BEACH ELECTION MONDAY

State Republican Luminaries Guests in Grosse Pointe

Property Owners Given Opportunity For Lake Park

Within the grasp of Woods residents next Monday is a forty-three acre lake-front Park with six hundred feet fronting on Lake St. Clair, as registered property owners of that municipality go to the polls for a special election which will determine their pleasure.

Unless a full vote of qualified electors is recorded, a regrettable recurrence of common local practice of a minority voice will be heard, automatically rejecting or approving a proposition which deserves a representative expression from the electorate.

Open Meeting on Woods Park Tonight--8:15

The Grosse Pointe Woods Civic League will throw its monthly session into an open meeting at the Mason school tonight at 8:15 for the purpose of discussing the proposed Village Lakefront Park which will be submitted to voters in Monday's special election.

It is through the work of the Civic League, that the Village is being given the opportunity to acquire 43 acres from the Edsel Ford estate with some 600 foot frontage on Lake St. Clair.

In endorsing its purchase and improvement, the League points out that this is the last piece of suitable lake-frontage available. Its purchase, will increase property values, provide future building development, increase

Interested in providing their village with a lakefront park comparable to other Pointe municipalities — if they want it — the Woods Commission has provided the machinery and set an election to bring an honest expression from a conclusive majority of qualified Woods electors.

And, in the interest of obtaining a fair vote, the Woods Commission has requested President A. G. Ghesquire, according to a practice which might well be followed by other Pointe ruling bodies, to prepare a treatise of "Facts and Opinions" regarding the proposed Lake Front Park Site for the Village of Grosse Pointe Woods.

Despite endorsement by the Woods Civic League and no voiced opposition (rather, silent approval) from members of the Commission, the proposition has

SITE OPEN SUNDAY
The proposed Woods Lakefront Park Site will be open for inspection by Grosse Pointe Woods residents Sunday, September 29 from 10 a.m. to 4 p.m.

It was a "command appearance" for Kim Sigler outside the Dorothy Mary Dining Room on Fisher Road Friday. Scores of high school youths cheered until the gubernatorial candidate went outside to receive greetings. Sigler is shown at left addressing members of the Grosse Pointe Optimist Club and with Rotary, Kiwanis, and Lions Club members as guests. Lawrence W. Korte, Optimist president is seated at right. Center, Sigler receives the congratulations of Korte as Dr. W. L. Tuttle, Ex-Governor Brucker and Fred Alger, Jr. look on. At right, Sigler is shown with Alger at the car when he has been using for his widespread campaign.

POINTE PARAGRAPHS

The local high school girl who couldn't make her horse do anything but ride in circles at the riding stables the other night has our sympathy. We found our horse set in that

"I Make Only One Promise—Clean up Michigan."—Sigler

Representative Grosse Pointe audience last Friday, "I have made only one promise to the people of the State of Michigan and I shall make only one promise, and that is to CLEAN UP THE STATE."

Sigler spoke as guest of the Grosse Pointe Optimist Club at the Dorothy Mary dining room on Fisher road to an audience composed of club members and invited representatives of Grosse Pointe Rotary, Lions and Kiwanis clubs. He was accompanied by ex-Governor Brucker, Fred Alger, Jr., and a representative of the Michigan State Police.

Hiram A. Peck Taken in Death

Hiram A. Peck known throughout Grosse Pointe in former years for his real estate business died September 18 at the age of 61. Mr. Peck was a resident of this area for many years and was one of the Elk club's first life time member.

He is survived by two daughters, Mrs. Edward Louwers and Mrs. Muriel Lisk, a brother, Rankin Peck and sisters, Mrs. George Renaud, Mrs. Floyd Betts, Mrs. Benjamin DeClaire, Mrs. Francis Miles and Mrs. Webb Woodhill. There are also eight grandchildren.

Newcomers Club Completes First Year; Announces New Officers

Clifford L. Lundgren, 1237 Harvard Road, was elected president of the Grosse Pointe Newcomers Club at a dinner and business meeting held Friday evening, September 20, at the Neighborhood Club.

Other officers elected for the coming year were R. T. Schaller, 68 Muskoka, secretary; and John Jakle, 286 McKinley Road, treasurer.

In an acceptance speech, Mr. Lundgren reviewed the organization and history of the Club and paid tribute to the executive board members who planned the social events during the year. Bennett Burroughs, Jr., founder and past-president, declared that much of the success of the parties was due to the work of Mrs. George Lyons, 279 Moran Road, who was social chairman. The newly appointed social chairman is Mrs. Lester Elliott, 205 McMillan Road.

Other board members of the past year besides the Lundgrens, Lyons, and Burroughs, were Mr. and Mrs. W. A. Naragon, 257 McMillan; Mr. and Mrs. Russell Near, 1882 Hunt Club Drive; Mr.

Father's Car Injures Girl

Eight year old Constance Degnan was injured Sunday when she fell beneath the wheels of her father's auto as he was backing out of the driveway.

The Degnan residence is at 800 Cadieux.

Council Extends Sewer Program

Provision was made at a special meeting of the Park commission to modify the contract held by Di Ponio contractors to include 467 feet of sewer on Charlevoix from Grayton east to the easement between Cadieux and Harvard. This will entail an additional cost of \$4,753 to the existing contract.

The contracting company is now completing work on sewer facilities on Grayton from Mack to Charlevoix, thence west on Charlevoix to Whittier, south on Whittier to connect existing storm water system.

Dangerous Prank!

Parents are warned to caution their children that the seemingly harmless prank of removing covers from the base of light poles and removing plugs is dangerous.

When removing the plugs, the slight touch to other wires or inexperienced handling will set off 6000 volts of electricity — which can mean death to someone.

Manager Completes Sewer Program

Everett Lane, Park manager has been authorized to proceed with the preparation of plans and specifications for the continuation of sewer improvement work in the northwest area of Grosse Pointe Park.

The plans will also include a small extension to the sewer on Grayton road between St. Paul and Vernor Highway.

Blue Devil Gridders Open Season Against Ferndale Friday Night

The Blue Devils of Grosse Pointe High School opened their football season for 1946 on Friday night, September 20, at Jefferson Field, Ferndale.

This is the third meeting of the two teams in recent years with each school marking up one victory. Last year The Blue Devils scored a 12-0 triumph but lost 13-6 two seasons ago.

Ferndale has the decided advantage this year, having already played one game, a 6-6 tie with Berkley last Friday night. However that isn't worrying the Pointers too much.

Long scrimmages and hours of tough blocking and tackling have developed a group of prospects that Werner hopes will bring home the victory.

Although the starting line-up for Friday's tilt hasn't been decided, it is certain that the Pointers can and will field a faster and heavier team than they have had in some time.

The probable line-up for Friday's tilt is: Ends — Beck and Wuerker or Patterson and Mumford. Both combinations have shown much promise in recent drills. Tackles — Brabb and Cherpell. Guards — Drew, Thiede, Kidd and Dewey. Center — Allen or Seymour.

In the backfield, Isbey appears certain to start at Quarterback. He is an exceptionally good passer and in addition has last year's experience to help him guide the team. The backs showing up best so far have been Rummel at right and Champagne at left. However Drader and Johnson are certain to get plenty of action. Fullback is a toss-up between Gerhard and Serra.

Grosse Pointe's victory hopes were shadowed three weeks ago by the injury of veteran Right Half Harry Garman. However it is believed he will be ready for the Monroe game on October 11.

Approves Victory Bond Purchase

Members of the Park commission approved the purchase of \$50,000 worth of series G bonds to be registered as assets of the Park Site Bond issue.

Auto Fire Costs \$5,000 in Damages

A fire believed to have been the result of a short circuit in an auto, destroyed a two-car garage and the car at the home of J. G. Keyes, 67 Colonial road, Grosse Pointe Shores, early Tuesday. The damage was estimated at \$5,000.

Heat from the flames damaged a wall of the residence and brought down several high tension lines.

New Commissioner

Peter J. Koenig was unanimously nominated by Park commissioners to fill the vacancy made by the retirement of Commissioner Sage at Wednesday's special meeting.

Mr. Koenig took the oath of office administered by William G. Stamman, village clerk, and will serve until the next annual election in the Park.

Your Carrier Boy Is Now Collecting For The Month of September

Grosse Pointe Review carrier boys start collecting the 10c Voluntary charge for this paper tomorrow for the month of September.

- He has Official Receipt Book
- He will give you signed receipt
- September Receipts are printed on Green Paper

NOTE TO OUR SUBSCRIBERS

Please do not ask your carrier to return some other day when he comes to collect. Most of our carriers have large routes, and if he is forced to return an extra time to collect, it means a great deal of extra work for him. Please cooperate with him by paying promptly. We'll appreciate it.

