POINTE PARAGRAPHS

by THE POINTER

There is nothing new to report on the driver of the car which was involved in the fatal accident which took place Sunday, March 17 at Whittier and Mack.

Police have been conducting an investigation trying to find the motorist whose car hit Emery Stankowitz, who later died of injuries in Bon Secours hospital.

Stankowitz's companions on March 16 are also being sought. Co-operate with the police if you know of any information connected with this accident.

According to Farms' officials, those rumors of a strike in the public works department which were rumbling on the horizon last week have dwindled down to a slight sigh, and it looks as though residents won't have to burn or bury their rubbish.

Commissioners Joel Sage and John Bloodsworth and President Howard Parshall took their oath of office last Monday for the Park commission. Clerk William Staman administered the oaths.

Some more news about the Pointe police departments. Acting Chief E. Bolo of the Farms announced this week that two men have been added to the police department's roster. They are James Roberts and Vernon Sylvester; both men are ex-G.I.s, Roberts serving in the army while Sylvester was a sailor.

Did you know that there is a new kind of prohibition? This time it is not prohibition of liquor—it is prohibition of opportunity—prohibition of honest enterprise.

Other government-inspired headaches that it is all just too much trouble. Just as liquor prohibition produced a breed of bootleggers, this era of prohibition of opportunity is putting many people out of business and producing a tribe of black marketers, profiteers, law breakers, cheaters, tax dodgers and skinflints.

Too much prohibition of any kind creates nothing but crooks and cheaters.

Marion "Fifi" LeClaire proudly told us last Monday that she heard the first boat whistle on the lake Sunday. She was immediately joined in by Charles Heise, who "seconded" her statement. Both are employed in the Park Municipal building. Heise is village treasurer.

It only costs \$12 to talk to your favorite GI in Germany or Japan. Radio-telephone service has been established in both countries and GI Joe can call anywhere in the States for three minutes for this amount. However, calls to servicemen cannot be originated from this country.

REMEMBER?

One Year Ago

The unanimous vote of our Grosse Pointe Park commissioners put Howard P. Parshall into the chair as president of the village commission. He filled the vacancy caused by the resignation of Ward S. Van Deusen.

A great amount of interest centered in the proposed housing development in Grosse Pointe Farms regarding a statement sent to the village council by a real estate company. It said it intended to erect a group of duplex homes, numbering approximately seventy-five, in the Chalton-Moross section.

Denial steps were taken by the Park officials when a committee was set up to formulate plans for a pension system for all village employees.

Popcorn Wagon To Leave

It looks as though the popular Grosse Pointe popcorn wagon will no longer be in Grosse Pointe.

As a final attempt, legal counsel representing Ernest "Tony" Koinis, erst-while popcorn man, appeared before the Grosse Pointe Park village commission Monday night, to ask for a reconsideration of "Tony's" case.

After a long legal battle last year, Wayne county circuit court upheld the Park's decision and ordinance ruling "Tony's" popcorn wagon off the village streets, and especially off the corner which has been his stand for many years—Bishop and Jefferson.

The popcorn wagon has been known throughout Grosse Pointe, Detroit and neighboring communities since its establishment 20 years ago. In recent years it has parked at Bishop and Jefferson; it is not in close proximity to residents in this section.

However, several months ago, the C. H. Buhl family which owns the property from the Lake to Jefferson, between Bishop and Ellair Place, asked "Tony" to move his wagon.

When they could offer no explicit reasons for their action, they then tried to use pressure on him. This did not get results.

At the Buhls' request, an ordinance was drawn up by the Park commission, prohibiting vendors of this type to remain on the village streets.

Although many factors were in favor of "Tony" remaining at this intersection, such as being a veteran of World War I, and his long record of citizenship in this category, and the receipt by the commission of scores of signed requests asking that "Tony" be left at his regular post, he was given the deadline of March 31, 1946, as the last date his wagon could remain on the streets.

Howard Richards, the legal counsel sent by Grosse Pointe Post 303, American Legion, was told by Howard Parshall, president, that it was too late to reopen the case, and that the commission considered it a closed incident. He told Mr. Richards that the wagon was objected to by surrounding property owners, and despite legal difficulties, he thought that "Tony" received lenient treatment from the Park governing body.

From all appearances, Sunday will be the last day on which motorists can obtain "goodies" from the popcorn wagon at Bishop and Jefferson.

Farms Woman Finds Stranger Sitting in Living Room

A warrant was issued by N. J. Wagener of the Wayne county prosecutor's office against John Lloyd, 22, of 234 Rosedale, Detroit, on a charge of breaking and entering in the day time.

He was arrested last Friday afternoon after he had been found in the Bartmeyer home at 57 Cloverly road.

Mrs. Bartmeyer told Farms police that while in an upstairs room, she heard a strange noise on the first floor. As she walked into the living room, she discovered Lloyd, a Negro, there. He said he was looking for work.

Questioned by police, Lloyd revealed that he had also entered 10 Moross road, through the kitchen, thinking that it was a private club.

He is already on for trial in Detroit on a charge of larceny.

THE MILK TRUCK WHICH RAN DRY

DR. HOWARD ROBINSON of 18978 Rutherford was treated at Bon Secours hospital last Friday morning after the car which he was driving hit and overturned a milk truck at Vernon Highway and Whittier. He told police that he failed to stop for Vernon Highway, crashing into the truck. The truck was driven by Daniel Winkelman of Inkster, Mich. He was not injured in the accident. The patrolman on the right is A. Walsh of the Park police, inspecting the smashed automobile.

Approve Salary Raise In Schools

At a special meeting of the board of education...

During the period of March to June, 1946, each employee will receive a special bonus of \$55. This was made possible by the action of the legislature in special session in February, 1946 in appropriating additional state aid to be used for increasing salaries of school board employees this year and next year.

The pay schedule will provide total salary minimum for 1946-47 of \$2100 for a beginning teacher without experience with an A. B. degree, rising by scheduled steps to a maximum of \$3420 for women with four years of training, and to \$3696 for men of similar training and experience.

Park Adopts Taxi Ordinance

Grosse Pointe Park adopted its taxicab ordinance last Monday at its regular monthly meeting. This will regulate all cabs operating in the village and will provide for records and fees.

Complete text of the ordinance will be found elsewhere in this issue of The Review.

Three Youths Rob Young Park Newsie

A young newsboy was the victim of three youths who stole \$2 from him last Friday night in Grosse Pointe Park.

Robert Shives of 1248 Maryland, while on his nightly newspaper route, was approached by a youth who asked him for 10 cents for his fare. When Robert refused to give it to him, he left and immediately returned with two companions who assaulted the Shives boy and took his money.

Robert told Park police that his assailants were between 14 and 17 years of age. This happened at Chalton and Washburn at approximately 10:30 p.m.

He said that a group of boys have been found on the estate for several Sundays and asked police to keep watch.

Motorist Suffers Injuries After Crashing Into Tree

Charles H. Fletcher, Jr., of 176 Vendome, was taken to Bon Secours hospital last Sunday morning after he had rammed his car into a tree at Harvard and Jefferson at seven o'clock.

Park firemen were also called to the scene of the accident, as the car started to burn after the accident. He was treated for lacerations and bruises. It is believed that he fell asleep.

Farms Youth Has Bike Returned By Police

Harry Williams of 22 McKinley road, was notified by Farms police that his bicycle, reported stolen on March 19 from in front of the Punch and Judy theatre, had been recovered four days later.

The Park commission has approved the application for a license for the operation of a public utility in the village.

Lane Assumes Administration of Police Office

The Grosse Pointe Park police department will come directly under the thumb of Everitt B. Lane, village manager, beginning April 1.

Developments revealed this week, following the exclusive announcement by The Grosse Pointe Review last Thursday concerning the "ouster" of Henry W. Piel as chief of police, that the administrative work of the police chief will now be handled by the village manager.

Lane, it will be remembered, was hired some three years ago as an economy expert in municipal government and as an engineer. As village manager, Lane is automatically the head of the street, highway, water, and sanitary departments...

