Now that Victory gardens are just beginning to show a little green, we find that youthful vandals are running through the newly-planted plots...

Grosse Pointe Farms' strike which ended this week, followed the last one by five years, for residents had to bury and burn their garbage and rubbish in 1941.

Seen on local theatre marquees these past few weeks: "Our Vines Have Tender Grapes," "And Then There Were None."

When flying in Salt Ste. Marie routes. One of the nation's most popular vacation, hunting, and fishing areas, the north Michigan playgrounds have not been served by this airline since Pearl Harbor.

An explanation of the origin of "hubba-hubba" comes to us although the genesis of these expressions is shrouded in doubt. But it is believed that it originated in the army air corps in China and is based on a pidgin-English expression used by the Chinese coolies meaning "good."

REMEMBER?

One Year Ago Immediate steps were taken to establish a Grosse Pointe Office of Veterans Affairs as a direct result of a preliminary meeting called at the high school library by John J. O'Brien, director of the Grosse Pointe Citizens Service corps.

A special meeting was called by George Elworthy, OGD co-ordinator at the Neighborhood Club of the chiefs of police of the Grosse Pointe communities. Recommendations and plans for the procedure for observance of "V-E" Day were thoroughly discussed, and residents were warned of undue revelry at this time.

A grand total of 89,000 pounds of clothing was expected in the final tally of the collection from the five Grosse Pointe municipalities according to Lynn Barber, chairman of the local United Nations Clothing Collection Drive.

Two thirteen year old Detroit youths were named over to Wayne County juvenile authorities by Farm Police on the charge of stealing an automobile from Lee Ridge road.

May marked the 10th anniversary of the founding of Christ Church, Detroit, parish church of Grosse Pointe's Christ Church community. City police were searching for the teenage boy who committed a young girl at Grosse Pointe and killed her.

### A MERE TWENTY DOLLARS

A situation exists in the United States which must be brought to the attention of every man and woman. Veterans of World War II, unmarried and discharged from the services, are being hospitalized in Veteran Administration hospitals and receive only twenty dollars per month.

Instances which have been brought to our attention are the paraplegic cases in Vaughn General hospital, Hines, Ill. These boys have had their spinal cords severed or injured to such a degree that they are paralyzed from the waist down; in many cases their arms and hands are also useless. They need and want hospital care, care under the Veterans' Administration, but while they are hospitalized, they are receiving only this \$20.

True, these men are eligible for \$200 a month pension and \$100 attendant's fee, but all of it excepting the twenty dollars, is taken for their hospital care.

From this mere sum, the boys must buy their own clothing (except pajamas and robes), shoes, shaving and toilet articles, pay cleaning bills, get haircuts, etc.

Mrs. Glenn Anderson, president of the Sunshine Fund, brought out this point vividly last Monday when she addressed the Grosse Pointe Women's Republican club. She said "They must take care of their traveling expenses out of their \$20. They are civilians and they don't get free rides, discounts on theatre tickets and ball games, nor can they stand on a roadside and hitch-hike, because in most cases they cannot stand."

To further heighten the injustice these men are receiving, the army post exchange has been withdrawn from the hospital and all concessions have been taken over by a private businessman. Prices for everything have increased and on many commodities, they have doubled.

Corrective measures can be taken. Representative (Mrs.) Rogers, Republican of Massachusetts, introduced a bill in the house on Oct. 22, 1945. "That notwithstanding any provision of law or veterans' regulation, no reduction of the pension, compensation, or emergency officers' retirement pay of any veteran shall be made during his hospital treatment or institutional or domiciliary care by the United States or any political subdivision thereof."

Why has this bill been held up? General Bradley, Veterans Administration head, has urgently requested its passage; some say it is because it was introduced by a Republican, petty party politics have entered the picture and it has not been adopted.

We can start doing something now by writing to our congressmen to look into this situation — many of them don't know the first thing about it — and tell them to study this problem immediately and act upon it as soon as possible.

(Continued from Page One.)

**Five Years Ago**  
The new industrial arts building of the Grosse Pointe high school plant was the first building in the history of the school district to have been financed without a bond issue. The building was intended not merely to relieve overcrowding at the high school but also to give better opportunities to the 50 per cent of the high school student body who were not preparing for college.

Over a hundred interested Grosse Pointe Woods residents gathered in the Mason school auditorium and discussed the local road pavement situation which resulted in the hard surfacing of at least three Woods streets that summer.

Four more Pointe men were used as replacements to fill vacancies in draft calls by the Selective Service Board 57. Officials said that call number 6, to have taken place on or about May 15, was to have taken approximately 35 registrants.