Though these alert young business men, THE REVIEW is endeavoring to give you delivery service ON THE DAY OF PUBLICATION at your door.

Service Irregularities May be Remedied by Calling The Review — Phone 1162
THANK YOU

Remember?

The Grosse Pointe Cottage Hospital marked twenty five years of successful service to the community.

Men who liked to sing were solicited to join Grosse Pointe Men's Chorus.

Charles E. Oepp, S. I. C. wrote home of his exciting experiences participating in the occupation of Japan.

The term "duration" was to be explained by Fred McGraw to representatives of small defense plants in this area and to members of the Park council. Many of these plants sprung into existence during the war, and many residents were seeking to have them evicted since the termination of hostilities.

A proposed traffic signal for Cadieux and Jefferson was declared to be unnecessary by members of the AAA and local traffic officers.

Approval was given by the Park commission to have the village dump on Quinn road in Clinton township fenced in.

Real estate men approached the Park commissioners with a request to extend the business district on Jefferson avenue to include the northwest corner of Somerset and Jefferson. Action was delayed until a more detailed investigation could be made.

War veterans, representatives (Continued on Page 8)

presented by President Ghesquire are found below:

"A special election is to be held on September 30, 1946 to give the resident taxpayers of Grosse Pointe Woods an opportunity to decide whether or not to buy a 43-acre Park site on Lake St. Clair in the Village of Grosse Pointe Woods. The proposed site is now a part of the Edsel Ford Estate and lies between Lakeshore Road and Lake St. Clair at a point where Milk River flows into the Lake. It has about 600 feet fronting directly on the Lake. The parcel of land is completely fenced in on all sides except along the water front, with a chain line wire fence.

"The distance from Vernier Road and Mack Avenue to the site is 3.6 miles using the route on Vernier Road and Lakeshore Drive and 2.3 miles using Vernier Road to Marder Road and across to the Lakeshore Drive.

"The purchase of this Park Site has been recommended by the Grosse Pointe Woods Civic League and by other citizens for the purpose of developing it for the use by the residents of Grosse Pointe Woods for boating and bathing.

"The purchase price is \$60,000.00 for the land and riparian rights (access through the water to the harbor line or channel.) The bond issue to be voted on is for \$72,000.00, which amount includes the purchase price, \$2,000.00 for our pro-rated share of the 1946 taxes and for legal fees and \$10,000.00 for tree and shrub planting to form a green barrier between the Park Site and the Ford Estate. The last item is a part of the purchase agreement.

"The Village Commission wants the voters to know all the facts before they make their decision on September 30, 1946. In order to help supply the most information possible a brief summary is here presented of the more important items discussed regarding the proposed Park Site. Both sides of the argument are stated, those against the proposition as well as those for it.

"The following have been presented as facts and opinions against the proposed purchase:

1.—That the site is not desirable because of the existence of a great deal of pollution in the water at the beach caused largely by the emptying of Milk River at the edge of this property and because of the proximity of Nine Mile Road Drain, which serves East Detroit, Centerline and Warren, Michigan, and

OPPORTUNITY NOW

If the citizens of the Village of Grosse Pointe Woods fail to approve the purchase of part of the Edsel Ford estate for a community park next Monday, they may live to regret the day.

Failure to approve its purchase, may forever bar that municipality from Lake St. Clair, as this particular parcel is the only available frontage now for sale, or for sale at a price within reason.

The Village is perfectly solvent, well within its bonding limits and the additional taxation per family is negligible.

Residents of the Village of Grosse Pointe Woods and their children deserve the same privileges as those of other Pointe municipalities. The conclusion is obvious.

IT COULD ONLY HAPPEN HERE

In America and perhaps in America, alone, could such a thing happen.

It is refreshing to have it happen in Grosse Pointe. For the first time in history, Grosse Pointe's service clubs, namely Rotary, Kiwanis, Lions and Optimists (the latter acting as hosts) sat down to the dinner table together.

After-dinner speaker for the occasion was none other than Kim Sigler, Republican gubernatorial candidate.

It was pleasant to take note that four different clubs, with four diverse service objectives, could be united, even for a partisan political speech.

Our compliments to the Optimists for the idea and to the others for sharing it.

Diamond Jubilee Guest Speaker

Next Sunday morning the Service of Commemoration and Holy Communion of the Diamond Jubilee of St. Paul Ev. Lutheran Church will be celebrated at 11 a.m. in the auditorium of Jackson School, Marlborough and Waverly Avenues, George J. Grewenow, pastor.

This will mark the final service of the 75th Anniversary

Youths on Rampage

Several local youths were ticketed by Woods' police for their wild rampage last Friday through that area.

The boys driving along in a battered old car threw empty pop and whiskey bottles into the street and on resident's property.

A resident of Oxford road turned in the complaint.

BOY SCOUT NEWS

Cub Pack No. 290 Boy Scouts of America, of Grosse Pointe Woods held their first meeting of the season, Friday September 20, 1946 at Mason School. Mr. Dougherty, President of the Mason School PTA, the sponsoring organization of Pack No. 290, was an honored guest. Mr. Dougherty presented the Pack charter to Mr. Al Wilson, Chairman of the Pack Committee. Mr. Wilson then presented it to Mr. L. R. Montgomery, Cubmaster of Pack No. 290.

Marvin Schwen was awarded his Webelo, the highest award in Cubbing. D. McGuire was presented his Lion badge and Gold and Silver Arrows. He also received his Webelo. Best of luck in Scouting. Boys. Other awards were presented to Jim Snell, Doug McBride, and Bruce Schofield. All received Silver Arrows to their Bear awards. Congratulations boys, from the Pack and Committee.

The varsity team of St. Paul's high school aren't the only players out to capture honors for their alma mater. St. Paul's grade school football team has gone in for serious practice and drill. They're in hopes that the end of the season will find them champs of their league. Bob Van Tiem, coach is shown giving a few pointers before practice as Emmet Tracy, student manager looks on. Members of the team reading left to right, front row: Dennis Beran, Mike Doelle, John Huetteman, Tom Pelkey, Bob Vernier, Roy LaFave, Jack Lemieux. Center row: Bill Mason, John Barton, Bill Ryan, Mike Cavanaugh, Louis Geist, Dick Klein, Ralph Marsack, Harvey Divens, Earl LaFave, and Chuck Dupuis. Back row: Duane Streb, Leo Kennedy, Tom Backman, Richard Limberg, Jack Trombly, and Tom Tapert.

The number of certified civil times the prewar, total or about airmen now is more than 10,342,000.

St. Paul's mighty eleven trounced St. Philip's team 27 to 8 at the season's opening game, last Sunday. The photographer caught one of St. Philip's determined men holding the pigskin—but alas all too soon it was back in the hands of St. Paul's men to be carried up and down the field for score after score! St. Paul will meet St. Rose's team this Sunday.

St. Paul's "Flyers" Smother St. Phillips in Sunday's Opener

By Bob McBride
With hopes high and pulsing pounding the "Flyers" of Saint Paul's high school ran on to the gridiron last Sunday to match their athletic prowess against Saint Phillips. The battle ended in a squelch for St. Phillips—27 to 8. What a score!

This victory was no surprise because of the red and the white's line up: Bob-Cucchi, full-back Ray Huetteman, left half; Howie Meathe, right half; Art Smith, quarterback; John Fushman, right end; Don Simpson, right tackle; Stan Jerseca, left tackle; Harry Hammond, right tackle; John Hutton, left guard; Pat Hamlin, right guard; George Heldt, center.

John Fushman sent a beautiful kick to the Saint Phillip's receiver and made several unsuccessful attempts to gain yardage.

Ray Huetteman, after the first down, went smashing over for the games first touchdown. Howie Meathe then ran the extra point, leaving the score 7-0 in Saint Paul's favor at the end

of the first quarter. During the second quarter St. Phillip's team showed both fight and sportsmanship. They boasted of such triple-threat men as Bob Versele and Dick Gallagher.

However, St. Phillips, with all this backing, could not match the rugged tackling of George Heldt, and the spectacular pass receiving of Don Simpson and the running of John Fushman.

A pass for Ray Huetteman and Howie Meathe for another touchdown Bob Cucchi ran the extra point through the middle of the opposing line, leaving a 14-2 score at the end of the second quarter.

In the opening minutes of the third quarter Ray Huetteman fired a long pass to John Fushman who sped 30 yards for the touchdown. Now the ball was snapped by St. Phillips and away they went—but not for a touchdown because Butch DuRocher, St. Paul's, quarterback nailed the ball carrier, but hard.

Dick Gallagher of St. Phillips then proved his worth as a pass

Janet's Lunch Sets Hot Pace in Pointe Business Men's League

Reserves Win

Halfback Fallis 85-yd. return of the second half kickoff enabled the Grosse Pointe Reserves to defeat the East Detroit School 7-0 Tuesday afternoon at the High School field. The extra point was converted by Courfield. Fallis scored by brilliant broken field running through the entire East Detroit team.

receiver and went down for a touchdown.

