750 Lose Ballot in City

Names of seven hundred and fifty persons who registered or voted more than two years ago in the City of Grosse Pointe have been stricken from the registration poll books of that Municipality by City Clerk Norbert P. Neff.

Under legal provision, the Clerk sent out 1,092 return-postal cards in December, notifying these persons that they must signify their intention to vote by within thirty days or by January 28, 1947 (twenty days prior to the primary election) or their names would be cancelled.

Only 327 replies were received, thus eliminating the balance from the privilege of voting. It is to be understood, however, that not all of those taken off the books, are now residents of the City, since the time elapsed covers a more or less transient period, created by wartime conditions.

This is the biggest precinct in Michigan with some 4,000 names on record in the clerk's office.

"Belgian Kermease" Planned for August By Business Group

After a lapse of nearly five years, the B. A. B. M. A. will again resume its summer social activities. At the last meeting of its board of directors, Mr. Raymond DeRyck, President, announced that initial plans had been made for the return of the annual "Belgian Kermease."

Tentative plans call for the Kermease to be held on the customary date, the first Sunday of August, which will be August 3, 1947. However, due to the subdivision of the Detroit Creamery Grove, the B.A.B.M.A. has selected Paris Park for this year's picnic. Paris Park, which is located on Utica Road north of Roseville, is approximately three or four times as large as any other picnic ground the club has ever used and should insure another successful event for the businessmen.

Mr. Adolph DeLue and Mr. Leo Teetaert, chairmen of the Entertainment and Recreation committees respectively, assured the board of directors of sufficient amusement, recreation exhibitions and music. Mr. DeLue stated that arrangements had been made for the filming of movies of the Kermease by Mr. Arthur Senave and a band concert by the B. A. B. M. A. band led by Mr. Hypoliet Six.

Mr. Senave will show movies of the Kermease held in 1940 at the next general meeting of the club, to be held next Wednesday night, Feb. 19, at the Belgian Hall, Hurlbut and Gratiot.

Announcement has just been made by Henk-Garska Company of the appointment of John A. Hoff as manager in charge of real estate sales. This is in line with an expansion program planned by this firm.

Robert Friers will present his new "Mexican Holiday" colored travelogue Sunday afternoon, February 16th at 3:00 p.m. at the John D. Pierce Auditorium, Kercheval near Balfour by the Grosse Pointe Community Lecture Series.

Cdr. L. C. Mabley Awarded Gold Star

Cmdr. Louis Christopher Mabley, USNR, of 57 Meadow Lane, Grosse Pointe Farms, Mich., husband of Mrs. Margaret Mabley has received a permanent citation for the Gold Star in lieu of the Second Bronze Star Medal from Secretary of the Navy James Forrestal, for the President.

Cmdr. Mabley, currently serving with the Pacific Fleet, earned the award while serving as Commanding Officer of the USS Hubbard, attached to an Atlantic Fleet Anti-Submarine Task Unit, operating against an enemy in the North Atlantic. Participating in two attacks against an enemy submarine, Cmdr. Mabley contributed directly to forcing the vessel to the surface where it was sunk by gunfire. His devotion to duty was in keeping with the highest traditions of the United States Naval Service.

Robert Friers Presents New "Mexican Holiday"

Robert Friers will present his new "Mexican Holiday" colored travelogue Sunday afternoon, February 16th at 3:00 p.m. at the John D. Pierce Auditorium, Kercheval near Balfour by the Grosse Pointe Community Lecture Series.

"Mexican Holiday" is considered as one of the most outstanding travelogues of the past decade. Every where that Robert Friers has presented this picture it has been acclaimed by the press. Many national publications such as "Life," "American Weekly," "The National Geographic" and "Readers Digest" have all carried feature articles about "Mexican Holiday."

Some of its major sequences include Acapulco, Patzcuaro, Guadalajara, The Ratu Dancers, Bull Fights, Taxco, Oaxaca, Pyramids, Floating Gardens, and the latest scenes of the terrifying Paricutin Volcano.

Robert Friers narrates the film with a whimsical humor that scores a laugh a minute. Single admission ticket reservations may be made by calling the Grosse Pointe Board of Education, Niagara 2000, Extension 25.

\$63,183 Road Tax Monies Given Pointes in 1946

A total of \$63,183.85 has been paid to Grosse Pointe municipalities by the Board of Wayne County Road Commissioners as their share in the 1946 weight and gasoline tax collections, according to an announcement made today by Leroy C. Smith, County highway engineer.

Checks have been mailed to the treasurer of each Pointe community for the final 1946 installment, which constitutes the apportionment of weight and gasoline tax monies each is entitled to under Public Act No. 302 of the State of Michigan.

Amounts mailed to each municipality in the last payment, together with the total are:

GROSSE POINTE PARK — \$1,801.49, which makes a total of \$26,950.59 Grosse Pointe Park received as its share of the 1946 Weight and Gasoline Tax Collections.

GROSSE POINTE CITY — \$880.22, which makes a total of \$13,168.21 Grosse Pointe City received as its share of the 1946 Weight and Gasoline Tax Collections.

GROSSE POINTE FARMS — \$1,028.08, which make a total of \$15,380.10 Grosse Pointe Farms received as its share of the 1946 Weight and Gasoline Tax Collections.

GROSSE POINTE SHORES — \$114.12, which makes a total of \$11,707.17 Grosse Pointe Shores received as its share of the 1946 Weight and Gasoline Tax Collections.

Mr. Smith pointed out that this money is earmarked for specific expenditures in the following order of priority:

A—Payment of the municipality's share of State trunkline and Federal aid maintenance costs.

B—Payment of the municipality's obligations on highway projects undertaken by it jointly with the State Highway Commissioner.

C—The improvement, repair or maintenance of streets and highways or the construction and maintenance of bridges or grade separations, or general street or highway purposes.

D—Payment on bonds, interest on bonds or other obligations issued or incurred by the municipality for the cost of widening, opening or improvement of any street or highway or for bridge or grade separations within its limits.

E—Refunding without interest to the taxpayers of the municipality all or any portion of any special assessment or assessments levied in for the cost of opening, widening or improving any State trunkline, highway or any other thoroughfare located within its boundaries, which was levied as a special assessment.

Mr. Smith pointed out that the penalty for failure to comply with the above order of priority of any municipality to devote the funds to the above purposes is the forfeiture by such municipality of its share in the Weight and Gasoline Tax return for one year.

Cdr. John H. Kaufman, USN, husband of Mrs. Charlotte H. Kaufman of 1143 Buckingham Rd., Grosse Pointe, has received a permanent citation for the Silver Star Medal from Secretary of the Navy James Forrestal, for the President.

Township Primary Election Monday; JP Contest Hot

On Monday next, the 17th of February, the voters of the Township of Grosse Pointe will again be given the opportunity of choosing the men who will conduct their township affairs for the next four years, and inasmuch as the manner of advancement and progress of our township government depends entirely upon the men selected to direct it, the voters should see to it that none but the most efficient and best qualified are chosen.

Carl Schweikart, veteran Township Supervisor is unopposed, for re-nomination in the primary.

The major office to be filled is that of clerk, which is presently held by Henry Lavers, who has had the position since 1942. He is seeking re-election.

Elmer Smith, of St. Paul avenue, will be Laver's opponent.

Voters will also decide upon a Justice of the Peace, a highly important position which has four candidates. They are Don J. Goodrow, George A. Geauchamp, Harry J. Lippman and Robert A. Zebezzink. Three will be nominated, one to fill the vacancy made by the resignation of James N. McNally, now Wayne County Prosecutor and two for a four-year term.

Four constables will receive the nod, as only four have filed. They are: William C. Hillmer, John W. Travis, Cecil K. Ayling and Ben Behrmann.

William W. Penoyar is the only candidate for Board of Review and there is no candidate for highway commissioner printed on the ballot.

Newton, Martin Bid to Lead Gratiot Voters

Aden B. Newton and Edminston Martin, Republican independent candidates for Gratiot Township supervisor, completed their vigorous campaigns late this week, both confident of victory in the primary election February 17.

Newton, who is president of the Gratiot Board of Education, promises "equal rights for all and not for just a selfish few" if he is elected.

He proposes to call special meetings of the public and will conduct educational campaigns to advise the residents of all facts of any major issue to be passed upon by the township.

Martin, a contractor, is in accord with Newton's platform. In addition he proposes to stimulate interest in juvenile activities.

Though Newton and Martin are rival candidates they unite in their objective, to oust the incumbent Democratic administration.

Gratiot Officials Inspect School Building

Aden Newton, president of the Gratiot Township Board of Education, left, and School Trustee Nichols of Gratiot are seen above inspecting the new \$80,000 addition to Beacon School. Newton, who is campaigning for Township supervisor, reports that the contractors expect the building to be completed in March. It adds four rooms to the school.

