

PARK WATER RATE RAISE QUESTIONED

Three Village Elections Take Place Next Monday

YOUTH DIES IN AUTO ACCIDENT

PICTURED at the rear of the Grosse Pointe Shores police station where they were taken, are the two cars which were involved in an accident last Friday night at Hawthorne and Lakeshore roads, in which Charles Cain, 17, of 252 Morose road lost his life. Mrs. Laura James, of 52 Hawthorne was the driver of the car on the left and Charles Hicks, 17, of 558 Lincoln, drove the damaged auto on the right.

POINTE PARAGRAPHS

by THE POINTER

Did many of you "get caught" last Thursday driving on the streets in Grosse Pointe and Detroit with the old license plates on your cars instead of the new silver ones? We heard of one instance, or should we say two instances, where the new plate was "no where to be seen." A Grosse Pointe Woods family driver, we don't want to name, was stopped by a police officer.

"Where's the 1945 license plate?" Enthusiastically after the question and before she could answer, she spied the Woods scout car with a 1944 license plate on it.

When this point was brought to the officer's attention, well, the discussion ended abruptly.

Did You Know? That the white sailor hats of the enlisted men in the navy were designed so that they could be used for bailing water out of a small boat in an emergency.

Now that the snow has disappeared, at least for a short time — maybe longer, we hope — the residents of all the Grosse Pointes are asked to sweep their sidewalks clear of the cinders and sand which they used as a safety measure while they were icy. As one resident pointed out to us, this safety measure can become a menace to all pedestrians for one could very easily turn an ankle or slip and break an arm on these pieces of cinders.

We find that Ernie Pyle, war reporter and one of the most respected men among those with the Yanks in the battlefields, brought home a point recently when he was returning to the Pacific: "A great many people don't know there's a war on, or don't seem to care."

Metropolitan Detroit's 15,000 Girl Scouts will join the rest of the 1,200,000 in the nation in celebrating Monday, March 12, the 34th anniversary of the founding of Girl Scouts in the United States, in the Savannah, Ga., home of Juliette Low, who is now honored yearly by Scout contributions to the World Friendship Fund.

Realtor Speaks
William W. Tannev, chairman of the G.I. committee of the Detroit Real Estate board, spoke on the G.I. Bill of Rights in reference to purchasing real estate, at the meeting of the Eastern Detroit Realty association held last Tuesday at twelve o'clock noon, at the AMCA dining room, located on Harper, corner of Cadillac.

An auto accident involving two cars snuffed out the life of a 17-year-old Grosse Pointe Farms youth last Friday night in Grosse Pointe Shores.

Police received a call at 8:30 p.m., telling them that an accident had taken place at Hawthorne and Lakeshore roads.

Reconstructing what happened as best they could, police believe that after a car driven by Mrs. Laura James, 38, of 52 Hawthorne road entered Lakeshore, a car driven by Charles Hicks, 17, of 558 Lincoln road, struck her car on the left front fender, forcing the James car over the curb and the Hicks car into the street.

There were four other young people riding in the Hicks' car, all returning from a basketball game in Roseville, Mich., they are:

Mary Whitehead, 17, of 4 Radnor Circle; Libby Powell, 15, of 222 McKinley road; Patricia Jerome, 40 Renaud road; and Albert Dixon, 17, of 383 Washington road.

Both Miss Powell and Miss Jerome were taken to the hospital where it was found the former had suffered from a concussion and the latter had a fractured shoulder. The other occupants of both cars were only shaken up by the accident.

Charles Cain, 17, of 252 Morose road, is believed to have died instantly due to two broken vertebrae. He was a student at Detroit University school.

Red Cross Teams Swing Into Action As Volunteers Prepare to Solicit Homes Here

Thanks to the splendid turnout of Grosse Pointe women who have volunteered to solicit funds for the Red Cross war fund, the campaign was able to commence on March 1. The 56 zone captains have been busy during February lining up their teams, which will completely blanket the Grosse Pointe area.

All workers will carry proper identification and will tender a receipt for contributions which they receive. In order to expedite the war fund solicitation, all Grosse Pointers are asked to determine how much they plan to give now. This will help speed the drive and be appreciated by the enthusiastic band of women who have so generously contributed their time.

- Following is the list of zone captains in Grosse Pointe:
- Grosse Pointe Park—** Mesdames Harold Davis, Ardillot, Lyman, J. Ryerson, Robert Thompson, Vernon Johnston, E. C. Baumgardner, William Tost, Charles Kemp, Fred Auch, Charles Murphy, E. Vande Patten, Myron Bloy; the
 - Grosse Pointe Farms—** Miss Katherine Kidner and the Mesdames Donald Williams, Forest Manker, William Torry, Robert Kerr, Bruce Chalmers, Gerald Fitzgerald, Nelson Giraden, Frederick Hart, Howard Holland, T. C. Anderson.
 - Grosse Pointe Shores—** Mesdames A. H. Bennett, Robert A. Hackathorn, M. P. Graham, E. T. O'Keefe, Sherwood Reekie, Edward Grace.
 - Grosse Pointe Woods—** Mesdames M. Marston, John S. Shoemaker, N. Chester Clark, E. Hallead, Robert Ewart, K. A. Frostic, James Cope, Clifford Randolph, G. A. Redebaugh, J. B. Stallard, F. Walker.

Woods Scouts Plan Waste Paper Pickup

Saturday, March 10 is waste paper pickup day in Grosse Pointe Woods. This pickup is being sponsored by the Boy Scouts of Grosse Pointe Woods Troop No. 290 and is the periodical collection of paper which they make in the village. All paper waste basket paper, newspaper, and magazines will be picked up.

All Woods residents are asked to participate in this drive by placing their collections at the curb on Saturday. The pickup by the boys will start at 10 a.m.

During the past year, this troop of youths has had several water pump drives and have collected over 75,000 pounds.

Up to the Women
The WEA does not want to allocate good food for industrial purposes, and this can be avoided if there home maker saves her used kitchen fat and puts it in to her meat dealer for sausage.

Detroit Water Board Retraction Demand Ignored By Lane

Annual Revenue Boosted From \$6,500 to Over Fifty Thousand Dollar Mark

EXPLANATION CAME FROM VILLAGE COMMISSION, VILLAGE MANAGER AND VILLAGE CONTROLLER

What has happened to the water rates in Grosse Pointe Park? This question is on the tip of many persons' tongues. The City of Detroit Board of Water Commissioners, being blamed at least partially for the rate boost, would like to have the matter cleared up so far as certain statements made over the name of the Village Commission of the Village of Grosse Pointe Park are concerned.

Dissatisfaction was the part of a large number of taxpayers in the Village of Grosse Pointe Park with the current so-called "exorbitant" rise in water rate charges in the village has prompted The Review to go to the bottom of matters and expose the possible extent of the raise, the origin of the idea and the responsibility for its exercise.

In the course of the investigation, The Review has discovered that the City of Detroit Board of Water Commissioners also has a complaint unanswered, though lodged January 3, 1945 over mis-statements concerning "excessive" rates paid to the City of Detroit which they stated that the rates were misquoted over the signature of the Village Commission.

It has been authoritatively learned that the authors and planners of an amendment to Village Ordinance No. 124, as of June 12, 1944, revising the water rates and sewage disposal rate and adding a quarterly meter service charge, were none other than Village Manager E. J. Lane and Controller William Johnson. The amendment was passed in resolution by the Village Commission and made effective and chargeable for quarterly service beginning July 2, 1944, with the first bill coming due in October 1944, as follows:

Water Rates

First 100,000 cu. ft.	Quarterly at \$1.15 per 1,000 cu. ft.
Over 100,000 cu. ft.	Quarterly at \$1.00 per 1,000 cu. ft.

