SILLY HATS

Grosse Pointe Veterans Await Bonus

G.I.'s Have Set Plans For Money

April 1 won't be April Fools Day—not for Michigan's ex-servicemen, since on or about that date, payment of the veteran's bonus is due to begin. Governor Sigler recently announced plans to have all machinery for the bonus payment ready by the end of this month.

The Grosse Pointe Review quizzed local veterans about what they intend to do with their bonus money, which will range up to \$500. Answers varied from: "I'm going to bank mine," to: "I'm going to buy a new car." All the discharged servicemen queried were glad that the payments are soon to begin.

Robert Dietz, 713 Lincoln Road, a former Navy man, said he is going to use his money to help buy furniture for his home. Bob's wife, said: "Any way, I'm going to help him spend it."

A conservative is Ed Rohrbach, 947 Nottingham, who said: "My money? Why I'm going to bank it and live off the interest." Ed is an ex-member of the Army Ordnance Division.

Robert Kimber, 676 Neff Road, an ex-Army man, said (with a dreamy look) "I'm going to buy me a NEW CAR!" When asked where he was going to get it, he just smiled and looked mysterious.

Former Marine, Bob Cerman, 489 Fisher Road, expressed satisfaction at the thought of his bonus. When asked what he was going to do with it, he paused. "Do with all my money? Well—I think I'll pay my income tax!" he said happily.

Byron Scott, 16904 St. Paul, who was with the Army Air Corps, said: "I think I'll bank my payment and use it as an endowment fund for my children."

On the distaff side, Lauretta VVan Becelaere, 510 Notre Dame, formerly of the U. S. WAVES, said: "I think I shall just put my bonus away for a rainy day."

Another ex-WAVE, Virginia Vanderveuer, 710 Notre Dame, stated: "Since I'm a photo bug, I am going to put my money into some more photographic equipment."

Funeral Held For Flanders

Funeral services were held this week at Hamilton Undertakers chapel for George E. Flanders, Sr., 47, wealthy real estate broker, who ended his life Monday by firing a bullet into his head in the basement of his home at 784 Barington.

Added to the aforesaid condition was the report of City Council men Sidney Morgan, John Mack and Thornton Waterfall who recommended to let a private company purchase its salvageable material. The councilmen who studied the case said the city would benefit more by doing so. They indicated that this action will result in the three men who have been employed at the salvage plant to be transferred to other municipal duties, which are sorely in need of additional help.

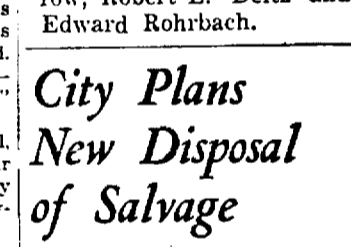

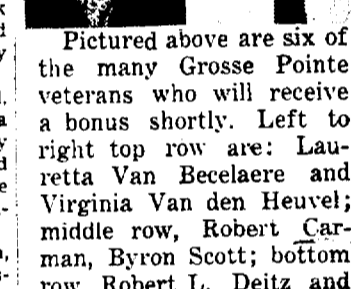

St. Paul's To Hold Holy Week Services

St. Paul Lutheran Church, George J. Grewenow, pastor, announce two special services for Holy Week to which the public is cordially invited.

Maundy Thursday, April 27th, Holy Communion will be celebrated at a service beginning at 8:30 P.M. in the Auditorium of Jackson Intermediate School.

Good Friday, April 28th, a special Good Friday evening service will be held at 8:00 P.M. Pastor Grewenow's sermon topic will be "The Vigil of the Cross." The Senior Choir and the Grosse Pointe Church under the direction of Mr. Robert A. Stratton will render an anthem.

Remembered

Pictured above are six of the many Grosse Pointe veterans who will receive a bonus shortly. Left to right top row are: Lauretta Van Becelaere and Virginia Van den Heuvel; middle row, Robert Cerman, Byron Scott; bottom row, Robert L. Deitz and Edward Rohrbach.

City Plans New Disposal of Salvage

Grosse Pointe City's salvageable material will be sold to the Continental Mills Supply Company of Detroit, beginning April 1.

The announcement was made by Norbert P. Neff, city clerk, who said the action was necessitated by the sale of city's property at 18100 Warren on which the city's own salvage plant was located.

Ground Broken For New Church

Boys' Fancy Annoys Police

Spring is here and a boy's fancy usually turns to outdoor play . . . and occasional mischief.

Grosse Pointe police are receiving calls daily from local residents complaining about the unrestrained recreation boys are having at the former's expense.

Among the reports were: One from a perturbed gentleman on Lakeshore who reported a 13-year-old was playing sniper and was taking pot shots with his air rifle at the neighbor's home.