After many unsuccessful tries at scoring on the part of both teams, Phil Van Hollenbecke snatched a pass from over the line and whizzed for another six points.

John Fushman, then, came through with a beautiful kick for the extra point.

Saint Phillips tried bravely to score during the last few minutes of play—but it was no go!

The score at the shrieking of the whistle was Saint Phillips 8 and Saint Paul 27!

On Friday Sept. 20th the Grosse Pointe Business Men's League completed their second night of the bowling season at the Woods Recreation.

Janet's Lunch, paced by John Barr with 534 and Jack Sinnhuber with 530 led their team to victory over Belding Cleaners, firing a 2530 total on games of 743, 839 and 948. Boutin's Service, with a record of eight wins and no losses leads the league at the present time.

The Grosse Pointe Business Men's League is now in its 14th year of bowling and is composed of twelve Grosse Pointe teams.

Sol's Men's Wear
Marks 18th Year
On E. Jefferson

Sol Stein, owner of Sol's Mens Wear, 14205 E. Jefferson, announces this week the celebration of his eighteenth year on the East Side in the men's wear business.

Stein first opened his doors to the public in 1928 at East Jefferson at Coplin, where he served them for ten years. He moved into his present location in the Vanity Ballroom building in 1938. These larger quarters have since been modernized and air-conditioned to provide pleasant and convenient shopping facilities.

One of the reasons why Sol's Mens Wear has grown to its present size is that the store has always featured nationally advertised merchandise for men and boys. Within the past few years a complete boys' department has been added to the store.

The store is managed by Sid Maxman, who is assisted by such experienced men as John Dickinson, Frank Marrs, Ben Sandler, Russell Tunis and Sol Bresler, who is in charge of the tailoring department.

Sol's will be closed all day today and until 6 p.m. tomorrow because of religious holidays. Upon reopening he will welcome his friends and neighbors and serve refreshments.

SET YOUR SIGHTS

It takes planning to achieve a goal

Some young men know what they want and plan for it. Others are still looking for their niche. The new Regular Army can help both.

Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, plus \$65 a month living allowance—\$90 a month if you have dependents.

If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You leave the service eligible for further training at the best civilian schools.

You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

HIGHLIGHTS OF REGULAR ARMY ENLISTMENT

1. Enlistments for 1½, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
2. Enlistment ages from 18 to 34 years inclusive (17 with parents' consent) except for men now in Army, who may reenlist at any age, and former service men depending on length of service.
3. A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
4. A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Officers.
5. Mustering-out pay (based upon length of service) to all men who are discharged to enlist or reenlist.
6. Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
7. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

'Teen Talk

by Meeky Marie vanZanen

Hi kids! Now that parties and dances have started up again it seems only fair to give lads and lassies a bit of news about them.

You won't be seeing George Beatty around for a while, because he's promised to Andover Military School. Pete van Osdal just trekked out to Lornsville School, in New Jersey. While Parke Brown chose Howe Military School as his destination.

Eugene Recyd, John Sarvis, Kenny Ames, and Robert Ricard, have returned from the army, and are back at school to receive their diplomas.

Barbara Brown, celebrated her fifteenth birthday, by throwing a party at her home. Those who spent the afternoon eating ice cream and birthday cake were, Joan Baumen, Barbara Barmen, Bev. Pohl, Marilyn Walters, Anne Candier, Janet Johnstone, and Kathy James.

The Metamora Hunt Horse Show claimed most of the Grosse Pointers Sunday. Seen in the crowd were Jerry Rounds 'n Jim Lemon, Sharon Ford 'n Bob Bolo, Helene Myers 'n Edwin Karer, Nancy Schmidt 'n Dick Fordon, Sue Cruikshank 'n Turnbull, and Mary Gratzler 'n Dick Nightingale.

Seems as if everyone was at the Ernst Kern Co.'s High School fashion show. The girls modeled terrific new fashions, while the boys helped to put on a hilarious skit. If you haven't attended one of these shows before, watch this article for future announcements of the dates, and be sure to be among the enthusiastic crowd the next time.

The Drum Majorettes of Grosse Pointe High are really working on some good shows. This year they're going to twirl for three home games, October 19th, October 26th and November 9th. Be sure and remember these dates, if you'd like to see a really good show.

Bill van Zanen has really accomplished things since he joined the alumni of Grosse Pointe High, last June. Recently he was promoted from deck hand to deck watch on the SS Ralph S. Caulkins.

By the way kids, this reporter is eager for business, so if you've got any news, just give me a

AROUND The BLOCK

Mary Ann Waggoner, 15463 Windmill Pointe drive takes advantage of these sunny days and walks her two setters, Irish and Cooke around the block. Mary Ann is an eighth grade student at Pierce junior high.

C. F. Jeans Honeymooning In the Smoky Mountains

Newlyweds, Mr. and Mrs. Charles Frederick Jean are spending their honeymoon in the Smoky Mountains, and plan on returning after October. The Jeans will then make their home on Marcellus Avenue.

Their marriage took place September 14 at St. Paul's on the Lakeshore. The bride is the former Jean Cadieux, daughter of Mr. and Mrs. C. C. Aloysius Cadieux was given in marriage by her father.

The bride chose a white marquisette gown with taffeta bodice, distinguished by a round neckline and full skirt extending into a train for the Nuptial Mass. Her fingertip veil of

bouquet was of white orchids, gardenias and stephanotis.

Marjorie Helen Cadieux was her sister's maid of honor, and was attired in a gown of purple velvet fashioned with fitted bodice and sweetheart neckline. Her flowers were yellow chrysanthemums and belle mums. A halo of gardenias and small mums made up the headdress.

Bridesmaids Donna Marie Cadieux and Evelyn Marie Welsh wore identical gowns and carried lavender and bronze mums with hatching halos.

Robert W. Jean, Jr. was his brother's best man. They are the sons of Mr. and Mrs. Robert W. Jean, of Kensington road.

Seating the guests were Paul D. Cadieux, John W. Inesch, Ellsworth G. Reynolds, and Don Kipka.

A reception followed the ceremony at the Detroit Yacht Club. Mrs. Cadieux received guests in a fuchsia gown with matching feather hat, and Mrs. Jean wore powder blue with a shell pink feather hat. Both mothers wore orchid corsages.

For the wedding trip the bride chose an ice blue gabardine suit with matching hat and red accessories and pinned an orchid to her mink furs.

"Children should be seen and not hurt," is the caution expressed by Automobile Club of Michigan to every motorist.

U. of M. Offers Coeds Special Program in Home Management

A special program in "home management" at the University of Michigan enables co-eds to specialize in the academic field of their choice and at the same time prepare themselves for careers as home-makers.

Worked out in cooperation with all departments of the College of Literature, Science and the Arts, the home management program is made up of 15 courses which co-eds may take

On the practical side of home management are two courses, one in economics and the other in landscape architecture. The economics course concerns consumer problems, such as budgeting, insurance, and consumer credit. The architecture classes are introductory ones to the general principles of landscaping.

As preparation for marriage and parenthood, home management students take classes in child psychology and development, family organization, health and hygiene, and heredity. There are also special courses in pediatrics and nutrition for students having the scientific background for them.

A survey of the history of art and an introductory class in music literature are also included in the home management program.

Helpful Aids For Housewives

The Visiting Housekeeper Association, a Red Feather service of the Community Chest employs graduate home economists whose advice on knotty housekeeping problems is free to residents of the Detroit metropolitan area.

For this service, just call Temple 1-1800. If necessary, a staff member will visit you in your home.

This week the Visiting Housekeeper offers readers of The Review several methods of cooking vegetables.

Squash may be boiled, "panned," fried or scalloped. For boiling, just wash thoroughly, cut in small pieces, and drop into lightly salted boiling water. Simmer about 15 minutes or until tender, then season with salt, pepper, and butter or other fat.

To "pan," cut squash in small pieces, leaving rind on unless it is very tough. Cook in covered pan with a little fat, using no water, for 10 or 15 minutes. For frying, cut in thin, even slices, sprinkle with salt and a little flour, and fry in small amount of fat.

Chopped onion and/or green pepper, browned lightly in a little fat, make delicious seasoning for scalloped squash. Tomatoes or other vegetables can be added to the frying pan, then the squash. Cook for a short time on top of stove, add buttered bread crumbs and finish in a moderate oven.

Swiss chard is really two vegetables in one. The green leaves should be stripped off and cooked like spinach. Cut the white stalks into one-inch pieces and cook about 20 minutes in boiling water. Then add leaves and cook about 10 minutes longer. To keep chard from turning dark, use unsalted water. Just before serving, season with fat, salt and pepper. Add a little vinegar or lemon juice, if desired.

