

PIEL RESIGNS APRIL FIRST

POINTE PARAGRAPHS

by THE POINTER

Spring has arrived! According to Allan D. Maxwell, acting chairman of the University of Michigan's astronomy department, the arrival time was 12:33 a.m. today.

In case you didn't know, Professor Maxwell says Spring begins when the plane of the earth's equator passes through the sun. The equinox, when days and nights are equal in length, also occurs at the same time.

To help straighten you out, he says Spring arrives on March 20 on a leap year and the year following while in other years the date is March 21.

Buses traveling eastward on Charlevoix, will not stop at Fisher road any more. Signs have been posted for them to stop only at Lincoln and Charlevoix. A little bit of exercise for some!

President James K. Watkins of the Farms asked that a study be made of the applications for the erection of quonset huts in their village. He said he "didn't want to see the village cluttered up with too many of them."

Every time the City fathers attempted to discuss some major problem last Monday night they were interrupted by departing or returning fire trucks. Within an hour, there were three false fire alarms turned in, and one in the Farms.

Smiling Albert Crooks, a Farms patrolman for the past nine years, is resigning from his post and will reappear in the next issue.

Au Revoir, Albert, and good luck in your business venture.

Speaking of policemen, everyone was wondering if the Farms council was going to appoint their new police chief... but the matter was not brought up Monday night.

Here's a release sent by the U. S. Army recruiting station in Detroit. They want discharged servicemen to volunteer for re-entry into the service and must stay in for the duration of the war plus six months, or until sooner relieved for the convenience of the government.

Need more to be said?

We're wondering if the fact that James McLeod, driver for the Lake Shore Coach Lines, was married the night before had anything to do with the minor accident in which he and Joseph Colley of 1088 Meldrum were involved at Kerby and Grosse Pointe boulevard last Saturday afternoon? Could be! ? !

The first Irish (and we mean all-Irish) boy to be born on St. Patrick's Day is the new son of Wally and Muriel Conlan of 1357 Nottingham, Grosse Pointe Park.

Walter Patrick Conlan, Jr. made his appearance at 3:15 a.m. Sunday to join his sister Karen. They are the grandchildren of not only the Irish Conlans, but also the Irish Killbrides of 1128 Nottingham.

Wonder if his lacyette was predominated with green rather than the traditional pink or blue?

REMEMBER?

One Year Ago

A lambschick was dropped into the laps of the Grosse Pointe Park village commissioners when Ward S. Van Deusen announced his resignation as president of the village commission. This announcement followed the swaying in of the three new commissioners: William A. Gillett, James McMillan and Elmer F. Ulfrey.

Plans were being completed by officials of the Grosse Pointe Village Garden Council to develop and make local Victory gardens. They were to be located in various parts of the village and were to be under the supervision of the council. The council is a voluntary organization and is interested in the welfare of the village. It has a number of members and is active in many ways. The council is planning to hold a meeting on April 2nd at 7:30 p.m. at the village hall. All interested parties are invited to attend.

Park Police Seek Driver Of Fatal Hit and Run Auto

A fatal hit and run accident occurred in Grosse Pointe Park early last Sunday morning when Emery Stankowitz, of 3655 Balfour road, died in Bon Secours hospital two hours after he had been hit by a car. The accident took place at 4:20 a.m. on Whittier between Vernor Highway and Charlevoix.

Lieut. Arthur Louwers of the Park police department, has asked The Review to assist him in locating the driver of the car which hit Stankowitz. He believes that the driver did not realize he hit a human body and is anxious to contact him for questioning.

The police officer bases his reasoning on the fact that the rain and the position of the body which was lying in the street before it was hit, did not reveal that it was a man fallen in the street.

Anyone who has in this neighborhood at this time is urged to cooperate with the police in solving this accident.

Instructions for Use of Slide Rule Offered Pointers

A short course of five two-hour sessions in the use of the slide rule will be held Tuesday night, March 25, at the Grosse Pointe Park village hall.

The course will cover the use of the fundamental scales to develop proficiency in multiplication and division, use of inverted and folded scales, square and square roots, the relation of logarithms to the slide rule and a general study of the various types of slide rules, including a discussion of the wide variety of special purpose slide rules used in the business world.

The instructor will be Bennett Burgoon, graduate electrical engineer from the University of Illinois, who has taught mathematics and mechanics at the University of Illinois also extension courses for Pennsylvania State college in addition to special industrial classes in engineering all of which included slide rule instruction.

Seeks Answer on Lake Pollution

Village attorney Maurer of Grosse Pointe Farms told the Farms council Monday that he expected to have some word from the state on the matter of the continued pollution of the lake by the southern Macomb county municipalities.

Two War Plants Ignore Stop Order

Of the seven small war plants which flourished in Grosse Pointe Park during the war, two have made application to continue the use of their buildings as small plants or factories.

This was revealed last Friday night at a meeting of the Park Planning commission which reported to a group of residents living in the vicinity of Charlevoix and Mackland.

GROSSE POINTE'S FUTURE HOME MAKERS

THE WOAKIYA Camp Fire Girls of the Neighborhood club spent a busy Saturday planning, shopping and preparing a dinner, one of the requirements for Torchbearers' rank. Pictured in the back row are Carol Higgins, Marie Vlietinck, Joann Ridings, Rose Ann and Celestine Blondell; front row, Milicent Vintilsky, Marilyn Baker, Virginia Vlietinck, Carolyn Gates and Jean Corey.

Woods Permits Mack Two Story Buildings

Grosse Pointe Woods will limit its Mack avenue business buildings to two stories with the second floor used for business or professional reasons only.

The amendment which drew the fire was the one which would have limited business buildings to two feet and only one story. The main argument against this was brought forward by the residents of the village.

Appropriate Money for Bathing Beach at Farms' Pier

An important step in connection with the development of the newly acquired Hock property adjacent to the Grosse Pointe Farms municipal pier was taken Monday night when the village council approved the expenditure of approximately five thousand dollars for a bathing beach.

In a detailed report to the council, Village Engineer Murray Smith recommended that if a natural beach is desired, wood sheeting would be used to separate the present rubbish hill from the proposed sand beach.