Out near 1428 Three Mile drive boys were reported playing ball and running through shrubs on a citizen's lot to retrieve foul balls.

A watchman at Balfour and Charlevoix called and said that a group of boys were causing trouble. Police found several teenagers playing "follow the leader" on a construction project.

A call from Bon Secour hospital said boys were causing a disturbance by running through the hospital.

Another call sent police to 452 Madison where boys were reported throwing mud at windows.

Pointe Optimists Club Elects New Officers

Chester F. Carpenter, 546 Lakeland, was elected president of the Grosse Pointe Optimists Club at the election of officers held Tuesday at Mary Dorothy's Dining Room in Grosse Pointe Woods.

Other officers elected were Mr. Walter C. Tuhle, first vice-president; Zack A. Moir, second vice-president; Preston Smith, secretary-treasurer; G. D. Woodbridge, sergeant-at-arms.

Named to the Board of Directors were George Knuff, Michael Sullivan, George Dunsbury, Ray Smith and G. D. Woodbridge.

The men also completed plans for their first annual party at the Rose Vankar Hall, Cadieux and Harper, on Wednesday, April 10 at 8 p.m. The proceeds will go to the Optimists' Boys Benefit program.

Police Warns Women Of Fake Apple Vender

A man who has criminally attacked several women during the past few weeks is being sought by Grosse Pointe, Detroit, and Wayne County police.

Posing as an apple vender, this man has been operating in outlying suburbs of Detroit. He is wanted for criminal assault.

Arthur E. Louwers, Chief of Grosse Pointe Police fears that the culprit may attempt to visit Grosse Pointe homes next. He warns all residents to be extremely careful before opening doors to any vendors.

The task of apprehending the man has been burdened by the victims' descriptions. Other than the fact that the man had "beautiful white teeth," the women disagreed.

One woman described the attacker as a negro while the others called him a white man. Police believe he may be a negro with a light complexion.

After questioning the women involved, police were able to arrive to this description: Age, 25 to 30 years; height six feet and weight 160 to 180 pounds. When last seen, the man was wearing a black leather jacket.

Police report that the man drives a 1946 black panel delivery truck and pretentiously solicits from door to door with a few apples in his hand.

One woman said that when she attempted to shut the door, after she became suspicious of the man, he stuck his foot in the way. He then entered the house and molested her.

Grosse Pointe police urge all citizens to report any suspicious person immediately.

Police Seek Ex-Convict In Looting

Whether a criminal returns to the scene of a crime or not is receiving considerable thought by Grosse Pointe City police as they seek Frank Walker in connection with the reported \$3,000 liquor robbery of McMillan's Market, 16822 Kercheval near Cadieux, late Monday night.

Walker, a Detroit negro, and a former employee of McMillan's was arrested and convicted of a similar robbery in March, 1943. He was sentenced to one to three years at Jackson prison. He was released after serving one year.

Tom C. Trombly, chief of Grosse Pointe City police, is checking the possibility of Walker being linked with another Detroit negro, presently employed by McMillan's, who has not reported for work since last Saturday.

The robbery was discovered by Elias Antoun, 54, of Detroit, a clerk who called police early Tuesday morning.

Police believe the criminals entered the store through the back door but as to how they accomplished it is still unknown. The door was locked at all times and there is no signs of breaking in to enter.

According to Chief Trombly at least four men participated in the looting and its a strong possibility that they are the same ones who looted \$5,000 worth of liquors from McMillan's Highland Park store a few weeks ago and who attempted to rob that store again last week.

Police said that the burglars revealed a taste for the better liquors by removing the cheaper brands out of the cases and filling them with the better and costlier liquors. Police said they also stole \$40 in cash.

Streamlined Firemen

Shown above in their new streamlined uniforms are left to right, Captain George L. DeCaussein, James M. Sullivan and Chief Edward L. Rector of the Grosse Pointe Park Fire Department.

Park Firemen Rate With America's Best

The Grosse Pointe Park Firemen are the best dressed firemen in America.

One might arrive to the aforesaid statement after viewing the Park force in their new and streamlined uniforms, which the men pay for themselves.

Smartly tailored and double breasted the blue uniforms add a striking note of efficiency and individuality to the Park's fire department personnel.

GOLD STAR

On the left sleeve of each uniform, a gold star appears for each 5 years of service.

The officer's uniforms are similar to the Navy's "gold braid." Chief Edward L. Rector, 1155 Nottingham, has two gold stripes around each sleeve indicating his rank.

Captain George L. DeCaussein, 1458 Maryland, wears two silver stripes and Lt. John D. Burgess, 1422 Maryland, has one silver stripe on each of their sleeves.

The new uniforms and designs are the same as those adopted by the Detroit Fire Department.