The village government is thus eliminating an office in the police department by promoting Lieut. Arthur Louwers to the position of chief of police and The Review has learned that he will continue his duties as police detective, carry the title of chief, but Lane will handle the police administrative work.

This cut reduces the current personnel from 26 to 25 men, namely, a chief, four sergeants, and 20 patrolmen. The latter group includes the three men who will be promoted to the rank of detective on April 1. They are Stanley Enders, Arnold Hough and Hazen Hennig.

Meanwhile during this switch-over, Village Manager Lane has been advertising in The Michigan Municipal Review for an assistant at a starting salary of \$3,000 per annum.

Final '46 Lecture Tuesday

Sigmund Spaeth, "America's most popular speaker and writer on music," has been selected for the bonus program of the Grosse Pointe Community Lecture Series—on Tuesday, April 2, at 8:30 p.m. at Pierce auditorium, Kercheval and Nottingham.

Mr. Spaeth will present "Music for Fun" which will be illustrated at the piano. A typical Spaeth program is neither a concert nor a lecture but solid entertainment in the best sense of the word—with some pleasant instruction included. It is presented in such a way that it makes the listeners see as well as hear how easy and inexpensive it is to have fun.

ful career as an entertainer, lecturer and author, meeting all sorts of audiences from the vast spaces of Radio City Music Hall to the wards of army and navy hospitals. Seated at a piano he has brought music to millions of listeners who once considered themselves automatically barred from its mysteries.

Tools valued at \$200 and 24 pints of whiskey were among some of the things taken from Grosse Pointe Farms, Francis Gangi of 21746 Moross told police that while his car was parked at Moross and Mack, the auto ventilator was forced open and a drill, sander and miscellaneous tools were taken Sunday afternoon.

The liquor was reported stolen by Dr. Hugh Fuller, who said that these bottles were taken from his home at 255 McMillan sometime Saturday. In addition to this, a first floor telephone was also stolen.

Whether the fact that 18 bottles of assorted beverages, taken from 253 Greenwood court, the same day, connected with the liquor theft, has not been determined by Farms police.

REPORTS MISSING GUN

Sherman Mitchell of 62 Cloverly road, told the Farms police last Thursday that a 12-gauge shotgun is missing from his home. He did not know if it was lost or stolen.

"WE LEAD, OTHERS FOLLOW"

TO CLARIFY AN ISSUE

This newspaper has always stood for the advancement of the men in the ranks to positions of authority.

It has no quarrel with the village manager, the police commissioner or the commission over the replacement of Chief Henry W. Piel by Arthur Louwers in the Grosse Pointe Park police department.

This newspaper does, however, object to the method and manner in which it was done for neither the village manager nor commission or the police commissioner has made a clear cut statement of the true facts in the case.

In the interest of good government, it would seem that a little more clear-cut action and forthright statement of facts to the public should be in order.

With the elimination of Chief Piel's initial cost to the village of \$3,000 a year and the purported hiring of an assistant to Village Manager Lane at the same figure, once again it would seem that this is a new brand of arithmetic in economy, especially from an administration that went in on an economy program.

THERE SHALL BE MUSIC

Newest addition to the cultural advancement of the Grosse Pointe community is the Grosse Pointe Artist Series which makes its official debut on Thursday, April 4 with a concert in Pierce auditorium.

For the past three years, the people of Grosse Pointe have been entertained and enlightened by a spirited, progressive and educational series of lectures in the program presented by Grosse Pointe Lectures, Inc.

The Grosse Pointe Artist Series, while prompted partly by a local school of music and its principals, is another addition of definite cultural nature to the musical appreciation of a community which has long been identified with the arts.

It is not being promoted for profit; it is being launched to give expression and enlarge the appreciation of music lovers. For such high objectives, the program deserves support.

Senator Grassroot

It is not certain — in fact nothing in Washington these days is certain — but the odds now favor action by the senate education and labor committee on a labor bill.

This committee, long regarded as the graveyard of labor legislation, is bestirring itself. It has named a subcommittee to draft a bill, and this subcommittee is working on a measure.

This action was taken after the full committee decided to refer all labor bills, including the house-passed Case bill, to the subcommittee for consideration. It was generally understood that this subcommittee would seek to draft a measure eliminating all compulsory enforcement provisions such as those in the Case measure.

Four Factors—Members of the subcommittee are Senators Murray, D. of Mont., chairman; Pepper, D. Fla.; Ellender, D. La.; Tunnell, D. Del.; LaFollette, Progressive, Wis.; Morse, R. Ore.; and Ball, R. Minn.

Four major factors apparently are responsible for spurting this heavily pro-New Deal committee towards action: 1. President Truman has asked congressional approval of fact finding legislation, and has said it is time for labor to assume some responsibility. This is the first request of this nature sent to the Capitol in 13 years.

2. Congress is becoming apprehensive over the delay which strikes are causing to production, thereby increasing the threat of inflation. Startling testimony from administration officials recently has been to this effect. One high official said strikes already have caused a four months' delay.

3. Congress is receiving many complaints that thousands of innocent workers are being deprived of their jobs because of strikes in which they have no part. This is casting the spectre of unemployment across Capitol corridors, which in itself is driving down the congressional backbone.

4. There is a sudden realization at the Capitol that the Wagner act is not the great panacea of labor peace — as has been advertised. Although this act has been on the statute books for a decade, it has utterly failed to meet the labor disputes problem. Even some of the warmest friends of the Wagner act are chagrined that so much violence has been possible under it.

What this subcommittee will do is problematical. But the important fact is that it appears it will do something!

Crownless hats will be smart this spring and summer, says Lilly Dache. Life insurance companies paid out \$2,427,557,000 last year.

GROSE POINTE PARK'S POLICE CHIEF

ARTHUR LOUWERS, who will take over the duties of chief of police in Grose Pointe Park, is a man who rose from the ranks. He began his career of police work as a patrolman in June, 1930, and four years later was put on the plainclothes detail. Rising steadily in the esteem of the department, he was promoted from sergeant to lieutenant just one year ago.

Pointers Find "South of the Border" Friends Appreciative of Language Struggles

Half the pleasure of visiting Latin American countries is the enjoyment of making use of the Spanish you learned before leaving home, according to Lawrence C. Pace, of Cadillac Road, and Edward H. Thomas, of Nottingham Road, who recently have returned from visits to republics to the south and both of whom learned their Spanish by the quick and easy Grose Pointe method originated by Clarence V. McGuire and used in the evening adult classes sponsored by the department of adult education.

Mr. Pace, a manufacturer who went to Cali, Colombia, to open a branch factory there, states that he found the Colombians extremely appreciative of his having studied Spanish before coming to their country, and when he would have difficulty with a word or phrase his new-made native friends would wait respectfully and patiently while he summoned words from his somewhat meagre Spanish vocabulary.

"Seldom does the South American venture to correct you or even to offer a suggestion, no matter how serious a mistake in Spanish you may make," Mr. Pace says, "so great is his fear of offending you. His appreciation of your having made the effort to learn his native language is sometimes almost pathetic and his courtesy is such that he ignores your mistakes, and only if you ask assistance with a word or expression will he offer it.

"For a South American to correct you," continues Pace, "may be ac-

cepted as a high compliment for it indicates that he has come to regard you as an esteemed friend who will not take offense over trivialities."

Mr. Thomas, Detroit department store executive, who with Mrs. Thomas visited Mexico City and Acapulco recently states that their study of Spanish in the evening adult classes contributed immeasurably to the enjoyment of their vacation.

"We had no difficulty even when we visited stores, shops, cafes and villages where no English is spoken and where we were compelled to rely on the conversational Spanish we had learned at Grose Pointe to make ourselves understood," he says. "It was gratifying to find that the Mexicans understood us very well. Amusing incidents, however, were not lacking. For example, when we were fishing at Acapulco Mrs. Thomas felt a slight nausea and asked for a piece of ice (hielo) to put on her forehead. She was given a piece of heavy thread (hilo).