Monday's Induction Takes Many Boys From Pointe Area

Twenty-three boys were scheduled to report for induction into the armed forces last Monday, March 18 at 7:30 a.m. at the induction station on Jefferson and McDougall.

The majority of the draftees were the 18-year-old youths who have become eligible for the draft in recent months.

Library Wants Quonset Hut Erected in Farms

The Grosse Pointe Park library is planning to erect a quonset hut on the property of the library on Mack street, near Charlevoix. The library is a voluntary organization and is interested in the welfare of the village. It has a number of members and is active in many ways. The library is planning to hold a meeting on April 2nd at 7:30 p.m. at the village hall. All interested parties are invited to attend.

Lieut A. Louwers May Succeed Park Police Chief

Investigation of rumors circulated in Grosse Pointe Park these last two days revealed that Henry W. Piel, chief of police, will leave the department April 1.

Howard P. Parshall, village president, said that Chief Piel had turned in his resignation, effective April 1, and that Arthur Louwers, lieutenant in the department, will be appointed as the new police chief.

Strike Rumors In Farms

The wage committee report prepared for the benefit of Grosse Pointe Farms employees was taken from the table last Monday night and was adopted in its present form, giving varying increases in salaries.

This report was prepared by Councilmen William F. Connolly, Jr., Richard Maxon, George Schlaepfer, and Wallace Jensen. The latter is a representative on the committee from the village-at-large.

Following the adoption of the report, the public works employees left the meeting, feeling that their demands for a raise had not been met.

Will Ask Parallel Parking in City Shopping Center

Clarence D. Blessed, police and fire commissioner of the City of Grosse Pointe, intends to recommend to the city council a proposal to discontinue angle parking on Kercheval avenue in the shopping district.

Lighted Cigarette in Sleeper's Mouth Sets Mattress Afire

A taxicab driver, passing the business block on Mack avenue near Lakepointe early Wednesday morning, March 15, thought he saw something amiss in the apartment above 15130 Mack avenue, as well as smoke pouring from a window.

Retiring Park Police Chief

Chief Henry W. Piel is retiring after a long and successful career in law enforcement. He has served the community with honor and dedication. He is leaving behind a legacy of service and a team of dedicated officers.

His retirement marks the end of an era in the history of the Grosse Pointe Park police department. He is being succeeded by a new chief who will continue to uphold the high standards set by Chief Piel.

CIVILIANS AGAIN!

EDITOR'S NOTE: Every week, The Review will publish the names of the men and women of Grosse Pointe who have been and are being discharged from all branches of the armed services. Their service people, themselves, their families or friends are invited to send their names to The Review office.

VETERANS NEWS

From the OFFICE OF VETERANS' AFFAIRS LANSING

Governor Kelly, in his message to the 63rd Michigan legislature in extraordinary session in February, asked that a bill be enacted, setting aside as a trust \$50,000,000, now in the Veterans' Postwar Reserve fund, and that the income from the trust be used to assist veterans in distress.

He pointed out that the Veterans' Advisory Committee and the state commanders of the American Legion, Disabled American Veterans and the Veterans of Foreign Wars, speaking for their legislative committees, had unanimously endorsed such a bill.

The bill provides a veterans program administered by veterans, Governor Kelly said. Continuing, he said, "I feel as though I should call this to your attention as you consider this bill. You will note that it calls for the creation of a board of trustees, the membership to consist of two nominated by the American Legion and appointed by the governor, two to be selected and appointed from the ranks of the VFW, and one from the DAV.

"To those who might not understand and ask the question, 'To what extent does this represent the World War II veterans?' may I answer by saying that not only will all five of these World War II veterans but that, with less than half of Michigan's veterans home today, 33 per cent of the total membership of the American Legion are World War II veterans, 60 per cent of the Veterans of Foreign Wars have served in this war, and 57 per cent of the Disabled American Veterans were disabled in World War II.

"Again I call to your attention that these veterans organizations are not only ready to accept this all-important trust, but agree with me that if, in your regular session next January, there are any other organizations of veterans that have grown to a size justifying representation on this important board of trustees, you then make appropriate changes in the law.

"The plan we suggest will prove workable. It will meet a need for many years to come. I ask you to enact it, and thereby to erect an enduring monument of gratitude to those who gave so much for you and me.

"As of Jan. 10, 1946, the \$50,000,000 you set aside in the Veterans Postwar Reserve Fund, had earned \$1,201,286 in interest. I ask that you make \$1,000,000 of that sum available immediately for the purposes of the act to which I have just referred in order that there may be no delay in extending the benefits of this fund to the veterans of Michigan, once the trust has been created and its administration implemented."

Sergeant Danna Takes Part in Emperor's Protection

Headquarters Eighth Army, Yokohama, Japan. — Sergt. Anthony Danna, Jr., 411 Calvin road, Grosse Pointe Farms, is taking a leading part in the occupation of Japan in his present job as operations sergeant in the Military Police battalion in Yokohama.

Most recent of his work was the planning of the protection of the emperor of Japan in his trip to Yokohama. This involved the stationing of 100 additional men plus the assignment of 14 radio jeeps. Danna and the others who planned the emperor's protection were commended by both Japanese and Army officials for the fine way the work was handled.

Sergeant Danna is a graduate of Grosse Pointe high school and his parents, Mr. and Mrs. Anthony Danna, Sr., live at the Calvin road address.

Whiting Resigns as Packard Zone Manager Takes Over Dealership in Grosse Pointe

Henry Whiting, prominent in Detroit automobile sales circles for nearly twenty-five years, announced recently he had resigned as Detroit zone manager for the Packard Motor Car company to take over Packard-Grosse Pointe, Inc., a dealership at 15205 E. Jefferson.

He said the factory had operated a branch at the Grosse Pointe address since 1929, and that his appointment as dealer there was the latest development in the factory's program to withdraw completely from retail business throughout the country.

Whiting joined the factory organization July 5, 1922. He served as manager of Packard's downtown and uptown retail outlets before his appointment in 1932 as general manager of the Packard-Detroit branch, in charge of all wholesale and retail sales and service operations in the branch's Michigan territory. In 1945, under Packard's new distribution plan, he became zone manager, with supervision over dealers in most of Michigan, as well as northwestern Ohio and northeastern Indiana.