Meter Service Charges Per Quarter

1/2" or 3/4"	Meter—\$1.00
1"	Meter—1.50
1 1/2"	Meter—2.00
2"	Meter—2.50
3"	Meter—3.00
4"	Meter—3.50

Analyzing the probable profit from the revised rate schedule above, one sees a return of \$40,000 annually plus the newly added meter charges, which would add an additional \$12,000 per annum for the minimum charge of \$1.00 per meter (or as high as up to \$3.50 per meter per quarter) in this village of some 3,000 homes. This profit is contrasted with a current gross operating revenue received of approximately \$6,500 per year. The outstanding indebtedness of the village water system is \$98,000 on bonds with maturity in some 15 years. Practically without exception all of the meters are already bought and paid for, all of the water mains are laid and there are no new subdivisions at the present time, nor is there any building.

It is apparent on the surface that the landlord, who is held to minimum rent requirements by the OPA ceilings will carry the brunt of the water raise rate and new meter service charges. Property owners also, will be carrying the load of extra taxation in the village while owners of vacant lots go untouched.

The Review has been reliably informed that the current regime, which rode into office on an "economy program" five years ago is rather urgently interested in maintaining the present general tax rate the same for this year. But, we are also advised that extra revenue derived from raising the village water rates, cannot legally be diverted to any other channel such as street improvements, etc., according to the village charter, because the local water department is a utility and according to law such revenue must be expended for improvements or expansion of that utility. There appears to be no imminent need of any of the foregoing.

The present regime has not reduced village taxes during its five year tenure of office. Rather, there have been cuts in personnel in the police and fire departments (made in the "interests of economy and because of manpower shortages") without regard to efficiency or protection; there have been reductions in village services, including street maintenance, cleaning snow off sidewalks, ash and garbage collection schedules. The village manager has been given a substantial raise in pay; likewise the village controller, who now has an assistant; and there are now four girls in the village offices, whereas two were previously required, due to added detail and general red tape. The village has been relieved of the financial and mechanical expense of maintenance of East Jefferson and Kercheval avenues, now maintained entirely at the expense of the Wayne County Road Commission and in addition to being saved his expense has received an additional sum of some \$25,000 annually in gas tax monies, which were previously diverted to the county for part payment on the improvement and widening of the aforementioned streets.

On January 3, 1945 in answer to protests from water consumers of Grosse Pointe Park, the Detroit Board of Water Commissioners addressed a letter to the Village Clerk which he turned over to the Village Manager to answer, since the latter authorized the new rate schedule. The letter, so far as can be learned, is still unanswered. Excerpts follow:

"The attention of this board has been called to the special notice which was sent out to water consumers of Grosse Pointe Park. There are certain statements made in the notice to which we desire to call your attention.

"The statement is made that 'the Village pays excessive water rates to the City of Detroit, including a high meter charge and a surcharge over minimum consumption.' Our

Special Ballot In Farms

An important issue in Grosse Pointe Farms will be decided Monday to cast their ballots for the men who are to direct the governmental activities of the villages for the next year.

Two village presidents are seeking re-election this spring: James K. Watkins in the Farms and A. A. Ghesquiere in the Woods. Watkins' candidacy is unopposed, while that of Ghesquiere is opposed by Albert Beever, a resident of Hunt Club Drive.

Three incumbent trustees in the Farms have filed for re-election, they are William F. Connolly Jr., R. Gervey Grylls and George L. Schlaepfer. A fourth man, William G. Kirby of 418 Fisher road, has also filed for a trusteeship.

Harry A. Furton, clerk and Francis J. Beupre, assessor, are unopposed. Alonzo J. O'Connor, treasurer, will be opposed by Traver J. Pelkey, 61 Oak street, a World War II veteran.

In Grosse Pointe Woods, for the three commission seats, seven men have filed their candidacy: The three incumbent commissioners, two former commissioners and two newcomers. Paul Marco, George M. Burgess and John A. Whitty, incumbents; are opposed by N. Chester Clark, Arnold L. Diesing, E.R. Hill and Paul W. Rowe. Rowe and Diesing are former commissioners.

Leo J. Athman, assessor, is opposed by Russell E. Gragg.

Philip F. Allard, clerk and William Wright, treasurer, are unopposed.

In Grosse Pointe Park, only one incumbent commissioner out of the three whose terms expire this year, is seeking re-election. He is Paul I. Moreland. Four other Park residents are seeking the two seats: William Gillis, 782 Washington street, and Raymond G. ...

Many Candidates Seek Posts In Governing Bodies

Residents of three Grosse Pointe communities will go to the polls next Monday to cast their ballots for the men who are to direct the governmental activities of the villages for the next year.

Two village presidents are seeking re-election this spring: James K. Watkins in the Farms and A. A. Ghesquiere in the Woods. Watkins' candidacy is unopposed, while that of Ghesquiere is opposed by Albert Beever, a resident of Hunt Club Drive.

Three incumbent trustees in the Farms have filed for re-election, they are William F. Connolly Jr., R. Gervey Grylls and George L. Schlaepfer. A fourth man, William G. Kirby of 418 Fisher road, has also filed for a trusteeship.

Harry A. Furton, clerk and Francis J. Beupre, assessor, are unopposed. Alonzo J. O'Connor, treasurer, will be opposed by Traver J. Pelkey, 61 Oak street, a World War II veteran.

In Grosse Pointe Woods, for the three commission seats, seven men have filed their candidacy: The three incumbent commissioners, two former commissioners and two newcomers. Paul Marco, George M. Drivers Fined in Grosse Pointe Courts

Justice Joseph P. Uvick of the City of Grosse Pointe court, found the following persons guilty of traffic violations and fined them as follows:

Alfred H. Raetta, 63 Meadow Lane, reckless driving, \$5 and \$3 costs;

Robert B. Rutherford, 1920 Rutherford, reckless driving, \$10 and \$5 costs;

Beverly A. Towner, Mt. Clemens, reckless driving, \$3 and \$2 costs;

Richard E. Cooke, 1406 Manistique, reckless driving, \$50 and \$15 costs.

The following appeared before Justice Victor H. DeBaekle in the Park court yesterday morning and paid their respective fines and costs:

William Puns Jr., 508 St. Clair, speeding, \$15;

Raymond G. ...

Kerby School Recognized Again

Patriotic Kerby school has once again been recognized by the office of Frank N. Isbey, of the finance committee, with a recent letter of commendation. Pupils and teachers received duplicates of panels which have been placed on army equipment. The panels state that the equipment was made possible by bond purchases. Bonds sold by the pupils paid for seven field ambulances; four jeeps; and one flying jeep.

Discussion Group to Meet Second Time Next Week

The Grosse Pointe discussion group which is open to all adults who wish to participate, is to hold its second meeting on Wednesday, March 14, in the library of Grosse Pointe high school at 8 p.m. The topic for this meeting will be "Compulsory Military Training" and the leader of the discussion will be Vincent Petersen.

The discussion group will have five more meetings and the topics to be discussed will be voted on at the March 14 meeting.

Those who have not already registered for this group and would like to join in discussion of topics of the day are asked to call Mr. Geary's office at NL 2000.

Town Hall Season Ends

Devi Dja and her Bali-Java dancers with a native Gamin orchestra will appear at Detroit Town Hall in the Fisher theatre, Wednesday morning, March 14, at 11 o'clock.

This exotically beautiful exhibition of the dances of the Far East will officially close the fall and winter season of Town Hall's 20 mornings of lectures, music and entertainment.

A fashion show will be given during the luncheon following the performance.

Minor Accident

A collision between a passenger car and a truck took place at Beaconsfield and Jefferson last Monday afternoon. Both vehicles were driven away.

Child Struck by Car; Found to Be Uninjured

Nine-year-old Jeanne Vance of 32 Handy Lane, was struck by a moving automobile last Monday morning while she was riding her bicycle but after an examination, was found to be uninjured. She was hit by a car driven by Harold Osborne, of 314 Beaupre road, on Hall place and Grosse Pointe boulevard.

