

V-WOMEN NEEDED FOR WAR BOND DRIVE

Dr. Davies' Position on Bathing Ban Explained

State Health Head Commends Closing of Public Beaches

Upon orders of Dr. Thomas S. Davies, township health commissioner, Grosse Pointers have not set foot in the waters of Lake St. Clair. The four public bathing beaches in the Pointe: the Shores, Farms, City and Park, have posted signs, and sent out individual notices to the residents, ordering that all use of the bathing facilities be temporarily halted.

However, some questions have arisen regarding the authority of closing the swimming beaches after receiving a warning from the State Stream

Control Commission. Dr. Davies, in a letter to Dr. William DeKleine, State Health Commissioner, stated that "There is a tendency here to regard the Stream Control Commission as without authority and to assume that the ban on swimming is made with the idea of 'putting pressure on Macomb County.'" There is a feeling that the water could be tested frequently and that swimming should be allowed as long as the tests are satisfactory.

Dr. Davies' communication continues: "My stand is that the waters are out of control and test or no test, swimming is banned until further notice. I would like a letter from you stating whether or not my stand is correct and I shall use the letter to quiet the pressure from interested groups."

Dr. DeKleine replied a few days later, confirming the action taken by the township health officer, saying, "As health officer of the township of Grosse Pointe, you are more than justified in declaring these waters unsafe for bathing. We fully support the action you have taken, as well as that of the Detroit Department of Health."

Although some inconvenience may result in such action, Dr. DeKleine added, it is best that the residents of Grosse Pointe discontinue swimming and prevent any illness which may result in bathing in the polluted waters along the shore line of Lake St. Clair.

In regards to the tests which Dr. Davies mentioned in his letter, Dr. DeKleine says: "Daily bacterial tests would be no criterion as to safety; in fact they would be misleading. The results of such tests cannot be determined short of 48 hours. In the meantime the degree of pollution at any given point may have changed. Until this situation in Macomb county (referring to the increase in the use of sewers and the discharge of untreated sewage in the waters of southern Macomb county), is remedied, there is no way of insuring safe bathing on the water fronts of Grosse Pointe communities."

From Herbert J. Rushton, attorney general, in Lansing, comes this explanation: "It is my opinion that under existing statutory authority no legal obligation rests upon the state health commissioner or the stream control commission to go further than to announce publicly or through the press his or its findings and to warn against the use of such water for bathing or swimming purposes. "It is my further opinion that under existing statutes the state commissioner of health or local health officers do not possess authority to quarantine a water area or beach against public use with this exception — cities or villages may by ordinance ban public bathing in certain prescribed areas. "It is my further opinion that the state health commissioner, stream control commission or local health department might proceed by injunction to restrain the operation of a privately owned but publicly used bathing beach for the purpose of attempting to protect the public health providing proof could be obtained of a definite health hazard."

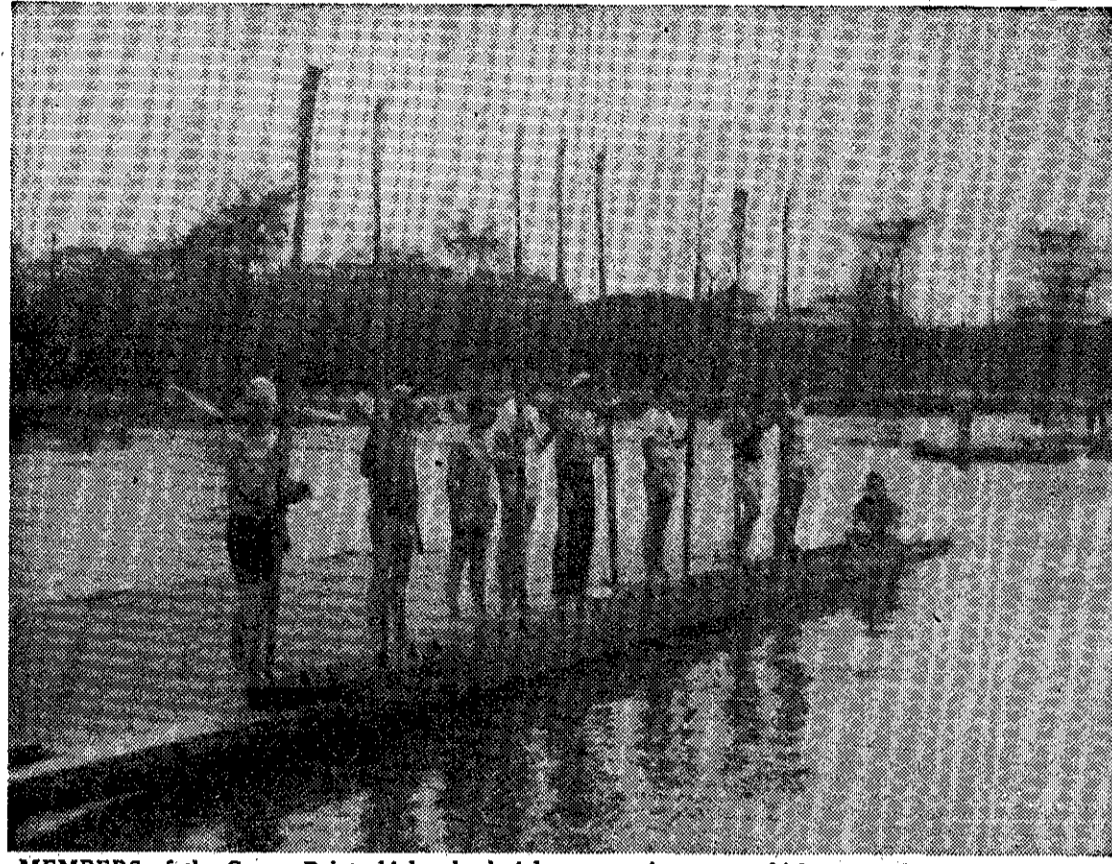

Dr. Davies has acted accordingly in this matter, and after notifying all communities bordering the lake, his request was heeded and notices were posted, banning swimming at the village and city parks.

Although the stream control commission sent similar notices to Detroit and St. Clair Shores, regarding the condition of the waters and asked that bathing be halted, bathers have been seen on Belle Isle and in the waters off St. Clair Shores.

Detroit Lads Take A Dip
Three Detroit lads were sent home last Thursday night by City police after they were caught swimming off the dock despite the warning given bathers.

They were Jim Lynch, 5235 Kensington; James Rivette, 9762 Somerset and Henry Caspee, 5945 Whittier.

Pointe High School Eight Winners of Philadelphia Regatta

MEMBERS of the Grosse Pointe high school eight-oar rowing crew which captured top honors at the Philadelphia regatta last Saturday. Coached by Judson Ross, who is also coach for the Detroit Boat club crews, the boys average 6 feet two inches in height and average 165 pounds to the man. They were not pressed in winning the race and came up to his expectations, according to Coach Ross, who was complimented by a former Princeton coach at the meet, when he said "the Grosse Pointe crew was the best coached and best high school crew he had seen."

