"WE LEAD, OTHERS FOLLOW"

NOT ONE POINTE

Someone is forever stealing Wendell Wilkie's "One World" thunder in suggesting "One Pointe" or a modification of the same.

Latest of such proposals is the combination of the police and fire departments of the City of Grosse Pointe and Grosse Pointe Farms, made by a retiring councilman in the village.

It should not be necessary to point out the ramifications involved in such a "weld" to one so long in the service of his village. But to the general public, and the citizens of either the City or Farms, let us enumerate a few.

First, there is the scale of pay in each department of each community. Second, there is the pension or retirement system in each one. Third, the difference in equipment, regulations, etc. Any one of the above would set off jealousies, large or small that would have repercussions of lusty nature over the years.

Under such an arrangement, there could be little or no reduction in personnel because the residents of either the Farms or City just naturally wouldn't stand for having their protection curtailed. And it is highly doubtful if efficiency could be increased under conditions which would logically arise due to the ramifications described in the above paragraph.

So far as a successor to the retiring police chief in the Farms is concerned, he should rightfully come from the ranks in the department at present, and not be brought in as a non-resident from Detroit. The commissioner is not known to have even consulted the lieutenant who is next in line before stating that he didn't want the job. And, there is a detective in the department who has served his force and village loyally, efficiently and capably for years, who could well be another choice, without picking a non-taxpayer.

How would the men in the department feel if an outsider were brought in as was suggested as the other alternative by the Farms' trustee? Patrolman, sergeant and even lieutenant pay is little enough considering the risk involved, that alone without throttling any incentive to "work up" to the chief's job by filling it with men outside the department. No Grosse Pointe municipality at present has any extensive waiting list of applicants for any of its jobs. They just don't pay that kind of money. It would be a sad situation if the villages had to go looking for policemen and firemen outside of our boundaries.

The Grosse Pointe trustees' suggestions are rather ill-advised. The trustees' suggestions, following last week's publication of the Farms' trustee's suggestions. Once again office holders in local municipalities came in for the blame in blocking such a move. But that isn't the real blockage.

The Grosse Pointes are clean and the people who live in them want to keep them clean. The stench, corruption, inefficiency of an unwieldy size of the city which we adjoin provides the real reason why welding one Pointe will be a tough job.

CONGRATULATIONS, BOY SCOUTS!

Nearly two million Boy Scouts, Cub Scouts, Senior Scouts and their adult leaders throughout the United States will commemorate Boy Scout Week which begins tomorrow and continues through Thursday, Feb. 14. The theme of the observance which marks the 36th anniversary of the founding of the movement in America, is "Scouts of the World—Building Together."

This movement merits the support of every American whose desire it is to make his country and his world a better place in which to live.

The anniversary theme extends the field. Scouting emphasizes, not the man-made differences between peoples, but the splendid heritage of the boyhood of all nations. In practically every civilized country on earth, Scouts are building together the foundation of world friendship through Scouting.

For 36 years the Boy Scouts of America have been building citizens equipped for the great adventure of life. For the future we must build together and we are sure that every Boy Scout will be a builder for his country and for the peace and happiness of the world.

HI KIDS! WOW! SOME WEEK last one turned out to be, what with most of us without school, parties of all kinds were in full swing for teenagers all over the Pointe.

LET'S START OUT WITH Tuesday night and the Tuxis skating party, with skating at the Farms' pier and dancing and delicious food later on at the church. Saw Joanne Crowley 'n Dick Phillips, Ray Schumann 'n Barb Klenk, Paul Friese 'n Franny Kretschmar, Ched Swenson 'n Marilyn Lamb, Joe Hickey 'n Marilyn Kaiser, Betty Auch 'n Bill Queen, Donna Dahlen 'n Dennie Thomas, Letty Kretschmar 'n Frank McBride, and just loads of other kids all having a real wonderful time.

THE SAME NIGHT PAT ROBISON decided to have a double celebration; that is her 18th birthday and her graduation from high school. So she invited Jim Bailey and Maggy Hanson, Don McPhail and Barb Moran, and Bill Baker to the DAC for dinner and dancing.

NORMA ANN NEEB, WITH Valentine's Day in mind decorated her recreation room for a gala get-together of some of her classmates. Seen at the party Wednesday eve were Sally Andrus, Ann Candler, Jan Johnstone, George Beatty, Bill Hester, Nancy Georgi, Jean Webb, Barb Orphal, Barb Bauman, Fred Myers, Chuck Johnson, Carroll Grylls, Sparky Farquar, Ruth Jacques and others.

