

Thousands Attend Hallowe'en Parties

CAPTURED GERMAN EQUIPMENT

A 9th Air Force Service Command Unit, France. — Converting captured German equipment for use by the ninth air force is one of the jobs that Lieut. Albert O. Fluitt, of 343 Kerby road, Grosse Pointe Farms, performs for the ninth air force service command unit with which he is now serving.

POINTE PARAGRAPHS

The police dockets throughout the Pointe have been containing a very large number of reports concerning the youths of the neighborhoods. It would be well for the parents to check the activities of their offspring to make certain that he or she is not participating in some of the activities—not pranks—which have been taking place lately.

One seventeen year old City youth has been apprehended for pulling a false fire alarm on October 17 at Harvard and Charlevoix while another—the same age—was found shooting street light globes. A ten year old lad had his air rifle confiscated by the police for shooting it from his front porch, while two other youths are being held for stealing fender skirts while attending a party here.

In addition, there are numerous reports of pea shooters and the reckless drivers cutting up lawns and bushes. Finally, there are the three reports of a group of boys who are piling up dried leaves on residents' porches and setting fire to them. This can and will lead to something very dangerous.

So, parents, question your youngsters and find out if they are doing any of these things. It should be

Dr. R. K. O'Neill, veterinary, with offices on Kercheval avenue, reported to Park police that a large flag which usually sways in the breeze in front of his office had been stolen last Thursday. Being a patriotic fellow, he joined in the search; he located it, too, in a nearby field.

We want to again urge all voters in the Pointe to go to the polls early so that everyone is given a chance to cast their ballots before they are closed next Tuesday night.

We hope that the writer on one of the Detroit dailies who criticized the Grosse Pointe communities for their Hallowe'en rowdiness in an article recently, will take back every word he wrote after seeing the fine display of public spirit which was evidenced Tuesday night at the community sponsored Hallowe'en parties held in five schools and the Neighborhood club.

Announce New Hours for AWVS Bond Booth

Because the volunteers who work in the bond issuing office of the AWVS at 17027 Kercheval are required to balance their money before they leave, it has been decided to keep the bond issuing office hours as 10:00 a.m. to 4:00 p.m. week days and on Saturday 10:00 a.m. to 1:00 p.m. Anyone turning in funds is requested to observe these hours which have been arranged to facilitate the work.

Car Recovered

Park Police Officers Snay and Diloway recovered a car stolen in Detroit and abandoned in front of 965 Pemberton road, last Saturday night.

16 Men to Leave for Armed Forces Nov. 9

A group of 16 men, from Board 57 will leave for service in the armed forces next Thursday from the Neighborhood club at 6:00 a.m. Sendoff ceremonies will also take place at this time. They will be inducted at the Chicago induction station.

The men leaving are as follows: Jere H. Dykema, leader; 410 Lakeland; John E. Nicholl, Arlington, Va.; Harry L. Rogge, 286 Moran; William H. Wurm, 1242 Devonshire; Carl E. Brand, Berkely, Mich.; William F. Arnoldy Jr., Glendale, O.; Alfred W. Bender Jr., Adrian, Mich.; Donald S. Lubie, 1248 Lakepointe; Richard C. Rohe, 989 Barrington; Frank J. Goosen, 182 Oak street; Joseph G. Wittman, Detroit; Harold L. Savory, 1413 Nottingham; William R. Wallace, 1312 Devonshire; William L. McKenzie, 1760 Broadstone road; John L. Sanderson Jr., 19322 Washtenaw; and Frederick W. Seltzer, 1131 Kensington.

Begin Preparing Tin Cans for Next Collection, Nov. 13

"The tin can you contribute to the tin can salvage drive will fight, feed and heal our fighting men now overseas," says Neil Blondell, chairman of the Grosse Pointe and Gratiot township tin can salvage committee. "Tin is essential in production of ships, submarines, tanks, and ammunition; tin, because of its ability to withstand heat, cold, shock, contamination and climatic changes, is used to line food containers that go to our overseas forces; tin is used to transport vital medical supplies which daily save lives in war areas. Remember all this when you prepare your tin cans for the next collection on Monday, Nov. 13," concluded Blondell.

From left to right are Maj. Joseph H. Fleming, New Haven, Conn.; Sergt. Harry Dorsey, Pittsfield, Ill.; Lieut. Albert O. Fluitt, and Staff Sergt. Francis Kehres, Pasadena, Calif.

Rep. Louis C. Rabaut Pays Gratiot Township Visit Sunday

Recalling the time when he received 28 of the 30 votes in all of Gratiot township, Rep. Louis C. Rabaut expressed his surprise over the growth since then of a community which now has some fifteen hundred homes and a population of between fifty-five hundred and six thousand residents. "There are times when we are so close to things we cannot see them," he said, during an informal visit with the personnel of the township police and fire departments, last Sunday afternoon.

In his talk with the men gathered around him, he explained some of the things a congressman encounters while serving his home community. What Representative Rabaut has done so far as Gratiot township is concerned amounts to approximately one hundred fifty thousand dollars in federal appropriations. One of the things he was instrumental in obtaining is the township fire truck; he seemed particularly pleased to find it so well equipped and in such good condition, the men of both departments so alert and well informed in their duties. He later donned a fireman's helmet and posed for photographs beside the truck. In return, he was made an honorary member of the department.

Mr. Rabaut was the guest of Odilon Houtekier, township supervisor, who later took him on a tour of Gratiot township.

Two Found Guilty on Morals Charge in Farms Court

Justice Kenneth M. Thomas found two men guilty on a morals charge over the week-end in the Farms justice court. He fined them both \$100 or 90 days.

At 3:00 a.m. on Oct. 28, Joseph Matkins, 22, of 2519 Bewick, was brought into the Farms police station on complaint of a 16 year old boy on a disorderly charge. He appeared in court later in the day.

VOTE EARLY!!

The voters of Grosse Pointe are urged to vote as early as possible next Tuesday. This appeal is made primarily for those who are in their homes, especially the women, during the day time and who can easily cast their votes between those hours. They are asked to do this so that the working people of the Pointe will not have to stand in long lines for any length of time before being admitted into the election booths. It is an injustice to make these people wait before casting their votes.

A second reason is also in mind for making this appeal. Late voters also cause late hours for the members of the election commission. The recording and tallying of the votes is a long and drawn-out process and if, when the time comes, the members of the election board have not been rushed by a last minute crowd, their task will be much easier.

Take this appeal to heart and vote early!

Women Hear of Year's Work Completed by Grosse Pointe AWVS Unit Here

More than seven and a half million dollars worth of war bonds and stamps were sold by the AWVS from June of 1943 through September of 1944; more than 26,133 miles driven during 3,000 hours by volunteers in the AWVS motor transport division and nearly three thousand garments mended for boys at the naval armory by the button brigade were highlights of a superb combined report of activities read by Mrs. Edward T. Herbert at the fall meeting and tea of the Grosse Pointe unit of the AWVS held Wednesday, Oct. 25 at the home of the chairman, Mrs. Alger Sheldon.

How the paper drive was augmented by the work of the salvage committee headed by Mrs. Edward Isbey was another instance of what services AWVS helps to render in wartime in the community. The Workshop now supervised by the active consumers division is a project where each day in the week work is going on for the Red Cross emergency cupboard or for the field army of the American Cancer society. Also, instruction is offered in clothes remodeling, slip cover making and household repairs which are an asset in conservation of resources and labor just now.

Miss Helen Ann Burns, director of the Wayne county clinic for child study, talked on some of the problems of present day youth, stressing a need for the sympathetic understanding of children who fall into one of the four types of delinquency, which she discussed.

"To think that a mantle of wisdom falls upon parents when a baby arrives in the family is a sad mistake," Miss Burns said in stressing the fact that untrained parents cannot be blamed for mistakes they make in rearing children. For, she pointed out that one of the most difficult things in life is to know how to do things about emotional qualities which are so important to children. Crowded schoolrooms present an obstacle to teachers, also, she feels in directing children individually.

