Popcorn Man Takes New Location; Now Cruising Village

March thirty-first saw the end of Tony's popcorn wagon parked at Bishop and Jefferson, but the evening of April 1 saw the wagon slowly cruising the streets of Grosse Pointe Park.

POINTE PARAGRAPHS

It was rather humorous Monday night to see the police commissioner's car and later, scout cars, following Ernest Koinis, the Popcorn Man. It is wondered whether in their travels they changed to pass the Park's so-called "illegal" fence.

At another time during the evening, the commissioner joined two scout cars at the scene of the fatal accident on Mack near Audubon; he was sporting a jaunty beret.

It appears that all was fair in love and bowling last Thursday night when the City of Grosse Pointe police bowling team agreed to compete with Jack Sutton and his team from the Grosse Pointe Yacht club.

The City police appeared on the scene of the fatal accident on Mack near Audubon; he was sporting a jaunty beret.

But the secret of the whole thing were the other two members—Joe Norris and Red Kelly of East Warren Recreation. Did you ever hear of them with their 200-220 averages? The chief came up with the lame excuse that all his other police officers were working.

The first game was low with a 987 for the five—but Sutton and his team, being good sportsmen, rolled very good games and took two away from the City five. P.S. A rematch is in the making but it is whispered that City Commissioner Bud Blessed, a friend of Jack's, has put a stop to the special police officer business.

We learned that Mr. and Mrs. Alvin W. Bond, of 647 Lincoln are convalescing nicely for shortly after Mr. Bond broke his hip in a fall several weeks ago, his wife was rushed to the hospital for an emergency operation. But they'll both leave their sick beds soon.

It goes to show you that when people are given a thing, practically on a silver platter, they don't know how to care for it.

As a wartime provision, the Lake Shore Coach lines maintained a shelter for bus patrons at the limits. For four years it replaced smashed windows and broken wallboards, kept it clean and kept it in good condition as a protection from the elements.

At the war's conclusion, the company removed the building, calling it a disgrace to the community.

This can be blamed on the residents, by they young or old (and our scribe believes the former are in the majority), who recklessly and thoughtlessly destroyed the building and its parts. It seems that public institutions can never be left to the public, but must have a police or standing guard over it.

The proper time to wake up to the crimes of these people, don't you think?

Public gardens have been termed "national again" to help maintenance of a level economy, which will also help in the needed supplies of food. The nation's gardens are being planted in a way that will help in the needed supplies of food.

In the meantime, he expects to "keep on the move" in the village, plying his popcorn and "goodies" to his neighbors and friends at their homes.

In seeking this parking permission, Mr. Koinis stated at the beginning of his petition that he has been furnishing a service which the community is used to and which it has demanded for the past 20 years, and in order to keep doing this, he wished to park on the northeast corner of Jefferson and Somerset which is at present vacant.

Approving of his request for this new parking spot, 325 residents of Grosse Pointe Park signed petitions urging that the village commissioners grant the permit.

Explaining his decision to drive slowly throughout the streets of the Park, Mr. Koinis said that he wished to comply to the letter of the decree which demanded that he leave Bishop and Jefferson on March 31.

He said that he is now operating under the ordinance governing itinerant vendors who are allowed on the village streets and may stop to serve customers.

Hard Ball League Season of 1946

The Grosse Pointe Hard Ball League is looking for members and teams to play during the 1946 season. The league has been re-activated after a cessation of play since 1942.

The league teams play Class B baseball and sends the season's champion to Battle Creek for state championship competition. The league has at present four entries, two from Van Dyke and two from Grosse Pointe.

At its last meeting the league discussed the possibility of adding a junior hard ball department. This group would take boys up to 16 years of age. Persons interested in the promotion of the Junior League will please contact Russell Greck at 20788 Mack avenue, Grosse Pointe Woods, or call TU. 1-0983.

Newly-Formed Optimist Club Elects Officers

Lawrence W. Korte was elected president of the Grosse Pointe Optimist club Tuesday noon when the newly organized group of Grosse Pointe's well known business and professional men met at the Dorothy-Mary dining room on Fisher road.

The members of the governing board besides the officers elected are: Barton F. Trail, George S. Knoff, Melvin Birney, Don Reed, Howard Ender and G. D. Woodbridge.

Optimist International has become known throughout North America. Headquarters are located in New York, N. Y., and branches exist in many countries and English speaking parts of the world. The organization is active in every community where a club exists.

Charles H. Dingsberry, International extension manager, 1934 the new members. They take part in every worthwhile activity, but they do have some definite aims. They are to help the community and to help in the betterment of the world.

Alleged Thief Who Shot Way Out of Cafe, Appeared Here

On a writ of habeas corpus, the Grosse Pointe Park police obtained a warrant for Robert Dowling who was examined in the Park justice court last Friday by Justice Victor DeBaek.

He was charged with breaking and entering on Feb. 12 when he and a companion broke into the Grosse Pointe Park Cafe on Charlevoix avenue. He is alleged to have shot his way out of the tavern after it was surrounded by police officers.

Dowling was brought to the Park from Milan, Mich., where he is serving a sentence for evading customs officers when he tried to enter Canada after the attempted robbery in the village.

He will be brought to trial in the Park at the expiration of his federal sentence of one year.

Robert Pelchat, his companion, who was tried in circuit, on the same charge, turned state's witness in Dowling's examination.

"Music for Fun" Delights Pointe Lecture Audience

Radio's "Tune Detective," Dr. Sigmond Spaeth, provided an unusual bonus attraction Tuesday night for patrons of Grosse Pointe Lectures, in Pierre auditorium.

Dr. Spaeth was brought to the audience as an added feature of the lecture series with surplus funds realized through the organization's third highly successful season in Grosse Pointe.

Appropriately, the program was preceded by a concert of three selections by the Grosse Pointe high school orchestra.

Author of 21 widely read books and nationally recognized authority on music, Dr. Spaeth presented an informal program, illustrated at the piano, which was definitely slanted to reach the musically uninformed. Spaeth decried audiences which sit in a "comfortable coma and luscious lethargy," not knowing what they are listening for in music.

He defined music as "the organization of sound toward beauty." Everyone has some reaction to music, said the speaker, physically (in the feet), emotionally (in the heart), or intellectually (in the head).

All music has a definite melody and underlying pattern. The five qualities which determine the value of music are rhythm, melody, harmony, tone color and rhythm.

Plans for next year's program were discussed by Henry Horn, president of Grosse Pointe lectures and questionnaires on the type of programs wanted and rating of this year's programs were submitted to the audience.