Dr. Crane to Speak on Lenten Program

Dr. Henry Hitt Crane, internationally famous philosopher and writer, rated among America's top preachers, and now pastor of Detroit Central Methodist church, will be the inspirational speaker Tuesday night, March 26 at 7:30 o'clock for the fourth in the series of Lenten Fellowship services at Jefferson Avenue Methodist church, Jefferson at Marlborough.

Dr. Crane's theme will be "The Choice of Christ." Those who have heard Dr. Crane in the past know that the theme of his talk will be turned into an encouraging, spirited message that will help to work out everyday problems of living.

This will be the second appearance of Dr. Crane on the Jefferson Avenue church Lenten Fellowship series, now in its fifth year.

Following the policy established in previous years of securing outstanding inspirational speakers, the Jefferson Avenue Methodist church has secured a particularly fine speaker for the series.

April 2—Dr. Frederick H. Oiert, "The Human Drama Fulfilled."

April 9—Dr. Norman Vincent Peale.

April 16—Dr. Willard Brewster—"Jesus, the Supreme Psychologist." Members of the community interested in listening to top-flight, thought starting speakers are cordially invited to attend these Tuesday night speaker programs, beginning at 7:30 o'clock in the Jefferson Avenue Methodist church sanctuary.

Camp Fire Girls Offer Membership To All Ages

Camp Fire Girls, Inc., oldest national organization in America for young girls, marked its 34th anniversary on March 17, the first day of Camp Fire Week. With "At Home in the World" as their theme, Blue Birds, Camp Fire Girls and Horizon Clubbers, the three age classifications served by the organization, will feature a program dramatizing the international aspects of family, friendship and understanding.

Special ceremonies, "get-togethers," and family participation meetings will highlight the romance and color of home crafts, with events planned to create an understanding of the cultures and ways of life in other lands. The cultivation of friendship with the youth of other nations will be stressed through personal and group correspondence of the nation-wide membership. Shops in cities and towns are cooperating by making available window space to display materials made by the girls in their hand and home craft classes.

In a large number of communities the girls will entertain their families, relatives and friends at parent meetings, at which time the girls will have an opportunity to demonstrate the skills they have learned in the Camp Fire program.

Since 1912, the date of its incorporation, Camp Fire has served millions of American girls, as well as those of other lands. Gearing itself now to the activities of a peacetime world, it is putting into practice a program designed to help young

girls fulfill the obligations of responsible citizenship, and enlarge and strengthen their understanding of world cultures, by emphasizing the importance of total family participation in the activities built around the theme, "At Home in the World."

Camp Fire Girls, Inc., offers membership to all girls seven years of age through junior college. The three groups are Blue Birds, or juniors; Camp Fire Girls, the intermediates, and Horizon Clubbers, the senior group.

Camp Fire Girls and Blue Birds are meeting at the Neighborhood Club every Friday at 4 p.m.

Trombly School—Blue Birds—Mitz Spiers, Ann Marie Hillstrom, Irene Stempfle, Ann Elizabeth Bacon, Frances Butterfield, Carole Stonking, Alice Jane Moore, Constance Pavey, and Beverly Johnston have been active in recent weeks with trips to a ginger ale plant, a creamery and the Protestant Children's Home.

They have also had a splash party, attended a Camp Fire ceremonial and are now busily making bibs for poor babies.

A handcraft display is being held in the school; it includes many gift suggestions.

To Discuss Modern Cooking

The March meeting of the Mothers' Health Education Council of Grosse Pointe will be held next Wednesday, March 27 at 1:30 p.m., at the offices of the Michigan Consolidated Gas company.

Miss Arlene Shields will give a demonstration on "Cooking the Modern Way to Preserve Vitamins and Minerals." The council has asked Miss Shields to give special emphasis to the preparation and selection of foods for the child's lunch.

All Grosse Pointe mothers are invited to attend what promises to be a most interesting and informative meeting.

Reservations are asked to be made with the council representatives of the following schools: Pierce, Mrs. Fred Pessl; Defer, Mrs. Wallace Lamb; Trombly, Mrs. Edwin J. Hollahan; Richard, Mrs. Arthur Koebel; Kerby, Mrs. Kenneth Michel; Vernier, Mrs. Clark Bassett; Maire, Mrs. Leroy Allen; Mason, Mrs. Charles E. Wade; and Grosse Pointe high school Mothers' club, Mrs. Donald Hollister.

PARENTS ANNOUNCE TROTH

AT A TEA in their home on Lakepointe road, Mr. and Mrs. Conover B. Savaris announced the engagement of their daughter Ruth, to Pvt. Henry C. Hasspacher, son of Mr. and Mrs. Hugo C. Hasspacher of Barlow avenue.

Gray Ladies Teach To Keep Hospitalized Men Happy

Blind veterans are fitting themselves for careers with the help of American Red Cross Hospital and Recreation Corps volunteers. Reading textbooks and other books to help them these volunteers help with individual studies of subjects ranging from insurance to poultry raising. A woman volunteer who is a graduate lawyer conducted a course in law.

Educational assistance is one of many services given to hospitalized men of the armed forces by Gray Ladies, members of the Hospital and Recreation Corps. A linguist has taught French, Spanish, German, and Italian to scores of convalescents. Hospitalized soldiers have received university credit for courses taken at a school operated by the corps.

49,882 Members—A group of women worked in the greenhouse and gardens with patients at one establishment, teaching them horticulture. Skiing and tennis lessons are given at a veterans' hospital for mental patients. Ballroom dancing, music, handicrafts, and

scholastic classes are taught at many federal hospitals.

The corps comprises 49,882 volunteers serving patients in 1,202 hospitals, both federal and civilian.

They shop for patients, wheel book carts through wards, distribute comfort articles, take a hand in games, escort visitors, and assist with hospital entertainment. They greet new patients, ascertain their personal needs, and acquaint them with the hospital.

Shopping errands involve anything from selecting a sacheted satin birthday card for a veteran's best girl to trying out a motorcycle that a patient saw on display in a store.