German Prisoner

MR. AND MRS. Frank P. Marsack, 213 Oak street, have been notified that their son, Sergt. Charles Marsack, who was reported missing in a bombing raid over Germany in September, is a prisoner of war in Germany.

Home Rule Defeat Seen

The Committee for Representative Government states that the Detroit chapter of the National Lawyers' Guild, composed of 250 leading Detroit attorneys, together with home owners, labor leaders and small business groups, has waged such a strong campaign in opposition to State Proposal No. 4 that its defeat seems assured in Wayne county, as well as throughout the state.

Outstate opposition has been carried forward by the Michigan Institute of Local Government, under D. Hale Brake, state treasurer, as chairman. The claim of the proponents that Proposal No. 4 can have no effect on other counties in the future has been challenged by them and the entire state has been advised that Proposal No. 4 is merely a repetition of the effort of paid Detroit reformers to install non-partisan government first on the county level, and later in the legislature and other state offices, which was turned back in 1934, 1936 and again in 1942.

"We have shown how the 11 cities and 18 townships, in Wayne county outside Detroit, with a combined population of 450,000, would have no voice in county government under the terms of this amendment," said Milton Carmichael, secretary of the Wayne county Republican committee and a leader in the opposition to Proposal No. 4. "We have also been

Property Owners Await Decisions in Assessment Appeals

Members of the state tax commission appeared in Grosse Pointe last Thursday to hear two appeals of tax assessments made on certain parcels of property in the Pointe. Those who were here were Louis Nimms, chairman of the tax commission, and Commissioner Marsh.

Also attending the meeting were Carl Schweikart, supervisor of Grosse Pointe township, attorneys for 67 lakefront owners, Maxon and McMahon representing 14 other property owners, and approximately seventy taxpayers.

The appeals from the assessments made by Mr. Schweikart on the above properties apply principally to the mansion type and lake front residences; they are claimed to be over assessed; Mr. Schweikart, however, claims they are properly assessed.

East Side Belgium Businessmen Hosts to Belgium Cadets

Four young Belgium air cadets returning to Canada this week after being feted royally over the past weekend by prominent East Side Belgium businessmen who took them into their homes and on a round of festivities rarely experienced by any of them before.

The four young Belgians, studying to become navigator-bombardiers in Toronto and later at Prince Edward Island, headed towards Detroit when given a short furlough from their studies.

Arriving here, the youths were "adopted" by Alex DeClercq, proprietor of the Rathskeller at Nottingham and Mack, Henry Sabbe, officer of the Belgian American Businessmen's Association, and Constant Brouk, past commander of Roosevelt Vankers, American Legion.

The boys, Rene Aertgeels and Frank Bayet of Brussels; Armand Parmentier of Lieze; and Paul Deynens of Antwerp, told of their experiences when escaping from Belgium. Rene and Armand were captured by the Germans when they entered Spain and spent a year in a concentration camp before the Belgian consul was able to obtain their release. Frank and Paul, after harrowing experiences crossing the border into Spain, also reached England by way of Portugal, Gibraltar and Africa.

Since this was their first visit to the United States, they were quizzed on their likes and dislikes. They admire the American girls and have found Detroit to be the most friendly town, especially its USO. They don't care for jitterbugging, however.

Republican Women Headquarters Open 8 a.m. to 10:30 p.m.

The new Bricker-Dewey Republican headquarters located at 122 Kercheval, near Radnor Park will be open every day from now until election from 8 a.m. to 10:30 p.m. This earlier opening hour will enable the business men to stop on their way to work and pick up campaign material. The hours Saturday will be from 12 noon to 10:30 p.m.

Arrangements are being completed for ballots to be taken into the hospitals and to the sick at home. Anyone wishing such information may call the office at TU. 1-9865. Under the leadership of Mrs. R. E. King, a motor corps service has been organized and cars will be available for those who have no means of transportation to the booths. Anyone wishing this service is asked to call Mrs. King at NL 3279 and she will arrange transportation.

Sample ballots for people to take home and study may be obtained at the headquarters. The office will be open until a late hour for returns on election night.

Mrs. Benjamin O. Shepherd cordially invites all Republican women to stop in at the headquarters and urges any who can give some time to call her at the office, TU. 1-9865.

City Firemen Fight Blaze; Detroit Fire Department Also Answers Alarm

City firemen, some who were off duty, fought a stubborn blaze which partially consumed a warehouse of Beauty Counselors, Mack avenue and Cadieux road, last Thursday night for two hours.

Two Detroit fire companies also answered the alarm.

Damage is estimated at \$15,000. Cause of the fire is undetermined.

Fire Damages Garage

Considerable damage was done to the Stocum garage, 1241 Bedford, last Saturday afternoon after a bonfire spread to the garage. Park firemen extinguished the blaze.

Enthusiasm High At Celebrations For Young Pointers

Beyond any shadow of a doubt, the giant Hallowe'en celebration which was given for the younger generation of Grosse Pointers last Tuesday night, turned out to be the most successful party ever given here during the past few years, both from the standpoint of the youngsters who attended the six parties and from the standpoint of the volunteer assistance offered by the men and women of the community.

Preschool and elementary school boys and girls, decked out in the costumes characterizing Hallowe'en, attended movies and watched professional and amateur performers of the stages of Maire, Pierce, Richard and Mason schools. The elementary school youths and maidens congregated at the Neighborhood club where they danced to the music of well known Detroit orchestras. In addition to the dancing there was a stage show for the enthusiasts and refreshments.

Missing Pointe Pilot Awarded DFC in England

An 8th Airforce Bomber Station, England.—First Lieut. David Loughlin, son of Mr. and Mrs. Thomas E. Loughlin, 195 Oak street, Grosse Pointe Farms, has been awarded the Distinguished Flying Cross while serving as pilot of a Flying Fortress at the base commanded by Col. H.

Forrest Geary, chairman of Grosse Pointe Hallowe'en committee, wishes to thank the volunteers who so ably assisted at all six parties, the police officers who directed traffic and the many organizations whose donations made this party the huge success it was.

Registrations Cause Township Clerk's Office to Be Busy

Henry Lavers, township clerk of Grosse Pointe, is one busy man these days and his office is one busy place at the conclusion of the last of registration for the presidential election to be held next Tuesday was found that approximately 10,000 registrations had been made.

This brings the total registration for Grosse Pointe to an estimated eighteen thousand voters.

In addition to preparing for coming election in the precincts of Grosse Pointe, Mr. Lavers' office also handling local as well as the vicemen's absentee ballots.

Southwest Pacific Hero Awarded Oak Leaf, Purple Heart

Fifth Air Force, Southwest Pacific.—A Grosse Pointe pilot of the blasting P-38 fighter outfit Sgt. Angelo recently received two awards for combat activity from Brig. Gen. Paul B. Wurtsmith, commander of the Fifth Fighter Command in the Southwest Pacific.

Capt. William G. Jeakle, son of Mr. and Mrs. George Jeakle, Fisher road, was awarded the Purple Heart for wounds received in action over New Britain on Dec. 18, 1943, and the Oak Leaf Cluster to the Medal.

Captain Jeakle has shot down three enemy aircraft in aerial combat during his 22 months overseas. Previously he was awarded the distinguished Flying Cross and the Medal with two Oak Leaf Clusters.

Turner Buick Motor Sales Returns to Grosse Pointe Park

Announcement is made this week of the return of Turner Motor Sales, Inc. Buick sales and service Grosse Pointe Park in the building recently vacated by the army. Name tank school at Kercheval, Maryland.

Owned by Maj. Harry A. Turner who has been in the army for past 30 months, the Turner garage will be managed by Charles G. Turner who was Major Turner's sales manager at the agency when it was located on Jefferson near Beachfield.

Complete service for Buick cars in the territory will be featured as well as general repairs and makes of cars in the completely equipped repair shop.

Hits Delivery Truck

Jack Kellery, 17, of 17440 Maumee, driving a delivery truck last Friday afternoon, was struck by a car driven by Lee Burdett, 18, of 20460 Andover, as he was turning into a driveway.