As a preparation for future trips to southern countries which they expect to make, Mrs. and Mr. Thomas and Mr. Pace have enrolled in the new classes for adults now forming at the high school.

Salem Memorial Lutheran Church to Lay Cornerstone

On Sunday afternoon, March 31, at three o'clock, the cornerstone of Salem Memorial Lutheran church, Seven Mile and Chester, will be laid. This marks a milestone for the mother congregation, Salem Lutheran church, Iroquois and East Forest, the Rev. Norman Mentor, D.D., pastor. The congregation visualized the great need of a church in this territory and subsequently purchased the piece of property at the above location.

At this service an offering will be gathered and devoted toward the purchase of equipment for the new church. The public is cordially invited to attend.

The church is of Gothic architecture and is fireproof throughout. It is constructed of pressed face brick, circular block in the main auditorium and cement block in the basement. The building is 71½ by 29 feet and will seat over two hundred.

The mission congregation which is now present worshipping in the little red school house on Mack avenue between Hunt Club drive and Lochmoor, is anxiously looking forward to its new home. It is being served by the Rev. Wilbert C. Burmeister. The morning worship is at 11 a.m. and Sunday school meets at 9:45 a.m.

LETTERS TO THE EDITOR

Grose Pointe Review
15121 Kercheval Avenue
Grose Pointe Park 30,
Michigan

To the Editor:
Score a knockout scoop for the old reliable "Review." Either your competitor paper in Grose Pointe willfully ignored the news about Chief Piel's "requested" resignation or were hopelessly outclassed by your reporter.

Personally, I could think of no bigger story than one of this kind in our little community and your story broke at the same time or before the big Detroit papers had it. That is timely and good reporting. Congratulations!

Park Resident

To the Editor:
The Grose Pointe Girl Scout Council wishes to thank you for the splendid publicity given the organization in your newspaper, particularly during Girl Scout Week.

We appreciate the space you give us at all times, and again thank you for your support.

Most sincerely,
Mrs. John Harding

To the Editor:
It is startling to read in the papers that after six months of peace, the army draft board drafts twenty-three young boys.

The only conclusion to this must be that our leaders have failed them and have not been smart enough to get us any peace after all our sacrifices.

AH! IT'S SPRING! WHAT A wonderful season! 'Tis the time of year when a young man's fancy turns to love! Popular ditties as "I Dream of You," "Sweet and Lovely," and loads of other springy ballads are on the lips of our G.P. guys 'n gals now-a-days. But enough of that chatter and on to the business of the week. Grosse Pointe had an extra long week-end this past week as the teachers spent last Friday at the Tri-City teachers' convention. Seeing as the boys and girls of the Tuxis club planned a scavenger hunt for Thursday night with dancing and eats afterwards. Those seen scampering all over the Pointe looking for this and that were: Katie Kalbfleisch and Frank Wilton, Judy Zick and Bob Sheridan, Bill Bearsley and Joan Morrison, Ray Schumann and Barb Klenk, Letty Kretschmar and Don Hiles, Barb Molyneux and Dick Phillips, Shirley Davis and John Jarvis, Macky MacPherson and Paul Friese, Buster Knope and Sal Ives, Betsy Bachman and Joe Cobane, Pat Erskine and Joe Daugherty, Jean Shorteroff and Jim Finley, Helene Himilne and Bill Hooper, Joan Russell and Doug Kreiger, Barb Storkel and Phil Skillman.

IF YOU LISTENED TO THE new Detroit radio program "Coffee Time" at nine o'clock over WWJ last Friday morning, you probably would have heard the cheers and laughter of a lot of gals from the 12B class of G. P. high. Jackie Ward, graduate of the Grosse Pointe high January class of '46, sings on the program and they were very anxious to see her.

Saw Letty and Franny Kretschmar, Joey Johnstone, Barb Molyneux, Mary Hudson, Joan Schmidt, Pat Breon, Ellen Berry, Marie von Arx, Mary Lou Strait, Pat Wilson, Fay Pankow, and Ginny Johnson.

THE Bell System serves over a million more telephones now than it did a year ago. That's one big reason why Long Distance calling has continued heavy even though the war is over. Sometimes traffic jams occur on certain circuits and calls are delayed. In Michigan, delays are more likely to be encountered on calls to other states. When the operator requests it, you can help tremendously by limiting your call to five minutes.

We're working hard to speed the day when all your calls will go through promptly. This year the Bell System is adding over 2,000,000 miles of Long Distance circuits, carloads of new switchboards, and training thousands of new operators. Yes, we're making progress. But we still need your continued help and understanding.

GIRL SCOUT NEWS

Girl Scouts To Form Dad's Club

At the Neighborhood club on Wednesday, April 3, at 8 p.m., there will be a meeting of Girl Scout fathers and other men interested in Scouting — the purpose of such a gathering being to organize a Dad's Patrol. You see, we need men's help in getting our camp site ready for summer use.

By now, everyone must know about our camping spot at Holly, Mich., and how Grosse Pointe was one of the fortunate districts to be assigned a site. Permanent buildings cannot be constructed until the necessary funds have been raised, but until that happy day, we can use mobile equipment, and thus give 150 Grosse Pointe Girl Scouts a week's camping experience during the coming summer. Due to the generosity of several of our local service clubs, we have already purchased a trailer, ice box, cupboards, cots, and mosquito tents. Now we are concentrating on dishes, pots and pans, and additional cooking supplies. It really looks as though our camping dreams are coming true!

During the month of April, every Girl Scout in the Pointe is asked to be responsible for the collection of at least 25 cents worth of waste fat. The total sum obtained from this drive will be our contribution to the \$6,000 that is being raised to support the Detroit Girl Scout Council, without which we could not exist. As you know, the War Chest drive in Detroit was not a success. Consequently, the Girl Scouts did not receive its full quota from the Detroit Community Fund. The result of all this is that there is not enough money to pay staff workers. We need every member at the downtown office, and are determined to do our share to retain them. So we are asking every housewife to turn over her April accumulation of waste fats to a Girl Scout in her neighborhood.

Council members in this district are also doing their bit. They are making a concentrated effort to sell more association (\$1), and sustaining (\$5), memberships to people who are interested in Scouting even though they have no one in that organization.

Twenty-one girls attended the newly organized Girls' Council meeting at the Neighborhood club this month. Big plans were made for cook-outs, craft instruction, including copper jewelry, and lots more. The meetings will be held at the same place, on the second Thursday of each month, at four o'clock, and two delegates from each troop are invited to attend.

Camp Fire Groups Attend Communion Breakfast Saturday

The second annual Communion breakfast for the Catholic Camp Fire Girls was held Saturday, March 23. Mass was sung in the Little Flower chapel and immediately following breakfast was served at the League of Catholic Women activities building.

From the Okiciyapi group Sue Ann Conrad, Peggy Eaton, Maureen Mulligan, Mary Margaret Reno, Ann Sinnott, Margaret Wade, and Patricia Walters, attended with their guardian, Mrs. N. W. Walters.

The Wadkiya group from the Neighborhood club was represented by six Catholic members: Celestine Blondell, Marion Vlietnick, Carol Higgins, Virginia Vlietnick, JoAnn Ridings, Barbara Bonneau and their guardian, Mrs. G. E. Higgins. Both of these groups are from the southeast district.

Woman's Club Elects Officers Next Monday

DRAWING WINNER

Holding the box above is Mr. Longo of Longo's Appliance Shop, 10711 Whittier, as the winning name out of hundreds of letters was picked by Mrs. Donn Thomas, wife of the publisher Community News, Monday afternoon.

The drawing was held in the presence of representatives of the Grosse Pointe Review, the Community News and the East Side Shopper. Mrs. M. Cook of 1346 Eastlawn Detroit was the winner of the contest that had run in these papers for the past several weeks.

When contacted over the phone Mrs. Cook eventually had forgotten sending in her entry. She admitted to Mr. Longo that her old cleaner did need repairing—that she might consider what she took as a routine advertising call—and how surprised she was to learn she could forget that old cleaner and pick-up a new, bagless Filter Queen free of charge.

