POINTE PARAGRAPHS

Violent changes in the weather certainly produce some unique costumes among the local gentry. Last Thursday's chill breezes brought a man out with his topcoat, plus summer straw hat. And, a teen-age girl was seen in shorts and sneakers, topped by a heavy spring coat.

Residents of the Pointe who have thought of and described this area to friends as perfectly flat, must have been surprised to see surface water to a depth of two feet in spots during the recent cloudburst. Kercheval avenue, thought to be perfectly flat, varies in altitude as much as six feet from the limits to its terminus in the Farms. Other streets in the Farms almost approach "hill" proportions.

Grosse Pointe's first peacetime commencement in four years will be welcomed by parents and friends alike. During the past three exercises, visitors just couldn't help but wonder which ones and how many of the graduates would become "cannon fodder" in the line of duty which they would soon answer. This year, some will be snatched away by selective service, but it is a far different matter than the seriousness of imminent battle experience. It will be a far finer commencement tonight.

A Detroit News commentator made an unusual slip of the tongue Tuesday morning which represented the exact opposite of his meaning. He told of an army overseas fatality and explained that the remains were awaiting cremation... but he corrected himself to explain that he meant cremation.

GIRL SCOUTS AND LEADERS WITH KEPT PRESENTED TRAILER

Presentation of an automobile trailer by the Grosse Pointe Kiwanis club last Saturday afternoon was the first of a series of events. Left shows Miss Reamore, Mrs. H. Findlay and Mrs. Lynn O'Brien looking on as Marjorie O'Brien handles the trailer. At right, Mrs. O'Brien is showing Dalbo Kay and Sandy...

Annual Graduation Exercises Tonight

Graduating members of Grosse Pointe high school will receive their diplomas at the school's annual commencement exercises, today (Thursday, June 13). Approximately 100 graduates will be present.

Plans Approved for Sewer Construction

Plans for the construction of sewers to alleviate the flood problems in Park area were presented to village commission this week.

Kiwanis Club Eyes "Miss 4th of July"

Grosse Pointe Kiwanis club is planning a "Miss Fourth of July" contest for the summer of this year.

Permission Given Board For Two Quonset Huts

The Grosse Pointe board of education, after making strenuous efforts to secure the permit to build an 18-room section of the new school building proposed to be erected on Vernier-Mack, received a formal notice from the Civilian Production Authorities that the application had been denied.

Essay Contest Deadline Extended

Because of the growing interest and the diversity of opinion over just what form the Grosse Pointe War Memorial should take, it has been decided by the permanent war memorial study group of Grosse Pointe to extend the deadline for turning in essays in connection with the \$300 Savings Bond competition until July 15, 1946.

The application of the board of education for permission to build a four-room quonset hut addition to the Vernier school was approved. Application for the 18-room section of the proposed school building on Vernier-Mack was submitted on April 30, together with a complete statement of needs and the urgent need of the use of this building to relieve congestion of school population in the east end of the school district. The superintendent of schools and the staff of the board of education have subsequently had several conferences with the CPA, in an effort to secure this permit. The CPA has pointed out that they are permitting building only where the entire school district shows an average class size of 40 pupils per classroom.

One Year Ago

War loan gallants of the Grosse Pointe public school system went over the top in the sale of "E" bonds. Total sales in the schools reached \$938,000 by the second week in June.

Property owners of Grosse Pointe Park and Grosse Pointe township were seeking a reduction in their tax rates.

Grosse Pointe high school officials were expecting a record enrollment for the summer session.

Service men of the Grosse Pointe area were making names for themselves in the final attack against the Japs in the Pacific. Still others were returning victorious from the European battlefronts.

The race track at the state fair grounds opened. Daily feature at the track was a purse value of \$5,000.

Puppy drive opened in the Grosse Pointe area.

Ground was broken for a new Industrial Arts building. The building was to be financed without a bond issue or recourse to taxation by the board of education.

Charles A. Parcels and Ralph M. Clark were re-elected to the Grosse Pointe board of education in the first uncontested school election in which they participated in more than a decade.

Dr. E. R. Van Kleeck was honored by students of Grosse Pointe high school upon his resignation as superintendent of the Grosse Pointe schools.

Donald Coats, Edward Forton and Raymond Gabriel joined the Grosse Pointe Woods police department.

The Very Rev. Father Philip Colgan, O.S.A., pastor of St. Clare de Montezion parish, Grosse Pointe Park, celebrated his 25th anniversary of ordination to the priesthood.

Summer school classes were scheduled to start on June 18.

Midget auto races were set for twice a week at the race track located at Eight Mile and Schoenherr roads.

Grosse Pointe residents were making preparations for the summer excursions aboard the Put-In-Bay.

Traffic accidents were lowered as a result of a safety drive sponsored in Grosse Pointe.

A total of 130 seniors graduated from Grosse Pointe high school. It was the largest graduation class to date.

Among the traditional awards are the American Legion Citizenship Medal and Certificate, the Bausch and Lomb Award, the Mothers' club Honor cup, and the Trinity college Alumni award.

Popcorn Man Found "Not Guilty" in Circuit Court

In a circuit court hearing presided over by Judge Clyde Webster, a jury of 10 women and two men brought in a verdict of "not guilty" on four ticket violation charges against Ernest "Tony" Koinis, on an appeal from justice court.

Koinis had been found guilty in a hearing in Grosse Pointe Park by Justices DeBouche and Ballenger. The four tickets were issued to Tony for not having a village license, although he holds a state license, two accusing him of causing traffic violation and the fourth because he did not keep his popcorn wagon moving.

Mrs. Koinis and his brother-in-law had also received tickets since they are part of the organization, but the charges were dropped.

Edward Barnard, attorney, acted in behalf of the defendant.

Summer School Opens Monday

The Grosse Pointe summer school begins its 1946 session next Monday morning, June 17, at eight o'clock in the high school building.

Registration will begin tomorrow afternoon at 2 p.m. in room 114 and will continue on Saturday morning and through the first part of next week.

Mr. Selmer, the summer school principal, has urged that students be enrolled on Friday afternoon or Saturday morning, whenever that is possible, in order to avoid any unnecessary delay in getting started.

The fee of \$2 a course for students resident in Grosse Pointe, or \$14 for students who are non-resident, must be paid in order to complete enrollment and enter any classes.

The summer school term is for eight weeks with final examinations being held in all high school classes on Thursday, August 8. With the class meeting for 45 minutes, the student thus covers the same material of each course as he must in a semester of the regular school year. However, since the pace is so much more rapid for each night of

Valuable Antiques Stolen From Gallery

A yellow ivory "mug" and a box made of fine china were reported stolen last Friday from Joseph De Grimme's art gallery, 5 Kercheval.