Gray Ladies decorate wards with flowers. They have even made up brides' bouquets for weddings in hospital chapels.

A music unit from the New York chapter gives concerts in several hospitals. Corps often organize glee clubs among patients. A Gray Lady plays a weekly program of all-request piano numbers over one hospital's radio station.

Mason Parents to Hear Address on Child's Food, Growth

The regular meeting of the Mason Parent-Teacher Association will be held on Tuesday, March 26, at 8:15 p.m., in the auditorium of the school.

Teachers and room mothers will be in the classrooms from 7:45 to 8:15 to visit with parents.

There will be an election of officers, and Miss Marian Breckenridge of the Merrill-Palmer school will speak on "Food and Its Relation to Your Child's Growth." Posters, exhibits, and pamphlets on foods will be on display.

What do I want most in a Job?

Good wages, of course.

But more than that . . . a chance to get ahead . . . a feeling that you're secure . . . a clean, pleasant place to work in . . . nice people to work with, the kind you'd be proud to have as friends.

These are some of the advantages of telephone work. If you are looking for a good job that can be fun and be interesting work, too, Michigan Bell may have just such a job for you—an important job as a business office representative or teller, a switchboard operator, a clerk or a typist.

You need no experience, and you'll be paid while you learn.

Telephone jobs for girls pay higher wages than ever before. If you're interested in a good job with regular pay increases, drop by our employment office, 1365 Cass Avenue, and get full details.

Vernier Children Prepare Red Cross Boxes for Overseas

Vernier children feel very proud—There are only 166 pupils in the school and \$65.30 was contributed to the Junior Red Cross fund. Now the children are bringing small articles for Junior Red Cross gift boxes. Each box will contain small articles suitable for children which will be sent to Europe.

The third grade visited the Wonder Bread bakery last Friday afternoon. They watched the process of bread making from the mixing of the first ingredients to the packing the final product for delivery to the stores. They sampled sweet rolls immediately after they came from the oven and the children and the six mothers who drove were unanimous in declaring it was a wonderful trip.

by ANNIE WAKEMAN and DONNA DAHLEN

JUST PILES AND PILES OF kids climbed into cars and buses last Friday night and made their way out to Ferndale to see Grosse Pointe play Dearborn. We may have lost the game but the spirit was sure there. I saw Martha Armstrong, Barb Molyneux, the Kretzmar twins, Dan Beck, Dick Seymour, Dave Bogle, Mary Thorn, Denny Thomas, Don Barrett, Cow Cameron, Joan Stiveson, also saw Joann Russell and Janet Reid sitting on the edge of the balcony cheering for our team.

IRISH EYES WERE SMILING last Saturday night when all the lads brought their colleens to the G.P. St. Patrick's Day dance at the Ga St. high school. Seen dancing to the latest hits were Barb Stoerkle 'n Phil Skillman, Marilyn Kaiser 'n Joe Hickey, Adele Gillette 'n Don Floor, Marilyn Buck 'n Jim Cameron, Ellie Hewitt 'n Earl Lapp, Elaine Bueher 'n Marty Beer, Joey Johnstone 'n Dave Kaiser, Adelaide Klingbeil 'n Graham Meikle, Marilyn Smith 'n Andy Creamer, Thelma Fife 'n Bob Winning. At the refreshment stand I saw Skippy Cook 'n Nancy Brill, John Rummel, Bob Olson and Bay Grubbs.

PETER PRINCE, HOME FOR spring vacation, played host last Friday at a luncheon at the DAC. Peter's date was Fay Howard and others there were Joanie Gehlert 'n Bob Cudlip, Bill Cole 'n Janie Gehlert, Libby Powell 'n Larry Higbie, Charles Thomas, and Ed Baker.

After lunch the party moved to Bob Fisher's house where "take your pick" was the motto between bridge, dancing and eating.

WHAT, ANOTHER CABIN party! Yep, that's what it was at Bob Cudlip's last Friday night. There were just hundreds of kids but to mention just a few there were Dawn Osius 'n Charles Thomas, Pete Prince 'n Lois McNierney, Bob Fisher 'n Janie Gehlert, Joan Cochran 'n Jim Kretzler, and Joanie Gehlert was Bob's date.

LAST MONDAY MORNING Grosse Pointe bid farewell to another group of boys who were leaving for the armed forces. A few of those who left (after the dozens of going away parties given for them) were Jim Bailey, Bill Kerr, Bob Donovan, Jack Buck, and Dave Robb.

KIDS: DON'T FORGET ABOUT the big "Quad Hop" comin' up this Friday night at the Book Cadillac in the grand ballroom starting at 9:30. DUS and Country Day sororities and fraternities are the hosts and hostesses. The dance planning committee consists of two representatives from each sorority and fraternity. John Pemberthy and Leigh Middleditch are representing Gamma Delta; Annie Wedthoff and Nancy are gals from Tau Beta; Dave Dave Robb and Bob Smith showing up for Megate; Gertrude Ford and Annie Stringer are the Sigma Gamma dance planners.

Arts and Sciences Are Preference of Ex-Servicewomen

What does the ex-Wac, Wave or Nurse want to study once she doffs her uniform and returns to the college campus under the GI. Bill of Rights?

According to figures released by Miss Helen E. Kean, dean of women at the University of Detroit, 64 per cent of the ex-servicewomen carrying full-time class schedules on the McNichols road campus show a preference for arts and science studies. No discharged woman veteran has applied for admission to the highly technical engineering courses as yet and only one is listed on the law school rolls.

Ten test case ex-servicewomen, amassed more than twenty years service-time to their collective credit, show that the typical co-ed veteran at U. of D. is 24 years old, spent approximately two years and two months in service and had some college training prior to enlistment. Seventy per cent served in this country for the full time.

Sacred Heart Convent Plans Day of Recollection

A Day of Recollection will be held at the Sacred Heart Convent, Grosse Pointe Farms, Sunday, March 24. The day's activities will begin with 8:30 Mass and end at 4:30 p.m. with benediction.

The Reverend Father, Fr. John J. Gorman, O.S.A., will be the guest speaker. A special Mass will be celebrated at 8:30 a.m. and 10:30 a.m. Reservations should be made at the convent, N. 932, for reservations.

