

PARK COMMISSION PLANS CUT IN POLICE

Grant Woods Priorities For Drainage Project

Give Go-Ahead Sign to Begin Plans For Construction

Woods Clerk Philip F. Allard was in receipt of the long awaited priority Monday, which was granted the village by the WPB for the construction of the huge storm water, drainage and sewer project which has been scheduled for Grosse Pointe Woods.

Native Son Awarded Distinguished Flying Cross in England

Mr. and Mrs. G. W. Bolefah of 403 St. Clair were recently notified by their son, Capt. Wayne N. Bolefah, that he had been awarded the DFC in ceremonies which took place at his base in England in March.

CAPT. WAYNE N. BOLEFAH

arrived overseas in October, 1943, after completing flying training at Pine Bluff, Ark., Randolph Field, Tex., and graduating from Moore Field, Tex. He is with the eighth air force in England as a fighter pilot.

Previously he has been awarded the Air Medal and six Oak Leaf Clusters. He is 23 and was promoted to captain prior to leaving for England.

Captain Bolefah is married to the former Ruth Oliver who is now living with her parents in Larchmont, N. Y. His sister, Jean, is attending Marymount college in Tarrytown, N. Y.

School Paper Drive Tomorrow

Another of the monthly paper drives conducted by the school children of Grosse Pointe will take place tomorrow (Friday), when every school child will be on the streets with a bundle of waste paper under his arm, walking or driving to school to deposit his bundle with those of his classmates.

Every school in the Pointe is cooperating in the drive; this includes public, private and parochial schools. Neil Blondell, Grosse Pointe salvage committee chairman, stressed the fact that local telephone checks showed most people were aware of the vital necessity of saving waste paper and in most instances were saving waste paper.

"The facilities for waste paper collection are naturally curtailed under war conditions. To use them most efficiently we must urge every householder to do his part. If you have paper for collection and a school drive is on, as at present, take it to the local school to add to their collection, or give it to a passing school child."

Washington conferring with WPB officials. An investigation has been carried on all these months, numerous applications and forms have been filled out, telephone calls have been made, and the personal contact by Rep. Louis Rabaut, have been to the village's advantage for obtaining the AA-3 priority. Many times, however, discouraging reports have been given out by A. A. Ghesquiere, village president, after he would receive the news.

Now that the priority has been received, the go-ahead sign for the plans have been given the engineering firm of Pate & Hirm. They are now arranging for the sale of bonds in the sum of \$265,000 which was voted by the Woods residents last September in a special election.

The new project will include the construction of a new pumping station near Torrey road and Milk river to take care of the southern half of the village; to increase the size of the pumping station at Marter and Hollywood and adding two large pumps to properly take care of the northern half of the village; to construct trunk lines to properly convert existing sewers to these improved and new pumping stations; to clean out existing ditches, build new ditches and clean out Milk river and increase the size of openings under various bridges and culverts; to participate in some joint drainage work with the Wayne county drain commissioner.

The construction program underway will mean an additional five to six dollars in taxes yearly until the debt is paid or more buildings are erected, thereby increasing the valuation of the village.

