pony, can count, add, answer questions and act more intelligently than many humans we've seen.

ETHEL SHEPHERD

Aided and abetted by her master, Texas Tommy, the wonder horse is something entirely new to Detroit night club floors.

The lovely and delectable Ethel Shepherd headlines the supporting cast, offering the best of her vocal interpretations and conducting a fashion show on the side, as she appears in a succession of lovely gowns. Her version of "No Love, No Nothing" has the boys and gals begging for more.

Chico, the Philippine juggler, adds novelty to the show, while Host Eddy Shepherd gives with some of his best clowning to date in his role of master of ceremonies and head comedian.

The dancing Stevadorables are not to be forgotten. Their "Carnival in Cottontown" is one of their flashiest numbers this season.

The music of Jack Roberts and his orchestra rounds out the lively and fast moving show.

Two Comedies to Be Featured at Aloma Friday and Saturday

Two of the latest comedies to leave Hollywood will be featured by the management of the Aloma theatre, Charlevoix at Wayburn, for Friday and Saturday.

The first of these is "A Lady Takes A Chance" in which Jean Arthur and John Wayne are co-starred. The antics which these two comedians go through and which really produce the laughs are heartwarming to even the most conservative of movie audiences.

Red Skelton, the red-haired youth who has made a name for himself, first on the radio and then on the screen, will be shown on the screen in the second picture titled "Whistling in Brooklyn." He is starred with lovely Ann Rutherford, the young lass who made a name for herself in the Andy Hardy series. These two pictures are the type which are the best for the whole family to see.

Instructions for Overseas Parcels

Instructions for acceptance of parcel post packages for Great Britain and northern Ireland were made available to the public by Postmaster Albert Goldman of New York. Unsolicited gift parcels, he said, must be endorsed by the sender with the word "Unsolicited Gift." They may not exceed five pounds nor contain more than two pounds of any one food and must not be sent more frequently than once each month to the same addressee.

Gift parcels not complying with these conditions will be liable to seizure by the British customs authorities.

All other parcels will be admitted into the United Kingdom only under

Own An Old Boat? Give It to Recovering Servicemen at Percy Jones

The U. S. army has recently acquired property on Gull lake, which will be used as a rehabilitation center for patients who will be moved there from Percy Jones general hospital. They will spend about 30 to 60 days there before being sent back to duty or discharged from the army.

The real need at this time is for boats of any description. We will welcome used rowboats or sailboats, and the boys will spend many hours putting them in condition, thereby helping them to pass the time out of doors. Harry Sorg, of Lakepointe avenue has made an offer to build five of the dory type sailboats for approximately one hundred dollars each, fully equipped. Since we have

Albion College Choir to Appear April 19 at Jefferson Methodist

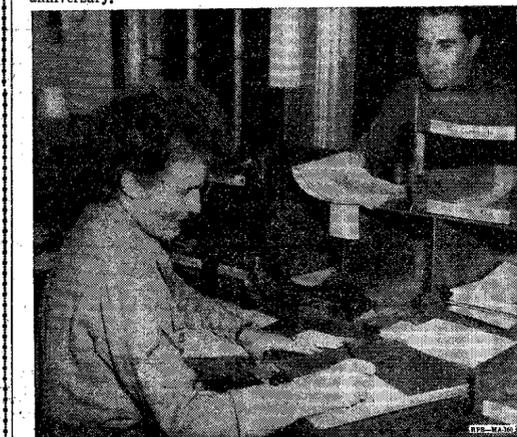

The Albion college choir will appear in concert at the Jefferson Avenue Methodist church, East Jefferson avenue at Marlborough, Wednesday, April 19 at 8:00 p.m. Composed this year of 38 women's voices, the choir will present a program largely religious in character. Miss Barbara Barnhart, junior from Constantine, will be at the piano. Appearing as soloists will be Senior Jeanne Martin of Elyon, Ill., soprano; Sophomore Laura Jean Smith of Detroit, mezzo soprano; and Sophomore Elizabeth Emmons of Detroit, contralto.