The purchase of the new uniforms by the Park department marks the first Grosse Pointe department to change from the old single breasted style. The rest of the Pointe fire forces expects to order new uniforms shortly.

Chief Rector said that the department which has 21 men on duty, has also received new fire fighting raincoats. The new coats are made of rubber ice canvass and are more flexible and easier to work in than the formerly used raincoats which were made of pure rubber.

SERGEANT'S RANK

In keeping in step with its efficiently modern note the Park fire department has been among the first in Michigan to have the rank of sergeant on its force.

A sergeant, who gets an increase in salary, acts as company commander whenever his superior officers are off duty. Previously this responsibility was detailed to any of the firemen without added pay.

The sergeants of the Park department are Haenry DeClark, 1249 Beaconsfield and William B. Graul, 1363 Lakeshore. Both joined the department in 1928.

Kitchell Captures Lecture Audience

No speaker said more, no lecturer spoke as well, said as much and entertained so completely as dance humorist Iva Kitchell, last Thursday's attraction on the Grosse Pointe Lecture series.

The clever drolleries of a rich sense of pantomime were immitably enacted by la Kitchell as she raced through a fast and varied program of well-timed satire, burlesque and take-offs on dance moods and techniques, including interpretations all her own.

In only one number, in the same twelve presentations, did Miss Kitchell speak, and then only a few words. Yet, by sheer sense of timing, a purely original technicality and an infectious personality, she brought her audience more entertainment-packed moments than almost any other attraction on the current lecture series.

To describe her program to one who has not seen it is practically impossible. It is all Kitchell . . . a warm and engaging personality . . . and with all of her high comic art, she dances very divinely.

Chiefs To Sponsor New Plan

A traffic school will get under way in Grosse Pointe Township next month. It will be sponsored by the Police Chiefs of Grosse Pointe and will be conducted by members of the Grosse Pointe Police departments.

The classes, which will be in all respects similar to the ones held in Detroit, will be conducted in the Township Municipal building. Plans are still tentative but police believe they will have two classes a week each session of two hours in length.

SUBJECTS

Among the questions and subjects the police instructors will answer and explain during the classes are: How to obtain an operator's license; How to be safe and courteous driver; and rules and regulations pertaining to all traffic laws.

The Police Chiefs feel that the school will be a major factor in curbing the ever increasing number of traffic violations.

Those who will be compelled to attend the school are:

- 1—Juveniles applying for operator's license
- 2—Adults who have never had an operator's license.
- 3—Persons who have had a year or more elapse since their operator's license was valid.

MANDATORY

Judges of Traffic Courts in Grosse Pointe Township will cooperate with police in achieving the purpose of the traffic school, by making it mandatory for traffic law violators to attend the classes.

Parents are urged to see that their children attend the traffic school before making any attempt to obtain operator's license.

Sigler Speaks at G.P. School

Governor Kim Sigler will be the main speaker at a meeting to be held at the John D. Pierce Junior high school, 15430 Kercheval, next Saturday, March 29, at 8 p.m.

The Governor's subject will be "The Threat of Communism" and he will come direct from testifying before the Special Congressional Committee in Washington.

This meeting will launch the Republican biennial spring election campaign leading to the general election on April 7, when state and local officials, including judges will be elected.

The 14th Congressional District Republican Committee is sponsoring this meeting and former Governor Wilber M. Brucker will preside. State Senator Matthew Callahan, Chairman of the State Senate Committee in educational instruction, will introduce Governor Sigler. The public is invited to attend.

"WE LEAD, OTHERS FOLLOW"

PALM SUNDAY

Next Sunday is Palm Sunday. With this day there is ushered in a significant week for the Churches. Holy Week has had and does have an important place in the life of a Christian.

The Church year begins with the advent of Jesus. His birth, His dedication, His life and teaching, His crucifixion, suffering and death, these all follow in order.

Through the meetings, classes and worship services of the Lenten season, our hearts and minds are stirred. The Churches of this area should place heaven in our community life.

Easter is the climax of Holy Week. Easter is the resurrection experience. The assurance of immortality is its basic teaching.

There was a grim irony in the nervous eagerness with which the nation awaited each Monday session of the United States Supreme Court — that being the day on which it hands down the decisions — in the hope that it would say the final word in the case of the government versus John L. Lewis and his United Mine Workers.

HAVE WE COME TO THIS?

There was a grim irony in the nervous eagerness with which the nation awaited each Monday session of the United States Supreme Court — that being the day on which it hands down the decisions — in the hope that it would say the final word in the case of the government versus John L. Lewis and his United Mine Workers.