When buying okra, select young pods measuring from 2 to 4 inches in length. Wash carefully, dry and cut crosswise in pieces about 1/2 inch thick. Heat fat in frying pan and cook covered for about 10 minutes, stirring frequently. Remove cover and continue to cook until okra is tender and lightly browned.

Kohlrabi is prepared like turnips. Trim off leaves, pare and slice crosswise. Cook in lightly salted boiling water for 20 minutes. Drain and season with melted butter, butter substitute

ARE YOU AFRAID OF ONE OF THESE?

You wouldn't be, after a visit to our modern and completely equipped health studio. Why take strenuous exercises when you can relax and enjoy our new hostess "Gyrolator" method of reducing? Truly a delightful way to keep young and beautiful. No dieting or starvation diets.

Campfire Girls Take Notice!

Have you heard about the movie being shown Saturday, October 5th, at the Esquire Theatre? It's really going to be a treat.

The pictures are, "The Bride Wore Boots," starring Barbara Stanwyck and Robert Cummings. This is a comedy about a family and a horse. From all reports it sounds like grand entertainment. The other feature is Walt Disney's wonderful adventures of, "Pinocchio." It's in technicolor, and you won't want to miss out on either of these movies.

Here are a few facts you'll want to remember. The movie is being shown at the Esquire Theatre, located at the corner of Jefferson and Nottingham, Saturday, October 5. All Campfire Girls are requested to be at the theatre by 12:30 p.m. The movie starts promptly at 1 p.m. and will be completed by 4:20 p.m.

Don't forget girls — Saturday October 5, 12:30 p.m. at the Esquire Theatre.

DANCING FEET PUT TO MUSIC

To the lilting tones of Earl Taylor's orchestra members of the Eta Delta Chapter of the Sigma Phi Gamma International sorority and their guests danced the hours away Saturday evening at the Neighborhood club. An enthusiastic crowd attended, and as the first fall endeavor of the sorority it set a precedence for future social successes.

Son Born

Mr. and Mrs. Gilles Reaume announce the birth of a son Paul Gilles, Friday at 12:30 p.m. at the Detroit Osteopathic Hospital.

The baby weighs five pounds.

Firestone-Ford Troth Announced in New York

The story book romance of petite Martha Firestone and Bill Ford which first made the pages of the nation's papers this week had its beginning years ago when Martha and Bill were childhood playmates, and news of their engagement was no surprise to their families and close friends.

The engagement was formally announced at a reception at the Ritz-Carlton Hotel last Saturday evening, linking two of United State's most prominent families.

The bride elect's parents Mr. and Mrs. Harvey S. Firestone Jr., of Akron were hosts at the party.

William Clay Ford, or Bill as he is known to his many friends is the youngest son of Mrs. Edsel Ford, of Lake Shore road and the late Edsel Ford.

Both Martha and Bill are students at eastern colleges and for this reason the families chose New York for the announcement. Martha has returned to Vassar where she is a senior and Bill will finish his studies at Yale where he is now a junior.

During the war years Martha occupied her time writing to Bill, who was serving in the Navy Air Corps, and doing medical social work at the Vassar Brothers Hospital in Poughkeepsie.

Before going to Vassar the bride elect was graduated from Foxcroft School and made her debut at the Allied Flags Ball and Debutante Cotillion in December, 1943 in New York.

Bill is a former student of the Detroit University school and graduate from the Hotchkiss School.

No date has been set for the wedding.

Holy Name Crusade Objectives Announced

The majority of deanery of deans and chairmen in the Archdiocese have had their final "briefing" in the Holy Name Society's membership crusade, "More Men for Christ," chairman Hugh J. Sheehan has announced.

Parishes and men's organizations have been supplied with attractive posters suitable for display in Church vestibules and on bulletin boards.

Available in the following areas: central, 14,800; southern, 15,200; eastern, 25,200; western, 14,850; southern, 10,600; north-eastern, 4,525; southwestern, 7,200 and northwestern, 7,475.

The Holy Name Society in America owes much of its strength to Father Charles H. McKenna (1835-1917) who saw the great need in a rugged, pioneering country where profanity was common. He taught and urged, through the Society, the true principles of Catholic Action, urged monthly Holy Communion for the members, realizing that such regular reception of the Bread of Life, fuses together all of the members of Christ. His Mystical Body, in a program of participating Catholic Action.

Father Regis Neeser, OFM, CAP, will conduct the Day of Recollection in St. Bonaventure Monastery September 29 for all parish officers and chairmen of the crusade.

American Legion To Wage War on "Modern" Books

War against the sale of so-called "modern" literature has been declared by George C. Dollar, commander of the Detroit District Association of The American Legion.

Each of the 105 Legion posts in the Detroit area is starting a survey of the book stores and lending libraries in its district and will demand prosecution of the merchants who are distributing obscene books to Detroit youth under the guise of "literary realism."

"Much of today's writing presents a degeneracy of thought that is foreign to all that the youth of America believes," said Dollar in a statement to the Detroit Times regarding the campaign. "Our soldiers and sailors did not expose themselves to danger and death to come home to the filth and decadence in much of what passes for modern literature."

Dollar believes that the present wave of degenerate writing is deliberately planned to send a message to our country to persons abroad who look to America for leadership and who are disgusted and shocked by the outpourings of some of our supposedly leading writers.

"It has always been the policy of subversive groups to attempt to weaken the moral fiber of a nation in order to spread their own gospel of moral rotteness," he said. "When they fail to weaken the standards and beliefs of our youth through their own propaganda, they applaud the actions of degenerate writers, who present to the world a panorama of moral decay and depravity that is supposed to represent America."

"It is our responsibility," Dollar concluded, "as it is the responsibility of every thinking man and woman, to stop their activities with every means in our power."

Meet October 3

LADY BOWES LYON'S CHAPTER of the Daughters of the British Empire will meet Thursday evening, October 3rd at 8 o'clock in the home of Miss Peggy Bird, 18402 Westhalla Avenue.

Entertains Friends

Jack Porter, son of Dr. and Mrs. John C. Porter of Lincoln road entertained thirty of his friends the evening of September 13 prior to leaving for Albion College.

WHAT'S YOUR SCORE? TEST YOURSELF WITH THIS QUICK CANNING QUIZ

(Based on questions frequently asked of Detroit Editor's Home Service Division)

- 1. Can I use saccharine or brown sugar in canning fruit?
2. Should I use plain or iodized salt for my canning?
3. How much syrup should I make for a half bushel of peaches?
4. Some of the pears I canned yesterday did not seal tightly. What should I do?
5. Should I paraffin jelly immediately or wait until it sets?
6. Some of my jars are only half full after canning. Should I open them and add more liquid?

BRING YOUR HOME-CANNING HEADACHES TO YOUR NEAREST EDISON OFFICE!

For individual assistance in your own particular home-canning problem, call your Detroit Edison office. An Edison Home Service Advisor will be glad to discuss it with you.

Service Advisor is ready to help you. There's no obligation—so call her today!

HERE ARE THE ANSWERS . . .

- 1. Saccharine or brown sugar is not recommended for the canning of fruit; but honey or corn syrup may be combined with sugar in the making of syrup.
2. Plain or iodized salt may be used in canning, although plain salt is generally recommended in the preparation of pickles.
3. A half bushel of peaches will require 10 to 12 cups of completed syrup.
4. Open jars, drain syrup. Heat syrup to boiling point and pour over fruit in jars. Use new lids and reprocess for one-half of the original time.
5. Use paraffin immediately.
6. Loss of liquid in a jar does not affect the keeping quality, provided the seal is perfect.

"Meet The Missus" Program Invades Pointe's Alger Auxiliary

Mrs. Oscar Keller, 1311 Bedford road, chairman of the luncheon held in connection with the "Meet the Missus" program at Defer school gets together with Russ Mullholland during a few minutes lull to talk over the success of the party. Their smiles are assurance enough that all went well.

Mrs. Isabel Mackay, 1322 Beaconsfield found Russ Mullholland's questions a "push over." Mrs. Mackay was one of the women in the audience at the recent "Meet the Missus" program at Defer school sponsored by the Alger Auxiliary. Mullholland kept things moving with his quick wit and winning manner.

Petticoat Rule

Declaring that all Jap males are guilty of waging war and therefore should be out of politics, Jimiro Mizuno, member of the Japanese House of Peers, has suggested that everybody resign in favor of an all-women government. His question "what is the attitude of the government on this problem?" put to Premier Yoshida has not as yet received a direct answer.

Meeting Next Wednesday

"Lord Dufferin Chapter" of the Daughters of the British Empire will meet on Wednesday evening October 2nd at 8 o'clock in the home of Mrs. William Hall, 824 Cadieux, Grosse Pointe.

