Admiral Halsey, while meeting with Admiral Mitscher aboard a flagship in the Pacific recently, was asked if he was planning more trouble for the Japanese. "Sure," replied Halsey, "our dirty-trick department is working overtime." Replying to a question of whether we could keep up our advance as fast as the Japanese retreated, Halsey said, "I hope to God we can so we can kick 'em in the backside."

Have you any extra magazines such as Popular Mechanics, Scientific American, etc. for if you do, the men at the naval armory would greatly appreciate them. Any contribution may be left at the Gerdell home, 962 Pemberton road or at the naval armory.

The Pacific war has produced four new geographical names which will appear on maps for the first time next month, the National Geographic Society tells us. The names were born of war necessity. No less a figure than Admiral Nimitz produced one of them. Armchair strategists need no longer worry about the name of the sea between the Philippines and the Marianas Islands for the admiral named it the Philippine Sea. Other new names are the "Slot," the narrow channel north of Guadalcanal; the Solomon Sea, between the Solomons and New Guinea, the Bismarck Sea, bounded by the Bismarck Archipelago and New Guinea.

We noticed recently that the OPA has said that the public will soon have more popular low cost candies such as lemon drops and peppermints. We know that chocolates appeal to almost everybody but won't it be nice to buy a bagful of lemon drops and eat them on the way home?

Stanley Ferris, operator of a barber shop at 15309 Jefferson is a trusting soul.

Last Thursday he allowed his new Negro porter to close the shop after hours. Friday morning he made the discovery that three electric and five hand clippers, combs, shirts and two suits were missing along with the new porter.

Grosse Pointe Men's Chorus to Expand; Seeking Members

The Grosse Pointe men's chorus will resume their fall activities on Wednesday, Oct. 11 at 8:15 p.m., in the Grosse Pointe high school, room 301.

The chorus will be directed by Glenn Woods, supervisor of music for Grosse Pointe board of education. Mr. Woods has directed many well-known musical groups throughout the country, among which are the Arion club of St. Louis, Mo.; the Bohemian club of San Francisco, Calif.; and the University of California Glee club.

Approximately thirty men were enrolled in the chorus last year. It is planned however, to expand the membership this coming year in order to afford opportunity for many more Grosse Pointe men to participate in this chorus organization.

All men in the Grosse Pointe area who are able to read or follow music or have a good ear for part singing, are eligible for membership in this community chorus.

Information regarding the chorus may be obtained by calling Niagara 2000, ext. 25.

Elementary, Junior and Senior High School Age

After preliminary discussion, it was unanimously decided that the 1944 celebration should be held. The party this year will be held Tuesday night, Oct. 31.

As in past years, name bands, professional, amateur and local talent and movies will be given, keyed to the various age levels of the boys and girls.

It was expressed by several of the men and women present at the meeting that this huge party should be continued for it not only shows that the community is interested in its youngsters, but it will also give all the young Pointers a chance to gather on this evening of fun.

The officials who saw to it that the party was a huge success last year were complimented for their fine work; many of them will serve in the same capacity this year.

A meeting to be held next Monday night will reveal the final plans for the party and these in turn will be announced next week in The Review.

Two Suffer Head Injuries in Park Auto Accidents

Two Pointe residents suffered head injuries which were caused by two auto accidents in Grosse Pointe Park last week.

Charlene Evincer, 16, of 256 Provenal road, riding in a car driven by Robert Baldrick Jr., 1062 Drexel, last Friday night, bruised her forehead when she struck the windshield as the driver ran into a car driven by George Keller Jr., 851 Lenox. The accident happened at Mack and Harvard.

Both cars were damaged considerably.

Thursday night, while driving on Jefferson avenue, near Whittier, a car driven by Mrs. Jeannette Roland, 941 Beaconsfield, got out of control and crashed into a tree. The driver suffered from shock, head and leg injuries.

An accident which caused only minor damage, took place Friday at Balfour and Jefferson. A Wayne county road commission sweeper, while making a U turn, struck Maurice R. Sible, 917 Dickerson.

Youths Steal Car Radio From Parked Auto Saturday

Normal Linsworth, 821 Neff road, reported to City police that four boys stole a radio valued at \$60 last Saturday night, from his auto.

Adult Education Opportunities Listed Below for Residents of Grosse Pointe

The adult education program sponsored by the Grosse Pointe board of education will offer instruction in many areas of work this coming term. The program started this week with three classes in millinery, three classes in tailoring and dressmaking; one class of sewing for beginners and one class of conversational Spanish for beginners at the high school. At Mason school in Grosse Pointe Woods three classes in millinery fundamentals were organized with full enrollments.

This coming week several more classes will hold their first meetings. The schedule is as follows:

Monday, Oct. 9—

Typing, beginning and advanced. An opportunity for beginners to learn the keyboard touch system and the general fundamentals of good typing. Advanced students will have group instruction, drills, speed tests, stencil cutting and general business forms, instructor is Ruth Healy.

Home nursing: Due to the wartime shortage of nurses and doctors, it is a must that every woman learn how to recognize signs of illness, to follow doctor's instructions, to make a bed without disturbing patient, etc. By enrolling in this course you can help our war effort. Mrs. Adah Morgan, R.N., instructor.

Spanish conversations: For people who have had some previous training; practical usage of the language will be stressed. Teresa Volnenmaere (Latin-American counselor for the International Center), instructor.

Millinery fundamentals: Will enable you to learn how to make a new hat or to remodel an old one. Learn how to work on various materials, felt, fur and straw under the direction of a skilled designer. Eunice Fraser, instructor, who is a graduate of Madame Nerons school of design. Additional classes will also start on Oct. 11 and 12. (Continued on Page Nine)

Detroit Man Found Guilty on Morals Charge in Farms

Palmer Teerlinck of 5266 Notingham was apprehended Monday night by Officers Roland and Jarrett of the Farms police department. He was held on a charge of indecent exposure. In Justice Kenneth Thomas' court Tuesday afternoon, he was found guilty and fined \$100 or 90 days.

Investigation of the records by Detective Serg. E. Bolo failed to show any previous arrest on a morals charge.

Anzio Beachhead Activities Wins Navy Man Citation

Because of his "exemplary conduct and devotion to duty, worthy of the highest naval standards," Signalman Val A. Best, son of Mr. and Mrs. Hil F. Best of 1215 Nottingham road, won a personal citation for his service on the Anzio beachhead.

Signalman Best was among the first to join the Landing Craft Tanks force which is charged with the first landing of tanks on the beachhead after having seen action in North Africa and then Italy and Sicily. But the incident which stands out in his mind is the time a length of 10-inch rope fouled the propeller of the LCT to which he was attached, taking supplies and ammunition from the ship to shore.

Signalman Best and some of his buddies armed themselves with navy knives and a small hatchet each and swam out to the propeller. With the enemy shelling the LCT and the boys, they finally accomplished their job in two days; cutting and untangling wet manila rope wound around the propeller.

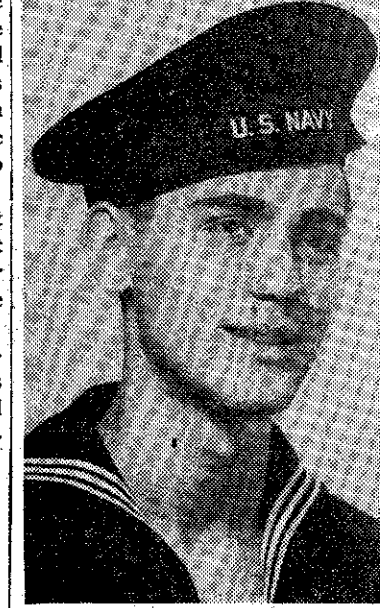

For this and other activities centered around the LCT running supplies along the Mediterranean, he was cited by Comdr. J. B. Fresse, commanding officer of LCT Flotilla 10, USNR; the citation reads as follows:

"1. You are hereby commended for exemplary conduct and devotion to duty worthy of the highest naval standards while engaged in operations of the Anzio beachhead for a period of 40 days from Jan. 22 to March 1, 1944.