Entirely aside from the legal phase of the matter, the feeling that the Supreme Court is under pressure to announce its decisions as quickly as possible should make the American people ask themselves this potent, far-reaching question: "Have we reached a point where one man can set up a deadline as the day when the Supreme Court must act?"

The Supreme Court is the highest judicial agency of a great government. It is one of the principal custodians of the people's rights, and the final defender of their liberties.

THE RETAILER WORRIES TOO

The consumer is not alone in worrying about high prices. The manufacturer and merchant are definitely disturbed too. Their interest is plain enough. Consumer resistance is strong and it is increasing.

The retailers of the country are devoting intense attention to this problem now. They are going to the mat with manufacturer, seeking ways and means to produce better goods for less money.

On top of that, all kinds of stores are cutting overhead in every way possible. Most of the savings find their way, directly or indirectly, into the pockets of the consumer.

WORTH RECOGNITION

The railroads are criticized for things they do or do not do. They serve so many people that it is impossible to please thousands-and-one different tastes and ideas.

The recent ending of furlough fares brings to mind an act of the railroads which deserves recognition — namely, beginning seven months before Pearl Harbor and extending sixteen and one-half months after V-J Day, or sixty-nine months, approximately two hundred million furlough tickets were sold to men and women of the Armed Services at the special reduced rate of one and one-quarter cents a mile.

"Benny," said his mother, (helping him with his home work), "tell me how many is seven and four." "Twelve," replied Benny. "Not bad for a little shaver," volunteered papa. "He only missed it by two."

Letters to the Editor

To The Editor: In view of your recent editorial "The Flowering of Socialism," I would like to offer the following comments:

The decline and fall of Nations was due mainly to wars and greed, over population, insufficient production and taxation. Too many non-producers living off tax money. It costs too much to be governed. Dangerous inflation must be reduced.

This must issue if the war and Government debts are to be paid and America preserved. No further American money can be poured into other Nations most of whom can never be completely self supporting.

Foreign Nations are mainly interested in getting free aid from America not necessarily in our form of Government. They must produce more for their own needs and learn to eliminate destructive wars and over population.

Everyone likes to dance and there is a big group of children at Tau Beta Community House, 3056 Hanley, who would like to have a volunteer instructor to teach their willing feet the intricacies of ballet, tap and folk dancing.

Community Needs Help

The leader should be skilled in the kind of dancing she is teaching and should be able to keep a group of youngsters between 8 and 12 years old, busy and interested.

The Community house, a Red Feather service of the Community Chest, is in need of other volunteers to carry out its daily program of activities in varied fields.

Defer Pupils Present Own Radio Show

Station DEFER owned and operated by the SA group of Defer School presented a realistic radio broadcast for the entertainment of their parents, and fifth and sixth grades at Defer School on Tuesday, March 18th. The broadcast was the outgrowth of a study on communication, which had included a visit to Station WWJ.

The audience was entertained by a band composed of Graham Nadal, Janet Meyers, Mary Lou Tanner, Norman Carstena, and Richard Sadler. The sign man, David Stapleton, greeted the studio audience, explained the sign, and made every one laugh. Dick Zander, dressed as a watermelon with a huge mop on his head, chased Norman Haas down the aisle and across the stage where she dropped a huge bar of Gio-Bio soap and saved herself from her pursuer. This really warmed the audience so that the show went "on the air" in a gale of laughter.

Bob Usher was the announcer who came on for introductions, for station breaks, reading commercials, and presenting news. The following programs were presented:

Gio-Bio Soap Ditty—Mary Lou Tanner and Yvonne Currier.

William Cornelius Augustine, Jr.—written by Mary Meeker and Laia Sadi. Presented by Mary Meeker, Richard Sadler, Joyce Katros, Michael Athman, Jimmy Stark, and Laia Sadi.

John in Ancient Greece—written and presented by Edward Kay, Dick Zander and Charles Demma.

News—written and presented by Bob Usher.

Hunt for Talent—Conducted by Janet Meyers who presented: Piano solo, Laia Sadi; Song, "The Old Lamp Lighter," Yvonne Currier; Ballet Dance, Barbara Reeves; Piano solo, Mary Meeker. The Scooper—News of Defer School compiled and read by Barbara Reeves.

Bugs Bunny and Porky Pig Show—written and presented by Don Huffaker and Eric Gates. Those Carter Kids—written by Norman Carstena, Graham Nadal, Mary Lou Tanner and David Stapleton, presented by Norman Carstena, Graham Nadal, Yvonne Currier, and Mary Lou Tanner.

The audience contributed to the program by laughing and clapping as the sign man indicated.

One feature of the radio broadcast which lent an added touch of realism were the many commercials which interrupted every exciting program. The commercials, copying real products, were contributed by Janet Meyers, Charles Demma, Edward Kay, Bob Usher, Dick Zander, Norman Carstena, Don Huffaker, Graham Nadal, David Stapleton, Mary Lou Tanner, and Eric Gates.

