Next 25 Years Critical, Lecture Audience Is Told

"The next twenty-five years are the most critical to World Peace, and the years we must watch to avoid war with Russia," asserted Hon. Karl E. Mundt, Congressman from South Dakota, who addressed the Grosse Pointe Lectures audience Tuesday night in Pierce auditorium.

"If we can avoid war with Russia, which we can for the next twenty-five years," predicted Mundt, "the Russian Communist system will collapse, because as a theory it is so inept, so inefficient and so rotten that it can't survive."

Meanwhile, the eyes of democratic nations should be more aptly focused on "The Blue Sea with the Red Rim," which was Mundt's subject for the evening. The Russian orbit of influence dominates the area which can be included or is fringed to a circle with a radius of one-hundred miles, centered in the Mediterranean.

"The most confused spots in the world today are in that area," said Mundt, who explained that Communism arises and thrives amidst confusion.

The president of the club, Albert Wyffels, was in the chair and introduced Harry Heilmann, former star of the Detroit Tigers, who acted as master of ceremonies.

Annual Rotary Benefit Monday

The event each year is staged with a sell-out attendance and advance sale of tickets again indicates a similar turnout according to Bob Boyer, chairman of this year's committee.

Entire proceeds from the annual event are used by the local club for charitable and community service projects. Among other things, the club has pledged \$2,700 toward a permanent Grosse Pointe War Memorial.

New Ordinance Licenses Bars and Restaurants

An ordinance to license, regulate and provide for the sanitary inspection of restaurants, bars, and bakeries and to require food handlers' permits was adopted by the Commission of Grosse Pointe Farms Monday night.

The new ordinance provides for a license fee of \$10 annually for each restaurant, bar, food manufacturing place or similar premises covered. The regulation becomes effective December 8.

Violations of the ordinance are punishable by a fine not exceeding \$100 or a term not exceeding 90 days in jail or both fine and jail.

Section One of the ordinance provides that no person, firm or corporation shall keep, maintain or operate a restaurant, bar, bakery or food manufacturing plant in the Village of Grosse Pointe Farms without first having obtained a license therefor from the Village Council.

Court Delays Suit to Halt Woods' Park

Hearing of the suit brought by the Village of St. Clair Shores to halt purchase of the Lakefront park site by Grosse Pointe Woods will begin Friday morning.

Originally scheduled for Tuesday, the case was put over at the request of attorneys for St. Clair Shores.

The presiding judge, Alton Noe, in Macomb Circuit Court, heard a motion from Julius A. Berns, attorney for the Woods, asking that the action be dismissed.

The Shores requested the delay to allow them time to prepare their case. They named Mr. James J. O'Neil as attorney.

They want to prevent cancellation of the sale of 32 acres of the Ford estate to the Woods for a park.

Farms Orders New Trucks

Farms Commission approved the purchase of a power lawn mower at \$585.60 as recommended by the Village Engineer Murray M. Smith.

They also authorized an order to be placed for a truck and chassis to haul the 13 cubic yard rubbish unit at an estimated cost of \$4,000. The order is to be confirmed by next year's council.

Bids will be invited from leading truck manufacturers. Purchase was authorized also of a truck body to be used in maintenance work at an estimated cost of \$1,000.

Purchase of a truck loader and grader for installation on one of the tractors was authorized at an estimated cost of \$2,000. The order is to be re-affirmed by the 1947 council.

The Village engineer was instructed to negotiate with Grosse Pointe City for the purchase of 1,200 cubic yards of stone which could be used to make a macadamized parking lot at the Village pier.

Mr. Smith estimated that the parking area could be so surfaced by the Village at a cost of \$2,000 if they did the work themselves.

"WE LEAD, OTHERS FOLLOW"

Grosse Pointe Chest Drive Succeeds

Announcement from headquarters of the Community Chest Red Feather campaign that the Grosse Pointe district had exceeded its quota before the drive was completed officially occasioned no surprise.

It would have been inconceivable to think that the people of the Pointe who play such an active part in organizing such campaigns would fail in their own neighborhoods to reach the goal they set for themselves.

Attainment of the quota in the campaign need not bring forth congratulatory phrases and fine speeches for the campaign workers and the contributors. Those who did their share and more in time, effort and money will have the satisfaction of knowing that their contribution will help relieve suffering and will spread happiness in the world.