Promoted to Lieutenant Colonel

Third Army Headquarters, France-Germany. — Major Vernon R. Burroughs, son of Mrs. Leona F. Burroughs, 1213 Maryland, Grosse Pointe Park, has been promoted to the rank of lieutenant colonel, serving on the general staff of the third

army under General Patton. Over seas since February this year, Lieutenant Colonel Burroughs is a graduate of the army's field artillery school at Fort Sill, Okla., and the army general staff and command school at Fort Leavenworth, Kan. Living in New York.

Graduating from Grosse Pointe high school, where he was affectionately known as "Whitey" or "Tut," Burroughs was a member of the Michigan National Guard, 182nd Field Artillery and has been in service since April 1941. A brother, Pic-

"WE LEAD, OTHERS FOLLOW"

VOTE NEXT MONDAY

It is the small voice of the people at home which determines the pattern of the government in our communities. It is the people's privilege to elect into the offices of their ruling bodies the men and women who are to direct the governmental functions of the community.

These village elections might appear small in comparison with other larger elections, but as everyone knows, the basis of the county, state and national government is based upon the small villages, towns and townships. They are the backbone of the country.

It is hoped that no resident in these three communities will find time to stop at their respective polling places and cast their ballot for the men who they think are the most qualified to run their village government for the next year or two.

AN APPEAL TO THE FARMS

The residents of Grosse Pointe Farms are urged to go to the polls next Monday not only to cast their ballots for the men who they want in their governing offices, but also to give their approval or disapproval of the proposed retirement system which has been placed on the ballot.

Because such a move is an amendment to the village charter, regulations demand that the taxpayers of the village vote "Yes" or "No" on the amendment.

This is not an appeal to urge the people to vote for or against the proposed retirement system, it is only an appeal to ask the voters to make their privilege count — to get out and vote next Monday in Grosse Pointe Farms.

Catholic Camp Fire Girls to Attend Breakfast

On Sunday morning, March 11, all Catholic Camp Fire Girls will be the guests of the city-wide archdiocesan committee at St. Catherine's church, 4151 Seminole at Sylvester. Mass will be said at 10 a.m., with breakfast at 11:30 in St. Catherine's dining room. This invitation is extended to all Catholic Camp Fire Girls and their leaders, assistants and

sponsoring committees.

The active Landa group of Saint Ambrose church has as their service project for this month, the packing of kits for the Russian War Relief.

When fat has done its job as food, don't throw it away. It is then ready to enter another life of usefulness in factories and war plants. Your meat dealer will buy back all you can save, and he will head it toward its new career in industry.

ARRIVES IN HAWAII

Word has recently been received that Virginia Vanden Heuvel Y2C of the Waves is now stationed in Hawaii. Virginia graduated from Grosse Pointe high school in June 1939, and worked in the ordnance department in Detroit before she enlisted in August, 1943. She received her boot training at Hunter college and her basic training at Stillwater, Okla., and was stationed for a year at the Bureau of Docks

and Yards, Washington, D. C. Ginny was an active member of the Neighborhood club before she entered service and of course now is an honorary member as are all fellows and girls in the service. She belonged to the Grosse Pointe Athletic club and was an ardent tennis, badminton and baseball player. Virginia is the daughter of Mr. and Mrs. W. Vanden Heuvel of 710 Notre Dame, and is the sister of Kathryn.

Announce Marriage

Mr. and Mrs. William P. Sweeney of 845 Neff road, announce the marriage of their daughter, Petty Officer Maureen Theresa to PO2C Pat E. Jorden of San Antonio, Tex., on Saturday, Jan. 25. The ceremony was performed by the Rev. Fr. O. Rafferty in St. Edward's church, Seattle, Wash.

Children's Federation to Meet Next Thursday

The next regular meeting of the Save the Children Federation of Grosse Pointe Woods will be held at the home of Mrs. Harry Findlay, 1867 Lancaster on Thursday, March 15. New members are welcome.

Daughters of Isabella Issue Monday Report

Mrs. A. J. ... regent, of Ama Deus Circle, Daughters of Isabella, was a delegate to the recent Eastern Deanery meeting of the NCCW at St. Charles Community Center. She is also a delegate to the all-day convention of the NCCW at the Hotel Statler, March 22.

The chairman for the February meeting were Madames Theresa Neuman, May McAvoy and Florence Allen. A total of 9 sons in service of Ama Deus mothers were enrolled in Seraphic masses at the Monastery. February opened the membership drive with Mrs. Eugene Fisher as chairman. She urges each member to get an application for a friend now.

The officers have accepted an invitation to initiate candidates into the Mary Our Mother Circle in Centerline, March 11. Exhibitions of the drill team with Mrs. Gejevie Sullivan, captain; and Mrs. Fred DeLodder, with the kitchen band.

March 17 is the regular business meeting with a social hour.

Pioneer Guild Meets in Woods March 14

The Pioneer Guild of the Grosse Pointe Woods Presbyterian church is sponsoring a book review, "A Yankee From Olympus" written by Catherine Briker Bowen and reviewed by Mrs. Fred K. Houck of 893 University.

Tea will also be served at this meeting to be held at the home of Mrs. R. J. Roselle at 915 Hampton road on Wednesday, March 14, at 1:15 p.m.

Non-members of the guild are cordially invited to attend this review and tea.

Book Review and Bake Sale Next Tuesday, March 13th

The Ladies of Peace Lutheran church, East Warren and Balfour, will sponsor a book review and bake sale, to be followed by a desert luncheon, on Tuesday, March 13, beginning at 12:30 p.m.

Tickets may be purchased from members or at the door. Friends and people in the community are cordially invited.

The 12th Armored Division is commanded by Maj. Gen. Roderick R. Allen of Marshall, Tex.

Dr. Harold Dorr of the University of Michigan to Address Group March 13th

Our two university regents in this community, Mrs. Stuart Baits and The University of Michigan Club of Grosse Pointe will assemble in the Pierce school library, Tuesday night, March 13 at 8:15.

Dr. Harold Dorr, an associate professor in the political science department at the University of Michigan, will address the group. Dr. Dorr's subject will be, "America and the Peace."

Although Dr. Dorr has been on the campus a number of years, he is one of our younger faculty men and those who know him anticipate a very stimulating and thought provoking message.

Garden Club Schedules Meeting Next Monday

The March meeting of the Woman's National Farm and Garden association, Grosse Pointe branch, will be held at the home of Mrs. Lynn McNaughton, 109 Kenwood road, Monday, March 12 at 2:30 p.m.

The subject of the lecture, "The Pollinating Agency of the Honey Bee" will be highlighted with slides by R. H. Keitey, extension specialist in apiculture at Michigan State college.

Mrs. McNaughton will be hostess for the afternoon; her co-hostess will be Mrs. Meredith S. Randall.

Pointe Freshman Becomes Music Society Member

Miss Adele Amy Shoub, a freshman at Heidelberg college, Tiffin, O., was initiated into Tau Mu Sigma, college music society, at a special meeting this week.

Membership selections to Tau Mu Sigma are made on the basis of musical ability and general scholastic standing. Initiation consists of an evening of music provided by the initiates.

Miss Shoub, daughter of Mr. and Mrs. A. W. Shoub, 1309 Nottingham road, Grosse Pointe Park; She is a graduate of Grosse Pointe high.

Party Takes Place Tomorrow

The annual Grosse Pointe Mothers' Club scholarship bridge party will be held tomorrow afternoon. Dessert will be served in the high school cafeteria from 12:30 to 1:30 p.m.

Reservations are being accepted by Mrs. R. Chambers, N1. 1244 or Mrs. A. Hirt, N1. 2337.