DOG BITE

Carol Corey, 16, 278 Kenwood, reported to Farms police last Friday that she had been bitten by a dog.

Hit and Run Driver Traced Through Leaky Radiator

Investigating a hit-run accident report last Thursday morning, Sergeant Vernier and Patrolman Hennig and A. Conlon arrived at the accident scene to find a small puddle of water.

Unknown to its driver the offending car had a leaky radiator and the officers trailed the car to the home of Thomas Edwards, 4423 Barham where the car was parked in the garage.

Admitting that he was driving the car which hit a parked car owned by G. H. Decker, 1576 Gray, he was given a ticket for leaving the scene of an accident.

He will appear in court next Wednesday.

No Gas for Hunting

There will be no gasoline for car owners for hunting deer, officials of the OPA regional office in Cleveland announced recently.

"Patriotism should cause hunters to be more than willing to pass up hunting trips this year," said Birkett L. Williams, regional OPA administrator. OPA is just as anxious to do away with rationing as anyone but, first, war demands must be met. If motorists will not be co-operative voluntarily in helping to meet the war demands, OPA enforcement officials will step in and take such actions as may be necessary to see that those demands are met.

Hits Delivery Truck

Jack Kellery, 17, of 17440 Maumee, driving a delivery truck last Friday afternoon, was struck by a car driven by Lee Burdett, 18, of 20460 Andover, as he was turning into a driveway.

U. of Michigan Club to Sponsor Party

All Grosse Pointe is in a tizzy of excitement over the informal fall funfest to be held next Saturday night, Nov. 4, at the Alger Post VFW clubhouse, 17145 St. Paul, sponsored by the University of Michigan Club of Grosse Pointe. All former students as well as members of the organization and their friends are invited to share in the merriment. A good time is guaranteed. There will be an orchestra for dancing—one that you will like, facilities for those in a mood for cards, a Michigan sing, besides a lively program of novelties and surprises, refreshments too, and anything you wish in the tap room. The festivities will begin at 9:00 p.m.

Tickets may be obtained from Dr. E. R. Stoliker, NI. 8676, chairman of the social committee, or any of the following members of his committee: Mrs. King, TU. 1-2390 or TU. 1-6041; Frances Huff, DR. 1243; Dr. J. Walker, TU. 2-9130; Mrs. Kronner, NI. 6674; Forrest Heath, CH. 4570.

During the coming season the group plans to have two more social events and three of an educational nature. The first lecture will be given early in December and will be of interest to everyone.

Why Vote 'No' on Proposal No. 4

It has always been the policy of this newspaper to work for the best interests of Grosse Pointe as a whole and the welfare of its taxpayers. In most instances, the stand which this paper has taken has been endorsed at the polls.

Why about Fireman Pension?????

Tuesday's election will give the electorate of Grosse Pointe an opportunity to express themselves on the so-called "Home Rule Amendment" in proposal No. 4 on the ballot.

For the most part, it would seem that the amendment is detrimental to the interests of Detroit and therefore has been championed by Detroit's daily newspapers, plus certain out-city interests who have holdings there or other reasons for sponsoring an amendment. By its passage, opponents claim that home rule would actually be destroyed for 11 cities and 18 townships in Wayne county.

On the basis of the debt performance of the city of Detroit, a people of Grosse Pointe should scarcely like to have their government bracketed with the city. For Detroit's debt has increased over one thousand per cent since 1919, while Wayne county's debt has decreased 13 per cent. It appears to be the old age of a drowning man clutching at a straw, or at least an emptied grab at other municipalities and townships fine financial condition.

Residents of the Pointe have been given an opportunity to analyze the proposal through a series of 16 statements made by a committee for representative government which have been published during the past eight weeks in this newspaper.

The Grosse Pointe township board has gone on record as unanimously recommending that you "Vote NO on Proposal No. 4."

To Meet Monday

The fall meeting of Michigan chapter, Daughters of Founders and Patriots of America, will be held Monday morning, Nov. 6, at eleven o'clock in the Riverview room of the Whittier hotel. Mrs. Charles Horton Metcalf, state president, will preside.

The meeting will be followed by luncheon at 12:30 o'clock, in the Pickwick room, for which reservations should be made by tomorrow, Nov. 3, with the corresponding secretary, Mrs. Alexander Munro, of LaSalle Gardens, South.

Left for New York

Antoinette Francois and Carolyn Porrimo of New York, left last Tuesday after spending a week at the home of the former's parents, Mr. and Mrs. Felix Francois, of 330 Rivard.

Michigan State Students Do Practical Work

East Lansing. — Marilyn Dreher and Maria McKnight, Grosse Pointe juniors, are two of 14 education students at Michigan State college who are living in Charlotte this quarter under the community studies program, Dr. Troy Stearns, assistant professor of education, announced recently.

Miss Dreher, daughter of Mr. and Mrs. Myron Dreher, 780 Pemberton, and Miss McKnight, daughter of Mr. and Mrs. Wade H. McKnight, 828 Hawthorne boulevard, began their field work in Charlotte on Oct. 15 and will remain there for the rest of the fall quarter.

The prospective teachers will take part in group conferences and local community programs, assist in drives and recreation programs, work with youth groups, and make studies of the attitude of pupils and adults in the community. The nine weeks' study program, for which scholarships are offered by the W. K. Kellogg foundation, provides full college credit for the participant.

Miss McKnight has also taken over the treasurer's post of Studio theater at the recent organization meeting of the group, according to Don O. Buell, associate professor of speech and dramatics.

Good news for women. Our morning millinery class has proved so popular that it has been necessary to run another class in the afternoons. The afternoon millinery class will start Tuesday, Nov. 7, 1944 and will meet from 1:00-3:00 p.m. There are eight lessons given in the course by Mrs. Clyde Sutton. A few openings are still available so if you are interested please call NI. 4600 or come into the Neighborhood club, 17145 Waterloo before Nov. 6.

We are also sponsoring a sewing class for women which will start on Monday morning, Nov. 6, 1944 from 10:00 a.m. to 12:00 noon. If you have any clothing you would like to make over—here is your chance for advice and help.

Girls' Pottery Class—
 On Tuesdays from 4:00-5:15 p.m., is a pottery class for girls 10 years of age and over. There is an opening in this group if you care to take advantage of a most interesting and worthwhile hobby.

The intermediate girls' gym class enjoyed a hike and cookout last Saturday at Pine Woods. The junior girls' gym class is planning their hike and cookout for this coming Saturday, Nov. 3.

Defer School N-E-W-S

The advanced kindergarten group built a fruit and vegetable market of Patty Hill blocks. They modeled vegetables and fruits of plasticine. Labels and price signs were copied and placed near the vegetables. A cash register and toy money were used in their dramatic play as customer and market man. As a result of this activity many of the children have learned to recognize fruit and vegetable words as well as numbers. They have learned to co-operate in taking turns in their dramatic play.

Mr. Muller gave the kindergarten a crate of pumpkins which he brought from his farm. The children have enjoyed making jack-o-lanterns, and saving and drying the seeds to be eaten this winter as well as dictating a "Thank You" letter for them to have so much fun.

Collegiate Who's Who Lists Ten From Wayne

SERVICE PARADE

Capt. Richmond E. McConnell of the air corps, returning from 13 months overseas in the Mediterranean theatre of operations has arrived at Ft. Sheridan, Ill., and is expected to reach his home at 704 Washington road where he will visit his parents, Mr. and Mrs. H. I. McConnell.

Lloyd E. Barber was recently promoted from first lieutenant to captain; he is a commanding officer with the invading army in France. His wife, Edna F. Barber, resides at 1037 Lakepointe.

HAZC Jim Marshall left recently to return to Great Lakes where he is awaiting reassignment to a hospital. His parents are Dr. and Mrs. James R. Marshall of 607 Lincoln road.

Among those graduating from an intensive course of basic engineering training at recent service schools exercises here was Keith Kenton Karr, 26, 1452 Brys Drive, Grosse Pointe. This Bluejacket was selected for his specialized training on the basis of his recruit training aptitude test scores. Graduates from the 20 specialized courses taught here at the service schools are sent to sea, to shore stations, or to advanced schools for further duty.

