Park Municipality Employee Insurance Plan Postponed

A commission vote of 3 to 2 lacked the necessary two-thirds majority Monday night to place the question of setting up machinery in the Park by charter amendment on the ballot to permit the commission to provide municipal employees with a group insurance plan or a pension-retirement plan for this year. Any further action this fiscal year will have to come by a special election.

POINTE PARAGRAPHS

Lucky: Lieut. Col. Minor E. White, who is on the staff of Gorgas army hospital in the Panama Canal zone, recently home on leave, said he found a man with a million dollar industry in the Canal Zone. Colonel White said this man raises nothing but four-leaf clovers and practically all of them are shipped to the United States.

Introduction: City Police Chief Tom Trombly is introducing two new men on the police force. They are Leonard Johnston and John Young. They are filling the places left vacant by the resignations of Clarence Blinn and Bernard McFarlin, who have entered private business.

Don't forget that the March of Dimes means the eventual marching of little feet which would otherwise remain silent due to infantile paralysis. Help these youngsters by sending your dimes to the President.

Every effort is being made by the U. S. Army Exchange Service to assure prompt arrival of all mail from the front.

Don't forget the gift that is exactly what the exchange service does. . . But it is everybody's duty to continue sending out those packages . . . and don't forget the V-Mail.

What with all the publicity given the first baby of the year, we heard recently of a gentleman claiming to be the first great-grandfather of Grosse Pointe. He is John Timothy Hurley of 78 Mapleton road, whose granddaughter, Mrs. Samuel Ferguson II, gave birth to a son, Samuel Ferguson III, on Jan. 11. The young daddy is Major Ferguson of Fort Monmouth, N. J.

And, runner-up to the first baby was a girl, Susan Jane, born to Staff Sgt. and Mrs. Robert W. Owens of 1137 Nottingham. The father went overseas last fall and is now in action in an infantry combat division. The young lady put in her appearance at St. Mary's hospital with Dr. Turcotte in attendance.

Tough Luck Department: Rita Walby, our congenial feminine reporter, who lives out St. Clair Shores way, had the misfortune to slip on the front steps of her home last Thursday morning and received a broken leg. It is our wish that she have a speedy recovery and that she may soon return to her accustomed place.

Appoint Councilman Carpenter to Study County Reform

Chester F. Carpenter, city councilman, was appointed by the chairman of the Wayne county board of supervisors to go to Lansing with the out-county and Detroit groups to attend the meeting of the State Association of Supervisors.

He was selected because he is the chairman of the Wayne county legislative committee and because of his knowledge of government affairs. He will meet to discuss plans on improving Wayne county government without constitutional amendment.

Firemen Answer Two Alarms on Same Street, Same Day

Firemen were called to extinguish two roof fires which occurred on Nottingham last Saturday. The first was at 1:00 p.m. at the Cherry home, 1247 Nottingham and the second was at the Louis Julian home at 11:25 Nottingham.

Sparks, lighting on the wood shingle roofs, caused both fires. Approximately one hundred dollars in damage was done to both houses.

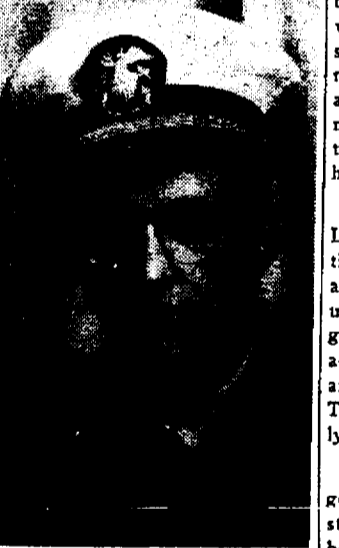

Under the provisions of the present village charter, the commission is not empowered to extend a group insurance plan, including accident, sickness, health and hospitalization, or a pension-retirement plan. A motion to provide the machinery by which the Park could legally offer such benefits was tabled at a meeting a month ago and reopened Monday night.

Commissioners Moreland, Daman and Fritsch favored placing the amendment on the ballot, while Commissioners Parshall and Sage were opposed.

M. H. Collinson representing the Citizens Association, appeared before the commission and stated that his group was opposed to placing the amendment on the ballot and opposed to this type of insurance, but did advocate a pension-retirement plan for municipal employees, as they had done a year ago in the spring election when the police and firemen's plan was before the voters. Mr. Collinson stated that his group believed that before anything should be done, the village should through study determine a long range plan, based upon the future needs of the municipality as regards sewers, lighting facilities and pavements, which are understood to be in need of repairs and replacement at the present time.

President VaVa Deussen stated that it was part of the commission's plan to make such a long-range plan for the village and for the purpose had appointed a non-partisan planning commission, which will hold its first meeting in Lansing during the next session may provide a pattern for the Park to follow in the matter of group insurance or pension retirement plans for municipal employees.

Awarded Bronze Star

It can now be revealed that Lieut. Edward P. MacKenzie medical officer, USN, son of Mr. and Mrs. Wallace F. MacKenzie of Yorkshire road, has been awarded the bronze star for meritorious conduct on D-Day off the coast of Normandy.

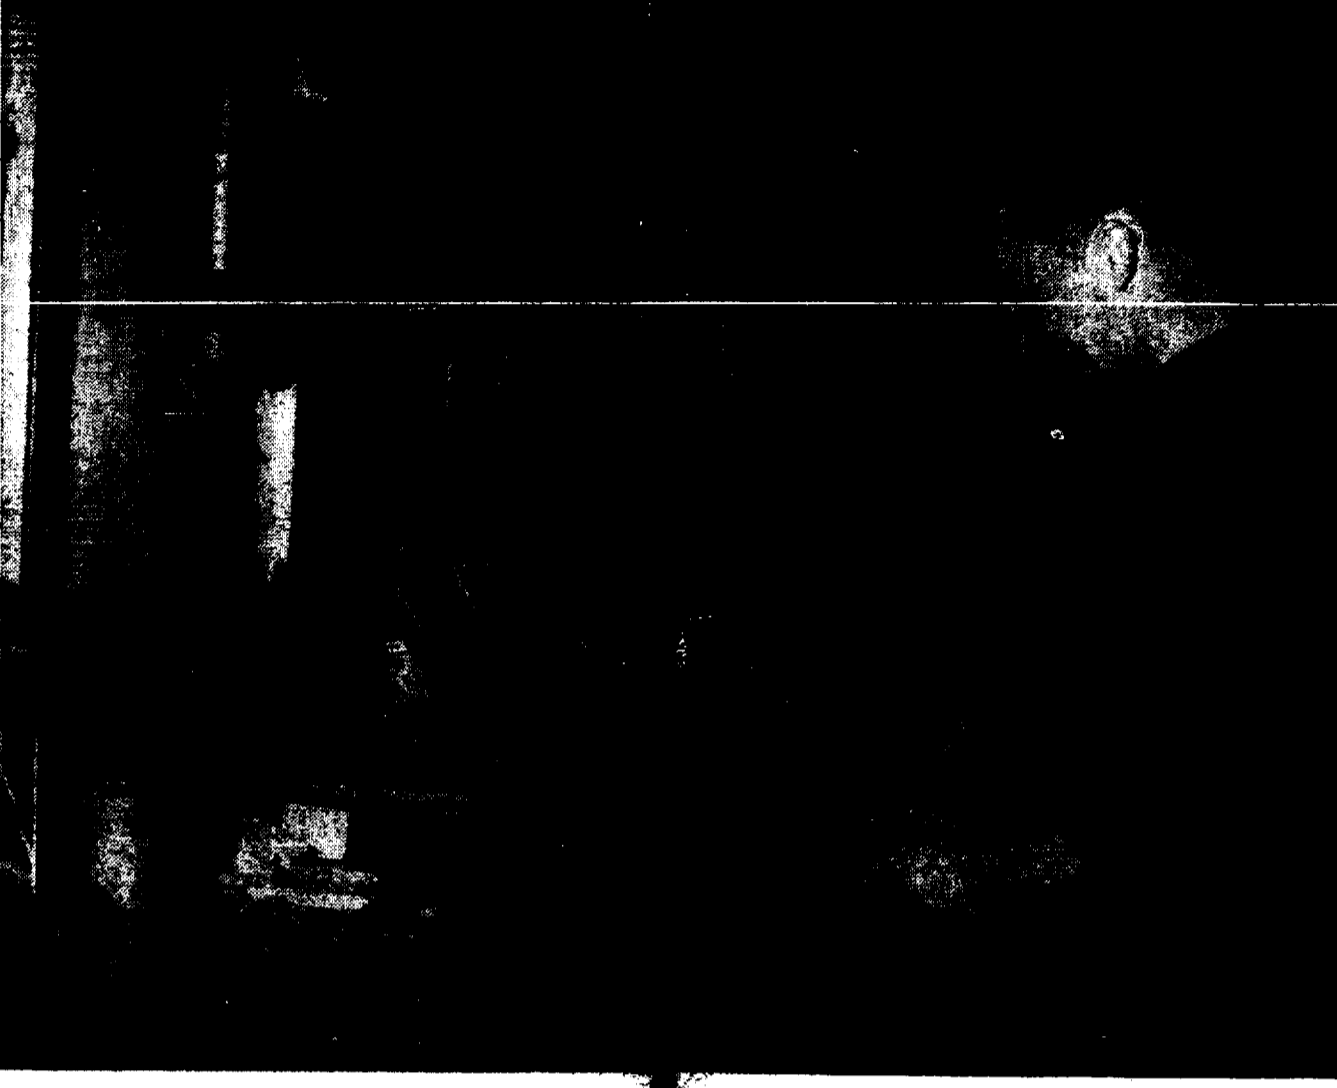

The citation accompanying the award is reprinted below: In the name of the President of the United States for meritorious performance of duty as medical officer of the U.S.S. Harding while in action during the initial landing on the north coast of France, June 6, 1944. Then, he, while away from his ship, in a small boat for the purpose of rendering medical aid to personnel in a landing craft, approached under enemy fire to within 50 yards of the French coast to render additional medical assistance to two wounded soldiers stranded in a damaged DUKW. The courage and devotion to duty displayed by Lieutenant MacKenzie on this occasion were in keeping with the best tradition of the U. S. naval service.