Mr. De Grimme explained that Friday afternoon four ladies entered his shop, and while they were there he was called to the telephone. When he returned the ladies were gone, and a short time later he noticed the ivory "mug" and china box missing.

The "mug" valued at \$200 is engraved with a battle design and the metal base of bronze and copper has a figure of a soldier on it.

The box of fine china, an Italian antique is oval in shape and approximately ten inches long, seven inches wide and four inches in height. Raised colored figures are on the sides and top, and the bottom is marked with a blue "N" and crown. This antique is valued at approximately three hundred dollars.

Park-Owned Motorized Equipment to Be Checked

A motion was carried to have members of the Grosse Pointe Park commission make a check of motorized equipment owned and operated by the Park. This will enable the members to outline a long-range purchase plan for new equipment and replacements.

Farms Meeting Postponed to Be Held Tuesday Night

Harris Eason, farms village clerk, announced yesterday that because of a conflict with the school election, the meeting will not be held on Monday night, June 17, but will be postponed until Tuesday night, June 18 at 8 p.m.

Resigns From Committee

Max Horn, Board member of the Grosse Pointe Park planning commission, has submitted his resignation to the village commission.

Garbage Truck Purchase to Be Made by Manager

Everitt B. Lane, Park village manager, was authorized by the commission to purchase a garbage truck from Mack International Motor Truck company after consulting other manufacturers of this type vehicle for estimated bids.

Mack International Motor Truck company was the only manufacturer to reply to the commission's advertising for bids on garbage trucks of the required specifications.

If the price submitted on the estimate is raised, Mr. Lane must re-submit the new price to the commission before completing the purchase.

AN OPEN LETTER

A group of Grosse Pointers have taken it upon themselves to work up a hard ball schedule and organize a balanced league with supervision of the highest type.

Playing under the banner of the Metropolitan Club and with things well under way they learn that the various communities are against the plan, if not in spirit by refusing to allow hard ball playing in either the Park or the Woods.

The plan is to bring organized ball to the Pointe and keep the boys off the street. In the Park the entire playground back of the Pierce Junior high school lies idle because a few house owners object to baseball.

Other property owners on Nottingham offer no objection to the Deifer playground, but it is claimed that an agreement was made with property owners on Nottingham and Ballfour, between Kercheval and St. Paul to keep ball playing off the fine large Pierce field.

Can this be true? If so, who on the Park board can stand up to such a situation? Why must boys play on the street or not play at all just because a handful of residents want to tie up a large recreation field. If that is possible, talk is now going on to close the Deifer playground on the same grounds.

In the Woods, a scheduled game on Wednesday was not played at the Mason school because of the rule against hard ball. Why can a few stop this work with boys? Is it possible that a chosen few have extra rights in the Pointe?

EDITOR'S NOTE: Because the above communication strikes home at parent-club times about "Juvenile Delinquency" it is printed in full. If the facts as described are accurate, the situation is a clear cut violation of those citizens who deny delinquency in youth. A question time is at hand and one of the modern problems is to keep youth occupied and "out the streets." The above situation is proper in a case of "Adult Delinquency" and the matter should be handled by authorities with wisdom and foresight... fearlessly.

Schools Lose In Millage Allocation

At a meeting of the Wayne county allocation board on Monday, June 10, members of the Grosse Pointe board of education and the superintendent of schools appeared, together with school officials from most of the school districts in the county, to protest the action of the Wayne county allocation board in allocating an increase of 15c to Wayne county, resulting in a corresponding decrease in revenues under the 15-mill limitation available to schools and townships.

Under the 15-mill limitation amendment to the constitution, the 15-mill limit in Grosse Pointe must be shared by the county. The Grosse Pointe township and the school district in 1945-46 the amount available to each is determined by the Wayne county allocation board, was \$600,000 for the school district, one mill for the township and five mills for the county, for a total of 14 1/2 mills, leaving a balance of 0.55 mill for the township and one mill for the county.

Wayne county has proposed an increase in the millage rate to 17 1/2 mills, which would result in a total of 17 1/2 mills for the county, one mill for the township and five mills for the county, for a total of 13 1/2 mills, leaving a balance of 4 1/4 mills for the township and one mill for the county.

BE CAREFREE—BUT CAREFUL!

Vacation days bring sudden relief to all of us after months of hard work at the office or school, and for this reason we are inclined to fling aside all responsibilities and assume a manner of complete abandonment.

- Children are cautioned to follow the examples of their parents and other older people — and that includes you. When playing at any sport remember these few rules: 1. Do not play too long or too hard the first days.

For those who are driving, remember to be careful of children playing near or on the streets, and of careless pedestrians. Pedestrians keep a watchful eye for the scenery loving driver, who may see the glowing sunset but fail to see you.

able to the township and school district for 1946-47.

Members of the board of education in an appeal to the county along with the appeals of many other government officials pointed out that this represents an actual reduction for the 1945-46 allocation of the schools and township of approximately \$15,000. The formal protest of the local school officials went on to point out that this was a reduction in the face of the fact that the budget of the public schools for 1946-47 reflects an actual increase of \$130,000 for operating, exclusive of building or debt service, which is approximately 11% increase over 1945-46. Of this increase, \$118,000 is for salaries and personnel. The salaries were increased on the average by approximately ten percent over 1945-46. The increase in salary schedules since January, 1941 is approximately 30 per cent. It is apparent, stated the formal protest of the board of education, "that even if the entire amount of 0.35 mills, available for 1946-47 had been allocated to the schools, it would not have been sufficient to finance the budget increase stated above. However, if we recognize that all units of government are equally and seriously pressed to meet rising costs, it would have been reasonable and just to expect a proportionate share of the available 0.35 mills under the 15-mill limit. Most conservatively the schools should be allocated at least 0.10 to

strict authorized the board of education to exceed the 15-mill limit for general operating revenue by 1.5 mills. The voters assumed, as they had every right to assume, that this amount together with a modest share of the 0.35 mills available to three government units would be sufficient to provide the necessary increases for 1946-47, with a very small reserve remaining for increases during the four-year period from 1947 to 1951. "The action of the allocation board removes the last hope that any reserve will be available for future increases of cost even though the voters of this district have done everything they could to provide such a program. "A further factor that intensifies the seriousness of this loss to the Grosse Pointe schools is that we actually face a possible reduction in assessed valuation for 1946-47. This possibility is imminent, due to the fact that a large group of taxpayers have filed court action to force a

reduction in their assessment which if granted would decrease our assessed valuation by approximately four million dollars. It is not known as yet whether the protest of the various governing units of the county will change the decisions of the allocation board to allocate the full 50 cents to the county.