System Expensive, Obsolete?

A complete study of the Grosse Pointe Police radio system by Thomas K. Jefferis, Superintendent, Village of Grosse Pointe Shores substantiates the findings of the Municipal League, which declared the system obsolete and expensive.

The Grosse Pointe Village Council directed Jefferis to make the investigation after it received a report from the Municipal League highly criticizing the system.

The report asserted that the inefficiency arises principally because direct car-to-car communication is difficult, and because frequency modulation has largely replaced amplitude modulation, the method used at present.

This radio system serves the police departments of all the Grosse Pointe municipalities except Grosse Pointe City, and is operated by Grosse Pointe Township. There is a fixed transmitter at a station on Vernier Road in Grosse Pointe Woods, which is connected by leased Bell Telephone lines to each of the police desks. The desk office does not put his call over the air; instead he telephones it to the transmitter operator who repeats it over the air. The transmitter is of a type that requires attendance by a licensed radio-telephone operator, one of a technical grade, specifically second or first-class.

The Municipal League recommends the following changes:

1—Replacement of the existing central station and scout car equipment with new frequency-modulated equipment.

2—Equipping each police desk with a console or transmitter so the desk officer can broadcast directly to the cars through the central transmitter.

The cost of the new equipment can be saved in a little more than two years.

In his report to the council Jefferis recommended the changes.

Farms Residents Urged To Register

Residents of Grosse Pointe Farms are warned by Village Clerk Harry A. Furton that Tuesday, February 18 will be their last chance to register for the March 10th Village election.

Furton reported that if any person has registered and voted at a Village election in the last two years it is not necessary to re-register.

Two justices of the peace, two members of the board of review and four constables are to be elected. Gratiot Township residents are urged to vote in the primary election on Monday, February 17.

Lt. S. W. Reed Gets Citation for Heroism

Lt. Stuart William Reed, USNR, of Elma, N.Y., husband of Mrs. Nancy M. Reed of 724 Lincoln Rd., Grosse Pointe, has received a permanent citation for his Silver Star Medal from Secretary of the Navy James Forrestal, for the President.

Lt. Reed, who has been released to inactive duty, received the award for conduct as Commanding Officer of the LCI (L) 416 during the invasion of Normandy, France, on June 6, 1944, and subsequently as a Staff Engineering and Operations Officer in directing the transportation of troops from the United Kingdom to France.

During the war, citations were Machine No. 2 temporary, or incomplete, for security reasons.

Text of the full citation is as follows:

"For conspicuous gallantry and intrepidity in action as Commanding Officer of the LCI (L) 416 during the invasion of Normandy, France, on June 6, 1944, and subsequently as a Staff Engineering and Operations Officer in directing the transportation of troops from the United Kingdom to France.

"Charged with the execution of plans for sailing to the Baie du la Seine, Lt. Reed skillfully directed his ship through difficult swept channels and discharged troops on the beaches.

"When LCI 416 was hit by gunfire while beached and rendered inoperative by an underwater explosion, he supervised the abandoning of the ship with only two casualties and, after all able hands had reached the beach, remained behind to assist a wounded crew member to safety, saving him from increasingly intense gunfire which followed.

During subsequent months, as one of the officers in charge of the outbound shuttle and escort service on the English Channel, he assisted in transporting troops to France and in escorting LCTs. By his initiative and skill, Lt. Reed contributed materially to the success of these vital operations, and his devotion to duty was in keeping with the highest traditions of the United States Naval Service."

"WE LEAD, OTHERS FOLLOW"

BOY SCOUT WEEK

The observance of Boy Scout Week, Feb. 7th to 13th on a nation-wide scale, says Dr. James E. West, Chief Scout of the Boy Scouts of America, has great value to boys.

In a statement for Boy Scout Week, marking the 37th anniversary of the original incorporation at Washington, D. C., Dr. West who was Chief Scout Executive from 1911 to 1943, says:

"Throughout the country Boy Scouts and their parents and friends are observing Boy Scout Week. Sometimes I am asked because of my long association with the Boy Scouts of America, starting in 1911, why Scout leaders place so much emphasis on this occasion.

"I always tell them that we do it because of its great value to boys. Very deliberately we developed the observance of this anniversary to create dramatic opportunities for boys to take part in a nation-wide celebration.

"From the start of Scouting we have conducted as a part of the program, spectacular features which create a desire on the part of boys to be Scouts.

"In our annual observance of Boy Scout Week we emphasize the romance and drama of Scouting in a way to impress boys and attract them to the program. We feel it desirable to do this annually because a new crop of boys of Scout age comes up each year. A new crop of boys does not absorb the experience of those who went before. We have to do it over and over again."

Old Rock Was Valentine for "Cave Girl" Sweetheart

No one knows for certain who started St. Valentine's Day, but since love is as old as Eve, the first Valentine in history was probably a heart-shaped rock carved by a prehistoric cave man and tossed with tender solicitude at his "cave girl."

It's doubtful if the rock was tossed on Feb. 14, since the custom of setting aside a definite day in the year for suitors to do their wooing wasn't initiated until the Romans borrowed the idea from the birds.

The Roman oracles, observing that birds began mating on Feb. 14 set aside this day as the Feast of Lupercalia, dedicated to the pastoral god Lupercus and the Goddess of Love, Juno. As part of the ceremonies, Roman youths and maidens drew names from an urn set up in a public square to see who would be their "blind date" for the coming year.

As the feast was dedicated to pagan gods, the Christian Church tried to discourage these "love lotteries" and urged that the names of saints be drawn instead. The young people were then supposed to be under the protection of the saint whose name they drew.

This idea didn't prove very popular, however, so the Church compromised and merely changed the name of the day to that of a saint. It is said that Pope Gaudkins, in 496 A. D., was the first to dedicate Feb. 14 to St. Valentine, patron saint of lovers.

Russ Werneken Predicts Growth of Jap Democracy

Russel Werneken of Grosse Pointe, who is in New York after returning from six months in the Orient, is convinced that in another generation the Japanese may have the finest democracy in the world.

"That's because whatever they do, they do with their whole mind," the son of Mr. and Mrs. Frank E. Werneken of 206 McKinley Road (Grosse Pointe) observed today at the conclusion of a tour of the area as a member of a USO-CAMP SHOWS' unit entertaining occupation troops.

"Several personal experiences persuade me that the Japanese are going to make an art of making their democracy work," he continued. "That is especially true of the younger people and the women. Middle-aged and older men struck me as hostile, bitter and disillusioned, but the youngsters, especially the students, were quite the opposite.

"In fact, the students are a class unto themselves and worthy of a lot of attention. They're not only eager for learning but they're assiduous in checking up what they're taught in class—now under control of the Military Government. Countless times, as I sauntered along the street in various Japanese cities, students approached inquiring, 'Can I walk with you, please, to make conversation.'

"Then they'd immediately begin talking about democracy or something that they'd learned in class that day. They gave me the distinct impression that they were eager to see whether what they were taught in school was really democracy, as we Americans, knew it."

Werneken said that he and the 15 members of his CAMP SHOWS' troupe which presented the comedy, "The Bishop Misbehaves," to troops in Japan, Korea, Okinawa and the Philippines came back with great respect for the Japanese effort at reconstruction.

"We were in and out of Tokyo frequently and on every trip could observe great strides forward," he added. "For example, we arrived in April and driving in from the Atsugi Airbase, we noted thousands of the shacks in Yokohama and Tokyo. A couple months later these had given way to one room wooden hives. When we arrived in April, there was little construction in downtown Tokyo. When we left in December, new buildings were springing up faster than they're rising on Manhattan island."

Werneken's CAMP SHOWS' company followed some Army units into new bases in Hokkaido so close on their heels that the entertainers had to get their own meals aboard trains that carried them from camp to camp.

"We just secured a couple of army gas burners to the floor of our baggage car and turned its ten-in-one rations into a swell meal," he reported.

"GPs in Hokkaido liked the place so well that they wanted to stay there. In fact, some officers told us they were doing what they could to avoid transfer elsewhere in the theater."

Korea and the Philippines, however, were much less attractive, according to the Grosse Pointe entertainer.

"Manila is just tragic by comparison with Tokyo," he added. "The Filipinos seem not to have raised a finger either at clearing away rubble or at reconstruction.

"Moreover, the huks—the guerilla rebels—have the country in turmoil. Few dare venture on the streets in Manila after dark, while hijacking is so prevalent out in the rural areas that no army truck moves a foot after nightfall without an armed guard."

Werneken, a member of two families known in Detroit for three generations, has taken part in dramatic productions of the Fine Arts Society there.

Lovely red-haired Frances Robinson, versatile film and radio actress, plays the hep secretary, Maggie, in ABC's exciting new Craig Rice mystery series, "Murder and Mr. Malone."