Those who shirked their responsibilities by failing to practice the Christian virtue of charity or brotherly love can only feel a sense of shame. Another year they may recall their failure this time and join the ranks of those who are always eager to help their fellow men.

McNally Drew Campaign Plan Aboard Ship

The following article on the newly-elected county prosecutor James N. McNally, of the pointe, was written by James Melton in the Detroit Times. One was a lieutenant commander and the other a navy lieutenant stationed at Pearl Harbor air base after the campaigns of the South Pacific.

They were discussing what they planned to do when they returned to Detroit and civil life.

"You'd make a good prosecutor, Jim," said Lt. George Gray, who at one time was an assistant under former Prosecutor Harry Toy. "You're a natural—in fact, I think you're in."

"Nuts," said Lt. Cmdr. James N. McNally. "But it sounds good."

And that is how the successful campaign of Prosecutor-elect McNally got its start.

LITTLE FUNDS Gray knew something about politics, McNally didn't profess to be anything except an attorney and a sailor of the sea.

There wasn't much money between the two of them for a primary campaign. They were able to raise and spend in that primary only \$242.17.

After he won the Republican nomination, friends came forward to offer funds for the regular election campaign. McNally wouldn't take any of the money. The party spent \$4,000 altogether in his behalf.

Since boyhood, McNally had loved the navy. He enlisted as an apprentice seaman in 1921, served with the fleet, and remained in the reserves as a chief petty officer until 1942 when he was commissioned an ensign.

VICTIM OF TRAGEDY He was sent to Atlanta where he soon was in command of the naval air station. While there he was dealt a cruel blow. His wife, Marie, mother of his six children, died unexpectedly. It was then that he asked for overseas service.

He served at many stations in the South Pacific before he was discharged from the navy Nov. 11, 1945.

McNally was graduated from the Detroit College of Law and practiced in Detroit until entering active service. He is married and lives with his family at 1314 Nottingham.

Gray, who is expected to be on McNally's staff after the new prosecutor takes office Jan. 1, just grins now when he recalls the commission in "Far-off Harbor Conspiracy," he said.

Eyes Often Cause Nervous Strain

Unnatural fatigue, recurring headaches, even stomach aches may be caused by over-strained eyes. Eyes may be the source of nervous tension, yet go unsuspected for a long time, Dr. Fred C. Worthy disclosed this week in an interview.

Worthy, an optometrist, for 25 years, has offices at 115 E. Grand River. Frequently blurring and distortion result only after sustained eye trouble, to give warning that eye attention is needed. Dr. Worthy pointed out. Eyes should be examined regularly, he says, not alone for vision but for their possible effect upon general health.

Prices High, Eastern Realty Group Warned

Lawrence Stauch, loan guarantee agent for the Veteran's Administration Bureau, spoke at the last noonday meeting of the Eastern Detroit Realty Association, at the YMCA.

Mr. Stauch explained that he finds properties way out of line in price in comparison with today's reproduction cost.

Mr. Stauch also stated, that the Ceteran's Administration allow a 66% increase over 1940 building costs, however he finds that prices asked for existing used homes, far exceed that differential, some prices being more than 100% over 1940 reproduction costs.

He stated, however, as soon as the building program gets under full steam, and plenty of new buildings are available, prices will drop in price.

A question and answer period was held which was very enlightening to the East Side audience of brokers and salesmen. The meeting was presided over by Dave Franklin, president of the Eastern Detroit Realty Association.

Mr. Franklin commented, that as soon as owners of property who wish to sell their homes realize that the prices they are asking are far too high in comparison to present reproduction costs, and reduce their asking prices accordingly, they will find considerably less sales resistance from the buying public.

Mason School News

Mrs. Harwood's 2B group has been studying Indian life. They have learned about Indian homes, Indian food, Indian clothing and many things about the customs of the Indians.

Some of the activities connected with this study have included modeling pewabic clay bowls, making Indian designs, learning Indian songs and dances and learning how to weave.

Today the children in the group gave an assembly for the other children in grades one and two, and on Friday they plan to invite their mothers to see their Indian dances and to hear their Indian songs.

The children in Miss Brody's 1B room have been having an interesting time learning about pets and have made several pets out of cardboard, even an owl covered with pheasant feathers, and fish that look so real that you might wonder if they shouldn't be put into a fish bowl.