A. A. Ghesquiere Clarifies Park and Recreation Program in G. P. Woods

Alois A. Ghesquiere has released to The Review the following account to explain to the residents of Grosse Pointe the exact status of authorities in Grosse Pointe Woods regarding the suggested park and recreation programs.

"Because of the apparent misinformation, rumor and counter rumor circulating throughout the village regarding the Grosse Pointe Woods park and recreation programs, it is felt that some clarification of the facts would ease some of the apprehensions in our citizens' minds which have been placed there by rumors or misinformation. Also at this time of year a great many people are interested in places to go swimming.

The facts are:

1. Grosse Pointe Woods has no municipal swimming or bathing facilities, because we have no lake frontage. Until two years ago we were granted the privilege every summer to use the facilities of Grosse Pointe Shores at the foot of Vernier. At that time a group of Shores residents petitioned and pressured the board of trustees to withdraw that privilege.

2. Attempts on the part of the Woods commission to obtain per-

mission to purchase property on the lake shore in the Shores failed because they have a zoning ordinance prohibiting such use (a bathing beach) in their village. They guard their zoning ordinance zealously the same as we guard our own ordinance. Further study and consideration of lake front property convinced the commission that none of the property in Grosse Pointe Shores or St. Clair Shores is desirable or practical for bathers because both villages discharge all their untreated sewage into the lake at the foot of nearly every street and on occasions huge amounts of it are discharged at the foot of Nine Mile road from the big sewer interceptor

that serves Macomb county municipalities. On certain days when the wind is inshore much fecal matter may be observed floating around at the Grosse Pointe Shores beach. Some of this comes from the many sewers discharging into the lake, and some of the boats at anchor in the harbor.

Because of these conditions a desire on the part of the village to provide some spot where a pool or pools could be constructed and also a location for the establishment of any other recreational park or recreational facilities the people of the Woods may desire. Negotiations were made with the owners of 44 acres of property facing Mack avenue between Kenmore and Huntington avenues. A special election was held and a bond issue approved for the purchase of this property at a price of \$4,700 which has since proved to be a very reasonable charge for the property.

A little later a park commission consisting of seven members, all residents and taxpayers in the village was appointed to make a study and analyze all the possibilities to make this property serve as many people of the community as possible. The park commission has no money to spend and can only make recommendations to the village commission, who is the people's authorized agent to spend money for the operation and welfare of the village.

Last fall this park commission made recommendations to the village commission that a registered landscape, park and playground architect be engaged to make a master plan of the 44 acre site and to suggest spots for future neighborhood playfields in various locations throughout the Woods. The idea behind this being to try to convince subdividers who lay out new plots to dedicate such playfields to the village when the new subdivisions are being laid out.

The village commission authorized and engaged a reputable architect as recommended and the job has been completed for a fee of \$2,450. A birdseye view of the park and recreational field master plan will be printed very soon in the local and Detroit papers.

"Recently the park commission recommended that working or detailed drawings be made for the entire park and recreation project of the site on Mack avenue but the village commission withheld approval or action on it until some future time. The feeling of the village commissioners is that a good job has not yet been done in the neighborhood plan at present to spend any further money for drawings for work that cannot be done immediately. Also it is felt that some portion of the funds we have set up in the budget for recreational improvements should be used to clear out and level a portion of the park site for use as picnic grounds and playfield. Estimates are now being made on this part of the project.

The policy of the village commission regarding the park and recreation program has been for some time and still is that if any major expenditures are to be made or proposed that the proposition will be submitted to the taxpayers of the village for their approval of a bond issue to defray the cost of any such projects.

The village commission is also quite definitely committed to the policy of keeping our present low tax rate and only want to make expenditures if they will have no great bearing on taxes.

Large expenditures of any kind are not being contemplated at present. The residents will be kept informed of all major propositions and will have a chance to express their opinions regarding them. This does not mean, however, that nothing is being done. On the contrary, two projects are receiving a great deal of consideration:

1. A swimming pool.

2. Expansion of the playground at Mack avenue and Ridgmont.

Gabriel Richard Council KC Elects New Officers

Concluding one of Gabriel Richard Council, K. of C. largest election turnouts, Mark Dunn, for 10 years the council's executive secretary and business manager, was elected Grand Knight at the Monday meeting held June 3, 1946.

Frederick Potvin, a former council officer was elected Deputy Grand Knight. The three cornered contest for Chancellor, the ritualistic executive of the council, ended without a majority for any of the contestants. This election will be re-balloted on June 17.

For the other offices, Walter Chapelow was elected recorder; William A. Ross, treasurer; Roy Matthews, warden; Ernest F. Rossi, advocate; Lindsay Doyle, inside

guard; Carl Engel and Vincent Hud-das, outside guards; and Aloysius McHugh, trustee. The offices of chaplain, financial secretary, lecturer and executive secretary, being appointive, were not included in the election. Installation of officers will be held on Monday, July 1, 1946, with term of office extending from July 1 to June 30, 1947. Buy, sell, or trade with Review Want-Ads.

U. of M. Club Elects Officers

An election of officers for the Grosse Pointe Township University of Michigan club was held at the home of Dr. John C. Porter of Lincoln road on June 4. Officers for the coming year are:

Dr. John C. Porter, president; Miss Marie Soucaze, secretary; Forrest Heath, treasurer. At the same time T. Raymond Jeff was appointed to the vacancy on the board.

Box Luncheon Planned

Mrs. Henry Bourne Joy, honorary national president of the National Society, Daughters of Founders and Patriots of America, will open her home, 10 Lakeshore road to Michigan members of the society for their spring meeting, on Wednesday, June 19. The members, assembling at 12 o'clock noon, will bring box lunches, which will be supplemented by coffee and sweets by the hostess.

Mrs. Charles Horton Metcalf, gate president, will preside at a meeting following luncheon. Reports of the 48th general court of the National Society, held recently at Atlantic City, N. J., will be given by Mrs. Joy, Mrs. O. D. Heavenrich, Mrs. Albert L. Hart, Miss Laura C. Cook, Mrs. Edward H. Eichelberger, Mrs. Marvin L. Hoagland and Mrs. Edward J. Savage.

The election will also take place. A full attendance is desired. Early reservations should be made with Mrs. Joy.

Convention Delegate

Walter J. Geffert, pastor of Calvary Lutheran church, Grosse Pointe Woods, is spending the week in River Forest, Ill., as Calvary's delegate to the annual convention of the English district of the Lutheran Church (Synodical conference) held June 11-14.

Unitarian Women's Alliance

Following the annual election of the Alliance, Mrs. John H. Flancher, new president, announced new heads of committees for next year:

Mrs. A. Boynton Hartz, churchmanship; Mrs. Donald H. Corey, religious education; Mrs. C. A. Fetting, interchurch relations; Mrs. Hobart B. Hoyt, social service; Mrs. Alfred G. Engelhardt, Unitarian extension; Mrs. Brownell Bradstreet, flowers and hospitality; Mrs. Nellie G. Phillips, house committee; Mrs. Frederick E. Gould, program; Mrs. William Thompson, ways and means; and social affairs committee, Mrs. Richard J. Wilkinson, dinners, and Mrs. Lawrence King, teas.