Lieutenant MacKenzie is a graduate of Grosse Pointe Country Day school, Hotchkiss, Lakeville, Conn., and the University of Michigan.

Rotarians Hear Escaped Japanese Prisoner Monday

The monthly waste paper pick-up sponsored by all the schools of Grosse Pointe will be held tomorrow, Friday. All children of the public, private and parochial schools are participating in this wartime project.

Held prisoner in the Philippines after his capture at the surrender of Corregidor, Lieutenant LeClear was transferred, possibly to Japan, via Manila harbor when his prison ship was torpedoed by a U. S. submarine and escaped by swimming ashore where he was harbored by natives, later being picked up and taken to Australia and returned home.

Over his right breast Lieutenant LeClear wears the presidential citation pin and as commander of an anti-aircraft battery on Bataan his unit has been cited by the British government for their extreme accuracy in bringing down 12 planes with an average of 78 rounds per plane. The English average is approximately two thousand rounds per plane.

Early reports which army intelligence received, according to LeClear, started Nov. 25, prior to Pearl Harbor, when 40 Jap troop transports were reported to have left Formosa, presumably for Manila. Ten days later, LeClear was made officer of the day of the anti-aircraft battery and his unit was alerted until the time of attack.

Bataan being untenable, our troops were withdrawn to the "rock," Corregidor. Meanwhile, certain units on Bataan had their army rations cut to 1/3 of normal, due to lack of supplies. The men were sick with malaria, dysentery and starving, yet our lines were never pierced frontally during all that time.

LeClear served alternately as tunnel MP on the "rock" and was later honored when selected as artillery observer and stationed in the top of the lighthouse to direct our 12-inch mortar fire to try to prevent Jap landing parties approaching the rock. Lack of ammunition, proper guns and supplies were the chief cause of surrender, according to LeClear, for morale was high, but the odds were against us. LeClear was on relief duty at the top of the rock when the noon surrender was announced.

The lieutenant is collaborating with two newspaper men in writing a book about his years of imprisonment. Quarters in compounds or barracks over night, the prisoners were worked in rice fields, garages, on airfields, machine shops, roads, railroads, etc.

Monthly Paper Pick-up Friday

The monthly waste paper pick-up sponsored by all the schools of Grosse Pointe will be held tomorrow, Friday. All children of the public, private and parochial schools are participating in this wartime project.

All children are to take their bundles of waste paper to the schools; residents who have no children attending the schools may take their collections to a nearby school or may call on some school child to deliver it to school.

Pointe Casualties List One Wounded, One Missing

Among casualties listed in the war by army and navy departments this week is a Grosse Pointe Marine and a former Pointer in the RCAF.

Pfc. Joseph Waltz Gee, son of Ruth A. Watson, 2009 Hawthorne, Grosse Pointe Woods, has been reported as wounded in the Pacific by the navy.

Military officials in Ottawa announced this week that two Detroiters serving with Canadian forces are dead and a third one is missing. The latter is Flying Officer Oscar Barlow of 397 Neff road.

Planning Commission to Meet Tonight in Grosse Pointe Park

The first meeting of the newly appointed village of Grosse Pointe Park Planning commission will be held tonight at eight o'clock in the village hall at Jefferson and Maryland. The public is not only invited, but urged to attend. Suggestions emanating from this non-partisan commission will be given future consideration in determining future legislation and plans for the village.

Holdup Man Nets \$2,399 in Robbery

An armed bandit who robbed William Karkala, 27, of 1411 Collingwood of \$2,399 in a doorway at 14913 E. Jefferson avenue Saturday morning, after hitting him on the head with the butt of a pistol, is being sought by Detroit police.

Markala, an employee of the Grosse Pointe branch of the Automobile Club of Michigan, Lakepointe and Jefferson, told Detroit police that he was making a routine trip to the bank when accosted and forced into the doorway by the thug.

Former Pointer Found Asphyxiated

Mrs. Gertrude Potts, 36, wife of a socially prominent New York broker and daughter of Mr. and Mrs. Frederick A. Lanz, 14929 Charlevoix, Grosse Pointe Park, was found dead in her apartment in New York City last Saturday.

Authorities found the body in the deceased's kitchenette. A jet on the gas stove was open. Mrs. Potts was an interior decorator.

Her husband, Capt. William Potts Jr., of the army air corps, was a former New York City broker.

Pollution Bottle-Neck Avoided as Lease is Signed

The Macomb county board of supervisors recently reversed themselves and approved the signing by William C. Harper, county drain commissioner, of another year's lease of the lake shore interceptor.

Because of this action, Grosse Pointers are assured that they will be allowed to swim in Lake St. Clair during the coming summer. It was the closing of the lake shore interceptor which was instrumental in polluting Lake St. Clair this past summer, delaying the opening of public beaches for several weeks.

Fearing that millions of dollars worth of postwar federal aid construction projects may be slow of approval or shelved indefinitely if animosity arises between Macomb county and the Federal Works Administration, this action was taken after rescinding a motion advising Harper not to renew the lease on the interceptor.

Several weeks passed last summer while officials of the various southern Macomb municipalities disputed the \$43 per million gallons rate demanded by Wayne county, into which the interceptor flowed, thus sending sewage into Lake St. Clair. Because state and federal authorities had joined in condemnation of lake pollution at St. Clair Shores; had expressed alarm over the health menace in Warren township's war plant area, and had finally threatened to take the county into court, the interceptor was finally opened in mid-July by order of Commissioner Harper.

Under terms of the "standard case agreement" now authorized by supervisors for Harper's signature, the district agrees to operate the interceptor fairly and efficiently, and turn over any profits to the federal government. The district has free legal control of the interceptor on a year-to-year basis, operative only until six months after the war emergency is declared ended by the President.

Several accidents which occurred in Grosse Pointe during the past week resulted in considerable damage for the automobile owners. Last Tuesday morning, Bernard Brys, of 1716 Brys Drive, Grosse Pointe Woods, crashed into a truck which was parked at Mack avenue and Warren. Brys told police that he had fallen asleep at the wheel after working all night. The truck, owned by Bert Patchett of 4433 Sheridan, and the car were damaged. Brys said he would assume all responsibility.

Thursday night, Marine Corp. Richard Hauser, 21, lost control of his car on the icy pavement at Nottingham and Jefferson as he was attempting to make a turn, and crashed into an electric light pole on the service station property. Corporal Hauser, of 1096 Beaconsfield, was uninjured in the mishap.

Sunday night, Mildred W. Floor, of 282 Fisher road, while driving on Charlevoix, was hit by a car driven by William A. Aldred of Flint. Aldred failed to see the stop sign and he failed to see the stop sign. A light pole was also knocked down in this accident. Aldred was ticketed to appear in the Park justice court soon.

Park police, while on patrol early Monday morning, found two smashed autos; one on Yorkshire, the other on Bishop. Investigation revealed that Odell Mestdagh of 2509 McClellan, struck a car owned by Dr. R. E. DeSpelder, 1452 Yorkshire, while it was parked in front of the residence. Mestdagh told Park police that he didn't recall what had happened; he said that after the crash, he couldn't see a car in front of him, and in a daze, drove to Bishop, where he abandoned his badly damaged car and boarded a bus for home. He was ticketed for reckless driving; considerable damage was sustained by the DeSpelder car, as well as the Mestdagh auto.

City Resident, Beware of Bogus Newsboy Here City Police Chief Thomas V. Trombly today issued a warning to all residents of Grosse Pointe to beware of a bogus newsboy. Attention was brought this week to an occurrence in the City last Thursday. As a young lad traveled his route on Neff road, unknowingly he was followed by a boy, believed to be about 13 years of age, who took the paper to the door and collected for its delivery for three weeks in advance. This took place in 10 or 12 homes on Neff.

Chief Trombly has asked all residents to pay only their regular carrier boy, and if a strange and suspicious boy appears, to immediately call the police.

Putrifying Sludge in Detroit Storm Sewer Outlet Endangers Park Pumping Station

E. B. Lane, village manager, blamed the city of Detroit for dangerous accumulation of explosive sewer gas recently in the vacuum chambers of the Park pumping station, at the commission meeting Monday night.

From a test of 25 per cent explosive gas, the content had recently become 100 per cent explosive gas, according to Mr. Lane, and with use of open gas heaters at the pumping station and no ventilators in the roof, a serious menace to the plant had arisen.

Case of the gas was ascribed by Lane to sludge accumulating in the Alter Jefferson inverted siphon outlet into Fox creek, which the city of Detroit is under contract with the village of Grosse Pointe Park to keep free as an outlet for Park storm water. There is a 15 1/2 foot rise in this duct from the pumping station to the creek. The project was laid by the PWA. Lane explained that the capacity of the outlet is insufficient to permit running the large pumps at the pumping station, which would serve as a flushing action for the putrifying sludge.