THE MOST IMPORTANT event of the week took place Thursday night. Of course everyone knows what that was; graduation, big night 'round Grosse Pointe high school. Open houses were few, but Bob Louis hung out the welcome sign to most everyone, namely Johnny Keir, Herman Zerwick, Jack Thomas, Mary Etta Kujath, Anne Orthegron, Warren Schultz, Johnny Nelson, Alma Larson, Joan East, Charley Hildendorf, Fred Blackwood, Frank Thora 'n Bill Halliday.

THE TROOP YACHT CLUB was a popular place for a group of gals who enjoyed dinner and the movie there last Thursday night. The hostesses were Ann and Jo Jo Armour who invited their school chums, Megs Vierling, Mary Hudson, Patty Breen, Joan Schmidt, Joan Crowley, Joey Johnstone, Barb Molyneux and Letty and Franny Kretschmar.

HAPPY BIRTHDAY RANG out the same eve for Ted Lickard who reached the ripe old age of 18. The guys 'n gals celebrated it by going to see Lionel Hampton and then, really full of the jumpin' jive, wound up at Andy Klingbeil's abode for the festive birthday tradition of a cake and candles. As Ted blew out

Mrs. Kins Collins Heads Committee for Annual Meeting

Mrs. Kins Collins of Westchester road, is chairman of the committee planning the program for the 53rd annual meeting of the metropolitan Detroit YWCA tonight.

A social hour precedes the 6:30 dinner. All YW members and friends are invited to the affair which will be held in the central YW building on Witherell street.

Highlight of the evening is the talk on "Today's Imperatives for the YWCA" to be presented by Miss Frances Perry of the national board YWCA, plus the annual report of the president, Mrs. Allen B. Crow, and the election of the metropolitan board of directors for 1946.

According to Mrs. Collins, Miss Perry is one of the most colorful and interesting members of the national YWCA board. She first became interested in the YWCA during her student days in Kansas. Later she was engaged in field work with student groups in the mid-west.

When Miss Perry ceased to be employed professionally in the YW, she chose to establish her residence in an industrial city — Passaic, N.J.—and to give her full time to volunteer work in the YWCA. In addition to her responsibilities as a national board member, she is chairman of a YWCA center in Passaic, which is located in a neighborhood made up of people of many different nationality backgrounds.

JOYCE MULKEY GOT INTO the partying spirit Friday night when she invited a gang over to her house after the DUS-Centerline basketball game. Girl Scout News

Brownie Girl Scout troop No. 327 held its formal investiture ceremony at Richard school on Jan. 31. Brownie Scout Bonnie Jean Wright gave the address of welcome, after which the entire troop sang the Brownie Smile song.

Representatives of Aviation Unit 257, American Legion Auxiliary, were present and presented the troop with a beautiful American flag, which was accepted on behalf of the troop by Brownie Scouts Peggy Young and Diane Koebel.

Brownie Scout Mary Elizabeth Frizzell gave a brief review of the Brownie story and...

C. Sutton, leader; and Mrs. E. Koebel, assistant leader; Jacqueline Bolin, Connie Fracken, Mary Elizabeth Frizzell, Elizabeth Henderson, Carol Ann Hollidge, Sue Johnson, Merrilee Johnston, Diane Koebel, Margaret Knight, Suzy Leach, Diana Messner, Shirley Nelson, Joanne Ortwein, Sally Jo Rich, Carolyn Sutton, Marcia Wade, Marilyn Winter, Bonnie Jean Wright, Judy Westphal and Peggy Young.

Refreshments were served by the troop committee, Mesdames H. Young, R. Winter, A. Wade, W. Leach, and M. Ortwein.

Maybe it's June that's "bustin' out all over," but from the looks of the activities in Girl Scouting lined up for the next two months, February and March will do a little bursting at the seams, themselves!

First of all, there's the camp training course which began last Monday at Defer school. This course is conducted by Mrs. Madeline Murphy, camp director for metropolitan Detroit. All leaders and troop committee members, as well as any Girl Scout mother, are invited to enroll in this series of camp lessons. Even though you missed the first one, there will be another meeting next Monday morning at 10:30 at Defer school. The purpose of this training is to qualify adults for camping, so they will be eligible to accompany troops on camping trips.