The children learned many songs and poems about pets and invited their parents last Thursday afternoon to share the enthusiasm of their work with them.

GPHS Defeated 19-14 In Season's Finale

The Grose Pointe Blue Devils bowed to the Mt. Clemens Bathers 19-14 Saturday afternoon in their final game of the 1946 season.

Scoring twice in the second quarter the Devils led the Bathers 14-12 at the half. Mt. Clemens scored the winning touchdown late in the third quarter on a sweep around their own right end from the Pointer's 10 yard line.

An intercepted pass set up the Bather's first score early in the first period. They worked the ball down to the Pointer's 15 from where Charbneau ran into the end zone for the touchdown.

DEVILS TAKE LEAD
The Devils took the lead in the opening minutes of the second quarter after Munnford recovered a Bather fumble on the Mt. Clemens 32 yard line. Serra picked up eight yards and Isbey made it a first down on the 2 yard line on a reverse play that caught Mt. Clemens flatfooted. Isbey then plunged in to the end zone for the 6 points. Flaughter made it 7 with a perfect kick.

Mt. Clemens came right back with another touchdown when Fullback Carlos plunged over from the 5 yard line. The Bathers had taken possession of the ball on the Devils 45 yard line and three successful passes put them in position for the score. The Devils changed the score for the third time in the closing minutes of the second quarter on a 25 yard pass into the end zone. Christianson passed to Patterson after the Pointers had made a first down on the Bathers 24 yard line. Flaughter again converted, making the score 1-12 as the half ended.

WINNING SCORE
Opening the third period the Pointers stopped two scoring threats before the Bathers could push the ball over for the winning touchdown. Taking the ball on their own 44 they worked down to the 12 yard line from where Charbneau scored his second touchdown and what turned out to be the deciding points of the game.

St. Paul and Royal Oak In Title Clash Sunday

St Paul Flyers will meet St. Mary's of Royal Oak at U. of D. Stadium for the Catholic League's Second Division championship Sunday at 2:30 p. m.

The Flyers finished the season tied for first place in the East Side Second Division with St. Charles. Owing to State rules the latter team is barred from the playoff because it already has played nine games this season.

Sportsmen O.K. Game and Fish License Boost

The Wayne County Sportsmen's Club went on record, at its regular monthly membership meeting at the American Legion Memorial Home in Dearborn as approving the proposal for doubling the small game and fishing license fees on condition that the Conservation Department spend \$150,000 annually on the propagation and restocking of pheasants and grouse.

The Sportsman's Club also approved the propagation and restocking of trout and warm water game fish; placing a bounty on foxes; support of a \$150,000 appropriation for the Stream Control Commission to carry on its anti-stream pollution work, and make a more vigorous attempt to enforce the game laws.

Vic Beresford, secretary of the Club, told the members that the department's natural propagation policy had been proven wrong during the recent small game season and nothing but artificial propagation and restocking would make up for the ever increasing gunning pressure.

He pointed out that the conservation officers made only 14 arrests for violation of the 10 a. m. opening time on pheasants and declared that more hen pheasants had been shot illegally this year than during any previous season.

He declared that state hunting lands without game were useless and restocking without curbing predators was a waste of money.

Larry A. Davenport, of the game division, told the members that the state deer herd was increasing to the point where unless hunters were permitted to kill does as well as bucks, thousands would die of starvation. He said he was confident the state could handle a one deer instead of a one buck law without seriously depleting the deer population.

Pointe Players Present First Play of Season

Scenes from "Children of the Moon," Pointe Players' presentation which opened last night will be repeated Friday and Saturday at Grosse Pointe

mond, left to right. At the right are the principals, Diane Faulk and Bob Campbell.

The Pointe Players presented the first performance of "Children of the Moon," a somber drama by Martin Flavin, last evening. They will present it Friday and Saturday night at the Grosse Pointe High School Auditorium.

Directed by Frederick B. Nelson, the club's newly appointed faculty sponsor, the cast and crews are expecting another smash hit.

Diane Faulk assumed the romantic but tragic role of Jane Atherton, a young woman in love with an aviator, who is a guest in the Atherton home. This is well played by Bob Campbell, high school senior.

Pat Hammond plays the part of a selfish and ill-tempered mother. The cast is supported by Jenny Quirk, Bill McBride, Buster Knope, Herb Uhler, and Jim Brown.

Dialect will be an important factor in the characterization in all but two of these roles.