Major Burns Henry Post presented a flag to the Park village commission. . . . Norbert Denk, Grosse Pointe township supervisor, was appointed to two Wayne county committees. . . . The community mourned the death of John G. Rumney, ninety-year old father of the late City of Grosse Pointe mayor, Mason P. Rumney.

**10 Years Ago**  
The village commission of Grosse Pointe Park appointed a committee consisting of three commissioners who were given authority to engage a firm of accountants and systematizers to make a survey of the accounting system and records of the village.

Over 5,500 trees were pruned and trimmed in Grosse Pointe Park, then carefully sprayed and treated. Approximately 175 elm trees required surgical attention, due to the infections caused by the elm borer, a very harmful and destructive insect.

Mrs. Henri de Boischevalier of 1110 Maryland, was honored by the National French War Brides' Club who presented her with the decoration of the "Palme Academique" given in recognition of her continuous efforts in behalf of the French Colony, especially during the trying years of World War I.

**15 Years Ago**  
Slightly over one-half million dollars was stricken from the amount of taxes to be collected by the Township of Grosse Pointe between 1931 and 1941, as the result of a decision handed down by Circuit Judge Guy Miller. Judge Miller quashed all proceedings taken by the State Highway Department in the proposed widening and opening of Mack avenue east from Cadieux road practically to Mt. Clemens.

The result of the decision was that if Mack was to have been improved, it was necessary for new petitions of abutting property owners to have been filed. The frequency with which false bank holdups had been coming into the Grosse Pointe Park police department prompted the village commission to consider legislation providing for a penalty for all false bank holdup alarms.

The ten foot setback from the lot line on St. Clair avenue required under the zoning law of the village (City) of Grosse Pointe for a business building was held to be a reasonable requirement by a circuit judge. A building was proposed for the southeast corner of Kercheval and St. Clair, and the builders contended that the law was unreasonable.

### Attempt Robbery of Park Home

Chief of Police Arthur Louwers and Detective Arnold Hough investigated an attempted break-in at the Grothingam residence, 1214 Berkshire, Tuesday afternoon. The thieves had tried to enter the house by breaking a window.

The chief said that successful robberies with entries gained through windows have been taking place on the East Side of Detroit, and that he would appreciate notification of anything unusual happening around Park homes.

### To Sentence Driver of Fatal Car at Later Date

John Tebo of Detroit, driver of the fatal car in which Dorothy Clement was killed at Whittier and Mack avenue on Feb. 27, plead guilty to a charge of negligent homicide before Judge Ira W. Jayne this week.

His case was referred to the probation department and he will be sentenced next week.

Intense road activity which was to have seen the improvements of such east side thoroughfares as Mack avenue, Harper-Mt. Clemens drive, Eight Mile Super-highway and others, had the effect of stimulating home building and a corresponding increase in property values. Work had already started on the Eight Mile project, widening it to 204 feet from Lake St. Clair to Grand River.

Harper was also to have been paved from Seven Mile road to the Macomb county line; and Mack avenue was scheduled for widening from Cadieux road to Vernier.

### Unitarian Church to Hear Guest Speaker Sunday

Dr. Augustus P. Record, former minister of the Detroit Unitarian church and minister emeritus of the Grosse Pointe Unitarian church, will be the guest speaker at the Grosse Pointe Unitarian church on Sunday, May 5. Dr. Record, though retired a few years ago, has been very active in denominational affairs. He has been preaching in many of the Unitarian churches in the United States and Canada, and also has been active in the Unitarian Universalist movement. Mrs. Record are staying at the Wardell-Sheraton and are being lavishly entertained by their many Detroit and Grosse Pointe friends.

Dr. Record will play a prominent part in the annual meetings of the American Unitarian Association to be held in Boston the week of May 19, after which Mrs. Record and he will go to their summer home in Vermont.

