

“WATER SAFE,” DAVIES

POINTE PARAGRAPHS

There's no lacking of community spirit in the 530 block on Notre Dame. Saw Chief Trombley, and Supt. Stork with several other men this past week-end painting a home owned by an attractive widow. It's this type of spirit that makes the Pointe what it is and we'd like to see more of it. Hats off to the men concerned!

The "never say die" men of the City police department have challenged the men of the McClellan station in Detroit to a game this coming Friday evening at the Neighborhood Club. 'Twas just a few weeks back that the old "grudge" game between the City men and the Detroit Connor's station team was played off—The game ended in a tie, and both teams are looking forward to the day when they can bring out their best players again, and reap honor for the home team. That will be a game worth seeing!

A ride on a Lakeshore Coach always proves to be an interesting experience—and today's was one of the slickest we've had to date. Yours truly plus all the other occupants of the bus got acquainted, (casually we'll admit) with a friendly elderly blind gentleman and his seeing eye dog, "Pal." They were by far the most interesting persons aboard the bus—and everyone enjoyed the friendly chatter of the gentlemen who seemed to have captured the secret of contentment. We could see too that "Pal" was really a pal!

Wonder who enjoyed the bicycle party over at the Neighborhood Club this week-end, the kids or the police? The boys had to maintain discipline in the midst of the youngsters and themselves.

You may be tired of your old "jumpy" and long for a new post-war model, but unless you have an "in" that insures quick delivery don't go around leaving the doors of your parked car unlocked—or even worse, leave the keys in the cars. Police were harassed with calls this past week from frustrated car owners who had their cars stolen.

REMEMBER?

One Year Ago The atom bomb made its debut into world history as our airforce struck the last two blows of World War II at Japan with atomic bombings at Hiroshima and Nagasaki.

Many Pointe families had reason to rejoice as the war neared the final stages. Our European soldiers were beginning to return and our South Pacific G.I.'s had their hopes of an early peace renewed.

The waste paper campaign was extended another week so that late contributors could get in "under the wire" with their delayed contributions.

Announcement was made of the prizes to be awarded at the harvest exhibit. Awards were to be given best entries in the cut flowers, fruit and vegetable groups.

Several new services were added to those already being given at the local post office, including postal savings accounts, international and domestic money orders and the installation of postal meter machines. Plans were also being considered for the sale of war bonds and stamps.

Residents were at it again—planning a breakfast send-off for more Grosse Pointe inductees.

Handicraft played a major part in the activities at the Neighborhood Club Day Camp.

Five Years Ago Mr. Paul Estert arrived to take over his position as the newly appointed superintendent of schools in Grosse Pointe. Accompanying Mr. Estert were Mrs. Estert and their children, Sue, Bonnie and Rob.

Noelbert P. Neff addressed the Rotarians on the history of Grosse Pointe.

Final announcements of the Woods Community Club Program were announced in the Review.

Summer school class sessions closed. Grosse Woods' Girl Scouts were presented with an American flag by the Ladies Auxiliary of the Marine Burns Home. Plans for the American Legion at the Marine Burns Home.

No Polio Cases In This Area

Parents of small children will be happy to learn that Dr. T. S. Davies, health commissioner assures residents that there have been no cases of polio reported in this area.

Although this is the season when polio strikes this area has been fortunate enough to escape the dreaded disease. Reports are daily filed in Detroit on new cases appearing in that area, but as yet the number has not reached epidemic proportions.

Several cities throughout the nation are suffering epidemics that have brought tragedy to many homes. Dr. Davies feels it unnecessary to offer long lists of suggested precautions as all parents are familiar with the basic and most necessary precautions of keeping their children away from crowds.

Should any cases of polio occur in this area a report of the same will be made in later issues of The Review.

Mary McElroy Elected Chairman Of Alumni Council

Mary McElroy, Secretary to the Superintendent of Grosse Pointe Schools, was elected today chairman of the Alumni Advisory Council of the Detroit Commercial College.

Nominated from a list of 17,000 members of the Alumni of the College, Miss McElroy was the unanimous choice for this high position in the administration of the College. The Council comprises twenty-five of the most successful graduates of the College. They are elected to serve as a board of directors.

Miss McElroy is a graduate of the College in secretarial science and shorthand reporting. For several years she has been chairman of the Typewriting Awards Committee of the College.

Bonds Sold

At a meeting of the City council bonds totaling \$300,000 for street reconstruction and improvement were sold to the First of Michigan Corporation for par value plus a premium of \$2.00. An interest rate of 1 1/2% was given.

Defective Brakes

James E. Hawkins, 1634 Dickerson is without a car this week because of his failure to have his defective brakes corrected. Police stopped Hawkins after he failed to stop at Three Mile Drive and Vernon Highway. He was ticketed to appear in court August 7.

Board of Education Still Faces Acute Housing Shortage Problem

With only a little better than a month remaining before the sound of the opening school bells teachers assigned to the various Grosse Pointe public schools are faced with the problem of finding a home—and finding it soon.

Members of the Board of Education have gone all out in campaigning for rentals, but to little avail thus far. Plaques placed in windows of several hundred neighborhood shops and the tireless pleading their cause on the backs of grocery purchases and the placing of placards in front of their homes, have failed to bring the needed relief.

Housing is a problem which has caused much concern to the Board of Education. It is certain that the residents of Grosse Pointe will come to his aid and provide for one of them a place available for one of these "house-hunting" teachers.

Safety Award Presentation

Barriers Studied In Terms For Lakefront Park

All possible barriers remaining in the terms for the bill of sale of the Lakefront property being considered.

Plans for the 30th Annual Flower Show featuring completion.

Audition Winners To Appear At Belle Isle Shell

The first of the Vocal Audition winners will be introduced to the Belle Isle shell audiences as Guest Artists during the coming week's free concerts by the Detroit Federation of Musicians band under the direction of Leonard B. Smith, and sponsored by the Department of Parks and Recreation.

Accident Victim Treated at Hospital

Amos Frazier, 56, of Seven Mile Road was struck by a car at Ridge and Hillcrest when emerging from a car parked on the wrong side of the street last Sunday.

The driver of the car which struck Frazier was Grace Swindlehurst, 30, 592 St. Clair. Frazier was a passenger in a car driven by Frank Flood, 81 Lakeshore road, and was taken to Cottage Hospital where it was necessary to take nine stitches in his face and head.

White Cane Presentation

On Saturday last, Victor H. DeBake, President of the Grosse Pointe Lions, presented the customary white cane to a new Grosse Pointe blind Fred Kinmer, 75 years of age, of 55 Mapleton avenue, Grosse Pointe Farms.

Hit and Run Accidents

Two accidents involving hit-and-run drivers were reported in this area within the past week. In one case the guilty driver was found and ticketed.

Snagged Dog

A large pointer dog was rescued from a barred piece of wire in Lake Clair by a Park policeman early Friday.

Contest Judges Busy Studying Essay Entries

The reply to the War Memorial essay contest which recently closed was so overwhelming and gratifying that members of the judging board are still studying and conferring on the entries to decide the winner.