Grosse Pointe High School Oarsmen Capture Interscholastic Rowing Crown

The Grosse Pointe high school varsity crew won the Interscholastic Rowing Championship for eight-oared shells Saturday at Philadelphia, Pa.

The boys who rowed their way to national recognition and the North American high school championship are Bob Benya, stroke; Floyd Nix-

on, 7; Tom Blackloch, 6; Jack MacKenzie, 5; Don Sullivan, 4; Frank Burn, 3; Bill Chapman, 2; Jules Huebner, bow; and Bob Tobin, coxswain.

The regatta was held over the mile course on the Schuylkill river and the eight-oared race was the big event of the day.

Rowing against the Blue Devils and supplying plenty of tough competition were Lafayette from Buffalo; St. Andrew's from Delaware; and Roman Catholic from Pennsylvania. These crews fought hard all the way down the course. Grosse Pointe took the lead at the very beginning by hitting it hard for the first quarter mile, lengthening out the stroke and then taking it up to a 38 to cross the line three quarters of a boat length in the lead.

Buffalo and Delaware both threatened all the way but each time they started to come up on the Devils the Grosse Pointers gave a little more and thus kept their lead.

Officials agreed that the Pointe crews were the smoothest rowing boats with the best form at the regatta. The varsity boat made a beautiful start with a minimum of splashing and the boat seemed to leap away as each man placed his blade squarely in the water. The time made by the crew was 5:5, which is a new record for the Schooley Regatta over the course.

In the four-oared events the Devil boat manned by Frank Blair, Dick Ryan, Bob Beaupre, Russ Johnson, and Chuck Quarnstrom, took a third. They were beaten by a strong Wyandotte boat.

In the junior eight race the Devils again took a third to a crew from Massachusetts. This was also a close hard race and the Pointers made a bid for victory in the last quarter mile but couldn't quite make the grade.

Rowing in this eight were Jerry Hughes, Nate Van Osdol, Bill Kerr, Leon Alvarez, Bill Beaver, Dick Knight, Jeff Welshire, Bob Fluitt and George Hubbard.

This year is the first time in the 10 year history of the regatta that the championship has been brought to the midwestern states.

D-Day Detail

Among possible hundreds of Grosse Pointe boys who may have taken part in the big invasion this week, one has been definitely learned to have been in the air attack. He is Lieut. Lionel Glover, son of the late William J. Lancaster and Mrs. Oaf Larsen. He is a bombardier on a Flying Fortress.

Victory Garden Pests

Last Thursday Farms police received two complaints in regard to the destruction of Victory gardens. One was a pheasant on Handy road and the other proved to be rabbits on Mount Vernon.

Announce Date for Next Tin Collection

Nell Blondell, chairman of the Grosse Pointe and Gratiot township salvage committee, reminds you, "Tin cans are still urgently needed for war materials. The next collection date is Monday, July 17. Note that the collection has been changed from Saturday to Monday. You can make that week-end tin can cleanup and preparing time."

Lightning Causes Fire
Lightning struck a garage at 1014 Wayburn during last Friday's storm, setting it on fire.

City Residents May Register in Evening

June 14 and 21 remain as the two nights in which City residents may register in order to vote in the primary election to be held July 11. The offices of Norbert Neff, clerk, will be open from 7:00 to 9:00 p.m., to accommodate those who cannot get to the clerk's office except at night, otherwise registrations will be taken any day until June 21.

Schools Pass Half Million in War Bond Sales

The Grosse Pointe public schools sold \$514,500 in bonds last Friday and Saturday and Monday and Tuesday of this week to complete their part in the Fifth War Loan Drive which started officially with the invasion of the continent Tuesday.

Totals by schools follow:

High school	\$381,000
Pierce Junior	53,050
Defer	15,525
Kerby	35,550
Maire	2,235
Mason	10,000
Richard	9,000
Trombly	12,000
Vernier	3,975
TOTAL	\$514,500

Urge Township Voters to Check Registration Here

Henry Lavers, clerk of Grosse Pointe Township, urges all residents of the community to check their registration status to insure the right to vote at the primary election to be held Tuesday, July 11.

Those who have moved since voting the last time, those who have failed to vote recently, or those who are uncertain of proper registration, are asked to call at the township office in the Park Municipal building, 15115 East Jefferson, before June 21, and register with the clerk.

Sailor Who Is AWOL Arrested in City

City police were asked to assist the navy shore patrol in the pickup of Gene Sunday, a sailor who was AWOL for the fourth time, last Thursday morning.

Officers J. Flannigan and J. Onstvedder answered the call and found that the shore patrol was on guard Gene Sunday, 893 St. Clair, locked himself in the house and refused to come out. Shortly after a warrant was issued and the sailor was picked up.

Bothersome Rabbit
That tame rabbit has again been bothering the victory gardens on University place, so report nearby gardeners.

Noisy Car on Harvard Road Causes Two Trips by Police

Grosse Pointe Park police were asked by a Harvard road resident last Saturday evening to stop a group of boys who were supposedly driving up and down the street making a great deal of noise. Two officers were dispatched to the scene and found that the boys had developed engine trouble and were trying to get home with their car, although it had been back-firing and disturbing the neighborhood.

A short time later, the Harvard resident again called the police station and questioned if a scout crew investigated his complaint. He insisted that the car was still in the neighborhood.

The investigating officers returned for the second time to Harvard road and found no car. They then went to the automobile owner's home on Lorraine and found the car in the driveway. This ended the case as far as they were concerned.

Woods Plans Public Hearing on Zoning Ordinance Change

A public hearing has been scheduled by the Woods village commission to determine the advisability of amending the zoning ordinance, especially that part which controls the Mack avenue frontage near the Country Club Woods subdivision. The meeting will take place Monday night, June 26 at eight o'clock in the Mason school auditorium.

The proposed amendment has been offered at the request of the Parkwood Land company who desire to construct a huge shopping center in Grosse Pointe Woods, south of the Country Club Woods. At the village meeting on May 23, Edward H. Yost, attorney for the company, approached the commission and asked that procedures necessary for a public hearing regarding the proposed construction.

The shopping center which has been suggested would consist of a theater seating 3,500 people and a large section of stores which would handle varied types of merchandise. The change in the ordinance would increase the present depth from 300 to 702 feet. This change provides only for that property lying from the boundary line of the village to the Country Club Woods, and the remaining business frontage will remain the same at a depth of 300 feet.

Boys Move Fast As Police Scout Car Approaches

City police apprehended an 11-year-old youth Saturday afternoon for participating in a penny pitching game on Kercheval avenue. The rest of the youths disappeared when the scout car drove into view.

Hubcaps Stolen

Sophia Zack of 330 Merriweather, reported to Farms police that the hubcaps were stolen from her car last Saturday.

Urge Purchases be Made in Pointe to Swell Totals

Immediately 150 V-Women are needed to assure the success of the Fifth War Loan Drive in the Grosse Pointe according to Mrs. Claude R. Brooks, AWVS war loan chairman. Working with Mrs. Brooks, Mrs. Richard H. Khuen, cruising chairman of the AWVS for Grosse Pointe, stresses need of immediate registration of volunteers who can pick a kit at the office, 17027 Kercheval, and start out at once to \$1,000 worth of bonds or more.