Michigan and Canada will attend. The Grosse Pointe Optimist club will become a part of the Optimist International organization.

Other officers of the club are Chester Carpenter, first vice-president; Dr. W. L. Tuttle, second vice-president; Zack Moss, secretary-treasurer; G. D. Woodbridge, sergeant-at-arms.

The members of the governing board besides the officers elected are: Barton F. Trail, George S. Knoff, Melvin Birney, Don Reed, Howard Ender and G. D. Woodbridge.

Optimist International has become known throughout North America. Headquarters are located in New York, N. Y., and branches exist in many countries and English speaking parts of the world. The organization is active in every community where a club exists.

Charles H. Dingsberry, International extension manager, 1934 the new members. They take part in every worthwhile activity, but they do have some definite aims. They are to help the community and to help in the betterment of the world.

At the war's conclusion, the company removed the building, calling it a disgrace to the community.

TONY'S LAST STAND

TONY'S POPCORN WAGON, owned and operated by Ernest Koinis, was parked for the last time Sunday at Bishop and Jefferson, and can now be found cruising the streets of Grosse Pointe Park. This move was made by Tony after village officials ruled him from parking at his old intersection, a spot he held for twenty years.

Varied Classes Offered Adults Evenings Juveniles Appear Before Authorities for Theft From Car

Life saving, interior decorating and sports will greet the members of three new courses which will be offered the adults of Grosse Pointe in evening classes by the Board of Education.

A course in water safety and life saving will be offered at the Grosse Pointe high school starting Monday at 7:30 p.m. This class is sponsored by the board of education and the Grosse Pointe Yacht Club.

There are certain requirements for enrollment in this course, namely: 1. Sixteen years of age or over; 2. Standing front dive; 3. Swim 220 yards; 4. Dive from surface to minimum depth of six feet and swim two body lengths under water; 5. Tread water one minute with hands beneath surface; 6. Float motionless or rest in a floating position with minimum movement of arms and legs for one minute.

This course will require 15 hours of class work and two hour examination. Frank Banach, varsity swimmer, will be the instructor.

A six weeks class in fly casting for both men and women will start Tuesday, April 9 at the high school. Mr. Charles Wilcox, formerly State champion and well known in the metropolitan area as an instructor in the art of fly casting will be in charge.

If you are interested in enrolling in any of these classes or wish further information, call the Grosse Pointe board of education, XI, 2000, ext. 25.

"Jeep" Del Barba Leads Neighborhood Club to Victory

The neighborhood Club basketball team led by "Jeep" DelBarba won the tournament held at the Club. In the first game, the Neighborhood Club team defeated the V.F.W. Bruce Post No. 1146 by the score of 30 to 27, "Jeep" scoring 12 points and Messner 10 for the Club team.

The second game was won by the V.F.W. by the score of 2 to 0 on a basket from McGlew's team from Warren which failed to appear.

In the third game, the St. Paul Indians defeated the St. Clair Shores Merchants by the score of 37 to 32. The Indians led by "Red" Malson, the high point man for the evening, scored 19 points, and his teammates with 14 points. The top scorers for the Merchants were J. Tompkins with 11 points and Kermit with 10 points.

The Neighborhood Club team defeated Wally's last Monday in the final game by the score of 30 to 25.

Parshall Appoints Committee Heads

President Howard Parshall has appointed a committee to study the proposed new Grosse Pointe Park village ordinance, which would change the name of the village to Grosse Pointe Park.

Swear Out Warrant in Park Robbery

A warrant has been obtained by the Grosse Pointe Park police department for Andrew Palida, 29, of 1553 Howard street, Detroit on the charge of breaking and entering in the night time and larceny from a dwelling.

Palida, a West Indian, is charged by the police to have broken into the home of Robert N. Hayes of 801 Beaconsfield, March 25 and stole a watch and jewelry valued at \$200.

Palida was arrested at 1429 Bishop and 1311 Maryland avenue.

Pointe Major Arrives After Duty in Aleutians

Major Charles S. Roberts, 44, of 1429 Bishop, arrived in Grosse Pointe Park after a tour of duty in the Aleutians.

Major Roberts served in the Aleutians from June 1942 to June 1945. He was decorated with the Distinguished Service Cross for his gallantry in the capture of the island of Attu.

Two Dog Bite Victims

William Mason of Belanger and William LaGrasso of 1105 Lakepointe were the victims of dog bites last week, according to Pointe police records.

Officials Amend Zoning Law At Somerset-Jefferson

The Automobile Club of Michigan will be permitted to build a branch office building on Somerset and Jefferson.

After years of struggling with the village officials of Grosse Pointe Park and its residents, the club finally convinced the commission and opposing citizens that its proposed colonial style building would be an asset to the community.

The final decision came Friday night when the commissioners reconvened from Monday's meeting.

'Smooth' Talker Talks Park Woman Out of \$10 Check

A man who gave his name as Ronald Baxter was the smooth operator with the smooth talk who "talked" a Cadieux resident out of \$10 last week.

The Grosse Pointe Park matron called Park police and told them that a man of approximately 35 years of age answered an ad for a maid, telling the woman that his wife could fulfill her specifications for a domestic.

He told her that his wife was in Traverse City, and that he didn't have any money to bring her here because he used up all his funds for his daughter's funeral expenses. The Cadieux woman offered him a small sum of money but he refused to take it.

After repeated questioning, one boy admitted kicking and smashing the window in the car owned by R. Kenneth Savage, 20 of 306 Fisher road, told Sgt. Labadie that while using a golf club and ball on the high school athletic field last week, he "sliced" a stroke and sent the ball through the Hawthorne Hall plate glass window. He promised to pay restitution for the broken glass.

Park Firemen Answer Two Roof Fire Calls

Two roof fires called out the Park firemen, one Friday morning and the second Sunday afternoon. They occurred at 1429 Bishop and 1311 Maryland avenue.

Park Grants Ex-Police Chief Month's Salary

Upon the recommendation of Police Commissioner Homer C. Fritsch of the Park village commission, Henry W. Piel, former police chief, will receive a month's salary. Mr. Fritsch said this was in appreciation of his six year's service as head of the police department.

Two Dog Bite Victims

William Mason of Belanger and William LaGrasso of 1105 Lakepointe were the victims of dog bites last week, according to Pointe police records.

DETROITER KILLED IN Third Fatal Accident

Grosse Pointe Park's third fatal automobile accident since the beginning of the year occurred Monday night on Park streets involving several cars.