Give to the Red Cross campaign for funds during March.

SERVICE PARADE

With the 12th Armored Division in France.—First Lieut. Earl O. Hoyt, husband of Virginia D. Hoyt, 904 Lakepointe, Grosse Pointe Park, was among the first in the 12th Armored Division to receive Presidential Service Plaque for the period from Jan. 1, 1944 to Nov. 30, 1944.

He is a member of the 134th ordnance maintenance battalion which, by direction of the President, has been awarded the Meritorious Service Plaque for the period from Jan. 1, 1944 to Nov. 30, 1944.

The battalion won recognition thru "a superior performance of duty in performance of exceptionally difficult tasks" and "achievement and maintenance of a high standard of discipline * * *."

Commanded by Lieut. Col. Paul H. Wood, Lancaster, O., the 134th was one of the original "Harvester Battalions" and came to the 12th Armored upon the division's activation at Camp Campbell, Ky., in September 1942.

Fifteenth AAF in Italy.—Second Lieut. John D. Madigan, whose mother, Mrs. John F. Madigan, resides at 65 Kendrick avenue, Mount Clemens, Mich., will soon be flying combat missions over Hitler's rapidly shrinking Reich. He recently arrived overseas and is now on active duty as a navigator with a veteran AAF B-17 Flying Fortress group, based in southern Italy.

Madigan attended Michigan State Normal, Ypsilanti, and was employed by the Socony-Vacuum Oil company, Detroit, prior to his enlistment in the AAF on Aug. 10, 1942. He attended the San Marcos Navigation school in Texas and won his wings Sept. 25, 1944, subsequently leaving the United States on Jan. 14, 1945.

His wife, Mrs. Lillian I. Madigan, resides at 1264 Bishop road, Grosse Pointe, Mich.

Fifth Air Force, Philippine Islands.—Mark W. Jarrett, a crew chief serving with the "Roarin' 20's," an A-20 bomber unit of Fifth Air Force in the Philippines, has been promoted to technical sergeant. He is the husband of Mrs. Mary S. Jarrett of 317 Kerby road.

A graduate of St. Paul high school, Sergeant Jarrett enlisted in the air force several days after Pearl Harbor and joined the "Roarin' 20's" at the time of their activation.

BROTHERS MEET IN HAWAII

A nice surprise was in store for Pat Tyrrell, S2C while on duty in the Hawaiian Islands, to have his brother GM2C Donald Tyrrell, who had just been sent to the islands,

the following October. He is a veteran of the New Guinea campaign and has served overseas 15 months. Sergeant Jarrett is now participating in the liberation of the Philippines and as a crew chief is playing an important role. His job is to supervise maintenance of all A-20's in his unit to enable the "Roarin' 20's" to strike heavily at Japanese strongholds daily.

Sergeant Jarrett is a graduate of the Aircraft Mechanic school, Sheppard Field, Tex., and Douglas Aircraft school, El Segundo, Calif.

The "Roarin' 20's," one of the first bomber outfits to reach in the Philippines shortly after A-Day, has been commended for its enviable record.

Pfc. Dick Van Goethem is with an anti-tank company in Terry Allen's 104th Timberwolf division. He trained with the Timberwolves in the States before going overseas last summer. Dick is the son of Mr. and Mrs. Walter Van Goethem of 1343 Nottingham.

European Theatre of Operations.—William A. Frutig, of 231 McKinley road, Grosse Pointe Farms, has been promoted from second lieutenant to first lieutenant. He is assigned to the army transportation corps.

Beever Advocates Definite Postwar Plans Be Made

Residents of Grosse Pointe Woods are showing a keen interest in the local campaign for village president. Albert Beever, a newcomer to the Woods political field, is opposing the present incumbent, who has held this office for the past seven years.

Supporters of Candidate Beever are enthusiastic over the popularity he is building up in all sections of the village. He has a wide business experience, and is well known in construction circles.

He advocates a more progressive administration, and recommends that a definite plan be set up for the future development of this locality into a modern suburban village.

He further urges better recreational facilities, with a community center that would be available for civic gatherings, and could be used for teen-age and adult activities. Other aims are an improved transportation service, and better fire protection.

Beever further feels that the present zoning law should be revamped and an effort made to segregate the business areas of the village, with provision made for ample off-the-street parking.

He solicits the support of all progressive minded citizens in the Woods, and urges everyone to get out and vote at the election to be held Monday, March 12, 1945.

Dearborn Now Houses Navy Radar School

One of the nation's 14 navy radar schools is now located in Michigan, it was revealed today by Lieut. Comdr. Byron E. Flechtner, officer in charge of navy recruiting and induction for this area.

Radio-electronics training was begun during February at the naval training school in Dearborn and by May an estimated 1,200 navy men and marines will be in training there, Commander Flechtner said. The trainees are carefully picked men from the fleet and large naval training centers. All have passed tests revealing aptitude for mathematics and technical subjects.

The navy radar training course is divided into three stages and lasts a total of nine months. One month of pre-radio and three months' primary training are given at the Dearborn school. Men successfully completing these two phases are sent elsewhere for a final five months of advanced study.

one of the best of our Service Units... superior performance of duty during its service in France.

The battalion, commanded by Lieut. Col. E. J. Genetti, 601 E. Sellar street, Bessemer, Mich., provided medical care and supplies in the division's fighting in the Vosges Mountains region of the western front, and the bitter struggle for the hinge of the German-held Maginot Line fortress system at Bitch.

In the 100th division order commending the battalion and its men, the citation read: "By direction of the President... the Meritorious Service Unit Plaque is awarded to the 325th Medical Battalion for superior performance of duty and achievement of a high standard of discipline."

The 100th (Century) Division, of which the 325th Medical Battalion is a part, was one of the four divisions praised by Lieut. Gen. Jacob L. Devers, Sixth Army Group Commander, for stopping the German counteroffensive on the Seventh Army front in January. "Your great accomplishments," General Devers' commendation read, "forced the enemy to give up the offensive on your front. Inflicting great losses to strong elements of three divisions, you have successfully protected an important sector in the Harde Mountains."

A man who is a member of the 325th Medical Battalion and contributed to its winning the Meritorious Service Unit Plaque is Pfc. Stanley D. Hoisington of 615 Notre Dame.

RE-ELECT

John A. Whitty Village Commissioner

VOTE MONDAY, MARCH 12, 1945

INCOME TAX SERVICE

This March you must choose one of three methods in computing your income tax, and the method chosen is of tremendous importance to you.

The simplified system for individual taxes may be advantageous to some people, but for the majority of taxpayers, all with different incomes and deductions, it may well be the most costly way. The following example demonstrates the computation of a tax three ways on the same income resulting in three answers:

Fred Wilson, a single man, travels for a wholesale concern. His earnings were \$6985.00. His traveling expenses were \$360.00 for which he was not reimbursed. His home, which he owns and occupies, was damaged by fire, and he suffered a loss of \$650.00 over and above the insurance.

Mr. Wilson's Tax is:

If computed by the Collector	If Form 1040 is filed, using the tax table	If Form 1040 is filed, actually computing the tax
\$954.00	\$752.00	\$696.25

If you have a tax problem, you are cordially invited to make use of the free consultation service offered by our organization. You will receive accurate and reliable information. Our personnel has the knowledge, experience and facilities which come from years of tax work.

Our office is open daily from 9:00 A. M. to 5:00 P. M. the year 'round and our business is TAXES.

The Undersigned Urge You to

VOTE NEXT MONDAY

MARCH 12th

ANNUAL VILLAGE ELECTION

and to

VOTE "YES" on the

Retirement System for Village Employees

for the following important reasons:

1. It will eliminate hidden pensions which you are now paying in the form of wages.
2. It will encourage a higher standard of post-war employee.
3. It is a progressive step as evidenced by similar systems in many nearby communities and corporations.
4. Municipal employees do not benefit from any existing Social Security or Old Age Laws, and as a taxpayer and employer you can fulfill any moral obligations to the employee at a fixed cost. Under the plan the employees will contribute from their wages and the cost to you is not out of reason, as determined and recommended by the entire Special Pension Committee appointed by the Village Council.