Some of the committees involved in the production of this three act play are: business, headed by Jim Brown, and make up, by Annie Hammond. Stagecraft's manager Bruce O'Neill is assisted by Dale Stevenson and many others.

The excellent lighting effects are mastered by George Hughes and the equally difficult sound effects are handled by Bill Siebert and his crew.

Costumes, a major factor in this play, are the job of Sylvia Teeg and Marilyn Hirt. Bookholders are Al White, Shirley Davis, and Nancy Hodges and the publicity committee is filled by Rich Winkler and Sharon Gates.

Seats are reserved for both Friday and Saturday. The tickets will be on sale both nights for thirty and fifty cents an hour before the curtain rises.

The Pointe Players are expecting another big turnout for their presentation of "Children of the Moon" at 8:15 at the high school auditorium.

Teen Talk

By MEEKY MARIE VAN ZANEN

A last look at hay rides, football and other outdoor activities informs us that Autumn is taking its exit and Winter is being ushered in.

On Friday night the NU BETA PHIS gave their annual hayride. Doughnut dunking and dancing climaxed the activities which took place at the Lasy J Ranch.

Among the skygazers were Nancy Kirshmer 'n Ed Roney, Kay Bartemeir 'n Joe Keane, Sue Mercer 'n Hughy Dill, Sally Roney 'n Bill Walsh, Pat Brennan 'n Tom Jackman, Ann Mercer 'n Bob Kelly, Jeanette Denis 'n Bob Treblish "Hattie" Howenstein 'n Bob McKendrick, Pat Zimmers 'n Dick Redmond, Connie Gidner 'n Owen Jeakie, and Sally Andrus 'n Mike Foster.

JANET HOBSEN decided it was time for another one of those "all gall" sessions. So on Friday night she gathered a group of her cronies together for sandwiches, pop and cookies, with of course, the usual chatter.

The list of hags included Merry Baumen, "Marcy" Weatherbee, Jean Webb, Nancy Georgie, Janet Johnstone, Ginny Grasse and Sheila McRae.

Winding up the boating season for all Grosse Pointe seafarers was the SHIPWRECK SHUFFLE, also on Friday night. This affair was held in the Memorial Church gym and it was strictly shipwreck style in the way of clothes.

The walls were decorated with sailors. A prize was awarded to BARB STORKAL and PHIL SKILLMAN for the most original costume, which was, by the way, a boat, named the S. S. Dinky.

Seen dancing to the sweet strains of Joe Mininos orchestra were Mary Prevo 'n Tom Alveraz, Mary Murrey 'n Bill McCauley, Phil McRae 'n Dave Thompson, Martie Watkins 'n Dick Ford, Marion Moses 'n Carl Romano, Jean Bowzer 'n Al Singler, Kathy Srek 'n Doug Krieger, Marilyn Wrooblos 'n Joe Fromm, Marilee O'Brian 'n Bud Horsley, Rosemary Rae 'n Dick Fordon, Gerry Rounds 'n Jim Femon, Sheila McRae 'n Jim Swift, Alice Neville 'n John Hutson, Sally MacDonald 'n Bruce Kirchner, June Mofett 'n Bill Hester, Letty Kretschman 'n Bob Halbrook, Helene Myers 'n Tom Redmond, Elie Hewitt 'n Sandy Malcolmson, Laura Murphy 'n Ray Bowman, Bev Pohl 'n Tommy Van Tien, Barb Brown 'n Dick Van Tien, "Floss" Barty 'n Bert Weol, Barb Orphal 'n Jack Fife, Mary Verbiest 'n Bud Golla and "Christie" Hoare 'n Jim Bookings and yours truly 'n Bill Joop.

On Saturday night at the Grosse Pointe Riding Academy DORIS REMTKE 'n "SKIPPER" VILLENEUVE gave a hayride and invited Andy Londez 'n Jack Flattery, Pat Brennan 'n Tom Jackman, Margie Storkol 'n Lee Walker, Marilyn 'n Farker Manger, Sally Smith 'n Dick Palmer, Franny Ardito 'n Bill Wybo and Betty Liligrin 'n Bob Brinker.

The last game of the season was played by the Blue Devils against Mt. Clemens on the latter's field on Saturday afternoon. Even though the weather was bad and GP defeated, everyone had a good time.

