

POLIO CAUSES SCHOOLS TO OPEN LATE

Urge Residents To Revive Interest In Waste Paper Drive

During recent weeks the swift moving events in Europe and the Pacific have created tendencies on the part of wishful thinkers to ease up to a dangerous degree on home front war activities.

To date the WPB has not reported any noticeable letdown in waste paper collections and it is hoped there will be none because the waste paper situation remains acute.

POINTE PARAGRAPHS

by THE POINTER

Did you ever wonder what a "ship's husband" was? Possibly because a ship is traditionally referred to as a "she," the man in charge of a merchant ship at a foreign port is known as a "ship's husband." He acts as agent for the owner, looks to the proper equipping of the ship, makes repairs, procures and arranges freights and charters and keeps accounts.

The staff of The Review extends its well wishes to George Elworthy, director of the Neighborhood club, on his 25th anniversary tomorrow. We, in addition to a host of other well wishers, look forward to the many more years in which we know that George will continue with his fine work, helping out with the affairs of the community.

Congratulations, George!

Did you ever see a happier bunch of kids Monday when they read that the opening of school had been postponed for another week or ten days. However, when they stopped to realize the reason, the thought dulled their joyfulness.

Here is a story which we heard recently and which we think you will enjoy. A beer distributor, short of supplies because of the corn shortage, evolved a triple trade. Using a case of Scotch whisky as bait, he caught a thirsty grain dealer. The dealer, in return for privilege of buying the Scotch, sold a carload of corn to a brewer who promised to supply the beer made therefrom to the distributor. At last reports a miller had turned the corn into grits; brewer had his grits; beer dispenser will get his brew and grain man has or had his case of whisky.

Veteran of Twelve Air Missions Killed on Burma Front

The casualty lists for Michigan revealed this week of the death of Lieut. Ben G. Parsons, who was reported as killed in action on Aug. 23 on the Burma front. He was the son of Mr. and Mrs. Ben Parsons of 888 Pemberton road, and husband of Bette Cosgrove Parsons who is making her home with her mother, Mrs. Alvin Sherman, 700 Balfour road.

Lieutenant Parsons was a fighter pilot with the 88th Fighter Squadron. He was born in Houston, Tex., Sept.

LIEUT. BEN G. PARSONS

15, 1920, and was a graduate of Grosse Pointe high school. In his junior year at the University of Michigan engineering college, he entered the army air corps on Aug. 6, 1942.

This Grosse Pointe Park pilot graduated from advance air training and was commissioned a second lieutenant on Nov. 3, 1943 at Marianna, Fla. He was a veteran of 12 missions.

Park
All waste paper will be picked up by village trucks after it has been placed at the curb in the following manner:

Newspapers, fold flat and tie in bundles about 12 inches high.

Magazines, tie in bundles about 12 inches high.

Corrugated boxes, flatten and tie in bundles about 12 inches high.

Waste basket paper, pack down in a box or bag so that it can be carried.

Receipts in June were 596,000 tons, a drop of 26,000 tons from May's 622,000 tons or 71,000 tons short of the ten monthly quota. It is unfortunate that the monthly shortages continue, particularly at a time when military demands for paper products are increasing sharply.

Apparently the general staff is not of the opinion that the war is over, nor does the WPB believe that a sudden collapse in Europe would

Farms
All waste paper which includes newspapers, magazines, brown paper, cardboard and corrugated boxes, will be picked up on the regular rubbish collection days by men manning a separate truck. The paper, however, must be placed in a separate container other than the rubbish container. No sorting is necessary.

put an end to the need for continued waste paper collections as you will observe from the following quotations:

Officials of the WPB say: "We are now shipping every two weeks as much war material as we sent overseas in the year 1918. We are producing almost a half million tons of ammunition the last quarter of 1944. The critical need of salvaged paper for cartons and wrappings is in the same proportion to the critical need for a half million tons of ammunition. Paper salvage needs alone have not increased 1000 per cent. At no period of the war has there been a more urgent need for paper salvage than right now."

City
Place in bags provided by the City which picks up all salvagable material. Paper from the Park, Farms and City is taken to the City salvage plant for baling.

Salvage officials in Wayne county have commended on the fine attitude which residents of Grosse Pointe have taken towards salvage campaigns. In tin can pickups, the percentage is among the highest in the county and in the few waste fat drives, this same high goal has also been reached. The same can be said in the waste paper drive although a few exceptions have been found contrary to the tin cans and waste (Continued on Page 2.)

Flyer Receives Second Oak Leaf to DFC This Week

An 8th AAF Bomber Station, England. — Announcement was made last week of the presentation of an Oak Leaf Cluster to his DFC. This week Capt. George S. Smith, 22, of Grosse Pointe, pilot of the 8th air force B-17 Flying Fortress "Joker," has been awarded the second Oak Leaf Cluster to his DFC for "extraordinary achievement" while serving as air commander of AAF heavy bomber formations in aerial assaults on Nazi installations.

The award is the equivalent of a third Distinguished Flying Cross for Captain Smith, who also holds the Air Medal with five Oak Leaf Clusters.

The citation accompanying Captain Smith's most recent award reads, in part:

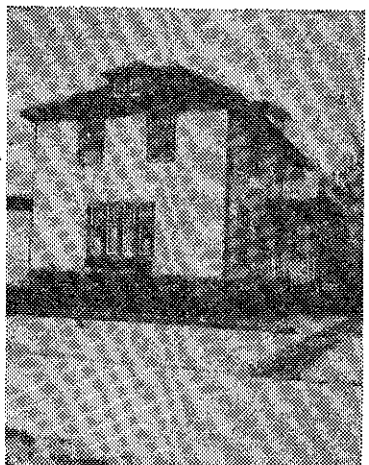

"Captain Smith demonstrated outstanding qualities of leadership in directing his formation to the assigned target in close defensive formations. . . . The marked professional aptitude and skill in combat displayed by Captain Smith under hazardous and dangerous circumstances reflect the highest credit upon himself and the AAF."

The Michigan flyer is the son of Mr. and Mrs. Thomas C. Smith of Grosse Pointe Shores.

September 1 marks the 25th anniversary of the appointment of George Elworthy as director of the Grosse Pointe Neighborhood club. During these 25 years, George has become one of the figureheads of all affairs which deal with the community.

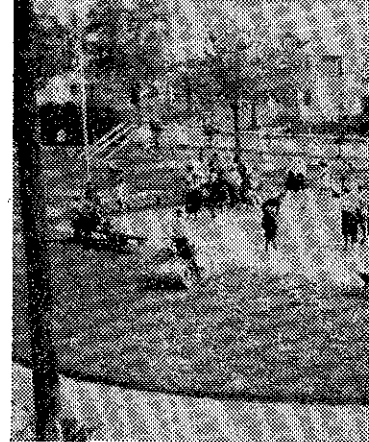

Mr. Elworthy first became acquainted with the work he has been doing for all these years when he was only a lad in Buffalo, N. Y., his home town. As with all young boys, George used to congregate with a group near a neighborhood community center and one day was asked to represent the club in a track meet. He was rewarded with a red and white ribbon: He won the boys inter-

THE OLD CLUB

PICTURED is the first Neighborhood club which was located on Oak street, next to the old Cottage hospital. It had its humble beginning approximately thirty-four years ago.