The essays submitted are being studied by each member of the Permanent War Memorial Study Group of Grosse Pointe, and not until each entry has been given careful consideration will a decision be made.

It is hoped that an announcement proclaiming the winner can be made within the next few weeks.

Lakefront Drive Would Increase Picnic Area

Redevelopment of the riverfront from Randolph street to Alter road would more than double the number of waterfront picnic areas now available to Detroiters within the city limits.

This fact was revealed in the proposals by the City Plan Commission, worked out with several city departments, as a part of the Master Plan for Detroit, now being developed by the Commission.

The string of small parks which now dot the river banks are Memorial, Waterworks, Owen, Belle Isle Bridge, and Gabriel Richard. An additional park between Hastings and Joseph Campau, covering 140 acres is proposed by the Commission.

Existing parks would be expanded by bit until they reach the Lakefront.

Plans for 30th Annual Flower Show

Ernest Binning, Chairman in charge of plans for the 30th annual fruit and vegetable show of Grosse Pointe and Eastern Michigan Horticultural society will place Saturday and Sunday, August 7 and 8, his plans are that the final plans are to be held at the Neighborhood Club, City of Grosse Pointe. The Grosse Pointe Victory Garden Council will again lend its support.

Private estate gardeners of the Grosse Pointe area will enter all varieties of flowers, fruits and vegetables in season at the time of the show. The schedule contains as in the past five (5) classes in cut flowers; two (2) classes for roses; six (6) perennials; fifteen (15) annuals; five (5) gladioli; twelve (12) Dahlias; sixteen (16) fruit; thirty-seven (37) vegetables, and two (2) in artistic arrangements.

These classes are open to all private gardeners whether members of the society or not. William P. Thomas, general secretary, 5231 Gateshead street, Detroit 24, Michigan, will gladly supply anyone interested with copies of the schedules and rules. You may phone him at TU. 2-4635. Other members of the society will also be glad to supply your needs.

Assisting Ernest Binning, chairman of the show are Robert Stewart, Ray G. Berry, David Maiden, Garfield Thomas, Tom Pearson and Walter T. Binning.

Youth Injured

Walter O. Jacobs, Jr., 22101 Shady Lane, St. Clair Shores was injured slightly this Monday when his car struck an Edison pole on Mack avenue between Alard and Stanhope.

The accident occurred when the youth, following behind an ambulance carrying his mother to the Cottage hospital lost control of his car. The youth was treated for his injuries at the Grosse Pointe Clinic.

Slight Damage

Cars owned by John S. O'Brien, 1125 Grayton and Robert W. Platt, 720 Barrington road were slightly damaged when they collided on Kercheval last Thursday.

O'Brien was driving east on Kercheval when he attempted to turn left on University Place, and it was Platt who was struck. The damage to both cars was slight and no tickets were issued.

Sewer Cleaning Program

Various streets in Grosse Pointe are being cleaned by the city.

Open Beaches Mean Swimming Permitted

City daily papers have reverted back to their yearly summer pastime of discussing the matter of pollution in Lake St. Clair and as in past years no one seems to be reaching any definite decision—or is it likely that they will.

Carnival Closes Summer Day Camp

One of the most successful Day Camp periods came to an end on Wednesday, July 31 on the Neighborhood Club playgrounds where the Day Campers presented their Carnival. Tom Jeffs, the Barker did an outstanding job of announcing the King-Clifford Jablonski, and the Queen-Sanda Smith who had as their attendants, Jerry Lubeski, Joan Ladertrot, and Glory Wernet.

The thrill of the afternoon was the free pony rides made available to the children by one of our well known local merchants.

Movies of the Carnival were taken by Miss June Fox, the assistant day camp director, plans are being made for a reunion of Summer Day Campers in the near future to see the movies of the last day of Camp.

The special honor of receiving honorary awards was given to Dick Craig for the best sportsman, to Patty Carrier for being the best worker, and to Eugene Miller, for showing the most improvement.

Sportsman's Request To Be Considered

Representatives of the Wayne County Sportsman's Club and other groups interested in the establishment of a field office of the State Stream Control Commission in Detroit with a patrol boat on the Detroit River checking sources of pollution attended an open hearing on the proposition before the State Administrative Board at Lansing, Tuesday afternoon, August 6th.

Governor Harry F. Kelley has announced that he will make the matter of a \$50,000 emergency appropriation for the office a part of his call for a special session of the State Legislature in event the State Administrative Board or "Little Legislature" fails to act but believes the Board should consider the Commission's request first.

City Councils of many Wayne County municipalities have passed resolutions favoring the establishment of the office and sent copies to the Board. The Michigan United Conservation Clubs, other sportsmen's organizations and civic groups have also notified the Board that they favor favorable action.

The recent closing of bathing beaches along the shores of Lake St. Clair and the killing of fish by pollution along the downriver Detroit River shoreline has given impetus to the W.C.S.C. campaign for the office and patrol boat.

The W.C.S.C. will not hold an August membership meeting but will meet as usual Wednesday evening, September 11, at the American Legion Memorial Home in Dearborn. It is hoped to celebrate favorable action on the part of the state officials.

Irate Bill Collector

Albert J. Anthony, 32 of 2944 E. Jefferson, became annoyed when Stephen E. Griffith, 225 Oak street, refused to pay him when he called to collect a balance due him of \$20.00 on a bill for a telephone call.

Griffith told a neighbor, "I won't pay him. He wasn't worth it. My money was not so easily fooled. He proceeded to smash the window of Griffith's car, and it was then they were both taken to police headquarters.

Disposition is now pending.

Boy Pranksters

Several boys were caught on the street this past week-end, and they were taken to police headquarters.

Uniform Speed Limit

A proposal to have a uniform speed limit of thirty miles an hour on Mack avenue in agreement with the limit existing in other villages was adopted by the Woods' council at their Tuesday meeting.

Tires and wheels were reported stolen from several vehicles parked in the Grosse Pointe area this past week.

A 60x16 tire and wheel were taken from a car owned by Richard Wilson, Meadowbrook Farms, Rochester, Michigan last Sunday when parked near a local theatre.

Bruce H. Mason found even worse. Three wheels and tires were taken from his car, and one wheel and tire were taken from a car owned by Marion Hill, 786 Lincoln. Both owners had their cars in the same garage.

No trace has yet been found of the stolen loot.

Bids Opened

Bids for sidewalk and street paving and improvements were opened at the regularly scheduled Woods' commission meeting this Tuesday.

All bids were referred to the engineer because of their detailed nature. A report including tabulated list of the necessary information will be given by the engineer at a special meeting next Monday evening.

"We Lead, Others Follow"

Hats Off To the Woods!

We doff our hats to the community of Grosse Pointe Woods who this week were recognized for their fine safety record by the traffic division of the Automobile Club of Michigan.

A lot has been said about safety precautions in The Review, and in some instances we have felt that residents were adopting a more cautious attitude.