The stage of the Auditorium had been arranged to look like a real studio. The band, participants and microphone occupied most of the stage, except for the control and sound effects booth. Acting as sound effects men were Billy Hunter, Bob Richardson, Fred Beck, and Bob Hammond.

One of the most impressive features of the show was the fact that the scripts had been originated, prepared, and read entirely by the pupils of the SA class.

Pictured above are the fifth grade student of Defer school presenting an authentic broadcast of a complete radio show with music, songs, comedy and even commercials. Parents were in the audience.

Rumpelstiltskin Reviews

By ISABEL KONEY

French story-tellers for generations had kept the name Mother Goose as a title of honor for themselves. When Charles Perrault (1628-1703) chose for his collection of French Fairy Tales the name "Contes de ma mere loie" in 1697, he was using a name which had been made famous at French fire-sides long before he was born.

A translation of Perrault's tales in 1750, by Robert Samber, made the name Mother Goose well known among English children. The name had become so popular among English children that when John Newbery published his collection of Nursery Rhymes in London in 1760 he called it "Mother Goose's Melody." This book was the original Mother Goose and began the association of the name with Nursery Rhymes. If a copy of this book could be found today it would be a rare prize for the collector of children's books.

In 1785 a reprint of the Newbery edition was published by Ismail Thomas at Worcester, Massachusetts. This edition is sometimes referred to as the first American Mother Goose.

The Grose Pointe mother, like mothers the world over, is reading a book with long and beloved history when she holds her two or three year old close to her and introduces him to the world of poetry. It is a world of sound, of rollicking humor, where the sense does not, so much matter. The child is beginning to develop a feeling for the flavor of words—for the magic of imagery: "Ride a cock horse to Branbury Cross To see a fine lady on a white horse With rings on her fingers and bells on her toes She shall have music wherever she goes."

Some of the Mother Goose books in the following list are out of print or difficult to obtain. Others are still available. However several are being given so they may be enjoyed in the Grose Pointe libraries when they cannot be obtained for the young child's personal library.

MOTHER GOOSE, illus. by Kate Greenaway, Warne Co.

MOTHER GOOSE, illus. by Arthur Rackham, Century.

THE REAL MOTHER GOOSE, illus. by Blanche Fisher.

WEIGHT-BAND McNALLY, A gay one. Available.

THE ONLY TRUE MOTHER GOOSE, Published by Lothrop. An exact reproduction of the text and illustrations of the original edition published in Boston in 1833.

The Little Mother Goose, illus. by Jessie Wilcox Smith, Dodd Mead pub.

Mother Goose, with pictures by Taasha Tudor, pub. Oxford University Press, 1944. A small one, beautifully illustrated. Available.

Mother Goose Rhymes, by L. Edna Walter, illustrated by Charles Folk and published by Macmillan. A good one for the teacher or parent wanting a book containing a large number of rhymes.

A Picture Book of Mother Goose, by Berta and Elmer Hadler. Coward McCann, publisher.

The Old Mother Goose, illustrated by Anne Anderson. Large gay pictures. Good type. Beautifully done. Thos. Nelson pub. Available.

The Tall Book of Mother Goose. Modern illustrations by Rojankovsky. Harper and Brothers pub.

Mother Goose, illus. by Elliott Little Golden Library. Pub. by Simon and Schuster.

Next week: "Books for the Child Two to Four."

WATCH where you're flying it, fellows. Keep it away from electric wires.

WATCH out for metal ribs in kites and for metallic-wound kite strings. They may be dangerous conductors of electricity.

Don't take chances with wet cotton kite strings, either. If your kite hits a high-tension wire, you may be badly checked.

Hunt Club Notes

BY THE HILL TOPPER

The hoe-downs is an up-and-coming form of entertainment at the Grosse Pointe Hunt Club. The group's first square dance was held a few weeks ago, and in answer to popular demand there'll be another Friday evening, March 28th, with horses checked outside and all the ladies in shoes that can take it. This affair will really have an old-fashioned flavor, for it's a box social, too! Each woman will bring a box, packed with refreshments for two, which she'll share with some lucky man—but not the man with whom she came.

Mrs. Bert Spurrer is chairman, assisted by Mrs. Elmer Boyd, Mr. and Mrs. Jack Wademan, Mr. and Mrs. Charles Crulkshank, Dr. Arthur W. Erkfitz, Charles Verheyden. The Hunt Club's square-dance-whizzes, the Crulkshanks, the Widermans, the William Alens and Walter Stewarts, will set the pace for the evening and show the neophytes how to do it.