The commission authorized Village Attorney McGraw to make stern representations to the city of Detroit to have the sewer outlet cleaned and kept clean. Meanwhile, the village engineer states that steps have been taken to temporarily cope with the dangerous gas situation here at the pumping station.

High School 7B-10B Orientation Program Saturday, Jan. 27

The 7B-10B orientation program will be given on Saturday morning, Jan. 27, at 10 o'clock in the high school auditorium. All 7B boys and girls who will be entering the Samuel Brown junior high school, and all 10B students who will be entering Grosse Pointe high school, are urged to attend this meeting.

The orientation program offers the students an opportunity to become acquainted with their new school and their homeroom advisers.

The auditorium program will be under the chairmanship of James Bailey, S.A. president. After the auditorium program, each student will be directed to his or her assigned home room and will then be taken on a tour of the building conducted by the home room teacher. The book store will be open so as to allow new students to purchase their books.

The parents of all the 7B and 10B students are invited to attend the program and to meet their children's advisers.

"The orientation program has proven its value to the student in helping him make an adjustment more readily to his new environment. This adjustment is accelerated if the child takes advantage of this opportunity to buy his books and supplies before the opening day of school," state Lawrence Westerville, Student Association sponsor.

Novel Postwar Products Ready

A device that will answer the telephone and repeat the message to you later, cigarettes that burn without ash, and noiseless gears made of paper are a few of the revolutionary products that industry has up its sleeve, ready for production after victory.

A recent compilation of 900 items with revolutionary industrial implications, many of which are already in secret war production, gives a glimpse of what manufacturers and their researchers propose to offer in order to expand job opportunities and provide more of the good things of life for everyone to enjoy.

Many of the new materials and technological processes promise not only basic improvements, but speeding up of mass production, and lower cost possibilities.

Among the products on the postwar horizon are: A machine which will translate vibrations of the voice directly into printed form; processed woods 90 per cent as hard as steel; unbreakable glass which can be sawed or nailed; a device to enable the motorist to "see" around bad corners; a thornless blackberry bush; men's suits made from peanuts; and processed foods with built-in heating units.

National Public Health Day Is Proclaimed

Dr. Thomas Davies, Grosse Pointe township health department head, has called attention to the fact that Friday, Jan. 26, has been designated by proclamation by Thomas Parren, surgeon general, U. S. public health service as Public Health Nursing Day for America.

The surgeon general stated: "In setting aside Jan. 26 as Public Health Nursing Day of America, health administrators and all other friends of nursing should dedicate themselves to promote: 1. The extension of public health nursing services so that there shall be enough qualified nurses to meet the needs of all people.

2. A plan for the payment and distribution of those services on the basis of need, not on the ability of the individual to pay.

3. The improvement of public health nursing policies which will insure qualified nurses full employment, adequate compensation and the security incident to retirement benefits.

"Public Health Nursing Day BUY BONDS: To Have and to Hold

should serve to focus the attention of the American family upon the value of the public health nurse as a front line defender and restorer of health."

The Grosse Pointe township health department is active in this locality in prevention of disease and promotion of health. Co-operating agencies are the Neighborhood club, Visiting Nurse Association, board of education and others. Information is constantly interchanged with health departments, especially those of Wayne county, Detroit and United States. A quick treatment center for venereal disease has been established in Ann Arbor to which patients are referred.

Public health nurses of the township carry on a generalized public health program. Among the many activities is the checking of vision and hearing of each child in school. A part time dentist is in charge of the school dental program and defects are followed up by the nurses.

Dr. Thomas J. Davies, head of the health department, is stationed at 1253 Lakepointe. He is stationed at Langley Field, Va.

Surging Masses Seen by Speaker

Drawing from observations made during visits to 26 countries directly or indirectly connected with the war since its inception, Robert St. John, NBC's famous commentator, told a capacity Grosse Pointe Lectures, Incorporated audience Tuesday night that he distinctly senses a general surging movement of the great masses of people everywhere toward democratic self-expression . . . spelling the eventual end of colonialism, dictatorships and one-man rule.

"Unless," said St. John, "we amend our course set down at Teheran, in which three definite spheres of influence were set up by the 'big three' (U. S., Great Britain and U.S.S.R.) who have pre-partitioned the world before the peace; and, invited the little countries, countries with democratic ideals to sit in on the peace, we are playing power politics and power politics have never led to anything but war. And, unless we permit democratic self-expression in the liberated countries, we are no better than the enemy which we are fighting."

St. John took his audience on a kaleidoscopic tour starting in Belgrade at the time of Hitler's first move toward the Balkans; thence to Greece, where he saw "good little king" Peter (as Churchill calls him) flee the country ahead of the Nazi hordes, along with his generals and jewels plus "other mementos which royalty is wont to take along (gold bullion)" and thence to London where the royal government in exile was established under the wing of Downing street. Subsequently Peter, "the good little king" was given an annual stipend of \$235,000, his mother a mere \$150,000 and Peter's pro-Nazi uncle, Regent Prince Paul, a gift of \$5,000. Great patriots were starving.

The speaker then described Tito's partisan army as the only democratic army in the world . . . not paid . . . 100 per cent volunteer and the only army in which a private has as much voice in discussing a battle as the colonel had in the field and could criticize generalship and be voted into colonelcy if deserving of it. A vivid picture of their pure democracy was drawn from the story of two young medics, a boy and a girl, who paid the Supreme Sacrifice with Tito's forces.

Next the scene was shifted to Canterbury, England, where the populace have had experience with both V-1 and V-2 bombs. St. John said that 22 o'clock on Jan. 24, 1944, the city was bombed for 41 straight days and 20 straight nights.

Enroute here, St. John transferred to a C-54 army litter ship, carrying 20 litter cases back home and drew a picture of what he saw in the eyes, the battle-aged eyes of "Bill from Montana" and the other 19 G.I's.

Back to Greece, St. John braved being considered anti-British and a Communist by embarking upon the visitation of three British divisions, including tanks and planes who have failed to put down the liberated patriots, whom Churchill first had branded a "little band of irresponsible ruffians." Later, changing his estimate to call them Communists and still later amending it to Trotskyites. All these patriots want, said St. John, is self determination and the right to hold an election. They are not Communists, Greece is not a field for Communism, it is essentially anti-monarchist. So, British planes dropped American bombs on patriots. Britain promises them an elec-

tion "when in the course of human events they are ready." Our new secretary of state, Edward Stettinius made a foreign policy declaration recently in which he committed us to permitting liberated peoples to choose their own government. It was almost immediately amended by the President, who added "when in the course of human events they are ready for it."

St. John reminded the audience that Churchill's great votes of confidence are being given by the Parliament of Munich, the same which gave Chamberlain such a vote when he returned from that ill-fated meeting.

The speaker parried with his audience in the question and answer period following his formal speech, refusing to discuss local politics or his beard. He decried our lack of definite (or presence of secret) foreign policy, stating that he was an

idealist and believed, as he wrote "It's Always Tomorrow" and never too late to correct it. He sees, as was stated at the outset, a general world surging of the masses toward self-expression and self-determination in government . . . in India, Greece, Yugoslavia, etc.

Christmas in France for Winner of Distinguished Flying Cross

IN A FRENCH chateau, evacuated by the Germans, a squadron of army air corps P-47 fliers celebrated Christmas 1944 with toasts of "Krug" champagne. Standing at the right is Lieut. Philip N. Wright Jr., formerly of 88 Muskoka, Grosse Pointe, who has been awarded the DFC. Lieutenant Wright landed his P-47 fighter plane with 27 bullet holes when completing his 38th mission.

Miller, husband of Mrs. Alice Miller, 939 Notre Dame, Grosse Pointe.

During their training in the tank department the soldier students worked with the same tools issued to field crews and under the same conditions they are likely to encounter in the field. They studied the mechanisms of the various tanks, from track to turret, tearing them down to learn how to keep them moving in combat.

The armored school, one of the largest technical institutions in the world, is commanded by Brig. Gen. P. M. Robinson. It graduates many times more students each year than

the average civilian university or college.

Instructor

LIEUT. WALRAVE BOISSEVAIN, son of Mr. and Mrs. J. G. J. Boissevain of 425 Washington road, is now an instructor at the troop carrier command training center, Malden, Me.

Second Lieut. Robert K. Fluit, husband of Mrs. R. K. Fluit, 1251 Harvard road, Grosse Pointe, is now stationed in combat crew training school at the Sioux City, Iowa, army air base where he will take operational training with his crew before going overseas.

Lieutenant Fluit, a co-pilot on a heavy bomber, was with Chrysler corporation before entering the service on June 14, 1943.

The award was made by Brig. Gen.

Charles F. Born, chief of staff of the 15th air force, to the 45th bombardment group for its outstanding performance on a mission against the Floridsdorf oil refinery at Vienna, Austria, on July 8, 1944. At that time, the 15th air force group commanded by Col. Charles A. Clark Jr., of San Antonio, Tex., was in the midst of a concentrated drive to knock out vital German oil centers. The Floridsdorf refinery was feeding a considerable amount of oil and gas to the Nazi Wehrmacht and Luftwaffe.

The 465th bombers battled their way through a savage enemy flak barrage to launch a devastating attack upon the target. Their bombs scored direct hits on many units of the refinery.

The citation reads in part: "Forty to fifty enemy planes viciously attacked the formation. In a running fight which lasted for 20 minutes, the group succeeded in driving off the enemy fighters after destroying several of them. The reconnaissance showed that as a result of this attack, the Floridsdorf area was rendered non-operational at a time when the European war was approaching a critical stage."