Permanent Air Citation Given

Lt. (jg) George Edward Kriese, USNR, of 285 Moross rd., Grosse Pointe Farms, Mich., son of Mrs. Pearl A. Kriese, has received a permanent citation for the Air Medal from Secretary of the Navy James Forrestal, for the President.

Lt. (jg) Kriese, who has been released to inactive duty, earned the award during aerial flight against the Japanese forces in the Nansai Shoto Area. During the war, citations were temporary, or incomplete, for security reasons.

Text of the complete citation is as follows: "For meritorious achievement in aerial flight while serving in Composite Squadron 98, attached to the USS Lunga Point, during operations against enemy Japanese forces in the Nansai Shoto Area from June 7 to 22, 1945. Completing his fifth mission during this period, Lt. (jg) Kriese contributed materially to the success of his squadron. His gallant devotion to duty was in keeping with the highest traditions of the United States Naval Service."

Group Aids Veterans at Dearborn

A number of Grosse Pointe Women are holding key positions in "Lest We Forget, Inc." which has under way a program to benefit veterans confined in the Dearborn Veterans Hospital. Prudence Butterfield, commander of the Detroit Navy Anchorettes, said that during the war the Anchorettes regularly visited the Dearborn hospital, taking items like cigarettes, candy and shaving equipment to the men confined there. With the war's end, funds were no longer available to continue this work.

Petitions have been sent to the Anchorettes by the veterans, urging the mto re-establish their program.

As a result, Lest We Forget, Inc., has been set up, and the clubwomen have initiated a membership campaign.

Michael Whalen, of the Disabled American Veterans, also addressed the group. He stressed the importance of a continuous program for the hospitalized veterans.

The Board of Directors of Lest We Forget, Inc., is headed by Mrs. Coleen Hungerford, chairman, and Mrs. Fred T. Murphy, honorary chairman.

Members include Mrs. J. Dwyer Kinnucan, Mrs. A. Warren Brock, Mrs. Cyril Day, Mrs. Frederick B. Ford, Mrs. Ward H. Peck, Mrs. Orville O. Rex and Mrs. James R. Walsh.

To do this work for the Dearborn veterans and to continue it, they must have financial assistance. It now costs \$300 a week—\$15,000 on an annual basis, and will cost more as hospital additions are completed and the number of patients increases. Therefore, an appeal is being made throughout Michigan for the money needed to keep the activity going.

Ver Hoven's New Addition Marks Colorful Career

The grand opening last week of Ver Hoven Chevrolet's newest addition at Six-Mile Road and Van Dyke brought out in the neighborhood of five thousand interested spectators and well-wishers. The opening was timed for Saturday evening, February first and open house was held in the new unit from 5 o'clock until near midnight.

Attractions included the first showing of the new 1947 Chevrolet, songs by the famed Chevrolet Glee Club, and the awarding of 15 door prizes. Unusual lighting effects outdoors attracted people from miles around. Two army surplus anti-aircraft lights which threw an 800-million candlepower, four-foot wide beam a mile and a half into the sky projected a rainbow into the heavens. Ver Hoven Chevrolet had the distinction of being the first commercial user of these powerful skylighting units.

The pronounced success of the opening marked another achievement in the career of Bernard J. Ver Hoven. When Bernard J. Ver Hoven set himself up in the blacksmith business on Van Dyke Road just south of the Six Mile Road back in 1916 the smithy's forge and wagon repairing were still important locally. But the automobile looked like it was here to stay, and Ver Hoven recognized the fact when he transformed his smithy to a garage two years later, and added the sale of gasoline, oil and tires to a small workshop. Thus, humbly, a new venture started.

Van Dyke was still a county road with a strip of concrete and a street car track when Ver Hoven made up his mind in 1924 to expand his business. He purchased the property he had been occupying for the past eight years and built the first unit of his present establishment.

The year World War II broke out in Europe, Ver Hoven installed one of the first open parts stores. Today, eight years later, Ver Hoven maintains the largest open stock of Chevrolet parts in the City of Detroit. In

Addition Will Improve Gratiot School Work

After several years of half sessions, crowded rooms and inadequate housing facilities for Gratiot Township School District No. 2, Gratiot Township at last look forward to a program of full day sessions the 1st through the 9th according to Aden New-president of the Board of Education.

With the completion of four rooms at Beacon School we will be able to give a full time program of education at least partially. Mr. Newton said. Gratiot township, like many suburban areas has experienced phenomenal growth during the past few years. It has been necessary for the school system to keep pace with that growth. This has been difficult because of the materials and money shortage, however, through progressive insight on the part of the Board of Education, the building program has not lagged far behind the need. The original school was housed in one room on Eastwood. With the influx of the

Teen Talk

By MEEKY MARIE VAN ZANEN

Parents took a great deal of interest in Teen-age activities this last week-end.

Not only they but practically all the kids at G. P. H. S. attended the successful game against Fordson on the Devils court. Both the reserve game and the varsity game were exciting but nothing was quite so good as the entertainment during the half, and suddenly at that time peoples eyes were opened by the streaks of red and gray flannel, fast moving forms, and maroon boxing gloves tearing across the floor. Yes a group of 12th grade boys illustrated to the spectators exactly how not to play fair and correct basketball. Everyone including the referees was in on the rough, tough commando game. The boys slid from one end of the floor rolling, tossing, holding, kicking, squeezing, and bumping in the riotous game. Really, the cheers they attracted almost proved the kids would rather watch them than the actual game.

Whistling, and laughing spectators were: Jean Richards, Betty Gray, Myron Yacks, Phyllis Rush, Tom Welch, David Carruthers, Don Schroeder, Bill Carruthers, Jessie Farquhar, Sallie Slocum, Betty Graham, Al Sellers, Jean Swan, Jean Morrison, Bruce Wolfe, Dee Lindquist, Bob Essert, Helen Hipfel, Rich Deers. Parents were: Mr. and Mrs. Hirt, Mr. and Mrs. R. Deers, Mr. and Mrs. B. Johnson, Mr. and Mrs. Brown, Mr. and Mrs. Ostermann, Mr. and Mrs. Cleminson, Mr. and Mrs. Hansen, Mr. and Mrs. Schoeck, and Mr. and Mrs. Willson, and Mr. and Mrs. J. Finch.

Afterwards CAROL STUART and MRS. STUART, were rushing making sandwiches and opening pop bottles at their open house. The house was just jammed with kids from one room to another. In the basement playing ping pong and pool were: Bill Webb, Jim Flom, John Sarvis, Frank Wilton, and Art Beck.

Around the piano singing were Ted Oslus, Jeanne Jorsted, Jo Ann Russell, Marion Renny, Larry Hittel, Janet Van Osool, Sandy Malcomson, Jay Johnstone, Cobby Bartlett and Amy Morrison.

In the basement enjoying the games were: Birdie Spurrer, De De Guimond, Scotty Scott, Harry Mack, Jack Flattery, Bill Anderson, Ginny Gregory, Margie Simons, Sally Hoyt, Slew Ward, Dan Beck, and John Corfield.

Another open house was held over at BARBY BULLS; this was mainly for kids in the ninth grade and under, but actually kids from every grade attended! Peanuts, candy, and potato chips consisted of the food, while cokes were served to hurry things down so they'd have room for more! Among the many were: Judy Mecke, Susie Essington, Peter Wunch, Charlotte Smith, Barb Baumen, Danny Burke, Tom Auch, Bruce Slesinger, Lloyd Murray Sparkie Johnson, Jane Bundy, Doug Buck, Doug Michelson, Sue Spurrer, Sue Martin, Ronnie Knowles, Wayne Peterson, Dave Petchik, Chuck Ghesquire, Wesley Frank, Dale Lowery, Dan Manson, Joyce Slack, Al Kien, Andy Gary, Jane Soper, Judy McMann, Marilyn Brown Lee Estrich, Joan Massey, Janet Joyce, Judy Gehlert, Mary Hodges, Beverly Dale, Sally Goyls, Elizabeth Jones and George Turnbull.

A fancy dinner at the Van Dyke Club, huge elaborate cake, and ice cream ushered in HUNTER STAIRS' birthday in a very fashionable manner for himself and his many friends. HUNTER was presented with a beautiful gold wrist watch, in honor of his 18 years from Chuck Ely, Dave Bogle, Tom Beaumont, Bill Mitchellson, Pete Klaver, Bill Wolfe, Bill Bidow, Tom Roman, Fred La Ferte, Bill Martimer, George Hughes, Ted Fuger, Harold Beatty, Pete Heinkel, Fred Letty, Bob Gambie, Bill Drew, Doug Krieger, Frank Knope, Bud Hersley and many more.