Some of the spectators were Joan Quant, Jerry Rauen, Barb Carter, Marilyn Smith, Bill Isbey, Marilyn Wrooblos, Ginny Gregory, Bart Spurrer, Pete Klaver, Barb Brown, Laura Cotter, Ted Lager, Harold Haupt, Jim Brown, Nancy Bolles, Quirk Walsh, Cline Walsh, Al Singler, Jim Swift, Jo Ann Bartley, Lois Beck, Tom Anton, Bob Coleman, Jerry Johnson, Joan Groves, Sally Andrus, Ann Candler, Marilyn Smith and Deris Baser.

DICK CARTER, TOM WHITTINGHAM, JOHN BOYDELL and BILL JACKMAN got a grand welcome home on 12 day leave from the Army last week.

A group of sports minded girls and boys trekked down to Briggs Stadium to see the DETROIT LIONS against the GREEN BAY PACKERS on Sunday.

In the group were Barb McInnes, Barb Mann, Paul Bauer, Betty Nelson, Jan Monaghan, Evelyn Mann, Art Keyes, "Moose" Cook, Tom Morrison, Joan Swann, Sally...

Attention all Alumni of St. Andrews and St. Paul's High schools. The Alumni game will be held at the GROSS field this coming Sunday morning. Let's have a good turnout kids.

Attention all Grosse Pointe High students purchase your tickets now! For "Children of the Moon" to be presented by Pointe Players on Friday and Saturday. Do not miss the excellent performance. Everyone's going—so join the crowd.

If Isabella had ice cubes...

Christopher Columbus would never have discovered America!

Isabella, Queen of Spain, had caskets full of jewels. She had velvet robes and silken gowns and handsome hand-made shoes. But she had no electric refrigerator! So the jewels were pawned. Three little ships set out against the sea. And Columbus happened on America back in 1492.

Poor Isabella, with all her clumsy luxuries, never dreamed of ice cubes—nor any of the miracles of modern electric living!

Though electricity plays such a great part in today's comforts and conveniences—you're scarcely conscious of electric service. That's because it's always on hand—all you want—at little cost.

"Now is the time for all good men to come to the aid of the party." And by the looks of it, everyone did! Fun-week was definitely there that everyone accepted.

SPHS was again "filled to overflowing" with the crowds of "fun seekers" who thronged to the YOUTH CLUB DANCE. As usual, the games were very much in use and the dance floor was crowded.

We saw Fred Maddock, DeDo Ardito, Peggy Hyde, Paul West, Leo Carrigan, Nancy Bergman, Jack Auckland, and Margaret Clark taking turns at the checker board. And Margaret Labadie, Chris West, Jane Lodewyk, John Clark, Marie Meldrum, Donna Marsack, Bob Herman, Al Klem, Myra Backman and Harry Hammond were keeping the "birdies" from the badminton sets in action all evening long.

JOAN OBEREM was again the center of attraction when she was honored with a party at PAT SMITH'S Audubon home on Friday nite.

After chattering away for a time the girls were provided with pillows and blankets. We hear that this "slumber equipment" was practically unused until the very small hours of the new day when the girls finally drifted away into Dreamland.

Those who helped provide the conversation included Carol Staub, Gerry Kitchner, Madeline Knorr, Clara Mebus, Ann Reno, Nancy Downey, Caroline McCarren and Joyce Smith.

Lots of ids chose Detroit TURNERS Dance on Saturday nite for their entertainment. The couples seen watching the amusing floor-show included Betty Sheridan in Alec Moir, Sally Macy with Vince Oliver, Nancy Stahl with Tom Delitz DeDo Backman in Phil McCreary, Marty Lou Mauer in Ted Vernier, Joanne Athanson with Ray Heitman, and Nora Allard with Johnny Fushman.

NANCE STAHL invited this same group to her dwelling after the Turner dance, to honor JOANNE ATHANSON with a surprise party on her seventeenth birthday.

Before the "midnight snack" of hot dogs, cake, candy, and the inevitable cake and ice cream was brought forth, the gifts were opened. Some of the beautiful presents received were a beige angora sweater and a pair of gloves.

As a grand finale to the gala evening, all joined in on the final chorus of "Happy Birthday to you."

A very large crowd gathered at GPHS field on Sunday afternoon to see St. Paul become the EAST SIDE CHAMPS by defeating the St. Ambrose players.