While we're on the subject of camps, it may interest you to know that in January, a camp site meeting was held at the home of Mrs. Lynn O'Brien, and plans were discussed to start a money raising campaign to equip our new camp site at Holly, Mich. Another meeting is scheduled for February, after which we hope to be able to disclose some of the enthusiastic schemes to make site No. 3 the envy of all the other camps.

On Feb. 12 there will be an all-day training session (aren't we being educated?) for members of the district committee, as well as all the neighborhood chairmen. The place is the home of Mrs. Ray Wertz, 1056 Balfour road, from 10 a.m. to 3 p.m., and we're all to bring our own sandwiches.

Students Learn Spanish the Easy Way in Evening Classes at G. Pte. High School

Grosse Pointe has scored an educational first in the development of a unique method of teaching Spanish to adults.

Those who have visited the evening adult classes at the high school building are amazed to find students who previously knew no Spanish at all actually speaking the language during the first hour of instruction, and within the time equivalent of a couple of days of instruction these same students are buying and selling clothing and other merchandise, ordering meals, purchasing provisions, making imaginary trips by auto and train and performing such daily functions as going to bed, getting up in the morning, bathing, washing, shaving, eating, drinking, telephoning and visiting friends.

Learning a foreign language, the students are told, is like learning to walk. You begin with a faltering step or two, then take a few more, repeating your hesitant attempts again and again until confidence gradually is developed, after which you proceed with poise and assurance. Repetition, by the way, is an important element in the lessons, every detail of the instruction being repeated over and over so many times that the student cannot avoid learning vocabularies, correct grammatical usage, verb inflections and the like. Note books are a thing of the past in the classes, no notes of any kind being necessary.

To make things easy for the beginning student the first lesson in the course is a discussion, in Spanish, of various animals, because the names of some of our best known animals are identical in Spanish and English. When the first lesson is over the student is able to converse about elephants, giraffes, lions, tigers and other members of the animal kingdom in simple but understandable Spanish.

The methods employed in the classes were developed in a series of language-teaching experiments under direction of Clarence V. McGuire in which interesting discoveries were made, one being that a student can memorize related words much faster than unrelated ones, and having learned the related words will remain in the memory long after a series of disconnected words has faded from mind. Another discovery was that verb inflections can be learned with treble or quadruple speed if charted in such a way that the visual memory can come to the student's aid in the process.

Having acquired the ability to carry on conversations in Spanish most students develop a desire to travel in Latin-America and try out their new-found ability. Among those entering a class in the fall were Mr. and Mrs. Edward H. Thomas of Nottingham road, who left last week by air for Mexico City, Acapulco and other points in Mexico, where they will remain during February.

St. Valentine Dessert Bridge at Bon Secours Hospital Next Tuesday, Feb. 12 has been chosen by the Bon Secours Hospital Guild as the date for their Saint Valentine dessert bridge party. The festivities will begin at 1:30 p.m. in the hospital clubrooms.

Mrs. J. T. Condon is in charge of arrangements; she will be assisted by Mesdames J. Mitchell, E. Labadie and J. Walsh.

Valentine Dance Planned to Be Gala Affair Saturday

The Grosse Pointe Yacht club plans to make its St. Valentine's party a gala occasion on Saturday, Feb. 9.

There will be special and appropriate decorations and a dinner dance with Jack Oakie's six-piece orchestra supplying the music. An added feature will be the appearance of Lois Dana, beautiful 18-year-old soprano, who will present a program of especially selected romantic songs to fit into the St. Valentine's spirit.

Miss Dana made her first public appearance at the GPYC directors' ball, on Jan. 26, and proved a sensation.

The St. Valentine's party will begin at eight o'clock and end at 1:30 a.m.

The maid of honor was attired in blue chiffon while the bridesmaids were gowned in pink chiffon; the former carried a bouquet of pink and pink carnations, and the latter, gladioli and pink carnations. The junior bridesmaids, in pink net, carried white carnations. They were aided and abetted by their hair.

Following a breakfast for immediate relatives and friends, a reception was held in Belgian Hall, Detroit, for 300 guests. The couple are spending their honeymoon in Chicago.

Grosse Pointe University of Michigan Club Announces Scholarship Program

The University of Michigan has announced its program for the Regents-Alumni Scholarships for students graduating from Michigan high schools in 1946.

These scholarships carry a stipend equivalent to semester fees for the freshman year, with provision for renewal through the sophomore, junior and senior years if performance warrants.