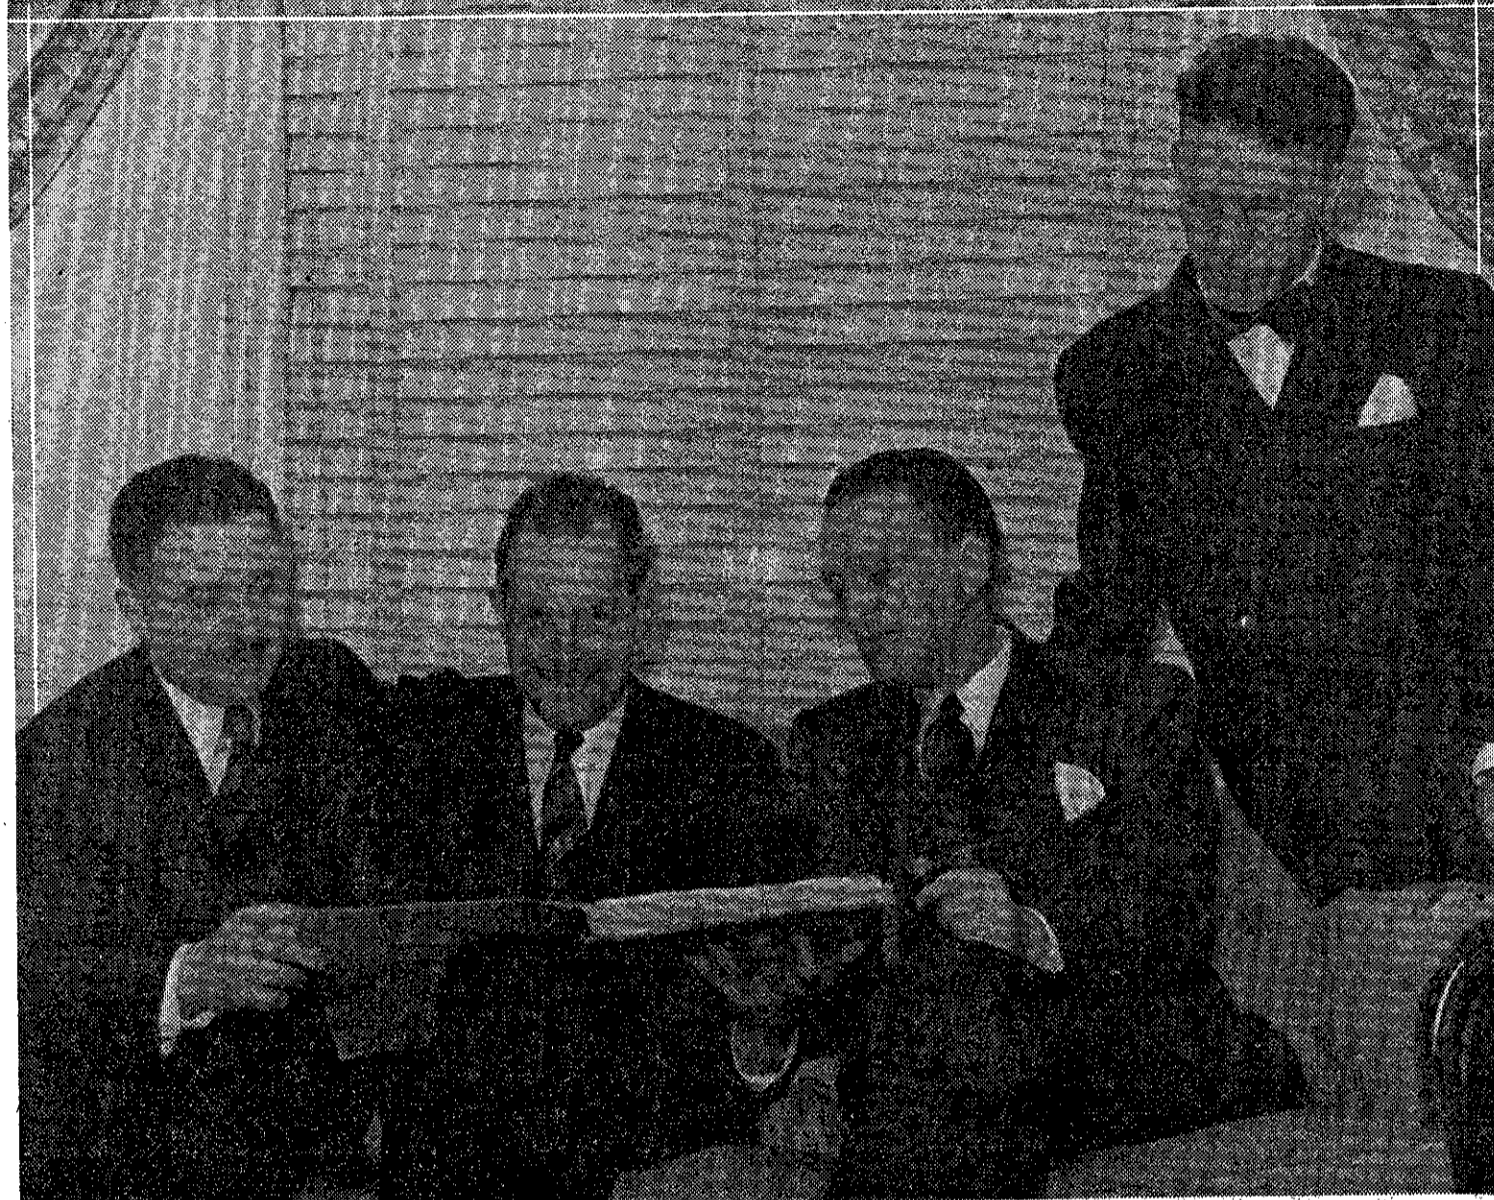

Farms Valuations Ready for the Board of Review

Francis A. Beupre, village assessor for Grosse Pointe Farms, reports completion of the 1944 assessment roll which he says will be almost identical with that of 1943 when valuations totaled \$31,250,950.00.

With practically no building in the past year and personal valuations only slightly changed the village is experiencing the third successive year of constant valuation. The assessment roll will be submitted to the board of review on May 19 and 20, and during these days persons deeming themselves aggrieved may have their assessments reviewed.

Members of the board for 1944, which includes the assessor, are Paul Franseth and T. R. Jeffs.

ORATORIO SOCIETY OFFICIALS EXAMINE HANDEL SCORE

SCORE of Handel's oratorio "Samson," soon to be given its first local performance, is being examined by officials of the Detroit Oratorio society, successor to the Grosse Pointe Choral society. Left to right, are Dr. J. C. Tapert, Grosse Pointe Farms, vice-president; Arthur Gnan, musical director; William J. Weipert, Grosse Pointe Woods, secretary; and Owen Owen, Detroit, president of the society. Raymond A. Warner, treasurer and Mrs. Margaret Weipert, librarian, are not in the picture.

Present Oratorio May 19-20

The oratorio "Samson," by George Frederick Handel, will be sung May 19 and 20 in Scottish Rite cathedral of Masonic Temple by the Detroit Oratorio society. Members of the Detroit Symphony will form the orchestra, and soloists will be Jennie Tourel, famed Metropolitan mezzo-soprano, formerly with the Opera Comique in Paris; Hardin Van Duersen, University of Michigan bass and director of the May Festival chorus; Avery Crew, tenor soloist of St. Paul's Cathedral; and Thelma von Eisenhauer, Detroit soprano. Organ and harpsichord are also required for this oratorio, which is said to be even more dramatic in character than the mighty "Messiah" of the same composer.

DePetris Announces Victory Garden Plots Are Still Available

A limited number of Victory garden plots are available in the City and Farms, while all available plots have been taken in the Park, according to V. R. DePetris, head of the Grosse Pointe Victory Garden council.

Thief Attempts Daring Daylight Robbery; Foiled

A thief was foiled in his attempt to rob a Park home in broad daylight last Wednesday morning, May 3, and escaped from the house empty handed.

Union Ends D&C Strike; Boats Resume Scheduled Sailings

Regularly scheduled sailings were resumed today by the Detroit & Cleveland Navigation company as members of the AFL Seafarers' Union returned to work after a two and a half-day strike that had idled 650.

Hostess package ice cream to take out. Steadman's Drug Store, 20782 Mack Avenue—Adv.

Village President Makes Further Appointments Here

Ward S. Van Deusen, Park village president, made the following appointments with the approval of the commission: Charles Heise, village treasurer; William Stamman, village assessor; Clarice VerLinden, deputy clerk and William J. Johnson, deputy treasurer.

False Applications May Result in Park Permit Revocation

Because of the great number of residents who made false statements in applications in previous years for permits for Grosse Pointe Park's waterfront park, drastic steps have been taken by the village commission to prevent this occurring again this year.

Tractor, Tractor, Who Had the Tractor?

Farms police received a call from an official of the Grosse Pointe Honor Roll Association to the effect that there were some boys driving a tractor on the high school lawn.

Church Petition for Vacation of Goethe Is Opposed by Group of Neighbors Here

A large representation of the First Christian Reformed church located on Maryland between Charlevoix and Mack avenue in the Park, attended the village commission meeting Monday night to support their petition for the vacation of Goethe which lies east of Maryland and which divides their two pieces of property.

Change in Dog Ordinance Adopted

An amendment to the Grosse Pointe Park dog ordinance was adopted by the village commission Monday night at their bi-monthly meeting. The change boosts the fee which dog owners must pay if their canine is impounded.

Farms Prepares for 1944 Pier Permits

Last week the village of Grosse Pointe Farms completed the mailing of pier permit applications to the 2,200 homes in the village and are now planning to issue the permits as applications are received.