Mrs. J. Schwem to Be Hostess at Picnic

Mrs. Joseph Schwem of 1338 Hampton road will be hostess at The Save the Children's Federation of Grosse Pointe's annual picnic to be held at her home. The gathering will take place next Thursday.

PLAY clothes are for fun, although sometimes we do don a pair of shorts and halter and "set to" in the vegetable garden, which is so important again this year. But had you ever thought that making play clothes can be fun, too?

These days when prices are out of reach, clothes are hard to find and conservation is your patriotic duty, dig out the discarded unwearables of former days. Give a moment's meditation to the best ways these old numbers can be utilized and then go to work.

For example, what about that old gingham that's faded and torn under the arms? Have yourself a time by converting it into the snazziest play outfit your gang ever saw.

Rip the dress apart and take inventory of the material on hand, and make haste with the dye pot. A dose of all-purpose dye is certain to correct all color ailments and produce one of those lovely high-fashion colors you thought you could never afford.

—that is, that dress that looks like cotton more than likely contains rayon—use an all-purpose dye color that is guaranteed to do the job perfectly no matter what the fabric. After the dye job is completed, cut a halter from the top—back out, of course—and a bare midriff if you want the latest style. If the skirt is wide there is enough material to make pleated shorts that are so flattering to slim figures. But if the skirt was cut during war days you will probably have to fashion the shorts on more slender lines.

Russian Children's Hospital to Benefit

Launching its final major campaign for funds, the Detroit committee, American Society for Russian Relief, Inc., sponsored a large dinner at the Book Cadillac hotel, yesterday, when Nikolai V. Novikov, newly-appointed Soviet ambassador made his first official address since presenting his credentials to President Truman. Topic of his talk was Filatov Children's hospital in Moscow, largest pediatric institution in Russia.

With a goal of \$200,000 set, the committee plans to re-equip Filatov hospital with medicines and surgical instruments. The foundation of the program is to restore health to children who survived the horrors of war and to build a healthy generation for the future. The war most drastically affected the children of Russia who were in a formative stage of their growth. Russia has an estimated four million war orphans, many of whom need hospital care.

Thousands of Russian children were maimed in actual warfare in the defense of Moscow and other cities against Nazi invasion. Children have lost their arms or legs and must be supported with crutches. In many cases can be made to see again through delicate operations. Children whose minds have been shattered through the horrors they have experienced must be brought back to normal health.

This program requires expensive and delicate equipment and this equipment is what Russian Relief is trying to provide through funds raised here in Detroit. The drive is sponsored by Detroiters in all walks of life: Bankers, labor leaders, doctors, lawyers, ministers, business men large and small.

All of them recognize that the suffering of children must be alleviated, regardless of their geographical location or the politics of their families. It is the theory of the sponsors of Filatov Children's hospital drive that this kind of help given to the Russians will pay off in the end far more than lend-lease or any formal protestations and offers by diplomats. This is one people speaking directly to another and coming to their aid in a way that cannot be misunderstood. Russian Relief headquarters is at 202 Donovan building.

The committee serving on this drive represents a true cross section of the city's leaders from the business, medical, legal, religious and social circles. Many of whom are from the Grosse Pointe area.

They include: Rabbi Morris Adler, Philip Adler, Lula E. Bachman, John F. Ballenger, Alex Barbour, Edgar

Cyril Bevan, A. J. Bloodsworth, the Rev. Avery E. Eondarchuk, Prentiss M. Brown, the Rev. T. T. Brumbaugh, Fred M. Butzel, the Rev. Charles H. Cadigan, Mrs. Verna Corrigan, the Rev. Francis B. Patricia F. Coulter Receives Certificate at Radcliffe Exercises

Miss Patricia F. Coulter, daughter of Mr. and Mrs. Glenn M. Coulter of 214 Merrilweather road, Grosse Pointe, was one of 29 young women awarded certificates upon completion of the special 10-month graduate course in management training at Radcliffe college commencement exercises recently in Cambridge, Mass. A luncheon at the Harvard Faculty club followed the exercises for members of the course.

Miss Coulter received her A.B. degree from the University of Michigan, and was awarded one of the special fellowships for the management training program by the Radcliffe Graduate school last July. In the course she has had three months of apprentice field work in various types of organizations in addition to the seven months of academic instruction, and a final 10-day conference at which students reported on their field work experiences. Originally called the training course in personnel administration, this unique program in the Radcliffe Graduate School has advisors in Cleveland, Washington, Chicago and New York, and with the cooperation of the Harvard Business School and of major commercial organizations throughout the country, is especially designed to teach the essential techniques of administration and give practice in the skills of human adjustment and leadership.

Denby Seniors Feted at Farewell Dance

The "Cap and Gown" dance which is the "farewell fling" given in honor of the graduates, will be held in the Denby gym, tomorrow night at nine o'clock till 12 midnight. Music by Don O'Brien and his men. Miss Edith B. Schaeffer, a graduate of Denby, will be the show girl.

The grand march by the seniors will add the finishing touches to a grand evening. Miniature caps and diplomas will be given to the seniors as souvenirs. Mrs. Charles Kalkanis, 12901 Kelly road, is chairman; Mrs. Gilbert Delaney, 12259 Wilshire, is co-chairman; and the student dance committee assures everyone it will be "the dance to remember."

Highlighting the program for the dance will be the presentation of scholarships to Carolyn Patterson and John Byle with Mrs. Edgar Harrison, 14309 Wade, chairman of the student dance scholarship committee awarding the scholarships. These are valued at \$150 and may be used at any college.

League for Crippled Children Hold Annual Meeting

The Michigan League for Crippled Children will hold its annual June meeting at the Detroit Yacht club Friday, June 14. A luncheon will be served and the program will include music by the Mercury Rangers, a string ensemble, a book review by Mrs. Fred Hauke, "The Egg and I," and songs by Miss Carrie Bonifante. The music is by courtesy of the Ford Motor company.

Pointer's Engagement Announced by Parents

Mr. and Mrs. C. J. Ghesquiere, of Fisher road, Grosse Pointe, announce the engagement of their daughter, Dorothy Virginia Ghesquiere to Gordon Francis Anderson also of Grosse Pointe. Miss Ghesquiere is attending Michigan State college while her fiancé was recently discharged from the Navy after serving 21 months in the Pacific theatre. No date has been set for the wedding.