Nationally Known Salon Print Winner Is Club Speaker

Mrs. Jean Elwell, outstanding print winner of the 14th International Salon, will lecture at the Grosse Pointe Camera club on Tuesday evening, April 2.
Mrs. Elwell, who also has been known nationally as a photographic exhibitor has chosen as her subject "Composition and its component parts." The lecturer's success in this particular field has been reflected in all of her photographic success. She will illustrate her talk with pictures that she has taken and which have been successfully hung in salons.
Stanley Kenn, the club's president, has announced that in addition to the lecture there will be a judging of the members' prints on an assigned subject of store windows.

Brothers Awarded Bronze Stars

Lt. Cmdr. R. K. Slaymaker, Jr.

Washington, D. C.—Lieut. (jg) Basil Duffield Slaymaker, USN, 1419 Kensington road, Grosse Pointe, has been awarded the Bronze Star medal for his services on the destroyer USS Haggard.
The citation reads as follows: "For meritorious achievement as watch officer in the combat information center and later as automatic weapons control officer on board the USS Haggard when that vessel attacked and sank a Japanese submarine in the Philippine Sea the night of March 22-23, 1945. Despite constant shelling from torpedoes and gunfire from the hostile vessel, Lieutenant (jg) Slaymaker supervised the condition watch team and the tracking of the target in the combat information center, keeping his commanding officer supplied with timely and accurate information and enabling the Haggard to deliver a devastating gunfire and depth-charge attack and finally to ram the enemy and complete his destruction. Lieutenant (jg) Slaymaker's alert presence of mind, outstanding professional ability and zealous devotion to duty in the face of grave danger reflect the highest credit upon himself and the United States Naval Service."
His brother, Lieut. Commander Robert Kepler Slaymaker, Jr., U. S. N., was awarded the Bronze Star last August for unusual service beyond the call of duty when he acted as navigator and executive officer of the destroyer USS Phillip on a secret mission in uncharted waters.
Incidentally, the young men's uncle, Vice Admiral Aubrey W. Fitch is superintendent of the United States Military Academy at Annapolis.

LIEUT. BASIL SLAYMAKER

LETTERS TO THE EDITOR: BUT HE DIDN'T RESIGN

EDITOR'S NOTE: The following communication was received by The Review in reference to the recent "resignation" of Chief of Police Henry W. Piel. It will be noted that there is no denial by the commissioner or the commission of Village Manager Lane's statement of last week that he understood that Piel was "asked to resign." It will also be noted that there is carefully no mention made that at the time the letter was sent, Chief Piel had not submitted his written resignation to the commissioner or the commission.
The letter follows:
March 25, 1946

Mr. Lee Oldham
Grosse Pointe Review
15121 Kercheval Avenue
Grosse Pointe Park 30, Michigan
Dear Sir:
One of the Detroit newspapers carried an article on the resignation of Chief Henry Piel in a tone indicating that he had been "ousted" from the Grosse Pointe Police Force. There is absolutely no ground for such a statement, and I hope you will publish the true facts in the next issue of your newspaper.
Chief Henry Piel was employed by the Village Commission of Grosse Pointe Park in 1940 for the purpose of reorganizing the Grosse Pointe Park Police Department and bring it up to full police efficiency. Chief Piel's service in the Detroit Police Department certainly qualified him for such a task, and our Commission felt very fortunate in being able to get such a man to tackle the job. The Chief has done a fine, commendable piece of work and has brought the Park Police Department up to a very high standard. I doubt that there is a better Force of comparable size in any community in the United States. His men have been effectively trained, and the Department operates as a very well-organized team.
I have no doubt that had the war not interfered Chief Piel's work would have been completed several years ago. This has now been accomplished, and he leaves the Department on April 1. Our Commission wishes him well and extends to him our sincere thanks for a job well done.
Lieutenant Arthur Louwers, who has been thoroughly trained by Chief Piel during the last six years, will no doubt be appointed his successor.
Very truly yours,
H. C. FRITSCH,
Commissioner of Police

Boogie Troubador Opens At Popular Torch Club
Announcement was made this week by Jess Perreca, proprietor of the Torch club at 1200 East Jefferson, that Lennie Nelkin, sensational ex-Gi boogie-woogie piano and song stylist will open there next Tuesday. Eddie Arnold, direct from the Show Lounge in Chicago, will be featured this week-end.

Pointer Takes Part in Wayne's "Spring Dance"
Using the "Circular Theatre" technique, the same method that Detroiters acclaimed in their last presentation, the Wayne University Theatre presents "Spring Dance," by Phillip Barry, Thursday, Friday, and Saturday, April 4, 5, and 6 at 8:30 p.m., in the Women's Federation auditorium.
This comedy of college life, staged within a circle formed by the audience, has as its setting a girl's college in New England. Don Blakely, 8330 Dexter, will direct the play.

Members of the cast are: Oreste Fossati, 1388 Yorkshire, Grosse Pointe; Rosemary Vinson, 1509 Euclid; Clem Fowler, 13331 14th street; Vladimir Sergienko, 1889 Dwyer; John Akers, 1290 Crawford; and Annhilda Pensler, 15803 Linwood.
Also listed are: Virginia Garris, 3401 McClellan; Claire Neback, 1423 Virginia Park; Shirley Huebner, 142 Massachusetts; Bill Lansky, 1247 Clairmount; Elizabeth Elkin, 3557 W. Philadelphia; Marilyn Davis, 12606 Manor; and Rudolph Sosh, 68 E. Arizona.

ROMANCE GIVEN TOP BILLING ON SHORESSCREEN
The double feature program which the Shores theatre has scheduled for Sunday, Monday and Tuesday includes "Along Came Jones" and "Hold That Blonde."
Gary Cooper shares starring honors with Loretta Young in "Along Came Jones" a fanciful picture which captures one's imagination and produces comical situations and laughs. The picture has received favorable comments from all movie critics.
Accompanying this is "Hold That Blonde" in which Eddie Bracken and Veronica Lake are co-starred. The entire bill is one that should not be missed by motion picture fans.

STRIKES and SPARES
The week's news out of East Warren finds — Chaplow Lumber, St. Mathew's Men's Bowling League, on top. Don't know if that is good or bad... the undertaker, Van Deweghe on East Warren, is trailing them now. It was due to Doyle & Wagner Welding losing three points to the lumbermen and Majejec Garage taking three from Van Deweghe's... sparking Chaplow was "Longreach" Lingeman, who had games of 202, 200, besides a 175 for a 57 total. Chuck, Two Freds, Curly and Wild Bill (sounds like a chuck call for a bunch of cow-hands) were responsible for the Vandeweghe retreat.
And Mac's Cafe, always considered slow starters (excepting his food service on Harper) are now in full pace to be considered among or champs by season's end.
Cook Motors, taking four points from Gottlieb Cartage, again puts Barney's in the cellar. They are still taking entries for that Vets' — exclusive tournament... If you bowlers drop in and find a bunch of guys on crutches or in wheel chairs — don't think they are a lot of bowling casualties... they will be wounded vets from Percy Jones... who may be the guests of East Warren and the East Warren Business Men's Association.

MUSICAL COMEDY AND BIOGRAPHY NOW AT COLONY
That woman with all the pep and vivaciousness which can be penned up in one person comes forth in the characterization which Betty Hutton brings to the screen in "Incendiary Blonde." This picture will be scheduled for the patrons of the Colony theatre tomorrow and Saturday.
Betty plays the part of one of the most widely known night club actresses who played the top spots after the turn of the century. She is excellent in this role for Betty is almost a second edition on the screen as this actress was the same type of personality as Miss Hutton is today. Excellent support is given by Arturo de Cordova who plays the lead man in Betty's life, and by Barry Fitzgerald, well known popular character actor.
The accompanying film will be "The Great John L." co-starring Linda Darnell, Gregg McClure. This is one of the finest biographies to be brought to the screen featuring the life of John L. Sullivan, the famous fighter.
The sugar beet harvest in Wyoming this year was 20,000 acres more than last season.