Fort Benning, Ga. — Pfc. William C. Emory Jr., son of Mr. and Mrs. W. C. Emory, of 426 St. Clair, Grosse Pointe, Mich., has won the right to wear wings and boots of the U. S. army paratroopers. He has completed four weeks of jump training during which time he made five jumps, the last a tactical jump at night involving

a combat problem on landing. Jumping at the parachute school has been steadily developed to a recognized war science. American paratroopers have been recognized throughout the world for their meritorious actions against the enemy. In addition to producing jumpers, parachute specialist training is given to qualified men in communications, demolition, riggers and parachute maintenance, vital skills for airborne troops.

Corp. William E. Hawkins, son of Mr. and Mrs. William Hawkins of Nottingham is with the army air corps in Paris; he has been overseas since February.

Arthur Earl Svoboda, 17, 64 Handy road, is receiving his initial naval indoctrination at the U. S. naval training center, Great Lakes, Ill.

His recruit training consists of instruction in seamanship, military drill, and general naval procedure. During this period a series of aptitude tests will be taken by the recruit to determine whether he will be assigned to a naval service school or to immediate duty at sea. When his recruit training is completed, the seaman will receive a period of leave.

Pvt. Stanley J. Ziaja, now on detached service attending the Fort Crook, Neb., ordnance automotive school received the highest grade in his class for a week and is listed among the week's honor students.

Private Ziaja, who is taking a specialized course in automotive chassis mechanics came through with a grade of 86. After graduating from

the school he will return to his former camp at Camp Stewart, Ga., where he is assigned to the 935th Ordnance Heavy Automotive Maintenance company.

His sister, Miss Lillian Ziaja lives at 810 St. Clair, Grosse Pointe.

Moses Lake, Wash. — Announcement has been made at the Moses Lake AAF of the promotion of Pvt. Robert M. Eckert to the rank of corporal.

Corporal Eckert is the husband of Mrs. Margaret Hunter Eckert, who is living at Moses Lake, and the son of Mr. and Mrs. Charles R. Eckert of 1014 Buckingham road, Grosse Pointe Park.

The 24-year-old soldier is a graduate of Culver Military academy and later attended Cornell university. Also, he served as a clerk for the Northwestern Mutual Life Insurance company at Detroit.

Corporal Eckert entered the army

Nov. 11, 1942, and came to this 4th air force fighter base in June of this year from Hammer Field, Calif. He is a crew chief on the flight line.

An Eighth Air Force Fighter Station, England—First Lieut. Richard S. Spencer Jr., 22-year-old fighter pilot of Grosse Pointe, has been awarded another, the third, Oak Leaf Cluster to his Air Medal for exceptionally meritorious service in aerial flight over continental Europe.

Lieutenant Spencer, a member of Col. Hubert Zemke's P-51 Mustang Fighter Group, has been making regular bomber-escort and strafing missions over invaded Europe from this Eighth Air Force Fighter Station. He is the son of Mr. and Mrs. Richard S. Spencer, 75 Handy road, Grosse Pointe Farms.

Garden sorrel is a hardy perennial which bears edible leaves considered by many to be delicious.

Urge Endorsement of Judge Friedman for Circuit Court

The selection of all judicial officers placed on the non-partisan judicial ballot on Nov. 7 should be wisely and conscientiously made by each voter.

When a man like Judge William Friedman, at present on the bench of the circuit court and appointed to succeed the late Judge Harry B. Keidan, announced his candidacy for

continuation in a position where he has been an outstanding judge and mediator, then we may be assured that the calibre of our county courts will continue on the high plane on which they have always been.

His overwhelming endorsement by the Detroit Bar Association when he received nearly three times as many votes as the combined total of all the other candidates for this office, proved that men who know the law and the requirements of the men who decide the law, recognize Judge Friedman's worth as a circuit court judge.

D. Neil Reid Gives Qualifications for State Legislature

D. Neil Reid, a candidate for the state legislature on the Republican ticket in the first district, which comprises the city of Detroit, the Grosse Pointe communities and Gratiot township, is a life-long resident of the Redford section of Detroit. He is a graduate of the literary and law colleges of the University of Michigan, receiving his law degree in 1926, and has since that time been actively engaged in the practice of law in the city of Detroit and associated with Leslie P. Young, justice of the peace of the City of Grosse Pointe.

Mr. Reid is married, has three children of school age, and is particularly interested and qualified in youth problems, education, taxation, hospitalization of indigent afflicted persons and in postwar readjustment and reconversion. He also advocates and will work for a division of the present large first district into several districts, thus providing for better representation of the different sections of the district and getting the people closer to their governmental representatives.

Although this is the first time Mr. Reid has been a candidate for public office, he has long been interested and active in public affairs and governmental problems. He placed second among the 21 candidates nominated on the Republican ticket at the July primary. The Civic Searchlight, after making its investigation of all candidates running in the primary, designated Mr. Reid as "well qualified—preferred," he being the only candidate of either party to receive this particular endorsement.

These women will receive help and training for their jobs, suggestions on how to start, and how to keep going with interesting activities. The waiting list of Scouting is growing longer every day. Scout leadership is a tremendous opportunity for any woman. It is a war job with a future.

It isn't necessary to be particularly clever or gifted to be a Girl Scout leader—for the girls, themselves, think up more ideas than can possibly be used. What they want is someone to take an interest in their problems, to guide them in the Scout program, and to be their friend and advisor. It is the leaders who can help train girls to be better citizens tomorrow, and there are very few other war jobs that are more important.

Grosse Pointe already has 550 Girl Scouts, but there are still a great many girls on waiting lists, because of the need for volunteer workers. There are three age groups to work with—Brownies, the smallest, seven to 10 years old; intermediates, 10 to 14; and senior Scouts, 14 to 18. Anyone interested in being a leader, please call Mrs. Howard Parfitt, NI. 3698.

powerful in the world.

When the pilot requires an added burst of power from his engine he presses a button. A water regulator attached to the engine crankcase introduces a stream of water into the gas line, while a de-richment valve, attached to the carburetor, leans out the mixture.

Added engine efficiency is achieved by leaning out the mixture. However, a lean mixture produces excessive heat by reducing the cooling action of excessive gas inside the cylinders. Water injection overcomes this by keeping the cylinder temperature within the bounds of operating efficiency while the engine is functioning on a lean mixture.

Notice of Public Hearing

on Proposed Amendment to Ordinance No. 34, Known as, 'The Zoning Ordinance of the Village of Grosse Pointe Woods,' to Be Held on

FRIDAY, NOVEMBER 17, A.D. 1944

at 8:00 o'clock P.M. at the Mason School on Vernier Road in the Village of Grosse Pointe Woods.

"Notice is hereby given, in accordance with the Provisions of Act No. 207 of the Public Acts of the State of Michigan for the year of 1921, as amended, that a public hearing will be had at the Mason School on Vernier Road, in the Village of Grosse Pointe Woods, Wayne County, Michigan on

Friday, November 17, 1944

at 8:00 o'clock p.m., Eastern Wartime, upon a proposed Amendment to Ordinance No. 34 of the Village of Grosse Pointe Woods, adopted on June 18, 1940, which proposed amendment is as follows:

'AN ORDINANCE TO AMEND ORDINANCE No. 34 OF THE VILLAGE OF GROSSE POINTE WOODS, MICHIGAN, ADOPTED ON JUNE 18, 1940, ENTITLED:

'AN ORDINANCE to regulate and restrict the location of trades and industries and the location of buildings designed for specified uses, to regulate and limit the height and bulk of buildings hereafter erected, to regulate and determine the area of yards, courts, and other open spaces, to limit and restrict the maximum number of families which may be housed in dwellings hereafter erected or altered, and for said purposes divide the Village into districts, to provide a method of administration, and to prescribe the penalties for the violation of its provisions.'

be amended so as to read as follows, to-wit:

'SECTION 19. Description of Districts:

DISTRICT A

'Shall embrace all land within the confines of the Village limits of Grosse Pointe Woods which is not a part of Districts B and C.