Autos Collide

Two automobiles were in a collision this week when a car driven by Ruth Schaefer, 3974 Devonshire, collided with one driven by Joseph Willems of 226 Fisher road, on Charlevoix near Harvard.

Local Ration Board Stress Ride-Sharing

Officials of the Grosse Pointe ration board are urging more residents to adopt the share-the-ride program for the OPA has said that "B" ration holders who don't share their cars may find their gas rationed.

Just in Time

When Park police were investigating a youth with a rifle at his home, south of Jefferson, they arrived just ahead of the boy's father. When said father heard that his son had been shooting the gun, he said he would take care of the matter. This action satisfied the officers.

To Discharge One Officer, Three Men for Economy's Sake

With the spreading of the tax roll of the 1944-45 budget for the village of Grosse Pointe Park, it has been found that in the appropriation allotted for the police department, it will be necessary to reduce the personnel of the police force by four men. Two patrolmen are scheduled to leave before June 1 while one other is to leave by Aug. 1. One officer will also be discharged.

Juvenile Caught Thru Watchfulness of Neighbor Lady

Because she was suspicious of a young lad reaching into a neighbor's window, a 16 year old juvenile is awaiting arraignment in juvenile court on charges of breaking and entering and larceny from a dwelling.

Emergency!!!!

The dire shortage of policemen already existing in the Park was again shown last Friday noon when a call came into the station reporting a robbery. Soon after the desk officer assigned the one available man to investigate, (the other patrolmen were on school traffic), an accident call was reported. The desk officer was obliged to tell those at the accident that they would have to wait until the above officer returned. What would have happened if someone had been seriously injured in the accident? Is the loss of a man worth the price of economy? The Review again states that the residents of Grosse Pointe Park should vehemently protest the proposed "cutting" of the police force.

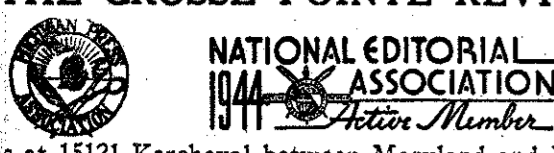

It was pointed out that with proposed number of patrolmen officers, one sergeant and six policemen would be assigned to a station. Because vacation time is near one patrolman would always be on vacation and another would be on his day off. There will also be six weeks during the summer when only two sergeants would be on duty during a three-shift day.

This will leave a working force of four patrolmen and one officer during the summer months, if the law is on duty. Besides the regular work of the officers perform, they take care of traffic at the schools, at weddings and funerals. They must also provide special watch for the numerous homes which are left vacant when the occupants are away on vacation. The waterfront park actually requires a special watch, especially on weekends. However, with the small number of men to be available, police officials are wondering how these details are going to be handled.

The question has been raised the expediency of lowering the force and sacrificing the safety of the residents for the sake of economy. Many agree that if the get is to be cut, those positions are to be eliminated should be other than the safety department of the community. If the village clerk is elected by the residents carry on certain duties, why employ another man, classified as the age manager, to do his work for this. This is the place to begin "the thing," it would seem.

Under the plan, applicants "B" and "C" rations for home work driving have car pools for them by local boards when claim they are unable to round riders. Car-sharing has been reduced for supplemental gas for jobs. Car sharing among industrial workers has been excellent, OPA spokesman said, but poor among other types of workers not been good. Note carefully: When he wives apply for canning sugar, are to attach Spare No. 37 in four. Many people have been giving in No. 37 sugar stamp attached to the application and that is a fact.

ter season, for the Detroit Symphony orchestra were announced Saturday, May 6 by Henry H. Reichhold, president of the symphony board of directors. The first program will be given on June 17 at the University of Detroit stadium and there will be a Wednesday and Saturday evening concert for a four-week period.

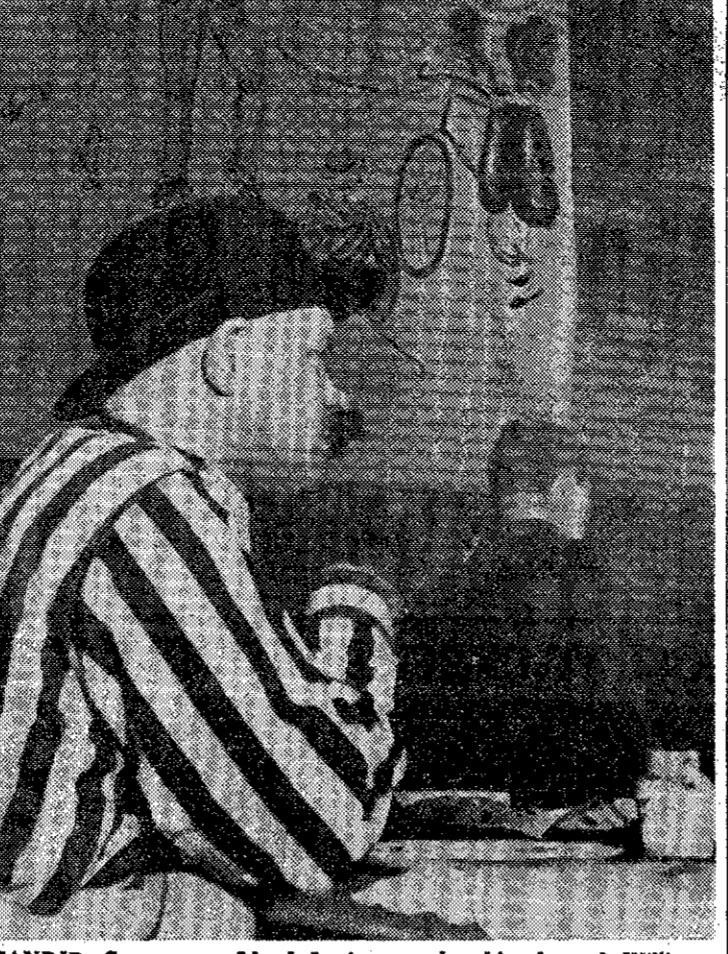

Karl Krueger will be musical director of this series and he has announced that every program and each soloist for the concerts will be different. A special stage has been built, and the lighting and acoustical engineers have planned so that a capacity audience of 10,000 can see and hear from any part of the stadium.

The Grinnell Music Foundation has made this series possible by its sponsorship.