It will help the results in Grosse Pointe immeasurably anyone who possibly can, make his purchases within the Pointe workers believe. So many contributions to the war effort from this district that it should have an excellent total when results are scored, provided everyone will do his utmost buy in Grosse Pointe.

Paper Drive Friday

The last paper drive for the school year 1943-44 will take place tomorrow (Friday), when all students of public, private and parochial schools gather waste paper from their homes and neighbors' homes and bring it to school.

Students are urged by Nell Blondell, chairman of Grosse Pointe salvage, to try and top the all-time record set last month when 27 tons of waste paper was collected, baled and delivered to the paper mills.

At a meeting called by the WPB in Washington recently for the purpose of discussing the waste paper campaign, they reported that the situation remained critical. The army and navy needs for paper are staggering but receipts show that the paper mills have received top tonnage for the first time in several months.

Because the monthly school drives have turned out to be very successful, it is hoped that the concluding drive will find the figures way over the top.

Fireworks for Fourth of July Celebration Here

The Grosse Pointe Kiwanis club will again sponsor the Fourth of July celebration at Mason school in Grosse Pointe Woods. It was announced this week by Arnold L. Dissing, chairman of the affair. He asks that those who wish to contribute to the celebration may send their contributions to him at 1419 Roslyn road, Grosse Pointe Woods 30, Mich.

The program for the day will be a penny and nickel scramble at 2 p.m.; a softball game, Kiwanians vs. Hollywood Avenue at 6 p.m.; and fireworks at 10 p.m. Refreshments will be sold on the grounds.

Two Stitches Required to Close Dog Bite Wound

While H. Hennig of the Park Police department was taking the census last Friday morning, he entered the yard at 1343 Cadieux was bitten on the left arm at the elbow by a dog tied on a rope. He was taken to a physician where two stitches were required to close the wound. The owner of dog was given a violation ticket.

Irreplaceable
Mrs. Fred Edgar of 890 Weston road, reported that her lawnmower was missing last Sunday morning.

POINTE PARAGRAPHS

by THE POINTER

In accordance with the governor's wishes on D-Day, after sirens and whistles marked the beginning of a one minute period of silent prayer, we noticed that all activity ceased momentarily. It seems that the people bowed their heads in silent prayer for those thousands of youths on the other side of the channel.

We have another nomination for the meanest man in the world. As everyone knows, village clerks have been doing their utmost in obtaining vacant property for use as Victory gardens. A few days ago, Clerk Harry Furton of the Farms, wrote an owner in regard to using his vacant lot for a Victory garden. Within a week the residents on both sides of the plot were served with papers charging them with trespassing. Does seem selfish, doesn't it?

On a prowler call from a resident on University place, City police arrived and found that the "prowler" proved to be a flapping curtain blown by the wind.

Are any of you golf enthusiasts facing a serious problem these days? That of carrying your own bag because you are not able to get a caddy? Here's what an enterprising group of golfers did in Shaker Heights, Ohio. When the caddy shortage threatened to become serious, members of the Shaker Heights Country club in Cleveland took decisive action. They whipped up a special caddy house, complete with juke box. They throw dances for the caddies and their girl friends every Friday night, and make ping pong, horseshoe pitching, volleyball and softball facilities available. Results have been good — more than 150 caddies have signed up.

Lieut. Arthur Louwers has a new assistant in the Park detective bureau. He is Officer Pat Conlon. Pat was assigned by the chief in keeping with the new policy of training several men of the uniformed division in detecting. Stanley Enders who worked with Louwers left May 31.

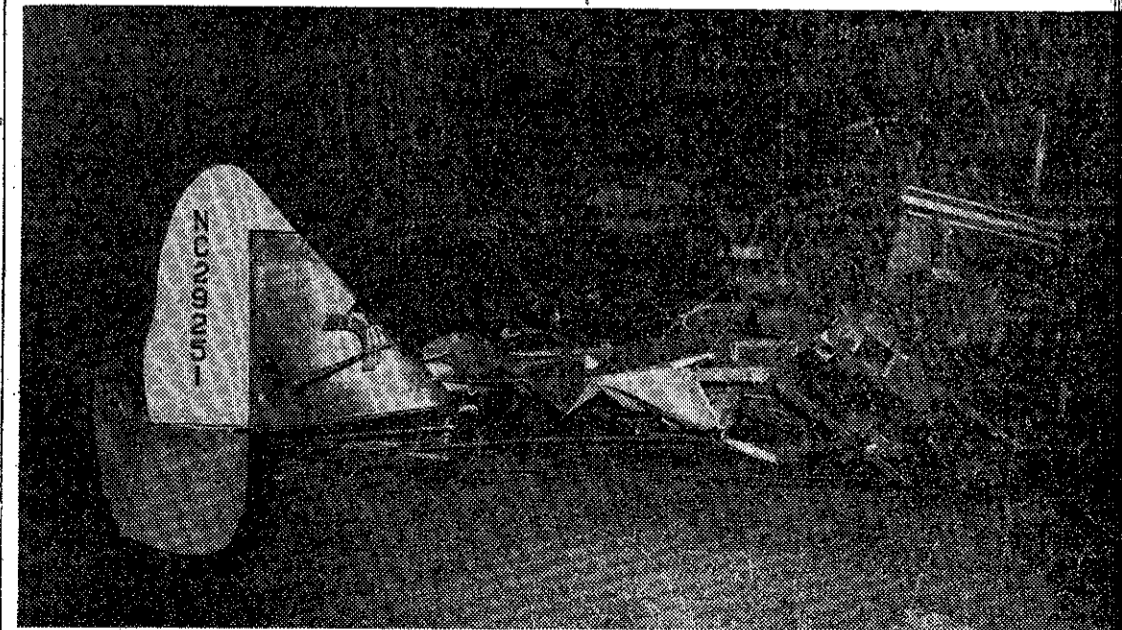

Park police received several calls last Sunday night from residents, asking what the shooting was all about. The noise heard was that of an automobile back-firing.

On Monday, June 12, the Park commission will hold its regular bi-monthly meeting. Any resident who wishes to question the cut in the police department will have a chance to protest, for the latest report The Review has had is that no further action has been taken.

10 Year Old Girl Bitten Twice by Dogs

L. W. Joop of 889 Lakepointe, reported to Park police last Friday noon, that his daughter, Margaret Ann, age 10, had been bitten by two dogs as she was riding her bicycle. The dogs were identified by Robert Matheson, a mail carrier at the Kercheval avenue station, who resides at 2057 Lochmoor, who saw the incident. Owners of the dogs, who live on Balfour, were issued violation tickets.

THIS WAS AN AIRPLANE

JESSA JENKINS, 49, of 10640 Gratiot, Detroit, ended up in the Cottage hospital last Sunday night after his plane crashed on the Reynolds property at 17130 East Jefferson, and was demolished, as seen in the above photograph snapped last Sunday night at the year of the City police headquarters. Jenkins, flying his own Cub, told City police that the plane hit a tree and ended up in the wires of a fence. The pilot suffered from a cut on his chin, and on his right arm and leg. He also suffered from shock. Several Pointers told the Review this week that a trainer plane had been "hedge-hopping" over craft in the river and lake Sunday afternoon, prior to the crash.