Miami Beach, Fla. — Sergt. Lionel V. Lozon, 20, Grosse Pointe Woods, has arrived at AAF redistribution station No. 2 in Miami Beach for reassignment processing after completing a tour of duty outside the continental United States.

Medical examinations and classification interviews at this post, pioneer of several redistribution stations operated by the AAF personnel distribution command for AAF returnee officers and enlisted men, will determine his new assignment. He will remain at the redistribution station about two weeks, much of which will be devoted to rest and recreation.

Sergeant Lozon, son of Mr. and Mrs. Albert Lozon, 1879 Beaufait, Grosse Pointe Woods, was a B-24 gunner in the European theatre for seven months. Before entering the army in March, 1943, he was employed in Detroit.

Chief Petty Officer Robert E. Elkins, former Grosse Pointe Review employee, is visiting his parents in Detroit and friends in Grosse Pointe during his 30-day leave which started with his arrival here Sunday evening.

"Little Bob" is now a veteran of four major engagements and two weeks ago he took part in the Leyte campaign. He flew to the States for his leave.

I Am a Wac

by SERGT. RUTH C. WOLF

I returned this week from 18 restful days at home near Puget Sound in Washington, and in other scenic states of the Great Northwest. For 18 days I escaped, at least partially, (radios and newspapers exist even on vacations) from the knowledge that bloody battles still rage on all war fronts.

I was awakened anew, upon my return to my station in Detroit, regarding the urgent need for women to care for mounting war casualties. The Women's Army Corps finds itself this January, 1945, in the middle of a new and vigorous drive to recruit thousands of women for technical jobs in the army medical corps. In United States army hospitals there is approximately one nurse to every 26 patients. At Percy Jones General hospital, Battle Creek, only one nurse to every 43 patients is available. Wac technicians are not trained to do the same work as registered nurses; however, Wacs, technically trained, relieve nurses for

performance of professional duties. For example, Wac occupational therapists aid handicapped veterans to master trades that play important parts in readjusting these brave men to civilian life, and obtaining reasonable livelihoods as well. Wac ortho-

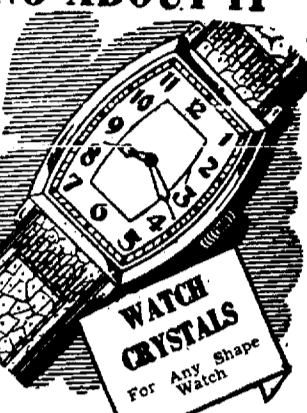

pedic technicians are craftsmen who shape artificial limbs, and make adjustments for the wearer; Wac psychiatric social workers diagnose individual cases.

INCOME TAX SERVICE

This March you must choose one of three methods in computing your income tax, and the method chosen is of tremendous importance to you.

The simplified system for individual taxes may be advantageous to some people, but for the majority of taxpayers, all with different incomes and deductions, it may well be the most costly way. The following example demonstrates the computation of a tax three ways on the same income resulting in three answers:

Fred Wilson, a single man, travels for a wholesale concern. His earnings were \$4095.00. His traveling expenses were \$900.00 for which he was not reimbursed. His home, which he owns and occupies, was damaged by fire, and he suffered a loss of \$650.00 over and above the insurance.

Mr. Wilson's Tax is:

If computed by the Collector	If Form 1040 is filed, using the tax table	If Form 1040 is filed, actually computing the tax
\$954.00	\$752.00	\$696.25

If you have a tax problem, you are cordially invited to make use of the free consultation service offered by our organization. You will receive accurate and reliable information. Our personnel has the knowledge, experience and facilities which come from years of tax work.

Our office is open daily from 9:00 A. M. to 9:00 P. M. the year 'round and our business is TAXES.

Girl Scout NEWS

One of our babies has grown up! Eighteen members of Brownie troop 299 have become Girl Scouts, with tenderfoot badges and all the trimmings. Troop 201 assisted with the investiture, which was followed by a tea for the mothers of all the girls.

Members of Troop 319 have certainly been on their toes this past year, having made two trips into Detroit to attend art exhibits — the Thorne exhibit of miniature rooms at the Detroit museum of arts and an exhibit on China at the children's museum. And then, to be sure of a well balanced program, on Jan. 13, the girls held a skating party. Later they adjourned to the home of Mrs. H. W. Merrill on Notre Dame, where they warmed their toes, and had their fill of hot cocoa and sandwiches.

All Girl Scouts are requested to bring any kind of old white cloth to their meetings, as the groups making cancer pads are desperately in need of materials.

The Atlas mountain range, extending through Algeria, Morocco, and Tunisia, has the greater average elevation than the Alps.

Dr. Paul Essert to Review Woods' Postwar School Expansion Program

Arrangements have been made recently for a community meeting to be sponsored by the Mason PTA in Grosse Pointe Woods at which time Dr. Paul Essert, superintendent of the Grosse Pointe schools, will review the possibilities in the postwar school building program. The meeting will be held in Mason school on Jan. 30 at 8 p.m.

Subject of Dr. Essert's speech next Tuesday will be "Possibilities in Postwar School Building Program in Grosse Pointe." Teachers will receive parents in the classrooms between 7:30 and 8:00 p.m. Refreshments will be served after the meeting.

H. F. Nixdorf of 1561 Hampton road, president of the Mason PTA, has the following to say about the school expansion program in Grosse Pointe Woods:

"While in most localities action on postwar planning is still in the blueprint stage, recent events in Grosse Pointe Woods indicate a resumption of its expansion so prompt that it will be far ahead of most other communities.

"From a population of 961 in 1937 it grew to a population of 6,322 in 1943. It used to be considered a rather disjointed number of widely scattered subdivisions separated by golf courses. However, it now promises to change into a well balanced community with a civic center appropriately half way between the Seven Mile and Eight Mile road intersections on Mack avenue, the main thoroughfare.

"The large beautiful church to be built in the Torrey Woods section is practically opposite the new park site, approved by the voters on last Dec. 27. In this park will be a site for a new central city hall, playgrounds and other improvements. Here is a rare opportunity to develop an unusually harmonious and functional civic center for which there will be a great need in the postwar building program.

"The growth of two separate main shopping centers at the outskirts of the village — the one beyond Eight Mile road and a new one at Seven

H. F. Nixdorf of 1561 Hampton road, president of the Mason PTA, has the following to say about the school expansion program in Grosse Pointe Woods:

"While in most localities action on postwar planning is still in the blueprint stage, recent events in Grosse Pointe Woods indicate a resumption of its expansion so prompt that it will be far ahead of most other communities.

"From a population of 961 in 1937 it grew to a population of 6,322 in 1943. It used to be considered a rather disjointed number of widely scattered subdivisions separated by golf courses. However, it now promises to change into a well balanced community with a civic center appropriately half way between the Seven Mile and Eight Mile road intersections on Mack avenue, the main thoroughfare.

"The large beautiful church to be built in the Torrey Woods section is practically opposite the new park site, approved by the voters on last Dec. 27. In this park will be a site for a new central city hall, playgrounds and other improvements. Here is a rare opportunity to develop an unusually harmonious and functional civic center for which there will be a great need in the postwar building program.

NOTICE

To All Persons Residing in and Having Property Assessed for Taxes in the Village of Grosse Pointe Farms, Michigan

At a regular meeting of the Village Council held on Monday, January 15th, 1945, the following proposed amendment to the Charter of the Village of Grosse Pointe Farms, Michigan, was introduced and in accordance with the provisions of Act 278 of the Public Acts of the State of Michigan for the year 1909, as amended, same has been tabled until Monday, February 19th, 1945, for action by the Village Council, in accordance with the following resolution duly adopted:

WHEREAS, It is proposed that the Charter of the Village of Grosse Pointe Farms, Wayne County, Michigan, being Act No. 3 of the Public Acts of 1895 of the State of Michigan, as amended, be amended so as to add the following chapter, to-wit:

CHAPTER 17—RETIREMENT SYSTEM FOR THE EMPLOYEES OF THE VILLAGE OF GROSSE POINTE FARMS, MICHIGAN

Section 1. NAME AND ESTABLISHMENT. A Retirement System of The Village of Grosse Pointe Farms, hereinafter called the Retirement System, is hereby established for the purpose of providing retirement allowances and death benefits for certain classifications of employees as hereinafter set forth.

Section 2. DEFINITIONS. The following words and phrases wherever used in this Amendment, unless a different meaning is clearly indicated by the context, shall have the following meaning:

(a) "Village" shall mean the Village of Grosse Pointe Farms, State of Michigan.

(b) "Council" shall mean the Village Council of the Village.

(c) "President" shall mean the President of the Village.

(d) "Commission" shall mean the Retirement Commission provided for in Sections 3, 4 and 5.

(e) "Member" shall mean any person included in the membership of the Retirement System.

(f) "Original Member" shall mean any member with prior service credited to his service account.

(g) "New Member" shall mean any member without prior service credited to his service account.

(h) "Service" shall mean service rendered to the Village as an employee of the Village.

(i) "Prior Service" shall mean service rendered as an employee of the Village prior to the effective date of this Retirement System.

(j) "Membership Service" shall mean service rendered as an employee of the Village since last becoming a member of the Retirement System.

(k) "Regular Interest" shall mean interest at three per cent per annum, compounded annually, for a period of five years from the effective date of this Retirement System. For each subsequent five year period, regular interest shall be such rate of interest as the Commission may determine.

(l) "Accumulated Contributions" shall mean the sum of all amounts deducted from the compensation of a member and credited to his individual account in the Annuity Savings Fund, together with regular interest thereon.