The example set by the Woods' has buoyed us considerably, and we feel that if one community can do it—we all can!

The summer months alone aren't to be stressed as times for caution in walking and driving. Every day of the year should be "Safety Drive."

Let's show the officials and residents of the Woods that we're just as interested in the safety of our families as they are. A perfect safety score is something worth resting our laurels on!

208 Killed by Fire In State Last Year

East Lansing, Mich., Aug. 8—A toll of 208 lives and property destruction exceeding \$19,500,000 was Michigan's 1945 fire loss, according to figures just released by Oscar G. Olander, Commissioner of the Michigan State Police and state fire marshal.

While this was an increase of 15 lives and approximately \$200,000 in property loss over the preceding year, it was not in proportion to the increase in the country as a whole.

Two fires, one at Muskegon on March 10, in which 5 died from suffocation while fighting fire in the hold of an old ship, and one at the Export Box and Sealer Company, at Detroit, August 13, in which 15 persons met death, sent Michigan's fire death toll to 11 to an all-time high it was pointed out by Arnold C. Renner, Chief of the Fire Division of the state police.

An analysis of the report shows that of the number killed by fire in the state during 1945, 49 percent were children. High on the list of causes of this loss of young lives, Renner said, was leaving children alone.

The job of fighting fire, the survey shows, grows more hazardous each year. Eight firemen lost their lives in the performance of duty during 1945. This was double the number killed in 1944. Three were killed in 1943, and none in 1942.

The survey lists 878 fires attributable to carelessness, which was 220 fewer fires than were recorded under the same heading in the 1944 report. This would indicate that spreading the gospel of fire prevention is having some effect, Renner said.

There was an upswing in the number of fires traceable to malicious mischief of juveniles in 1945, and 408 being recorded as against 219 in the preceding year.

From all other causes with the exception of a few such perennials as over-heated irons, over-heated stoves and furnaces, and the use of petroleum liquid to kindle fires, there was a notable decrease in the number of fires.

A recapitulation of the survey shows the following: Loss of life by fire, 208; total loss on buildings, \$10,400,319.74; total loss on contents, \$7,076,439.11; rural fire loss, \$2,072,948.39; total fire loss, \$19,549,707.37.

The report shows there were 6,167 fires in Michigan in 1945,

which were 2,000 fewer than were recorded for the preceding 12 months' period.

Two Languages Custom of Indians

Ann Arbor—Take a lesson from the Indians—one tribe of them used to have two languages, one for the men and another for the women.

The Indians having this unique dual language system which spared them the necessity for listening to feminine chatter were the Island Caribs of Dominica, an island of the West Indies.

Douglas Rae Taylor, a specialist visiting the University of Michigan Linguistics Institute, explains that long ago the Caribs invaded Dominica and captured all the women of the tribe then living there. The women kept their own language and passed it on, so that in time the tribe had two languages, one reserved exclusively for feminine conversations.

Wac Re-Enlistments Open for Duty in European Areas

A bulletin just received from the War Department has re-opened WAC re-enlistments for the European theatre, announced Major Stanley, of the Army Recruiting Service. The Commanding General of the European theatre has stated that members of the WAC have done an outstanding job overseas, and due to the excellence of their work, more are desired by administrative commands.

At present, WACs who formerly had experience as stenographers, general clerks, statistical clerks, teletype-writer operator, clerk-typist, administrative N. C. O., telephone switchboard operator, cryptographic technician, or supply clerk, may re-enlist specifically for the European theatre.

To qualify for this assignment, former WAC members must re-enlist for the duration and six months and agree to stay overseas for a minimum of one year.

Further details on how to re-enlist may be secured at the local Recruiting office at 21 Cadillac Square.

Settlement House Plans Program
Traditional "big top" acts, a band, peanuts and popcorn, and a parade with police escort will feature the second annual circus at Sophie Wright Settlement, 4141 Mitchell, which is set for Wednesday, August 14.
Plans for the show were announced today by Dora Nelson, director of the settlement house, who said about 200 children, aged 5 to 15, would participate. Feature attractions include the Colonial band composed of men from the neighborhood.
The parade is slated for 6 p.m. with the performance starting at 6:30 in the settlement playground. Admission is free, but every spectator is asked to bring his own chair, Miss Nelson said. Last year an estimated 1,000 to 1,500 persons attended this Red Feather attraction.

Big Ten Football Stars in Lions Line-up
Seven former Big Ten football stars are currently in training with the Detroit Lions, of the National Football league at their Alma, Mich., base in preparation for the 1946 season.
The list is headed by Detroit's two all-pro league stars of last year, Fullback, Bob Westfall from Michigan and Tackle Emil Uremovich of Indiana. The others include Tackle Russ Thomas of Ohio State, all-Conference choice last season; Guard Joe Pawlowski, all-Big Ten star at Illinois in 1942; Halfback Tippy Lockhard of Michigan; Center Walter Jurkiewicz from Indiana; and Halfback Bill deCorrevont of Northwestern. DeCorrevont played last year with the Washington Redskins.

Not As Easy As It Looks

Officers John Onstwedder and Andy Teetsert are two of the City police who discovered that biking isn't quite as easy as it looks when they were on hand for the cycle party at the Neighborhood Club, sponsored by the Club, neighborhood police departments and supported with a donation by the Grosse Pointe Rotary. The secret of balance seems to be forgotten by the gentlemen in question, much to the amusement of the youngsters and State Police present. The purpose of the party was to present a Bicycle Safety Education Contest to the youngsters in this area in a way most appealing to them. Races and bicycle decoration contests were part of the afternoon's activities.

Grosse Pointe Baseball League

The streak-winning Gragg-Scherer team haven't been stopped by any of their opponents to date, and the latest victim of their hard-hitting, fast pitching, was the Glow-Oil team. A high riding score of 15 to 1 was chalked up for the Gragg-Scherer victors.
R. Caperno and Gragg were the winning battery, with Schock and Niernick, later replaced by John Gond and Guarrsemo being charged with the loss.
The Ulrich Lumber team were the winners in a game played with the Blazer Auto men. The final score reading 7 to 1. R. Walker and H. Steudel are credited with the win. Hiram Jones and A. Szaatowski were the losing battery.
Games scheduled for August 11 at 3 p.m. include Gragg-Scherer vs. Ulrich Lumber at Lincoln Field, Van Dyke, Michigan. The Glow Oil team will meet the Blazer Auto men at the high school field at the same time.
The Class E Department of the Grosse Pointe baseball league will be represented at Dearborn, August 16-17 and 18 at the State night baseball division tournament.
The Grosse Pointe Class E starts its one game "knock-out" play-off series this Thursday evening at Mason Field when Tom Boyd's meet Sam's Clippers.
The winner will play the Kiwanis team, Sunday afternoon and the victor will represent the league at Dearborn.