Sewing Meet
S.C.F. Sewing club will meet at the home of Mrs. Frank Presley, 20728 Les Lane Thursday, May 18. New members welcome.

Symphony Plans Summer, New Winter Series
An eight-concert summer twilight series, and a greatly expanded winter series.

NOT AS TOUGH AS HE LOOKS

CANDID Cameraman Lloyd Loring caught this shot of William Schmidt in a pensive moment while tending "bar" at the Hostess Corps Gay Ninety party recently at the Neighborhood club. Mr. Schmidt's handlebar mustache is slipping slightly at the moment. The serviceman at the right was not identified. Walls of the gymnasium were decorated with panels similar to the above. Mrs. Schmidt has been responsible for many of the art panels for the Hostess Corps parties.

Seeks Women Radio Technicians

The U. S. Coast Guard is seeking qualified Spars and applicants for enlistment in the Women's Reserve of the U. S. Coast Guard Reserve for special training courses leading to the rating of radio technician. A school for pre-radio training of Spars will be designated as soon as a sufficient number of women qualified to take the training present themselves.

This is a new specialized field for women members of the Coast Guard Reserve. The training includes a pre-radio course, a subsequent primary course, and for women who successfully complete the primary course an advanced course in radio maintenance, including special equipment.

All women selected for the pre-radio training course must first complete the regular six week recruit training at the U. S. Coast Guard Training Station at Palm Beach, Fla.

Manual dexterity is required of Spars who would qualify for the radio technician's training. Experience in the operation of "ham" radio sets is helpful. Capacity for intensive study is necessary.

Coast Guard radio technicians are concerned with maintenance and repair of radios and radio stations. Their jobs require practical theoretical knowledge of the subject.

Information about the Coast Guard's radio training for women may be obtained from the nearest U. S. Coast Guard recruiting office or by writing the Coast Guard Recruiting Station, 531 Lafayette building, Detroit 26, Mich.

Announce Summer Stay-at-Home Camp

The Millin school, 250 Provençal road, this week announces the opening of enrollment for their annual stay-at-home camp at the Grosse Pointe Hunt club.

The school will open for the summer on June 26. Enrollment is limited to boys and girls between the ages of two and 12 years. Further information may be obtained by phoning TU, 1-0320 or NI, 5053.

Spend Weekend at Sienna Heights College

Republican Women to Hear Speech on Socialized Medicine

The May meeting of the Grosse Pointe Women's Republican club will be held at the home of Mrs. Charles A. Dean Jr., at 221 Lewiston road, Grosse Pointe Farms, on Tuesday, May 16, at 2:15 p.m.

The speaker of the day will be Dr. E. F. Dittmer who will treat the subject of the Senate Bill 1161, known as the Wagner-Dingell bill on medical service.

This bill is of great interest to everyone in the United States. It is said that if the recommendations in this bill are enacted into law, they will destroy the effectiveness of medical care in the country. This bill orders political control of the doctor, hospital and medicine.

Mrs. Frank Goldie will sing the national anthem and the president of the Republican club, Mrs. Edwin Krieghoff, will preside.

War Chest Women's Committee Meets at Neighborhood Club Tuesday, May 16

Headlining a list of three speakers at the War Chest Women's committee get-together in the Neighborhood club at 1:30 Tuesday afternoon, May 16, will be Dr. Gerald H. Tien, a native of China who saw the Japanese invade his homeland.

The meeting is one of three being held in Grosse Pointe and in two other places on the East Side of Detroit to give new and interesting information to women about the war chest and its agencies. Altogether eight such meetings will be held in the metropolitan area for the same purpose. The final three will be held on the Detroit West Side during the week of May 22.

To Meet Tuesday

Mesdames H. W. Harrison and Howard Bull will entertain chapter AO of PEO sisterhood at the Whittier hotel on Tuesday, May 16, at 6:30 p.m. The business meeting following the dinner will be the last until next fall.

Announce Birth

Mr. and Mrs. Homer B. Pharis (Betty Jane Brower), of 780 Lincoln road, announce the birth of a daughter, Donna Lee, on Monday, May 1, at Cottage hospital.

Two Local Girls Enroll for College Summer Term

Among those enrolled at Denison university, Granville, Ohio, for the summer term, May 2 to June 24 are Eleanor Uridge, daughter of Mr. and Mrs. Owen F. Uridge, 1311 Devonshire road, and Margaret Redmond, daughter of Mr. and Mrs. Thomas R. Redmond, 920 Balfour road. They are both former Denison students.

In addition to approximately 400 navy V-12 trainees enrolled at Denison for the next eight weeks, there are 150 civilian students, 36 of whom are men.

Alumni Group Closes Season With Dance

The University of Michigan club of Grosse Pointe township is closing its season with a spring dance to be held Saturday night, May 20 at Pierce Junior high school gymnasium. There will be a caller from the Henry Ford old fashioned dance group.

Sandwiches and coffee will be served. Members and their guests are invited to attend. Tickets may be obtained from Douglas B. Crane, president, or any member of the board of governors.

Allied Youth Group Sponsor Spring Party May 26th

Allied Youth, Inc. will sponsor a dance on Friday evening, May 26, at the Whittier hotel in the Jefferson room, starting at nine o'clock. Tickets may be purchased through the Allied Youth office, 2230 Withersell or by calling Cherry 6194.

The committee members who are planning the affair are Jean Baldwin, Dorothy Jackson, Tim Ford, Gail Hamilton, Pat Gardiner and Jack McArthur.

American Legion AUXILIARY

We are sorry to learn of Mary DelBarba's son-in-law, Luet. William Joy, being reported as missing in action over Germany and we hope that the news will soon come that he is safe.

Doris Nielsen wishes to thank the Misses Willis Thomas, Gloria Butts, Mary Ellen Raciot, Jean Odgers, Peggy Roemer and Dorothy Nelson for their assistance in the cancer drive, not forgetting Elaine and Rosemary Casey and Jane Bishop of our own unit. The results were beyond expectations.

Mrs. Marie Zumbo reports another son in the service and we wish him every success.

Elizabeth Weiler was seen out and around again and we hope this time it's permanent so she can get out to the unit parties.

Don't forget the next meeting on Monday, May 15, and bring along your salvage reports.

SERVICE PARADE

The war department has announced the temporary promotion of two Grosse Pointe officers from first lieutenant to captain: James M. French of 936 Lakeshore road; and Charles G. Jennings of 101 Lewiston road.