THE FIRST PLAYGROUND

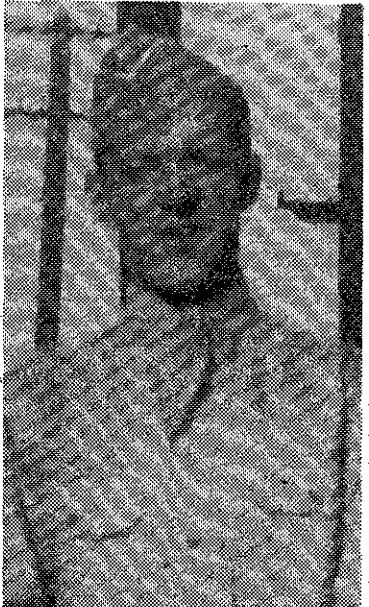

THIS WAS the first official playground in Grosse Pointe and was located where Kercheval runs through at Oak street. Organized games and other recreational activities were supervised here by staff members of the original Neighborhood club.

Pvt. J. Gordon Baker Wounded in Action in French Fighting

Mr. and Mrs. George A. Wilde, 1025 Nottingham, received notification last week that their son, Pvt. J. Gordon Baker, was wounded in action in France between Aug. 6 and 12.

Gordon wrote his parents that his

PVT. J. GORDON BAKER

wounds were limited to his back and they are not serious. He is convalescing in England after being evacuated by plane.

Private Baker is a graduate of Grosse Pointe high school, Jan. '43, and entered the army March 13, 1943. He received his training at Camp Joseph T. Robinson, Ark., in the infantry. He was sent overseas in October, 1943, to England.

Two Minor Fires

Grosse Pointe Farms fire department was called out twice last week for auto fires. Thursday, William E. Wright, 411 Moran road, was treated by firemen for burns on his hands received in putting out a fire in his car.

Saturday they were called to extinguish a blaze in an auto owned by Paul Maxon, 99 Moran.

Twenty-Five Years of Service

settlement 100-yard dash and was second in the 880.

From this beginning, Mr. Elworthy became increasingly serious with the work for young people. In 1916, building now located at Waterloo and St. Clair. He has seen his activities increase from the supervision of young people and adults' recreational activities on the grounds of the clubhouse, and at the summer camps to heading the local OGD.

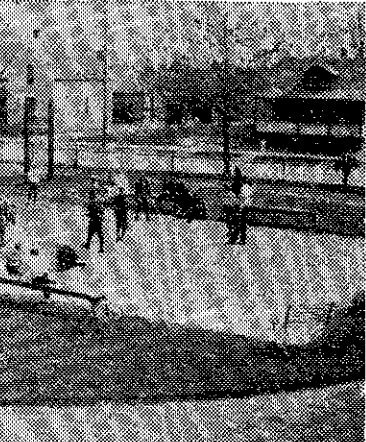

The scrap books of the old and new Neighborhood club are evidence of the accomplishments of Mr. Elworthy. Pictures show him supervising children at play with the swings and teeter-totters, coaching girls' and boys' basketball and baseball teams, directing various community affairs, such as the Halloween celebrations, OGD activities, blood banks, USO parties as well as the welfare activities in the Pointe.

Known as a "well boss" by the staff of the Neighborhood club since 1919, he is also respected by civic and governmental leaders and residents of the community. He takes a broad view of life and is tolerant and charitable in his opinions and his high sense of personal honor has

he came to Detroit as chief supervisor of the boys' department of the Wayne county juvenile court under Judge Hurlburt. The following year he entered military service.

After his discharge from the army in July, 1919, he went back to the court as a special officer under the judge and on Sept. 1, he came to the Neighborhood club, then about nine years old.

George Elworthy has seen the Grosse Pointe establishment grow from a small clubhouse, formerly a Grosse Pointe Farms residence on Oak street, to a two-story brick

THE CORNERSTONE for the new clubhouse located at Waterloo and St. Clair, Grosse Pointe, was laid in 1928. The two-story brick building contains a large gymnasium, individual club rooms, reading rooms and smaller recreational rooms. It has been used daily by the children and adults of the community.

TODAY'S PLAYFIELD

TODAY'S playground at the Neighborhood club consists not only of playground equipment but also tennis courts, a spacious football field and small swimming pool. It is used by the children of the neighborhood and Pointe school teams.

Copy Deadline
Due to the holiday, The Review requests that all church, school, club and social notices BE IN the office not later than tomorrow noon, Friday, and all news copy not later than Saturday noon in order to insure publication in the issue of Sept. 7.

Petty Thefts Occur in Park Last Week

Last week a series of petty thefts took place in Grosse Pointe Park. Wednesday, Edward Lee of 15406 Mack avenue, reported his bicycle had been stolen.

Saturday night, Gilbert Hoskin, 1403 Yorkshire discovered that his spotlight had been taken from his car. Charles Wade, 1136 Maryland, reported his hub caps stolen. A second spotlight was stolen from the auto of A. B. Cronk, 848 Beaconsfield on Sunday.

Vanco Machine Sponsors Second Annual Picnic

The second annual picnic sponsored by Vanco Machine and Engineering and the Holland Manufacturing company, will be held next Sunday, Sept. 3, at Bayern Park, 16-Mile road near Mound.

Officials planning the picnic have promised sports events for everyone, as well as music, dancing and refreshments. The families of all employees are urged to attend.

Ransack Fruit Cellar

Mrs. Blanche Gano, 1096 Beaconsfield, found that her fruit cellar had been ransacked between Aug. 20 and 25, and various cans of fruit were stolen. She told police that an attempt to raid a neighbor's fruit cellar had been made.

Report Five Cases Here; Park Closes Swimming Beach

On Aug. 28, the Grosse Pointe township board of health passed a resolution recommending to the local board of education that the opening of schools be delayed one week until Sept. 18. On Aug. 29, the local board of education, acting upon this recommendation, formally announced the postponement of the opening of schools until that date.

Two more cases of polio were reported this week; one each in the

Residents Request Action on Bedford-Essex Traffic

A group of residents from Bedford road in the vicinity of Essex attended the Park village meeting last Monday night with a request that the commissioners do something about speeding and reckless driving which has been prevalent in their neighborhood for some time.

They asked that the intersection of Bedford and Essex be made a four-way stop corner and signs be posted to that effect. One spokesman said that the reasons for these demands was for the safety of their children. Young teen age boys and girls have been seen racing up and down the street, turning the corner on two wheels. Delivery trucks have been known to exceed the speed limit of 20 miles per hour continually, while automobiles are often crashing into each other.

After the commission and village manager heard the complaints, they said that a survey will be made to determine if the intersection should be made a stop street. They promised that police will patrol this section more frequently and try to put an end to the reckless driving.

To avoid delay, the village manager, police chief and police commissioner were empowered to act as soon as results are known.

Village Manager Reports Activities for Past Fiscal Year

The Park village manager, E. B. Lane, presented a report covering the fiscal year April 1, 1943 to March 31, 1944 to the village commission last Monday night.

Highlights of the report follow: A cash surplus of \$48,758.98 exists in the general fund; economies of operation, reduced personnel, collection of delinquent taxes over budget expectations, major repairs and equipment not consumed, were important factors in maintaining the surplus.

During the fiscal year, the village retired \$118,000 of its bonded indebtedness and of these bonds the village held in its sinking fund, \$100,000. The general fund reduced its debt to the sinking fund by \$118,221 leaving a balance of \$16,551 due. This amount will be paid off during the next fiscal year.

Approximately three and a half miles of village streets were resurfaced with asphaltic concrete; 20 miles were repaired including crack filling, patching, and seal coating; 12,500 square feet of sidewalk; 1,800 feet of driveway, and 500 lineal feet of broken curbing were repaired.