The next regular meeting of the Civic League will be held at the Neighborhood club, next Thursday night at 8:30. An attempt is being made to have present a member of the board of education to advise the progress being made toward erection of the elementary-junior high school at Mack avenue and Vernier road.

AAUW Board Holds Meeting

The executive board of the Grosse Pointe branch of the American Association of University Women met last Thursday morning at the home of the newly-elected president, Mrs. Hubert Goebel. Officers for the coming year include Mrs. Paul R. Baldwin, vice-president; Mrs. George R. True, recording secretary; Mrs. C. Bayard Johnson, corresponding secretary; Mrs. H. W. Merrill, treasurer.

Committee chairmen who will assist the officers are as follows: Mrs. George L. Waldbott, international relations; Mrs. Taylor Seeber, social studies; Mrs. Willis Bugbee, legislation; Mrs. Paul R. Baldwin, membership; Mrs. Harold K. Chandler, program; Mrs. Edward F. Wright, community projects; Mrs. Robert M. Hays, news letter and yearbook; Mrs. Charles W. Scheid, publicity; Mrs. Frederick L. Fisher, education; Mrs. R. W. Sibbert, fellowship; Mrs. John S. Foley, social; Mrs. John R. Pear, the arts; and Mrs. Kenneth Beardslee, ways and means.

After discussing plans for the year 1946-47 the board members adjourned for lunch and a social hour.

June Luncheon of Detroit Review Club

The Detroit Review club is holding its June luncheon at Botsford Tavern. Approximately one hundred members and guests attended, and thoroughly enjoyed the New England atmosphere.

One of the features of the afternoon entertainment was a very interesting astrological discourse by Mrs. A. Edward Wilcox of Loraine road, Grosse Pointe.

The hostesses were Mrs. Lawrence J. Hertzelt of Oxford road, chairman; and Mesdames Edwin S. Karzer and Fred L. Sherwood, both of Merrilweather road, co-chairmen.

Pointe Garden Club Holds Flower Show

The final meeting of the Grosse Pointe Garden club will be held Monday afternoon, June 17 at two o'clock at the home of Mrs. Wendell K. Wheelock on Cloverly road. Assisting hostesses will be Mesdames Gerveys Grylls and Sterling S. Sanford. The program will consist of the members' annual flower show and the judging will be done by the vote of the members.

Junior League Fair Attracting Throngs

Hundreds milled about the spacious scene of the Junior League Fair being held this afternoon and evening at 485 Lakeshore Drive.

Booths galore and multifarious attractions occupied the constant stream of visitors in the early afternoon and ticket sale for the fashion show was heavy.

The spirit of charity and good fellowship prevailed everywhere as generous patrons responded to the urging of the notables, patrons and patronesses.

The buffet supper will be served in the sunken gardens from 7 to 8:30 p.m. The buffet tables, beautifully decorated, will be set up in the back, under the pavilion. The dance floor will be laid in the center, and circling it will be a host of tables dressed in bright colored clothes. The tent housing Jack Posevear's orchestra will also be done in varied colors, and the whole lovely setting, with its garden background, will be illuminated by colored lights and a revolving spot light. Dancing will begin as soon as supper service is through, and continue through the evening. Tickets for the buffet and dance, or just for the dance alone, are on sale now at the Junior League shops, both downtown and in Grosse Pointe.

Mrs. Thomas Paddock, chairman of the Fair, has given us a complete list of the sponsoring committee whose generosity has made possible the big league scale of the Fair operation. They are:

A PROGRESSIVE DINNER

seemed to be the thing keeping things merry for a group of Evie Obroom's friends last Saturday. Flashing dinner they went to Evie's and from there to the Boat Club, where dancing was on the menu. Not to let things get dull, from there they went to Eastwood to end a wonderful evening. Evie's date was Frank Wilton and the others were Barb Daugherty 'n Bill Erne, Carol Chadwick 'n Dave Bogle, Elaine Buhner 'n Dick Seymour, Bev Bolin 'n Jerry Scott, Patsy Erskin 'n Bob Armstrong, and Nan Perrot 'n Blunt Slade.

STEPPING OUT LAST FRIDAY

night to Pat Perone's house were a group of kids from Pierce. Some of the couples there for dancing and refreshments were Pat and Pussie Ricard, Kathy Strek 'n Jim Swift, June Moffat 'n Pete Van Osdol, Janet Hobson 'n John Mack, Sally McDonald 'n Dick Heidrich, and Alice Nevell 'n Jerry Rauen.

OUT AT EASTWOOD LAST

Saturday night we saw lots of G.P. kids whipping around on the roller coaster and then dancing in the Gardens. Some of the many couples were Annie Leininger and Bob Nette, Annie Wakeman 'n Fred Auch, Bob Sheridan 'n Evelyn Osborn, Betty Auch 'n Don McPhail, Johnny Nelson 'n Carol Pierson, Marilyn Kaiser 'n Joe Hickey, and Bill Queen 'n Marilyn Lamb.

THERE WERE JUST HUNDREDS

of kids at Dawn Osius' house before and after the D.U.S.-Country Day Prom. Some of the couples around the tables on the lawn were Dawn 'n Sammy Kliner, Sally Potter 'n Ted Burrel, Betsy Wheliden 'n George McKeen, Mike Murphy 'n Primy Groch, Jack Burns 'n Mary Bell Woods, Jim Corfield 'n Lois McKinley, Sally Critten 'n Bill Cole, Carol MacPherson 'n Bill Wood, and Shirley Lou Jerome 'n Ted Kratsel.

EVERYTHING WAS

so wonderful at Adèle Gallet's senior tea last Sunday. All dressed in their finery and having lots of fun I saw Mary Thorn, Joann Reinstein, Jean Wilcox, Mary Londe, Jane Baldwin, Helen Grubbs, Bunny Kitson, Mary Lou Ewing, Sue Hughes, Ione Hedges, Mary Trumbull, Shirley, Somers, Joan Stivason, Barb Bundy, Marilyn Buck and Jane Hoshkey.

TUESDAY NIGHT IT WAS

plain to see that vacation was here, as a group of gals and guys got together and planned a big hayride. Scotty Scott's house was the gathering place after, and then to Eastwood. Some of the many couples were Scotty and Bert Spurrier, Doris Buser 'n Dan Beck, Di Faulk 'n Dick Wuerker, Joann Russel 'n Tom Dewey, Annie Davis 'n Ed Isbey, Mary Ann Queen 'n Frank Wilton, Marge Simons 'n Dick Jackson, Janet Reid 'n Harry Garman, Barb Daugherty 'n Jack Cordon, and Andy Londe 'n Jack Flattery.

U. of M. Applications to Be Limited

No applications for admission to the fall semester of 1946-47 will be accepted by the University of Michigan after July 1, except for three special groups, it is announced by Dr. Frank E. Robbins, assistant to the president.