Scottish Picnicers Choose Bob-Lo

The St. Andrews' Society of the City of Detroit will hold its 97th Annual Scottish picnic and games at Bob-Lo Island, Thursday, August 15, 1946. Five boats will leave the foot of Woodward avenue, starting at 9 a.m., taking the different clansmen and their friends and families on this outstanding event of the year. The St. Andrews' Society of Detroit is a non-sectarian fraternal organization dedicated to extending a helping and charitable hand to the Scot who is in need. From its hall at 431 E. Congress street, Detroit, the Society has made itself an influence for the good and worthwhile things of life. None of its officers receive any salary or compensation of any sort or amount; whatsoever. The preservation of the Scottish customs is an important object of the Society.
On August 15th will be seen all of the things dear to the heart of the Scot: the bagpipes, the pipers, the fiddlers will do the slean trow, the highland fling, the sword dance, the sailor's hornpipe and the Irish reel. Braw and lusty lads will toss the caber or medium sized telegraph pole end over end, the same being so heavy and so big that none of other nationality can lift it off the ground. The tartan of the McDougall and the Campbell and the MacKay and the McLean and the Grant and the McDonald and all the rest will be waving in the cool breeze off Lake Erie and will be a delight to the eye of the Scot long away from the old sod. There will be the usual contest among the members of St. Andrews' who will parade in their kilts and the contest will be to determine who has the best looking pair of knees—the more knarled the better looking.
All Scottish war brides and their GI husbands and their children are invited as guests of the Society. Lord Inverchapel, worthy Scot and British ambassador to the U. S. from Great Britain, has been extended a special invitation to attend this year's games.
Many cash prizes, merchandise prizes, and medals and awards will go to the winners of the athletic and dancing and piping events.

Neighborhood Club N-E-W-S HORSESHOE

The Junior boys singles horseshoe tournament began this Monday and are expected to be continued until the end of next week. There are approximately twenty entries. The tournament is being played in "round robin" arrangement and the two top men in each bracket will be in the play-offs for the championship.
The Junior boys will also have a doubles tournament in horseshoe pitching after the singles' tournament has been completed.
Plans are also underway for a Senior horseshoe tournament. Entries in this must be 18 years or older.
SOFTBALL
The softball league is nearing the end of this summer's schedule. The playoff will take place next week, and all members of the team having a 300 or over average will participate. A game will also be played off between the Club National and American teams.

Old Shoes, Etc. For the Garden
Old shoes and apple pomace can be made into a highly nitrogenous fertilizer base by means of a new bacteria process, a manufacturer reports.
Industrial scientists who perfected the process are now preparing to convert 10,000 tons of coal waste, developed as a by-product of the resin industry, into the same type fertilizers.
Prices of the new plant food are estimated at from \$25 to \$40 a ton.

Wolverines Lead Soccer League

The North American professional soccer league's title race enters the final stretch this week with the Detroit Wolverines still holding doggedly to the lead they have been protecting since the five team entries first broke from the barrier two months ago.
Only five games remain on the league's calendar and the fourth place Chicago Vikings, national cup champions, figure in four of them. Detroit's last scheduled game before the play-off round is set for Aug. 25 in the University of Detroit Stadium against the Toronto Greenbacks.
Both Vikings and Greenbacks rate as outside contenders for the title. However a defeat for either would kill their chances of overtaking the Wolverines. In fact, all Detroit needs in its final start—even if the Vikings and Greenbacks win their then-is a tie August 23 for a certain championship.
The Vikings have two games left with Pittsburgh, one with the Maroons and one with Toronto. Only other game remaining is that between Detroit and Toronto.
Current plans are for a play-off series between the top four teams. The team finishing first would meet the third place occupant with the winner battling the victor between the second and fourth place teams.

Parisians Get New Shoes

Twenty-five thousand Parisians who have been wearing the same battered and tattered shoes since the war cut off all sources of leather—and new shoes—are having their first half-soles and new heels since 1940, as a result of a shoe repair project carried out by the Salvation Army in the United States.

The Salvation Army recently sent to France 500 shoe-repair kits, each of which contained enough material for the repair of 50 pairs of shoes. The kits included leather soles, leather and rubber heels, pieces of leather for the patching of sides and uppers. Each kit also contained a hammer, repair knife and other equipment.

Several Parisian shoe cobblers volunteered their services to the French Salvation Army when they heard of the arrival of the kits, and these men have been working in the Welfare Department of the "Arme'e du Salut" in the French Capital, taking care of long queues of French men, women and children who were invited to come for free shoe repairs.

Salvation Army officers who just returned from France report that shoes are about the most needed article in France today. The few shoes on sale are not only extremely expensive, but very uncomfortable, the soles being made of wood, and the tops of a heavy cotton material. The poorer people have managed to half-sole their old shoes with strips of abandoned tires, and some who have not even this material are wearing shoes that are literally tied on. Many poor people are wearing makeshift sandals made of thin slats of wood.

Exchange Vows at Saturday Ceremony

Marilyn Ruth Smith, daughter of Mr. and Mrs. Charles R. Smith of Moran Road and Robert Boston Wood were joined in marriage, Saturday, August 3, at the Grosse Pointe Memorial Church. The Rev. Francis Glazebrook officiated.

A reception followed the rites at the Lochmoor club.

The bride's gown was fashioned from sheer white organdy, with fitted bodice and bracelet-length sleeves. The full skirt and train were edged with a wide ruffle.

Orange blossoms held the full length veil in place and stephanotis and white orchids made up the bridal bouquet.

Mrs. Smith Hinks, as her sister's maid-of-honor wore a white organdy gown with a full skirt, fitted bodice, short sleeves and ruffled neckline. Her headdress and bouquet were rose gladioli.

Mrs. Reece Hatchitt, Mrs. Richard Colville and Barbara Wood wearing gowns identical to the honor attendant acted as bridesmaids. Diana Hinks, niece of the bride was flower girl. She wore a face-trimmed white organdy dress and carried a miniature bouquet of gladioli.

Donald Wood, brother of the groom served as best man, and two other brothers, Walter and John Wood, and Charles R. Smith, Jr., brother of the bride, and James Stevenson seated the guests.

Mrs. Smith chose a gown of aqua crepe and a fuchsia hat for her daughter's wedding. The mother of the bridegroom, Mrs. Logan T. Wood, of Cranford lane, was in dusty pink jersey with a matching hat. Both mothers wore orchid corsages.

The bride wore a suit of white gabardine with navy accessories for the wedding trip to Fairlee, Vt.

Upon their return the couple will make their home in Hillsdale, where Mr. Wood will complete his studies.

Sets Wedding Date

Mary Elizabeth Edmund, daughter of Mrs. Stevens Edmund of Grosse Pointe Park, and Walter S. Edmund, of Harbor Hills, O., has chosen August 10 for her marriage to Anthony Frederick Enzer, son of Mrs. William Enzer, of Grosse Pointe Park.

The ceremony is planned to take place at the home of the bride-elect sister, Mrs. Alfred E. Seyler, of Balfour road. A reception will follow the wedding.