BARBARA MANN'S overnight party was simply one of the most exciting parties that has been written in this column for some time!!! BARB gathered Sharon Ford, Bob Snyder, Felice Thorpe, Doug Turnbull, Gery Rounds, Jim Lemon, Sue Cruickshank, Ed Katz, and Mary Gratzler, Dick Nightingale, and Skat Treuter, to venture up north to her cottage for tobogganing, Skating, Bob Sledding, Skiing, and Roasting Hot Dogs, then beds were provided for them all until the next morning when the fun started all over again!!! The chaperones were Mr. and Mrs. Heck.

On Saturday night MARY PREVIO AND YOUR SCRIBBLING SCRIBE forgot their typewriters, dictionaries, and the fact that they are competitors (?) for a few hours, put their heads together and drummed up a simply colossal "hag party" for their many friends. The girls served sandwiches, cookies, potato chips, hot chocolate with marshmallows, and chocolate cake that they made with their own little hands to Marilyn Walters, Phil McCrae, Nancie Georgi, Carroll Grylls, Gail Wright, Jane Lundgren, Norma Neeb, Marilyn Wroblos, Elaine Cabot, Harriette Previo, Jean Webb, Carol Stewart, Sally Hoyt, Gloria James, Pat Martin, Kathy James, Martha Fairless, Gladys Osterman, Julie Ford, Rene De Leon, Mary Thompson, Mary Lou Van De Grift, and Marie Watkins. Then a snappy game was played with MARY'S father as caller.

On Saturday afternoon GERP ROUNDS gave an informal co-keal party at her home on Oxford Road. Her guests were overwhelmed with the unusual cheese she served with potato chips, cookies, and cokes. The girls arrived at 3 and gabbed about exciting things until 5. Those who attended were: Mary Lou Van De Grift, Norma Neeb, Helen Flath, Doris Dising, Minona Pick, Mary Ann Mann, Sharon Ford, Sue Cruickshank, Martha Fairless, Felice Thorpe, Barbara Mann, Mary Gratzler, and Yours Truly.

With SUSIE JOHNSON AND MARCY WETHERBEE, co-hostessing, a rather formal tea was given on Sunday afternoon. Heading the sweet-meats list were dainty cream cheese sandwiches, brownies, cake, nuts and candy, with, of course, punch. The center piece was made up of a very warm looking bunch of fall flowers. A low vase with pussy willows, yellow daffodils and narcissis with silver candelabra on either side completed the scene. A few of the many who attended were: Sally Macdonald, Alice Neville, Ann Candier, Janet Johnstone, Judy Gehlert, Dolly Limbrock, Mary Murray, Lois Buck, Marion Renny, Joyce Schrieber, Cec Wade, Polly Wilton, Joan Steinbach, Jane Lundgren, Meg MacKenzie, June Moffat, Doris Dising, Jerry Baumen, Jean Downer, Gail Wright, Carroll Grylls, and your author with many more. And now HAPPY VALENTINES DAY TO YOU ALL.

GIRL SCOUT NEWS

Congratulations to the Boy Scouts on their 37th birthday! Girls of Intermediate Troop 385 are taking a real interest in working to acquire Child Care badges. A course on the subject, competently conducted by Mrs. Albert W. Nickels, has met with enthusiastic response. With the aid of a life-size, pre-war rubber doll, the girls are learning the proper way to bathe, hold, and dress baby; also the sterilizing of bottles and formula utensils. The course includes generalized care of the older child—handy knowledge for any girl who might want to be a "sitter."

The eagerly anticipated week-end of January 31 found Troop 257 faced with a problem in patience. The hoped for cold and snow arrived, but the camp bus did not. Scheduled to pick up the girls at 9:30 a.m., the bus was delayed by weather conditions until 6:30 p.m. Mrs. Harry Findley, at whose home the girls gathered, coped all day with sixteen, rain-to-go teenagers, each with complete paraphernalia for a week-end of winter sports.

Reaching Metamora, the fully loaded bus was unable to negotiate the slippery road from the main thoroughfare in the camp, so the girls walked—about two miles. The rest of the week-end went off without a hitch, and a good time was had by all. Accompanying the girls were, Mrs.

Harry Findley, Mrs. T. E. Foster, Mrs. Agnes Conklin, and Miss Muriel Reamore.

The Wing Scouts are taking a nine week First Aid course. Also, they are lucky in having Capt. Henry Robinson, from Selfridge Field, to give them a course in aviation, with sound movies as part of the instruction.

Reminder to Leaders: Meeting — February 18 — 1:15.

High School Trains Competent Stenogs

By MARY WATERFALL
Grosse Pointe High School Journalism Student

Stenographers who can spell and do a great deal more, competently and efficiently are turned out semester by semester from the Grosse Pointe High School commercial department.

Courses are planned first to initiate the beginner into the intricacies of the modern business world and then to develop in her a high degree of serviceability and accuracy in whatever particular field she plans to specialize.

Starting in the ninth grade with junior business I and II, which is largely an exploratory course to acquaint the new student with the rudiments of business, especially from the consumer standpoint, the general plan continues into the tenth grade with bookkeeping I and II and typing I and II.

All of the above courses, incidentally, are helpful to everyone — not only to a commercial major.

In the eleventh grade typing III and IV are completed, and the first year of shorthand is begun. Business English is usually taken at this time.

In the twelfth grade shorthand III and IV are studied, along with transcription I and II, a course whose main emphasis is on transcription from dictated shorthand notes. Office practice I and II and commercial law are also taken.

At the same time all these courses are being studied, the pupil is enriching her general background by the regular English and history courses, and at least one fine or practical art. She also participates in girls' athletics.

The average speed at graduation is 100 words a minute in shorthand and the typical typing speed is 50 words a minute. Many, however, attain the goal of 120 words a minute in shorthand, and in typing some gain speeds of from 75 to 80 words a minute.

Upon graduation, the Grosse Pointe High School commercial student seldom finds trouble in placement.

Periodic calls are received from the United Rubber Co. and General Electric offering full-time employment for commercial graduates and Michigan Bell Telephone has always been interested in Grosse Pointe High School girls.

As recently as Jan. 2, a letter was received from Mrs. S. E. Smith, employment representative of that company, regarding employing possibilities there for senior girls.

"In the past we have hired many fine girls from your school and hope to hire many more this next school year," the letter read.

Such a letter is not unusual, either. The commercial graduates are known to be capable and intelligent, and what is more important, they have a good background for not only the work in which they choose to specialize, but for any general office work as well.

HE ADDED YEARS TO YOUR LIVING

This man who was born one hundred years ago this week spent most of those years working to make our lives easier. Today, we are apt to take his achievements for granted—to forget the wondrous changes he made in our daily lives. The stenographer little realizes the drudgery of office routine without typewriter or duplicating machine; the saleswoman can hardly imagine a busy day without gummed wrapping tape.

The list of his achievements is long and varied, but most of us have some special obligation to Thomas A. Edison. Every worker who finds his lunch-time sandwich fresh in its waxed-paper wrapping—every G.I. who crossed an ocean safely with the aid of radar and submarine detection devices—can thank Mr. Edison.

But these specific contributions of the man become small and insignificant alongside his other gifts to all mankind. For every one of us who sends a telegram or rides a street car—everyone who enjoys a radio, a phonograph or a movie—can thank Mr. Edison.

Some of these gifts have made our lives safer. Some have given us more pleasure. Most have made our tasks easier. But all are eclipsed by his gift of electric light. For with that one invention he, in a very real sense, added years to our living. Those years are made up of thousands of evenings . . . and since Mr. Edison's invention of electric light, evenings—with their hours of relaxation, of reading or games or good companionship—have become the best part of our lives.

Evenings have also become a time for study. Men and women today, fired by the example of Thomas A. Edison, are using them to continue his research for even better ways of living.

IN HONOR OF MR. EDISON . . .

The Detroit Symphony Orchestra this week inaugurates a new series of popular concerts each Tuesday night at 7:30 over W.J.Z. And don't forget the Edison Institute Museum's special exhibit this week at Greenfield Village, 9 a.m.-4 p.m. daily. Admission 25c. All Edison power plants will also be open this week from 10 a.m. to 4 p.m. daily, 10 a.m.-4 p.m. Saturday. Call RA. 2100 for details.

Local Woman Promotes Unescorted Air Travel for Disabled Veterans

Commander Arthur Greig, of the Michigan Department of Veterans of Foreign Wars this week lauded Mrs. Glenn Anderson of Grosse Pointe and the Capital Airlines for their pioneer work in making possible the transporting of disabled veterans as regular passengers without special escort.

"The Capital Airlines are the first to take this step which will contribute so much to the comfort and convenience of disabled veterans in their travel," Commander Greig stated.