DISTRICT B

'Shall embrace the following described parcels of property:

'That part of the Village of Grosse Pointe Woods bounded on the South by the common line between the Village of Grosse Pointe Woods and the City of Detroit, on the East by the westerly line of Mack Avenue (66 feet wide), on the North by a line parallel with and distant 200 feet northerly at right angles from the Common Line between the City of Detroit and the Village of Grosse Pointe Woods and on the West by the line between lots 82 and 83 of Grosse Pointe Country Club Woods Subdivision, as extended, to the Common Line between the City of Detroit and the Village of Grosse Pointe Woods.

'All the remaining land fronting on Mack Avenue for its entire length within the Village and for a depth of 300 feet from the center line of Mack Avenue, as established by the Wayne County Road Commission, excepting therefrom the Southerly 60 feet of such Mack Avenue frontage which is to be dedicated for public highway purposes; provided, however, that, in no event, shall the depth of said district exceed the platted depth of lots, as determined by the recorded Plat thereof.

'All that land situated in Private Claim 617 in the Village of Grosse Pointe Woods, described as:

'Beginning at a point on Bournemouth Avenue, which point is 300 feet distant at right angles from the center line of Mack Avenue (66 feet wide) as established by the Wayne County Road Commission; thence Southerly along a line parallel with and 300 feet distant from

the center line of Mack Avenue aforesaid to a point which is 160 feet, measured at right angles from the common line between the City of Detroit and the Village of Grosse Pointe Woods; thence westerly along a line parallel with and 160 feet distant from the common line between the City of Detroit and the Village of Grosse Pointe Woods to a point on a line, which is the common line between Lots 82 and 83 of Grosse Pointe Country Club Woods Subdivision, as extended; thence along said line to the common line between the City of Detroit and the Village of Grosse Pointe Woods; thence westerly along the common line between the City of Detroit and the Village of Grosse Pointe Woods, a distance of 540 feet to a point; thence northerly along a line which is the East line of Lot 95 of Grosse Pointe Country Club Woods Subdivision extended to a point distant along said line 150 feet southerly from the South line of Bournemouth Avenue (30 feet wide) measured at right angles; thence easterly along a line parallel with and 150 feet distant from the south line of Bournemouth Avenue (30 feet wide) to a point on a line, which line is the common line between lots 82 and 83 of Grosse Pointe Country Club Woods Subdivision, as extended; thence Northerly along such common line between Lots 82 and 83 of Grosse Pointe Country Club Woods Subdivision, as extended, to the South line of Bournemouth Avenue (30 feet wide); thence easterly along the South line of Bournemouth Avenue (30 feet wide) to the place of beginning.

'Provided that the property herein described shall be used for parking purposes only and that no building structure shall be erected thereon.

'All land fronting on Vernier Road from a point 300 feet East of the center line of Mack Avenue to the Westerly line of the Village and to a depth of 300 feet from the center line of Vernier Road, as established by the Wayne County Road Commission; provided, however, that in no event shall the depth of said district exceed the platted depth of lots as determined by the recorded plats thereof.

'All land fronting on Harper Avenue within the Village limits and to a depth of 180 feet from the center line of Harper Avenue, as established by the Wayne County Road Commission; provided, however, that in no event shall the depth of said district exceed the platted depth of lots, as determined by the recorded plats thereof.

DISTRICT C

'Shall embrace all land fronting on Vernier Road from a point 300 feet East of the center line of Mack Avenue to the Easterly line of the Village and to a depth of 300 feet from the center line of Vernier Road, as established by the Wayne County Road Commission; provided, however, that in no event shall the depth of said district exceed the platted depth of lots, as determined by the recorded plats thereof.'

'SECTION 2. All Ordinances or parts of Ordinances in conflict herewith are hereby repealed, only to the extent necessary to give this Ordinance full force and effect, and that the Zoning Map made a part of the aforementioned Ordinance be, and the same is hereby, accordingly revised.

'SECTION 3. The Provisions of this Ordinance are hereby declared to be immediately necessary for the public health, peace and safety and are hereby given immediate effect.'

Grosse Pointe Review
Grosse Pointe Park 30, Michigan
Dear Sir:

In your issue of October 26, 1944, there is an advertisement in heavy type, which purports to set forth certain reasons for voting against the Home Rule amendment, being

Proposal No. 4 on the November 7th ballot. Although your paper has indicated opposition to the amendment, I think you would wish it called to your attention that the first sentence in reason No. 3 is clearly libelous. It reads:

"Detroit's present city and legislative officials, now elected AT LARGE, have been notoriously inefficient and corrupt."

What this says is that Detroit's present elected officials, its Mayor, Edward J. Jeffries, Jr., its City Treasurer, Albert E. Cobo, its City Clerk, Thomas D. Leadbetter, and its councilmen, John C. Lodge, Fred C. Castator, Frank Cody, William

A. Comstock, Charles E. Dorais, Georg' Edwards, William G. Rogell, Henry S. Sweeney and Eugene L. VanAntwerp, have been notoriously corrupt. Whether they have been inefficient is a matter, perhaps, of opinion, but the statement that they have been "notoriously corrupt" calls for proof.

There is, of course, not one word of truth in the statement and none of them needs any defense from me. I submit, however, that the statement should not go unchallenged, and I submit further that, in its reckless disregard of the truth, it is typical of the kind of campaign that is being waged against this amend-

ment. I note that the statement purports to come from the Michigan Institute for Local Government of which Mr. D. Hale Brake is President and the Committee for Representative Government of which Mr. Chester Carpenter is Secretary. I wonder whether they are prepared to support by competent proof their statement which I challenge as libelous. Yours very truly,
JAMES K. WATKINS,
Chairman, Citizens Committee for Wayne County.

EDITOR'S NOTE—The following answers to objections to the proposed home rule amendment (proposal No. 4 at the polls Nov. 7) were submitted for publication by James R. Watkins, chairman of the Citizens committee on Home Rule for Wayne county. Attempt has been made by the staff of this paper to condense the article, due to space limitation, but without subtracting from thought or meaning.

First. The proposal makes no change whatsoever in the powers of Wayne county as the amendment expressly provides that Wayne county shall have all the powers and be subject to all the restrictions of all counties. In other words, after the amendment Wayne county will have exactly the same powers and be subject to exactly the same limitations as though the amendment had not been adopted. This provision effectively disposes of all the objections made to the proposal based on the alleged fear that if the amendment is adopted Wayne county will do something to one or more of the cities, villages or townships in the county — that the county will, for example, take over the police and fire departments of the City of Grosse Pointe or the village of Grosse Pointe Farms or the city of Dearborn. It can safely be asserted that the county has no such power and it is beyond the slightest question that if the county can do any such thing after the amendment it can do it now, since the amendment neither increases nor decreases the county's powers.

Second. The proposal simply per-

mits a change in the structure of the county government; it does not change the powers and limitations thereof. It permits the adoption of a charter which will provide for the governmental structure, chief executive, small legislative body, etc.

Third. One objection is made that representation is taken away from the smaller units of government. It is obvious that if we are to get rid of the present inefficient, unwieldy board of supervisors, its size must be reduced.

Of the present board of supervisors only 18 are elected: The other 64 are supervisors because they hold other offices or because they are appointed.

Under the proposed plan all the legislative body would be elected; not more than two-thirds from Detroit and the rest—one-third or more from the rest of the county divided into districts according to population.

Fourth. Certain bugaboos are raised by the opponents of the plan—that it will permit Detroit to 'take over' the county or to foist its debt on the county or to use the county's money or taxing powers for Detroit's influence, will increase taxes. These objections and others like them are all answered by the express provision that Wayne county shall have only the powers and be subject to all the limitations of every other

county. Fifth. The objection is made that under the amendment the officers of the county may be appointed. The amendment so provides but it also provides that they may be elected.