Author Conducts Baha'I Course

Mr. Emeric Sala, author of the book "This Earth One Country," a copy of which is in the Pierce Public Library, is conducting a course on this subject at the Baha'I school at Davison, Michigan. Mr. Sala, formerly from Roumania, completed his education in Canada, and in the United States. He and his wife returned this spring from a trip throughout the countries of South America, visiting Baha'I groups there.

There is no tuition at this summer school, the only charge being for room and board. Guests are always welcome.

Mr. and Mrs. John H. Shirley of St. Paul avenue are vacationing at scenic Long Lake.

MUCC Lists Fields For Unemployed

1. There are several types of employment excluded by the Michigan Unemployment Compensation Act. The excluded employment include agricultural labor, domestic service in a private home, maritime labor, governmental service, certain types of family service and services performed in the employment of a non-profit corporation. If in doubt as to any exemptions under the Act, an employer must be able to obtain a ruling from the Bureau of Internal Revenue holding the purported excluded employment is not subject to the provisions of the Federal Unemployment Tax Act.

Engagement Revealed

Announcement was made of the engagement of Marjorie Williams, daughter of Mr. and Mrs. C. H. Sheppard of Cloverly Road, to William Mikel, son of Mr. and Mrs. S. Mikel, of Balfour Road.

Relatives and friends learn of couple's plans at a party given in their honor by the parents of the bride-elect last Saturday evening.

Couple United in Afternoon Ceremony

The Grosse Pointe Memorial Church was the scene Saturday afternoon of Juliana Williams' marriage to James Marvin Fraser. The bride is the daughter of Mrs. Higginbotham of Wayburn avenue and Ronald Kenneth Williams of Parker avenue. Mr. and Mrs. James Fraser of Webberville, Michigan, are parents of the groom.

The bride wore a gown of white silk satin fashioned with a sweetheart neckline, full skirt and long train, and a gold sash with a diamond center belonging to her great aunt, Miss Lyle M. Higginbotham of Greensburg, Pa.

Her fingertip illusion veil fell from a coronet of white rose-pointe lace, and she carried a bouquet of white carnations and ivy.

Mrs. Williams, E. Eddy, Jr., a Vassar classmate of the bride, arrived from White Plains, N.Y., to be the matron of honor. Her gown was of champagne tulle with a wide, round neckline, double puffed sleeves, basque waistline and full skirt. Her bouquet and tiara head-dresses were fashioned with yellow-centered daisies.

Miss Jane Oll of Easton, Ill., and Miss Lyla Jane Higginbotham, cousin of the bride from Greensburg, Pa., the bridesmaids wore similar gowns.

Assisting as best man was James Field of Huntington, Woods, Ushers were Allan Gardner of Chicago, and James Frew of East Lansing.

The Rev. Francis Glazebrook and the Rev. John K. Higginbotham of Ramsey, N. J., uncle of the bride, officiated at the ceremony.

Mrs. Williams attended her daughter's wedding in a two-piece navy outfit and Mrs. Fraser selected a brown and aqua print gown. Both mothers had orchid corsages.

After the ceremony forty guests attended a reception at the Detroit Boat Club.

The newly weds are honeymooning in northern Michigan. For the wedding trip the bride wore a powder blue silk dress with brown alligator accessories.

The couple plan to make their home in Williamston, Michigan, while Mr. Fraser completes his premedical studies at Michigan State College.

Women's Clothing Makers Trying To Standardize Sizes

Something is being done about clothing for short and tall women. According to information received by extension specialists in clothing at Michigan State college, average sizes of ready-made garments are also being sized to height. That is, garments—including slips, dresses, coats and suits—are being made in proportionate length which will fit the short, average, or tall, even though all three wear size 14.

Manufacturers who made garments for women in the armed services became aware of the variations in length. To cut down costly adjustments after garments were made, fabric was cut into correct proportions.

This brought about a standardization of sizes. Manufacturers are endeavoring to make sizes uniform.

The junior miss, as its name implies, is for the teen-agers or small younger women. These sizes run 9, 11, 13 and 15. Misses' sizes are 10, 12, 14, 16, 18 and 20 and are designed for the lucky person who is well-proportioned, broad-shouldered, small-waisted, and slim-hipped. Sizes 36 and up are the women's standard sizes intended for the more mature figure of average or taller height.

Women of stocky build can be fitted in half sizes.

Manufacturers are also reported to be standardizing sizes of from 7 to 14 for young girls with special attention to stature, height, weight, and girth measurements.

In other words, clothing lines that will fit more of their potential customers with little or no alterations.

Pointers' New Bride

Friends and relatives are anxiously awaiting the arrival of Mr. and Mrs. Robert Salton on next Wednesday when they will come to Grosse Pointe for a visit with the former's parents, Mr. and Mrs. Fred Salton of Maryland avenue. Robert will be introducing his bride of June 14th, the former Lois Shay, daughter of Mr. and Mrs. Ernest H. Shay of New Westminster, B. C. Recently discharged from the Navy, Robert will re-enter Miami University at Oxford, Ohio, this fall.

Imagination Helps In Preparing Food During Shortages

Imagination oftentimes works out better than the cook book, thinks Mrs. Vivian P. MacFawn, extension specialist in foods and nutrition at Michigan State college.

When bread, sugar, flour, butter, meat and even many meat substitutes, are off the cooking list, substitute large quantities of imagination, mix well with milk, eggs, vegetables, fruits and oatmeal and have wholesome, hearty and attractive meals. It is not that simple, but it works, she contends.

When the main dishes are sticklers, omelets with vegetables will fill in. If the family gets tired of fish twice a week, cover it with some special and different sauces. Grind the lunch meat and use in meat loaves or in patties. Oatmeal makes a good stretcher, and eggs a good binder.

To save that limited bread supply, skip the toast for breakfast and make oatmeal do the job. Use the bread for lunch only and then substitute plenty of the abundant potato crop for the bread at supper. If potatoes are distasteful without butter, try white sauce gravies filled with hard-cooked eggs, peas, carrots or perhaps some cheese.

To save the sugar, eat dried fruit dishes like prune whip instead of cake, pie and sweet rolls. Molasses or syrup will substitute for sugar in many recipes for cookies.

Mrs. MacFawn suggests that, in general, eat twice as much milk, eggs and vegetables in place of meat; use potatoes and oatmeal in place of bread and other cereal products; try fruit in place of sugar products and exercise imagination instead of a recipe book.

Swimming Trials For Water Carnival Nears Closing

Qualifying swimming trials for the Greater Detroit Aquatic Carnival are now being given at more than 50 pools throughout the city. With thirty events for less experienced swimmers scheduled, each pool will be permitted to enter as many as 60 contestants. The meet will be conducted by the Department of Parks and Recreation for the novice swimmers of metropolitan Detroit.

Since swimmers may not enter unattached, those interested in getting a taste of bona fide racing should report to the nearest recreation pool for preliminary trials. Final action is slated for the Carnival at Rouge Pools, Friday, August 16.