"2. Such performance is deserving of the highest praise and an inspiration to the amphibious forces and the fleet.

"3. A copy of this letter will become part of your service record."

Val served under Lieut. (jg) Ed Taylor, whose wife lives in Grosse Pointe Park. He is anxious to reach Mrs. Taylor to give her a message from her husband.

Strikers Still Out in City

The strike of Grosse Pointe city employees continued into its second week with Local No. 661, an affiliate of the American Federation of State, County, and Municipal Employees, AF of L voting Monday afternoon to call out the two emergency men in water maintenance and police and fire signal system. The union had originally voted to let these men remain on the job because of the nature of their work.

The strike was called because the Grosse Pointe city council refused to recognize the union which all the DPW employees had joined. The recognition requested by the union consisted of the right of employees who are members to be represented by their union committee and counselor regarding working conditions in city employment. No closed shop or exclusive bargaining agreement was requested. The union states that the council's refusal to bargain with their committee constitutes a denial of their right to organize and enjoy the privileges of collective bargaining granted to millions of other Americans.

Local unions in the same AF of L exist in the Grosse Pointe schools, Grosse Pointe Farms, Grosse Pointe Park, Detroit and other suburban communities, with recognition such as is being requested by Local No. 661.

The union has requested the state mediation board to use its influence in settling the dispute in order that the city service can be resumed. To date, the council has refused to meet the state mediator, although Mayor Hugh Dill and councilmen have expressed their willingness to meet with the employees despite rumors to the contrary.

Unlocked Automobile Proves Invitation to Thieves in Park

Richard Taylor, 418 Belanger, told Farms police that thieves took his spare tire, blanket, flashlight and tools from his car while it was parked at Harvard and Mack, early last Saturday morning.

Taylor said the car was unlocked.

Begin Intensive Campaign Against Home Rule Proposal

Having gone on record as opposed to State Proposal No. 4 on the November ballot, leaders of county and township government officials are to meet in Lansing today to map plans for an intensive state-wide campaign.

Heading the drive against the so-called home rule amendment for Wayne county is the Michigan Institute for Local Government, of which D. Hale Brake, state treasurer, is president. The institute's action was taken last spring following presentation of briefs by both sides. Mrs. Ruth Whipple, chairman of the Plymouth city commission, spokesman for 11 cities and 18 townships in Wayne county (Detroit) which have gone on record officially in opposition to the proposal, this week termed the constitutional amendment as undermining home rule.

"Proposal No. 4 is not home rule," said Mrs. Whipple. "It simply gives the city of Detroit control over the 11 cities and 18 townships in Wayne county outside of Detroit. In 1942 the people of these cities and townships voted three to one against the amendment.

"Instead of being home rule, it would bring home ruin, through increased taxes to many property owners. In Detroit the bonded debt is far above the legal limit. Taxpayers of the cities and townships fear that if Detroit can get control of the finances of Wayne county, as proposed by Amendment No. 4, it would pave the way for new, costly bond issues running into the hundreds of millions of dollars."

Mrs. Whipple pointed out that Wayne county, by contrast, is now free of debt. "Wayne county has operated on a 'pay-as-you-go' basis for nearly twenty years," she said.

Two Boys Wounded Within Four Days of Each Other

Casualty lists this week revealed that two local youths were wounded in action four days apart, in France.

Pfc. Jack L. Foote, 21, son of Mr. and Mrs. August Foote of 735 University place, received shrapnel wounds in his neck and leg while fighting at St. Lo, France on July 19. In a letter to his parents, he told them that he is "getting along fine" in a hospital in England; he further explained that it was shrapnel from artillery shells that hit him.

Private Foote was awarded the Purple Heart soon after arriving in England; it was sent home to his parents. Their son, overseas since May, has been in the army since January, 1943.

Four days after Private Foote was wounded, Sergt. Richard A. Stahl, 19, son of Mr. and Mrs. Elbert C. Stahl, 332 Hillcrest, was hit in the right hand, elbow and shoulder. It is thought that a mortar shell exploded behind him during a bayonet charge.

At present, Sergeant Stahl is in a replacement camp in England, awaiting new orders. While there, he also received the Purple Heart which arrived at his home Sept. 16.

Sergeant Stahl received his latest promotion while in battle; he entered service on Sept. 2, 1943 and was sent overseas April 1.

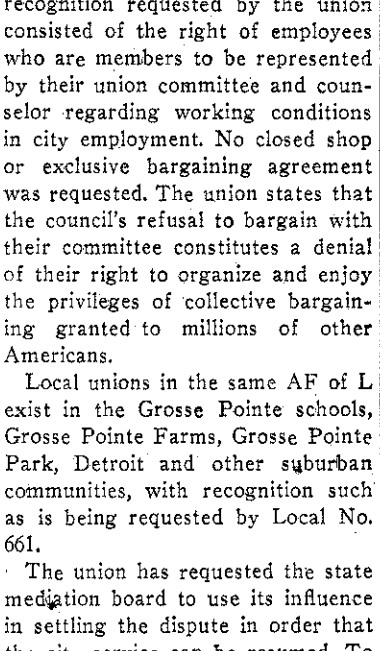

Both Private Foote and Sergeant Stahl attended Grosse Pointe high school.

Bicycle Stolen Monday

The Carr family, 263 Kenwood road, reported to Farms police that a bicycle was stolen from their yard last Monday afternoon.

Two Pointers Now Prisoners of War in Germany

The German government revealed recently that Lieut. Bruce K. Bockstanz, who had been previously reported as "missing in action" over Germany on July 19, is a prisoner of war. He is the son of Mr. and Mrs. Sidney J. Bockstanz, 1320 Grayton road, Grosse Pointe Park.

LIEUT. BRUCE K. BOCKSTANZ

Lieutenant Bockstanz was a navigator on a B-17. He was commissioned a second lieutenant at Selman Field, Monroe, La., last March. Lieut. Alfred M. Robinson Jr., 24, has been reported as a captive in Germany. He was captured during a mission over France on June 11. He was a bombardier-navigator on a Marauder. His father, Alfred Robinson Sr., lives at 448 Allard.

Lieutenant Robinson had also been reported as "missing in action" in Europe in November, 1941 when he was a student at Michigan State. He has been overseas for a year.

Grosse Pointe Farms Captain Wounded While Fighting in Seine River Area in France

Three decorations and a promotion were received by a Grosse Pointe officer for extraordinary heroism in action on Aug. 23 near Meun, France. He is Capt. David Walter Allard, son of Mr. and Mrs. Walter C. Allard of 354 Hillcrest, Grosse Pointe Farms.

By command of Lieutenant General Patton of the Third Army, Allard was promoted from first lieutenant to captain; for wounds received under heavy enemy fire he left the few remaining men and with utter disregard for his own safety, proceeded to within a short distance of the enemy where he obtained their position.

With this information, he was able to divert a number of the troops across the river from advancing into the direct line of enemy fire. After giving instructions as to the proper disposition of the troops on the enemy side of the river, Lieutenant Allard then swam back to the other side, bringing his information to the corps commander; he continued to direct the troops across the river.

Before reaching the river bank, Lieutenant Allard was wounded by enemy fire. Despite great pain he gained the opposite bank, giving detailed accounts of the enemy dispositions and directed fire upon their emplacements. By his heroic actions, Lieutenant Allard gained valuable information of the enemy, led and directed the troops across the river and through his own example, sound judgment, initiative and valor, contributed in a great measure to the successful crossing of the Seine river.