Last Thursday night, a car driven by L. J. Smith, 650 Lakepointe, struck a car driven by John H. Timlock, 829 Beaconsfield, at the intersection of Lakepointe and Fisher streets. Mrs. Martha Cunningham, 29 Fisher, while driving on Lakepointe, was struck by a car driven by N. L. Linker, 287 Congress street, Detroit.

Timlock, 47, of 829 Beaconsfield, was killed in the accident. Linker, 42, of 287 Congress street, Detroit, was injured. Cunningham, 42, of 29 Fisher, was injured. Smith, 42, of 650 Lakepointe, was injured. The accident occurred at approximately 11:30 p.m. on Monday night.

"WE LEAD, OTHERS FOLLOW"

LOOK TO THE SOURCE

A study is under way with the Water Control committee of the Drain Commissioners' Association and the Drainage committee of the state planning commission to plan ways and means for the state's participation in the improvement of rivers and streams.

This would seem a good time for the Grosse Pointe communities to notify these bodies that if they attempt to survey, clean and control the streams and rivers, they should at the same time, look into the pollution of these waters.

At a meeting of these two groups, it was decided that the major rivers and streams should be surveyed first to get an estimate of the cost of cleaning them out.

Doesn't it seem foolish for the state to prepare to spend the taxpayers' money to clean out these waterways without eliminating the source of the filth and contamination?

For several years the Pointe communities have been dickering and bickering back and forth with the lower Macomb county communities which insist upon using Lake St. Clair as their sanitary drainage ditch.

The swimming season is again approaching, and the residents will expect to use their swimming facilities along the lake shore. During the winter months, the Farms' water inspector has been reporting that pollution has been entering the lake, but when official state action was asked, it was "usually overlooked" because of the non-swimming, non-boating season.

The amendment to the constitution that was passed in April, 1945, to allow the state to participate in the improvement of rivers and streams is a step in the right direction. However, it should not limit the authorities to drainage and flood control, soil erosion and irrigation, but it should also provide that they investigate the matter of pollution and keep communities from using the lakes, streams and rivers for this purpose.

They will not only be preventing future cleaning bills, but they will also be clearing up an un-sanitary condition which should not be allowed in waters used as much as Lake St. Clair.

In the intermediate league, the Neighborhood Club teams, the Men's and Intermediate are still in the running for league top honors. The Senior team plays next week for their league championship against Sarah Grinley, while the intermediate team plays the winner of Franklin-Dodge game for the East Side honors, then the winners play the winners of the West Side for the championship game.

REMEMBER

One Year Ago

Amid the nodding approval of approximately 400 Grosse Pointe Farms residents, the Farms village council proposed an amendment to the zoning ordinance to eliminate the provision permitting the erection of attached private dwellings, known as duplexes.

Grosse Pointe was challenged to help cloth allies in an over-all national clothing drive. Receiving stations were announced for Grosse Pointe.

Principals of all the Grosse Pointe schools submitted plans to Dr. Paul Essert, superintendent, for the observance of V-E Day. All schools were to carry on some appropriate program for this occasion.

A township election with no opposition drew 1,200 voters out of a possible 21,000 in the biennial election. A Detroit zoning change permitted the sisters of St. Joseph to begin making plans for a hospital on Morris between Mack and Harper. Boat owners objected to the mooring space fee proposed for the Farms pier.

Pleading guilty at their examination, two teen-age Detroit youths who were routed by a courageous 60-year-old City of Grosse Pointe gasoline station owner to an attempted holdup, were bound over to Circuit court and held on a charge of robbery armed.

Ground was broken on the new \$60,000 Verheyden funeral home which was scheduled for Whittier and Mack avenues. Fifty-two residents were included in Board 57's draft call. Three City policemen were promoted, one to lieutenant, two to sergeant. A Farms youth was bitten by a dog and its owner was asked to report to the police. Mayor Rummel backed the charter change plan.

The U. S. Government was believed to have been considering favorably the movement started by the City of Grosse Pointe to place a Coast Guard vessel as near as possible in the center of the activity of Grosse Pointe on Lake St. Clair, at the Grosse Pointe Yacht Club. It was also urged by the supporters of this movement to keep in touch with the Pointe radio station WRDR.

Final pleas were being made by candidates seeking election in the annual township balloting. The City of Grosse Pointe required dog licenses and vaccination. Chickens were being advertised for \$2 cents a pound while other farm fairs were being advertised for \$10 cents a half pound.

Of major interest to the Grosse Pointe township voters was the forthcoming election in which the Capital Punishment bill was to have been voted on.

George Myers, 48, who in February was found by Grosse Pointe Park police in the home of C. W. Figel, 1390 Bedford, was sentenced by Judge Homer Ferguson to serve from 1 1/2 to 1 1/2 years in the

Southern penitentiary. He was charged with breaking and entering. Police doubted the truthfulness of a confession made by Myers when he said he "killed six persons in a small town in Iowa in 1912." He was also implicated in an attempted jail break in the county jail while awaiting sentence.

A War Department aide who attended 1931 Field exercises of the Army Air corps, cited the need of more airports for defense.

The entire area of Grosse Pointe was making plans to pause for the three hours on Good Friday with programs scheduled for the faithful of all churches.

The congregation of Faith Lutheran church was to have begun operations on its new building program which included additions to the church proper which was built four years previous.

The BIGGEST DOLLAR VALUE In the WORLD

Your health is the first requisite for success and happiness, and whatever you must spend to regain it, when ill, is small compared to the value received for the money. Some illnesses require prolonged treatment under the direction of a physician who may prescribe costly medicine; for example, liver extract for the treatment of anemia. But when you consider that health, maybe life itself, depends upon the doctor's diagnosis and prescribed treatment, you realize that regardless of the cost, it's the biggest value in the world for your dollars.

WHY ELECTRIC RANGES ARE BETTER

One of the glittering dreams of many a homemaker has been possession of that long-promised, spick-and-span, bright and shining all-electric kitchen.

Soon now you can buy that dream.

It may seem that the vision became a reality overnight, but it didn't happen that way. For at least a quarter of a century The Detroit Edison Company has been working at the job of making the dream come true.

The foundation unit of your modern kitchen is, as always, the stove. Some of the outstanding advantages of electric cooking were well known even 45 years ago, but the electric ranges of that time left much to be desired. They were slow to heat, and they cost too much.

