Final Appeal Made For "E" Bond Purchases

Governor Issues Proclamation To Spur Final Sale

Kenneth L. Moore, co-chairman of the Grosse Pointe Seventh War Loan Drive, has issued the following statement to the people of this community:

POINTE PARAGRAPHS

by THE POINTER
An empty building is a source of temptation for exploring youngsters. A house which has been publicized as empty is a still greater temptation. This situation exists in Grosse Pointe Farms where a large home has been left vacant for the past five years. During this time, scores of boys and girls have gained entrance into the house, explored its empty rooms, and in many instances, damaged woodwork, walls and ceilings.

Up to recent months, these children have been warned by the police to stay away, but because these "visits" have become so numerous, those youngsters now apprehended are turned over to juvenile authorities.

To avoid offering such a temptation to future visiting boys and girls, the majority of whom are not evil, it seems to us that the owners of this vacant home should be encouraged to sell it to the community.

finance committee says that there are 226,000 individuals in the state of Michigan who can afford the purchase of a \$1,000 E bond. Thus far in the Seventh War Loan Drive, less than ten per cent of this number have bought them.

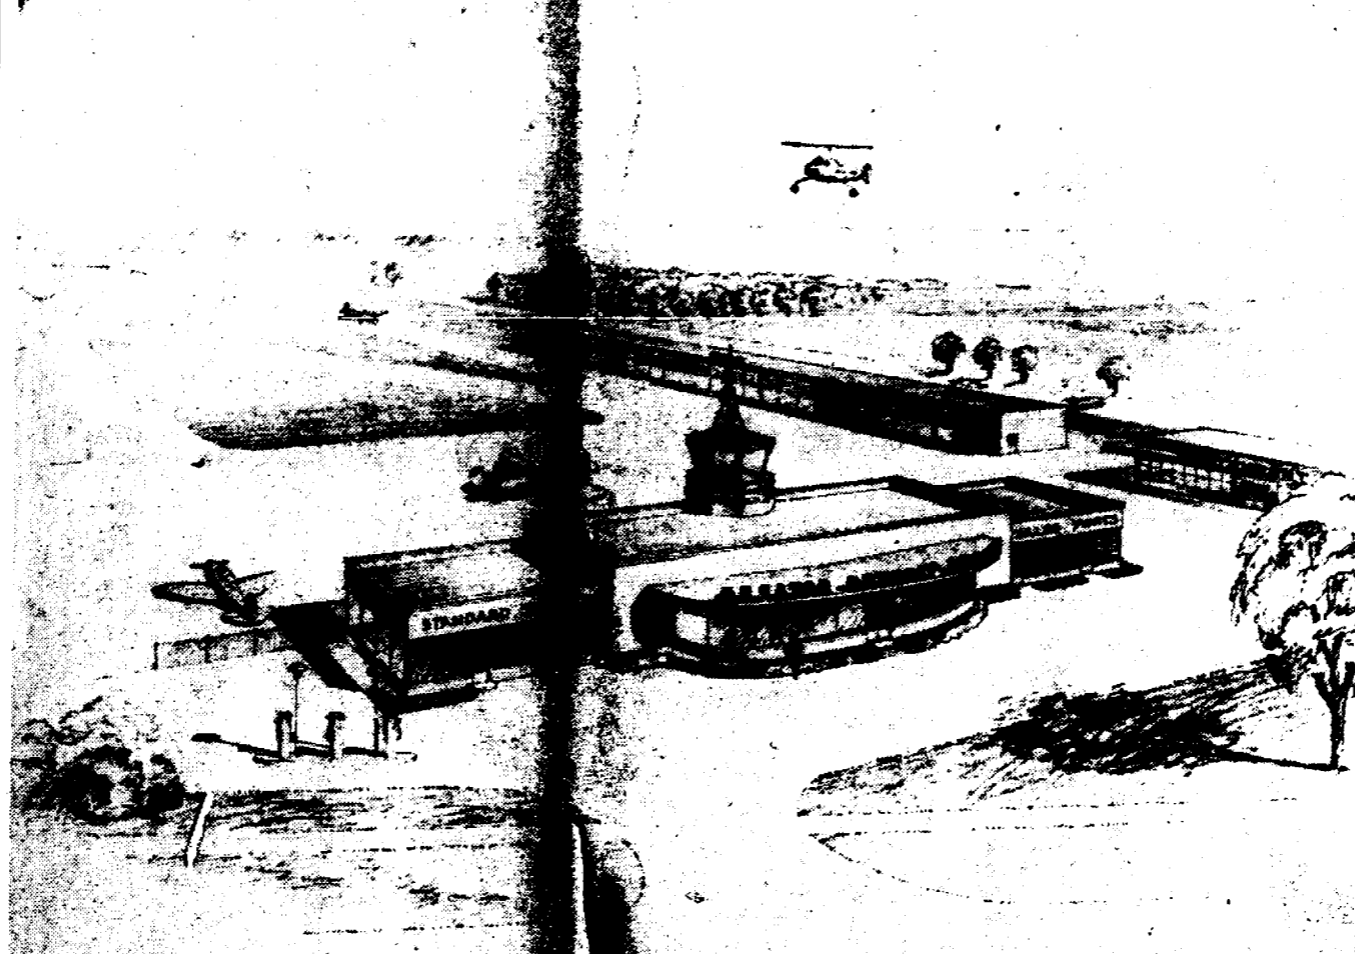

"An emergency drive is on this week to find 50,000 volunteer purchasers of \$1,000 E bonds, and if they are not found, the Seventh War Loan Drive is a failure in Michigan.

"One war is over and reconversion has started, but that is no answer to the men fighting in the Pacific for the people of Michigan to fail to loan to our own government the money required to fight the war in the Pacific.

"Thanks to the school children and the women of the AWVS, Grosse Pointe has already done an exceedingly good job in selling E bonds in this drive. On the other hand, it is obvious that a considerable percentage of the 226,000 individuals referred to above live in Grosse Pointe. It is from such communities as Grosse Pointe that the 50,000 volunteers must come.

"Up to the present drive, Michigan has the best record of per capita purchase of E bonds of any state in the Union. Will you be one to help maintain this record by making your contribution? The League of Women Voters is making every effort to

Farms Shopping District Calls For Amendment

A public hearing will be held in Grosse Pointe Farms, Monday, July 1, to consider an amendment to the village zoning ordinance which would provide for a job in the commercial district line on Mack between Moross and Kerby road, to permit the erection of a theatre and to establish a parking district.