In the rubbish and garbage departments, 4,200 cubic yards of garbage was collected and disposed of at a cost per capita of \$1; 13,000 cubic feet of rubbish was collected at a cost of \$1.57.

Fire loss in the Park was reduced 78 per cent. From a figure of \$34,439 in 1942-43 to \$7,561 in 1943-44. There were 289 fire alarms as compared with 212 the previous year. Reason for a decrease in the fire losses is due to more stringent inspection of buildings; improved fire prevention methods and elimination of fire hazards through co-operation with residents.

Traffic accidents for the fiscal year dropped from 278 to 211; 61 accidents resulted in injuries while there was one fatality. Police scout cars traveled 162,299 miles.

Mr. Lane was complimented by the commission for his report and it was recommended that it be published in pamphlet form and distributed to Park residents in the near future.

Farms and City. This brings the total number of cases to five.

The orientation program for pupils and parents in the Pierce Junior high school and the Brownell and sent high school announced for Friday, Sept. 8 will be held Friday, Sept. 8.

The action of the township board of health was taken after word had been received that similar recommendations had been made by practically all the boards of health throughout Wayne county and many in Oakland and Macomb counties.

All parochial schools will also open on the 18th.

At a special meeting of school superintendents called on Aug. 28, Dr. Bruce Douglas, Detroit city health officer, and Doctor Littlejohn, director of health for Wayne county, read a joint statement from health commissioners throughout the area calling attention to the fact that the polio situation had reached a point where it could be considered a mild epidemic and that while the situation was by no means of a major epidemic proportion every precaution should be taken not to excite further spread of the disease.

Because of this, swimming at the Park's waterfront park has been halted; no action has as yet been taken by the Farms or City.

Dr. Thomas S. Davies, Grosse Pointe township board of health rector, called the superintendent of schools on Aug. 29 and said that he felt that under the circumstances was advisable for Grosse Pointe to co-operate with the rest of the county. Both the board of education and the board of health in Grosse Pointe have generally taken the position (Continued on Page Two.)

Pfc. George Downey Killed in Action in France on August 6

Word was received from the war department on Monday, Aug. 21, that Mr. and Mrs. George Downey, 1156 Beaconsfield, Grosse Pointe Park, to the effect that their son, Pfc. Gordon L. Downey had been killed in action in France on August 6.

Private Downey was an infantryman and died on his 20th birthday.

PFC. GEORGE L. DOWNEY

Private Downey grew up in the Park, attended Defer school, Pierce Junior and the high school. He enlisted Sept. 2, 1943, before he graduated. After his basic training, he was sent overseas in June, 1944, first to Scotland and then on to England.

Memorial services for Private Downey will be held Sunday night, Sept. 3, at seven o'clock at Grace Evangelical and Reformed church, Kercheval and Lakepointe.

Surviving are his parents; brother, James (Skipper) 13, who attends Pierce school.

Ask Businessmen to Attend Meeting

All heads of business in the Grosse Pointe area are invited to attend meeting at the Neighborhood club, 17145 Waterloo, Grosse Pointe, near Thursday night, Sept. 7, at eight o'clock.

This meeting is in the interest of public safety and the protection of property. There will be a discussion of plans for a united closing of business establishments (other than those engaged in war production) in the event of a sudden end of hostilities in Europe.

"WE LEAD, OTHERS FOLLOW"

DUE WARNING WAS GIVEN

More than a year ago when the Park village commission contemplated a reduction in personnel of the police department, THE REVIEW called the fact to the attention of residents and pointed out the dangers in elimination of safety services therebefore offered by the department. Unmindful of the safety feature, the commission, in the interest of "economy" reduced the personnel. (Village taxes were not lowered... where was the economy?)

Again this year, in the face of wartime conditions, the Park solons were discovered in the process of engineering another "economy" coup in another cut in the police force. Once more, THE REVIEW came to the front with advance warning to residents that more public safety services of the Park were to be eliminated. The department was subsequently pared down some more on June 1... again, according to the commission in the interest of economy. (Village taxes were not lowered... where was the economy?)

MEANWHILE... the wave of robberies goes on unabated. The current force has handled the situation to the best of its ability, but has felt the pinch in manpower more than Mr. John D. Public realizes, or is told. Almost any hour of the day or night... one lonely squad car is on patrol over the several square miles of streets in the Park... manned, usually by ONE and only ONE officer, or patrolman. Those who travel the streets of the Park tell us that days and even weeks pass in which they fail to see this lonely arm of the law. A rather handy situation for burglars, isn't it?

A state of semi-hysteria has arisen in certain sections of the Park which have been most frequently "touched" by breaking and entering... and rightfully so.

The police chief and his staff of officers and detectives are doing their best with a regrettable situation. It is not their fault. And, it will not be their fault if one of the little school children's run down crossing the street, because they lacked sufficient men to place on the dangerous corners.

The responsibility lies with the village manager, whom we are told, recommended the "economy" measures, and with the village commission which put them through. We have told them what we think of their particular brand of economy and you can too!

FORM NEW LAW FIRM

Announcement is made of the formation of the firm of Beauchamp, Potter & Louisell, to engage in the general practice of law. Messrs. George A. Beauchamp, Woods commissioner; John L. Potter and Joseph W. Louisell, all former assistants prosecuting attorneys of Wayne county are the members.

Boy Given Warning

A youth of Whittier road, who was shooting from a second story window at a target in his backyard was reprimanded by Park police.

Announce Troth of Former Pointer and Easterner

Mr. and Mrs. Harry Augustus Etheridge Jr., of New York City and Atlanta, Ga., announce the engagement of their daughter, Rene Terrell Etheridge to PC Don George Booth, son of Squadron Leader and Mrs. Harold Harman Booth of Grosse Pointe and Ottawa, Ont., now of the RCAF in Ottawa. Cadet Booth attended Grosse Pointe high school, Lisgar Collegiate, Ottawa; and McGill university, Montreal. Miss Etheridge attended Sweet Briar college, Va., and the Katherine Gibbs school, N.Y.

The wedding will take place Sept. 9 in St. Thomas church, Fifth avenue, New York City, with the reception following at the St. Regis hotel, the home of the bride. Cadet Booth is stationed at Pendleton aerodrome, Ont., where the couple will reside.

Squadron Leader Booth is a prominent aviation artist and has just returned from overseas where he has been a war artist in the theatres of action, this art work to be a part of the permanent collection of the archives of the RCAF. He is the author of three books on aviation.

Joan Weidman Gives Garden Party Wednesday Night

Joan Weidman's home on Fisher road was the scene of a summer garden party last Wednesday night. Some twenty young people had a grand time dancing under the stars. The air was cool but the glow of pretty lighted jack-o-lanterns and colorful decorations gave warmth to the evening. Games were played and afterwards a barbecue and other refreshments were served.

Fall Term of Peace Christian Day School to Start Sept. 5

The Rev. Enno G. Claus announces the opening of the fall term of Peace Christian Day school on Tuesday, Sept. 5. "The purpose of the school," said Pastor Claus, "is to offer children of the community daily instruction in the Bible and Christian living, along side of the customary instruction in all courses from the kindergarten to the ninth grade. Special courses in art and music will also be offered this year. Registration for parents and children will be held from 9:00 a.m. to 12:00 noon on Tuesday, Sept. 5." For further information call the pastor or E. A. Franke, principal of the school.