YOU HAVE IT, USE IT

This mighty weapon which every citizen of this country the age of 21 holds in his hand, is something which the best peoples of the world are fighting tooth and nail for, the weapon for which the American men and women have shed uniforms to give their all so that we might keep this important privilege. It is the right to vote.

Because of our republican form of government, it is up to people of the country to put into office those men and women who they think are best fitted for the job of running this country. They must cast their ballots on election day to do this. However, before one may cast his or her vote, they must register with their village or city clerk. This must be done before June 21, in order to vote at the primary election on June 21.

In order to relieve the clerks as much as possible, why not register in tomorrow, or the day after, and register if you have already done so? Don't wait until the last minute and "get under the wire" so that you may exercise your right to vote which means so much to all of us.

PARK RESIDENTS, WAKE UP!

Day in and day out we are constantly hearing about the paper shortage in this locality. This fact is brought home to us when we see women carrying articles home without their usual paper bag; or when we order stationery and find that the paper can furnish a lighter grade or none at all. We have seen the shortage of facial tissues, newsprint, and paper products.

Because of this, a special drive has been formulated in Grosse Pointe Park, along with the Farms and City, to collect waste paper from the residents where it is then sent to the paper plant and finally to the paper mills. Although advance publicity has reached every home several times, the fullest cooperation is not being given by all Park residents. There is room for a great deal of improvement.

You have been given your instructions on how to prepare waste paper so that it will be picked up. This includes newspapers, magazines, corrugated and cardboard and waste basket paper.

Prepare your paper today so that it will be ready for collection the next time the men come around to your home.

High School Graduates to Be Inducted Before August 1

Thirty-eight of the boys who will graduate from Grosse Pointe High School on Thursday, will join the ROTC before Aug. 1.

Two of these are Mike Bloy and Bob Adler, who will leave for the ROTC on June 15.

Bob Beyer, Bob Bokram, and Bob Decker are leaving immediately for ROTC under the V-5 program.

Others will become part of the ROTC, the army air corps, navy air corps, Marines, A-12, and V-12 programs, and the Merchant Marine.

Twenty more of the class will join ROTC after Aug. 1. Some of these are John Jacobi, Elmer Morris, John Abbott, and Don

Five girls, including Polly Palmer, the Hoskin twins, Eunice and Bobby, and Virginia will join the cadet nurse corps next fall.

Many of the seniors plan to go to college. University of Michigan, Wayne, Michigan State, Albion, Northwestern, Mount Holyoke, Bryn Mawr, Harvard, Vassar, Duke, Wisconsin, Swarthmore, and Princeton are only a few which will have members of the class of June '44 as freshmen next year.

Dave Fairless and Harry Spurrier will leave immediately for the University of Michigan to begin college this summer.

The class will also have members working some for the summer, others in permanent positions. J. L. Hudson, Hudson Motors, Budd Wheel, General Motors, Parke-Davis and many smaller concerns have employed many of the graduates.

PLANNING CONSERVATION

MRS. GERALD F. SCHNEIDER, left, and Mrs. Alfred H. Whittaker, members of the consumers' division of AWVS, are interested in plans for a talk on clothing conservation to be given by Lawrence LaMeasure on Tuesday afternoon, June 13, at the AWVS office, 17027 Kercheval avenue. Mr. LaMeasure is a member of the board of the Dry Cleaners' Institute which is starting a program of consumers' education in how to conserve apparel.

Announce Troth Grosse Pointe's 1944 Graduations

Mr. and Mrs. John E. Rabaut of St. Clair avenue, announce the engagement of their daughter, Kathryn H. Rabaut to Pfc. M. A. Werbrouck, son of Mr. and Mrs. C. Werbrouck of Woodhall avenue.

Thirty-eight seniors from St. Paul entered service in the summer of 1943. A Torch Ceremony will take place on St. Paul's lawn Friday evening when the juniors honor the seniors. At this ceremony, William Cudlip, attorney, will be the speaker. Father Melvin will award the honors for scholarship at this time.

The speaker for the commencement exercises will be the Rev. Marvin Young, S. T. L., of Detroit. The entire student body attends the services.

Dr. Alexander Ruthven, president of the University of Michigan was the guest speaker at the combined graduation exercises of Detroit University School and the Grosse Pointe Country Day School, held last evening, June 7, at Christ Church. Twenty-one boys and twelve girls, were awarded their diplomas from Lambert Whetstone headmaster of DUS, and Dr. John G. Mateer, head of the Country Day board.

Who Are the Valiants?

The Valiants is composed of a group of Detroit women who, for personal as well as patriotic reasons, are anxious to do all they possibly can for the war effort. We say personal because they all have loved ones in the armed forces, they all have homes deeply affected by the war. Maybe you might call them women 4-Fs, because they too, would be in the armed forces but for home responsibilities or physical disabilities or age limitations. They want to serve usefully, to keep busy and their thoughts occupied in worthwhile work. They adopted a motto, "Service Above Self." They chose a name "Valiant" which means, courageous, steadfast, and reliable, and they prayed "Make us truly valiant." They are incorporated under state law and have established headquarters at 645 Randolph, 502 Lawyers building, staffing it with members of the group.

ATTENTION!! Red Cross Workers

With the invasion of fortress Europe, demands for surgical dressings are increasing by leaps and bounds and the East Side Red Cross unit which meets at Faith Lutheran church, Philip and Jefferson, is taking measures to cope with the situation by appealing for more surgical dressing workers NOW.

The unit meets every Monday from noon until 4:00 p.m. and on Tuesday from 8:00 a.m. to 4:00 p.m. A training class meets each Tuesday at 9:45. Interested persons may obtain more information by phoning Mrs. M. H. Hudson, Niagara 7478 or Mrs. Blanche Shoyer at Lenox 0142.

SERVICE PARADE

Miami Beach, Fla. — First Lieut. Frank E. Werneken Jr., 29, 206 McKinley avenue, Grosse Pointe Farms, recently returned from service outside the continental United States, now is being processed through the AAF redistribution station No. 2 in Miami Beach, where his next assignment will be recommended.

This is one of the redistribution stations within the command of the AAF redistribution center. At an AAF redistribution station, AAF returnees from theaters of operation are examined by specially selected medical and classification officers whose joint findings are used in de-

termining new assignments. The of the AAF redistribution program is designation of each man to duty for which he is best fitted. Returnees live at a redistribution station under conditions that encourage natural response to processing, a majority of their two-week stay being devoted to rest and recreation.

AAF personnel, including enlisted men and officers alike, are assigned to a redistribution station upon their return to the United States, but do not report to the station until completing a furlough or leave of approximately three weeks.

Garden City Army Air Field, Kan. — Another class of aviation cadets, eager for the second phase of its instruction, has arrived at this basic flying school from various primary schools in the army air forces training command.