Wools for Cool Days

Wool goods will be turned out at about double the pre-war amount sometime this fall, manufacturers report. There'll be all sorts of women's apparel, and men's suit manufacturers have enough cloth to make more suits than they made before the war.

Alice Joanne Perry Engaged to Navy Man

The engagement of Alice Joanne Perry to Ensign James Norman McKean, USNR was announced by the bride elect's parents, Mr. and Mrs. Paul Sheldon Giffin, of Moran road, at a tea at their home. Blue and white napkins with "Jo and Jim" imprinted revealed the tidings to Joanne's many friends. Among those assisting at the tea table were Barbara Reid, Marjorie Mollison, Bonnie Tait, Janice Lee Hoffman and Jackie Ewing. The bride elect is a junior Michigan State College where she is affiliated with Alpha Phi. Her fiance who is the son of Mr. and Mrs. Norman Dodge McKean of Cortland, N. Y., is a graduate of Tufts College where he received his commission. He is now stationed aboard the aircraft carrier, "Ranger."

ROSES FOR MADAME PRESIDENT

Russ Mullholland, one of WJE's top announcers presents Mrs. Myrtle Wynne, president of the Alger Auxiliary with a bouquet of roses. The presentation made at their "Meet the Missus" program was one of the evening's highlights. A luncheon and card game

Move Parsley Inside

If you want to use a few pieces of parsley or chives for garnish during the winter, garden specialists suggest that you dig up a clump and put it in a large flower pot. Move the pot into a sunny spot inside the house. Then throughout the winter pick your garnish as you like. With watering, warmth and sunshine, leaves will grow back and provide garnish material all winter.

ADVICE THAT COUNTS

Pat Hollister and Margie Moschel former graduates of Grosse Pointe high school are shown giving a few tips to Flo Michie, center a 12B student at the high school. The girls find the sunny days incentive enough to spend a few hours out of doors taking over classes and their social activities.

Troth Announced Sunday At Meadow Lane Open House

An open house honoring their two daughters, Kay and Sally offered Mr. and Mrs. Morgan Jay Sherman, of Meadow Lane the occasion to announce the betrothal of Sally to Richard Henry Wood, son of the Rev. and Mrs. William R. Wood, of Yorkshire road.

The glad engagement news was announced to guests by the names of the couple spelled out in red and white flowers over a large window in the living room. Match holders and napkins repeated the news.

Sally a graduate of Liggett School, and Bradford Junior College received her degree from Columbia University. Dick having served three years in the Army is a graduate of Kent School, Kent, Conn., and is now attending Yale where he is a member of the Fence Club.

Children's Movies Resume in October

Beginning with "The Adventures of Chico," Calvary Lutheran Church Grosse Pointe Woods, will again offer juvenile movies each Saturday afternoon at 2 p.m., during Oct. and Nov. The Oct. schedule reads as follows:

Oct. 5—Adventures of Chico
Oct. 12—Black Beauty
Oct. 19—Little Lord Fauntleroy
Oct. 26—Adventures of Tom Sawyer

Women's Republican Club to Hold Fall Opening Meeting

A group of enthusiastic women were on hand to greet Mr. Richard Durant, Committeeman for the 14th District when he arrived to address them in connection with plans for the November election campaign.

The meeting was held at the home of Mrs. Charles ... Dean, Jr. on Wednesday, September 25th.

Mr. Durant outlined his plans to bring forth the dormant vote, and the members expressed their willingness to assist in this work.

In his concluding remarks, Mr. Durant stated that the enthusiasm shown would, in a large measure, stimulate sufficient interest to guarantee a Republican victory this fall.

Activities at Neighborhood Club Insure Good Times for All

Adult Activities

Have you heard about some of the interesting classes and activities now being offered at the Neighborhood Club? Just to give you an idea: Mr. Walter Thome is conducting two Jewelry Classes for Men and Women on Tuesday and Thursday evenings — but since their quota is filled we suggest you call for your reservation for the next term which will start in December.

Then Miss Leona Bundy is again giving folks some wonderful ideas for Christmas gifts with her very unusual suggestions in Ceramics. This course runs for 10 weeks and is held on Friday nights at 7:30 p.m. There are a few openings left so at your earliest convenience please phone Niagara 4600 for your spot.

Irene Sutton is continuing her Millinery Courses on Tuesday morning, afternoon, and evening. The afternoon class is filled but there are a few places left at night and a morning class will be held if there are enough requests. Badminton will again be in full swing on Wednesday evenings starting October 2, 1946. This is an open activity for both men and women and a grand opportunity to meet folks and enjoy a bit of exercise as well.

And what about those card fans? Did you know there is usually a crowd of pinochle fiends playing at the Club every night? Why not come over and meet the men or bring your cronies over to start your own Pinochle Club?

Talking about cards — Would any of you women be interested in Bridge, either lessons or just the fun of playing. How about stopping in or calling Miss Pauline Masak at Niagara 4600 to make arrangements for the type of Card Activities you would like.

And please — if you have any suggestions or ideas for special classes or activities — we would like to know about them—please call the Club, Niagara 4600, and talk to Miss Masak about your ideas!

Fun for the Girls

We thought you girls, ages 6 and over, might be interested in some of the fun that is dished

out at the Club. On Tuesday from 4 to 5 p.m., for girls from the ages of 6 to 12 years old, we have the MYSTERY HOUR and if you want to know about that you are invited to discover what the MYSTERY is from week to week!

On Tuesday evenings the Humorettes meet from 7:30 to 9:00 p.m. This is a Social Club for teen age girls and you are invited to attend a few meetings and see how you like it. Their activities include jewelry making, handcraft, dances, and putting on plays.

On Wednesday afternoon from 4 to 5 p.m. the Junior Sports Club made up of teen age girls who like to participate in all reasonable sports. Sally Walker is their president.

On Thursday afternoon from 4 to 5 p.m. the Club offers Beginning and Intermediate Tap Dancing for girls who are 8 years old and over. Also the Camp Fire Girls are meeting on Thursday afternoon from 4 to 5 p.m. with Mrs. Higgins as their leader. This group is open to all girls 10 years old and over.

The G.P.A.C. of the Neighborhood Club is starting the Fall Season of Volley Ball which will lead to Basketball. Any girls 17 years old or over who feel they

would like to participate in the fun are invited to join the activities every Thursday night from 7:30 to 9:00 p.m.

Friday afternoons the Bluebirds, in other words the Junior Camp Fire Girls, meet from 4 p.m. to 5 p.m. with Mrs. Busch and Miss Marian Campbell as their leaders. This group is open to all girls 7 years old to 10 years old who would like to come.

Saturday afternoons from 1:30 to 3:30 p.m. a Club of boys and girls, ages 6 or over, meet and enjoy such activities as a Marshmallow Roast, and Hikes, Desert Parties, and many other interesting projects.

Speak Wedding Vows at Candlelight Ceremony

Roberta Nette, daughter of the Clark C. Nettles, of Kensington road spoke her marriage vows to William E. Jelneck at an evening ceremony at the Peace Lutheran Church.

Later the couple greeted guests at a reception at the Harmons Club before leaving on a wedding trip through New York and Canada. The bridegroom's parents are Mr. and Mrs. William D. Jelneck of Manor road.

Review WANT-ADS GET RESULTS!

REMEMBER —

(Continued from Page 1) of an out of town magazine publisher were denied permits by the Park commission. Pointers' interest focused on the fall lectures series to be presented at the high school.

FIVE YEARS AGO
Prominent Pointe residents endorsed the \$150,000 bond issue for the addition to Mason school. A telephone survey of the voters was taken and the results showed the unanimous approval of leading citizens.

T. J. Keane, national director of senior scouting of the Boy Scouts of America addressed local commissioners.

The City of Grosse Pointe set November 4 as its election day. Kenneth H. Duffy, 1239 Buck-

ingham was the first Park draftee to attain rank. Duffy was promoted to the rank of sergeant.

The Grosse Pointe high school team the Blue Devils met defeat at their opening game when the Birmingham team trounced them 7 to 0.

A fashion show and tea for the Neighborhood Thrift shop was held at the Neighborhood Club.

W. A. Mann, local high school science teacher was appointed a member of a committee on evaluation and application of research by Dr. Eugene B. Elliott, superintendent of public instruction for the state of Michigan.

The first fall meeting of the

D. A. R. Juniors was held at the home of Mrs. Ernest C. Harris, 910 Whittier avenue.

Members of the Phi Delta Kappa planned an early fall meeting to be held in Grosse Pointe.

The Detroit Society for the Hard of Hearing sponsored a dinner dance, in celebration of its 20th birthday.

The High School senior class held an election for class officers.

TEN YEARS AGO
Four hundred attended the women's democratic meeting, of the 14th congressional district at the Knights of Columbus hall.