Pongracz Addresses Rotary Club Monday Noon

Edw. J. Pongracz Jr., well known local jeweler, was the speaker before the Grosse Pointe Rotary club at their noon meeting at the Whittier last Monday. He gave an interesting account of the history of timepieces and brought it up to date by outlining the tremendous contribution which the watchmaking industry is making toward equipping our armed forces.

FORMER PIERCE JUNIOR TEACHER TO RECEIVE DOCTOR OF PHILOSOPHY

Ohio State will confer the degree of doctor of philosophy on Ernest R. LaFollette at the summer convocation tomorrow. Mr. LaFollette will be remembered as a social studies teacher at Pierce Junior high school prior to 1943.

Park to Purchase Welding Machine

The Park commission authorized the village manager to purchase an arc welding machine at an approximate cost of \$280.

The equipment will reduce the expenses involved in repairing of light poles which at the present time requires about 90 days for repair by Wayne county.

Tips on How to Prepare Exhibits for Victory Harvest Show, September 9-10

An exceptional number of exhibitors are expected to compete in the various classes in the amateur Victory garden section of the forthcoming flower, fruit and vegetable show to be held Saturday and Sunday, Sept. 9 and 10, 1944, at the Neighborhood club, Grosse Pointe.

The sponsoring society is the Grosse Pointe and Eastern Michigan Horticultural and, co-operating in the Victory garden section, will be the Grosse Pointe Victory garden council.

Many amateurs will be exhibiting

Republican Women Making Plans for Election Campaign

A group of Republican women met at the home of Mrs. Edwin Krieghoff, of Nottingham road, Tuesday afternoon, Aug. 29, at 3:30, to discuss, over a cup of tea, plans for the coming presidential campaign.

Arrangements were made for the September meeting of the Women's Republican club of Grosse Pointe and for the house to house canvass for a checkup on registrations for the Nov. 7 election. This canvass will take place the first two weeks in October.

Mrs. Dudley Hay is being sent as a delegate to the national convention of Women's Republican clubs of America to be held at Louisville, Ky., Sept. 7 and 8. Thomas Dewey will make his first speech of the campaign at this gathering.

Those who attended were Mesdames George Pillsbury, Charles Crouse, Benjamin Shepherd; Alfred Whitaker, Otto Lundell, James S. Holden, Edgar Fink, Kenneth Thomas, James McEvoy, H. L. Lipski, Wilbur Brucker, Julius Huebner, Douglas Crane, Lewis Smart, Stanley McKenzie, Theodore Osius and Fred T. Murphy.

Neighborhood Club Summer Day Camp Ends This Week

The Grosse Pointe Neighborhood club is bringing to a close a very successful 10-week summer day camp, which has been under the personal supervision of Miss Pauline Masak, director of girls' activities. More than 150 boys and girls ranging in age from seven to 10 years, living in Grosse Pointe and vicinity paid 25c and enjoyed the fun and pleasure of the camp.

The program outlined by Miss Masak consisted of sports, activities, hikes, group games, and contests. Some special event every week was featured by Miss Masak. Instructions in handicraft, jutecraft and woodcraft proved interesting to the boys and girls. Many articles of value were made by each child, such as coin purses, book marks, belts, ration book holders, all of which were made of leather. Whistle cords, key cords, bracelets, belts, and riding crops were made from leatherette; and many attractive pieces were molded from pottery.

The special events arranged by Miss Masak were the peanut hunt, roller skating contests, construction of a miniature Indian village, and the holding of a pow wow, a pet show, better neighborhood week expressed by a Mexican fiesta, bicycle parade, minstrel show, treasure hunt, and a circus in the final week.

Throughout the day camp period, day campers competed in sportsmanship, co-operation and best attendance. Those presented with sportsmanship awards were Dick Craig and Shirley Griggs. Eleanor Stephan and Douglas Smith received the co-operation awards and the following were presented with best attendance awards: Donna Graham and Jean Cole, 27 days; Robert and David Sowersby and Douglas Smith, 25.

Much credit for the success of the day camp program is due to the people who assisted: Mesdames Dorothy Carrington and Louise Skelly; the Misses June Fox, Peggy DeTomasi and Barbara Kennedy, Marygrove college students; Miss Alice Pettibone, Wayne student. The mothers whose assistance was invaluable were the Mesdames George Thomson, Robert King, Byron Runde, Ed McKernon and John Wardle.

New Prescription Store Opens Today

Announcement is being made of the opening today of Wilson's Prescription store, 13833 E. Jefferson near Alter road. It is to be operated by Charles H. Wilson.

Mr. Wilson is well known on the East Side, having formerly been associated with the Kercheval-Wayburn store of the Saylor Drug company for 13 years, the Henry Ford hospital for four years and the A. J. Pharmacy for three years.

The Wilson Prescription store will be operated as an ethical store, specializing in prescriptions and supplying doctors and hospitals with their needs.

for the first time and it is most important that their list of entries should reach the general secretary of the show (William P. Thomas, 138 Grosse Pointe boulevard, Grosse Pointe Farms 30, Mich.) not later than Thursday, Sept. 7. This will greatly assist the show management in arranging for necessary space.

Another equally important thing to remember is that all exhibits must be in place for judging by 12:00 noon Saturday, Sept. 9.

The Grosse Pointe Victory garden council have just released "Tips on Best Ways to Show Crops," which the novice will find most helpful—as follows:

"The most important thing that an amateur exhibitor can do is to read the schedule through and then re-read it. If a class calls for five specimens do not show six; such an entry will be disqualified. Show exactly what the class calls for, no more, no less.

"If more than one specimen is asked for, have the vegetables uniform in appearance; this applies to color as well. The largest specimen isn't necessarily the best.

Condition in a vegetable means that it should be edibly mature and fresh, clean, bright, smooth and free of all injuries and blemishes.

To prepare root vegetables for showing it is wise to follow a few rules: Use a soft brush to remove the fine soil particles from the skins of the vegetables. Beets and carrots may be washed in water using your hands or a soft cloth—but don't scrub them with a brush. Potatoes should be brushed gently, but not washed. Do not wash beans or any other vegetable which has a dull surface. Eggplant, cucumbers and green peppers are better wiped with a damp cloth than washed.

Some authorities suggest that tomatoes be picked ahead of time and be allowed to ripen in the house, although this is not a rule.

Enter the show for the experience and the fun of competition."

Pioneer Business Man to Be Buried Tomorrow Morning

Funeral arrangements have been completed for one of Grosse Pointe's pioneer businessmen who died Monday in Mount Carmel Mercy hospital. He was William B. Mondry, 375 Fisher road, owner and operator of Mondry Cleaners on Fisher road.

Memorial services will be held tonight at the Verheyden Funeral home by fellow members of Alger Post 995, VFW, of which he was a member. Mr. Mondry was born in Austria on March 15, 1895.

Funeral services from the Verheyden funeral home, Mack avenue at Outer Drive, at 9:30 tomorrow morning, with services at St. Paul's church on Lakeshore Drive at ten o'clock. Interment in Mount Olivet cemetery.

Weekly Happenings With the Residents of Gratiot Township

Several policemen and firemen from Gratiot township, members of Spirit 44, Metropolitan Club of America, attended the dance sponsored by Spirit 33, of the same organization, at the American Legion hall in East Detroit last Saturday night. The party, under the direction of John Kerre of the East Detroit fire department was a success. Officers and firemen from all the neighboring townships attended. The music was furnished by George Kavanaugh's orchestra.