Some of the students cheering for their Alma Mater during this crucial game were Henrietta Sutton, Joan Bezing, Gloria Luffy, Marion DeSutter, Judy Athman, Rita Leithaus, Beatrice Marchand, Ellen Boul, Jean Hagan, Peggy Labadie, Marjorie Babaut, Pat Van Tiem, Barb Van Tiem, Marilyn Mueller, Carol Boxrud, Joan Lemieux, Marg Kelly, Jo Camella and Lee Schonheth.

There were lots of Alumni around too. Joe Burn, Cortine McKernan, Harriet Furton, Normie Schaefer, Shirley Allard, Gerorgette De Decker, Joe Belanger, Girard Payne, Jerome Gant and Warren Adam, Bill Walters, Jane O'Connor, John Imesch, Donna Cadieux, Mary Lou Goulin, Mary Ann Backman, Shirley Williams and Barb Macy were in the group.

After taking in a movie at the Punch, MARIE MELDRUM entertained a group of friends at her home on Saturday nite. A surprise "birthday cake" was presented to PATSY MCENOSH for her fifteenth birthday.

Some of the "invites" feasting on the delicious cake were Nancy Bergman in Harry Hammond, Peg Labadie with Jerry MacKenzie, Joan Schummer in Jim Law. Marie's date was Jim Mann and Patsy was escorted by Ed Wisniewisch.

LORRIE BERGES and MARY PERRONE hostessed at a party on Sunday afternoon at Lorrie's home. The refreshments served at this "after the game" get-together included sandwiches, cake, and potato chips.

A group of fellows and girls were gathered around the school picking out their favorite pieces. Pat Brown, Bob Hansen, Jack Burgen, Rosemary Amer, Dick Fleming, and Joe...

Now that the FLYERS' are East Side Champions, they only have one more game to play and that one is against St. Mary's of Royal Oak. This encounter will decide whether or not we will have an all City Championship team. Let's see everyone out at U. of D. Stadium next Sunday at 2:30 to prove that we are all City Champs!

Richard School News

Richard School pupils recently engaged in a waste paper drive in which 13,530 pounds of paper were collected. This is an even better record for the school than that attained during some of the war years paper drives. Much enthusiasm was shown by children, teachers and the parents. They came with bundles of paper under their arms, dragging along small wagon-fulls, and with loaded bike racks.

Parents were brought into the picture by having to drive their cars with paper to the building. In view of the still critical shortage of paper nationally this continues to be a very important activity. And of interest it was done in the several classrooms without setting up any large contest.

Pupils who brought paper were simply given an arm band, one used by the national government during the war years. Olive Stringer, teacher in grade four had charge of the program.

Richard School pupils have also recently engaged in the Community Chest drive. Discussions were held in the several classrooms relative to the purposes for which the money would be used. There was a fine response.

The mothers of the two kindergarten groups of Mrs. Arends and Mrs. Keigen had a tea at the school on Wednesday, November 13. The purpose of the meeting was to make the mothers acquainted with one another and to inform them of the nature of the work of the kindergarten.

The next meeting of the Richard PTA comes on Tuesday evening, December 3 when Mrs. Belle Murray will be the speaker. All parents are cordially invited to be present. Mrs. Murray is a very engaging speaker having taught for one season an extension course at the school.

Wayne County TB Xmas Seals Ready to Mail

The Tuberculosis and Health Society of Wayne County will open the fortieth annual sale of double-barred cross Christmas Seals, Nov. 25, when 52,000,000 Christmas Seals will go into the mails for residents of Detroit and Wayne County.
 This traditional mailing date, the Monday before Thanksgiving, will be observed over the nation. It is America's way of fighting a communicable disease that kills more people between the ages of 15 and 35 each year than any other disease.
 A goal of \$200,000 is set for this year's seal sale. Money raised through this sale is the only income of the society which carries on its work in health education, rehabilitation and promotion of X-Ray examinations throughout the year.
 Willis J. Scripps, Chairman of the Wayne County Board, announces that last year's receipts were used to promote X-Ray surveys reaching 26,000 children and adults; to train Herman Kiefer Hospital patients for jobs after cure; to teach health habits to lower income groups; to show health movies and supply materials for schools and to provide health services through labor unions to reach working people.
 Eighty-five percent of the money raised in seal sale remains in Wayne County, with 10 percent going to Michigan Tuberculosis Association which works in every county in the state and five percent going to the National Tuberculosis Association for research work.
 Serving on the Wayne County Board are James W. Parker, Bruce H. Douglas, M.D. Kenneth Murray, William E. Davis, Eric DeRoss, Ernest C. Bowen, Walter Guibord, Mrs. Sidney Allen, the Rev. Bernard R. Crowley, Elton R. Eaton, Leo J. Franklin, Msgr. Edward J. Hickey, Mrs. Edwin F. Holtzman, Mrs. Sam Keller, Robert W. Kelso, Dr. David Littlejohn, Tracy Pullman, Jay D. Runkle, Roy A. Scheilhaus, Mrs. Fay M. Thomas and Judge Arthur Webster.
 Both sales in the business areas, post-offices and railway stations will open Dec. 9 and continue for one week.