"Mrs. Anderson initiated this fine work, like she has so many other veteran projects. The Michigan Department of the VFW is indeed grateful to her for initiating this move and to the Capital Airlines for adopting her requests. Undoubtedly, it will set a precedent that other airlines will follow," Greig added.

It was revealed that Capital Airlines will transport physically disabled veterans of the armed services of the U.S. and her former Allies under the following conditions:

1-That the transportation be between points served by DC-4 equipment. (This is because it is regarded as mandatory that a flight agent be assigned to any trip carrying a disabled veteran, and flight agents are trained only on DC-4's. Moreover, to make

a special assignment of a flight agent to a DC-4, in addition to the hostess, would mean much dead-heading, disrupt schedules, and take up another seat on equipment which, at best, has inadequate seating capacity.)

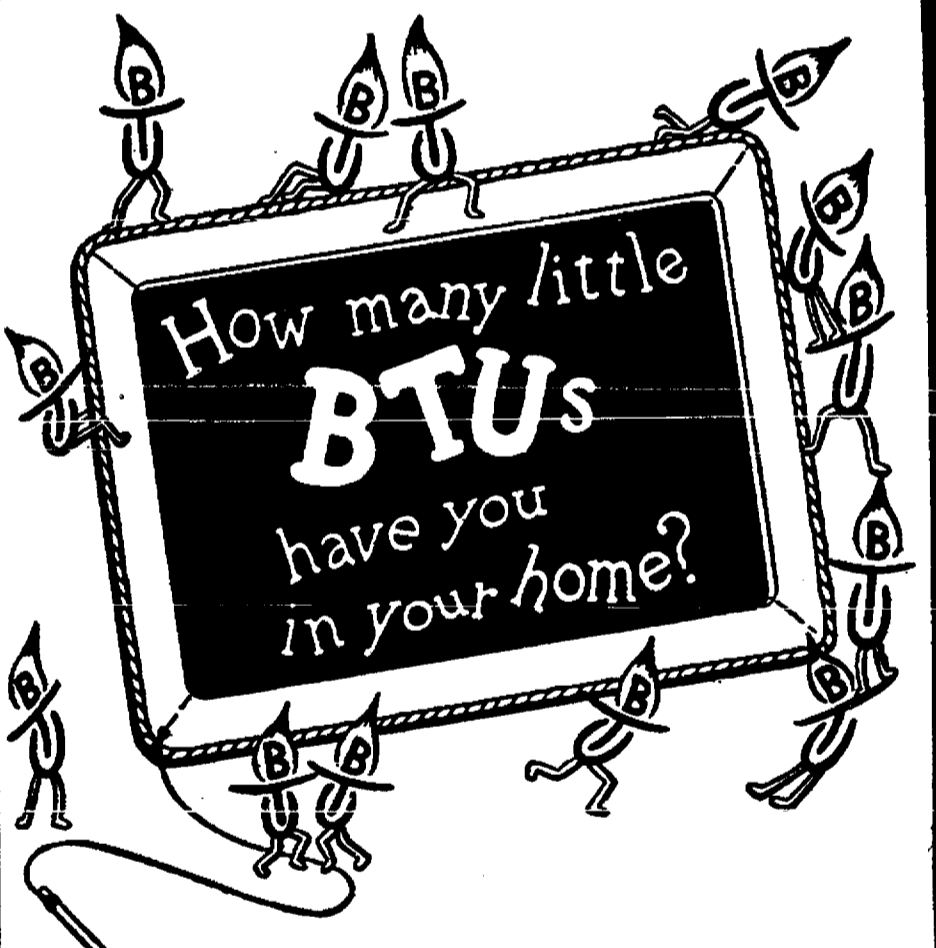

2-That the transportation be between points served by Capital Airlines. (This condition would not apply in those circumstances where this Company could make, in specific cases, interline arrangements with connecting carriers.)

3-That the passenger give the originating station at least twelve (12) hours advance notice of his intended travel. (This is necessary in order to insure the assignment of a Flight Agent to the DC-4 trip upon which the reservation is held.)

4-That the passenger furnish (1) a statement from competent medical authority that air transportation will not adversely affect his physical condition and (2) satisfactory evidence that, at his intended destination, he will be met by a person able to care for him.

VALENTINE PARTY

A Valentine Card Party, sponsored by the Archconfraternity will be held at St. Clare of Montefalco, Grosse Pointe, on Friday 14, 1947 at 8:30 p.m. Mrs. L. L. Smith is chairman.

YOUR HOME, and everybody else's, needs BTUs . . . the more, the better. Because it's these little BTUs (British Thermal Units, if you want to be formal) that heat your home. They're the only thing that can heat it, for they're the international measuring stick that determines how much heat is being produced by your heating plant.

Luckily for the people of this area, 90% of its homes are heated by COAL, which produces more BTUs than less satisfactory fuels. To satisfy yourself on this important point—especially if you are considering conversion from coal to some other fuel—do this: Ask your coal retailer what the normal output of BTUs is for your present furnace or stoker. Then ask the salesman who is urging you to convert to his system whether it can match the number of BTUs you are getting from coal. And make him prove it.

We think that your conclusion will be that, as always, coal is the most satisfactory fuel, by this yardstick as by all the others. And here's a valuable tip: to get even more BTUs from your present plant, take advantage of the modern developments in heating aids, such as stokers and new heat control devices. Also plan on getting your furnace or stoker cleaned this spring. You'll find that BTUs thrive and multiply with a little attention and encouragement.

The teen-agers are still keeping up a fast pace with all their social doings. Parties are being planned and more are being attended every week-end.

A beautiful, pure-white gardenia adorned her dress when hostess ANNE DUNGAN greeted her guests at her home on Rivard Road to help her celebrate her 15th birthday.

This birthday party reaped many returns for Anne. Among her list of gifts were record albums, and a twin turquoise bracelet and ring set.

A few dances brought the joyous gathering to a close. Big slices of birthday cake were served to Jack Trombley, Onne's escort, Mary Ann Burlingame and Bill Huetteman, Nancy Downey and Don Williams, Gerry Kirchner and Ray Bleski, Carol Staub and Pierre Belanger, Mary Lou Verrier and Dan Campau, Barb Van Tiem and Jerry Turcotte, Judy Hennecke and Mike Galvin.

Another gal joined the "fifteen set" on Saturday. SALLY MCKERNAN was feted at a surprise party given by JUNE ALLARD. Before the salad sandwiches, cocoa, ice cream and cake were offered, a few games of Pantomime were played.

Offering congratulations to Sally were Peggy Hyde, Marilyn Smith and Patty Gant.

Crack the whip and figure skating both prevailed at DONNA KLEIN'S skating party Saturday. The "fellas" and "gals" bundled in their warmest ski suits and boots before taking a few twirls on the ice and then they trekked back to Donna's when they were completely chilled.

Hot chocolate and hot dogs with all the trimmings helped warm up the "Sonja Henle's" and their escorts. Skating around together were Connie Curran, Ray Bleski, Dot Ardittio, Chuck Alaska, Gerry Kirchner, Gerald Lubeski, Sally McKernan, Tom Marchand, Pat Gant, Dan Campau, Jo Camella, Judy Hennecke, Anne Dungan, Pat Norman, Mary Ann Burlingame, Jack Trombley, Peggy Hyde, Freddy Maddock, Janey Kingsbury, Tom Wylie, Betty DeFosla, and Chuck Boul, Theresa Lyford, Barbara Van Tica, and Joyce Logan.

Girls only were permitted to JOANNE ATHANSON'S Friday night affair. Five of Joanne's best friends gathered at her home to help consume the chips and cokes. Among those chattering and singing were Jo Manning, Nancy Stahl, Do Backman, Marty Lou Mauer, and Your Hi-Liter.

One of the high spots of the evening was Marty's unique rendition of the "Mexican Hat Dance" in which she displayed her musical talents.

MARIE MELDRUM'S abode was the scene of a huge celebration last Friday! Lots of kids were seen picking out their favorite records for the "vic" and others were twirling around the floor.

Later in the evening, the crowd abandoned dancing in favor of hot dogs, cocoa, candy and cookies, which appeals to all the hungry guests. The list included Joanne Schummer, Joe Cavanaugh, Mary Clark, Jerry Hollerbach, Jane Lodewyk, Tim Carrigan, Virginia Kaiser, Paul Meldrum, Pat McIntosh, Dick Hoskins, Peg Labadie, Dick Morketter, John Hoey.

KAY McDONALD hosted a dinner on Sunday afternoon. The rest of the day was filled with a few hours of ice skating and then a movie in the evening. Joining in on the gay afternoon of fun were Kay's date Don Simpson, Art Smith and Sandy Blittinger, and George Heidt and Carol Staub.

The YOUTH CLUB DANCE summoned many more fellows and girls this week. The many games and music from the juke box provided amusement for the crowd.