Corp. Edgar A. Eger was visiting his parents, Mr. and Mrs. E. Eger of 1033 Yorkshire road, and his friends in Grosse Pointe recently. He left Wednesday after a 10 day furlough to return to Camp Roberts, Calif., where he has been stationed since October, 1943.

With the Fifth Army, Italy. — Pfc. Ervin C. West, son of Charles West, 307 Moross, Grosse Pointe Farms, has been promoted to sergeant. He is now serving with an infantry unit of the Fifth army in Italy.

Victorville Army Air Field, Victorville, Calif. — Col. Earl C. Robbins, commanding officer of Victorville army air field, today announced that aviation cadet class 44-6 completed 18 weeks of rigorous advanced training to emerge officers in the army air forces.

Today's bombardier — navigation graduates are adept in the art of precision bombing and dead reckoning navigation. Until a few months ago, medium bombing planes employed on short mission runs, required the services of both a navigator and a bombardier. Under the present setup, one man fills both posts.

Colonel Robbins presented the individual members of the class with their wings and letters of appointment as officers in the army air forces. He commended the graduates on the excellent spirit exhibited throughout their period of training at the field.

ment as officers in the army air forces. He commended the graduates on the excellent spirit exhibited throughout their period of training at the field.

Capt. John D. Barnard, school secretary, administered the oath of office.

These men are Aviation Cadets William J. Book, 354 University place; Louis C. Huck Jr., 541 Lincoln road; Robert W. Johnston, 1447 Balfour road; Edward A. Kelly Jr., 1041 Wayburn; Charles B. Murphy, 699 Balfour road; and Melchior D. Perrone, 1204 Yorkshire.

LIEUT. GEO. C. PHELPS JR.

He has been commissioned a second lieutenant, and awarded silver bombardier wings after successfully undergoing the rigid 18-week course in high-altitude precision bombing as well as important phases of navigation. Prior to his assignment at DAAF he had completed training in aerial gunnery.

Before entering the army air forces, Lieutenant Phelps attended Wayne university, Detroit.

Headquarters, European Theater of Operations. — The marching feet of thousands of America troops, and the rumble of armored units and heavy artillery, echoed through historic Whitehall and Trafalgar Square recently when United States units participated in Great Britain's "Salute the Soldier" war savings campaign.

The British, who usually see United States troops only when off duty, were distinctly impressed. Said one daily newspaper: "Londoners' opinion of the American army stripped for battle, and showing its magnificent range of armaments, leapt to the skies today..." Said another, "London had a new slogan today — Salute the Doughboy."

It was one of the greatest military displays ever made by United States armed forces in the British Isles. All types of units were in the march, including tanks, heavy artillery, men of the army air forces, military police, smartly dressed in white caps and

Field, Ala., an installation of the AAF training command, to begin another phase of their training in the U. S. army air forces.

Here the aviation cadets are receiving nine weeks of intensive physical, military and academic instruction.

Leggings, and a contingent of the Women's Army Corps.

Lieut. Gen. John C. H. Lee, deputy commander of the European Theater of Operations, reviewed the troops at Trafalgar Square, accompanied by high British military and civilian officials. At the end of the parade, he made an address, and read a message from Gen. Dwight D. Eisenhower, supreme Allied commander.

Among those who participated in the parade was Corp. Sylvia Wilbur of 1370 Bedford.

Residents of 36 states and Canada received their wings and commissions as aerial navigators Saturday, April 22, when Selman Field, largest navigation training school in the AAF training command, sent Class 44-6 on its way into combat.

From here, the graduates went to operational and replacement training units throughout the country, where they will train for combat with their

future battlemates. In a few weeks, they will be flying in every theater of the war and over the air supply routes of the world.

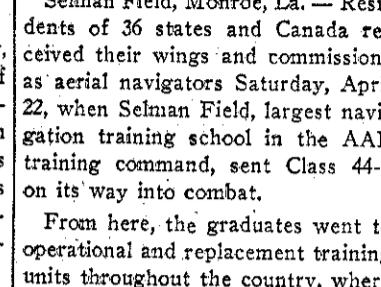

Graduates in the class from this area included Lieut. William E. Jelneck, son of Mr. and Mrs. William D. Jelneck, of 451 Manor.

Pvt. William Dittman has been home on a 15 day furlough visiting his parents the W. Dittmans of 6040 Pennsylvania avenue, formerly of 715 Rivard boulevard. He is stationed at Alva, Okla.

Kirtland Field, Albuquerque, N. M. — Aviation Cadet Gordon E. LaRue of Grosse Pointe, a recent graduate of the army air forces bombardier school here has been commissioned a second lieutenant and awarded the silver "wings" of the aerial bombardier, supplementing previously won aerial gunner's insignia.

Lieutenant LaRue of 815 Grand Marais, where he resided with his wife, Mrs. Virginia (Lloyd) LaRue and infant daughter, Catherine, is the son of Mr. and Mrs. Eugene LaRue of 781 Notre Dame. He is a graduate of Grosse Pointe high school, class of 1939, where as an undergraduate he played football and basketball. He attended St. Columbo church and was a member of the Saints Athletic club. In civilian life he owned and operated the Art Window Cleaning company.

Prior to his successful completion of 18 weeks of flight and combat

LIEUT. GORDON LARUE

training in high level precision bombing and navigation at Kirtland Field, Lieutenant LaRue was stationed at Las Vegas, Nev., where he graduated from the AAF flexible gunnery school as an aerial gunner.

Now ready for active duty, his destination is not disclosed.

—Air Forces Photo

An Eighth AAF Bomber Station, England. — The promotion of Richard G. Miller of Grosse Pointe Woods from the rank of second lieutenant to first lieutenant was announced recently by Col. Eugene A. Romig of Byesville, Ohio, commanding officer at this Flying Fortress station.

As a Fortress navigator, Lieutenant Miller has taken part in 19 combat missions over enemy Europe to date and for "meritorious achievement" has been decorated with the Air Medal and two Oak Leaf Clusters.

the husband of Mrs. Gertrude Miller and the son of Mr. and Mrs. Eugene Rector, 1899 Fleetwood drive.

He was graduated from Grosse Pointe high school and attended Wayne university. Before entering the service March 19, 1942, he worked for the Michigan Bell Telephone company in Detroit.

Lieutenant Miller, 24 years old, is

LIEUT. WM. E. JELNECK

He is stationed at Alva, Okla.

ish Is Too Tough for Davis, 'Hobo King'

Buffalo, N. Y. — Jeff Davis, king of the hoboes, has a complaint to file about traveling conditions.