MARRIED IN ARKANSAS

THE BRIDAL party of Miss Madelyn Gregory of Grosse Pointe Woods, who married Clinton Elliott in Searcy, Ark., Friday, March 8.

Nine Attendants Assist Woods Bride At Ceremony

The marriage of Miss Madelyn Gregory and Clinton Elliott was solemnized in an impressive candlelight ceremony in the chapel of Harding college in Searcy, Ark., Friday night, March 8, at 8:30.

Dr. George S. Benson officiated at the double ring ceremony which was performed against a background of candleabra, gladioli and fern.

The bride, daughter of Mr. and Mrs. D. H. Gregory of Grosse Pointe Woods, entered the chapel on the arm of her father who gave her in marriage. Her gown was of white slipper satin with fitted bodice which buttoned to the waist in the back and ended in a long train. Her floor length veil fell from a satin braided band; she carried a bride's bouquet of white roses.

Mr. Elliott is the son of Mr. and Mrs. W. T. Elliott of Chickasaw, Okla.

Miss Nancy Gregory, who was her sister's maid of honor, wore a gown of yellow net over taffeta. Her bouquet was made of pink gladioli with spirea, accented with orchid snap dragons.

The bridesmaids were Betty Ury, Geraldine Young, Wray Bullington, Lavera Novak, Marguerite O'Bannon, Betty Rhodes, Lucille Hancock and Ida Hazlett. They were attired

in pink and blue taffeta gowns with sweetheart necklines and tiered skirts. Their bouquets were also gladioli.

Melvin Elliott served his brother as best man and ushers were Bill Smith, William Baker, Albert Stroop, Dan Lipps, Claude Lewis and Evan Ury.

Following the ceremony, a reception was held in Godden Hall.

Mrs. Gregory, mother of the bride, wore a gown of pale green crepe with a shoulder bouquet of red roses; the groom's mother wore navy blue with a similar corsage.

The new Mrs. Elliott graduated from Grosse Pointe high school and attended Harding college previous to her marriage. She is a member of the Gata social club. Her husband graduated from Harding last year as a ministerial student and is a member of the Lambda social club.

After a short wedding trip, the couple arrived at their home in Fort Wayne, Ind., where Mr. Elliott is a minister for the Church of Christ.

CONGRATULATIONS

Capacity Crowd Attends Girl Scout Birthday Rally

Everyone agrees that our birthday rally was a big success—as evidence, we give you a few facts: Four hundred people attended the celebration, and in Richard gymnasium that is a capacity crowd; \$69.25 was presented by the various troops to the Juliette Low Fund; and 445 cans of food were contributed by the girls for the Good Will food drive.

The special guests of Mrs. Moreland's troop, four Girl Guides and their captain from Windsor, presented a very clever skit as their contribution to the program. They also gave Mrs. Moreland a Friendship Pin. And now it's all over, and we, a whole year older, can settle down to our routine work.

Out St. Paul way, Troop 579 has had a busy winter. The junior members spent considerable time preparing for their first puppet show. They started from scratch, too. First a demonstration was given by their assistant leader; then the girls were given some material and some extra time to experiment, after which they set to work in earnest, transforming the lolly potato into all sorts of Mother Goose characters. Finally, all was in readiness, and "The Stage was set, the curtain drawn, and one by one the various characters appeared to identify themselves with stories or poems that have made them known and loved by everyone. Miss Muffet told her story of the "Curds and Whey"; Wee Willie Winkie warned the children of his evening wanderings; Little Lulu made her appearance straight from Hollywood; and Chinky-Chinaman told how to make a quarter out of 15 cents. Others from story-book land were there, too, and when the curtain was finally drawn, all agreed that the puppet show was a great success as well as a lot of fun."

All the girls of 579 made Friendship Bags, 20 in all, and filled 12. For many of the girls, this was their first struggle with a sewing machine, but the completed bags gave no evidence of this fact. They were very professional looking and most attractive, with red stitching on the off-white material, fringed sides, and red cord. "Ornamental, as well as useful" could easily be a Girl Scout slogan!

In spite of this heavy winter program, the girls had fun, too. They even braved near-zero weather—remember when?—and had a skating party on the lake, playing tag, ice hockey, and topping off with a huge fire, which naturally means hot dogs, toasted marshmallows, and hot chocolate.

From Richard school we hear that Mrs. J. C. White, and her section of Troop 539 along with the assistant leader, Mrs. Joseph Henderson, hiked to the home of Mrs. T. G. Dahlen.

Florence Cummings Attends Teachers' Convention in Lansing

When delegates representing classroom teachers throughout the state of Michigan gathered in Lansing, Saturday, March 16, for their first postwar assembly, the presiding officer was a Saginaw kindergarten teacher, Ethel Zipp. Miss Zipp is president of the Department of Classroom Teachers of the Michigan Education Association, having been elected at the time the organization was formed in March, 1944. Because of the war ban on conventions, there has been no meeting of the delegate assembly since that time.

The delegate assembly of the M.E.A. Classroom Teachers Department is the legislative body for that group. Its 128 delegates are elected by the classroom teachers' section of the 200 M.E.A. districts. The 1945-46 convention was held in Lansing, Michigan, at the Brown Hotel, which school was alternate.

Women's Newscaster to Address New England Society

Betty Roberts, women's newscaster over station WJBK, will be the guest speaker at the meeting of Detroit Colony, National Society of New England Women, Wednesday, March 27, at Newberry House, on East Jefferson. Her subject, "Garden Glories," will be illustrated by colored slides, and garden verse.

Mrs. Joseph Lynn Carlyle, Colony registrar, and Mrs. George C. Coones will be co-hostesses at the 12:30 p.m. luncheon preceding the meeting.

Mrs. Henry D. MacKaye, president, will conduct a board meeting at 11:30 a.m., and will convene the business session at 1:30 p.m.

Alger Post Auxiliary Schedule Card Party

The members of the VFW Alger Auxiliary 995 of Grosse Pointe, will sponsor an evening card party in the clubrooms at 17145 St. Paul avenue, Saturday, March 23 at 8 p.m.