- The three groups for which exception will be made are:
1. Veterans from the state of Michigan who may wish to enter or return and whose discharge from the services will not enable them to apply earlier.
 2. Non-resident veterans who were enrolled before entering upon military service and are not discharged in time to apply earlier; and
 3. Graduate students who may be required as teaching fellows and assistants.

Detective Seeks Post as Sheriff

HENRY W. PIEL
Henry W. Piel, former Chief of Detectives of the Detroit Police Department, who resigned the presidency of the Southeastern Michigan Police Chief's Association, to run for the Republican nomination as Sheriff in the primary election on June 18, believes that both the calibre of personnel in the sheriff's criminal division and present standards should be improved.

Candidate for Lieut. Governor Warns Against Lobbyists

State government must guard against lobbyists and pressure groups who are attempting to place legislation on a "cash and carry" basis, declared Owen J. Cleary, Republican candidate for lieutenant governor, speaking at a veterans' tri-county rally at Hillsdale Wednesday night.

Cleary warned the veterans to "be on the watch for those lobbyists who use money and supposed political influence to destroy good legislation and support laws for purely private gain."

"Now that the grand jury has exposed some of them, steps must be taken to curb their activities once and for all," he said.

Stating that "it is up to the people to select men of integrity with honesty of purpose which will apply to all matters," he said.

"The executive branch of the state government must not be hamstrung by commitments to powerful individuals, nor can we allow the legislature to be controlled by well-heeled lobbyists."

Sweeny Drafted for County Office

After retiring from the Detroit common council in 1945, to engage in private law practice, Henry S. Sweeny, former judge of recorder's court, was drafted by his friends as a candidate for county clerk on the Republican ticket at the primary election next Tuesday. Upon his election from the council, Council President Lodge said, "Never in my memory has a councilman paid such strict attention to his duties. Councilman Sweeny deserves the best that we in memory can give him. He was a consistent and legal public servant whose advice and counsel will be missed in city government."

Henry S. Sweeny worked his way through college, attending Drexel Institute, Temple university and graduating from the law department of the University of Michigan in 1911 with a degree of LL.B. He started his practice at Petoskey, Mich., and was elected prosecuting attorney of Emmet county for three terms. He resigned that office to enter Fort Sheridan training camp in World War I in 1917. He was commissioned an officer in the U. S. Army, and served 27 months, retiring with the rank of captain. He was appointed assistant attorney general in 1919 by Gov. Alex J. Groesbeck; Sweeny served for a term of six years in this post. He was appointed judge of recorder's court by the late Gov. Fred Green in 1929. He served in that court for six years.

Change in Legislature Needed, Says Kirby

"The people of Michigan would do well to use extreme care in the future selection of the members of their state senate and house if they are to profit from the expose of the Lansing graft scandal which rocked the nation," declared William G. Kirby, Grosse Pointe Farms councilman, successful Detroit businessman and candidate for state senator, fifth district at the primary election, next Tuesday, June 18, on the Republican ballot.

"Another important duty of your future legislators," continued Mr. Kirby, "is to pass legislation for an equitable distribution of the millions of dollars of sales tax surplus in the state treasury to Michigan municipalities, most of them struggling under a terrific tax burden. My service on the Farms council made me realize how much good a distribution of these funds could do to alleviate large municipality tax burdens," continued Mr. Kirby, "particularly in view of the unprecedented tax rate just announced by the city of Detroit."

Vet Problems Discussed by Love

At a series of veterans meetings during the past week, Harold O. Love, candidate for congress in the 14th congressional district on the Republican ticket, discussed the problem confronting the ex GI.

"I believe that the state and federal governments owe a duty to every veteran," declared Love, "and steps should be undertaken immediately to formulate a long range program. Some form of financial assistance program should be adopted that will assist the veteran in rehabilitating himself. Means to provide future aid, hospitalization and medical assistance should also be established."

soon to correct it, or havoc will result," says Kirby. He suggests governmental cooperation with private industry as a partial relief.

Kirby further calls the attention of the puzzled voters to the boundaries of the first senatorial district. The district is identical to the 14th congressional district bounded on the north and east by Eight Mile road and on the west by Field avenue.

Mr. Kirby further points out that there is room for improvement of all departments of state government. Intelligent legislation by the legislature could correct this condition.

Kirby stresses the tremendous importance of your vote at the primary election next Tuesday, in the interest of good government.

SPECIAL NOTICE TO Republicans
Our country needs clear headed Successful Businessmen in Congress, men who can lead the nation and the Republican Party to new Glory.
Never since the time of Abraham Lincoln has there been a greater opportunity for courageous leadership.
Abraham Lincoln preserved the Union and freed the slaves. Now is our opportunity to forever free our people from human want. We can stop the drift to Socialism and Communism by removing the obstacles that are keeping our Capitalistic economy from performing its production miracles, supplying an abundance for all.
I am a successful businessman, born and raised in Detroit.
I know what must be done to get business going and keep it going. I am the only candidate for Congress in the 14th District who has a program to stop the cause of industrial strife, halt inflation and prevent a boom and bust.
It's time for action. Our nation faces a continuing crisis. Are you ready to meet the challenge? I am! Your vote and active support is earnestly solicited.

GPHS Oarsmen Shatter Record

Grosse Pointe Team Breaks Rowing Record in Meet

A rowing race this past week-end that made history in more ways than one ended in a victory for the Grosse Pointe high school team. The winner's time was 4:43, and is the fastest ever recorded for the course. Grosse Pointe came from behind in the last 220 yards to defeat Ecorse. As a result of this final spurt they gained a one-second margin over the downriver crew.

Witnesses of the race were unanimous in their belief that the four crews broke all established records. As the four shells swept over the finish line there was no visible span of water between the first and last place boats.

Pointers on the winning crew are: Peter Klaver, bow; Walter Peszmoska, No. 2; Richard Jackson, No. 3; Earl Lapp, No. 4; Ronald Dykstra, No. 5; Donald McPhail, No. 6; William Moll, No. 7; Harrison Blair, stroke; and Charles Quarnstrom, coxswain.

The timers did not catch the clockings of Roosevelt and Technical but both bettered 4:50 on the basis of the four-second rule. The best previous time is recorded at 4:50.

Yokohama — Among four civilian attorneys, newly arrived from the States is John P. Laughna, son of Mrs. Hazel M. Laughna of 1039 Devonshire, Grosse Pointe Park. The attorneys have assumed duties as members of the prosecution division of SCAP's legal section. They are at present familiarizing themselves with the organizational functioning of the section and have spent several days witnessing trials now in progress in Yokohama. Mr. Laughna received the A.B.

and L.L.B. degree from the University of Notre Dame. Was admitted to the Michigan State Bar in 1934. Inducted in 1942, he was graduated from the Miami Beach officers' candidate school in 1943 as a second lieutenant, air corps. After participating in the North African and Italian campaigns he was released from active duty in March, 1946. He is a member of the Detroit Bar Association as well as the Michigan State Bar.