The Lions Club completed arrangements for a baby clinic to be established in the Hotel Statler under the direction of a committee of doctors representing the Wayne County Medical Association.

Aloysius Cadieux of the Kelvinator Corp. as one of the company's leading salesmen received a trip to Havana, Cuba, in appreciation of his fine sales record.

Three local boys were killed

in auto accident while on a trip to Port Huron.

Dora Van Gelder addressed an audience on "The Human Aura in Health and Disease." The Historic Memorial society announced plans for their fall meeting.

Wm. F. Dorn was chosen a delegate to the State Convention of the Democratic party.

W. J. Beaupre was appointed vocational director in the Detroit area for the International Correspondence Schools of Pennsylvania.

College students were busy packing their trunks for their return to their alma maters.

FIFTEEN YEARS AGO
The Community Drive opening date, October 19 was announced by Mrs. Russell Alger. An appeal was made to residents to contribute generously to the worthy cause.

The Grosse Pointe School Board of Education visited the school buildings on a tour of inspection. Dr. S. M. Brownell, superintendent—declared that everything met with the Board's satisfaction.

Mrs. O. D. Heavenrich was chosen to represent Grosse Pointe Park at the State D. A. R. convention.

Mrs. David M. Sutter of Nottingham road was hostess at a tea for the Committee of Pages

One Promise

(Continued from Page 1) est state in the realm. As the "Arsenal of Democracy" she produced more tanks, planes and guns than any other state. She does build more automobiles, can produce more refrigerators, radios and other items. She is a great industrial state, with some six thousand diversified specific industries. Michigan has more diversified nationalities than almost any other state, and a diversity of interests which make her assume the stature of greatness, Sigler told his audience.

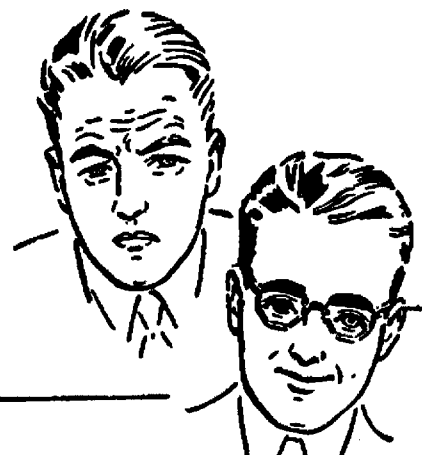

This fall's election is the most important election in Michigan history, Sigler said, because in this election the State has an opportunity to deliver itself from the roots and tentacles of graft that have been reaching out through high officers into many of the county governments of the State.

arrests, confessions and sentences have revealed racketeering involving the Chief of Police in Lansing, the superintendent of the uniformed division of the Michigan State Police and other men high in politics, who were all involved in one rake-off graft from some thirty slot machines in Ingham county, alone.

The candidate pointed to his three years of investigation in which he interviewed more than fifteen hundred witnesses and obtained a "behind-the-scenes" view of the vastness of the graft and racketeering which has gripped the State from the low-gangster up to many persons high placed in public life and politics. Of this situation, he declares, "It is my one ambition to expose, remove and clean up in order to give Michigan clean government."

was making Michigan only one promise — "a tough promise — to clean up." Lawrence Korte, president of the Grosse Pointe Optimist club presided at the meeting and presented distinguished visitors and guests. Dr. W. L. Tuttle, first vice-president of the club, introduced Sigler.

Wood's Park

(Continued from Page 1) which discharges drainage and some sewage into the Lake near this point.

- (a) The Michigan State Health Department has informed the Village that the site is "not suitable" for a bathing beach, giving as the main reason that Milk River serves as an outlet for storm water for Grosse Pointe Woods and that the Storm Water contains a percentage of raw sewage which may pollute the water at this site for some time after any severe rain storm and that it may be necessary on those occasions to prohibit the use of the water for bathing for some undetermined period of time after each such storm.
- (b) All the bathing beaches in St. Clair Shores have been closed several times during the past summer because of pollution and it will probably be necessary to close the proposed beach for the same reason.

4.—That the main reason for the promotion of this site is because of the boat docking facilities it will provide and that it is unfair to saddle all the taxpayers with the cost of providing these docking facilities for a relatively small percentage of our residents.

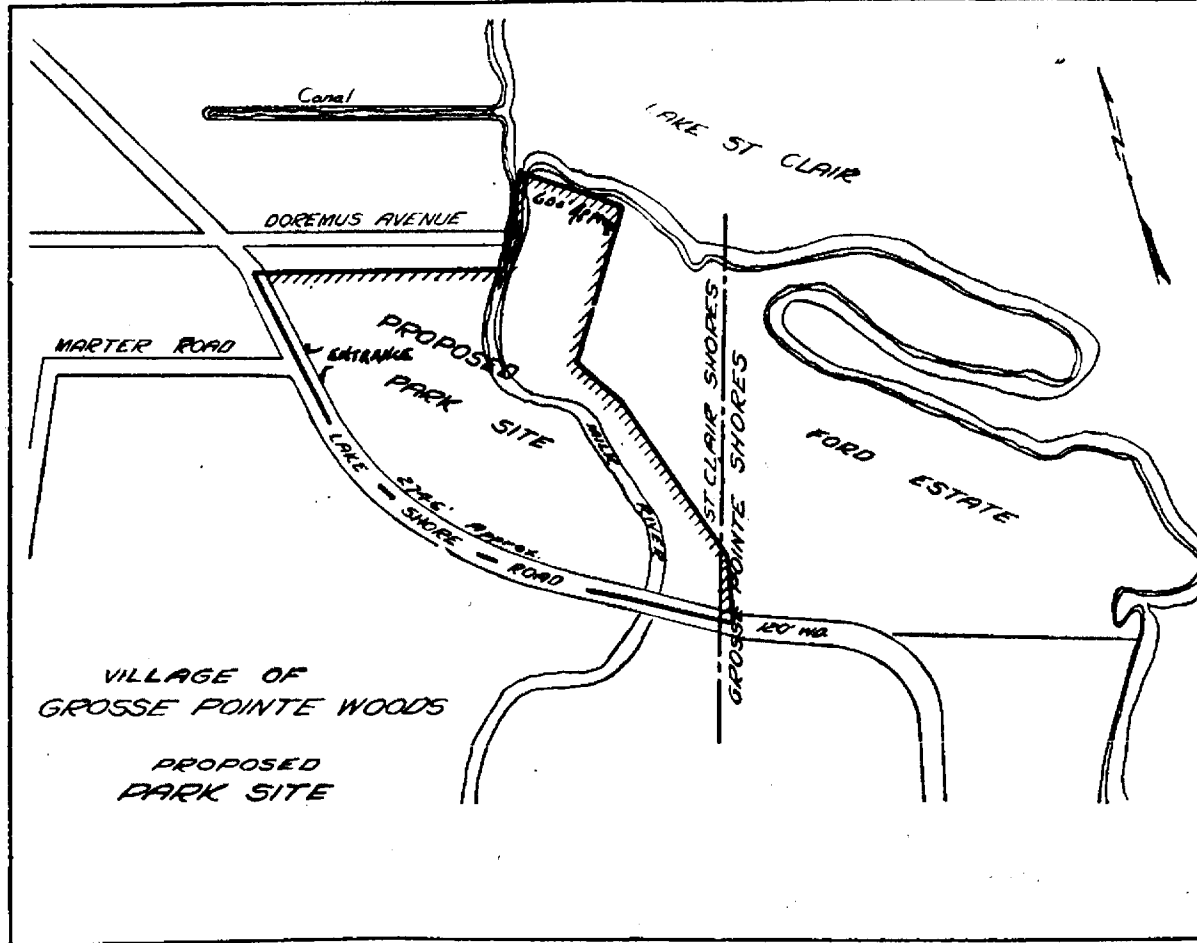

5.—That the development of our present Park Site on Mack Avenue, between Kenmore and Huntington with a swimming pool or pools is more practical for our purpose because it is in our own Village and more centrally located and because there would be no pollution problems.

"The following statements have been made in favor of the purchase of the site:

- 1.—That it will provide a beautiful Lake front park with all the advantages for developing it for the use of people of Grosse Pointe Woods for bathing, boating, picnicking and playgrounds and that no inland park with swimming pools can ever equal the scenic value, the outlook upon the Lake, the cooling breezes or the general atmosphere as this Lake frontage.
- 2.—That on occasion there may be some pollution in the water at this site, but that the times that it would be necessary to prohibit bathing would be comparatively few and of short duration.

(a) The State and Federal Governments are at present interesting themselves in clearing up the pollution in Lake St. Clair and that therefore the conditions should im-

Diagram of Woods Lakefront Park Site

prove in the near future.