Herbert's "Babes in Toyland" Comes to Masonic Auditorium
Marking one of the high points of its 10-week season, the Detroit Civic Light Opera Association will present Victor Herbert's delightful fantasy, "Babes in Toyland," for one week, beginning Tuesday night, April 2, in Masonic Auditorium. There will be seven evening performances, ending Monday, April 8, and a matinee, Sunday, April 7.
The list of stage personalities who will appear in "Babes in Toyland" is one of the most impressive in the three-year history of the association. The production, from every viewpoint, is one of the most ambitious yet to be undertaken by the local Civic group.
Here is the all-star cast and the characters they will play:
Margaret Spencer, acclaimed for her work in "The Bat," "Naughty Marietta" and "The Great Waltz," as Contrary Mary; Lee Dixon, Broadway star of "Oklahoma," as Gonzorgo; Mary Hopple, noted contralto, as Tom Tom; Fred Harper, as Roderigo; the veteran Joseph Macaulay, as Uncle Barnaby; and Dan Eckley, responsible for all the lovely dance sequences during the whole season and who appears for the first time behind the footlights, as Gwizmo.

Musicians To Hold Dance and Concert Saturday
The Detroit Highlanders Pipe Band will hold a concert and dance in St. Andrew's Hall, 431 East Congress, next Saturday, March 30 at 7:45 p.m.
Artists will include William Buchanan, Douglas Lindsay, Molly Ann Hunter, Jimmie Tedcastle, Alex Pollock, Esie Gould and Eleanor Mac Robbie.

ORDINANCE NUMBER 137

AN ORDINANCE TO REGULATE THE LICENSING AND OPERATION OF TAXICABS AND PUBLIC VEHICLES FOR HIRE ON THE STREETS OF THE VILLAGE OF GROSSE POINTE PARK AND TO PROVIDE PENALTIES FOR THE VIOLATION THEREOF.

THE VILLAGE OF GROSSE POINTE PARK ORDAINS:

SECTION 1: DEFINITIONS

The following terms shall be deemed to mean:
PERSON—Any person, firm, association or corporation.
MOTOR VEHICLE FOR HIRE—A motor vehicle not equipped with a taximeter designed to carry seven or less persons for public hire at an hourly rate.
TAXICAB—A motor vehicle for transportation of seven or less persons for hire upon a trip or mileage basis.
TAXIMETER—A mechanical instrument or device by which the charge for hire is mechanically calculated and upon which such charge shall be indicated by means of figures.

SECTION 2: LICENSES FOR VEHICLES

No person shall operate for hire upon the streets of the Village of Grosse Pointe Park any taxicab or motor vehicle for hire as herebefore defined without first obtaining a license therefor from the Village Commission.

SECTION 3: TAXIMETERS

No person shall operate or permit to be operated upon the streets of the Village of Grosse Pointe Park any Taxicab without having affixed thereto a TAXIMETER that has first been inspected, tested and approved by the Chief of Police of the said Village.

Taximeters shall be examined at least once in six months by said Chief of Police, who shall keep a record of all such inspections and approvals and disapprovals. A service fee of fifty cents (\$0.50) shall be charged for each inspection. Every taximeter shall have the case thereof sealed and the cover and gear thereof intact; shall be in good working condition; shall be so affixed that the amount of the fare determined is plainly visible to the passengers thereof; and after sundown shall be illuminated by a suitable light. A variance of 3% shall be considered correct. The Chief of Police shall approve taximeters complying with the foregoing requirements.

SECTION 4: GRANTING OF LICENSES

The Village Commission is hereby authorized to grant a license to any person of good character to operate a taxicab or motor vehicle for hire upon the payment of the fees hereinafter prescribed and upon the execution by the licensee of a Bond to the Village of Grosse Pointe Park in the sum of Two Hundred Dollars (\$200.00) for each such taxicab or motor vehicle for hire, with one or more sufficient sureties approved by the Village Commission, conditioned that the licensee will faithfully observe the provisions of the Charter and ordinances of the Village of Grosse Pointe Park.

All licenses issued under this Ordinance shall expire December 31st of each year.

SECTION 5:

No license shall be granted until the person applying therefor shall have secured from the Commission a certificate that public convenience and necessity require the operation of the taxicab or motor vehicle for hire. In determining such public convenience and necessity the Commission shall consider the number of taxicabs operating in said Village and whether the demands of the public require the additional taxicab service; the financial responsibility of the applicant; the number, kind, type, equipment, schedule of rates proposed to be charged; traffic conditions on the streets of the Village of Grosse Pointe Park and whether the additional taxicab service will result in a greater hazard to the public and such other relative facts as the Commission may deem advisable or necessary. The judgment of the Commission on the question of public necessity and convenience shall be conclusive. Upon any transfer of ownership of any taxicab or motor vehicle for hire, the Commission may, where the transferor indicates that the vehicle is no longer to be operated as a taxicab or motor vehicle for hire, validate by appropriate endorsement thereon such license for use on another taxicab or motor vehicle for hire to be designated by such transferor. The provisions of the foregoing sentence shall also apply where the licensee shall produce satisfactory evidence that such taxicab or motor vehicle for hire has through destruction or otherwise ceased to be used as such. No license granted hereunder shall be transferable.

SECTION 6: APPLICATION—HOW MADE

Application for licenses for taxicabs and motor vehicles for hire shall be made by the owner upon blanks to be furnished by the Police Department and such applications shall contain the full name and address of the owner, class of the vehicle for which license is desired, the length of time the vehicle has been in use, the number of persons it is capable of carrying and the motor power thereof. No taxicab or motor vehicle for hire shall be licensed until it has been thoroughly and carefully inspected and examined and found to be in thoroughly safe, clean and fit condition for the transportation of passengers. The Police Department is hereby authorized and empowered to establish reasonable rules and regulations for the inspection of such public vehicles and their appearance, construction and condition of fitness. If upon inspection, the taxicab or motor vehicle for hire is found to be of lawful construction and in proper condition in accordance with the provisions of this ordinance and the rules and regulations established hereunder and upon the payment of the license fees hereinafter provided, there shall be delivered to the owner, in addition to the license, a card of such size and form as may be prescribed by the Police Department. Said card shall contain the official license number of the vehicle, together with the date of inspection of the same, and a statement to the effect that in case of any complaint, the Police Department shall be notified, giving the license number of the vehicle. Such card shall be signed by the officer of the Police Department having charge of the enforcement of said ordinance and shall contain blank spaces upon which an entry may be made of the date of every inspection of the vehicle by the inspector. License cards shall be of distinctly different color each year. It shall contain the name of the person, firm or corporation owning such taxicab or motor vehicle for hire and the state license number issued therefor. Upon paying the sum of One Dollar (\$1.00) and furnishing proof by affidavit of the loss or destruction of such license or such card, duplicates thereof shall immediately be issued to the licensee with appropriate notation thereon that they are duplicates.

SECTION 7: LICENSE FEES AND PLATES

When such license shall have been granted, the licensee shall affix to the taxicab or motor vehicle for hire so licensed, a small plate not exceeding six inches in diameter which shall bear the license number of the vehicle. The registration of such numbers shall be under the administration and control of the Police Department and the design of such license plates shall be changed annually. Such license may be granted by the Commission upon the applicant paying into the Village Treasury the sum of Twenty-five (\$25.00) Dollars for the first taxicab or motor vehicle for hire licensed to such applicant and Ten (\$10.00) Dollars for each other taxicab or motor vehicle for hire licensed to such applicant, and filing a bond or liability insurance as hereinafter required.