Captain Allard, in the army since March 25, 1942, has been overseas since Jan. 1, 1944. He was commissioned a second lieutenant in November, 1942, at Fort Knox, Ky., and the following October, was promoted to first lieutenant. A graduate of St. Paul's high school, he also attended U. of D. and Wayne university.

CAPT. D. W. ALLARD

Received in action, he has been awarded the Purple Heart; and for his action on the Seine river, the D.S.C. and the Croix de Guerre.

This 27 year old infantry officer, who is an aide to Maj.-Gen. Walton H. Walker, notified his parents on Sept. 4 that he had been wounded in action, but it was not until this past week that Mr. and Mrs. Allard knew the extent of his wounds.

The story, as it was told in a communication received here by the parents is as follows:

Hold Park Resident For Attempted Suicide

A Maryland avenue resident is being held by Park police for an attempted suicide last Tuesday morning by carbon monoxide. He blamed his act on domestic difficulties.

The youth was held for further investigation.

Grosse Pointe Woods Sailor Buried at Sea

A Memorial High Mass was said at St. Joan of Arc church Monday morning at nine o'clock for Norman Vernier, 20, Seaman, Second Class, who was buried at sea Sept. 17.

He was the son of Mr. and Mrs. Robert L. Vernier, 665 Vernier rd., Grosse Pointe Woods.

Surviving are two brothers in the service, Earl, SIC and Stanley, first vice class, USN; another brother, Herby; and eight sisters, the Miss Dora, Ruth and Ann; and the Misses Grace Dow, Helen LaBerge, Arvena Fresaru, Rosemary LaBerge and Marjorie Miller.

Special Attention Given Woman Who Is Threatened

A city resident (a married woman), asked police to give her special attention this week, because as assistant personnel director of a small manufacturing company, she was threatened with bodily harm by one of her former women employees. To substantiate her claim, she had her husband had been stopped, Lakeshore road, by a woman car this week, who said "I am out to get your wife."

Reasons to Vote 'No' on Home Rule

EDITOR'S NOTE: The following reasons are part of a series of 16 reasons to vote "No" on the proposed Wayne county home rule amendment to the state constitution, and were prepared by the committee for representative government, opposing the adoption of the home rule amendment. They are submitted in the interest of interpreting the proposed amendment. It is to be remembered that the Grosse Pointe township board is unanimously recommending the rejection of the proposal.

9. It destroys the foundation of the two-party system which is the keystone of American democracy. The amendment makes mandatory the non-partisan election of charter commissioners and county officials. No choice in the matter is left to the people of the county. The disintegration of other republics founded on the multi-party theory, such as France, proves the soundness of the two-party system. A county, unlike a city, is an integral subdivision of the state and the states are the component parts of the nation. If the two-party system is destroyed in the county, it cannot long survive in the nation. Only under partisan government is there an opportunity to fix responsibility for the overall play or policy of government.

10. It would destroy the American system of independent checks and balances essential to clean government. Under the amendment all county officials, including prosecuting attorney, could be appointed by the governing body. With the prosecuting attorney obligated for his existence to the governing body, who would check on possible corruption therein, such as we know from recent happenings may occur from time to time? Who would investigate and prosecute members of the governing body for the betrayal of their trusts?

FOR HOME TOWNS THEY FIGHT

A picture comes from overseas of some of our doughty airborne troops and their glider, from which they dropped to assault the "impregnable" Siegfried Line.

On the side of the glider they painted: "Look, Hurmin! No Motor!" — the disrespectfully misspelled individual addressed being, of course, der fuehrer's field marshal, Herman Goering, of the once dreaded Luftwaffe.

Beneath that lighthearted but confident jape the United States soldiers also painted the names of their home towns: Detroit, Cleveland, Washington, D. C.

It gave us a smile—and a sense of what these young Americans are fighting and dying for: Their home owns, USA and the plain people who compose them. Not for them, on the sky transport which took them into battle, were frothy slogans leifying a dictator and his totalitarian ideology; no fanatic worshipfulness of a fuehrer.

They inscribed a jibe at the whole dictator philosophy—and the names of their home towns, USA, the towns they love and want to get back to. May their home towns be as devoted to these hardy fighters as our men are to them!

Grosse Pointe School Superintendent Asks Parents Ideas on Future School Planning

Grosse Pointe parents are very definitely interested in the future of their schools.

This was proved beyond any question when the Grosse Pointe Woods PTA turned out in unprecedented numbers Tuesday night, Sept. 26, to hear Dr. Essert speak on "The Grosse Pointe Schools and the Future."

Dr. Essert prefaced his talk by pointing out the contrast between the comparatively static world in which this adult generation grew up, and the highly complicated and con-

stantly changing economic picture that our children will have to fit themselves into.

He went on to analyze four stages of development through which the Grosse Pointe school system has passed. The first stage lasted until 1920, when the school system was in fact, as well as in name "Rural Educational District No. 6," and confined itself to teaching the three R's to a small percentage of the eligible school population. From 1920 on, the high school, college preparatory program was expanded. From a mere four per cent who went thru high school before 1920, the enrollment swelled until it now includes 69 per cent of those eligible. This little bit of statistics expresses an amazing thing which has taken place in our own community within the span of our own adult memories.

The next stage followed the depression, when the educational trend was toward more and better vocational training. As Dr. Essert pointed out, this idea was carried too far by some school systems and has proved to be not the whole answer to the problem of educating our youth for its place in the industrial economy.

The stage in which we find ourselves now is one in which more and more demands are being made upon the schools for community service. The war activities, stamp and bond buying, paper salvage, etc., have been highly successful, not only for their contribution to the war effort but in the experience the children get out of participating in the life of the community.

In summing up, Dr. Essert presented to the audience the questions which confront the board of education in their planning from here on. Can we go on indefinitely, enlarging the function of the public schools, or must something be taken away from the teaching of fundamentals, or from vocational training, each time we make a demand for some new service of the school system?

To give the board of education an idea of what parents think of the present curriculum and its emphasis on the various subjects, the audience was asked to fill out a questionnaire. This is an important part of the two year survey which Dr. Essert and his colleagues are making at this time, so that the Grosse Pointe schools will be ready and sure of their direction as they plan for the postwar future.

Local Stephens Girls Active With College Activities

Columbia, Mo. — Miss Barbara Louise Hallis, daughter of Mr. and Mrs. Bernard D. Hallis, 16937 Cranford Lane, a senior at Stephens college, was one of 15 girls pledged to Phi Theta Kappa, national honorary scholastic sorority recently.

The students were chosen on the basis of their grades for the last semester at Stephens college. Formal initiation was held Oct. 4.

Miss Hallis attended Stephens college last year.

Miss Pat Tobin, daughter of Mr. and Mrs. Richard R. Tobin, 1246 Balfour road, has been appointed to the staff of Stephens laboratory radio station, KTX.

She is program director on the staff which is in complete charge of production, engineering, acting, script-writing, announcing and advertising.

Miss Tobin has returned to Stephens college this year as an apprentice to continue her studies there. Last year, when a senior, she was secretary to the council of division heads, and took part in the Pan-Hellenic Follies. She is a member of Beta Sigma Beta, social sorority.