Added spectacles of the program will be a swimming beauty contest, an Aquareta titled "South Sea Romance," a synchronized swimming show by the talented St. Clair Center water ballet team, and an exhibition of springboard and comedy diving.

The racing program will be divided into groups of boys and girls under 12 years of age, under 14, under 16 and 16 and over. The first two classes offer competition in the 25-yard free style, back stroke and breast stroke, while distances will be increased 50 meters for old group. Ernest Stengel, Department of Parks and Recreation swimming supervisor, will be in charge of the day's activities.

Meet preliminaries begin at 3:00 p. m. and finals are slated for 6:00 p. m. The Aquareta will be performed under the lights both Friday and Saturday, August 15th and 16th, beginning at 8:30 p. m. All events are free to the public.

CHURCH PICNIC

The Redeemer Methodist Church, 21717 Roslyn road is planning an all church picnic to be held at Chandler Park, Saturday, August 24 at 2. A post-lunch supper is planned.

They will also be croquet, quilts, baseball and other spots.

Paul W. Schmidts Entertain At Their Port Sanilac Home

The Paul W. Schmidts, formerly of Somerset road entertained friends Sunday, August 4, at their lovely Port Sanilac home overlooking Lake Huron.

Their guests for the day included Mr. and Mrs. Ray Weiss of Buckingham Road and the E. J. Murrays of Detroit. The day's entertainment included a fishing party and boating for the men, and visits to neighboring antique and gift shops for the women.

Dinner and supper were served the guests in the break-a-way joining the house and garage.

The Stoff family of Detroit joined the other guests in the evening, and Mr. and Mrs. Dettman also of Port Sanilac dropped in for a short visit.

Mr. Schmidts is with the Metropolitan Life Insurance Company here in Detroit.

Aids Offered To Housewives

Aid for busy housewives is offered by the Visiting Housekeeper Association, a Red Feather service of the Community Chest of Metropolitan Detroit. The Visiting Housekeeper's headquarters are at 51 West Warren, but she'll call at your home to help unlearn your homemaking problems.

This week she offers readers of The Grosse Pointe Review, a few "words to the wise" about saving sugar, which Uncle Sam says will be rationed for some time to come.

Summer is the time for fresh fruits which take less sugar than heavy desserts and are more appetizing in hot weather. A fruit salad topped by a dressing mixed with fruit juice does double duty as a refreshing salad and dessert.

Save syrup from canned fruit to sweeten other fruit, sauces or drinks. Cook cereals with prunes, raisins or dates, and serve without sugar. Use fewer or no frostings on cakes, or, if your family demands that sweet topping, omit it on the sides. Serve sweet yeast breads, such as cinnamon rolls, and sweet quick breads occasionally, instead of more sugar-consuming cakes and pies.

Be sure all sugar is completely dissolved, to get its full sweetness. For iced drinks, use sugar syrup made by heating equal parts sugar and water until sugar is completely dissolved. Keep left-over syrup tightly covered in the refrigerator. Corn syrup may also be used to sweeten summer drinks.

In baking, stretch sugar with honey, molasses, corn or other syrups. Honey may replace sugar cup for cup, but use half the quantity of other liquid called for in the original recipe, and keep the baking temperature moderate. Corn, cane or maple syrups can also replace sugar measure for measure. For these, reduce other liquid one-third.

If you need help in solving household problems, call this Red Feather Service, the Visiting Housekeeper Association, TEmple 1-1600.

Japanese Friendly Welcome Has G. I.'s Guessing

Some Japanese evidently are striving to impress American occupation forces with their friendship and good will judging by the tone of a circular received from Japan by University of Michigan War Historian F. Clever Bald.

The circular was sent to the University by Major Ivan C. Ware, alumnus, who found it in a package he purchased in Osaka. Bubbling over with expressions of good will, the circular is printed in English and bids "Welcome—to every member of the U. S. Advancing Forces, who is well-behaved, humorous and cultured." What kind of a reception awaits men lacking these characteristics is not mentioned.

The leaflet continues, "Thanks for coming all the way from your fatherland. We give up our past hostilities and accord you an enthusiastic ovation with warm heart of universal brotherhood. Please take care of yourself in a strange land."

There is more in the same vein, Bald reports, as the circular does its best to convince any G. I. that the Japs are his best friends. All he has to do is forget the late unpleasantness and his affable hosts will be happy to sell him all the souvenirs he can afford to buy.

M. S. C. Limits Enrollment

Since August 1, Michigan State college has accepted application for admittance as new students only from veterans residing in Michigan. These veterans from Michigan will have until September 13 to apply for admittance for the fall term. Former students returning for the opening of the fall term are not affected by the new ruling.

Up to the end of July the college has approved applications of 4,000 new students, which, with an expected total of 6,000 former students returning, will bring the fall term enrollment to 10,000, a new all-time high at the East Lansing school.

Varied Bible Translation

The Bible in 65 translations, ranging from Anglo-Saxon to Zulu, is available in the University of Michigan Library.

Many of the editions are in ancient languages and are used only by scholars of Biblical literature. Comparison of different versions and texts is of use in determining the most nearly accurate translation of the Bible into modern language.

In addition to Bibles in ancient and modern languages the University also has copies of translations of the Bible into Indian languages and into tongues of native tribes of Africa and the Pacific islands. Most such translations were published by missionary groups.

New Fencing
Residents of the City visiting the residential park will notice within a few days the replacement of old and damaged fencing with new fence wire. Approximately 600 feet of wiring will be used in this improvement project.

Home Made Bomb
Godfrey Munn, 440 Fisher Road was released from the Juvenile Detention Home and placed on probation by Mr. Schooley of the Juvenile Court after having been taken into custody for setting off a home-made bomb.

Stolen Cars Recovered
A car owned by Paul Tocco, 4851 Lakewood and one owned by Gaylord Gillis, Jr., 97 Meadow Lane were stolen from the property of their owners and later recovered by the police.

Pipe Locator Purchased
Members of the Woods' commission agreed to the purchase of a Lory Electronic Pipe Locator. The locator will eliminate a great deal of guess work in locating pipe lines, and saving man hours.

Tom Danberry and Bill Coffey are displaying typical youth and vigor by doing acrobatics on the "monkey" bars at the Neighborhood Club. The boys and their friends find daily work-out on the bars helps develop and harden muscles gone "sluggish" during the long winter months attending classes.

Parachute Specialist To Participate In Local Air Show

Dan R. Bost, batwing jumper and parachute specialist, will give a batwing soaring and delayed parachute opening exhibition as a special feature of the AAF-CAP Michigan Air Show at Selfridge Field this coming Saturday and Sunday, August 10-11, Michigan Civil Air Patrol Headquarters announced today.

A trick parachute jumper before the war, Bost enlisted in the 305th Parachute Infantry Regiment of the 82nd Division and saw service in Sicily, Normandy and Holland. In the Sicilian invasion he was the third man to bail out in the opening assault.

While stationed in Germany after V-E Day he was awarded an on-the-spot decoration by the Russian army for a spectacular delayed-action jump before assembled American and Russian troops at Ludwigslust.