Some of those enjoying themselves were Alda Marie Crowe and Doug Sutherland, Ray Huetteman, George Heidt, Ted Verrier, Bob McBride, Al Campenhour and Mary Sparr, Don Simpson and Kay McDonald, Jim Law, Rita Leithauser, Anna Marie Tamm, Rosemary Wruble, Myra Lou Backman, Jeanne Kulka and Peg Wortley.

St. Paul's contests with St. Martin on Tuesday, and St. Vincent on Friday, both provided lots of entertainment and enjoyment for the many on-lookers.

Milling through the crowds at half-time were Pat and Mary Lou Thibodeau, Alice Fauser, Parker Munger, Betty Huetteman, Elin Kelly, Donna DuBeau, Joanne Krehbrink, Joanne Beaupre, Sally Nacy, Virginia Miklavich, and Joan Betting.

St. Paul's next tangle will be with St. Phillip on Friday night. Meet you at the game!! Till then VALETE!!

Serve Carrots for Healthful Diet

Have you noticed the abundance of firm bulk carrots in your local market? Michigan grown carrots are plentiful this winter and are especially tender and sweet.

Evelyn Craig of Michigan State college believes you should serve the colorful carrots more often. The foods and nutrition specialist says carrots are high in vitamin A content and can be served in many ways.

Glazed carrots used as a garnish around a meat loaf give it a picturebook look. Boil whole small carrots until almost tender. Rub off the skins under cold water. Dry carrots thoroughly and roll in sugar. Heat 3 tablespoons butter in a heavy skillet and simmer carrots in it until glazed, turning frequently.

For ginger glazed carrots, add 1/4 teaspoon powdered ginger to the butter. Arrange parsley tops on the carrots so they will look like new carrots just pulled.

Remember to use raw carrots in tossed green salads. Use carrot curls as a relish. You can make a delicious sandwich filling by combining ground raw carrot, chopped cabbage and celery and mayonnaise. Ground peanuts may be added, too.

For variety, why not try a carrot scallop? Arrange three cups of sliced cooked carrots in a baking dish. Pour over them 2 cups of thin white sauce. Sprinkle with a mixture of bread crumbs and grated cheese. Bake in a moderately hot oven, 375 degrees, 20 minutes or until brown.

Best Books Reviewed

By WALTER RIESS THE REALISTIC NOVEL

Arthur Herbert Bryant has entered the author's field quite conspicuously with his first published novel, "Double Image" (Farrar, Straus). He merits attention because his work has been tuned to the modern reader's eye. His style is racy, his plot swift, and his characters, though at times somewhat grotesque, are portrayed with depth and feeling not often found in young authors.

In his ability to control the plot, to convey a sharp picture of a character, he is definitely more successful than many of his fellow first-novelists. But like most other first novels, "Double Image" contains realism that borders on pessimism.

THEME IS CLEAR

The theme of the book is set forth clearly in the pre-story dialogue: "That nobody wins; that it is always too late; that nothing lasts; that . . ."

"But you know that isn't so," she said slowly. "You know it." Sally, the main character, finds her only hope for peace in suicide. The story of her life, a tale of alternating hope and fear, extreme emotions always, forms the core of this book.

The kid, who is secretly in love with her, ends up in an asylum. Pop, the owner of the tourist camp, is a lackadaisical old man who bothers little about anything except his filling station.

All the characters, most of them slaves to their fears, are colorfully painted. The sage Doc Freilig, business man Ramsay, and the soldier whose brutality drives Sally to suicide — they all play their proper role in a tale of black realism.

In this respect, "Double Image" is similar to Winsor's "Forever Amber," and Wakeman's "The Hucksters," and certainly any number of recent novels.

LIFE FACED SQUARELY

This desire of new writers to picture life as it is cannot be hastily condemned. Realism has come into its own. It is the natural offspring of an age of fact, an era in which men avoid idealism.

But surely novelists like Arthur Bryant are not contributing to the health of our literature by stressing the nauseating incidents that take place in the world. We have seen authors who were capable of writing

realism without emphasizing the morbid, or resurrecting the fifth that should be, if unavoidable, only mentioned, not lengthily and deliberately described.

We hope so. For what the first-novelists write will so day influence the thought of a large reading public. It will credit to our authors if the influence is healthy, a shame if it is not.

Worth your while: Booth Tarkington's "The Short Piece" (Doubleday); Walter Edmond's "The Hands of the Senecas" (Atlantic-Little, Brown).

Speak Vows on Saturday

Berres-Sawyer Rites Last Saturday

Miss Patricia Ellen Sawyer, daughter of the late Mr. and Mrs. Henry J. Sawyer, of Owasco, became the bride of John Paul Berres, son of Mr. and Mrs. Albert J. Berres Jr., St. Clair avenue, at a Saturday morning ceremony in Church of the Visitation.

Given in marriage by her brother George Michael Sawyer, the bride wore an ivory fallie gown with fitted bodice, long, tight sleeves and a yoke of filmy illusion above the dropped shoulderline. The full skirt fell over hoops and swept to a circular train.

Her fingertip veil was caught to a cap of antique rosepointe lace and she carried white orchids on a white prayerbook.

As matron of honor, Mrs. Joseph F. Sphar, sister of the bride, wore blue and silver striped taffeta with a bouffant skirt drawn to a pert bustle in back. Her long gloves matched the blue band in her hair and she carried an old-fashioned nosegay of red roses.

Mr. Berres asked John J. Shanahan to be best man. Ushers were Albert J. Berres III, brother of the bridegroom, Glenn J. Williams and William J. Carell.

The bridegroom's mother wore a floor length gown of burgundy, a small hat fashioned of rose ribbons and a pink camellia corsage for the nuptials.

A wedding breakfast at the Detroit Club was followed by an afternoon reception at the Wardell-Sheraton.

When the newlyweds left by train for French Lick, Ind., the bride wore a gray gabardine suit, small gray hat and brown accessories.

Upon their return, Mr. Berres will resume his studies at the University of Detroit.

Dance Friday Valentine

The Sunday Morning Forum of the Grosse Pointe Memorial church is having a Valentine dinner-dance on Friday, February 14 at 6:45.

Mr. Wallace Temple is general chairman of the affair and has arranged for Bill Raleigh's orchestra to furnish the music for dancing.

The dinner committee includes Mrs. Wallace Temple, Mrs. Irving Winkler, Mrs. Kenneth Coleman and Mrs. Dean Sellers.

Mrs. Watson Ford has charge of decorations and Mr. Kenneth Coleman will arrange for games, bridge and other forms of entertainment besides dancing.

The punch bowl in the evening will be presided over by Mrs. B. G. I. Rich, while Mr. Rich is purchaser for the affair.

With past presidents helping and able committee functioning, a successful evening is assured by those in charge.

Barbara Ann Baxter Weds Julius Beers

Grosse Pointe Memorial church Saturday evening at 8:30 was the scene of the pretty wedding of Barbara Ann Baxter, daughter of Mr. and Mrs. Harold A. Baxter of Vendome road, to Julius L. Beers, of Traverse City.

The bride chose an ivory satin wedding gown, with a sweet-heart neckline and draped bodice.

The full skirt swept into a long train, and a Juliet cap held in place the fingertip veil of Duchess lace, which was made from her mother's wedding gown. Her bridal bouquet was of stephanotis and white orchids.

A sister of the bride, Mrs. Bert D. Reddy of Gull Lake, was the matron of honor. Another sister, Mrs. Frank D. Lathrop of Wellesley Hills, Mass., was a bridesmaid.

Other bridesmaids were Mrs. Maxwell L. Crandall of Traverse City, a sister of the groom, and Miss Ann Schuermacher of Westfield, N. J.

The matron of honor wore an aqua dress trimmed with matching sequins, and carried a shower bouquet of daisies and irises. Bridesmaids wore beige gowns trimmed with gold sequins.

The bridegroom, who is the son of Mrs. Julius L. Beers and the late Mr. Beers of Traverse City, asked Robert Straub of Traverse City to be best man. Ushers were Maxwell L. Crandall, Harry Calcutt and Ferris J. Rennie of Traverse City and Lorne Black Jr. of Port Huron.

Mrs. Baxter chose an emerald green crepe gown and Mrs. Beers wore a plum crepe dress. They wore orchid corsages.

For the wedding trip south to Palm Beach, Fla., the bride wore a brown gabardine suit.

Engagement Told Saturday Afternoon

FROMM Here and There with G. P. H. S.

By JOE FROMM

Reserve player Vince Schoeck was the only casualty Friday night. He suffered a cut above his right eye. This did not keep him out of action for more than five minutes, however.