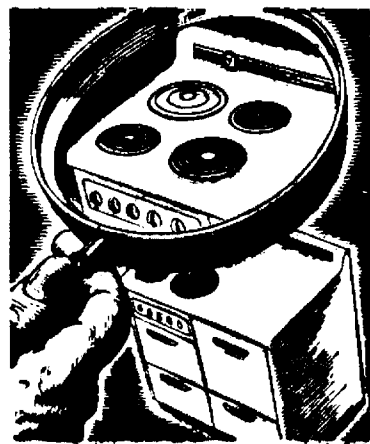

It was in 1920 that Detroit Edison decided to do something about the situation. Analysis and experiment proved to the company's engineers that major improvements were possible. At that point came the inevitable conclusion that the only way to prove to the industry and the housewife that better and lower-cost ranges could be made was to MAKE them.

The Detroit Edison Company abandoned precedent, and through an affiliate company began manufacturing electric ranges. They were not too good, but they were BETTER, and the cost was down. You, the cookers of meals for millions, told us what was wrong with them. We asked for trouble and we got it. You, the customers of Detroit Edison, who bought, used and criticized those ranges played a major part in transforming a vision into accomplished fact.

Alert manufacturers in the electric industry were quick to cooperate and follow through in the Detroit Edison experiment. We were glad to let them carry the ball. That gave Detroit Edison its opportunity to get out of the manufacturing field and back to its real business of selling electricity.

One of the results of this venture in improving the electric range is that people will avail themselves of more Edison service. The Detroit Edison Company is happy that, through your confidence and cooperation, it has been able to help create for you this contribution to modern living—the electric kitchen, superlatively clean, safe, efficient and economical.

WANTED DOCTOR OF MEDICINE

\$500.00 Per Month Guaranteed

A splendid opportunity awaits a doctor, either sex, to pioneer in a proven system of treating the dread arthritis, sinusitis and kindred ailments of the respiratory tract. The man or woman we want to talk to should be a person who is in position to serve, at least, one year as assistant to the Chief of Staff. This position will require change of residence if applicant now resides in the Middle West. The person chosen will eventually inherit all practice other than system for the treatment of respiratory ailments.

WANTED

\$100,000.00

And Hospital Manager to Expand Growing Hospital

Sensational cures of arthritis, sinusitis, asthma and bronchial disorders have resulted in a demand that existing 25-bed hospital be expanded by at least 100 beds. Long waiting lists of applicants and hundreds of additional applications expected as the result of spontaneous, unpaid nation-wide publicity makes this offer singularly attractive to the investor who is looking for a sound, continuing stable income. The investor may also become business manager of the hospital if he so desires.

We prefer doctor, investor and business manager who may themselves be afflicted in order that proof positive may be adduced as to claimed efficacy of the treatments. We know but, we also want our associates to prove to themselves what the new method does for them with (arthritis cases, particularly arthritic).

We also welcome inquiries from individual sufferers of arthritis, sinusitis and kindred ills who may have abandoned hope for relief as we are planning an "Excursion for Health Train" to our medical center clinic in Tombstone, Arizona. This will be an all-expense trip with guaranteed living quarters and all matters relative to treatment arranged for in advance.

CHAMPION HOCKEY PLAYERS

Closing the 1945-46 season, Charles Srofe, manager and goalie of the Tom Boyd "Fleetwings" hockey team, points with pride to the three year record of 39 games, 33 won, four lost and two tied.
The Fleetwings averaged four goals per game while their opponents averaged 1.41, the total was 156 goals to 45 for the opponents in the three year period.
Charles Srofe, the goalie had 14 shutouts in the three year period.
They were city junior champions for two years and runners up this year. In Akron, O., they played in the AAU regional meet and reached the semi-finals; they won from the Toledo Rovers in one of the best games of the meet, 1 to 0 and were beaten by Akron Falls 7 to 3.
This year Arnold Parsons with 30 points was the top scorer.

The Fleetwings are pictured above:
Top row, left to right, Wayne Nowels, Bob Thompson, George Neirnick, Jack Millard, Tom Rouland, Hank Cote, coach; bottom row, left to right, Arnold Parsons, Don Arnold, Charles Srofe, Jack Tines and Dan Winegardner.
Sandy Ross, Harold Wacker and Bill Hannon are absent from the picture.

RECENT BRIDE

MISS FLORENCE LUCILLE NYQUIST and Robert Musser Brown were united in marriage on March 24 in candlelight ceremonies at the Immanuel Lutheran church. The bride is the daughter of Mr. and Mrs. Gustav E. Nyquist; the groom's parents are Mr. and Mrs. Edward Brown, Jr., of Gary, Ind. Following the wedding rites, a reception was held at the Grosse Pointe Yacht club.

Approved Movies Listed for Pointe Children

At the March meeting of the Grosse Pointe Motion Picture Council interest was expressed over the series of visual education movies being shown at Rackham Memorial every Wednesday at 3:30 and 6 p.m.

The committee for listings for April was appointed with Mrs. Frank Judson, chairman, assisted by Mrs. Marvin A. Berger. These listings of approved movies for children are the following:

"Her Highness and the Bellboy," "Our Vines Have Tender Grapes," "House on 92nd Street," "State Fair," "Captain Kidd," "Hit the Hay," and "Abbott and Costello in Hollywood."

If a pile was made of government records after the war, it would cover an acre and rise almost to the top of the Washington monument.

TEEN TALK

by ANNIE WAKEMAN and DONNA DAHLEN

Can it be Spring fever that brought so many kids home these last two weeks or is it just a well deserved vacation from school? Seen around town renewing old friendships and such, were Marge and Katie Kalblich, Dottie Wulz, Sue Bogle, Marge Grasse, Bixie Mitchell, Janie Heron, Dottie Walton, Kathy Stuart, Carol Pierson, Barb Hincley, Lorraine Gillette and Betsy Bauman. Also hear that Pete Prince, Larry Higbie, Harry Stahl and lots of others are home enjoying the wonderful G.P. spring weather.

Last Thursday Joanie Oberom gave a super-duper dinner party for Clara Mebus who is leaving our midst for a vacation in Florida for two months. Some of the good friends gathered together to see her off were Gerry Kirchner, Carol Staub, Mickey Knorr, Patti Smith, Ann Reno, Nancy Downey.

A great time was being had by all last Friday night at Larry Higbie's house. This gala event was just before Larry left for Andover last Sunday. "What's new with you" seemed to be the motto as the kids discussed the latest events along with wonderful sandwiches, potatoe chips, pepsi and such. Libbie Powell was Larry's date and others there were Joanie Gehlert 'n Bob Cudhip, Janie Gehlert 'n Bill Cole, Carolyn Taylor 'n Pete Prince, Sally Frost 'n Eddie Baker, Carrie Carter 'n Ray Ives, Lois McNierney 'n Bob Fox, and Lois McKinley 'n Jim Corfield. Bill Beardsley, Jim Flom, and Ted Osius came stag.