Any young man or young woman graduating from a Michigan high school on the university accredited list is eligible to make application, providing (a) student is in upper one-third of class, (b) student has demonstrated social awareness and a capacity for significant participation in community life, (c) student must have a desire to acquire a university education, (d) student must have good health, a relatively high degree of maturity and unquestioned integrity, (e) student must have financial means.

Students interested in these scholarships should consult their high school principal for the purpose of filling out the proper blanks. The scholarship committee of the University of Michigan Club of Grosse Pointe Township will arrange personal interviews with each applicant at a time to be announced, to make recommendations and evaluations to the Scholarship committee at Ann Arbor. The applications, as well as the evaluations by the Scholarship committee, must be in before Feb. 28, 1946.

The Grosse Pointe community has been extremely fortunate in the number of scholarships awarded in the past, which has in part been due to the active interest and support given to the scholarship program by the University of Michigan Club of Grosse Pointe Township.

The chairman of the Scholarship committee of the University of Michigan Club of Grosse Pointe Township is Paul Franseth, 321 Merriweather road. Dr. Edward R. Stoelker, 974 Lincoln road, is president of the club this year.

University Women to Hear Address on Education Tonight

The Grosse Pointe branch of the American Association of University Women has planned a general meeting for this evening at eight o'clock at the Grosse Pointe Memorial church.

The speaker, Dr. James P. Adams, of the University of Michigan, will discuss the subject: "New Responsibility in Education."

Co-hostesses for this evening are Mesdames Hansel Wilson, John P. Thomas, Glen Curtis and Wallace Temple.

The social studies group meets on Feb. 14 at 1:30 p.m., with Mrs. Harold Chandler of 1265 Bedford road, as hostess. Guest speaker will be Mrs. Fred Johnson whose address will be titled "Housing the Nation in 1946."

Mrs. John Pear, assisted by Mrs. William Morse will lead the international relations group on Feb. 20 at eight o'clock at her home, 707 Trombly road.

School Election (Continued from Page One)

The two issues have been combined in the present election to be held on March 4 for two reasons. First, because as has been shown, they are closely related problems of school standards in Grosse Pointe over the next five years. The second reason that they have been combined is to save the voters the expense and trouble of two separate elections on these questions. However, if both fail it will be necessary then for the board to get an interpretation of the failure by at least one additional election, if not two. The general conclusion of the board was that because of the expense and inconvenience and trouble involved in the community on holding any election that it would be advisable to try to combine the issues.

New Group of Voters Added—New legislations now make it possible to extend the privilege of voting to a larger group of voters than in the past. In the past elections of this kind, said the statement of the superintendent of schools, "only parents of school children or taxpayers residing in the school district could vote. The new legislation now makes it possible for anyone to vote who is properly registered for school elections and has the following qualifications:

- 1. Must be a resident of the Grosse Pointe school district for 20 days.
2. Must be a resident of the state of Michigan for six months.
3. Must be a citizen of the United States.
4. Must be over 21 years of age.
These qualifications are sufficient to vote on the issue of the mill levy increase of 5 mills, but on the sinking fund ballot the voter must have the additional qualification of being a taxpayer on property in the school district or the legal husband or wife of such taxpayer."

GRADUATION (Continued from Page One.)

Present in the audience to witness the bestowal of this honor upon her great-great grandson was Robert Charvat's 90-year-old great-great grandmother, Mrs. Salome Chiera, 832 Notre Dame, a native of Grosse Pointe. A special tribute of applause was paid to her by the audience.

The Bausch and Lomb science award was given to Herman Zerweck, whose record in science and mathematics is exceptionally high and who gives the most promise of future distinction in the field of science in the opinion of the science faculty. Herman made an all A record in three years of science and four years of mathematics.

Richard Finen won the dictionary awarded to the highest ranking boy graduate in each class who has also made the most outstanding record in athletics. This gift is presented each semester by the alumni of Trinity college.

Seventeen members of the class who maintained a scholastic average of B or better were designated as honor graduates. They are Robert Allard, Ellen Allington, Barbara Blair, Margery Bots, Donald Chandler, Robert Charvat, Joan East, Betty Isenhardt, Richard Finch, Ralph Jones, John Kair, Don E. Kelly, Virginia Ledakis, Nancy Mathewson, Ann O'Grady, Jacqueline Ward, and Herman Zerweck. Commencement music was provided by the Grosse Pointe high school band directed by Dewey D. Kalember, and by the Grosse Pointe high school choir, which sang two numbers under the direction of Glenn H. Woods.