With 60 hours of primary instruction behind them, these potential pilots have begun an intensive ten week course of aerial and academic schooling at Garden City. Upon completing the course here they will continue their pilot instruction in a single or twin-engine advanced school. From the advanced course they will graduate with the silver

wings of flying officers of the US AAF.

Included in this class is Aviation Cadet Omer R. Baetens, 20, son of Mr. and Mrs. Morris Baetens, 568 St. Clair, a former student of Grosse Pointe high school, who completed elementary flight training at Chickasha, Okla.

★
Mark C. Rowley was commissioned a second lieutenant last week and received his pilot wings at the AAF advanced flying school at Eagle Pass, Tex.

Headquarters AAF Central Flying Training Command, Randolph Field, Tex. — More than eleven hundred midwesterners became flying officers of the AAF today as the AAF training command held simultaneous graduation exercises at the 11 advanced flying schools of the central flying training command.

ceived their wings from the Texas fields of Blackland at Waco, Ellington in Houston, Brooks in San Antonio, Lubbock and Pampa and from the two Oklahoma schools at Frederick and Altus.

Paul Alexander Meyer Jr., son of Mr. and Mrs. P. A. Meyer of 777 Fisher road, was among the 1,150 midshipman graduated May 31, from the USNR midshipman's school, University of Notre Dame, South Bend, Ind., with a commission as ensign in the USNR.

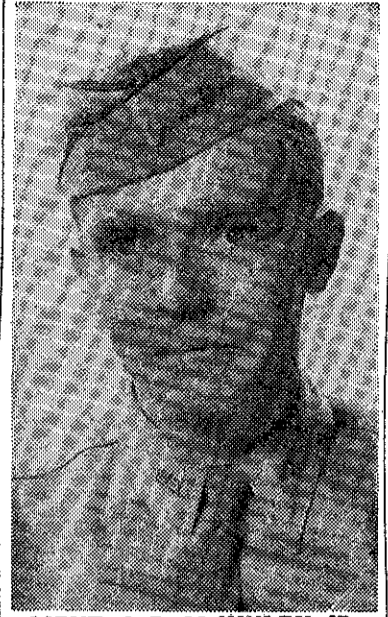

Speakers at the graduation exercises were Capt. James L. Holloway Jr., USN, director of training of the bureau of naval personnel, Washington, D.C., and Capt. J. R. Barry, USN, commanding officer of the school.

Aviation Cadet Kelle J. Wyble of Grosse Pointe, has completed weeks of basic pilot training at Coffeyville, Kans., army air field. He has gone on to an advanced of the central flying training command at Aloe army air field, Tex. When he completes the there he will receive pilot wings.

Cadet Wyble attended M.S. '41-'42. He is the son of Mr. Mrs. Verle E. Wyble of 777 Fisher road, Grosse Pointe Woods.

LIEUT. CARL F. SIEMEL
Among the new pilots are three men from this area. They include: First Lieut. Carl F. Siemel, 1012 Kensington road; and John R. Jr., and Charles R. McKinley, 41 Colonial road.

LIEUT. J. R. MCKINLEY JR.
Ohio, with 249 graduates, was the third largest group in the consolidated class which included men from every American state and from Canada, Alaska, Hawaii, Cuba and Brazil. Fourth in the nation was Illinois, with 234 graduates.

LIEUT. MARK C. ROWLEY
Lieutenant Rowley, who was a graduate of Grosse Pointe high school, was a student in aeronautical engineering at the University of Detroit when he entered the AAF last year, and has been stationed at various fields in Texas for the greater part of his training as pilot in single engine ships. He is the son of Mr. and Mrs. Mark L. Rowley, 600 Lincoln road.

LIEUT. C. R. MCKINLEY
Fighter pilots were graduated from Eagle Pass, Aloe, and Foster Fields in Victoria, and Moore Field at Mission, all in Texas. Bomber pilots re-

Electrician's Mate 3-C Charles Hurlow, a brother of Mrs. John Simpson, 17020 Kercheval avenue, graduated last week among the 10 highest in his class of 56, from the USNTS for navy electricians at Wahpeton, N. D.

Because of his high standing, he is being sent to the naval electrician's school on Treasure Island, off the coast of California, for advanced training.

Before reporting to his new base, Hurlow will enjoy an eight-day furlough, which he will spend with his wife and three month old daughter, whom he has not seen, in Clinton, Ind.

WHAT IT TAKES TO FILL A PRESCRIPTION

Drugs . . . pharmaceutical instruments . . . professional skill — it takes all of these, AND MORE! To fill a prescription properly, a full appreciation of the importance of the work must be present. This, too, is an ingredient — active . . . essential . . . participating in the efficacy of the medicine. We take particular pride in our prescription service and look upon the accurate compounding of medicine as a profession and not a sideline. Quality, care, skill AND INTEGRITY are the watchwords in our Prescription Department, and your guarantee that the medicine is word-for-word with the doctor's instructions.

★ **I Am a Wac** ★
by LIEUT. FREDDIE BOYLE
President Roosevelt has a new hobby. He is so amused at the many different ways in which reporters ask him if he is contemplating a fourth term that he has begun to collect these many different methods of "putting the question."
And so, as it is with our Commander in Chief of the army and navy, so also is it with us women in uniform. Scarcely a day goes by without I am asked what this or that gadget on my uniform means, or is this regulation, or — and this always slays me, readers — am I a Wac, Wave, Marine or Spar!
Let me tell you very simply that the Wac summer uniform is a beige, tropical worsted skirt and blouse, and the hat, of a matching material, is a streamlined version of the overseas cap the soldiers wear. The Wac officer wears her rank insignia on the shoulder tabs of her uniform and on her cap, while stripes of matching beige are embroidered on the sleeves to identify the rank of non-commissioned officers.
If the shoulder patch insignia puzzles you, don't be alarmed. There are so many kinds that even military personnel is puzzled, too! Since we are now working in war theatres all over the world, and are attached to many different branches of the army, we wear a great number of the different shoulder patches. However, the most familiar insignia you will see on Wac uniforms in Michigan are the air corps, which is two gold wings on a blue disc, and the sixth service command, also a blue disc, but with six white spokes.
Last summer the Women's Army Auxiliary Corps removed the last "A" from its name and became part of the army, we were issued green and yellow ribbons to show that we were members of the corps as auxiliaries. We have added another ribbon to our left breast pocket since then. This one is red and white and signifies membership of at least a year. Wacs on overseas duty wear ribbons indicating foreign service.
We wear these decorations with a great deal of pride. Some day they will be only a memory of World War II, but right now they are a symbol of our progress, and represent the principles for which we stand and work.
This column was written by Corp. Ruth Wolf in the absence of Lieut. Freddie Boyle who is on leave at her home in Marietta, O.