(m) "Average Final Compensation" shall mean the annual average of the highest pay received by a member (not including any pay for extra service or bonus and not in excess of the annual amount payable at the regular rate of pay for a work week as established from time to time by the Council) during a period of five consecutive years of service contained within his ten years of service immediately preceding his retirement; if he has less than five years of service, then his average final compensation shall be the annual average pay received by him (not including any pay for extra service or bonus and not in excess of the annual amount payable at the regular rate of pay for a work week as established from time to time by the Council) during his total years of service. In cases where compensation is not all paid in money, the Commission shall fix the value of that part of the compensation not paid in money.

(n) "Final Compensation" shall mean the annual rate of pay earned or earnable by a member (not including any pay for extra service or bonus and not in excess of the annual amount payable at the regular rate of pay for a work week as established from time to time by the Council) at the time of termination of his last employment with the Village.

(o) "Annuity" shall mean annual payments derived from the accumulated contributions of a member.

(p) "Pension" shall mean annual payments derived from money provided by the Village, or instrumentality thereof.

(q) "Retirement Allowance" shall mean the sum of the annuity and the pension, and shall be paid in monthly installments thereof.

(r) "Retirement" shall mean withdrawal from active service with a retirement allowance, pension, or annuity granted according to the provisions of this Retirement System.

(s) "Beneficiary" shall mean any person in receipt of a pension, annuity, retirement allowance, or other benefit provided by this Retirement System.

(t) "Annuity Reserve" shall mean the present value of all payments to be made on account of any annuity, or benefit in lieu of any annuity, computed upon the basis of such mortality tables and regular interest as the Commission shall adopt.

(u) "Pension Reserve" shall mean the present value of all payments to be made on account of any pension, or benefit in lieu of any pension, computed upon the basis of such mortality tables and regular interest as the Commission shall adopt.

(v) "Eligible Retirement Age" shall be age sixty years, provided, that subject to the provisions of section 16 (a), the Commission may, during time of war engaged in by the United States, or other national emergency, extend the age at which any member is eligible to retire.

(w) "Policemen" shall mean employees of the Police Department holding the rank of patrolman, or higher rank, but it shall not include (1) privately employed policemen, (2) persons temporarily employed during emergencies, or (3) civilian employees of the Police Department.

(x) "Firemen" shall mean employees of the Fire Department holding the rank of fireman, or higher rank, but it shall not include (1) privately employed firemen, (2) persons temporarily employed during emergencies, or (3) civilian employees of the Fire Department.

(y) The masculine shall include the feminine and the singular, in relation to a person, shall include the plural and vice versa.

Section 3. RETIREMENT COMMISSION. A Retirement Commission shall be established as hereinafter provided, whose duties shall be to administer, manage and operate the Retirement System and to carry into effect the provisions of this Amendment. The Commission shall consist of five members, of whom two shall be elected annually by the Council from its own membership, two shall be elected by the members of the Retirement System from their own membership, and one, who shall be an elector and a taxpayer of the Village and ineligible to receive any retirement or other benefit under the terms of the Retirement System, shall be appointed by the President. No more than one member representative on the Retirement Commission shall be from any one Village department.

Section 4. INITIAL COMMISSION. Within thirty (30) days after the effective date of the amendment, the President and the Council shall appoint the members of the Commission above provided to be appointed by them respectively until the employees then eligible to membership in the Retirement System shall elect the two members above provided to be elected by them at an election, for which the Council shall make proper provisions as to time, place, notice, method of nomination and balloting and other necessary or proper requirements. The persons so appointed or elected shall hold office until their successors shall be elected or appointed and shall have qualified as hereinafter provided.

Section 5. COMMISSIONERS' REGULAR TERM OF OFFICE. Within thirty (30) days after the general village election next following the effective date of this Amendment, and annually thereafter within a like period, the President shall appoint the members hereinafter provided to be appointed by them respectively and the members of the Retirement System shall elect the members to be elected by them at an election, for which the existing Commission shall make proper provisions as to time, place, notice, method of nomination and balloting and other necessary or proper requirements. If a vacancy shall occur in the Commission, the same shall be filled by action of the same person who or body which named or elected the person whose place is vacant, and the new commissioner shall hold office for the unexpired term. Commissioners shall hold office until their successors shall have been named and shall have qualified. Each commissioner shall take an oath of office before the Village Clerk for faithful performance of the duties of his office.

Section 6. MEETINGS OF THE COMMISSION. The Commission shall hold regular quarterly meetings. Special meetings shall be held on call of the Chairman or on written request of two Commissioners. Three Commissioners shall constitute a quorum at any meeting of the Commission. Each Commissioner shall be entitled to one vote in the meetings of the Commission and at least three concurring votes shall be necessary for a decision by the Commissioners. The Commission shall adopt its own rules of procedure including provisions as to notice of time, place and purpose of meetings, and shall keep a record of its proceedings. All meetings of the Commission shall be public. The members of the Commission shall serve without compensation for their services as such.

Section 7. OFFICERS.

(a) The Commission shall elect from its members a Chairman and a Vice-Chairman.

(b) The Village Clerk ex-officio, shall be Secretary of the Retirement System.

(c) The Village Treasurer, ex-officio, shall be Treasurer of the Retirement System and the custodian of its funds. All payments from the funds of the Retirement System shall be by checks signed by the Village Treasurer and a member of the Council designated by it, only upon vouchers signed by two persons designated by the Commission. A duly attested copy of a resolution designating such persons and bearing upon its face specimen signatures of such persons shall be filed with the Village Treasurer as his authority for making payments upon such vouchers. No voucher shall be drawn unless it shall have been previously authorized by resolution of the Commission.

(c) ACTUARY. The Commission shall appoint an Actuary who shall be the technical adviser to the Commission on matters regarding the operation of the Funds of the Retirement System and who shall perform such other duties as are required in connection therewith.

(d) MEDICAL DIRECTOR. The Commission shall appoint as Medical Director a physician who is not eligible for membership in the Retirement System. The Medical Director shall be responsible to and shall hold office at the pleasure of the Commission. The Medical Director shall arrange for and pass upon all medical examinations required under the provisions of this Retirement System; shall investigate all essential statements and certificates of a medical nature by or on behalf of a member or beneficiary in con-

nection with an application for disability benefits; and shall report in writing to the Commission his conclusions on matters referred to him.

(e) EMPLOYMENT OF PROFESSIONAL AND CLERICAL SERVICES. The Commission may employ such professional and clerical services as are required for the proper operation of the Retirement System. The compensation of the Actuary, the Medical Director and for other professional or clerical services shall be determined by the Council on recommendations by the Commission.

Section 8. (a) RECORDS OF RETIREMENT SYSTEM—ANNUAL REPORT. The Secretary shall keep, or cause to be kept, in convenient form such data as shall be necessary for an actuarial valuation of the assets and liabilities of the Retirement System. The Commission shall render a written report to the Council, on or before the first day of May of each year, showing the fiscal transactions of the Retirement System for the year ending the preceding last day of February, and a balance sheet showing the financial condition of the Retirement System by means of an actuarial valuation of the assets and liabilities of the Retirement System as of the preceding last day of February.

(b) MORTALITY AND OTHER TABLES. The Commission shall adopt such mortality and other tables of experience as are necessary in the operation of the Retirement System on an actuarial basis.

Section 9. (a) MEMBERSHIP. The membership of the Retirement System shall include all persons now or hereafter employed by the Village, except (1) any person whose services are compensated for on a contractual or fee basis, or (2) any person whose compensation in a period of three consecutive years averaged less than five hundred dollars a year, or (3) the Medical Director, or (4) policemen and firemen employed by the Village, or (5) any elected official unless he is an employee in another capacity in which event his salary as an elected official shall not be included for any purpose hereunder.

(b) RIGHTS OF COMMISSION TO DECIDE MEMBERSHIP. In all cases of doubt, the Commission shall decide who is a member within the meaning of the provisions of this Retirement System.

Section 10. TERMINATION OF MEMBERSHIP. Except as provided for in section 17 should any person (1) be absent from service for more than twelve consecutive months except by reason of injury or illness, or (2) become a beneficiary or die, he shall thereupon cease to be a member.

Section 11. SERVICE CREDITABLE. The Commission shall fix and determine by appropriate rules and regulations how much service in any year is equivalent to a year of service, but in no case shall less than ten days' service in a calendar month constitute a month of service; nor shall less than ten months' service in a calendar year constitute a year of service; nor shall more than one year of service be creditable for all service rendered in one calendar year.

Section 12. WAR SERVICE CREDIT. An employee who during his employment was called to or who enlisted in any armed service of the United States or a member who shall be called to or who shall enlist in any armed service of the United States and who has been or who shall be on active duty during time of war or other national emergency recognized by the Commission and who shall have been reemployed by the Village within the time provided by any law of the United States of America, securing the rights of reemployment and benefits, after separation from such service or after release from hospitalization shall be credited with the time of such war service as membership service, provided that in any case of doubt as to the period so to be credited the Commission shall have final power to determine such period. During the period of such service rendered by a member to the Federal Government, his contributions to the Annuity Savings Fund shall be suspended and his balance in the Annuity Savings Fund at the last payroll date preceding his leave of absence from Village service shall be accumulated at regular interest.

Section 13. MEMBERS' SERVICE ACCOUNTS. The Commission shall credit each member's service account with the number of years and months of prior service and membership to which he may be entitled.

Section 14. OPTIONAL RETIREMENT FROM SERVICE. On or after July 1, 1945, any member who shall have attained his eligible retirement age, as defined in Section 2 (v) may retire from Village service upon his written application to the Commission setting forth at what time, not less than thirty days nor more than ninety days subsequent thereto, he desires to be retired.