Coach Harold Fisher's two injured players, Schoeck and Bob Hansen both returned against Fordson after layoffs of four and seven weeks respectively, with different results. The former couldn't seem to find the range, scoring only two points. Hansen on the other hand topped the Blue Devils with seven points.

Del Lorranger, Fordson's reserve and varsity basketball coach is a professional basketball player for the Detroit Gems. Last Thursday night he was the Gem's high scorer with 16 points.

When the basketball team defeated Fordson Friday it was the first time in two years that a Blue Devil quintet has beaten the Tractors. The last victory was on Jan. 12 1945. The score was 27-21 and the starting lineup: Buzz Cronin, Ross Herron, Bud Roesch, Dick Finch, and Floyd Nixon.

Here are a few character sketches of G.P.H.S. athletes.

Bob Olson 12A: Leading scorer on the basketball squad... teamed with John Rummel in Fordson game to tie for runner-up scoring honors each with 13... his 6'2" and 180 lbs. gives him an ideal build for a fast-breaking center and rebound man.

During the off season he is one of our outstanding Junior golfers in the state and has won many titles... goes by the nickname of "Ole"... is known for his casual but practical jokes... favorite expression is "liable to"... intends going to the University of Michigan and major in golf.

John Rummel 12A: Forward on basketball team... has averaged 8 points a game... plays halfback and is punter on football team... kicked two punts 89 and 70 yards against Highland Park last season... catcher on baseball squad... president of the student government... hopes to enter Ohio State... ambition in life is to be a batchelor (girls note)... favorite songs are "That's for Me," "Good, Good, Good," and "All or Nothing at All"... spends all his spare time going to athletic events... has similar build to Olson 6'2" and 190 lbs... both have blond hair and are mistaken for brothers.

Grosse Pointe Cagers Whip Fordson 52-45 And Hold League Lead

By JOE FROMM
The Grosse Pointe High School cagers continued their climb in the Border Cities League Championship when they defeated Fordson 52-45 Friday night.

By virtue of their victory over Royal Oak they climbed to a three way tie for second place. In their defeat of the leading Fordson Tractors, place honors are knotted between four teams, Grosse Pointe, Wyandotte, and Royal Oak. The latter two also Friday night over Monroe Highland Park respectively. The game was fought for about by both teams. Six during the first half and in the second the score tied. In the first half the total of points that separated both teams was four. At the onset of the second period. From thence one minute of the final the greatest difference between teams was three points. One time during the last the Pointers increased lead to ten points over Fordson but this was cut down to five with fifty-five seconds remaining their lead was only one point. At this time the score read 48-45, but in the re-

Reserves Drop Third Straight

The Grosse Pointe Reserve basketball team lost its third straight game and fifth in the six to Fordson Friday 31-25. It represented the seventh victory with defeat. Although the score is almost like that of the two previous meetings before this, it was played the opposite. In the first game the reserves held the lead until the minute and a half when Fordson scored three quick baskets and victory.

Friday night Fordson seized a lead against the starting team which consisted of three men. After that the Pointers found the range and kept with the Tractors throughout the remaining time of the game so that Fordson's half time score was still nine points 24-15. The last half was cut down to minutes in compliance with the Border Cities League ruling that the reserve game end by 7:45. In what time left the Pointers came back ten points while holding Fordson to six. The Blue Devils unable to overcome the latter lead and the game ended in Fordson's favor 31-25.

Gym Commandos St. Paul Quintette Extends Streak

By JOE FROMM
The professional basketball teams play double-headers at Olympia. Grosse Pointe High plays triple-headers in their gym, the varsity, the reserves, and the "commandos."

Friday night between half of the varsity game two quintets captained by Harry Garman and Alex Barty played a game of "commando basketball." Each player wore a pair of boxing gloves. The rules state:

- 1—No hitting below the belt.
- 2—No deliberate clipping.
- 3—No blocking or tackling.
- 4—No unnecessary roughness.

The whole gym roared with laughter as these two teams pitted against each other with brawn more than ability to a scoreless tie. Both teams had "excellent" scoring chances but missed them.

Jerry Thiede and Dick Seymore each attempted charity tosses when the officials called unnecessary roughness. Each toss missed the hoop by five feet. Dick Wuerker twice stole the ball and broke down the field but each time he was "stopped" before he could shoot. Harry Garman attempted a breakaway but was stopped by three other players. Dan Beck at one time stood alone under the basket but still failed to score.

All was confusion as more men were on the floor than on their feet. At one time Nick Serra came out of a pileup and asked an official, "Which way am I going?" Another game will be staged between half in the game with Monroe tomorrow if permission is granted.

St. Vincent Finds Jinx in Flyers

By DON SIMPSON
Two more victories were marked up for the St. Paul basketball team as they defeated St. Martins 34 to 28 and St. Vincents 33 to 27. As both games were played at the Flyers home court a partisan crowd of St. Pauls got a thrill to see their fighting red and white team extend their winning streak to four games.

In the Tuesday night contest the Flyers jumped to a 10 to 7 lead at the first quarter whistle but found themselves the trailing St. Martins 12 to 11 at the intermission. The red and white bounced back to the lead 19 to 16 going into the final period. A total of 25 points were scored in this final session with the Flyers counting 15 of them.

Tanner led both teams in scoring with 10 points eight of which were counted in the second half. The game could have been easily lost had not Tanner found the weakspot of the Martin team. Zeigler of St. Martin's followed through with nine points to nose out DuRocher of St. Paul's by a single point.

FARM INCREASE
Farm output per acre has increased a fifth in the last ten years, and output per worker more than a third.

TWO OUSTED
The final quarter witnessed the eviction of two St. Paul stars De Cender and Fushman on fouls. Seykell of St. Vincents also met a similar fate with little more than four minutes remaining in the game. The lecture play of the final quarter found St. Vincents outscoring St. Paul 14 to 12 but six points separated the two teams as the final whistle sounded and the Flyers won 33 to 27.

DUROCHER LEADS
DuRocher finished on top of the individual scoring column with nine points for the red and white. Martinez of the visitors and DeCender of St. Pauls were tied at eight points each.

Poor free throw converting may well have cost the St. Vincent team a victory as they connected an only five of 22 attempts. The Flyers have noticeably improved in this important field with DuRocher hooping five in nine attempts and Law three in five attempts.

Cavaliers Win Two Hold Lead

St. Ambrose's Cavaliers enjoying a half game lead over Annunciation in the race for first place, defended successfully their East Side Second division Parochial league championship against two enthusiastic foes this week after having a week of rest.

The Cavaliers first victim was St. Rose in a colorless 37-22 romping on Tuesday, February 4. After running up a 13-2 lead in the first minutes of the game, the Ambrose five failed to score another basket before the quarter's end, which found the score 13-8, and by the end of the third quarter, the score read 27-21 St. Ambrose.

Jack Howard sparkplug of the Cavalier forward line lead the winners with 12 points while Carroll was close behind with 11. Macklin lead the losers with 8 points.

In their second conquest of the week the Cavaliers defeated St. Martins 33-25 in a contest that inaugurated a 6'2" 180 lb. Freshman, Tom Kerns, onto the Varsity Squad. Kerns not only chalked up 6 crucial points in the last minute and forty-five seconds, but held complete command of the backboards.

Jim Burns combined four buckets with a free throw for a total of nine points. While J. McLighery scored eight points for the losers.

Both these games were spotted with poor passing on the part of the Cavaliers, an obstacle which must be overcome if St. Ambrose is to maintain first place after meeting St. Charles Friday, and Annunciation on Tuesday.

**Highlights
from
Hollywood**

Hollywood's ideal husband of the moment is Gig Young, handsome young contract star in "The Woman in White" at Warner Bros. Studios. Every week, it is said, he gives his wife his pay check! Statistics (Washington, D. C.) reveal that 31 per cent of all husbands do the very same thing! Helena Carter, former "cover girl" of Gotham, is to make her screen debut in U-I's forthcoming "Time Out of Mind."

Lew Ayres, one of the cinema's few chain pipe smokers, has and uses 31 briars. Somebody stole Humphrey Bogart's bicycle when he pedaled off the Warner lot for lunch and parked in front of a nearby cafe. Marna Kennely, winner of Dublin's recent all-Irish beauty contest, is to be screen-tested by RKO.

outing note: John Garfield, who had a bit of landlord trouble while starring opposite Joan Crawford in "Humoresque," is threatening to buy a large boat and live in it the year round if local householders get too tough. Sensation of the week: Sabu, a local nighty with his ocelot! No one was injured. What became of the Mauch twins who were doing so well in pictures about eight years ago? Bob is an assistant film cutter at Warner Bros Bill is an air-walk thespian. Oddities from here and there: In Tacoma, Wash., there's a theater called the "Blue Mouse." Springfield, Mo., has one known as the "Kickapoo!"