Sixth. The provision for non-partisan elections is objected to. Practical politicians assert that from a political standpoint this provision is unwise on the theory that with a non-partisan county government the influence of Wayne county in state politics will be weakened. This may be so, but it seems to me the arguments for non-partisan elections outweigh this objection. The home rule cities with very few exceptions have non-partisan elections and none of

them seems interested in a change. The circuit judges are elected non-partisan elections. And in county elections what possible basis there for party divisions? Non-partisan elections therefore seem only justifiable but preferable.

The proponents of the measure, not claim for it that its adoption means perfection in the administration of Wayne county affairs. We they do claim for it is that under well drawn charter, the administration of the business of Wayne county will be carried on more effectively more expeditiously and more economically than is possible under present organization; and that op-

Tuneful Musical Hit Scheduled for Colony

MGM's tuneful, zestful new musical hit, "Two Girls and A Sailor" starring Van Johnson, June Allyson, Gloria DaHaven, Jimmie Durante and the bands of Harry James and Xavier Cugat, plays at the Colony theatre tomorrow and Saturday.

The second feature will be "Hitler's Gang" featuring Robert Watson and Victor Varconi.

"Two Girls and A Sailor" is the merry, mad story of two girls who fall in love with a mysterious somebody who quietly arranges to fulfill all their hopes for a large scale career for servicemen and sends them orchids in the bargain. Johnson is the sailor and the Misses Allyson and DeHaven play the singing and dancing sister act. There's comedy by "Schmozz" Durante and Gracie Allen, whose one finger concerto is a classic of its kind. There are also songs by Lena Horne, Carlos Ramirez and Virginia O'Brien.

Catholic Theatre to Present Comedy

The second major production of the Catholic Theatre's current season will be "The Far-Off Hills," an amiable Irish comedy, to be presented for one week only, beginning Sunday, Nov. 19, at the Players Theatre, 3321 East Jefferson.

GI Comedy and Mystery Thriller at Shores Theatre

A comedy filled with the best GI humor, laughs and peculiar situations is teamed with a horror thrill film for the Shores theatre, Sunday, Monday and Tuesday. "See Here, Private Hargrove" has been adapted for screen use from one of the country's best sellers which gives the inside information on the life of a rookie who spends most of his time on KP duty.

Robert Walker, becoming a favorite everywhere, plays the leading role as Private Marion Hargrove.

The companion horror thrill feature, "Return of the Ape Man" is the story of a mad scientist who endows an ape with a section of up-to-date brain borrowed from his best friend.

Frank B. Ferguson States Qualifications for Circuit Judge

Frank B. Ferguson who is seeking office as circuit judge in Wayne county recently made the following statement when asked about his qualifications to serve in the above capacity.

"I was born in 1893 in Harrison City, Pa. Graduated from the University of Pittsburgh law school in 1917. I have practiced law in Michigan for 27 years. Taught in public schools three years and was instructor in civil and criminal law at the Detroit college of law for 10 years. I served as an assistant prosecuting attorney for five years and have been a judge for the past five years."

The bill for Sunday and Monday offered by the management of the Aloma theatre will be "Seven Days Ashore" with Wally Brown and Allan Carney; and "Gambler's Choice" starring Russell Hayden and Nancy Kelly.

"Seven Days Ashore" is a riotous musical with dancing girls and hot music supplied by Freddie Slack and Freddie Fisher. The antics of these servicemen while they spend seven "precious" days with the "landlubbers." The picture is nothing but one laugh after another.

One of the biggest best sellers of recent years, "See Here, Private Hargrove" is the basis of the sprightly comedy of army life to be shown at the Aloma tomorrow and Saturday. Robert Walker in the lead role with Donna Reed, Robert Beachley, Keenan Wynn, Bob Crosby, Ray Collins and Chill Willis are featured in the laugh-provoking story of the rookie who was born to be a civilian.

Letters to the Editor

(Continued from Page 5.)
ating under a charter, Wayne county can carry on its present business and make provision for new problems as they arise far better than is possible at present.

the Home Rule amendment seems very confusing. Perhaps it was meant to be so, and perhaps, too, that is why so many people are saying they don't understand what it is all about.

My letter is just to recommend that they get a copy of the amendment itself and read it. It was printed in full on each copy of the petitions that were circulated.

Oct. 31, 1944

To the Editor:
Much of the propaganda against

They will find it very simple and easily understood, and I do not think they will find in it any of the terrifying possibilities that the opposition are becoming almost hysterical about.

It gives Wayne county the same privileges with respect to governmental structure that were accorded to all the cities of Michigan almost forty years ago and which no one has ever even suggested discarding. It does not add nor subtract one iota from the present powers of the government of Wayne county.

There is neither space nor reason for discussing it in detail. Get a copy and read it. That is all that is necessary.

Very truly yours,
Kenneth L. Moore

graceful," continued Mosier, "but puts Wayne County in a straight-jacket in the eyes of the people of the state."

"Wayne County, with half of the state's population and paying well over half of the state revenues should be in a position to command respect in legislative matters," Mosier stated, "but we will never attain that position as long as we send to Lansing, representatives who do not know what it's all about."
Mosier, who owns his home at 16196 Harlow, has practiced law for 30 years and is president of the Taxpayers Council of Wayne County Inc. Because of his interest and understanding of city problems, Mayor Jeffries named him on his Advisory Committee on City Planning, representing the Federated Civic Associations of Northwest Detroit, totaling 24 civic organizations. He was a Preferred candidate for the same office in three previous elections by the Detroit Citizens League.

Gerald K. O'Brien Against Home Rule

Wayne county voters have in Gerald K. O'Brien, the Democratic

candidate for prosecutor, a man assistant in that office unquestionably fit him to install an administration that will adhere to the creed of "Fair Play in Every Way."
Gerald K. O'Brien graduated from Houghton high school and upon graduation entered the U. S. navy in World War I. In 1923 he graduated from the University of Michigan law school and continued in private practice with his father, Judge Patrick H. O'Brien until 1933, when he became deputy attorney general of the state of Michigan. In 1935 Gerald K. O'Brien became an assistant prosecutor in Wayne county.

Voters of the 11 cities, 18 townships and 13 villages in Wayne county outside Detroit have Gerald O'Brien to thank as the only candidate for office who has dared to oppose the Detroit daily press, not only on how he thinks the office of prosecutor should be conducted, but on the subject which is of almost equal importance — Nov. 7th with the outcome of the national election. He opposes state proposal No. 4, the so-called "Home Rule for Wayne" measure.

Judge Jos. Murphy Seeks Re-election

Judge Joseph A. Murphy, judge of probate, who seeks re-election in the forthcoming election next Tuesday, has a public record of sound administration behind him for the past 12 years. A resident of Grosse Pointe, Judge Murphy has participated wholeheartedly in civic and business affairs in Wayne county.

He has proven himself capable of handling the hundreds of cases which are brought before him because of his efficient and temperamentally sound philosophy concerning the laws of this state and country.

Judge Murphy is preferred by the Detroit Bar association, the Detroit Citizens League and all leading civic groups and organized labor.

Rep. Louis C. Rabaut Scores Again With New Song Hit

Rept. Louis C. Rabaut has scored again with a new song hit which was recently released. The new song: "All Over," is quickly becoming a hit wherever it is heard. The words and music were written by the congressman.

The unique cover for this composition, depicting the various branches of service throughout the world, was designed by Miss Bernadette Henk of Grayton road, Grosse Pointe Park. It is symbolic of the theme of the song which pays tribute to our fighting men wherever they are, and closes with a prayer for a quick victory and homecoming. Congressman Rabaut, who is well known for his singing ability, has made a hobby of music.

A. L. Meredith Seeks Office of Drain Commissioner

A. L. Meredith, the preferred can-

didate of the Civic Searchlight for the office of Wayne county drain commissioner on the Republican ticket, has been an active participant for many years in the civic affairs of the county. Mr. Meredith has taken an active part in all campaigns of

the Red Cross and community fund for the past 20 years and is a member of the Boy Scout organization.

In addition he has had a wealth of business experience, having worked in the capacity of purchasing agent, office manager and other capacities

which he feels qualifies him for the office of drain commissioner.