- (b) That during the same period of times that the beaches in St. Clair were closed, tests were made of the water at this proposed site and that there was no serious amount of pollution present and that the conditions compared favorably with the other beaches along the Lake in the Grosse Pointes and which were not closed.
- (c) That even though there is some pollution present it does not warrant giving up possibly the last chance to obtain some lake frontage for the Village of Grosse Pointe Woods.

3.—That the fact that site is in another municipality is no detriment because one municipality has the legal right to own property in another and it becomes tax free; that in this case it will be beneficial because the property will not be removed from our own tax rolls.

4.—That the distance is not unreasonably far and that immature children should be always accompanied by others older and more mature to any park or recreational field of this nature and further that this spot is about the nearest obtainable piece of property.

5.—That the boat facilities for our residents will be an asset, but that the boating and other aspects of the proposed park site are the predominant factors.

Further pertinent items of interest regarding this proposed Park site are:

- 1.—The property will be restricted for use by only Village of Grosse Pointe Woods residents and their guests if accompanied by a resident.
- 2.—Power boats up to 5-horsepower will be permitted without mufflers and larger with suitable mufflers.
- 3.—Any portion of the Site may be subdivided for residences if desired, but the restrictions will have to provide for at least 30,000 cubic feet in the houses and to have 10 feet on each side of the lot line.
- 4.—Among other things to be prohibited in the Park are roller coasters, power driven merry-go-rounds and other mechanical amusement devices, a zoo, shooting galleries or the sale of liquor.
- 5.—If any restrictions are broken, the property will revert back to the seller or her heirs, excepting that

The Village will have a period of 45 days to correct a breach of restrictions and this period can be prolonged by closing the Park for all purposes until the conditions can be corrected.

6.—The beach can be partially readied for use by next summer by picking up the rubble on the shore, rowing some weeds, doing a little leveling and erecting a comfort station and dressing rooms.

7.—The increase in the tax budget will be about \$5,000.00 per year to pay the interest and principal on the bonds. This will amount to about \$1.25 per average home per year. The increase in taxes for any further developments will depend on how rapidly the improvements are wanted and the methods used in financing them.

8.—The authority to sell the Park Site on Mack Avenue at Kenmore has not been requested at this time because the market is rather unstable on vacant real estate, and our bonding limitations will still permit us to finance the purchase of the Lake Front Park Site and the Sewer improvement program without selling the present Site. If the purchase of the Lake Front Site is approved, authority can be given at the next regular Village election to sell the present site in whole or in part. Also a little more time will permit opinion to crystallize regarding the Mack Park Site.

"The foregoing facts and opinions are presented and published in order to be sure our people are well informed on all aspects of the proposition before voting on September 30, 1946."

"It is requested that a large vote as possible be cast in order to get a truly representative decision."

"In order to approve the Bond Issue for the purchase, a two-thirds majority of those voting must be yes votes. In other words the voting must be Two

to One to approve the bond issue in order to carry the proposition.

You must be a resident for at least 20 days before election, a property owner or the husband or wife of a property owner and a registered voter to vote on this proposition.

The foregoing is prepared at the request of, and in behalf of the Village Commission.

Sewer Improvement Bond Issue

On September 30 a special election is to be held in Grosse Pointe Woods to determine whether or not bond issues are to be approved for two projects, one for the purchase of a park site and the other to make certain improvements in our sewer and drainage system.

Because of the keen interest in the park site the sewer improvement program is apparent, by getting only secondary consideration. We wish to warn the taxpayers of the Woods that the sewer and drainage should get equal if not prior consideration to the park site because sewers have to do with the health and safety while the other is definitely a recreational program.

The proposed bond issue for sewer and drainage improvements will amount to \$90,000 and will if approved pay for the following items of work:

1. The Village of Grosse Pointe Woods' share in installing underground sewer pumping stations \$25,000.00
2. To purchase and install an additional pump in the Torrey road pumping station. \$28,500.00
3. To make some improvements to the Marter road pumping station both structurally, on the intakes and discharge outlet and on the electrical equipment on the old pumps that were installed in 1928. \$11,300.00

This is to bring up the efficiency of the station so that more water can be pumped during severe storms.

4. To install a cross-arm sewer on Charlevoix avenue from Brys drive to Anita avenue and which is to be connected into the Hollywood avenue main trunk to the pumping station. \$13,000.00

This is to relieve more quickly during severe storms, the water from the lateral sewers serving

engineers as the method that will eliminate most of our lighting trouble. An alternate stand-by system of Diesel engines as auxiliary power for the pumps was investigated and an estimate of \$200,000 was submitted, to install it, all of which would have to be paid by the Village. Because of the saving in cost and the assurance of earlier completion the Village commission decided on the underground cables.

2. To purchase and install an additional pump in the Torrey road pumping station. \$28,500.00

The southern portion of the Village is developing very rapidly, a great many paved streets have been installed during the past two years and it is expected that as soon as building materials are a little more plentiful, a building boom will start in this area. All of the existing pumps. This item is a matter of foresight inasmuch as it will be two years before the pump can be delivered and installed.

3. To make some improvements to the Marter road pumping station both structurally, on the intakes and discharge outlet and on the electrical equipment on the old pumps that were installed in 1928. \$11,300.00

This is to bring up the efficiency of the station so that more water can be pumped during severe storms.

4. To install a cross-arm sewer on Charlevoix avenue from Brys drive to Anita avenue and which is to be connected into the Hollywood avenue main trunk to the pumping station. \$13,000.00

This is to relieve more quickly during severe storms, the water from the lateral sewers serving

Brys Drive, Roslyn and Hampton road, Hollywood and Hawthorne roads and Anita avenue. On most of these streets the lateral sewers were installed before the Village was incorporated and are shallow and sometimes somewhat undersized since the streets are nearly solidly built up.

5. To tie in the sewers on Sunningdale and Lochmoor Blyds. into the village storm-water interceptor. \$2,500.00

These sewers were also installed many years ago before the Village was incorporated. They are shallow, do not have very much slope and empty into Milk River. When the water in this river rises during storms the outlet to the sewers is below water and slows down the flow. Tying into the Village interceptor will afford some relief to this problem.

6. To install covered culverts or ducts in the Girard Drain or ditch at Ridgmont and Helen avenues. \$9,000.00

This country drain ditch crosses these streets at this intersection creating a bad bridge condition and causing some privately owned property adjacent to be used for a roadway. The owners of this property have fenced off the property causing a blocking of the street. The installation of the covered drain ducts will permit straightening out the street to permit passage.

All the items have been determined by the Village Commission to be very necessary for the continued growth and improvement of our Village. While some of the latter mentioned items appear to be local in as-

pect, they nevertheless are general enough in their scope to warrant making them a village wide expense. The taxpayers and residents in the areas involved have been paying their share in the general sewer improvements, but they are of not full value to them unless these are made.

Sewer and drainage problems area major item in the Woods as they are in all the Grosse Pointe area because of lowness of all the land, and when it is realized that all storm water that falls in the area as well as that which runs in from the higher areas to the west all has to be pumped and lifted into Milk River to run out into the lake.

Up until 1940 the Village of Grosse Pointe Woods was in no financial position to make many very much needed improvements in the sewer system. During the war years some increased pumping facilities were installed but then again these were held to a minimum because anything more than giving relief for immediate needs would not have been approved for priority by the War Production Board.

It is important that this bond issue be given the utmost consideration by the voters. Further expenditures will have to be made every few years hence to keep up with the drainage problems as the Village grows.

Eternal vigilance in both maintenance and improvement of our sewer and drainage systems will have to be maintained to avoid flooding during severe storms.

This bond issue will require a two thirds majority of the voters to carry it.

A. A. GHESQUIERE,
Village President.

Sanitary, Nevers Classic of Romance at Grand Theatre

The Grand Theatre has a new banner attraction, a classic of romance, "Sanitary, Nevers," a story of a young man who falls in love with a girl who is a nurse in a hospital.

Another love story of the more sunny type is "A Night in Paradise," with Turhan Bey and Merle Oberon. This movie does not have the gay, youthful slant of the other picture, but is an enjoyable story. Turhan Bey is usual appears as a very foreign and very mysterious young gentleman. Miss Oberon does a fine job of acting.

A color cartoon will also be shown.

FREE NYLON HOSE

Starting next Tuesday and every Tuesday for six weeks, the management of the Colony theatre will award ten free pairs of Nylon hosiery to ten fortunate ladies who attend the night performances.

STILL IN THE DOG HOUSE!

Boat Patrolling Begins October 1

While in the down river district Thursday chartering a patrol boat for the Stream Control Commission to check sources of stream pollution Larry F. Oeming, sanitary engineer, for the commission found startling evidence of the need for just such a boat.