Tuesday night, the village council considered the proposed business development for the southeast corner of Moross and Mack and the proposed plat of Charles Babcock's subdivision for the Moross-Chalfonte area.

Mystery Surrounds Silver Star Given Grosse Pointe Son

Although their son has received the third highest military award in the land, Mr. and Mrs. Frank J. Hanika, Jr., of 841 Fisher road, are still waiting for further word from Sergt. Jack F. Hanika in Germany regarding the Silver Star which was presented to him on Decoration Day this year.

The proposed amendment would increase the business district approximately fifty feet in depth at a point about half way between Moross and Kerby to permit the building of the 2,500 seat theatre. It also provides for a rear parking area which would accommodate 750 cars. Regarding the parking lot, the ordinance would restrict the use of the district to the parking of private passenger vehicles. Other provisions will be: No charging for parking and no conducting of business involving the repair or service to vehicles.

Sergeant Hanika, 20, a member of the medical corps of the 63rd division

The only buildings on the parking area would be those for the shelter of attendants; the area is to be well lighted and well paved.

At the meeting, Mr. Babcock presented the proposed plat of the residential property extending from the rear of this development to Ficks avenue. The property was laid out in three tiers of lots which would continue Hillcrest avenue from its present end across Chalfonte street to a semi-circular street at the corner of the property.

Speaking of the warm weather, we find that even the youngsters get ideas in their heads — to the effect that they go wandering around the town and finally end up being lost. Sergt. J. Vernier and Officer Kesteloot of the Park police took five year old Robert Eiskner and his sister Florence, eight, to their home at 14629 Fordham. They lost their way while traveling for home from Chandler Park.

A similar summons was received by the Park officer at the desk last week-end. A resident called and said that she was sure a youngster was lost. Two and a half year old Shirley DeVoss was turned over to Detroit police at Mack and Balfour to be returned to her parents at 14133 E. Canfield. Where she came from, no one seemed to know.

Farms police had to remind some of the youngsters in that locality that the gardens have had enough rain lately and they don't need any extra sprinkling. This came as a warning for several boys were reported turning water on the Victory garden plot at Oak and Grosse Pointe boulevard.

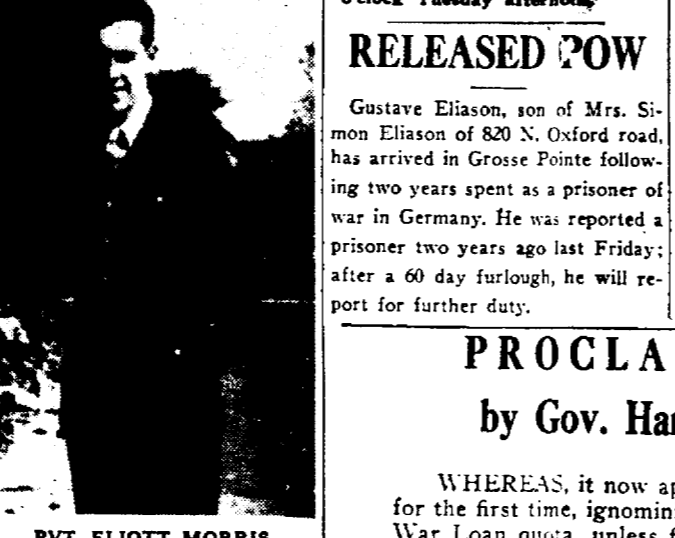

Don't you agree with the complaining gardeners?

Kiwanis Features Holiday Fireworks

The annual Independence Day celebration sponsored by the Grosse Pointe Kiwanis club will be held at the Mason school grounds Wednesday, July 4. Starting at four o'clock the children will scramble for coins. At the same time the concessions will open for the sale of peanuts, ice cream and ginger ale. The evening entertainment including Accordionist Vic Halberg, and the boys Drum and Bugle Corps of Grosse Pointe American Legion Post 803, directed by Howard Ford, will begin at 7:00 p.m. A special demonstration will be given by a detachment of the CAP personnel from the U.S. airport. The same CAP group will perform all military police duties on the grounds. Adding color and inspiration to

PVT. ELLIOTT MORRIS
D. K. Kitchen, formerly of 1303 Somerset, now residents of Syracuse, N. Y.
Private Morris, known in Grosse Pointe as Bud, graduated from Grosse Pointe high school in June, 1944.
He is also survived by a sister, Barbara Morris, a student at the University of Michigan.

On the Way Home

Lieut. Bruce Bockstanz, son of Mr. and Mrs. Sidney Bockstanz of 1320 Grayton road, is on his way home from France, according to word received here this week. It is believed that he left Europe on June 15.

Lieutenant Bockstanz is a former prisoner of war in Germany; he was released from his camp in Barth, Germany, on May 1 by the Russian army. He was imprisoned in July, 1944, after he and his pilot had bailed out of their plane.
He was flown to the American hospital in France.

More Heat
Park houses were called to 80° Reasonable in the midst of Sunday afternoon heat, by extending a small pool here, the damage was kept at a minimum.

RELEASED POW

Gustave Eliason, son of Mrs. Simon Eliason of 820 N. Oxford road, has arrived in Grosse Pointe following two years spent as a prisoner of war in Germany. He was reported a prisoner two years ago last Friday; after a 60 day furlough, he will report for further duty.

PROCLAMATION by Gov. Harry F. Kelly

WHEREAS, it now appears that Michigan will for the first time, ignominiously fail to meet its 7th War Loan quota, unless fifty million dollars is invested by our people in E Bonds during this final week of the campaign, and

WHEREAS, the failure to purchase E Bonds has not been in the ranks of the small purchaser, but rather in that group of citizens who could and should purchase One Thousand Dollar Bonds, and

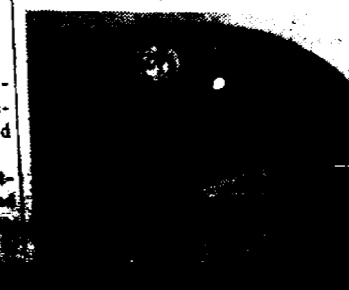

WHEREAS, the state chairman and the various county chairmen have reported to me that indisputable facts disclose there are more than 225,000 citizens who are well able each to make a loan to their country of seven hundred and fifty dollars, the purchase of a one thousand dollar bond, and

WHEREAS, those responsible for conducting this 7th War Loan Drive report they are experiencing the greatest difficulty in bringing home the consequences of failure to our people, who seem to feel that, because of previous bond drives have been so successful, this one too is bound to be.