John Jackson of the East Detroit postal employees won a bedspread raffled off by the ladies' auxiliary.

As if to verify the need of those new fire hydrants in Chatham village, an overheated water heater set fire to the basement of the Perry Allagreen home at 18705 Kenosha Sunday morning. In extinguishing the blaze, firemen had to use a lot of hose. However, the fire was confined to the basement. Estimated damages totaled \$750. The residents were absent from home.

A passerby attempted entrance to lend his aid. According to Harry Seitz, fire chief, the fact that all windows and doors were closed kept the loss at a minimum. He asks the residents to notify the fire department of any blaze and let them take care of it.

Robert Turrill, age five, 19936 Elkhardt, dashed into the street from behind a parked truck, into the path of a car driven by Charles Sparks of Colorado Springs. The driver was released after police questioning.

The boy was taken to Saratoga hospital and later went home. Charles Mallard, fire captain, has been appointed as chief of police of Gratiot township.

- WASTE PAPER -

(Continued from Page One.)

Neil Blondell, chairman of Grosse Pointe salvage, said recently, "Although our paper plant has been handling waste paper for years, we still find 1940 and 1941 newspapers coming in on the trucks. I urgently appeal to all residents to clean out their basements for all their paper immediately and not wait until they have a sizeable collection. Every scrap counts, put it where our men can pick it up when they pick up your rubbish."

Harry Furton, Farms clerk, said that the people of that village are co-operating in the drive. Rubbish collectors find very little waste paper in the rubbish. Instead the paper is separated and tied in bundles. He urges that the residents continue this practice.

In the Park, the village manager urges residents to keep up the record which the three municipalities are establishing and place their waste paper and cardboard in separate bundles on the curb on regular collection days. Although the Park has the largest population, it has trailed the Farms and City to date.

- POLIO -

(Continued from Page One.)

that it was not advisable to close schools in an epidemic after they had started operation since children are under favorable conditions for observation while in school but both Doctor Davies and the township board of health, as well as the board of education, agreed that it was not advisable to increase the number of group contacts that children would make.

According to reports of Doctors Douglas and Littlejohn, there were, as of Aug. 26, 165 cases of polio in Wayne county. Only five have been reported for Grosse Pointe. Of the 165 cases, however, by far the greater proportion were children of school age, or, more specifically, between the ages of five and 14. Acting upon this information and the recommendation of the township board of health, the local board of education felt that it was probably desirable to withhold the opening of school until Sept. 18 as is being done generally throughout the county.

School Staff to Meet As Scheduled—

This arrangement as far as the children are concerned will not change the plans of the board of education for the opening conference of teachers, custodial and office employees of the system for their planning conference opening on Sept. 5. Dr. Paul L. Essert, superintendent of schools, stated that there was much to be done by the regular staff during the week that the children will not be with the teachers as scheduled; that is the week of Sept. 11 through 15.

One re-arrangement that will be made, according to the superintendent, is the advancing of gas rationing dates to Sept. 13 and 14. Since the staff of the schools is going to have to handle this problem and provide the service for gas rationing and since it is generally necessary to close schools for this service, it can now be moved into the week when teachers will be free of their classroom responsibilities. These dates for gas rationing have been approved by the OPA and will be the same throughout the metropolitan area.

A further need that can be met during this week, continued Dr. Essert, is the opportunity for home-room teachers to visit the homes and the parents counseling with them about the year's work of the children in school.

"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thy heart that God hath raised him from the dead, thou shalt be saved."—Rom. 10:9.

Pfc. Frank R. Rossi, son of Mr. and Mrs. Joseph Rossi of 844 Notre Dame, spent a recent 21 day furlough with his parents after being away for 21 months. Frank enlisted in 1942 and left for Fort Custer Sept. 4. He was there for several days after which he was sent to Camp Robinson, Ark., where he received about two months training. He enlisted for the signal corps was transferred to the quartermasters corps and then finally assigned to the engineer corps where he has been ever since. After his two months training in Camp Robinson he was moved to Fort Lawton, Seattle, Wash. From here he was sent to the Aleutians for 18 months.

Frank is now stationed at Fort Leonard Wood, Mo. He is undergoing additional training which will last for eight weeks.

Jean Margaret Cook, daughter of Mr. and Mrs. Oliver M. Cook, of Beaconsfield avenue, is now in government service as a nurse's aide in McCloskey hospital, Temple, Tex.

Lieut. H. Zens has been transferred from Fort Myers, Fla., to Landis, Tex.

William Dausbury and son, Louis, of Mapleton road, Grosse Pointe Farms, returned this week from visiting William Jr., a cadet midshipman at Kings Point, N. Y. William has been in service since June, 1942.

Headquarters, European Theater of Operations. — Up the wide gang-plank of the white hospital ship the walking wounded from Normandy moved slowly, looking curiously at the slim nurses standing on the decks, the long rows of lifeboats, and the crisp American flag flying in the brisk English wind.

The nurses smiled at the bandaged men, and the men smiled back. As they entered the ship, soldiers were ready to guide the patients to their beds, where they found deep mattresses, smooth fresh sheets, fleecy blankets, comfortable pillows. There were broad aisles between the bunks; nurses and ward attendants moved up and down the aisles with warm cups of coffee, cocoa, or tea, and words of friendly greeting.

Men on stretchers and crutches, and men with heavy casts on their legs, entered the brightly lighted wards. Some, remembering the mud and darkness of Normandy, shook their heads and called across the aisles to friends: "Some ship!" Others asked the U. S. army's perpetual question: "When do we eat?"

"Pretty soon now," nurses told them. "And from now on you'll get all the fresh milk you want, and plenty of ice cream."

The procession of injured Americans, homeward bound for treatment in hospitals near friends and families, traveled rapidly to the decks of the glistening ship. Supervising the flow were Lieut. Col. Wylie M. Faw, of Cambridge, Md., commander of the army personnel; Col. John H. Nauman, of Martin's Ferry, Ohio, the port surgeon; and Maj. James A. Pyne, U. S. medical embarkation officer, of Wyoming, Pa.

Included in the hospital ship's complement is Second Lieut. Hugh E. Ruthven, 622 Lincoln road, Grosse Pointe.

At a 12th AAF B-26 Marauder Base. — Henry L. Klink, 960 Nottingham road, Grosse Pointe Park, has been promoted to corporal. A squadron operation's clerk, he has been overseas 12 months with a presidentially decorated B-26 Marauder group.

Corporal Klink wears the Distinguished Unit badge with oak leaf cluster for the two citations of his unit — the Mediterranean's oldest medium bomb group. President Roosevelt ignored the Marauders for the accuracy and destruction of attacks on the Rome and Florence rail yards.

Pvt. Lloyd Allard left Friday night for Crile general hospital, Cleveland, Ohio. He spent 21 days with his wife, son and mother at 307 Moross road, Grosse Pointe Farms.

Pvt. Julian Insho, formerly stationed at Camp Kilmer, N. J., has been transferred to Dansville, Ill., in veterans administration.

RETURNS TO BASE
S2C William Elworthy, son of Mr. and Mrs. George Elworthy of Mapleton road, has returned to his base after spending a two week

leave with his parents. He returned to this country after spending many months in the South Pacific where he witnessed the battles of the Gilberts, Marshalls and Saipan. He entered service Jan. 7, 1941.

Headquarters, 13th AAF, Southwest Pacific. — Yap Island was left a smoldering mass of wrecked installations when bombardiers on the 13th AAF's big Liberators carried out one of the most successful missions of the war over that Caroline Islands base recently.