He arrived here weary, having ridden in a deluxe coach from Chicago.

"It was terrible, simply terrible," said Jeff. "The coach was either too hot or too cold. You couldn't get a seat — I always gave mine to a soldier — and when you weren't standing, you were sitting or lying in the aisle."

"Give me the good old days when a 'bo could ride the rods in comfort," he said.

Story of Navy Men Shown on Screen of Colony Theatre

A story of one of the many different kinds of work carried on by the United States navy comes to the screen of the Colony theatre, 15635 Mack avenue for Sunday and Monday.

"Minesweeper," in which Richard Arlen and Jean Parker are co-stars, shows what the navy does when the enemy is able to come within a short distance of the shore line and drop secret mines which have a magnetic needle. It shows the danger which the men have to go through in order to rid the waters of the mines.

Teamed with this picture is a comedy, "Rosie the Riveter." Featured in this are Jane Frazee and Vera Vague.

Billy Joy Remains As Top-Liner at Club Stevadora

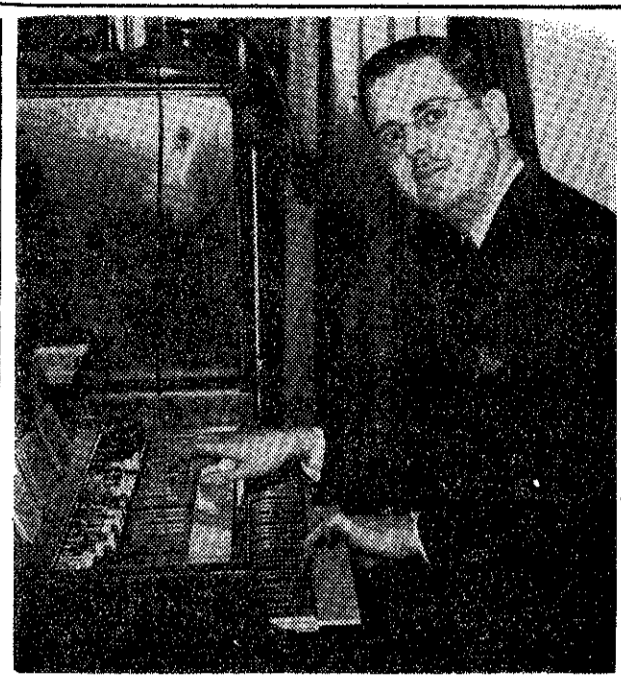

Billy Joy and his satires on the weaker sex are this week's hilarious highlights at the Club Stevadora. Joy, in a gorgeous red wig, and a flashy print chiffon mugs, clowns and laughs his way through the program leaving his audiences hysterical.

Also featured on this week's show is the charming Ethel Shepherd and her lyrical rhapsodies. The blonde delovely sings "Tess' Torch Song" and "My Ideal" to register much applause.

The dancing Stevadorables have two new numbers — one done in pink and black, and the other an exotic version of the bolero.

Jack Roberts and his orchestra contribute the musical background, and Harry Whitney adds his tomfoolery to the show as master of ceremonies.

Host Eddie Shepherd is there to greet you nightly.

★ Freddie North Plays the Hammond Organ at Tiny's Playhouse ★

Scrape the Plates!

The meat, fat and bones returned to the kitchen on plates after meals may be melted out and strained to provide a surprising amount of fat.

Try out also all the scraps of fat and gristle cut from meat while preparing it for cooking. All fat is worth saving. By saving for salvage all the inedible fats, it will be possible to replace them with real food values by turning them in to the meat dealer and securing the extra ration points they bring. Remember that 31 tablespoonfuls, one a day for a month, make a pound.

'Higher and Higher'; 'Northern Pursuit' at Esquire Sunday

The tenacious courage of a Royal Canadian Mounted policeman coupled with the unwavering loyalty of his sweetheart furnishes the theme of "Northern Pursuit," the new Warner Bros. adventure story of action in the snow-lands of Canada scheduled for the Esquire theatre Sunday and Monday.

The picture stars Errol Flynn. Notable among those in the supporting cast are Julie Bishop, Helmut Dantine, John Ridgely and Gene Lockhart. Raoul Walsh handled the direction for producer Jack Chertok from the screen play by Frank Gruber and Alvan Bessie based upon a story by Leslie T. White.

The companion attraction brings Frank Sinatra and Michele Morgan together in "Higher and Higher."

Large Attendance Expected at Police-Firemen's Ball

Reservations are daily pouring into the Grosse Pointe Farms police and fire departments for the first annual police and firemen's ball which is to be held Thursday night, May 25 at Club Mayfair, announced Elmer T. Labadie, chairman of the affair.

Although a great number have already notified him of their intentions to attend the ball, Mr. Labadie said that a greater response is needed to make this party a success.

The ball will benefit the police and firemen's pension fund.

Among the features to be offered throughout the evening of fun and entertainment are music by Phil Olsen's orchestra, a floor show, dancing, and the awarding of a \$50 war bond and two \$25 bonds. The club is located on Mack avenue at Seven-Mile road.

More than a third of America's six million farms have been enrolled by their operators in the national soil conservation program.

Drama and Comedy Teamed Together at Aloma Theatre

A double bill featuring a comedy and a drama is offered the patrons of the Aloma theatre, Charlevoix at Wayburn, for Sunday and Monday.

The first picture stars two of the finest players in Hollywood, Ronald Coleman and Claudette Colbert, in "Under Two Flags." This picture is filled with the intense drama of two people, madly in love, but who are divided on the one question of loyalty.

"Henry Aldrich Boy Scout" is billed with the above picture. As usual, movie goes favorite in the person of Jimmy Lydon and his sidekick, Charlie Smith, perform the antics which create havoc in the Aldrich family as well as in the town in which Henry lives.

Government policies that will permit industry to convert speedily from war to peace production are urged by WPB Chairman Donald M. Nelson, as safeguard against large-scale unemployment at the war's end.

Testifying before a senate military affairs subcommittee, Mr. Nelson declared:

"The thing to do when Germany collapses is to terminate war contracts, get government machines out of the plants and government material out of the way, make working floor space available — at once — so that civilian production can be resumed on a larger scale than we've ever seen."