Trailing a bed sheet to give the appearance of a defective parachute he fell within 500 feet of the ground before the horrified spectators before opening his regular parachute. In return for this thrill a Russian general of the 5th Cossack Guards immediately presented him with the Russian Guard's Medal.

Bost started his career as a parachute specialist in 1938 and made 10 public batwing jumps before his enlistment in the army.

The batwing is a cloth and metal framework which permits the jumper to soar and maneuver while descending from a plane. Jumps must be made from a considerable height and a parachute is required to check the speed at the end of the drop.

The Michigan Air Show gates will open at 9:00 a.m. both Saturday and Sunday, with continuous entertainment provided until 5:00 p.m.

Local All-Star Game Scheduled For August 15

Thursday, August 15, will see the renewal of the Briggs Beauty Ware and Grosse Pointe Playground League All-Star Soft Ball game. The game will be played at the Deier School, Kercheval and Nottingham, at 6:15 p.m.

The Briggs team as always is one of the outstanding teams in the National Professional Soft Ball League. The Grosse Pointe team will be selected from the fourteen teams playing in the unlimited age division of the Grosse Pointe Playground League and will be managed by Melvin Grandall.

This is your opportunity to see some of the greatest soft ball players in the nation in action against Grosse Pointe's stars.

Lineups of the two teams will appear in next week's paper.

Juveniles Movies Features Circus Film

"Big Top" the exciting circus film with the usual appeal of trained animals, bareback riders, trapeze artists and clowns, will be shown for the benefit of the youthful audience attending the Saturday afternoon movies at 2 p.m. at Calvary Lutheran church; Grosse Pointe Woods.

Much difficulty has been experienced in procuring good films due to shipping difficulties involving strikes, etc. However, from here on out, the committee in charge can definitely offer suitable material without substitution.

Old Club Cruise

The Grosse Pointe Yacht Club will be the scene of the Old Club Cruise set for August 14. The activities will begin promptly at 5:45 o'clock.

Greeks Seek American Aid

In GWRA's battle against malnutrition in mothers and children, more than one million Greek children are daily receiving a vitamin-enriched drink. In addition, more than 29,000 nursing mothers are given special food.

At the same time, the Greek people find themselves faced with another tremendous and tragic problem. Due to the long periods of starvation and the debilitating effects of widespread malaria and tuberculosis, the general health level is dreadfully low. In fact, most Greeks are in such a weakened condition that it is difficult for them to carry on their daily work.

To meet this problem, Greek War Relief has now under construction 29 strategically located health centers with more than 150 in prospect. These health centers are designed to offer a complete public health service, including sanitation work. They will give much needed immediate medical relief and they will provide widespread public nursing service. In addition, special emphasis is to be placed on prenatal care and infant and pre-school hygiene.

The centers cannot possibly hope to carry their health service into the hinterlands of Greece. Therefore, Greek War Relief has already in service, 18 mobile clinics, which will eventually supplement the centers and use those permanent units as bases of operation and supply. The centers will be located in major towns but not in main cities.

Greek War Relief heads believe that the health centers will rapidly become an important part of Greek community life. In fact, these leaders aim to make them a real community enterprise.

Observers report that the Greek people are pathetically eager to have this medical service. They have lacked this essential to health so long—so long.

VETERANNEWS
From the OFFICE OF VETERANS' AFFAIRS LANSING

Michigan provides non-service connected emergency hospitalization for World War II Veterans.

The State of Michigan through the Office of Veterans' Affairs provides a program of emergency hospitalization for World War II veterans. The questions and answers below may clear up some points concerning this program.

Q. What constitutes an emergency?
A. An emergency is considered to exist when lack of immediate hospitalization would seriously endanger a veteran's life or health.

Q. What should a veteran or his family do in an emergency?
A. Contact the local veterans' counselor who will make all arrangements.

Q. Where can the veteran be hospitalized?
A. In any approved hospital in his home community if one exists; otherwise in a nearby hospital selected by the veteran's physician.

Q. What services are made available to a veteran who qualifies for emergency hospitalization under the Office of Veterans' Affairs program?
A. Ambulance, hospital care, medical care, surgery, medicine, nurse, X-rays.

Q. Who pays for these services?
A. The Office of Veterans' Affairs.

Q. Why is this service not available to veterans of World War I?
A. Because the legislature has not appropriated money for veterans other than those of World War II.

Q. Does the emergency have to be connected to the veteran's service in the armed forces?
A. No.

Q. Is this service available to non-residents of Michigan?
A. No.

This newspaper will answer any questions concerning veterans through this column. Address letters to the editor.

Army Chaplains To Address Lutheran Club

Rev. Walter Klehans, who served 28 months aboard the S. S. Tabinta as an Army Transport chaplain in the Pacific, will speak of his experiences on board ship last V-J Day at a Victory Day Home-coming, to be observed in honor of all returned Lutheran veterans of World War II, on Wednesday, August 14, at the Detroit Lutheran Veterans club, at 1502 Randolph street, Harry J. Wolf, executive secretary of the club, announced today.

A dinner will be served by the Auxiliary at 6:00 p.m. Following the brief Victory Day program at 8:00 p.m. a gala carnival party will be held. As an added attraction, a year's membership in the Club will be awarded to the Lutheran veteran present, who served the longest period of time in the United States Armed Forces since September 15, 1940. Another award will be given to the veteran who was the farthest distance away from Detroit last V-J Day, according to Carl Glutzhober, chairman of the committee on arrangements.

DRAMA, COMEDY OFFERED SUNDAY AT THE COLONY

"Sentimental Journey" starring John Payne and Maureen O'Hara is scheduled to appear at the Colony theatre this Sunday and Monday. The picture is a romantic drama, with a great deal of stress placed on character of the heroine who courageously struggles for the happiness of the man she loves. It is a poignant love story, quite different from most of Hollywood's productions. The starring actors are well fitted for the roles, and the supporting cast do a wonderful job of making the picture "click."

Dennis O'Keefe and Marie McDonald co-star in the racy production, "Getting Gertie's Garter." The comedy is one of the best to come out of Hollywood this year. O'Keefe will keep you laughing and Marie McDonald will keep you looking. As a team they're top! Every member of the family will enjoy this play.

To add to your evening's entertainment the management has provided to show a color cartoon and newsreel.

Violation Tickets

Woods' officers issued traffic violation tickets to Marvin John Fabres, 1458 Eastburn, Detroit, and John Leo Tyson, 3908 McDougall, Detroit this past week. Both men were charged with speeding on Vernier Road.

Collision

Cars driven by Maurice P. Rivard, 999 Nashaho and James Joseph Kelly, 5809 Wayburn collided when Rivard stopped for a red light on Morris road at Lakeshore Drive. Kelly turned slightly to avoid Rivard, but failed in his attempt. Both cars were damaged slightly. No tickets were issued.