Four Michigan bombardiers took part in the strike, made by B-24s of the 13th AAF's famous "Long Rangers" group. With pin-point accuracy they helped crater Yap's airdrome into uselessness, destroyed and damaged shops and warehouse buildings, and demolished a fuel storage dump.

Pilots reported that one of several fires set in Yap's vital areas was visible 75 miles from the target.

The strike, made from advanced Southwest Pacific jungle bases, was a dawn-to-dusk mission of more than 2,000 miles without fighter protection. Not a single Zero came up to intercept when the bombers roared over.

Among the bomber crews was Second Lieut. Charles A. Scott, 21, of 633 Neff road. He is a graduate of Grosse Pointe high school and Middlebury college, Middlebury, Vt., and has been overseas since April, 1943.

Pfc. Arnold J. Champine arrived in Philadelphia, Pa., last Friday from overseas, for a visit with his wife and a son whom he had never seen. He is now in the Farms visiting his parents, Mr. and Mrs. Frank Champine of 119 Oak street. He was station at a hospital in Wales for the past nine months.

I Am a Wac

by LIEUT. FREDDIE BOYLE

When a Wac gets a V-mail letter with the vague heading "somewhere in Australia" it gives her a keen envious feeling and arouses once more that desperate longing to get in on the overseas excitement. To show you what we mean here are bits from a long letter dated 8 June 1944:

"I had wonderful trip over, and wasn't the least bit seasick. They did everything they could to make our voyage pleasant — dances every night, movies, shows put on by the GIs. It was like a pleasure cruise.

"When we arrived in Australia, we got a wonderful reception. Besides having a band there was a huge floral wreath with 'Welcome Wac' on it, and as we rode through town to our camp the streets were thronged with people waving and cheering. There was a big welcoming dance, and the GIs mobbed us, some of them not having seen American girls for over two years.

"We have nice living quarters, little huts, six Wacs to each one with scatter rugs and large mirrors, laundry buildings with irons supplied by the Red Cross, and beautiful scenery all around.

"I work in town, and take the tram each morning. It never bothers to stop so I have to jump on while it's moving. After riding about twenty minutes I jump off, eat breakfast, and go to my office. I have a very interesting job and I love it. It's very hush-hush and vital, and it's just the sort of thing I wanted.

"I'm with a very nice bunch of girls, and have two good friends

whom I pal around with, Sandy and Kaye. We're the three musketeers, or something.

"It's such an adventure being here. I'm so very glad I joined the Wac. How else would I ever have gone to Australia? I expect to be going other places before I return to the states, so between my fiance and me, we ought to have plenty to tell our children."

ARE ALL DRY CLEANERS ALIKE?
The Answer is "NO!"
There is as much difference in the quality of dry cleaning as there is in the quality of the clothes sent in to be cleaned! If you have been dissatisfied with other cleaners, we suggest that you try Supreme's "Superior" methods. Perhaps you did not know that here your clothes get the same thorough cleaning, careful pressing and rigid inspection that they received in prewar days.

WINDMILL POINTE TAILORS
Men's and Ladies' Suits tailored to order—Alterations, relining, cleaning and pressing
Fred M. Schuman Established 1925 We close evenings at 7:00
14931 East Jefferson at City Limits

Confused loyalties in our day are cause of much unhappiness and worry. There is loyalty to country, ally to friends and family, loyalty principles, and above all, loyalty one's religion and one's God. You are invited to hear the Rev. Enno G. Claus' Sunday sermon on the subject of "Loyalty." It is drawn from classic Scripture account of Daniel and will be presented in both the 10 a.m. and the 10:45 a.m. services. Peace Lutheran church, East Warren and Balfour. Sunday school all ages is at 9:30 a.m.

"Man" will be the subject of the lesson-sermon in all Christian Science churches throughout the world on Sunday, Sept. 3. The Golden Text (Psalms 65:1, 4) is: "Praise waiteth for thee, O God, in Zion: . . . Blessed is the man whom thou chooseth, and causest to approach unto thee, that he may dwell in thy courts."

This coming Sunday, Sept. 3, the pulpit will be occupied by Vicar Linder who will use as his theme, "Why Work?" You are cordially invited to be with us at both the service of worship and at Sunday school. Labor Day will mean a few days of rest for some of us. It would be well if on one of those days we took a little time to worship our Savior in the Lord's house.

Enrollment at Marygrove will be the largest in the history of the college when the fall semester opens Sept. 19, with heaviest upperclass registration in sociology, home economics, chemistry, psychology, and economics, according to information obtained from the registrar's office this week.

The Review welcomes contributions for publication. However, as evidence of good faith, all articles must be signed. Names will be withheld upon request.

Freshmen who have completed pre-registration requirements include students from eight states and one foreign country, with 37 cities in Michigan; 10 in Ohio, and six in New York represented. One student from Costa Rica will enroll in September. Other states to be represented among the Marygrove freshmen are Indiana, Pennsylvania, Massachusetts, Florida and Maine.

According to an article in the edition of The Review, Aug. 3, Woods chicken raisers stand indicted for creating a nuisance. The specific complaints are that the chickens attract rats which dig up gardens and eat vegetables (a heretofore unheard of variety of rat, by the way). Also, the crowing of roosters is objected to.

American Legion AUXILIARY

All unit members should keep Sept. 12, 1944 in mind because that is the date that nomination and election of officers for the coming year will be made. We should be thinking of who we want to fill the different chairs — officers who will continue in the footsteps of those who are doing, and have done such a good job in years past. Let's all turn out for this important meeting!

We are sorry to report that Viola Dunn is on the shut-in list and is really quite ill. A lovely plant has been sent to her by the unit, but cards always help so much when one isn't feeling well. You can send them to Vi at home.

Reports say that all of our unit representatives, Mary DelBarbara, Betty Hoyt and Alice Marrs had a grand time at the convention in Grand Rapids — and — we also hear that Mary (who lost a brand new hat while there — which isn't so good!) was made chairman of the rehabilitation committee. Lil Knoff represented the unit musically by appearing at Grand Rapids with her drum corps.

September 17 is American Legion Day at the USO in the Michigan Central depot — anyone who cares to help out our boys in uniform, can leave a cake with either Elva Nielsen or Mary DelBarbara before that date. By the by — the more who turn out to help at the depot that day, the better!

...put your Victory Garden under glass!

Despite drought and hot weather, thousands of Victory Gardens are now rewarding their owners with abundant produce. Now is the time—when you are reaping the harvest—to put aside part of it for your winter needs. "Eat what you can, and CAN what you can't" is a good motto!

To help you fill your shelves with home-canned fruits and vegetables—and to show you how easy home canning really is—actual demonstrations are held each Wednesday, Thursday and Friday at the EDISON CANNING CENTER in neighborhood Edison offices. Here you can get help and advice on all your canning problems. Canning bulletins and charts are available free of charge, and also information on dehydrating and quick-freezing of foods.