Seeking old Irish ballads to be revived in "My Wild Irish Rose," now before the cameras, the research department at Warner Bros. studio came upon this champion of all lengthy titles. . . "If I Thought That You Thought That I Could Forget You, I'd Think It Was You Who'd Forget!" Inasmuch as the picture is to be held within a running time of 100 minutes, the ditty will not be used.

Life became ironical last week for Douglas Kennedy, young contract player at Warner Bros. After being selected from 20 tested thespians for a role in "Night Unto Night," he discovered that he was to portray the voice of a ghost and was never to be seen in the picture at all! He felt somewhat better about it, however, when he learned that he had been the solution of a major casting problem. His was the only voice sufficiently resonant to get by as that of a departed soul!

Regarding the ameliorating effect of time: Hoop skirts, circa 1850, worn by Alexis Smith and Eleanor Parker in Warner Bros' "The Woman in White," were regarded as "very daring garments" in those days, because every now and then . . . horrors! . . . an ankle could be seen. William Frambes, who used to be that 200-pound fat boy in Educational comedies, is portraying a thin, lovelorn sailor in "Time Out of Mind" at U-I. J. Carrol Nash, playing Rudy Boray in Warner Bros' forthcoming "Humoresque," has been invited to be guest actor with Dublin's Abbey Players next spring. Film to be produced for United Artists by Seymour Nezenzahl is titled "Dream of Butterfly."

Clifford Young, contract player at Warner Bros. thinks he has the world's toughest acting assignment. He's to portray a heavy opposite one of the heaviest heavies in the business, umphrey Bogart, in "Dark Passage." Romantic lead opposite George Brent in Columbia's "The Corpse Came OD" will be Joan Blondell.

Hollywoododdities: I. Labare is a member of the working crew, "Night Unto Night," company: Warner Bros. Paris bows to no other place when it comes to night club prices, according to actress Judith Anderson, who returned to Hollywood recently to complete her role in U. S. Pictures' drama, "Pursued," for Warner Bros.' release. Prior to leaving the French capital for her film duties, Miss Anderson gave a modest little dinner party at Maxime's for friends. It lasted but two hours. The bill was \$550 American, and there was no champagne! While starring in Warner Bros' forthcoming drama, "The Man I Love," Ida Lupino became renowned about town as a friend of the homeless. She is one of the assumed victims of the housing shortage, including a discharged soldier who composes music, two discharged soldiers who write plays, an actress who was unhoused by a fire at Laguna Beach, a screen-writer who bunked with the gardener and three people who slept in the den whose names and professional activities Miss Lupino couldn't recall at the time.

It's not only close harmony but it's the best when two of the world's great entertainers—Bing Crosby and Al Jolson—get together. And they do during the January 15 broadcast of Bing's ABC radio show, "Philco Radio Time."

RADIO NEWS AND VIEWS

By JAMES H. QUELLO
In the early winter of 1946 when radio listening was hitting its stride, many radio critics believed the Bob Hope show was slipping. Despite eleven gag writers his stuff was called stereotyped and worn out. His humor was criticized by radio editors as too risqué and in bad taste. However, in the entertainment world where the pay-off is the number of people you attract to the radio dials or to the show, the most important critics is old John Q. Public. And with the public Hope is out in front by several lengths. His latest audience rating (33.2) is the highest obtained by any program this season. Americans seem to like their humor a little salty and right off the cob.

Bing Crosby, whose transcribed series provided plenty of controversial copy for radio columns, is back among the first fifteen programs for the first time since October. His transcribed series has managed to consistently top hundreds of live shows.

"Open the Door Richard" is shattering all records for plugs on network shows. It's the hottest reiver of gagging radio punch lines since Kilroy stopped scribbling on the studio walls. Dick has sailed thru the gas portals of Jack Benny, Fred Allen, Fibber McGee, Phil Harris and Henry Morgan — not to mention dozen of lesser lights. The numerous references have boomed the sales of the catchy song. The composers are already working on a sequel so as to cash in on the fad.

The Federal Trade Commission is charging four large cigarette advertisers with misleading and untrue advertising. Some of the ads that would have you believe that cigarettes act as a throat lozenge to change. Broadcasters are currently fighting the Federal Communications policy that "radio cannot be an advocate." Many believe that radio stations could more adequately fulfill its obligations to the community if it enjoyed the freedom to editorialize. Legislations may be introduced to

change the FCC rule. Have you noticed the improvement in the "Hit Parade?" The music is not nearly as loud, fast, or brassy and each song is arranged for its own mood. The four major networks are already jockeying for exclusive broadcasting and television angels for the forthcoming Olympic games, the first to be held in twelve years.

Now we hear that rumors about Tony Martin joining those radio shows was all rumor and that he has made no air commitments. Hell manage to eke out a living somehow — He's opening at the New York Copacabana at \$7500 per week. Tommy Bartlett of ABC's "Wake Up and Smile" (Saturday 9 a.m.) emitted this truism: "Why is it that most people learn to make the most out of life when most of it is gone?"

LOCAL SHOTS

CKLW is claiming that their photogenic Mary Morgan is the first local fashion editor to be televised. She appeared on the New York Dress institute fashion show. Whether its a "first" or not, Miss Morgan certainly stands to gain when television hits her station. A local boy Larry Taylor, has a new song show on WXYZ Monday, Wednesday, and Fridays at 1:15. He's actually an announcer turned singer. If the show attracts an audience he'll stay on as a crooner.

The WJR "Your Governor" and "Your Congress" series rates a service as a fine local public service. Two announcers have been eating their words this week. Larry McCann and Fred Foy who blug potato culture bread on the WXYZ "Breakfast Table Quiz" have been eating a loaf of the bread each morning on their program. The grand finale is next Monday when they eat the final loaf which will be one week old. It's to prove that their particular brand stays fresher, longer. If all announcers had to perform similar experiments on their products, commercials would become more conservative — or announcers more rugged!

Detroit Edison Sponsors Series of Radio Concerts

Detroit Edison Company is sponsoring a series of Tuesday evening broadcasts of the Detroit Symphony Orchestra which began February 11 under the baton of Valter Poole. The broadcasts are from 7:30 to 8:00 p.m., over Station WWJ. "These broadcasts," according to Angus D. McLay, vice president of Detroit Edison, who made the announcement, "will feature enduring music of wide popular appeal for the people of southeastern Michigan whom we serve. "We feel that it is appropriate that this series of broadcasts should start on the hundredth anniversary of Thomas Edison's birthday."

1946 Busiest in History of Michigan Bell

The Michigan Bell Telephone Co. cited 1946 as the busiest year in its history.

Despite critical material shortages, the company put through a \$39,000,000 construction program, reduced the list of those waiting for service from 118,000 to 70,000 and installed 400,000 telephones—100,000 more than in any previous year.

The company installed enough wire during the year to reach 20 times around the earth. Enough central office equipment was added to serve 160,000 more subscribers.

At year's end, there were nearly 1,380,000 telephones in the company's territory for an all-time high and 205,000 more than a year ago. Service was furnished to 20,000 more rural subscribers in 1946.

Not only were there more telephones but people used them more. The volume of local calls handled by the company was averaging 7,250,000 for a normal business day by the end of the year, an increase of 1,250,000 a day over 1945.

Long distance traffic had jumped to an average of 180,000 calls a day against 128,000 at the same time last year.

One of the largest long distance projects in the company's history was started and mostly completed during the year—a 250-mile cable between Detroit and Grand Rapids costing more than \$3,000,000.

The company was unable to erect new buildings as rapidly

As needed because of material shortages. Every building bulged with necessary central office equipment, forcing the company into new business offices and administrative quarters in many communities of its territory.

A brand-new operations was started with the inauguration of mobile telephone service in Detroit. Plans went ahead for extension of "dashboard" service to several other cities and for the opening of general highway service over main arteries of southern Michigan in 1947.

Michigan Bell officials expect the year ahead to be even busier. Afforded favorable economic conditions, including ample supplies of materials, the company hopes to eliminate its waiting list and to restore serv-

CHAPLAINS BUSY
During 1946 United States Navy chaplains conducted 407,577 divine services which were attended by 32,603,884 persons, performed 12,501 marriage ceremonies, 14,951 funerals and 15,088 baptisms, accepted 13,818 men and women into the church and visited 5,311,408 persons in hospitals, sickbeds and brig.

\$5,000 SPEND \$100,000
Fifty-five thousand individuals and business firms of Wayne county contributed \$100,000 to the Christmas Seal fund of the Tuberculosis and Health Society, reports James W. Parker, vice-president. For this date, the sale represents an increase of \$4,000 and a group of 5,400 new givers.

Lionel Barrymore is the eldest of the Barrymores. He was born in 1878, Ethel was 1879, and the late John in 1882.