The party is under the chairmanship of Mary Powers. The public is cordially invited to attend; there will be table prizes, door prizes and refreshments.

Calvary Lutheran Adopts Gothic Lines

After weeks of deliberation and careful study, the firm of Maul & Lentz has been commissioned by the congregation of Calvary Lutheran church, Grosse Pointe Woods to draft plans for the new church, parish house and parsonage to be built on Vernier road.

Maul & Lentz, architects for Epiphany, Zion, Trinity and Faith Lutheran churches and the beautiful Martha Elizabeth Knudsen Memorial chapel, have proved themselves particularly adept in designing along Gothic lines. This is the authentic architecture of the Lutheran church dating back several centuries.

Calvary owns 495 feet of centrally located frontage, lending itself to the erection of such a plant, enlarging it to serve the spiritual needs of the entire community of Grosse Pointe Woods.

The property is located on the south side of Vernier road between Helen and Mack. Building will begin as soon as suitable materials are available.

Assisting Edward E. Groth, Howard D. Ford, John W. Riehl, and Ernest L. Messner of the building committee were George W. Schaeninger, Edwin A. Gauss, Benjamin Monterosso, Leonard Witzke, Clifford Jordan, Edward C. Serine, Harry Sainsbury, Herman Lahr, Robert W. Ziegler and the Rev. W. J. Geffert.

PATRONS OF THE POST OFFICE

RUTH WINKLER of Wisconsin and friend of Mary Frances Curto of 812 Rivard visited the Grosse Pointe post office branch last week to mail a package to friends stationed in Hawaii where both had served previously to their arrival home and subsequent discharge from the Waves. In the rear are Neil Dodson, postal clerk and Leland F. Lindow, superintendent. The branch has complete postal facilities and official equipment and cages.

Thank Sutton for 12 Years Service

A resolution was presented to the Farms council last Monday night for adoption by the board. It read:

"Resolved, That the President and Board of Trustees of the Village of Grosse Pointe Farms, on behalf of all of the citizens of the Village, hereby express to Mr. Sutton sincere appreciation for the loyal and unselfish services rendered by him during the past twelve years as a member of the Board of Trustees, and especially for his active interest as chairman of the Police and Fire Committee for the past decade."

"Resolved, That the President and Board of Trustees of the Village of Grosse Pointe Farms hereby extend a vote of thanks on behalf of the citizens of the Village to B. Dave Bushaw, a retiring member of the Board of Trustees after two years of faithful service."

Give Sale Returns to Junior Red Cross

"Let your contribution to the Junior Red Cross represent an earned contribution." This was the theme of the Junior Red Cross drive at the Trombly school as it was presented to the pupils in an opening assembly program and as it was carried out in spirit and action by all pupils during Junior Red Cross Week.

As a part of this spirit and action, the 5A-1 class sponsored a White Elephant sale for the fifth and sixth grades as an opportunity for pupils in these grades to earn money for the Junior Red Cross.

Pupils were invited to bring articles to school that were no longer liked or wanted, but which would have value to others.

In planning and preparing for the sale, problems related to publicity, pricing, labeling, merchandising, sales force, store management, and accounting had to be considered and resolved by the class. The writing of publicity and pricing of articles were handled by the class as a committee of the whole. A sub-publicity committee sent speakers to the various classes to stimulate interest and response. Questions of inherent value and original cost were weighed in pricing each article.

The form and content of a sales slip were investigated and decided upon. All pupils assisted in preparing the several hundred sales slips needed. Price tags were made and merchandise properly tagged. Posters for the halls and the store were made by others. Cashiers and their assistants prepared master check sheets to record all sales. Prior to the grand opening on Wednesday, March 13, merchandising demonstrations were conducted to give the store personnel practice in meeting sales problems.

Altogether 141 sales transactions were made netting \$39.26. The officers of the 5A-1 class, on behalf of the pupils in grades five and six, presented this money to the school chairman, Mrs. M. Fuller.

Band Qualifies for Entry Into State Festival April 13

The Grosse Pointe high school band won a first division rating at the Southeastern Michigan Band Festival held at Ypsilanti last Saturday. The rating entitles the band to go to the state festival to be held at Lansing on April 13.

A first division rating was also received by the band on sight reading.

Only three other first divisions were awarded; twenty bands participated in the festival. Other top winners were the Washington Junior high school of Pontiac; the Oxford senior high school and Pontiac high school. They, too, received first division ratings in sight reading.

Unique Exhibits and Hobbies Featured at Dorcas Hobby Show

An exhibit of kodachrome slides by Frank Blinici, Jr., 1053 Lakewood, who has acquired an unusual collection of color pictures taken by himself during the past few years, will be one of the features of a hobby show at Central YWCA, Montclair and Witherall, Saturday evening, March 23.

The entire seventh floor of the Y building will be the setting for the event which is being sponsored by

the Dorcas society, women's group of the Grand River Seventh Day Adventist church, in an effort to raise funds for a \$90,000 church school to be erected soon.

In addition to many hobby exhibits by both adults and youngsters, there will be several actual demonstrations of unique hobbies. John E. Parsley, chemical engineer of Wyandotte who has fascinated his friends with glass blowing for the past nine

years, will be present to demonstrate this unusual pastime. He has become unusually proficient in the rare art and exhibited with the famed Boheman glass blower, Dick Manly, at the New York World's Fair. Wood carving and plastic modeling also will be demonstrated, travel movies will be shown, several talented artists will display oil paintings, and an interesting exhibit of china is planned.

LETTERS TO THE EDITOR

867 University Place.
Grosse Pointe 30, Mich.
March 15, 1946

Mr. L. Oldham,
Editor, Grosse Pointe Review,
15121 Kercheval Avenue,
Grosse Pointe Park 30,
Michigan

Dear Mr. Oldham:

I write to you both as an individual and as a representative of the Grosse Pointe Varsity club members. My purpose in writing is to call your attention to the rapidly expanding sports enthusiasm, not only by our school, but by our entire community.

With the war's end, new ideas have sprung up; a field house as a veterans' memorial presents itself as one of the more serious considerations which would serve as a splendid opportunity to help repay our returned servicemen. Of course this is but one example; a tennis club; baseball clubs, etc. are yet to follow.