An open-house seemed to be the thing at Marge Simmon's house last Friday night also. Hag, stag, or drag were the ways the kids came, and among the many smiling faces I saw Joann Russell, Bay Grubbs, Bill Penoyer, Sandy Malcolmson, Don Drayder, Chuck Nevins, Peggy Hatch, Mary Ellen Antrum, Jane Bundy, Carolyn Johnson, Jerry Scott, Elaine Buer, and Allen Kidd.

Not to be outdone Ed Friday, Sally Andrews also had a rip-roaring party for some of the gals and guys in her crowd. The four lucky couples at this party were Sally 'n Lloyd Murray, Ann Candler 'n Gary Langeath, Norma Neeb 'n Hill Pierce, Barb Bauman 'n Bayard Johnson.

Saturday night brought in gobs more parties, and I hear George Whitehead acted as host at one such event. Dancing, munching, and mingling seemed to head the list here. A few of the many dates were George 'n Gertie Ford, Makey Woodhouse 'n Sally Waters, Lois Buck 'n Jim Flom, Bob Ford 'n Penny Kemp, Fred Hotchkiss 'n Kay Curtis, Joe Shearer 'n Ann Wedthoff.

What was that I heard? A hag party!! Where?? At Cynthia Penoyer's!! Oh, what fun. Yes, and that's exactly what it was at Cynthia's "calling all girls" party last Saturday. Heard discussing anything discussable were Joyce Bowen, Marge Kalblich, Kathy Stuart, Janie Heron, Marilyn Buck.

Gals!! Grab your men but quick! What men you say? Oh, come now, ask your favorite lad to the "Turnabout Twirl" April 13. There is going to be a wonderful band and lots of decorations and cats. The chairman of the dance is Mary Thorn and the co-chairman is yours truly D.D. Refreshments will be taken over by Andy Kinchel, Shirley Somers, Mary Trumbull, Mary Lou Ewing. Music by Jeff Welsher and Fred Aitch. Invitations by Joey Johnstone and Annie Wakeman. Publicity by Ann Lemmer, Betsy Bachman, Nancy D'Allegre, and Mary Londres. Some of the gals working on the decorations are Joan Williams, Mary Jean MacKenzie, Sally Stratton, Margaret Lamb, Joann Reinstein, Betty Aach, Evie Oheorn, Jane Lemmer, and the Kretschmar twins.

MARLENE BOURDIN happily celebrated her 14th birthday last Friday night with dinner and games for a group of her classmates from Pierce Junior high. She hung out the welcome sign at her home on Madison road for Cathy Greig, Jane Giller, Jean Giles, Janet Weiler, Laurie Greig, Lynn Kellen, the Conway, Carol Krasse, and Carolyn Kell.

Speaker, Who Toured Poland, to Speak Before Unitarians

Professor Anthony Kar, child accountant of the Hamtramck schools, will be the guest speaker at the adult Discussion Group of the Unitarian church Sunday, April 7 at eight o'clock.

Professor Kar recently returned from Poland where he spent several weeks. He was allowed free access to all parts of Poland and has taken pictures of the devastation which occurred there. Professor Kar is well versed on the Polish political situation. This promises to be an outstanding evening. The public is cordially invited.

A Unitarian dinner is arranged for Monday, April 8 at the Hotel Statler. Dr. Charles R. Joy, director of the Unitarian Service committee, who has been in Europe for many months, will tell of the thrilling work which has been done there throughout the war.

Elizabeth Green, president of the American Unitarian Youth, has just returned from Middle Europe where she attended the World Youth Conference. She spent several weeks in Czechoslovakia, as well as in Russia. Her message will be very interesting. Unitarians will attend from Flint, Ann Arbor, Toledo, Detroit and Grosse Pointe.

Elinor Boyd Appears in Detroit Church on Denison Tour

Elinor Boyd, junior at Denison university, Granville, O., will be among 35 members of the Women's Glee club who will tour April 4-8, conducted by Prof. Herman Larson, director.

Appearances will be made in Toledo, O., at the First Baptist church and at the Ottawa Hills high school; in the Jefferson Avenue Baptist church, Detroit; in the Trinity Methodist church at Mt. Gilead, O., and the final concert at the Dayton Art Institute Sunday afternoon, April 7.

Miss Boyd is the daughter of Mr. and Mrs. Thomas A. Boyd, 1016 Harvard road, Grosse Pointe Park. She was recently made pledge mistress of the Delta Gamma national sorority.

Barretts Returning From Mexican Resort Visit

Mexico City. — Mr. and Mrs. Cyril Barrett, 247 Kenwood Court, Grosse Pointe Farms, who have been vacationing the past two months in Mexico City and the famous Mexican resort on the Pacific coast, Acapulco, are returning to their home this week.

Unitarian Alliance to Elect Officers

The annual meeting of the Grosse Pointe Unitarian Alliance will be held on Tuesday, April 9 at two o'clock. There will be the election of officers and reading of reports. The Rev. Tracy R. Pullman, minister of the downtown Unitarian Church of Our Father, will address the group. He has chosen the title, "Now Is the Time for Unitarianism."

Tea is in charge of Mrs. Emil Leidich, assisted by Mesdames Stewart H. Manson, Charles L. Nevens, William B. Lowe, Franklin G. Treat and Miss Florence Kittredge.

In Scandinavia, a wedding ring is worn on the right hand.

Guest Speaker To Address Garden Club

When the Grosse Pointe branch of The Women's National Farm and Garden Association meets at the Country Club on Tuesday afternoon, April 9, the guest of honor will be Mrs. Francis King, founder and national honorary president of the organization. Mrs. King, whose home is in South Hartford, N.Y., has been in Chicago recently and will be the guest during her stay here of Mrs. Lynn McNaughton, of

Kenwood Road. Mrs. King will speak on "The Past, The Present and The Future of Our Garden Association" to members of Farm and Garden who will have as their hostesses on this occasion Mrs. Wyman D. Barrett, Mrs. Charles F. Delbridge and Mrs. Harry W. Plaggemeyer. Miss Marie Louise Anderson will preside at the business meeting and Mrs. King will be introduced by Mrs. William H. Fries, program chairman.