THEREFORE, I, Harry F. Kelly, governor of Michigan, being fully aware of the urgency, do hereby issue this emergency proclamation and call upon a minimum of fifty thousand of our people to purchase one thousand dollar E bonds, and I further urge all of our citizens, who have so nobly responded in the past to make one more supreme effort to insure that Michigan shall not fail.

Given under my hand and the Great Seal of the State of Michigan, this twenty-second day of June, in the year of our Lord, one thousand nine hundred and forty-five, and of the Commonwealth, the one hundred and ninth.

Signed: HARRY F. KELLY.

Supply Ship Cook Is One of Crew Missing in Action

the corners, on the west from Chalfonte.

Mr. Babcock also proposed restrictions for the subdivision which seemed to satisfy the council.

The proposed amendment does not change any other commercial district now existing along Mack nor does the amendment provide for any parking areas except those now under consideration.

Preliminary Prowler Call Cleared Up by Landlady

A second police report cleared up a prowler call which was made early last Saturday morning by Henry Wyseur of 15137 Jefferson avenue. Wyseur thought he saw a prowler in the doorway of the house but later, after some checking with his landlady, he was told that it was just another tenant who had forgotten to take his key.

Woman Forger Caught In Chicago

With the arrest in Chicago, Ill., of Anne Marie Thrasher, 33, of 2530 Second boulevard, the police of Grosse Pointe Farms, Detroit, Chicago, Pittsburgh, Pa., and Washington, D. C., have been able to clear up some forgery and bad check complaints.

Miss Thrasher's activities in Grosse Pointe occurred on April 17 when she paid for flowers at Passell Florist, 73 Kercheval, with a check for \$18.03 and signed by Margaret Carey. Two other checks were cashed at Peter Pan, 7 Kercheval; one for \$73.90 with the signature of a Mrs. William Hagan and the second check, signed by Mary Brooke Hogan, was for \$37.49.

In addition to these worthless checks passed in Grosse Pointe, she also forged the names of two prominent Grosse Pointe women to checks cashed at the J. L. Hudson company; one for \$125 and the other for \$175.

All checks were made out on Grosse Pointe bank or the Waikiki State bank.

Miss Thrasher was formerly employed as a domestic in a Grosse Pointe home in 1942.

After she left Grosse Pointe in April, Miss Thrasher traveled to Chicago, Pittsburgh and Washington, in the latter she obtained \$1,500 after forging one check. She is being held in Chicago on the forgery charge; warrants have also been obtained in Detroit and in the Farms. Among the many aliases which Miss Thrasher used were Marjorie Wilson, Mrs. W. Wilson, Frances Williams, Lois M. Edwards and Mary Ann Wilson.

TIME FOR RE-DEDICATION

We must not lose sight of the fact that we have won by half a victory. The mantles of Buchenwald and the 1000-year-old are crushed in the uncomplaining dust of Europe. But the Jap fights froth-mouthed from cave to cave in the islands, and digs deeper into his homeland. Our fighting men are doing their job. But war workers, housewives, foremen, plant officials - everyone from the top executive down to the janitor - must dig deeper for war bonds, give more tirelessly for victory. This is the time when America's men of management and all of America's industry re-dedicate their strength to that final triumph. Our people expect it, and pin their faith upon it. In all the years, from the time when our land wore Blue and Grey to battle, the strong right arm of industry has supplied weapons of war, and the economic sinews that kept a nation going through trial and tribulation. Our role has not changed; we must keep pace with our fighting men out there.

Local Coast Guard Pleasure Craft Regulations Relaxed

Lt. Comdr. Myron E. Merry, Captain of the Port of Detroit and St. Clair River yachtsmen and pleasure boaters would no longer be required to secure Coast Guard departure permits before landing their boats in Canada. However, no border crossing trips may be made after sunset, since regulations still existing bar small boats from crossing shipping channels during hours of darkness. Night or day fishing is still prohibited in channels being used by freighters, and boatmen are still prohibited from entering the Livingstone channel in the downriver section at any time. The Amherstburg channel is open to yachtsmen during daylight hours only. Wartime boat numbering regulations were recently relaxed in this area to the peacetime requirements which are that all boats normally powered by engines or outboards carry the minimum 3-inch letters on both sides of the bow. Numbers on the topsides of craft, used for airplane identification, are no longer necessary.

THEY Still PRACTICE MEDICINE

There are not many places in this World where the saving light of medical science has not penetrated to free men's minds from the bondage of superstition, and men's bodies from the tyranny of disease. But right here in the United States "witch doctors" still practice their "medicine"—charlatans, who prey upon the superstitions... the fears... the hopes... the despair of the afflicted to practice their quackery. When you feel below par, seek advice and treatment only from your family physician. All War Weapons Need Your Salvaged Tin Cans
 "Are you doing everything possible to help lick the Japs?" says Neil Blondell, chairman of the Grosse Pointe and Grosse Pointe Shores tin can salvage committee.
 "You are only if you're saving every tin can for salvage. Right now, Japan controls 90 per cent of the world's tin supply. This is an important fact to consider when every American war vehicle, every weapon and a multitude of war materials must have tin for their manufacture. Our men are fighting a good fight. Let's help them by saving all our tin cans for salvage collections. Start now to save your tin cans for next tin can day."

GOLDEN WEDDING

MR. AND MRS. Stephen J. Knapp were the honored guests at a dinner last Sunday at the home of Mrs. Dewey J. Dyson of Westchester road, which commemorated their 50th Jesus' baptism anniversary. Four children and two grandchildren were among the guests: Audrey Knapp, Mrs. Irene M. Dyson, Mrs. Gladys Baker, and Karl W. Knapp of Farmington; the two granddaughters are Donna Marie Dyson and Jacquelyne Dyson Weir of Grosse Pointe.

They not only swept out the clubhouse, and scrubbed the floors, but even undertook the building of two outdoor cook stoves. This latter undertaking was supervised by Mr. Broughton, the father of one of the girls, who set the foundations, and instructed the girls in the art of mixing and pouring cement, and laying bricks.