DEMAND WATER BOARD

(Continued from Page One.)

water rates and meter charges are among the lowest in the country, and we make no surcharge to your Village over minimum consumption. Including meter charge and water costs for the 12 months ending November, 1944, your Village paid this department an average of \$1.42 cents per 1,000 cubic feet of water. Far from being excessive, we believe you will find that this is less than the cost of any comparable community in Michigan that has its own water supply. In fact, there are few communities in the country where over-all costs are this low.

"It stated that your Village pays the City 26 cents per 1,000 cubic feet for sewerage disposal. The actual cost is 21.61 cents, which is just about what it costs the City of Detroit to perform such service. This sewerage disposal charge again is one of the lowest in the country and we invite your comparisons. We have a tabulation of such charges which we will be glad to show you.

"You will note... that our charge to you for water for the consumption given, which must include the vast majority of your consumers, ranges from less than one-third to less than one-half of your charge to the consumer.

"The foregoing is submitted with the hope that these matters will be cleared up with the water consumers of Grosse Pointe Park, some of whom brought this quite forcibly to our attention."

Yours very truly,
BOARD OF WATER COMMISSIONERS, City of Detroit
Signed E. H. BAUER.

From all of the foregoing facts and figures and from the letter to the village from the Detroit Water Board, these questions have presented themselves to The Review and the latter believes that the tax paying public of the Village of Grosse Pointe Park is entitled to a full and complete answer:

1. Where is the so-called promised "economy program" of the present village regime in the face of such raises in water rates to the consumer?

2. Why has not the City of Detroit Board of Water Commissioners demand for explanation of misquoted charges been answered and the explanation made public to the taxpayers of the Village of Grosse Pointe Park, who, after all, are to suffer from this newest "economy" move upon the part of the village manager and village commission?

3. If the present raised water rate charges stand, resulting in additional revenue of upwards of \$50,000 to the village, what is the plan for those monies by the village manager and village commission? Legally, the funds can not be diverted from the utility from which they are raised and any thought of building a reserve for the future with the present indebtedness in mind, again is not according to customary procedure.

4. Why has the buck been passed to the City of Detroit? If additional revenue from the taxpayers of the village is needed to operate the municipality, why hasn't the tax been spread over the entire tax rolls, including owners of vacant lots, instead of hitting only owners of dwellings and business property?

5. Does not the village manager and the village commission take into consideration that the water service to the village is a municipal utility service, and, as such, should be furnished at cost, instead of being turned into a money-making project or source of additional revenue to the village?

There is a village election next Monday, March 12. Why not elect commissioners who will put economy into practice instead of "promise?" Members of the current commission have apparently failed; Why not elect new commissioners?

Ghesquiere's Friends Rally to Re-Elect Him President

A rather spontaneous rally of about forty burst forth over the week-end regarding the re-election of A. A. Ghesquiere, village president of Grosse Pointe Woods.

A number of friends from various parts of the village agreed to urge their friends and neighbors to get out and vote on March 12 for Ghesquiere and such other candidates that have proven their value to the village.

These friends are stressing that Ghesquiere's proven, experienced and progressive leadership warrants his re-election. They also point out that this leadership has accomplished things that are a matter of record, among which are:

- Refunding of village finances and re-establishment of credit.
- Enactment of a good zoning ordinance.
- Addition to Mason school.
- Increased water supply.
- New sanitary and storm sewer facilities.

A comprehensive postwar planning which includes additional recreational facilities, fire department and a definite width of Mack avenue.

These friends who are working for Ghesquiere's re-election live in all parts of the village and are pleased to help a man who has always worked for unified, neighborly community and has always striven for the elimination of sectionalism or factionalism.

His friends feel that if a goodly representative number get out and vote on Monday, March 12, that there will be no doubt of his re-election.

MARANATHA BAPTIST CHURCH

Morning at Roxbury
REV. E. A. WALDECK, Pastor

Donald McDonald, secretary of the Christian Businessmen's committee of Detroit, will be at Maranatha Baptist church, next Sunday at the 7:30 p.m. service to show pictures and tell of the work being done in many of the city's public schools by a corps of nearly three hundred workers. The committee sponsors many other Christian activities in the metropolitan area, another of which is the Greater Detroit Sunday School association. This association sponsors the Maranatha Bible and Training Institute in night sessions at locations where nearly five hundred Sunday school workers assemble for teacher training instructions. Reverend Waldeck, pastor of the Maranatha Baptist church is one of the instructors in the Bible.

All in the community are invited to hear Mr. McDonald tell of this most interesting and progressive work.

A show of the mysteries of magic was conducted by Robert Slaw assisted by Dick N. Tingale and Bob Sharpe, all 9th grade students at Brownell.

Poems in memory of George Washington were read to honor him on his birthday.

After several weeks of untiring effort Raymond Eddy completed a very clever electrically controlled We-Be-Lo board which is used for award ceremonies.

Six new members were welcomed into the Bobcats. Seven Cubs received their Wolf badges; two their Bear badges. Gold and silver arrows were also awarded.

Fat Feeds Machines

Village Election, March 12, 1945

PUBLIC SERVICE PLUS

AN OPEN LETTER

To the Electors of Grosse Pointe Park:

With all due respect for his opponent in the coming election, we feel ourselves prompted to write a few words in favor of William G. Stamman regarding his candidacy for re-election to the office of clerk of Grosse Pointe Park.

If you had a man who had proved himself trustworthy and competent, and alive to his job, wouldn't you consider him as:

THE LOGICAL MAN to replace himself as Clerk of the Village where, as Assessor, he is responsible for maintaining an equitable and fair balance in the Village Assessment rolls, running into millions of dollars of valuation.

William G. Stamman has given several of the best years of his life (actually 23) to the service of the Village of Grosse Pointe Park. His work has been thorough and his dealings upright. Evidence of the keen interest he has taken in his work is definitely marked. Through properties he has built and improved, he has personally contributed heavily to the tax rolls of the village. A business executive would have such an employee promoted; surely the least we can do is to re-elect him. Are we going to show our appreciation of his excellent services in the past or are we going to cast him aside?

In fairness to the best interests of the Village, we take this opportunity to request the electors to acquaint themselves with the true facts, and convince themselves of the required qualifications for this important branch of the administrative work.

WM. G. STAMMAN

ELECT

WM. G. STAMMAN

CLERK

VILLAGE OF GROSSE POINTE PARK

Election, Monday, March 12, 1945

Competent — Experienced — Capable — Fearless

—with his friends compliments

March 5, 1945
The Grosse Pointe Review
15121 Kercheval Avenue
Grosse Pointe Park 30,
Michigan
Gentlemen:

The writer has three times been a candidate for the office of Commissioner in the Village of Grosse Pointe Park. In each instance my candidacy has been prompted by a violation of good principles by the so-called Citizens Economy Group. I have had no selfish motive in my mind, with one exception, that being a sincere desire to fill the chair which my father once held, and to fill it as honorably and as ably as he did.

This year I had decided that I would not again offer my name to the voters of this community, but again as in the past a principle has been violated.

Your village commission has seen fit to endorse a candidate for an elective office because he will better co-operate with that austere body. Each and every member of the commission has added his name to an advertisement appearing in The Grosse Pointe Review. How then did the present incumbent, Mr. Stamman fail in his duty to you as taxpayers of this village?