Civic Leader Seeks State Post

"Dishonesty, corruption and vote selling in our legislature must be stamped out for all time, if Wayne County is ever to regain its once respected position in state affairs," says Duane H. Mosier, prominent leader in civic affairs and candidate for state representative on the Republican ticket.

Mosier, in promoting his campaign in the first district, comprising the City of Detroit and Grosse Pointe says that this unhealthy condition can only be remedied by electing honest and capable men to the legislature and the power lies with the people on November 7th.

"The recent conviction of 14 Wayne county past and present democratic members of the legislature for vote selling is not only dis-

Three Local Girls Enrolled As Members of Cadet Nurse Corps

Three young ladies from Grosse Pointe have become members of the largest group of cadet nurses ever to enroll at Wayne university. The women, numbering 273, are all members of the U. S. Nurse Corps.

The Pointe girls are Jean Elder, daughter of Mr. and Mrs. B. V. Elder of 20770 Marter road; Doris Marie Coon, daughter of Mr. and Mrs. Elmer C. Coon, 575 Lakeshore road; and Harriett McGillivray, daughter of Mrs. Ella McGillivray of 489 Neff road.

Supervised by Gladys Kinyeri, instructor in nursing, the Wayne course provides the student nurses with instruction in bacteriology, chemistry, zoology, psychology, sociology, and nutrition. The prospective nurses will complete their course at Wayne next February, when they will return to their hospitals for further training.

Of the group, 180 were sent to Wayne by Detroit hospitals; 82 coming from Grace, 64 from Harper, and 34 from Evangelical Deaconess. Of the outstate institutions, Community hospital, Battle Creek sent 22; Mercy hospital, Benton Harbor, 18; Butterworth hospital, Grand Rapids, 19; Traverse City State hospital, 6; and Highland Park General hospital, 28.

Because of the difficulty of obtaining adequate housing in the immediate neighborhood of the university, 37 of the students are living in the federal housing project at Wayne, Mich., commuting to their classes daily in chartered busses.

Unitarians to Sign World Order Compact

On Sunday, Nov. 5, members of the congregation of the Grosse Pointe Unitarian church will sign the World Order Compact, "as a form of personal enlistment and support of participation by our country in a just and righteous co-operative world order." The individual signing of the World Order Compact will form a part of the observance by Unitarian churches all over the country for World Order Sunday.

The compacts, which are an adaptation to present day needs of the original Mayflower compact signed by our Pilgrim ancestors, will later be sent by the Unitarian War Service Council to the Senate of the United States. Sen. Harold H. Burton of Ohio, Moderator of the American Unitarian Association, will make the presentation.

Senator Burton, in accepting, said, "I will be glad to present to the U. S. senate the appeal for international co-operation expressed through the World Order Compact petition. This is an appropriate, timely and helpful exercise by our citizens of their constitutional right to petition congress for action on the most vital issue of our time."

Wounded Yank Sees Brother in England

Although he was confined to a hospital in England to recover from wounds suffered while fighting with the U. S. army at St. Lo, France, Staff Sgt. William D. Munro Jr., was visited by his brother, Technical Sgt. Douglas Munro who had just arrived overseas. Both boys are the sons of Mrs. Stanley Thornton of 355 Merriweather road, Grosse Pointe Farms, and William D. Munro of Ottawa.

William Munro is the husband of Mrs. Gertrude E. Munro of 980 Lincoln road. He was wounded participating in the action in Normandy. While lying on a hedgerow, a shell exploded and threw him in the air, causing concussion, and shrapnel wounds on the left side, face and left eye; he was also shot in the thigh. This occurred on July 16.

T. SERT. DOUGLAS MUNRO

S. SERT. WM. MUNRO JR.

After he was sent to the hospital in England, his brother arrived there. Through the efforts of the Red Cross, Douglas (known to his friends as Duke), was able to see him (they had not seen each other for 18 months). Duke has been in service for the past 27 months; Bill has been in uniform for a year; he arrived overseas last April.

Victory Garden Council Thanks Review for Aid

The following letter has been received by The Grosse Pointe Review, citing it for its co-operation with the Grosse Pointe Victory Garden council during the past season. Mr. L. B. Oldham, Publisher Grosse Pointe Review 15121 Kercheval Avenue Grosse Pointe Park 30, Mich. Dear Sir:

A motion was unanimously accepted at the last meeting of the Grosse Pointe Victory Garden council, on Oct. 3rd, instructing the secretary to thank the publisher and editor of The Grosse Pointe Review for the splendid publicity given to the Harvest Show and our Victory Garden program throughout the past season. Looking back over our clippings, we have found the council's activities sometimes headlined and frequently on the front page of The Review and a very complete account, from the description of gardening classes in February through that excellent article and picture of the Harvest show covering our entire program for the 1944 season.

The council was especially pleased with the garden section which you published at the time of the Harvest show and appreciated your interest in putting it out.

We hope that we may continue to count on your continued support through the 1945 season.

Sincerely yours, Christine Edwards, Secretary

A SERIOUS MESSAGE To Every Michigan Voter!

THOMAS E. DEWEY
for President

HARRY F. KELLY
for Governor of Michigan

Through New-Deal-controlled depression, for 10 years we have seen our liberties disappear. Year after year, millions have been forced to live on New Deal doles. Even Churchill, in 1937, accused the New Deal, through its persecution of capital, of forcing the world back into another depression! To restore our liberties, protect our freedom of speech, our vote and our opportunities to progress, vote for Dewey's program. To preserve good government in Michigan, re-elect Governor Harry F. Kelly!

DEWEY'S PROGRAM:

- An administration devoted to public service instead of bureaucratic bickering.
- An administration working in harmony with Congress.
- An administration in which the Cabinet is restored as a responsible instrument of Government.
- An administration in which you will not have to support three men to do one man's job.
- An administration which will root out waste and bring order out of chaos.
- An administration which will give the people of this country value received for the taxes they pay.

KELLY'S RECORD:

- Distribution of blood plasma to civilians, a program which the medical profession says is saving 1,000 lives a year.
- Statewide tuberculosis diagnosis program.
- Pioneering in postwar adult education and preparing for return of veterans to civilian life.
- More adequate aid for dependent children.
- Increased assistance to aged.
- More liberal assistance to injured workmen.
- An administration made up of the ablest men and women in America who will receive full authority to do their jobs and will be let alone to do them.
- An administration free from the influence of Communists and the domination of corrupt big city machines.
- An administration in which the Constitution is respected so that the liberties of our people shall again be secure.
- An administration which will devote itself to the single-minded purpose of jobs and opportunity for all.
- Correlation of tourist and resort agencies.
- Providing recreation facilities for "starved" metropolitan areas.
- Youth guidance program designed to prevent delinquency.
- Orderly future planning under State Planning Commission.
- A farm program administered and approved by practical farmers.

Should the incompetent, radical-supported New Deal continue, we may end with dictatorship. THIS may be your last chance to vote for the preservation of your freedoms.

Baird Makes Good in Sheriff's Job

Under the administration of Andrew C. Baird, the office of sheriff of Wayne county has reached the highest state of efficiency it has ever known. Coming into the office when the department was in a chaotic condition due to the graft and corruption, Sheriff Baird has devoted his best efforts to restoring the respect of the public for this important branch of the county government by picking his personnel carefully and carrying on a system of education of his men so that the department is functioning efficiently in every division.

Following his policy of educating his men for the jobs they hold, Sheriff Baird has sent men to the FBI police school in Washington and to the military police school at Camp Skokie Valley, Ill. These men are used as instructors to the rest of the sheriff's force upon their graduation.

Others are Barbara Jean Morey, freshman, daughter of Mr. and Mrs. Robert G. Morey, 421 Cloverly road; Mary Lou Watson, junior, daughter of Mr. and Mrs. J. Gordon of 365 McKinley; Shirley Jean Brattin, sophomore, daughter of Mr. and Mrs. Floyd C. Brattin of 1327 Nottingham; Billie Lee Wright, junior, daughter of Mr. and Mrs. Paul C. Wright, 1029 Beaconsfield; Dorothy Williams, upper freshman, daughter of Mr. and Mrs. Raymond Williams, 1367 Hollywood; and Pauline E. Woodward, sophomore, daughter of Mr. and Mrs. C. Albion's enrollment represents a 17 per cent increase over last year's civilian registration.