SECTION 8: LIABILITY INSURANCE OR BOND

Before the issuance of a license to operate a taxicab or motor vehicle for hire the licensee shall file:

(a) A certificate signed by a duly authorized officer of a company authorized to write insurance in the State of Michigan to the effect that a policy of insurance has been issued and is in full force and effect issued to the licensee, and that the premium has been paid as required thereon, together with a true copy of the policy contract or certificate of insurance. In cases where the insurance premium is payable monthly, proper certificates or evidences of payment of the premiums shall be delivered to the Village Treasurer not later than the first of each month. Said policy of insurance shall be in the sum of not less than Ten Thousand (\$10,000.00) Dollars, conditioned for the payment of any judgments recovered against such person, firm, co-partnership, corporation or association for death or injury to persons, and not less than One Thousand (\$1,000.00) Dollars for damage to property caused in the operation, maintenance, use or the defective construction of such motor vehicle. Such policy of insurance may limit the liability of the insurer on any judgment to Five Thousand (\$5,000.00) Dollars for bodily injuries or death suffered by one person, and One Thousand (\$1,000.00) Dollars for damage to or destruction of property owned by one person, and on all judgments recovered upon claims arising out of the same accident or transaction, the maximum liability may be limited to Ten Thousand (\$10,000.00) Dollars for personal injuries or death suffered by more than one person and for property damage One Thousand (\$1,000.00) Dollars. Such policy of insurance shall contain a provision for a continuing liability thereunder to the full amount thereof, notwithstanding any recovery thereon, and that until the policy is revoked as herein provided, the insurance company will not be relieved from liability on account of non-payment of premium, failure to renew license at the end of the year, or any act or omission of the named assured. Any insurance company whose policy has been so filed pursuant to this section, may file a notice in the office of the Chief of Police of its intention to terminate and cancel such policy and give notice thereof to the named licensee. Whereupon after ten (10) days after such filing such licensee or owner shall cease to operate or cause to be operated within the Village of Grosse Pointe Park such taxicab or motor vehicle for hire, and the license issued therefor shall be automatically revoked and liability on such policy shall cease and terminate, provided that the liability of the insurance company thereon for any act or omission of the licensee or owner occurring prior to the effective date of cancellation shall not be thereby discharged or impaired.

The Chief of Police may from time to time, at his discretion, require financial reports to be furnished to him by any or all insurance companies writing policies of insurance filed in compliance with this ordinance.

If the financial condition of any of such companies shall at any time be found unsatisfactory or insecure with reference to the extent of the risks assumed or policies outstanding, the Chief of Police shall be forthwith notified thereof, and after ten (10) days' notice to the owner or owners of any vehicle covered or affected by insurance policies issued by any such company or companies in pursuance to the provisions of this ordinance, the Chief of Police shall revoke the licenses of such owner or owners, unless a satisfactory policy or policies, bond or bonds, shall have been previously filed in the manner and form herein required.

(b) In lieu of the policy or policies of insurance herebefore provided for, the licensee may furnish a good and sufficient surety company bond or bonds in a form to be approved by the Village Attorney in the penal sums of not less for each cab of at least the amounts specified in the preceding paragraph, and binding the principal and surety to the same conditions as are required in policies of insurance provided for hereunder.

(c) Before a license as herein provided for shall be issued, the applicant shall file with the Village Clerk an instrument in writing, nominating and appointing the Chief of Police, or the person performing the duties of such position, his true and lawful agent, with full power and authority to accept and acknowledge service of notice or process for and on behalf of said applicant in respect to any matters or suits at law, connected with or arising out of said license, or the insurance policy or bond given as required by the provisions of this ordinance, or for the performance of any of the conditions of said bond or insurance policy, or for any breach thereof. The said instrument in writing so nominating and appointing said Chief of Police as such agent shall contain recitals to the effect that the applicant for said license consents and agrees that service of any notice or process may be made upon said agent, and when so made shall be taken and held as valid as if personally served upon the person applying for said license under this ordinance, and waiving all claim or right of error by reason of such acceptance and acknowledgment of service or manner of service. It shall be the duty of the Chief of Police to deliver forthwith by registered mail a notice of the service of such process or notice to the licensee at the address shown upon his license, and to his sureties or insurers aforesaid in cases where it directly affects their obligations. Every policy of insurance or bond filed shall contain a provision consenting to the foregoing provision.

SECTION 9: RATES FOR TAXICABS

The rates to be charged and collected for service by taxicabs shall be the following: for the first two-thirds of a mile or fraction thereof, twenty-five cents, and for each additional one-third mile or fraction thereof, five cents. The Village Commission may increase or decrease the rates herein established and no charge shall be made except as established by the Village Commission. No charge shall be made for extra passengers. For each three minutes of waiting time or fraction thereof a charge may be made of five cents. Waiting time shall include the time when the taxicab is not in motion, beginning with the arrival at the place to which it has been called, or the time consumed while standing at the direction of the passenger, but no charge shall be made for time lost for inefficiency of the taxicab or its operator, or time consumed by premature response to a call or for traffic delays. There shall be posted in a conspicuous place on the inside of the taxicab a card on which shall be printed in plain, legible type the rates of fare provided for in this ordinance, the meter rate of the taxicab, and reference to this ordinance by number.

SECTION 10: RATES FOR MOTOR VEHICLES FOR HIRE

No person, firm or corporation as defined herein operating a motor vehicle for hire as herein defined shall operate same within the corporate limits of the Village of Grosse Pointe Park other than on an hourly rate. The schedule of rates for service of such vehicles shall be as follows: For the use of any such motor vehicle for hire carrying two or less passengers not more than \$3.00 per hour; for the use of said motor vehicle for hire carrying three to five passengers not more than \$3.50 per hour; for the use of such motor vehicle for hire carrying more than five passengers not more than \$4.50 per hour. For the use of motor vehicles for hire where said vehicle has been used in excess of one hour additional time may be charged for on the basis of quarter hour fractions of the rate charged for the first hour's use of said vehicle. The time shall begin when the motor vehicle is ready at the time and place requested by the passenger, and shall continue until the passenger has been discharged and the car shall have had time thereafter to return to the garage or stand by the most direct route, and at the maximum speed permitted by law.

The driver of a motor vehicle for hire shall give the passenger a receipt showing the time when the trip commenced and concluded and shall be signed by said driver. There shall be displayed in plain public view on each motor vehicle for hire a sign giving the rates charged by the hour. This section shall not apply to taxicabs where a taximeter is attached as defined herein.

SECTION 11: LICENSING OF DRIVERS

APPLICATION FOR: Each person driving a taxicab or motor vehicle for hire must be licensed as such. Each applicant for a driver's license must (a) be of the age of 20 years or over; (b) be of sound physique and good eyesight, and not subject to epilepsy, vertigo, heart trouble or any other infirmity of body or mind which might render him unfit for the safe operation of a public vehicle; (c) be able to read and write the English language; (d) be clean in dress and person not addicted to the use of intoxicating liquors; (e) produce, on forms to be provided by the Police Department, certificates of his good character, from two reputable citizens who have known him personally and observed his conduct during one month next preceding the date of his application; (f) fill out, upon a blank form to be provided by the Police Department a statement giving his full name, residence, place of residence for five years previous to moving to his present address, age, color, height, color of eyes and hair, place of birth, whether a citizen of the United States, place of previous employment, whether married or single, whether he has ever been convicted of a felony or misdemeanor, and if convicted, the nature of the crime and the date when and the place of the conviction, whether he has previously been licensed as a driver or chauffeur, and if so, when and where and whether his license has ever been revoked and for what cause, which statement shall be signed and sworn to by the applicant and filed with the Police Department as a permanent record. The investigation of all applications for licenses under the provisions of this ordinance shall be conducted by the Police Department and when such investigation is completed, the application shall be forwarded by the Chief of Police, with his recommendation thereon to the officer of the Police Department in charge of licenses; Provided, however, that a temporary license may be issued pending such investigation, but for a period not exceeding twenty (20) days. No license shall be issued to any person under the provisions of this ordinance who has been convicted of a felony. The Police Department is hereby authorized and empowered to require such applicant to be fingerprinted and to establish such additional rules and regulations governing the issuance of drivers' licenses, not inconsistent herewith, as may be necessary and reasonable.