Visit the EDISON CANNING CENTER. It will be open three days a week, all through the canning season, on the following schedule:

Every Wednesday, Thursday and Friday from 10 to 5 at these locations:

DEARBORN OFFICE.....22010 Michigan Avenue near Wayne
GENERAL MOTORS OFFICE...First Floor, General Motors Building
GRAND RIVER OFFICE...9836 Grand River Avenue near Livonia
GRATOT OFFICE.....9980 Gratot Avenue at Harper
HIGHLAND PARK OFFICE...13953 Woodward Avenue near Ford
JEFFERSON OFFICE.....13314 E. Jefferson Avenue near Coplin
REDFORD OFFICE.....21600 Grand River Avenue at Harper

Mondry Cleaners
375 Fisher Road
Will be CLOSED All Day Friday

MARANATHA BAPTIST CHURCH
Morang at Roxbury
REV. E. A. WALDECK, Pastor

The Maranatha Baptist church announces the coming of the Rev. Arthur E. Bloomfield, director of the Traveling Bible Institute of Angola, Ind., under dates of Sept. 10-15. His ministry fills a great need at this hour as he ministers on timely prophetic subjects. Things which the Word of God has predicted are being minutely fulfilled; therefore other things predicted which lie ahead of us are as sure of fulfillment. Many will want to acquaint themselves with his sane presentation of the truth.

Next Sunday morning, the Lord's Supper will be observed.

of Manufacturers.

ADVERTISEMENT FOR RESURFACING CHALFONTE AVENUE AND GOETHE STREET, CITY OF GROSSE POINTE, MICHIGAN

The City of Grosse Pointe, Michigan, will receive sealed bids for the resurfacing of Chalfonte Avenue and Goethe Street. Bids will be received at the City Hall until 4:30 P.M., on Tuesday, September 5, 1944, and will be publicly opened at 5:00 P.M., on the same date.

The successful bidder will be required to furnish a satisfactory statutory labor and material bond for the full amount of the contract.

The contract documents including plans and specifications may be obtained from the office of City Engineer, Mason L. Brown & Son, 120 Madison Avenue, Detroit, Michigan.

The City of Grosse Pointe reserves the right to reject any and all bids, to waive any informalities in bidding, or to accept the lowest responsible bid. Proof of the responsibility of any bidder may be demanded.

A certified check or bank draft in the sum of 5% of the price bid, shall be submitted with each bid.

CITY OF GROSSE POINTE, WAYNE COUNTY, MICHIGAN

BY NORBERT P. NEFF, City Clerk.

Prospective Spars Invited to See "Tars and Spars" at Fox

When that "beautiful hunk of man," Victor Mature arrives in Detroit as a part of the Coast Guard show "Tars and Spars," there will be 500 prospective Spars in the audience at the Fox theatre for him to make a good impression upon, beginning Friday, Sept. 15.

The Coast Guard is inviting that many eligible Detroit women to see the musical revue as guests of the service. Free tickets to the stage show are being given likely Spar prospects at the Spar drive headquarters, in the land-bound ship, the S. S. McKeever at Detroit's Cadillac Square.

To get free admission tickets, applicants must meet basic requirements; they are: That the applicant be between 20 and 36, have at least two years of high school, not have children under 18, and must meet Spar physical requirements.

"Actual applications for enlistment need not be made," said Lieut. Elizabeth Barnes, recruiting officer in this area. "We simply want Detroit women who are qualified to enlist to learn more about our service by seeing the show," she said.

Over 55 enlisted men and Spars of the U. S. Coast Guard comprise the cast of the show, first revue produced by any of the services utilizing the talents of the fairer sex in uniform, as well as men.

Most of the men in the show have seen combat duty at sea. Victor Mature has just returned from 14 months of convoy duty in the North Atlantic, and the "Invaders" orchestra took part in the invasions of Italy, Sicily and Salerno.

The arrangements with the Fox theatre management call for the theatre to underwrite the expenses of the unit, and contribute a large percentage of its gross receipts to the Coast Guard Welfare fund.

Large Amount of Aluminum Used at Ford

Enough aluminum to supply every man, woman and child in the United States with at least two aluminum utensils has been used at the Willow Run bomber plant since production of B-24 Liberators was started by the Ford Motor company.

Deliveries to Aug. 1 totaled approximately 133 million pounds, with 120 million pounds being in sheet form. Sheet aluminum is used to fabricate internal structures in the bomber, and to form the outer surface or "skin" of the entire assembly.

Approximately six million pounds of aluminum wire, rods and bars have been used. Most of this amount went into the manufacture of rivets, 400,000 of which are used in each bomber.

The remaining seven million pounds of aluminum was in the form of tubing and extrusions.

A man has enough troubles in this world without trying to drown them in drink.

Appoint Assistant Symphony Conductor

Appointment of Valter Poole, member of the viola section of the Detroit Symphony orchestra for 18 seasons, as assistant conductor of this orchestra for 1944-45 was announced yesterday by Henry H. Reichhold, president of the orchestra's board of trustees.

"I speak for Conductor Karl Krueger, the board of trustees, and myself, when I state that, after careful consideration of Mr. Poole, both as a personality and a musician, a happier choice could not have been possible. With two gifted American conductors to lead our orchestra, with their musical backgrounds, vision and co-operation, Detroit should have the greatest musical season in its history."

Forty-one year old Poole was born

in Oklahoma and his childhood was spent as much in the saddle on his father's ranch as it was with music. He did his first conducting in high school and he has been working at it ever since.

Poole is a graduate of the New England Conservatory of Music, getting high honors in most of his subjects, and he spent four years in France under the tutelage of the eminent violist, Vioux.

Scouts Participating Actively in East Side Paper Drive

As part of a nation-wide drive, the Boy Scouts of America are now actively engaged in the collection of waste paper, but nowhere in the city of Detroit is an all out effort being made to compare with the one being put forth by a group of Scouts on the East Side.

More than 350 Scouts from a total of 27 troops have pledged their wholehearted co-operation with the air raid wardens of area 9 in the third of a series of collections on Sunday, Sept. 10.

Each troop has a certain section of the area to cover and will work hand in hand with the wardens in the drive. Committees of both groups have worked out an arrangement whereby the wardens will turn over a share of the proceeds to the Scouts and the remainder will be distributed by the wardens among the servicemen's hospitals in Michigan.

With almost all of the troops of area 9 now combined in the one "big drive," the problem of overlapping in the collections by the two groups is eliminated. The troops involved are 9, 15, 42, 45, 93, 94, 98, 100, 108, 113, 115, 129, 151, 153, 158, 184, 235, 246, 293, 295, 306, 309, 323, 331, 354, 396 and 420.

The Scouts have been busy gathering whatever paper they can store in their garages since early in July and others are planning to canvas their neighborhoods before Sept. 10 to assist the residents in the bundling of their paper.

More than forty thousand handbills were distributed by the Scouts and wardens last week and another 40,000 will be handed out before the drive to remind the residents to get their paper ready.

Besides the Scouts, the Neighborhood War clubs and the American Legion will assist in the drive. The area to be covered is bounded on the north by Eight Mile road; Van Dyke on the west from Eight Mile road, south to Grinnell to Gratiot; Harper on the south from Norcross to the city limits on the east.

August Has Best Week for Waves This Year in State

More Michigan women joined the Waves during the week ending Aug. 19 than in any other week this year, according to Lieut.-Comdr. Byron E. Flechtner, officer in charge of navy recruiting in this area.

Commander Flechtner expressed gratification that women of this area realize the war is by no means won.

"Despite recent progress in all theatres of war," he said, "we still face many hard months of fighting before victory will be won. The progress of the war places increasingly heavier demands on the navy and women who are joining the Waves can feel proud to be doing so at a time when their country needs them most."

The navy hopes to have 100,000 Waves in service by the end of 1944. Originally, the number sought was 11,000, but this quota was increased as the navy discovered how efficiently the Waves performed assignments given them. The different jobs being handled by Waves now total 246.