I'm not happy about fixing our very prewar radio. All it says is: "Sppppit awk wheeee bloop bloop bloop."  
"Sounds like your speeches, senator," Daphne says.  
"I will make a speech if the government doesn't move radios and other surplus property faster," I grunt. "The government's only sold a twelfth of its surplus consumer goods. War's been over eight months. Congress oughta—"  
"That's one thing you can't blame on congress."  
"Yes, but—"  
"Don't but me," Daphne says, hovering 210 pounds in behind the radio with me. "There's so much red tape a surplus jeep looks like a Christmas package. What about those 2,000 veterans who stood in the rain two days at Fort Devens waiting for a price list so they could buy army trucks? Finally, they got about 300 trucks. Rest went to dealers."  
"Congress should—"  
"And that Seattle civilian," Daphne goes on, tinkering with a tube, "who thought the \$747 ceiling was too much on a command car, waited until a dealer got it, then bought it for \$495 — a price which gave the dealer a profit! And all those electronic gadgets that college labs want! There's a college priority file a mile high, but it doesn't mean a thing to the government man who can get a 10 per cent commission by selling on the open market."  
"All I'm trying to say," I explain patiently while I wind wires with tape. "Is this surplus property mess would be cleaned up soon enough if administrators knew congress meant business. Voters must see to it this fall that we have that kind of congress — then we'll get ride of these back-scratchin' administrators."  
Just then, the radio says: "Sppppit awk this station is now going off the air until tomorrow with the reminder that if you aren't registered to vote, you should be."  
Daphne and I shake hands on that one. She's sweet.

From one Detroit Edison power plant there stretches underground for seven and one-half miles into the heart of industrial Detroit a seven-inch steel pipe. In this pipe, around a cable made up of three copper wires the size of your thumb, nitrogen gas is compressed at 200 pounds per square inch. Through this cable, night and day, flows 100,000 horsepower.  
It is the only instance where the total output of one generator is carried in a single high-voltage cable to a center of electrical use miles away.  
There is nothing else like it in the world.  
The pipe protects the cable from outside damage. The gas pressure keeps the 120,000 volts from destroying the cable insulation. So rugged and reliable is this transmission system that no alternate stand-by cable facilities are necessary. The loss of power over the seven-and-one-half-mile course is less than one per cent.  
Construction of this cable was a job of Detroit Edison pioneering. It is known in the industry as the "SMD" cable because, particularly, it was an accomplishment that is credited to Samuel M. Dean, chief engineer of the system.  
It was another Edison FIRST brought about by constant devotion to the task of giving Edison customers dependable electric service at low cost.

**Fire Chief Urges Cleanup Drive to Eliminate Fire Hazards in Park Homes**

The alarming increase in the number of fires in recent weeks in Grosse Pointe was cited recently by Edward Rector, fire chief, in urging all residents of Grosse Pointe Park to join in the current spring cleanup campaign to eliminate the hazards that breed fires. It is the cheapest and most effective protection of homes and buildings possible, he declared, because a fire that never starts is harmless.

In winter months, when heating plants are in constant use, the fire curve reaches its peak, the chief pointed out. The next most dangerous period is in the spring when high winds, limited humidity, and dry, flammable wooden roofs may combine to whip a small fire originating in a pile of rubbish, into a disastrous conflagration.

Citing recent figures compiled by the National Fire Protection Association, a technical, non-profit organization which sponsors spring cleanup, Chief Rector said, fire losses in the United States last year reached the staggering total of \$454,000,000. But even more alarming, he said, is the fact that since November the number of fires has increased from eight to ten per cent over the same period of the previous year.

"This sharp rise in the fire curve should serve as the most compelling reason possible why every resident of Grosse Pointe Park should join in the cleanup drive to put his house in order. I can't urge a sense of individual responsibility too strongly. We at the fire department, stand ready to rush to your aid when a fire breaks out, but we can't poke around in every home preventing fires by eliminating the hazards that breed them."

Asked about the fire-breeder that can be eliminated, Chief Rector made these recommendations:

"They are the usual ones found in most homes, especially after a winter of indoor living. Accumulated rubbish, such as old magazines, broken pieces of furniture, cleaning rags and other household remnants,

that clutter up the attic, closets, basement and garage, should be cleaned out. Any discarded, but still useful, clothing should be turned over to relief agencies, and rags and wastepaper turned over for salvage.

"Check the wiring circuit for loose connections; repair electrical appliances and replace frayed cords. And don't neglect the outside of the house. Clear the premises of leaves and debris which might become a prey of a stray spark. Check the roof for leaks, and if it needs repairing, re-roof with fire retardant materials."

In this connection, the chief pointed out that many new homes will be constructed and hundreds of others modernized in Grosse Pointe Park this spring, and urged the use of fire-resistant building materials as the first essential of fire prevention and safe construction. The use of fire-resistant roofing, such as asphalt shingles, he said, will eliminate one of the prime sources of residential fires. Sparks falling on flammable wooden shingles, according to the NFPA, stand third among major fire hazards.

- Other construction safeguards recommended by the fire chief are:
1. Fire stops in walls to prevent a small blaze mushrooming up through the house.
  2. An adequate wiring system, properly installed.
  3. A properly installed heating plant, protected by fire retardant walls and ceilings.
  4. A solid chimney of sound construction, built from the ground up.