Among the guests who have been invited to hear Mrs. King's talk and remain for tea are: Mrs. Henry Ford, honorary president of the Michigan division; Mrs. Truman F. Barbier, president of the Michigan division; Mrs. W. D. Thompson, of Bloomfield Hills, extension chairman on the national board; Mrs. J. C. Roberts, acting editor of Home Acres; Mrs. Frank R. Chapman, of Rochester; Mrs. Stanley I. MacKenzie, of Detroit branch; Mrs. Julian P. Bowen, president of The Garden Club of Michigan; Mrs. George B. Heiferan, president of The Junior League Gardeners; Mrs. W. K. Wheelock, president of The Pointe Garden Club; and Mrs. Clarence W. Avery and Mrs. Charles W. Burton, guest speakers at the Grosse Pointe branch's meetings in February and March, respectively.

Audience Hears Baha'i Peace Plan

Two addresses were given in support of the Baha'i peace program, Monday night in the Detroit Institute of Arts auditorium, under the auspices of the National Assembly of the Baha'is of the United States and Canada. The speakers were Miss Hilda Yen, whose topic was "Peace Plans Compared" and Kenneth Christian, speaking on the subject, "The Price of World Peace: World Religion."

MISS HILDA YEN

The audience was most enthusiastic about the addresses in support of world peace and understanding given by the two outstanding Baha'i lecturers who came to Detroit especially for the occasion. Mr. Christian came from Lansing where he is in the department of English at Michigan State college, and Miss Yen arrived from New York City where she is liaison officer for the Chinese delegation of the U.N.O.

Miss Yen believes that the crisis in the world will continue and even intensify until the leaders and masses of people in all countries arise to a new and higher understanding of the mysterious connection between religion and civilization.

Mason School Mothers Give Successful Party

The Bridge Party given by the Room Mothers of Mason School in the assembly room of the Detroit Edison Company was a real success. One hundred attended the party and enjoyed an afternoon of bridge in the attractive air-conditioned room, followed by delicious refreshments furnished by the Edison Company. The hostesses were Mrs. Wilson, Chairman of the Room Mothers, Mrs. Eckel, who was in charge of prizes, and Miss Tucker, principal of Mason School.

The proceeds which exceeded \$200 will be used to buy educational toys and games for recess and noon activities on rainy days.

Much of the success of the party was due to the generosity of individual parents, Mason School teaching staff, and the following donors of prizes: Art's Shoe Re-builder Shop, Blanch and Cyril Hair-dressers, Bob's Drug Store, Borden's Creamery, Brys Twins Beauty Salon, C. F. Smith Co., Cunningham's Drug Store, DePetris, Florist; Early American Restaurant, Farms and Orchard Market, Fromm's Hardware, Grinnell Brother's Music Store, Grosse Pointe Florist, Hamilton Treasure Chest, Harkness Drug Store, Howard's Department Store, Jacobson's, Judy Outfit Shop, Kopp's Drug Store, Krause Sales and Service, Kroger's Lochmoor Hardware, Lochmoor Market, Mohan's Service

Station, New Era Potato Chip Co., New Shores Theatre, Ortofi and Verbrugge, Paselk-Florist, Piepp-Florist, Proper's, Punch and Judy Theatre, Roslyn Market, Russo Market, Shepler's, Inc.-Cleaners, Shervich Market, Sinclair Gas Station-Hahn, Smiley's Stores, Stein Hardware Co., Supreme Dry Cleaners, Sweitzer Creamery, Sylvania Electric Products-Holl, and Wrigley's Market.

At the Mason Parent-Teacher Association meeting Tuesday, the tables from which refreshments were served were covered with the lovely lace dinner cloths which the Room Mothers gave to the school. They were presented to Miss Ethel M. Tucker, principal of the school, by Mrs. Allen Wilson, chairman of the Room Mothers, at a recent meeting.

Tom Boyd, Incorporated, Moves Service Facilities to New Building in Pointe

Announcement is made this week of the removal of the service department of Tom Boyd, Inc., authorized Ford Sales & Service, to the company's new colonial style building at 15401 East Jefferson, corner Nottingham.

For the "duration," Boyd's service department was located in the rear of the former salesroom on the corner of East Jefferson at Ashland. Now, with completion of the new building rapidly moving forward, the complete shop equipment has been moved to the new building at the corner of Nottingham.

In charge of service at Tom Boyd's is Forrest Rodgers, well-known master mechanic and motor analyst. The service manager is assisted by two former employees who have returned from the service, namely Joe Enright and Kenneth Garris.

Complete service on all Ford, Mercury and Lincoln cars, in a garage possessing all necessary equipment and available parts, will be featured in the new service home of Tom Boyd, Inc.

LETTERS TO THE EDITOR

To the Editor:

I, too, am raising my voice in objection to the continuance of drafting our 18-year-old youths. I thoroughly agree that the country does not need the great army which some officials declare is necessary, and believe that the men re-enlisting in the armed forces will be sufficient to maintain a peacetime army and navy. As Brig. Gen. H. C. Holdridge, retired, testified before the senate military affairs committee last week, it seems as though the administration wants to continue peacetime conscription because it wants to police the world with American youths, 18 and 19 years old.

I urge all mothers and fathers who don't want to see any more of our youths sent to be cannon-fodder, to write to your congressman and demand that he vote against the continuance of the draft. The bill comes up for a vote within the next few days, so act now!

Mrs. J. W. R.

To the Editor:

When one reads in the papers that the Reds have cleaned up in Germany and went home leaving only a small detail of police, and then reads of the holocaust of our officers in Frankfurt, Germany, anyone can see the reason why more of our youthful eighteen-year-olds must be thrown into the pit. In your announcement of last week's headline - "Largest Draft Call of 18 Year Olds Since Cessation of Hostilities" - One loses faith in the decencies of his own country.

Mrs. R. K. S.

Fine Furniture Store Opens This Week

Announcement is made this week of the opening of John J. Brady fine furniture at Mack and Nottingham. Mr. Brady was formerly buyer of lamps and furniture for Tuttle & Clark for both the downtown and Grosse Pointe stores. He opened the department for Grinnell Brothers and was there until establishing his own business. He resides on Nottingham road in Grosse Pointe Park.

Dried Up Lake Yields Finest New Fertilizer

An unusual bog, left by a dried up lake near Toronto, is the source of a remarkable new lawn, flower and garden fertilizer, recently obtained for local delivery by William Moir at the Farms Market on Fisher road. Registered under the trade name "HU-MAR" consists of a concentrated deposit of fish skeletons, calcareous shells plus a large amount to neutralize the acids of organic peats. The decomposition of the organic forms releases nitrogen, carbon, carbon dioxide and lime into the soil, which are indispensable plant nutrients. It has a remarkable retentive power.