Their conductor, David Strickler, director of vocal organizations at Albion college, is himself an able composer and musician of recognized ability, who has secured an enviable reputation for his ability as a teacher and organizer.

CHECKING THE CHARTS

Ensign Roberta Keiter, of Williamstown, Pa., is the SPAR who keeps track of safe channels for navigators. It's her job to assemble information of shifting shoals and changes in channel markers as it comes in from Coast Guard stations. She keeps the master charts up to date in the Aids to Navigation Division at U. S. Coast Guard Headquarters in Washington. Ensign Keiter, and her husband, Blair Keiter, private first class in the Army Medical Corps, were both sworn into military service on February 4, 1943. It was 3 days before their first wedding anniversary.

Pfc. Hilda Kay Donaldson of Houston, Penn., is operations clerk at Fort Knox, Kentucky. Her twenty-one-year-old daughter Mary is also in the Women's Army Corps, stationed in California. Before she joined the WAC, Mrs. Donaldson was a telephone company employee in Pittsburgh.

What You Buy With WAR BONDS 4 for 1

U. S. destroyers and other anti-submarine vessels of the Navy are equipped with quadruple tubes, meaning they are capable of firing four torpedoes simultaneously, making it more difficult for the target to escape.

Modern warfare is the most expensive destruction the world has ever experienced both for the destroyer and the destroyer. There is no point where we can stop in this war side of peace so all of us will be required to buy an extra \$100 Bond in the 3rd War Loan.

How Waste Paper goes to war

The waste paper you collect, bundle and turn in is rapidly reprocessed into war paper for our fighters. They use it in over 700,000 ways. They must have it. So never burn or throw away waste paper—turn it all in—now!

PAPER BOXES contain replacements of rapidly worn out equipment, trucked in close to the front lines by the Quartermaster Corps.

PAPER MESSAGES, V-mail or ordinary mail, are helped on their way by WAVES. Thus paper helps to shorten the distance between loved ones.

PAPER FOOD CARTONS go all over the globe. Each is handled with care until it arrives at the battlefield.

U. S. Victory WASTE PAPER Campaign

SAVE

Alger Post, VFW AUXILIARY

Another year has drawn to a close and on April 18, 1944, the following new officers will be installed by Department Senior Vice President

Clyda Trangmar: President, Mary Keller; senior vice president, Effie Schroeder; junior vice president, Myrtle Wynne; treasurer, Netta DeBacke; secretary, Retta Poole; Chaplain, Josephine Besso; conductress, Violet Nesbit; assistant conductress, Shirley Thomas; patriotic instructor, Naomi Rengert; historian, Norma DeBarba; banner bearer, Winifred Neff; flag bearer, Florence Warner; musician, Dorothy Frick; trustees, Ethel Clark, Rose Mead and Minnie Jacques; color bearers, Clara Coriden, Betty Donaldson, Kathryn Bryan and Laveria Elkin, and guard, Alice Christie. We feel sure that our new staff of officers will very capably carry on in the good old Alger Way, and we wish them a most successful year.

Our new entertainment chairman, Dorothy Wells, has already made plans for an evening card party to be held in the club rooms on May 6, 1944. Keep this date open and further details will follow.

We also hope all our members and friends have not forgotten; but have saved their waste paper and are already prepared to help us with our next paper drive to be held on May 7 and 8. Help keep up this good work and make these drives bigger and better as time goes on.

On March 19, 1944, Americanism Chairman Agnes Tilton and President Ethel Clark, together with a group of Auxiliary and Post members, presented a flag to the Metropolitan club of Gratiot township. A nice program was enjoyed by members and guests, with the Alger Sons of Veterans Drum and Bugle corps

Let's sing of **SPRING!**
SPRING can be—and should be—a time when you're tops. But if, perchance, you don't feel quite in tune with the joyous season, right now's the time to do something about it. Better go have a talk with your Physician. Ask him to give you a thorough check-up. A little attention now may save you a good deal of time, money and needless suffering in the future. And—oh, yes—that prescription your Doctor gives you. Why not bring it here to Prescription Headquarters for our careful, accurate compounding?