RADIO NEWS AND VIEWS

By JIM HENRY

That Crosby man is still headlining trade publications and getting bold type mention in radio columns throughout the nation. It was due this time to the Groaner's rating last week which nosedived to 12.2. Banner headlines in the trade journals screamed, "Crosby Distress signals Up" or "Show in Turmoil."

However, the latest rating jumped to a respectable 15.8. Besides, the sponsors say Bing's sales appeal is very marked with customers coming into stores Thursday (one day after "Bingsday") to clean out all sets on sale.

With the initial ups and downs behind it, we look for the Crosby show to settle down to a good substantial listening rating. Further, we'll go out on the limb to say that Crosby won't fall below his contracted rating of 12.

The Andrews sisters' guest

starting on Bing's next three shows won't harm it any... and ABC is throwing a solid promotional punch by announcing at coast to coast station breaks, "Bing's back on ABC, the American Broadcasting Company."

In addition, there has been so much controversy in the magazines and newspaper columns that more people will tune in to get their own idea of what it's all about.

KILO-CYCLING

It's "Judge" Holder now. Your early morning Emcee over WXYZ has just been selected to judge the VFW Baby contest Nov. 26 and 27... 5,000 babies have been entered.

WWJ's Musical Director Paul Leach received an offer from MCA he couldn't turn down despite the years with the "first station." The maestro is due for a build-up... and deserves it.

Fanny Brice, who plays Baby Snooks on the air, has just been made grandma for the second time.

Kenny Delmar of "Senator Claghorn" fame, has a book going to press called "The Life and Times of Senator Claghorn."

Law Valentine (Dr. I.Q. on the air) bagged a 490 pound bear near Duluth last week.

Comedian Henry Morgan is proud of a wife received recently from Jack Benny lauding his style.

Billy Rose praises the generosity of Frey, Allen... classes him with Will Rogers saying "When it comes to grub-staking old cronies, Allen is the poor man's RFC."

FANNIE HITS THEM

Authoress Fannie Hurst, speaking before the Radio Executives Club, pulled no punches.

One of her many caustic remarks: "Abolish ruthlessly the dishonest and phony commentator's voice that moves from a discussion of world shaking events... and without change in inflection, rushes the unsuspecting listener into considerations that have to do with paste, corn or soap flakes."

We agree. The commentator should comment; the announcer should do the commercials.

Composer Hoagy Carmichael will spotlight his mother on his Sunday broadcast over WJR-CBS. Mrs. Carmichael, now 70, will play "Maple Leaf Rag." Her talent as a jazz pianist led to Hoagy's career in music.

Michigan Turkey Raisers Prepare Birds For Market

Michigan turkey producers are busy preparing for the Thanksgiving market a large number of quality turkeys. Although the total production of turkeys in Michigan is approximately 900,000 birds that's only about half of the annual Michigan turkey consumption.

Otis E. Shear, extension turkey specialist at Michigan State college says Michigan producers have found a reasonably good market this year. While he does not predict a turkey shortage for the holiday season, he does advise buyers who desire small turkeys to place their orders early.

At the holiday season there's a big demand for the small turkeys — dressing from 8 to 15 pounds. Most of Michigan's production of turkeys is of the large Bronze breed, which usually weigh considerably more.

Many Michigan turkey growers, near to large markets, have installed poultry picking machines

Committee Makes Plans for Sister Kenny Drive

Social plans for the Sister Kenny Foundation 1946 Appeal for Infantile Paralysis, were formulated by the Women's Committee at a luncheon Tuesday in the Ivory Room at the Statler Hotel.