SECTION 12: EXAMINATION OF DRIVERS

Each applicant for a driver's license under the provisions of this ordinance shall be examined by a person designated by the Police Department, as to his knowledge of the provisions of this ordinance, the traffic regulations and geography of the Village, and if the result of the examination be unsatisfactory he shall be refused a license. Each such applicant must, if required by the Police Department, demonstrate his skill and ability to safely handle the vehicle by driving it through a crowded section of the Village accompanied by an inspector designated by the Police Department.

SECTION 13: PHOTOGRAPHS OF DRIVER

Each applicant for a driver's license must file with his application three recent photographs of himself of a size which may be filed, together with the application, with the Police Department. The photograph shall be so attached to the license that it cannot be removed and another photograph substituted without detection.

SECTION 14: FORM AND TIME OF DRIVERS' LICENSES

Upon satisfactory fulfillment of the foregoing requirements, there shall be issued to the applicant a driver's license which shall be in such form as to contain the photograph, signature and thumb print of the licensee and a blank space upon which a record may be made of any arrests and convictions against him. Any licensee who defaces, removes or obliterates any official entry made upon his license or book shall, in addition to any other punishment imposed by this ordinance, have his license revoked at the discretion of the Commission. Drivers' licenses shall be issued as of January 1st of each and every year, and shall be valid to and including December 31st, next succeeding. No person shall permit any employee to operate a public taxicab or motor vehicle for hire within the Village of Grosse Pointe Park without first obtaining a license as a public driver from the Commission. The Commission is hereby authorized to grant a public driver's license to any applicant therefor upon payment of the sum of One (\$1.00) Dollar, into the Village Treasury by such applicant.

Every licensed driver shall have his license, together with his photograph, conspicuously displayed on the inside of his taxicab or motor vehicle for hire and with a light shining on it at night so that it may be easily seen both in the day and night time by occupants of the taxicab or motor vehicle for hire.

SECTION 15: DRIVER'S CARD OR BADGE

There shall be delivered to each licensed driver of a taxicab or motor vehicle for hire a card or badge of such form and style as the Police Department may prescribe with his license number thereon, which must, under penalty of revocation of the license be displayed when he is engaged in his employment.

SECTION 16:—RENEWAL OF DRIVERS' LICENSES

The Police Department may cause the renewal of a driver's license from year to year by appropriate endorsement by said Police Department upon the application for renewal. A driver in applying for renewal of his license shall make such application upon a form to be furnished by the Police Department, entitled "Application for Renewal of License," which shall be filled out with the full name and address of the applicant together with a statement of the date upon which his original license was granted and the number thereof. A fee of one (\$1.00) dollar shall be charged for each renewal.

SECTION 17: CONDUCT OF DRIVERS

It shall be the duty of every person driving or operating a taxicab to be courteous and gentlemanly, to refrain from smoking while actually carrying passengers in his taxicab, to refrain from swearing, loud talking or boisterous conduct, to drive his motor vehicle carefully and in full compliance with all traffic laws and ordinances and regulations or orders of the Grosse Pointe Park Police Department or any of its members, to promptly answer all court notices, traffic violation notices or police notices, to deal honestly with the public and with his employer.

Upon violation of any of the provisions of the foregoing paragraph, the Chief of Police may forthwith suspend the license of any offending driver and upon investigation, may recommend to the Commission that the license be revoked.

SECTION 18: SUSPENSION AND REVOCATION

Any taxicab licensee granted under the terms of this ordinance may be suspended by the Chief of Police, or revoked by the Commission, if the taxicab shall with the knowledge and consent of the owner of said taxicab be used for, or the driver shall with the knowledge and consent of the owner of said taxicab be engaged in immoral or illegal business in violation of any Village ordinance, State or Federal Law, or in violation of the terms of this ordinance, and any driver's license may be suspended by the Chief of Police or revoked by the Commission if the driver is engaged in any immoral

or illegal business with said taxicab, or in violation of any Village ordinance, State or Federal law or in violation of the terms of this ordinance.

Any person being aggrieved by reason of the conduct or action of any taxicab operator, owner or driver may present his complaint to any police officer. Such complaint shall be promptly investigated by the Police Department and the license of any person complained of may be suspended by the Chief of Police or revoked by the Commission after such investigation.

SECTION 19: UNLICENSED DRIVERS

No person shall permit any unlicensed driver, or any driver whose license has been suspended or revoked to operate any taxicab in the Village of Grosse Pointe Park.

SECTION 20: RECORD OF LICENSES

The Police Department shall keep a complete and public record of the issuance of each license and all renewals, suspensions and revocations thereof, which record shall be kept on file with the original application for such license. If a member of any cooperative association, the licensee shall give the name of the association and shall notify the license bureau of the Police Department of any change in his membership or affiliation within forty-eight (48) hours of change.

SECTION 21: POLICE INSPECTIONS

The Police Department shall maintain a constant vigilance over all taxicabs and motor vehicles for hire to see that they are kept in condition of continued fitness for public use, and to this end, the Police Department shall inspect or cause to be inspected all taxicabs or motor vehicles for hire from time to time or on the complaint of any citizen or as often as may be necessary. Reports in writing of all inspections shall be promptly made to the Police Department.

SECTION 22: TAXI STANDS

The Chief of Police shall designate to the Commission certain locations as public taxicab stands and stands for motor vehicles for hire. Such stands shall not be established until the recommendation of the Chief of Police shall have been confirmed by the Commission. Nothing herein shall prevent the Commission from establishing such stands without the recommendation of the Chief of Police. The Chief of Police shall recommend the number of taxicabs or motor vehicles for hire that shall be permitted to stand at any of the public stands authorized by the Commission. Such recommendation of the Chief of Police shall not become effective except with the approval of the Commission, and the Commission may approve of such recommendation or may establish such regulations respecting the number of cars at such stands as they may see fit. The Chief of Police shall cause to be attached to a post or stanchion a metal sign which shall state the number of taxicabs or motor vehicles for hire which shall be permitted to stand at such particular stand. No public taxicab or motor vehicle for hire stand shall be established within five feet of any crosswalk. The Chief of Police may recommend, subject to the approval of the Commission, additional stands for night use only. No taxicab or motor vehicle for hire shall be permitted to park anywhere except at stands established as hereinbefore provided.

SECTION 23: OPERATION OF STANDS

Only licensed taxicabs in such number as are set forth on the metal signs, hereinbefore referred to, may remain at any stand while waiting for employment and they must be parked in single file. The public taxicab standing at the head of such parked line shall not be permitted to refuse to carry any orderly person who offers to hire such taxicab and agrees to pay the proper rate of fare; provided, however, that the foregoing provisions shall not be construed to prevent any person from selecting any taxicab he may desire on the stand, whether it be at the head of the line or not. As the taxicabs leave the parked line with passengers, those in the rear shall move up, and any public taxicab seeking space on such stand shall not approach the same except from the rear thereof and shall move up as closely as possible to the last car on said parked line.

SECTION 24: CHANGE OF FARES

No change of fare shall be made until the meter shall be adjusted to said changed rate and approved by the Chief of Police and no fare in excess of or less than indicated by said taximeter shall be charged.

SECTION 25: PROPERTY LOST OR LEFT IN TAXICAB

Every driver of a taxicab, immediately after the termination of any hiring or employment, must carefully search such taxicab for any property lost or left therein, and any such property, unless sooner claimed or delivered to the owner must be taken to the nearest police station and deposited with the officer in charge within twenty-four hours after the finding thereof, and the officer in charge of the precinct to which such report shall be made shall forward a written notice to the Chief of Police with brief particulars and description of the property.

SECTION 26: FARES IN ADVANCE CONVEYANCE OF ORDERLY PERSONS

Every driver of a taxicab shall have the right to demand payment of the legal fare in advance, and may refuse employment until so prepaid, but no driver of a taxicab shall otherwise refuse or neglect to convey any orderly person or persons upon request anywhere in the Village unless previously engaged or unable to do so. No driver of a licensed taxicab shall carry any other person than the person first employing a taxicab without the consent of said passenger.