Section 15. (a) COMPULSORY RETIREMENT FROM SERVICE. On or after July 1, 1945, any member who shall have attained age sixty-five years shall be retired forthwith by the Commission, subject, however, to the provisions of paragraph (b) of this section.

(b) EXTENSIONS OF SERVICE. Upon the written request of a member who shall have attained the compulsory retirement age, according to the provisions of paragraph (a) of this section, approved by his department head, the Commission may continue such member in service for periods not to extend beyond (1) the member's attainment of age seventy years or (2) four years from the effective date of this Retirement System, whichever occurs later.

Section 16. SERVICE RETIREMENT ALLOWANCE. Subject to the provisions of paragraph (e) of this section, upon retirement from service, a member shall receive a service retirement allowance, which shall consist of:

(a) ANNUITY. An annuity which shall be the actuarial equivalent of his accumulated contributions standing to his credit in the Annuity Savings Fund at the time of his retirement; and

(b) BASIC PENSION. A basic pension of one hundred dollars per annum; and

(c) MEMBERSHIP SERVICE PENSION. A membership service pension equal to one-one hundred thirty-fifth (1/135) of his average final compensation for each year of membership service credited to his service account, not to exceed thirty years; provided, that the sum of the membership service pension and the basic pension shall not exceed thirteen hundred dollars per annum.

(d) PRIOR SERVICE PENSION. A prior service pension equal to one-nineth (1/9) of his average final compensation for each year of prior service credited to his service account; provided, that if the sum of the membership service and the prior service exceeds thirty years, then credit for membership service shall be reduced so that the sum of membership service and prior service shall not exceed thirty years and provided further, that the sum of the prior service pension, the basic pension and membership service pension shall not exceed thirteen hundred dollars per annum.

(e) MINIMUM SERVICE TO BE ELIGIBLE FOR A PENSION. To be eligible to receive the pensions provided for in paragraphs (b), (c) and (d) of this section, a member must have at least ten years of service credited to his service account; provided, that the foregoing shall not apply to a member becoming eligible for benefits provided for in sections 19 and 20.

Section 17. DEFERRED SERVICE RETIREMENT ALLOWANCE. On or after July 1, 1945, should any member (1) as fifteen or more years of service credited to his service account, and (2) who has attained age fifty-five years, separate from the service of the Village for reasons other than becoming a beneficiary, he shall remain a member during the period of his absence from Village service for the exclusive purpose only of receiving a service retirement allowance provided for in section 16, said service retirement allowance to begin at the attainment of his eligible retirement age; provided, that if such member should withdraw all or part of the accumulated contributions credited to him in the Annuity Savings Fund, he shall thereupon cease to be a member, and all his rights hereunder shall end except only the right to withdraw any balance of accumulated contributions then credited to him.

Section 18. OPTIONAL RETIREMENT ALLOWANCES. Until the effective date of his service retirement, as provided for in sections 14 and 15, any member may elect to receive his service retirement allowance in a retirement allowance payable throughout life (to be known as a regular retirement allowance); or, he may elect to receive the actuarial equivalent, at that time, in a reduced retirement allowance payable throughout life, in accordance with the provisions of Option I, II or III, as hereinafter set forth. If a member dies within thirty days after his retirement becomes effective, no option election shall be effective; such a member shall be considered in service at the time of his death and his accumulated contributions standing to his credit in the Annuity Savings Fund shall be paid in accordance with the provisions of section 25 (b).

OPTION I. CASH REFUND ANNUITY. If a beneficiary dies before he has received in payment of the annuity portions of his reduced retirement allowance, the amount of his accumulated contributions standing to his credit in the Annuity Savings Fund at the time of his retirement, the balance shall be paid in a single sum to such person or persons, having an insurable interest in his life, as he shall have nominated by written designation duly executed and filed with the Commission; or if there be no such designated person or persons, then to his executor or administrator; or

OPTION II. JOINT AND LAST SURVIVORSHIP ALLOWANCE. If a beneficiary dies, his reduced retirement allowance shall be continued throughout the life of and paid to such person, having an insurable interest in his life, as he shall have nominated by written designation duly executed and filed with the Commission at the time of his retirement; or

OPTION III. MODIFIED JOINT AND LAST SURVIVORSHIP ALLOWANCE. If a beneficiary dies, one-half of his reduced retirement allowance shall be continued throughout the life of and paid to such person, having an insurable interest in his life, as he shall have nominated by written designation duly executed and filed with the Commission at the time of his retirement.

Section 19. DUTY DISABILITY INCURRED. Upon the application of a member, or his department head, a member who becomes totally incapacitated for duty as the natural and proximate results of the actual performance of duty as an employee of the Village, without negligence on his part, shall be retired; provided, the Medical Director, after a medical examination of such member, shall certify (1) that such member is mentally or physically totally incapacitated for the further performance of duty in the service of the Village, and (2) that such incapacity will probably be permanent, and (3) that such member should be retired; and provided that the report of the Medical Director shall be approved by the Commission.

Section 20. (a) DUTY DISABILITY BENEFITS—FOR RETIREMENT AFTER ELIGIBLE RETIREMENT AGE. Upon retirement for disability, as provided for in section 19, a disability beneficiary who has attained his eligible retirement age shall receive a service retirement allowance according to the provisions of Section 16.

(b) DUTY DISABILITY BENEFITS—FOR RETIREMENT BEFORE ELIGIBLE RETIREMENT AGE. Upon retirement for disability, as provided for in section 19, a disability

beneficiary who has not attained his eligible retirement age shall receive a disability retirement pension equal to one-half his average final compensation to continue from the date of his application for disability benefits to his attainment of his eligible retirement age; provided, that such disability retirement pension (1) shall not exceed fifteen hundred dollars per annum, and (2) shall be subject to the provisions of sections 23 and 24. Upon attaining his eligible retirement age, such disability beneficiary shall receive a pension as provided for in section 16, paragraphs (b), (c) and (d); provided, that in computing such pension, membership service credit shall be given such disability beneficiary for the period he was receiving a disability pension. In addition to his pension, such disability beneficiary, at the attainment of his eligible retirement age, shall receive an annuity equivalent to the annuity he would have received had he continued his contributions to the Annuity Savings Fund, said contributions to be based upon his final compensation at the time of his disability retirement.

(c) **DISABILITY BENEFICIARY'S ACCUMULATED CONTRIBUTIONS.** During the period a disability beneficiary is receiving a disability retirement pension, as provided for in paragraph (b) of this section, his contributions to the Annuity Savings Fund shall be suspended and his balance in the Annuity Savings Fund shall remain in the said Annuity Savings Fund and shall be accumulated at regular interest until his attainment of his eligible retirement age, or prior death. Upon attaining his eligible retirement age, his accumulated contributions shall be transferred from the Annuity Savings Fund to the Annuity Reserve Fund. Should he die before attaining his eligible retirement age, the amount of his accumulated contributions standing to his credit in the Annuity Savings Fund, at the time of his death, shall be paid in accordance with the provisions of section 25 (b).

Section 21. **NON-DUTY DISABILITY INCURRED.** On or after July 1, 1945, upon the application of a member, or his department head, a member who is in the service of the Village and who has ten or more years of service credited to his service account, and who becomes totally and permanently incapacitated for duty to the Village, as the result of causes occurring not in the actual performance of duty to the Village, and without negligence on his part, may be retired by the Commission; provided, the Medical Director after a medical examination of such member shall certify (1) that such member is mentally or physically totally incapacitated for the further performance of duty in the service of the Village, and (2) that such incapacity will probably be permanent, and (3) that such member should be retired, and provided further that the report of the Medical Director shall be approved by the Commission.

Section 22. **NON-DUTY DISABILITY BENEFITS.** Upon retirement for disability, as provided for in section 21, a disability beneficiary who has attained his eligible retirement age shall receive a service retirement allowance as provided for in section 16; a disability beneficiary who has not attained his eligible retirement age shall receive the following benefits:

(a) **CASH REFUND ANNUITY.** A cash refund annuity which shall be the actuarial equivalent of his accumulated contributions standing to his credit in the Annuity Savings Fund at the time of his retirement; and

(b) **DISABILITY RETIREMENT PENSION.** A disability retirement pension equal to one hundred thirty-fifth (1/35) of his average final compensation. The each year of service credited to his service account, not to exceed thirty (30) years; provided, that such disability retirement pension (1) shall not exceed nine hundred dollars per annum, and (2) shall be subject to the provisions of sections 23 and 24.

Section 23. (a) **PENSIONS OFFSET BY COMPENSATION BENEFITS.** Any amounts which may be paid or payable under the provisions of any workmen's compensation, or pension, or similar law to a member or beneficiary or to the dependents of a member or beneficiary, on account of any disability or death, shall be offset against any benefits payable from funds provided by the Village under the provisions of this Retirement System on account of the same disability or death, and such benefits payable from funds provided by the Village shall be accordingly reduced.

(b) **SUBROGATION RIGHTS.** In the event an employee of the Village becomes entitled to pension benefits as the result of accident or injury caused by the act of a third person, the Village shall be subrogated to the rights of such employee as against such third person to the extent of benefits which the Village pays or becomes liable to pay.