Grosse Pointe Baseball League

Gragg-Scherer had a field day with a 14-hit attack, scoring 18 runs against St. Clair Shores, beating them 18 to 1, Sunday at Mason field. Al Thieleman was lead-off pitcher holding the Shores team to three hits. He was later replaced by Len Osantowski. Leo Tucci was the winner's catcher.

Shores battery was Wes Roberts and Bob Newman.

Blazer Auto team won another game last Sunday when they edged out Ulrich Lumber 2 to 1. Ivan Beaudin was the pitcher with Ed Sadowski catching. Ulrich battery was Roy Julian and Jerry Neal behind the plate.

Jefferson-Lincoln - Glow Oil

Glow Oil turned back the Jefferson-Lincoln nine to 2 Sunday, allowing them five hits. Winning battery was Vande Wiel and Guarasimo; Schrage, Qualtiere and Rizzi for the losers.

Summer Day Camp—

Summer Day Camp at the Neighborhood club offers the children adventure and fun three days a week from June 24 to July 31 on Mondays, Wednesday and Fridays from 9:30 in the morning to 3:30 in the afternoon. The children bring their lunch, have a mid-day rest period, and participate in handicraft, games, baseball, tennis instruction, story telling, dramatics, hikes, special events, art classes, and trips to places of interest. Cook-outs, nature study, bird lore and campcraft will also be a part of the program.

Children from the ages of seven to 14 are being registered as members of the Day Camp. If your child is interested, phone NI 4600. There is an enrollment fee.

Girls' Baseball League—

Girls' Baseball League will play its games each Thursday at 6:45 p.m., at the Neighborhood club field. Enrollment fee \$1.00. The first game will be played today.

Five men's softball teams have been organized and there are vacancies for three more teams. Any men who are interested are asked to contact "Chuck" Wrona at the Neighborhood club, NI 4600, at once.

U. of M. Prepares for Veteran Enrollment

Ann Arbor. — Michigan veterans desiring to attend the University of Michigan have the university's pledge that everything possible will be done to see that none of them are turned away next fall.

Vice-President Marvin L. Niehuss has disclosed that the university is being geared for a record-shattering enrollment of 18,000 students next September, an increase of nearly six thousand over the prewar record. Enrollment for the spring term now in session totals 14,400, far above the previous record of 12,123 set in 1939.

The statement by Niehuss was issued following a prediction made in Washington by Reconversion Director Snyder that 300,000 veterans will be unable to attend the nation's colleges for lack of facilities, teachers, and books.

Niehuss explained that the heavy enrollment at the university can be increased more than thirty-five hundred by adding to the housing and instructional facilities and by further extending classes and laboratory schedules. He said that in addition to qualified Michigan veterans and high school graduates, the university will admit present and former students from out of state, scholarship winners, and sons and daughters of alumni, within the limits of housing facilities. In all instances, prompt application for admission should be made.

Detroit Soccer Team Ties One; Wins One

The newly formed Detroit Wolverine soccer team opened their season Friday, June 7, by tying the Chicago Vikings 4-4 in the opening game. On Sunday the Wolverines were victorious over Pittsburgh 6-3 at the first home game. Every indication points toward soccer's stay being a permanent and increasingly popular one.

Home games of the Wolverine club will be played at the U. of D. Stadium, conveniently located at Six Mile Road and Livernois. The kickoff is at 3 p.m.

No Meat... No Shirts... No Nothing!

Put meat and shirts back in the

WHITE MARKET

You must pull a deal to get meat and shirts today—that's the Black Market way.

You don't like it. You'll agree no consumer likes it. It is not the American way of doing business.

You need more practical-minded representatives in Washington. You need more down-to-earth folks there blessed with good old common sense.

Let's put our meat and shirts and all the other things you want and need back on the White Market.

DINE AND DANCE ENTERTAINMENT

FLYNN STARS IN WESTERN FILM AT THE COLONY

Errol Flynn is at his best in the currently released "San Antonio" to be featured at the Colony theatre this Friday and Saturday. Appearing opposite Flynn is the ever lovely Alexis Smith. Whether you dote on Western films or not you will find this picture a pleasant relief from the mechanical world of today. The picture is fast moving with touches of romance and humor. The stars turn in a good performance and are ably supported.

On the same billing is "Swing Parade of 1946" a production fitting for

this atomic age. There is music, dancing and romancing to please young and old. Lovely Gale Storm and dashing Phil Regan co-star. You'll hear many of your favorite hit tunes, and delight in the musical arrangements of the scores.

A colored cartoon will also be shown.

THE STORY OF P-T MEN AND BOATS AT NEW SHORES

One of movieland's best productions in wartime stories is to receive feature billing at the New Shores theatre.

"They Were Expendable," the

thrilling story of P-T men and boats is a must on every moviegoer's list. The daring, struggle, loyalty and bravery of these men and their ships are given a fitting tribute in this picture. Robert Montgomery, recently returned from the service and Ward Bond are excellent in the leading roles. Actual battle conditions are a mastery of filming technique.

In a much lighter vein is "Idea Girl" co-starring Jess Barker and vivacious Julie Bishop. A new romantic team slated to reach the top in Hollywood turned in a refreshing performance. This picture overflows with romance, youth and laughter.

A cartoon rounds out the program.

STRIKES

In most instances patience, graciousness and sportsmanship stand out as the crowning glory of our American housewives in these trying times. Resourcefulness and ingenuity that of American men. We have often wondered how long it would be until some progressive soul started canvassing the nylon-thing that and everything lines. "How about a whirlygig or a toy balloon to while away the hours?" Then comes the market owner on Gratiot avenue who provided chairs, doughnuts and coffee for those in waiting — with the tiring feet.

And, out at Chiver's Drive-In, over the week-end an abundance of buns passed by because of the scarcity of hamburg and hotdogs. Then the dogs materialized in quantity. So did the hamburg. But the snack seekers went hungry. It was too late to recall the buns. "What next, little man. What next?" And not so long ago a comic staged a satire on "This Cockeyed World."

LETTERS TO THE EDITOR

Army Service Forces, 6th Serv. Com. 3 June 1946

Mr. Blackburn, Editor, Grosse Pointe Review, 15121 Kercheval Grosse Pointe Park 30, Michigan

My dear Mr. Blackburn:

We, of the Army Recruiting Service, wish to extend our sincere appreciation to you and your reporters for the excellent coverage of the presentation of the Army Air Forces Caravan in Detroit on 20 through 23 May 1946.