He had made preliminary arrangements with the Girard Boat Co., in Ecorse for a cabin cruiser to be used by commission men for daily patrol of the river front and was at the Wyandotte Sewage disposal plant making arrangements for a temporary field office when word came that a fifteen mile stretch of heavy oil sludge coated the water from Mongaugon Creek in

such a condition was not found when the Stream Control commission made a survey over the same water a week ago but appeared shortly thereafter. This pointed to the need of a patrol boat on the river constantly and a Detroit Emergency field office for which the Little Legislature appropriated \$25,000 two weeks ago.

Officials of the Wayne County Sportsman's Club which spearheaded the drive for the office and patrol boat named the Pennsylvania Salt Manufacturing Co., the Firestone Tire and Rubber Co. and the Socoy Vacuum plant as being in the area from which the oil originated.

five miles below Pointe Mouillee in Lake Erie.

Investigation showed that thousands of fish had been killed and were floating about in rafts. Ducks lighting in the scum could never fly again. Pointe Mouillee state game area was in the path of the drifting scum.

It was interesting to note

Latest Highlights From Hollywood

Has it come to this? Robber of actress Judith Anderson's Beverly Hills apartment ignored her fine collection of jewelry, took instead some small change and, of all things, the script of her current film for United States Pictures, "Pursued!"

Incident may weaken the impression that producers have more grand stories than they know what to do with. The local bobby sox brigade was horrified when it learned that Van Johnson is supposed to wear whiskers in MGM's "Rosy Ridge." . . . The California Redwood Association has named Judy, the heroine of Pal's Puppetoons as "The Shapeliest Splinter on the Screen" . . . Paul Henreid, now romancing with Bette Davis in "Deception" for Warner Bros., has received a free sample of something known as Sprink which is supposed to prevent skidding in the shower. He doesn't know whether he's to rub it on himself, the shower or the soap.

Bob Alda, soon to be seen in "Cloak and Dagger," saw this sign at the outskirts of a small town in northern California: "Slow down before you become a statistic."

"Silver Bill," a story about William Sprattling, who developed many fabulously rich silver mines in Mexico, has been completed at Warner Bros. The short was done in Technicolor. Assignments At Warners:

Otto Kruger and Barbara Brown to top roles in "Love and Learn," a romantic comedy starring Bob Hutton and Jack Carson.

Stephen Longstreet to the scripting job on "Young Man With A Horn," slated for fall production.

Cedric Francis to the director's spot on "Las Vegas—Frontier Town," Technicolor short subject which will feature the annual "Hellorado" celebration in the Nevada town.

The staple product of the Australian pearly industry in normal times is not the pearl but the shell, and the discovery of a pearl is considered so much velvet.

The management has also made plans for the showing of a colored cartoon and a preview of the new serial which will start October 4 and 5.

han Bey. The picture has a definitely new twist that will hold your interest, and the acting as well as settings are superb. The movie is in technicolor — another drawing feature!!

Field, March Star In Gripping Drama At The New Shores

Versatile actress Betty Field and Frederic March co-star in the thrilling drama, "Tomorrow the World," appearing at the new Shores theatre, Friday and Saturday. This is a screen version of the Broadway hit of the same name, and the plot involves the efforts of an American family to train a Nazi-bred youth to American ideals and way of life. The tragedy leveled upon the home by the Nazi boy, and the final solution reached by the harassed father make the film a production triumph.

In a much more gayer vein is the romantic story co-starring lovely Merle Oberon and Tur-

We're Trying to Make Telephone Service Go Around, Too!

A lot of people are still waiting for telephones. To provide as many of them as possible with service, we're having to limit most new installations to party lines.

This, of course, is a temporary measure, designed to give more service to more people sooner. As additional facilities become available, we'll be able to give individual-line service to those who want it.

Meanwhile, you can help make party-line service good service by observing these simple rules:

- 1 When the line is in use, please don't interrupt except in case of emergency.
- 2 Keep all calls as brief as possible.
- 3 Avoid making several calls in immediate succession.
- 4 After every call, hang up carefully. One receiver off the hook puts all the telephones on the line out of service.

LUTHERAN CHURCH OF THE REFORMATION
Vernor Highway E. at Lakeside
Calvin F. Stickers, D.D., Pastor
Miss Beatrice Morrow, Parish Worker
9:30 A.M.—September 29th is Rally Day and Promotion Day in our Sunday School. Beginning at two years of age, there are classes for every one. Bring your children Sunday and enroll in the Bible class yourself.
11:30 A.M.—The Sunday School will attend the church service in a body. The pastor will preach a special Rally Day sermon on the subject, "The Day Grew." Promotion certificates will be presented to those promoted to a new department.
4:30 P.M.—Luther Leagues will attend the Detroit District Rally at Olivet church.
Parents' Night will be observed on Thursday, October 1st at 8 P.M. There will be a program and refreshments. Parents' Night affords an opportunity for Sunday School children, teachers and members of the congregation to get acquainted.

MESSIAH LUTHERAN
Southeast Corner of Kercheval and Lakeside
Telephone LE 6031
A. H. A. Leiber, Pastor
M. L. Martin, Assistant Pastor
Messiah Church will observe its Anniversary on the coming Sunday, September 29, at 10:00 a.m. Services will be conducted on that day. At 8:00 and at 10:30 in the morning, and at 7:45 o'clock in the evening. The sermons will stress the duty of the church to obey Christ's command: Go ye into all the world and preach the Gospel to every creature. Offerings to be lifted in all three services will be in support of the organized mission work of the Church.
As usual, the Sunday School will be in session from 9:15 to 10:15 on Sunday morning.
Bring the past week's Children's Confirmation Class was organized for the 1946-1947 term. From now until next Palm-Sunday, the class will meet after school-hours three times a week, namely on Monday, Wednesday and Fridays. The children of pre-Confirmation Class age met for the opening lesson of the new term of the Saturday School last Saturday. It will now be in session each Saturday from 9:30 to 11:30 A.M.

GRACE EVANGELICAL AND REFORMED CHURCH
Lakepointe at Kercheval
Walter S. Press, Minister
Next Sunday will be Rally Day in the Church School. All the parents and adults are invited to attend the Church School Rally Day service at 9:30 a.m. The theme of this service will be "One World Through Christ." There will be a service of consecration for all Church School Teachers as part of the worship service at 11:00. The subject of the sermon will be "The Christian Faith in Christ." The Young Adults will meet at the Church on Tuesday Evening, October 1, at 8:00.
The Consistory will meet on Wednesday Evening, October 2, at 8:15.
The Young Men's People will meet at the Church on Friday, October 4, at 7:00.

GROSSE POINTE METHODIST CHURCH
Rev. Hugh C. White, Minister
The Church School of The Grosse Pointe Methodist Church will hold its annual Rally Day this coming Sunday, September 29. The class sessions of the school run from 10:45-12:30. At the worship hour of 10:45 the nursery and kindergarten is opened for children of pre-school age. At 12 o'clock noon the sessions for the rest of the school are held with classes for adults, young adult, fellowship and the intermediate fellowship with the sessions closing at 12:30. A play period for pre-school children is held during this hour to accommodate any parents who may wish to stay for the adult class.
The Church School Superintendent is Mrs. Lee S. Walter, 865 Bedford Road, and the staff includes: Mr. Wayne Wetzel, 425 Cloverly Road; Mr. and Mrs. Theodore J. George, 5722 Bluehill; Mr. Willis Bugbee, 1002 Kensington Road; Miss Logan, 1002 Kensington Road; Mrs. Dan M. Guy, 420 Rivard Boulevard; Mrs. Wayne Wetzel, 425 Cloverly Road and Mrs. Dell L. Reedy, 2041 Van Antwerp Road.

THE GROSSE POINTE CONGREGATIONAL CHURCH
Meeting in Richard School
Charles W. Schindler, Pastor
Sunday, 11 a.m.—Church Service.
Sunday, 11 a.m.—Church School for all ages.
September 29th to October 6th is Religious Education week. Mrs. Frederick V. Slocum, chairman of the Religious Education Committee, has announced plans for the observance of Religious Education week. A consecration service at the church school teachers will be held during the church service on September 29th; Marilyn Matheson, Shila McComb, and Fred Slocum will report on their summer conference program; a course for the training of church school teachers will meet on the evenings of September 30, October 7, 14, 21 at the home of Mr. and Mrs. Lawrence C. Pace, 1373 Gadieux.
On Sunday, September 29th, the officers of the youth groups will meet at 7:07 University Place to plan the program of study and activities for the coming season. The C'n'C Club officers of the U.D.C.'s are President, Linda Huntington; Vice-president, Barbara Reed; Secretary, James Kalb-Hleich; Treasurer, Shy Meeker. The officers of the U.D.C.'s are President, Marilyn Matheson; Secretary, Shila McComb; Treasurer, Edith Waldrott.