Guard Your Social Security Card, Warns Branch Manager
A social security account number shows that the worker has an insurance account with the U. S. government — federal old-age and survivors insurance.
Insurance policies must be protected and that is why they are kept in safe places. The social security account card is evidence of a worker's insurance policy with the government. Give it the same care as any insurance policy, advises Francis L. Pendergast, manager of the social security board's field office, 8037 Harper avenue.
For every account number it gives out, the social security board sets up a separate account. The number on the card is the same as the number on the account. With the worker's name it identifies the account.
Old age is not the only risk the account insures against. The purpose of this insurance is to pay not only a regular monthly income when workers are 65 — and stop work, but to pay benefits to the family if the worker dies.
These monthly insurance payments are based on wages in the jobs that come under the old-age and survivors insurance system. Every day's pay on such a job helps to build up this family insurance protection. Be sure that these records are kept under one account number.
Families need this protection. When a worker or his family makes an insurance claim, his account should contain a complete record of ALL his pay in work that comes under the social security system. Even if he works only part time in such jobs, his wages should be recorded under his account. For further information, inquire at the social security board office at 8037 Harper avenue at Van Dyke, Detroit 13, Mich.

Francis D. Rabaut to Be Ordained in Indianapolis June 14
When Bishop Joseph E. Ritter, D.D., of Indianapolis, ordains to the priesthood a number of young men completing their studies at West Baden college, Indiana, a Grosse Pointe man will be among them, next Wednesday, June 14. He is Francis Dermott Rabaut, S.J., son of Rep. and Mrs. Louis C. Rabaut of 1015 Three-Mile drive.
Father Rabaut attended St. Ambrose and St. Paul's parochial schools and graduated from the latter in 1926. He then entered the University of Detroit high school, graduating in 1930. This was followed by a year of study at the U. of D. Later he received the degree of bachelor of literature from Xavier university, Cincinnati, O., and the degree of master of arts from Loyola university, Chicago.
Father Rabaut entered Milford Novitiate, Milford, Ohio, in August, 1931, and pursued his philosophical and theological studies at West Baden college, Ind. For two years, 1939-1941, he taught English at St. Ignace high school, Chicago.
Sunday, June 18, at 9:30 a.m., in SS. Peter and Paul's (Jesus) church East Jefferson and St. Antoine, Father Rabaut will say his first Mass.
The entire Rabaut family will be present. His brother, Lieut. (jg) Vincent C. Rabaut, accompanied by his bride, the former Virginia Macdonald, is returning for the occasion, as well as his sister, Mary Jane, who is secretary to her father, Representative Rabaut, in Washington, D.C.

\$11,040 Collected by High School Pupils for War Stamps
Grosse Pointe high school collected \$11,040.60 this semester in the sale of war stamps. There is always plenty of red tape connected with the handling of big money. Grosse Pointe high's war stamp sales show no exception.
On Tuesday morning the homeroom period is lengthened in order to enable teachers and students to strive for a higher percentage of participation in stamp sales.
It's surprising how many homerooms have every single member buying at least one stamp per week. There were 12 this year, which achieved 100 per cent participation throughout the semester. Many others closely approached this record.
In order to keep things running smoothly a war savings stamp tabulation committee was formed by the students. With the help of the grade advisers, other students, and the director in charge of the bookstore, all figures are checked and rechecked several times. Each homeroom's individual record is recorded on a permanent chart.
Margo Sonneman heads the tabulation committee. Other members are: Leslie Hulbert, Jean Doherty, Katherine Cowan, Betty Slater, Katherine Gates, Barbara Baranek, and Peggy Toncray.
A booster committee headed by David Fairless, worked to improve the standing of homerooms with low percentage participation. They have given speeches in behalf of the cause with successful results. They have designed posters to remind students of the importance connected with the weekly purchase of war stamps. The members of this committee are: Jean Doherty, Margo Sonneman, Bruce Bugbee, Jack Seiber, Dolores Massey, Dick Ralph, Betty Slater, Bobbie and Eunice Hoskin, and Nancy Moesta.

Expand Nursery Program
In anticipation of the increased employment for mothers of small children, the Detroit public schools announce an expanding nursery school program. All-day service will be available following the close of the public schools June 16.

Later he received the degree of bachelor of literature from Xavier university, Cincinnati, O., and the degree of master of arts from Loyola university, Chicago.

Au Revoir
It is with very mixed feelings of regret and pleasure that I announce the sale of my shop where I have known so many fine friends and customers.
During my fourteen years in serving the beauty needs of discriminating Grosse Pointe customers, the public has been most kind, considerate and most generous.
It is now no wonder, then, that I am just a little sad to say goodbye to such fine friends. I thank you, one and all.

THE YMCA COMPLETES 100 YEARS OF WORK WITH YOUTH

The YMCA Was Founded in London, England, June 6, 1844

George Williams (shown in insert), a 20-year-old clerk in a London drapery establishment, with 11 other young men, shown in the room scene above, started the Young Men's Christian Association. The movement has spread to 68 countries of the world. The Detroit 'Y' was established in 1852. Basketball was invented by a 'Y' man; the entire program builds character in youth. The YMCA War Prisoners' Aid Service shown in camp scene is now serving 6,000,000 prisoners.

Grosse Pointe Review Liners Get Results

To the Residents of the Village of Grosse Pointe Woods

Notice is hereby given that a public hearing will be held on the

26th Day of June, 1944

at 8:00 o'clock p.m. Eastern War Time at the Mason School on Vernier Road, in the Village of Grosse Pointe Woods, upon the proposed Amendment to Ordinance No. 34 of the Village of Grosse Pointe Woods, commonly known as the Zoning Ordinance; the proposed Amendment is as follows:

"An Ordinance to Amend Ordinance No. 34 of the Village of Grosse Pointe Woods, Michigan, Adopted on June 18, 1940, Entitled:

"AN ORDINANCE TO regulate and restrict the location of trades and industries and the location of buildings designed for specified uses, to regulate and limit the height and bulk of buildings hereafter erected, to regulate and determine the area of yards, courts, and other open spaces, to limit and restrict the maximum number of families which may be housed in dwellings hereafter erected or altered, and for said purposes divide the Village into districts, to provide a method of administration, and to prescribe the penalties for the violation of its provisions."

"The Village of Grosse Pointe Woods Ordains:

SECTION 1. That Section 19 of Ordinance No. 34 of the Village of Grosse Pointe Woods, Michigan, adopted on June 18, 1940, entitled:

"AN ORDINANCE TO regulate and restrict the location of trades and industries and the location of buildings designed for specified uses, to regulate and limit the height and bulk of buildings hereafter erected, to regulate and determine the area of yards, courts, and other open spaces, to limit and restrict the maximum number of families which may be housed in dwellings hereafter erected or altered, and for said purposes divide the Village into districts, to provide a method of administration, and to prescribe the penalties for the violation of its provisions."

Be amended so as to read as follows, to-wit:

SECTION 19. Description of Districts:

DISTRICT A

"Shall embrace all land within the confines of the Village limits of Grosse Pointe Woods which is not a part of Districts B and C.

DISTRICT B

"Shall embrace all land fronting on Mack Avenue, bounded by the City of Detroit on the South, Grotiot Township on the West, Grosse Pointe Country Club Woods Subdivision on the North and Mack Avenue on the East, providing that no building structure shall be erected West of a line drawn at right angles from a point on the South line of Grosse Pointe Country Club Woods Subdivision, which point is a distance of 700 feet West of the center line of Mack Avenue. Such district shall also embrace all of the remaining land fronting on Mack Avenue for its entire length within the Village and to a depth of 300 feet from the center line of Mack Avenue as established by the Wayne County Road Commission; Provided, however, that in no event shall the depth of said district exceed the platted depth of lots as determined by the recorded plats thereof.