Mrs. Owen R. Skelton, of Ridge Road, Grosse Pointe, is chairman of this committee, which will benefit the Kenny drive. Assisting her are Mrs. Harry J. Mack, of Bishop road, Mrs. Abram van Der Zee, of Provincial road, Mrs. Glendon Harvey Roberts, of Berkshire road, Mrs. William N. Mayo, of Notre Dame ave., Mrs. Frank P. Book, of University Place, Mrs. George Hadley Vawter, of Buckingham road, Mrs. Carl W. Neumann, Mrs. R. O. Mead, Mrs. Robert J. Mosby, Mrs. James A. Grier, all of Birmingham.

Others are: Mrs. Arthur F. Jackson of East Jefferson; Mrs. Dwight W. Edwards, of W. Me-Nichols road; Mrs. Charles F. Warrick, of Canterbury Drive; Mrs. Theodore L. Sedwick, of Seminole Ave.; Mrs. Walter S.

Halla, of Balmoral Drive, Palmer Woods; and Mrs. Alfred G. Wilson, of Rochester.

Mayor Jeffries of Detroit and Dr. Paul Rader, of Minneapolis, Minn., were special guests at the luncheon.

William G. Baxter, state administrator for the Kenny Foundation in Michigan, and Vincent Gage, state organizer of social committees, were hosts at the luncheon-meeting.

E. J. Rollings, field director of the 1946 Kenny drive in Michigan, were also introduced at the gathering.

'The Green Years' Comes to Colony Screen Saturday

It is an unusual picture with an unusual cast which puts Charles Coburn with Tom Drake in the current screen favorite, "The Green Years" which comes to the Colony Theatre Friday and Saturday.

Coburn is easily at his best as the fussy, tricky and clever old cantankerous man, and Tom Drake plays a youthful part with the customary mastery.

Pathos and humor are intermixed in this plain and appealing saga of "The Green Years."

On the same program, Albert Dekker is teamed with Evelyn Ankers in a smash hit, "The French Key."

Added attraction is a new color cartoon, "Hollywood Daffy." Doors open Saturday at 1:45 at the Colony.

Lake K. of C. Sets Dec. 8 For Buffalo Dinner

Knights of Columbus Lakeshore Council No. 2733 will celebrate their sixteenth anniversary by serving a buffalo dinner on Dec. 8 at 8 P. M., the proceeds of which will go towards Catholic Education.

This will be the council's outstanding event of this year and will take place at the Council's Hall on Harper near Ten Mile Road.

Glen Horwood, of Grosse Pointe Woods, whose arrangements for last year's party made it such a great success, is again chairman for the dinner.

Mr. Horwood has appointed the following committee: music and entertainment, Arthur Liss; dinner arrangements, Earl Weil and Charles Berkel; publicity, Joseph Matusko and Simon Chateaubert.

Mr. Horwood is planning an elaborate program which will include prominent speakers and entertainment.

District Deputy Eugene Fisher, 16008 Saratoga Avenue, will be master of ceremonies for the occasion.

The seating capacity of the hall is 250 persons and reservations have already been received from various councils throughout the state, therefore the public is requested to make their reservations before December 1 to avoid disappointment.

For reservations call or write to Glen Horwood, 2016 Lancaster, Ave., Grosse Pointe Woods, phone Niagara 1183; Arthur Liss, 16300 Liberal; Detroit, Pingree 7333, and Earl Weil, 21104 Erben Drive, St. Clair Shores, phone 1685J.

"More of Everything for Your Money"

and here are a few of the reasons

By bringing your Lincoln or Mercury home, where it really belongs, your car will receive the undivided attention of service specialists. These men know the answers to your service problems and take a personal interest in solving them. They know that their jobs and the reputation of this establishment—of which they are a part—depend on rendering you service that will satisfy you and bring you back again.

OPA PRICES STILL STAND

We recommend only such repairs as will relieve you of present day driving headaches and forestall any mechanical failures during the winter months. Only genuine Lincoln and Mercury parts are used. Right now we are specializing in winterizing, minor adjustments, major overhaul, bumping and painting. We also recommend our Porcelainizing service, which, if applied now! will save a paint job in the spring.

Classes of instruction, conducted by the service personnel of the Lincoln and Mercury service divisions, are being held regularly for the mechanics in our shop. These night classes cover every working unit of Lincolns and Mercurys.