Young Married Couples Feted at Gathering

The "Young Marrieds" of the Grosse Pointe Unitarian church are gathering at the church tomorrow night, Feb. 8, for an evening of fun. Mrs. Nelson Frolund, with her committee—Mesdames George McBride and M. O. Bates, has planned an entertaining program.

THERE ISN'T ALWAYS ROOM FOR ONE MORE—

AND this little puppy had none. It's too bad that Rover will miss his dinner, but unfortunately there just isn't room for one more. And many people don't realize that one appliance too many on a circuit is the cause of that troublesome blown fuse. Now that all those labor-saving electrical appliances are coming back on the market, it's doubly important that your home be provided with enough circuits, switches and wall outlets for all the electrical servants you will use. Almost any of the older homes of today are likely to have too few electrical circuits to carry the many electrical appliances needed in today's living. Your home should accommodate that new electric dishwasher, frozen-food unit, automatic laundry, and the many other electrical appliances that will make living more pleasant and easier in your home of tomorrow. And, of course, if you are planning a new home, adequate wiring is an A-1 item to be checked in your plans and specifications.

This is one of a series of advertisements prepared in cooperation with the Electrical Association of Detroit in the interest of insuring adequate wiring for every home in this area. Be sure your home is properly wired. When you are planning a new home, for wiring recommendations, call:

Club Discusses Year's Policies

Eighty-six women attended a most interesting meeting of the Women's Republican club of Grosse Pointe at the home of Mrs. D. M. Ferry, Jr., last Monday. Mrs. L. Butler Higbie presided. The guest speaker was Mrs. Rae C. Hooker, who delighted the audience with her invigorating talk.

Mrs. Higbie announced the following committee appointments: Mrs. Frederick S. Ford, chairman of political activities committee; Mrs. Chisholm Macdonald, chairman of entertainment committee; Mrs. William D. Laurie, Jr., chairman of membership committee; and Mrs. Kenneth Thomas, chairman of publicity.

The members took part in an active discussion of policies of the club in preparation for the 1946 campaign. The members recognized the urgent and immediate need for increased facilities to care for the mentally ill. They voted unanimously to send a message to the legislators in special session assembled, urging that the appropriations suggested for this work be supported.

The membership committee is planning a vigorous campaign. There seems to be a misconception in regard to membership in the club. Many women have thought that it was necessary to be invited to join. On the contrary, the club extends a hearty welcome to any Republican woman who wishes to take part in the club activities.

BUSINESS LADY

DOROTHY DUCASTEL

By her checked slacks you will know her.

Bravely facing the snow, the cold and the rain every week is 10 year old Dorothy Ducastel who delivers The Grosse Pointe Review every Thursday on Beaconsfield between Kercheval and Jefferson.

Beginning last August, Dorothy has switched to a jacket and her checked slacks to deliver her 180 papers during the winter months. Often called "Dot" by her playmates and school chums, she is a fourth grade student in St. Ambrose school. Dorothy lists arithmetic, reading and social studies as her favorite subjects; asked what she would like to be when she grows up, this little business-woman answered: "A nun or a housewife."

The baby of the family, Dorothy lives at 1248 Maryland with her parents, a sister and five brothers.

MSC Alumni Awards District Chairman Named

Michigan State college alumni are again offering 64 \$135 scholarships—a minimum of one award to each senatorial district in the state—to graduates of accredited high schools, according to Glen O. Stewart, director of alumni relations.

The stipend represents a waiver of tuition by the college, and candidates must have been in the upper one-third of their high school class.

Only entering freshmen will be considered, and the scholarships are not available to students who have taken college or university work. All applications must be filed with the district chairman not later than April 15. Carl Stoll of Northwestern high school is district chairman.

Uninvited Guests Believed to Be Thieves at Party

City of Grosse Pointe police are conducting an investigation into the report that money and an expensive cigarette case were taken from a Rivard boulevard home during a graduation party.

Police were told that at the home of Bob Lewis, 743 Rivard, \$70 was taken from a purse owned by Patricia Fell of 132 Moran, \$1 from Joan Squier, 401 Belanger and the cigarette case, valued at \$15, was taken from the purse of Ann Origen of 942 Lincoln.

Several guests who crashed the party are under surveillance by the City law enforcement officials. The thefts occurred late last Thursday night.