Considering the fact that Grosse Pointe is represented by so many prominent organizations, private and otherwise, which have gained local, state and national recognition, we sincerely feel that we deserve the wholehearted support of every interested sport enthusiast in our community. However, it is quite impossible for us to unite without the active participation of the Press.

We would be very happy to have a representative provide you with any particulars and keep you posted on any schedules you might be interested in, for we feel that a sports coverage by The Review would benefit both our interest in a more adequate sports program and your reading public of several thousand people. Grosse Pointe high school has 2,000 students, who, with their parents alone, would make 6,000 readers. St. Ambrose, St. Paul, and the other high schools within your circulation would add several thousand more.

We earnestly hope that you will give our suggestions your careful consideration and favor us with a reply at an early date.

Yours very truly,
DENNIS THOMAS
Varsity Club President,
Grosse Pointe High School

Wisconsin U. Women Meet for Dinner, Social Hour

The 25th anniversary meeting of the University of Wisconsin Women's club will be held tomorrow night with a preliminary dinner at Canterbury House at 6:45 p.m.

Pointe Concert Series Artists

LEONA HAHNKE

JOSEF GINGOLD

The inauguration of the new Grosse Pointe Artist Concert series on April will be an event that music lovers of this area should look forward to. It is the first time that serious music in the form of subscription concerts have ever been offered in this locality.

At the first event of the series, Josef Gingold, violinist, and Leona Hahnke, pianist, will be presented in a joint concert in the Pierce Junior high school auditorium at 8:30.

Mr. Gingold, who is the concertmaster of the Detroit Symphony Orchestra, was formerly with Toscanini and the NBC Symphony, the Primrose and NCB String quartets, and who is a highly acclaimed concert violinist, will perform as his major work of the evening, the lyrical, majestic and technically difficult Concerto in D Major by Paganini. He will play several other delightful numbers by Glazounoff, Dvorak-Kreisler, Bach and Wieniawski. He will be accompanied by Henry Kolbe, a noted Detroit pianist. Mr. Gingold made a successful debut at the age of 16 in New York's Town Hall, studied in Belgium under the great Eugene Ysaye, and made an acclaimed concert tour of Europe.

Leona Hahnke, who made her debut in Marmour Palace in Potsdam, Germany, was a student of Artur Schnabel and Jose Iturbi, and is an artist whose control of the piano forte is of a strength and style seldom

encountered except in the playing of the great virtuosos of today. As her outstanding number of the evening, she will present the vigorous and lyrical Brahms Sonata in F Minor. She will also play several Chopin Etudes and Ravel's fantastic Line Barque Sur L'Ocean.

Ordnance Officer Ends Army Service

First Lieut. Charles Parcels, Jr., 430 Rivard boulevard, Grosse Pointe returns to civilian life after having completed over four years army service, it was announced today by Col. Quinton Adams, chief of the Detroit Ordnance District.

Now on terminal leave from Fort Sheridan, Ill., Separation Center the lieutenant entered the army in 1941 as a second lieutenant and was assigned to the Detroit Ordnance District where he served as chief of the purchase section for all small arms. Later he was assigned to the tank branch as a price analyst.

Before his entry in the service Lieutenant Parcels attended law school at Yale university and after his discharge he will return to business administration school to study investment banking.

He is entitled to wear the American Theater Ribbon and the Victory Medal.

Public Invited to Attend Family Crusade Lecture

The public is invited to attend a lecture on the Family Rosary Crusade by Father Patrick Peyton, C.S.C., at Marygrove college on Sunday afternoon, March 24, at three o'clock. He will tell how the Rosary, as recited daily by Catholic families, can save American home life. Known as "Our Lady's Knight," Father Peyton continuously travels throughout this country, promoting the cause. There is no charge for admission to his lecture.

What your RED CROSS Chapter does

YOU KNOW what the Red Cross has done overseas in World War II. The World knows it. Another glorious page in the history of your Red Cross is being written.

Each of the 3,754 chapters in the nationwide Red Cross network . . . just as our local chapter . . . did its full share to make possible all the help and comfort given our fighting men. But that is only half the story. Here is what your Red Cross chapter is doing now and will be doing for years to come.

Home Nursing. The Red Cross teaches the fundamentals of home nursing to many citizens. They learn how to care for illnesses under the doctor's direction.

Junior Red Cross. Boys and girls learn first aid, accident prevention, water safety, nutrition, and home nursing in order to become citizens of tomorrow.

Volunteer Special Services. Your neighbor next door is probably a member of one of the many Red Cross Volunteer Corps. She may sew for our hospitalized men; she may drive for the Motor Corps; she may be a Nurse's Aide or a Gray Lady. Perhaps she's a Staff Assistant, or a Home Service worker . . . but whatever she does . . . her time and effort help stretch the Red Cross dollar.

Disaster Relief. In this country last year, the Red Cross gave relief in 260 disasters. Our chapter has a disaster committee set up and ready to act at the initial warning of catastrophe . . . to provide emergency shelter, food, clothing, and medical care for the victims. And after the first shock has worn away comes the long job of rehabilitation.

Home Service. The Home Service worker is a home town trouble-shooter for the serviceman and his family. Our chapter has Home Service workers available for 24-hour duty . . . trained people, equipped to act in emergencies. The Red Cross two-way communications system reaches around the world, so that in a sense the serviceman is no further from his family than our chapter.

First Aid. A crash on the highway, a slashed wrist, severe shock without proper attention, all can produce serious results. Our chapter in co-operation with individuals and organizations maintains mobile first aid units and highway first aid stations manned by trained first aiders. First aid, water safety, and accident prevention classes are conducted throughout the country.

THINK of the thousands who look to our Red Cross for aid and comfort in lonely hours of desperate need. Think what its many services and safeguards can mean to our town . . . to you, and your loved ones. Then remember that your voluntary services, backed by your contributions, make it possible for Red Cross to carry on in our community. Your individual gifts are its only source of income. Without you and your neighbors, there would be no Red Cross. Give to the Red Cross today.