Resolution by Commissioner Cunningham

ORDINANCE No. 130

An Ordinance to Amend Ordinance No. 78 entitled, "An Ordinance to Regulate and Restrict the Use of the Recreation Park in the Village of Grosse Pointe Park," enacted by the Village Commission of the Village of Grosse Pointe Park on July 17, 1931, and Amended by Ordinance No. 118 enacted by the Village Commission of the Village of Grosse Pointe Park on July 11, 1939.

The Village of Grosse Pointe Park Ordains:

Section 1. That Ordinance No. 78 as amended by Ordinance No. 118 entitled, "An Ordinance to Regulate and Restrict the Use of the Recreation Park in the Village of Grosse Pointe Park," enacted on July 17, 1931 and amended by Ordinance No. 118 enacted on July 11, 1939 be amended so as to add the following section to be known as Section 2-A:

Supported by Commissioner Moreland

Ayes: Damman, Parshall, Fritsch, Sage, Moreland, Cunningham. Nays: None.

Moved by Commissioner Cunningham supported by Commissioner Moreland that the foregoing ordinance be published by posting copies thereof in three conspicuous places in the Village of Grosse Pointe Park within one week from the date hereof, and by publication in the Grosse Pointe News and Grosse Pointe Review within a like period.

Local Lad Receives Honors at School

The Cum Laude society of the Peddie school, Hightstown, N. J., has announced the awarding of second honors to Francis E. Brossy, son of Mr. and Mrs. Francis E. Brossy of 77 Muskoka road, Grosse Pointe Farms, in English.

These honors are awarded on the basis of the mid-term marking period, second honors going to those with grades of 85 or better in a course, and first honors to those with 90 or better.

Resolution by Commissioner Moreland

ORDINANCE No. 131

An Ordinance to Amend Ordinance No. 126 entitled, "An Ordinance to License and Regulate the Possession of Dogs and to Protect Against Rabbits," enacted by the Village Commission of the Village of Grosse Pointe Park on May 25, 1942.

The Village of Grosse Pointe Park Ordains:

Section 1. That Section 6 of Ordinance No. 126 be amended to read as follows:

Section 6. Dogs May Be Seized for Violations

Any dog within the Village which is not licensed as required herein, or is at large contrary to the provisions hereof, or is not wearing a dog tag as required herein or is otherwise involved in a violation of this Ordinance may be seized by the Village and place in the Village Pound.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby expressly repealed.

Section 3. This ordinance shall take effect twenty days from the date of its enactment.

Supported by Commissioner Sage

Ayes: Damman, Parshall, Fritsch, Sage, Moreland, Cunningham. Nays: None.

Moved by Commissioner Moreland supported by Commissioner Sage that the foregoing ordinance be published by posting copies thereof in three conspicuous places in the Village of Grosse Pointe Park within one week from the date hereof, and by publication in the Grosse Pointe News and Grosse Pointe Review within a like period.

Detroit Police Censor Addresses Grosse Pointe Rotary Club

Lieut. Charles Snyder, head of the Detroit police department entertainment censoring bureau, was the speaker Monday at the regular weekly meeting of the Grosse Pointe Rotary club at the Whitlier hotel.

Seventy per cent of cities in Michigan outside of Detroit follow the censorship of the Detroit police censor bureau, according to Lieutenant Snyder. His department scrutinizes all movies produced by the eight major producing companies at the local film exchange before they are released to exhibitors.

The Detroit police censoring extends beyond the field of movies, covering night club entertainment, private parties, stags, etc., and all affairs which concern juveniles.

Mason School N-E-W-S

The 4B group in room 204 have adopted a soldier, Pvt. Bill McLane of the U. S. signal corps. He is Donald Schmidt's cousin.

When our 4B letters reached him, Bill was in a hospital somewhere in Italy planning to rejoin his company as soon as his wound healed.

Bill wrote, "I like to hear just what's going on at home - the little things that you all do every day. You don't know how good it feels to know that America is still the same."

"I keep thinking of those letters that Don and Larry wrote from school. You just can't let two boys like that, who have so much faith in you, down. It's kids like these who give soldiers the spirit to go on."

Bill's last job was working press radio from the front lines for the war correspondents.

Pilafian to Design New Wayne Building

Suren Pilafian has been named by the board of education as architect for the proposed new general classroom to be erected for Wayne university as soon as wartime restrictions on construction are relaxed.

Schools to Hold Pre-campaign for Fifth War Loan Drive June 1 Through June 6

The boys and girls of the Grosse Pointe public schools and their teachers have decided to hold their war loan drive on Thursday and Friday, June 1 and 2 and Monday and Tuesday, June 5 and 6, in order to be able to take part in the Fifth War Loan Drive before school closes.

The regular dates for the Fifth War Loan throughout the state have been set as June 12 to July 8. According to Edmund G. West, director of business and finance for the local public schools who will head up the drive for the schools, if the boys and girls waited until the regular

opening for the rest of the state they would have very little chance to participate in this war loan drive since their school closes on June 16. "The pupils of the public, private and parochial schools of the community have made such a fine record in the war loan drives of the past," said Mr. West, "that it would be unthinkable that we could carry on a complete war loan drive in this community without their aid. Therefore in conformity with many of the other school districts of the metropolitan Detroit area, it has been agreed that we set our dates forward from

June 1 through June 6 so that every boy and girl in the community will have his chance to make his sales for Uncle Sam."

Mr. West pointed out the splendid achievement of the public school children in the past war loan drives. In the second war loan drive the school children of the community sold more than \$400,000 worth of bonds. In the third, they sold \$517,000 and in the fourth, \$917,000. In other words, in the second, third and fourth war loan drives, the children of Grosse Pointe have sold close to two million dollars worth of war bonds.

It is expected that in the fifth war loan drive they will do even better than in the fourth and will probably approach the million dollar mark for this drive. As in previous drives of school children, those who sell a thousand dollars worth of bonds will become gallants and those who sell five hundred dollars worth of bonds will become junior gallants. Also as in previous war loan drives parents who wish to buy bonds through their children in the schools may make out their checks to the Grosse Pointe Bank and have them honored in the schools. It is highly important that all checks should be made out to the Grosse Pointe Bank through which the schools purchase their bonds and the bonds will be delivered to the buyer by the children. Buyers may request receipts from the children at the time the purchase of bonds is made.