**Calvary Lutheran Men to Hold Monthly Meeting**

Further developments in the building program will highlight the monthly meeting of the men of the congregation of Calvary Lutheran church, Grosse Pointe Woods, Tuesday, May 7 at eight o'clock. **VETERANNEWS**

From the OFFICE OF VETERAN'S AFFAIRS

Over forty per cent of the counseling centers in the state during February and March were repeat visits according to a report released this week by the Michigan OVA. This report proves that the average veteran desires information about his educational and vocational opportunities under the various federal legislative acts before anything else.

An average of 1,000 ex-servicemen and women contact veterans' counselors throughout the more than 150 centers in the state daily. The largest center had over five thousand callers last month; the smallest, seven. But of those seven, three wanted to know about more training for a better job.

Fathers, mothers, sisters, brothers all recognize the value of the veterans' counseling center—every twelfth person visiting a center is a parent or relative of a veteran.

Questions counselors answered last month ranged from how to convert insurance to the best way to buy a farm. Over five thousand different questions were answered during February, and during that month nearly twenty-five hundred letters were written by counselors. The Michigan OVA in cooperation with the local counselors throughout the state is operating the equivalent of a 130 bed hospital if all the emergency hospitalization cases could be placed in one building.

On any veteran problem, consult the local veterans' counselor.

**Masonic Lodges Hold Anniversary**

The Odd Fellow and Rebekah lodges of metropolitan Detroit will commemorate the 127th anniversary of the founding of American Odd Fellowship with a dance and card party in the Fountain Room of Masonic Temple, Saturday, May 4.

A highlight of this year's program will be the selection of Miss Rebekah whose identity will not be disclosed until she enters with her court of honor. The winner will be crowned by the master of ceremonies and presented with a diamond ring.

On Sunday, the annual church service will be held in the Metropolitan Methodist church, Woodward and Chandler avenues; the address will be delivered at five o'clock by the Rev. C. A. McPheeters.

# Woods Club Plans Annual May Event

The annual May festival will be presented by the Grosse Pointe Woods Community club next Tuesday, May 7 at 8 p.m., in the Mason school auditorium.

The program is arranged by Mrs. Walter Reeg, recreational director, and features the various activities as carried on by the club throughout the past season.

Edna Jones, ballet instructor, will present her pupils in various colorful dance routines, including a waltz clog and an Italian gypsy dance. There will also be several solo dances and a baton novelty given by individual members of the club.

There will be two fashion shows presented respectively by the ladies in Mrs. Irene Sutton's millinery classes and by the women who have been members of the dressmaking and tailoring class, conducted by Mrs. N. W. Swains. The hats and costumes will be modeled by the makers.

Birnie Falk, who is director of the Tuesday Night club for the older boys is planning to show his pupils in several acrobatic numbers.

There will also be large displays arranged by the handcraft classes sponsored by the club, including shell jewelry, plain and fancy knitting and hand made rugs.

This entertainment is free and everyone is cordially invited to attend. Your presence will encourage the club in its work for the girls and boys.

**Trombly Bridge Party Scheduled for Tomorrow**

Tomorrow, May 3, is the day of the Trombly desert bridge and bake sale to be given in the school gymnasium.

Play will begin at one o'clock; beautiful awards will be given. Call Mrs. Fred Price, LE 3748 for reservations.

## Today's Bride

MRS. HARRY J. CHANCEY II

—Photo by Higgins

At a double ring ceremony, Dorothy Carnaghi, daughter of Mr. and Mrs. Joseph P. Carnaghi of Three Mile Drive, became the bride of Harry J. Chancey II in St. Clare de Montefalco church at 10 o'clock this morning.

Mr. Chancey is the son of Mr. and Mrs. John Chancey of Waltham avenue.

Rev. Msgr. John C. Vismara read the marriage service and the Rev. Fr. Edward Sweeney, O.S.A., celebrated the Nuptial Mass.

Mrs. Chancey chose a chiffon gown fashioned on Grecian lines with round high neckline, and full accordion-pleated skirt. Her waist was girded with a braided cording entwined with orange blossoms.

Her mantilla veil was of chantilly lace and she carried a hand bouquet of white orchids.

The bride was attended by her sisters, Lenore, maid of honor; and Lorraine, bridesmaids, who arrived from St. Mary of the Springs college, Columbus, O. They selected gowns of virgin blue with fitted jersey bodices and full marquisette skirts. A cascade of white carnations

and lily of the valley graced their gowns at the waist and similar flowers laced their head bands of white velvet.

The flower girl, Cathy Miller, was daintily dressed in white and carried a miniature colonial bouquet. She is the bride's niece.