Mrs. R. K. Hoover, day camp chairman, has been assisted in her work by a new junior day camp committee, composed of two representatives from each Woods intermediate troop. Pat Liddle is chairman, and Carol Jones is the scribe. The other members include Jane Rowe, Barbara Alfred, Carol Messner, Ann Hoover, and Joyce Stagenborg.

More than seventy registrations have been made for day camp, and great plans are under way for a successful and happy summer. The activities program include, archery, badminton, baseball, nature hikes, and pioneer cooking. A trained consultant will direct pottery classes. There is even hope among the girls of starting a small Victory garden.

Brownies may attend the Woods day camp on Tuesdays and Thursdays, beginning June 26; intermediate Scouts, Wednesdays and Fridays, starting June 27. Come at 9:30, and bring your own nose-bag lunch.

On July 6, at 1:00 p.m. in the garden of Mrs. T. S. Bindsheder of Hampton road, a dessert card party will be held, the proceeds from which will be used for the purchase of cots for overnight stays at the Woods camp-site. This party is sponsored by the Grosse Pointe Woods District Committee, and for tickets please call Mrs. W. S. Muirhead, TU. 2-9052. Camp equipment is most important for the successful operation of a camp, and we hope you all will help the committee by buying a ticket, the cost of which is 75 cents.

Last week, a new leaders' training class finished its six weeks course, and celebrated the event with a cook

son, Mrs. Edward Snell, Mrs. L. D. Marr, and Mrs. Don Rinehart. Intermediate leaders: Mrs. Adel Gargan, Mrs. M. Redenbaugh, Mrs. Elmer Knoch, and Mrs. A. L. Eyre.

CHAPLAIN ADDRESSES CONVENTION

THIS PICTURE was taken at the 60th Michigan district convention of the Lutheran church (Missouri synod) held at Bethany Lutheran church last week. Two of these men were prominent figures there—the Rev. Andrew Zeile of Saginaw, and Maj. Wilfred J. Schneider, third and fourth from the left. The Reverend Zeile was re-elected during the convention as president of the Michigan district, and the major is a recently returned chaplain from the Southwest Pacific. With the Red Arrow Division, composed mostly of Michigan boys, he ministered in that area for 32 months. The others in the picture: Tech. Sergt. Laverne Harden, extreme left, was with the 15th Air Force in Italy; Midshipman James Brummer, second from left, is a fourth year student at Annapolis; Corp. John Metzer, fifth from left, was with the 88th Infantry and a prisoner up until V-E Day for 16 months in Germany; Sergt. Harold Hamke, with the Eighth Air Force, flew Fortresses over Germany where he was shot down and with the rest of his crew likewise was a 16 month prisoner.

Local Liberator Pilot, Veteran of Italian Campaign Is Home

After a trans-Atlantic hop by plane, First Lieut. Richard Bodycombe arrived home last Friday after completion of duties with a heavy bomber crew of the 15th AAF in Italy. He is home for 30 days.

Formerly of Grosse Pointe, Dick and his parents live at 7706 East Jefferson; Dick was also a former employee of The Review.

Prior to his leaving, Charleston, S. C. for home last week, Lieutenant Bodycombe and other AAF men were processed and then given a luncheon feast. Telephone and telegraph facilities were available for first calls home.

This Liberator pilot went into the army in September, 1942, and went overseas to a base in Italy in December, 1944. He has been awarded the Air Medal with two bars.

The latter award was given after the crash landed near Vienna in March and received body injuries. His parents are Mr. and Mrs. A. Bodycombe.

Minor Accidents Recorded by Police This Past Week

Four minor accidents involving automobiles occurred over the weekend in Grosse Pointe.

When Hugh Diel, 26, of 414 Ashland, missed the Newberry curve on Lakeshore road, late Saturday afternoon, his car rolled over, incurring \$300 damage. He was ticketed for reckless driving.

Saturday night, a parked car owned by A. Durwell, 334 Fisher, was hit by a car driven by Mrs. Lucille Burris, of 523 Barrington, on Pemberton road. The parked auto was unoccupied. Both vehicles were damaged. Later that night, another accident took place in front of 956 Pemberton, when a truck driven by Norman Jackman, 17, of 3193 Lakeview, Detroit, hit a light pole while making a U turn. Jackman was given a ticket.

St. Paul's was the scene of a 4th accident when Georgia M. Lane, 305 McKinley, pulled away from the curb on Lakeshore last Sunday and rammed into an automobile driven by Clyde Barton, 1943 Kingsville. Two fenders on the Barton auto were damaged.

Youths Steal Car and Valuables; Police Recover Loot, Auto

Found several hours later in their stolen car, three 15 year old Detroit youths were turned over to the juvenile authorities by Farms police for unlawfully driving away the Sherman Mitchell automobile from the Country club grounds.

Mr. and Mrs. Mitchell, who live at 62 Cloverly road, notified Farms police last Thursday night that their car with several valuable articles in the glove compartment had been stolen. The articles and jewelry were valued at \$1,020.

Shortly before midnight, a Wayne county sheriff's patrol car found the stranded car and the boys at Harbor and Elmwood, they had been out of town.

After questioning by the police, the boys admitted spending \$7.00 of the \$27.00 which was recovered in Mrs. Mitchell's home, which was in the glove compartment. At the

Several Cases of Measles and Chickenpox Reported

Measles led the contagious diseases in Grosse Pointe township during the month of May, reported Dr. Thomas S. Davies of the Grosse Pointe township health department. In his report to the township supervisor, he reported that there had been 22 cases of measles followed closely by 21 cases of chickenpox.

Other epidemiological data reported were eight dog bites, five cases of mumps and four cases of German measles.

Visitor Reports Furs Stolen From Lincoln Road Home

Mrs. Margaret Pressnell of 1141 Holcomb, reported to City police last Sunday evening that furs belonging to her had been lost or stolen from a Lincoln road home while visiting there that afternoon.

Waterfront Park Guests Warned by Park Police Chief

Park residents and their guests are warned by Police Chief Henry Piel to use caution when they visit the lake front park and leave their lunches, clothing and pocketbooks on the tables and benches.

The chief asks that all valuable articles be checked at the bathhouse so that they may be safely returned to their owners. Negligence on the part of visitors may mean temptation to others to search through pocketbooks, trouser pockets and picnic baskets.

Assessments Appeal by Taxpayers

Carl Schweikart, Grosse Pointe township supervisor, was notified by the Michigan Tax Commission this week that the township's assessments. These taxpayers, the majority of whom are lake property owners, said that Mr. Schweikart's assessments are not the true cash values of the property.