New British Armored Tank Mounts Anti-Tank Gun

London. — The British announced that they had developed a 12-ton armored car equipped to fire an anti-tank six-pounder while rumbling along from 18 to 42 miles an hour. The radio-equipped vehicle also mounts machine guns. The crew of four is protected by armor plate an inch and a quarter thick at the front and an inch thick at the sides. Described as the "biggest, most

Announce Dates for Flower Show

Dates have been announced by Ernest Binning, president of the Grosse Pointe and Eastern Michigan Horticultural Society, for their 28th annual flower, fruit and vegetable show (third victory show).

This will be Saturday and Sunday, Sept. 9 and 10, at the Neighborhood club, 17145 Waterloo at St. Clair, Grosse Pointe.

In these war days when the extra production of food in the way of vegetables and fruits is so necessary and everyone so garden minded, it is well, not to lose sight of the value of flowers for cheer and morale building. So the horticultural society goes ahead to the 1944 exhibit with the slogan "For Food and Morale."

William C. Jones is general show chairman with William McInnes and Robert Stewart on his committee.

At the same time and place the Grosse Pointe Victory Garden Council, Vincent R. DePetris, president and Miss Christine Edwards, secretary, will stage their third annual Victory Harvest show, with classes covering all the products of the

many victory garden lots in Grosse Pointe.

Co-operating and playing a most important part will be the Detroit branch of the National Association of Gardeners, Henry A. Johnson, chairman; Richard Sayward, secretary and William Crichton, Victory garden director of the Radnor Park model plot.

Other organizations and clubs who have always done their part in the local shows and will again exhibit in the various sections are the Garden club of Michigan, the Little Garden club, Junior League Garden club, Grosse Pointe branch of the women's National Farm and Garden Association, the Village Garden club, and the Garden Center of Detroit.

Watch the local papers for further announcements and details covering the various sections and divisions of the show.

William P. Thomas, secretary, c-o the Neighborhood club, will be glad to furnish information regarding the classes, staged by the Horticultural society, or Tom Pearson, publicity, 77 Lakeview avenue, Grosse Pointe Farms 30, Mich., phone NI. 5157.

Grosse Pointers Given Brake Tests in Current Automobile Safety Campaign

A new simplified war emergency brake test is being introduced to Grosse Pointe motorists during this month when safety and traffic organizations and officials are uniting in a campaign to encourage the motorist to help himself in the interests of reducing accidents and prolonging the life of vital automotive transportation.

According to Maxwell Halsey, executive secretary of the Michigan state safety commission, the new test is known as the "one inch pedal travel test." Research has shown that when the brake pedal can be pushed to within one inch of the floorboard before the brakes take hold, double the legal stopping distance of approximately two car lengths at 20 miles per hour is required. The new test identified only very bad brakes. Cars which pass the test may still have brakes which are unsafe for reasons other than lack of adjustment.

The need for a state-wide brake testing effort was indicated, according to Halsey, by spot checks which revealed that as high as 30 per cent of the vehicles in some areas had dangerously unsafe brakes. At the same time records reveal that traffic deaths have increased steadily for six months in Michigan, the total increase being 38 per cent. If this rate of increase continues 380 more Michigan people will lose their lives in traffic accidents in 1944 than in 1943.

RETURNS TO BASE

BOB SIMPSON, SOM IC
BOB SIMPSON, SOM IC, left here Tuesday to report for further duty in New York after spending a short leave visiting his parents, Mr. and Mrs. John Simpson, and friends. Bob has already completed three Atlantic crossings.

unities and to preserve vital war transportation which cannot be replaced, the safety commission has developed a state-wide preventive maintenance safety campaign for the month of May. Most of the state's police chiefs and sheriffs have

been in attendance at nine pre-campaign meetings and have agreed to participate. The automobile industry — car companies, dealers and garages — has agreed to make a special effort to give brake repair service during the month.

Mother and Daughter Banquet on May 19th

The annual banquet for mothers and daughters of Jefferson Avenue Methodist church will be held Friday, May 19 at 6:30 p.m., in the church dining room.

An unusual program has been arranged by the entertainment committee with a variety of selections. A group of readings will be given by Mrs. A. R. Schroeder. Dinner will be served by the ladies of Sigma Zeta class assisted by men of the group to serve tables.

Mrs. Reginald Fenell is chairman of the banquet supported by a number of committees in charge of Mrs. Thomas Anderson and Mrs. William Smith. The church mothers and daughters are invited and asked to please make their reservation in advance.

The northern section of the Perekop isthmus of the Crimea is open steppe country. In peacetime a grain-growing land of rolling fields, it offers no hills or forests as natural defense lines. Farther south, however, where the bottleneck opens up into the broad reaches of the Crimea, mountains rise to guard the entrance.

May 14 Set as Date for Catholic Theatre Production, 'Vicki'

Beginning Sunday afternoon, May 14, the Catholic Theatre will present the zany comedy, "Vicki," at the Players Theatre, 3321 East Jefferson avenue. This broad comedy of volunteer service women and their antics will run for one week only, May 14 through the 21st, with matinees on Sundays.

"Vicki" tells the laugh-happy story of an attractive married couple. The husband is engaged in an important war invention and his zany, over-zealous wife, who is busy with un-sponsored and unsanctioned volunteer activities, nearly sabotages his great effort. Flighty, pretty "Vicki" is assisted in her escapades by a company of mirth-provoking fe-

Now-OPERATING EVERY NIGHT to BUFFALO and CLEVELAND

The big ships of the D&C Lake Lines—Grand Fleet of the Great Lakes—now enable you to travel pleasantly and comfortably any night either way between Detroit and Buffalo and between Detroit and Cleveland. Ships sail from Detroit and Cleveland nightly at 11:30 E.W.T., from Detroit and Buffalo nightly at 5:30 E.W.T.

Travel in Comfort!

Of course the D&C Lake Lines are carrying thousands of essential war time travellers, but these ships are so large that you never have the feeling that you are crowded. Broad decks, spacious lounges, commodious parlors, bedrooms and state rooms mean plenty of room for comfort and relaxation for all. Dining on board is pleasant, too, for D&C has striven to maintain its pre-war standards of cuisine and service. D&C personnel will extend you real hospitality. Travel D&C—the "comfort" route.

Frills Are OUT for the Duration
Under a ruling of the War Manpower Commission, dry cleaners are considered essential because they have pledged themselves to discontinue certain services. We cannot employ sewers exclusively to remove and replace buttons on your dresses. If buttons are breakable you must remove them before sending your garments to your dry cleaner.