Incidentally BY MARILYN SHIELDS

Practically everyone in Grosse Pointe made tracks for Ferndale last Friday night to watch our grid heroes play the first game of the season. Just a few of the kids who were doing some tall 'n mighty cheerin' saw Shorty Taylor, Buster Pinkston, Joe Bracken (who is home from the army air corps) 'n Sue Hoffman, Cap Barthell 'n Lois McNierny, Barb Wood 'n Bob Axford, Bev McCellan 'n Tommy Shilson, Libby Powell 'n Johnny Nelson, Marilyn Glemond 'n Art Brownell, Janie Gehlert 'n Arnie Richards, Jeanie Gehlert 'n Dick Fox, Jean Bauman 'n Mac Frazier, Marilyn Smith 'n Sandy Malcomson, Mary Ella Andrus 'n Cy Simons, Cec Caruthers 'n Taylor Marion, Tubby O'Neil, Butch Ireland, Tom Healy, Don Ratz, Peanut Donnelly, Bill Cardinal, Frankie Levenseler, Marty Beer, Dick Moses, Howie Hickey, Bob Sheridan, Irving Winkler, Dan Lafferty, Norm Cummings, Nancy Anderson, Betsy Long, Mary Richardson, Jane Coleman, Fay Howard, Shirley Smith, Ann Webster and Peggy Toncray.

After the game all the kids hit the road back to the high school for the AWWV 'hag dance.' This was one dance where everyone dressed the way he pleased. Saw everything from pumps 'n dresses to blue jeans 'n plaid shirts. (One girl even had on shorts!!) A few more of the guys 'n gals that showed up at the dance were Kathy Stuart 'n Dick Ryan, Buggs Borgman 'n Johnny Snell, Sara Malcomson 'n Jack MacKenzie, Dottie Walton 'n Bob Johnson, Barb Hinckley 'n Bob Clark, Janie Heron 'n Jim Gulberg, Marilyn Buck 'n Don Sullivan, Jeanne Quail 'n Warren Paschall, Sally Baker 'n Johnny Lapp, Betty Auch 'n Woodie Giest, Adele Gillette 'n Cow Cameron, Jeanie Clark 'n Johnny Galvin, Annie Davis 'n Bill Kerr, Marilyn Lamb 'n Buzz Cronin, Jackie Tenney 'n Jim Bailey, Jackie Ward 'n Bill Massnick, Cynthia Penoyar 'n Frank Thorn, Bobbie Hawksworth 'n Bob Donovan, Isabelle Baxter 'n Jim Duffy, Jo Ann Rockwell 'n Kenny Gould, Barb Allen 'n Danny Sullivan, Joyce Slack 'n Don Mannsen, Beverly Martin 'n Howie Clark, Nancy Hall 'n Bob Gofferson, Franny Kretchmire 'n Dave Fairless (home from U. of M. for the week-end), Jim Holt 'n Judy Zeakie, Roe Schroeder 'n Don McLean, Annie Wakeman 'n Tommy Ronan, Julie Welch 'n Harry Rogie.

In the hag line saw Dottie Donnelly, Pat Robinson, Macky MacPherson, Bunny Kitson, Joey Johnstone, Pat Baumgarten, Barbara Sickle, Joan Stivenson, Barbara Bunday, Jo Ann Russell, Katie Kaib-Reisch and Julie Blossom. The first SA dance of the year will be the "Cider Swing" on Oct. 7. That's only two days away and the committees have been working their fingers to the bone for weeks trying to get everything ready for Saturday night. Buzz Cronin and Marilyn Shields are co-chairmen for the dance. Barbara Sickle will take care of the publicity and Jack Marshall's job is to see that there is plenty of cider 'n doughnuts for everyone. Bobbie Hawksworth, chairman of the decorations along with Jane Coleman, Jack MacKenzie, Joanie Williams, Jack Wilson and Jeanne Quail are grabbing all the corn stalks, scarecrows and pumpkins they can get their hands on to decorate the girls' gym. Lois McNierny is responsible for the invitations and guests and Bill Halliday and Marilyn Lamb have chosen some real neat records. Positively no one will want to miss this super dance so just remember this Saturday is the night. Oh, by the way, blue jeans are absolutely taboo! Seems like old homecoming week 'round Grosse Pointe with the Seebert twins Bob 'n Jack home from Great Lakes. Bob has already returned but Jack has a few more days to visit his old haunts. Nick Mayer and Dick Meyers are two more home this week. Bruce Lang, Hugh Nutter, Ted Held, Bob Kerby and Don Waldow are a few more navy men expected home some time this month.

Sponsor Annual Party for Negro Parishes Oct. 12

More than twelve hundred will attend the annual part of the St. Peter Claver Mission Guild, Thursday night, Oct. 12, at the Masonic Temple.

Heading the party plans is John M. Mottschall, assisted by co-chairmen: A. J. Bopp, Judge John Scallen, Elmer Ulrich, and Dennis Galvin. Mrs. Martin Lenahan, president of the guild, supervised the ticket committee, while the Rev. Fathers Henry Thiefels, C. S. Sp., and Charles Diehl, C. S. Sp., spiritual advisors of the guild, served as honorary chairmen.

Proceeds from the party will be donated to the Catholic colored churches conducted in Detroit by the Holy Ghost Fathers.

Michigan Stamp Collectors Aiding Vets in Hospitals

"Stamps for Service Men" is the veterans rehabilitation program of the Michigan Stamp club. It provides philatelic material gratis to any service man or woman in hospitals.

Supplies are pouring in, but the demand is still great. Anyone desiring to share in this program is invited to send material to Hil F. Best, chairman, Room 602 Transportation building, Detroit 26, Mich. All material will be acknowledged.

The Michigan area of the national program adopted by the SPA and APS is under the supervision of this Michigan group, so "Stamps for Service Men" is the only veterans plan Michigan club members will be expected to support. All Michigan clubs are invited to join in this program and all will be given due acknowledgment.

The "Stamps for Service Men" committee is anxious to hear from interested service people in hospitals who want material also from field directors and recreational officers of the army and navy hospitals who would be interested in the plan.

Hundreds of hospitals across the country are having the philatelic plan of occupational therapy running in full force and it is hoped that Marine hospital will eventually come into the program. The committee has been told that the boys had too much attention to warrant its inclusion. However if any service man in Marine hospital wants material, a letter to Mr. Best will bring it along — and fast.

Bicycle Returned

City police found a bicycle last Saturday and returned it to its owner, Justine Olsen, 261 McKinley.

Bon Secour Guild to Give 'Bundle Tea' October 10

A "bundle tea" will be the feature for the monthly meeting of the Bon Secour Guild Tuesday, Oct. 10. The affair will be held in the hospital, 468 Cadieux road. A short business meeting will be held promptly at two o'clock preceding the program. Miss Elizabeth J. Weber will entertain with technicolor movies.

It is hoped the "bundles" of discarded clothing and usable household articles will be sufficient to stock the rummage sale the organization is to hold Oct. 12, 13 and 14. Mrs. Harold G. Frear will be in charge of the sale.

Maranatha Pioneer's Girls' Club Gives Tea

The Pioneer's Girls' club at the Maranatha Baptist church, Morang at Roxbury opened its season last Friday night with a tea for the mothers and is now in full swing with an enrollment of 59 girls.

This club is for girls ranging in age from eight to 16 years and promises much in the way of pleasure and culture in the building up of fine girlhood.

The girls meet each Friday night at seven o'clock and are dismissed promptly at nine.

Every girl in the community within the above age group is welcome

SERVICE PARADE

Camp Hood.
 A resident of Grosse Pointe, Lieutenant Edmond received his first commission upon graduating from OCS. Before entering military service he was a secretary and prior to that employment attended college where he took a course in mechanical engineering.

Great Lakes, Ill. — Among those graduating from an intensive course of basic engineering training at recent service schools exercises here was Homer W. Lombus, 25, 1073 Wayburn.

This Bluejacket was selected for his specialized training on the basis of his recruit training aptitude test scores. Graduates from the 20 specialized courses taught here at the service schools are sent to sea, to shore stations, or to advanced schools for further duty.

San Antonio Aviation Cadet Center, Tex. — At the San Antonio aviation cadet center, potential pilots, bombardiers and navigators are receiving preflight training to prepare them for aerial instruction and duties as air crew members in the AAF.