John Evans performed the duties of best man and John McCabe and John Carnaghi were ushers.

Following a reception at high noon the newlyweds traveled to the New England states. They will reside in Detroit.

The bride is a graduate of St. Mary Academy, Monroe and the groom attended the University of Detroit high school and U. of D. before entering the army air corps. He served four years with 18 months overseas duty.

## Pointe AAUW Group to Hold Monthly Meeting Tonight

The general meeting for May of the Grosse Pointe American Association of University Women will be held tonight at eight o'clock at the home of Mrs. Taylor H. Seeber.

The co-hostesses are Mesdames Mary T. Seige, Raymond Wertz, H. W. Merrill and Willis Bugbee.

George Schermer, director of inter-racial relations in Detroit, will speak on "Inter-group and Inter-racial Relations in Detroit."

The social studies group will meet May 9 at 1:30 p.m., with Mrs. Paul Baldwin, 1160 Whittier road. "Minority Groups in Our City" will be discussed by Mrs. B. W. Beyer, Jr., and Mrs. George True.

Mrs. John Pear will be hostess to the international relations group at its meeting May 23. Mrs. Lloyd Kercheval, state international relations chairman and Dr. Helen Huus of Wayne university will be the speakers. There will also be sound film showing the work of the UNRRA following the wake of armies' devastation in Europe.

The annual meeting of the AAUW will be held June 1 at the Lochmoor club. Annual reports and the election of officers will be held at 11 a.m.

## Mrs. Collins Takes Active Part in Annual YWCA Drive

Mrs. Kins Collins of Westchester road is leading one of the divisions in the YWCA's current membership month campaign. First report luncheon for the campaign is scheduled for Monday, May 6 at Central branch YWCA at 12:30 o'clock.

Program stars Fran Harris of radio station WWJ who will describe how the Detroit YWCA is geared to one world right here at home with many different people of many different nationalities, creeds and races making up its membership. "It's a great democratic fellowship of women and girls. Its program aims to meet the needs of women and girls in recreation, housing, health, counseling and many other ways," Mrs. Collins said.

Mrs. Willis Bugbee of Kensington road, Mrs. John J. O'Brien of Kercheval, Mrs. Stanford Phelps of Provençal, Mrs. George A. Schemm of Maumee, Mrs. John Oades of Burns and Mrs. Henry Ballard of Fisher are also working in the campaign. They invite all women and girls in this part of town to join the YWCA through them. The campaign goal is 6,700 members to maintain the total city-wide membership at 20,000 in 1946.

**Sings Soprano Solo in Student Program**

Elinor Boyd, junior at Denison university, Granville, O., sang a soprano solo in the student recital program given at the Denison Conservatory of Music last night. She is the daughter of Mr. and Mrs. Thomas A. Boyd, 1016 Harvard road, Grosse Pointe Park.

Her selection was "Lullaby" (Jocelyn) by Godard.

**Announce Troth to James Ford Pepper**

Mr. and Mrs. Harvey H. Lightle of 1225 Marlborough, announce the engagement of their daughter Alice Pauline to James Ford Pepper, son of Mr. and Mrs. L. H. Pepper, 944 Nottingham.

Miss Lightle attended Asburg college in Kentucky; and Mr. Pepper is a graduate of the University of Missouri. He was recently discharged from service after overseas duty with the signal corps.

No date has been set for the wedding.

A total of 7,106,559 American families, constituting 20 per cent, live on farms.

## League Tea Held

The Detroit League for Planned Parenthood held a tea at the home of the Chairman, Mrs. J. Stewart Hudson, on Wednesday, May 1st, at three-thirty o'clock. Those invited included many who are interested in various social and health agencies throughout the city.

The tea was in honor of the League's new Executive Director, Mrs. V. C. Hurland, and two members of the National Federation, Mrs. E. R. McKinnon, Special Consultant and Mr. Beekman Pool, Associate Director of the Federation.

Mrs. McKinnon and Mr. Pool were in Michigan this week to talk before groups interested in Planned Parenthood. Their arrival in Detroit coincided with the opening of the Detroit League's membership campaign which is being launched to help raise funds necessary for clinic maintenance and expansion.

The four types of membership, one to ten dollars, are supporting, associate, professional and sustaining. It is the intention of the Detroit League to omit the usual fall fund raising in order to join in a national fund raising campaign with the Planned Parenthood Federation of America in the spring of 1947.

The aims of this nation-wide program will be three-fold: to provide child spacing services to married women who do not have access to private medicine; to offer medical guidance to couples who want children but find they cannot have them; to provide marriage counseling to aid young people in establishing their marriages on a firm and lasting basis.