Women may join the Waves if they are between 20 and 36 years old, have no children under 18 and have had at least two years' high school or business school. No work experience is necessary. Information may be obtained at any Michigan navy recruiting station.

The Army lets you choose

your job—
You have 239 vital, interesting jobs to choose from now! If you're not experienced in the one you want, you'll be trained by the Army.

your post—
You may want to serve near your home town. If so, you may choose your first station within the Service Command in which you enlist!

your branch—
Equally vital... equally appealing, the Air Forces, Ground Forces or Service Forces... whichever you select... needs you now!

Any one of the three Army emblems will look well on your sleeve. Choose today the one you'd like to wear. In any case, you'll be choosing between a longer and shorter war... and you'll be doing something about it! Clip the coupon below.

Various Features Billed by Manager of Shores Theatre

A week of varied features has been billed by the manager of the Shores theatre for the coming week. Tomorrow and Saturday, a bill with music and laughter in one picture and tense drama and thrills in the other. Kay Kyser and Joan Davis, co-star in "Around the World" and as everyone knows Kay and Joan and their antics, they know that a good picture is forthcoming. Kay and his music with Joan and her comedy are a team hard to beat, and the predicaments in which they are caught, are the cause of all the laughs.

The second feature is "Roger Touhy Gangster" in which Preston Foster and Lois Andrews star. This is the story of one of the mid-western gangsters, his life of crime and his downfall.

The manager announces that there will be no Labor Day matinee, the features will start at the usual week day starting time.

State Dairy Farmers Out to Prove Cows Build City Payrolls

Lansing. — Michigan dairy farmers are out to prove to the nation that the cow is an important citizen, indeed, and a No. 1 factor in steady paychecks for city factory workers as well as the men on the farm.

Charles Stone, manager of the American Dairy Association of Michigan, announced that dairymen of Michigan and other leading milk-producing states have united behind a nation-wide informational campaign to demonstrate that dairying is the backbone of agriculture and that "Agriculture is the foundation of the nation's economic life."

Revue Stays at Club Stevadora for Another Week

The popular revue which Eddy Shepherd has engaged for his Club Stevadora, Harper at Crane, was applauded so much last week that he decided to keep the same show. Harry Whitney, the comedy emcee, keeps everyone in an uproar with his adlibbing and slap-stick comedy. His introductions of the acts always cause a laugh.

Henry, the card artist, is fascinating the audience with his manipulations with the cards. He is definitely proving that the hand is quicker than eye, even when he plays with 14-inch cards. Don Richmond, the romantic baritone, thrills all patrons with his sweet and swiny songs; he is one of the best singers on the East Side.

Jerry Statler, the lovely little dancer, Ethel Shepherd, singer of sweet songs, the James Steward dancing chorus and Bob Marble, the wizard of the keyboard, make up the rest of the show.

Romance Is Keynote of Double Feature at Aloma Theatre

A double feature program which will appeal to the entire family is scheduled for tomorrow and Saturday at the Aloma theatre, Charlevoix and Wayburn.

Ginger Rogers as the "Lady in the Dark" with love light in her eyes and three men to worry about (no shortage there) is the first feature on the bill. The men on her mind are Ray Milland, Warner Barter, and Jon Hall. Ginger is her dashing self in this picture, making her way lightly from one male to another.

The companion attraction is "Around the World" in which Kay Kyser and Joan Davis co-star. The team, although a bit unbalanced, and this is meant literally and figuratively, is ideal with Kay's well-known brand of music, and Joan's well-known brand of slap-stick comedy. We guarantee that everyone will leave the theatre laughing after seeing these two pictures.

Additions to Faculty Announced by Wayne

New appointments to the faculty of Wayne university were announced today by Dr. William W. Whitehouse, dean of the college of liberal arts. They are: Louise Jansson, assistant professor of art; Mary Elizabeth Kelly, associate professor of nursing; Dr. Alva Dayle Wallace, associate professor of English; and Melvin Ray Watson, instructor in English.

A nifty toy wagon can be made out of an old skyrocket handle, a shoe box and four poached eggs.

Occupational Gas Held Up; Urge Share-the-Ride

A large percentage of Detroit drivers who have applied for occupational rationing since Aug. 1 have been granted only 30-day allotments instead of gasoline rations for the usual three months' period, it was announced today by M. R. Clark, Detroit district OPA rationing executive.

Many of these drivers face the possible loss of receiving further supplemental gasoline rations. Clark pointed out. To obtain the rest of their three months allotment they must prove to their local war price and rationing board two things within 30 days.

1. It is impossible for him to carry share riders.

2. Public transportation is inadequate.

He must prove both of the above contentions in order to be granted further supplemental rations, and the burden of the proof is on the applicant.

This new procedure was especially designed by the OPA to take care of an applicant for occupational gasoline, who has not formed a car pool.

The OPA's drive to get everyone in the Detroit district to share the ride is being conducted with the full co-operation of city officials, labor leaders, plant transportation committees and Detroit business concerns.

Large concerns where many white collar workers are employed have been urged by OPA to form their own share the ride club. For instance, large department stores, large insurance companies, or other large businesses in the downtown business district. The Detroit OPA district has found that in smaller towns the white collar worker co-operates more than in Detroit proper.

Penicillin to China

A hundred million units of penicillin were sent to China during August by the United States through the efforts of United China Relief, a Detroit war chest agency.

Colorful Musical, Tense Drama Billed at Colony Theatre

Currently showing at the Colony theatre tomorrow and Saturday are two pictures which everyone is raving about. "Thousands Cheer" which stars Gene Kelly and Kathryn Grayson is based on the love story of a soldier at an army camp who is worried that he doesn't rate the love of the colonel's daughter. Among the highlights of this picture are Gene's dancing, Kathryn's singing, and a revue which is staged at the army camp by Hollywood celebrities. Among those who make guest appearances in the picture are Judy Garland, Lucille Ball, Ann Sothern, Marsha Hunt, Frank Morgan, and Mickey Rooney, just to mention a few.

The second feature is "The Hour Before Dawn" in which Veronica Lake takes over the part of a beautiful Nazi spy working in England as a governess to the nephew of a conscientious objector, Franchot Tone.

Farms Baseball Team to Play Here Sept. 10th

A group of Grosse Pointe Farms lads who have been playing baseball all summer, will pay one of their concluding games on Sunday, Sept. 10 at 2:30 p.m. at Kerby field, Chalfonte and Kerby, with the Blackhaws of Detroit. Baseball fans, young and old, are urged to attend this game.

WE DELIVER

FOR ONE—Who wants the very best in recorded music reproduction, this grandiose phonograph was custom built to excel in performance even the best that was on the market. Has separate speaker chamber, two amplifiers, each one in itself more powerful than those used in the ordinary fine sets. This set naturally has automatic changer, separate base and treble control; is wired to accommodate eight additional speakers. The embodiment of third dimensional sound gives the listener the impression of actually being in a concert hall. The owner has an enviable collection of imported classical records, many of which not only are difficult to obtain but may be impossible to obtain. Many have been recorded in Italy, France, Germany, Sweden, Denmark, Finland, England and other countries. Write Box XYZ, c/o Grosse Pointe Review, 15121 Kercheval Ave., Grosse Pointe Park 30, Mich.

WHITNEY—Maple dining room suite; Whitney maple twin bed bedroom suite; Duncan Phyfe day-enport; living room chairs; RCA combination radio and Victrola; upright piano; kitchenware; fruit jars; miscellaneous household articles; electric train. 441 Moran Road, Grosse Pointe Farms.