Now let us look at the story. Mr. Chas. Heise who has long served you honorably and well as village treasurer suddenly sees fit to campaign against a man who has been his long time co-worker and practically lifetime friend, who has also been a faithful village servant for some twenty years. Mr. Heise claims there was no pressure brought to bear in making this decision, but regardless the village commission also an elective body sees fit to make a public endorsement of his candidacy because he will be more co-operative. Co-operative, how? Is it possible that certain of our citi-

zens are attempting to have assessments reduced and that they have found it impossible?

This writer believes that Mr. Wm. Stamman has been an excellent village clerk, he also believes that Mr. Chas. Heise has been an excellent village treasurer, but of the village commission which will seek to destroy the efforts and the friendships of long years he can only say that they have proven their caliber and their record of higher taxes and even higher water bills along with reduced service proves their inability to cope with the problems of Grosse Pointe Park.

I sincerely ask your vote for Mr. Wm. Stamman, I believe that Mr. Chas. Heise should be retained as village treasurer, and if I am given your support in the election on Monday, March 12th I will do all in my power to see that a real program for Grosse Pointe Park and its future will become a reality instead of mere words.

Sincerely,
GILBERT W. GROEHN

Radnor Avenue at Mack
KENNETH W. VERTZ, Pastor

Sunday service, 10:45.
Sunday school, 9:30.
Mid-week service, 8:00 p.m.

Mr. Olive Lutheran church earnestly invites you to attend its mid-week lenten services, held every Wednesday night throughout Lent at eight o'clock. We ask you to interrupt the routine of your temporal interests and distractions to join us in the consideration of the sufferings and death of Him who came to establish our salvation. You cannot afford to pass Him by. Your eternal destiny is involved in His Passion. Your attitude towards Him determines your eternal fate. He constitutes the one great issue of your life. We ask you to arouse yourself out of your preoccupation with the trivialities of life and pay heed to the essential values of eternal verities. "What is a man profited if he gain the whole world and yet lose his own soul?" Your life is rapidly running its course. You do not know the hour of its termination. If you reach the end of the road without the companionship of Christ, you will end a miserable life as a spiritual bankrupt. Lenten theme: "Behold, a Lamb Goes Uncomplaining Forth."

Mid-Week Services -
March 14, 8 p.m. "The Savior Lamented."
March 21, 8 p.m. "The Savior Forsaken by God."
Maundy Thursday, March 29, 8:00 p.m. Holy Communion.
Good Friday, March 30, 8:00 p.m. "The Dying Savior."

CHRISTIAN SCIENCE CHURCHES

"Man" will be the subject of the sermon. (Leviticus 19:2) "Speak unto all the congregation of the children of Israel, and say unto them, Ye shall be holy: for I the Lord your God am holy."

Among the Bible citations in this passage (Psalms 8:3, 4, (to first 7, 6): "When I consider thy heavens, the work of thy fingers, the moon and the stars, which thou hast ordained; What is man, that thou art mindful of him? Thou madest him to have dominion over the works of thy hands; thou hast put all things under his feet."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (258): "Man reflects infinity, and this reflection is the true idea of God. God expresses in man the infinite idea forever developing itself, broadening and rising higher and higher from a boundless basis."

Friends Urge Park Residents Elect Ulrich to Commission

Friends are urging the election of Elmer F. Ulrich as village commissioner of Grosse Pointe Park in the election next Monday, March 12. Mr. Ulrich has been a resident of the Park for the past five years and is very much interested in civic affairs.

Mr. Ulrich is a taxpayer and home owner and a veteran of World War II, having served in the U. S. Coast Guard for over two years.

A graduate of the University of Detroit, Mr. Ulrich is a member of the Detroit Board of Commerce and has been a manufacturer's representative for the past 12 years. He is also a member of American Legion Post No. 303.

Catholic Theatre Lenten Production Begins March 15th

Lew Wood of 83 Vernier, will appear as the distraught "Pilate" in the Catholic Theatre of Detroit's Lenten production "Behold the Man" by Daniel A. Lord, S.J., which will be presented at the Players Theatre, 3321 E. Jefferson for two weeks beginning March 15 and continuing through March 28.

Mr. Wood is making his second appearance with the theatre since his entrance in October last year. Lew portrayed the comical magistrate in the last production of the

current season "The Miser" by Moliere.

Daniel A. Lord, S.J., author of "Behold the Man" has also written "Pilate the Governor" and "Fantasy of the Passion." He is well known throughout the country for his lectures on youth. "Behold the Man" is packed full of lenten inspiration with the story of Christ and His teachings! It's deep and stirring climax along with its forcefulness and unforgettable characters makes "Behold the Man" one of the finest lenten plays ever written.

Tickets may be purchased at Grinnell's or the Catholic Theatre office. For reservations call CA. 1700. Evening performances are at 8:30 and matinees at 2:30.

Hard and Soft Fats

There are two types of fat, hard and soft fats. Hard fats were formerly imported, so they have been scarce since Pearl Harbor. Used kitchen fat is hard fat, and that is why so much emphasis is placed today on fat salvage, WFA explains.

Take A Bow, Ladies!

Women can take a bow for the present surplus of food fats, for they have had a part in bringing it about. By saving their used kitchen fat and making it available for industrial use, it has been possible to divert less food fat to war production.

Stamman Answers Heise Statements in Clerk Controversy

William G. Stamman, Grosse Pointe Park village clerk, issues herewith a reply to his opponent, Charles Heise.

"In the first place, Charles Heise DID NOT write the article in last week's Review. On January 2, 1945, he told me personally that this matter was forced on him and he had no choice in whether to run for the village clerk's position or not. This is no personal matter between us and as to qualifications, there is no dispute.

"This whole matter was cooked up not by the village commission, but by our over-ambitious village manager, (this is the third one the village has had in five years), and his co-partner too, the so-called village controller.

"In the matter of co-operation, I wish to state that there is a lack of harmony in all the various departments.

"Take the police and fire departments: The personnel has been cut so drastically that they have not the men to patrol the streets properly or enough men to fight a real fire.

"The police department is supposed to be under the direction of Chief Henry W. Piel, who spent 25 or more years on the Detroit police department and is a very capable man. BUT he does not run the police department, it is the village manager who dictates all functions. Why then an experienced man as Chief? ? ?

"The fire department is not any better.

"When this so-called village controller was employed by the village he did not know the basic fundamentals of municipal finances and he employed a very competent teacher to instruct him how to do this work which has cost the taxpayers about three thousand dollars up to the present time. He also has a private secretary who practically does all his work and is very competent which gives said controller plenty of time to go out every day at 10:30 a.m. and at 3:00 p.m., for his refreshments which he partakes with the fire chief at some establishment on Jefferson avenue. Of course, he does not miss any so-called out-of-town conventions at village expense either. The controller position which was operated by one very efficient man formerly cost the taxpayers \$2,000 per year in past years. It now costs the taxpayers \$4,000 per year.

clans of the personal equipment laboratory here at air technical service command headquarters have come up with a new "anti-exposure" suit.

They gave it a severe test recently, chopping through a foot of ice, and then proceeding to "dunk" a couple of technicians, garbed in the new suit, in the freezing water. For an hour, encased in the protective cloth of the suit which covers everything but the face, two officers of the laboratory's clothing branch lay in the water.

Thermocouples attached to the suits recorded the temperatures of the two officers during the test, throughout which no point of their anatomy was registered lower than a few degrees of normal.

The anti-exposure suit is made of nylon coated with a substance rendering it both water-tight and air-tight.

The suit is not so bulky as to prevent the ditched aviator from climbing into his life-raft, as was demonstrated during the test. Following an hour in the water, the two officers climbed into a life raft and remained there for an additional two hours while the test continued.

One of the officers wore the lightest flying clothing that would be used during winter flying conditions. Following the test, he reported he was "chilly but actually did not suffer from cold."

The other officer was dressed in slightly heavier flying clothes under the new suit. He stated at the end of the test that he "felt no real discomfort from cold whatever."