In discussing the work of the Detroit League, which through its membership drive seeks to augment its funds to carry on this same three-fold program locally, Mrs. Hudson revealed that there is now an increasing demand for fertility treatment from married couples who are eager to become parents. Also, Mrs. Hudson said, in our post war world many young married couples are seeking marriage counseling. Funds are needed not only for these purposes but in order to maintain the five clinics operated in Detroit at Harper and Woman's Hospitals and the North End Clinic. These are open to all married women seeking advice on child spacing who cannot obtain medical assistance elsewhere. No cost is ever charged. Low cost is made available to pay the smallest clinic fee.

Mrs. Hudson, executive director of the Detroit League for Planned Parenthood, is a member of the National Health Council.

Mr. and Mrs. J. M. Mutschall of 1104 Three Mile drive, announce the engagement of their daughter Dorothy Marie to Gerard Andrew Groat, son of Mr. and Mrs. F. G. Groat of Flint, Mich.  
 Miss Mutschall attended St. Mary's Academy, Monroe, Mich., and Barry college, Miami, Fla. Her fiance attended Flint Junior college and Georgia Tech; he was a member of the armed forces for three years, and spent one year overseas.  
 Tentative plans are being made by Miss Mutschall for an October wedding.

**French Lad Adopted By Farms Woman**

Mrs. Edwin F. Storey of 80 Meadow Lane, Grosse Pointe Farms, and a member of the Detroit alumnae chapter of Kappa Alpha Theta, has "adopted" Paul Bonini, six-year-old French boy in France, through the Foster Parents' Plan for War Children, it was announced yesterday by Mrs. Edna Blue, plan executive chairman, American headquarters of the plan are at 55 West 42nd Street, New York City.

At the present time the plan is operating 56 children's projects in England, Italy, Malta, Belgium and France and is caring for Maltese, Czech, Polish, Dutch, French, Italian, British, Spanish, Norwegian, Danish, German, Austrian, Hungarian and Belgian children.

Paul is the youngest of five children whose father went into the underground movement after the fall of France. He was apprehended by the Gestapo and was shot for his part in some important sabotage.

The mother had great difficulty keeping her children together and getting sufficient food for them. During the occupation of France, the Germans took all food and clothing they could get and sent it to Germany. Paul has responded nicely to the special diet and routine provided at the foster parents' colony.

The projects which the plan operates in France, England, Italy, Malta, Holland and Belgium include the following: The J. B. Priestley Nurseries, Herefordshire; and the Grange; England; the Malta colony, Sliema, Malta; the French Colonies, France; the Rome, Naples and Catania colonies in Italy and the Brussels colony in Belgium.

**Church Women Elect**

The reorganization meeting of the Women's Association of the Grosse Pointe Woods Presbyterian church was held on Friday night, April 26, at the Vernier school.

Because of the wide interest in this new project, the meeting was well attended by both members of the church and the congregation.

One of the features of the evening was the election of officers. They are as follows:

Mrs. Gordon N. Cameron, president; Mesdames James Alexis, Joseph Paxton and Don Matzer, vice-presidents; Mesdames Ray DeGraw and Arthur Hirt, secretaries; and Mesdames Russell Baude and Maxwell Salisbury, treasurers.

The circle leaders chosen are the Mesdames William Merchem, Kenneth Higgs, Ray Nelson, Harold Friewald, Kenneth W. Smith, William Stothers, John Rooks, and Wesley B. Orr, Jr.

Mrs. Frank Dettmer was guest soloist of the evening. She was accompanied by Mrs. Max Luce at the piano.

JUST TAKING A CHANCE CAN PUT YOU IN THIS PICTURE!

950,000 people were killed or injured in auto accidents last year! And the menace is growing! In the first 4 months after gas rationing ended, auto deaths jumped 36%! Remember, accidents come from carelessness . . . from

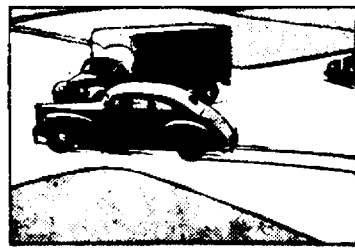

the "little" chances we all take, unthinkingly, every day—the little repairs we neglect to make! Yes, it's up to you! You can cut down America's accident rate simply by not letting an accident happen to you!

Check on Yourself! HOW MANY CHANCES DO YOU TAKE EVERY DAY?

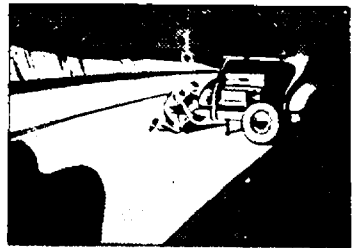

- I let pedestrians watch out for me. I drive twice as carefully at night.