They have appealed for a review and determination by the state tax board.

Mr. Schweikart will be notified later of the date on which the commission will hold their hearing.

Find Second Body of Drowning Accident

The second body of the trio who capsized in their boat in Lake St. Clair on the night of June 9, was found floating in the waters off the Crescent Yacht club. The body was that of Edwin Eschner, 17, of 18054 Pelkey; it was recovered by the Coast Guard.

The other victim was Irmagard Reese, 17, of 11700 Maiden, who succumbed after hanging to a life preserver for several hours before drowning. Their companion, Johannes Kruger, 19, of 12558 Corbett, is the only survivor of the party.

Two Men Confess Robbing Taxi Cab Driver in City

City of Grosse Pointe police were notified this week that two men were arrested in Detroit who confessed to the holdup of Emanuel DeSilva, taxi cab driver on May 6 at Goethe and Lincoln.

The men are Robert Andrus of 18921 Roland and Lucila Axline of 3576 St. Jean. The latter is on probation to federal authorities on the Dyer act; Andrus was turned over to the Wayne county prosecutor's circle games, softball leagues for office where he will be tried for numerous other cases in Detroit.

Safety Program to Be in Effect Over Fourth of July Here

Henry W. Piel, Grosse Pointe Park police chief, today announced that a seasonal enforcement program will be in effect over the Fourth of July holiday season. The program, he said, is in co-operation with the nationwide effort being made by the National Safety Council to reduce the staggering death toll which occurs annually at this time.

"The police department is asking every citizen to take special care to save lives and property," Chief Piel said.

"This is no time for anyone to be wasting lives, property and time through needless accidents. Common

sense, courtesy and care in driving will help reduce this toll." The chief predicted that with more gas and the V-E feeling that "it won't be long now," the holiday traffic will be heavy. "One of the best ways to help our boys of Grosse Pointe Park who are out there fighting for complete and final victory over Japan," he said, "is to stop accidents that waste manpower here on the home front. Every accident is a boost for the Japs, and an attack on our fighting men."

Chief Piel emphasized that violators of wartime traffic driving restrictions not only are flirting with death but are exposing irreplaceable cars through destruction.

"The response to our contest was tremendous," and we want to take this opportunity to thank all the entrants, the newspapers and the judges for their interest and co-operation.

"To the successful entrants, we want to say 'congratulations.' In the opinion of the judges you were the most deserving of the alarm clocks and we are happy to give them to you with our compliments."

"All the winners are being notified through the mail of their good fortune and they may pick up their alarm clocks at DeRoy's Jewelry company store designated in their letter."

Neighborhood Club N-E-W-S

The Neighborhood club is sending out a plea for people who would volunteer their assistance with the summer day camp program.

Due to the lack of workers it was felt that the day camp should be limited, consequently there is a waiting list of boys and girls who would like to participate in the day camp program. However, with your help one, two, or three, days a week, more children could be accommodated, and certainly there is no question as to the value of such a program. The camp meets on Monday, Tuesday, and Wednesday, from 9:30 a.m. to 3:30 p.m. through July. Students and mothers who are interested please call Miss Masak at NL 4600.

The Neighborhood club girl's Athletic club played their first baseball game of the season last Thursday, defeating Franklin Settlement, 24-6. The girls are asking for other games for the summer; any group who wishes to play them are asked to call the Neighborhood club, NL 4600.

Urges Fuel Coupons Be Returned at Once

Fuel oil renewal forms are being mailed to all consumers in the Detroit district who used oil for heating last year. If you have not returned your coupon, it is your duty to do so at once.

"Consumers can aid the fuel rationing program if they will fill out their renewal form, mail it back to the board and order fuel oil as soon as the coupons are received from the board," Vierling said. "The quick return of applications will ease the transportation and manpower difficulties."

"The Detroit district depends mainly on pipe lines and marine shipments for their fuel oil supplies. It is necessary for Detroiters to build up their stock piles of oil before the winter season when marine shipments are terminated," said Vierling.

Vierling pointed out that the application is a simple one. It requires the applicant to list any changes in his facilities or any change in the number of persons in the house. Generally, fuel oil consumers will receive the same basic ration they received last year. All current oil coupons expire Aug. 31, 1945.

WILL YOU LEND A HAND at this important war job?

IF EVERY telephone user would look in the directory for the telephone numbers he wants, 3 out of every 5 "Information" operators could be working at other vital jobs in the war-busy telephone system.

Handling unnecessary calls to "Information"—the 3 out of every 5 calls that are for numbers listed in telephone directories—consumes 1,000 hours of operator and switchboard time in Michigan every day.

Here's how you can help to save this wasted effort—

1. Please look in your directory for the number you want.
2. If the number is not listed, and you must call "Information," jot it down so you'll have it the next time.

gratulated after VE-Day by Lieut. Gen. James H. Doolittle, their commander, were Capt. Herbert A. Corville, 1410 Bedford road; First Lt. Robert M. Pratt, 459 Moran road; First Lieut. Donald L. Morrison, 794 University Place; First Lieut. John W. Moran, 212 Moran road; Second Lieut. Girard C. Galbraith, 1114 16th street; Staff Sgt. Wayne W. Springer, 734 Notre Dame; Staff Sgt. Marvin C. Allard, 307 Moross road; Staff Sgt. George E. Moffat, 551 Neff road; Sgt. Bernard E. Efronson, 892 Beaconsfield; and Pvt. Thomas J. McCormick, 821 Whittier road.

"I wish to extend my personal congratulations and my heartfelt appreciation to every one of you for the magnificent job you have done," General Doolittle said in a message

to all personnel. "Each of you," he continued, "may be proud of your part in the defeat of Germany. I am proud of you. The world is proud of you."

The Eighth Air Force was the world's mightiest strategic bombing force. Its personnel of 185,000 was the equivalent of 12 infantry divisions, and it could send 21,000 airplanes in 2,000 four-engine bombers and 1,000 fighters over Germany at one time, a combat effort possible only through the support of tens of thousands of non-flying specialists.

Since August, 1942, when combat operations began, Flying Fortresses and Liberators of the Eighth dropped more than seven hundred thousand tons of bombs on enemy targets. Fighter pilots shot down 5,250 Nazi planes and destroyed 4,250 oth-

ers on the ground. Bomber gunners shot 6,000 German interceptors out of the air.