U. of D. Enrolls 4,000 Students This Semester

Showing the largest mid-year enrollment increase in the history of the school, more than fourteen hundred new students were admitted to the University of Detroit during the regular second term registration period, according to figures released by the Rev. Hugh F. Smith, S.J., registrar.

This increase will bring the total enrollment above the 4,000 mark. It is estimated that more than ninety per cent of the new students are discharged veterans. About fifty per cent of these ex-servicemen are former U. of D. students returning to finish their war-interrupted college careers and the remainder are transfers from other colleges and veterans entering college for the first time.

Contrary to popular opinion, a majority of the returning servicemen enroll in the regular degree programs rather than the special short-term courses or refresher classes.

COMEDY, DRAMA FEATURE MANY FAVORITE STARS
 Although he is unwilling to share his plight with the girl he loves, Robert Cummings is talked into marrying Elizabeth Scott in the picture, "You Came Along." This will be shown at the Colony theatre tomorrow and Saturday. "A Thousand and One Nights" will be teamed with it.
 "A Thousand and One Nights" is a story which has to do with a genii who makes her appearance when a lamp is rubbed. The genii, played by Evelyn Keyes, assists the adventurous lads played by Cornel Wilde and Phil Silvers in their escapades in the palace of a queen. Wilde, who falls in love with the queen, cannot see her until he is clothed in garments of gold and silver through the efforts of the genii. How he turns out with his romance makes an enjoyable and laughable story. Phil Silvers is at his best in this comedy with his almost impossible situations and escapes as well as clever dialogue.

'Anything Goes,' Cole Porter's Musical at Masonic Temple
 "Anything Goes," the gay Cole Porter musical, which served as a Broadway starring vehicle for Victor Moore, Ethel Merman and William Gaxton, and in the score of which are such popular compositions as "I Get A Kick Out of You," "You're the Top," "Blow Gabriel Blow," "All Through the Night" and many others, is to be the second of the productions offered at the Masonic Temple by the Civic Light Opera Association of Detroit, starting next Tuesday night, Feb. 14. "Anything Goes" will be presented every night at 8:30 (with the exception of Thursday night, Feb. 14) through Monday night, Feb. 18, with a matinee performance on Sunday afternoon at 2:30.
 The cast of this gay laugh providing, fast moving musical production, will be headed by Yvette, the extremely versatile singing entertainer, who survived the Lisbon plane crash in which Tamara lost her life and Jane Frohman was seriously injured.

Character Actor in 'Romeo' Road Group
 The neighbors didn't complain, but they wondered what the big, snout-nosed, red truck was doing parked in front of the Frank E. Werneken residence, 26 McKinley road—not just for a day or two, but for over a week. Russel Werneken, youngest son of the family supplied the answer.
 The truck carries the scenery for the National classic theatre's presentation of Shakespeare's "Romeo and Juliet," which the company played yesterday at the Mt. Clemens high school to an enthusiastic capacity audience.
 Mr. Werneken joined the company last October, just 13 days after being released from the army. He tells us that in three months on tour he has traveled much further than the army sent him in four years—and that counts a round-trip to Panama, where he served with the medical department.
 In Shakespeare's immortal love-tragedy, (Juliet's father), and the Apothecary.

FRANCHOT TONE APPEARS HERE IN GAY COMEDY
 Franchot Tone returns to the screen after many months' absence, in "That Night With You," sharing comedy honors with Louise Albritton, Susanna Foster and David Bruce in a musical comedy noteworthy for the charming way in which it ignores all current world problems.
 It will be shown at the Esquire theatre tomorrow and Saturday, with "Senorita From the West."
 The film takes its cue from its fairy-like title, and unfolds in a manner suggestive of a modernized Hans Christian Andersen. Susanna Foster, as an aspiring thespian, becomes involved with a wolf-producer, Franchot Tone, much to the distress of her fiancé, David Bruce. A wild series of escapades in which Miss Foster poses as Tone's daughter, runs about of quick-witted Louise Albritton and combines to make a hectic and highly amusing story.