On a recent Wednesday evening two gentlemen took over the buffet supper after the Hunt Club's Musical Ride. As a rule the ladies officiate at this function, but for a change of pace Vincent Corbett and Dr. Arthur Erkfitz were co-hosts. Their table setting reached a new high in interest and charm. There menu was one of the most appetizing the members and guests have enjoyed this season!

Dr. Erkfitz borrowed some of his eighteen-year-old daughter Ann's dearest treasures to fashion the impressive centerpiece—a hunting scene, complete with fourteen horses under tack, four couples of hounds, master and whippers-in. The colorful collection of figures was backed up by a handsome replica of a stable, equipped with miniature stalls that seemed ready for business—right down to the bales of hay in the corners.

It seems that as a small fry Ann Erkfitz preferred horses to dolls. So, when she was three years old her father started building for her a series of horsey settings, a show ring, a race track, the hunting scene, and stables—all accurate in the smallest detail. Against these backgrounds Ann's ever-growing collection of more than a hundred metal and carved wood horses strut their stuff. Hunt Club members were thrilled to have a peek at even a part of the Erkfitz' charming miniatures and to hear of their delightful hobby.

As for the menu of that memorable Wednesday night—it

GIRL SCOUT NEWS

The Camp Round-up Date with Dad Party was held March 20 in Grosse Pointe Memorial Church. The 350 Girl Scouts and their fathers who attended enjoyed a chicken pie dinner, colored movies of Camp Metamora and Camp Holly followed by a short skit on camping enacted by Mrs. Edward Kay's Intermediate Troop 385.

Mrs. Lynn O'Brien, Camp Chairman, appealed for the aid of more Dads to help out this spring in getting Camp Holly ready for the girls. The 31 fathers who last year spent a total of 988 hours painting, mixing and pouring cement, putting up screens, building, and just plain digging, were honored and made members of the Dad's Patrol.

Mr. Lynn O'Brien, Chairman of the Grosse Pointe Dad's Patrol announced that a meeting will be held on April 14 in the YWCA to discuss organizing a Dad's Patrol for the entire Detroit area.

Special guests present at the Round-up were Mrs. Lauri Parissons, of the Northeast district; Mrs. Madeline Murphy, Camp Director for Metropolitan Detroit; Mrs. Mark K. Edgar, Honorary member of the Grosse Pointe Girl Scouts.

Songs, in which the fathers joined, were led by Mrs. June Doub, Field Secretary.

Attractive centerpieces, depicting scenes from camp life, which decorated each table, will be on display in various libraries in Detroit.

Student Who Lived in Germany Describes Nazi Regime

"The German people did not know about the atrocities committed by the Gestapo! They just did not know!" "This point was reiterated time and again by Richard Roach, American boy who has spent most of his eighteen years in Germany and who is now a student of Grosse Pointe High School.

He related some of his experiences with an enthusiasm and profundity reflecting his span of experience and knowledge. "Sure the people noticed friends missing," Richard went on. "But they thought these people had been transferred to other towns. They had received notices telling them that they would be."

Concerning present attitudes Richard assured that Germans are bitter. "Some because they lost the war," he declared, "others because it was ever started." The Germans hold particular resentment against the Russians, Richard judges. "Many Germans would be willing to go to war against Russia right now if it were at all possible," Richard asserted.

Few Germans possess real hatred for Americans, however. "Until 1940," he averred, "the people felt quite friendly toward this country." As for the attitude the Germans held toward the Japanese, Richard strengthened his opinion by repeating the

German slogan, "We are allies of the Japs, but not their friends." Richard went on to say that many of the Germans are repentant, but that none of them are afraid. "It is not like Germans to be afraid," he asserted.

The principle speakers Wednesday evening were: Ches Larson, vice-president of the Cunningham Drug chain and Edythe Fern Melrose, well-known Detroit radio personality.

The active Detroit women's group have not only enlisted the help of all Detroit radio stations, but also of the Grosse Pointe Review and other newspapers, transportation advertising heads, and advertising agencies.

Gratiot Township Topics

By L. A. BOYER

Girl Scout Troop Number 1 of Beacon School, Gratiot Township received their certificates of membership to the National Organization of the Girl Scouts of America on Tuesday evening, March 18. The program preceded the regular meeting of the Parent Teachers Association. This girl scout troop is the first to be organized in the Township and is being sponsored by the Parent Teachers Association. The occasion was celebrated by a colorful ceremony with the girls and their leaders dressed in uniform.

Services began with the girls assembling in horseshoe formation, followed by the pledge of Allegiance and song of America. Reverend Wittman then led them in prayer.

Mrs. Durkee and Mrs. Stell, scout leaders from St. Clair Shores conducted the services, presenting the scouts, their leaders and committee members with pins and membership cards.