B-29 SUPERFORTRESS

The gigantic B-29 Superfortress is one of the many war famous planes which will be featured in the Michigan Air Show, the largest air show ever to come to Michigan. The show will be held at Selfridge Field, Saturday and Sunday, Aug. 10 and 11.

The Michigan Air show, largest air show ever to come to Michigan, will be held at Selfridge Field, Mount Clemens, Saturday and Sunday, Aug. 10 and 11.

Sponsored by the Michigan Wing CAP for the benefit of its cadet training program, the show will feature the celebrated 50th Fighter Group, commanded by Col. Dave Schilling, and a special group of pilots and planes organized by the AAF for this exhibition. The spectacular P-80 jet-propelled Shooting Star will make its first appearance in Michigan during the showing.

B-29 Super Forts, B-25 Mitchell Bombers, A-26 Invader Attack Bombers, P-51 Mustangs, P-47 Thunderbolts and C-54 Skymasters will also take part.

An exhibition flight by a radio-controlled target plane, helicopter demonstrations, mass maneuvers, acrobatics, group parachute jumps, simulated aerial combat, straining

runs and special flying exhibits will be worked into the three-hour afternoon show using AAF and CAP planes.

Showings of combat films, plane and equipment exhibits and entertainment features will start at 10 o'clock each morning and continue until the start of the air show at 1:30 p.m. Gates will open at 9 a.m. each day.

The closing ceremony for each day's show will be the review of the 20 CAP cadets stationed at Selfridge Field for their summer campment.

Admission will be charged and tickets are being sold throughout the state by CAP squadrons and cadets. Children under 12, accompanied by adults, will be admitted free of charge.

The CAP cadet program, recipient of proceeds from the show, is credited with 10,000 enlistments from Michigan in the AAF during the war.

JOHN HODIAK IN MYSTERY AT NEW SHORES

John Hodiak, former Detroitier who took Hollywood by storm not so long ago will have you sit up and take notice when you see him in "Somewhere in the Night," scheduled for showing Wednesday and Thursday at the new Shores theatre. Co-starring with Hodiak is newcomer Nancy Guild. Veteran actor Lloyd Nolan lends his support and all three help make this a mystery to end all mysteries. It's a spine chiller and breath taker. For those who "swallow" mystery stories this picture is a must. There's enough action and plot to the story to make it worthwhile.

"Diary of a Chambermaid," co-starring Paulette Goddard and Burgess Meredith is a lovely production. Paulette is as lovely as ever, and Meredith hasn't lost any appeal. The picture will keep you guessing, and laughing—what more could any movie goer want? The complications that develop only help to make the picture what it is. A cartoon will also be shown.

Tootsie Eclipse?

To share the elegance of longer dresses, women's shoes are going back to closed heel and toe, the Guild of Better Shoe Manufacturers of N.Y. predicts. The change however, will be a gradual one—and platforms will maintain their popularity.

Tassel Vitamins

Some 50,000 tons of corn tassels, discarded yearly at hybrid cornseed farms, are now being considered for livestock feeds. Scientists have found that the tassels are richer in vitamins A, B-1 and B-2, have more niacin and protein than corn kernels.

CHURCH NEWS

Christian Science Churches
"Spirit" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, August 11.

The Golden Text (Ezekiel 39:39) is: "I have poured out my spirit upon the house of Israel, saith the Lord God."
Among the Bible citations in this passage (John 4:24): "God is a Spirit: and they that worship him must worship him in spirit and in truth."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 330): "God is infinite, the only Life, substance, Spirit, or Soul, the only intelligence of the universe, including man."

Bethany Evangelical Lutheran Church
Outer Drive E., at Chatsworth
Oswald G. L. Riess, Pastor

Reverend Oswald Riess will again take the pulpit at Bethany Lutheran church, East Outer Drive and Chatsworth, on Sunday, August 11. He will preach on the text Luke 8:18, "Take heed how ye hear." His theme will be, "How To Listen To A Sermon."

Rev. Riess has long intended to preach on this unusual theme. Unusual as the theme may be, however, the sermon will hold much in store for the church-goer who wishes to learn the proper attitude of a sincere listener as the Word of God is being preached.

On Sunday, August 18, A Midsummer Rally will be held for all children between the ages of three and six years. Bethany invites all children of Kindergarten age to come to Bethany Sunday school at 10:30 a.m. Sunday, August 18, and participate in the program planned by Mrs. Henry C. Reinhold.

Peace Evangelical Lutheran Church
East Warren at Balfour
Enno G. Claus, Pastor
Robert Brege, Vicar

Vicar Robert Brege will preach this Sunday, August 11th, at Peace church, East Warren and Balfour. Services are held at 8 a.m. and 10:45 a.m. Using as his text John 7:45-53, he will preach on the theme: "Never Man Spoke as Jesus Spoke."
The Sunday school and Bible classes begin at 9:30 a.m. This week the lesson will be: "The Anointing of David."

For the convenience of parents who bring young children of preschool age with them, a nursery is provided in the school room where competent mothers are in charge during late service.

Messiah Lutheran Church

What does the Bible say about hypocrites in the church? How much does the hypocrite profit by his hypocrisy? What about hypocrisy and the Day of Final Judgment? These and other questions will be answered in the sermon to be delivered on Sunday, August 11, when the sermon theme will be: "Hypocrites."
Two identical services will be held at 8:00 a.m. and at 10:30 a.m. The session of the Sunday school will begin at 9:15 o'clock.

Lutheran Church of the Reformation
Vernor Highway E., at Lakeview
Rev. C. F. Stickler, D.D., Pastor
Beatrice Morrow, Parish Worker

9:30 a.m. Church school for children of all ages. A Bible class for men and women.
11:00 a.m.—The sermon will be preached by one of the young men of the congregation, Mr. Andrew Ellis, a student for the ministry at Wiltenberg College, Springfield, Ohio. Mr. Ellis will preach on the subject "When Christ Stills the Tempest at Sea." His home is at 4183 Ashland.

The Young People's Luther League will meet this week on Thursday evening, August 15th, at 8:00 p.m. The topic will be led by Miss Thelma Lovelass.

Faith Evangelical Lutheran Church
Jefferson at Philip
Rev. C. H. Lange, Pastor
Sunday, Aug. 11, 9:30 a.m.—Sunday school.

Please note that the entire Sunday school will be conducted as usual, convening in the downstairs auditorium.
11:00 a.m.—Service of Divine Worship.
A sermon on the theme "A Program That Satisfies" will be presented by the Vicar, having as its text St. Luke 4:18, 19.

All the young people of the church have been invited to spend the afternoon and evening at the Stricker cottage on Harson's Island. For details contact the church office.

Calvary Lutheran Church
Walter J. Geffert, Pastor
Mack Avenue corner Lancaster

8:00 a.m.—Morning worship. During the pastor's absence on August 11th, the Vicar Carl Noellman of East Detroit will conduct the service.
The Sunday school will resume its sessions with the return of the Rev. Geffert on Aug. 18th.
Saturday afternoon movies for the children at 2 p.m. will feature the popular circus film "Big Top" for this week.