Do you forget how difficult it is to see a pedestrian at night? Are you unable to stop within your headlight vision? Then you may kill a man this year. For careless drivers strike down the most pedestrians during the first 3 hours of darkness. Do you want such tragedy?

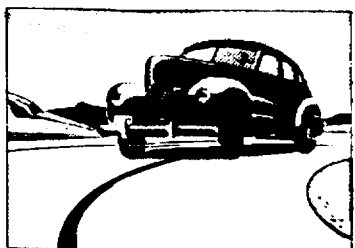

- I'm stubborn about the right-of-way. I believe courtesy pays.

Do you try to bluff your way through intersections, take off like a P. 38, or bear another driver out of his "right-of-way"? You're playing against dangerous odds—15% of fatal accidents in cities involved failure to give right-of-way. Give in a little—your life is worth it!

- I change tires on the road. I pull completely off the road.

When you change a tire do you pull only part way off the road . . . especially after dark? Do you risk blowouts . . . neglect to repair your automobile? With the average car over 10 years old, a safety-inspection defective equipment has more than double the "Who welcome trouble?"

- I drive in the middle of the road. I keep to the right at all times.

Do you habitually "straddle center" . . . especially on curves? Do you turn right from the left-hand lane . . . or pass on a hill? Then you're risking frightful collision every day. For such actions played a part in 1 out of 10 years' auto deaths. Will you care more than you care about your life this year?

DON'T TAKE A CHANCE!

## FBI UNCOVERS SPY RINGS IN COLONY MOVIE

An authentic record of the FBI's activities in breaking espionage rings, "The House on 92nd Street" has all the terror of a pipe-dream thriller combined with an exciting plot which rings true even in its most dramatic developments.

The picture will be shown at the Colony theatre next Sunday and Monday.  
 A superb cast, headed by Lloyd Nolan, Signe Hasso and William Eythe, makes "The House on 92nd Street" a picture of which 20th Century-Fox is justifiably proud. Many of the roles in the film are enacted by real FBI agents. It has attained a graphic realism made possible by the complete cooperation of the FBI. The accompanying feature co-stars Jane Darnell and Edgar Kennedy in a well-known movie "Captain Tugboat Annie."

## LETTERS TO THE EDITOR

The Grosse Pointe Review Gentlemen:  
 May we take this means to publicly express our appreciation for the splendid cooperation and efficiency displayed by both the police and fire departments of Grosse Pointe Park, in the manner in which they handled a recent fire at our home on Audubon road.  
 Dr. and Mrs. M. M. Sheaffer

## MUSICAL TRIO AT THE VOGUE

"Red Calloway and his Trio" who are the current, sensational attraction at the Vogue Cocktail Lounge, Cadieux road at Evanston, are still going true to form in having hold-over engagements wherever they have appeared during the past year.

## STRIKES and SPARES

If you can picture a score of 1-0-2-0-out—the ninth inning with the bases loaded . . . and the home team's best slugger at bat—you will have a general idea of the rooting section when the last seven games of that fourteen game bowling match between Vince Kelly and Pete Belanski of East Warren Recreation vs. Mike Basone and J. Cusmano was rolled off at Vogue Recreation last Saturday night. (We had those totals in reverse last week—which leads up to our being promised some lessons in addition (bowling style) while Red takes care of the writing). Well—anyway, Kelly and Belanski went into the last seven games with 152 pins down. They dropped 52 more in the first two games . . . came back to pick up all but 16 in the next four games—and finished up just eight points behind. And that's the kind of bowling every novice has in his or her dreams. Maybe things will be different next time as a return match is already in the making. For once, a bowling match almost stopped the show at the Vogue . . . and that's something also, for Sam Ravine has always given his patrons the best talent to be found . . . We are reminded to remind you that there are still open alleys at East Warren during this tournament. These amateur get-togethers on Saturday night are still packing the house.

Getting back to that baseball opening . . . George Antloser, who operates a confectionary at 20887 Harper avenue . . . a former big league player . . . has made arrangements for big league backing for a Class C Federation baseball team in Gratiot township and Grosse Pointe Woods. As we understand it, it is his second attempt to give a bunch of kids a break. First time resulted in his ball diamond being plowed under, benches, bleachers and all. This time he can be found at Mason field in Grosse Pointe Woods on Tuesday nights and he is hoping any boy from 14 to 18 who wants to try out (and make good in baseball!) will come over and see him.