"All land fronting on Vernier Road from a point 800 feet East of the center line of Mack Avenue to the Western line of the Village and to a depth of 300 feet from the center line of Vernier Road as established by the Wayne County Road Commission; Provided, however, that in no event shall the center of said district exceed the platted depth of lots as determined by the recorded plats thereof.

"All land fronting on Harper Avenue within the Village limits and to a depth of 180 feet from the center line of Harper Avenue as established by the Wayne County Road Commission; provided, however, that in no event shall the depth of said district exceed the platted depth of lots as determined by the recorded plats thereof.

DISTRICT C

"Shall embrace all land fronting on Vernier Road from a point 300 feet East of the Center line of Mack Avenue to the Eastern line of the Village and to a depth of 300 feet from the center line of Vernier Road, as established by the Wayne County Road Commission; Provided, however, that in no event shall the depth of said district exceed the platted depth of lots as determined by the recorded plats thereof."

This Notice is given in accordance with the provisions of Act No. 207 of the Public Acts for the State of Michigan for the year of 1921, as amended.

PHILIP F. ALLARD, Village Clerk,
Grosse Pointe Woods, Michigan.

SET FOR RECITAL

GERRYEE LEE ANSEL will appear in the Elaine Arndt dance recital to be held tonight and Friday, June 8 and 9, at Pierce Junior high school at 8:15.

Miss Arndt announces that classes for beginners and advanced students will be conducted through June.

Richard Collins, 15, Receives University Honor Scholarship

Richard S. Collins, son of Mr. and Mrs. Kins Collins, 757 Westchester, Grosse Pointe Park, and a junior at Cranbrook school, was one of the 116 students to receive honor entrance scholarships, valued at \$100,000, to the college of the University of Chicago, Pres. Robert M. Hutchins announced today.

Mr. Collins received a nine hundred dollar award, which covers tuition of three years in the college under the Chicago plan — college students at 15; college graduates at 18. It was one of 24 national scholarships presented on the basis of examinations, testing aptitude and not a mass of unrelated facts, given last month to 187 students in 123 cities throughout the nation.

Among the other scholarship winners are a 13-year-old boy and a 17-year-old "industrialist," who despite his age, already is the head of a business enterprise handling war contracts.

The youngest of the winners, David Moore, 13, Chicago, Ill., will be enrolled in the first year of the college, and the young manufacturer,

Royal M. Corr, Milwaukee, Wis., who is founder and co-production manager of Globetronics, a junior achievement company receiving sub-contracts in electrical work from war plants, in the third year. Like

Mr. Collins, both will receive their A.B. degree when most students are traditionally entering their junior year in a university.

4 GOOD REASONS

FOR THE TELEPHONE SHORTAGE

This is the inside of a Navy Patrol Bomber. All four men are using telephone equipment. Consider that this country is building over 100,000 planes of all types every year, and you get some idea of wartime telephone needs in the air alone.

Land and sea forces use far greater quantities of communications equipment... must have more and more as time goes on.

Naturally, it has become increasingly difficult to fill telephone service requests here at home. In supplying a quarter of a million more telephones since the beginning of the Defense program, our reserve

facilities have been about used up. Orders for telephones essential to the war effort are filled promptly. Other requests for new service are handled under a definite procedure as present users give up service. But there is a long and growing waiting list.

We are confident you want war needs to be met ahead of all else. If you are inconvenienced, we trust you will understand.

Eligible Residents to Vote Monday in Annual Grosse Pointe School Election

Two seats in the Board of Education and the approval of library expenditures for the year 1944-45 are to be brought before the voting taxpayers of the Township of Grosse Pointe next Monday, June 12, in the election in Rural Agricultural School District No. 1, serving this Township. The two candidates for the Board

for the term of three years are Ralph M. Clark, secretary, and Charles A. Pargellis, president of the board. The expenditures to be approved total \$29,106. The polling places of the several precincts of the District are the following schools: Trombley, Defer, Maire, Richard, Kerby, Vernier and

Mason. The polls will be open from 8 a.m. to 8 p.m. Only those taxpayers owning property and living in the school district and/or parents or legal guardians, having children between the ages of 5 and 19 years inclusive are entitled to vote for the school trustees. The registration of all voters will end Saturday, June 10 at 12 o'clock; only those persons who have registered may vote at the election. The annual meeting of the school district will also be held Monday and will open at 7 a.m. and close at 10 p.m., in the Grosse Pointe high school. There will be submitted to those present and entitled to participate in the business and proceedings of the meeting all questions, propositions and matters upon which action by the voters of the district is required by law or which is deemed necessary, proper, prudent or expedient to be submitted to the meeting.

Very respectfully, J. Dunton Barlow, Chairman, Publicity Committee, Pierce PTA 1943-44. JDB:MS

Supplemental Gas Coupons Are Serially Numbered for B, C

From now on all gasoline supplemental ration coupons will be serially numbered. B-2 and C-2 coupons became invalid June 1 and were the last of the unnumbered coupons, OPA reported today. These serially numbered coupons will cut down the black market diversion in three ways: 1. The serial number gives permanent identification to each coupon. Stolen coupons therefore can be identified by OPA wherever they turn up, instead of, as in the past, each coupon looking like any other coupon as soon as the cover was torn off the book. 2. The old type sheets of coupons containing a definite number of coupons had to be "tailored" to the mileage allowed each applicant by tearing out coupons at the time of issuance. The script form of the new coupons makes this "tailoring" unnecessary and eliminates the possibility that loose "tailored" coupons may be lost or stolen before they can be voided or destroyed. 3. No serially numbered coupons have been discovered counterfeited so far. OPA emphasizes, however, that the endorsement of the state and of the license number on each coupon still provides the only way of tracing the source of illegal coupons after they have been exchanged for gasoline.

Clothes Conservation to Be Theme of Talk at AWVS Workshop Next Tuesday

The consumers' division of the Grosse Pointe unit of AWVS will sponsor a talk on clothing conservation at the office, 17027 Kercheval, Tuesday afternoon, June 13, at 2:30. Lawrence LaMeasure, a member of the board of directors of the Dry Cleaners Institute, which has just been organized to promote better inter-industry understanding and improved service to consumers in the community, will talk on this new program of the dry cleaners and will tell the members of the consumers' division and their guests some of the ways in which they may help to conserve their apparel. Mrs. Frederick C. Ford is chairman of the consumers' division and

Mrs. Benjamin O. Shepherd, activities chairman, is in charge of arrangements for the meeting. Mrs. Alfred H. Whittaker, who does the interesting window displays at the AWVS is planning one for this event and Mrs. Gerald F. Schneider, chairman of the clothes clinic maintained at the workshop every Wednesday, is interested in the event. Among others who are assisting are the Mesdames Hiram Walker, J. Deane Rucker, Countess Cyril Tolstoi, Frederick W. Richardson, Charles L'Hommedieu, Alfred B. Moran, Harold Van Leyen, C. J. Guething, Julius F. E. Huebner, Lewis L. Smart, Harold D. Baker, Nellie Bell, Edward T. Herbert,

Wood Williams, and Ruth Bedford. Everyone who attends the program will have the opportunity to purchase a pamphlet on interesting facts about clothes conservation.