CHRISTIAN SCIENCE CHURCHES

"Christian Science" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, July 1.

The Golden Text, (Hebrew 12:12, 13) is: "Lift up the hands which hang down, and the feeble knees; and make straight paths for your feet, lest that which is lame be turned out of the way; but let it rather be healed."

Among the Bible citations in this passage (John 14:15): "Verily Verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father."

Correlative passages to be read from the "Christian Science" text—"Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (147): "Our Master healed the sick, practiced healing, and taught the generalities of his divine Principle to his students; but he left no definite rule for demonstrating this Principle of healing and preventing disease. The rule remained to be discovered in Christian Science."

Pointer Engages in Spectacular Aerial Fight With Japs Off Okinawa Islands

Okinawa (Delayed) — One of the strangest aerial scrambles ever witnessed over the East China Sea ended when four Marine pilots, one from Grosse Pointe, shot down seven of Japan's best fighter planes.

It began as a "step-ladder" chase. Three Jap planes flying just above the water, were trying to evade three Marine Corsairs less than a mile behind. Above the Leathernecks, and unknown to them, seven Japanese "Tojos" were tagging along.

Above the seven Jap planes were four more Marines.

Maj. John B. Maas, Jr., 24 of 879 Washington road, Grosse Pointe, and Second Lieut. Jay C. Allen of Wellsville, Utah, who had teamed up to down a lone Tojo after a head-on run a few moments before, spotted the seven just as they dived on the unsuspecting Marines below.

They were joined by First Lieut. James E. Webster, 22, of Los Angeles and Second Lieut. Ralph Pinkerton, 22, Sebring, Ohio.

The four waited behind a cloud so they could get behind the Japs. Then they attacked. The Marines below had passed out of range by this time, and never saw what had happened.

Maas fired at the "tail-end" plane and chased him down to water level before the Jap exploded. Maas was so close he flew through the burst of flames.

The plane and one-half he was credited with made Maas the Second Marine Air Wing's 11th ace on Okinawa, since he previously was credited with four and one-half planes on Guadalcanal early in 1943.

Maas, who won the Distinguished Flying Cross while on Guadalcanal as a member of the Wolf Pack fighter squadron, is the son of Mr. and Mrs. John B. Maas of the Washington road address. His wife Mrs. Natalie Maas, lives at the same address. He formerly attended Notre Dame university and played on the freshman football team.

Allen chased another Tojo 15 miles over the sea, and from 3,000 feet down to water level, before he came close enough to shoot. The Jap exploded and crashed.

Pinkerton saved ammunition when he chased one Jap right into the water without firing a shot. The Tojo tried to turn aside at the last minute, but his wing caught a wave and he somersaulted into the sea.

High above the scramble went a High Level Bomber down three of the four remaining enemy planes. The last one fled.

He destroyed the first two with direct hits in the engine after head-on runs.

New Drug Used in Europe's Starvation Countries

A new drug, protein hydrolysates, is being used extensively for the first time in the treatment of Europeans in advanced stages of starvation. The Community War Chest agency, American Relief for Holland has a shipment of six tons of the drug, the largest consignment ever to leave this country, now enroute to a Dutch port to help save the lives of at least some of the 4,500,000 persons there in the advanced stages of starvation.

One of chemistry's newest developments, the drug has been compared in medical effectiveness to sulfa and penicillin drugs. As a result of an initial shipment of 200 pounds by American Relief for Holland, 2,000 Netherlanders, condemned to a lingering death because their starved systems were unable to assimilate food, will shortly return to the ranks of the living. The drug is a direct means of putting back into the hu-

man system the amino acids and the protein reserve which have become exhausted.

Urge Young Workers To Apply For Their Social Security Cards

Anticipating the late-spring flood tide of student applications for social security cards, Mr. Francis L. Pendergast, manager of the Harper office of the Social Security Board, today urged high-school students, and others who are about to take their first jobs, to apply for their cards as early as possible. In response to numerous inquiries, Mr. Pendergast offered this timely information:

"Whether or not you need a social security card depends on where you are going to work. If it is in a store or office, factory or shop, restaurant or hotel—anywhere, that is, in private industry or business—you will need a card, for all such employment is 'covered' by the Social Security Act. If, however, the job is on a farm, in a private home, in a non-profit religious, charitable, or educational organization, or for the city, county, State, or Federal Government, no social security card will be needed. Such employment is not 'covered' by the law. Do not get a card unless you need it.

Notice of Public Hearing

TO CONSIDER PROPOSED AMENDMENTS TO ZONING ORDINANCE.
TO THE RESIDENTS OF GROSSE POINTE FARMS:

Notice is hereby given that a Public Hearing will be held in the Village Hall, 90 Kerby Road, Grosse Pointe Farms, Michigan, on

Monday, July 16th, 1945

at 8:00 P.M. Eastern War Time, to consider proposed amendments to Section II—Districts and the "BUILDING ZONING MAP," referred to in said Section II—Districts, of Village Zoning Ordinance, and to add a new section thereto to be known as Section VII P—PARKING DISTRICTS.

The proposed amendment to Section II—Districts is designed to add another district to be known as "PARKING DISTRICTS" and to amend the "BUILDING ZONING MAP" to increase the depth of the Commercial District approximately 50 feet for a width of 125 feet to accommodate a theatre on Mack Avenue between Moross and Kerby Roads and to establish the boundaries of "Parking Districts" which according to the "Amended Zoning Map" is adjacent to and in the rear of the commercial business frontage at the southeast corner of Mack Avenue and Moross Road.

The proposed amendment with "Amended Zoning Map" attached is on file in the Clerk's Office for examination by any persons interested.

A hearing will be granted, any persons interested, at the time and place above specified.

This notice is given pursuant to direction of the Village Council, and in accordance with said ordinance and the statutes in such case made and provided.

HARRY A. FURTON,
Village Clerk.

THE U.S. TREASURY SAYS
MICHIGAN WILL FAIL SHAMEFULLY
UNLESS
50,000 of its Citizens Purchase
\$1,000 "E" Bonds This Week!

At the end of this week Michigan will know whether it can continue to hold up its head in pride or must hang its head in shame! By Saturday night the U. S. Treasury department agencies will know whether or not *all* the people are doing their part. By Saturday night *you* will know whether *you* have done your full part to sustain the morale of our fighting men—to bring the day of Victory sooner! By Saturday Michigan's performance in the 7th War Loan will be determined.