Post Office Workers Seek Pay Increase
 At a mass meeting of postal employees held last Sunday night in Cass Technical high school auditorium, their sorrowful plight was clearly brought to attention.
 In addition to national officers of postal organizations, a cross section of Detroit's economic life spoke in regard to the difficulty experienced by postal employees, to make ends meet with the salary now received. They also brought forth the fact that it was necessary for those with large families or with unusual obligations such as sickness or buying a home to seek additional employment outside the postal service, which not only deprived them of recreation and amusement but also resulted in beclouded and fatigued bodies and minds with which to perform their duties.
 Among such speakers heartily in favor of a new deal for these public servants were Hon. Patrick H. O'Brien, judge of probate; Father Lawrence Cavanaugh, director of National Council of Catholic Men; Daniel J. Ryan, Michigan state senator from the 4th district; John MacGillis, former deputy regional director of WPB; and Frank X. Martel, president of Detroit and Wayne county Federation of Labor.
 A resolution was unanimously adopted at the "rally" to increase the pay of postal employees 20 per cent with a proviso that no employee covered by Public Law 134 receive less than \$500.
 Despite the fact an increase was granted July 1, 1945 after 25 years without a pay raise, the "take-home pay" is now far inadequate. This was caused by the quick termination of the war which resulted in a decision by the post office department to revert to a 40 hour week and eliminate overtime to provide more jobs.
 In addition to a living wage for postal employees it was unanimously agreed by the assembly at the rally that appropriate legislation was mandatory to protect the communication system of business industries and the people in general of these great United States of America.

RUSSEL WERNEKEN
 Although most of the performances are open to the public, the primary purpose of the National Classic Theatre of the Catholic Church is to separate to college and high school students that the classic plays they study are really not as dull and tiresome as they might seem at first acquaintance with the printed page. All the humor, vitality, excitement and philosophy which have made Shakespeare's dramas immortal.

"CHINA'S LITTLE DEVILS" BILLED FOR NEW SHORES
 A light and frothy yarn about a couple of fourth-estate adventurers in Uncle Sam's army, "Over 21" at times touches serious depths with an understanding well interpreted by Alexander Knox. This will be shown at the Shores theatre Sunday, Monday and Tuesday, with "China's Little Devils."
 "Over 21" faithfully following the stage version, is the story of Polly, played by Irene Dunne, novelist and commentator, who leaves her movie assignment to set up housekeeping in a tiny bungalow in Miami where her husband, Knox, is in OCS whence he arrived after resigning his editorship of The New York Bulletin. The story is light, gay and filled with sophisticated char mand both turn in good performances in their respective roles.

"Storm" Opens Thursday

Woods Community Club News

New classes are now being organized in the nursery school at the Community club at 20883 Mack avenue and will begin at 9 a.m. on Monday, Feb. 4. Mrs. Walter Reeg, who has had a leave of absence since September will resume her duties as teacher.

Children from 2 1/2 to kindergarten age will be accepted and registrations will be taken at the club today and tomorrow.

The newly organized Glee club under the direction of Mrs. Huster is proving a popular feature. Twenty-five boys and girls attend at present and more are invited to attend. This group meets on Tuesday night and is for teen agers. There is no charge.

The class in shell jewelry for girls held every Thursday night is also popular and vacancies exist for a few more members.

Mrs. N. W. Swayne reports her Wednesday class in dressmaking is already filled but if a sufficient number of women are interested, a second class will be organized and will begin as soon as possible after Feb. 1.

The millinery classes have been moved from the club building to more convenient quarters in Mrs. Irene Sutton's recreation room at 1677 Brys Drive. New classes are now being organized by her. Students will learn how to make new hats or remodel last year's and how to design personalized models.

For information regarding any of the above classes or groups sponsored by the Community club, please call Mrs. Reeg, at TU 1-9821.

Studebaker Recalls 5,000

More than five thousand employees who were laid off at the beginning of the reconversion period have been called back to the job by Studebaker, at South Bend, Ind. The payroll now includes more than eight thousand workers, as compared with 7,300 in January, 1941. Although manufacturing of cars was delayed three months by strikes in factories which supplied parts, full-scale production now is under way.

REMEMBER?