Youths Should Register on Their 18th Birthday

Warning all youths that they must register under selective service on their eighteenth birthday, Brig.-Gen. LeRoy Pearson, state selective service director, asks the co-operation of all superintendents in notifying students approaching registration age of selective service requirements. General Pearson points out that the schools can be of considerable assistance in preventing youths from unknowingly becoming selective service delinquents and possibly subject to prosecution by the department of justice for failure to register on time.

Dear Mr. Oldham:
The officers and publicity committee of the John D. Pierce Parent-

Defer School N-E-W-S

Mrs. Lowell Orebaugh, Pierce junior high school teacher, has presented the Defer kindergarten children with a number of toys which her two daughters, Jean and Ann have outgrown.

Those which are used almost constantly during playtime are the electrically lighted doll house which is completely equipped, the dolls and their wardrobe, the wicker cradle and maple double-decker doll bed, the bathinette and highchair. The kindergarten children sent a letter to thank her, Jean and Ann for their thoughtfulness and generosity in giving the toys to us for permanent kindergarten equipment.

Win the War — Save more fats in '44!

We're Marching Into Battle...

"There are nearly 200,000 of us here in Michigan... 200,000 dirt farmers and our families marching together. Our battle song is the whisper of the wind among the fruit blossoms, the rhythmic patter of rain on new green leaves, the humming of the tractor as its plow turns over the soft brown earth, the clatter of the seed drill..."

"Some of our weapons are new as the modern weapons of war, some old as the hills of Judea. For ours is a war that has no beginning, no end. Ours is the battle of food."

"Our sons, like yours, are off to the war of planes and tanks and guns and ships. Many of those who helped our fight now forge the weapons for these valiant sons. To feed them all, our battle must be won."

"To feed you here at home is half the task. To feed our fighting men, to aid our allies whose fields are drenched with blood, to make new friends in countries freed from hate... that, too, is half our task."

"We achieved the impossible last summer. Now we must do it again."

"Michigan, the Arsenal of Democracy, might well be called the Cupboard of Democracy, too. No state can match the variety of its foodstuffs, nor outrank it in so many products of the soil."

"We bow in grateful tribute to the food retailers in your own community who have matched our efforts with their own. From the smallest independent to the largest chain store, they fight their battle, too, against well-nigh hopeless odds."

"They bring you our luscious berries, cherries, melons, peaches, pears, plums and apples from our fruit areas... sugar from our beets, millions of gallons of health-building milk, cream and other dairy products for your children and war workers, golden honey, top-grade potatoes in abundance, poultry, eggs and meats from our farms... fresh vegetables in never-ending streams and much more packed in our canneries... peas and beans and tomatoes and body-building, vitamin-enriched root vegetables... carrots, turnips, beets... all from Michigan farms and orchards and processing plants."

"With their cooperation we face this new season. We face it uncomplaining and unafraid... with resolute courage and the will to win."

"We are marching into battle, we the farmers of Michigan—marching side by side with all who do battle on the home front that Victory on the fighting front may be achieved the sooner."

Richard A. MacRae Tosses Hat in Ring for Lansing Seat

"It does make a difference whom you send to Lansing," says Richard A. MacRae, candidate for the nomination of state senator from the first district.

We need men in our law-making bodies who by ability, experience and past achievements are especially qualified to render sound, timely judgment, and who will steer the

ship of state straight forward thru the rough waters of present day upheavals and unusual problems.

The biggest job ahead is still the winning of the war as speedily as possible! Detroit and Michigan are known the world over as the Arsenal of Democracy and as such we are meeting great problems day by day, but let's not forget that we will face the greatest test of all time when the conversion to peace-time production takes place.

It is our privilege as voters to select as your representative in the state senate the man whom you feel best qualified to represent your interest — Don't fail yourself by neglecting to cast your vote at the primaries on July 11.

Screen Argument Lands Man in Court

Fred Palmer, 825 Beaconsfield, was arraigned before Justice Joseph Belanger in the Park justice court last Thursday, on a charge of felonious assault. He was released on \$1,000 personal bond to appear for examination on Friday, June 16. The charge grew out of an argument over a screen on Wednesday

night, May 31. It is alleged by the complainant, Thomas Farrell, of the same address, that he was hit on the head with an iron bar by Palmer. Palmer alleges that Farrell hit him with his fist. The two men are neighbors at the Beaconsfield address.

Park police were called to settle the argument. A recommendation for a warrant was obtained and the same issued.

A WAR JOB IN YOUR OWN BACK YARD

Twenty-two million Victory Gardens are needed this summer!

So you've never tried to plant a garden? Now is the time to begin. Don't let the job scare you—it's easier than you think. If you follow the few simple rules pictured here, there's no reason why you shouldn't be successful. You'll be proud of the results . . . and the vegetables you grow will taste better than any you've ever eaten before!

Plan Your Garden **Choose Good Soil**

Fertilize Well **Use Basic Tools** **Keep Down Weeds**

Victory Gardens are a "must" this year. Last summer there were 20 million Victory Gardens flourishing across the country. This summer's goal is 22 million gardens. The more food grown by civilians, the more there will be for all of us. So let's pick up the shovel, the rake and the hoe, and start to work!

THE DETROIT EDISON COMPANY

America — *This is it!*

He's doing his part . . . We must do our part!

For him the terrifying grand climax of the war is at hand.

The supreme military risk—bloody, costly in American lives.

Our boys know this. They don't have to read the heart-rending headlines or casualty lists to know what is expected of them.

They are *in* it.

But they are not finching . . . not holding back.

They will see the grim venture through to the bitter, victorious end.

And if, for your boy, or some boy you know, the price of Victory is death, you can be absolutely certain that he did his part courageously . . . for the cause of Freedom.

For us, too, the terrifying grand climax of the war is at hand.

This supreme, desperate call for American dollars—*16 billions of them*—is to enable our fighting men to carry through the grim, bloody assault to a successful conclusion and Victory.

Not just American dollars—but the dollars in your pocket—in *your* savings account,

You *must* buy War Bonds—now! At least *twice* as much as you bought last time. If you are already buying Bonds on a pay-roll savings plan, buy **EXTRA** Bonds during this Drive.

Your Government is counting on you. Your boy—and your neighbor's boy—millions of *them*—are counting on you. Just as desperately as you are counting on them in this fateful hour.

► **Don't let them down!** Do your part—as they are doing theirs. Dig down, America—dig down deep! While there is still time. This is America's Zero Hour—Civilization's Zero Hour!

And here are 5 MORE reasons for buying EXTRA Bonds in the 5th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the Peace by increasing purchasing power after the War.
5. War Bonds mean education for your children, security for you, funds for retirement.