The temperature registered 15 degrees above zero during the test.

Need Men to Man Great Lakes Vessels for Coming Year

Spring break-up of the ice blocking Great Lakes shipping lanes will draw an estimated 843 men from Wayne county to help man the vessels that ply America's industrial life line, according to a statement today from the Lake vessel committee.

The committee represents the entire bulk shipping industry of the Great Lakes. Its reports shows 702 men from this area last season were engaged on the fleet of 400 vessels that moved a total of 2 1/2 times all the tonnage handled by this country's combined wartime merchant marine.

To approach this record, the WMC estimates a total of 14,000 officers and seamen will be needed to start this year's season. This figure is verified by letters of application arriving at the Cleveland, O., office of

the Lake Vessel Committee for free courses in seamanship being offered for the first time this year at principal lake ports.

The classes include five days of intensive training in the rudiments of seamanship for beginners of 16 years of age or over and similar courses for prospective able-bodied seamen, oilers and firemen.

The completion of these free courses lead directly to jobs on

Great Lakes vessels that pay upward from \$1,250 — plus good food and lodging aboard ship — for the eight months of shipping from April to November.

Figures taken from the savings plan conducted for Great Lakes seamen show that men applying now for beginner's jobs can have an average of \$1,000 in the bank by the time they return home in the fall from helping to deliver the iron ore,

Re-Elect...

JOHN A.

WHITTY Commissioner

VILLAGE OF GROSSE POINTE WOODS

1. He has shown his community spirit by obtaining numerous public improvements.
2. His organizational ability has served to weld the municipal service departments into a well-co-ordinated and smoothly functioning unit.
3. He was instrumental in proposing a Municipal Building and Park site within the village boundary and his plan has been followed through to a successful conclusion by popular referendum.
4. He has advocated obtaining the major share of the needed tax money from business enterprise instead of taxing private property through increased tax rates. The village needs increased municipal services and business can not be banned if the residents are to obtain these additions. Grosse Pointe Woods can still maintain its residential character by zoning for business in an efficient manner. Mr. Whitty has been actively engaged in a study of this problem and should be retained in office to guarantee the successful conclusion of this plan.

Vote Monday, March 12th

—Donated by Friends

"The more that the manager and controller can cut in services and boost the income, they will benefit financially for themselves. Neither one of the parties own any property in the village, having been brought in from outlying communities, have nothing at stake and no taxes to pay. Naturally, they are only looking at the saafly end.

"As to the endorsement of my opponent by five village commissioners and president does not appear as authentic and is one of these 'sign here, please' affairs. It is rather peculiar that they did not use the sixth commissioner's name.

"The above information is based on fact, not fiction, and will stand any investigation."

American Legion Auxiliary

"Swing your partner is the theme of the big party scheduled for Saturday, March 24 at 7:30 p.m. until midnight. There will be old time fiddling and dancing with refreshments in everything. This affair is sponsored by the Auxiliary Unit 303 with the assistance of Post 303, at 18316 Mack and McKinley. Come out and swing a leg and meet some of the new members.

The fourth Tuesday of each month will be known as Bow-Tie Night; a penalty will be assessed for each member not wearing one — no tux needed — Comrade Clair Craig contemplates opening a grocery at Coplin and Freud some time in the next 10 days, watch for opening day... we need about thirty more members for our quota for 1945... Floss Krapp of 708 Newport is somewhat improved in the last few months but is still confined to the house and would appreciate some cigarettes... don't forget the bowling tournament on March 10 and 11 at Bay City... next regular post meeting Monday, March 12 at 18316 Mack avenue—F.S.I.

'Anti-Exposure' Suit for Airmen Developed by ATSC

Wright Field, O. — "Ditching" a plane in the sea is never a pleasant prospect for an air crew — and when it becomes necessary over arctic waters in sub-zero weather, where a man's survival is a matter of minutes, it is one of the worst situations our airmen can face.

Working on this problem, techni-

Pointe Sorority Plans Initiation for March 17th

The Theta Alpha Chi sorority will celebrate St. Patrick's Day this year at Dearborn Inn, at which time they will hold their annual initiation. The girls plan to make a weekend of it staying at the inn from Saturday, March 17 to March 18. Some of the members who plan to be there are: Ginny Atkin, Mary Smith, Gerry Schmitt, Phyllis Hart-

well, Cal Nixon, Peggy Foley, Joan Normile, Kay Youngblood, Florence Hewitt, Pat Berish, Julie Hull. The formal initiation will be held Saturday night followed by dinner.

On Sunday the new members will be feted at a formal reception into the sorority at a formal sorority dinner. The girls plan to have the dinner table decorated in the Saint Patrick's spirit. The table will be centered with greens and carnations. Each girl will have at her place card a corsage in the sorority colors of red and white.

Gillett, Candidate in Park, Adopts Six-Point Program

William Gillett, well known to many residents of this community as a business executive and as deputy chief air raid warden from the beginning of the Grosse Pointe civilian defense program, is one of the candidates for the Grosse Pointe Park village commission. Three commissioners will be elected for a two year term at the village election Monday, March 12.

As an independent candidate, Mr. Gillett has adopted a six-point platform, which, he believes, comprises the fundamentals for sound, progressive conduct of village governmental operation:

1. Conduct of affairs economically within a balanced budget.
2. Provision for maximum protection, services, and public works within the limits of reasonable taxation.
3. Creation and adherence to long range plans for the financial stability of the community.
4. Vigilant maintenance of the high standing of the community.
5. Security for faithful village employees within the bounds of reasonable obligations.
6. Encouragement of public interest in civic affairs.

Mr. Gillett is a business man and civil engineer, graduate of Case Engineering school, with 17 years of practical engineering experience that might be valuable on the commission, in the planning of necessary postwar repair and public works projects on a sound and economical basis.

His business history includes 17 years as manager of an important division of Detroit Steel Products company, providing an opportunity to develop and demonstrate proven organization experience and good business judgment, important in a commissioner.

Mr. Gillett, who is 39 years old, has been a resident and home owner in Grosse Pointe Park for 7 1/2 years. He and his family live at 782 Westchester road.

Neighborhood Club N-E-W-S

The first game played at the club Thursday night, March 1 was a rather one-sided affair with the 4F's taking the A.W.O.L.'s 25 to 2, outstanding basket shooters of the 4F's were Merle Doner and Elaine DeWalt.

The following game proved to be a most exciting one with hte scored tied 25-25 at the end of the game. A five-minute overtime period was played with the Suzettes putting on a final spurge resulting in a score of 33 for the Suzettes and 28 for the Sad Sacks.

A two game knockout series will start tonight with Sad Sack and 4F's playing at 7:30 and A.W.O.L.'s and Suzettes playing at 8:30.

Gratiot Township Boy Scout Troop No. 273 to Have Full Size Drum and Bugle Corps

Pandemonium broke loose during the March 1 meeting of Boy Scout troop No. 273 at the Beacon school in Gratiot township. The occasion was the final tryout of newly acquired drums and bugles which the Scouts have been practicing with for some time. The equipment, purchased from the Ladies' auxiliary of Alger Post No. 995 VFW, Grosse Pointe, is in splendid shape and from now on Troop 273 hopes to put it in active use in many civic affairs.

One of the first of these will be the Parent - Teachers meeting at Beacon school March 20. Scoutmaster Martin and the drum and bugle corps leader, Mr. McClelland, have spent long hours in arranging a very fine program and entertainment. The public is cordially invited to attend.

The Scouts of Troop 273 are also

McMillan Seeks Commission Seat in Grosse Pointe Park

James McMillan, 796 Bedford road, general manager of the D & C Navigation company, is a candidate for the Grosse Pointe Park village commission in the election next Monday, March 12.