These are the facts. Michigan is still shy of its goal in "E" Bonds by \$73,000,000. At the present rate of bond buying—taking in all payroll deduction plans, all other "E" Bond purchases—Michigan will be \$37,500,000 short of its goal when the drive is over.

Let's wake up before it's too late! Wake up to the fact that our "E" Bond quota for this 7th War Loan is almost twice as big as in the 6th. Wake up to the fact that our soldiers are already asking—"What's the matter? Can't Michigan take it?" Wake up to the fact that our men's fighting morale depends on our performance—our willingness to take our own beachheads!

Will you, as a patriotic citizen, please go to your nearest issuing agent and buy a \$1,000 bond? Act at once to uphold Michigan's reputation! Act now to set an example for individual responsibility! Start the ball rolling! Let's all get into this one-week drive and keep Michigan's record the best in the nation!

Above everything else, we must not fail!

Edison Company Issues Statement on Return of World War II Veterans

The return of 1,300 Edison employees on military leave has been announced today, and we are anxious to welcome them back.

Our plans recognize three simple points, Mr. Parker said. "Veterans do not wish to be segregated and treated as a group apart; each veteran is anxious to resume his own individuality, each has his own ambitions and hopes; while immediate re-employment is vital to him, he is more concerned with the years ahead."

In a message to each employee in the service, the company is now advising that he will be restored to his former position or, if qualified, to the position to which he would have been raised by promotion had he not been away. His wage rate will include raises granted to his job while he has been in the service. If the man's position has been discontinued, the company will endeavor to find another position of like seniority, status and pay. Life insurance, retirement plan benefits, sick leave benefits will automatically be restored. Other benefits, such as additional insurance and hospital and surgical insurance coverage for the family, will be available to him if desired.

The company has selected James F. O'Brien and assigned him to the employment bureau as veterans' coordinator whose full time job will be concerned with restoring veterans to their former jobs and assisting them in solving any individual readjustment problems which may arise. "Mr. O'Brien has a long background of service with the company and is a veteran of World War I," Mr. Parker said.

"Apprentice training courses will be accelerated 20 per cent for returned veteran employees who were enrolled before leaving for military service. Our plans are flexible and designed to offer the best opportunity we can to each veteran in helping him to take his position in civilian life. We recognize that no one pattern will fit the needs of all. Some men will want refresher courses, some will have acquired new skills, others will wish to complete their apprenticeship training courses, and some will require and receive special consideration because of wounds or illness contracted in the service," Parker said.

Now, more than ever, buy MORE bonds.

Speed up victory, buy bonds.

WINGED VICTORY IS FEATURED AT LOCAL THEATRE

The Colony offers the movie version of the Broadway stage hit "Winged Victory" tomorrow and Saturday. Cast in starring roles are Edmond O'Brien and Jeanne Crain.

A story of the training and lives of three mid-west boys in the U. S. army air corps, "Winged Victory" capably mingles the hard struggle, the fun, and the pride in becoming an army pilot. Along with the boys' story also goes the story of their wives' and sweethearts' loyalty, and the depth of their love for these men who love the "wild blue yonder." One of the most hilarious scenes takes place when the three boys first come into boot camp for basic training. Here they are ribbed by all the men who are already in training. From boot camp to primary training to the day the coveted wings are handed out, the picture shows the life and training of an army air corps man. Finally in the South Pacific the real theme of the picture is revealed. All in all, "Winged Victory" is one of the best strictly GI movies in a long time.

Also billed with this picture is "One Body Too Many" featuring Jack Haley and Jean Parker.

Shoplifters Fined in Justice Uvick's Court for Simple Theft

Justice Joseph Uvick of the City of Grosse Pointe justice court, found Victoria Schaffer and Sophie Hissong, of Detroit, guilty of simple larceny and fined each of them \$100 and \$25 court costs.

The two women were apprehended two weeks ago on a charge of shoplifting in Best & Co. and Sfr's. Their alternative was 90 days in jail but both women immediately paid.

48 Per Cent Increase

A total of 67,549,000 revenue passenger miles was flown by American Airlines over its nation-wide system in May, an increase of 41 per cent over the same month last year, it was announced today by Charles A. Rheinstrom, vice-president in charge of traffic. Passengers carried last month by the airline represented an increase of 48 per cent over May, 1944.

POPULAR CHAS. LAUGHTON STARS IN ALOMA DRAMA

The week-end attraction for tomorrow and Saturday at the Aloma is "The Suspect" which stars the ever popular Charles Laughton in the "heavy" lead. Playing opposite him is Ella Raines, the new almond-eyed starlet.

"The Suspect" is the exciting story of a mild-mannered middle-aged man, (Charles Laughton) who, nagged by a shrewish wife turns to a young girl (Ella Raines) for the friendship and understanding he needs. When his friendship is maliciously distorted by his wife, Laughton murders her, making it appear that she was killed by an accidental fall down the stairs.

From there on the action is packed with gripping suspense — especially when a Scotland Yard detective, suspicious of Laughton, tries again and again to trap him into confession that he murdered his wife.

Accompanying feature is a bright musical "Meet Me in St. Louis" with Judy Garland and Margaret O'Brien.

Letter Winners Named at Wayne University

The Wayne university athletic advisory board last week announced the names of 43 letter winners in spring sports. Thirty-seven received major awards and six minor awards.

James A. Lange became the ninth man in Wayne's history to receive three letters when he received his baseball award. He formerly had won letters in football and basketball.

Among the 14 men who earned major awards in baseball was Arthur C. Brownell of 1312 Hawthorne road, and Milton C. Hoffman of 236 Fisher road, was a member of the tennis team who earned an award.

Join Music Festival

The Deep River Boys, noted for their smooth, melodic renditions of spirituals and classics, join Lionel Hampton and his great show as one of the attractions at the Sixth Annual American Negro music festival at Olympia Thursday, July 26, according to M. Kelly Fritz, director of the Detroit festival.

Saturday Last Day to Register for Gratiot Election

Saturday, June 30, between 3 p.m. and 8 p.m. is the final opportunity for qualified school electors in Gratiot township to register for the annual election of trustees on Monday, July 9.

Place of registration is in the Beacon school, 19475 Beaconsfield.

One trustee will be elected on Monday, July 9, from 12 noon until 8 p.m. William A. Aldrich is the only candidate filed for this office. The annual meeting of the Gratiot township Graded School District No. 2 will be held at the close of the polls at 8 p.m.