In 1944 there were 1,748 deaths from tuberculosis in Michigan. These deaths could have been prevented if the disease had been discovered in time.

## FAME OF DOLLY SISTERS FOUND IN SHORES FILM

"The Dolly Sisters," a romanticized history of the famous Hungarian sister team that was the toast of two continents during World War I, will be shown Sunday, Monday and Tuesday at the Shores theatre.

Filmed in spectacular technicolor, the "Dolly Sisters" stars Betty Grable with June Haver and John Payne in his first picture since his honorable discharge from service.

In addition to Payne's first picture since his return, the film marks another first: George Jessel's initial effort as a producer.

In the gay story of the fabulous sisters who set a world aflame with their songs and dances, Betty Grable plays the role of Jenny, June Haver plays that of Rosie, Dolly, Payne is seen as Harry Fox, song and dance man whose romance with Jenny constantly threatens to break up the sister team.

The picture deals with the adventures of the Dolly Sisters, a romantic pair in a romantic area, as they swept their way from New York to Nice, from Manhattan's lower East Side to the ballrooms of the crowned heads of Europe.

The skaters included Johnny Titus as Joan's date, George Berenck and Mary Ann Mann, Bob Van Holten and Helen Plath, Nancy Schmidt and Joe Littman, Gerry Rounds and Jim Lemen, Mary Gratz and Dick Nightingal, Sharon Ford and Kermit Humphrey, Barb Mann and Jim Fiscus, Sue Crunkshank and Tom Sullivan.

**Former Commodores to Be Entertained by the Lilygrens**

Preceding the commodore's ball at the Grosse Pointe Yacht club on Saturday, May 11, Commodore and Mrs. George N. Lilygren will entertain at cocktails in the Green Room for the former commodores and their wives, the present officers and the board of directors of the club.

Later, they will be seated for dinner at tables appropriately decorated with the officers' flags which will be presented on this occasion. The commodore list includes: The George M. Slooms, the Herbert J. Woodalls, the H. Lynn Piersons, the Ward H. Pecks, the James H. Marks, the C. B. Thomas and Col. and Mrs. Frank Couzens.

The officers and board of directors are: The Robert P. Scherers, the A. P. Teetzels, the Charles E. McGregors, the Warren H. Farris, the R. Earle Milligans, the A. G. Herreshoff, the J. E. Duncans, the C. E. Bleichers, the John R. Suttons, Jr., and Dr. and Mrs. Clifford Loranger.

**Local Girls Now Preparing for Camping Days**

All set for summer vacation days ahead are Peggy Lou Eling of McKinley road, Joanne G. Johnson of Lakeland, Louise Lee of Barrington, Jean Giles of Somerset, Joan Merrill of Notre Dame, and Phyllis McRae of Fisher. This little group of Grosse Pointers are among the first girls to "sign up" for vacations at Camp Cavell, the Detroit YWCA camp for high school girls on Lake Huron. They are all former campers.

Registration for "new" campers, girls who have not attended Camp Cavell before, opens Saturday, May 4, at Central branch YWCA, 2230 Witherell street. Miss Marjorie Magee is directing Camp Cavell again this year. Camp is to be more fun than ever she reports. Everybody's particularly excited over the development of Cavell's new pioneer unit. Here campers sleep in tents, learn to cook whole meals over a camp fire and have a wonderful time going "rustic." There is also to be more bike-hiking this season and youth hosteling. The horses will be stabled on the camp grounds. A full schedule of riding instruction for beginners, intermediates and advanced riders is offered, and there is always a horse show in mid-season.

Mrs. Stanford Phelps of General road is chairman of the general camp committee which supervises the preparation of all YWCA camps for the season. Mrs. Phelps reports that Cavell's beach is simply wonderful this year. There is more than a quarter of a mile of smooth white sand.

Annual Party May 11  
The Dominican Mothers Club will hold their annual spring bridge party Saturday, May 11 at 2 p.m. in the school auditorium, Whitaker and McKinley.

### Ancient Chinese Fantasy Concludes Theatre Season

"Lady Precious Stream," the 2,000-year-old Chinese fantasy translated for English speaking audiences in 1935 by Dr. S. I. Hsiung, will be presented Thursday and Friday, May 9 and 10, in the Detroit Institute of Arts auditorium by the Wayne University Theatre. This final offering in the theatre's 1945-46 season will be produced in the traditional Chinese manner. Property men, unlike those in our own theatre, will, according to Chinese custom, be in sight at all times to provide tea for the weary actor after he has delivered a long speech, offer him a fan or pillow, catch him if he is required to faint, and brush his clothing after every encounter with furniture or floor.