Drafted as a candidate by friends and neighbors familiar with his background and interest in local civic affairs, McMillan is the namesake and great-grandson of James McMillan, former United States senator and the son of James Thayer McMillan, a former commissioner. The candidate has been attending commission meetings regularly and is reported by his friends to have the best interests of his native Grosse Pointe at heart.

Coming from a family with a sound background in national and local public service, McMillan is described as democratic, likeable, friendly and sincere.

Now general manager of the D&C Navigation company, McMillan has been in their employ for 13 years. He is a graduate of Yale university.

Girl Scout N-E-W-S

"Double-dating" has always been a popular institution, and lately has extended itself to some of our Girl Scout troops. Troop 319 doubled up with troop 201 for the purpose of discussing the subject.

are observed in Grosse Pointe, and in this way, they were able to absorb some worthwhile knowledge, as well as acquire credit toward their Community Life Badge. Later on, these two troops, along with Mrs. Paul Moreland's new intermediate group, met together to hear an interesting and enlightening talk on the mechanics of voting. The speaker was Mrs. Orville Bond, from the League of Women Voters, and she brought some ballots with her so the voters-to-be wouldn't miss a trick.

One of the lucky troops to enjoy a week-end of winter camping at Metamora was Troop 324, accompanied by Mrs. Cane, Mrs. O'Brien, Mrs. Phleiderer, and Miss Koehler. The girls took turns keeping house and preparing meals, so that they all were able to take part in the outdoor fun — tobogganing, skating, and long hikes, with outdoor lunches, cooked over their own fires. Because there are so few week-ends, and so many Girl Scouts who like winter camping, it is necessary to be an early bird when it comes to signing for troop camping, and we hope that more of our girls will be fortunate in this respect next year.

Deserted Family Receives Monthly Survivor's Benefits

How a man took better care of his family after his death than he had during his lifetime came out in a story whose final scenes were enacted in one of the field offices of the social security board.

A woman, poorly but neatly dressed, accompanied by three small children, asked to see the manager of the office in the town near where she lived. Out of her pocketbook, she drew a soiled social security card.

"My husband, Jim, sent me this from his sick-bed last week," she said. "He told me to bring it here when I got news of his death. We received the telegram from the hospital yesterday."

She was dry-eyed and quiet as she spoke, showing no signs of grief. Asked for details, she told her story. Her husband, a carpenter, had deserted her and their three children five years before, when the youngest was barely a year old. Left penniless, she and the three children had taken a spot with her parents,

European People Receive Aid From Relief Organization

With part of Czechoslovakia now liberated, American Relief for Czechoslovakia, Inc., is helping to relieve the desperate conditions of the people living within the country. Previously this War Chest agency could help only those who had escaped from the country.

As the Germans retreated through Czechoslovakia, they looted the villages, leaving literally nothing behind them. The people are in rags, without shoes, food, livestock or supplies of any kind.

When 500 tons of flour, rushed to the Carpathian Russians on orders from the Russian high command, arrived, it had to be baked in army kitchens. The Germans had destroyed even the ovens.

Answering a urgent request of the Czechoslovakia government for medical help, the War Chest agency serving these people included 110 pounds of sulphadiazine and 10 million units of insulin in its shipment. More than twenty tons of clothing are now on the high seas and more await shipment as space is made available.

Chinese Prejudice Against Blood Donors Conquered

When the first blood donor in the village of Tu Kuan Chun, China, got up from the cot and grinned, the reputed Chinese prejudice against blood donation was conquered. Donors poured in with much gaiety and noise. One hundred and ninety blood donations were made that afternoon and the next day, according to a report received this week by the Community War Chest.

The first Chinese blood bank, sponsored by United China Relief, a War Chest agency, was established just six months ago with its initial supply of plasma coming from the United States.

To most of the Chinese the idea of giving blood to save the lives of their wounded fighting men was new and revolutionary. By persuading the leader in every village and army camp they visited, to donate first, the blood bank staff was usually able to convince the rest of the people that it was safe to follow.

Vernier School N-E-W-S

Vernier boys and girls are very busy working for the Junior Red Cross. They are collecting wire, paper, and other household and office supplies. Some of the items they have collected are: Wash cloth, toothbrush, tooth paste, handkerchief, small cake of soap, pocket comb, box of crayons, eraser, small note book, compass, protractor, three pencils in a case sewing kit, paint box, small game or toy, etc.

The following children have been chosen as Junior Red Cross representatives for the second semester: Bill Lafer, kindergarten; Nancy O'Keefe, 1B; Marcia Hardies and Kenneth MacDonald, 1A; Ginny Olson and Nancy Moore, 2B-A; Joyce Zemper and Victoria Gaskin, 3B-A; Janet Widerman and Richard Wallace, 4B-A; Sally Aying and Clark Bassett, 5B-A.

LUTHERAN CHURCH OF THE REFORMATION

Vernier Highway East at Lakeview
REV. C. F. STICKLES, D.D., Pastor
9:30 a.m. Sunday school with classes for children of all ages and Bible class for men and women.

6:00 p.m. Luther League.
7:30 p.m. Men's Brotherhood.
Wednesday evening lenten service 7:45. The subject of the sermon will be "The Glory of the Cross."

Township Resident Buried Recently

Funeral services for Joseph F. Morris of 20229 Kingsville road, Gratiot township, were held at St. Jude's Roman Catholic church on Monday, Feb. 26. Mr. Morris was a former resident of Grosse Pointe Park.

The deceased was a veteran of World War I and was buried with full military honors by members of Lieut. Frank A. Howe Post 873, VFW, of which he was a past commander.

Surviving are the widow, May; two sons serving overseas, Sergt. Francis J. Morris in France and M-Sergt. Thomas E. Morris, in Italy; one sister, Mrs. J. H. Dresser.

Interment was in Mt. Olivet cemetery.
New York Visitor
Mrs. Louis P. Kalb of Grosse Pointe is living at the Barbizon-Plaza hotel while visiting in New York City.

The blood bank in Kunning now reports business is picking up. Donations are averaging more than one thousand a month.

'Singapore' Joe Fisher Appears in Detroit Series

The ever-popular "Singapore" Joe Fisher will appear in person at the World Adventure Series, Sunday afternoon and evening, March 18 and March 25 to repeat, by public demand, four of his popular travel talks illustrated with natural color motion pictures. Fisher's schedule follows: March 18 at 3:30 p.m. — "California, the Magnificent"; March 18 at 8:30 p.m. — "The Pacific Affair"; March 25 at 3:30 p.m. — "America's Western Wonders"; March 25 at 8:30 p.m. — "Around the World with Joe Fisher."

The blood bank in Kunning now reports business is picking up. Donations are averaging more than one thousand a month.

Paper Collection Planned by Park Scout Troop

Four days have been set aside by Boy Scout Troop 147 which is sponsored by the Defer PTA, for the collection of waste paper. This troop will collect it on March 10, 11, 17 and 18. If any home is missed in this drive, they are to call Lenox 8930 and arrangements will be made for the pickup.

Wright Field, O. — So that air crews may have additional energy while on long flights, the air technical service command headquarters here, is furnishing an "aircrew lunch" — consisting of assorted candies, two ounce fudge bars and chewing gum, all enclosed in a cardboard container.

The cardboard container is attractively colored for easy identification and consists of two parts — one fitting inside the other, similar to an ordinary match box — one end is labeled "candy" and the other open either end, using one hand while open either end, using one hand while doing it, thus freeing the other hand to control the plane.

The ATSC personal equipment laboratory at Wright Field, Dayton, O., was instrumental in developing this quick energy lunch. Sixteen million are under procurement and will be delivered to the air forces and commands for use on long flights.

Candy, a food with a high carbohydrate content was chosen for its quick energy-building properties. The candy does not take the place of a full meal, but is used for the same reason an athlete eats a lump of sugar just before a contest.