There eighteen registered girls in troop number one, are Irene Adair, Shirley Alexander, Joan Arndsen, Lois Baker, Karen Boyer, Delores May Day, Frances DeCook, Patricia Horton, Hazel Jahn, Mary Lou Lohr, Barbara McClellan, Faye Saylor, Marlene Schill, Helen Sutherland, Mary Wilhelm, Rhea Miller, Mitzi Smith. There leaders are: Mrs. Victoria Quandt, Vida Adair, Mrs. Laurel A. Boyer, and Mrs. Ethel Sutherland.

Committee members are: Mrs. Wm. Sommerville, Reverend Joseph J. Wittman, Dr. Wm. Stoler, and Mr. Lawrence Head.

We are proud of our first girl scout troop in Gratiot Township and knowing these girls as we do, we are certain they will live up to the girl scout laws.

A piano selection was rendered by Irene Adair and Delores Day did very well on her accordion.

The program was closed with the good night circle and the singing of the Golden Sun and Taps.

Following the Girl Scout Service the Parent Teachers Association held their regular meeting. Mrs. Anthony Gottler, nominating chairman directed the election of officers for the coming year 1947-48.

Mrs. Wm. Sommerville declined nomination for the coming year.

The following officers were elected: President, Mrs. Hazel Jones; Secretary, Mrs. Laurel A. Boyer; Treasurer, Mrs. Irene Feydelum; Mother, Vice-President, Mrs. R. Roscup; Father, Vice-President, Mr. Melvin Ashbey; Teacher, Vice-President, Mrs. Gladys Timmons.

The following ladies offered to help with the Boy Scout dinner to be held March 27 at the Beacon School: Mrs. E. Martin, Mrs. Kelly, Mrs. Katzer, and Mrs. Joe Gregory.

The Community Council has designated May 10th as Tag Day. The purpose of Tag Day is to obtain money with which to buy playground equipment to be added to the recreational facilities for use for all children of Gratiot Township.

Donna Jane Newton of Kenosha Ave., celebrated her 9th birthday on March 18th, just one day late of being an Irishman.

Meet Your Coach

Robert Van Tiem, the modest coach of St. Paul, has had limited success as a student, athlete, soldier and coach during 20 years of life.

President of Grosse Pointe throughout his years, Bob enrolled at St. Paul for Grade School and has been associated with St. Paul since. In 1940, as president of the Senior Class, Bob was elected and he left behind him an enviable record both in scholastic achievements and athletics.

During his high school athletic career Bob amassed eight letters, seven in football and basketball, and two in baseball. He captained the 1940 football team.

Bob's first official task of coaching was in his Senior year when he filled in as Grade School football coach. His team finished the season so well that the year he was asked to continue. Again his team finished up on the winning ledger.

In 1942 Bob's coaching career was interrupted by a "hitch" in the Army Radio Corps. By 1945, at the time of his discharge, he held the rank of Sergeant and had encompassed the world. The months spent in the Middle East intensified his desire for his position as coach.

After he returned to St. Paul, he coached the Varsity baseball and basketball teams of St. Paul. As coach this year he has led the Grade School basketball team and will soon be assisting in coaching the baseball team.

YMCA Lists News Spring Activities

Want to improve your bridge, tennis, or your cooking in the next eight weeks? Or make yourself a gay summer bonnet? Then the Central Branch YMCA classes opening the first week in April are for you. According to Anne W. Whitson, YMCA program director, there are literally classes morning, afternoon and night for beginners and advanced students, with special classes for children, teen-agers and adults. Classes opening the first week in April include swimming, bridge, cooking, dancing, golf, gym, millinery, riding, roller skating, shorthand, tennis and typewriting.

125 Pointe Thinclads Answer Varsity Call

With exciting memories of basketball games and swimming meets still fresh in the minds of the fans as well as the players, spring juries the usual response to the invitation for all senior G.P.H.S. boys to try out for the varsity track team.

THERE were 125 prospective runners and "event-men" in the gym to sign up on Tuesday night. Actual conditioning began on Thursday and many of the 125 found just how much work goes into spring training. When the weather permits, the boys will run on the track outdoors.

IT is still too early to tell just how the team stacks up with last year's, since the Blue Devils have lost eleven trackmen, among whom were: Don Hiles, Bill Wolfe, Don MacPhail, Bill Drew, Louie Champine, Marty Beer, and Bob Cudlip, record holder for the 220-yard dash at the high school. But, with the aid of varsity men Ed Isbey, Dan Beck, Cal Purdy, Jim Flom, and Don Drader as "spark-plugs," the team is cer-

Prep Oarsmen Begin Daily Workouts

Candidates for the Grosse Pointe High School crew began daily workouts Tuesday at the Detroit Boat Club, under the sharp eyes of Coach Judd Ross.