YOUR Red Cross MUST CARRY ON . . . **GIVE!**

THE BEAT OF YOUR HEART..

It is but little more dependable than Detroit Edison service.

That miraculous continuity of service, here and elsewhere, is due to endless research and experiment by engineers and executives of the electric industry. In that program of progress, which has continued through the years, and will continue through the years to come, The Detroit Edison Company has been a pioneer.

Once a single transformer served your home. That transformer was the transfer point, the vital connecting link, between the miles upon miles of power lines and the line that served you. When it failed the power was gone.

Engineers of The Detroit Edison Company conceived and developed the idea of connecting many of these transformers together in "banks," and now several of them must fail at the same time before you and your neighbors are deprived of power. That seldom happens.

That is only one of many things that have been done to insure the householder, the merchant and the manufacturer an uninterrupted supply of power adequate for all needs—those of the present and those of the future.

That was a Detroit Edison idea—a Detroit Edison FIRST.

That was an incident in the story of this company's contribution to the community of today.

It is indicative of some of the things that this company, as a citizen, can be expected to contribute to the community that is to be.

Detroit Civic Players to Present Premiere of Wayne Professor's Play

A comedy of manners, "Fool's Hill," three-act play written by Dr. Vincent Wall, assistant professor of English at Wayne university, is to be presented in April by the Detroit Civic Players.

Announced as the first time that a play with a Detroit setting, Detroit cast, and authored by a Detroit resident, it is expected to attract considerable interest, and attempts are being made to secure one of the larger downtown theatres for a week's showing, according to Dr. Wall.

The main leads in the cast are played by Charlene Harmer, known for her Civic Player role of Sadie Thompson in "Rain" and for her work with the Catholic Theatre, Junior Players of Detroit, and the Civic Detroit Children's Theatre; and Ken Manuel, WWJ newscaster, who has appeared in several amateur dramatic and singing roles.

The Civic Players are a non-profit-making group and, through a cooperative arrangement with the Mackenzie Union of Wayne university, a percentage of the proceeds will be donated towards the university's war memorial fund.

In World War I, railroads lost \$1,500,000 under government operation.

Appointed Chairman

PRENTISS M. BROWN
The 39,000 Cubs, Scouts and leaders of the Detroit area were very proud to learn that their council president, Prentiss M. Brown was appointed the general chairman of the Golden Jubilee committee — to "Plan for the Celebration of 50 Years of Progress in the Automotive Industry." Mr. Brown was elected as the 1946 council president early this year — replacing Frank Cody, former superintendent of the Detroit public schools, who served as council president during 1944 and 1945.

STRIKES and SPARES

They were speaking of high wood during that match between E & B Brewery and Edgewood Inn at East Warren Thursday night... We had a mental picture of some real tall trees—but come to find out they were referring to scores... and they were high with Edgewood taking the three game series in a closely won contest. That smile Vince Kelly is wearing around is due to some fancy scoring on his own part these last two weeks.

Don't be disturbed by the report one of the Chaplow Lumber teams are trailing the undertaker... it happens the team of the Vandeweghe funeral chapel on Warren is out in front with Chaplow right behind in another hotly contested match for first place.

East Warren is contemplating a tournament made up of veterans of World War II exclusively... bowl at any time it is convenient for the vets... entries are now being taken. Jack Spence, at the Warren piano, is a veteran of five years with the RAF... had as his guest Lia Roland, the blonde British war bride of a Canadian soldier. Lia is reported to have done a fine job of entertaining at the Penobscot club recently... which reminds us of another vet, Johnny Gill, who entertains in the lounge at Denby. Johnny was formerly one of the Five Dukes, a starting combination which was broken up during the war. Johnny spent 18 months with USO units in Italy and Africa.

SHORES BILLS COMEDY, DRAMA; COMING SUNDAY

Two excellent films which run from one extreme to the other have been billed by the management of the Shores theatre. They are "Blood on the Sun" and "She Wouldn't Say Yes"; they will be shown Sunday, Monday and Tuesday.

"Blood on the Sun" is a picture which co-stars two popular dramatic stars, James Cagney and Sylvia Sydney. This story is packed with intense drama and thrills and will capture the imagination of all who see it. The fine scenery and costumes add to the film to make it A-1 for entertainment.

Rosalind Russell maintains her reputation as one of the leading comedienne of the screen when she appears in "She Wouldn't Say Yes." Lee Bowman is cast as her leading man and the scraps and episodes in which these two involve themselves will keep every movie fan in a hilarious mood for hours to come.

Three Act Comedy in Next Little Theatre Production

The Little Theatre, Inc., affiliated with the International Institute, will present "Three Live Ghosts" at the International Institute, 2431 East Grand Boulevard, Thursday, Saturday and Sunday nights, March 28, 30 and 31. This will be the third Little Theatre production this season. "Three Live Ghosts" is a three act comedy dealing with the complications which arise on the return to England of three soldiers — two British and one American — who are recorded as legally dead.

The following Little Theatre players will participate in the play: Luella Wertz, Frane Davis, Lillian Jasin, Eileen Sabec, Richard Pearl, Robert Guldage, Harold V. Dierich, Don Wadley, Walter Hintzen and Arthur Solis. Assisting backstage are: Chester Mank, Cecilia Giza, June Carter and Ruth Ruhland Noyes. John F. Carrio, founder of The Little Theatre, is directing. Willard C. Eiden is technical director.

STAR STUDED TWIN BILL ON COLONY SCREEN

"The Story of G.I. Joe" is the feature which is scheduled for the Colony theatre tomorrow and Saturday. This is the famous story which was compiled and written by the well-known Ernie Pyle who gave up his life at the battle of Iwo Jima just so that he could stay with his men and write up their feats, human interest stories and daring adventures. This movie is the true story of hundreds of our American boys' lives and shows the ordeals which they withstood while taking that tiny but all important island in the Pacific. It is a story which will thrill every movie fan, mother, father, brother and sister of our fighting soldiers.

The accompanying feature will present Betty Davis in "The Corn Is Green," with John Dall and Joan Loring plus an excellent supporting cast. This is another excellent story in which Miss Davis gives a fine performance and stays as one of the first ladies of the screen.
