## Spars, Star in Revue to Appear at Fox

The Detroit Coast Guard public relations officer announced today that arrangements have been completed for the Detroit engagement of "Tars and Spars," the Coast Guard musical revue. The stage unit will appear at the Fox theatre for a week beginning Friday, Sept. 15. Featuring Ex-Movie Star Victor Mature, now in the Coast Guard, the cast of the show is composed entirely of enlisted men and Spars of the

Coast Guard. Completed arrangements with the Fox call for the theatre management to underwrite the expenses of the show, and turn over a large percentage of the receipts to the Coast The Wac manual on physical Guard welfare fund. The purpose of

#### Marking the first time a musical revue has been produced by a naval unit, the show is also the first to

combine the talents of enlisted women as well as men of the armed forces. Twenty-eight singing and dancing Spars are numbered in the cast of 55. There will be no advance in admission prices for this service show,

and a motion picture program will accompany the stage show.

United Kingdom is Pfc. Martin Owens Jr., son of Mr. and Mrs. Martin Owens of the Detroit Leland hotel. Aircraft being ferried employ no navigators and the pilots often depend upon their wireless operators to keep them on their courses in the fickle English weather.

Owens graduated from Grosse Pointe high school in 1937 and was employed by the Parke Davis Co., prior to his induction into the service in October, 1942. He had basic training at St. Petersburg, Fla., and then attended the air force radio school at Sioux Falls, S. D. From there he went to Kelly Field, Tex.

Last October Owens came overseas to the European theatre and was assigned to a ferrying squadron. His organization is part of the ferry and transport service of the air serv-

The new pilot completed a course n twin-engine aircraft. He was assigned to Pecos from Gardner Field.

He is a former student of Grosse Pointe high school.

Fort Knox, Ky. - Upon compleion of an intensive nine weeks course in the maintenance and repair of the peeps and jeeps, scout cars and trucks that give the hard-hitting armored divisions their speed of movement, a class of qualified automotive mechanics had been graduated today from the armored school. Among the graduates was Pvt. Harold E. Mott of 759 St. Clair.

The soldier students receive thorough instruction in the theory of automotive mechanics and fundamental shop practice in the school's wheeled vehicle department. They studied actual engines, skeleton vehicles and visual aids of many types.

Practical repair and maintenance work was performed on vehicles in the field, working in wind, rain and other difficulties to give the students practice under battle conditions. Expert army and civilian instructors supervised work in shop and field.

The wheeled vehicle department is one of eight in the huge armored school, headed by Brig. Gen. P. M. Robinett, commandant.

> Dorr Field Arcadia, Fla Aug. 6, 1944

Dear Sir: This is to let you know that I've moyed again and I'm sending you

my new address so that I will not miss any copies of The Review. It really brings enjoyment, believe me. This field is more like a country club of the finest kind with a swimming pool, palm trees, beautiful lawns and the barracks are the best there are. It is a primary flying school and is the first start toward those wings.

In closing, let me thank you again for your kindess and generosity in sending me your paper every week. Sincerely yours, A-C Howard A. Lee

Great Lakes, Ill. - Among those graduating from an intensive course of basic engineering training at recent service schools exercises here was Herold F. Grunewald, 18, son of Mr. and Mrs. A. C. Grunewald, 907 Fisher road, Grosse Pointe.

This Bluejacket was selected for his specialized training on the basis of his recruit training aptitude test scores. Graduates from the 20 specalized courses taught here at the service schools are sent to sea, to shore stations, or to advanced, schools for further duty.

# DETROIT EDISON

Timely items concerning your electric service, suggestions about cooking, lighting and appliances, and many other things of interest and value will appear from time to time in "Edison Lines." Make "Edison Lines" a reading habit!

MAN-MADE WEATHER . . . Scientists haven't yet learned how to control the weather, but our Research Department has developed a machine that produces all four seasons of the year in just 24 hours. April showers alternated with sunshine, heavy rainstorms, freezing and thawing—all take place in cycles that are repeated daily. So when we want a paint that will stand up in all kinds of weather, or a plastic that won't warp out of shape if used outdoors, a sample is put in the "Weather-ometer." In 30 days' time it receives a buffeting equal to many years' service exposed to the elements.

TO TEMPT SUMMER PALATES . . . Our Home Service Department recommends this tasteful dessert:

Grapefruit Pie - Temp. 450 degrees, Time 15 min. 1/2 lemon (juice)

baked shell and top with meringue made of egg whites.

For the pastry use a standard pastry recipe, substituting

-1/3 cups grapefruit juice 3 eggs, separated (whites for

1 cup boiling water

3/4 cup sifted flour 1 tbsp. butter

Combine all the ingredients with the exception of the egg whites. Cook on "low" heat until thickened. Pour into

A MILLION DOLLARS AN HOUR . . . Combat munitions-tanks, airplanes, guns, engines, gas masks, airplane flight instruments, gliders, jeeps, trucks and ammunition (to name only a few)-are produced at the rate of \$1,000,000 an hour in the Detroit area. Electricity is the lifeblood of this tremendous production, and there has been no shortage of power for the operation of these plants. Accomplishments of manufacturers in producing the weapons of war are outstanding. One of our customers makes the Bofors 40-mm. anti-aircraft cannon, and in one year increased his output of these guns more than 30 times-3.000 per cent. Using automotive production methods, he cut the assembly time for one of these guns from 450 man-hours—the best record abroad—to 14 man-hours.

HOME CANNING AIDS . . . "Which canning method should I use for fruits? Is the Cold-Pack method better than the Hot-Pack? Is it possible to can without sugar? What is the difference between the various kinds of jars and jar caps?" . . . Answers to these and many other questions may be had from our Home Service Advisor. Consult any Detroit Edison office.

#### 'Cross of Lorraine' 'Thousands Cheer' French Underground Colorful Musical at the Aloma Theatre Story at Colony

"Cross of Lorraine" with an all male cast will be shown at the Col-

the suspense that goes with anything so dangerous.

In a much gaver mood is "Hey Rookie" wth Ann Miller and Larry Parks. This is another GI musical, something that Mr. and Mrs. America never seem to tire of.

#### Waves to Teach Navy Men Anti-Aircraft Gunnery

Waves are learning anti-aircraft gunnery at Great Lakes, Ill., so they, in turn, can show navy men how to plast enemy planes from the skies. This information was received rerecruiting for this area.

The navy is training 182 of these nery devices closely resembling acjected on a movie screen. The eventual assignment of these

women to training navy gunners clearly shows what a vital part day of victory, Commander Flechtesting work being done by Waves, and gobs of love for her gob. he pointed out.

Scores of other equally novel jobs are still open in the Waves for women, 20 to 36 years old, who have had at least two years of high school or business school.

Full information on these jobs may be obtained, without obligation, at any navy recruiting station.

#### War Chest Gifts **Explained** in Film

Quentin Reynolds, war correspondent, stars in the national war fund 10-minute motion picture, "Memo for Joe," which is being released to

Detroit theaters this month. In the picture Reynolds tells how contributions to the Detroit war chest are being spent both at home and overseas. He takes his audience into the trenches, to a German war prison camp, and to the devastated lands of Europe to show how the war chest helps GI Joe, merchant seaman, refugees and our neighbors

Stars appearing in the picture include Bob Hope, Frances Langford, Joe E. Brown, Roy Bolger, Gary Cooper, Mitzi Mayfair, Carole Landis, and Kay Francis.