Section 24. (a) **RE-EXAMINATION OF DISABILITY BENEFICIARIES.** Once each year during the first five years following retirement of a member with a disability retirement pension or allowance, and at least once in every three year period thereafter, the Commission may, and upon the beneficiary's application shall, require any disability beneficiary who has not attained his eligible retirement age to undergo a medical examination by or under the direction of the Medical Director. Should any disability beneficiary who has not attained his eligible retirement age refuse to submit to such medical examination in any such period, his disability retirement pension or allowance may be discontinued by the Commission, and should such refusal continue for one year, all his rights in and to his disability retirement pension or allowance may be revoked by the Commission. If upon such medical examination of a beneficiary, the Medical Director reports that such beneficiary is physically able and capable of resuming employment with the Village, and his report is concurred in by the Commission, then such beneficiary shall be restored to active service with the Village and his disability pension or allowance shall be discontinued.

(b) **ADJUSTMENT OF DISABILITY PENSION.** Should the Secretary report and certify to the Commission such disability beneficiary is engaged in a gainful occupation, business, or employment and that the sum of his pay or earnings from such occupation, business, or employment, and his disability retirement pension or allowance provided by his Retirement System, exceeds his final compensation, then the amount of his disability pension shall be reduced to an amount which together with his annuity, if any, and the amount earned by him shall equal his final compensation; provided, that the report of the Secretary is concurred in by the Commission. Should such disability beneficiary's earnings be later changed, his disability pension shall be correspondingly adjusted.

Section 25. (a) **REFUND OF ACCUMULATED CONTRIBUTIONS PRIOR TO RETIREMENT.** Should a member cease to be an employee of the Village (1) before attaining his eligible retirement age, for reasons other than becoming a beneficiary or dying, or (2) after attaining his eligible retirement age and not being entitled to a pension, he shall be paid all or part of the accumulated contributions standing to his credit in the Annuity Savings Fund as he shall demand in writing on forms furnished by the Commission.

(b) **REFUND OF ACCUMULATED CONTRIBUTIONS — UPON DEATH OF MEMBER.** Should a member die, the amount of his accumulated contributions standing to his credit in the Annuity Savings Fund, at the time of his death, shall be paid to such person or persons, having an insurable interest in his life, as he shall have nominated by written designation duly executed and filed with the Commission; if there be no such designated person or persons, his accumulated contributions shall be paid to his executor or administrator.

(c) **INSTALLMENT REFUND OF ACCUMULATED CONTRIBUTIONS.** Payment of refunds of accumulated contributions may be made in monthly installments according to such rules and regulations as the Commission may adopt.

Section 26. (a) **ANNUITY SAVINGS FUND.** The Annuity Savings Fund is hereby created in which shall be accumulated, at regular interest, the contributions from the composition of members to provide for their annuities.

(b) **CONTRIBUTIONS OF MEMBERS.** The contribution of a member to the Annuity Savings Fund shall be five per cent of his regular compensation paid to him by the Village (not including any pay for extra service or bonus and not in excess of the annual amount payable at the regular rate of pay for a work week as established from time to time by the Council. The officer or officers responsible for making up the payroll shall cause the contribution to be deducted from the compensation of each member on each and every payroll for each and every payroll period, so long as he remains a member in the employ of the Village. The member's contributions provided for herein shall be made notwithstanding that the minimum compensation provided for by law for any member shall be changed thereby. Every member shall be deemed to consent and agree to the deductions made and provided for herein and shall receive for his full compensation and payment of his compensation less said deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the services rendered by such person during the period covered by such payment. The officer or officers responsible for making up the payroll shall certify to the Village Treasurer, on each and every payroll, the amount of contribution to be deducted from the compensation of each member, and each of said amounts shall be deducted by the Village Treasurer, and when deducted shall be credited by the Secretary to the individual Annuity Savings Fund account of the member from whose compensation said deduction was made.

(c) **RE-DEPOSIT OF CONTRIBUTIONS PREVIOUSLY REFUNDED.** In addition to the contributions deducted from the compensation of a member, as heretofore provided, any member may re-deposit in the Annuity Savings Fund, by a single payment, or by an increased rate of contribution, an amount equal to the total amount, or any part thereof which he may have previously withdrawn therefrom as provided by this Retirement System.

(d) **TRANSFER OF A MEMBER'S ACCUMULATED CONTRIBUTIONS.** Upon retirement of a member, his accumulated contributions shall be transferred from the Annuity Savings Fund to the Annuity Reserve Fund. At the expiration of a period of three years from the date an employee ceases to be a member, any balance of accumulated contributions standing to his credit in the Annuity Savings Fund, unclaimed by such member, shall be transferred to the Pension Reserve Fund.

Section 27. **ANNUITY RESERVE FUND.** The Annuity Reserve Fund is hereby created. The Annuity Reserve Fund shall be the fund from which shall be paid all annuities and all benefits in lieu of annuities, payable as provided by this Retirement System. Should a beneficiary retired on account of non-duty disability, be restored to active service, his annuity reserve shall be transferred from the Annuity Reserve Fund to the Annuity Savings Fund, and shall be credited to his individual account therein.

Section 28. (a) **PENSION RESERVE FUND.** The Pension Reserve Fund is hereby created. The Pension Reserve Fund shall be the fund from which shall be paid all pensions and other benefits payable from the contributions made by the Village, or any instrumentality of the Village, and from which shall be paid all pensions, and all benefits in lieu of pensions, to members and beneficiaries as provided by this Retirement System.

(b) **CONTRIBUTIONS BY VILLAGE.** Upon the basis of such mortality tables, regular interest, and other tables, as the Commission shall adopt, the Actuary shall annually compute the pension reserve liabilities covering pensions and other benefits payable or which might be payable from the Pension Reserve Fund to members and beneficiaries of the Retirement System. The pension reserve liabilities covering prior service of original members shall be amortized in such manner as the Commission may determine, subject to the approval of the Council. The pension reserve liabilities covering service rendered or to be rendered after the effective date of this Retirement System by members and pensions of beneficiaries on retirement rolls shall be amortized over a period of years not to exceed the natural lifetime of members and beneficiaries. The Commission shall report in writing to the Council on or before the first day of May of each year the amount of contributions to be paid by the Village, or any instrumentality of the Village, to the Retirement System for the current fiscal year and the Council shall appropriate and the Village and such instrumentality of the Village shall pay such amounts of contributions to the funds of the Retirement System during the current fiscal year and when so paid the amounts of such contributions shall be credited to the Pension Reserve Fund.

(c) If the amount appropriated in the budget for any year is not sufficient to pay in full the amounts due in said year to all beneficiaries of the Retirement System, the amount of such insufficiency shall thereupon be provided out of funds of the Village, or any instrumentality thereof, by the appropriating authorities of the Village.

Section 29. **EXPENSE FUND.** The Expense Fund shall be the fund to which shall be credited all money provided by the Village to pay the administration expense of the Retirement System, and from which shall be paid all expenses necessary in connection with the administration of the Retirement System. The Commission shall annually certify to the appropriating authorities of the Village, on or before the first day of May, according to legal budget procedure, the amount of appropriation necessary to administer the Retirement System during the current fiscal year, and the Village shall appropriate such amount to the credit of the Expense Fund.

Section 30. (a) **MANAGEMENT OF FUNDS.** The Commission shall have full power to invest and reinvest such funds subject to all terms, conditions, limitations, and restrictions imposed by the law of the State of Michigan upon life insurance companies in the making and disposing of their investments, except that notes, bonds, or obligations of any county, city, village, or district in the State of Michigan shall not be subject to said restrictions or limitations. The Commission shall have the power to purchase notes, bonds, or other obligations of the Village of Grosse Pointe Farms at any legally conducted public or private sale.

(b) The Commission shall have full power to hold, purchase, sell, assign, transfer, and dispose of any of the securities and investments in which any of the funds of the Retirement System have been invested, as well as the proceeds of said investments and any moneys belonging to the Retirement System. There shall be kept on deposit available cash not exceeding ten per centum of the total assets of the Retirement System. All funds of the Retirement System shall be held for the sole purpose of meeting disbursements for pensions, annuities, and other payments authorized by the provisions of this Retirement System, and shall be used for no other purpose.

(c) The description of the various Funds of the Retirement System in Sections 26, 27, 28, and 29 shall be interpreted to refer to

the accounting records of the Retirement System and not to the segregation of moneys in the funds of the Retirement System.

Section 31. **ALLOWANCE OF REGULAR INTEREST.** The Commission annually shall allow regular interest on the mean amount of assets credited to the Annuity Savings Fund, Annuity Reserve Fund, and the Pension Reserve Fund; provided, however, that interest on contributions from members credited to the Annuity Savings Fund within any one fiscal year shall begin on the first day of the fiscal year next following, and shall be computed and credited at the end of the fiscal year. The amounts of interest so allowed shall be due and payable to said funds of the Retirement System and shall be annually credited thereto by the Commission from interest and other earnings on moneys of the Retirement System. Any additional amount necessary to allow regular interest on the funds of the Retirement System shall be paid from the Pension Reserve Fund, and all interest and other earnings from deposits and investments of the funds of the Retirement System, not required for the allowance of regular interest shall be credited to the Pension Reserve Fund.

Section 32. **ASSIGNMENTS PROHIBITED.** The right of a person to an annuity, a pension, a retirement allowance, to the return of accumulated contributions, the annuity, the pension, or the retirement allowance itself, any optional benefit, any other right accrued or accruing to any member or beneficiary under the provisions of this Retirement System, and the moneys belonging to the Retirement System shall not be subject to execution, garnishment, attachment, the operation of bankruptcy, or insolvency law, or any other process of law whatsoever, and shall be unassignable except as is specifically provided by the provisions of this Retirement System; provided, that the Village shall have the right of setoff for any claim arising from embezzlement by or fraud of a member.