The future fliers are subjected to a rigorous 10-week program of instruction covering physical, academic and military training. At the Cadet Center, a unit of the AAF Training Command, they study maps and charts, aircraft identification, small arms and other subjects while being conditioned physically for the long training period ahead. Bombardiers, navigators and pilots receive the first five weeks of preflight instruction as a group, then are separated for specialized training.

The present class includes 369 from Michigan, two of them from Grosse Pointe Park.
 Edwin Lane Donaldson, 1164 Wayburn, Robert Louis Ireland, 987 Nottingham.

Leonard Champine SIC, son of Mr. and Mrs. Barney Champine, 116 Oak street, has just returned from the Naval hospital in San Francisco, Calif., where he was recovering from injuries received in an accident on board ship.

He was overseas for two years and fought in several major battles — Empress Augusta Bay, Tarawa, Saipan, Munda. He is spending a 30-day leave with his parents.

Leonard has two brothers in the service, Raymond Champine in the navy, somewhere in the Atlantic and Norman Champine, in the army at San Antonio, Tex. He will return to the Naval hospital in San Francisco after his leave ends.

Roland Harris, 18, 432 McKinley, Grosse Pointe Farms, is receiving his initial naval indoctrination at the U. S. naval training center, Great Lakes, Ill.

His recruit training consists of instruction in seamanship, military drill, and general naval procedure. During this period a series of aptitude tests will be taken by the recruit to determine whether he will be assigned to a naval service school or to immediate duty at sea.

When his recruit training is completed, the seaman will receive a period of leave.

With the 32nd Infantry Division in New Guinea.—Promotion of Earl Hilgendorf, Grosse Pointe Farms, from private first class to the grade of corporal technician has been announced. Corporal Hilgendorf, son of Mrs. Marcelline Hilgendorf, 344 Ridge road, has been overseas for the last 29 months as a member of the Red Arrow division's medical battalion. He joined the division at Camp Livingston, La., in April, 1940.

Staff Sgt. Robert F. Hughes who was mentioned in a story in last week's Review as receiving a citation from Gen. Charles DeGaulle, is the husband of Betty Schoenmaker, daughter of Mr. and Mrs. J. H. Schoenmaker of 606 St. Clair. Betty is a Wave and is stationed at Grosse Ile.

Among those graduating from an intensive course of basic engineering training at recent service schools exercises here was Vernon Sylvester, 26, 155 Grosse Pointe boulevard.

This Bluejacket was selected for his specialized training on the basis of his recruit training aptitude test scores. Graduates from the 20 specialized courses taught here at the service schools are sent to sea, to shore stations, or to advanced schools for further duty.

Peter B. Baker, 18, 623 Lincoln road, Grosse Pointe, is receiving his initial naval indoctrination at the U. S. naval training center, Great Lakes, Ill.

His recruit training consists of instruction in seamanship, military drill, and general naval procedure. During this period a series of aptitude tests will be taken by the recruit to determine whether he will

be assigned to a naval service school or to immediate duty at sea.

When his recruit training is completed, the seaman will receive a period of leave.

With the 32nd Infantry Division in New Guinea. — Pfc. Ralph Springer, serving with a medical battalion of the 32nd division has been promoted to corporal technician. He is the son of Mrs. Mary Springer of 641 Washington road, Grosse Pointe.

Daytona Beach, Fla.
 Dear Mr. Oldham:

This is just a reminder to let you know how much I appreciate receiving The Review and that I have graduated from Corpus Christi, Tex., and have been transferred to the naval air station here at Daytona Beach, Fla., for operational training flying P6F Hellcats.

I remain,
 Ensign Maurice Montmorency

An Eighth Air Force Bomber Station, England. — The promotion of Arthur S. Warren, 23 year old intelligence officer on an Eighth air force B-17 Flying Fortress base, from the rank of second lieutenant to first lieutenant has been announced by Col. Charles B. Dougher of

Fresno, Calif., base commanding officer.

He is the son of Mr. and Mrs. A. C. Warren of 1763 Severn road,

Grosse Pointe Woods. His wife, Mrs. Shirley G. Warren, lives at 18762 Roselawn avenue, Detroit. He studied law at the University of Detroit

and was a claims adjuster for General Underwriters, Inc., of Detroit, before joining the army September, 1942.

MOUNT OLIVE EVANGELICAL LUTHERAN CHURCH

Radnor Avenue at Mack
KENNETH W. VERTZ, Pastor
This little white church around the corner, although not very impressive outwardly, still has a warm and welcome atmosphere within for all who enter its portals. Divine services are held every Sunday at 10:45, and Sunday school at 9:30 with classes for all age groups. Our Sunday school, staffed by trained and conscientious teachers, is never too full to receive new members. Our church also sponsors religious training classes for children as well as adults who desire a better understanding of the fundamentals of the Christian religion. The children's classes are held in the church parlors every Saturday morning from 9:00 to 11:00, while the adult classes meet on Monday or Thursday evenings at 8:00. If you or your children desire membership in either of these classes, consider this announcement as our personal invitation.

Coming Events: Sunday school Rally Day, Oct. 8, 9-30 a.m. Our aim: Every child a missionary for Christ. Annual Mission Festival, Oct. 8, with two services, at 10:45 a.m. with Pastor Erhardt Rupp of Jehovah-Zion Lutheran church of Detroit as the guest speaker, and at 8:00 p.m., with Pastor Alfred Mass of Ann Arbor, the executive secretary of Polish missions, as the speaker. A cordial welcome is extended to all.

MESSIAH LUTHERAN CHURCH

Southeast corner of Kercheval and Lakewood avenues. A. H. A. Loeber, Pastor, 1434 Lakewood avenue. Telephone LEnox 2121.

The theme of the sermon to be delivered in both services in the morning of Sunday, Oct. 8, is the word from St. John's Gospel: "And he brought him to Jesus." The time of the two services is 8:00 and 10:30 a.m.

Industrial Wages Up

The average weekly earnings of American industrial workers in March were \$45.62, an increase of 0.4 per cent over February, of 9.1 per cent over March 1943, the Department of Labor reports.

BETHANY LUTHERAN CHURCH

Outer Drive East at Chatsworth
OSWALD RIESS, Pastor
KENNETH LINDSAY, Vicar
Bethany Christian Day school has been faithfully served for many years by three of its teachers. Teachers Baur and Brummer have been there for 25 years, while Principal Matthes has been instructing there for 33 years. Special recognition will be taken of these men after next Sunday's service. The festival speaker for the occasion will be Dr. Einar Anderson, principal of the new Detroit Lutheran high school. The service is at 10:30. And Bethany reminds all parents with young children to convenience themselves by making use of the nursery.

Kindergarten, Sunday school, and Bible classes all convene at 9:30. Our doors stand open to all children. Next Sunday you will hear about Elijah and the prophets of Baal. How God through a mighty miracle proved himself to be the only true God to these men who proclaimed a false god.

PEACE EVANGELICAL LUTHERAN CHURCH

Warren and Balfour
ENNO G. CLAUSE, Pastor
MARVIN MARTIN, Vicar

During the fall and winter months divine services at Peace Lutheran church, are conducted at 8:30 and 11:00 a.m. At the services on the coming Sunday, Vicar Marvin Martin will preach on the theme: "Spiritual Servants," based on Romans 3:26. A special welcome is extended to visitors. Now, as the fall season begins and activity increases, is a good time to renew your attendance at the House of God, too. There is Sunday school for all ages each Sunday at 9:45 a.m.

The Rev. Enno G. Clause encourages mothers with children under six years of age to avail themselves of the church nursery, conducted for their convenience during the late service. It is in charge of competent mothers of the congregation who tend the children so that mothers may worship undisturbed.