MUSICAL COMEDY HAS TOP BILLING AT THE SHORES

"Meet Me in St. Louis" the bright musical comedy at the Shores theatre Sunday, Monday, and Tuesday, stars Judy Garland and little Margaret O'Brien, and a cast of capable supporting players. Filled in technicolor this picture tells the pleasant story of a large family who lived in St. Louis at the time of the World's Fair in the '90s. Miss Garland gets a good chance to do a lot of singing including the hit tunes, "The Trolley Song," and "Meet Me in St. Louis," the title song. Some of the costumes worn by the characters are so magnificent that not much attention is centered on the plot of the story. Good entertainment for war weary nerves.

Plan Memorial Services for Late Olaf Larsen July 1

Memorial services will be held next Sunday, July 1, for Olaf Larsen, 69, in the Sperlich funeral chapel, 25531 Van Dyke, Center Line. He was a member of the Merchant Marine and was lost at sea Dec. 24, 1944.

Mr. Larsen is survived by his widow, Edith, the former wife of the late William G. Lancaster of Grosse Pointe Woods.

Services will be conducted at 3 p.m. by the Rev. S. H. Houbolt.

City-wide Prayer Meeting

An invitation has been mailed to over three thousand ministers and religious lay leaders of Detroit inviting them to participate in organizing the city-wide prayer meeting program at the meeting to be held next Sunday, July 1st at 3 p.m. in the Central Presbyterian church at Grand River and Second avenues.

Hookey Played Hookey

Sergt. Maynard "Hookey" Smith, the nation's first winner of the Congressional Medal of Honor in World War II, proved as unpredictable as usual when he failed to fill a Rotary speaking engagement Monday noon at the Whittier. The Caro, Mich., hero earned his nickname in his home town where he "never kept an appointment" at home, church or school, though short on promises, the army found him long on bravery and our government honored him for it.

Veterans' Authority Addresses Rotary Club Members

Attorney Vincent Schoeck of Grosse Pointe, former national head of the Disabled Veterans organization, spoke at the Grosse Pointe Rotary Club meeting of the Grosse Pointe Rotary Club at the Whittier Monday.

As a veteran of World War I and actively interested in veterans affairs during the past 25 years, Mr. Schoeck gave an interesting and factual account of the stupendous matters confronting the veteran, the government and the public.

PEACE LUTHERAN CHURCH

East Warren and Balfour
REV. ENNO G. GLAUS, Pastor
VICAR, MARVIN MARTIN

Two services of worship are conducted each Sunday at Peace Lutheran church, at 8:30 a.m. and 10:45 a.m. The pastor will continue his series of sermons on the ancient decalogue by taking for his theme on the coming Sunday: "The Fifth Commandment in the Light of the Story of the Good Samaritan." Sunday school convenes at 9:30 a.m. The lesson to be studied July 1 is the very instructive Bible account of "Cain and Abel." Two Bible classes are conducted each Sunday in connection with the Sunday school, one for young people and another for adults. The Rev. G.

Clats teaches the adult Bible class and Vicar Marvin Martin has the class of young people. Visitors and guests are cordially welcome at Peace Sunday school. Daily vacation Bible school will begin at Peace Lutheran church on Monday morning, July 9, at nine o'clock. The daily period is from nine to twelve o'clock noon. The Bible school will continue for three weeks until July 27. There is Bible study, talkies, singing, handwork projects in a cool church auditorium. Send the children for a profitable and enjoyable time.

KERCHEVAL AVENUE CHURCH of the NAZARENE

11:00 a.m. Morning worship.
Friday night, Young People's cottage prayer service.

You are invited to listen to the program of "Your Nazarene Neighbor," each Sunday afternoon, 2:30 to 3:00 from radio station WEXL, Royal Oak.
6:30 p.m. Young People's service.
7:30 p.m. Peoples evening evangelistic service.
7:30 p.m. Monday, intercessory prayer service.
7:30 p.m. Wednesday, mid-week prayer and praise service.

ST. PAUL'S EVANGELICAL LUTHERAN CHURCH

Jackson School Auditorium
Marlborough and Waveney Aves.
REV. EUGENE POPPEN, Pastor
ROBERT WIETELMAN, Vicar

Sunday Services—July 1st
German service, 9:00 a.m.
English service, 10:30 a.m.
Sunday school and Bible class, 9:30 a.m.
Beginning next Sunday, July 1st, the summer schedule of services goes into effect. German service at 8 a.m. with Rev. Philipp Schmidt preaching, and an English service at 10:30 a.m., Vicar Wietelman, preaching. We extend a hearty welcome to all families in this area who have no church affiliation to come and worship with us. Plans for a new church and parish hall have been completed and will be put to work as soon materials are available. We are very anxious to build up our Sunday school department and invite all children of this area to enroll now. Classes are held for all ages and are conducted by very capable teachers. Sunday school and Bible class begin at 9:30 a.m.

FAITH EVANGELICAL LUTHERAN CHURCH

E. Jefferson and Philip Avenues
REV. C. H. LANGE, Pastor
H. C. WOLF, Vicar

Special Services—
During the months of July and August duplicate services of worship will be held at Faith church. These services will be held at 8 a.m. and 11 a.m. We sincerely hope that the members and friends of Faith church will take advantage of these duplicate services during the summer months and will "remember the Sabbath Day to keep it Holy."

Throughout the months of July and August a special series of sermons will be given, based upon the "Lord's Prayer." July first Pastor Lange will use as his theme: "Our Father, who art in heaven." This series of sermons should be very enlightening and inspirational for your soul's delight during the summer months.
Sunday School—
Our regular Sunday school program will continue throughout the summer, beginning at 9:30 a.m. Classes for all ages are held, including preschool children. An adult Bible class meets under the direction of the pastor; young people's Bible class meets under the supervision of the vicar.
Vacation Bible School—
Our community daily vacation Bible school has been meeting at Faith church from 9:30 to 12:30 every day since June 18. The closing service to which the public is cordially invited to observe the results of three week's Bible study will be held Friday night, July 6 at seven o'clock.

More Undulent Fever
In the first 5½ months of this year there have been 109 cases of undulant fever reported in Michigan, as against 96 cases for the entire 12 months of 1944, according to the Michigan department of health.

This year's cases are reported from 28 counties in southern Michigan and the Thumb district, the greatest numbers coming from Sanilac (13), Calhoun (10) and Kent (9).