Section 33. **ERRORS.** Should any change or error in the records result in any member or beneficiary receiving from the Retirement System more or less than he would have been entitled to receive had the records been correct, the Commission shall correct such error and, as far as practicable, shall adjust the payments so that benefit to which such member or beneficiary was correctly entitled shall be paid.

Section 34. **OTHER PROVISIONS OF CHARTER OR ORDINANCE.** (a) No other provision of law, charter, or ordinance which provides wholly or partly at the expense of the Village for pensions or retirement benefits for employees of the Village, their widows, children, or other dependents shall apply to members or beneficiaries of the Retirement System, their widows, children or other dependents.

(b) If a state operated retirement system including municipal employees as beneficiaries shall become operative, the Council may, by such vote as may be required by the statute providing for such system, take the action required to make the Village a member of such system, in which event the Council shall have full power so to deal with the assets and liabilities of the Retirement System heretofore created as to comply with the requirements of the state law.

(c) All provisions of any ordinance inconsistent with the provisions of this Amendment are hereby repealed to the extent of such inconsistency.

Section 35. **UNCLAIMED FUNDS.** Any moneys credited in any of the funds to a member, as to which or as to any part of which there shall be a failure of beneficiaries, shall by action of the Commission be credited and transferred to the Pension Reserve Fund.

Section 36. **MODIFYING THE PROVISIONS OF THIS RETIREMENT SYSTEM.** Whenever an actuarial valuation of the assets and liabilities of the Retirement System shows that the total of the assets credited to the Pension Reserve Fund equals or exceeds the total of (1) the pension reserves covering pensions being paid to beneficiaries, and (2) the pension reserves covering pensions which might be payable on account of accrued service credited to members, the Council may, by ordinance, (1) increase the amount of pension benefits provided by this retirement system, or (2) add new pension benefits; provided, that no such increase in pension benefits or new pension benefits shall be made if the Village's total annual contribution to the Retirement System, for all pension benefits being paid or which might be payable by the Retirement System, shall by reason thereof exceed seven per cent of the aggregate pay, salary or compensation received by members during the preceding fiscal year.

Section 37. **SAVING CLAUSE.** If any provision, section, paragraph, sentence, clause or phrase of this Amendment is for any reason found to be invalid or inoperative, or shall be held by any court to be unconstitutional, the remainder of the provisions of this Amendment shall nevertheless continue in full force and effect.

Section 38. The effective date of this Retirement System shall be the first day of March, 1945.

NOW THEREFORE BE IT RESOLVED That in accordance with the provisions of Act 278 of the Public Acts of the State of Michigan for the year 1909, as amended, the foregoing proposed amendment to the Charter of the Village of Grosse Pointe Farms be published in The Grosse Pointe News, a newspaper published in the Village of Grosse Pointe Farms, and in The Grosse Pointe Review, a newspaper published in the Village of Grosse Pointe Park, Wayne County, Michigan, and circulated in the Village of Grosse Pointe Farms, and that true copies of said proposed charter amendment be posted in ten public places in the Village of Grosse Pointe Farms, such publication and posting to take place within two weeks from date hereof, and that a copy of the proposed amendment be presented to the Governor of the State as provided by law.

Woods Residents Taking Part in Church Play Here

The Friendship Guild of the Grosse Pointe Woods Presbyterian church is sponsoring a play to be given Thursday and Friday nights, Jan. 25 and 26, in the Mason school auditorium on Vernier road. It is "Doty and Daffy," a hilarious three-act comedy.

Members of the community are anxiously awaiting the production because of the popularity of the cast. Mrs. Keith Hoover has the leading role as the mother of Doty and Daffy, Mrs. Travers. The name parts are being taken by Lois Kosanke and Ruth Joan Rauth. Other supporting roles are being taken by the Mesdames Ted Mack, Max Luce, Paul Weamer, and the Messrs. Neil Van Oostenberg, Lauren Wild, Alex Kennedy, Alois Ghesquiere, Wesley B. Orr Jr., and Harold Freiwald.

The chairman of the play is Mrs. Charles Woodley and the director is also president of the Friendship Guild. Other committee chairmen are Mrs. Lauren Wild, tickets; Mrs. Weston Noble, usher; Mrs. Sam Trickey, stage director; Mrs. Fred Hicks, makeup; Mrs. Roy Nelson and Mrs. John Rowe, prompters; Mrs. Brownell, property and costumes; Mrs. Gordon B. Cameron, in charge of entertainment between the acts; and Mrs. Frank Dettmer, publicity.

American Legion AUXILIARY

Grosse Pointe Unit No. 303 the American Legion Auxiliary, has changed the date of their sparrerb and sauerkraut dinner, scheduled for Feb. 3 at the Legion club, 18316 Mack avenue, to Feb. 17 at the same address. Gladys Craig, one of the past presidents, is general chairman and it is hoped all members who are able will attend and bring their families and friends.

This unit is one of the outstanding units of the Detroit district and it is their aim to keep that distinction. They were the third unit over the top with our membership for 1945. They have two active members on child welfare and rehabilitation. Their program on war activities under the chairmanship of Clara Bishop, takes in many members who are giving generously of their time at the USO, their blood at the blood bank and whenever called upon lend a hand for the various drives, among them the infantile paralysis drive, which will be conducted through the district, through the neighborhood. The unit needs help at the Colony theatre Jan. 25 through 31. Volunteers are asked to call Mrs. Lillian Knoff, president, at Murray 1107 and she will assign them on the day

and date of choice. The initiation of new members held at the Legion club on Jan. 5 was well attended and the social hour following was enjoyed by all.

New Store Manager
Mrs. Katharine Coggin is the new manager of the Grosse Pointe Peck & Peck store, succeeding Mrs. Robert Griffith (Miss Bailey) who has joined her husband in Boston, where he has been transferred.

Strong Double Bill at Shores Theatre Sunday, Monday

Screen favorites dominate the casts in two stellar attractions scheduled for Sunday and Monday at the Shores theatre, Mack avenue at Nine Mile road.

Ever-popular Spencer Tracy turns in his customary masterly yet homesy performance as Mr. Heister, who escapes from a Nazi concentration camp in the dramatic epic "The Seventh Cross" which includes in its fine cast the new screen find, Signe Hasso.

The East Side kids ride high again in the second feature, "Follow the Leader."

Selected short subjects complete the program.

Tin Block Buster

"The fuse of a block buster bomb is kept in a tin can for protection against moisture and air until just before a raid," says Terry Bannan, chairman of the Wayne county tin can salvage committee. "Since America's offensives take bombs and bombs take tin cans, it's every patriotic American's duty to save and prepare every tin can for every tin can collection. The next one is February 26."

Pianist on Detroit Town Hall Series Next Wednesday Percy Grainger, celebrated pianist, and one of the most colorful musical personalities of the age will appear at Detroit Town Hall in the Fisher theatre, Wednesday morning, Jan. 31, at eleven o'clock.

Neighborhood Club N-E-W-S

The children of the community had a rare treat Saturday afternoon, Jan. 20, when Virginia Baxter, 12, gave the most beautiful exhibition of figure skating yet to be seen in this vicinity. She performed a solo number, then performed the 14 step, and the waltz with Herbert Cook, secretary

of the Olympia Skating club. Virginia also demonstrated the various figures. The boys and girls were most enthusiastic over Virginia's ability, and are anxious for her to pay us another visit. Entries are now open for members of the Neighborhood club to participate in the annual ping pong tournament. Junior division for both boys and girls, age 12 to 15; intermediate division for young people, ages 16 to 20; and senior division, men and women over 21. The senior division will play Tuesday night, Feb. 6, starting at 7:30; the intermediate division will play 7:30; and the junior division will

Wednesday night, Feb. 7, starting at play Saturday afternoon, Feb. 10, starting at 1:30 p.m.

Friday, Jan. 19, the Waokiya group of the Neighborhood club visited the Grosse Pointe police station. Lieut. Van Beelaere showed us through. He showed us billy clubs and blackjacks. We were shown how to make bullets and how machine guns work. We heard a message from a police car, and saw a teletype message being printed. All of us had our fingerprints taken. Next week we are bringing materials for some Netherlands sewing kits. They contain pins, needles, thread and yarn.

Patrons of the Aloma theatre will be treated to a double bill with an amusing musical of adolescent years in the two features billed for the screen of the Aloma theatre next Sunday and Monday.

Funny-man Hugh Herbert is co-starring with lovely Ann Savage in the late smash-hit comedy "Ever Since Venus" which depicts the trials and travails of everyday John Q. Public with the so-called weaker sex. The second attraction presents grown-up little Gloria Jean in a winsome role with veteran Jane Darwell as the "Mother-in-Law."

Petition Denied

A petition from a reality firm to have the Park commission amend a zoning ordinance which allows a maximum of five mechanics in a garage was denied at the commission meeting Monday night. Prospective location of an automobile agency at the southwest corner of East Jefferson and Beaconsfield and a personnel of 18 servicemen and clerks was petitioned by the agent.

Lovely Lana Turner, John Hodiak, at Colony Jan. 26, 27

How she solves her problem makes for a thrilling and absorbing human love story. The supporting cast includes Frances Gifford, Keenan Wynn and Hugh Marlowe.

Tin in Booby Traps

"Housed in tin, booby traps pack a lot of destruction," says Terry Bannan, chairman of the Wayne county tin can salvage committee. "One booby trap can cripple a tank by wrecking its treads... many can halt an offensive. Let's keep tin rolling to our war fronts! For food, medicinal and ammunition supplies, let's start saving now for the next tin can collection day, Feb. 26."