CHRISTIAN SCIENCE CHURCHES

"Are Sin, Disease and Death Real?" will be the subject of the lesson-sermon in all Christian Science churches throughout the world on Sunday, Oct. 8.

The Golden Text (Psalms 30:2, 3) is: "O Lord My God, I cried unto thee, and thou hast healed me. O Lord, thou hast brought up my soul from the grave: thou hast kept me alive, that I should not go down to the pit."

Among the Bible citations is this passage (Isaiah 1:18): "Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (473): "Jesus is the name of the man who, more than all other men, has presented Christ, the true idea of God, healing the sick and the sinning and destroying the power of death."

Relax Restrictions to Reemploy Veterans Here

Relaxation of all WMC restrictions on reemployment of veterans of World War II, just announced in Washington by Paul V. McNutt, manpower chairman, will have little effect upon Michigan veterans in terms of getting their jobs back or getting new jobs.

"As a matter of fact," Edward L. Cushman, Michigan director of the WMC, declared today, "Michigan veterans have long been enjoying every one of the provisions set up in Chairman McNutt's statement, subject only to the nation-wide decree that such privileges might be exercised for only 60 days after the veteran's discharge. The new ruling wipes out the 60-day restriction."

Broilers Like Broccoli

As a result of experiments in the feeding of waste vegetable leaves to poultry, industry may develop methods that will permit profitable utilization of thousands of tons of such waste matter yearly. Broilers fed with broccoli leaf, in particular, were found to grow well and have fine flavor.

Vets Build Plane Parts in Hospital

Hundreds of basic parts for Northrop Aircraft's new P-61 Black Widow night fighters are turned out at the army general hospital in Birmingham, Ala., by patients operating rivet guns and drill presses. The battle-wounded men are building a new zest for living along with the plane parts, deriving satisfaction from helping with the war while fitting themselves for a place in a world of peace.

Telegrams by Slot

Thanks to industry's ingenuity, the day is not far off when we will be able to send telegrams via slot machines, says A. N. Williams, president, Western Union Telegraph company.

LIGHTNING storms are often of a local character and difficult to forecast by usual methods. Yet they can cause a great deal of trouble for The Detroit Edison Company and its customers. For this reason, we need special devices to warn us of storms in advance. Such a device is this "calling card" for lightning.

Have you noticed how your radio sputters with static before an approaching storm? The "calling card" is that same static—put down on paper in black and white. The static "inks in" its own record on the chart, at the rate of 1 1/4 inches per hour... telling us the storm's approximate speed and direction. When trouble strikes, when lightning burns down our lines or falling trees and branches drag down wires, our men are ready immediately to start the work of restoring electric service.

THE U. S. WEATHER BUREAU provides us daily with reports on local weather conditions. But this is only one of several storm-warning safeguards employed.

TELETYPE SERVICE direct from a weather forecasting service in California gives us special reports, supplementing those of the U. S. Weather Bureau.

THE TROUBLE DISPATCHER, when warned of a storm's approach, notifies Detroit Edison linemen—at home or elsewhere—as quickly as possible.

FAST ACTION. Our men respond without delay when such a call is received. Edison service must be maintained, whatever the weather.

To maintain the high standards of service our customers enjoy, we are constantly developing new ideas and improvements... resulting in better electric service at lower rates.

American Legion AUXILIARY

Elaine Schumacher reports she had a nice time at Girls State. We are very proud to have sent a wheel chair, a surgical bed and a bedside stand to American Legion hospital at Battle Creek. We have tabled the motion to help toward an X-ray machine for the American Legion hospital until next month.

We have sent a check for \$3.00 to the Armistice Day committee. We are very sorry to report two sick members, Rosemary McClother who is stricken with polio, is at Herman Keifer and Viola Dunn, who is quite ill at Grace hospital. Let's show the girls we're thinking of them and send them some cards.

The following members were elected officers at our meeting of Sept. 12: Lillian Knoff, president; Gladys Craig, first vice-president; Kathryn VanDemHewal, second vice-president; Esther Thorpe, secretary; Marie Casey, treasurer; Margaret Berfelz, chaplain; Betty Hoyt, historian; Hazel Allor, sergeant-at-arms; executive board, Alice Marrs, Rowena Weaver and Jenny Ford. Let's give the new officers our whole hearted co-operation.

Installation was held October 1 at the Veterans building at 704 E. Jefferson, room 23. All Post members and Auxiliary members, families and friends attended. We certainly had a nice representation at the USO on American Legion Day, Sunday, Sept. 17. We certainly know who to call on if we want any dishes done, don't we Mr. Ford? Mr. Bauman kept the tea well iced as well as help Mary DelBarba prepare the coffee. Mr. Nielsen was seen all over the place, doing everything possible to help make the day a success. Too bad you had to return the wallet, tho, Nielsen. Mr. Knoff was also in there pitching.

Ladies from the Auxiliary were Lillian Knoff, Marie Casey, Jenny Ford, Ethel Bauman, Martha Price, Elizabeth Wick and Margaret Price. Elva Nielsen worked all shifts as supervisor and she did a good job we might add. Ten cakes were donated from Auxiliary members.

Claude G. McDonald Sets Forth Aims If Elected to Congress

Claude G. McDonald, Republican nominee for congress from the 14th district, is conducting a vigorous campaign, based on his conviction that the United States, if it is to pass safely through the postwar era, must have as the people's representatives in Washington men and women who firmly believe that American principles and American interests come first, regardless of the needs or demands of foreign powers. "Make no mistake," McDonald is telling large audiences in his nightly meetings, "the issue is Americanism vs. Internationalism. We are going to determine in this congressional election whether we shall preserve the freedoms and advantages which have made this country great, or whether we are going to allow them to be dumped overboard into the muddied waters of Communism or of some other dangerous foreign creed."

Rehabilitation of returned service men, the continued employment of those who served on the home front, and reconversion of industry, McDonald believes, are major problems which must also be handled in the spirit of free and independent Americanism. "Returned American soldiers want a chance to earn a decent living, not a dole," says McDonald. "The men and women who have worked hard in munitions plants want and deserve the right to continue to support themselves under decent conditions. Business and industry want to expand in order to furnish this employment, but if they are to do so, they must have the right of free and untrampled enterprise. They can not be shackled by government restrictions."

McDonald points out that his own experiences have given him a first-hand approach to all these major problems. Returning from World War I, he was without funds and without a job. He knows what GI Joe will be up against. He worked as a factory hand, entered business for himself, and eventually directed numerous industrial enterprises. He is a native Detroit and has never held public office.

Announce Republican Headquarters in Six Districts

Republican campaign headquarters in each of six congressional districts in Wayne county were opened this week. The local headquarters are located at: First district, 3011 Caniff, Paise Gitcho in charge; 13th district, 9035 Woodward, Emmanuel Karay; 14th district, 15227 E. Warren, David C. Vokes; 15th district, 4825 Grand River, Stanley Barker; 16th district, 7918 W. Jefferson, Eric Gotling; 17th district, 14309 Rutherford, Gordon Walker.

Opening activity of the various headquarters was the holding of district conventions of young Republican groups Tuesday night.

Plans for a new type of campaign are being made by Republican leaders, with the various district headquarters as centers of activity. More than 100 house parties are being arranged, according to James W. Lyons, Wayne county chairman.

Coming just ahead of the last registration drive, the rallies in all parts of the city in the week of Oct. 9-14 will emphasize registration of voters. The final day for registration is Oct. 18.

Governor Kelly and state officers have set aside the entire week for the Detroit drive. One day and evening will be devoted to a cleanup effort in each congressional district. Candidates will move from party to party until there is a complete coverage by all, Lyons said.