Bob Williams, manager and proprietor of the Farms Market, Grosse Pointe, says that "Hu-Mar" was used in a test plot at the best of results. The fertilizer, a mixture of various organic materials, is an amazing product.

Cites Expansion of Air Mail Flights

The Detroit post office has inaugurated a campaign to acquaint the public with the rapid growth of air mail within the past three years, Postmaster Roscoe B. Huston announced Wednesday.

There are now 97 daily air mail flights out of Detroit, which is an increase of 66 over the number in 1944. The weight of air mail carried jumped from 1,534,159 pounds in 1943, to 2,546,815 pounds in 1945.

There are 26 dispatches from the Roosevelt Park Annex to the Detroit airport daily. Detroit is within 24 hours flying time from any city in North America.

Weather conditions will soon cease to be a serious handicap to flying. Modern Radar will soon make it possible to take off and land a plane regardless of the weather.

Settlement Houses Fostered Tolerance Long Before UNO

"If there were Franklin Settlements all over the world, I don't think there would be any more wars," one of the 475 Franklin Settlement members who served in the armed forces during the war wrote to Joseph A. Beattie, associate director of this Community Fund supported agency.

Quoting this letter in his report of the agency's activities during the past year, Beattie pointed out that as the boys are returning after three and four years overseas, they drop in at the settlement house at all hours of the day and night to announce their discharge.

"It's places like the Franklin Settlement that have made Americans what they are today," another member in service wrote. "The United Nations is nothing new at Franklin. Boys and men of different creeds and colors have been united and molded to the democratic way there for years. Mr. Beattie, it's not until a fellow is taken away from his ideals that he realized what he actually had."

These statements are typical of many which have been received by community centers and settlements in the metropolitan Detroit area from members who served in army and navy posts all over the world.

Christian Science Churches

"Unreality" will be the subject of the lesson-sermon in all Christian Science churches throughout the world on Sunday, April 7.

The Golden Text (Proverbs 13:7) is: "There is that maketh himself rich, yet hath nothing: there is that maketh himself poor, yet hath great riches."

Among the Bible citations is this passage (Psalms 119:92, 97): "Unless thy law had been my delights, I should then have perished in mine affliction. O how love I thy law! it is my meditation all the day."

Bananas, Rock Candy Replace Sugar As Moonshiners Keep Stills Going

Life is turning sour in the moonshine country despite customary "back door" and black market practices, a government report had indicated recently.

The moonshiners are just not getting enough sugar to keep the stills productive, said officials of the alcohol tax unit for the Maryland district, and the government has noted a marked decrease in bootlegging arrests for the region.

One official reported the moonshiners "so hard up for sugar that some have actually been caught buying cheap hard candy and melting it down to get sugar to turn into alcohol." Some of them, he added, have even been found using bananas in desperate efforts to keep in business.

Those who do manage to get hold of enough of the more expensive substitutes for sugar, he said, however, can still realize a profit, because of the high prices paid for moonshine whiskey in the region.

The department reported 1,841 stills seized in the district comprised of Virginia, West Virginia, Maryland, and North Carolina, last year, as compared to 1,905 in 1944. Whiskey seizures totaled 18,190 gallons as against 22,972 in 1944.

While the department's report indicated a general increase in bootlegging for the district, it showed no drop specifically for North Carolina, where agents reported the moonshiners independent of sugar supplies because of a specially developed technique. Corn-meal mash, instead of sugar, is used by distillers of the region, the agents reported.

Both the alcoholic tax unit and the OPA reported an intensive drive against black market sugar in the

Sale of Town Brings Rush

While millions of Americans are out for just a spot to "hang the hat," thousands of others in the nation are interested in buying a town. Jim Ogletree, Columbus, Ga., realtor, discovered recently.

Ogletree reported that he had scarcely any time for anything else but answering the telephone and opening telegrams, since he advertised that Hannon, Alabama, was for sale.

The realtor finally closed the deal, convinced, he said, that "nearly everyone in the United States must want to buy a town." The buyer, he reported, was H. L. Bass, of Elberton, Ga., a bus operator, who got the whole "caboodle" for \$6,500. The new owner reported he will set up his son-in-law, Lieut. H. M. Knight of the USMC as mayor and postmaster.

region, during recent months. It is showing its effects, said the departments, in keeping sugar supplies from the bootleggers.

Knudsen to Address Wayne Victory Reunion

Plans for the Wayne University Alumni Association's Victory Reunion to honor men and women of the university who served in the armed forces, include a banquet at Masonic Temple, June 8, at which Gen. William S. Knudsen, honorary alumnus of Wayne and former president of General Motors, will be the principal speaker.

Starting with class and organization gatherings on the university campus during the afternoon, the reunion will continue with a dance after the banquet at the Masonic Temple. This is the first victory reunion scheduled by a Michigan college and the first all-alumni university gathering at Wayne since before the war.

A special tribute will be paid to the university's gold star men during the reunion. Incomplete records indicate that over thirty-five hundred university men and women are in the armed forces and that more than one hundred were killed in action.

Lame, Halt, Blind Aided in Greece Through UNRRA

Athens. — The lame, the halt and the blind in Greece are learning new ways of life through UNRRA in cooperation with various voluntary agencies.

At the Veterans' hospital in Athens, established by the Near East Foundation, the crippled and those with eye or ear defects secure a host of special services needed for rehabilitation. The hospital also provides orthopedic examination, physical therapy, education, vocational training and social service.

The UNRRA is cooperating with the Greek government in developing a broad national welfare program, to include care of mental patients, social work, occupational therapy and schools for blind and crippled children. Cooperating in these programs are Greek Red Cross, Greek War Relief, Near East Foundation and publicly interested citizens.

Plans are also under way for an artificial leg shop in Greece to produce appliances and train workmen in their manufacture.

Never make a final exit speech: you might want to go back.

PIRATES, GOLD IS THEME OF SHORES PICTURE

A story centered in the days of pirates and ships will be the feature which will be shown to Shores patrons next Sunday, Monday and Tuesday.

It is "The Spanish Main" in which Paul Henreid and Maureen O'Hara play the starring roles. Set in the glorious splendor of technicolor, the two main characters are cast in excellent roles.

Henreid plays the part of a bold and dashing and blond pirate who kidnap Maureen on her way to marry a titled ruler in the northern part of Africa under the domain of Spain.