Wants Voters to Know Men Who Seek State Offices

"When the legislature in 1943 increased the number of Detroit's representatives from 17 to 21, it placed upon the voters the added burden of knowing more candidates, that is,

knowing the man for whom the voter is voting for.

"In a district as large as the first, comprising the city of Detroit and all of Grosse Pointe, it is utterly impossible for a voter to intelligently cast his ballot for 21 candidates. The importance of discrimination immediately becomes important."

This was explained by Duane H. Mosier, Republican candidate for state representative in a meeting of Federated Civic Associations last Wednesday night.

"Voters should not vote for a 'name' candidate," continued Mosier, "unless he knows that the candidate possesses the necessary qualifications to make laws."

Mosier was assistant attorney general for five years and law clerk of the Michigan senate eight years. His 13 years of close contact with the legislature places him in the forefront of candidates for the legislature. He has drafted hundreds of bills, among them the only stench bomb law ever enacted in Michigan which has sent many criminals to prison. The penalties were made so severe that the law has not only deterred the tossing of stench bombs but has made this form of crime practically extinct.

Photographer Gives Demonstration to Pointe Camera Club

Edward Ketterer, well known photographer, will address and give a practical demonstration to the Grosse Pointe Camera club, Tuesday night, on making a good photographic print. Mr. Ketterer is recognized as an outstanding print maker and a former president of the club. He will make various types of pictures and show the members how to correct their faults.

Don Thomas, president of the club, stated that this educational evening will be one of the many that have been planned for the membership. He also has issued an invitation to the public to attend the lecture.

The meeting will be held at the clubrooms in the Neighborhood club.

Entertains Sister

Mrs. Albert Yaklin of St. Clair, entertained her sister Frances Steadley, and friends at a going-away party last night. Frances is leaving Nov. 7 to spend the winter with an aunt.

This Month the Edison Home Service Centers are featuring Quick Breads

A loaf of home-made bread—freshly baked, piping hot from the oven, with a crisp, golden crust . . . doesn't it sound appetizing?

And biscuits! Fruit biscuits . . . cheese biscuits . . . orange . . . butterscotch . . . applesauce . . . and luncheon biscuits . . . in mouth-watering variety.

If you have missed the fun of making these, there's a real treat in store for you during November at our new Home Service Centers, where demonstrations will be held each Thursday and Friday from two to five p.m.

We promise to make your visit well worthwhile. Friendly experts will show you, month after month, tested ways of preparing delicious food. They will give practical demonstrations and furnish easy-to-follow recipes. Our Home Service Advisors will gladly answer any questions you may have about cooking. They will show you how to get the greatest benefit from your present equipment, and what further advantages you can expect in the near future.

Eight of these Home Service Centers are being opened on Thursday, November 2, 1944 by The Detroit Edison Company for women who are interested in knowing more about the advantages of electrical living . . . how to use your lighting and appliances most efficiently both now and after the war.

Plan to visit your nearest Home Service Center during November. Demonstrations Thursday and Friday from two to five p.m.

CLAUDE G. McDONALD
The Republican Candidate for
CONGRESS IN THE 14TH DISTRICT

Says:

The big issue to be decided at the polls this fall is not the 16 years in the White House, it is not the staggering debt of over 300 billion dollars, it is not the crushing tax burden the people have to bear to service this debt, it is not the lurching, bungling, lending, spending orgy that the New Deal has carried on for 12 long years. The issue that the real American people are going to the polls in such great numbers to decide is Americanism versus Radicalism.

Take no mistake—they are going to decide to return to the American way of life where free enterprise is encouraged, where individual initiative and risk capital is induced to develop new products and new markets which will create new jobs to take care of the returned service men and the people now employed making war materials when this war is over. The American way of life that through the profit incentive has offered equal opportunity to all to accomplish big things.

A Republican Election Is the Only Way These Things Can Be Accomplished!

The United States army overseas requires about 1,250,000 barrels of petroleum products every day.

It requires five trees annually to equip and maintain each man in Canada's armed forces.

Wags are needed to serve with the AAF. You may be able to qualify if you are between the ages of 20 and 49, with no dependents under the age of 14. Room 600, Buhl Building, Detroit.

Seven out of 10 persons accidentally killed in 1943 were males. Slightly over half of those killed in falls and about three out of five of those who died from burns were males.

The Politicians Are AGAINST It The People Are FOR It? Why Grosse Pointers Should Vote "YES" on Proposal No. 4 (Wayne County Home Rule)

- 1. Proposal No. 4 provides representation for all the people. Proposal No. 4 specifically provides for the direct election of supervisors, the majority of whom are now political appointees. Every voter of Wayne county will, under this amendment have a direct voice in the selection of his county officers.
2. Proposal No. 4 protects minority groups. Direct election of supervisors by districts provides more equitable representation. Detroit with four-fifths of the county population is expressly limited to not more than two-thirds representation on the board of supervisors.
3. No other county will be affected. The amendment specifically states that it apply only to Wayne. It has nothing to do with legislative reapportionment. It does not supersede or abolish any municipal, village or township government.
4. The citizens of Wayne county are strongly in favor of it. In 1942 a similar amendment carried in Wayne county by a majority of 80,000. In 1944, 142,000 Wayne county citizens signed petitions asking that it be put on the ballot.
5. It is fostered by citizens of all classes. Proposal No. 4 is not the project of any special group or interests. It is, however, opposed by special interests--the machine politicians who fear loss of patronage and profitable jobs if the county government is reorganized.
6. It is necessary. Wayne county has a \$25,000,000 budget. This public business has no responsible executive head. Many departments and officers have outlived their usefulness. Under Proposal No. 4 these can be abolished or consolidated with substantial tax savings. Wayne county, with a population of 2,225,000 is trying to get along with a government formula adopted 100 years ago, when the county's population was 23,000.
7. Proposal No. 4 protects every municipality in Wayne county. Statements of opponents that Proposal No. 4 will permit Detroit to shift its debt burden on the county are a deliberate misrepresentation. The Proposal No. 4 definitely prohibits any such action.

HE CARRIES A Pack

● If you've ever "hefted" a soldier's pack, you know it's heavy. Let our servicemen carry these packs day after day, without complaint. It's part of the price of Victory. We know that you will be no less willing to carry small packages, when you understand that it is a war measure. We'll be only too glad to go back to unlimited deliveries at the first possible moment. Meanwhile, we truly thank you for your helping hand!

FACTS about Proposal No. 4

★ ★ ★

- Elected officials of local governments in 83 Michigan counties are vigorously opposed to Proposal No. 4 which imposes Detroit rule on 11 cities and 18 townships in Wayne county. It constitutes the entering wedge for destruction of responsible government in every county of Michigan.
- It vitally concerns all of Michigan. The so-called county home rule plan FIRST applied to ALL counties. It was beaten by Michigan voters in 1934 and 1936. The Wayne county scheme was rejected in 1942. Let's bury this threat for all time! Defeat Proposal No. 4!
- Let Detroit clean house first in Detroit! Here is the record of Detroit city officials and Detroit state legislators, now elected AT LARGE:
 - CONVICTED! One-third of Detroit city council, mayor and many police officials.
 - CONVICTED! A majority of Detroit state legislators in 1944.
 Proposal No. 4 would impose AT LARGE elections with non-partisan ballots upon Wayne county, despite Detroit's record of corruption under that system.
- Proposal No. 4 would destroy responsible county government. Wayne county has the lowest tax rate and bonded debt of any county of its size in the nation. Contrasted to the county's 13 per cent debt DECREASE since 1919, Detroit's debt has soared more than 11 times—\$30,627,253 to \$332,125,738. Detroit city taxes have doubled, while the county tax rate goes downward—dropping another 14 cents on Dec. 1, 1944.