First district parties will be held Oct. 9; 14th, Oct. 10; 15th, Oct. 11; 13th, Oct. 12; 17th, Oct. 13 and 16th, Oct. 14.

Alger Auxiliary Sponsors Annual Benefit Party

Alger Auxiliary No. 995, VFW will sponsor their annual benefit card party for national orphans home in Eaton Rapids, Mich., on Saturday night, Oct. 7, at the clubhouse, 17145 St. Paul avenue. There will be table and door prizes, followed by a lunch. All are welcome.

Learners Club Initiates Different Club Procedure
The Learners club, which is being started by Mrs. Florence Gunn, Mrs. Helen Collins and Miss Ann Conrad, of 833 Nottingham road, Grosse Pointe Park, is radically different from the average club. The sponsors believe that the high mortality among clubs is due to wrong organizational methods. They have discarded many of the accepted ideas of club procedure and substituted ideas of their own. The Learners club is a serious study group. Their subject is "Personality Development — The Great Problem Solver."

They hope to help their members "increase the personality quotient so as to become more interesting to one's own self and to others."

One hour of each meeting is given over to learning. The balance of the time is allotted to practicing what has been learned. Having fun is an important part of the evening. Meetings are held the second and fourth Wednesdays of each month, 8:00 p.m., Empire building, 107 Clifford street at Griswold street, Detroit. Refined white people of all ages and from all locations are invited to attend.

Charles Carlile Thrills Stevadora Patrons With Songs

From the airwaves to Club Stevadora's patrons comes Charles Carlile, pleasant baritone who formerly warbled for CBS. He headlines this week's gay new revue with favorite tunes like "Mighty Like A Rose" and other semi-classics.

Swingstress Rita Ray mixes sweet with her jive for a fine blend of song-appeal. Favorites with her audience are "When a Woman Loves A Man," and "Tess' Torch Song."

The Dixon Brothers are zany comedians who whip up many a ticklish situation, and emcee Harry Whitney is the director of all proceedings. The Rhythm Rockettes frame the show with colorful precision routines, and Mel Steckley's orchestra makes music for shows and dancing.

Bab Marble fills interludes with piano music.

'My Friend Flicka' to Be Shown at Shores Theatre

The story of a boy and his love for a horse is told in a beautiful setting of a western ranch in "My Friend Flicka" to be shown at the Shores theatre tomorrow and Saturday with "Where Are Your Children?"

Roddy McDowal, one of the popular juvenile stars of Hollywood, lives with his mother and father on a huge western ranch and is given a pony to raise. The wonderful friendship which develops between the youngster and the pony is amazing to see, but the climax comes when Roddy saves his pony's life but almost loses his own.

The second feature is a story of modern juvenile delinquency in which Patricia Morrison, Gale Storm, Jackie Cooper and John Littel portray the characters who are involved in this to-the-point picture.

Reaching Their Goal

With more than ten thousand individual subscriptions already received, with Legionnaires in 74 posts and representatives of 30 different industries, businesses and professions soliciting funds, the American Legion campaign in Detroit to build a \$2,000,000 memorial for veterans of this war is today pledged by Ralph C. Wilson, chairman, to continue until the goal is reached.

It is always easy to be generous with somebody else's money.

American Field Service Manned by Volunteer Drivers

American Field Service, an overseas ambulance corps serving at the front with Allied Armies, recently became a member agency of the War Chest of Metropolitan Detroit.

Manned by volunteer drivers, ineligible for active service in the American Armed Forces, this agency evacuates casualties from the front lines. It works as a part of the Allied army medical units, assisting where frontline ambulance needs are inadequate.

Volunteers for the American Field Service are American citizens over the age of 18 and are required to have sufficient funds to purchase their initial equipment. Maintenance and transportation are provided by the armies to which they are attached.

Spencer Tracy in Flying Story at Aloma Theatre

The Aloma theatre is presenting a very popular double bill for its patrons tomorrow and Saturday, Jackie Cooper, Patricia Morrison, Gale Storm and John Littel appear in a picture, the story of which is about the delinquency problem which is facing many towns and cities today. It is "Where Are Your Children" and it brings the facts from the beginning to the horrible end of the steady climb of young girls and boys from a happy childhood into the chaos of delinquency.

The second feature stars one of the most well-liked men of Hollywood, Spencer Tracy in "A Guy Named Joe." It is truly a great love story with Spencer and Irene Dunn taking the leading parts. This is one of the most up to date stories for in it Spencer is a great flyer in the army air forces and with the romance, thrills and laughter, it leads up to a dynamic climax.

Catholic Theatre Players Present Mystery Comedy

"Murder in a Nunnery," a new three-act comedy with a liberal sprinkling of mystery, will open Sunday, Oct. 8 and run through the following Sunday, the 15th, at the Players theatre, 3321 E. Jefferson. This hysterical mystery-comedy will be given its first Detroit production by the Catholic Theatre.

The thousands of "who-done-it" addicts will be afforded a rare opportunity for indulging in their favorite pastime. "Murder" in the piously-peaceful atmosphere of a convent is startling enough but the unusual developments make for moments of rare suspense. Suspicion and confusion run rampant, much to the consternation of the inspector from Scotland Yard and his ever-present aide, Sergeant Mulligan.

'Jessica's Journey' to Be Presented at Peace Church Oct. 6

"Jessica's Journey," a three-act comedy by Edwin Scriber, will be presented by the Ladies' Aid of Peace Lutheran church, East Warren and Balfour, tomorrow night at 8:15 o'clock.

This fast-moving comedy contains fun and laughs for a full evening of good entertainment. It is the story of Beulah and Wendy Foster who are about to lose their fine old family mansion to the newly rich, rude Anastasia and her snobbish daughter.

An invitation is extended to the friends of Peace church and the community to see "Jessica's Journey." Tickets may be procured from members of the cast, or may be purchased at the door.

The present cast, under the direction of Mrs. H. Hoffman, is as follows:

Tire Plant Foresees Need for Employees

The tire plant of the U. S. Rubber company at Chicopee Falls, Mass., expects to increase employee enrollment and operate at capacity production for at least several years after the war, according to factory manager Tom Clark.

The plant, now employing about 3,300 men and women, could easily use another 1,000 men, he said.

"We in the tire business are fortunate in that conversion will entail little or no change in production methods. Nor do we anticipate any cutback in production with attendant layoff," Mr. Clark said.

Whether the homes of those heating with coal will be warm this fall and winter, depends upon consumers accepting now such usable fuel as their dealers can supply, instead of waiting for the kind or size preferred.

Pocahontas and other bituminous (soft) coals from the southern fields are generally preferred for domestic use in this area. They are similarly preferred in practically all areas from and even west of the Mississippi to the Atlantic coast. Since they possess special qualities which render them essential for by-product, metallurgical and many other special usages and processes indispensable to the successful prosecution of the war, which is a matter of first consideration, large quantities of these coals are being taken for such purposes because not many other bituminous (soft) coals possess those qualities.

Last season, because of war requirements and miner's strikes, dealers could not get enough of these preferred coals for consumer requirements, but they then had a considerable carry-over from the year before which, by virtue of a mild winter, enabled them to provide a sufficient quantity to avert any serious discomfort.

Dealers had no such carry-over this season and can make deliveries only as they receive coal that has still to be mined.

"We want to get going, get it over with, and get home." — American corporal with invasion forces in England.

Urge Coal Dealers to Buy Available Fuel Immediately

As treatment of seed potatoes may kill sprouts, it is best to treat the seed when still dormant, or at least three weeks before planting time, to enable new sprouts to grow.

Super Double Bill Engaged for Colony Theatre Oct. 6 and 7

Appearing Friday and Saturday the Colony theatre will present the technicolor musical "Broadway Rhythm" co-starring Ginny Simms and George Murphy with music by Tommy Dorsey and his orchestra. Companion feature stars Errol Flynn and Paul Lukas in "Uncertain Glory" with Jean Sullivan as the romantic interest.