STRIKES and SPARES

East Side bowling at East Warren this week, finds Chaplow Lumber and the Van Deweghe Funeral Chapel still rolling into a photo finish for first place... only one point between them... with Longhi Cement, Mac's Cafe and George Jaglowicz Shoes six points behind.

Van Deweghe's found the opposition a little too strong in bowling Cookie's five... dropping three points while Chaplow Lumber collected three from (Ed Mayville's) Chatham Village Market team. Anchorman, Jack Genard, had to strike out in the last frame to win by one point... Longhi Cement, Jaglowicz and Mac's Cafe taking three points from their opponents and Paige Super Service taking four from Courville Cafe.

High scores to date in this league: C. Fix, 248; A. Fields, 244; and W. Madar, 241. High series, A. Young, 633; E. Dubbs, 615; and G. Kidd, 607. Teams: High game, Mac's Cafe, 981; Schneider Funeral Home, 962; and Chaplow Lumber, 954. High series: Mac's Cafe, 2708; B-J Cocktail Lounge, 2678; and Jack's Super Service, 2643.

In that Edgewood Inn, E & B classic — Edgewood Inn led Patrick Hats by 2608 to 2382 totals (Peanuts hitting a high of 587)... E and B rolling 2694 against Henry H. Smith. Schneiders took Teppers 2628 to 2549. Modern Tool & Die led Norman Furniture by 2667 to 2661. De Santis Funeral Home rolled up a total of 2430 to Altes Lager's 2631. East Warren's No. 2 team nosed out Richer's Cafe by a 2493 to 2460.

More next week about that ladies' over average contest. Maybe something about the women's league whose pictures the photog was taking some time in getting Monday night. In closing — all bowlers and secretaries are invited to send in articles, comments or complaints (about the reporting) to The Review. We would like to devote this column to you.

COLONY SCREEN FEATURES TWO FINE PICTURES

Two excellent films which run from one extreme to the other have been billed by the management of the Colony theatre. They are "Blood on the Sun," and "She Wouldn't Say Yes!" they will be shown tomorrow and Saturday.

"Blood on the Sun" is a picture which co-stars two popular dramatic stars, James Cagney and Sylvia Sydney. This story is packed with intense drama and thrills and will capture the imagination of all who see it. The fine scenery and costumes add to the film to make it A-1 for entertainment.

Rosalind Russell maintains her reputation as one of the leading comedienne of the screen when she appears in "She Wouldn't Say Yes." Lee Bowman is cast as her leading man and the scraps and episodes in which these two involve themselves will keep every movie fan in a hilarious mood for hours to come.

ACCIDENTS DON'T ALWAYS HAPPEN TO SOMEBODY ELSE!

950,000 people were killed or injured in auto accidents last year! And the menace is growing! In the first 4 months after gas rationing ended, auto deaths jumped 36%! Remember, accidents come from carelessness . . . from the "little" chances we all take, unthinkingly, every day—the little repairs we neglect to make! Yes, it's up to you! You can cut down America's accident rate simply by not letting an accident happen to you!

Check on Yourself! HOW MANY CHANCES DO YOU TAKE EVERY DAY?

- I passed on a hill this week.
- I never pass on a hill.
- I "jay-walk" when I'm in a hurry.
- I'm always careful crossing streets.
- I exceeded the speed limit this week.
- I never go over the speed limit.
- I cross when the signal is flashing.
- I never take a chance with a train.

Do you "chance it" . . . risk frightful head-on collision by passing on a hill? Do you straddle center on curves? Last year half of all fatal traffic accidents involved improper driving habits like these. Next time you pass on a hill—may be the last time!

Do you dash across in mid block? Think traffic lights are for motorists only? Then you may be one of the 20,000 pedestrians killed or injured this coming month. Sure, you've jay-walked hundreds of times—but is the risk worth it?

Do you "step it up" when the coast is clear? Do you fail to allow for defective brakes . . . worn tires these days? If so, you may be on the auto death list this year — for unsafe speed played a part in 1 out of every 3 accidents that occurred last year.

Do you ignore signals if the train seems far away? Do you cross without clear vision both ways? Right now . . . make it your rule never to disregard a signal. And you'll never meet the questioner that has killed or injured 16 persons each day last year!

DON'T TAKE A CHANCE!

Ordinance No. 138

AN ORDINANCE TO AMEND THE "BUILDING ZONE MAP" ESTABLISHED BY SECTION II OF AN ORDINANCE ENTITLED:

"An ordinance to regulate and restrict the location of trades and industries and the location of buildings designed for specified uses, to regulate and limit the height and bulk of buildings hereafter erected, to regulate and determine the area of yards, courts, and other open spaces, to limit and restrict the maximum number of families which may be housed in dwellings hereafter erected or altered, and for said purposes divide the village into districts, to provide a method of administration, and to prescribe the penalties for the violation of its provisions."

The Village of Grosse Pointe Park Ordains:

SECTION 1. That the "BUILDING ZONE MAP" established by SECTION II of an Ordinance entitled:

"An ordinance to regulate and restrict the location of trades and industries and the location of buildings designed for specified uses, to regulate and limit the height and bulk of buildings hereafter erected, to regulate and determine the area of yards, courts, and other open spaces, to limit and restrict the maximum number of families which may be housed in dwellings hereafter erected or altered, and for said purposes divide the village into districts, to provide a method of administration, and to prescribe the penalties for the violation of its provisions."

is hereby amended as follows:

To show Business District Classification where Residence A classification is now shown for the following described premises located at the Northwest corner of East Jefferson Avenue and Somerset Road, namely:

Part of Private Claims 126 and 127 of the Village of Grosse Pointe Park, and Wayne County, Michigan, more particularly described as beginning at the point where the South side of Somerset Road (60 feet wide) intersects Jefferson Avenue East (120 feet wide) thence South 68 degrees 10 minutes West 118.68 feet, thence North 25 degrees 47 minutes 30 seconds West 141.81 feet along the Easterly boundary of Freudhurst Subdivision, thence North 64 degrees 12 minutes 30 seconds East 118.40 feet, thence South 25 degrees 47 minutes 30 seconds East, 150 feet to the point of beginning:

SECTION 2. The Map attached hereto and made a part of this Ordinance is hereby established and designated as "Amendment to Building Zone Map" and said Map and all notations, references and other information shown thereon shall be as much a part of this Ordinance as if the matters and information set forth by said Map were all fully described therein.

SECTION 3. This Ordinance shall take effect twenty (20) days after the date of adoption.