SECTION 27: SOLICITING BUS PASSENGERS

No driver of any taxicab or motor vehicle for hire shall solicit persons who are waiting to take passage on a bus at an established loading point for such bus.

SECTION 28: DISPUTES

All disputes as to the lawful rate of fare shall, upon request of the driver or passenger of said vehicle, be determined by the Police Officer in charge of the police station; failure to comply with such determination shall subject the offending party to a charge of disorderly conduct, punishable by a fine of not exceeding Ten (\$10.00) Dollars, or in default thereof, imprisonment of not more than ten (10) days. This provision shall be mandatory and the police officer in charge of the station where said request is made must render said service.

SECTION 29: CRUISING

No public taxicab, while awaiting employment by passengers, shall stand on any public street or place other than upon a public taxicab stand, designated or established in accordance with this ordinance nor shall any driver of such taxicab seek employment by repeatedly and persistently driving his taxicab to and fro in a short space before or by otherwise interfering with the proper and orderly access to or egress from any theater, hall, hotel, public resort, ferry station or other place of public gathering or in any other manner obstructing or impeding traffic; but any taxicab may solicit employment by driving through any public street or place without stops other than those due to obstruction of traffic and at such speed as not to interfere with or impede traffic and may pass and re-pass before any theater, hall, hotel, public resort, ferry station or other place of public gathering, provided that after passing such public place, he shall not turn and re-pass until he shall have gone a distance of two blocks beyond such place.

Russell Bradley Assists in Search for "Missing in Action" Americans in China

Shanghai, China—One of the most important post-war jobs of the American Army in China is that being carried out by the Theater Search Detachment. Activated in November, 1945, by Lt. Gen. A. C. Wedemeyer, Commanding General of the China Theater, the organization is commanded by Colonel David D. Barrett of Boulder, Colorado, a veteran of sixteen years China service. The Headquarters are located in the former German embassy, within the ancient walled city of Nanking. Out of the Nanking office operate ten specially selected teams of officers and enlisted men, whose job is to fine-comb the vast expanses of China, Indo-China and the adjacent islands in an exhaustive effort to ascertain the causes of the death and disposition of the remains of the more than 700 Americans carried on the War Department records as "Missing in Action" in the China theater.

Technical Third Grade Russell W. Bradley, 601 Washington Road, Grosse Pointe, a student of the University of Michigan before entering the Army, is a member of the Search Mission Team which has been operating out of China's wartime capital since early December, 1945. The work of this unit has been extremely difficult due to the fact that the terrain assigned to them covers many rugged mountainous areas, where, due to winter snows and floods, travel has been very limited. The task of locating the isolated and frequently unmarked graves of some 700 missing personnel in an area almost twice the size of the

United States, amid a population of more than four hundred million speaking different dialects and who, because of limited communications, wartime travel restrictions and fear of the Japanese invader did not often secure first-hand information, appeared to present series of insurmountable obstacles. However, a carefully planned program was put into effect whereby the natives would be informed of the purpose of the American team visits. This was done by means of an order from Generalissimo Chiang Kai-Shek to all Army Commanders, Mayors, Magistrates and Postal employees throughout China directing them to give every possible assistance to the Americans.

At present, American teams are operating out of Peiping, Foochow, Tsinan, Hankow, Chungking, Changsha, Canton, Hanoi, Formosa and Kaifeng.

Appoint Secretary of Community Fund

Lossing joined the Council of Social Agencies staff in 1941 as secretary of the Dearborn and Royal Oak councils. He had previously been a

Ordinance Number 137

(Continued from Page Nine)

In the event of any violation of any of the provisions of the foregoing paragraph, any police officer may forthwith take up the license of the driver of such taxicab and forward it to the Chief of Police who shall suspend such license for a period of not exceeding ninety (90) days, and it shall be unlawful for such driver to operate any taxicab in the Village of Grosse Pointe Park during the period of such suspension. In case of persistent or repeated violations, the Chief of Police may suspend and/or the Commission may revoke the taxicab license of the owner of such taxicab; provided, however, that such owner has had timely notice and an opportunity to be heard in his defense against the revocation of such license. In the event of such revocation, for a period of one year thereafter such owner shall be ineligible to receive a license under this ordinance, and no license shall be issued during the same period for the operation of the vehicles so used or operated in violation of this section.

SECTION 30: PERSON RIDING WITH DRIVER

No person shall be permitted to ride on the front seat with the driver of a taxicab, and any driver who shall permit this to be done may be deprived of his license.

SECTION 31: SOLICITING

No person shall solicit passengers for a public taxicab upon the streets and highways of the Village of Grosse Pointe Park except the driver of a public taxicab when sitting upon the driver's box of his vehicle. The chauffeur or driver of any taxicab or automobile kept for hire shall remain on the driver's seat or inside of his vehicle at all times when such vehicle is standing upon the public stands or when actually engaged in carrying passengers; providing that nothing in this section shall be held to prohibit such driver or chauffeur from alighting to the street or sidewalk for the purpose of assisting passengers into or out of such vehicle or take care of the calls of nature while upon a public stand, limiting his absence from stand to thirty (30) minutes, during which time his taxicab or car for hire shall occupy a position at the rear end of said public stand.

SECTION 32: LOITERING

It shall be unlawful for any person, other than the driver or owner of a taxicab or automobile kept for hire standing upon the public streets, to loiter at, within, or near said taxicab or automobile kept for hire.

SECTION 33: ADVERTISING

Subject to the rules and regulations of the Chief of Police it shall be lawful for any person owning or operating a taxicab or motor vehicle for hire to permit advertising matter to be affixed to or installed in or on such taxicabs or motor vehicles for hire.

SECTION 34: COMPLIANCE WITH ORDINANCES

All laws and ordinances affecting the operation of taxicabs and motor vehicles for hire and all traffic regulations applicable thereto, now in force or which may hereinafter be enacted or put into force, shall be complied with by the licensee. The licensee shall also comply with and enforce the carrying out of any orders or regulations which may be issued by the Commission, designed for the protection and safety of persons and property or for the comfort, health and convenience of the public. The right is hereby reserved by the Commission, at its pleasure or caprice, to amend, alter or repeal this ordinance at any time in the future. No licensee operating hereunder shall acquire any rights hereunder which shall be construed as preventing the Commission from taking such action.

SECTION 35: ADDITIONAL RULES

The Chief of Police is hereby empowered to make such additional rules and regulations within the scope of and consistent with this ordinance as may be necessary or proper to carry out the terms and provisions of this ordinance and effectuate the objects thereof. Such rules and regulations when formulated and published shall be regarded as part of this ordinance.

SECTION 36: PENALTY

Any person, firm or corporation violating any of the provisions of this ordinance shall, upon conviction thereof, be subject to a fine not exceeding the sum of One Hundred (\$100.00) Dollars or imprisonment in the county jail for a period not exceeding ninety (90) days or both such fine and imprisonment at the discretion of the Court.

SECTION 37: INVALIDITY OF ANY PART OF ORDINANCE NOT TO AFFECT REMAINDER

If any phrase, clause, sentence, paragraph, part or section of this ordinance shall for any reason be adjudged or decreed to be invalid by any court of competent jurisdiction, such judgment or decree shall not affect, impair or invalidate the remainder of this ordinance, but shall be confined in its operation to such phrase, clause, sentence, paragraph or part hereof directly involved in the controversy in which said judgment or decree shall have been rendered.

SECTION 38:

This ordinance shall take effect twenty (20) days after the date of its adoption.

Select Cast for Annual Catholic Theatre Play

Announcement of the cast that will take part in "The Passion Play," to be given by The Catholic Theatre of Detroit in the Institute of Arts main auditorium April 13 through 17, reveals that several veteran performers will be among the players. William McGrail, 19184 Pinehurst, Detroit attorney, will again portray the exacting role of The Christ this year for the fourth consecutive time. Mr. McGrail appeared as the Savior in the first Catholic Theatre production of "The Passion Play" in 1941 and therefore has a great wealth of experience behind him to aid in reaching the height of characterization, speech and actions which the role demands.