Ross is hopeful of duplicating last year's performances when the crew established one of the best records ever made in high school rowing.

After beating everything down river and in the Central States Regatta, the boys traveled to Hamilton, Ontario, to enter the Centennial Regatta, where they beat the best prep crews in Canada.

After more practice, the Grosse Pointe crew ventured to Philadelphia, where on the Schuylkill River, it swept the National Regatta, winning all six races in which it was entered.

Upon returning to the Boat Club, they brought seven trophies one for every race and the Julius H. Barnes Trophy, the point trophy for the entire regatta. In taking such honors, the Boat Club was ranked as the leading rowing club in the United States.

Missing from the high school schedule this season will be Charles Quarstrom, coxswain; Bob Beaupre, stroke; Harrison Blair, Bill Moll, Earl Lapp, and Walt Pesamooka, who is now in the Army.

There will be many openings before Coach Ross has his high school varsity and junior varsity (J.V.) crews made up for the coming season.

Club Champions

Pictured above is the East Side Gear Basketball team which captured the Neighborhood Club championship last Friday by defeating St. Paul 42 to 32. Though the team finished behind Francis and St. Paul in at the end of the regular season, it came through in the "title playoffs" to win top honors. Front row left to right, Joe Cannough, Rob Morrison and Bud Curran. Back row, Bruce Grubb, Bill Beckenbaugh, captain; Ray Hottman and Art Getz.

Early Bird Gets the Worm Opening Day Tickets Too

The Detroit Tigers will open the 1947 season on Friday, April 18 at Briggs Stadium with the first of a three game series with the Cleveland Indians. Grosse Pointers who are interested in seeing this opening contest are urged to mail their requests for tickets to George C. Mathews, ticket manager of the Detroit Tigers.

Mathews announced that tickets for the other two games will only be on sale on the day of each game. He also stated that there are no boxes for the entire season available.

Following is the complete ticket information for the rest of the home schedule as received from Mathews:

Requests for reserved and box seat tickets for games at Briggs Stadium will be accepted by mail when accompanied by check or money order payable to the Detroit Baseball Company.

Self-addressed stamped envelope must be included and request must be limited to not more than seven consecutive games.

Tickets will be mailed to you approximately seven days before dates requested. They may not be in section desired but your order will be filled to comply as nearly as possible to location specified in your letter.

G. P. Baseball League To Meet

The Grosse Pointe Baseball League will hold its first meeting of the 1947 season at Gray's Bicycle Shop, Mack and Anita in Grosse Pointe Woods, on Monday, March 31, at 8:30 p.m.

Entries for Class B and Class E teams will be accepted. All players and managers interested are invited to attend.

EXTENSIVE PROGRAM OF

Telephone Number Changes

NOW UNDER WAY

THESE CHANGES ARE NECESSARY—to provide for telephone growth, to prepare for direct dialing between Detroit and suburbs, and to pave the way for even faster long-distance service.

MICHIGAN BELL is now taking the first steps in a long-range program of changing thousands of Detroit and suburban telephone numbers. For the most part, the changes will be limited to new central office designations (for example, VALLEY 2-2099 instead of LENOX 2099). Eventually, all numbers will consist of two letters and a numeral, representing the central office name, followed by four numerals.

The entire job will take several years to complete. Because the present telephone system has grown beyond the old numbering capacity, the immediate purpose of the change-over is to make available more combinations of numbers to accommodate the continuing growth of telephone service in the Detroit area. It ultimately will contribute to two far-reaching improvements in service:

1. Within a few years, Detroit telephone users will be able to dial suburban telephones direct, and suburban users will be able to dial Detroit numbers direct.
2. Eventually, long-distance operators will be able to dial direct to telephones throughout the country, further speeding your long-distance calls.

With the issuance of the new Detroit Telephone Directories next month, LAFAYETTE, LENOX, TENNYSON 5, TENNYSON 6 and TENNYSON 7 numbers will be changed. At the same time, the numbers of Weather and Time services will be changed. Please watch for further announcements during the next few weeks.

"Reality" will be the subject of the Lesson-Sermon in all Christian Science Churches through the world on Sunday, March 30.
The Golden Text (Psalm 102:12) is: "Thou, O Lord, shalt endure for ever, and thy remembrance unto all generations."
Among the Bible citations is this passage (Eccl. 3:14): "I know that whatsoever God doeth, it shall be for ever: nothing can be put to it, nor any thing taken from it; and God doeth it that men should fear before him."
Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following (p. 513): "God creates all forms of reality. His thoughts are spiritual realities."