The role of the Frenchman in "Uncertain Glory" is distinctly a new departure for Flynn, hitherto more notable on the screen for swaggering swashbuckling than for restrained characterization. Jean Flynn is a far cry from General Custer and Robinhood and other who Flynn has impersonated.

The coveted role of the French criminal in "Uncertain Glory" was based on the discovery that Flynn not only speaks fluent French, but he also has a thorough understanding of Gallic psychology and philosophy, having lived for a considerable time in that country.

Employers Notified When Vets Due Back

At industry's request, the war department has broadened its program for aiding manufacturing concerns to reemploy discharged war veterans.

In the future, former employers of servicemen will be notified when the men are released, in all cases where the records show they left employment for induction. Cards will be sent to former employers giving the name of the former employee and date of discharge.

**Carelessness and
Indifference Cause
Most Home Fires**

by Edward Rector, Park Fire Chief

America's homes are burning at the rate of a thousand a day, according to the National Fire Protection Association, chief sponsor of Fire Prevention Week.

This appalling loss is largely the

result, so the Association says, of carelessness and indifference to the causes of fire and ignorance of the principal fire hazards and the means of controlling the unavoidable fire when it breaks out.

If we should awaken to a headline in the newspapers which read, "Enemy Bombers Destroy 390,000 Homes in Cleveland — 10,000 Killed," we would be shocked into action. But even Cleveland, one of our largest cities, doesn't have that many

homes; yet, that is the number that went up in smoke and flames in this country last year, and that is a conservative estimate of the number killed.

But enemy action was not responsible for reducing all of these homes to useless rubble. No, these fires were due to familiar home front causes, according to the NFPA.

Heating plants from furnace pot to chimney top should be cleaned and checked by an expert for defects. Wall surfaces adjacent to fur-

naces and stoves should be protected against the danger of overheating.

Sparks lighting on flammable wooden roofs cause a third of America's residential fires. All old roofs should be recovered with fire-resistant material. Electrical equipment should be disconnected immediately after using. Worn or frayed cords should be repaired or replaced.

It is amazing that gasoline still is numbered among the major causes of fire despite the number of tragedies which occur daily. It should

be remembered that a pint of gasoline in destructive power, has been likened to a pound of dynamite, and that any spark is enough to ignite it.

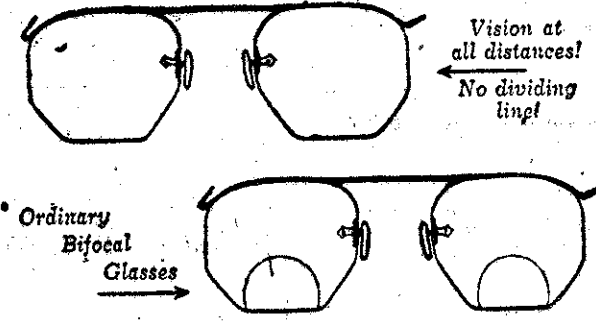

Good housekeeping is one of the best forms of fire defense. By this is not meant the dirt in corners, but accumulations of rubbish, old furniture, mattresses, and papers and rags in closets, attics and basements. These are a prey to spontaneous ignition, and feed fire starting from other sources. Get these out of the house.

Don't carelessly discard matches. Break them in two first. This is one of the best forms of fire prevention. Keep matches in metal containers, removed from the hot kitchen stove, and away from children. Extinguish cigarettes and cigars before discarding them.

For the blaze that occasionally breaks out despite all precautions, call the fire department before trying to extinguish the flames yourself.

Beach Blended Lenses!

Through a process of skillful grinding the dividing line between upper and lower portions has been eliminated in blended lenses.

Since blended lenses have no dividing line there is no jerk, jump, or shock to the eyes as the eyes shift from one portion of the lens to another. Glasses for the entire family.

Dear Sir:

Tuesday evening, Sept. 26, 1944, we people of Gratiot township, District No. 2 held a meeting of open discussion and afterward voted upon a petition requesting our township to assume the financial responsibility of the high school tuition necessary for the enrollment of our children in Detroit high schools. This is an

obligation which has been successfully met by 14 out of the 18 Wayne county townships.

It is evident that the serious minded residents could not have clearly understood the reason for our youth-conscious taxpayers petitioning for the township's financial aid for the high school education of our boys and girls who are preparing for the responsibilities of manhood and womanhood.

Should our interest lag or our obligations cease when a child passes the eighth grade? Can we not carry on the good work of our teachers and members of the Beacon school board?

We have about fifteen hundred homes in our district, and at a cost of 35 cents per month for each taxpayer, we could send 125 students to high school for a year, and the total would be some \$6,250.00, just about

the cost of the salary alone of two high school teachers.

At the meeting it was mentioned that, though we have enrolled only 100 children to date; each year the number would be increased because of the expected growth of our community, but the fact was not brought out that the increase of homes means more taxpayers to share the added burden.

There may be parents of small children who do not expect to be living in this district when their children reach high school age; therefore, feel that this subject is no concern of theirs. In all respect to their judgment, may we point out that all we taxpayers—(childless couples as well) have willingly erected and maintained the eight-grade school which their children attend. Should they not feel duty bound to reciprocate by adding their support to this issue?

Suppose we ask of ourselves these questions: Did I weigh the subject upon which I voted? Was it discussed until everyone understood completely? How many more children would now be attending school instead of working too young or loafing around the community if we had not voted this proposal down—2 to 1? Did I mean to be neglectful of the youths around me?

Suppose we who are able to send our children to school should think, "I can afford to send my children through high school — I pay their tuition and let the other fellow do the same; if John Doe cannot afford to do so for his offspring—if his finances are so that his child feels it more important to take a menial job than go to school — if the man dies or goes to war or leaves home and his wife or widow cannot afford to pay tuition or if some serious illness should strike and play havoc with the monetary status of his family, that's just too bad — let him solve his own problems. It's none of my business."

None of Our Business?

Suppose Americans the world over took that way of thinking? Would we have, in our country the Red Cross emergency aid, Red Cross blood bank, Goodfellows, Community Fund, American Legion, March of Dimes and many other fine contributory organizations? Would that line of thought be in keeping with the fine standards upon which our America is based?

We must be deep chagrined that Gratiot township voted two to one against the financial encouragement of normal education for our teen age residents. Most surely we are not proud of the fact that we begrudge our adolescents 35 cents a month, just about the price of two packages of cigarettes.

Let us not allow penny-pinching, or personalities, or political grudges to sway us again. Whether we ignore it, or not — people of our township — **It Is Still Our Responsibility.**

Urge Visitors Attend Thorne Miniature Rooms

A thrilling trip to Thumbelina is in store for visitors to Detroit Art Institute where the Thorne miniature rooms are the current featured exhibit.

There are 30 tiny, beautifully lighted rooms showing authentic European interiors dating from the 15th through the 20th century. Adults and children alike will love these toy-like models which tell a story of living history.

Detroit had to wait over four years for its chance to see the Thorne miniature rooms. That was because their demand was so great in other large American cities where they have attracted enormous crowds of viewers. They were designed by Mrs. James Ward Thorne of Chicago, first as a hobby, and later were shown at the San Francisco and New York World Fairs.

ELECT THESE TRAINED and EXPERIENCED MEN

During the past two years, the Republican administration of Michigan, under the leadership of Governor Kelly, has won national recognition.

War problems have been intelligently handled. Health and youth guidance programs have been increased to meet war-time conditions.

Now postwar plans to promote continued employment, veteran training and re-employment are well under way.

Our State government is well organized and efficiently run — let's keep it that way. Vote for this Michigan team of trained and experienced public officials.