One Year Ago
A second Pointe village had cancelled its primary election last spring. James K. Watkins, incumbent, was unopposed in the election in Grosse Pointe Farms for president while four men sought the three seats on the council.
Diplomas were awarded to 117 students of Grosse Pointe high school at commencement exercises in the high school auditorium.
St. James Lutheran Church of Grosse Pointe launched a campaign for funds to construct a church on its building site on McMillan road north of Kercheval, opposite Gabriel Richard school.
Certificates of necessity for coal were obtainable from the village clerks by those who had less than a five day supply of coal and who had exhausted all efforts to obtain coal by delivery from dealers.
Grosse Pointe Farms council expected a large attendance at a special meeting to hear an explanation of the proposed retirement system for village employees. Rep. Louis C. Rabaut criticized the veterans' discharge button.
Five Years Ago
An industrial arts building that was planned to be made available for night training of men under the national defense program, was to have been constructed near the southwest corner of Grosse Pointe high school's athletic field. The structure, which was to have done much to relieve overcrowded conditions, was the first school building ever erected in Grosse Pointe without the aid of a bond issue.
Before a small but orderly gathering of residents, Grosse Pointe Park's commission heard a discussion of the proposal to change the village into a city form of government. A spokesman for the Citizens Association presented reasons for the change and answered questions from the floor. No definite action was taken by the commission.
Quick-spreading flames swept thru the Hoop-De-Doo roadhouse in Grosse Pointe Woods, causing damage estimated at \$3,000 before firemen brought the blaze under control.
Three more accidents were reported in Grosse Pointe Shores on Lake Shore Drive. The primary election was cancelled in Grosse Pointe Farms. Pat Conlan, ex Park police officer, captured one of a pair of 17-year-old car thieves in the act of stripping a car.
18 Years Ago
The Golden Gloves elimination tournament was scheduled to be fought at the Neighborhood club. This was the second time that the

Surviving besides her husband; son, Lieut. Bruce A. Stork; mother, Mrs. Christine Reaume; three sisters, Mrs. Francis Girard, Mrs. Thomas Holden and Louise Reaume; two brothers, John and Thornton Reaume.
Funeral services were conducted by the E. S. Watco funeral home, 381 E. Grand Boulevard.

AWVS to Elect New Officers Feb. 27

Members of the board of directors and board of managers of the Grosse Pointe unit of the AWVS held a business meeting at the home of Mrs. Frederick Clifford Ford on Wednesday, Jan. 30.
Following committee reports, plans were made for the annual meeting and election of officers on Feb. 27 at a tea in the home of Mrs. Alger Sheldon. Mrs. Clarence B. Swift was appointed chairman of the nominating committee and Mrs. Ford will head the committee on arrangements for the annual meeting.

That tried and proven adage is one of the cardinal rules in our Prescription Laboratory. It is the reason why we double-check every prescription. When one pharmacist has completed the compounding of the medicine, he takes it and the prescription blank to another pharmacist and together they re-check each ingredient, each measure, each step. This double assurance of unfailing accuracy is one of the safeguards we have established to protect your health.

Visiting Nurses Maintain High Number of Calls

With an average of ninety-eight nurses on their staff during the past year, the Visiting Nurse Association cared for 29,281 patients, or an average of 298 patients per nurse. Sixteen of these nurses, however, devoted all their time to administrative and supervisory work. Seven served as industrial and school nurses and their patients are not counted in the total.

Visiting nurses averaged seven visits per day dropping from the eight they maintained in prewar years. Poor transportation, fewer automobiles and greater turnover in staff were given as reasons for this decline. The number of visits per patient has decreased only slightly during the past five years declining from a little over five in 1941 to 4.7 in 1945.

Richard School N-E-W-S

The boys and girls of the Richard school are having a two-day vacation today and tomorrow, while their teachers are completing various records of the first semester and getting ready for the opening of the second semester. It hardly seems possible that a half of the school year is already over.

While most of the pupils of the school will have the same teacher for the second half, a number of classes move on to new teachers. The afternoon kindergarten class goes into the first grade and h. s. Blanche Keigen as their teacher. There is a list of 44 children who are either five years old or who will be five by April 1, who come into the beginning kindergarten of Lois Arends. Blanche Keigen's 2A group goes into the 3B with Elsema Nault as the teacher. Elsema Nault's combination 4B-4A become a 4A-3B with Ruth Bockes as the teacher. Ruth Bockes' class of 6A's leave Richard school

and make their entry into Brownell Junior high school. Nearly all of the other children of the school go on with their same teacher excepting that there is some reorganization of the sixth grade.

At the present time the sixth grade is divided into three different groups and through the addition of another teacher next semester these combination sections will be eliminated. There will be two 6A classes, one under the guidance of Ernestine Gocha and the other under Cecily Harder. The 6B class at present being taught by Mrs. Westfall, a temporary substitute teacher, will be taught next semester by John Hammel.

The two new staff members were both former teachers in the Grosse Pointe schools. Both have been in their country's service for several years. Ernestine Gocha formerly taught upper grade art and core subjects at Richard school and John Hammel was a staff member of the Mason school. The Richard school is very happy to welcome them back to the fold.