By this medium, we can bring forth to the general public the information which is to be received by them. It is our opportunity to convey a portion of the great need for trained technicians in your new scientific Regular Army. It further brings forth the mission of our Recruiting Program which is to fulfill the world wide military obligations that our nation has assumed to avoid the possibilities of ever engaging in another war. Your generous assistance has made our mission pleasant as well as possible.

May I extend my personal thanks to you and your staff. I sincerely hope that we, of the Recruiting Service, will be of service and a credit to you and your community.

Very truly yours,
Nicholas W. Dragneff,
Lieut. Colonel, A.G.D.,
Commanding.

Pointer Attends Kiwanis Convention

The Kiwanis club of Grosse Pointe announced that Don J. Goodrow, president of the local club was a delegate to the 1946 Victory Convention of Kiwanis International held in Atlantic City, N. J., June 9-13.

Hamilton Holt, prominent southern industrialist and president of Kiwanis International, presided at the five-day meeting, which attracted some ten thousand men and women from all sections of the United States and Canada.

The convention opened Sunday night, June 9, and continued through Thursday noon, June 13. Major addresses were based on the organization's nine objectives for the year as well as Kiwanis International's 1946 administrative theme, "Build for Peace — Unity — Opportunity."

Kiwanis International cancelled its annual conventions during the war

and this month's meeting was the first since Cleveland four years ago.

Campaign to Recruit Student Nurses Opens

The critical need for nurses in Michigan has brought about a situation in which the nursing profession now offers greater opportunities than ever before.

This statement was made today by Miss Kathleen Young, R.N., president of the Michigan State Nurses Association, as she announced the opening of a campaign sponsored by the Michigan Council on Community Nursing to recruit 1,000 students for the schools of nursing in the state.

"The campaign slogan 'Nursing Offers a Thousand Careers' is literally true," Miss Young said. "At least one thousand girls must enroll in our schools of nursing this year if the minimum requirements for nursing care are met. Furthermore, full enrollment of student nurses must continue for a number of years in order to meet the growing demands."

There are 11,000 active registered nurses in the state at present, and to meet minimum requirements, the state will need at least eighteen thousand graduate nurses within the next five years, she estimated.

"Each of the 1,000 girls who begins her training in Michigan this year will have selected a career of the highest professional standing," Miss Young stated.

"She will become trained in a field which offers wide opportunities, for the staffing of new hospitals and health centers now being planned will require many more nurses than the country has ever had."

"Positions open to the graduate nurse are almost unlimited, and the salaries, which have been increased during the past few years, are good."

In addition to hospital work, other positions open to the registered, professional nurse are found in the public health services, in the Army and Navy Nurse Corps, in industry, in teaching, in orthopedics, and in tuberculosis, nursing and psychiatric nursing, Miss Young pointed out.

"And not least, perhaps, of the advantages of a career in nursing is the fact that it is not 'time lost,'" she said. "If a nurse decides to give up her career for marriage, she has learned good home-making procedures while studying or following her nursing career."

McDermott Attacks Baird's Handling of Raulston Case

Tremor McDermott, Democratic candidate for sheriff of Wayne county, issued a statement this week condemning the conduct in office of the incumbent sheriff Andrew C. Baird. McDermott said:

"The public has the right to expect from its law enforcement officers something more intelligent than 'torture chamber' methods of obtaining confessions to crime. The people of Wayne have not been getting a square deal in this respect. Take for example the case of Joyce Raulston whose body was found stabbed and bludgeoned on a dump near the west Detroit city limits.

"This brutal murder took place at a time most inopportune for the incumbent sheriff. It was an election year and the sheriff found himself with a case on his hands hot enough to burn him right out of office. There was no time to waste, so the heat was turned on a youth named Richard Vincent whom circumstantial evidence had placed near the scene of the crime.

"It didn't take the sheriff long to obtain a signed confession of guilt from young Vincent. And it didn't take Vincent long to repudiate his confession when relieved of the pressure to which he had been subjected.

"Vincent went on trial for the brutal murder of a 14-year-old girl. The prosecution based its case on the signed confession obtained by the sheriff and his deputies. The trial was in its third week when, with dramatic suddenness, something happened that sent the sheriff and his crew scurrying for the nearest hole.

A priest had persuaded 19-year-old Robert Turner to give himself up as the real killer of Joyce Raulston! Turner was eventually found guilty and sentenced to life imprisonment.

"The public expects the sheriff to be zealous, but not to the extent of obtaining two confessions to a single crime!

McDermott asks the following questions: "What would have happened to Vincent had not the real killer confessed? And what if Michigan had capital punishment?"

The candidacy of Tremor McDermott has been endorsed by the CIO Political Action Committee, railroad brotherhoods and many other labor, civic and Democratic organizations.

Sherman Offers Steps to Avoid Communism

The drift to Communism and Socialism in this country can be stopped by removing the obstacles that are preventing our industry from performing its production miracles, says Arthur G. Sherman, Republican candidate for congress.

"Our production capacity is so great that human want can be banished from this country. The idea of the Democratic party that we must divide up the wealth of the rich to create prosperity or banish want is utter folly.

"The trouble with this country is not that we have too many rich people, but that we have millions too many poor.

"With our great production capacity, the living standard of all our people can be raised to a point where none need be poor."

Sherman says he is prepared to propose to congress the necessary steps which should be taken to usher in an era of unlimited production and consumption. This will banish mass unemployment, depression, and the danger of economic collapse and Communism.

NOT MIRACLES BUT...

THE healing of supposedly incurable diseases, the overcoming of lack, the uncovering of unsuspected capabilities in themselves, and the release from old anxieties and joylessness, which came for multitudes through the work of the Founder of Christianity, were not miracles in the usual sense of the word, Christian Science shows, but results of the utilization of natural, spiritual law.

Proof of this fact appears in the similar results which students of Christian Science are today accomplishing for themselves and others all around the world.

The complete explanation of Christian Science and its method of healing and liberation, which are for all to understand and use, is given in

Vegetable Garden Is A Treasury of Vitamins

With such items as cream, butter, cheese and liver more difficult to obtain today, it is increasingly more important that housewives look to the vegetable garden for an adequate supply of vitamin A in family diets. Vegetables which are abundant in vitamin A include green and yellow varieties and tomatoes. The green vegetables include: beets, dandelion, mustard and turnip greens; swiss chard, collards, endive, kale, spinach, watercress, green beans, broccoli, green asparagus, Chinese cabbage, green lettuce, peppers, peas and parsley. The yellow vegetables which are good sources, are: sweet potatoes, carrots, yellow corn, yellow fleshed squash and pumpkins. Tomatoes and cantaloupe fall into neither the yellow or green classes, but are abundant in vitamin A.
